IPeople House
7A Clove Hall Road
10050 Penang.

To Solomon and Joanne,

This letter is to formally thank Intellect for a job well done from start to finish! We are impressed with Intellect's professionalism in handling the tedious process of trademark applications and ensuring that the application process went as smooth as possible.

We look forward to using your services in the future and I will not hesitate to seek for your help if any situation in the future requires expert consultation about trademark or anything IP-related!

Yours sincerely,
