Dear Sir / Madam,

We have experienced other Intellectual Property Rights (IPR) providers and are unable to commend Intellect Worldwide Sdn Bhd highly enough. Intellect Worldwide services are truly of high quality and standards which enable them to be one of the most recognizable IPR providers in Malaysia.

We would gladly acknowledge that it is a great experience working with this team of professionals which consists of a group of experienced and qualified consultants who are able to provide excellent and trustworthy services.

It is truly refreshing to know that Intellect is a company that stays true to its tagline – *your trusted IPeople*. They had never failed to show their professionalism, honesty and virtue. We would definitely recommend Intellect in the near future.

Yours faithfully,

-----
