GENERAL INFORMATION

TRADE MARKS ACT 1976

(Act 175)

PUBLICATION OF APPLICATION FOR REGISTRATION OF TRADE MARKS

Pursuant to section 27 of the Trade Marks Act 1976, the following applications for registration of trade marks have been accepted and hereby published in Intellectual Property Official Journal according to subregulation 120 (3) of the Trademarks Regulation 2019.

Where an application for registration is accepted subject to any conditions, amendments, modifications or limitations, such conditions, amendments, modifications or limitations shall appear in the publication.

Notice of opposition to an application for registration of a trademark may be filed unless extended at the discretion of the Registrar, within two months from the date of publication accompanied by prescribed fee.

Rental of memory space of servers for storing cgi programs; providing online non-downloadable computer software as application service provider; design, programming, development and maintenance of application software; rental of application software; software as a service [saas]; consultancy and providing information relating to providing computer programs via the internet or other communication networks; rental of memory space of social networking servers for users to interact on the internet; creating internet home pages; providing information relating to creating internet home

pages; providing search engines on the internet; rental of memory space of servers for electronic meeting rooms on the internet; rental of memory space of servers for chat rooms on the internet; providing computer programs via the internet; providing meteorological information and weather forecasting by the internet; providing information relating to design, programming or maintenance of computer programs via internet mails, homepages and other communication networks; providing search engines for domain names via the internet; digital signature verification for e-commerce or on the internet; electronic certificate issuance and management for authentication over the internet and computer networks; consultancy relating to electronic certificate issuance and management for authentication over the internet and computer networks and computer networks, encryption of digital communication, authentication of electronic signatures in electronic commerce or electronic communication; creation, maintenance and inspection of homepages in internet communication; acting as agent of online user's identity verification and certification; consultancy relating to design, programming or maintenance of computer systems for the internet or other communication networks; compilation of web pages for the internet; hosting of web sites; hosting of web sites and providing information relating thereto; certification of website operators and existence and issuance of electronic certificate relating thereto; authentication of website owners; creating or maintaining web sites for others; creating, designing and maintaining web sites; programming of web pages; consultancy relating to programming or maintenance of web pages; electronic site authoring; providing temporary use of on-line applications and software tools; providing temporary use of on-line non-downloadable software; information processing by online or offline; cloud computing; programming of operating software for accessing and using a cloud computing network; design, creation and maintenance of computer communication program and application program for credit card payment procedure; provision of computer communication program and application program for credit card payment procedure and information processing and maintenance by the program; rental of information processing systems related to credit card transactions including those using computer communication networks; security, access, authorization, authentication, encryption, identification, development, design, testing, analysis and advice on computer, computer hardware and computer software; data analysis for detection, prevention and elimination of computer viruses; computer graphics design services; design and development of computer graphic programs; design, programming or maintenance of computers for computer system security and programs for home video games; design, creation or maintenance of computer programs related to computer system security; configuration of computer system and computer network; computer system data backup; computer system data backup and providing information and advice relating thereto; computer system consulting; monitoring of computer systems by remote access; monitoring of computer systems by remote access and providing information and advice relating thereto; computer system development; design, development, programming or maintenance of computer systems and consulting relating thereto; advice relating to the design of computer systems; computer system design and development; computer system analysis; computer system analysis and providing information relating thereto; integration of computer systems and computer networks; computer security consultancy; technical advice relating to operation in the field of computer software, hardware and networks; upgrading of computer software; software design and development; provision of computer software; maintenance of computer software; platform as a service [paas]; recovery of computer data; creating of home pages to link to computer database; providing information on rental of computer database access time; computer time-sharing services relating to the use of computer databases; providing information relating to computer time-sharing services relating to the use of computer databases; rental of memory space of computer servers; calculation processing and information processing by computer; providing information relating to information processing by computer; consultancy relating to information processing by computer; design of apparatus and equipment used in computer network system; computer network system consulting; configuration of computer network systems; research, analysis or advice on environment setting of computer network system; consultancy relating to research of computer network system; design and development of computer networks; research, analysis or advice on construction of computer network system; computer network system design; design and construction of computer network system; consulting on design and construction of computer network system; research, analysis or advice on the design and construction of computer network systems; research, analysis or advice on computer network system design; computer network system

maintenance; research, analysis or advice on maintenance of computer network system; computer network design, development and maintenance consultancy; computer network design; consulting on computer network design and research; management of computer network and internet security; design and development of computer hardware and software; rental of computer programs; consultancy relating to encryption and decryption of data or personal identification by computers; data processing and output services by computer for others; conversion of data by computers; conversion of electronic data by computers; computer technology consultancy; consulting relating to design of computers and computer peripherals; advice relating to operation of computer programs or recovery of computer program failure on computers; information processing related to credit card transaction using computer communication network; information processing for fund settlement using computer communication network; remote monitoring of computer or communication network system; configuration of programs of computer servers; rental of computers for configuration of computer server programs; rental of memory space of servers and providing information relating thereto; rental of memory space of storage devices in server computers; rental of memory space of servers; authenticating a user of a computer program using secure socket layer (SSL); encryption of electronic computer data using secure socket layer (SSL) or online identification of the user against a third party in electronic commerce; issuing digital certificates with digital certificates that authenticate the identity of websites using secure socket layer (SSL) technology and encrypt the information sent to the server; provision of computer programs for social networking websites; design, creation or maintenance of other computer programs and advice and guidance on these; provision of other computer programs; design, creation and maintenance of other computer programs and computer systems; inspection and evaluation of information security risks in other communication network systems; inspection and evaluation of other communication network system vulnerabilities; provision of a computer program for database management or personal schedule management; information processing by computers using data input and others; designing, other than for advertising purposes; issuance, certification and management of digital certificate; creation of operation manual of computer programs for issuance and management of digital certificate; development and integration of computer system to support digital certificate issuance and management; consulting on creation of homepage in network communication; design, creation or maintenance of homepage in network communication; provision of format conversion or format conversion programs of electronic data through network communication; provision of computer programs for format conversion; design, creation or maintenance of programs for block chain network or distributed ledger network; provision or rental of a program for a block chain network or a distributed ledger network; provision or rental of a computer for a block chain network or a distributed ledger network; provision or rental of a block chain network or a distributed ledger network; design, creation or maintenance of computer program for using block chain technology; creation or maintenance of homepage; providing and consulting information on creating or maintaining a website; creating website for others; rental of a program for creating a homepage; providing a program for creating a homepage; rental of computer programs for editing homepages; rental of memory space of server for storing programs for editing homepages; design, creation or maintenance of homepage or website; advice on the design, creation or maintenance of the homepage or website; maintenance, inspection or management of mail server program; maintenance of computer programs used for mail servers and other computer programs; testing, inspection or research of pharmaceuticals, cosmetics or foodstuffs; design and development of computer software and computer hardware in the field of virtual currency mining and blockchain; design and analysis of computer programs related to virtual currency mining and exchange business; design, creation or maintenance of programs for home video game toys; providing scientific and technological information; machines, apparatus, instruments and their parts or systems composed of such machines, apparatus and instruments; designing of machines, apparatus, instruments and their parts or systems composed of such machines, apparatus and instruments; testing or research on machines, apparatus and instruments; providing meteorological information; design and creation of computer programs related to accounting-related operations and finance-related operations; provision of computer programs related to accounting related business and financial related business; rental of measuring apparatus; architectural services; consulting on the design of buildings; research on building construction or city planning; providing search engines for the internet; certification, authentication, issue and management of public key used in public key cryptosystem; providing application software for security of network infrastructure with

public key infrastructure (pki); testing or research on prevention of pollution; rental of computer programs for information processing systems (including those using computer communication networks) for payment of funds; rental of server area for payment or credit card transactions; research on information processing system for fund settlement or credit card transaction; design, creation or maintenance of an information processing system using a computer for fund settlement or credit card transaction; providing information on the design of interior decoration; survey and research on social welfare and life security; research, planning and consulting for commercial modernization and revitalization of shopping streets; hosting electronic memory space on the internet for advertising goods and services; information technology [it] consultancy; design, development and consulting of information processing systems; surveying; hosting a computer site (home page) for a third party; establishment and maintenance of computer site (home page) for third parties; geological research; research, planning and consulting for comprehensive planning, industrial development planning, tourism development; communication network system consulting; testing or research on communication network systems; planning of communication network system and advice relating thereto; design, planning or maintenance of communication network systems; design, development and maintenance of communication network systems and consulting relating thereto; design, programming or maintenance of communication network systems; provision of computer programs for security management in communication networks; design, creation, and maintenance of computer programs and computer systems used for security management in communication networks; research and development of information security technology in communication networks; inspection and evaluation of vulnerabilities of computer programs used in communication networks; authentication of electronic data and computers used in communication networks; authentication of communication network operators and issuance of an electronic certificate relating thereto; communication network user authentication; rental of memory space of servers through communication network; certification of the fact that software or electronic data downloaded through the communication network has not been tampered with and issuance of an electronic certificate relating thereto; certification of distributors of software or electronic data downloaded through the communication and issuance of an electronic certificate relating thereto; rental of application software for communication network; providing computer program on communication networks; identification of communication network users and verification of personal data; authentication of e-commerce users via telecommunication lines; weather forecasting; testing or research on electricity; design, creation, maintenance and inspection of homepages in telecommunications; design, creation and maintenance of advertising websites in telecommunications; design of telecommunication equipment; design and development of electronic data security systems; encryption of electronic data; rental of memory space of mail servers for electronic mail recipients; rental of memory space of servers for electronic mail; providing computer programs for electronic mail; providing application programs for remittance and management of electronic virtual currency; rental of memory space of servers for electronic bulletin board, electronic meeting room or chat room; rental of computers; development of manuals about computers [including central processing units, electronic circuits, magnetic disks, magnetic tape recorded with computer programs and other peripherals] and computer programs; configuration, expansion, change and addition of functions and other optimization of computers [including electronic circuits recorded with computer programs and central processing units, magnetic disks, magnetic tape and other peripherals] and computer programs; technological advice relating to computers, automobiles and industrial machines; computer systems consultancy; testing, inspection or research of computer systems; advice and consultancy relating to installation of computer programs to computers; calculation processing by electronic computers; computer software design, computer programming, or maintenance of computer software; design of computer hardware; consulting relating to design of computers; providing technical information relating to design of computers; installation of computer programs and advice relating thereto; design, programming or maintenance of computer data processing systems; design, creation or maintenance of information processing system using computer, and advice relating thereto; providing information on information processing using computers; data conversion of image information using computers; information processing using computers; rental of computer software; remote monitoring of computer programs and computers; consultancy relating to design of computers and computer programs; data output service by computer for others; encryption of data for computers; data encryption for electronic computer data and online user identification and certification to third party

in electronic commerce; fault diagnosis and virus check of computer programs; design, creation, development or maintenance of computer programs; design, creation or maintenance of computer programs and provision of advice and information relating thereto; providing computer programs on data networks; user's digital certification for security and certification in downloading and installation of electronic transaction or communication, matching of web domain ownership, ssl certification; provision of application program for electronic signature system; verification of the fact that the electronically signed electronic document has not been tampered with; online verification of the user's identity to a third party in e-commerce; digital signature verification for e-commerce; user authentication in e-commerce; design, creation or maintenance of a computer program (software) for authenticating a user in electronic commerce; online registered users authentication services for easy access control by administrators, namely certifying that the user is a legitimate user who has been authorized to access the website in electronic commerce without entering id and password; design, creation or maintenance of computer programs used in electronic commerce; provision of computer programs for electronic commerce; providing search engine for e-commerce; rental of servers in communication by computer terminals for electronic commerce; issuance of electronic certificate and installation of computer programs for electronic commerce; e-commerce user authentication; design, creation or maintenance of computer programs for an information processing system used for electronic commerce and advice relating thereto; issuance of electronic certificate; testing or research on civil engineering; advice on license for intellectual property right such as patent, utility model right, design right, trademark right, copyright or know-how; rental of computers equipped with customized computer programs for particular users; rental of servers that can create a home page for a specific user; rental of computer programs for creating a home page for a specific user; provision of computer programs creating a website for a specific user provision of computer programs for authentication, data filing, electronic signature, data encryption, computer virus exclusion; testing, inspection or research on agriculture, livestock breeding or fisheries; electronic storage of archived e-mails; rental of laboratory apparatus and instruments; providing on-line computer mapping services; providing a website and website links to geographic information, map images, and trip routing; all included in class 42.
