equipment]; electronic pens [visual display units]; electronic agendas; flash memory cards; memory modules; optical discs [blank], magnetic discs [blank], compact discs [blank], and magnetic cards [blank]; dvd players; dvd recorders; remote controllers for dvd recorders and players; remote controllers for video disc recorders and players; remote controllers for recording devices; digital audio players; audio recorders; digital video players; portable apparatus for recording and reproduction of music; portable apparatus for recording and reproduction of video; other apparatus for recording and reproduction of video; monitors for television receiver; television receivers [tv sets] and television transmitters; remote controllers for television receiver [tv set]; remote controllers for radio set; telecommunication machines and apparatus; recorded compact discs; phonograph records; metronomes; electronic circuits and cd-roms recorded with automatic performance programs for electronic musical instruments; downloadable music files; exposed cinematographic films; exposed slide films; slide film mounts; downloadable image files; recorded video discs and video tapes; electronic publications; cameras; photographic machines and apparatus; cinematographic machines and apparatus; optical machines and apparatus; batteries and cells; rechargeable batteries; ac adapters for consumer video game apparatus; earphones for consumer video game apparatus; microphones for consumer video game apparatus; monitors for consumer video game apparatus; memory cards for consumer video game apparatus; monitors for arcade video game machines; protective films for liquid crystal displays for handheld game apparatus with liquid crystal displays; apparatus for image and sound archiving and visualisation, apparatus for recording, transmission or reproduction of sound or images; fittings and software for the aforesaid apparatus; data recordings including audio, video, still and moving images and text; computer software, including software for use in downloading, storing, reproducing and organising audio, video, still and moving images and data; downloadable electronic publications; computer, electronic and video games programmes and equipment; electronic instructional and teaching apparatus and instruments; television and radio signal transmitters and receivers; televisions (tv); television tuners; game controllers; cinematographic machines and apparatus; set-top boxes; television receivers and transmitters; electronic controllers; electronic controllers to impart sensory feedback, namely, sounds and vibrations that are perceptible to the user; motion sensitive interactive video game remote control units; interactive video game remote control units; portable and handheld electronic devices for video games; video games; computer hardware, software, and peripherals for personalized, interactive television (tv) programming and for use in generating, displaying and manipulating visual media, graphic images, text, photographs, illustrations, digital animation, video clips, film footage and audio data, and for social networking; wireless controllers to monitor and control the functioning of other electronic devices; remote controls; joysticks; computer touchscreens; consumer video game machines fitted with a camera function adapted for use with external display screen or monitor; consumer video game machines adapted for use with external display screen or monitor; downloadable audio works, visual works, audiovisual works and electronic publications; computer software for use on electronic devices, namely computer software development kit consisting of computer software development tools for the development of content and service delivery across global computer networks, wireless networks, and electronic communications networks; computer software for personalized, interactive television programming and accompanying manuals distributed therewith; computer software for use in generating, displaying and manipulating visual media, graphic images, photographs, illustrations, digital animation, video clips, film footage and audio data; application development computer software programs; computer software for formatting and converting content, text, visual works, audio works, audiovisual works, literary works, data, files, documents and electronic works into a format compatible with portable electronic devices and computers; computer software enabling content, text, visual works, audio works, audiovisual works, literary works, data, files, documents and electronic works to be downloaded to and accessed on a computer or other portable consumer electronic device, computer and electronic game software and machines adapted for use with external display screen or monitor; downloadable software in the nature of a mobile application for computers or other portable consumer electronic device; remote controls for portable and handheld electronic devices and computers; software for use in connection with electronic publications; software tool in the nature of a publication/book exploration guide; computer software for searching, locating, compiling, indexing, correlating, navigating, obtaining, downloading, receiving, encoding, decoding, playing, storing and organizing text, data, images, graphics, audio and video on a global computer network;

CLASS : 9—cont.

internet browser software; mobile computers, and mobile communications devices; magnetic data carriers, recording discs; compact discs, dvds and other digital recording media; computer and mobile device software for enhancing uploading and downloading capabilities on computers, mobile computers, and mobile communications devices; computer software enabling content, text, visual works, audio works, audiovisual works, literary works, data, files, documents and electronic works to be downloaded to and accessed on a computer or other portable consumer electronic device, computer and electronic game software, publishing software; downloadable audio works, visual works, audiovisual works, and electronic publications featuring books, magazines, newspapers, periodicals, newsletters, guides, quizzes, tests, journals and manuals on a variety of topics including those of interest to children; downloadable software in the nature of a mobile application in the field of childhood education and development for developing cognitive skills, counting skills, fine motor skills, imaginative play, language, and creative expression; downloadable video games, interactive game programs and applications for computer or other portable consumer electronic device; application development computer software programs; computer software for transmitting, sharing, receiving, downloading, streaming, displaying and transferring content, text, visual works, audio works, audiovisual works, literary works, data, files, documents and electronic works via portable electronic devices and computers and global computer and communications networks; computer software for formatting and converting content, text, visual works, audio works, audiovisual works, literary works, data, files, documents and electronic works into a format compatible with portable electronic devices and computers; parental control software; television standards converters; television program decoders; interactive television terminal sets; software for interactive televisions; internet connected interactive televisions; internet connected interactive television set top boxes; computer programmes for interactive televisions and for interactive games, quizzes and puzzles and parts and fittings for all the aforesaid goods; all included in Class 9.
