To Solomon and Joanne,

Testimonial From A Satisfied Customer

We would like to thank Intellect Trademark in helping us to successfully file for our trademark.

Their team of dedicated staffs has kept us updated throughout the process of application and we felt engaged with the process all the time. It was the biggest pleasure to know firsthand when our trademark was successfully registered.

The whole journey of trademark application was pleasant with Intellect Trademark and we would not hesitate to recommend them to anyone needing IP consultation.

Yours faithfully,

Tan Yong Siang
