computer software and hardware for use with smart grid applications having functions of energy load management and control, energy theft detection and control, monitoring and diagnostic of electrical grid, electric power outage management and control, fault detection, network asset management, operation and maintenance of electric grid; electric control devices for energy management; apparatus, instruments and their parts for controlling electric current in the fields of electrical power transmission, distribution, transformation, storage, regulation, etc.; electricity router for managing and optimizing energy loads within a building; electric power supplies for monitoring, namely electric power supplies for voltmeters, ammeters, voltage stabilizers and current controllers; regulating, controlling, signaling and monitoring apparatus for heating, cooling, ventilation and air conditioning; electric and electronic control and regulation apparatus and instruments for heating, cooling, ventilating, air-conditioning and refrigerating installations; regulating, controlling, signaling and monitoring apparatus for heating, cooling, ventilation and air conditioning, namely, computer hardware for building automation systems which electrically control building heating, cooling, ventilation and air conditioning, computer hardware and software which remotely control heating, cooling, ventilating and refrigerating equipment; dry cells; accumulators; photovoltaic cells; rechargeable batteries; photovoltaic cells; secondary batteries; fuel cells; lithium-ion batteries; lithium-ion rechargeable batteries; batteries; electric power meters and electric energy meters which have tele-communication functions via telecommunication line and interactive tele-communication functions; electric power meters and electric energy meters which have tele-communication functions via telecommunication line or interactive tele-communication functions; electricity meters; watt hour meters; electric leakage detectors; oscilloscopes; electric quantity measuring devices including electric power meter and electric energy meter, gas measuring devices, water measuring devices, electric voltage measuring devices, electric current measuring devices, all of which have tele-communication functions via telecommunication line and interactive tele-communication functions; electric quantity measuring devices including electric power meter and electric energy meter, gas measuring devices, water measuring devices, electric voltage measuring devices, electric current measuring devices, all of which have tele-communication functions via telecommunication line or interactive tele-communication functions; smart meters; electric quantity measuring devices; electrical energy utilization measuring devices complete with related software; electric wires and cables; electric buzzers; telephone sets; mobile phones; battery chargers for mobile phones; video-phone equipment; telephone exchangers; inter-phones; transceivers; ac adaptors; television receivers (tv sets); television receivers for household purpose which have functions of network connection, remote control and download of contents; television transmitters; television cameras; closed circuit television cameras; closed circuit television monitors; closed circuits television equipment; radio receivers with clocks; car radios; radio receivers; radio transmitters; broadcasting machines and apparatus; radio communication machines and apparatus; radio application machines and apparatus; facsimile machines and their parts and accessories; tape recorders; radio cassette tape recorders; tuners; record players; sound recording machines and apparatus; digital audio players; digital audio recorders; DVD players; DVD recorders; DVD drives; video tape players; video tape recorders; video disc players; video disc recorders; digital video disc players; digital video disc recorders; hard disc video recorders; digital photo frames; surveillance cameras; digital cameras; video cameras; digital video cameras; magnetic tapes for tape recorders; magnetic tapes for video tape recorders; video discs for video disc players; noise reduction devices and units for audio equipment; audio amplifiers; microphones; headphones; equalizers; antennas; public-address systems and instruments; cd players; cd players combined with radio tape recorders; loudspeakers; computer software and hardware for use with smart grid applications, namely, software having functions of energy load management and control and a wireless home energy monitors having functions of collection and storage of data on household electricity consumption; parts and accessories for electric communication machines and apparatus; electric communication machines and apparatus; smart phones; personal digital assistants having functions of internet connection, sending and receiving of e-mail, and video and data information; personal digital assistants; liquid crystal display monitors for televisions and computers; led (light emitting diode) displays; liquid crystal displays; LCD (liquid crystal display) projectors; electric and/or electronic large size display apparatus;
