REGISTRATION AS ACCOUNT HOLDER TO E-FILE AND PAY BY GIRO**

This Practice Direction is issued by the Registrar under Rule 78B(1) of the Trade Marks Rules, to specify the procedure for applying to the Registrar to be registered as an account holder.

This Practice Direction will come into effect on 1 January 2006.

Any person who wishes to use eTrademarks to effect a transaction and make payment by GIRO must register with the Intellectual Property Office of Singapore (IPOS) as an Account Holder. Approval is at the sole discretion of IPOS. Upon approval, an eTrademarks account will be created in the name of the person and the person will receive a User ID and Password.

To register, access IPOS address at <http://www.ipos.gov.sg> and [download the eTrademarks Account Holder Registration Form](#).

The person may appoint an Administrator to administer and manage his eTrademarks Account through the eTrademarks "[Maintenance of Authorised Representatives](#)" service.

The responsibilities of the Administrator are as follows:

- appointment of one or more Representatives to access eTrademarks and make payment by GIRO on behalf of the Account Holder;
- updating of the particulars of the Representatives; and
- removal of any Representative's rights to access eTrademarks and make payment by GIRO on behalf of the Account Holder.

These responsibilities are to be conducted through the eTrademarks "Maintenance of Authorised Representatives" service.

Please note that all Authorized Representatives must be CPF account holders with SingPass. The Authorized Representatives are required to sign in using their SingPass to ensure security for GIRO deductions for the online transactions. If the person does not have a GIRO account with IPOS, please complete the [GIRO Application Form](#) and submit it to IPOS.

The completed eTrademarks Account Holder Registration Form and GIRO Application Form should be mailed or couriered to the Intellectual Property Office of Singapore with the address 51 Bras Basah Road #04-01 Plaza By The Park Singapore 189554 and attentioned to Mrs Ang-Ong Bee Lian. providing information relating thereto; insulating of internal and external walls, ceilings and roofs; insulating of external walls; building insulating; repair information; construction information; bricklaying; riveting; automobile detailing; vehicle detailing; consultancy relating to building construction supervision; consultancy relating to painting of buildings; consultancy relating to the repair and reconditioning of bearings for machines; construction consultancy; consultancy relating to residential and building construction; consultancy relating to vehicle repair; varnishing; furniture varnishing; re-tinning; retrofitting of ventilating installations in buildings; upgrading of computer hardware; retrofitting of air-conditioning installations in buildings; retrofitting of heating, ventilating and air-conditioning installations in buildings; retrofitting of heating installations in buildings; washing and cleaning of vehicles; washing of airplanes; construction of wind power plants; construction of building interiors; construction of dams; construction of roads, sewers and water supply systems; construction of residential buildings; construction of buildings; construction of buildings, dams and bridges; construction of buildings, roads, bridges and dams; construction of buildings and other structures; construction of energy efficient buildings and structures; tire rotating and balancing; construction and repair of airports and airport facilities; installation and repair of blinds; construction and repair of residential buildings and houses; construction and repair of buildings and other structures; construction and renovation of buildings and other structures; construction and renovation of bridges; construction and maintenance of apartments, studios, bungalows, villas and cottages; construction and maintenance of holiday homes, holiday camps, temporary accommodation, hotels and residential hotels; construction and maintenance of buildings; construction and maintenance of sports centers, health clubs, leisure centers and recreational complexes; construction and maintenance of building complexes, residential buildings, housing estates, commercial buildings, shopping centers, office buildings and parking structures; construction and erection of exhibition stands, stages and booths; construction of sewerage systems; construction of commercial buildings; construction of steel structures; construction of bridges; construction of public works; construction of conservatories and greenhouses; construction of office buildings; construction of industrial buildings; erection of prefabricated buildings and structures; construction, erection, installation, repair, renovation, servicing, maintenance and dismantling of wind farms; construction of sports arenas; scaffolding; construction, maintenance and repair of water vehicles; construction, maintenance and repair of transportable and prefabricated buildings; construction, maintenance and repair of watercraft; construction, maintenance and repair of heat insulation systems; construction, maintenance and renovation of buildings; construction, maintenance and renovation of public works; construction, maintenance and repair of conservatories and greenhouses; installation, maintenance and repair of security and authentication apparatus; installation, maintenance and repair of regulating, monitoring and control apparatus; installation, maintenance and repair of temperature control apparatus; installation, maintenance and repair of remote control apparatus for changing printing plates; installation, maintenance and repair of sealing machines; installation, maintenance and repair of sewerage systems; installation, maintenance and repair of stairway lifts; installation, maintenance and repair of safety equipment; installation, maintenance and repair of security and safety equipment; installation, maintenance and repair of rolling mills; installation, maintenance and repair of rollers for machines; installation, maintenance and repair of systems, machinery and apparatus for working and processing metals and sheet metal; installation, maintenance and repair of solar collectors; installation, maintenance and repair of solar installations for generating power; installation, maintenance and repair of

solar installations for generating power, solar collectors and photovoltaic modules; installation, maintenance and repair of solar energy systems; installation, maintenance and repair of sorting machines; installation, maintenance and repair of telecommunications equipment; installation, maintenance and repair of telecommunications apparatus and instruments; installation, maintenance and repair of telephone and communication equipment; installation, maintenance and repair of telephones; installation, maintenance and repair of street lights; installation, maintenance and repair of surgical apparatus and instruments; installation, maintenance and repair of surgical, medical, dental and veterinary apparatus and instruments; construction of trade fair and exhibition stands; construction of shopping centers; erection, installation, maintenance and repair of wind turbines, wind stations and other wind-powered machines; erection, installation, maintenance and repair of windmills, wind power plants, wind turbines and other wind-operated machines; construction of power plants; construction of wave energy power plants; window cleaning; road paving; vehicle washing; supervision of building renovation; supervision of building reconstruction; supervision of building demolition; supervision of the construction of watercraft, yachts, boats, ships and water vehicles; on-site construction supervision; building construction supervision; pavement marking services; pavement striping; cleaning of building exteriors and providing information relating thereto; tuning of musical instruments; upholstering; upholstering of vehicle seats; renovation and restoration of buildings; rustproofing; anti-rust treatment for vehicles; sanding; pumicing; emergency servicing of water supply apparatus; emergency servicing of gas supply apparatus; emergency servicing of apparatus for supplying electricity; oil burner servicing and repair; air conditioning vent sealing services; providing laundry washing and drying facilities; safe maintenance or repair and providing information relating thereto; car maintenance; maintenance services; maintenance of motor vehicles; maintenance of water purifying apparatus; maintenance of apparatus and installations for generating power; maintenance, servicing, tuning and repair of motors and engines; maintenance, servicing and repair of apparatus and installations for generating power; maintenance, servicing and repair of household and kitchen appliances; maintenance, servicing and repair of vehicles; maintenance, servicing and repair of weapon systems; maintenance and repair services; maintenance and repair of automatic transmissions; car repair and maintenance; maintenance and repair of motor vehicles and airplanes; maintenance and repair of continuously variable transmissions; maintenance and repair of grounded aircraft; maintenance and repair of hydrodynamic transmissions; maintenance and repair of hydrostatic transmissions; maintenance and repair of dual-clutch transmissions; strong-room maintenance and repair; maintenance and repair of power shift transmissions; maintenance and repair of manual transmissions; maintenance and repair of gears; maintenance and repair of control systems for radio systems and networks; maintenance and repair of hybrid transmissions; maintenance and repair of starters for motors and engines; maintenance and repair of synchronized transmissions; maintenance and restoration of works of art; maintenance and cleaning of mining equipment; maintenance of vehicles and machines; maintenance of water pollution control equipment; maintenance of communications equipment; maintenance of office equipment; maintenance of intruder alarms; maintenance of printing machines and digital printing systems; maintenance of industrial machinery; maintenance, repair and reconditioning of photovoltaic apparatus and installations; maintenance, repair and rebuilding of furnaces; maintenance of plumbing; maintenance of welding machines and equipment; maintenance of telecommunications apparatus; vehicle maintenance; maintenance of vehicle washing installations; maintenance of fire alarm installations; paper hanging; painting or repair of signs; septic tank

pumping and cleaning; glazing of windows; pumping septic tanks; installation of yacht interiors; bathtub and bath boiler cleaning; bathtub and bath boiler cleaning and providing information relating thereto; cleaning of buildings [exterior surface]; clearing and cleaning gutters; cleaning of building exteriors; jewelry remounting; recharging of batteries; recharging of batteries and accumulators; conversion and tuning of production automobiles and their engines; rebricking and rebuilding of furnaces; yacht and boat conversion, renovation, refit and repair; cabinet refacing; automotive refinishing; rebuilding and reconditioning of engines and motors; underwater dredging; underwater building and construction; painting of automobiles; painting of motor vehicles; painting of buildings; painting and rendering of interior and exterior walls; painting of metal surfaces; painting of metal surfaces to prevent corrosion; painting of window frames; sign painting; painting of furniture; painting of aircraft; painting of vehicles; floor polishing and providing information relating thereto; vehicle polishing; automobile polishing; floor polishing; vehicle breakdown repair services; mending clothing and providing information relating thereto; self-service laundries; providing information relating to the installation of machinery; providing information relating to the rental of construction equipment; providing information relating to repair services in the aviation sector; providing information relating to the maintenance of measuring and test equipment; providing on-line information relating to the construction of buildings; providing online information relating to the construction of buildings, and repair and installation services; providing on-line information relating to repair and installation services; provision of information, advice and consultancy relating to cleaning; providing building construction information via a web site; providing information relating to the sharpening of scissors and kitchen knives; providing information relating to vermin exterminating, other than for agriculture, forestry or horticulture; providing information relating to umbrella repair; providing information relating to the repair or maintenance of musical instruments; providing information relating to the repair or maintenance of sporting equipment; providing information relating to the repair or maintenance of signboards; providing information relating to the repair or maintenance of nuclear power plants; providing information relating to the repair or maintenance of water purifying apparatus; providing information relating to the repair or maintenance of mining machines and apparatus; providing information relating to the repair or maintenance of two-wheeled motor vehicles; providing information relating to the repair or maintenance of railway rolling stock; providing information relating to the repair or maintenance of measuring and testing machines; providing information relating to the repair or maintenance of machines and instruments for making shoes; providing information relating to the repair or maintenance of machines and systems for manufacturing integrated circuits; providing information relating to the repair or maintenance of semiconductor manufacturing machines and systems; providing information relating to the repair or maintenance of machines and apparatus for use in beauty salons or barbers' shops; providing information relating to the repair or maintenance of painting machines and apparatus; providing information relating to the repair or maintenance of printing or bookbinding machines and apparatus; providing information relating to the repair or maintenance of power distribution or control machines and apparatus; providing information relating to the repair or maintenance of waste crushing machines and apparatus; providing information relating to the repair or maintenance of plastic processing machines and apparatus; providing information relating to the repair or maintenance of waste compacting machines and apparatus; providing information relating to the repair or maintenance of tobacco processing machines; providing information relating to the repair or maintenance of medical machines and apparatus; providing information

relating to the repair or maintenance of metalworking machines and tools; providing information relating to the repair or maintenance of power-driven floor cleaning machines; providing information relating to the repair or maintenance of mechanical parking systems; providing information relating to the repair or maintenance of pumps; providing information relating to the repair or maintenance of non-electric cooking apparatus and installations; providing information relating to the repair or maintenance of optical machines and instruments; providing information relating to the repair or maintenance of office machines and apparatus; providing information relating to the repair or maintenance of printing machines; providing information relating to the repair or maintenance of storage tanks; providing information relating to the repair or maintenance of textile machines and apparatus; providing information relating to the repair or maintenance of telecommunication machines and apparatus; providing information relating to the repair or maintenance of vending machines; providing information relating to the repair or maintenance of packing or wrapping machines and apparatus; providing information relating to the repair or maintenance of water pollution control equipment; providing information relating to the repair or maintenance of photographic machines and apparatus; providing information relating to the repair or maintenance of sewing machines; providing information relating to the repair or maintenance of power generators; providing information relating to the repair or maintenance of vessels; providing information relating to the repair or maintenance of vehicle washing installations; providing information relating to vehicle repair; providing information relating to window cleaning services; providing information relating to the setup or repair of locks; providing information relating to the disinfection of telephone handsets; providing information relating to laundering services; providing information relating to construction, repair, restoration, maintenance and installation services; providing information relating to floor polishing services; providing information relating to storage tank cleaning services; providing information relating to clothing mending services; providing information relating to clothing repair services; providing information relating to street cleaning services; providing information relating to repair and installation services; providing information relating to building cleaning; providing information relating to septic tank cleaning services; providing information relating to the cleaning of building exteriors; providing information relating to the rental of car washing apparatus; providing information relating to the rental of floor cleaning machines; providing information relating to the rental of construction machines and apparatus; providing information relating to the rental of mops; providing information relating to the rental of electric washing machines; providing information relating to the pressing of clothing; providing information relating to building reconstruction; providing information relating to the repair of bicycles; providing information relating to the repair of game machines and apparatus; providing information relating to the repair of toys or dolls; providing information relating to the repair or maintenance of automobiles; providing information relating to the repair or maintenance of air-conditioning apparatus; providing information relating to the repair or maintenance of bicycle parking apparatus; providing information relating to the repair or maintenance of cooking apparatus; providing information relating to the repair or maintenance of machines and apparatus for processing food or beverages; providing information relating to the repair or maintenance of cooking apparatus and installations; providing information relating to the repair or maintenance of boilers; providing information relating to the repair or maintenance of bookbinding apparatus and machines; providing information relating to the repair or maintenance of consumer electrical appliances; providing information relating to the repair or maintenance of aircraft; providing information

relating to the repair or maintenance of gas water heaters; providing information relating to the repair or maintenance of gasoline station equipment; providing information relating to the repair or maintenance of burners; providing information relating to the repair or maintenance of amusement machines and apparatus; providing information relating to the repair or maintenance of cinematographic machines and apparatus; providing information relating to the repair or maintenance of cooking pots and pans; providing information relating to the repair or maintenance of diving machines and apparatus; providing information relating to the repair or maintenance of laboratory apparatus and instruments; providing information relating to the repair or maintenance of machines and apparatus for manufacturing rubber goods; providing information relating to the repair or maintenance of machines and apparatus for manufacturing glassware; providing information relating to the repair or maintenance of chemical processing machines and apparatus; providing information relating to the repair or maintenance of construction machines and apparatus; providing information relating to the repair or maintenance of loading-unloading machines and apparatus; providing information relating to the repair or maintenance of freezing machines and apparatus; providing information relating to the repair or maintenance of firearms; providing information relating to the repair or maintenance of fire alarms; providing information relating to the repair or maintenance of industrial furnaces; providing information relating to the repair or maintenance of industrial dishwashing machines; providing information relating to the repair or maintenance of industrial washing machines; providing information relating to the repair or maintenance of fishing tackle; providing information relating to the repair or maintenance of fishing machines and instruments; providing information relating to the repair or maintenance of agricultural machines and implements; providing information relating to the repair or maintenance of chemical plants; providing information relating to the repair or maintenance of clocks and watches; providing information relating to the repair or maintenance of electric lighting apparatus; providing information relating to the repair or maintenance of electric motors; providing information relating to the repair or maintenance of electric cooking apparatus and installations; providing information relating to the repair or maintenance of electronic machines and apparatus; providing information relating to the repair and maintenance of spectacles; providing information relating to the repair and maintenance of furnaces; providing information relating to the rental of mining machines and apparatus; providing information relating to the repair of land vehicles; providing information relating to the repair of billiard equipment; providing information relating to the repair of spectacles; providing information relating to shoe repair; providing information relating to the repair of fishing tackle; providing information relating to the repair of sports equipment; providing information relating to the repair of bags or pouches; providing information relating to the repair of tatami mats; providing information relating to the repair of personal ornaments; providing information relating to building renovation; providing information relating to furniture restoration; providing information relating to building demolition; providing information relating to building construction; providing information relating to the construction of buildings, and repair and installation services; providing information relating to the construction, repair and maintenance of buildings; providing information relating to shipbuilding; providing information relating to safe maintenance and repair; providing information relating to roofing installation and repair; providing information relating to the installation of electrical apparatus; providing information relating to fur care and repair; providing information relating to bathtub and bath boiler cleaning services; providing information relating to the

cleaning of carpets and rugs; providing information relating to chimney sweeping services; provision of construction advice; providing advice relating to installation, maintenance and repair services; provision of construction information; provision of construction information relating to public works; provision of construction information by electronic means; pressing of cloth; pressing of cloth, clothing, fabric and textiles; pressing of textiles; pressing of fabric; emergency roadside vehicle repair services; roadside repair of automobiles; application of anti-graffiti coatings; cleaning of venues before and after events; street construction; rental of bulldozers; rental of drainage pumps; rental of dish drying machines; rental of road sweeping machines; rental of cleaning machines; rental of construction machines and apparatus; rental of cleaning equipment; rental of oil well drilling tools; rental of earth moving equipment and excavators; rental of construction and building equipment; rental of cranes [construction equipment]; rental of floor cleaning machines; rental of dishwashing machines; rental of dishwashers for household purposes; rental of dishwashers for industrial purposes; rental of industrial dish drying machines; rental of laundry washing machines; rental of construction equipment; rental of building scaffolds, working and building platforms; rental of laundry dryers; rental of spin dryers for clothes; rental of mops; rental of excavators; rental of electric washing machines; laying of cable; wiring services for telecommunications; pressing of clothing and providing information relating thereto; plumbing; dredging; masonry; roofing services; painting, interior and exterior; carpentry services; airplane de-icing services; underwater repair; pile driving services; joinery; cabinet making [repair]; installation services relating to the modernization of machines, machine tools and automatic systems for treating and processing metals; plastering; excavation services; quarrying services; removal of debris from buildings [construction services]; renovation of buildings; renovation and maintenance of shopping centers, industrial complexes, office buildings, residential buildings and other real estate developments; repair; repair of automatic livestock feeders; repair of automobiles; repair of vehicles as part of vehicle breakdown services; rebuilding of automobile engines; repair of forklift trucks; repair of water supply apparatus; repair of apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; repair of steam generating apparatus; repair of air filtering apparatus; repair of telecommunication machines and apparatus; repair of apparatus and installations for generating power; repair of heat recovery apparatus; repair of billiard equipment and providing information relating thereto; repair of binoculars; repair of biogas plants and machines; repair of tailboard lifts; repair of tow bars for vehicles; repair of household and kitchen appliances; repair of consumer electronics; reconditioning of vacuum pumps and parts thereof; repair of bicycles; repair of bicycles and providing information relating thereto; repair of ventilating apparatus; repair of water purifying apparatus; repair of air filters; repair of air filters and parts thereof; repair of aerial navigation equipment; repair of compressed air machines; repair of intake air filters for machinery; repair of intake air filters and parts thereof; hat repair; repair of mining machinery; repair of trucks; overhaul of engines and motors; suitcase repair; repair of security locks; repair, servicing and maintenance of vehicles and apparatus for locomotion by air; repair of buildings; umbrella repair and providing information relating thereto; umbrella repair; parasol repair; repair and reconditioning of bearings for machines; repair and reconditioning of anti-friction bearings for machines; repair and reconditioning of bearings, ball-bearings, roller bearings and anti-friction bearings for machines; repair of game machines and apparatus; repair of game machines and apparatus and providing information relating thereto; repair of toys or dolls; repair of toys or dolls and providing information relating thereto; reconditioning machines that

are worn or partially destroyed; reconditioning motors and engines that have been worn or partially destroyed; repair and insulation of window joints; maintenance of automobiles; repair or maintenance of nuclear power plants; repair or maintenance of two-wheeled motor vehicles; repair or maintenance of automobiles; repair or maintenance of automobiles and providing information relating thereto; repair or maintenance of cooking apparatus; repair or maintenance of cooking apparatus for industrial purposes; repair or maintenance of cooking apparatus and installations; repair or maintenance of power distribution or control machines and apparatus; repair or maintenance of boilers; repair or maintenance of boilers and providing information relating thereto; repair or maintenance of chick brooders; repair or maintenance of consumer electrical appliances; repair or maintenance of consumer electrical appliances and providing information relating thereto; repair or maintenance of signboards; repair or maintenance of signboards and providing information relating thereto; repair or maintenance of gas water heaters; repair or maintenance of gas water heaters and providing information relating thereto; repair or maintenance of power generators; repair or maintenance of burners and providing information relating thereto; repair or maintenance of mining machines and apparatus; repair or maintenance of mining machines and apparatus and providing information relating thereto; repair or maintenance of two-wheeled motor vehicles and providing information relating thereto; repair or maintenance of milking machines; repair or maintenance of railway rolling stock; repair or maintenance of railway rolling stock and providing information relating thereto; repair or maintenance of amusement machines and apparatus; repair or maintenance of measuring and testing machines and instruments; repair or maintenance of measuring and testing machines and providing information relating thereto; repair or maintenance of egg incubators; repair or maintenance of cinematographic machines and apparatus; repair or maintenance of cinematographic machines and apparatus and providing information relating thereto; repair or maintenance of movie projectors; repair or maintenance of computers; repair or maintenance of conveyors; repair or maintenance of air-conditioning apparatus; repair or maintenance of vessels and providing information relating thereto; repair or maintenance of fodder mills; repair or maintenance of fodder mixers; repair or maintenance of fodder presses; repair or maintenance of fodder cutters; repair or maintenance of cooking pots and pans and providing information relating thereto; repair or maintenance of cooking pots and pans; repair or maintenance of laboratory apparatus and instruments; repair or maintenance of laboratory apparatus and instruments and providing information relating thereto; repair or maintenance of tobacco processing machines; repair or maintenance of diving machines and apparatus; repair or maintenance of machines and apparatus for use in beauty salons or barbers' shops; repair or maintenance of painting machines and apparatus; repair or maintenance of painting machines and apparatus and providing information relating thereto; repair or maintenance of plastic processing machines and apparatus and providing information relating thereto; repair or maintenance of plastic processing machines and apparatus; repair or maintenance of glassware manufacturing machines and apparatus and providing information relating thereto; repair or maintenance of machines and apparatus for processing food or beverages; repair or maintenance of machines and apparatus for manufacturing rubber goods; repair or maintenance of tobacco processing machines and providing information relating thereto; repair or maintenance of office machines and apparatus; repair or maintenance of amusement machines and apparatus and providing information relating thereto; repair or maintenance of power distribution or control machines and apparatus and providing information relating thereto; repair or maintenance of packing or wrapping machines and

apparatus; repair or maintenance of photographic machines and apparatus and providing information relating thereto; repair or maintenance of chemical processing machines and apparatus; repair or maintenance of glassware manufacturing machines and apparatus; repair or maintenance of chemical processing machines and apparatus and providing information relating thereto; repair or maintenance of machines and instruments for making shoes; repair or maintenance of plant fiber processing machines and implements; repair or maintenance of machines and systems for manufacturing integrated circuits; repair or maintenance of semiconductor manufacturing machines and systems; repair or maintenance of semiconductor manufacturing machines and systems and providing information relating thereto; repair or maintenance of waste crushing machines and apparatus and providing information relating thereto; repair or maintenance of waste compacting machines and apparatus and providing information relating thereto; repair or maintenance of medical machines and apparatus; repair or maintenance of medical machines and apparatus and providing information relating thereto; repair or maintenance of metalworking machines and tools; repair or maintenance of metalworking machines and tools and providing information relating thereto; repair or maintenance of power-driven floor cleaning machines; repair or maintenance of mechanical parking systems; repair or maintenance of mechanical parking systems and providing information relating thereto; repair or maintenance of freezing machines and apparatus and providing information relating thereto; repair or maintenance of musical instruments; repair or maintenance of musical instruments and providing information relating thereto; pump repair or maintenance; pump repair or maintenance and providing information relating thereto; repair or maintenance of non-electric cooking apparatus and installations; repair or maintenance of non-electric cooking apparatus and installations and providing information relating thereto; repair or maintenance of gasoline station equipment and providing information relating thereto; repair or maintenance of gasoline station equipment; repair or maintenance of firearms; repair or maintenance of firearms and providing information relating thereto; repair or maintenance of optical machines and instruments; repair or maintenance of optical machines and instruments and providing information relating thereto; repair or maintenance of office machines and apparatus and providing information relating thereto; repair or maintenance of bookbinding apparatus and machines; repair or maintenance of printing or bookbinding machines and apparatus; repair or maintenance of printing or bookbinding machines and apparatus and providing information relating thereto; repair or maintenance of printing machines; repair or maintenance of loading-unloading machines and apparatus and providing information relating thereto; repair and maintenance of feed or booster pumps; repair or maintenance of diving machines and apparatus and providing information relating thereto; repair or maintenance of fire alarms and providing information relating thereto; repair or maintenance of fire alarms; repair or maintenance of cultivating machines and implements; repair or maintenance of fishing tackle; repair or maintenance of fishing tackle and providing information relating thereto; repair or maintenance of overhead projectors; repair or maintenance of industrial furnaces and providing information relating thereto; repair or maintenance of cooking apparatus for industrial purposes and providing information relating thereto; repair or maintenance of air-conditioning apparatus for industrial purposes and providing information relating thereto; repair or maintenance of industrial washing machines and providing information relating thereto; repair or maintenance of industrial dishwashing machines; repair or maintenance of industrial dishwashing machines and providing information relating thereto; repair or maintenance of industrial washing machines; repair or maintenance of industrial furnaces; repair or maintenance of loading-

unloading machines and apparatus; repair or maintenance of storage tanks; repair or maintenance of fishing machines and instruments and providing information relating thereto; repair or maintenance of fishing machines and instruments; repair or maintenance of power-driven floor cleaning machines and providing information relating thereto; repair or maintenance of agricultural machines and implements and providing information relating thereto; repair or maintenance of agricultural machines and implements; repair or maintenance of power generators and providing information relating thereto; repair or maintenance of snow ploughs; repair or maintenance of construction equipment; repair or maintenance of construction machines and apparatus; repair or maintenance of construction machines and apparatus and providing information relating thereto; repair or maintenance of textile machines and apparatus; repair or maintenance of textile machines and apparatus and providing information relating thereto; repair or maintenance of telecommunication machines and apparatus; repair or maintenance of telecommunication machines and apparatus and providing information relating thereto; repair or maintenance of telecommunication machines and apparatus, other than telephone sets, radio receivers and television receivers; repair or maintenance of telephone apparatus; repair or maintenance of vending machines and providing information relating thereto; repair or maintenance of harvesting machines and implements; repair or maintenance of packing or wrapping machines and apparatus and providing information relating thereto; repair or maintenance of vehicle washing installations and providing information relating thereto; repair or maintenance of bicycle parking apparatus; repair or maintenance of bicycle parking apparatus and providing information relating thereto; repair or maintenance of water pollution control equipment and providing information relating thereto; repair or maintenance of water purifying apparatus and providing information relating thereto; repair or maintenance of photographic machines and apparatus; repair or maintenance of chemical plants; repair or maintenance of chemical plants and providing information relating thereto; repair or maintenance of freezing machines and apparatus; repair or maintenance of storage tanks and providing information relating thereto; repair or maintenance of clocks and watches; repair or maintenance of clocks and watches and providing information relating thereto; repair or maintenance of sewing machines; repair or maintenance of sewing machines and providing information relating thereto; repair or maintenance of electric cooking apparatus and installations; repair or maintenance of electric motors and providing information relating thereto; repair or maintenance of electric lighting apparatus and providing information relating thereto; repair or maintenance of electric motors; repair or maintenance of electronic machines and apparatus; repair or maintenance of electronic machines and apparatus and providing information relating thereto; repair or maintenance of electric lighting apparatus; repair or maintenance of nuclear power plants and providing information relating thereto; repair and maintenance of gymnastic and sporting articles; repair and maintenance of toys; repair and maintenance of leather goods; repair and maintenance of furniture; repair and maintenance of footwear; repair and maintenance of clothing; repair and maintenance of spectacles and providing information relating thereto; repair and maintenance of spectacles; repair and maintenance of garden tools; repair and maintenance of sports and fitness equipment; repair and maintenance of textile goods; repair and maintenance of camping equipment; repair and maintenance of jewelry and watches; automobile body repair and finishing for others; repair and restoration of books; repair and restoration of household articles; repair and restoration of furniture; repair and maintenance of upholstery; motor vehicle maintenance and repair; repair and maintenance of motor vehicles and their engines; repair and

maintenance of motor vehicles and parts thereof and of engines for motor vehicles and parts thereof; repair and maintenance of automobiles and parts thereof; repair or maintenance of water purifying apparatus; repair and maintenance of vacuum pumps; repair and maintenance of vacuum pumps and parts thereof; repair and maintenance of bicycles; repair and maintenance of ventilating apparatus; repair and maintenance of wind power plants; repair and maintenance of air vehicles; repair and maintenance of wave energy power plants; repair and maintenance of gas and electricity installations; burner maintenance and repair; repair and maintenance of mining, earth moving, road making, agricultural and farming equipment; repair and maintenance of mining equipment; repair and maintenance of mining machines; repair and maintenance of engines for motor vehicles; repair and maintenance of road making machines; repair and maintenance of rail vehicles; repair and maintenance of residential buildings; repair and maintenance of buildings; repair and maintenance of earth moving equipment; repair and maintenance of earth moving machines; repair and maintenance of horological and chronometric instruments; repair and maintenance of uninterruptible power supplies; film projector repair and maintenance; repair and maintenance of hardware for data processing apparatus; repair and maintenance of compressors; repair and maintenance of computer and telecommunications hardware; repair and maintenance of computer and telecommunications equipment; repair or maintenance of air-conditioning apparatus for industrial purposes; repair and maintenance of air-conditioning apparatus; repair and maintenance of ships; repair and maintenance of laser measuring apparatus; repair and maintenance of boats; repair or maintenance of waste compacting machines and apparatus; repair or maintenance of waste crushing machines and apparatus; repair or maintenance of sericultural machines and implements; repair and maintenance of machines and machine tools for treating and processing metals; repair and maintenance of machines, machine tools and automatic systems for treating and processing metals; repair and maintenance of machines, apparatus and tools; repair and maintenance of medical instruments, apparatus and equipment; repair and maintenance of motors; repair and maintenance of airplane motors and engines; repair and maintenance of motorcycles; repair and maintenance of multimedia apparatus; repair or maintenance of water pollution control equipment; repair and maintenance of road making equipment; repair and maintenance of public transport vehicles; repair and maintenance of axles and parts thereof; repair and maintenance of heating apparatus; repair and maintenance of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus; repair and maintenance of office buildings; repair and maintenance of cooling appliances and installations; repair or maintenance of passenger elevators; repair and maintenance of presses for processing metals; repair and maintenance of industrial machinery; repair and maintenance of dust extraction apparatus; repair and maintenance of radio systems and networks; airplane maintenance and repair; safe maintenance and repair; repair and maintenance of agricultural equipment; repair and maintenance of agricultural machines; repair and maintenance of motor vehicle cooling systems; repair or maintenance of sporting equipment; repair and maintenance of building scaffolds, working and building platforms; repair or maintenance of vessels; repair and maintenance of land vehicles; repair and maintenance of drying apparatus; repair and maintenance of telecommunications apparatus, other than telephone sets, radio receivers and television receivers; repair or maintenance of vending machines; repair and maintenance of shopping centers, industrial complexes, office buildings, residential buildings and other real estate developments; repair and maintenance of transport containers; repair and maintenance of vehicle tires; repair and maintenance of audio frequency amplifiers; repair and maintenance of

video frequency amplifiers; repair or maintenance of vehicle washing installations; repair and maintenance of photographic apparatus; repair and maintenance of surgical instruments and apparatus; repair and maintenance of chassis parts and bodies for vehicles; repair and maintenance of refrigerating apparatus; repair or maintenance of elevators [lifts]; repair and maintenance of electrical apparatus; repair and maintenance of electric vehicles; repair and maintenance of electricity generators; repair and maintenance of electronic apparatus; repair and maintenance of electronic display panels; repair and maintenance of electronic navigational and positioning apparatus and instruments; repair and maintenance of electronic installations; renovation, repair and maintenance of electrical wiring; repair and maintenance of energy generating installations; repair and maintenance of yachts; clock and watch repair; repair and cleaning of pallets and transport containers; cabinet repair; repair of computers; repair of computer hardware; repair of roofing; repair of cooking apparatus; repair of power lines; repair of personal ornaments; repair of personal ornaments and providing information relating thereto; repair of furniture; repair of medical machines and apparatus; repair of metalworking machines and apparatus; repair of metallurgical plants and rolling mills; repair of bags or pouches and providing information relating thereto; repair of musical instruments; repair of land vehicles; watch repair; pump repair; upholstery repair; repair of billiard equipment; repair of water pollution control equipment; shoe repair; shoe repair and providing information relating thereto; repair of shoes, bags and belts; clothing repair and providing information relating thereto; clothing repair; sign repair; repair of lighting apparatus; repair of axles for machines; repair of axles for vehicles; repair of heating apparatus; repair of heating, air-conditioning and alarm installations; repair of office machines and apparatus; repair of spectacles; repair of spectacles and providing information relating thereto; repair of energy production plants and machines; repair of suspension systems for vehicles; repair of industrial machinery; repair of industrial furnaces; vacuum cleaner repair; repair of radios; repair of radio or television sets; repair of fishing tackle and providing information relating thereto; repair of sanitary installations; repair of fishing tackle; repair of alarms; repair of animal waste treatment systems; repair of electronic cash register systems; repair of damaged computers; repair of hearing aids and hearing protectors; repair of sports equipment; repair of sports equipment and providing information relating thereto; repair of machines for treating organic waste; repair of industrial waste treatment machines; stereo system repair; repair of construction and agricultural machinery; scaffolding repair; repair of construction machines and construction equipment; repair of bags or pouches; repair of drying apparatus; repair of couplings for land vehicles; repair of tatami mats; repair of tatami mats and providing information relating thereto; repair of television apparatus; telephone repair; repair, maintenance and overhaul of automobiles; repair, maintenance, servicing, dismantling, rebuilding and cleaning of vehicle engines and parts thereof; repair, maintenance, servicing, dismantling, rebuilding, cleaning and varnishing of vehicles and parts thereof; repair of brake systems for vehicles; repair of trailers; repair of toilet bowls with integrated bidet water jets; repair of toilet bowls with integrated bidet water jets and providing information relating thereto; repair of water supply installations; repair of installations for use in metal production, metal processing and metal working; repair of vehicle washing installations; repair of air-conditioning apparatus; repair of energy supply installations; repair of garbage disposals; repair of facsimile machines; repair of filters for machines, motors or engines; repair of filters and parts thereof; photographic apparatus repair; repair of cameras; repair of refrigerating apparatus; refrigerator repair; clock repair; reconditioning machines, motors and engines that have been worn or partially destroyed; luggage repair; repair of electrical equipment;

repair of electrical equipment and electrotechnical installations; repair of electronic business equipment; repair of jewelry; hat restoration; restoration of buildings; renovating and constructing homes for low-income families; furniture restoration; furniture restoration and providing information relating thereto; restoration of musical instruments; restoration of works of art; furniture restoration, repair and maintenance; servicing and repair of lifting apparatus; servicing and repair of mechanical access platforms; servicing and repair of elevating work platforms; servicing of apparatus and installations for generating power; servicing of manufacturing machines and apparatus; servicing, cleaning and repair of chemical apparatus; automobile greasing; automobile lubrication; vehicle greasing; demolition of civil engineering structures; demolition of houses and buildings; demolition of buildings; pavement stripping; road stripping; warehouse construction and repair; installation, maintenance and repair of manufacturing plants; vehicle service stations [refuelling and maintenance]; sterilization of medical instruments; sterilization of surgical instruments; sterilization of surgical equipment; washing; washing of linen; washing of cloth, clothing, fabric, linen and textiles; washing, ironing, smoothing and repairing of textile goods for reuse; washing of clothing; washing of textiles; washing of fabric; washing of cloth; construction of airports; pier construction; construction of hydroelectric factories; pier breakwater building; custom construction of homes; road construction; chimney construction; residential and commercial building construction; construction and renovation of buildings; custom construction and building renovation; construction and repair of houses; construction and repair of buildings; pipeline construction and maintenance; building of canal locks; shipbuilding and providing information relating thereto; construction of porches; building of shops; construction of medical establishments; construction of oil pipelines; construction of decks; underwater construction; harbour construction; factory construction; construction, repair and maintenance of buildings; construction, repair and maintenance of buildings, and providing information relating thereto; construction of sunrooms; construction of structures for the production of crude oil; construction of structures for the production of natural gas; construction of structures for the transportation of natural gas; construction of structures for the storage of crude oil; construction of structures for the storage of natural gas; construction of telecommunication towers; construction, maintenance and renovation of property; construction, maintenance and repair of watercraft, yachts, boats and water vehicles; pipeline construction; building of fair stalls and shops; yacht building; shipbuilding; marine construction; custom shipbuilding; routine servicing of ventilating apparatus; routine servicing of air-conditioning apparatus; routine servicing of heating apparatus; routine servicing of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus; routine servicing of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus at intervals stipulated by the manufacturer; routine servicing of dust extraction apparatus; routine servicing of drying apparatus; routine servicing of refrigerating apparatus; thermal insulating of buildings; building inspection in the course of building construction; maintenance of aquariums; aircraft maintenance or repair and providing information relating thereto; maintenance and repair of computer hardware; maintenance and repair of skis; machinery maintenance and repair; maintenance and repair of hardware for computer networks; maintenance and repair of heating installations; maintenance and repair of telecommunications networks, apparatus, and instruments; maintenance of computer hardware; maintenance of medical apparatus and instruments; maintenance, repair and cleaning of apparatus and machinery for manufacturing semi-conductors; maintenance of septic systems; tuning of

engines for motor vehicles; tuning of motors and engines for automobiles; tuning of motors and engines; cleaning of automobiles; cleaning of building interiors; cleaning of exhibition stands; cleaning of urban areas; cleaning of residential houses; cleaning of residential and commercial properties; cleaning of buildings [interior]; cleaning of buildings, industrial sites and building sites; cleaning of building interiors and exteriors; crime scene clean-up services; cleaning of public areas; cleaning of office buildings and commercial premises; cleaning of industrial premises; cleaning of airplanes; street cleaning; street cleaning and providing information relating thereto; cleaning services in the nature of collecting trash, other than transport; asbestos removal; removal of graffiti; rust removal; laying of paving; carpet laying; tile laying, bricklaying or block laying; building reinforcing; vermin exterminating, other than for agriculture, aquaculture, horticulture and forestry; extermination of pests, other than for agricultural purposes; vermin exterminating, other than for agriculture, forestry or horticulture; vermin exterminating, other than for agriculture, forestry or horticulture, and providing information relating thereto; road sealing; garage services for automobile repair; construction, maintenance, cleaning and repair services; garage services for the maintenance and repair of motor vehicles; information and consultancy services relating to vehicle repair; advisory services in the fields of construction, repair, restoration, maintenance and installation; consultancy and information services relating to construction; consultancy, information and advisory services relating to the construction of public works; advisory services relating to the construction and repair of airports and airport facilities; consultancy relating to the repair and reconditioning of anti-friction bearings for machines; consultancy relating to the repair and reconditioning of bearings, ball-bearings, roller bearings and anti-friction bearings for machines; consultancy and advisory services relating to the repair and maintenance of vacuum pumps and parts thereof; consultancy services relating to the construction of buildings; consultancy relating to installation, maintenance and repair services; consultancy relating to the installation, maintenance and repair of windmills and wind turbines; consultancy services regarding the installation and maintenance of telecommunications, transmission and broadcasting equipment, apparatus and instruments; advisory services relating to building demolition; advisory services relating to the construction of buildings; advisory services relating to the construction of buildings and other structures; advisory services relating to the construction of public works; advisory services relating to the maintenance and repair of mechanical and electrical equipment; advisory services relating to the maintenance, repair and renovation of buildings and other structures; advisory services relating to the installation of audiovisual equipment; advisory services relating to the installation of hydraulic equipment; advisory services relating to the installation of plumbing; advisory services relating to the installation of heating and cooling apparatus; advisory services relating to the installation of building automation equipment; advisory services relating to the installation of security and safety equipment; advisory services relating to the installation of communication equipment; advisory services relating to the installation of lighting apparatus; advisory services relating to the installation of passenger elevators; advisory services relating to the installation of fire prevention equipment; advisory services relating to the installation of telephone equipment; advisory services relating to the installation, maintenance and repair of mechanical and electrical equipment; painting services; decorative painting services; assembly services relating to the installation of presses for processing metals; automobile undercoating services; vehicle undercoating services; tire balancing; pest control services, other than for agriculture, aquaculture, horticulture and forestry; interior sealing and caulking services; building sealing and caulking services; hydraulic fracturing services; computer and

telephone battery recharge services; building construction supervision services relating to shopping centers, industrial complexes, office buildings, residential buildings and other real estate developments; building construction supervision services for real estate projects; building construction supervision services for building projects; machinery retrofit and conversion services; construction services relating to the installation of heating, ventilating and air-conditioning systems; seat covering services; snow removal and de-icing services for airplanes; drain cleaning services; fire extinguisher recharging services; house painting; interior and exterior window cleaning services; assembly services relating to the installation of machines and machine tools for treating and processing metals; assembly services relating to the installation of machines, machine tools and automatic systems for treating and processing metals; artificial snow-making services; construction, repair, maintenance and installation services; pressure washing services; cleaning services; industrial and commercial cleaning services; domestic cleaning services; snow removal services; street sweeping services; installation and maintenance services; installation services for building scaffolds, working and building platforms; installation, maintenance and repair services; installation services for elevators and lifts; electrical installation services; installation services; removing birds from residential and commercial buildings; swimming pool cleaning services; air duct cleaning services; laundering of cloth, clothing, fabric, linen and textiles; laundering of babies' diapers; laundering of cloth; laundering of clothing; laundering of textiles; laundering of fabric; laundering; laundering and disinfecting of linen; laundering and providing information relating thereto; installation, maintenance and repair services provided by a handyman; construction and maintenance services relating to civil engineering; installation of ventilation and dust extraction systems; installation of apparatus for recording, transmission or reproduction of sound or images; installation of air-conditioning apparatus for use in clean rooms; installation of apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; installation of heating, lighting and cooking apparatus; installation of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus; installation of apparatus for generating power; installation of dust extraction apparatus; installation of air-conditioning apparatus; installation of gas supply and distribution apparatus; installation of reactive power compensation apparatus; installation of audiovisual equipment; installation of ventilating apparatus; installation of plumbing systems; installation of gas and water pipelines; installation of water pipes; installation of hydraulic equipment; installation of drywall panels; installation of lightning conductors; installation of doors and windows; installation of engines and motors; installation of wood flooring; installation of wallboards; installation of rainwater drainage systems; installation of pipe insulation; installation of insulating materials; installation and maintenance of heating systems; installation and maintenance of solar thermal installations; installation and maintenance of photovoltaic installations; antenna installation and repair; plate glass installation and repair services; installation and repair of door frames; installation and repair of business and office machinery and equipment; Venetian blind installation and repair; setup or repair of locks; setup or repair of locks and providing information relating thereto; irrigation devices installation and repair; installation and repair of computer hardware; computer installation and repair; elevator installation and repair; installation and repair of freezing apparatus; installation and repair of window blinds; installation and repair of window frames; heating equipment installation and repair; burglar alarm installation and repair; installation and repair of burglar or fire alarms; furnace installation and repair; installation and repair of air-conditioning systems; installation and repair of heating, ventilating and air-conditioning systems; satellite dish

installation and repair; installation and repair of television apparatus; telephone installation and repair; furnace and smelter installation and repair; pipeline installation and repair; installation and repair of air-conditioning apparatus; fire alarm installation and repair; freezing equipment installation and repair; electric appliance installation and repair; installation of rainwater collection systems; installation and maintenance of transmission and broadcasting equipment, apparatus and instruments; installation and maintenance of irrigation systems; installation and maintenance of computer hardware for the transfer of data for remote reading of electricity meters; installation and maintenance of hardware for computer networks and Internet access; installation and maintenance of burglar or fire alarms; installation and maintenance of industrial plant and equipment; installation and maintenance of traffic control apparatus; installation and maintenance of electronic apparatus; installation of cables for Internet access; installation of communication equipment; installation of computer hardware; installation of hardware for Internet access; installation of hardware and cables for Internet access; installation, construction, maintenance, servicing and repair of energy and power generating apparatus, equipment and installations; roofing installation; kitchen equipment installation; installation of kitchen appliances; installation of cooking appliances; installation of kitchen cabinets; installation of rainwater tanks; installation of foundry equipment; installation of machinery for generating electricity; installation of machines and machine tools for treating and processing metals; machinery installation; installation of furniture; installation of furniture for stores; installation of door closers; installation of door openers; installation of door openers and closers; oil well casing, tubing, and drill pipe installation; installation of floor tiles; installation of hardware for computer networks; installation of hardware for computer systems; installation of laundry and kitchen equipment; installation of building automation equipment; installation, maintenance and repair of computer hardware; installation, maintenance and repair of water supply apparatus; installation of fencing; installation of pet containment systems; installation of windows; installation of security and safety equipment; installation of office machines; installation of lighting apparatus; installation of heating apparatus; installation of heating and cooling apparatus; installation of heating systems; installation of security systems; installation of tents; installation of passenger elevators; installation of fire alarms; installation of presses for processing metals; installation of fixtures and fittings for buildings; installation of industrial machinery; installation of industrial furnaces; installation of fire prevention equipment; installation of radio systems and networks; installation, maintenance and repair of automatic doors and barriers; installation, maintenance and repair of machines for use in the publishing industry; machinery installation, maintenance and repair; installation, repair and maintenance of clean room facilities and equipment; installation, repair and maintenance of heating equipment; office machines and equipment installation, maintenance and repair; installation, maintenance and repair of fire, smoke and heat alarms; installation, maintenance and repair of ventilating systems; installation, repair and maintenance of condensing apparatus, steam condensers, radiators for motors and engines, air reheaters, boiler tubes; installation of siding; custom installation of automobile interiors; installation of sanitary apparatus; installation of plumbing; installation of septic tanks; installation of commercial cooking apparatus; installation of environmental protection systems; installation of environmental control systems; installation of environmental control systems for clean rooms; installation of air-conditioning control systems; installation of air-conditioning systems; installation of heating, ventilation and air-conditioning [HVAC] systems; installation of electric light and power systems; installation of rainwater harvesting systems; installation of clean room systems; installation,

changing, replacement and repair of locks; installation of satellite dishes; installation of glass in conservatories, windows, doors and greenhouses; installation of drying apparatus; installation of telephone equipment; installation of building insulation; installation of telephone lines; installation of cavity wall insulation; installation of insulating materials in buildings, roofs and structures; installation of insulating glass in conservatories, windows, doors and greenhouses; installation of thermal insulation for buildings; installation, maintenance and repair of automated teller machines; installation of water supply apparatus; installation, maintenance and repair of automation systems; installation, maintenance and repair of automatic emergency exits; installation, maintenance and repair of automatic doors and gates; installation, maintenance and repair of automatic apparatus for opening and closing ventilation flaps; installation, maintenance and repair of automatic apparatus for opening and closing windows; installation, maintenance and repair of automatic apparatus for opening and closing windows, fanlights, skylights and ventilation flaps; installation, maintenance and repair of automatic apparatus for opening and closing skylights; installation, maintenance and repair of automatic apparatus for opening and closing fanlights; installation, maintenance and repair of anemometers; installation, maintenance and repair of hardware for computer networks; installation, maintenance and repair of hardware for data communication networks; installation, maintenance and repair of remote control apparatus; installation, maintenance and repair of air analysis apparatus; installation, maintenance and repair of apparatus for supplying gas; installation, maintenance and repair of drilling and mining apparatus; installation, maintenance and repair of electronic monitoring apparatus; installation, maintenance and repair of hardware for data processing apparatus; installation, maintenance and repair of apparatus for processing metals; installation, maintenance and repair of apparatus for heating, purifying air, refrigerating, drying, ventilating, temperature control and air-conditioning; installation, maintenance and repair of energy conversion apparatus and power plants; installation, maintenance and repair of energy conversion apparatus, power plants, wave energy conversion apparatus and wave energy power plants; installation, maintenance and repair of apparatus for generating electricity; installation, maintenance and repair of apparatus for generating power; installation, maintenance and repair of apparatus for authentication of documents; installation, maintenance and repair of apparatus for checking the authenticity of banknotes; installation, maintenance and repair of apparatus for supplying electricity; installation, maintenance and repair of fire detection apparatus; installation, maintenance and repair of quality control apparatus; installation, maintenance and repair of wave energy conversion apparatus and wave energy power plants; installation, maintenance and repair of mechanically operated apparatus for opening and closing ventilation flaps; installation, maintenance and repair of mechanically operated apparatus for opening and closing windows; installation, maintenance and repair of mechanically operated apparatus for opening and closing windows, fanlights, skylights and ventilation flaps; installation, maintenance and repair of mechanically operated apparatus for opening and closing skylights; installation, maintenance and repair of district heating apparatus; installation, maintenance and repair of electronic data processing apparatus; installation, maintenance and repair of broadcasting apparatus; installation, maintenance and repair of quality control apparatus for printing presses; installation, maintenance and repair of ballast apparatus for ships; installation, maintenance and repair of batteries and accumulators; installation, maintenance and repair of wind towers; installation, maintenance and repair of vacuum pumps; installation, maintenance and repair of ventilating apparatus; installation, maintenance and repair of weighing apparatus; installation, maintenance and repair of

veterinary apparatus and instruments; installation, maintenance and repair of wind towers and anemometers; installation, maintenance and repair of windmills and wind turbines; installation, maintenance and repair of air filters; installation, maintenance and repair of fiber optic networks; installation, maintenance and repair of blow molding machines; installation, maintenance and repair of high pressure lines, hosing and pipelines for hydraulic systems; installation, maintenance and repair of gas and electricity systems; installation, maintenance and repair of gas, electricity and water supply apparatus; installation, maintenance and repair of alternators; installation, maintenance and repair of hydraulic systems for machinery; installation, maintenance and repair of hydraulic systems for vehicles; installation, maintenance and repair of hydraulic equipment; installation, maintenance and repair of doors and fences; installation, maintenance and repair of chassis parts and bodies for vehicles; installation, maintenance and repair of fire, smoke and heat detectors; installation, maintenance and repair of ink metering apparatus for printing presses; installation, maintenance and repair of railroad tracks; installation, maintenance and repair of gaming machines, juke boxes and telecommunication equipment; installation, maintenance and repair of measuring apparatus; installation, maintenance and repair of measuring and testing apparatus and instruments; installation, maintenance and repair of clocks and other horological and chronometric instruments; installation, maintenance and repair of measuring, signalling and monitoring apparatus and instruments; installation, maintenance and repair of inverters, batteries and electrical connection apparatus for solar energy systems; installation, maintenance and repair of drilling and mining tools; installation, maintenance and repair of card readers; installation, maintenance and repair of catalytic converters; installation, maintenance and repair of compressors; installation, maintenance and repair of compressors, air pumps and vacuum pumps; installation, maintenance and repair of compressors, air pumps, vacuum pumps, air blowers, air filters, alternators, pressure regulators and oil separators; installation, maintenance and repair of computer hardware and electronic teaching equipment and apparatus; installation, maintenance and repair of computer hardware for electronic data processing systems; installation, maintenance and repair of computer hardware for telecommunications systems; installation, maintenance and repair of computer hardware and peripherals; installation, maintenance and repair of air-conditioning apparatus; installation, maintenance and repair of cash registers; installation, maintenance and repair of ink rollers for printing presses; installation, maintenance and repair of kitchen equipment; installation, maintenance and repair of kitchen furniture; installation, maintenance and repair of labeling machines; installation, maintenance and repair of machines for processing plastics; installation, maintenance and repair of machinery for the printing industry; installation, maintenance and repair of cleaning machines; installation, maintenance and repair of machinery for the graphics industry; installation, maintenance and repair of medical apparatus and instruments; installation, maintenance and repair of metalworking machines; installation, maintenance and repair of meteorological masts; installation, maintenance and repair of computer network and information technology equipment; installation, maintenance and repair of air blowers; installation, maintenance and repair of heating apparatus; installation, maintenance and repair of heating systems; installation, maintenance and repair of pumps and pumping stations; installation, maintenance and repair of oil separators; installation, maintenance and repair of building automation equipment; installation, maintenance and repair of container filling machines; installation, maintenance and repair of apparatus for conveying goods; installation, maintenance and repair of equipment and apparatus for use in demolition; installation, maintenance and repair of equipment and apparatus for use in

mining; installation, maintenance and repair of equipment and apparatus for use in mining, open pit mining and quarrying; installation, maintenance and repair of equipment and apparatus for use in road building; installation, maintenance and repair of air freshening apparatus; installation, maintenance and repair of lighting apparatus; installation, maintenance and repair of burglar alarms; installation, maintenance and repair of air purifying apparatus; installation, maintenance and repair of passenger elevators; installation, maintenance and repair of passenger elevators, moving sidewalks, passenger bridges, moving stairways and stairway lifts; installation, maintenance and repair of printing machines; installation, maintenance and repair of printing machines and parts thereof; installation, maintenance and repair of printing presses; installation, maintenance and repair of printing presses and other machinery for use in the publishing industry; installation, maintenance and repair of printing presses and parts thereof; installation, maintenance and repair of loading and unloading machines; installation, maintenance and repair of fire and security alarms; installation, maintenance and repair of fire alarms; installation, maintenance and repair of apparatus for distributing electricity; installation, maintenance and repair of apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; installation, maintenance and repair of computer peripherals; installation, maintenance and repair of manufacturing machines and apparatus; installation, maintenance and repair of industrial machinery; installation, maintenance and repair of industrial machinery and manufacturing plants; installation, maintenance and repair of fire and smoke barriers; installation, maintenance and repair of filling machines; installation, maintenance and repair of pressure regulators; installation, maintenance and repair of freestanding lattice towers; installation, maintenance and repair of LED lighting apparatus; installation, maintenance and repair of air-conditioning systems; installation, maintenance and repair of boiler systems; installation, maintenance and repair of boiler systems and solar energy systems; installation, maintenance and repair of exhaust gas reduction systems; installation, maintenance and repair of heat insulation systems; installation, maintenance and repair of dental apparatus and instruments; installation, maintenance and repair of drying apparatus; installation, maintenance and repair of money counting and sorting machines; installation, maintenance and repair of moving sidewalks; installation, maintenance and repair of passenger bridges; installation, maintenance and repair of packaging machines; installation, maintenance and repair of mechanically operated apparatus for opening and closing fanlights; installation, maintenance and repair of molding machines; installation, maintenance and repair of photovoltaic modules; installation, maintenance and repair of photovoltaic cells and modules; installation, maintenance and repair of refrigerating apparatus; installation, maintenance and repair of cooling and air-conditioning systems for temperature-controlled environments; installation, maintenance and repair of electrical and electronic apparatus for use in the field of automation; installation, maintenance and repair of electrical and electronic apparatus and equipment; installation, maintenance and repair of electrical lighting apparatus; installation, maintenance and repair of electrical devices; installation, maintenance and repair of electrical and electronic measuring and testing apparatus and instruments; installation, maintenance and repair of electrical equipment; installation, maintenance and repair of electronic regulating apparatus; installation, maintenance and repair of electronic control apparatus; installation, maintenance and repair of electrical drives and drive systems for machines; installation, maintenance and repair of power plants and power grids; installation, maintenance and repair of escalators; installation, maintenance, repair and reconditioning of industrial machinery; installation, maintenance and repair of equipment

and apparatus for use in coal mining; installation of theft prevention devices; installation of photovoltaic cells and modules; installation of refrigerating apparatus; installation of electrical apparatus or generators; installation of electric and electronic equipment in automobiles; installation of electrical wiring; installation of energy-saving apparatus; interference suppression in electrical apparatus; installation of ship interiors; swimming-pool maintenance; furniture maintenance; fur care and repair; fur care and repair and providing information relating thereto; fumigating; fumigation of buildings against pests; chimney sweeping; car cleaning; chimney sweeping and providing information relating thereto; automobile cleaning and washing; leather cleaning and repair; fur cleaning and repair; boiler cleaning and repair; cleaning of rugs; carpet cleaning; cleaning of carpets and rugs; cleaning of carpets and rugs, and providing information relating thereto; rug shampooing; shoe shining; cleaning of clothing; window cleaning and providing information relating thereto; cleaning of storage tanks; storage tank cleaning and providing information relating thereto; leather care, cleaning and repair; fur care, cleaning and repair; septic tank cleaning; septic tank cleaning and providing information relating thereto; dry cleaning; cleaning of textiles; vehicle cleaning; cleaning of packaging materials, packing containers and transport pallets; diaper cleaning; cleaning of surgical instruments and equipment; floor sanding; buffing and polishing; plastering and painting of building interiors; inspection of automobiles and parts thereof prior to maintenance and repair; building maintenance; building maintenance and repair services provided by a handyman.

Class 07

Machines, namely machine tools; machines, other than hand operated, in each case for the preparation of three-dimensional (3D) structures by way of laser methods, inter alia for optical packages, optical elements like micro-optics, e.g. lenses, diffractive optical elements, microelectromechanical systems / micro-optoelectromechanical systems (MEMS/MOEMS), actors, biochips, microfluidic cells, (tissue) scaffolds, implants like cochlea implants, masks, inter alia for the preparation of structures for the nanoimprint lithography, refinement structures, inter alia for watches/clocks or pictures/images, safety structures, inter alia for bank notes or credit cards, wherein the said machines, other than hand operated, for the preparation of three-dimensional (3D) structures by way of laser methods are specifically, but not necessarily equipped with software suitable for the said structures and/or may comprise integrated modules for exposure (imaging) and/or coating tasks; 3D printers; parts and fittings of aforementioned goods.

Class 09

Scientific, surveying, photographic, optical, measuring, signalling, checking (supervision) apparatus and instruments; apparatus and instruments for conducting, switching, transforming, storing, regulating and controlling of electricity or light; magnetic data carriers; digital data carriers; instruments or sensors for the exact optical detection of the position of pre-manufactured and/or assembled elements, components, or modules; lasers for industrial and scientific purposes; lasers for measuring purposes; chips [integrated circuits]; optical apparatus and instruments; optical data carriers; optical fiber cables; optical fibers [light conducting filaments]; optical condensers; optical lamps; optical lenses; optical discs [data processing]; optical mirrors, optical glass; apparatus and instruments for physics; prisms [optics]; refractors; scanners; switches; switches [circuit breakers]; silicon disks for integrated circuits; connectors [electricity], also optical; optical, electric and electro-optical contacts; optical conductors; printed circuit boards; objectives [optics]; optical electronic parts; optical filters; optical couplings; optical light beam deflectors; optical scanners; optical switches; optical transmitters; optical data lines; optical transmitters for use with light conducting cables; optical sensors; optical

splice connector elements; optical connectors; connecting sleeves for optical fibers; all above mentioned goods preferably made of filled or unfilled organic polymers, filled or unfilled inorganic-organic polymers, glass, metals or composites and/or of combinations of above mentioned materials.

Class 40

Preparation of 3D structures by way of laser methods [treatment of materials], wherein in particular: (a) the 3D structures are provided for optical packages, optical elements like micro-optics, e.g. lenses, diffractive optical elements, microelectromechanical systems / micro-optoelectromechanical systems (MEMS/MOEMS), actors, biochips, microfluidic cells, (tissue) scaffolds and implants like cochlea implants and for the preparation of masks, or their preparation is made in connection with such elements, including structures for the nano-imprint lithography, or (b) safety structures are prepared, inter alia for bank notes or credit cards, or (c) by preparation of the structures a surface refinement of existing surfaces is performed, inter alia for watches/clocks or pictures/images; preparation of waveguide-containing products [treatment of materials], preferably in a scale of from sub-nm via micrometer to cm scale or scope on surfaces of unlimited size and form, wherein the preparation of all products is preferably made by way of laser technique; preparation of three-dimensional products from organic or inorganic-organic polymers [treatment of materials], preferably at a scale of from sub-nm via micrometer to cm scale or scope on surfaces of unlimited size and form, wherein the preparation of all products is preferably made by way of laser technique.

Class 42

Chemistry services, physics services, engineering services; electronic and optical data storage; technical and mechanical research; research and development in respect to new products for others; construction drafting; technical project studies; scientific research, specifically: (a) for the production and development of products containing wave guides, specifically of optical packages, optical elements like micro-optics, e.g. lenses, diffractive optical elements, microelectromechanical systems / micro-optoelectromechanical systems (MEMS/MOEMS), wherein the preparation of all the said products is preferably performed by way of laser technology, (b) for the production and development of actors, biochips, microfluidic cells, (tissue) scaffolds and implants like cochlea implants, masks, inter alia of structures for the nano-imprint lithography, refinement structures, inter alia for watches/clocks or pictures/images, safety structures, inter alia for bank notes or credit cards, wherein the preparation of all the said products is preferably performed by way of laser technology, and (c) for the production and development of three-dimensional products made of organic or inorganic-organic polymers, ceramic-material, glass or metal in a scale from sub nm via micrometer to cm scale or scope, respectively, in 1D, 2D or 3D on surfaces of unlimited size and form, wherein the preparation of all the said products is preferably performed by way of laser technology or other light-based processes, also in combination with classic 3D printing, using thermoplastics and/or filled or unfilled organic polymers, filled or unfilled inorganic-organic polymers, glass, metals or composites and/or combinations of above mentioned materials.
