REGISTRATION AS ACCOUNT HOLDER TO E-FILE AND PAY BY GIRO**

This Practice Direction is issued by the Registrar under Rule 78B(1) of the Trade Marks Rules, to specify the procedure for applying to the Registrar to be registered as an account holder.

This Practice Direction will come into effect on 1 January 2006.

Any person who wishes to use eTrademarks to effect a transaction and make payment by GIRO must register with the Intellectual Property Office of Singapore (IPOS) as an Account Holder. Approval is at the sole discretion of IPOS. Upon approval, an eTrademarks account will be created in the name of the person and the person will receive a User ID and Password.

To register, access IPOS address at <http://www.ipos.gov.sg> and [download the eTrademarks Account Holder Registration Form](#).

The person may appoint an Administrator to administer and manage his eTrademarks Account through the eTrademarks "[Maintenance of Authorised Representatives](#)" service.

The responsibilities of the Administrator are as follows:

- appointment of one or more Representatives to access eTrademarks and make payment by GIRO on behalf of the Account Holder;
- updating of the particulars of the Representatives; and
- removal of any Representative's rights to access eTrademarks and make payment by GIRO on behalf of the Account Holder.

These responsibilities are to be conducted through the eTrademarks "Maintenance of Authorised Representatives" service.

Please note that all Authorized Representatives must be CPF account holders with SingPass. The Authorized Representatives are required to sign in using their SingPass to ensure security for GIRO deductions for the online transactions. If the person does not have a GIRO account with IPOS, please complete the [GIRO Application Form](#) and submit it to IPOS.

The completed eTrademarks Account Holder Registration Form and GIRO Application Form should be mailed or couriered to the Intellectual Property Office of Singapore with the address 51 Bras Basah Road #04-01 Plaza By The Park Singapore 189554 and attentioned to Mrs Ang-Ong Bee Lian. Fax submissions are not acceptable.

Application Published for Opposition Purposes Under The Trade Marks Act (Cap.332, 2005 Ed.)

Registration has been applied for in the respect of the following Trade Marks under the provisions of the Trade Marks Act (Cap. 332, 2005 Ed.)

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.

Flexible metal foils for use in the manufacture of packaging, labels, tags, laminates; adhesive backed, adhesive coated, and release coated metal sheets, webs, foils and film for use in the manufacture of packaging, labels, tags, laminates, displays, graphics, decorations and signs; metal, namely, flexible metal foil in the form of sheets, webs and films for use in label, film, display and production of signs; metal pronged fasteners for files; metallic films for decorating signs and vehicle fleet graphics; pressure sensitive metal foils; metal foils in roll and sheet form for decoration, displays, automobile striping, fleet marking, safety and information marking; retro-reflective sheet of metallic material for making vehicle license plates, road and commercial signs, bicycle fenders and mail boxes; metal for die cutting machines for labels, tags, laminates, graphics, decorations and signs; metallic films and foils for graphics applications including automobile wrapping; rings of common metal for keys.

Class 07

Adhesive tape dispensing machines; machines that remove backing from adhesive labels; machines that produce labels; machines that affix labels and price tickets and the like to merchandise; machines that laminate documents and badges; laminating machinery not intended to be used solely in connection with weighing apparatus or testing apparatus; machines for applying labels to primary products and packaging; packaging machinery and their parts; portable labellers for applying labels on electronic data storage units; price marking machines; machines for imprinting paper and film stock not intended to be used solely in connection with scales, weighing apparatus or testing apparatus; label printing and marking machines not intended to be used solely in connection with scales, weighing apparatus or testing apparatus; machines for making self-adhesive materials, namely, labels, tags; power operated tools and machines for printing and attaching labels, tags, fasteners, tickets, cards, and ties to or around articles; fastening machines for labels, tags, fasteners, tickets, cards and other marking media to merchandise; document binding machines; application machine for thermoplastic pavement marking materials; removal machine for thermoplastic pavement marking materials; fastening machine foot pedals; fastening machine needles and accessory parts thereof; machines for rewinding tags and labels;

inking machines; pattern cutting machines; printing, cutting and stacking machines for garment labels and tags; heat transfer apparatus (parts of machines).

Class 08

Hand-tools for fastening fasteners, tags and labels to articles of manufacture and apparel; hand tools and applicators for applying labels on electronic data storage units; hand operated tools for attaching buttons, hang tags and price tags; portable power and manual applicator for applying labels on electronic data storage units; hand operated tool for attaching tags to merchandise, apparel and apparel products.

Class 09

Computer peripherals, namely, printers, label printers, printer media, and scanners not incorporated into weighing equipment; pre-recorded and downloadable computer software for designing and printing labels and other printable media, excluding software incorporated into weighing equipment; computer software excluding software incorporated into weighing equipment; computer software for use by business, customers, and suppliers in automating business transactions, tracking materials, and controlling inventory, excluding software incorporated into weighing equipment; computer software for generating bar codes, excluding software incorporated into weighing equipment; bar code printers not incorporated into weighing equipment; computer software for operating printer systems and printers, excluding software incorporated into weighing equipment; computer hardware and software for microembossing and tooling processes for creating replicas of structures and microstructures; thermal transfer and direct transfer printers, equipment and related consumables, laser printers and systems comprised of computer hardware and software, keyboard and monitor and printers that print and apply pressure-sensitive labels to cartons, packages or products, excluding printers incorporated into weighing equipment; ticket and tag imprinting systems comprised of offset printer, laser and/or thermal printers and computer hardware and/or software for transmitting over a global computer network variable data, ticket formats, material specifications and shipping information electronically to remote locations to produce and print tickets and tags; electronic ordering systems for polymer and paper films via a global computer network system, electronic mail, telephone, fax and computer interface; computer hardware and/or software for transmitting to manufacturers, retailers, vendors and/or freight consolidators supply chain information, including inventory packing and shipping information; computer software for use with scanners and printers in a system for verifying the correctness of products supplied against customer orders; portable electrically powered printers for use by manufacturers and retailers in preparing product labels and tags, excluding printers incorporated into weighing equipment; photographic identification system comprised of keyboard, monitor, camera, bar code scanner, printer, badges, badge inserts, and/or computer hardware and software for generating photo-bearing identification badges for individuals, storing information of the individuals, providing building access control based on the information stored and/or providing a wide variety of searching and information processing of the information stored; security and access control, verification, and authentication apparatus; electronic and radio-frequency inlays, tags and labels for use in asset, item, and inventory tracking and/or control; electronic smart labels and

electronic smart labels for radio frequency identification (RFID) electronic tags; labels (magnetic or encoded), sensors and indicators for indicating food freshness; electronic apparatus, including printers and label attaching machines, responsive to an information input device for printing labels or tags and attaching the labels or tags to articles of manufacture and apparel; thermosonic bonding apparatus; computer software for graphics design storing pre-designed templates, capable of importing graphics, clip art and/or photo-images and merging data; retro-reflective films for the projection of images; reflective devices that reflect by a light source; reflective devices used on roadways, markers, barriers, signs, letters, and numbers that reflect by a light source; reflective devices used on vehicles that reflect by a light source; reflective and visibility enhancement goods, namely, films used for warning, signaling, or identification purposes on persons, structures, or vehicles that reflect by a light source; reflective safety products that reflect by a light source; computer hardware and software, and printers for generating customized postage labels, image-bearing postage labels and photo-bearing postage labels; printers not incorporated into weighing equipment, for generating customized postage labels, image-bearing postage labels and photo-bearing postage labels; apparatus for recording, transmission or reproduction of sound or images; digital video discs (DVDs); read-only memory discs (CD-roms); printer systems and software for the creation and printing of laser wristbands; computer software for printing decorative images on faceplate and backplate inserts for portable electronic devices including mobile phones and for transmitting images to such devices for display thereon, including images that merge seamlessly with printed faceplate inserts; refrigerator magnets; software on compact disks (CDs) and downloadable software for use with home labeling and home printing kits; security devices for authenticating and securing labels and closures for packaging; none of the foregoing being integrally incorporated into scales, weighing apparatus or testing apparatus; reflective devices for the prevention of traffic accidents; signs being reflective; labels carrying magnetically, optically, or electronically recorded or encoded information; holographic films.

Class 12

Painted, textured or patterned plastic films for use on exterior and interior of vehicle body in the nature of pre-designed vinyl vehicle wraps [shaped] specially adapted for vehicles; protective strips with reflective inlays for vehicle doors.

Class 16

Address books; address labels; blank, printed and partially preprinted paper labels and paper label stock; adhesive films and sheets; adhesive and corrective tape for stationery or household purposes; adhesives and glue all for stationery or household use; adhesive-backed packaging materials; non-textile adhesive labels; adhesive labels (not of textile) in the form of letters, numbers and symbols; adhesive labels adapted for use as customized postage labels; adhesive notepads; adhesive materials for stationery or household purposes; adhesive tapes for stationery use; adhesive-bearing pressure-sensitive base papers for manufacturing pressure-sensitive labels; paper lining used as backing for self-adhesive labels (non encoded or magnetic); adhesives, stickers, decals and labels of paper; anti-counterfeiting and security labels; artists' materials; badges (made of paper or plastics); barcode labels (made of paper) for commercial, industrial and inventory uses; binder inserts; binder pages made of paper and plastic

for storage of computer diskettes and compact disks; binder paper; binders; blank color identification labels; blank garment tag labels; blank labels; body art stickers and decals; bookbinding material; books of forms; business cards; business forms; business reply envelopes; carbon paper; card inserts for plastic holders; cardboard; cardboard cards and inserts for packaged apparel merchandise; cardboard tags, cards, compact disk (CD) inserts; copier paper; customized paper films with or without an adhesive; data and floppy disk protective mailing envelopes; decorative labels bearing pictures or images for use with and to resemble postage stamps; dividers (stationery); document binding machines for office use; double-ended writing instruments; duplicating books; easel binders; endless data processing paper; emblems (paper and plastic); embossable seals; envelopes; file folder fasteners; file folders; flexible food packaging made of paper; form pads; forms; gift cards; gift certificates; gift tags; greeting cards; gummed labels (not of textile); gums (adhesives) for stationery or household purposes; hanging file binders; heat transfer labels made of paper; highlighting markers; holographic labels; identification badges made of paper or cardboard; image-bearing labels; index dividers; index tabs; index tabs for binders; indexes (not of textile); inkjet paper; inking ribbons; instructional and teaching material (except apparatus); ink rolls for use in printing machines; iron-on transfer and decals; label and form combinations; labellers for office use; labels of paper; labels, not of textile, that are chemically, electrically and biologically responsive, that measure the freshness of food products; labels and stickers for information and decoration purposes made from paper; plastics for wrapping; transparencies (stationery); labels for beer, wine and beverage bottles and containers; labels for commercial and industrial uses; labels for prescription medicine bottles; labels of paper and film including in self-adhesive form; labels of paper for identification of vehicle parts; labels of paper for permanent component marking during industrial manufacturing process of components; labels of paper for vehicle identification; labels of paper for warning and tracking; labels not of textile with built-in indicators; labels, tags, laminates and stickers supplied in sheet and roll form; laminated paper; laminates; language flash cards; loose-leaf ring binders; marking pens; memo books; merchandise tags, message books; name tags and badges; non-textile wristbands in the name of labels, bearing identification information; notebooks; note cards; notepads; packaging materials for food made of paper; paint brushes; paper; paper facestocks; paper films for use in packaging and labeling with or without an adhesive; paper for packaging; printing paper; paper labels and tags; paper labels for store shelves to indicate price, products and promotions; paper stock; pencils; pens; personal organizers and organizers for stationery use; photo identification badges; photo-bearing postage labels; photo cards; photographs; photography albums; plastic bubble-lined cardboard envelopes for mailing; plastic bubble-lined paper envelopes for mailing; plastic film for packaging; plastic materials for packaging (not included in other classes); plastic release coated papers for copying and displays; plastic release coated papers for copying, displays, and label and film production; pocket portfolios; poetry albums; portfolio organizers; postage labels; postcards; precut machine-printable paper for use as decorative inserts and protective covers for portable electronic devices; personal communication devices and portable entertainment devices; preprinted adhesive identification labels (not of textile) bearing alphanumeric symbols; presentation binders; presentation portfolios; pressure-sensitive printing papers for labels and displays; printable banners and signs of paper; printable business cards;

printable cardboard; printable films; printable foils of plastic for packaging; printable paper; printable transparencies for overhead projectors; printed and unprinted paper and cardboard tags for general-purpose use; printed garment tags (not machine readable); printed labels; printed matter; printers' type; printing blocks; promotional cards; reference binders; release coated papers; report covers; return address labels; rigid sheet lifters for binders to be used as first and last pages in binder to protect and assist in turning pages in between lifters; ring binders; rotary files, not of textile; scrapbook supplies; security badges; self-adhesive business card holders; self-adhesive label holders; self-adhesive labels; self-adhesive name badges; self-adhesive paper for use in laser printers; self-adhesive paper in rolls and sheets for graphics, decoration, safety, information and automotive uses; self-adhesive paper in sheet and roll form for making labels, signs, badges and graphic displays; self-adhesive security badge labels; self-laminating cards; sheet lifters for binders; sheet protector index dividers; paper report covers; specialized and customized labels used to provide security and safeguard against fraud; wire-bound notebooks; stamp pads; stationery; stationery folders; stickers; storage binders; t-shirt transfers; tabbed and untabbed divider sheets for binders; tabbed notebook dividers; tabbed transparent plastic binder pages; tabs; tabs (not of textile); tabs for dividers; tabulating paper; tags; transparent and translucent adhesive plastic labels (with and without color) for stationery use; transparent plastic sheet protectors; transparent-plastic binder pages for holding and displaying trading cards, business cards and photographs; transparent-plastic laminating sheets for protecting cards, photographs, certificates and similar documents for office and stationery uses; transfer paper; typewriters and office requisites (except furniture); self-adhesive labels of paper; unprinted labels and blank label stock; paper labels that dissolve in water; writing instruments; writing pads; zippered vinyl storage cases for stationery use; paper labels and tags; laminated paper; stickers supplied in sheet roll form; release coated papers; pressure-sensitive printing papers for labels and displays; stock cards; rolls of adhesive for stationery use; shipping labels and printed advertising boards of paper or cardboard; pads of plastic adhesive labels; plastic adhesive tabs; plastic tab labels; label pads; labels having flags; labels having indicators; pads of labels having flags; pads of labels having indicators; adhesive labels of paper and film; release coated labels; plastic labels; plastic adhesive labels; plastic labels having flags; plastic labels having indicators; perforated labels; sheets of paper (other than sensitized); blank and printed sheets of paper (other than sensitized); printable sheets of paper (other than sensitized); adhesive sheets of paper (other than sensitized); pads of paper sheets (other than sensitized); sheets of paper (other than sensitized) having flags; sheets of paper (other than sensitized) having indicators; pads of paper sheets (other than sensitized) having flags; pads of paper sheets (other than sensitized) having indicators; image-bearing paper sheets (other than sensitized); adhesive sheets of paper and film; release-coated plastics sheets for wrapping or packaging; transparent and colored plastics sheets for wrapping or packaging; pads of adhesive plastics sheets for wrapping or packaging; plastic sheets; plastic adhesive sheets; plastic sheets having flags; plastic sheets having indicators; printing paper with lines of holes in order to facilitate separation; page markers; blank and printed page markers; printable page markers; adhesive page markers; pads of page markers; image-bearing page markers; adhesive page markers of paper and film; release coated page markers; transparent and colored page markers; pads of adhesive page markers; plastic page markers;

plastic adhesive page markers; perforated page markers; adhesive paper film in geometric shapes; label-printers being addressing machines; thermal label-printing machines for office use; transparent and translucent adhesive plastic labels with and without color for stationery use; cling film plastics for packaging; clear films for packaging; storage sleeves of paper for compact disks; storage sleeves of plastic for compact disks.

Class 17

Retro-reflective plastic sheeting for use in manufacture; films for use in manufacture to change the colour of white light; prismatic retro-reflective plastic film (other than for wrapping); reflective plastic films (other than for wrapping) for signs, displays, labels, decorations, safety, information markings and exterior of apparatus for locomotion by land, air or water; prismatic retro-reflective plastic tape (other than for medical or stationery use) for signs, displays, labels, decorations, safety, information markings and exterior of vehicles for locomotion by land, air or water; retro-reflective plastic films (other than for wrapping); reflective, and specialty plastic films for highly durable vehicle and transportation graphics (other than for wrapping); license plate reflective plastic film (other than for wrapping); retro-reflective or reflective plastic sheets and trims for use in the manufacture of signs and materials; retro-reflective plastic sheets (other than for wrapping) for use in connection with signs, road signs, traffic signs, parking signs, construction signs, vehicle license plates, displays, labels, decorations, information markings and signs, and advertisement; plastic films in the form of sheets or rolls for use in the manufacture of packaging; adhesives, namely, solvent, hot melt, acrylic, and elastomeric adhesives for packaging in the form of tape in sheets, films and webs for industrial and commercial use; adhesive sealants for general use; adhesive-backed plastic sheets, films and webs for use in the manufacture of durable labels, signs and displays; adhesive coated plastic sheeting and tapes for industrial, commercial, HVAC/R (heating, ventilation, air conditioning, refrigeration) sealing and fastening uses, and for packaging and bundling uses; plastic films and laminates for commercial and industrial purpose supplied in sheet and roll form; laminate foil consisting primarily of plastic with or without a metal layer for application to a substrate; polymer films for use in packaging; film for use in manufacture, namely, matte, clear and gloss inkjet films; clear laser topcoated polyester films; temporary and permanent adhesive plastic films with gloss, matt and reflective film finishes in sheet form for solvent and UV (ultra-violet) screen process printing; plastic films and laminates for commercial or industrial packaging purposes supplied in sheet or roll form; decorative automotive interior films; self-adhesive tapes for bonding trim, appliques, carpet, bolster pads and cloths inside automobiles; plastic films and laminates supplied in sheet or roll form not for wrapping; laminate foil consisting primarily of plastic with or without a metal layer for graphics, commercial and industrial uses; adhesives tapes, other than stationery and not for medical or household purposes; adhesives tapes for use on fresh fruits and vegetables and on edible produce skins other than stationery and not for medical or household purposes; paint coated films for use on injection-molded parts for manufacture use; dry paint decorative plastic and polymeric films for use in place of traditional wet paint applications and for use in thermo-preshaping and mold melt bonding with resin to form decorated finished products; glass-beaded or prismatic-retroreflective film for manufacture of apparel, safety vests, traffic guide signs, warning signs, flexible signs, temporary and permanent road markers,

delineators and conspicuity tapes; pressure-sensitive adhesive tape for industrial use; plastics films for use in manufacture consisting primarily of pressure-sensitive base materials for commercial and industrial use; adhesive tapes, featuring in reflection, for signs, displays, labels, decorations, safety, information markings and exterior of apparatus for locomotion by land, air or water other than stationery and not for medical or house hold purposes; reflecting tapes for use on traffic signs and traffic control structures, land and marine vehicles and clothing; reflective plastic, vinyl, and polmeric films for signs, displays, labels, decorations, safety, information markings and exterior of apparatus for locomotion by land, air or water; glass-beaded or prismatic-retroreflective tape for signs, displays, labels, decorations, safety, information markings and exterior of vehicles for locomotion by land, air or water; glass beaded and prismatic retroreflective plastic, vinyl and polymeric film for use on traffic signs and traffic control structures, land and marine vehicles and clothing; light-reflecting plastic beads for labels and signs; digital imaging films for commercial and industrial uses; painted, textured or patterned plastic films for use on exterior and interior of vehicle body, painted, textured or patterned adhesive tapes (not for stationery, medical or household use) for use on exterior and interior of vehicle body; semi-processed laminated plastic substances (painted, textured or patterned) for use on exterior and interior of vehicle body; plastic films for use on transparent windows or doors for graphics decorative uses; semi-processed laminated plastic substances for use on transparent windows or doors for graphics and decorative uses; self-adhesive plastic materials (semi-finished) in the form of films for labels and signs; light-reflecting plastic materials for use in manufacture for labels and signs; plastics material in the form of rolls for use in manufacture (non self-adhesive); film for use in manufacture; extruded and cast polymeric films in sheet and roll form; materials of rubber and plastics, coated with an adhesive substance for mounting, attaching and bonding foam plastic; foamed-plastic sheets and strips coated with an adhesive substance for mounting, attaching and bonding exterior and interior automotive components, manufacturer name plates on appliances, sealing, gasketing and sound and vibration dampening; overlamine films used in composite interior and exterior panels for automobiles, aircraft, marine, and other vehicles and other applications; films for formed thermoplastic roofing tiles, fencing, shutters and architectural accents; plastic, acrylic, and polymeric films used in automotive interior laminates and exterior graphics; films for pressure-sensitive graphic applications including automobile wrapping; self-adhesive tapes for bonding trim, appliques, carpet, bolster pads and cloths inside automobiles; self-adhesive tapes for adhering brake insulators to brake components, rearview mirrors to plastic housings and ultra-high adhesion applications for under-hood and engine uses; adhesive tapes for use of warning and tracking labels for products and manufacturing in the industrial and automotive fields (other than stationery and not for medical or household purposes); adhesive tapes for use of non-paper labels for permanent component marking during the manufacturing process and for vehicle identification in the industrial and automotive fields (other than stationery and not for medical or household purposes); heat-sealable adhesive tapes (in the type of labels), other than stationery and not for medical or household purposes; adhesive tapes in the type of non-paper barcode labels used to track parts in industrial manufacturing plants (other than stationery and not for medical or household purposes); plastic digital, reflective, and specialty films for highly durable vehicle and

transportation graphics (other than for wrapping); precut machine-printable plastic films for use as decorative and protective covers for portable electronic devices, personal communication devices and portable entertainment devices (not for wrapping); precut semi-processed, machine-printable, and laminated plastic substances for use as decorative and protective covers for portable electronic devices, personal communication devices and portable entertainment devices (not for wrapping); printed decorative plastic laminates available in a wide range of woodgrain and other patterns; plastic film used in window film laminates (not for wrapping), including solar and security window film laminates; flexible plastic film for use in package closures (other than for wrapping); caulking materials; sealants for joints; semi-worked plastic sheeting that reflects by a light source; semi-worked plastic sheeting having a watermark that reflects by a light source; sheeting for industrial use that reflects by a light source; adhesive coated plastics sheeting (other than for household use); adhesive coated plastics sheeting (other than for medical use); adhesive coated plastics sheeting (other than for stationery use); reflecting tape.

Class 20

Non-metal and plastic fasteners, namely, flexible snap fasteners; plastic clips and plastic merchandise tag fasteners for bundling and securing merchandise, apparel and apparel products, and articles for a wide variety of applications, namely retail, fastening, electronics and automotive; plastic apparel fasteners for consumer and commercial use, and for clothing products and apparel for use by the textile, clothing, apparel, retail, and merchandising industries to keep clothing and apparel folded for packaging and displaying and for attaching tags and sales tickets; plastic apparel fasteners and t-shaped fasteners for attaching tags, tickets, cards, and other marking material to merchandise, apparel and apparel products; plastic cable-tie fasteners; one-piece plastic ties for securing cable ties; cardboard floor display units for merchandising products; display boards; display racks; display stands; display shelves; laminated wrist tags for identification purposes (other than for medical purposes).

Class 35

Consulting in area of supply chain management; data compilation and analyses services relating to business management; administrative processing of purchase orders for others via a website; the bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods from a distributor outlet in the field of paper, polymeric, vinyl and cloth materials stored in roll form; business management services for solving printing and information workflow problems in the fields of printing and business information management; commercial information services provided by access to a computer database; compilation of information into computer databases; computerized database management; business consultation services in the field of supply chain information and support systems relating to label printers and scanners, paper and woven labels and tags, computer hardware and software for transmitting to manufacturers, retailers, vendors and/or freight consolidators; providing polymer and paper film business information conducted via a global computer network, electronic mail, telephone, fax and computer interface; providing paper and polymer business information; paper and polymer business advising services; providing business information for inventory control and material tracking;

professional business consultancy on tracking and monitoring movement of various goods including pharmaceuticals; business management services of databases for handling, tracking and monitoring of equipment, parts, supplies and raw materials; business marketing consultation; business management consultation; business organization and operation consultation; business planning services; business consultancy services relating to re-engineering of business process; providing online consumer product information in the field of integrated circuits, semiconductors and electronic devices which use radio frequency to communicate to computers, tag readers and other devices; advertising in television, periodicals, brochures, newspapers and online advertising via computer communication networks and social media for office products including envelopes, containers, labels, sheets, page markers, and geometric shapes made of film and paper, and for graphics products and services, product packaging and packaging services, ticketing and tag products and services, adhesives, tapes, specialty tapes, coatings, films, printing products and services, RFID (radio frequency identification) products and services, business consultation services, and branding services.

Class 42

Computer design for others for solving printing and information workflow problems; providing technological assistance to customers in solving production and finished product problems and providing engineering services; computer consultation services; software design and development services for use in barcode labeling; on-line and telephone support for computer hardware and/or software, namely, troubleshooting of computer hardware and software problems; technological consulting services on sensor label and radio frequency identification (RFID) technology, including asset tracking with RFID technology; technical consultation services in the field of integrated circuits, semiconductors and electronic devices which use radio frequency to communicate to computers, tag readers and other devices; providing online information concerning the designing of integrated circuits, semiconductors and electronic devices which use radio frequency to communicate to computers, tag readers and other devices; technical consultancy for computer hardware and software; graphic design services for tags and labels; design for others of self-adhesive labels, labels, forms, label/form combinations, envelopes, business reply envelopes, mailers, return address labels, self-laminating cards, gift cards, gift certificates, identification wristbands, self-laminating identification wristbands; services for designing customized postage labels, image-bearing postage labels and photo-bearing postage labels; design of products to solve printing and information workflow problems; software design and development services for use in barcode labeling; technological consultation services in the field of ticket and tag imprinting systems with accessories, namely, offset, laser and/or thermal printers and computer hardware and software for transmitting over a global computer network variable data, ticket formats, material specifications and shipping information electronically to remote locations to produce and print tickets and tags; research, development, and design (for others) in the field of ticket and tag imprinting systems, which includes offset, laser and thermal printers and computer hardware and software; technical support services, namely, troubleshooting of ticket and tag imprinting systems with accessories, namely, offset, laser and/or thermal printers and computer hardware and software for transmitting over a global computer network variable data, ticket formats, material specifications and shipping information electronically to remote

locations to produce and print tickets and tags; technical support services, namely, troubleshooting of supply chain information and support systems with accessories, namely, label printers and scanners, paper and woven labels and tags, computer hardware and software for transmitting to manufacturers, retailers, vendors and/or freight consolidators supply chain information, including inventory packing and shipping information; design for others of unit dose blister lidding and flag labels; website services, namely, hosting computer sites in the field of designing and formatting labels, paper, films and laminates for decorating and protecting front and or back covers of portable electronic devices, personal communication devices and portable entertainment devices; hosting websites for transmitting variable data, ticket formats, material specifications and shipping information electronically to remote locations to produce and print tickets and tags; creating and maintaining websites to provide supply chain information, including inventory packing and shipping information to manufacturers, retailers, vendors and freight consolidators; operating and maintaining websites to hold customer purchaser orders allowing ordering over the internet and offering option to download information for in-plant production or forwarding to remote ticket centers; computerized data storage services; data storage (other than physical storage); development of systems for the storage of data; and electronic data storage.

Collective and Certification Marks Published For Opposition Purposes

Registration has been accepted in respect of the following Collective and Certification Marks filed under the provisions of the Trade Marks Act (Cap. 332, 1992 Ed.), Trade Marks Act (Cap. 332, 2005 Ed.) and the Madrid Protocol.

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.
