REGISTRATION AS ACCOUNT HOLDER TO E-FILE AND PAY BY GIRO**

This Practice Direction is issued by the Registrar under Rule 78B(1) of the Trade Marks Rules, to specify the procedure for applying to the Registrar to be registered as an account holder.

This Practice Direction will come into effect on 1 January 2006.

Any person who wishes to use eTrademarks to effect a transaction and make payment by GIRO must register with the Intellectual Property Office of Singapore (IPOS) as an Account Holder. Approval is at the sole discretion of IPOS. Upon approval, an eTrademarks account will be created in the name of the person and the person will receive a User ID and Password.

To register, access IPOS address at <http://www.ipos.gov.sg> and [download the eTrademarks Account Holder Registration Form](#).

The person may appoint an Administrator to administer and manage his eTrademarks Account through the eTrademarks "[Maintenance of Authorised Representatives](#)" service.

The responsibilities of the Administrator are as follows:

- appointment of one or more Representatives to access eTrademarks and make payment by GIRO on behalf of the Account Holder;
- updating of the particulars of the Representatives; and
- removal of any Representative's rights to access eTrademarks and make payment by GIRO on behalf of the Account Holder.

These responsibilities are to be conducted through the eTrademarks "Maintenance of Authorised Representatives" service.

Please note that all Authorized Representatives must be CPF account holders with SingPass. The Authorized Representatives are required to sign in using their SingPass to ensure security for GIRO deductions for the online transactions. If the person does not have a GIRO account with IPOS, please complete the [GIRO Application Form](#) and submit it to IPOS.

The completed eTrademarks Account Holder Registration Form and GIRO Application Form should be mailed or couriered to the Intellectual Property Office of Singapore with the address 51 Bras Basah Road #04-01 Plaza By The Park Singapore 189554 and attentioned to Mrs Ang-Ong Bee Lian. apparatus for recording and reproducing speech; apparatus for recording, transmission or reproduction of sound; apparatus for recording, transmission or reproduction of images; signal transmission apparatus; apparatus to check franking; word processing apparatus; sound transmitting apparatus; apparatus for transmitting and reproducing sound or images; facsimile transmitting and receiving apparatus; apparatus for transmitting radio programs and radio relay messages; facsimile transmission machines; underwater breathing apparatus; testing apparatus for testing printed circuit boards; apparatus for fermentation [laboratory apparatus]; breathing apparatus for underwater swimming; breathing apparatus, except for artificial respiration; oxygen breathing apparatus, other than for artificial respiration; record playing apparatus and instruments; electrical communication machines and instruments; scientific, optical, measuring, signalling and checking apparatus and instruments; cinematographic apparatus and instruments; remote control apparatus and instruments; satellite receiving and transmission apparatus and instruments; photographic apparatus and instruments; drawing apparatus and instruments adapted for use with computers; electrical and electronic control apparatus and instruments; apparatus and installations for the production of X-rays, not for medical purposes; cash registers; electronic cash registers; cinematographic apparatus; electric apparatus for commutation; magnetic resonance imaging [MRI] apparatus, not for medical purposes; navigation apparatus for boats; intercommunication apparatus; stills for laboratory experiments; projection apparatus; fire extinguishing apparatus; coin changers; radiological apparatus for industrial purposes; X-ray apparatus not for medical purposes; blueprint apparatus; flashing lights [luminous signals]; stereoscopic apparatus; manual telegraph apparatus; telecommunications apparatus for use with mobile networks; telecommunications apparatus for use with digital and analog signals; digital telephone switching apparatus; telephone apparatus; cordless telephone apparatus; mobile telephone apparatus with built-in facsimile systems; facsimile machines; portable facsimile machines; photovoltaic apparatus for converting solar radiation to electrical energy; phototelegraphy apparatus; igniting apparatus, electric, for igniting at a distance; electric apparatus for recording, transmission or reproduction of sound or images; electrical control, testing and monitoring apparatus; electrical and electronic control apparatus for use with apparatus or installations for ventilation; electrical and electronic control apparatus for use with apparatus or installations for heating; electrical and electronic control apparatus for use with apparatus or installations for air-conditioning; electric telecommunications apparatus; electronic animal identification apparatus; acid hydrometers; salinometers; armatures for use in electrical apparatus; attenuators; audio discs; prerecorded audio discs; blank audio discs; audio recordings featuring music; sound and video recordings; audio and video tapes; downloadable video and audio files; audio cassettes; prerecorded audio cassettes; blank audio cassettes; audio books; digital audio tapes; prerecorded music audio tapes; prerecorded non-musical audio tapes; blank audio tapes; audio tape recorders; digital audio recorders; audio equipment; digital audio players; prerecorded audio tapes; prerecorded audio tapes featuring music; prerecorded digital audio tapes; audio receivers; acidimeters for batteries; aerometers; electronic databases recorded on computer media; beacons, luminous; luminous beacons for safety or warning purposes; ballasts for fluorescent lamps; ballasts for gas discharge lamps; ballasts for halogen lamps; ballasts for halogen lights; electronic ballasts for lamps; buoyancy bladders for diving; battery jars; automated banking machines; automatic paying-in and deposit machines; barometers; electric storage batteries; anode batteries; galvanic batteries; batteries for lighting; lithium batteries; nickel-cadmium batteries; rechargeable batteries; solar batteries; solar panels for the production of electricity; ignition batteries; dry cells;

batteries, electric; rechargeable electric batteries; electrical cells; batteries; batteries for pocketlamps; batteries for electronic cigars; balances [steelyards]; freeware; betatrons; binoculars; hunting binoculars; field glasses; opera glasses; biomicroscopes; bioreactors for research use; bioreactors for cell culture; bioreactors for laboratory use; disposable plastic bioreactors for cell culture; biochips; electronic tags for goods; lens hoods for cameras; lens hoods; battery packs; computer chassis; voltage monitoring units; magnetic tape units for computers; computer memory devices; semi-conductor memory units; high-frequency switching power supplies; electronic power supplies; electrical fuse boxes; electrical power distribution blocks; borescopes; borescopes for inspecting work; boots for protection against accidents, irradiation and fire; fire hose nozzles; encoded identification bracelets, magnetic; connected bracelets [measuring instruments]; safety tarpaulins; electronic key fobs being remote control apparatus; bullet-proof clothing; trousers for protection against accidents, irradiation and fire; navigational buoys; signalling buoys; life buoys; luminous safety beacons; marking buoys; directional compasses; computer buffers; vacuum gauges; electrolyzers; wattmeters; variometers; webcams; fire buckets; internal cooling fans for computers [hardware]; central processing unit [CPU] fans; verniers; scales; talking scales; baby scales; bathroom scales; letter scales for domestic use; letter scales for office use; weighing scales for medical purposes; pocket scales; letter scales; kitchen scales; electronic weighing scales for kitchen use; personal weighing scales; weighbridges; precision balances; scales with body mass analysers; calculating scales; electrical scales; electronic weighing scales for personal use; portable digital electronic scales; levelling staffs [surveying instruments]; video multiplexing apparatus; videodiscs; recorded videodiscs and tapes; prerecorded videodiscs; video recordings; downloadable video recordings; musical video recordings; downloadable video recordings featuring music; camcorders; video baby monitors; digital single-lens reflex [DSLR] cameras; digital video cameras; video cards; video cassettes; prerecorded video cassettes featuring music; prerecorded video cassettes featuring cartoons; prerecorded video cassettes; blank video cassettes; prerecorded music videos; prerecorded music videotapes; prerecorded non-musical videotapes; blank videotapes; digital video recorders; video mixers; video monitors; video equipment; combination video players and recorders; digital video players; videotapes and videodiscs recorded with animation; prerecorded videotapes; prerecorded videotapes featuring music; prerecorded videos; video receivers; video projectors; video processors; personal video recorders [PVRs]; video telephones; video accelerators; electronic display units; downloadable video files; video films; prerecorded motion picture videos; video screens; range finders for cameras; viewfinders, photographic; electrical plugs and sockets; plugs, sockets and other contacts [electric connections]; electric plugs; micrometer screws for optical instruments; viscosimeters; circuit closers; static exciters; wavemeters; polarization-maintaining optical fibers; nonlinear optical fibers; voltmeters; DVD players and recorders; camera flashes; mechanical signs; signs, luminous; backlit signs; high-frequency switches; switchboxes [electricity]; electronic motion sensitive switches; light switches; electric light switches; power switches; rectifier tubes; current rectifiers; rectifiers [electricity]; downloadable electronic newspapers; gas testing instruments; gasifiers for laboratory use; gasometers [measuring instruments]; headsets; galvanometers; wireless headsets for use with cellular phones; hands-free kits for telephones; telephone headsets; typeface fonts recorded on magnetic media; heliographic apparatus; hygrometers; hydrometers; hydrophones; weights; gyrocompasses; gyrometers; gyroscopes; peepholes [magnifying lenses] for doors; depth gauges; print heads for plotters; print heads for computer printers; print heads for ink-jet printers; holograms; gravimeters; gramophones; LP records; computer graphics cards;

downloadable computer graphics; plotters; X-Y plotters; woofers; loudspeakers with built-in amplifiers; loudspeaker units; weights for use with weighing scales; diving weights; sounding leads; plumb bobs; range finders; range finders for golf; transducers; automatic solar tracking sensors; proximity sensors; vibration sensors; vibration sensors for installation in windmill housings; gamma radiation detectors; pressure sensors; motion sensors; motion sensors for security lights; electronic sensors for measuring solar radiation; probes for testing semi-conductors; pollutant sensors; oxygen sensors, not for medical use; optical sensors; position sensors; distance sensors; touchscreen sensors; timing sensors; velocity sensors; temperature sensors; coolant-temperature sensors; air/fuel ratio gauges; ultrasonic sensors; ultrasonic object detectors for use on vehicles; level indicators; oil level sensors; acceleration sensors; television decoders; decorative switch plate covers, shaped; demodulators; demultiplexers; densimeters; densitometers; holders adapted for compact discs; holders and cases for compact discs and DVDs; holders for mobile telephones; in-car telephone handset cradles; detectors; gas sensors; smoke detectors; infrared detectors; polygraph machines, not for medical purposes; magnetic wall stud finders; fire detectors; combination carbon monoxide and smoke detectors; flame detection apparatus; radiation detectors; radon detectors; heat detectors; carbon monoxide detectors; carbon dioxide detectors; ultrasonic detectors; counterfeit coin detectors; ultrasonic flaw detectors; joysticks for use with computers, other than for video games; interactive computer software; transparencies [photography]; slide projectors; diaphragms [photography]; dictating machines; digital voice recorders; tweeters; speakers for computers; speakers for portable media players; dynamometers; diode arrays; digital force gauges; diodes; silicon carbide diodes; organic light-emitting diodes [OLED]; light-emitting diodes [LED]; floppy disks; blank floppy disks for computers; computer diskettes; blank diskettes; blank CD-ROMs for sound or video recording; CD-ROMs containing electronic telephone directories; prerecorded CD-ROMs; prerecorded CD-Is [compact disc interactive]; DVDs; blank recordable DVDs; interactive DVDs; prerecorded DVDs; prerecorded fitness DVDs; prerecorded exercise DVDs; blank DVDs; blank discs for computers; hard drives for computers; blank hard disks for computers; hard disks for computers; miniature hard disk drive storage units; sound recording discs; laser discs; magneto-optical disks; disks, magnetic; blank magnetic disks; optical discs; blank optical discs; backup drives for computers; video game discs; computer game discs; circular slide rules; digital disk drives; DVD drives; disk drives for computers; computer disk drives and drivers; optical disk drives; juke boxes for computers; electrophoretic displays; wearable video display monitors; light emitting diode [LED] displays; touch sensitive display and control screens; electronic numeric displays; electronic advertising displays; electronic message displays; distillation columns for laboratory use; electronic diaries; DNA chips; rain gauges; spirit measures; radiation measuring apparatus; docking stations for MP3 players; docking stations for cellular phones; laptop docking stations; docking stations for digital music players; swim floats for safety purposes; electronic interactive whiteboards; electronic notice boards; daughterboards; choking coils for use in electrical apparatus; opacimeters; cable harnesses; electric wire harnesses for automobiles; liquid crystal displays [LCDs] for home theaters; bullet-proof waistcoats; life jackets; safety vests for water-skiing; flotation vests; life-saving vests for dogs; reflective safety vests; identification threads for electric wires; booms for microphones; contact lens blanks; downloadable computer game software; downloadable software for instant messaging and electronic mail services; downloadable computer game programs; downloadable computer software for remote monitoring and analysis; downloadable podcasts; downloadable computer security software; nose clips for divers; nose clips for divers and swimmers;

locks for vehicles, electric; radio-frequency controlled locks; locks, electric; power locks for motor vehicles; locks, electronic; shutters for cameras; lens shutters for cameras; optical shutters; magnetic cabinet door catches; alarm bells, electric; electric door chimes; electric door bells; call bells, electric; signal bells; bells [warning devices]; audio interfaces; audio recordings; musical sound recordings; downloadable musical sound recordings; sound projectors; acoustic conduits; pickups for telecommunication apparatus; mirrors for inspecting work; display screens; reflectors for microscopes; optical mirrors; electric signs; road signs, luminous or mechanical; marine depth finders; probes for scientific purposes; avalanche probes; buzzers; electronic buzzers; needles for surveying compasses; needles for record players; phonograph needles; downloadable computer games; eyewear; reflective articles for wear, for the prevention of accidents; glassware for laboratory use; measures; ampere-hour meters; vibration meters; pressure measuring apparatus; concentration meters; level gauges; sound level meters; simulators for the steering and control of vehicles; inverters [electricity]; pressure indicators; indicator lights for telecommunication apparatus; temperature indicators; chip coils; electrical inductors; incubators for bacteria culture; incubators for laboratory use; wire diameter measuring devices; instruments for measuring length; radioactivity measuring instruments; resistance measuring instruments; material testing instruments; measuring instruments; electronic navigational and positioning apparatus and instruments; cosmographic instruments; mathematical instruments; electronic navigational instruments; levelling instruments; instruments containing eyepieces; surveying instruments; azimuth instruments; Internet servers; Internet telephones; graphical user interface software; interfaces for computers; interferometers; intranet servers; ionization apparatus not for the treatment of air or water; lithium-ion batteries; satellite finder meters; spark-guards; uninterruptible electrical power supplies; high-voltage power supplies; AC/DC power supplies; DC input power supplies; electrical power supplies; universal serial bus [USB] cables; guitar cables; Ethernet cables; jump start cables; modem cables; cables for optical signal transmission; cables for electrical or optical signal transmission; cables for electrical signal transmission; cables for electrical and optical signal transmission systems; printer cables; electric cables and wires; coaxial cables; mineral insulated electric cables; fiber optic cables; cables, electric; calipers; go/no-go gauges; slide calipers; screw-tapping gauges; no-go ring gauges; go ring gauges; master ring gauges; calorimeters; calculating machines; pocket calculators; electronic pocket calculators; electronic desk calculators; electronic calculators; closed circuit television cameras; decompression chambers; video surveillance cameras; rearview cameras for vehicles; infrared cameras; cinematographic cameras; multi-purpose cameras; film cameras; cameras with linear image sensors; thermal imaging cameras; ducting for electric cables; electrical raceways; mouth guards for sports; life-saving capsules for natural disasters; electronic pens [visual display units]; karaoke machines; electronic card readers; computer monitor frames; mounting racks adapted for computer hardware; holders for electric coils; identity cards, magnetic; blank integrated circuit cards [blank smart cards]; video game cartridges; ink cartridges, unfilled, for computer printers; ink cartridges, unfilled, for photocopiers; games cartridges for use with electronic games apparatus; toner cartridges, unfilled, for printers and photocopiers; magnetically encoded debit cards; Ethernet cards; encoded cards; sound cards; electronic identification cards; interface circuits for video cameras; interface cards for computers; interface cards for data processing apparatus; magnetically encoded key cards; electronic key cards; magnetically encoded credit cards; local area network [LAN] computer cards; local area network [LAN] computer cards for connecting portable computer devices to computer networks; encoded loyalty cards;

magnetically encoded cards for carrying data; encoded prepaid magnetic cards; random access memory [RAM] cards; memory cards for video game machines; memory cards for cameras; memory cards [computer hardware]; integrated circuit [IC] memory cards; magnetically encoded gift cards; expansion boards for computers; encoded integrated circuit cards; encoded magnetic cards; microchip cards; prepaid telephone calling cards, magnetically encoded; multimedia accelerator boards; fax modem cards for computers; flash memory cards; riding helmets; protective helmets; carriers for dark plates [photography]; film magazines for cameras; video game cassettes; computer game cassettes; cash registers, calculating machines, data processing equipment, computers; automated teller machines [ATM]; cathodes; computer game cartridges; spools for cameras; choking coils [impedance]; magnetic coils; spools [photography]; coils, electric; electric resistors for telecommunication apparatus; electromagnetic coils; quantum dots [crystalline semi-conductor materials]; prerecorded motion picture films; cinematographic film, exposed; multifunction computer keyboards; computer keypads; keypads for security alarms; computer keyboards; keyboards for cellular phones; solenoid valves [electromagnetic switches]; terminal blocks; nose clips for swimmers; wire connectors [electricity]; thin client computers; encoded key cards; books recorded on disc; books recorded on tape; digital books downloadable from the Internet; electronic book readers; downloadable electronic books; digital notepads; electronic agendas; push buttons for bells; measuring buckets; encoders; magnetic encoders; visors for helmets; flasks for laboratory use; collectors, electric; collimators; loudspeakers; portable vibration speakers; chromatography columns for laboratory use; vacuum distillation columns for laboratory use; colorimeters; calibrating rings; adapter rings for camera lenses; smart rings; ring sizers; protective suits for aviators; downloadable comic strips; commutators; automatic switchboards; hyperbaric oxygen chambers, not for medical purposes; compact discs; compact discs, DVDs and other digital recording media; compact discs [audio-video]; recorded compact discs; interactive compact discs and CD-ROMs; CD-Is [compact disc interactive]; prerecorded music compact discs; compact discs [read-only memory]; compact discs featuring music; prerecorded compact discs; blank compact discs; comparators; magnetic compasses; magnetic compasses for surveying; marine compasses; buoyancy compensator devices for divers; point-of-sale [POS] terminals; component parts for antennas; electronic components for gambling machines; electronic components for computers; compressed air bailout units for diving; computerized time clocks with fingerprint recognition; computer hardware for telecommunications; computer hardware and software for setting up and configuring local area networks; computer hardware and software for setting up and configuring wide area networks; computer software to automate data warehousing; computer software to enhance the audiovisual capabilities of multimedia applications; computer software for controlling self-service terminals; computer software that assists computers in deploying parallel applications and performing parallel computations; computer software to enable the transmission of photographs to cellular phones; computer game programs downloadable via the Internet; computer application software for cellular phones; computer programs for enabling access or entrance control; computer programs for processing digital music files; computer programs for using the Internet and the World Wide Web; computer programs for user interface design; computer programs for editing images, sound and video; computer programs for connecting remotely to computers or computer networks; computer programs for searching remotely for content on computers and computer networks; computer programs for document management; interactive multimedia computer programs; computer programs used for electronic cash register systems; computers; computers for use in data management; pocket computers for note-taking; hand-held

personal computers; communications computers; navigation computers for cars; desktop computers; wearable computers; personal computers; laptop computers; tablet computers; notebook computers; hand-held computers; computers and instructional manuals in electronic format sold as a unit; electronic currency converters; microscope condensers; condensers [capacitors]; contacts, electric; contacts, electric, of precious metal; disc storage containers, shaped; Ethernet controllers; wireless controllers to monitor and control the functioning of electronic devices, other than controllers for gaming apparatus; redundant array of independent disks [RAID] controllers; highway safety cones; decorative wind socks for indicating wind direction; wind socks for indicating wind direction; wind socks for indicating wind direction and intensity; traffic cones; computer network hubs, switches and routers; computer network hubs; boxes adapted for slides; branch boxes [electricity]; distribution boxes [electricity]; junction boxes [electricity]; battery boxes; cabinets for loudspeakers; diving suits; fire-resistant flying suits; wet suits for scuba diving; survival suits; waterproof survival suits for the prevention of drowning; speaker mounting brackets; galena crystals [detectors]; silicon chips; brackets for setting up flat screen television sets; ring buoys for use in water rescue; measuring cups; decorative covers, shaped, for smoke detectors; electric outlet covers, shaped; covers for electric outlets; central processing unit [CPU] coolers; jackets for protection against accidents, irradiation and fire; beakers [laboratory glassware]; logs [measuring instruments]; laser diodes; lasers, not for medical purposes; lasers for measuring; lactodensimeters; lactometers; vacuum tubes [radio]; flashlamps for cameras; flashlights [photography]; microscope lamps; darkroom lamps [photography]; vehicle breakdown warning lamps, other than parts of vehicles; thermionic tubes; amplifying tubes; electron tubes; thermionic valves for radios; blank magnetic computer tapes; blank tapes for storage of computer data; head cleaning tapes for video recorders; head cleaning tapes for audio cassette recorders; head cleaning tapes [recording]; tape measures; magnetic tapes; videotapes; audio tapes; blank magnetic tapes for tape recorders; audio tapes featuring music; surveying chains; warning streamers; fire escapes; computer game tapes; yardsticks; rulers [measuring instruments]; square rulers for measuring; slide-rules; levelling rods for surveying; graduated rulers; folding rulers; anti-reflective lenses; lenses for microscopes; telescopic lens sights; ophthalmic lenses; lenses for sunglasses; lenses for telescopes; optical condensers; contact lenses; correcting lenses [optics]; optical lenses; optical lenses for sunglasses; magnifying lenses; electricity conduits; sounding lines; measuring spoons; local area networks; magnifying glasses [optics]; thread counters; illuminometers; magnetometers; audio cassette recorders; digital audio tape recorders; magnets; decorative magnets; decorative refrigerator magnets; close-up lenses; refrigerator magnets; crash test dummies; resuscitation mannequins [teaching apparatus]; mouse [computer peripheral]; pressure gauges; high-pressure manometers; boost gauges; tire pressure gauges; security tokens [encryption devices]; network routers; computer network routers; ski goggles; goggles for motorcyclists; skin diving masks; scuba masks; divers' masks; solderers' helmets; protective masks; oxygen masks, not for medical purposes; flame-retardant balaclavas; swim masks; face-shields for protection against accidents, irradiation and fire; dust masks; respiratory masks, other than for artificial respiration; welding masks; snow goggles; materials for electricity mains [wires, cables]; automated bank note sorting machines; concrete testing machines; material testing machines; plastic testing machines; cement testing machines; credit card encoding machines [computer peripherals]; ticket cancelling machines; voting machines; money counting and sorting machines; coin counting and sorting machines; textile testing machines; time and date stamping machines; cinematographic machines and apparatus; telecommunication machines and apparatus; screw-thread

measuring machines and instruments; surface roughness testing machines and instruments; material testing instruments and machines; metal strength testing machines; metal hardness testing machines; metal compression testing machines; electrostatic copying machines; fire trucks; digital color photocopiers; rotating signalling lights; furniture especially made for laboratories; megaphones; portable media players; copper panels for circuit boards; diaphragms [acoustics]; acoustic membranes used in sound recording or reproducing apparatus; diaphragms for scientific apparatus; metal detectors; metal detectors for industrial or military purposes; hand-held security wands; digital weather stations; metronomes; carpenters' rules; rules [measuring instruments]; dressmakers' measures; folding rules; bellows for cameras; mechanisms for coin-operated apparatus; mechanisms for counter-operated apparatus; vehicle wheel alignment machines; electronic locking mechanisms for safes; coin-operated mechanisms for vending machines; coin-operated mechanisms for television sets; shutter releases [photography]; microcomputers; microcontrollers; micrometers; microprocessors; secure microprocessors; microchips [computer hardware]; microscopes; biological microscopes; metallurgical microscopes; microscopes for operations; polarizing microscopes; electron microscopes; microcircuits; semi-conductor chips; microtomes; microfiche; microphones; microphones for telecommunication apparatus; microphones for communication devices; microphone mixers; audio mixers; sound mixers with integrated amplifiers; minicomputers; modems; external modems; internal modems; cable modems; rectifier modules; memory expansion modules; integrated circuit modules; lightning rods; oxygen monitors, not for medical purposes; monitors [computer hardware]; monitors [computer programs]; gas flow monitors; digital signage monitors; touchscreen monitors; monocles; selfie sticks [hand-held monopods]; computer network bridges; downloadable digital music; downloadable digital music provided from MP3 Internet web sites; digital music downloadable from the Internet; multiplexers; electric cable connectors; terminals [electricity]; junction sleeves for fiber optics; junction sleeves for electric cables; computer mice; wireless computer mice; computer chipsets for use in transmitting data to and from a central processing unit; teeth protectors; temperature indicator labels, not for medical purposes; knee-pads for workers; pipette tips for laboratory use; headphones; in-ear headphones; headsets for use with computers; headsets for cellular phones; headsets for telephones; music headphones; photographic negatives; netbooks [computers]; surveyors' levels; electronic telephone dialers; magnetic data carriers, recording discs; magneto-optical and optical data carriers; machine-readable data carriers; prerecorded data carriers for use with computers; sound recording carriers; magnetic data media; magnetic and optical data carriers; prerecorded magnetic data carriers; blank magnetic data carriers; machine-readable data carriers recorded with programs; optical data media; digital recording media; socks for protection against accidents, irradiation and fire; electronic sheet music, downloadable; virtual reality software; virtual reality game software; wide area network [WAN] operating software; compiler software; software for computer telephony; computer software, recorded; software for GPS navigation systems; instant messaging software; downloadable instant messaging software; software for processing images, graphics and text; software for optical character recognition; Internet messaging software; electronic mail software; downloadable electronic mail software; software for satellite navigation systems; computer game programs; recorded computer game software; educational software for children; virtual private network [VPN] operating software; universal serial bus [USB] operating software; sheaths for electric cables; protective sheaths for fiber optical cables; protective covers for smartphones; protective covers for electronic book readers; identification sheaths for electric wires; clear protective covers adapted for MP3 players; clear

protective covers adapted for cellular phones; clear protective covers adapted for personal digital assistants [PDAs]; clear protective covers adapted for smartphones; universal serial bus [USB] hardware; virtual private network [VPN] hardware; weighing machines; gas chromatography apparatus for laboratory use; sound reproduction equipment; karaoke equipment; local area network [LAN] hardware; electric and electronic musical effects equipment; word processing equipment; paging equipment; apparatus for conducting, switching, transforming, accumulating, regulating or controlling electricity; card reading equipment; computer component testing and calibrating equipment; sound recording equipment; electronic testing apparatus for use in the field of telecommunications; computer hardware; computer hardware for network access servers; punched card machines for offices; peripheral equipment for computers and data processing equipment; semiconductor devices; life saving apparatus and equipment; telecommunications equipment; photographic equipment; electronic equipment for detecting mines; shoes for protection against accidents, irradiation and fire; shoes for protection against accidents and fire; lenses for astrophotography; lenses for video cameras; lens barrels for microscopes; selfie lenses; lens barrels for telescopes; objectives [lenses] [optics]; lenses for photographic apparatus; egg-candlers; fire extinguishers; flashing safety lights; rescue laser signalling flares; electrified fences; limiters [electricity]; clothing for protection against accidents, irradiation and fire; clothing for protection against fire; asbestos clothing for protection against fire; clothing for protection against chemicals and radiation; articles of protective clothing for wear by motorcyclists for protection against accident or injury; clothing for protection against accidents; insulated clothing for protection against accidents or injury; clothing and footwear for protection against accidents, irradiation and fire; clothing and gloves for use in welding for protection against accidents or injury; reflective apparel and clothing for the prevention of accidents; clothing especially made for laboratories; odometers; ozonisers [ozonators]; octants; eyepieces; ohmmeters; operating system programs; computer operating programs; wrist rests for use with computers; wrist rests for use with computer keyboards; eyeglass frames; frames for sunglasses; monocle frames; fiber optics; protective eyewear; sports eyewear; optical disks featuring music; computerized personal organizers; digital organizers; oscillographs; oscillators; plumb lines; reflectors for traffic signals; mirrors [optics]; glacier glasses; diving goggles; safety goggles; welding goggles; goggles and masks for protection against dust; night vision goggles; eyeglasses; swim goggles; dust goggles; sunglasses; goggles for sports; electronic collars to train animals; integrated software packages; packaged software; finger sizers; disk memories; audio mixing desks; video mixing desks; liquid crystal display [LCD] panels; thin film transistor liquid crystal display [TFT-LCD] panels; electronic indicator panels; audio and video mixing desks; plasma display panels; touch pads for computers; touch pads; signalling panels, luminous or mechanical; plasma display panel [PDP] televisions; control panels for elevators; electroluminescent display panels; radio pagers; electronic pagers; pince-nez; electronic pocket translators; intercoms; emergency signal transmitters; wireless transmitters; transmitters [telecommunication]; Global Positioning System [GPS] transmitters; cable television transmitters; optical transmitters; remote control transmitters; radar transmitters; radio frequency transmitters; satellite transmitters; telephone transmitters; digital transmitters; transmitters of electronic signals; Ethernet switches; change-over switches for telecommunication apparatus; piezoelectric switches; computer network switches; switches, electric; plug adapters; converters for electric plugs; periscopes; computer peripherals and accessories; gloves for divers; gloves for protection against accidents; gloves for protection against accidents, irradiation and fire;

gloves for protection against X-rays for industrial purposes; asbestos gloves for protection against accidents; disposable latex gloves for laboratory use; fire-resistant gloves; disposable gloves for laboratory use; disposable plastic gloves for laboratory use; light pens; furnaces for laboratory experiments; furnaces for laboratory use; microwave ovens for laboratory use; pipettes; pyrometers; electron guns; planetarium projectors; planimeters; plane tables [surveying instruments]; graphics tablets; phonograph records featuring music; plates for batteries; silicon wafers for integrated circuits; single-crystal silicon wafers; silicon wafers; semiconductor wafers; solar wafers; electrical outlet plates, shaped; computer software platforms; computer software platforms, recorded or downloadable; graphics cards; wafers for integrated circuits; PC cards; satellite processors; computer accelerator boards; memory boards; audio circuit boards; motherboards; computer motherboards and daughterboards; multilayer printed wiring boards; video circuit boards; electronic circuit cards; printed circuit boards; printed circuit boards incorporating integrated circuits; electrical circuit boards; computer plug-in cards; electric switch plates; electronic circuit boards; compact disc players; cassette players; MP3 players; protective films adapted for computer screens; protective films adapted for smartphones; color separation films; sound recording strips; X-ray films, exposed; films, exposed; life-saving rafts; digital plotters; radio frequency repeaters; wrist rests for computer mouse users; laboratory trays; notebook computer cooling pads; wafers for solar cells; arm rests for use with computers; digital signs; racks adapted for amplifiers; computer stands specially designed for holding a computer, printer and accessories; microphone stands; thermosensitive temperature indicator strips; semi-conductors; electronic semi-conductors; polarimeters; personal digital assistants [PDAs]; fire pumps; computer parallel ports; computer serial ports; measuring glassware; weight belts for diving; support belts for workers; life belts; fuses for telecommunication apparatus; fuses; circuit breakers; preamplifiers; acoustic transformers; analog-to-digital converters; transmultiplexers; rotary converters; cable television converters; electronic power converters; DC/DC converters; low profile DC/DC converters; level converters; digital-to-analog converters; frequency converters; converters, electric; electroacoustic transducers; telerupters; food analysis apparatus; apparatus for verifying data on magnetically encoded cards; diagnostic apparatus, not for medical purposes; distance recording apparatus; apparatus for the recording of sound or images; apparatus for recording, transmission or reproduction of sound or images; apparatus for recording, transmission, processing and reproduction of sound, images or data; sound measuring apparatus; luminescence measuring devices; radioactivity measuring apparatus; distance measuring apparatus; speedometers for vehicles; speed measuring apparatus [photography]; appliances for measuring the thickness of leather; apparatus for measuring the thickness of skins; diesel oil emission testers; speed checking apparatus for vehicles; apparatus for controlling static electricity; dust emission monitors; apparatus for processing, transmitting and storing database information; teaching apparatus; microhardness testers; smoke alarm testers; voltage testers; continuity testers; time recording apparatus; hemline markers; apparatus for testing vehicle brakes; apparatus for testing vehicle transmissions; magnetic head cleaning apparatus; magnetic tape cleaning apparatus; power distribution or control machines and apparatus; measuring apparatus; optical frequency metrology devices; digital panel meters; measuring devices, electric; astrometric apparatus and instruments; apparatus and instruments for astronomy; surveying apparatus and instruments; weighing apparatus and instruments; apparatus and instruments for recording, transmission or reproduction of sound or images; measuring and testing machines and instruments; teaching and instructional

apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; satellite broadcast receiving and decoding apparatus and instruments; measuring apparatus and instruments; checking [supervision] apparatus and instruments; measuring and control apparatus and instruments; laboratory apparatus and instruments; nautical apparatus and instruments; multimedia apparatus and instruments; navigational instruments; scientific apparatus and instruments; scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking [supervision], life-saving and teaching apparatus and instruments; optical apparatus and instruments; teaching apparatus and instruments; data communication apparatus and instruments; telecommunications apparatus and instruments; apparatus and instruments for physics; photographic and cinematographic apparatus and instruments; photographic, cinematographic and optical apparatus and instruments; chemistry apparatus and instruments; electronic navigational, tracking and positioning apparatus and instruments; particle flow monitors; particle emission monitors; boiler control instruments; meteorological instruments; coffee measures; naval signalling apparatus; observation instruments; navigation apparatus for vehicles [on-board computers]; satellite navigational apparatus; scientific apparatus; optical inspection apparatus for industrial use; LORAN navigation machines; regulating apparatus, electric; sensors [measurement apparatus], other than for medical use; automatic telegraph apparatus; telecommunications apparatus; telecommunication apparatus in the form of jewellery; digital telecommunications apparatus; precision measuring apparatus; electrical controls for irrigation sprinkler systems; photovoltaic apparatus and installations for generating solar electricity; electronic apparatus for testing the sterility of medical equipment; electronic apparatus for testing the sterility of pharmaceuticals and injectable solutions; electrophoresis apparatus, not for medical purposes; CD-ROM drives; CD drives for computers; external computer hard drives; floppy disk drives; hard disk drives; audio- and video-receivers; wireless receivers; Global Positioning System [GPS] receivers; cable television receivers; optical receivers; remote control receivers; radar receivers; radar receivers with amplifiers; radio frequency receivers; satellite receivers; television receivers [TV sets]; transceivers; radio transceivers; optical transceivers; prisms for microscopes; prisms for scientific purposes; prisms for telescopes; prisms for optical purposes; prisms [optics]; computer software applications, downloadable; photo printers; printers for use with computers; xerographic printers; laser printers; daisy wheel printers; dot matrix printers; ink-jet printers; thermal printers; color printers; color laser printers; ink-jet color printers; digital color printers; retorts' stands; apparatus for changing record player needles; wrist rests for use with computer peripherals; drainers for use in photography; cleaning apparatus for sound recording discs; fire beaters; metering apparatus for dispensing perfumes in measured quantities; boresighters [alignment apparatus for firearm sights]; telescopic sights; telescopic riflescopes; telescopic bow sights for archery; telescopic sights for firearms; telescopic sights for guns; telescopic sights for artillery; test tubes; plug gauges; go/no-go plug gauges; pressure indicator plugs for valves; probes for testing integrated circuits; magnetic wires; winding wires [electricity]; power wires; resistance wires; telegraph wires; telephone wires; wires, electric; copper wire, insulated; conductors, electric; fuse wire; DVD burners; computer hardware and software for database management; computer hardware and software; computer software, firmware and hardware; software; BIOS [basic input/output system] software; bioinformatics software; computer software for computer-aided design/computer-aided manufacturing [CAD/CAM]; computer software for administration of local area networks; computer software for wireless content delivery; computer software for wireless

network communications; computer software for two or three-dimensional simulation for use in design and development of industrial products; decoder software; software for Internet access; computer software for accessing information directories that may be downloaded from a global computer network; privacy protection software; e-mail security software; video games software; computer software for application and database integration; computer whiteboard software; computer software for use in programming facsimile machines; local area network [LAN] operating software; industrial process control software; computer software for controlling and managing access server applications; computer software for encryption; music composition software; computer programs and software for image processing used for cellular phones; computer software for word processing; computer software for processing digital images; computer software for processing digital music files; computer software for converting document images into electronic formats; credit screening software; desktop publishing software; computer software for communicating with users of hand-held computers; data compression software; computer software for Global Positioning Systems [GPS]; scanning software; computer software for creating searchable databases; computer software for use in creating and designing websites; computer software for organizing and viewing digital images and photographs; computer software for creating and editing music and sounds; computer software for controlling the operation of audio and video devices; computer groupware; communications software; communications software for connecting global computer networks; communications software for connecting computer network users; downloadable computer software programs; computer graphics software; computer communications software to allow customers to access bank account information and transact bank business; computer software; computer shareware; multimedia software recorded on CD-ROM; downloadable cloud computing software; computer search engine software; embedded operating software; computer e-commerce software to allow users to perform electronic business transactions via a global computer network; computer video game software; computer firmware; software for diagnostics and troubleshooting; computer programs, recorded; video game programs; consumer video game programs; data processing programs; software for searching and retrieving information across a computer network; software for creating, facilitating, and managing remote access to and communication with local area networks and global networks; PDF creation and conversion software; programs recorded on electronic circuits for amusement apparatus with liquid crystal screens; computer screen saver software, recorded or downloadable; interactive video game programs; computer game software; interactive computer game programs; electronic game software; electronic game programs; computer hardware and firmware; interactive multimedia software for playing games; computer hardware and software for providing secure remote access to computer and communication networks; computer programs and software; computer software for business purposes; computer software for arcade apparatus and games; computer software for data and document capture, transmission, storage and indexing; computer software for use in automating and managing business processes; computer software for use in providing multiple user access to a global computer information network; computer programs for data processing; computer software for image processing; computer software for transmission of sound and video messages; computer software to enable searching of data; computer programs for connecting to remote computers and computer networks; computer software for synchronizing data between hand-held or portable computers and host computers; computer software for the creation of firewalls; computer software for database management; computer software for facsimile, electronic mail, voice mail or Internet

messaging; computer programs [downloadable software]; downloadable computer software; computer software downloaded from the Internet; computer game software downloadable from a global computer network; computer game software downloadable via a global computer network and wireless devices; interactive multimedia computer game programs; recorded computer game programs; computer programs and software for image processing; computer programs and computer software for electronic trading of securities; computer software for use in the field of telecommunications for providing electronic transmission of documents and facsimile transmission; computer software and telecommunications apparatus, including modems, to enable connection to databases and the Internet; computer software and telecommunications apparatus, including modems, to enable connection to databases, computer networks and the Internet; computer software and telecommunications apparatus, including modems, to enable connection to databases, computer networks, global computer networks and the Internet; computer software and telecommunications apparatus to enable connection to databases and the Internet; computer firewall software; computer operating system software; educational computer software; computer video game software and manuals in electronic format sold as a unit; computer game software and manuals in electronic format sold as a unit; computer software for data processing; data processing programs recorded on machine-readable data carriers; computer operating programs, recorded; application software; interactive entertainment software for use with computers; downloadable interactive entertainment software for playing video games; downloadable interactive entertainment software for playing computer games; web site development software; network operating system programs; computer utility programs; electronic game software for wireless devices; electronic game software for hand-held electronic devices; electronic game software for cellular phones; computer software programs; computer software products; projectors; home theater projectors; projectors for the entertainment industry; picture projectors; liquid crystal display [LCD] projectors; cinematographic projectors; multimedia projectors; photography projectors; digital projectors; record players; audio cassette players; audio cassette players for automobiles; audio cassette and compact disc players; videodisc players; video cassette players; video compact disc players; digital audio tape players; cassette players for cars; digital compact disc players; artificial limbs for medical instruction purposes [teaching apparatus]; gas masks; data processors; raster image processors; digital signal processors; processors [central processing units]; rods for water diviners; electronic publications [downloadable] provided on-line from databases or the Internet; electronic publications, downloadable; electronic publications [downloadable] provided from databases or the Internet; electronic publications recorded on computer media; remote controls; remote controls for stereos; remote controls for radios; remote controls for televisions; infrared remote controls; digital mixing desks; distribution consoles [electricity]; control panels for security alarms; remote control apparatus for air-conditioning installations; control panels [electricity]; computer workstations [hardware]; radar detectors; radar guns for sporting events; radar apparatus; maritime patrol radars; heat sinks for use in computers; radio apparatus and instruments; vacuum tubes; masts for wireless aerials; audio baby monitors; radio transmitters; transmitting sets [telecommunication]; radios; radio receivers; car radios; vehicle radios; radio transmitters and receivers; mobile radios; short-range radios; two-way radios; radiotelephones; radio tuners; sprinkler systems for fire protection; power strips with movable sockets; threaded electrical cable connectors; connectors for electronic circuits; jack cables; power connectors; plug-in connectors; round plug connectors; electrical connectors; frames for photographic transparencies; slide film mounts; screens for photoengraving; flow gauges; flowmeters; walkie-talkies; data

loggers; voltage surge protectors; regulators for use in scuba diving; oxygen regulators; power controllers; electronic power controllers; voltage regulators; voltage regulators for vehicles; induction voltage regulators; stage lighting regulators; light dimmers [regulators], electric; static voltage regulators; electrical signal attenuators; speed regulators for record players; electrical charge controllers; cell switches [electricity]; washing trays [photography]; resonators; marking gauges [joinery]; T-squares for measuring; time switches, automatic; differential switches; relays for radio and television stations; relays, electric; lanyards [straps] for cameras; lanyards [straps] for cellular phones; lanyards for safety purposes for fall protection; safety harnesses, other than for vehicles or sports purposes; safety restraints, other than for vehicle seats and sports equipment; chin straps for American football helmets; X-ray photographs, other than for medical purposes; rheometers; rheostats; Ethernet repeaters; respirators for filtering air; retorts; repeaters for radio and television stations; reflectors for telescopes; optical reflectors; refractometers; refractors; grids for batteries; downloadable ring tones and graphics for cellular phones; ring tones, graphics and music downloadable via a global computer network and wireless devices; security surveillance robots; downloadable telephone ring tones; laboratory robots; teaching robots; humanoid robots with artificial intelligence; electric sockets; speaking tubes; horns for loudspeakers; subwoofers; subwoofers for vehicles; saccharometers; waveguides for high-power beam delivery; optical fibers [light conducting filaments]; lens filters for cameras; polymer light-emitting diodes [PLED]; traffic lights; railway signals; traffic-light apparatus [signalling devices]; dog whistles; signalling whistles; sports whistles; sextants; projected capacitive touch sensors; infrared sensors; liquid level sensors; level sensors; computer network servers; communications servers [computer hardware]; network servers; computer servers; network facsimile servers; electronic mail servers; inductors [electricity]; magnetic cores; computer networking hardware; operating software for network access servers; wide area networks; electrical cabling; safety nets; nets for protection against accidents; burglar alarms; fire alarms; gas leak alarms; smoke alarms; security alarms; personal security alarms; electronic burglar alarms; fire alarms in the shape of Christmas tree ornaments; personal alarms; anti-theft alarms, other than for vehicles; signals, luminous or mechanical; sirens for vehicles; vehicle driving simulators for training purposes; sirens; computer operating software; loudspeaker systems; video surveillance systems; Global Positioning Systems; public address systems; static grounding systems and apparatus; biometric identification systems; laser measuring systems; computer systems; access control and alarm monitoring systems; biometric access control systems; electronic access control systems for interlocking doors; data processing systems; computer operating systems; anti-intrusion alarms; fire extinguishing systems; biometric voice recognition systems; pattern recognition systems composed of computer chips, computer hardware and software; satellite navigation systems; satellite-aided navigation systems; speakerphones; video imaging systems; biometric scanners; biometric fingerprint scanners; image scanners; scanners [data processing equipment]; optical scanners; hand-held scanners; biometric hand scanners; biometric retinal scanners; snap gauges; slide film, exposed; hand-held electronic dictionaries; electronic dictionaries; integrated circuit cards [smart cards]; encoded smart cards; blank smart cards; smartglasses; smartphones; smartwatches; gas mixers for laboratory use; fiber optic couplings; connections for electric lines; fiber optic connectors; couplings, electric; connectors [electricity]; electronic connectors; optical fiber connectors; plug connectors; sonars; sound locating instruments; lighting ballasts; resistances, electric; math coprocessors; spectrograph apparatus; astronomical spectrographs; spectrometers; spectrophotometers; speed indicators; bicycle speedometers; alcoholmeters; sports training simulators; shutter releases

for cameras; satellites for scientific purposes; wide area network [WAN] hardware; head guards for martial arts; head guards for boxing; head guards for karate; protection devices for personal use against accidents; audiovisual teaching apparatus; computer software development tools; electronic control gears [ECGs] for LED lamps and light fixtures; voltage stabilizers; measuring jugs; tire balancing machines for land vehicles; electronic docking stations; charging stations for electric vehicles; radiotelegraphy sets; radiotelephony sets; automatic telephone exchanges; spectacle lenses; anti-glare glasses; optical glass; glass dryers for laboratory use; speedometer testers; automobile stereo adapters; stereomicroscopes; stereo headphones; stereo receivers; personal stereos; stereoscopes; stereo tuners; stereo amplifiers; computer styluses; racks adapted for loudspeakers; video camera stands; stands for use with operating microscopes; stands for photographic apparatus; mounting racks adapted for telecommunications hardware; laboratory countertops; editing machines for cinematographic films; stroboscopes; fire boats; sulfimeters; carrying cases adapted for computers; bags adapted for laptops; bags specially adapted for cameras and photographic equipment; supercomputers; superminicomputers; drying racks [photography]; spherometers; integrated circuits; large-scale integrated circuits; electronic integrated circuits; printed circuits; electronic circuits; counters; water meters; gas meters; Geiger counters; parking meters; kilometer recorders for vehicles; revolution counters; electricity meters; abacuses; memory card readers; radio-frequency identification [RFID] readers; optical disk readers; electronic indicator boards; electronic scoreboards; mechanical egg timers; digital egg timers; kitchen timers; kitchen timers, electronic; egg timers [sandglasses]; electronic timers; taximeters; electronic taximeters; public telephones; ear plugs for divers; satellite dishes; tachometers; radio-frequency identification [RFID] tags; television apparatus; car televisions; plasma televisions; organic light-emitting diode [OLED] televisions; telegraphs [apparatus]; television cameras; television transmitters; telescopes; zenith telescopes; teleprompters; teleprinters; cellular telephone apparatus; telephones; mobile telecommunications handsets; cordless telephones; cellular phones; cellular phones having large keys and numbers that assist users having impaired vision or dexterity; digital cellular phones; satellite telephones; digital telephones; strain gauges; theodolites; precision theodolites; transits for surveying; electronic terminals for generating lottery tickets; terminals for radiotelephones; secure terminals for electronic transactions; interactive touch screen terminals; computer terminals; electronic payment terminals; thermistors; thermo-hygrometers; thermometers for laboratory use; meat thermometers; digital meat thermometers; household thermometers; thermometers, not for medical purposes; digital thermometers, not for medical purposes; thermocouples; thermostats; thermostats for vehicle engines; thermostats for vehicles; antifreeze testers; crucibles [laboratory]; thyristors; thickness gauges; ultrasonic thickness gauges; tone arms for record players; toner cartridges, unfilled, for printers; toner cartridges, unfilled, for photocopiers; totalizers; local area network [LAN] access points; local area network [LAN] access points for connecting network computer users; transistors [electronic]; Ethernet transceivers; transponders; protractors [measuring instruments]; high-voltage transformers; electrical transformers for telecommunication apparatus; electric voltage transformers; step-up transformers; step-down transformers; distribution transformers; welding transformers; electronic power transformers; flyback transformers; electric transformers for toy trains; transformers [electricity]; trackballs [pointing devices]; flight simulators; resuscitation training simulators; flight simulators for aircraft; electronic sports training simulators; vehicle breakdown warning triangles; triodes; starter cables for motors; discharge tubes, electric, other than for lighting; diving snorkels; scuba snorkels; laboratory storage tubes;

capillary tubes; neon signs; Pitot tubes; X-ray tubes not for medical purposes; glass tubes for scientific purposes; telephone receivers; phototubes; meridian transit telescopes; car broadcasting tuners; carbon nanotubes for use in extremely small scale electronic and mechanical applications; angle gauges; squares for measuring; electrical extension cords; gauges; quantity indicators; digital torque gauges; automatic indicators of low pressure in vehicle tires; safety markers; fuel gauges; water temperature gauges; temperature gauges; exhaust gas temperature gauges; gasoline gauges; water level indicators; vehicle dipsticks; electric loss indicators; light-emitting electronic pointers; laser pointers; slope indicators; plastic and cardboard cases adapted for the storage of record albums; levels [instruments for determining the horizontal]; water level gauges; mercury levels; plumb levels; spirit levels; urinometers; amplifiers for bass guitars; guitar amplifiers; amplifiers; amplifiers for musical instruments; audio frequency amplifiers; power amplifiers; optical semiconductor amplifiers; radio frequency amplifiers; video frequency amplifiers; graphics accelerators; particle accelerators; electric and electronic video surveillance installations; electric installations for the remote control of industrial operations; automatic telephone dialers; automatic switching apparatus for telecommunications; self-timers for cameras; automatic chromatography apparatus for laboratory use; baby monitors; apparatus for testing smoke detectors using an aerosol spray; apparatus for testing carbon monoxide detectors using an aerosol spray; apparatus for testing heat detectors using an aerosol spray; input devices for computers; visual display units; video display units; steering apparatus, automatic, for vehicles; balancing apparatus; electronic lock assemblies; video recorders; video recorders for automobiles; video recorders for cars; sound reproduction apparatus; automatic ticket dispensers; invoicing machines; video cassette recorders; tape recorders; devices for the recording, transmission and playback of sound and images; apparatus for the recording, transmission, amplification and reproduction of sound; apparatus for recording, storage, transmission and reproduction of sounds and images; protection devices against X-rays, not for medical purposes; voltage surge suppressors; radiation measuring instruments; luminous flux meters; battery testers; railway traffic safety appliances; data processing apparatus; optical character recognition [OCR] apparatus; video digitizers; oxygen transensing apparatus; mobile data receivers; theft prevention installations, electric; apparatus for checking the authenticity of banknotes; brake fluid testers; circuit testers; film cutting apparatus; drying apparatus for photographic prints; optical character readers; card readers for credit cards; card readers for magnetically encoded cards; magnetic tape erasers; centering apparatus for photographic transparencies; flash memory card readers; electronic encryption units; dosage dispensers; railway signal apparatus, luminous or mechanical; CD-ROM writers; programmable digital television recorders; DVD recorders; buffer memory devices [computer hardware]; memory devices for use with data processing apparatus; electronic memory devices; mains chargers; cellular phone battery chargers for use in vehicles; battery chargers; battery chargers for use with telephones; chargers for electric batteries; chargers for electronic cigarettes; buzzers, electric; acoustic alarms; audio recorders; electronic sound pickups for guitars and basses; telecommunication devices and apparatus; acoustic meters; electronic metering devices for faucets; signalling apparatus and instruments; sounding apparatus and machines; currency authentication apparatus and equipment; automatic ion exchange chromatography apparatus for laboratory use; apparatus for editing cinematographic film; cathodic anti-corrosion apparatus; encoding and decoding apparatus; couplers [data processing equipment]; wireless computer peripherals; Global Positioning System [GPS] navigation devices; desk or car mounted units incorporating a loudspeaker to allow a telephone handset to be used hands-free; radio

signal tuners; wearable activity trackers; data processing equipment; signal processors; vehicle tracking devices; anti-theft warning apparatus; power mixers [audio apparatus]; computer peripheral devices; personnel tracking devices; semi-conductor memory devices; anti-interference devices [electricity]; automated laundry detergent dispensers; demagnetizing apparatus for magnetic tapes; event recorders; emergency light bars for vehicles [luminous signals]; acoustic couplers; alarms; vibrating alarms as reminders to take medication; fog signals, non-explosive; adding machines; whistle alarms; card readers; chip card readers; readers [data processing equipment]; bar code readers; heat regulating apparatus; electronic personal alarm devices; portable flash memory devices; photovoltaic installations for generating electricity [photovoltaic power plants]; photocopiers [photographic, electrostatic, thermic]; data storage devices; computer network-attached storage [NAS] hardware; electronic apparatus for wireless reception, storage and transmission of data and messages; electronic imaging devices; electronic apparatus for the remote control of signals; electronic circuits and CD-ROMs recorded with automatic performance programs for electronic musical instruments; electronic circuits and CD-ROMs recorded with programs for hand-held games with liquid crystal displays; electric and electronic effects units for musical instruments; electronic broadcasting apparatus; ear buds; phase modifiers; downloadable ring tones for mobile phones; downloadable image files; downloadable music files; animated cartoons; anti-glare filters for computer monitors; anti-glare filters for televisions; filters for antennas; computer screen filters; filters for optical devices; filters for radio interference suppression; filters for respiratory masks; filters for television sets; filters for ultraviolet rays, for photography; inductance capacitance filters; optical filters; filters [photography]; color filters for liquid crystal display [LCD] screens; color filters for television and cinematographic cameras; warning flags; USB flash drives; magic lanterns; signal lanterns; optical lamps; phonographs; cameras [photography]; 35mm cameras; underwater cameras; photographic cameras for the instant production of pictures; cameras for self-developing films; disposable cameras; view cameras; plate cameras; digital cameras; digital cameras for industrial use; digital single lens reflex cameras; compact digital cameras; photodiodes; glazing apparatus for photographic prints; shutters [photography]; darkrooms [photography]; photometers; flash-bulbs [photography]; camera film, exposed; digital photo frames; photoresistors; photosensors; enlarging apparatus [photography]; photoelectric cells; photovoltaic cells; photovoltaic cells and modules; cases for compact discs; cases for compact discs or DVDs; cases for diskettes and compact discs; containers for contact lenses; cases for laptops; eyeglass cases; carrying cases specially adapted for computer printers; containers for microscope slides; cases for smartphones; cases for sunglasses; cases for sunglasses and protective eyewear; cases adapted for photographic equipment; storage wallets adapted for compact discs; cases for electronic diaries; protective cases for MP3 players; protective cases for cellular phones; protective cases for personal digital assistants [PDAs]; protective cases for tablet computers; protective cases for electronic book readers; leather cases for cellular phones; cellular phone cases made of leather or imitations of leather; cellular phone covers made of cloth or textile materials; cases adapted for cellular phones; cases especially made for photographic apparatus and instruments; chromatography apparatus for laboratory use; chronographs for use as specialized time recording apparatus; chronographs [time recording apparatus]; coelostats; laboratory centrifuges; eyeglass chains; chains for sunglasses; chains and cords for sunglasses; cyclotrons; decorative dials for thermostats; compasses for measuring; blank digital audio tapes; frequency meters; central processing unit [CPU] clocks; time clocks [time recording devices]; polyethylene measuring cups; Petri dishes for laboratory use; Petri dishes;

paper covers for telephone receivers; DVD cases; cases for pocket calculators; binders adapted for compact discs; covers for cellular phones; carrying cases for radio pagers; sleeves for laptops; covers for personal digital assistants [PDAs]; covers for tablet computers; covers for smartphones; covers for telephone receivers; cases for telephones; fire blankets; dust covers for computers, shaped; chip cards; electronic chip cards; encoded electronic chip cards; encoded electronic chip cards for identifying particular users of computers and cellular phones; computer chipsets; chips [integrated circuits]; computer chips; electronic chips for the manufacture of integrated circuits; jigs [measuring instruments]; pedometers; meteorological balloons; electrified rails for mounting spot lights; asbestos screens for firemen; laminar flow cabinets for laboratory use; fire hose; baseball catchers' helmets; baseball batting helmets; bicycle helmets; virtual reality headsets; helmets for American football; balaclavas for protection against accidents, irradiation and fire; helmets for motorcyclists; diving helmets; helmets for ice hockey; protective helmets for cyclists; protective helmets for children; protective helmets for motorcyclists; protective helmets for sports; head guards for sports; snorkels; cell phone straps; eyeglass cords; cords for sunglasses; straps for sunglasses; electric cords; disposable dispenser syringes for laboratory use; reusable dispenser syringes for laboratory use; downloadable printing fonts; tripods for surveying apparatus; pipette racks for laboratory use; tripods for telescopes; tripods for cameras; switchboards; power distribution boxes; telecommunications switchboards; telephone switchboards; distribution boards [electricity]; illuminated advertising signs; hand-held protective shields for use by the police; illuminated signs; tire tread depth gauges; spark plug gap gauges; length measuring gauges; spark plug feeler gauges; equalizers [audio apparatus]; graphic equalizers; side shields for eyeglasses; face shields, other than for medical purposes; workmen's protective face-shields; face shields for protective helmets; liquid crystal display [LCD] screens; large-screen liquid crystal displays [LCDs]; computer screens; computer touch screens; flat panel display screens; flat panel electroluminescent display screens; projection screens; projection screens for cinematographic films; radiology screens for industrial purposes; touch screens; fluorescent screens; screens [photography]; exposure meters [light meters]; photographic exposure meters; electric capacitors for telecommunication apparatus; insulated electrical connectors; fuel cell electrodes; electromagnets; electronic telecommunications apparatus; cathode-ray tubes; downloadable electronic publications in the nature of magazines; blank electronic chip cards [blank smart cards]; ducts [electricity]; electric phonographs; galvanic cells; downloadable graphics for mobile phones; wet cells; fuel cells; electronic components for integrated circuit cards; solar cells; photovoltaic modules; electronic components; epidiascopes; ergometers; bar code labels, encoded; labels with machine-readable codes; labels with integrated radio frequency identification [RFID] chips; guitar effects processors; echo sounders; armatures [electricity]; calibrated photovoltaic reference cells; black boxes [data recorders].

Class 16

Fountain pens; albums; almanacs; document laminators for office use; mimeograph apparatus and machines; atlases; banknotes; banners of paper; paper bows, other than haberdashery or hair decorations; table linen of paper; tickets; forms, printed; announcement cards [stationery]; note books; pads [stationery]; drawing pads; loose-leaf binders; wristbands for the retention of writing instruments; pamphlets; booklets; paper; paper sheets [stationery]; waxed paper; paper for medical examination tables; paper for recording machines; paper for radiograms; papers for painting and calligraphy; electrocardiograph paper; wood pulp paper; carbon paper; copying paper [stationery]; parchment paper; writing paper; rice

paper; luminous paper; toilet paper; wrapping paper; filter paper; blotters; newsletters; rollers for typewriters; house painters' rollers; composing sticks; modelling wax, not for dental purposes; signboards of paper or cardboard; sewing patterns; bunting of paper; newspapers; electrotypes; hectographs; modelling clay; polymer modelling clay; terrestrial globes; drawing sets; engravings; slate pencils; pencil leads; document holders [stationery]; pencil holders; chalk holders; holders for cheque books; holders for stamps [seals]; page holders; name badge holders [office requisites]; diagrams; table runners of paper; engraving plates; writing slates; blackboards; galley racks [printing]; drawing boards; advertisement boards of paper or cardboard; duplicators; punches [office requisites]; cream containers of paper; magazines [periodicals]; money clips; clips for name badge holders [office requisites]; tags for index cards; pen clips; bookmarkers; etching needles; tracing needles for drawing purposes; periodicals; printed publications; paper shredders for office use; graphic representations; credit card imprinters, non-electric; graining combs; drawing instruments; calendars; tracing paper; tracing cloth; tracing patterns; gums [adhesives] for stationery or household purposes; lithographic stones; ink stones [ink reservoirs]; pencils; pencil lead holders; charcoal pencils; pictures; transfers [decalcomanias]; paintings [pictures], framed or unframed; cardboard; wood pulp board [stationery]; hat boxes of cardboard; cards; index cards [stationery]; geographical maps; paper tapes and cards for the recordal of computer programmes; trading cards, other than for games; perforated cards for Jacquard looms; catalogues; spools for inking ribbons; covers of paper for flower pots; paintbrushes; painters' brushes; writing brushes; typewriter keys; glue for stationery or household purposes; isinglass for stationery or household purposes; gluten [glue] for stationery or household purposes; starch paste [adhesive] for stationery or household purposes; printing blocks; books; manifolds [stationery]; comic books; drawing pins; cigar bands; envelopes [stationery]; boxes of paper or cardboard; cases for stamps [seals]; paint boxes [articles for use in school]; correcting fluids [office requisites]; printed coupons; stencils [stationery]; French curves; paper ribbons, other than haberdashery or hair decorations; typewriter ribbons; gummed tape [stationery]; adhesive bands for stationery or household purposes; correcting tapes [office requisites]; inking ribbons; inking ribbons for computer printers; adhesive tapes for stationery or household purposes; self-adhesive tapes for stationery or household purposes; square rulers for drawing; drawing rulers; flyers; absorbent sheets of paper or plastic for foodstuff packaging; humidity control sheets of paper or plastic for foodstuff packaging; viscose sheets for wrapping; sheets of reclaimed cellulose for wrapping; plastic bubble packs for wrapping or packaging; steel letters; type [numerals and letters]; lithographs; paint trays; architects' models; postage stamps; plastics for modelling; graphic prints; modelling materials; teaching materials [except apparatus]; sealing compounds for stationery purposes; adhesives [glues] for stationery or household purposes; stuffing of paper or cardboard; bookbinding material; packing [cushioning, stuffing] materials of paper or cardboard; packaging material made of starches; filtering materials [paper]; addressing machines; pencil sharpening machines, electric or non-electric; bookbinding apparatus and machines [office equipment]; typewriters, electric or non-electric; paper creasers [office requisites]; franking machines for office use; chalk for lithography; writing chalk; tailors' chalk; marking chalk; spray chalk; bags [envelopes, pouches] of paper or plastics, for packaging; garbage bags of paper or of plastics; plastic bags for pet waste disposal; painters' easels; hand-rests for painters; printing sets, portable [office requisites]; bibs of paper; bibs, sleeved, of paper; stickers [stationery]; finger-stalls [office requisites]; writing cases [stationery]; cords for bookbinding; paper knives [letter openers]; printed sheet music; numbering apparatus; bottle envelopes of paper or cardboard; sealing

maintenance of industrial furnaces; repair or maintenance of loading-unloading machines and apparatus; repair or maintenance of storage tanks; repair or maintenance of fishing machines and instruments and providing information relating thereto; repair or maintenance of fishing machines and instruments; repair or maintenance of power-driven floor cleaning machines and providing information relating thereto; repair or maintenance of agricultural machines and implements and providing information relating thereto; repair or maintenance of agricultural machines and implements; repair or maintenance of power generators and providing information relating thereto; repair or maintenance of snow ploughs; repair or maintenance of construction equipment; repair or maintenance of construction machines and apparatus; repair or maintenance of construction machines and apparatus and providing information relating thereto; repair or maintenance of textile machines and apparatus; repair or maintenance of textile machines and apparatus and providing information relating thereto; repair or maintenance of telecommunication machines and apparatus; repair or maintenance of telecommunication machines and apparatus and providing information relating thereto; repair or maintenance of telecommunication machines and apparatus, other than telephone sets, radio receivers and television receivers; repair or maintenance of telephone apparatus; repair or maintenance of vending machines and providing information relating thereto; repair or maintenance of harvesting machines and implements; repair or maintenance of packing or wrapping machines and apparatus and providing information relating thereto; repair or maintenance of vehicle washing installations and providing information relating thereto; repair or maintenance of bicycle parking apparatus; repair or maintenance of bicycle parking apparatus and providing information relating thereto; repair or maintenance of water pollution control equipment and providing information relating thereto; repair or maintenance of water purifying apparatus and providing information relating thereto; repair or maintenance of photographic machines and apparatus; repair or maintenance of chemical plants; repair or maintenance of chemical plants and providing information relating thereto; repair or maintenance of freezing machines and apparatus; repair or maintenance of storage tanks and providing information relating thereto; repair or maintenance of clocks and watches; repair or maintenance of clocks and watches and providing information relating thereto; repair or maintenance of sewing machines; repair or maintenance of sewing machines and providing information relating thereto; repair or maintenance of electric cooking apparatus and installations; repair or maintenance of electric motors and providing information relating thereto; repair or maintenance of electric lighting apparatus and providing information relating thereto; repair or maintenance of electric motors; repair or maintenance of electronic machines and apparatus; repair or maintenance of electronic machines and apparatus and providing information relating thereto; repair or maintenance of electric lighting apparatus; repair or maintenance of nuclear power plants and providing information relating thereto; repair and maintenance of gymnastic and sporting articles; repair and maintenance of toys; repair and maintenance of leather goods; repair and maintenance of furniture; repair and maintenance of footwear; repair and maintenance of clothing; repair and maintenance of spectacles and providing information relating thereto; repair and maintenance of spectacles; repair and maintenance of garden tools; repair and maintenance of sports and fitness equipment; repair and maintenance of textile goods; repair and maintenance of camping equipment; repair and maintenance of jewelry and watches; automobile body repair and finishing for others; repair and restoration of books; repair and restoration of household articles; repair and restoration of furniture; repair and maintenance of upholstery; motor vehicle maintenance and repair; repair

and maintenance of motor vehicles and their engines; repair and maintenance of motor vehicles and parts thereof and of engines for motor vehicles and parts thereof; repair and maintenance of automobiles and parts thereof; repair or maintenance of water purifying apparatus; repair and maintenance of vacuum pumps; repair and maintenance of vacuum pumps and parts thereof; repair and maintenance of bicycles; repair and maintenance of ventilating apparatus; repair and maintenance of wind power plants; repair and maintenance of air vehicles; repair and maintenance of wave energy power plants; repair and maintenance of gas and electricity installations; burner maintenance and repair; repair and maintenance of mining, earth moving, road making, agricultural and farming equipment; repair and maintenance of mining equipment; repair and maintenance of mining machines; repair and maintenance of engines for motor vehicles; repair and maintenance of road making machines; repair and maintenance of rail vehicles; repair and maintenance of residential buildings; repair and maintenance of buildings; repair and maintenance of earth moving equipment; repair and maintenance of earth moving machines; repair and maintenance of horological and chronometric instruments; repair and maintenance of uninterruptible power supplies; film projector repair and maintenance; repair and maintenance of hardware for data processing apparatus; repair and maintenance of compressors; repair and maintenance of computer and telecommunications hardware; repair and maintenance of computer and telecommunications equipment; repair or maintenance of air-conditioning apparatus for industrial purposes; repair and maintenance of air-conditioning apparatus; repair and maintenance of ships; repair and maintenance of laser measuring apparatus; repair and maintenance of boats; repair or maintenance of waste compacting machines and apparatus; repair or maintenance of waste crushing machines and apparatus; repair or maintenance of sericultural machines and implements; repair and maintenance of machines and machine tools for treating and processing metals; repair and maintenance of machines, machine tools and automatic systems for treating and processing metals; repair and maintenance of machines, apparatus and tools; repair and maintenance of medical instruments, apparatus and equipment; repair and maintenance of motors; repair and maintenance of airplane motors and engines; repair and maintenance of motorcycles; repair and maintenance of multimedia apparatus; repair or maintenance of water pollution control equipment; repair and maintenance of road making equipment; repair and maintenance of public transport vehicles; repair and maintenance of axles and parts thereof; repair and maintenance of heating apparatus; repair and maintenance of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus; repair and maintenance of office buildings; repair and maintenance of cooling appliances and installations; repair or maintenance of passenger elevators; repair and maintenance of presses for processing metals; repair and maintenance of industrial machinery; repair and maintenance of dust extraction apparatus; repair and maintenance of radio systems and networks; airplane maintenance and repair; safe maintenance and repair; repair and maintenance of agricultural equipment; repair and maintenance of agricultural machines; repair and maintenance of motor vehicle cooling systems; repair or maintenance of sporting equipment; repair and maintenance of building scaffolds, working and building platforms; repair or maintenance of vessels; repair and maintenance of land vehicles; repair and maintenance of drying apparatus; repair and maintenance of telecommunications apparatus, other than telephone sets, radio receivers and television receivers; repair or maintenance of vending machines; repair and maintenance of shopping centers, industrial complexes, office buildings, residential buildings and other real estate developments; repair and maintenance of transport containers; repair and maintenance of vehicle tires; repair and

maintenance of audio frequency amplifiers; repair and maintenance of video frequency amplifiers; repair or maintenance of vehicle washing installations; repair and maintenance of photographic apparatus; repair and maintenance of surgical instruments and apparatus; repair and maintenance of chassis parts and bodies for vehicles; repair and maintenance of refrigerating apparatus; repair or maintenance of elevators [lifts]; repair and maintenance of electrical apparatus; repair and maintenance of electric vehicles; repair and maintenance of electricity generators; repair and maintenance of electronic apparatus; repair and maintenance of electronic display panels; repair and maintenance of electronic navigational and positioning apparatus and instruments; repair and maintenance of electronic installations; renovation, repair and maintenance of electrical wiring; repair and maintenance of energy generating installations; repair and maintenance of yachts; clock and watch repair; repair and cleaning of pallets and transport containers; cabinet repair; repair of computers; repair of computer hardware; repair of roofing; repair of cooking apparatus; repair of power lines; repair of personal ornaments; repair of personal ornaments and providing information relating thereto; repair of furniture; repair of medical machines and apparatus; repair of metalworking machines and apparatus; repair of metallurgical plants and rolling mills; repair of bags or pouches and providing information relating thereto; repair of musical instruments; repair of land vehicles; watch repair; pump repair; upholstery repair; repair of billiard equipment; repair of water pollution control equipment; shoe repair; shoe repair and providing information relating thereto; repair of shoes, bags and belts; clothing repair and providing information relating thereto; clothing repair; sign repair; repair of lighting apparatus; repair of axles for machines; repair of axles for vehicles; repair of heating apparatus; repair of heating, air-conditioning and alarm installations; repair of office machines and apparatus; repair of spectacles; repair of spectacles and providing information relating thereto; repair of energy production plants and machines; repair of suspension systems for vehicles; repair of industrial machinery; repair of industrial furnaces; vacuum cleaner repair; repair of radios; repair of radio or television sets; repair of fishing tackle and providing information relating thereto; repair of sanitary installations; repair of fishing tackle; repair of alarms; repair of animal waste treatment systems; repair of electronic cash register systems; repair of damaged computers; repair of hearing aids and hearing protectors; repair of sports equipment; repair of sports equipment and providing information relating thereto; repair of machines for treating organic waste; repair of industrial waste treatment machines; stereo system repair; repair of construction and agricultural machinery; scaffolding repair; repair of construction machines and construction equipment; repair of bags or pouches; repair of drying apparatus; repair of couplings for land vehicles; repair of tatami mats; repair of tatami mats and providing information relating thereto; repair of television apparatus; telephone repair; repair, maintenance and overhaul of automobiles; repair, maintenance, servicing, dismantling, rebuilding and cleaning of vehicle engines and parts thereof; repair, maintenance, servicing, dismantling, rebuilding, cleaning and varnishing of vehicles and parts thereof; repair of brake systems for vehicles; repair of trailers; repair of toilet bowls with integrated bidet water jets; repair of toilet bowls with integrated bidet water jets and providing information relating thereto; repair of water supply installations; repair of installations for use in metal production, metal processing and metal working; repair of vehicle washing installations; repair of air-conditioning apparatus; repair of energy supply installations; repair of garbage disposals; repair of facsimile machines; repair of filters for machines, motors or engines; repair of filters and parts thereof; photographic apparatus repair; repair of cameras; repair of refrigerating apparatus; refrigerator repair; clock repair; reconditioning machines, motors and engines that have been worn

or partially destroyed; luggage repair; repair of electrical equipment; repair of electrical equipment and electrotechnical installations; repair of electronic business equipment; repair of jewelry; hat restoration; restoration of buildings; renovating and constructing homes for low-income families; furniture restoration; furniture restoration and providing information relating thereto; restoration of musical instruments; restoration of works of art; furniture restoration, repair and maintenance; servicing and repair of lifting apparatus; servicing and repair of mechanical access platforms; servicing and repair of elevating work platforms; servicing of apparatus and installations for generating power; servicing of manufacturing machines and apparatus; servicing, cleaning and repair of chemical apparatus; automobile greasing; automobile lubrication; vehicle greasing; demolition of civil engineering structures; demolition of houses and buildings; demolition of buildings; pavement stripping; road stripping; warehouse construction and repair; installation, maintenance and repair of manufacturing plants; vehicle service stations [refuelling and maintenance]; sterilization of medical instruments; sterilization of surgical instruments; sterilization of surgical equipment; washing; washing of linen; washing of cloth, clothing, fabric, linen and textiles; washing, ironing, smoothing and repairing of textile goods for reuse; washing of clothing; washing of textiles; washing of fabric; washing of cloth; construction of airports; pier construction; construction of hydroelectric factories; pier breakwater building; custom construction of homes; road construction; chimney construction; residential and commercial building construction; construction and renovation of buildings; custom construction and building renovation; construction and repair of houses; construction and repair of buildings; pipeline construction and maintenance; building of canal locks; shipbuilding and providing information relating thereto; construction of porches; building of shops; construction of medical establishments; construction of oil pipelines; construction of decks; underwater construction; harbour construction; factory construction; construction, repair and maintenance of buildings; construction, repair and maintenance of buildings, and providing information relating thereto; construction of sunrooms; construction of structures for the production of crude oil; construction of structures for the production of natural gas; construction of structures for the transportation of natural gas; construction of structures for the storage of crude oil; construction of structures for the storage of crude oil; construction of telecommunication towers; construction, maintenance and renovation of property; construction, maintenance and repair of watercraft, yachts, boats and water vehicles; pipeline construction; building of fair stalls and shops; yacht building; shipbuilding; marine construction; custom shipbuilding; routine servicing of ventilating apparatus; routine servicing of air-conditioning apparatus; routine servicing of heating apparatus; routine servicing of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus; routine servicing of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus at intervals stipulated by the manufacturer; routine servicing of dust extraction apparatus; routine servicing of drying apparatus; routine servicing of refrigerating apparatus; thermal insulating of buildings; building inspection in the course of building construction; maintenance of aquariums; aircraft maintenance or repair and providing information relating thereto; maintenance and repair of computer hardware; maintenance and repair of skis; machinery maintenance and repair; maintenance and repair of hardware for computer networks; maintenance and repair of heating installations; maintenance and repair of telecommunications networks, apparatus, and instruments; maintenance of computer hardware; maintenance of medical apparatus and instruments; maintenance, repair and cleaning of apparatus and machinery for

manufacturing semi-conductors; maintenance of septic systems; tuning of engines for motor vehicles; tuning of motors and engines for automobiles; tuning of motors and engines; cleaning of automobiles; cleaning of building interiors; cleaning of exhibition stands; cleaning of urban areas; cleaning of residential houses; cleaning of residential and commercial properties; cleaning of buildings [interior]; cleaning of buildings, industrial sites and building sites; cleaning of building interiors and exteriors; crime scene clean-up services; cleaning of public areas; cleaning of office buildings and commercial premises; cleaning of industrial premises; cleaning of airplanes; street cleaning; street cleaning and providing information relating thereto; cleaning services in the nature of collecting trash, other than transport; asbestos removal; removal of graffiti; rust removal; laying of paving; carpet laying; tile laying, bricklaying or block laying; building reinforcing; vermin exterminating, other than for agriculture, aquaculture, horticulture and forestry; extermination of pests, other than for agricultural purposes; vermin exterminating, other than for agriculture, forestry or horticulture; vermin exterminating, other than for agriculture, forestry or horticulture, and providing information relating thereto; road sealing; garage services for automobile repair; construction, maintenance, cleaning and repair services; garage services for the maintenance and repair of motor vehicles; information and consultancy services relating to vehicle repair; advisory services in the fields of construction, repair, restoration, maintenance and installation; consultancy and information services relating to construction; consultancy, information and advisory services relating to the construction of public works; advisory services relating to the construction and repair of airports and airport facilities; consultancy relating to the repair and reconditioning of anti-friction bearings for machines; consultancy relating to the repair and reconditioning of bearings, ball-bearings, roller bearings and anti-friction bearings for machines; consultancy and advisory services relating to the repair and maintenance of vacuum pumps and parts thereof; consultancy services relating to the construction of buildings; consultancy relating to installation, maintenance and repair services; consultancy relating to the installation, maintenance and repair of windmills and wind turbines; consultancy services regarding the installation and maintenance of telecommunications, transmission and broadcasting equipment, apparatus and instruments; advisory services relating to building demolition; advisory services relating to the construction of buildings; advisory services relating to the construction of buildings and other structures; advisory services relating to the construction of public works; advisory services relating to the maintenance and repair of mechanical and electrical equipment; advisory services relating to the maintenance, repair and renovation of buildings and other structures; advisory services relating to the installation of audiovisual equipment; advisory services relating to the installation of hydraulic equipment; advisory services relating to the installation of plumbing; advisory services relating to the installation of heating and cooling apparatus; advisory services relating to the installation of building automation equipment; advisory services relating to the installation of security and safety equipment; advisory services relating to the installation of communication equipment; advisory services relating to the installation of lighting apparatus; advisory services relating to the installation of passenger elevators; advisory services relating to the installation of fire prevention equipment; advisory services relating to the installation of telephone equipment; advisory services relating to the installation, maintenance and repair of mechanical and electrical equipment; painting services; decorative painting services; assembly services relating to the installation of presses for processing metals; automobile undercoating services; vehicle undercoating services; tire balancing; pest control services, other than for agriculture, aquaculture, horticulture and forestry; interior sealing and caulking services; building

sealing and caulking services; hydraulic fracturing services; computer and telephone battery recharge services; building construction supervision services relating to shopping centers, industrial complexes, office buildings, residential buildings and other real estate developments; building construction supervision services for real estate projects; building construction supervision services for building projects; machinery retrofit and conversion services; construction services relating to the installation of heating, ventilating and air-conditioning systems; seat covering services; snow removal and de-icing services for airplanes; drain cleaning services; fire extinguisher recharging services; house painting; interior and exterior window cleaning services; assembly services relating to the installation of machines and machine tools for treating and processing metals; assembly services relating to the installation of machines, machine tools and automatic systems for treating and processing metals; artificial snow-making services; construction, repair, maintenance and installation services; pressure washing services; cleaning services; industrial and commercial cleaning services; domestic cleaning services; snow removal services; street sweeping services; installation and maintenance services; installation services for building scaffolds, working and building platforms; installation, maintenance and repair services; installation services for elevators and lifts; electrical installation services; installation services; removing birds from residential and commercial buildings; swimming pool cleaning services; air duct cleaning services; laundering of cloth, clothing, fabric, linen and textiles; laundering of babies' diapers; laundering of cloth; laundering of clothing; laundering of textiles; laundering of fabric; laundering; laundering and disinfecting of linen; laundering and providing information relating thereto; installation, maintenance and repair services provided by a handyman; construction and maintenance services relating to civil engineering; installation of ventilation and dust extraction systems; installation of apparatus for recording, transmission or reproduction of sound or images; installation of air-conditioning apparatus for use in clean rooms; installation of apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; installation of heating, lighting and cooking apparatus; installation of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus; installation of apparatus for generating power; installation of dust extraction apparatus; installation of air-conditioning apparatus; installation of gas supply and distribution apparatus; installation of reactive power compensation apparatus; installation of audiovisual equipment; installation of ventilating apparatus; installation of plumbing systems; installation of gas and water pipelines; installation of water pipes; installation of hydraulic equipment; installation of drywall panels; installation of lightning conductors; installation of doors and windows; installation of engines and motors; installation of wood flooring; installation of wallboards; installation of rainwater drainage systems; installation of pipe insulation; installation of insulating materials; installation and maintenance of heating systems; installation and maintenance of solar thermal installations; installation and maintenance of photovoltaic installations; antenna installation and repair; plate glass installation and repair services; installation and repair of door frames; installation and repair of business and office machinery and equipment; Venetian blind installation and repair; setup or repair of locks; setup or repair of locks and providing information relating thereto; irrigation devices installation and repair; installation and repair of computer hardware; computer installation and repair; elevator installation and repair; installation and repair of freezing apparatus; installation and repair of window blinds; installation and repair of window frames; heating equipment installation and repair; burglar alarm installation and repair; installation and repair of burglar or fire alarms; furnace installation and repair; installation and repair of air-conditioning systems; installation and

repair of heating, ventilating and air-conditioning systems; satellite dish installation and repair; installation and repair of television apparatus; telephone installation and repair; furnace and smelter installation and repair; pipeline installation and repair; installation and repair of air-conditioning apparatus; fire alarm installation and repair; freezing equipment installation and repair; electric appliance installation and repair; installation of rainwater collection systems; installation and maintenance of transmission and broadcasting equipment, apparatus and instruments; installation and maintenance of irrigation systems; installation and maintenance of computer hardware for the transfer of data for remote reading of electricity meters; installation and maintenance of hardware for computer networks and Internet access; installation and maintenance of burglar or fire alarms; installation and maintenance of industrial plant and equipment; installation and maintenance of traffic control apparatus; installation and maintenance of electronic apparatus; installation of cables for Internet access; installation of communication equipment; installation of computer hardware; installation of hardware for Internet access; installation of hardware and cables for Internet access; installation, construction, maintenance, servicing and repair of energy and power generating apparatus, equipment and installations; roofing installation; kitchen equipment installation; installation of kitchen appliances; installation of cooking appliances; installation of kitchen cabinets; installation of rainwater tanks; installation of foundry equipment; installation of machinery for generating electricity; installation of machines and machine tools for treating and processing metals; machinery installation; installation of furniture; installation of furniture for stores; installation of door closers; installation of door openers; installation of door openers and closers; oil well casing, tubing, and drill pipe installation; installation of floor tiles; installation of hardware for computer networks; installation of hardware for computer systems; installation of laundry and kitchen equipment; installation of building automation equipment; installation, maintenance and repair of computer hardware; installation, maintenance and repair of water supply apparatus; installation of fencing; installation of pet containment systems; installation of windows; installation of security and safety equipment; installation of office machines; installation of lighting apparatus; installation of heating apparatus; installation of heating and cooling apparatus; installation of heating systems; installation of security systems; installation of tents; installation of passenger elevators; installation of fire alarms; installation of presses for processing metals; installation of fixtures and fittings for buildings; installation of industrial machinery; installation of industrial furnaces; installation of fire prevention equipment; installation of radio systems and networks; installation, maintenance and repair of automatic doors and barriers; installation, maintenance and repair of machines for use in the publishing industry; machinery installation, maintenance and repair; installation, repair and maintenance of clean room facilities and equipment; installation, repair and maintenance of heating equipment; office machines and equipment installation, maintenance and repair; installation, maintenance and repair of fire, smoke and heat alarms; installation, maintenance and repair of ventilating systems; installation, repair and maintenance of condensing apparatus, steam condensers, radiators for motors and engines, air reheaters, boiler tubes; installation of siding; custom installation of automobile interiors; installation of sanitary apparatus; installation of plumbing; installation of septic tanks; installation of commercial cooking apparatus; installation of environmental protection systems; installation of environmental control systems; installation of environmental control systems for clean rooms; installation of air-conditioning control systems; installation of air-conditioning systems; installation of heating, ventilation and air-conditioning [HVAC] systems; installation of electric light and power systems; installation of rainwater

harvesting systems; installation of clean room systems; installation, changing, replacement and repair of locks; installation of satellite dishes; installation of glass in conservatories, windows, doors and greenhouses; installation of drying apparatus; installation of telephone equipment; installation of building insulation; installation of telephone lines; installation of cavity wall insulation; installation of insulating materials in buildings, roofs and structures; installation of insulating glass in conservatories, windows, doors and greenhouses; installation of thermal insulation for buildings; installation, maintenance and repair of automated teller machines; installation of water supply apparatus; installation, maintenance and repair of automation systems; installation, maintenance and repair of automatic emergency exits; installation, maintenance and repair of automatic doors and gates; installation, maintenance and repair of automatic apparatus for opening and closing ventilation flaps; installation, maintenance and repair of automatic apparatus for opening and closing windows; installation, maintenance and repair of automatic apparatus for opening and closing windows, fanlights, skylights and ventilation flaps; installation, maintenance and repair of automatic apparatus for opening and closing skylights; installation, maintenance and repair of automatic apparatus for opening and closing fanlights; installation, maintenance and repair of anemometers; installation, maintenance and repair of hardware for computer networks; installation, maintenance and repair of hardware for data communication networks; installation, maintenance and repair of remote control apparatus; installation, maintenance and repair of air analysis apparatus; installation, maintenance and repair of apparatus for supplying gas; installation, maintenance and repair of drilling and mining apparatus; installation, maintenance and repair of electronic monitoring apparatus; installation, maintenance and repair of hardware for data processing apparatus; installation, maintenance and repair of apparatus for processing metals; installation, maintenance and repair of apparatus for heating, purifying air, refrigerating, drying, ventilating, temperature control and air-conditioning; installation, maintenance and repair of energy conversion apparatus and power plants; installation, maintenance and repair of energy conversion apparatus, power plants, wave energy conversion apparatus and wave energy power plants; installation, maintenance and repair of apparatus for generating electricity; installation, maintenance and repair of apparatus for authentication of documents; installation, maintenance and repair of apparatus for checking the authenticity of banknotes; installation, maintenance and repair of apparatus for supplying electricity; installation, maintenance and repair of fire detection apparatus; installation, maintenance and repair of quality control apparatus; installation, maintenance and repair of wave energy conversion apparatus and wave energy power plants; installation, maintenance and repair of mechanically operated apparatus for opening and closing ventilation flaps; installation, maintenance and repair of mechanically operated apparatus for opening and closing windows; installation, maintenance and repair of mechanically operated apparatus for opening and closing windows, fanlights, skylights and ventilation flaps; installation, maintenance and repair of mechanically operated apparatus for opening and closing skylights; installation, maintenance and repair of district heating apparatus; installation, maintenance and repair of electronic data processing apparatus; installation, maintenance and repair of broadcasting apparatus; installation, maintenance and repair of quality control apparatus for printing presses; installation, maintenance and repair of ballast apparatus for ships; installation, maintenance and repair of batteries and accumulators; installation, maintenance and repair of wind towers; installation, maintenance and repair of vacuum pumps; installation, maintenance and repair of ventilating apparatus; installation, maintenance

and repair of weighing apparatus; installation, maintenance and repair of veterinary apparatus and instruments; installation, maintenance and repair of wind towers and anemometers; installation, maintenance and repair of windmills and wind turbines; installation, maintenance and repair of air filters; installation, maintenance and repair of fiber optic networks; installation, maintenance and repair of blow molding machines; installation, maintenance and repair of high pressure lines, hosing and pipelines for hydraulic systems; installation, maintenance and repair of gas and electricity systems; installation, maintenance and repair of gas, electricity and water supply apparatus; installation, maintenance and repair of alternators; installation, maintenance and repair of hydraulic systems for machinery; installation, maintenance and repair of hydraulic systems for vehicles; installation, maintenance and repair of hydraulic equipment; installation, maintenance and repair of doors and fences; installation, maintenance and repair of chassis parts and bodies for vehicles; installation, maintenance and repair of fire, smoke and heat detectors; installation, maintenance and repair of ink metering apparatus for printing presses; installation, maintenance and repair of railroad tracks; installation, maintenance and repair of gaming machines, juke boxes and telecommunication equipment; installation, maintenance and repair of measuring apparatus; installation, maintenance and repair of measuring and testing apparatus and instruments; installation, maintenance and repair of clocks and other horological and chronometric instruments; installation, maintenance and repair of measuring, signalling and monitoring apparatus and instruments; installation, maintenance and repair of inverters, batteries and electrical connection apparatus for solar energy systems; installation, maintenance and repair of drilling and mining tools; installation, maintenance and repair of card readers; installation, maintenance and repair of catalytic converters; installation, maintenance and repair of compressors; installation, maintenance and repair of compressors, air pumps and vacuum pumps; installation, maintenance and repair of compressors, air pumps, vacuum pumps, air blowers, air filters, alternators, pressure regulators and oil separators; installation, maintenance and repair of computer hardware and electronic teaching equipment and apparatus; installation, maintenance and repair of computer hardware for electronic data processing systems; installation, maintenance and repair of computer hardware for telecommunications systems; installation, maintenance and repair of computer hardware and peripherals; installation, maintenance and repair of air-conditioning apparatus; installation, maintenance and repair of cash registers; installation, maintenance and repair of ink rollers for printing presses; installation, maintenance and repair of kitchen equipment; installation, maintenance and repair of kitchen furniture; installation, maintenance and repair of labeling machines; installation, maintenance and repair of machines for processing plastics; installation, maintenance and repair of machinery for the printing industry; installation, maintenance and repair of cleaning machines; installation, maintenance and repair of machinery for the graphics industry; installation, maintenance and repair of medical apparatus and instruments; installation, maintenance and repair of metalworking machines; installation, maintenance and repair of meteorological masts; installation, maintenance and repair of computer network and information technology equipment; installation, maintenance and repair of air blowers; installation, maintenance and repair of heating apparatus; installation, maintenance and repair of heating systems; installation, maintenance and repair of pumps and pumping stations; installation, maintenance and repair of oil separators; installation, maintenance and repair of building automation equipment; installation, maintenance and repair of container filling machines; installation, maintenance and repair of apparatus for conveying goods; installation, maintenance and repair of equipment and apparatus for use in demolition;

installation, maintenance and repair of equipment and apparatus for use in mining; installation, maintenance and repair of equipment and apparatus for use in mining, open pit mining and quarrying; installation, maintenance and repair of equipment and apparatus for use in road building; installation, maintenance and repair of air freshening apparatus; installation, maintenance and repair of lighting apparatus; installation, maintenance and repair of burglar alarms; installation, maintenance and repair of air purifying apparatus; installation, maintenance and repair of passenger elevators; installation, maintenance and repair of passenger elevators, moving sidewalks, passenger bridges, moving stairways and stairway lifts; installation, maintenance and repair of printing machines; installation, maintenance and repair of printing machines and parts thereof; installation, maintenance and repair of printing presses; installation, maintenance and repair of printing presses and other machinery for use in the publishing industry; installation, maintenance and repair of printing presses and parts thereof; installation, maintenance and repair of loading and unloading machines; installation, maintenance and repair of fire and security alarms; installation, maintenance and repair of fire alarms; installation, maintenance and repair of apparatus for distributing electricity; installation, maintenance and repair of apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; installation, maintenance and repair of computer peripherals; installation, maintenance and repair of manufacturing machines and apparatus; installation, maintenance and repair of industrial machinery; installation, maintenance and repair of industrial machinery and manufacturing plants; installation, maintenance and repair of fire and smoke barriers; installation, maintenance and repair of filling machines; installation, maintenance and repair of pressure regulators; installation, maintenance and repair of freestanding lattice towers; installation, maintenance and repair of LED lighting apparatus; installation, maintenance and repair of air-conditioning systems; installation, maintenance and repair of boiler systems; installation, maintenance and repair of boiler systems and solar energy systems; installation, maintenance and repair of exhaust gas reduction systems; installation, maintenance and repair of heat insulation systems; installation, maintenance and repair of dental apparatus and instruments; installation, maintenance and repair of drying apparatus; installation, maintenance and repair of money counting and sorting machines; installation, maintenance and repair of moving sidewalks; installation, maintenance and repair of passenger bridges; installation, maintenance and repair of packaging machines; installation, maintenance and repair of mechanically operated apparatus for opening and closing fanlights; installation, maintenance and repair of molding machines; installation, maintenance and repair of photovoltaic modules; installation, maintenance and repair of photovoltaic cells and modules; installation, maintenance and repair of refrigerating apparatus; installation, maintenance and repair of cooling and air-conditioning systems for temperature-controlled environments; installation, maintenance and repair of electrical and electronic apparatus for use in the field of automation; installation, maintenance and repair of electrical and electronic apparatus and equipment; installation, maintenance and repair of electrical lighting apparatus; installation, maintenance and repair of electrical devices; installation, maintenance and repair of electrical and electronic measuring and testing apparatus and instruments; installation, maintenance and repair of electrical equipment; installation, maintenance and repair of electronic regulating apparatus; installation, maintenance and repair of electronic control apparatus; installation, maintenance and repair of electrical drives and drive systems for machines; installation, maintenance and repair of power plants and power grids; installation, maintenance and repair of escalators; installation, maintenance, repair and reconditioning of
