REGISTRATION AS ACCOUNT HOLDER TO E-FILE AND PAY BY GIRO**

This Practice Direction is issued by the Registrar under Rule 78B(1) of the Trade Marks Rules, to specify the procedure for applying to the Registrar to be registered as an account holder.

This Practice Direction will come into effect on 1 January 2006.

Any person who wishes to use eTrademarks to effect a transaction and make payment by GIRO must register with the Intellectual Property Office of Singapore (IPOS) as an Account Holder. Approval is at the sole discretion of IPOS. Upon approval, an eTrademarks account will be created in the name of the person and the person will receive a User ID and Password.

To register, access IPOS address at <http://www.ipos.gov.sg> and [download the eTrademarks Account Holder Registration Form](#).

The person may appoint an Administrator to administer and manage his eTrademarks Account through the eTrademarks "[Maintenance of Authorised Representatives](#)" service.

The responsibilities of the Administrator are as follows:

- appointment of one or more Representatives to access eTrademarks and make payment by GIRO on behalf of the Account Holder;
- updating of the particulars of the Representatives; and
- removal of any Representative's rights to access eTrademarks and make payment by GIRO on behalf of the Account Holder.

These responsibilities are to be conducted through the eTrademarks "Maintenance of Authorised Representatives" service.

Please note that all Authorized Representatives must be CPF account holders with SingPass. The Authorized Representatives are required to sign in using their SingPass to ensure security for GIRO deductions for the online transactions. If the person does not have a GIRO account with IPOS, please complete the [GIRO Application Form](#) and submit it to IPOS.

The completed eTrademarks Account Holder Registration Form and GIRO Application Form should be mailed or couriered to the Intellectual Property Office of Singapore with the address 51 Bras Basah Road #04-01 Plaza By The Park Singapore 189554 and attentioned to Mrs Ang-Ong Bee Lian. Fax submissions are not acceptable.

Abacuses; accelerometers; accumulator jars; accumulators, electric; accumulators, electric, for vehicles; ac/dc power supplies; acid hydrometers; acidimeters for batteries; acoustic conduits; acoustic couplers; acoustic [sound] alarms; acoustic transformers; actinometers; adding machines; aerials and antennas for telecommunications networks; aerometers; air analysis apparatus; alarm bells, electric; alarms; alcoholmeters; alidades; alkaline dry batteries; alkaline zinc manganese dioxide batteries; altimeters; ammeters; ampere-hour meters; amplifiers; amplifiers for bass guitars; amplifying tubes; analog-to-digital converters; anemometers; animated cartoons; anode batteries; anodes; answering machines; antennas; antennas and components therefor; anticathodes; anti-glare glasses; anti-glare visors; anti-interference devices [electricity]; anti-theft warning apparatus; apertometers [optics]; apparatus and instruments for astronomy; apparatus and instruments for microscopy; apparatus and instruments for physics; apparatus and instruments for

recording, transmission or reproduction of sound, data and images; apparatus and instruments for recording, transmission or reproduction of sound or images; apparatus and instruments for scanning ion conductance microscopy; apparatus and instruments for scanning ion microscopy; apparatus and instruments for scanning probe microscopy; apparatus and instruments for transferring, receiving and storing sound, images and data, both in digital and analog form; apparatus for broadcasting, recording, transmission or reproduction of sound, data or images; apparatus for changing record player needles; apparatus for checking the authenticity of banknotes; apparatus for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for controlling static electricity; apparatus for electronic payment processing; apparatus for fermentation [laboratory apparatus]; apparatus for measuring the thickness of skins; apparatus for monitoring and recording the performance of machinery; apparatus for processing, transmitting and storing database information; apparatus for recording, storage, transmission and reproduction of sounds and images; apparatus for recording, transmission or reproduction of information; apparatus for recording, transmission or reproduction of sound, images and data; apparatus for recording, transmission, reception, processing or reproduction of sound, images and data; apparatus for the input, output, transmission and storage of data; apparatus for the recording of sound or images; apparatus for the recording, transmission, amplification and reproduction of sound; apparatus for the reproduction of sound or images; apparatus for the transmission of sound or images; apparatus for verifying data on magnetically encoded cards; apparatus to check franking; appliances for measuring the thickness of leather; armatures [electricity]; artificial limbs for medical instruction purposes [teaching apparatus]; asbestos clothing for protection against fire; asbestos gloves for protection against accidents; asbestos screens for firemen; audio and video mixing desks; audio- and video-receivers; audio recorders; audio recordings featuring music; audiovisual teaching apparatus; automated banking machines; automated teller machines [atm]; automatic indicators of low pressure in vehicle tires [tyres]; automatic paying-in and deposit machines; automatic solar tracking sensors; automobile stereo adapters; azimuth instruments; baby monitors; bags adapted for laptops; balances [steelyards]; balancing apparatus; bar code readers; barometers; batteries and cells; batteries, electric; batteries for lighting; battery boxes; battery chargers; beacons, luminous; bells [warning devices]; betatrons; binoculars; bioinformatics software; blank and formatted magnetic computer tape cartridges; blank and prerecorded audio and video cassettes, tapes and cartridges; blueprint apparatus; boiler control instruments; brackets for setting up flat screen television sets; branch boxes [electricity]; breathing apparatus, except for artificial respiration; breathing apparatus for underwater swimming; bullet-proof clothing; bullet-proof waistcoats [vests (am.)]; buzzers; cabinets for loudspeakers; cable harnesses; cables, electric; calculating disks; calculating machines; calibrated photovoltaic reference cells; calibrating rings; calipers; camcorders; cameras [photography]; capillary tubes; carpenters' rules; carriers for dark plates [photography]; carrying cases for cell phones; cases especially made for photographic apparatus and instruments; cases fitted with dissecting instruments [microscopy]; cases for CDs or DVDs; cases for sunglasses and protective eyewear; cash registers; cassette players; cathodes; cathodic anti-corrosion apparatus; CD-Is [compact disc interactive]; CD-ROMs containing electronic telephone directories; cell phone battery chargers; cell phone battery chargers for use in vehicles; cell phone covers; cell phone straps; cell phones having large keys and numbers that assist users having impaired vision or dexterity; cell switches [electricity]; cellular phones; centering apparatus for photographic transparencies; chargers for electric batteries; chemistry

apparatus and instruments; chip coils; chips [integrated circuits]; choking coils [impedance]; chromatography apparatus for laboratory use; chronographs [time recording apparatus]; cinematographic apparatus and instruments; cinematographic cameras; circuit breakers; circuit closers; cleaning apparatus for phonograph records; clothing and footwear for protection against accidents, irradiation and fire; clothing and gloves for protection against accidents or injury for use in welding; clothing especially made for laboratories; clothing, footwear and headwear for protection against accidents, irradiation and fire; clothing for protection against accidents, irradiation and fire; clothing for protection against fire; coaxial cables; coils, electric; coin-operated mechanisms for television sets; coin-operated musical automata [juke boxes]; collectors, electric; color filters for liquid crystal displays; commutators; compact digital cameras; compact disc players; compact discs [audio-video]; compact discs [read-only memory]; comparators; compasses [measuring instruments]; computer chipsets; computer disc drives and drivers; computer firewall software; computer game programs; computer game programs; computer game software and manuals in electronic format sold as a unit; computer hardware; computer hardware and computer software for database management; computer hardware and firmware; computer hardware and software; computer hardware and software for providing secure remote access to computer and communication networks; computer keyboards; computer memory devices; computer network hubs; computer network routers; computer network switches; computer operating programs, recorded; computer peripheral devices; computer peripherals and accessories; computer programmes [programs], recorded; computer programs and software for image processing; computer programs and software for image processing used for mobile phones; computer programs [downloadable software]; computer programs for connecting to remote computers and computer networks; computer software and telecommunications apparatus, including modems, to enable connection to databases and the internet; computer software and telecommunications apparatus, including modems, to enable connection to databases, computer networks and the internet; computer software and telecommunications apparatus, including modems, to enable connection to databases, computer networks, global computer networks and the internet; computer software and telecommunications apparatus to enable connection to databases and the internet; computer software applications, downloadable; computer software, firmware and hardware; computer software for arcade apparatus and games; computer software for converting document images into electronic formats; computer software for data and document capture, transmission, storage and indexing; computer software for electronic data processing of structured and unstructured information for purposes of recognition, classification, and retrieval, as well as intelligent content identification and matching; computer software for facsimile, email, voice mail, or internet messaging; computer software for software design, development and testing and related computer-aided software testing tools; computer software for synchronizing data between handheld or portable computers and host computers; computer software for the creation of firewalls; computer software for transmission of sound and video messages; computer software for two or three-dimensional simulation for use in design and development of industrial products; computer software for use in automating and managing business processes; computer software for use in creating and designing web sites; computer software for use in providing multiple user access to a global computer information network; computer software for use in the field of telecommunications for providing electronic transmission of documents and facsimile transmission; computer software for wireless network communications; computer

software for word processing; computer software, including software downloadable from the internet; computer software products; computer software, recorded; computer touchscreens; computer video game software and manuals in electronic format sold as a unit; computers; condensers [capacitors]; conductors, electric; connections for electric lines; connectors [electricity]; consumer video game programs; contact lenses; contacts, electric; containers for contact lenses; containers for microscope slides; control panels [electricity]; converters, electric; copper wire, insulated; cordless telephones; cords for spectacles and for sunglasses; correcting lenses [optics]; cosmographic instruments; counterfeit [false] coin detectors; counters; couplers [data processing equipment]; couplings, electric; covers for electric outlets; covers for mobile phones; crash test dummies; crucibles [laboratory]; currency authentication apparatus and equipment; current rectifiers; cyclotrons; darkroom lamps [photography]; darkrooms [photography]; data communication apparatus and instruments; data loggers; data logging apparatus; data processing apparatus; data processing apparatus and equipment; data processing apparatus, instruments and equipment; data processing programs recorded on machine-readable data carriers; data receivers for recording, transferring, processing and reproduction of sounds, images or data; dc input power supplies; DC/DC converters; decompression chambers; decorative magnets; demagnetizing apparatus for magnetic tapes; densimeters; densitometers; detectors; devices for the recording, transmission and playback of sound and images; diagnostic apparatus, not for medical purposes; diaphragms [acoustics]; diaphragms for scientific apparatus; diaphragms [photography]; dictating machines; diffraction apparatus [microscopy]; digital audio and video devices; digital books downloadable from the internet; digital camcorders; digital mixing desks; digital music, downloadable; digital notepads; digital organizers; digital photo frames; digital projectors; digital signs; digital single lens reflex cameras; digital-to-analog converters; diode arrays; diode arrays, thyristors and integrated circuits; directional compasses; discharge tubes, electric, other than for lighting; disk drives for computers; disks, magnetic; display panels, control panels and keypads for automatic teller machines; display panels, control panels and keypads for petrol pumps; display panels, control panels and keypads for security alarms; display panels, control panels and keypads for ticket dispensing machines; display screens; distance measuring apparatus; distance recording apparatus; distillation apparatus for scientific purposes; distribution boards [electricity]; distribution boxes [electricity]; distribution consoles [electricity]; divers' masks; diving suits; dna chips; dog whistles; dosage dispensers; downloadable computer game software; downloadable computer games; downloadable computer security software; downloadable computer software for remote monitoring and analysis; downloadable electronic books; downloadable electronic newspapers; downloadable image files; downloadable interactive entertainment software for playing computer games; downloadable interactive entertainment software for playing video games; downloadable music files; downloadable podcasts; downloadable podcasts featuring music, audio books and news broadcasts; downloadable ring tones for mobile phones; downloadable software for instant messaging and electronic mail services; drainers for use in photography; drawing apparatus and instruments adapted for use with computers; dressmakers' measures; drying apparatus for photographic prints; drying racks [photography]; ducts [electricity]; dust emission monitors; DVD players; DVD players and recorders; dynamometers; ear plugs for divers; earphones used exclusively for connecting to hand-held games; editing appliances for cinematographic films; egg-candlers; electric and electronic apparatus and instruments for measuring, control and supervision; electric and electronic control and regulating apparatus and instruments;

electric and electronic effects units for musical instruments; electric and electronic musical effects equipment; electric and electronic switches; electric apparatus for commutation; electric cables, cable harnesses, connectors, terminal blocks and switches; electric door bells; electric installations for the remote control of industrial operations; electric loss indicators; electric or magnetic meters and testers; electric signboards for displaying target figures and current outputs; electric telecommunications apparatus; electrical adapters; electrical and electronic control apparatus and instruments; electrical and electronic control apparatus for use with apparatus or installations for air conditioning; electrical and electronic control apparatus for use with apparatus or installations for heating; electrical and electronic control apparatus for use with apparatus or installations for ventilation; electrical charge controllers; electrical communication machines and instruments; electrical connectors, wires, cables, and adapters; electrical control, testing and monitoring apparatus; electricity conduits; electrified fences; electrified rails for mounting spot lights; electro-dynamic apparatus for the remote control of railway points; electro-dynamic apparatus for the remote control of signals; electroluminescent display panels; electrolyzers; electromagnetic coils; electron guns; electronic advertising displays; electronic agendas; electronic apparatus for the remote control of signals; electronic apparatus for wireless reception, storage and transmission of data and messages; electronic book readers; electronic broadcasting apparatus; electronic chip cards; electronic circuits and CD-ROMs recorded with automatic performance programs for electronic musical instruments; electronic circuits and CD-ROMs recorded with programs for hand-held games with liquid crystal displays; electronic components for antennas and aerials; electronic display units; electronic docking stations; electronic game software for cellular telephones; electronic game software for handheld electronic devices; electronic game software for wireless devices; electronic imaging devices; electronic load modules; electronic message displays; electronic navigation, tracking and positioning apparatus and instruments; electronic notice boards; electronic numeric displays; electronic pagers; electronic pens [visual display units]; electronic personal alarm devices; electronic pocket translators; electronic power supplies, converters, controllers and transformers; electronic publications, downloadable; electronic publications [downloadable] provided from databases or the internet; electronic publications [downloadable] provided on-line from databases or the internet; electronic surveillance apparatus; electronic tags for goods; electronic telecommunications apparatus; electronic telephone dialers; electronic telephone exchange apparatus; elevator control panels; embedded operating software; encoded identification bracelets, magnetic; encoded key cards; encoded magnetic cards; encoded prepaid magnetic cards; enlarging apparatus [photography]; epidiascopes; ergometers; exposure meters [light meters]; external computer hard drives; extinguishers; eyeglass chains; eyeglass cords; eyeglass frames; eyepieces; facsimile machines; feeder cables; fibre [fiber (am.)] optic cables; film (cinematographic -), exposed; film cutting apparatus; films, exposed; films (x-ray -), exposed; filters for respiratory masks; filters for ultraviolet rays, for photography; filters [photography]; fire alarms; fire beaters; fire blankets; fire boats; fire buckets; fire engines; fire escapes; fire hose; fire hose nozzles; flame detection apparatus; flash-bulbs [photography]; flashing lights [luminous signals]; flashlights [photography]; flat panel electroluminescent display screens; floppy disks; fluorescent screens; FM transmitters; fog signals, non-explosive; food analysis apparatus; frames for photographic transparencies; frequency meters; fuel cell electrodes; fuel cells and flow field plates for use in vehicles, portable electronics and stationary power units; fuel cells for generating electricity and energy; furnaces for laboratory use; furniture especially made for laboratories; fuse wire;

fuses; galena crystals [detectors]; galvanic batteries; galvanic cells; galvanometers; games cartridges for use with electronic games apparatus; garments for protection against fire; gas flow controllers; gas flow monitors; gas leak alarms; gas testing instruments; gasoline gauges; gasometers [measuring instruments]; gauges; glasses and sunglasses; glazing apparatus for photographic prints; global positioning system [GPS] apparatus; global positioning system [GPS] receivers; global positioning systems; gloves for divers; gloves for protection against accidents; gloves for protection against x-rays for industrial purposes; goggles for sports; GPS tracking and location devices; grids for batteries; hands free kits for phones; head cleaning tapes [recording]; headphones; heat regulating apparatus; heliographic apparatus; hemline markers; high-frequency apparatus; holders and cases for compact discs and digital video discs; holders for electric coils; holders for mobile telephones; holograms; home theater projectors; horns for loudspeakers; hourglasses; hydrometers; hygrometers; identification sheaths for electric wires; identification threads for electric wires; identity cards, magnetic; igniting apparatus, electric, for igniting at a distance; image and sound processing systems for the recording and further processing of information; incubators for bacteria culture; inductors [electricity]; in-ear headphones; instruments containing eyepieces; integrated circuit cards [smart cards]; integrated circuit memory cards; integrated circuits; integrated software packages; interactive CDs, video CDs and DVDs; interactive compact discs and CD-ROMs; interactive computer game programs; interactive DVDs; interactive multimedia software for playing games; intercommunication apparatus; interfaces for computers; inverters [electricity]; invoicing machines; ionization apparatus not for the treatment of air or water; jack cables; jigs [measuring instruments]; juke boxes for computers; junction boxes [electricity]; junction sleeves for electric cables; kilometer recorders for vehicles; knee-pads for workers; laboratory apparatus and instruments; laboratory centrifuges; laboratory trays; lactodensimeters; lactometers; laptop computers; lasers, not for medical purposes; LCD monitors; LCD, plasma and led televisions; LCD televisions; led televisions; lens hoods; lens hoods; lenses for astrophotography; letter scales; level converters; levelling instruments; levelling staffs [surveying instruments]; levels [instruments for determining the horizontal]; life belts; life buoys; life jackets; lifesaving apparatus and equipment; life-saving capsules for natural disasters; life-saving rafts; light dimmers [regulators], electric; light-emitting diodes [led]; light-emitting electronic pointers; lighting ballasts; lightning conductors [rods]; limiters [electricity]; lithium batteries; locks, electric; logs [measuring instruments]; loudspeakers; low profile DC/DC converters; LP records; luminescence measuring devices; machine-readable data carriers recorded with programs; magic lanterns; magnetic and optical data carriers; magnetic and optical instruments and apparatus; magnetic data media; magnetic encoders; magnetic tape units for computers; magnetic tapes; magnetic wires; magneto-optical and optical data carriers; magnets; magnifying eyeglasses; magnifying glasses [optics]; mains chargers; marine compasses; marine depth finders; marking buoys; marking gauges [joinery]; masts for wireless aerials; material testing instruments and machines; material testing machines; materials for electricity mains [wires, cables]; mathematical instruments; measures; measuring and control apparatus and instruments; measuring and testing machines and instruments; measuring apparatus; measuring apparatus and instruments; measuring devices, electric; measuring glassware; measuring instruments; measuring spoons; measuring, testing or surveying machines and instruments; mechanical signs; mechanisms for coin-operated apparatus; mechanisms for counter-operated apparatus; megaphones; memory cards for cameras; memory cards for video game machines; mercury levels; metal detectors for industrial or

military purposes; meteorological balloons; meteorological instruments; metronomes; microcircuits; micrometer screws for optical instruments; micrometers; microphones; microprocessors; microscopes; microtomes; milage recorders for vehicles; mirrors for inspecting work; mirrors [optics]; mobile phone accessories; mobile phone covers and accessories; mobile telecommunications handsets; mobile telephone cases made of leather or imitations of leather; mobile telephone covers made of cloth or textile materials; mobile telephones; mobile telephones and other mobile communications apparatus; modems; money counting and sorting machines; monitoring apparatus, electric; monitors [computer hardware]; monitors [computer programs]; mouse [data processing equipment]; mouse pads; multifunction computer keyboards; multilayer printed wiring boards; multimedia apparatus and instruments; multimedia projectors; multimedia software for use in creating presentations, managing databases and accessing and displaying information; music videos and games downloadable from the internet; nautical apparatus and instruments; naval signalling apparatus; navigation apparatus for vehicles [on-board computers]; navigational instruments; needles for record players; neon signs; nets for protection against accidents; network facsimile servers; network operating system programs; networking and communications equipment; night vision goggles; nose clips for divers and swimmers; notebook computer cooling pads; notebook computers; objectives [lenses] [optics]; observation instruments; octants; ohmmeters; optical apparatus and instruments; optical character readers; optical condensers; optical data media; optical detection, inspection, measuring and testing apparatus and instruments; optical discs; optical fibers [fibres] [light conducting filaments]; optical glass; optical goods; optical lamps; optical lenses; optical viewing and recording apparatus; oscillographs; oxygen transvasing apparatus; ozonisers [ozonators]; parking meters; particle accelerators; particle emission monitors; particle flow monitors; parts and accessories for spectacles; pattern recognition systems composed of computer chips, computer hardware and software; pdf creation and conversion software; pedometers; peepholes [magnifying lenses] for doors; peripheral equipment for computers and data processing equipment; periscopes; personal stereos; personnel tracking devices; petri dishes; phase modifiers; phonograph records; photocopiers [photographic, electrostatic, thermic]; photographic and cinematographic apparatus and instruments; photographic, cinematographic and optical apparatus and instruments; photographic, cinematographic, optical and teaching apparatus and instruments; photographic, cinematographic, optical, weighing, measuring, signalling, checking and teaching apparatus and instruments; photometers; photosensors; phototelegraphy apparatus; photovoltaic apparatus and installations for generating solar electricity; photovoltaic cells; pince-nez; pince-nez cases; pipettes; pitot tubes; plane tables [surveying instruments]; planimeters; plasma display panels; plates for batteries; plotters; plumb bobs; plumb lines; pocket calculators; polarimeters; portable DVD players; portable media players; postage stamp checking apparatus; power distribution or control machines and apparatus; power mixers [audio]; precision balances; precision measuring apparatus; pre-recorded and blank video cassettes, DVDs, audio discs and compact discs; pre-recorded CD-Is; prerecorded CD-ROMs; pre-recorded computer data carriers; pre-recorded DVDs; pre-recorded exercise DVDs; pre-recorded fitness DVDs; prerecorded music audio tapes; pre-recorded music compact discs; prerecorded music videotapes; pre-recorded non-musical audio tapes; prerecorded non-musical videotapes; pressure gauges; pressure indicator plugs for valves; pressure indicators; pressure measuring apparatus; printed circuit boards; printed circuits; printers for use with computers; prisms [optics]; privacy protection software; probes for scientific purposes; processors [central processing units]; projected capacitive touch sensors; projection

apparatus; projection screens; protection devices against x-rays, not for medical purposes; protection devices for personal use against accidents; protective helmets; protective helmets for sports; protective masks; protective suits for aviators; protractors [measuring instruments]; punched card machines for offices; push buttons for bells; pyrometers; quantity indicators; radar apparatus; radio and television apparatus; radio apparatus and instruments; radio frequency adaptors; radio frequency amplifiers; radio frequency repeaters; radio pagers; radio receiving and transmitting apparatus; radio, television, sound recording, sound reproducing and telecommunications apparatus and instruments; radioactivity measuring apparatus; radioactivity measuring instruments; radiological apparatus for industrial purposes; radiology screens for industrial purposes; radios; radiotelegraphy sets; radiotelephony sets; railway signal apparatus, luminous or mechanical; railway traffic safety appliances; range finders; rangefinders for golf; readers [data processing equipment]; receivers, transmitters and antennas for satellite broadcasting; record players; recorded video discs and tapes; reflecting discs for wear, for the prevention of traffic accidents; reflective apparel and clothing for the prevention of accidents; refractometers; refractors; regulating apparatus, electric; relays, electric; remote control apparatus; remote control apparatus and instruments; remote control transmitters and receivers; resistances, electric; respirators for filtering air; respiratory masks, other than for artificial respiration; resuscitation mannequins [teaching apparatus]; retorts; retorts' stands; revolution counters; rheostats; riding helmets; ring tones, graphics and music downloadable via a global computer network and wireless devices; road signs, luminous or mechanical; rods for water diviners; rulers [measuring instruments]; rules [measuring instruments]; saccharometers; safety nets; safety restraints, other than for vehicle seats and sports equipment; safety tarpaulins; salinometers; satellite broadcast receiving and decoding apparatus and instruments; satellite navigational apparatus; satellite receiving and transmission apparatus and instruments; satellites for scientific purposes; scales; scanners [data processing equipment]; scanning software; scanning software and image processing software; scientific apparatus and instruments; scientific, measuring and teaching apparatus and instruments; scientific, optical and teaching apparatus and instruments; scientific, optical, measuring, signalling and checking apparatus and instruments; scientific, optical, weighing, measuring, signalling and checking [supervision] apparatus and instruments; scientific, photographic, cinematographic and optical apparatus and instruments; scientific, photographic, cinematographic, optical, supervision and teaching apparatus and instruments; screens for photoengraving; screens [photography]; screw-tapping gauges; secure microprocessors; semiconductor chips and integrated circuits; semiconductor silicon wafers; semi-conductors; sextants; sheaths for electric cables; shoes for protection against accidents and fire; shoes for protection against accidents, irradiation and fire; shutter releases [photography]; shutters [photography]; sighting telescopes for firearms; signal bells; signal lanterns; signal transmission apparatus and impedance buffers; signalling buoys; signalling panels, luminous or mechanical; signalling whistles; signals, luminous or mechanical; signs, luminous; silicon wafers for integrated circuits; sim cards; simulators for the steering and control of vehicles; single-crystal silicon wafers; sirens; sleeves for laptops; slide calipers; slide projectors; slide-rules; slope indicators; smartphones; smoke detectors; sockets, plugs and other contacts [electric connections]; socks, electrically heated; software for creating, facilitating, and managing remote access to and communication with local area networks and global networks; software for diagnostics and troubleshooting; software for internet access; software for searching and retrieving information across a computer network; software to be

used with satellite or GPS navigation systems; solar batteries; solar panels for the production of electricity; solderers' helmets; solenoid valves [electromagnetic switches]; sonars; sound locating instruments; sound measuring apparatus; sound power amplifiers; sound recording and reproducing apparatus; sound recording apparatus; sound recording apparatus and equipment; sound recording carriers; sound recording strips; sound reproduction apparatus; sound reproduction apparatus and equipment; sound transmitting apparatus; sound, video and data recording and reproducing apparatus; sounding apparatus and machines; sounding leads; sounding lines; spark-guards; speaker mounting brackets; speaker systems consisting of loudspeakers and cabinets for use with loudspeakers; speakers for portable media players; speaking tubes; spectacle cases; spectacle frames; spectacle lenses; spectacles [optics]; spectral measuring and imaging apparatus and instruments; spectrograph apparatus; spectroscopes; speed checking apparatus for vehicles; speed indicators; speed measuring apparatus [photography]; speed regulators for record players; spherometers; spirit levels; spirit measures; spools [photography]; sports training simulators; sprinkler systems for fire protection; stage lighting regulators; stands for photographic apparatus; starter cables for motors; static grounding systems and apparatus; steering apparatus, automatic, for vehicles; step-up transformers; stereoscopes; stereoscopic apparatus; stills for laboratory experiments; straps for sunglasses or spectacles; stroboscopes; sulphitometers; sunglasses; surveying apparatus and instruments; surveying chains; surveying instruments; surveyors' levels; switchboards; switchboxes [electricity]; switches, electric; tablet computers; tachometers; tape recorders; taximeters; teaching and instructional apparatus; teaching and instructional apparatus and instruments; teaching apparatus; teeth protectors; telecommunication devices and apparatus; telecommunication machines and apparatus; telecommunications and telephonic apparatus and instruments; telecommunications apparatus and instruments; telecommunications apparatus for use with digital and analog signals; telecommunications apparatus for use with mobile networks; telecommunications devices, apparatus and instruments; telegraph wires; telegraphs [apparatus]; telephone adapters; telephone apparatus; telephone receivers; telephone transmitters; telephone wires; teleprinters; teleprompters; telerupters; telescopes; telescopic sights for artillery; television apparatus; temperature indicator labels, not for medical purposes; temperature indicators; terminal blocks; terminals [electricity]; test tubes; testing apparatus not for medical purposes; theft prevention installations, electric; theodolites; thermionic valves; thermometers, not for medical purposes; thermostats; thermostats for vehicles; thread counters; ticket dispensers; time clocks [time recording devices]; time recording apparatus; time switches, automatic; tone arms for record players; toner cartridges, unfilled, for printers and photocopiers; totalizators; touch sensitive display and control screens; traffic cones; traffic-light apparatus [signalling devices]; transformers [electricity]; transistors [electronic]; transmitters of electronic signals; transmitters [telecommunication]; transmitting sets [telecommunication]; transparencies [photography]; transponders; triodes; tripods for cameras; urinometers; usb flash drives; usb modems; vacuum gauges; vacuum tubes [radio]; variometers; vehicle breakdown warning triangles; vehicle locating, tracking and security systems comprised of an antenna and radio transmitter to be placed in a vehicle; vehicle radios; verniers; video baby monitors; video camera stands; video cassettes; video game cartridges; video imaging systems; video mixing desks; video recorders; video screens; video surveillance systems; video telephones; videotapes; viewfinders, photographic; viscosimeters; voltage regulators and monitors; voltage regulators for vehicles; voltage surge protectors; voltmeters; voting machines; wafers for solar cells; wafers [silicon slices];

walkie-talkies; washing trays [photography]; water level indicators; wavemeters; weighbridges; weighing apparatus and instruments; weighing machines; weighing, measuring, signalling, checking [supervision], life-saving and teaching apparatus and instruments; weighing scales and weights; weights; welding goggles; wet suits for scuba diving; whistle alarms; wind socks for indicating wind direction; wire connectors [electricity]; wires, electric; workmen's protective face-shields; wrist rests for use with computers; wrist supports for keyboards; x-ray apparatus not for medical purposes; x-ray photographs, other than for medical purposes; x-ray tubes not for medical purposes; x-ray producing equipment, other than for medical purposes; 3D spectacles.

#### Class 17

Acrylic resins [semi-finished products]; adhesive bands other than stationery and not for medical or household purposes; adhesive tapes other than stationery and not for medical or household purposes; antidazzle films for windows [tinted films]; artificial resins [semi-finished products]; asbestos; asbestos cloth; asbestos coverings; asbestos fabrics; asbestos felt; asbestos fibers [fibres]; asbestos mill boards; asbestos packing; asbestos paper; asbestos safety curtains; asbestos sheets; asbestos slate; bags [envelopes, pouches] of rubber, for packaging; balata; rubber seals for unscrewing jar lids; bark coverings for sound insulation; boiler composition to prevent the radiation of heat; brake lining materials, partly processed; canvas hose pipes; carbon fibers [fibres], other than for textile use; caulking materials; cellulose acetate, semi-processed; chemical compositions for repairing leaks; clack valves of rubber; clutch linings; compositions to prevent the radiation of heat; compressed air pipe fittings, not of metal; connecting hose for vehicle radiators; cords of rubber; cotton wool for packing [caulking]; cylinder jointings; dielectrics [insulators]; ebonite [vulcanite]; ebonite [vulcanite] molds [moulds]; elastic threads, not for use in textiles; expansion joint fillers; fiberglass [fibreglass] fabrics, for insulation; fiberglass for insulation; filtering materials [semi-processed foams or films of plastic]; flexible tubes, not of metal; floating anti-pollution barriers; foam supports for flower arrangements [semi-finished products]; foils of metal for insulating; gaskets; glass wool for insulation; gum, raw or semi-worked; guttapercha; hoses of textile material; insulating fabrics; insulating felt; insulating gloves; insulating materials; insulating oil for transformers; insulating oils; insulating paints; insulating paper; insulating plaster; insulating refractory materials; insulating tape; insulating tape and band; insulating varnish; insulators; insulators for cables; insulators for electric mains; insulators for railway tracks; joint packings; junctions, not of metal, for pipes; latex [rubber]; liquid rubber; lute; mica, raw or partly processed; mineral wool [insulator]; non-conducting materials for retaining heat; packing [cushioning, stuffing] materials of rubber or plastics; padding materials of rubber or plastics; paper for electrical capacitors; pipe gaskets; pipe muffs, not of metal; plastic fibers [fibres], not for textile use; plastic film, not for wrapping; plastic sheeting for agricultural purposes; plastic substances, semi-processed; reinforcing materials, not of metal, for pipes; rings of rubber; rubber material for recapping tires [tyres]; rubber, raw or semi-worked; rubber solutions; rubber stoppers; sealant compounds for joints; self-adhesive tapes, other than stationery and not for medical or household purposes; sheets of reclaimed cellulose, other than for packing; shock absorbing buffers of rubber; slag wool [insulator]; sleeves of rubber for protecting parts of machines; soundproofing materials; stops of rubber; substances for insulating buildings against moisture; synthetic resins [semi-finished products]; synthetic rubber; threads of plastic for soldering; threads of plastic materials, not for textile use; threads of rubber, not for use in textiles; valves of india-rubber or vulcanized fiber [fibre]; viscose sheets, other

than for wrapping; vulcanized fiber [fibre]; washers of rubber or vulcanized fiber [fibre]; watering hose; waterproof packings; water-tight rings; weatherstripping; weatherstripping compositions.

#### Class 19

Advertisement columns, not of metal; agglomerated bagasses of cane [building material]; agricultural nets for erosion control; air conditioning ducts, not of metal; alabaster; alabaster glass; angle irons, not of metal; aquaria [structures]; aquarium gravel; aquarium sand; arbours and trellises made of wood; arbours [structures not of metal]; armored doors, not of metal; artificial stone; asbestos cement; asbestos mortar; asphalt; asphalt patching compounds with a tar base [building materials]; asphalt paving; athletic flooring [not of metal]; aviaries, not of metal [structures]; baffle panels in the nature of submersible fiberglass walls used to direct water flow at waste water treatment facilities; balsa wood; balustrading; bamboo flooring; barriers, not of metal, for pedestrian traffic control; beacons, not of metal, non-luminous; beams, not of metal; bicycle parking installations, not of metal; binding agents for making briquettes; binding agents for making stones; binding material for road repair; bird baths [structures, not of metal]; bitumen; bituminous coatings for roofing; bituminous products for building; bleachers, not of metal [grandstands]; blinds [outdoor], not of metal and not of textile; board material made of polyethelene used as a wood substitute; branching pipes, not of metal; bricks; building cardboard [asphalted]; building glass; building materials, not of metal; building panels, not of metal; building paper; building stone; building timber; buildings, not of metal; buildings, transportable, not of metal; busts of marble; busts of stone, concrete or marble; cabanas not of metal; caissons for construction work under water; calcareous marl; calcareous stone; casement windows, not of metal; cask wood; cast stone garden and household ornaments; cat doors, not of metal; ceilings, not of metal; cement; cement for blast furnaces; cement for furnaces; cement posts; cement slabs; chicken-houses, not of metal; chimney cowl, not of metal; chimney pots, not of metal; chimney shafts, not of metal; chimneys, not of metal; cladding, not of metal, for building; clay; clinker ballast; clinker stone; coal tar; coatings [building materials]; concrete; concrete bricks; concrete building elements; concrete busts; cork [compressed]; cornices, not of metal; coverings for ceilings, not of metal; crash barriers, not of metal; crash barriers, not of metal, for roads; crash barriers of concrete for roads; crash barriers of concrete, wood or plastic for roads; crash barriers of plastic for roads; crash barriers of wood for roads; decking, not of metal; desktop statuary made of stone, concrete or marble; diving boards, not of metal; dog doors, not of metal; dog houses for building sites [not of metal]; door casings, not of metal; door frames, not of metal; door panels, not of metal; doors, not of metal; drain pipes made of concrete, earthenware or sandstone; drain pipes, not of metal; drain traps [valves], not of metal or plastic; duckboards, not of metal; ducts, not of metal, for ventilating and airconditioning installations; earth for bricks; epoxy grout; erosion control fabric, mats and sheeting, not of metal [geotextiles]; erosion control fencing [non-metallic building materials]; erosion control mats [building materials]; fabric for underlayment of flooring; fabrics for use in civil engineering [geotextiles]; fair huts; felt for building; fences, not of metal; fiberglass reinforcement fabric for use in land, sea and aerospace applications; figures of concrete; figures of stone, concrete or marble; figurines [statuettes] of stone, concrete or marble; fire burrs; fireproof cement coatings; flashing, not of metal, for building; floating docks, not of metal, for mooring boats; floor panels, not of metal; floor tiles, not of metal; flooring underlay made of cork; flooring underlays [non-metallic]; floors, not of metal; folding doors, not of metal; foundry molds [moulds], not of metal; frames, not of metal, for building; framework, not of metal, for building; furrings of wood;

gates, not of metal; gazebos, not of metal; gazebos, not primarily of metal; gazebos, portable, not of metal; geotextiles; geotextiles for use in connection with road construction, railroad construction, tunnel construction, waterway construction and public works construction; glass granules for road marking; glass mosaics for use in building construction; glass panels for building construction; glass powder for building purposes; glass powder for use as a partial replacement of portland cement in cement mixes; glazed ceramic floor tiles; glazed ceramic wall tiles; granite; grave markers of concrete; grave markers of marble; grave markers of stone; gravel; gravestone slabs, not of metal; gravestones; greenhouse frames, not of metal; greenhouses, transportable, not of metal; grog [fired refractory material]; gutter pipes, not of metal; gutters (roof -), not of metal; gutters (street -), not of metal; gypsum; hardwood decking; hardwood decking and flooring; hardwood flooring; heating ducts, not of metal; hips for roofing; horticultural frames, not of metal; huts; hydrated lime for building purposes; insect screens not of metal; insulating glass [building]; interior window shutters, not of metal; jalousies, not of metal; japanese sliding screens of thin paper [shoji [building]]; japanese style indoor sliding partitions [fusuma [non-metallic building materials]]; joists, not of metal; laminate flooring [not of metal]; laths, not of metal; latticework, not of metal; lengthening pieces, not of metal, for chimneys; letter boxes of masonry; lime; limestone; lintels, not of metal; luminous paving; macadam; magnesia cement; manhole covers, not of metal; mantels of plaster for fireplaces; mantels of stone for fireplaces; mantels of wood for fireplaces; mantels of wood, plaster or stone for fireplaces; mantlepieces; manufactured timber; marble; marble figures; masts [poles], not of metal; materials for making and coating roads; memorial plaques, not of metal; millwork, excluding furniture; modular chicken houses [not of metal]; modular dog houses for building sites, not of metal; modular greenhouses [not of metal]; modular log homes; modular pig houses [not of metal]; modular pigsties [not of metal]; modular plastic decking to serve as a ground cover; modular stables, not of metal; moldable wood; moldings, not of metal, for building; moldings, not of metal, for cornices; mold-resistant drywall; monuments, not of metal; monuments of stone, concrete or marble; mooring bollards, not of metal; mortar for building; mosaic art tiles made of marble; mosaics for building; natural stone slabs; natural stone slabs and tiles; natural stone tiles; non-agricultural lime for use in construction; non-luminous and nonmechanical signs, not of metal; non-metal decorative moldings and decorative trim for use in building construction; non-metal fireresistant boards and panels for construction; non-metal mantels for fireplaces; non-metal, non-fabric valances; non-metal portable piers which extend from a shore line out over water; non-metal shelter structures [other than tents]; non-metal suspended ceiling systems comprising panels; olivine for building; paint spraying booths, not of metal; palisading, not of metal; pantiles; paperboard for building; parquet floor boards; parquet flooring; parquet flooring of cork and of cork-based conglomerates; partitions, not of metal; patching compounds with a tar base; paving blocks, not of metal; paving slabs, not of metal; penstock pipes, not of metal; perches; pergolas, not of metal; pergolas, not primarily of metal; pet doors, not of metal; pig houses, not of metal; pigsties, not of metal; pilings, not of metal; pipes of cement; pipes of cement, earthenware or sandstone; pitch; planks [wood for building]; plaster; plastic conduits for drainage; plastic conduits for drainage and irrigation; plastic conduits for irrigation; plastic pipes for conveying natural gas; plastic pipes for plumbing purposes; plastic tiles; plastic water conduits for roofs and balconies; plate glass [windows], for building; platforms, prefabricated, not of metal; plywood; poles, not of metal, for electric power lines; polyethylene pipes used in geothermal heating and cooling systems; porches, not of metal, for building; porphyry [stone]; portable dance floors [not of metal]; portable

non-metal risers for public performances [platforms]; portable stages [not of metal]; portable traffic barriers, not of metal; posts, not of metal; potters' clay; potters' clay [raw material]; prefabricated animal houses [not of metal]; pre-fabricated architectural columns, not of metal; prefabricated houses [kits]; pre-fabricated log homes; pre-fabricated pigsties [not of metal]; pre-fabricated stables, not of metal; props, not of metal; quartz; railings, not of metal, for balconies; railings, not of metal, for bridges; railings, not of metal, for fences; railway sleepers, not of metal; raw chalk; ready to use concrete; reeds, for building; refractory bricks, not of metal; refractory castable mixes, not of metal; refractory construction materials, not of metal; refractory furnace linings, not of metal; reinforcing materials, not of metal, for building; rigid pipes, not of metal [building]; rigid pipes of polypropylene for the supply of drinking water, and heating and air conditioning systems, in houses, office buildings and industrial buildings; road coating materials; road marking sheets and strips of synthetic material; rock crystal; rock crystal; rock materials used in the manufacture of floorings, roofings, countertops, walls, claddings and fireplaces; rocket launching platforms, not of metal; roof coverings, not of metal; roof flashing, not of metal; roofing, not of metal; roofing, not of metal, incorporating solar cells; roofing shingles; roofing slates; rubber cove bases; rubber flooring; rubber stairway warning tiles; rubble; safety glass; sand; sand, except foundry sand; sandstone for building; sandstone tubes; sawn timber; scaffolding, not of metal; scantlings [carpentry]; schists; sculptures of cement, marble or stone; secondary moisture drainage systems consisting of non-metal troughs and collection boxes; sheet piles, not of metal; shingles, not of metal; shuttering, not of metal, for concrete; shutters, not of metal; signalling panels, non-luminous and nonmechanical, not of metal; signs, non-luminous and non-mechanical, not of metal, for roads; silica [quartz]; sills, not of metal; silos, not of metal; silver sand; skating rinks [structures, not of metal]; slabs, not of metal, for building; slag [building material]; slate; slate powder; spackling compounds; stables; stages for musical performances composed of primarily non-metal materials; stages, not of metal, for musical performances; stained-glass windows; staircases, not of metal; stair-treads [steps], not of metal; statues of stone, concrete or marble; statuettes of concrete; stone; stone busts; stone figures; stringers [parts of staircases], not of metal; structural and architectural members formed of pressed wood fibers; swimming pools [structures, not of metal]; tanks of masonry; tar; tar-based concrete and asphalt patching compounds [building materials]; tarred strips, for building; telegraph posts, not of metal; telephone booths, not of metal; terra cotta; tile floorings, not of metal; tile floorings, not of metal; tiles, not of metal; tiles, not of metal, for building; tiles of clay, glass, gypsum, ceramic or earthenware [for walls, floors or ceilings]; tomb or grave enclosures, not of metal; tombs [monuments], not of metal; tombs, not of metal; tombstone plaques, not of metal; tombstone plaques, not of metal; tombstone stelae, not of metal; tombstones; trellises, not of metal; tufa; turnstiles, not of metal; underground tornado shelters made of fiberglass; vaults, not of metal [burial]; veneer wood; vent covers, not of metal, for hvac ducts; vinyl doors; vinyl patio doors; vinyl siding; vinyl sliding doors; wainscoting, not of metal; wall claddings, not of metal, for building; wall linings, not of metal, for building; wall tiles, not of metal; wall tiles, not of metal, for building; water tanks of masonry; water-pipe valves, not of metal or plastic; water-pipes, not of metal; water-resistant boards and panels, not of metal, for construction; window frames, not of metal; window frames of wood clad in aluminum; window frames, sashes and casements made of wood; window glass, except glass for vehicle windows; window glass, for building; windows, not of metal; wood for making household utensils; wood panelling; wood paving; wood pulp board, for building; wood, semi-worked; wood veneers; wooden floor

boards; wooden posts for electric power lines; works of art of stone, concrete or marble; works of stonemasonry; xylolith.

quarrying; installation, maintenance and repair of equipment and apparatus for use in mining, open pit mining, quarrying, ore and coal mining, demolition and road building; installation, maintenance and repair of equipment and apparatus for use in road building; installation, maintenance and repair of escalators; installation, maintenance and repair of exhaust gas reduction systems; installation, maintenance and repair of fiber optic networks; installation, maintenance and repair of filling machines; installation, maintenance and repair of fire alarms; installation, maintenance and repair of fire and security alarms; installation, maintenance and repair of fire and smoke barriers; installation, maintenance and repair of fire detection apparatus; installation, maintenance and repair of fire, smoke and heat alarms; installation, maintenance and repair of fire, smoke and heat detectors; installation, maintenance and repair of freestanding lattice towers; installation, maintenance and repair of gaming machines, juke boxes and telecommunication equipment; installation, maintenance and repair of gas and electricity systems; installation, maintenance and repair of gas, electricity and water supply apparatus; installation, maintenance and repair of hardware for computer networks; installation, maintenance and repair of hardware for data communication networks; installation, maintenance and repair of hardware for data processing apparatus; installation, maintenance and repair of heat insulation systems; installation, maintenance and repair of heating apparatus; installation, maintenance and repair of heating systems; installation, maintenance and repair of high pressure lines, hosing and pipelines for hydraulic systems; installation, maintenance and repair of hydraulic equipment; installation, maintenance and repair of hydraulic systems for machinery; installation, maintenance and repair of hydraulic systems for vehicles; installation, maintenance and repair of industrial machinery; installation, maintenance and repair of industrial machinery and manufacturing plants; installation, maintenance and repair of ink metering apparatus for printing presses; installation, maintenance and repair of ink rollers for printing presses; installation, maintenance and repair of inverters, batteries and electrical connection apparatus for solar energy systems; installation, maintenance and repair of kitchen equipment; installation, maintenance and repair of kitchen furniture; installation, maintenance and repair of labeling machines; installation, maintenance and repair of led lighting apparatus; installation, maintenance and repair of lighting apparatus; installation, maintenance and repair of loading and unloading machines; installation, maintenance and repair of machinery for the graphics industry; installation, maintenance and repair of machinery for the printing industry; installation, maintenance and repair of machines for processing plastics; installation, maintenance and repair of machines for use in the publishing industry; installation, maintenance and repair of manufacturing machines and apparatus; installation, maintenance and repair of manufacturing plants; installation, maintenance and repair of measuring and testing apparatus and instruments; installation, maintenance and repair of measuring apparatus; installation, maintenance and repair of measuring, signalling and monitoring apparatus and instruments; installation, maintenance and repair of mechanically operated apparatus for opening and closing fanlights; installation, maintenance and repair of mechanically operated apparatus for opening and closing skylights; installation, maintenance and repair of mechanically operated apparatus for opening and closing ventilation flaps; installation, maintenance and repair of mechanically operated apparatus for opening and closing windows; installation, maintenance and repair of mechanically operated apparatus for opening and closing windows, fanlights, skylights and ventilation flaps; installation, maintenance and repair of medical apparatus and instruments; installation, maintenance and repair of metalworking machines;

installation, maintenance and repair of meteorological masts; installation, maintenance and repair of molding machines; installation, maintenance and repair of money counting and sorting machines; installation, maintenance and repair of moving sidewalks; installation, maintenance and repair of oil separators; installation, maintenance and repair of packaging machines; installation, maintenance and repair of passenger bridges; installation, maintenance and repair of passenger elevators; installation, maintenance and repair of passenger elevators, moving sidewalks, passenger bridges, moving stairways and stairway lifts; installation, maintenance and repair of photovoltaic cells and modules; installation, maintenance and repair of photovoltaic modules; installation, maintenance and repair of power plants and power grids; installation, maintenance and repair of pressure regulators; installation, maintenance and repair of printing machines; installation, maintenance and repair of printing machines and parts thereof; installation, maintenance and repair of printing presses; installation, maintenance and repair of printing presses and other machinery for use in the publishing industry; installation, maintenance and repair of printing presses and parts thereof; installation, maintenance and repair of pumps and pumping stations; installation, maintenance and repair of quality control apparatus; installation, maintenance and repair of quality control apparatus for printing presses; installation, maintenance and repair of railroad tracks; installation, maintenance and repair of refrigerating apparatus; installation, maintenance and repair of regulating, monitoring and control apparatus; installation, maintenance and repair of remote control apparatus for changing printing plates; installation, maintenance and repair of remote control, remote operation, remote monitoring, and control and regulating apparatus for printing presses; installation, maintenance and repair of rollers for machines; installation, maintenance and repair of rolling mills; installation, maintenance and repair of safety equipment; installation, maintenance and repair of sealing machines; installation, maintenance and repair of security and authentication apparatus; installation, maintenance and repair of security and safety equipment; installation, maintenance and repair of sewerage systems; installation, maintenance and repair of solar collectors; installation, maintenance and repair of solar energy systems; installation, maintenance and repair of solar installations for generating power; installation, maintenance and repair of solar installations for generating power, solar collectors and photovoltaic modules; installation, maintenance and repair of sorting machines; installation, maintenance and repair of stairway lifts; installation, maintenance and repair of street lights; installation, maintenance and repair of surgical apparatus and instruments; installation, maintenance and repair of surgical, medical, dental and veterinary apparatus and instruments; installation, maintenance and repair of systems, machinery and apparatus for working and processing metals and sheet metal; installation, maintenance and repair of telecommunications apparatus and instruments; installation, maintenance and repair of telecommunications equipment; installation, maintenance and repair of telephone and communication equipment; installation, maintenance and repair of telephones; installation, maintenance and repair of temperature control apparatus; installation, maintenance and repair of vacuum pumps; installation, maintenance and repair of ventilating apparatus; installation, maintenance and repair of ventilating systems; installation, maintenance and repair of veterinary apparatus and instruments; installation, maintenance and repair of water supply apparatus; installation, maintenance and repair of wave energy conversion apparatus and wave energy power plants; installation, maintenance and repair of weighing apparatus; installation, maintenance and repair of wind towers; installation, maintenance and repair of wind towers and anemometers; installation, maintenance and repair of

windmills and wind turbines; installation, maintenance and repair services provided by a handyman; installation, maintenance, repair and reconditioning of industrial machinery; installation of air conditioning apparatus for use in clean rooms; installation of air conditioning systems; installation of apparatus for generating power; installation of apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; installation of apparatus for recording, transmission or reproduction of sound or images; installation of apparatus for the production of oil; installation of audiovisual equipment; installation of building automation equipment; installation of cables for internet access; installation of cavity wall insulation; installation of clean room systems; installation of commercial cooking apparatus; installation of communication equipment; installation of computer hardware; installation of control systems for air conditioning; installation of cooking appliances; installation of door closers; installation of door openers; installation of door openers and closers; installation of doors and windows; installation of drying apparatus; installation of dust extraction apparatus; installation of electric and electronic equipment in automobiles; installation of electric light and power systems; installation of electrical apparatus or generators; installation of energy-saving apparatus; installation of engines and motors; installation of environmental control systems; installation of environmental control systems for clean rooms; installation of environmental protection systems; installation of fire prevention equipment; installation of fixtures and fittings for buildings; installation of floor tiles; installation of foundry equipment; installation of furniture; installation of furniture for stores; installation of gas and water pipelines; installation of gas supply and distribution apparatus; installation of glass in conservatories, windows, doors and greenhouses; installation of hardware and cables for internet access; installation of hardware for computer networks; installation of hardware for computer systems; installation of hardware for internet access; installation of heating and cooling apparatus; installation of heating, lighting and cooking apparatus; installation of heating, refrigerating, air conditioning, drying, ventilating and dust extraction apparatus; installation of heating systems; installation of heating, ventilation and air conditioning [hvac] systems; installation of hydraulic equipment; installation of industrial furnaces; installation of industrial machinery; installation of insulating glass in conservatories, windows, doors and greenhouses; installation of insulating materials in buildings, roofs and structures; installation of kitchen appliances; installation of laundry and kitchen equipment; installation of lighting apparatus; installation of lightning conductors; installation of machines and machine tools for treating and processing metals; installation of passenger elevators; installation of photovoltaic cells and modules; installation of pipe insulation; installation of plumbing; installation of plumbing systems; installation of presses for processing metals; installation of radio systems and networks; installation of rainwater collection systems; installation of rainwater drainage systems; installation of rainwater harvesting systems; installation of rainwater tanks; installation of reactive power compensation apparatus; installation of refrigerating apparatus; installation of security and safety equipment; installation of ship interiors; installation of solar heating systems; installation of telephone equipment; installation of theft prevention devices; installation of thermal insulation for buildings; installation of ventilation and dust extraction systems; installation of water pipes; installation of water supply apparatus; installation of yacht interiors; installation, repair and maintenance of clean room facilities and equipment; installation, repair and maintenance of heating equipment; installation services relating to the modernization of machines, machine tools and automatic systems for treating and processing metals; insulating

of external walls; insulating of internal and external walls, ceilings and roofs; interference suppression in electrical apparatus; interior and exterior window cleaning services; irrigation devices installation and repair; kitchen equipment installation; knife sharpening; laundering; laundering and disinfecting of linen; laundering and providing information relating thereto; laundering of cloth, clothing, fabric, linen and textiles; laying of foundations; laying of paving; laying, repair, maintenance, replacement and refurbishment of pipelines; leather care, cleaning and repair; linen ironing; machinery installation, maintenance and repair; machinery retrofit and conversion services; maintenance and cleaning of mining equipment; maintenance and repair of automatic transmissions; maintenance and repair of continuously variable transmissions; maintenance and repair of control systems for radio systems and networks; maintenance and repair of dual-clutch transmissions; maintenance and repair of gears; maintenance and repair of grounded aircraft; maintenance and repair of hardware for computer networks; maintenance and repair of hybrid transmissions; maintenance and repair of hydrodynamic transmissions; maintenance and repair of hydrostatic transmissions; maintenance and repair of manual transmissions; maintenance and repair of motor vehicles and airplanes; maintenance and repair of power shift transmissions; maintenance and repair of skis; maintenance and repair of starters for motors and engines; maintenance and repair of synchronized transmissions; maintenance and repair of telecommunications networks, apparatus, and instruments; maintenance and restoration of works of art; maintenance of apparatus and installations for generating power; maintenance of aquariums; maintenance of communications equipment; maintenance of computer hardware; maintenance of fire alarm installations; maintenance of industrial machinery; maintenance of intruder alarms; maintenance of printing machines and digital printing systems; maintenance of telecommunications apparatus; maintenance of vehicle washing installations; maintenance of vehicles and machines; maintenance of water pollution control equipment; maintenance of water purifying apparatus; maintenance of welding machines and equipment; maintenance, repair and cleaning of apparatus and machinery for manufacturing semi-conductors; maintenance, repair and rebuilding of furnaces; maintenance, repair and reconditioning of photovoltaic apparatus and installations; maintenance, servicing and repair of apparatus and installations for generating power; maintenance, servicing and repair of household and kitchen appliances; maintenance, servicing and repair of vehicles; maintenance, servicing and repair of weapon systems; maintenance, servicing, tuning and repair of motors and engines; masonry; mending clothing; mending clothing and providing information relating thereto; mining extraction; mining for diamonds; mining for diamonds, precious stones or precious metals; mining for precious metals; mining for precious stones; motor vehicle maintenance and repair; office machines and equipment installation, maintenance and repair; oil burner servicing and repair; oil well casing, tubing, and drill pipe installation; painting and rendering of interior and exterior walls; painting, interior and exterior; painting of metal surfaces; painting of metal surfaces to prevent corrosion; painting or repair of signs; paper hanging; parasol repair; pavement marking services; pavement striping; pest control, other than for agricultural purposes; photographic apparatus repair; pier breakwater building; pipeline construction and maintenance; plastering; plastering and painting of building interiors; plumbing; pressing of cloth, clothing, fabric and textiles; pressing of clothing; pressing of clothing and providing information relating thereto; providing advice relating to installation, maintenance and repair services; providing information relating to bathtub and bath boiler cleaning services; providing information relating to building cleaning; providing information relating

to building construction; providing information relating to building demolition; providing information relating to building reconstruction; providing information relating to building renovation; providing information relating to chimney sweeping services; providing information relating to clothing mending services; providing information relating to clothing repair services; providing information relating to construction, repair, restoration, maintenance and installation services; providing information relating to floor polishing services; providing information relating to fur care and repair; providing information relating to fur care, cleaning and repair; providing information relating to furniture restoration; providing information relating to laundering services; providing information relating to repair and installation services; providing information relating to roofing installation and repair; providing information relating to safe maintenance and repair; providing information relating to septic tank cleaning services; providing information relating to shipbuilding; providing information relating to shoe repair; providing information relating to storage tank cleaning services; providing information relating to street cleaning services; providing information relating to the cleaning of building exteriors; providing information relating to the cleaning of carpets and rugs; providing information relating to the construction of buildings, and repair and installation services; providing information relating to the construction, repair and maintenance of buildings; providing information relating to the disinfection of telephone handsets; providing information relating to the installation of electrical apparatus; providing information relating to the installation of machinery; providing information relating to the pressing of clothing; providing information relating to the rental of car washing apparatus; providing information relating to the rental of construction equipment; providing information relating to the rental of construction machines and apparatus; providing information relating to the rental of electric washing machines; providing information relating to the rental of floor cleaning machines; providing information relating to the rental of mining machines and apparatus; providing information relating to the rental of mops; providing information relating to the repair and maintenance of furnaces; providing information relating to the repair and maintenance of spectacles; providing information relating to the repair of bags or pouches; providing information relating to the repair of bicycles; providing information relating to the repair of billiard equipment; providing information relating to the repair of fishing tackle; providing information relating to the repair of game machines and apparatus; providing information relating to the repair of land vehicles; providing information relating to the repair of personal ornaments; providing information relating to the repair of spectacles; providing information relating to the repair of sports equipment; providing information relating to the repair of tatami mats; providing information relating to the repair of toys or dolls; providing information relating to the repair or maintenance of agricultural machines and implements; providing information relating to the repair or maintenance of air conditioning apparatus; providing information relating to the repair or maintenance of aircraft; providing information relating to the repair or maintenance of amusement machines and apparatus; providing information relating to the repair or maintenance of automobiles; providing information relating to the repair or maintenance of bathtubs; providing information relating to the repair or maintenance of bicycle parking apparatus; providing information relating to the repair or maintenance of boilers; providing information relating to the repair or maintenance of bookbinding apparatus and machines; providing information relating to the repair or maintenance of burners; providing information relating to the repair or maintenance of chemical plants; providing information relating to the repair or maintenance of chemical

processing machines and apparatus; providing information relating to the repair or maintenance of cinematographic machines and apparatus; providing information relating to the repair or maintenance of clocks and watches; providing information relating to the repair or maintenance of construction machines and apparatus; providing information relating to the repair or maintenance of consumer electrical appliances; providing information relating to the repair or maintenance of cooking apparatus; providing information relating to the repair or maintenance of cooking apparatus and installations; providing information relating to the repair or maintenance of cooking pots and pans; providing information relating to the repair or maintenance of diving machines and apparatus; providing information relating to the repair or maintenance of electric cooking apparatus and installations; providing information relating to the repair or maintenance of electric lighting apparatus; providing information relating to the repair or maintenance of electric motors; providing information relating to the repair or maintenance of electronic machines and apparatus; providing information relating to the repair or maintenance of fire alarms; providing information relating to the repair or maintenance of firearms; providing information relating to the repair or maintenance of fishing machines and instruments; providing information relating to the repair or maintenance of fishing tackle; providing information relating to the repair or maintenance of freezing machines and apparatus; providing information relating to the repair or maintenance of gas water heaters; providing information relating to the repair or maintenance of gasoline station equipment; providing information relating to the repair or maintenance of industrial dishwashing machines; providing information relating to the repair or maintenance of industrial furnaces; providing information relating to the repair or maintenance of industrial washing machines; providing information relating to the repair or maintenance of laboratory apparatus and instruments; providing information relating to the repair or maintenance of loading-unloading machines and apparatus; providing information relating to the repair or maintenance of machines and apparatus for lumbering, woodworking, or veneer or plywood making; providing information relating to the repair or maintenance of machines and apparatus for manufacturing glassware; providing information relating to the repair or maintenance of machines and apparatus for manufacturing rubber goods; providing information relating to the repair or maintenance of machines and apparatus for processing food or beverages; providing information relating to the repair or maintenance of machines and apparatus for pulp-making, papermaking or paper-working; providing information relating to the repair or maintenance of machines and apparatus for use in beauty salons or barbers' shops; providing information relating to the repair or maintenance of machines and instruments for making shoes; providing information relating to the repair or maintenance of machines and systems for manufacturing integrated circuits; providing information relating to the repair or maintenance of measuring and testing machines; providing information relating to the repair or maintenance of mechanical parking systems; providing information relating to the repair or maintenance of medical machines and apparatus; providing information relating to the repair or maintenance of metalworking machines and tools; providing information relating to the repair or maintenance of mining machines and apparatus; providing information relating to the repair or maintenance of musical instruments; providing information relating to the repair or maintenance of non-electric cooking apparatus and installations; providing information relating to the repair or maintenance of nuclear power plants; providing information relating to the repair or maintenance of office machines and apparatus; providing information relating to the repair or maintenance of optical machines and instruments; providing information relating to the

repair or maintenance of packing or wrapping machines and apparatus; providing information relating to the repair or maintenance of painting machines and apparatus; providing information relating to the repair or maintenance of photographic machines and apparatus; providing information relating to the repair or maintenance of plastic processing machines and apparatus; providing information relating to the repair or maintenance of power distribution or control machines and apparatus; providing information relating to the repair or maintenance of power generators; providing information relating to the repair or maintenance of power-driven floor cleaning machines; providing information relating to the repair or maintenance of printing machines; providing information relating to the repair or maintenance of printing or bookbinding machines and apparatus; providing information relating to the repair or maintenance of pumps; providing information relating to the repair or maintenance of railway rolling stock; providing information relating to the repair or maintenance of semi-conductor manufacturing machines and systems; providing information relating to the repair or maintenance of sewing machines; providing information relating to the repair or maintenance of signboards; providing information relating to the repair or maintenance of sporting equipment; providing information relating to the repair or maintenance of storage tanks; providing information relating to the repair or maintenance of telecommunication machines and apparatus; providing information relating to the repair or maintenance of textile machines and apparatus; providing information relating to the repair or maintenance of tobacco processing machines; providing information relating to the repair or maintenance of two-wheeled motor vehicles; providing information relating to the repair or maintenance of vehicle washing installations; providing information relating to the repair or maintenance of vending machines; providing information relating to the repair or maintenance of vessels; providing information relating to the repair or maintenance of waste compacting machines and apparatus; providing information relating to the repair or maintenance of waste crushing machines and apparatus; providing information relating to the repair or maintenance of water pollution control equipment; providing information relating to the repair or maintenance of water purifying apparatus; providing information relating to the setup or repair of locks; providing information relating to the sharpening of scissors and kitchen knives; providing information relating to umbrella repair; providing information relating to vermin exterminating, other than for agriculture, forestry or horticulture; providing information relating to window cleaning services; providing laundry washing and drying facilities; providing on-line information relating to repair and installation services; providing on-line information relating to the construction of buildings; providing online information relating to the construction of buildings, and repair and installation services; provision of construction information by electronic means; provision of construction information relating to public works; provision of information, advice and consultancy relating to cleaning; pumicing; pump repair; pump repair or maintenance and providing information relating thereto; quarrying services; rat exterminating; rebrickng and rebuilding of furnaces; rebuilding and reconditioning of engines and motors; rebuilding engines that have been worn or partially destroyed; rebuilding machines that have been worn or partially destroyed; rebuilding of automobile engines; recharging of batteries; recharging of batteries and accumulators; recharging services for electric vehicles; reconditioning machines, motors and engines that have been worn or partially destroyed; reconditioning machines that are worn or partially destroyed; reconditioning motors and engines that have been worn or partially destroyed; reconditioning of industrial machinery; reconditioning of vacuum pumps and parts thereof; refilling of toner cartridges; removal of debris from buildings [construction services];

removing birds from residential and commercial buildings; renovation and maintenance of shopping centers, industrial complexes, office buildings, residential buildings and other real estate developments; renovation of clothing; renovation, repair and maintenance of electrical wiring; rental of bulldozers; rental of car washing apparatus and providing information relating thereto; rental of car washing installations; rental of cleaning machines; rental of clotheswashing machines; rental of concrete mixers; rental of concrete pumps; rental of construction equipment; rental of construction equipment, concrete mixers, concrete pumps and cranes; rental of construction machines and apparatus and providing information relating thereto; rental of construction machines and tools; rental of cranes [construction equipment]; rental of dish drying machines; rental of dishwashers for household purposes; rental of dishwashers for industrial purposes; rental of drainage pumps; rental of drilling and mining apparatus; rental of electric washing machines and providing information relating thereto; rental of elevating work platforms for use in construction; rental of excavators; rental of floor cleaning machines and providing information relating thereto; rental of industrial dish drying machines; rental of laundry washing machines; rental of lifting apparatus for use in construction; rental of machines, tools and apparatus for use in building construction; rental of mining machines and apparatus; rental of mining machines and apparatus and providing information relating thereto; rental of mops and providing information relating thereto; rental of road sweeping machines; rental of scaffolding, platforms, molds and machinery for use in construction; repair and cleaning of pallets and transport containers; repair and insulation of window joints; repair and maintenance of agricultural equipment; repair and maintenance of agricultural machines; repair and maintenance of air conditioning apparatus; repair and maintenance of air vehicles; repair and maintenance of airplane motors and engines; repair and maintenance of automobiles and parts thereof; repair and maintenance of axles and parts thereof; repair and maintenance of bicycles; repair and maintenance of boats; repair and maintenance of camping equipment; repair and maintenance of chassis parts and bodies for vehicles; repair and maintenance of compressors; repair and maintenance of computer and telecommunications equipment; repair and maintenance of computer and telecommunications hardware; repair and maintenance of cooling appliances and installations; repair and maintenance of drying apparatus; repair and maintenance of dust extraction apparatus; repair and maintenance of earth moving equipment; repair and maintenance of earth moving machines; repair and maintenance of electric vehicles; repair and maintenance of electrical apparatus; repair and maintenance of electricity generators; repair and maintenance of electronic apparatus; repair and maintenance of electronic display panels; repair and maintenance of electronic installations; repair and maintenance of electronic navigational and positioning apparatus and instruments, laser measuring systems, laser rangefinders and electronic display panels for use with construction and agricultural machinery; repair and maintenance of energy generating installations; repair and maintenance of engines for motor vehicles; repair and maintenance of footwear; repair and maintenance of furniture; repair and maintenance of garden tools; repair and maintenance of gas and electricity installations; repair and maintenance of gymnastic and sporting articles; repair and maintenance of hardware for data processing apparatus; repair and maintenance of hearing aids for the deaf; repair and maintenance of heating apparatus; repair and maintenance of heating, refrigerating, air conditioning, drying, ventilating and dust extraction apparatus; repair and maintenance of horological and chronometric instruments; repair and maintenance of industrial machinery; repair and maintenance of jewelry and watches; repair and

maintenance of land, water, air and railway vehicles; repair and maintenance of laser measuring apparatus; repair and maintenance of leather goods; repair and maintenance of machines and machine tools for treating and processing metals; repair and maintenance of machines, apparatus and tools; repair and maintenance of machines, machine tools and automatic systems for treating and processing metals; repair and maintenance of medical instruments, apparatus and equipment; repair and maintenance of mining, earth moving, road making, agricultural and farming equipment; repair and maintenance of mining equipment; repair and maintenance of mining machines; repair and maintenance of motor vehicle cooling systems; repair and maintenance of motor vehicles and parts thereof; repair and maintenance of motor vehicles and parts thereof and of engines for motor vehicles and parts thereof; repair and maintenance of motor vehicles and their engines; repair and maintenance of motorcycles; repair and maintenance of multimedia apparatus; repair and maintenance of office buildings; repair and maintenance of photographic apparatus; repair and maintenance of presses for processing metals; repair and maintenance of public transport vehicles; repair and maintenance of radio systems and networks; repair and maintenance of rail vehicles; repair and maintenance of refrigerating apparatus; repair and maintenance of residential buildings; repair and maintenance of road making equipment; repair and maintenance of road making machines; repair and maintenance of ships; repair and maintenance of shopping centers, industrial complexes, office buildings, residential buildings and other real estate developments; repair and maintenance of spectacles; repair and maintenance of spectacles and providing information relating thereto; repair and maintenance of sports and fitness equipment; repair and maintenance of surgical instruments and apparatus; repair and maintenance of telecommunications apparatus, other than telephone sets, radio receivers and television receivers; repair and maintenance of textile goods; repair and maintenance of toys; repair and maintenance of transport containers; repair and maintenance of uninterruptible power supplies; repair and maintenance of upholstery; repair and maintenance of vacuum pumps; repair and maintenance of vacuum pumps and parts thereof; repair and maintenance of vehicle tires; repair and maintenance of ventilating apparatus; repair and maintenance of water vehicles; repair and maintenance of wave energy power plants; repair and maintenance of wind power plants; repair and maintenance of yachts; repair and reconditioning of anti-friction bearings for machines; repair and reconditioning of bearings, ball-bearings, roller bearings and anti-friction bearings for machines; repair and reconditioning of bearings for machines; repair and restoration of furniture; repair and restoration of household articles; repair information; repair, maintenance and overhaul of automobiles; repair, maintenance, servicing, dismantling, rebuilding and cleaning of vehicle engines and parts thereof; repair, maintenance, servicing, dismantling, rebuilding, cleaning and varnishing of vehicles and parts thereof; repair of aerial navigation equipment; repair of air conditioning apparatus; repair of air filtering apparatus; repair of air filters; repair of air filters and parts thereof; repair of animal waste treatment systems; repair of apparatus and installations for generating power; repair of apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; repair of automatic livestock feeders; repair of axles for machines; repair of axles for vehicles; repair of bags or pouches and providing information relating thereto; repair of bicycles and providing information relating thereto; repair of billiard equipment and providing information relating thereto; repair of biogas plants and machines; repair of brake systems for vehicles; repair of compressed air machines; repair of construction and agricultural machinery; repair of construction machines and construction equipment; repair of cooking apparatus;

repair of couplings for land vehicles; repair of drying apparatus; repair of electrical equipment; repair of electrical equipment and electrotechnical installations; repair of electronic business equipment; repair of electronic cash register systems; repair of energy production plants and machines; repair of energy supply installations; repair of energy supply installations and of apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; repair of filters and parts thereof; repair of filters for machines, motors or engines; repair of fishing tackle and providing information relating thereto; repair of fork lift trucks; repair of game machines and apparatus and providing information relating thereto; repair of garbage disposals; repair of hearing aids and hearing protectors; repair of heat recovery apparatus; repair of heating, air conditioning and alarm installations; repair of household and kitchen appliances; repair of industrial machinery; repair of industrial waste treatment machines; repair of installations for use in metal production, metal processing and metal working; repair of intake air filters and parts thereof; repair of intake air filters for machinery; repair of jewelry; repair of lighting apparatus; repair of machines for treating organic waste; repair of metallurgical plants and rolling mills; repair of mining machinery; repair of personal ornaments; repair of personal ornaments and providing information relating thereto; repair of power lines; repair of refrigerating apparatus; repair of sanitary installations; repair of security locks; repair of spectacles and providing information relating thereto; repair of sports equipment and providing information relating thereto; repair of steam generating apparatus; repair of suspension systems for vehicles; repair of tailboard lifts; repair of tatami mats and providing information relating thereto; repair of toilet stool units with a washing water squirter; repair of toilet stool units with a washing water squirter and providing information relating thereto; repair of tow bars for vehicles; repair of toys or dolls and providing information relating thereto; repair of trailers; repair of trucks; repair of vehicle washing installations; repair of vehicles as part of vehicle breakdown services; repair of ventilating apparatus; repair of water pollution control equipment; repair of water purifying apparatus; repair of water supply apparatus; repair of water supply installations; repair of water vehicles; repair or maintenance of agricultural machines and implements; repair or maintenance of agricultural machines and implements and providing information relating thereto; repair or maintenance of air conditioning apparatus; repair or maintenance of air conditioning apparatus for industrial purposes and providing information relating thereto; repair or maintenance of amusement machines and apparatus and providing information relating thereto; repair or maintenance of automobiles and providing information relating thereto; repair or maintenance of bathtubs; repair or maintenance of bathtubs and providing information relating thereto; repair or maintenance of bicycle parking apparatus; repair or maintenance of bicycle parking apparatus and providing information relating thereto; repair or maintenance of boilers and providing information relating thereto; repair or maintenance of bookbinding apparatus and machines; repair or maintenance of burners and providing information relating thereto; repair or maintenance of chemical plants and providing information relating thereto; repair or maintenance of chemical processing machines and apparatus and providing information relating thereto; repair or maintenance of cinematographic machines and apparatus and providing information relating thereto; repair or maintenance of clocks and watches and providing information relating thereto; repair or maintenance of construction equipment; repair or maintenance of construction machines and apparatus and providing information relating thereto; repair or maintenance of consumer electrical appliances; repair or maintenance of consumer electrical appliances and providing information relating

thereto; repair or maintenance of cooking apparatus; repair or maintenance of cooking apparatus and installations; repair or maintenance of cooking apparatus for industrial purposes and providing information relating thereto; repair or maintenance of cooking pots and pans and providing information relating thereto; repair or maintenance of diving machines and apparatus and providing information relating thereto; repair or maintenance of electric cooking apparatus and installations; repair or maintenance of electric lighting apparatus and providing information relating thereto; repair or maintenance of electric motors and providing information relating thereto; repair or maintenance of electronic machines and apparatus; repair or maintenance of electronic machines and apparatus and providing information relating thereto; repair or maintenance of fire alarms and providing information relating thereto; repair or maintenance of firearms and providing information relating thereto; repair or maintenance of fishing machines and instruments and providing information relating thereto; repair or maintenance of fishing tackle; repair or maintenance of fishing tackle and providing information relating thereto; repair or maintenance of freezing machines and apparatus and providing information relating thereto; repair or maintenance of gas water heaters and providing information relating thereto; repair or maintenance of gasoline station equipment and providing information relating thereto; repair or maintenance of glassware manufacturing machines and apparatus and providing information relating thereto; repair or maintenance of industrial dishwashing machines and providing information relating thereto; repair or maintenance of industrial furnaces and providing information relating thereto; repair or maintenance of industrial washing machines and providing information relating thereto; repair or maintenance of laboratory apparatus and instruments and providing information relating thereto; repair or maintenance of loading unloading machines and apparatus and providing information relating thereto; repair or maintenance of measuring and testing machines and providing information relating thereto; repair or maintenance of mechanical parking systems; repair or maintenance of mechanical parking systems and providing information relating thereto; repair or maintenance of medical machines and apparatus and providing information relating thereto; repair or maintenance of metalworking machines and tools and providing information relating thereto; repair or maintenance of mining machines and apparatus and providing information relating thereto; repair or maintenance of musical instruments and providing information relating thereto; repair or maintenance of non-electric cooking apparatus and installations; repair or maintenance of non-electric cooking apparatus and installations and providing information relating thereto; repair or maintenance of nuclear power plants and providing information relating thereto; repair or maintenance of office machines and apparatus and providing information relating thereto; repair or maintenance of optical machines and instruments and providing information relating thereto; repair or maintenance of packing or wrapping machines and apparatus and providing information relating thereto; repair or maintenance of painting machines and apparatus and providing information relating thereto; repair or maintenance of passenger elevators; repair or maintenance of photographic machines and apparatus and providing information relating thereto; repair or maintenance of plastic processing machines and apparatus and providing information relating thereto; repair or maintenance of power distribution or control machines and apparatus and providing information relating thereto; repair or maintenance of power generators and providing information relating thereto; repair or maintenance of power-driven floor cleaning machines and providing information relating thereto; repair or maintenance of printing machines; repair or maintenance of printing or bookbinding

machines and apparatus and providing information relating thereto; repair or maintenance of railway rolling stock and providing information relating thereto; repair or maintenance of semi-conductor manufacturing machines and systems and providing information relating thereto; repair or maintenance of sewing machines and providing information relating thereto; repair or maintenance of signboards; repair or maintenance of signboards and providing information relating thereto; repair or maintenance of snow ploughs; repair or maintenance of storage tanks and providing information relating thereto; repair or maintenance of telecommunication machines and apparatus and providing information relating thereto; repair or maintenance of telecommunication machines and apparatus, other than telephone sets, radio receivers and television receivers; repair or maintenance of textile machines and apparatus and providing information relating thereto; repair or maintenance of tobacco processing machines and providing information relating thereto; repair or maintenance of two-wheeled motor vehicles and providing information relating thereto; repair or maintenance of vehicle washing installations and providing information relating thereto; repair or maintenance of vending machines and providing information relating thereto; repair or maintenance of vessels and providing information relating thereto; repair or maintenance of waste compacting machines and apparatus and providing information relating thereto; repair or maintenance of waste crushing machines and apparatus and providing information relating thereto; repair or maintenance of water pollution control equipment and providing information relating thereto; repair or maintenance of water purifying apparatus and providing information relating thereto; restoration of musical instruments; restoration of works of art; re-tinning; retreading of tires [tyres]; retrofitting of air conditioning installations in buildings; retrofitting of heating installations in buildings; retrofitting of heating, ventilating and air conditioning installations in buildings; retrofitting of ventilating installations in buildings; riveting; road paving; road sealing; roadside repair of automobiles; roofing services; routine servicing of air conditioning apparatus; routine servicing of drying apparatus; routine servicing of dust extraction apparatus; routine servicing of heating apparatus; routine servicing of heating, refrigerating, air conditioning, drying, ventilating and dust extraction apparatus; routine servicing of heating, refrigerating, air conditioning, drying, ventilating and dust extraction apparatus at intervals stipulated by the manufacturer; routine servicing of refrigerating apparatus; routine servicing of ventilating apparatus; rustproofing; safe maintenance and repair; sanding; scaffolding; self-service laundries; septic tank cleaning and providing information relating thereto; servicing and repair of elevating work platforms; servicing and repair of lifting apparatus; servicing and repair of mechanical access platforms; servicing, cleaning and repair of chemical apparatus; servicing of apparatus and installations for generating power; servicing of manufacturing machines and apparatus; setup or repair of locks and providing information relating thereto; sharpening of scissors and kitchen knives and providing information relating thereto; shipbuilding; shipbuilding and providing information relating thereto; shoe repair; shoe repair and providing information relating thereto; snow removal and de-icing services for airplanes; storage tank cleaning and providing information relating thereto; street cleaning; street cleaning and providing information relating thereto; strong-room maintenance and repair; supervision of building demolition; supervision of building reconstruction; supervision of building renovation; supervision of the construction of watercraft, yachts, boats, ships and water vehicles; swimming-pool maintenance; telephone installation and repair; termite and pest control, other than for agricultural purposes; thermal insulating of buildings; tire balancing; tuning of engines for motor vehicles; tuning of motors and engines for

automobiles; umbrella repair; umbrella repair and providing information relating thereto; underwater construction; underwater repair; upholstering; upholstering of vehicle seats; upholstery repair; varnishing; vehicle battery charging; vehicle breakdown assistance [repair]; vehicle cleaning; vehicle lubrication [greasing]; vehicle maintenance; vehicle polishing; vehicle service stations [refuelling and maintenance]; vehicle wash; vermin exterminating, other than for agriculture; vermin exterminating, other than for agriculture, forestry or horticulture, and providing information relating thereto; vulcanization of tires [tyres] [repair]; warehouse construction and repair; washing; washing and cleaning of vehicles; washing, ironing, smoothing and repairing of textile goods for reuse; washing of airplanes; washing of cloth, clothing, fabric, linen and textiles; washing of linen; window cleaning; window cleaning and providing information relating thereto; yacht and boat conversion, renovation, refit and repair; yacht building.
