General Information

1. Trade Marks Journal

This journal is published by the Registry of Trade Marks pursuant to Rule 86A of the Trade Marks Rules. It is published weekly on Fridays, unless otherwise directed by the Registrar.

2. Notice of Opposition

Any person who wishes to oppose any of the marks published may within two months from its publication date file a Notice of Opposition on Form TM11. Reasonable notice should be given to the Applicant beforehand, to provide the Applicant an opportunity to withdraw the application. Failure to give such notice will be taken into account when considering any application by an Opponent for an Order of Costs if the opposition is uncontested by the Applicant.

3. Practice Directions and Circulars

The Registry has ceased our practice of publishing Practice Directions and Circulars in the Trade Marks Journal. Practice Directions and Circulars are available on our website at https://www.ipos.gov.sg. If you wish to receive our updates via email, you may subscribe to our mailing list by sending an email to news@ipos.gov.sg and letting us know the subject matter of interest (e.g. Trade Marks).

4. Information Contained in this Journal

The Registry of Trade Marks does not guarantee the accuracy of its publications, data records or advice nor accept any responsibility for errors or omissions or their consequences. Permission to reproduce extracts from this Journal must be obtained from the Registrar of Trade Marks.

National Applications Published For Opposition Purposes

converting document images into electronic formats; Computer software for creating and editing music and sounds; Computer software for database management; Computer software for document management; Computer software for encryption; Computer software for information management; Computer software for organizing and viewing digital images and photographs; Computer software for processing address files; Computer software for processing digital images; Computer software for processing digital music files; Computer software for processing market information; Computer software for producing financial models; Computer software for the analysis of defects; Computer software for the creation of firewalls; Computer software for use in computer access control; Computer software for use in controlling machines; Computer software for time control; Computer software for use in creating and designing websites; Computer software for use in processing semiconductor wafers; Computer software for use in programming facsimile machines; Computer software for use in providing multiple user access to a global computer information network; Computer software for use in relation to digital animation and special effects of images; Computer software for wireless content delivery; Computer software for wireless network communications; Computer software packages; Computer software platforms; Computer software platforms, recorded or downloadable; Computer software products; Computer software programs; Computer software programs for database management; Computer software programs for spreadsheet management; Computer software that assists computers in deploying parallel applications and performing parallel computations; Computer software to automate data warehousing; Computer software to enable searching and retrieval of data; Computer software to enable searching of data; Computer software to enable the transmission of photographs to mobile telephones; Computer software to maintain and operate computer system; Computer software, recorded; Computer telephony software; Computer video game software; Computer whiteboard software; Content management software, downloadable; Controlling software for computer printers; Credit screening software; Data carriers for computers having software recorded

thereon; Data communications software; Data compression software; Data management software, downloadable; Data mining software, downloadable; Data processing software; Data processing software for graphic representations; Data processing software for word processing; Database management software; Decoder software; Desktop publishing software; Downloadable application programming interface [API] software; Downloadable application software; Downloadable application software for robots; Downloadable application software for smartphones; Downloadable application software for tracking pets; Downloadable application software for virtual environments; Downloadable augmented reality software for interactive mirrors; Downloadable augmented reality software for smart mirrors; Downloadable augmented reality software for virtual mirrors; Downloadable calendaring software; Downloadable cloud computing software; Downloadable cloud-based software; Downloadable computer application software for smartphones; Downloadable computer chatbot software for simulating conversations; Downloadable computer chatbot software using artificial intelligence for simulating conversations; Downloadable computer game software; Downloadable computer game software for virtual environments; Downloadable computer game software via a global computer network and wireless devices; Downloadable computer operating software; Downloadable computer operating software for virtual environments; Downloadable computer operating system software for quantum computers; Downloadable computer security software; Downloadable computer software applications; Downloadable computer software applications for credit card fraud detection; Downloadable computer software applications for internet fraud detection; Downloadable computer software applications for minting non-fungible tokens [NFTs]; Downloadable computer software being application programming interface [API]; Downloadable computer software applications for providing scam alerts; Downloadable computer software development tools; Downloadable computer software featuring avatars; Downloadable computer software for blockchain data mining; Downloadable computer software for blockchain technology; Downloadable

computer software for collecting, analyzing and organizing data in the field of deep learning; Downloadable computer software for creating virtual reality models; Downloadable computer software for creating, analysing and running quantum algorithms; Downloadable computer software for creating, managing, storing, accessing, sending, receiving, exchanging, validating and selling digital assets; Downloadable computer software for creating, managing, storing, accessing, sending, receiving, exchanging, validating and selling digital collectibles; Downloadable computer software for creating, managing, storing, accessing, sending, receiving, exchanging, validating and selling digital tokens; Downloadable computer software for cross blockchain transfers; Downloadable computer software for data authentication; Downloadable computer software for detecting deepfake audio and video files; Downloadable computer software for food ordering and delivery; Downloadable computer software for generating virtual images; Downloadable computer software for interacting with blockchain platforms; Downloadable computer software for managing crypto asset transactions using blockchain technology; Downloadable computer software for managing cryptocurrency transactions using blockchain technology; Downloadable computer software for managing digital collectibles using blockchain technology; Downloadable computer software for managing smart contracts using blockchain technology; Downloadable computer software for online appointment scheduling; Downloadable computer software for ordering food; USB web keys for automatically launching pre-programmed website URLs; Website development software; Apparatus for artificially distorting video signals; Apparatus for artificially distorting video images; Audiovisual teaching apparatus with artificial intelligence; Data feeders for use with artificial intelligence; Data feeders linked with artificial intelligence; Downloadable computer programs using artificial intelligence for revenue growth analytics of consumer goods industry; Downloadable computer software using artificial intelligence for computational methods; Downloadable computer software using artificial intelligence for data analysis; Downloadable computer software using artificial intelligence for

data models; Downloadable computer software using artificial intelligence in the field of biomedical research; Downloadable computer software using artificial intelligence in the field of internet fraud detection; Downloadable computer software using artificial intelligence in the field of machine translation; Downloadable computer software using artificial intelligence in the field of medical diagnosis; Downloadable computer software using machine learning and artificial intelligence; Downloadable mobile applications using artificial intelligence for home automation; Humanoid robots with artificial intelligence for preparing beverages; Humanoid robots with artificial intelligence for use in scientific research.

Class 35

Accounting services; Advertising services; Business assistance, management and administrative services; Business auditing; Business consultancy and advisory services; Business data analysis; Business management consultancy services; Business secretarial services; Marketing research services; Marketing services; Recruitment services; Accountancy services; Accountancy services relating to accounts receivable; Accounting advisory services; Accounting services for mergers and acquisitions; Accounting services for pension funds; Accounting services relating to costs for farming enterprises; Accounting services relating to tax planning; Accounts receivable billing services; Administration of a discount program for enabling participants to obtain discounts on goods and services through use of a discount membership card; Administrative processing of purchase orders within the framework of services provided by mail-order companies; Administrative services [office functions]; Administrative services for cultural and educational exchange programmes; Administrative services for cultural and educational exchange programs; Administrative services for developing and coordinating volunteer projects for charitable organizations; Administrative services for medical referrals; Administrative services for real estate referrals to prospective buyers; Administrative services for the relocation of businesses; Administrative services for developing and

coordinating volunteer projects for charitable organisations; Administrative services relating to credit card registration; Administrative services relating to customs clearance; Administrative services relating to hospital referrals; Administrative services relating to insurance; Administrative services relating to investments; Administrative services relating to oil and gas leases; Administrative services relating to real estate; Administrative services relating to referrals for general building contractors; Administrative services relating to referrals for insurance agents; Administrative services relating to the management of legal dockets; Administrative services relating to the referral of clients to attorneys; Administrative services relating to the referral of clients to lawyers; Administrative services relating to the referral of patients; Administrative services relating to the relocation of personnel; Administrative services relating to vehicle registration and title transfer; Advertisement and publicity services by television, radio, mail; Advertising agency services; Advertising and marketing services; Advertising and promotion services; Advertising services for others; Advertising services for promoting the brokerage of stocks and other securities; Advertising services for the promotion of beverages; Advertising services for the promotion of e-commerce; Advertising services for the promotion of goods; Advertising services in the field of tourism and travel; Advertising services of a radio and television advertising agency; Advertising of business websites; Leasing of advertising space on websites; Marketing services in the field of website traffic optimisation; Marketing services in the field of website traffic optimization; Online advertising network matching services for connecting advertisers to websites; On-line promotion of computer networks and websites; Promoting the artwork of others by means of providing online portfolios via a website; Promoting the designs of others by means of providing online portfolios via a website; Promoting the goods and services of others through advertisements on Internet websites; Promoting the music of others by means of providing online portfolios via a website; Promotion, advertising and marketing of on-line websites; Providing business information via a website; Providing commercial information via websites;

Providing marketing information via websites; Provision of space on websites for advertising goods and services; Rental of advertising space on websites; Search engine optimisation for promoting the websites of others; Search engine optimization for promoting the websites of others; Website traffic optimisation; Website traffic optimization.

Class 42

Application service provider [ASP] services; Design, development and programming of computer software; Platform as a service [PaaS]; Software as a service [SaaS]; Website design services; Administration of websites for others; Administration of websites for third parties; Building and maintaining websites; Computer website design; Consultancy relating to the creation and design of websites; Consultancy relating to the creation and design of websites for e-commerce; Creating an online community in the form of a website for registered users to form virtual communities and engage in social networking services; Creating an online community in the form of a website for registered users to participate in discussions and get feedback from their peers; Creating and designing website-based indexes of information for others [information technology services]; Creating and maintaining websites; Creating and maintaining websites for others; Creating and maintaining websites for registered users to form virtual communities and engage in social networking services; Creating and maintaining websites for registered users to participate in discussions and get feedback from their peers; Creating, maintaining and hosting the websites of others; Creation and hosting of websites; Creation and maintenance of websites; Creation and maintenance of websites for others; Design and construction of homepages and websites; Design and creation of websites; Design and development of homepages and websites; Design and development of websites; Design and development of software for website development; Design and maintenance of websites for others; Design of homepages and websites; Design of websites; Designing websites for advertising purposes; Development of websites; Hosting a website for the electronic

storage of digital photographs and videos; Hosting an online website for creating and hosting micro websites for businesses; Hosting and rental of memory space for websites; Hosting computer sites [websites]; Hosting computer websites; Hosting of websites; Hosting the websites of others.

Applicant/Proprietor Details:

OTION PTE. LTD.
71 AYER RAJAH CRESCENT
#04-10
SINGAPORE 139951

Agent Details/Address for Service:

71 AYER RAJAH CRESCENT
#04-10
SINGAPORE 139951

National Trade Mark No: 40202419519W

Filing Date: 28 August 2024

Classes: 09 38 41 42

Goods and/or Services:

Class 09

Computer software, recorded; Computer software applications, downloadable; Computer software platforms, recorded or downloadable; Computers; Computer memory devices; Computer programs, recorded; Downloadable graphics for mobile phones; Downloadable computer software for managing crypto asset transactions using blockchain technology; Mobile telephones; Smartphones; Wearable computers; Wearable activity trackers; Audio and video receivers; Data processing apparatus.

Class 38

Communications by computer terminals; Communications by cellular phones; Computer-aided transmission of messages; Computer-aided transmission of images; Electronic bulletin board services [telecommunications services]; Providing chatrooms in virtual environments; Providing internet chatrooms; Providing online forums; Providing user access to a global computer network; Streaming of data; Telecommunications routing and junction services; Teleconferencing services; Transmission of digital files; Transmission of electronic mail; Transmission of podcasts; Video-on-demand transmission; Videoconferencing services; Wireless broadcasting.

Class 41

Arranging and conducting of colloquiums; Arranging and conducting of conferences; Arranging and conducting of entertainment events; Arranging and conducting of in-person educational forums; Arranging and conducting of seminars; Arranging and conducting of symposiums; Arranging and conducting of workshops [training]; Electronic desktop publishing; Entertainment services; Entertainment services provided in virtual environments; Online publication of electronic books and journals; Organization of competitions [education or entertainment]; Organization of exhibitions for cultural or educational purposes; Production of podcasts; Providing information in the field of education; Providing information in the field of

entertainment; Providing online electronic publications, not downloadable; Providing online images, not downloadable; Providing online music, not downloadable; Providing user rankings for entertainment or cultural purposes; Providing online videos, not downloadable; Providing user reviews for entertainment or cultural purposes; Publication of texts, other than publicity texts; Writing of texts.

Class 42
Computer software consultancy; Computer software design; Computer programming services for data processing; Computer system design; Computer technology consultancy; Cloud computing consultancy; Creating and maintaining websites for others; Development of computer platforms; Electronic data storage; Hosting computer websites; Maintenance of computer software; Platform as a service [PaaS]; Software as a service [SaaS]; Software development in the framework of software publishing; Updating of computer software; User authentication services using technology for e-commerce transactions; Providing user authentication services using single sign-on technology for online software applications; User authentication services using blockchain technology.

Applicant/Proprietor Details:

CREATE COLLECTIVE PTE. LTD.
131 JALAN LIM TAI SEE
SINGAPORE 268456

Agent Details/Address for Service:

EXCELLENCE SINGAPORE CORPORATE SERVICES PTE. LTD.
133 CECIL STREET
#11-01A/B KECK SENG TOWER
SINGAPORE 069535

National Trade Mark No: 40202419582P

Filing Date: 29 August 2024

Classes: 29 32 43

GOOLDEN
YOGURT

Goods and/or Services:

Class 29

Whey; Milk tea, milk predominating; Yogurt; Soured milk; Milk; Milk beverages with cocoa; Milk beverages, milk predominating; Cream [dairy products]; Milk shakes; Milk products.

Class 32

Syrups for beverages; Sparkling water; Non-alcoholic fruit extracts; Soda water; Non-alcoholic beverages; Mineral water [beverages]; Beer; Preparations for making non-alcoholic beverages; Smoothies; Non-alcoholic beverages flavoured with tea.

Class 43

Restaurant services; Café services; Day-nursery [crèche] services; Providing campground facilities; Accommodation bureau services [hotels, boarding houses];

Bar services; Take-away restaurant services; Hotel accommodation services; Canteen services; Motel services.

Applicant/Proprietor Details:

SHANGHAI MOPAI CATERING MANAGEMENT CO., LTD
ROOM 326, 3RD FLOOR, BUILDING 1, NO. 260, MAOSHENG ROAD, LINGANG NEW AREA,
CHINA (SHANGHAI) PILOT FREE TRADE ZONE, PUDONG NEW AREA, SHANGHAI,

Agent Details/Address for Service:

ADASTRA INTELLECTUAL PROPERTY PTE. LTD.
133 NEW BRIDGE ROAD
#08-03 CHINATOWN POINT
SINGAPORE 059413

National Trade Mark No: 40202419980V

Filing Date: 30 August 2024

Classes: 35 41 43 45

ONVIA

Goods and/or Services:

Class 35
Organisation, operation and supervision of customer loyalty schemes; Organisation

and management of discount card loyalty schemes; Administration of consumer loyalty programs; Administration of loyalty and incentive schemes; Administration of loyalty programs involving discounts or incentives; Administration of frequent flyer programmes that allow members to redeem miles for points or awards offered by other loyalty programmes; Providing commercial information and advice for consumers in the choice of products and services; Management of hotel incentive programs of others; Promoting the goods and services of others by arranging for sponsors to affiliate their goods and services with awards programs; Promoting the sale of goods and services of others by means of contests and incentive award programs; Promoting the goods and services of others by means of a loyalty rewards card scheme; Organisation and administration services in relation to the supply of benefits for customer loyalty and frequent buyer or frequent flyer schemes; Promotion services for the sale of third-party goods and services by means of discounts.

Class 41

Entertainment; Sporting and cultural activities; Organization of community sporting events; Organisation of sporting and cultural activities; Arranging and conducting of art exhibitions for cultural or educational purposes; Arranging and conducting of wine tasting events for educational purposes; Event management services [organisation of educational, entertainment, sporting or cultural events]; Entertainment, cultural or sporting event booking or reservation services provided in relation to a customer loyalty or frequent buyer scheme; Booking of seats for shows and booking of theater tickets; Booking of tickets for sporting events; Reservation services for concert tickets; Reservation services for show tickets; Reservation services for sporting tickets; Reservation services for theater tickets; Provision of entertainment, sporting or cultural services from customer loyalty and frequent buyer schemes; Providing information, including online, about education, training, entertainment, sporting and cultural activities; Social clubs [entertainment, sporting and cultural services];

Providing online non-downloadable electronic publications; Providing information relating to recreational activities.

Class 43

Hotel accommodation reservation services; Restaurant reservation services; Temporary accommodation [hotels, motels, resorts] booking and reservation services provided in relation to a customer loyalty or frequent buyer scheme; Restaurant booking or reservation services provided in relation to a customer loyalty or frequent buyer scheme; Providing information relating to hotels; Providing information relating to restaurants; Providing information relating to the preparation of food and drink; Wine tasting services [provision of beverages]; Sommelier services for the provision of advice relating to wine, and wine and food pairing.

Class 45

Concierge services; Hotel concierge services; Personal shopper services; Personal gift selection for others; Personal reminder services.

KINGFORTS

Goods and/or Services:

Class 01

Chemicals for use in industry; Chemicals for use in industry and science; Chemicals for use in industry, science and photography; Chemicals for use in the aeronautical industry; Chemicals for use in the automotive industry; Chemicals for use in the electrical industry; Chemicals for use in the electronics industry; Chemicals for use in the gas industry; Chemicals for use in the oil industry; Chemicals for use in the oil refining industry; Chemicals for use in the paper industry; Chemicals for use in the petrochemicals industry; Chemicals for use in the pharmaceutical industry; Chemicals for use in the rubber industry; Chemicals for use in the semiconductor industry; Chemicals for use in the tanning industry; Chemicals used in industry; Polymeric chemicals for use in the cosmetic industry; Reference standards [chemicals] for use in industry; Artificial resins, unprocessed; Raw [unprocessed] artificial resins; Unprocessed artificial ion exchange resins for treating water used in power generation; Unprocessed artificial polypropylene resins; Unprocessed artificial resins; Unprocessed artificial resins as raw materials in the form of powders, liquids or pastes; Unprocessed artificial resins for industrial purposes; Unprocessed artificial resins for use in manufacture; Unprocessed artificial resins, unprocessed plastics;

Chemicals for use in agriculture, horticulture and forestry; Chemicals for use in industry, science and photography, as well as in agriculture, horticulture and forestry; Chemicals used in agriculture, horticulture and forestry; Growing media for use in agriculture, horticulture and forestry; Chemical products for use as plasticizers in unprocessed plastics materials; Filtering materials [unprocessed plastics]; Filtering materials of unprocessed plastics; Filtering media [unprocessed plastics]; Filtering media of unprocessed plastics; Plastics in unprocessed form, in powder, liquid or paste form; Plastics, unprocessed; Synthetic resin plastics, unprocessed; Unprocessed artificial plastics; Unprocessed cellulose acetate plastics; Unprocessed plastics; Unprocessed plastics containing carbon nanotubes for industrial purposes; Unprocessed plastics for industrial purposes; Unprocessed plastics for industrial use; Unprocessed plastics for use in industry; Unprocessed plastics in granular form; Unprocessed plastics in liquid form; Unprocessed plastics in pellet form; Unprocessed plastics in powder form; Unprocessed plastics in primary form; Unprocessed plastics in raw form; Unprocessed plastics in the form of dispersions; Unprocessed plastics in the form of pellets; Unprocessed protein plastics; Unprocessed synthetic resin plastics; Fire extinguishing and fire prevention compositions; Chemical preparations for use in the prevention of fires; Fire prevention compositions; Chemicals for use in fire extinguishing; Fire extinguishing compositions; Fire extinguishing chemicals; Fire extinguishing compounds; Fire extinguishing foam compositions; Fire extinguishing foams; Fire extinguishing preparations; Fire-extinguishing compositions; Fire-extinguishing preparations; Tempering and soldering preparations; Substances for tanning animal skins and hides; Adhesives for the building industry; Adhesives for the construction industry; Adhesives for use in industry; Adhesives for use in the automobile industry; Adhesives for use in the building industry; Adhesives for use in the construction industry; Adhesives for use in the electronics industry; Adhesives for use in the furniture industry; Adhesives for use in the mechanical industry; Adhesives for use in the textile industry; Adhesives used in industry; Conductive adhesives for use in

industry; Construction industry adhesives; Putties and other paste fillers; Chemical additives for compost; Chemical products for the conditioning of compost; Compost; Compost [fertiliser]; Compost [fertilizer]; Compost accelerators [chemicals]; Compost mixtures enriched with organic substances; Compost, manures, fertilisers; Compost, manures, fertilizers; Horticultural growing media composts; Peat being in the nature of compost; Potting compost; Potting composts; Seaweed based compost; Vermicompost; Artificial manures; Chemical additives for manures; Manures; Manures for the soil; Manures made from sea components; Manures obtained by the treatment of refuse with earthworms; Rigid manures; Synthetic manures.

Class 06

Alloys of common metals; Common metals and their alloys; Common metals and their alloys, ores; Trophies made of common metals and their alloys; Cassiterite [ores of metal]; Chrome iron ores; Chrome ores; Cobalt ores; Cold stores [metal buildings]; Cold stores [metal structures]; Copper ores; Iron ores; Lead ores; Manganese ores; Marmatite [ores of metal]; Metal ores; Molybdenum ores; Nickel ores; Ores; Ores for use in abrasives; Ores for use in ceramics; Ores for use in refractories; Ores of metal; Processed metal ores; Sphalerite [ores of metal]; Tin ores; Tungsten ores; Zinc ores; Zirconium ores; Metal materials for building and construction; Buildings, transportable, of metal; Metallic transportable buildings; Outdoor metal-framed transportable buildings; Transportable buildings of metal; Transportable metallic buildings; Non-electric cables and wires of common metal; Non-electric cables and wires of common metals; Non-electrical cables and wires of common metal; Small items of metal hardware; Containers of metal [storage, transport]; Metal containers for storage or transport; Metal containers for the storage and transportation of goods; Metallic containers being lockable and fire resistant [storage, transport]; Milk churns being containers of metal [storage, transport]; Cash safes; Electronic safes; Fire safe cabinets [safes] of metal; Fire-resistant safes of metal; Gun safes; Lockable security containers [safes]; Metal fire resistant safes;

Metal safes; Metal safes in the shape of a book; Non-metal safes; Prefabricated security vaults [safes]; Prefabricated strongrooms [safes]; Safes; Safes [metal or non-metal]; Safes, electronic; Security boxes [safes]; Security cases [safes] for money; Security chests [safes]; Security units [safes]; Strongboxes [safes] not of metal; Strongboxes [safes] of metal; Strongchambers [safes] not of metal; Strongchambers [safes] of metal; Strongrooms [safes] not of metal; Strongrooms [safes] of metal.

Class 09

Agitating apparatus for laboratory or scientific use; Agitating instruments for laboratory or scientific use; Ampoules for scientific use; Anaerobic chambers for laboratory or scientific use; Apparatus for conducting scientific experiments in satellites; Apparatus for conducting scientific experiments in space vehicles; Apparatus for detecting vapours for laboratory or scientific use; Apparatus for scientific research in laboratories; Apparatus for scientific use; Bioreactors for cell culturing for scientific research; Cabinets adapted for scientific apparatus and instruments; Cases fitted with dissecting instruments for scientific or research purposes; Catalyst carriers [parts of scientific instruments]; Chemical vapour deposition reactors for laboratory or scientific use; Chips arrays and sensors using DNA, genetic and other biological and diagnostic materials [scientific apparatus and instruments]; Chromatogram analysers for scientific or laboratory use; Chromatogram analyzers for scientific or laboratory use; Chromatographic apparatus for scientific or laboratory use; Chromatographic columns for scientific or laboratory use; Chromatographic instruments for scientific or laboratory use; Chromatographs for scientific or laboratory use; Chromatography columns for scientific or laboratory use; Chromatography instruments for scientific or laboratory use; Chromatography plates for scientific or laboratory use; Colorimetric comparators for scientific use; Computer programs for scientific data analysis; Controlled rate release apparatus for scientific use; Detecting apparatus for scientific laboratory use; Diagnostic apparatus

for scientific use; Diaphragms for scientific apparatus; Disposable laboratory apparatus for scientific use; Disposable scientific apparatus; Dissecting instruments for scientific or research purposes; Distillation apparatus for scientific purposes; Electrochemical gas compressors [scientific or laboratory apparatus]; Electrochemical gas separators [scientific or laboratory apparatus]; Electrochemical generating cells for containing gases [scientific or laboratory apparatus]; Electrochemical power generating fuel devices [scientific or laboratory apparatus]; Electrostatic precipitators [scientific apparatus]; Film deposition apparatus for laboratory or scientific use; Filter cartridges for scientific use in nucleic acid extraction; Filtering apparatus for fluids [scientific apparatus]; Filters for gases [scientific apparatus]; Filters for scientific laboratory use; Genetic probe assay apparatus for scientific purposes; Genetic testing apparatus for scientific purposes; Glass tubes for scientific purposes; Glassware for scientific experiments in laboratories; Glassware specifically adapted for scientific use; Heat exchange crucibles for scientific use; Hollow fibre membrane elements for scientific use; Humanoid robots with artificial intelligence for use in scientific research; Immunostaining apparatus for scientific purposes; Immunostaining devices for scientific purposes; Immunostaining instruments for scientific purposes; Implantable devices for scientific use in measuring the composition of body fluids; Incentive spirometers for scientific use; Incubation dishes for scientific or laboratory use; Incubation plates for scientific or laboratory use; Instruments for diagnosis for scientific use; Instruments for scientific research in laboratories; Instruments for scientific use in testing microbiological samples; Instruments for scientific use in the preparation of cells; Instruments for scientific use in treatment of samples before analysis; Instruments for use in gas chromatography for scientific use; Instruments for use in liquid chromatography for scientific use; Ion implanters for scientific or laboratory use; Ionisation apparatus for scientific or laboratory use; Ionization apparatus for scientific or laboratory use; Laboratory apparatus for scientific research; Lasers for scientific use; Light probes for scientific purposes; Liquid chromatograph

apparatus for scientific use; Liquid chromatography columns for scientific use; Liquid chromatography injectors for scientific use; Liquid chromatography instruments for scientific use; Lung function test apparatus for scientific use; Machines for the centrifugal separation of fluids for scientific purposes; Machines for use in biological reactions in scientific research laboratories; Magnetic separators for scientific use; Microwave decomposing apparatus being scientific laboratory apparatus; Molecular filtering devices for scientific laboratory use; Molecular sieves for scientific laboratory use; Nucleic acid sequencers for scientific purposes; Optical microscopes for scientific purposes; Pipes for scientific apparatus; Plastic tubing adapted for use in scientific apparatus; Prisms for scientific purposes; Probes connected to microprocessing apparatus for scientific use; Probes for scientific purposes; Quantitative Polymerase Chain Reaction [PCR] instruments for scientific use; Real-time Polymerase Chain Reaction [PCR] instruments for scientific use; Recorded computer programs for scientific research; Reference apparatus for use in test comparisons [laboratory or scientific apparatus]; Reference apparatus for use in testing [laboratory or scientific apparatus]; Reference standards apparatus for use in test comparisons [laboratory or scientific apparatus]; Repacked columns for scientific use; Research apparatus for scientific use; Research instruments for scientific use; Reverse osmosis membranes for scientific use; Safety cabinets for scientific purposes; Sampling apparatus being scientific apparatus; Sampling network analysers [scientific apparatus]; Satellites for scientific purposes; Scientific apparatus; Scientific apparatus and instruments; Scientific apparatus for chromatography; Scientific apparatus for determining the water content in petroleum products; Scientific apparatus for diagnostic testing of biological samples; Scientific apparatus for industry; Scientific apparatus for installation in aircraft; Scientific apparatus for installation in vehicles; Scientific apparatus for isolating the organic fraction of rocks; Scientific apparatus for laboratory purposes; Scientific apparatus for laboratory use; Scientific apparatus for testing samples of soil; Scientific apparatus for testing samples of water; Scientific apparatus for the electrophoretic separation of molecules;

Scientific apparatus for the receiving of data; Scientific apparatus for use in analytical tests; Scientific apparatus for use in controlling biochemical reactions; Scientific apparatus for use in diagnostic applications; Scientific apparatus for use in effecting biochemical reactions; Scientific apparatus for use in laboratories; Scientific apparatus for use in the preparation of materials; Scientific apparatus for use in the processing of histological specimens; Scientific apparatus for use in the separation of chemical compounds; Scientific apparatus for use in the washing of samples in sample processing; Scientific calculators; Scientific electrical apparatus; Scientific electronic apparatus; Scientific equipment; Scientific glassware; Scientific instruments; Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; Semi-permeable membranes for scientific use; Separation columns for scientific purposes; Spirometers for scientific use; Sputtering apparatus [laboratory or scientific apparatus]; Sputtering instruments [laboratory or scientific instruments]; Temperature measuring apparatus for scientific use; Temperature measuring instruments for scientific use; Temperature meters for scientific use; Temperature monitors for scientific use; Temperature scanners for scientific use; Temperature sensing apparatus for scientific use; Temperature sensitive testing apparatus for scientific use; Temperature sensitive testing instruments for scientific use; Temperature sensors for scientific use; Test apparatus for scientific use; Thermally insulated flasks for scientific use; Tissue coagulators [apparatus] for scientific use; Tubes [pipettes] for scientific use; Tubes for scientific use; Vacuum probes for scientific use; Vapour deposition apparatus for laboratory or scientific use; Vials for scientific purposes; Vibrating spatulas for scientific use; Bioreactors for research use; Diagnostic apparatus for research laboratory use; Downloadable computer software using artificial intelligence in the field of biomedical research; Electrodes for

laboratory research; Geophysical research apparatus; Laboratory instrument for the detection of pathogens and toxins in a biological sample for research use; Optical components for use in laboratory research; Petri dishes used in laboratory research; Radiometers for use in research; Research laboratory analyzers for measuring, testing and analyzing blood and other bodily fluids; Apparatus for navigation; Autonomous navigation systems; Autonomous navigation systems for ships; Car navigation computers; Cases for satellite navigation devices; Earth satellites for use in geolocation navigation; Electric navigation instruments; Electric navigational instruments; Electronic navigation apparatus; Electronic navigation instruments; Electronic navigational and positioning apparatus and instruments; GPS navigation device; Global Positioning System [GPS] navigation devices; Gyroscopes for use in stabilisation and navigational systems; Inertial navigation apparatus; Inertial navigational instruments; Loran navigation machines; Loran navigation machines and apparatus; Marine navigation apparatus; Nautical instruments for use in the navigation of sailing craft; Navigation apparatus; Navigation apparatus for bicycles; Navigation apparatus for boats; Navigation apparatus for vehicles; Navigation apparatus for vehicles [on-board computers]; Navigation compasses; Navigation computers for cars; Navigation control instruments for water craft; Navigation instruments [compasses]; Navigation instruments [sextants]; Navigation systems using inertia reference; Navigation systems using satellite reference; Navigational apparatus for automobiles; Navigational buoys; Navigational instruments; Radar apparatus for use in navigation; Radio navigational aids; Radio transmitters for navigational use; Road map display apparatus for assisting in the navigation of a vehicle; Satellite navigation devices; Satellite navigation systems; Satellite navigational apparatus; Satellite-aided navigation systems; Software for GPS navigation systems; Software for satellite navigation systems; Strapped down inertial navigation apparatus; Underwater sonar navigational apparatus; Apparatus for remote surveying; Borehole surveying apparatus; Borehole surveying instruments; Electronic apparatus for surveying; Installations for surveying purposes; Instruments

for surveying physical data; Laboratory surveying apparatus; Level measuring machines [for surveying]; Leveling rods for surveying; Leveling staffs [surveying instruments]; Levelling rods [for surveying]; Levelling rods for surveying; Levelling staffs [surveying instruments]; Magnetic compasses [for surveying]; Magnetic compasses for surveying; Needles for surveying compasses; Photographic surveying instruments; Plane tables [surveying instruments]; Rods [surveying instruments]; Surveying apparatus and instruments; Surveying chains; Surveying compass needles; Surveying instruments; Surveying poles; Television cameras for undersea surveying; Theodolites for use in surveying; Transits [for surveying]; Transits for surveying; Tripods [for surveying machines]; Tripods for surveying apparatus; Underwater sonar surveying apparatus; Alarms for detecting the movement of human beings; Apparatus for detecting defects in telephone apparatus; Apparatus for detecting fire; Apparatus for detecting gases; Apparatus for detecting light obscuring substances; Apparatus for detecting smoke; Apparatus for use in detecting signal levels; Computer programs for detecting colours; Counterfeit money detecting apparatus; Counterfeit money detecting machines; Detecting instruments, other than for medical use; Devices for detecting exposure to radiation; Downloadable computer software for detecting deepfake audio and video files; Electrical apparatus for detecting battery voltage; Electrical apparatus for detecting motor vehicles; Electrical instruments for detecting material stress; Electronic apparatus for detecting leaks; Electronic guidance controls for detecting purposes; Fire detecting apparatus; Fire detecting installations; Fire detecting instruments; Flaw detecting apparatus; Flaw detecting instruments; Gas detecting apparatus; Gas detecting instruments; Hazard detecting apparatus for use in buildings; Hazard detecting installations for use in buildings; Heat detecting apparatus; Heat detecting instruments; Inspection apparatus for detecting defects in tires; Intruder detecting apparatus; Intruder detecting instruments; Intruder detecting sensors; Laboratory apparatus for detecting bacteria; Laboratory devices for detecting genetic sequences; Microwave detecting apparatus; Mine detecting apparatus; Minesweeping [detecting] apparatus; Nuclear

detectors for detecting radiation particles; Particle detecting apparatus; Portable gas detecting instruments; Radiation detecting apparatus; Smoke detecting apparatus; Underwater acoustic detecting apparatus; Voice amplifiers for detecting doorbells; Voice amplifiers for detecting ringing mechanisms; Voice amplifiers for detecting telephone rings; Alcohol testing apparatus; Apparatus for environmental testing of electronic components; Apparatus for testing breast milk, other than for medical or veterinary use; Apparatus for testing carbon monoxide detectors using an aerosol spray; Apparatus for testing electrical apparatus; Apparatus for testing electrical components; Apparatus for testing electrical devices; Apparatus for testing electrical instruments; Apparatus for testing electronic circuits; Apparatus for testing electronic components; Apparatus for testing electronic instruments; Apparatus for testing fermentation samples; Apparatus for testing friction characteristics; Apparatus for testing fuses; Apparatus for testing heat detectors using an aerosol spray; Apparatus for testing in the aircraft industry; Apparatus for testing in the automotive industry; Apparatus for testing in the shipbuilding industry; Apparatus for testing optical cables; Apparatus for testing printed circuit boards; Apparatus for testing smoke detectors using an aerosol spray; Apparatus for testing the integrity of sealed packages; Apparatus for testing the porosity of coatings; Apparatus for testing the quality of food products; Apparatus for testing vehicle brakes; Apparatus for testing vehicle transmissions; Apparatus for testing wear characteristics; Apparatus for the testing of air; Apparatus for the testing of electrical circuits; Apparatus for the testing of gas; Apparatus for use in non-destructive testing; Apparatus for use in testing communication channels; Apparatus for use in testing electrical cables; Armament testing apparatus for use on aircraft; Audio testing apparatus; Automotive performance testing apparatus; Balance testing machines for tyres; Battery testing apparatus; Battery testing apparatus for sale in kit form; Bleeder kits for testing brakes; Bore testing instruments; Brake testing apparatus; Cement testing machines; Circuit testing apparatus; Circuit testing instruments; Computer apparatus for computer aided testing; Computer component testing and calibrating equipment;

Computer controlled apparatus for testing printed circuit boards; Computer controlled automatic testing apparatus; Computer programs for testing computer hardware; Concrete testing machines; Diagnostic apparatus for testing food; Diagnostic testing apparatus for use in immunoassay procedures, other than for medical use; Diagnostic testing instruments for use in immunoassay procedure, other than for medical use; Digital testers for use in testing electric voltage; Downloadable computer software for testing vulnerability in computers and computer networks; Downloadable software for end-to-end testing of third-party software for functionality and bugs; Electric test boxes for testing light circuits on semi-trailers; Electrical apparatus for testing alloys; Electrical apparatus for use in testing video games; Electrical products testing apparatus; Electrical testing instruments; Electrically powered apparatus for testing electronic assemblies; Electrochemical testing apparatus; Electrochemical testing devices; Electronic apparatus for testing communication links; Electronic apparatus for testing the sterility of medical equipment; Electronic apparatus for testing the sterility of pharmaceuticals and injectable solutions; Electronic equipment for testing environmental conditions; Electronic instruments for testing electronic circuit components; Electronic instruments for testing electronic circuits; Electronic test apparatus for testing bonds between metals; Electronic test apparatus for testing welds; Electronic testing apparatus for use in the field of telecommunications; Electronic testing instruments for testing electrical systems; Endurance testing machines; Flatness testing apparatus; Flow benches [testing apparatus] for carburettors; Formation testing apparatus; Frequency modulated stereo testing apparatus; Gas testing instruments; In-flight testing equipment; In-vitro diagnostic testing apparatus, other than for medical use; Instruments for testing materials at elevated temperatures; Instruments for testing metals; Instruments for testing temperature, other than for medical use; Internal combustion engine testing apparatus; Leak testing apparatus; Leak testing instruments; Lumber testing machines; Machines for testing; Machines for testing the efficiency of aerosol containers; Material testing apparatus; Material testing

instruments; Material testing instruments and machines; Material testing machines; Materials testing instruments and machines; Measurement apparatus for well testing; Measuring instruments for testing the quality of coatings; Metal compression testing machines; Metal hardness testing machines; Metal strength testing machines; Meter testing apparatus; Meters for testing humidity; Microplates [reagent testing apparatus], other than for medical use; Microprocessors used for the testing of components; Module testing units; Monitoring apparatus, electric, for testing vehicle bodies; Non-destructive testing apparatus; Optical microscopes for the testing of materials; Package testing apparatus; Performance testing apparatus, other than for medical use; Plastic testing machines; Portable electrically powered pressure hose testing cabinets; Portable pressure hose testing cabinets; Portable testing apparatus for aircraft; Probes for testing integrated circuits; Probes for testing semiconductors; Resistance testing apparatus; Semiconductor testing apparatus; Sockets for testing integrated circuits; Surface roughness testing machines and instruments; Temperature recorders for testing static electricity; Temperature sensitive testing apparatus for industrial use; Temperature sensitive testing instruments for industrial use; Test adapters for testing printed circuit boards; Test apparatus for testing electronic circuits; Test pins for testing printed circuit boards; Test probes for the automatic testing of bare circuit boards; Test probes for the automatic testing of loaded circuit boards; Testing apparatus for checking components used in weapons systems; Testing apparatus for checking electronic devices; Testing apparatus for checking optical devices; Testing apparatus for diagnostic purposes, other than for medical use; Testing apparatus for disc wheels; Testing apparatus for electronic components; Testing apparatus for electronic equipment; Testing apparatus for motor land vehicles; Testing apparatus for sale in kit form, other than for medical use; Testing apparatus for testing printed circuit boards; Testing apparatus for tires; Testing apparatus for wheels; Testing apparatus not for medical purposes; Testing baths for testing aerosol valves; Testing devices for electronic parts; Testing devices for tyre assembly machines; Testing instruments for measuring the surface

roughness; Testing instruments for use in fault finding on motor vehicle engines; Testing probes, other than for medical purposes; Textile testing machines; Ultrasonic testing apparatus, other than for medical use; Vacuum climatic testing apparatus; Voltage testing devices; Voltage testing instruments; Wind tunnels being testing installations; Borescopes for inspecting work; Cameras for monitoring and inspecting equipment in a nuclear power station; Inspection apparatus for inspecting the internal surface of tires; Machines for inspecting printed circuit boards; Mirrors for inspecting work; Apparatus and instruments for conducting electricity; Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; Apparatus and instruments for switching electricity; Audio switching apparatus; Automatic switching apparatus for telecommunication; Capacitor switching reactors; Data packet switching apparatus; Data packet switching installations; Data switching apparatus; Digital cross-connected switching apparatus; Digital telephone switching apparatus; Electric switching apparatus; Electrical devices for the switching of data; Electrical devices for the switching of messages; Electrical message switching apparatus for use in communications installations; Electrical switching apparatus; Electrical switching for monitoring devices; Electrical switching instruments; Electronic digital switching apparatus; Electronic message switching apparatus for use in communications installations; Electronic switching amplifiers; Electronic switching apparatus; High capacity broadband telecommunications switching apparatus; High-frequency switching power supplies; Local area networking apparatus for the switching of data; Low voltage switching devices; Open and closed-loop switching apparatus; Packet switching apparatus; Packet switching networks; Private telephone switching exchange apparatus; Switching boxes for use in electrical engineering; Switching devices for electric contactors; Switching devices for electric relays; Switching power supply apparatus; Telecommunications switching apparatus; Telecommunications switching systems;

Telephone digital switching transmission apparatus; Telephone switching apparatus; Telephone switching instruments; Telephone switching systems; Timers for switching on electrical devices at pre-programmed times; Video switching apparatus; Apparatus and instruments for transforming electricity; Apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; Boxes adapted for storing computer software disks; Boxes adapted for transporting computer software disks; Cards encoded to access computer software; Cartridges [software] for use with computers; Cartridges for computer games [software]; Communication software for connecting computer network users; Communication software for connecting global computer networks; Communications processing computer software; Computer application software for mobile phones; Computer application software for mobile telephones; Computer application software for smartphones; Computer backgammon games [software]; Computer bridge games [software]; Computer chatbot software for simulating conversations; Computer chess games [software]; Computer communication software to allow customers to access bank account information and transact bank business; Computer firewall software; Computer game software; Computer game software downloadable from a global computer network; Computer game software for use on mobile and cellular phones; Computer game software, downloadable; Computer game software, recorded; Computer games entertainment software; Computer games programmes [software]; Computer games programs downloaded via the internet [software]; Computer games programs recorded on tapes [software]; Computer games software; Computer graphics software; Computer hardware and software for artificial intelligence; Computer hardware and software for augmented reality systems; Computer hardware and software for blockchain technology; Computer hardware and software for cloud computing; Computer hardware and software for cognitive computing; Computer hardware and software for cryptocurrency; Computer hardware for use in computer-assisted software engineering; Computer interface software; Computer operating software; Computer operating system software; Computer programs

[downloadable software]; Computer programs and recorded software distributed online; Computer programs and software for image processing used for mobile phones; Computer screen saver software; Computer screen saver software, recorded or downloadable; Computer search engine software; Computer software; Computer software adapted for use in the operation of computers; Computer software applications, downloadable; Computer software designed to estimate costs; Computer software designed to estimate resource requirements; Computer software development tools; Computer software downloaded from the internet; Computer software for accessing data banks; Computer software for accessing databases; Computer software for accounting systems; Computer software for administration of local area networks; Computer software for analysing address files; Computer software for analysing market information; Computer software for application and database integration; Computer software for authorising access to databases; Computer software for business purposes; Computer software for communicating purposes between microcomputers; Computer software for communicating with users of hand-held computers; Computer software for communication between computer processes; Computer software for controlling and managing access server applications; Computer software for controlling self-service terminals; Computer software for controlling the operation of audio and video devices; Computer software for converting document images into electronic formats; Computer software for creating and editing music and sounds; Computer software for database management; Computer software for document management; Computer software for encryption; Computer software for information management; Computer software for organizing and viewing digital images and photographs; Computer software for processing address files; Computer software for processing digital images; Computer software for processing digital music files; Computer software for processing market information; Computer software for producing financial models; Computer software for the analysis of defects; Computer software for the creation of firewalls; Computer software for time control; Computer software for use in computer access control;

Computer software for use in controlling machines; Computer software for use in creating and designing websites; Computer software for use in processing semiconductor wafers; Computer software for use in programming facsimile machines; Computer software for use in providing multiple user access to a global computer information network; Computer software for use in relation to digital animation and special effects of images; Computer software for wireless content delivery; Computer software for wireless network communications; Computer software packages; Computer software platforms; Computer software platforms, recorded or downloadable; Computer software products; Computer software programs; Computer software programs for database management; Computer software programs for spreadsheet management; Computer software that assists computers in deploying parallel applications and performing parallel computations; Computer software to automate data warehousing; Computer software to enable searching and retrieval of data; Computer software to enable searching of data; Computer software to enable the transmission of photographs to mobile telephones; Computer software to maintain and operate computer system; Computer software, recorded; Computer telephony software; Computer video game software; Computer whiteboard software; Controlling software for computer printers; Data carriers for computers having software recorded thereon; Downloadable computer application software for smartphones; Downloadable computer chatbot software for simulating conversations; Downloadable computer chatbot software using artificial intelligence for simulating conversations; Downloadable computer game software; Downloadable computer game software for virtual environments; Downloadable computer game software via a global computer network and wireless devices; Downloadable computer operating software; Downloadable computer operating software for virtual environments; Downloadable computer operating system software for quantum computers; Downloadable computer security software; Downloadable computer software; Downloadable computer software applications; Downloadable computer software applications for credit card fraud detection; Downloadable computer

software applications for internet fraud detection; Downloadable computer software applications for minting non-fungible tokens [NFTs]; Downloadable computer software applications for providing scam alerts; Downloadable computer software being application programming interface [API]; Downloadable computer software development tools; Downloadable computer software featuring avatars; Downloadable computer software for blockchain data mining; Downloadable computer software for blockchain technology; Downloadable computer software for collecting, analyzing and organizing data in the field of deep learning; Downloadable computer software for creating virtual reality models; Downloadable computer software for creating, analysing and running quantum algorithms; Downloadable computer software for creating, managing, storing, accessing, sending, receiving, exchanging, validating and selling digital assets; Downloadable computer software for creating, managing, storing, accessing, sending, receiving, exchanging, validating and selling digital collectibles; Downloadable computer software for creating, managing, storing, accessing, sending, receiving, exchanging, validating and selling digital tokens; Downloadable computer software for cross blockchain transfers; Downloadable computer software for data authentication; Downloadable computer software for food ordering and delivery; Downloadable computer software for generating virtual images; Downloadable computer software for interacting with blockchain platforms; Downloadable computer software for managing crypto asset transactions using blockchain technology; Downloadable computer software for managing cryptocurrency transactions using blockchain technology; Downloadable computer software for managing digital collectibles using blockchain technology; Downloadable computer software for managing smart contracts using blockchain technology; Downloadable computer software for online appointment scheduling; Downloadable computer software for ordering food; Downloadable computer software for photo slideshows; Downloadable computer software for providing access to virtual environments; Downloadable computer software for quantum algorithms; Downloadable computer software for quantum programming;

Downloadable computer software for remote monitoring and analysis; Downloadable computer software for simulating quantum processes; Downloadable computer software for smartphones; Downloadable computer software for social networking; Downloadable computer software for use as a digital token wallet; Downloadable computer software for use as a digital wallet; Downloadable computer software for use as an electronic wallet; Downloadable computer software for use in implementing Internet of Things [IoT]; Downloadable computer software for virtual environments; Downloadable computer software for web crawling; Downloadable computer software for web scraping; Downloadable computer software platforms; Downloadable computer software using artificial intelligence for computational methods; Downloadable computer software using artificial intelligence for data analysis; Downloadable computer software using artificial intelligence for data models; Downloadable computer software using artificial intelligence in the field of internet fraud detection; Downloadable computer software using artificial intelligence in the field of machine translation; Downloadable computer software using artificial intelligence in the field of medical diagnosis; Downloadable computer software using machine learning and artificial intelligence; Downloadable computer software using machine learning for computational methods; Downloadable computer software using machine learning for data analysis; Downloadable computer software using machine learning for data models; Downloadable computer utility software; Downloadable interactive entertainment software for playing computer games; Downloadable software platforms for hosting computer sites; Electronic sports training simulators [computer hardware and software-based teaching apparatus]; Games software for use with computers; Industrial computer software programs; Installations for the remote loading of computer software; Installations for the remote unloading of computer software; Interactive computer software; Interactive entertainment software for use with computers; Magnetic cards bearing computer software; Network management computer software; Operating computer software for main frame computers; Personal computer software applications, downloadable;

Personal computers incorporating computer software; Recorded and downloadable media, computer software, blank digital or analogue recording and storage media; Recorded computer game software; Recorded computer software; Security devices for computer software; Simulation software for use in digital computers; Software for computers; Software for searching and retrieving information across a computer network; Video games on disc [computer software]; Video games programs [computer software]; Mechanisms for coin-operated apparatus; Cash registers, calculating devices; Computers and computer peripheral devices; Peripheral control devices for computers; Peripheral sharing devices for computers; Diving suits; Diving suits, divers' masks, ear plugs for divers, nose clips for divers and swimmers, gloves for divers, breathing apparatus for underwater swimming; Wet diving suits; Wet suits for diving; Wet suits for scuba diving; Wetsuits for scuba diving; Divers' face masks; Divers' masks; Ear plugs for divers; Fire-extinguishing apparatus.

Class 19

Acoustic building materials, not of metal; Building materials, not of metal; Construction materials, not of metal; Fired refractory materials, not of metal; Laminated building materials, not of metal; Materials, not of metal, for building and construction; Moulded building materials, not of metal; Prefabricated building materials, not of metal; Railway materials, not of metal; Refractory construction materials, not of metal; Reinforcing materials, not of metal, for building; Road construction materials, not of metal; Buildings, transportable, not of metal; Transportable buildings, not of metal; Asphalt, pitch, tar and bitumen; Monuments, not of metal; Asphalt, pitch and bitumen; Non-metallic rigid pipes; Non-metallic rigid pipes for building; Non-metallic rigid pipes for construction purposes; Plastic pipes [rigid] for water; Rigid non-metallic pipes for building; Rigid pipes of plastics; Rigid pipes, not of metal; Rigid pipes, not of metal, for building; Rigid underdrainage pipes, not of metal.

Class 35

Advice and information concerning commercial business management; Advice relating to business management; Advice relating to the organisation and management of business; Advisory services for business management; Advisory services relating to business management; Advisory services relating to business management and business operations; Advisory services relating to business risk management; Assistance and advice regarding business organisation and management; Assistance and advice regarding business organization and management; Assistance and consultancy services in the field of business management of companies in the energy sector; Assistance in franchised commercial business management; Assistance in management of business activities; Assistance with business management and planning; Assistance, advisory services and consultancy with regard to business management; Benchmarking services for business management purposes; Business accounts management; Business administration and management; Business advisory services relating to the management of businesses; Business assistance in the management of franchised businesses; Business assistance, management and administrative services; Business consultancy services relating to management of fund raising campaigns; Business consultancy services relating to the supply of quality management systems; Business consultation and management regarding marketing activities and launching of new products; Business file management; Business management; Business management advice; Business management advice and assistance; Business management advisory services; Business management advisory services related to franchising; Business management advisory services relating to franchising; Business management analysis; Business management and administration relating to e-commerce; Business management and administration services supporting utilisation of a global computer network; Business management and enterprise organization consultancy; Business management and organisation consultancy; Business management and organisation consultancy services; Business

management and organization consultancy; Business management and organization consultancy services; Business management assistance; Business management assistance for industrial or commercial companies; Business management assistance within the framework of a franchise contract; Business management consultancy; Business management consultancy and advisory services; Business management consultancy in the field of corporate travel; Business management consultancy in the field of digital technology; Business management consultancy in the field of information technology; Business management consultancy in the field of leadership development; Business management consultancy in the field of transport and delivery; Business management consultancy in the field of virtual reality technology; Business management consultancy services; Business management consultancy services provided via the Internet; Business management consultancy, also via the Internet; Business management consultation; Business management consulting; Business management consulting services; Business management for freelance service providers; Business management for shops; Business management in the field of transport and delivery; Business management of actors, artists, authors, performing artists, photographers or writers; Business management of airports; Business management of call centres; Business management of car parking facilities; Business management of charging station parks for electric vehicles; Business management of companies; Business management of conference centers; Business management of discotheques; Business management of entertainers; Business management of farms; Business management of health care clinics for others; Business management of hospitals; Business management of hotels; Business management of hotels for others; Business management of insurance agencies; Business management of logistics for others; Business management of models; Business management of offices for others; Business management of outsourcing; Business management of performing artists; Business management of petrol stations for others; Business management of professional athletes; Business management of public auctions; Business management of real

estate agencies; Business management of reimbursement programmes for others; Business management of reimbursement programs for others; Business management of restaurants; Business management of retail outlets; Business management of sporting facilities for others; Business management of sporting venues for others; Business management of sports people; Business management of wholesale outlets; Business management organisation consultancy; Business management planning; Business management services; Business management services regarding marketing activities and launching of new products; Business management supervision; Business management supervision in the field of electric mobility; Business management, organization and administration; Business organisation and management consultancy in the field of personnel management; Business organisation and management consulting; Business organisation and management consulting services; Business organization and management consultancy in the field of personnel management; Business organization and management consulting; Business organization and management of discount services; Business process management and consulting; Business process management consultancy; Business process management services; Business project management; Business project management and administration; Business project management for others; Business project management services; Business project management services for construction projects; Business reputation management and improvement services; Business risk management consultancy; Business risk management services; Business risk management services in the field of data privacy; Business risk management services in the field of data security; Charitable services, namely business management and administration; Commercial assistance in business management; Commercial business management; Conducting online business management research surveys; Consultancy and advisory services for business management; Consultancy and advisory services relating to business management; Consultancy relating to business document management; Consultancy relating to business management; Consultancy relating to

business management and organisation; Consulting services in business organization and management; Help in the management of business affairs or commercial functions of an industrial or commercial enterprise; Interim business management; Logistics services consisting of business management and organisation of facilities and resources; Logistics services consisting of business management and organization of facilities and resources; Management advisory services for businesses; Management and operation assistance to commercial businesses; Management assistance in business affairs; Management consultancy in business information analysis; Management consultation services relating to business; Management of business for others; Management of business offices for others; Management of business projects for others; Providing advice and information relating to commercial business management; Providing advice in the field of business management and marketing; Providing assistance in the field of business management within the framework of a franchise contract; Providing business management and operational assistance to commercial businesses; Providing business management start-up support for other businesses; Providing information, including online, about advertising, business management and administration and office functions; Provision of business management assistance; Provision of business management information; Provision of information in relation to business management; Talent agency services [business management of performing artists]; Administration of business affairs; Administration of business payroll for others; Administration of businesses; Administration of foreign business affairs; Administration of the business affairs of franchises; Administration relating to business appraisal; Administration relating to business planning; Business administration; Business administration advisory services; Business administration assistance; Business administration consultancy; Business administration for others; Business administration in the field of transport and delivery; Business administration of financial trusts; Business administration of hotels; Business administration of insurance agencies; Business administration of patient reimbursement programs;

Business administration of real estate agencies; Business administration services; Business administration services for the processing of sales made on the Internet; Business administration services in the field of healthcare; Business administration services in the field of transportation; Business administration services relating to customs clearance; Business consultancy relating to the administration of information technology; Provision of information in relation to business administration; Administrative services [office functions]; Appointment reminder services [office functions]; Appointment scheduling services [office functions]; Data preparation [office functions]; Data processing services [office functions]; Data retrieval [office functions]; Document filing [office functions]; Document preparation [office functions]; Filing documents or magnetic-tapes [office functions]; Information retrieval [office functions]; Mail sorting, handling and receiving [office functions]; Office functions; Office functions in the nature of filing documents; Reception services for visitors [office functions]; Transcription of communications [office functions]; Advertising; Advertising agencies; Advertising agency services; Advertising analysis; Advertising and marketing consultancy; Advertising and marketing services; Advertising and promotion services; Advertising and promotion services and related consulting; Advertising and promotional services; Advertising and publicity services; Advertising automobiles for sale by means of the Internet; Advertising by mail order; Advertising by transmission of on-line publicity for third parties through electronic communications networks; Advertising consultancy; Advertising consultation; Advertising copywriting; Advertising flyer distribution; Advertising flyer distribution for others; Advertising for motion picture films; Advertising for others; Advertising for others on the Internet; Advertising in cinemas; Advertising in elevators; Advertising in periodicals, brochures and newspapers; Advertising in the popular and professional press; Advertising of business web sites; Advertising of commercial or residential real estate; Advertising of movies; Advertising of real estate; Advertising on electronic kiosks; Advertising on elevator LCD displays; Advertising on the Internet for others; Advertising planning; Advertising relating to pharmaceutical products and

in-vivo imaging products; Advertising relating to transport and delivery; Advertising research; Advertising research services; Advertising services; Advertising services for others; Advertising services for promoting the brokerage of stocks and other securities; Advertising services of a radio and television advertising agency; Advertising services provided by television; Advertising services provided over the internet; Advertising services provided via a database; Advertising services provided via the Internet; Advertising services relating to clothing; Advertising services relating to cosmetics; Advertising services relating to jewellery; Advertising services relating to jewelry; Advertising services relating to pharmaceutical products; Advertising services relating to pharmaceuticals for the treatment of diabetes; Advertising services rendered in virtual environments; Advertising services to create brand identity for others; Advertising services to create corporate and brand identity; Advertising services to promote public awareness in the field of social welfare; Advertising services to promote public awareness of domestic violence issues; Advertising services to promote public awareness of environmental matters; Advertising services to promote public awareness of medical conditions; Advertising services to promote public awareness of medical issues; Advertising services to promote public awareness of mental health issues; Advertising services to promote public awareness of nephrotic syndrome and focal segmental glomerulosclerosis [FSGS]; Advertising services to promote public awareness of social issues; Advertising services to promote public awareness of the benefits of shopping locally; Advertising services to promote public awareness of the dangers of driving while drowsy; Advertising services to promote public awareness on economics issues; Advertising services to promote public awareness on educational issues; Advertising services to promote public awareness on energy issues; Advertising services to promote public awareness on environmental issues; Advertising services to promote public awareness on equality issues; Advertising services to promote public awareness on global issues; Advertising services to promote public awareness on health issues; Advertising services to promote public awareness on healthcare

issues; Advertising services to promote public awareness on political issues; Advertising services to promote public awareness on public policy issues; Advertising text publication services; Advertising through all public communication means; Advertising via electronic media; Advertising via the Internet; Advertising, marketing and promotion services; Advertising, marketing and promotional consultancy, advisory and assistance services; Advertising, marketing and promotional services; Advertising, promotional and marketing services; Advisory services relating to advertising; Analysis of advertising effectiveness; Analysis of advertising response; Arranging and conducting of advertising events; Arranging and conducting of fairs and exhibitions for business and advertising purposes; Arranging exhibitions for advertising purposes; Arranging of advertising contracts for others; Art gallery services for advertising purposes; Art gallery services for commercial or advertising purposes; Banner advertising; Billboard advertising; Business advertising services relating to franchising; Business advice relating to advertising; Business consultancy relating to advertising; Business consultation relating to advertising; Cinema advertising; Cinematographic film advertising; Classified advertising; Classified advertising services; Compilation, production and dissemination of advertising matter; Compiling indexes of information for commercial or advertising purposes; Conducting events for commercial or advertising purposes; Conducting exhibitions for advertising purposes; Conducting, arranging and organizing trade shows and trade fairs for commercial and advertising purposes; Consultancy regarding advertising communication strategies; Consultancy relating to advertising; Consultancy relating to business advertising; Consulting services in the field of development of advertising concepts; Copy writing for advertising and promotional purposes; Copywriting for advertising and promotional purposes; Creating advertising material; Demonstration of goods for advertising purposes; Development of advertising concepts; Development of the advertising content of brochures for others; Digital advertising services; Direct advertising; Direct mail advertising; Direct mail advertising services; Direct market advertising; Direct response advertising;

Direct-mail advertising; Dissemination of advertisements and of advertising material [flyers, brochures, leaflets and samples]; Dissemination of advertising and promotional materials; Dissemination of advertising for others via the Internet; Dissemination of advertising material; Dissemination of advertising material [leaflets, brochure and printed matter]; Dissemination of advertising material [leaflets, brochures and printed matter]; Dissemination of advertising material online; Dissemination of advertising matter; Dissemination of advertising matter by mail; Dissemination of advertising matter online; Dissemination of advertising, marketing and publicity materials; Distribution and dissemination of advertising materials [leaflets, prospectuses, printed material, samples]; Distribution of advertising mail and of advertising supplements attached to regular editions; Distribution of advertising material; Distribution of advertising materials; Distribution of advertising matter; Distribution of products for advertising purposes; Distribution of samples for advertising purposes; Electronic billboard advertising; Elevator advertising; Event management services [organisation of exhibitions or trade fairs for commercial or advertising purposes]; Event management services [organization of exhibitions or trade fairs for commercial or advertising purposes]; Fashion show services [advertising or promotional services]; Film directing of advertising films; Graphic advertising services; Handbill distribution for advertising purposes; Hire of advertising aids; Hire of advertising billboards; Hire of advertising equipment; Hire of advertising materials; Hiring of advertising materials; Information services relating to advertising; Internet advertising services; Issuing and updating of advertising texts; Layout services for advertising purposes; Magazine advertising; Market research for advertising; Mediation of advertising; Mobile advertising services for others; Modeling for advertising or sales promotion; Modeling services for advertising or sales promotion; Modelling for advertising or sales promotion; Modelling services for advertising or sales promotion; Newspaper advertising; On-line advertising on a computer network; On-line advertising on computer communication networks; On-line advertising on computer networks; Online advertising in virtual environments;

Online advertising network matching services for connecting advertisers to websites; Online advertising on a computer network; Online advertising via a computer communications network; Organisation of art exhibitions for commercial or advertising purposes; Organisation of exhibitions and events for commercial or advertising purposes; Organisation of exhibitions and trade fairs for commercial or advertising purposes; Organisation of exhibitions for commercial or advertising purposes; Organisation of exhibitions of flowers and plants for commercial or advertising purposes; Organisation of fairs and exhibitions for commercial and advertising purposes; Organisation of housing and real estate displays and exhibitions for promotion or advertising purposes; Organisation of prize draws for advertising purposes; Organisation of trade expositions or shows for commercial or advertising purposes; Organisation of trade fairs and exhibitions for commercial or advertising purposes; Organisation of trade fairs for advertising purposes; Organisation of trade fairs for commercial or advertising purposes; Organising exhibitions for commercial or advertising purposes; Organising of prize draws for advertising purposes; Organization of art exhibitions for commercial or advertising purposes; Organization of events, exhibitions, fairs and shows for commercial, promotional and advertising purposes; Organization of exhibitions and events for commercial or advertising purposes; Organization of exhibitions and trade fairs for commercial or advertising purposes; Organization of exhibitions for commercial or advertising purposes; Organization of exhibitions of flowers and plants for commercial or advertising purposes; Organization of fairs and exhibitions for commercial and advertising purposes; Organization of fairs for commercial and advertising purposes; Organization of housing and real estate displays and exhibitions for promotion or advertising purposes; Organization of prize draws for advertising purposes; Organization of trade expositions or shows for commercial or advertising purposes; Organization of trade fairs and exhibitions for commercial or advertising purposes; Organization of trade fairs for advertising purposes; Organization of trade fairs for commercial or advertising purposes; Organizing

exhibitions for commercial or advertising purposes; Organizing of prize draws for advertising purposes; Outdoor advertising; Outdoor advertising services; Pay per click advertising; Personnel recruitment advertising; Planning and conducting of trade fairs, exhibitions and presentations for commercial or advertising purposes; Planning and conducting of trade fairs, exhibitions and presentations for economic or advertising purposes; Planning services for advertising; Post-production editing of advertising; Post-production editing of advertising or commercials; Preparation of advertising material; Preparation of advertising matter; Preparing audiovisual presentations for use in advertising; Press advertising consultancy; Press advertising services; Production of advertising films; Production of advertising materials; Production of advertising matter and commercials; Production of advertising videos; Production of fashion shows for advertising or promotional purposes; Production of sound recordings for advertising purposes; Production of video recordings for advertising purposes; Production of visual advertising matter; Production, organisation and presentation of fashion shows for advertising or promotional purposes; Promoting the goods and services of others by distributing advertising materials through a variety of methods; Promotion [advertising] of business; Promotion [advertising] of concerts; Promotion [advertising] of travel; Promotion, advertising and marketing of on-line websites; Promotional advertising services; Promotional and advertising services; Providing a searchable online advertising guide featuring the goods and services of online vendors; Providing advertising space in periodicals, newspapers and magazines; Providing air time on radio and television for advertising purposes; Providing and rental of advertising space on the internet; Providing information relating to advertising; Providing searchable online advertising guides; Providing user rankings for advertising purposes; Providing user rankings for commercial or advertising purposes; Providing user ratings for advertising purposes; Providing user ratings for commercial or advertising purposes; Providing user reviews for advertising purposes; Providing user reviews for commercial or advertising purposes; Provision of advertising information; Provision

of advertising space; Provision of advertising space by electronic means and global information networks; Provision of information relating to advertising; Provision of space on websites for advertising goods and services; Publication of advertising material on-line; Publication of advertising materials; Publication of advertising matter; Publication of advertising texts; Publishing of advertising texts; Radio advertising; Real estate advertising; Recruitment advertising; Rental of advertisement space and advertising material; Rental of advertising apparatus; Rental of advertising billboards; Rental of advertising equipment; Rental of advertising material; Rental of advertising materials; Rental of advertising matter; Rental of advertising space; Rental of advertising space on the internet; Rental of advertising space on web sites; Rental of advertising space on-line; Rental of advertising space online; Rental of advertising time in cinemas; Rental of advertising time on communication media; Rental of advertising time on communications media; Rental of billboards [advertising boards]; Rental of signs for advertising purposes; Rental of yard signs for advertising purposes; Research services relating to advertising; Response advertising; Scriptwriting for advertising purposes; Shop window dressing for advertising purposes; Sponsorship advertising; Street dissemination of advertising materials; Taxi roof advertising; Taxi top advertising; Television advertising; Updating advertising material; Updating of advertising material; Updating of advertising matter; Videotape film production for advertising films; Web banner advertising; Web indexing for commercial or advertising purposes; Window dressing services for advertising purposes; Writing advertising copy; Writing of advertising texts.

Class 37

Advisory services relating to building construction; Advisory services relating to building construction materials; Advisory services relating to construction; Advisory services relating to property development [building and construction services]; Advisory services relating to the construction of buildings; Advisory services relating to the construction of civil engineering structures; Advisory services relating to the

construction of mechanical engineering structures; Advisory services relating to the construction of public works; Building and construction services; Building construction advisory services; Building construction consultancy services; Building construction services; Building construction supervision services for building projects; Building construction supervision services for real estate projects; Building construction supervision services relating to shopping centers, industrial complexes, office buildings, residential buildings and other real estate developments; Building construction supervision services relating to shopping centres, industrial complexes, office buildings, residential buildings and other real estate developments; Charitable services, namely construction; Civil construction services; Civil engineering underwater construction services; Construction advisory services relating to surfacing projects; Construction information services; Construction project management services; Construction services; Construction services for charitable purposes; Construction services using concrete; Consultancy and information services relating to construction; Consultancy services relating to the construction of buildings; Consultancy, information and advisory services relating to the construction of public works; Development of property [building and construction services]; Earthworks services in the nature of excavating for building construction; Excavation services for construction sites, other than for archaeology; Housing development [building and construction services]; Property development [building and construction services]; Providing information, including online, about building construction, and repair and installation services; Real estate development [building and construction services]; Structural engineering services [construction]; Underground civil engineering construction services; Underwater construction services; Charitable services, namely repair, maintenance and installation; Computer support services being installation, repair and maintenance of computer hardware and peripherals; Handyman repair, maintenance and installation services; Information technology [IT] support services [installation, maintenance and repair of computer hardware]; Installation and repair services; Locksmithing services being the installation, repair

and maintenance of locks and locking systems; Plate glass installation and repair services; Repair, maintenance and installation advisory services; Repair, maintenance and installation consultancy services; Mining extraction; Mining extraction services; Mining extraction, oil and gas drilling; Drilling of deep oil or gas wells; Oil and gas drilling.

IGNITE

Goods and/or Services:

Class 35

Business consulting in the field of blockchain development; business management and consultation services, namely, providing business management consultation and business consultation services in the field of blockchain technology; business process management outsourcing services in the field of administration and bookkeeping to companies in the field of blockchain technology.

Class 36

Venture capital funding services to emerging and start-up companies in the field of blockchain technology; investment of funds for others in the field of cryptocurrency and blockchain technology; providing blockchain investment services; providing financial information in the field of cryptocurrency; cryptocurrency services, namely, providing a digital currency or digital token for use by members of an on-line community via a global computer network; cryptocurrency trading services by digital currency or digital token, incorporating cryptographic protocols, used to operate and build applications and blockchains on a decentralized computer platform.

Class 38

Communication services, namely, electronic transmission of data and documents among users of computers in the field of blockchain infrastructure for connecting computers and computer networks in order to record and validate changes made to records, to enable prioritization of recordation and validation of changes made to records, and to enable blockchain computing and computing related to smart contracts; electronic transmission of audio, video and other data and documents among computers in the field of blockchain infrastructure for connecting computers and computer networks in order to record and validate changes made to records, to enable prioritization of recordation and validation of changes made to records, and to enable blockchain computing and computing related to smart contracts, all via peer-to-peer network computer services.

Class 42

Design, development, and implementation of software for blockchain infrastructure; design and development of computer software for decentralized computing using blockchain technology; blockchain technology software as a service (SaaS); consulting in the field of designing blockchain and decentralized applications; computer software development in the field of blockchain-based technology and decentralized application computer software; research and development in the field of blockchain infrastructure and interoperability.

Class 27

Rugs; carpets; mats.

Class 28

Toys, games and playthings; toy figurines; plush toys; action figures; balls; basketballs; playing cards; trading cards for games; hand-held units for playing electronic, computer, interactive, and video games; gaming devices; mobile gaming devices; amusement game machines; game consoles; game controllers for computer and video games; computer game joysticks; video game joysticks; gaming mice; gaming keypads; skateboards; skateboard decks; cases for gaming devices; game cards.

Class 32

Beer; energy drinks; non-alcoholic beverages; soft drinks.

Class 33

Alcoholic beverages; wine; liquor; spirits; liqueurs; cocktails.

Class 35

Retail services; advertising services; marketing services; market research; promotion services; business consulting services; facilitating the trade exchange and sale of products and services via computer and communication networks; providing online facilities in the nature of an online marketplace for connecting buyers with sellers; providing an online marketplace; providing an online marketplace for digital assets, digital tokens, crypto-tokens, utility tokens, non-fungible tokens (NFTs), digital collectibles, crypto-collectibles, cryptocurrencies, digital currencies and virtual currencies; providing an online marketplace for buyers and sellers of digital goods authenticated by non-fungible tokens (NFTs); providing online marketplace to rent, borrow, and trade digital assets, digital tokens, crypto-tokens, utility tokens, non-fungible tokens (NFTs), digital collectibles, crypto-collectibles, cryptocurrencies, digital currencies and virtual currencies; providing an online marketplace for virtual exchanges of digital assets, digital tokens, crypto-tokens, utility tokens, digital files authenticated by non-fungible tokens (NFTs), digital collectibles, crypto-collectibles, cryptocurrencies, digital currencies and virtual currencies; providing an online marketplace for virtual exchanges of digital goods authenticated by non-fungible tokens (NFTs); providing an online marketplace to rent, borrow, and trade digital files authenticated by non-fungible tokens (NFTs); facilitating the trade exchange and sale of services and products of third parties via computer and communication networks; providing online marketplaces for sellers of goods and/or services; auction services; administrative services for voting services; promoting the goods and services of others via computer and communication networks; business organization, management and administration of decentralized autonomous organizations (DAOs);

business administrative services for recording, management and tracking of ownership interests in decentralized autonomous organizations (DAOs).

Class 36

Financial services; monetary services; financial transaction services; financial exchange services; banking services; cryptocurrency services; digital currency services; electronic currency services; virtual currency services; cryptocurrency exchange services; cryptocurrency trading services; cryptocurrency payment processing; electronic payment services; electronic wallet payment services; currency exchange services; currency trading services; payment processing services; loan services; issuance of tokens of values namely, digital assets, digital tokens, crypto-tokens, utility tokens, tokens authenticated by non-fungible tokens (NFTs), digital collectibles, crypto-collectibles, cryptocurrencies, digital currencies and virtual currencies; financial distribution, trading, lending, exchange, and transmission of tokens of values namely, digital assets, digital tokens, crypto-tokens, utility tokens, tokens authenticated by non-fungible tokens (NFTs), digital collectibles, crypto-collectibles, cryptocurrencies, digital currencies and virtual currencies; providing financial information; providing financial information in the fields of digital assets, digital tokens, crypto-tokens, utility tokens, tokens authenticated by non-fungible tokens (NFTs), digital collectibles, crypto-collectibles, cryptocurrencies, digital currencies and virtual currencies; financial affairs, namely, financial management, financial planning, financial forecasting, financial portfolio management and financial analysis and consultation; financial information provided by electronic means; brokerage services; currency dealing services; investment management services; electronic commerce payment services; blockchain-based payment verification services.

Class 38

Communications services; telecommunications; broadcasting services; electronic

messaging services; streaming of audio, video and digital media content on the internet; streaming of electronic and video games; providing internet chat rooms; providing on-line forums for transmission of messages among computer users; streaming of data; computer aided transmission of information and images; providing an online community forum for users to share and stream information, audio, video, real-time news, entertainment content, and information; providing user access to digital images, text, audio, video, games, multimedia content, digital collectibles, crypto-collectibles, and non-fungible tokens (NFTs); electronic transmission of virtual and augmented reality content and data.

Class 41

Entertainment services; production and distribution of films, motion pictures, radio, television and web programs; production and post-production of multimedia entertainment content; providing non-downloadable movies, television shows, webcasts, audiovisual, and multimedia works via the internet; production of sound, video and multimedia recordings; providing online electronic, computer and video games; virtual reality arcade services; virtual reality game services; electronic publishing services; entertainment services, namely, providing virtual reality, augmented reality and mixed reality interactive entertainment, games, content and experiences; entertainment services provided via online virtual reality, augmented reality and mixed reality environments; production of virtual reality, augmented reality and mixed reality video for entertainment purposes; multimedia entertainment production and publishing services; organizing exhibitions, events, and conferences for entertainment and cultural purposes.

Class 42

Software as a service (SaaS); platform as a service (PaaS); cloud computing services; design and development of computer hardware and software; computer, electronic and video game development services; design and development of

decentralized applications; development and implementation of software for creating smart contracts; information technology services; providing online non-downloadable software featuring electronic publications; providing online non-downloadable software featuring digital images, audio, video and multimedia files; providing online non-downloadable software featuring computer graphics; providing non-downloadable software; providing non-downloadable blockchain software; providing non-downloadable distributed ledger software; providing non-downloadable cryptography software; providing non-downloadable software for use with cryptocurrency; providing non-downloadable software for use with digital currency; providing non-downloadable software for use with virtual currency; providing non-downloadable software for minting, creating, and issuing digital assets, digital tokens, crypto-tokens, utility tokens, non-fungible tokens (NFTs), digital collectibles, crypto-collectibles, cryptocurrencies, digital currencies and virtual currencies; providing non-downloadable software for viewing and providing access to digital assets, digital tokens, crypto-tokens, utility tokens, non-fungible tokens (NFTs), digital collectibles, crypto-collectibles, cryptocurrencies, digital currencies and virtual currencies; providing non-downloadable software for distributing, trading, storing, sending, receiving, accepting, and transmitting digital assets, digital tokens, crypto-tokens, utility tokens, non-fungible tokens (NFTs), digital collectibles, crypto-collectibles, cryptocurrencies, digital currencies and virtual currencies; providing non-downloadable software for decentralized finance; providing non-downloadable software for creating and executing smart contracts; providing non-downloadable software for developing decentralized applications; providing non-downloadable software for recording, managing, tracking, and transferring ownership interests in decentralized autonomous organizations; providing non-downloadable software for management and governance of decentralized autonomous organizations; providing non-downloadable software for participating and voting in decentralized autonomous organizations; providing non-downloadable software for executing and recording financial transactions; providing non-downloadable distributed ledger software for

use in processing financial transactions; providing non-downloadable software for electronic funds transfer; providing non-downloadable software for use as a cryptocurrency wallet; providing non-downloadable software for use as an electronic wallet; providing non-downloadable software for creating and managing electronic wallets; providing non-downloadable software for digital currency payment and exchange transactions; providing non-downloadable software for managing and validating transactions involving digital assets, digital tokens, crypto-tokens, utility tokens, non-fungible tokens (NFTs), digital collectibles, crypto-collectibles, cryptocurrencies, digital currencies and virtual currencies; providing non-downloadable electronic payment processing software; providing non-downloadable game software; providing non-downloadable virtual reality software; providing non-downloadable software for creating NFTs; providing non-downloadable software for managing and verifying transactions on a blockchain; providing non-downloadable software for game development; providing non-downloadable gaming software development tools; providing non-downloadable blockchain gaming software; providing non-downloadable software for cryptocurrency mining; providing non-downloadable software for cryptocurrency farming; providing non-downloadable software for arranging and conducting auctions; providing non-downloadable software for voting; providing non-downloadable software for social networking; providing non-downloadable software development tools; providing non-downloadable software for creating, managing, and interacting with an online community; providing non-downloadable software for creating, managing and accessing groups within virtual communities; providing non-downloadable file sharing software; providing non-downloadable communications software; providing non-downloadable software for sending and receiving electronic messages, graphics, images, audio and audio visual content via the internet and communication networks; providing non-downloadable software for creating, editing, uploading, downloading, accessing, viewing, posting, displaying, tagging, blogging, streaming, linking, annotating, indicating sentiment about, commenting on, voting on, embedding,

transmitting, and sharing or otherwise providing electronic media or information via computer and communication networks; providing non-downloadable software for processing images, graphics, audio, video, and text; providing non-downloadable software for the collection, managing, editing, organizing, modifying, transmission, sharing, and storage of data and information; providing non-downloadable software for transmitting, sharing, receiving, downloading, displaying, interacting with and transferring content, text, visual works, audio works, audiovisual works, literary works, data, files, documents and electronic works; providing non-downloadable e-commerce software; providing non-downloadable e-commerce software to allow users to perform electronic business transactions via a global computer the internet and communication networks; providing non-downloadable software for processing electronic transactions; providing non-downloadable software for organizing, searching for and managing events; providing non-downloadable software for creating accounts and maintaining and managing information about financial transactions on distributed ledgers and peer to peer payment networks; providing non-downloadable software for use in financial trading; providing non-downloadable software for use in financial exchange; providing non-downloadable software for providing authentication of parties to a financial transaction; providing non-downloadable software for maintaining ledgers for financial transactions; providing non-downloadable software for the management of cryptographic security of electronic transmissions across computer networks; providing non-downloadable software for encrypting and enabling secure transmission of digital information over the Internet; providing non-downloadable software for currency conversion; software as a service (Saas) for the creation of virtual goods namely digital assets, digital tokens, crypto-tokens, utility tokens, tokens authenticated by non-fungible tokens (NFTs), digital collectibles, crypto-collectibles, cryptocurrencies, digital currencies and virtual currencies; electronic storage of digital assets, digital tokens, crypto-tokens, utility tokens, non-fungible tokens (NFTs), digital collectibles, crypto-collectibles, cryptocurrencies, digital currencies and virtual currencies; data and

information security services; providing temporary use of non-downloadable software for enabling members of an online community buying, selling, trading, and discussing and exchanging information about digital assets, digital tokens, crypto-tokens, utility tokens, non-fungible tokens (NFTs), digital collectibles, crypto-collectibles, cryptocurrencies, digital currencies and virtual currencies.

Paper, articles of paper and stationery, namely magazines and advertising pamphlets; cardboard; printed matter, publications, newspapers and periodicals; books, magazines, manuals [handbooks], catalogues, newsletters and other printed publications; printed teaching material; photographs, posters and calendars; bookbinding material and printing blocks; artists' materials; eraser dusting brushes, office requisites, except furniture.

Class 35

Business consultancy in relation to the following sectors: technology, namely, simulated digital environments, augmented reality, virtual reality and the metaverse; conducting of virtual trade fairs, in relation to the following sectors: hospitality; conducting of virtual exhibitions in relation to the following sectors: hospitality, for commercial purposes; providing on-line registration services for attendees of virtual hospitality events, seminars, meetings and conferences; online advertising and promotional services; promoting third party business goods and/or services through an interactive website, including in the hospitality field, through offering interactive multi-user experiences in 3D rendered models of customer's physical spaces, description, price and other information that would be influential to a business customer in making a decision to buy goods or services; conducting of virtual commercial events and special events for business purposes through online experiences with virtual reality equipment, connections for mobile phones or flat screens; providing consumer research, consumer trend analysis, and consumer data analytics services in an interactive digital environment; providing online marketplaces for the purchase and sale of non-fungible tokens (NFTs); administration of consumer loyalty programmes with virtual rewards that can be redeemed in the real world or the virtual world.

Class 39

Travel agency services, namely bookings and reservations for passenger and tourist transport via land, air and water, accessible in the virtual world; travel and transport information and planning services for passengers and tourists, accessible in the virtual world; organising transport for travel tours accessible in the virtual world.

Class 41

Real and virtual education and entertainment services; entertainment, namely organisation, planning and presentation of virtual performances and social

entertainment events; providing virtual reality game services through an interactive website.

Mark Clause(s):

The following claim is made in the International Registration: Colour(s) claimed: Blue, yellow and white.

Applicant/Proprietor Details:

COSTA CROCIERE S.P.A.

MERMADE

Goods and/or Services:

Class 01

Chemical preparations for use in nucleic acid (including DNA, RNA and Locked Nucleic Acid (LNA)) synthesis and analysis [other than for medical use]; reagents for chemical synthesis and analysis; reagents and kits comprising DNA, RNA or LNA sequences and nucleotides for scientific research use and/or analytical use and/or diagnostic use for non-medical purposes; oligonucleotides used in scientific research and chemicals used for their synthesis; purification preparations; chemical solutions for scientific use in the storage of nucleic acid; chemical products for preserving products during storage; nucleic acid sequences for scientific and research purposes.

Class 05

Chemical preparations for use in nucleic acid (including DNA, RNA and LNA) synthesis and analysis [for medical use]; nucleic acid sequences for medical, pharmaceutical, and veterinary purposes.

Class 09

Computer hardware and software for identification of nucleic acids (including DNA, RNA and LNA) for scientific or industrial diagnosis; software used for identification of nucleic acids (including DNA, RNA and LNA) in diagnostic examinations; software used in instruments for the synthesis of polynucleic acids, polynucleotides and oligonucleotides (including DNA, RNA and LNA); laboratory instruments and technical equipment for the synthesis of polynucleic acids, polynucleotides and oligonucleotides (including DNA, RNA and LNA); laboratory instruments and technical equipment for identification of nucleic acids (including DNA, RNA and LNA); scientific research apparatus and instruments; scientific research apparatus and instruments for use in laboratory research in the field of polynucleotide and oligonucleotide (including DNA, RNA and LNA) synthesis.

ARGEA

Goods and/or Services:

Class 32

Non-alcoholic beverages; preparations for making non-alcoholic beverages; beers; non-alcoholic beers or low-alcohol beers; fruit-based non-alcoholic beverages; non-alcoholic beverages made from fruit extracts or juices; fruit drinks; fruit juices; fruit nectar (non-alcoholic); non-alcoholic beverages made from vegetables, or vegetable extracts and juices; non-alcoholic fruit extracts; grape must, unfermented; beer wort; malt wort; syrups, concentrates, powders, extracts and essences for the preparation of beverages; non-alcoholic concentrated juices; non-alcoholic aperitifs; non-alcoholic cider; non-alcoholic energy drinks.

Class 33

Alcoholic beverages (except beers); spirits [beverages]; alcoholic spirits; distilled spirits; wines; sparkling wines; semi-sparkling wines; sweet wines; dessert wines; still wines; wines for aperitifs; fruit-based wines, fortified wines; distilled beverages; ciders; alcoholic essences and extracts; digestives, liqueurs and spirits; pre-mixed alcoholic beverages, other than beer-based; alcoholic beverages based on herbal extracts; alcoholic beverages based on fruit or fruit extracts and juices; alcoholic fruit extracts; cocktails; prepared alcoholic cocktails; alcoholic cocktail mixes; beverages containing wine; wine-based punches; alcoholic punches; alcoholic energy drinks; aperitifs with a distilled alcoholic liquor base.

Class 35

Advertising; marketing; corporate communications services for the purpose of

business promotion; marketing consultancy and market research; public relations consultancy and studies; media relations services; public relations agency services; consultancy in communication strategies in commercial business management; web marketing services; business administration services; services of directive and control management activities towards other companies, for the purpose of economic, industrial and commercial management; organization of public and private events, appearances, exhibitions, fairs and shows for commercial, promotional and marketing purposes; organization of exhibitions, trade fairs, shows, events, appearances and shows for commercial and promotional purposes; organization and management of events and shows for purposes of enhancement and commercial promotion of oenology and wine production; branding services; organization and management of loyalty programs, incentives and promotions for customers for commercial, promotional or advertising purposes; services of loyalty cards and membership cards for promotional purposes; organization of contests for promotional purposes; consulting services on business management and trade promotion activities; organization and management of programs aimed at incentivising business and corporate loyalty; organization, management and supervision of sales and promotional incentives plans; export-import agency services, promotion services, wholesale and retail services, wholesale services and retail sales services of goods for third parties, including electronic commerce or any other online means or by mail order; the bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods from a general merchandise catalogue by mail order, or from a general merchandise web site in the global communications network; sponsorship, commercial administration of the licensing of the goods and services for others; promotion services and management of contracts and conventions between traders and between traders and users, in the context of the commercial enhancement and promotion of wines and oenology; planning of marketing strategies; business investigations; market surveys; negotiation and conclusion of business transactions

on behalf of third parties; negotiation of business contracts on behalf of third parties; information and professional advice services concerning all the aforementioned services; administrative management of museums.

Class 41

Education; training; entertainment; sports and cultural activities; teaching and education in the field of oenology; organization, direction and management of training workshops [workshops], conferences, symposia, congresses and debate forums; organization and management of educational, professional training, training, refresher courses; arranging and conducting of exhibitions, demonstrations, shows, events, festivals, symposia, conventions, exhibitions, workshops, seminars, meetings, study days, and debates for educational, training, cultural, and recreational purposes; cultural, educational, or entertainment services also provided live; educational services provided by academies and non-profit associations; academic mentoring services, namely, academic individual guidance services; arranging and conducting of competitions to achieve scholastic and educational goals; museum services of shows, exhibitions, and permanent exhibitions; museum exhibitions; educational services provided by museums, art galleries, multidisciplinary spaces and hubs, and multidisciplinary and multimedia centres dedicated to wine and featuring the topics of wine culture and traditions, and of science and technology of oenology; library services; archive library services; library services related to data stored and retrieved by electronic means; electronic library services for the provision of electronic information in the form of text, audio and/or video information; education and academic services on the subject of wine and the topics of wine culture and traditions, and of science and technology of oenology; provision of recreational facilities; production, organization and presentation of recreational events, performances, live shows, and entertainment and cultural events with public participation; organization and conducting of educational and training courses on the subject of wine and wine culture, including wine tastings for educational and training

purposes; educational consultancy on wine selection, wine serving, and wine preservation; wine tasting events for educational and training purposes; radio, television, and online entertainment; film and video design and production; entertainment services, namely, production of podcasts, provision of multimedia contents, information, libraries in internet and/or through other communication networks; provision of electronic libraries on the subjects of culture, entertainment, and recreation, multimedia contents, videos, films, images, texts, and photographs, and information related thereto, via computer and communication networks; publishing on paper and in digital formats; provision of online electronic publications, not downloadable; multimedia publication of printed matter, books, magazines, and leaflets; publications of educational and informative materials on paper and also in electronic formats; photography; production of professional artists' shows; tutoring (teaching) services; organization and hosting of social and cultural entertainment events; production, direction of events, cultural events, music events, festivals and other cultural and artistic events for the purposes of education and entertainment; entertainment services provided by performing artists; provision of recreational activities via podcasts; creation of educational contents, including for podcasts; information on exhibitions, expositions, appearances, shows, demonstrations, festivals and events for educational, cultural and entertainment purposes; information and professional advice services concerning all the aforementioned services.

Class 43

Temporary accommodation; rental of holiday accommodation; hotel services; temporary hospitality services; guest house services; bar, café, and restaurant services; restaurant services incorporating licensed bar facilities; food and drink catering; catering services, namely tasting foods; wine tasting services being provision of beverages; wine and food tastings [provision of food and beverages]; wine bar services; services for providing food and drinks; corporate hospitality (provision of food and drinks); preparation and supply of food and beverages for

guests, for immediate consumption; providing drink services; sommelier services; wine and alcoholic beverage serving; food and beverage services offered to guests; provision of ratings and reviews concerning hotel, restaurant and tasting services; provision of facilities for social events; provision and rental of spaces for social functions and of exhibition facilities, including in hotels; rental of meeting rooms and conference halls; rental of catering equipment for conventions; information and consultation services concerning all the aforementioned services.

ERIDIA

Goods and/or Services:

Class 07

Machines and apparatus for fermenting food and feed or ingredients for the food and feed industry, food or feed or beverage processing machines, and integrated systems comprising machines and apparatus for processing food, feed and beverages; bio-processing based food or feed or beverage processing machines, and integrated systems comprising machines and apparatus for processing food, feed and beverages.

Class 09

Downloadable or stored industrial process control software; sensors for control processes; pulse generators for treating organic material.

Class 11

Fermentation apparatus for industrial purposes; industrial cooking, heating, cooling, drying equipment and dehydrating or freezing equipment for preservation; downstream processing apparatus from the fermenter, namely, separation and filtration apparatus for food, feed and beverages; bio-processing-based fermentation apparatus for industrial purposes; industrial cooking, heating, cooling, drying equipment; dehydrating or freezing equipment for preservation; bio-processing-based fermentation apparatus for industrial purposes.

Class 35

Retail services in the field of industrial machines for the food, feed or beverage industry; business consulting or management in the field of regulatory submission management on behalf of biotechnology companies; business consulting in the field of food, feed, biotechnology or beverage production in the field of energy production and commodity chemical industries; business consulting in the field of production of amino acids, industrial enzymes, functional proteins, bulk protein, microbial oils, food colorants and flavors, aromas, cultured meat - animal free products, organic acids, biogas (methane), polymers, fertilizers.

Class 37

Construction, repair and maintenance of fermentation machines and plants; construction, repair and maintenance of machines or plants for the processing of food or feed or beverages derived from fermentation or cell culture; construction, repair and maintenance of machines and plants for producing energy from renewable resources, leveraging fermentation; consultancy relating to sanitizing industrial or commercial food or feed or beverages processing equipment linked to fermentation or cell culture.

Class 40

Custom manufacture of machines or apparatus or plants for processing and production of food or feed or beverages, of substrates derived from fermentation or cell culture and of amino acids, industrial enzymes, functional proteins, bulk protein, microbial oils, food colorants and flavors, aromas, cultured meat - animal free products and organic acids, biogas (methane), polymers and fertilizers; rental of machines or apparatus for processing or production of food, feed, or beverages derived from fermentation or cell culture; treatment of material, namely food, feed or beverage processing derived from fermentation or cell culture; production of energy from renewable resources leveraging fermentation.

Class 42

Process and plant engineering; engineering services for conceptualizing bio-processing-based food or feed plants; technology planning and consulting in the field of renewable resources; technology planning and consulting in the field of fermentation processes; technology planning and consulting in the field of feed or food or beverage production derived from fermentation or cell culture; technology planning and consulting in the field of commodity chemicals; providing technical information updates of industrial processes; development of industrial processes; development of fermentation process technologies to produce goods for the food, feed or in the future energy and commodity chemical sectors; research and development in the biotechnology fields; consulting services in the field of biotechnology; consultancy relating to inspection of processing facilities for quality control purposes of food or feed or beverage derived from fermentation or cell culture.

SEFE

Goods and/or Services:

Class 01

Industrial chemicals; gases for industrial purposes; gases for industrial purposes; hydrogen; hydrogen derivatives, namely, methane, methanol, ammonia; methane; methanol; ammonia.

Class 04

Fuel; lighting fuel; electrical energy; fuel gas; gases for use as fuel, illuminants and combustibles; natural gas; LPG [fuel]; technical gases [fuel]; gas mixture [fuel]; compressed natural gas; liquefied natural gas; hydrogen fuel; hydrogen as a fuel.

Class 07

Electricity generating apparatus and machines for the production of hydrogen; machines for generating hydrogen and oxygen from water and/or renewable electricity by electrolysis; machines and mechanical installations for synthesizing methane, methanol, ammonia and other hydrogen derivatives; machines and mechanical installations for transporting hydrogen and hydrogen derivatives including methane, methanol and ammonia.

Class 09

Hydrogen fuel cells.

Class 11

Hydrogen reactors for the production of hydrogen by thermal means (steam methane reforming, autothermal reforming, pyrolysis); hydrogen generators for industrial purposes.

Class 35

Business assistance, management and administrative services; business analysis, research and information services; organizational and professional business consultancy in the field of energy; business management of power distribution systems; business management and organization consultancy, in particular in the field of gas import and export; arranging and concluding trading transactions in gas, for others; purchasing of goods and services for other businesses; supply chain management services; wholesaling and retailing of gas and hydrogen and hydrogen derivatives including methane, methanol and ammonia.

Class 36

CO2 emissions trading [brokerage]; investment banking services; advice and information relating to brokerage.

Class 37

Construction, maintenance and servicing of gas storage facilities and machines for the production of hydrogen and the derivatives of hydrogen including methane, methanol and ammonia; construction, maintenance and servicing of gas pipelines; construction of pipelines for the transport of gases and liquids and of data transmission networks; construction of structures for the production of natural gas; extraction of gas; installation of gas supply and distribution apparatus; gas drilling; installation of pipe systems for conducting of gases; maintenance and repair of gas turbines; CNG fuel station services, namely, fueling vehicles with compressed natural gas; LNG filling station services, namely fueling of vehicles with liquefied natural gas; charging of electric vehicles; installation and maintenance of power generation and power distribution installations; maintenance of energy networks.

Class 38

Rental of data transmission networks; rental of fiber optic capacity in the nature of telecommunication facilities.

Class 39

Storage, transport and distribution of gases and liquids; pipeline transport of gases; gas storage services; storage of liquefied natural gas on ships; leasing of transport networks for the transmission of energy, for others, for a fee (included in this class); rental of pipes for transporting gases and liquids; transport and distribution of gases for others through pipeline systems; storage of gases for others in storage systems; information and advisory services in relation to the distribution of energy; electricity supply and distribution; storage of hydrogen and the derivatives of hydrogen including methane, methanol and ammonia; transmission and transport of hydrogen

and hydrogen derivatives including methane, methanol and ammonia; distribution of hydrogen and the derivatives of hydrogen including methane, methanol and ammonia; hydrogen storage and storage of hydrogen derivatives including methane, methanol and ammonia services.

Class 40

Energy production; gas production services; gas production services; treatment of natural gas; application of coatings using chemical vapour deposition techniques; purification of gases; filtration of gases; incineration of gases; gas compression services; natural gas liquefaction services; conversion of hydrogen into methane; conversion of hydrogen and carbon dioxide into methanol; hydrogen generation services.

Class 42

Technical project planning; conducting technical project studies, taking into account ecology and infrastructure in the field of the energy industry and supply; engineering services relating to gas transportation and gas supply systems; scientific and technological services and research in the field of hydrogen production and hydrogen derivatives including methane, methanol and ammonia, hydrogen storage, hydrogen compression and hydrogen bottling; development and planning of plants for the production of hydrogen and the derivatives of hydrogen including methane, methanol and ammonia using renewable energies, technical advice, engineering and technical project development, support in relation to hydrogen energy systems.

Goods and/or Services:

Class 09

Computers; quantum computers; computer hardware and software; computer hardware and software for information technology analysis and data management; computer hardware and software for application development; computer hardware and software for cloud computing; computer hardware and software for cognitive computing; computer hardware and software for artificial intelligence; computer hardware and software for blockchain technology; computer hardware and software for quantum computing and quantum programming; computer hardware, namely, magnetic tape units (data processing), magnetic tapes, printed circuits, integrated circuits, computer keyboards, compact disks (audio-video), optical disks, couplers (data processing), diskettes, magnetic data carriers; computer hardware, namely, video screens, scanners (data processing equipment), computer printers, interfaces (data processing), readers (data processing), software (recorded programs), microprocessors, modems, monitors (hardware), computers, computer memories, computer peripherals; computer adapters; computer components; data processing equipment; computer apparatus for the management of data and information; semiconductors; machine-readable electronic data media; magnetic disks; disk drives; tape recorders; calculating machines; cash registers; facsimile machines;

video recorders; videotapes; electric cells and electric batteries; computer chips; boards for integrated circuits; computer accessories, namely, computer communication servers; computer carrying cases; computer interface boards; computer cables and computer cable parts; fax modem cards for computers; computer accessories, namely, screen filters, mouse pads, radio pagers, joysticks; electric converters, namely, digital-to-analog, analog-to-digital and step-by-step voltage switches; computer mice; integrated circuit cards and smart cards, adapters for integrated circuits and adapters for smart cards; readers for integrated circuit cards and smart cards; microcomputers; electrical power supplies; projectors (projection apparatus); remote controls for computers; inverters, surge protectors and uninterruptible power supplies; point-of-sale terminals (payment terminals); computer servers; computer storage devices, namely high-speed storage subsystems for storage and backup of electronic data either locally or via a telecommunication network; recorded and downloadable computer programs and software; video game software; operating system software and programs; software used for accessing a global computer network; document management software; database management software; software used for locating, retrieving and receiving text, electronic documents, graphics and audiovisual information on enterprise-wide internal computer networks and local and wide-area global computer networks; software used for software development and web authoring and user manuals in electronic format sold as a unit with these products; computer software for use in controlling the operation and execution of computer systems, programs, and computer networks; computer software for use in connecting disparate computer networks and systems, computer servers and storage devices; computer programs for linking computers together and for enabling computer activities across a global computer network; computer software for managing systems, software and processes that exist within an information technology environment; computer systems combining computer hardware and software for use in management and analysis of data and instruction manuals in electronic format sold with these products;

cloud computing systems, namely networks integrating computer hardware and software for dynamic provisioning, virtualization and consumption metering of computer resources; recorded and downloadable cloud computing software for deploying and managing virtual machines on a cloud computing platform; computer systems, namely, computer hardware and computer software for developing and integrating artificial intelligence, namely, machine learning, deep learning and natural language processing which are capable of collecting, organizing and analyzing data; computer systems, namely, computer hardware and computer software for integrating Natural Language Processing (NLP), Computational Linguistics (CL), Information Retrieval (IR) and Machine Learning (ML) which is capable of understanding general human queries and formulating responses; software for developing, building and operating blockchain applications; computer hardware and computer software for developing and testing quantum algorithms; documentation and instruction manuals downloadable on machine-processible electronic data media and concerning computers or computer programs; downloadable electronic publications; electronic publications downloadable on computer media, namely, user manuals, guide books, brochures, information sheets, written presentations and teaching materials in the field of computing, computer networks, computer storage, computer operating systems, information technology, database management, cloud computing, artificial intelligence, blockchain technology and quantum computing.

Class 35

Advertising; sales promotion services (for third parties); commercial business management and advice regarding commercial business management; business information; distribution of prospectuses; distribution of samples; arranging newspaper subscriptions for third parties; accounting; document reproduction; systematization of data in a central file; organization of exhibitions for commercial or advertising purposes; business management consulting services and business consulting services; business development service; analysis of market research data

and statistics; electronic data processing; computer data processing services for artificial intelligence; computer data processing services for cognitive computing; computer data processing services for cloud computing; computer data processing services for blockchain technology; computer data processing services for data management; computer data processing services for quantum computing and quantum programming; arranging and conducting trade show exhibitions in the field of computers, computer services, information technology, artificial intelligence, cloud computing, blockchain technology, quantum computing, database management and electronic business transactions via a global computer network; business consulting services for companies regarding artificial intelligence; business consulting services for companies regarding computer systems that integrate Natural Language Processing (NLP), Computational Linguistics (CL), Information Retrieval (IR) and Machine Learning (ML) functions and capable of understanding general human queries and formulating responses; business consulting services for companies relating to cloud computing; business consulting services for companies regarding blockchain technology; business consulting services for companies regarding quantum computing, quantum programming and for developing and testing quantum algorithms; business consulting services for companies regarding information technology; analyzing and compiling business data; systemization of data in computer databases.

Class 36

Insurance services; financial services; financial affairs; services connected with monetary affairs; banking affairs; real estate affairs; hire-purchase financing services; capital investment; financial advice services; stock exchange quotations; lending (financial services); financial information and operations; financial transactions; mutual funds (investment); fund management and investment services; savings services; actuarial services; factoring; credit agency services; real estate appraisal; real property management; money lending in the field of purchase or rental of

computer products and services; capital investment consultation; financial analysis and consultation; financial management; financial planning; investment services relating to the acquisition of real property and consultation and management services relating thereto; financial valuation of new technologies for others; venture capital funding services to emerging and start-up companies.

Class 42

Computer programming; Software as a service (SaaS) services featuring software for data management; software as a service (SaaS) services featuring software for cloud computing; software as a service (SaaS) services featuring software for artificial intelligence; software as a service (SaaS) services featuring software for cognitive computing; software as a service (SaaS) services featuring software for blockchain technology; software as a service (SaaS) services featuring software for quantum computing and quantum programming; software as a service (SaaS) services featuring software for constructing, analyzing and running quantum programs and quantum algorithms; software as a service (SaaS) services featuring software for developing and testing quantum algorithms; computer programming and computer consulting services for artificial intelligence; computer programming and computer consulting services for cognitive computing; computer programming and computer consulting services for information management; computer programming and computer consulting services for data management; computer programming and computer consulting services for cloud computing; computer programming and computer consulting services for blockchain technology; computer programming and computer consulting services for quantum computing; computer programming and computer consulting services for software as a service (SaaS); design, installation, updating and maintenance of software; computer software and hardware design for the benefit of third parties, and professional advisory services in the field of computers; technical support services, namely, troubleshooting of computer program and software problems; computer services, namely, design, creation and

maintenance of websites for third parties; analysis of computer systems, integration of computer networks and databases, computer programming services for others, all relating to commercial interactions on global computer networks; design of systems for interconnection of computers and software, namely, electronic connection of computers and software to each other; computer software and hardware testing services (quality and technical controls); technical project studies in the field of computer hardware and software; consultancy services in the field of computer hardware, namely consultancy regarding computing research and development; computer advice and assistance concerning Internet use; rental of computers and software; scientific and industrial research, namely research and development of new products, biological research, bacteriological research, chemical research, cosmetology research, mechanical research, geological research, technological research, pharmaceutical research, scientific research for medical purposes; information technology consulting; computer system integration services; consulting services in the field of design, selection, implementation and use of computer hardware and software systems for third parties; technical support services, namely, troubleshooting computer program problems; computer system design services for third parties; design of systems for interconnection of computers and computer programs, namely, integration of computer systems and computer networks; computer program and computer hardware testing services, namely testing of software, computers and servers to ensure proper functioning thereof; cloud computing services pertaining to services for computer hardware and software integrated into a network for dynamic provisioning, virtualization, and consumption metering of computer resources; providing virtual computer systems and virtual computer environments through cloud computing; design and development of software for cloud storage of data; cloud computing hosting provider services; electronic storage of electronic data and data recovery; data security service; computer support services with respect to software rendered by computer specialists; design of computer hardware for computer networks; design and development of

computers; quantum computing; consulting services with respect to computer and Internet security and data encryption; technical support services, namely computer hardware problem solving.
