Intellect Trademark Sdn Bhd  
IPeople House  
7A Clove Hall Road  
10050 Penang.

To Solomon and Joanne

Intellect Trademark has helped us successfully file a few trademarks for our company.

We would like to express our sincere gratitude and appreciation for a job well done by your team members. They keep us informed as to each step of what they are doing and has performed excellent work throughout the trademark application process.

If there is any IP service provider that I would recommend, it would definitely be Intellect.

Yours truly,

Lee Bee Ling  
Director
