Dear Solomon & Joanne,

### **Testimonial From A Satisfied Customer**

I would like to share with you that I am very happy with the works that have been done by your company since we started acquiring your service for our intellectual property matters.

Your IP consultants have proven to be very knowledgeable and reliable, allowing us to be at ease because we know that we can always count on them with our IP matters. The fact that your Group acts a one-stop centre for IP-related matters has also made it very convenient and efficient for my company.

So, thank you for being the professionals that you all are.

Yours sincerely,
