PRACTICE DIRECTION NO. 2 OF 2005
REGISTRATION AS ACCOUNT HOLDER TO E-FILE AND PAY BY GIRO**

This Practice Direction is issued by the Registrar under Rule 78B(1) of the Trade Marks Rules, to specify the procedure for applying to the Registrar to be registered as an account holder.

This Practice Direction will come into effect on 1 January 2006.

Any person who wishes to use eTrademarks to effect a transaction and make payment by GIRO must register with the Intellectual Property Office of Singapore (IPOS) as an Account Holder. Approval is at the sole discretion of IPOS. Upon approval, an eTrademarks account will be created in the name of the person and the person will receive a User ID and Password.

To register, access IPOS address at <http://www.ipos.gov.sg> and [download the eTrademarks Account Holder Registration Form](#).

The person may appoint an Administrator to administer and manage his eTrademarks Account through the eTrademarks "[Maintenance of Authorised Representatives](#)" service.

The responsibilities of the Administrator are as follows:

- appointment of one or more Representatives to access eTrademarks and make payment by GIRO on behalf of the Account Holder;
- updating of the particulars of the Representatives; and
- removal of any Representative's rights to access eTrademarks and make payment by GIRO on behalf of the Account Holder.

These responsibilities are to be conducted through the eTrademarks "Maintenance of Authorised Representatives" service.

Please note that all Authorized Representatives must be CPF account holders with SingPass. The Authorized Representatives are required to sign in using their SingPass to ensure security for GIRO deductions for the online transactions. If the person does not have a GIRO account with IPOS, please complete the [GIRO Application Form](#) and submit it to IPOS.

The completed eTrademarks Account Holder Registration Form and GIRO Application Form should be mailed or couriered to the Intellectual Property Office of Singapore with the address 51 Bras Basah Road #04-01 Plaza By The Park Singapore 189554 and attentioned to Mrs Ang-Ong Bee Lian. Fax submissions are not acceptable.

Dated this 30th day of December 2005.

PRACTICE DIRECTION NO. 2 OF 2004
HOURS OF BUSINESS AND EXCLUDED DAYS**

This Practice Direction is issued by the Registrar under Section 78 of the Trade Marks Act, to specify the hours of business of the Registry and the days which are to be treated as excluded days.

This Practice Direction will come into effect on 1 July 2004.

Hours Of Business

- (1) The hours of business of the Registry shall be as follows:
- (b) 8.30 am to 12.30 pm and 1.30 pm to 5.30 pm from Monday to Friday, except on a day which is an excluded day; and
 - (b) 8.30 a.m. to 1.00 p.m. on any Saturday which is not an excluded day.
- (2) Notwithstanding paragraph (1), for the purposes of carrying out of any transaction referred to in rule 78A(2) by means of the electronic online system, the Registry shall be taken to be open every day at all hours, except on any day which is an excluded day for the purposes of carrying out of transactions by means of the electronic online system.

Excluded Days

- (1) All Sundays, public holidays and such other days as the Registrar may specify, shall be excluded days for all purposes under the Act and the Rules.

Dated this 1st day of July 2004.

Application Published for Opposition Purposes Under The Trade Marks Act (Cap.332, 2005 Ed.)

Registration has been applied for in the respect of the following Trade Marks under the provisions of the Trade Marks Act (Cap. 332, 2005 Ed.)

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.

Class 09

Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, recording

discs; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment and computers; computer programs; software for processing electronic payments to and from others; authentication software; computer software supplied on the Internet; online electronic publications (downloadable from the Internet or a computer network or a computer database); downloadable computer software to facilitate the electronic transmission of information, data, documents, voice and images over the Internet; downloadable computer software which allows users to participate in web-based meetings and classes, with access to data, documents, images and software applications through a web browser; downloadable computer software for accessing, viewing and controlling remote computers and computer networks; downloadable electronic publications in the nature of articles, papers and instructional materials in the fields of telecommunications, the Internet, training, business, sales and marketing; computer software, computer peripherals; notebook computers; laptop computers; portable computers; handheld computers; personal digital assistants; personal media players; mobile telephones; smart phones; digital cameras; computer workstations (apparatus and installations); computer servers; computer and telecommunications networking hardware; computer network adaptors, switches, communication routing apparatus and hubs; wireless and wired modems and communication cards (encoded or magnetic) and devices; cases adapted for laptop computers and computers; fire-extinguishing apparatus; computer hardware and firmware; computer software (including software downloadable from the Internet); compact discs; digital music (downloadable from the Internet); telecommunications apparatus; mouse mats; mobile phone handsets; mobile phone parts and fittings; downloadable games, pictures, motion pictures, movies and music; alarm systems, other than for vehicles; security cameras; mobile radio and television broadcasting units; television broadcasting equipment; cameras; video cameras; headphones; telephone earpieces; speakers; Global Positioning System (GPS) apparatus and equipment; computer, electronic and video games programs and software (including software downloadable from the Internet); liquid crystal displays for telecommunications and electronic equipment; set top box; remote control apparatus; data storage programs; spectacles and sunglasses; outdoor signboards of metal (luminous); encoded or magnetic bank credit, debit, cash and identification cards; automatic teller machines, cash dispensers; computer software applications, downloadable; electronic book readers; toner cartridges, unfilled, for printers and photocopiers; baby monitors; video baby monitors; lens hoods; tablet computers; encoded key cards; 3D spectacles; memory cards for video game machines; all included in Class 9.

Class 16

Newspapers; magazines; periodicals; journals; paper, cardboard and goods made from these materials, not included in other classes; printed matter; bookbinding material; photographs; stationery; adhesives for stationery or household purposes; artists' materials; paint brushes; typewriters and office requisites (except furniture); instructional and teaching material (except apparatus); plastic materials for packaging (not included in other classes); printers' type; printing blocks; books, pamphlets, posters, printed cards, circulars, catalogues, calendars, price tags, price labels; carry bags of paper, cardboard and plastic; printed telephone, facsimile, electronic mail and website directories; cards in the form of debit cards, credit cards, charge cards and telephone cards other than encoded and magnetic

cards; marketing and promotional materials being printed matter; printed advertisements; user manuals; packaging materials made of paper, plastic or cardboard; tissues; handkerchiefs made of paper; models and figurines made of paper; paper party bags for packaging; page holders; all included in Class 16.

Class 35

Advertising; business management; business administration; office functions; organisation, operation and supervision of loyalty and incentive schemes; advertising services provided via the Internet; production of television and radio advertisements; accountancy; auctioneering; arranging of trade fairs; opinion polling; data processing; provision of business information; advertising agency services; advertising services provided for others; database management; compilation of information into computer databases; business consulting services; business consulting services in the field of web-based events, conferences, training programs, learning programs and seminars; business consulting services in the field of delivering web-based knowledge; business consulting services in the field of online collaboration and collaboration technologies; business consulting services in the fields of sales and marketing; business project management services; business project management services relating to the development, set up, staging, production, recording, monitoring and follow-up of web-based events, conferences, training programs, learning programs and seminars; market research and business consulting services; business consultancy services relating to facilitating the transaction of business via local and global computer networks by locating and providing referrals for the delivery of a wide variety of business and consumer products and services; dissemination of business information of goods and services of others via local and global computer networks; provision of online business consultancy services in relation to the sourcing of goods and services and fulfilling trade leads and orders; providing computerized online ordering services; advertising of goods and services of others via local and global computer networks; international import and export agency services; rental of advertising space on communication media; auctioneering and business evaluation services provided online via a computer database or the Internet; online retail services of consumer products; compilation of business directory of third party websites to facilitate business transactions; business consultancy services relating to operating an electronic marketplace for the buyers and sellers of goods and/or services on a global computer network; business assistance relating to facilitating business transaction via local and global computer networks; corporate management consultancy services; marketing and promotion services; publication of publicity materials; marketing of vacant premises; dissemination of advertising materials, updating of advertising materials, compilation of advertisements for use as web pages on the Internet; rental of advertising space; computer data processing; sales promotion (for others); business information services; promotional information services; telephone answering (for unavailable subscribers); telephone answering (for others); auctioneering provided on the Internet; personnel management; provision of sales promotion, business, advertising and promotional information through a global computer network and via the Internet; presentation of goods on communication media for retail purposes; the bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods from a general merchandise Internet website and in a wholesale outlet; the

bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods from a general merchandise catalogue by mail order or by means of telecommunications; the bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods from retail outlets; retail and wholesale of telephones, mobile phone handsets, mobile phone accessories, electronic and telecommunications goods, computer hardware and computer software, batteries, battery chargers, apparatus and instruments for recording, receiving, transmitting and/or reproducing data, information, pictures, images and/or sound, precious metals, jewellery, precious stones, printed matter, stationery and magnetic and non-magnetically encoded cards, furniture, picture frames, household and kitchen utensils, glassware, porcelain and earthenware, textiles, clothing, footwear, headgear, laces and embroidery, buttons, ribbons, pins and needles, artificial flowers, carpets, rugs, games and electronic toys, chemicals used in industry, science, photography and agriculture, paints, varnishes and lacquers, personal hygiene products, soaps, perfumery, cosmetics, hair and body lotions, essential oils, cleaning and bleaching preparations, lubricants, fuels, candles, pharmaceutical, veterinary and sanitary preparations, ironmongery and small items of metal hardware, machines and machine tools, cutlery, razors and hand tools, computers, calculating machines, electrical, photographic, cinematographic and optical apparatus and instruments, spectacles and sun glasses, surgical and medical apparatus and instruments, apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, vehicles, firearms, fireworks, silverware, horological and chronometric instruments, musical instruments, magazine, cards, paper and cardboard products, picture, typewriters and office requisites, packaging materials, rubber and plastics for manufacture use, packing and insulating materials, leather and imitations of leather and goods made from these materials, handbags, purses, wallets, leather holders, bags, luggage, umbrellas, mirrors, ropes, string, nets, tents, yarns and threads for textile use, coat hangers, place mats, dressmaker's articles, bed and table covers, playthings and sporting articles, foodstuffs and beverages, meat, fish, poultry, preserved, dried and cooked fruits and vegetables, jams and fruits sauces, eggs, milk and milk products, edible oils and fats, coffee, tea, cocoa, sugar, rice, flour, bread and cakes, condiments, fresh fruit and vegetables, beer, mineral water, fruit juices and other non-alcoholic drinks, alcoholic beverages, floral products, tobacco, smokers' articles and matches; direct mail advertising; import-export agency services; selection of goods and procurement of goods for individuals and businesses; ordering services [for others]; department store retailing services; supermarket retailing services; secretarial services; provision of business statistical information; organisation of exhibitions for commercial or advertising purposes; business assistance services relating to compilation and rental of mailing lists; business investigation; business administration services for the processing of sales made on the Internet; business referral services and personnel placement; import-export agencies services relating to import-export goods clearance; arranging newspaper subscriptions (for others); document reproduction; transcription (including stencil-paper writing); rental of office equipment; business management services relating to customer relationship; business management services relating to electronic commerce; business management and administration services relating to sponsorship programmes;

accounting services; charitable services, namely business management and administration; rental of sales stands; provision of commercial and business contact information; search engine optimization; website traffic optimization; pay per click advertising; commercial intermediation services; business management for freelance service providers; negotiation and conclusion of commercial transactions for third parties; updating and maintenance of data in computer databases; business project management services for construction projects; providing business information via a website; consultancy, information and advisory services relating to the aforesaid services; all included in Class 35.

Class 38

Telecommunications services; providing web-based multimedia teleconferencing, video conferencing and provision of telecommunication facilities to enable or facilitate simultaneous and asynchronous viewing, sharing, editing and discussion of documents, data and images by participants via a web browser; providing customers with online access to online reports regarding the performance, effectiveness and status of web-based applications, teleconferences, video conferences and meetings; providing users with secure remote access via the Internet to private computer networks; providing user access to a global computer network to access applications, platforms, jointly-shared documents, data, task lists and discussion forums; Internet broadcasting services; providing access to an online computer database containing information relating to online platforms for the submission of web-based complaints; provision of telecommunication access and links to computer database and to the Internet; electronic communication services; interactive telecommunications services; telecommunication of information (web pages), computer programs and data; providing telecommunications connections to the Internet or databases; provision of telecommunication access to world-wide web facilities and structures; communication by computer terminals; communication by fibre optic networks; computer aided transmission of messages and images; facsimile transmission; message sending; paging services; rental of modems; data communication services by electronic means; rental of telecommunication equipment; electronic message sending, receiving and forwarding services; transmission and delivery of data by electronic means; transmission and delivery of mail messages, still picture and/or moving picture information such as characters, messages, music and images, telegrams, information and data by mechanical, electronic, telephone, telex, cable, computer and satellite means; transmission, broadcast and reception of audio, video, still and moving images and data whether in compressed or uncompressed form and whether in real or delayed time; electronic messaging, electronic conferencing (telecommunications) and order-transmission services; video conferencing services; communication by electronic bulletin board that enables users to perform a real-time interactive talk between a computer terminal and an electronic bulletin board containing still picture and moving picture information and voice information such as characters; providing electronic bulletin boards and message boards for transmission of messages; provision of online discussion forums; television broadcasting services; broadcasting and transmission of radio and television programmes; music broadcasting; transmission of music, films, interactive programmes, videos, electronic computer games; transmission of information relating to online shopping and general retail services; video-on-demand transmission services; news agency services; providing access to

computer database on the global computer network for searching and retrieving information, data, websites and resources available on computer networks; providing user access to a computer database containing electronic publications, bulletin boards, database and information accessible via computer; operation of chat rooms (chat room services); multiple user access to global computer information networks for the transfer and dissemination of a wide range of information; providing access to a website on a global computer network by which third parties can offer goods and services, place and fulfill orders, enter into contracts and transact business; providing access to an interactive website on a global computer network for third parties to post information, respond to requests and place and fulfill orders for products, services and business opportunities; communication services, namely, text and numeric digital messaging services; transmission of information by data communications for assisting decision making; transmission of information through video communication systems; web conferencing services; electronic communication services for establishing virtual chatrooms via text messaging; providing electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business leads and opportunities; providing an online interactive bulletin board for the posting, promotion, sale and resale of items via a global computer network; providing electronic mail and electronic mail forwarding services; audio and video communication via computers and computer networks, and via a global communications network; providing computer access and rental of access time to online interactive bulletin boards and databases; providing access to electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business opportunities; providing access to electronic calendar, address book and electronic notebook, via local and global computer networks; providing distant video and/or telephone conferencing access and facilities; provision of electronic data links to third party websites to facilitate electronic commerce and real world business transactions; consultancy, information and advisory services relating to the aforesaid services; all included in Class 38.

Class 41

Education; providing of training; entertainment; sporting and cultural activities; publication of texts, books and journals (other than publicity texts); publication of diagrams, images and photographs; publication of newspapers, magazines and periodicals; education, training and instruction services relating to telecommunications, computers, computer programs, website design, electronic commerce, business management and advertising; provision of education, recreation, instruction, tuition and training both interactive and non-interactive; design of educational courses; academic examination services, namely, design of examination scripts; entertainment provided via electronic and digital interactive media; electronic games services provided by means of the Internet; provision of information relating to education, training, entertainment, recreation, sporting, social and cultural activities; providing online electronic publications (not downloadable); arranging, organizing, hosting and conducting singing competitions; arranging, organizing, hosting and conducting concerts; arranging, organizing, hosting and conducting events and competitions for education or entertainment purposes; arranging, organizing, hosting and conducting game shows and quests; entertainment ticket agency services; information relating to

entertainment or education, provided online from a computer database or the Internet; providing digital music (not downloadable) from the Internet; providing digital music (not downloadable) from MP3 (Moving Picture Experts Group-1 audio layer 3) Internet websites; entertainment and educational services relating to planning, production and distribution (other than transportation) of sound, images, digital music, movies, live or recorded audio, visual or audiovisual material for broadcasting on terrestrial cable, satellite channels, the Internet, wireless or wire-link systems and other means of communication systems; music entertainment services; rental of sound recordings; preparation of entertainment, educational, documentary and news programmes for broadcasting; news reporters' services; information relating to sporting or cultural events, news programmes and current affairs programmes provided by satellite television transmission, the Internet or by other electronic means; television, radio and film production; preparation and production of television programmes; provision of information, data, graphics, sound, music, videos and animation for entertainment purposes; publication of texts (other than publicity texts) for entertainment purposes; game services; provision of club recreation, sporting and gymnasium facilities; band performances; club entertainment, discotheque, fashion show [entertainment] and night club services [entertainment]; club services relating to entertainment, education and cultural services; arranging, conducting and provision of conferences, conventions, congresses, seminars and training workshops; organizing and conducting exhibitions (for cultural or educational purposes), fashion shows (for entertainment, cultural or educational purposes), educational shows and cultural shows and performances; art exhibition and gallery services; art gallery services relating to the rental of fine art; training services in relation to occupation health and safety, and environmental conservation; provision of cigar classes, wine tasting classes; providing education information about research materials and agency thereof; arranging, organizing, planning and management of seminars; animal training; preparation of entertainment programmes for broadcasting; producing of motion pictures, plays and videos; instructional services relating to operation of machines and equipment, including audiovisual equipment, which is used for the production of broadcasting programmes; providing audio and visual studios; providing sports facilities; providing facilities for movies, shows, plays, music or educational training; entertainment booking agencies; rental of motion pictures (cine-films); rental of musical instruments; rental of television programmes; rental of television sets; lending libraries; archive library services; subtitling services; sign language interpretation services; providing movies, video games, computer games and entertainment in the form of sound or images through telecommunication or computer networks; providing online computer games and contests; rental of pre-recorded video tapes; rental of game machines; rental of arcade game equipment; rental of pictures; photography; translation; language interpretation; educational and training programs in the field of risk management; educational and training programs relating to certification; provision of news [news programme services]; lottery services; providing online videos, not downloadable; tutoring; consultancy, information and advisory services relating to the aforesaid services; all included in Class 41.

Class 42

Scientific and technological services and research and design relating thereto, industrial analysis and research services; design and

development of computer hardware and software; computer support services [programming and software installation, repair and maintenance services] in connection with transmitting information, data, documents, and images over the Internet; application service provider (ASP) services, namely, hosting computer software applications of others; application service provider (ASP) services providing software in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; providing online non-downloadable software for facilitating the interoperability of multiple software applications; technical support services (programming and software installation, repair and maintenance services) provided online, by email and by telephone; computer support services [programming and software installation, repair and maintenance services] in relation to creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents; computer technology advice on programming and software installations, repair and maintenance provided to Internet users by means of a support hotline; computer support services [programming and software installation, repair and maintenance services] relating to creating indexes of information, sites and resources on computer networks; providing search engines; design of computers, notebook computers, laptop computers, portable computers and handheld computers; design of personal digital assistants and personal media players; design of mobile telephones and smart phones; design of digital cameras; information technology (IT) services (computer hardware, software and peripherals design and technical consultancy); computer support services (programming and software installation, repair and maintenance services); computer programming; computer system integration services; computer analysis services; computer programming in relation to the defence against virus; programming, installation, repair and maintenance of computer system software; computer network services for exchanging of data; computer software design; computer system design; design and development of webpages; hosting webpages for others; hosting computer application software for searching and retrieving information from databases and computer networks; providing technical information relating to computer support services (programming and software installation, repair and maintenance services) at the specific request of end-users by means of telephone or global computer network; consultancy services in relation to computer software; design and development of search engines; design of computer codes; development of computer codes; coding of messages; conversion of physical data and documents into electronic media format; testing and evaluation services, namely, material quality evaluation and testing, commissioning (testing and inspection) services, product quality evaluation, product testing, safety evaluation, environmental testing, industrial testing, quality testing, laboratory testing services, testing of computer programs, testing of computers, testing of computer installations; architectural and design services; interior designing of buildings, offices and apartments; information services relating to information technology; computer security services (testing and risk assessment of computer programs); computer security services (testing and risk assessment of computer networks); quality assurance services; computer services, namely certification of business transactions and preparation of reports relating to certification of business transactions; computer security services relating to providing access control to computers, electronic networks

and databases; data security services (firewalls) relating to data transmission and of transactions via computer networks; consultancy in the field of computer security; technological consultancy in the field of computer security relating to securing computer network communications by means of a global computer network; computerized communication network security services; providing information in the fields of Internet, world wide web and computerized communication network security and computer security for the transmission of data and information; consulting services in the fields of Internet, world wide web and computerized communication network security services, information security services, computer security for the transmission of data and information; authentication services for computer security; online authentication of electronic signatures; off-site data backup; electronic data storage; providing information on computer technology and programming via a website; cartography services; cloud computing; rental of entertainment software; consultancy, information and advisory services relating to the aforesaid services; all included in Class 42.

ALIBABA GROUP HOLDING LIMITED

**FOURTH FLOOR, ONE CAPITAL PLACE, P.O. BOX 847,
GEORGE TOWN, GRAND CAYMAN, CAYMAN ISLANDS**

**ADDRESS FOR SERVICE: MARGARET LAW CORPORATION,
36 ARMENIAN STREET, #05-09 SINGAPORE 179934**

40201502896S 18/02/2015 (09 16 35 38 41 42)

Application for a series of two marks.

The transliteration of the Chinese characters appearing in the mark is "Shuang" meaning "Double".

Class 09

Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, recording discs; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment and computers; computer programs; software for processing electronic payments to and from others; authentication software; computer software supplied on the Internet; online electronic publications (downloadable from the Internet or a computer network or a computer database); downloadable computer software to facilitate the electronic transmission of information, data, documents, voice and images over the Internet; downloadable computer software which allows users to participate in web-based meetings and classes, with access to data, documents, images and software applications through a web browser; downloadable computer software for accessing, viewing and controlling remote computers and computer networks; downloadable

electronic publications in the nature of articles, papers and instructional materials in the fields of telecommunications, the Internet, training, business, sales and marketing; computer software, computer peripherals; notebook computers; laptop computers; portable computers; handheld computers; personal digital assistants; personal media players; mobile telephones; smart phones; digital cameras; computer workstations (apparatus and installations); computer servers; computer and telecommunications networking hardware; computer network adaptors, switches, communication routing apparatus and hubs; wireless and wired modems and communication cards (encoded or magnetic) and devices; cases adapted for laptop computers and computers; fire-extinguishing apparatus; computer hardware and firmware; computer software (including software downloadable from the Internet); compact discs; digital music (downloadable from the Internet); telecommunications apparatus; mouse mats; mobile phone handsets; mobile phone parts and fittings; downloadable games, pictures, motion pictures, movies and music; alarm systems, other than for vehicles; security cameras; mobile radio and television broadcasting units; television broadcasting equipment; cameras; video cameras; headphones; telephone earpieces; speakers; Global Positioning System (GPS) apparatus and equipment; computer, electronic and video games programs and software (including software downloadable from the Internet); liquid crystal displays for telecommunications and electronic equipment; set top box; remote control apparatus; data storage programs; spectacles and sunglasses; outdoor signboards of metal (luminous); encoded or magnetic bank credit, debit, cash and identification cards; automatic teller machines, cash dispensers; computer software applications, downloadable; electronic book readers; toner cartridges, unfilled, for printers and photocopiers; baby monitors; video baby monitors; lens hoods; tablet computers; encoded key cards; 3D spectacles; memory cards for video game machines; all included in Class 9.

Class 16

Newspapers; magazines; periodicals; journals; paper, cardboard and goods made from these materials, not included in other classes; printed matter; bookbinding material; photographs; stationery; adhesives for stationery or household purposes; artists' materials; paint brushes; typewriters and office requisites (except furniture); instructional and teaching material (except apparatus); plastic materials for packaging (not included in other classes); printers' type; printing blocks; books, pamphlets, posters, printed cards, circulars, catalogues, calendars, price tags, price labels; carry bags of paper, cardboard and plastic; printed telephone, facsimile, electronic mail and website directories; cards in the form of debit cards, credit cards, charge cards and telephone cards other than encoded and magnetic cards; marketing and promotional materials being printed matter; printed advertisements; user manuals; packaging materials made of paper, plastic or cardboard; tissues; handkerchiefs made of paper; models and figurines made of paper; paper party bags for packaging; page holders; all included in Class 16.

Class 35

Advertising; business management; business administration; office functions; organisation, operation and supervision of loyalty and incentive schemes; advertising services provided via the Internet; production of television and radio advertisements; accountancy; auctioneering; arranging of trade fairs; opinion polling; data processing; provision of business information; advertising agency

services; advertising services provided for others; database management; compilation of information into computer databases; business consulting services; business consulting services in the field of web-based events, conferences, training programs, learning programs and seminars; business consulting services in the field of delivering web-based knowledge; business consulting services in the field of online collaboration and collaboration technologies; business consulting services in the fields of sales and marketing; business project management services; business project management services relating to the development, set up, staging, production, recording, monitoring and follow-up of web-based events, conferences, training programs, learning programs and seminars; market research and business consulting services; business consultancy services relating to facilitating the transaction of business via local and global computer networks by locating and providing referrals for the delivery of a wide variety of business and consumer products and services; dissemination of business information of goods and services of others via local and global computer networks; provision of online business consultancy services in relation to the sourcing of goods and services and fulfilling trade leads and orders; providing computerized online ordering services; advertising of goods and services of others via local and global computer networks; international import and export agency services; rental of advertising space on communication media; auctioneering and business evaluation services provided online via a computer database or the Internet; online retail services of consumer products; compilation of business directory of third party websites to facilitate business transactions; business consultancy services relating to operating an electronic marketplace for the buyers and sellers of goods and/or services on a global computer network; business assistance relating to facilitating business transaction via local and global computer networks; corporate management consultancy services; marketing and promotion services; publication of publicity materials; marketing of vacant premises; dissemination of advertising materials, updating of advertising materials, compilation of advertisements for use as web pages on the Internet; rental of advertising space; computer data processing; sales promotion (for others); business information services; promotional information services; telephone answering (for unavailable subscribers); telephone answering (for others); auctioneering provided on the Internet; personnel management; provision of sales promotion, business, advertising and promotional information through a global computer network and via the Internet; presentation of goods on communication media for retail purposes; the bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods from a general merchandise Internet website and in a wholesale outlet; the bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods from a general merchandise catalogue by mail order or by means of telecommunications; the bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods from retail outlets; retail and wholesale of telephones, mobile phone handsets, mobile phone accessories, electronic and telecommunications goods, computer hardware and computer software, batteries, battery chargers, apparatus and instruments for recording, receiving, transmitting and/or reproducing data, information, pictures, images and/or sound, precious metals, jewellery, precious stones, printed matter, stationery and magnetic

and non-magnetically encoded cards, furniture, picture frames, household and kitchen utensils, glassware, porcelain and earthenware, textiles, clothing, footwear, headgear, laces and embroidery, buttons, ribbons, pins and needles, artificial flowers, carpets, rugs, games and electronic toys, chemicals used in industry, science, photography and agriculture, paints, varnishes and lacquers, personal hygiene products, soaps, perfumery, cosmetics, hair and body lotions, essential oils, cleaning and bleaching preparations, lubricants, fuels, candles, pharmaceutical, veterinary and sanitary preparations, ironmongery and small items of metal hardware, machines and machine tools, cutlery, razors and hand tools, computers, calculating machines, electrical, photographic, cinematographic and optical apparatus and instruments, spectacles and sun glasses, surgical and medical apparatus and instruments, apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, vehicles, firearms, fireworks, silverware, horological and chronometric instruments, musical instruments, magazine, cards, paper and cardboard products, picture, typewriters and office requisites, packaging materials, rubber and plastics for manufacture use, packing and insulating materials, leather and imitations of leather and goods made from these materials, handbags, purses, wallets, leather holders, bags, luggage, umbrellas, mirrors, ropes, string, nets, tents, yarns and threads for textile use, coat hangers, place mats, dressmaker's articles, bed and table covers, playthings and sporting articles, foodstuffs and beverages, meat, fish, poultry, preserved, dried and cooked fruits and vegetables, jams and fruits sauces, eggs, milk and milk products, edible oils and fats, coffee, tea, cocoa, sugar, rice, flour, bread and cakes, condiments, fresh fruit and vegetables, beer, mineral water, fruit juices and other non-alcoholic drinks, alcoholic beverages, floral products, tobacco, smokers' articles and matches; direct mail advertising; import-export agency services; selection of goods and procurement of goods for individuals and businesses; ordering services [for others]; department store retailing services; supermarket retailing services; secretarial services; provision of business statistical information; organisation of exhibitions for commercial or advertising purposes; business assistance services relating to compilation and rental of mailing lists; business investigation; business administration services for the processing of sales made on the Internet; business referral services and personnel placement; import-export agencies services relating to import-export goods clearance; arranging newspaper subscriptions (for others); document reproduction; transcription (including stencil-paper writing); rental of office equipment; business management services relating to customer relationship; business management services relating to electronic commerce; business management and administration services relating to sponsorship programmes; accounting services; charitable services, namely business management and administration; rental of sales stands; provision of commercial and business contact information; search engine optimization; website traffic optimization; pay per click advertising; commercial intermediation services; business management for freelance service providers; negotiation and conclusion of commercial transactions for third parties; updating and maintenance of data in computer databases; business project management services for construction projects; providing business information via a website; consultancy, information and advisory services relating to the aforesaid services; all included in Class 35.

Telecommunications services; providing web-based multimedia teleconferencing, video conferencing and provision of telecommunication facilities to enable or facilitate simultaneous and asynchronous viewing, sharing, editing and discussion of documents, data and images by participants via a web browser; providing customers with online access to online reports regarding the performance, effectiveness and status of web-based applications, teleconferences, video conferences and meetings; providing users with secure remote access via the Internet to private computer networks; providing user access to a global computer network to access applications, platforms, jointly-shared documents, data, task lists and discussion forums; Internet broadcasting services; providing access to an online computer database containing information relating to online platforms for the submission of web-based complaints; provision of telecommunication access and links to computer database and to the Internet; electronic communication services; interactive telecommunications services; telecommunication of information (web pages), computer programs and data; providing telecommunications connections to the Internet or databases; provision of telecommunication access to world-wide web facilities and structures; communication by computer terminals; communication by fibre optic networks; computer aided transmission of messages and images; facsimile transmission; message sending; paging services; rental of modems; data communication services by electronic means; rental of telecommunication equipment; electronic message sending, receiving and forwarding services; transmission and delivery of data by electronic means; transmission and delivery of mail messages, still picture and/or moving picture information such as characters, messages, music and images, telegrams, information and data by mechanical, electronic, telephone, telex, cable, computer and satellite means; transmission, broadcast and reception of audio, video, still and moving images and data whether in compressed or uncompressed form and whether in real or delayed time; electronic messaging, electronic conferencing (telecommunications) and order-transmission services; video conferencing services; communication by electronic bulletin board that enables users to perform a real-time interactive talk between a computer terminal and an electronic bulletin board containing still picture and moving picture information and voice information such as characters; providing electronic bulletin boards and message boards for transmission of messages; provision of online discussion forums; television broadcasting services; broadcasting and transmission of radio and television programmes; music broadcasting; transmission of music, films, interactive programmes, videos, electronic computer games; transmission of information relating to online shopping and general retail services; video-on-demand transmission services; news agency services; providing access to computer database on the global computer network for searching and retrieving information, data, websites and resources available on computer networks; providing user access to a computer database containing electronic publications, bulletin boards, database and information accessible via computer; operation of chat rooms (chat room services); multiple user access to global computer information networks for the transfer and dissemination of a wide range of information; providing access to a website on a global computer network by which third parties can offer goods and services, place and fulfill orders, enter into contracts and transact business; providing access to an interactive website on a global computer network for third parties to post information, respond to requests and place and fulfill orders for products, services and business opportunities;

communication services, namely, text and numeric digital messaging services; transmission of information by data communications for assisting decision making; transmission of information through video communication systems; web conferencing services; electronic communication services for establishing virtual chatrooms via text messaging; providing electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business leads and opportunities; providing an online interactive bulletin board for the posting, promotion, sale and resale of items via a global computer network; providing electronic mail and electronic mail forwarding services; audio and video communication via computers and computer networks, and via a global communications network; providing computer access and rental of access time to online interactive bulletin boards and databases; providing access to electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business opportunities; providing access to electronic calendar, address book and electronic notebook, via local and global computer networks; providing distant video and/or telephone conferencing access and facilities; provision of electronic data links to third party websites to facilitate electronic commerce and real world business transactions; consultancy, information and advisory services relating to the aforesaid services; all included in Class 38.

Class 41

Education; providing of training; entertainment; sporting and cultural activities; publication of texts, books and journals (other than publicity texts); publication of diagrams, images and photographs; publication of newspapers, magazines and periodicals; education, training and instruction services relating to telecommunications, computers, computer programs, website design, electronic commerce, business management and advertising; provision of education, recreation, instruction, tuition and training both interactive and non-interactive; design of educational courses; academic examination services, namely, design of examination scripts; entertainment provided via electronic and digital interactive media; electronic games services provided by means of the Internet; provision of information relating to education, training, entertainment, recreation, sporting, social and cultural activities; providing online electronic publications (not downloadable); arranging, organizing, hosting and conducting singing competitions; arranging, organizing, hosting and conducting concerts; arranging, organizing, hosting and conducting events and competitions for education or entertainment purposes; arranging, organizing, hosting and conducting game shows and quests; entertainment ticket agency services; information relating to entertainment or education, provided online from a computer database or the Internet; providing digital music (not downloadable) from the Internet; providing digital music (not downloadable) from MP3 (Moving Picture Experts Group-1 audio layer 3) Internet websites; entertainment and educational services relating to planning, production and distribution (other than transportation) of sound, images, digital music, movies, live or recorded audio, visual or audiovisual material for broadcasting on terrestrial cable, satellite channels, the Internet, wireless or wire-link systems and other means of communication systems; music entertainment services; rental of sound recordings; preparation of entertainment, educational, documentary and news programmes for broadcasting; news reporters' services; information relating to sporting or cultural events, news

International Registration Filed Under The Madrid Protocol Published For Opposition Under The Trade Marks Act (Cap.332, 2005 Ed.)

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.

SICPA HOLDING SA

AVENUE DE FLORISSANT 41 CH-1008 PRILLY CH

T1300548E (01 04 05 09 16 17 19 24)
(International Registration No. 1142849)

Date of International Registration : 22/03/2012
Date of Protection in Singapore: 22/03/2012

The following claim is made in the International Registration: Colours claimed: Blue-black and blue. The left side of the device is blue-black; the center and right side of the device is blue.

Class 01
Chemicals used in industry, science and photography, as well as in agriculture, horticulture and forestry; adhesives for industrial purposes; plant growth regulating preparations; fertilizers; ceramic glazings; higher fatty acids; non-metallic industrial minerals; photographic chemicals; photographic paper; unexposed photographic film; chemical test paper; artificial sweeteners; flour for industrial purposes; starch for industrial purposes; plastics in primary form, namely unprocessed plastics; wood pulp; paper pulp; synthetic pulp; ammonia; carbon; acids; phosphoric acid; alkalies; manganese dioxide; sodium salts [chemical preparations]; ammonium salts; potassium fluosilicate; gallic acid; acetates [chemicals]; benzene derivatives; cymene; toluene; ethylene; butylene; isobutene; isopropyl benzene; alcohol; isopropanol; propylene glycol; diethylene glycol; triethylene glycol; isopropyl ether; resorcinol; phenol; aniline; melamine; monoethanolamine; acetone; formic aldehyde for chemical purposes; esters; methyl methacrylate; protein [raw material]; cellulose; enzymes for industrial purposes; ferments for chemical purposes; surface-active chemical agents; hydrogen peroxide; distilled water; fuel for atomic piles; fulling preparations; chemical additives for dyestuff; synthetic materials for absorbing oil; galvanizing baths; gas purifying preparations; salt for preserving, other than for foodstuffs; chemical preparations for the manufacture of pigments;

catalysts; chemical intensifies for paper; agricultural chemicals, except fungicides, weed killers, herbicides, insecticides and parasiticides; additives, chemical, to insecticides; antimicrobial agent for use in manufacturing processes; biochemical catalysts; synthetic resins, unprocessed; artificial resins, unprocessed; filtering materials [unprocessed plastics]; polypropylene; phenolic resin; foundry molding preparations; plasticizers; dispersions of plastics; earth for growing; fire extinguishing compositions; metal annealing preparations; soldering fluxes; chemical substances for preserving foodstuffs; leather-dressing chemicals; electrolyte solutions, other than for medical use; taurine [extract of cow bile]; taurine [extract of fish]; amino acids for industrial purposes; monomer used in the manufacture of plastic lenses; chemical binding agent for industrial use; binder resins for industrial use; binders used in the manufacture of brake pads; chemical additives for industrial use; polyol; polyether polyol; polyester polyol; polymer polyol; isocyanate; polyisocyanate; glycol; polypropylene glycol; photoresists [chemicals]; polyurethane raw material.

Class 04

Solid lubricants; grease for shoes and boots; leather preserving oil and grease; solid fuels; liquid fuels; gaseous fuels; mineral oils and greases for industrial purposes [not for fuel]; non-mineral oils and greases for industrial purposes [not for fuel]; waxes [raw material]; lamp wicks; candles; industrial oil; industrial grease; lubricating oil; lubricating grease; lubricants; xylene; benzene; additives, non-chemical, to motor-fuel; mineral fuel; industrial wax; dust binding composition for sweeping.

Class 05

Pharmaceutical preparations; veterinary preparations; sanitary preparations for medical use; preparations for killing weeds and destroying vermin; insecticides; pesticides; vermicides; fungicides; herbicides; germicides; oiled paper for medical purposes; pharmaceutical wafer; gauze for dressings; empty capsules for pharmaceuticals; eye patches for medical purposes; ear bandages; menstruation bandages; menstruation tampons; sanitary napkins; sanitary panties; absorbent cotton for medical purposes; adhesive plasters for medical purposes; bandages for dressings; collodion for medical purposes; breast-nursing pads; dental materials; diapers; babies' diapers of paper; fly catching paper; mothproofing paper; powdered milk for babies; semen for artificial insemination; chemical preparations for pharmaceutical purposes; medicines for dental purposes; amino acids for medical purposes; pharmaceutical preparations for skin care; radioactive substances for medical purposes; gases for medical purposes; contact lens cleaning preparations; media for bacteriological cultures; depuratives; repellents for dogs; chemical preparations for veterinary purposes; amino acids for veterinary purposes; biocides; insect repellents; adhesives for dentures; dental cements; teeth filling material; dental lacquer; dental plastic materials; dental sealant; pharmaceutical preparations containing taurin; tissue adhesives for wound closure; medical adhesives for binding wounds.

Class 09

Rock fall prevention nets of textile; ear plugs for divers; optical glass; ozonisers [ozonators]; electrolyzers [electrolytic cells]; egg-candlers; cash registers; coin counting or sorting machines; electric sign boards

for displaying target figures and current outputs; photo-copying machines; manual calculators; drawing or drafting instruments and apparatus adapted for use with computers; time and date stamping machines; time clocks [time recording devices]; punched card office machines; voting machines; postage stamp checking apparatus; coin-operated gates for car parking facilities; life saving apparatus and equipment; fire extinguishers; fire hose nozzles; sprinkler systems for fire protection; fire alarms; gas alarms; anti-theft warning apparatus; protective helmets; railway signal apparatus, luminous or mechanical; vehicle breakdown warning triangles; luminous or mechanical road signs; rebreathers for diving; simulators for the steering and control of vehicles; sports training simulators; laboratory apparatus and instruments; photographic instruments and apparatus; cinematographic instruments and apparatus; optical apparatus and instruments; measuring or testing machines and instruments; power distribution or control machines and apparatus; rotary converters; phase modifiers; batteries and cells; electric or magnetic meters and testers; electric wires and cables; electric buzzers; telecommunication devices and apparatus; electronic equipment, apparatus and their parts; magnetic cores; resistance wires; battery electrodes; fire boats; fire engines; gloves for protection against accidents; dust masks; gas masks; welding masks; fireproof garments; spectacles [eyeglasses and goggles]; weight belts [for scuba diving]; protective helmets for sports; air tanks [for scuba diving]; regulators [for scuba diving]; phonograph records; metronomes; electronic circuits and CD-ROMs recorded with automatic performance programs for electronic musical instruments; slide-rules; exposed cinematographic films; exposed slide films; slide film mounts; recorded video discs and video tapes; electronic publications; fire hoses; blueprint apparatus; blank optical discs; compact discs [audio-video]; optical lenses; optical filters; optical filters for flat panel display; optical filters for plasma display panel; optical filters for liquid crystal display; optical filters for organic electroluminescence display; spectacle glasses; spectacle lenses; eyeglasses; sunglasses; solar batteries; sunglass lenses; conductive tapes for electrical purposes.

Class 16

Pastes and other adhesives for stationery or household purposes; sealing wax; printers' reglets [interline leads]; printing types; addressing machines; ink ribbons; automatic stamp affixing machines; electric staplers for offices; envelope sealing machines for offices; stamp obliterating machines; drawing instruments; typewriters; check writers; mimeographs; relief duplicators; paper shredders [for office use]; franking machines; rotary duplicators; marking templates; pencil sharpeners, electric or non-electric; decorators' paintbrushes; industrial packaging containers of paper; food wrapping plastic film for household use; garbage bags of paper [for household purposes]; garbage bags of plastics [for household use]; paper patterns; tailors' chalk; banners of paper; flags of paper; hygienic hand towels of paper; towels of paper; table napkins of paper; hand towels of paper; handkerchiefs of paper; baggage tags; printed lottery tickets [other than toys]; table cloths of paper; paper and cardboard; stationery and study materials [printed matter]; printed matter; paintings and calligraphic works; photographs; photograph stands; filter paper; cardboard tubes; wrapping paper; bags [envelops, pouches] of paper or plastics, for packaging; bags of plastic for microwave cooking; candy wrapping plastic films for household use; plastic film for wrapping; plastic bubble packs for wrapping or packaging; plastic cling film, extensible, for palletization; adhesives

[glues] for stationery or household purposes; adhesive tapes for stationery or household purposes; self-adhesives tapes for stationery or household purpose; drawing rulers; bags [pouches] of plastics, for packaging.

Class 17

Synthetic gum, raw or partly processed; raw or partly processed mica; valves of rubber or vulcanized fiber [not including machine elements]; gaskets; junctions for pipes [not of metal]; joint packings; asbestos fire curtains; floating anti-pollution barriers; electrical insulating materials; washers of rubber or vulcanized fiber; chemical fiber [not for textile use]; asbestos; rock wool; slag wool; rubber thread and covered rubber yarn (not for textile use); chemical fiber yarn and thread [not for textile use]; asbestos yarn; asbestos fabrics; asbestos felt; insulating gloves; rubber cords and laces; asbestos cords and strings; asbestos nets; industrial packaging containers of rubber; rubber stoppers; rubber lids and caps [for industrial packaging containers]; plastic sheeting for agricultural purposes; paper for insulating purposes; asbestos paper; vulcanized fiber; plastics in the form of bars, blocks, pellets, rods, sheets and tubes for use in manufacturing; raw and semi-worked rubber; soundproofing materials of rock wool [not for building purposes]; asbestos boards; asbestos powder; synthetic rubber; pipe gaskets; compressed air pipe fitting, not of metal; reinforcing materials, not of metal, for pipes; artificial resins [semi-finished products]; plastic film other than for wrapping; heat-shrinkable plastic films; flexible tubes of plastic; insulating tape and band; soundproofing materials; plastic sheets jointed, hybridized and integrated with metal [semi-finished products]; plastic film jointed, hybridized and integrated with metal [semi-finished products]; polarizing films of synthetic resin [semi-finished products]; process film, namely plastic films used to line molds for easy release of molded materials and for resin-encapsulating, other than for wrapping or packaging; protective film of plastic (other than for wrapping or packaging); non-metallic weather strips; caulking materials; chemical compositions for repairing leaks; seals; brake lining materials, partly processed; sealant compounds for joints; adhesive tapes other than stationery and not for medical or household purposes; adhesive bands other than stationery and not for medical or household purposes; self-adhesive tapes, other than stationary and not for medical or household purposes; non-conducting materials for retaining heat; substances for insulating buildings against moisture; insulating materials; padding materials of rubber or plastics; packing [cushioning, stuffing] materials of rubber or plastics; cushioning materials of plastics for wrapping.

Class 19

Tar; pitch; non-metallic minerals for building or construction; ceramic building materials; bricks; refractory blocks, not of metal; linoleum building materials; plastic building materials; synthetic building materials; asphalt [for building purposes]; asphalt building or construction materials; rubber building or construction materials; plaster [for building purposes]; lime building or construction materials; building or construction materials of plaster; prefabricated building kits [not of metal]; non-metallic vegetation seed-carrier sheets for prevention of earth collapse or landslide; plastic security windows allowing communication; seam tape, curing tape, masking tape, plastics tape, adhesive tapes; all for demarcating purposes; cement and cementations materials (other than in the nature of paint); building timber; building stone; building glass; artificial fish reefs [not

of metal]; hen-houses and poultry cages [not of metal]; paint spraying booths [not of metal]; moulds for forming cement products [not of metal]; water-pipe valves [not of metal or plastics]; road signs [not of metal, non-luminous, and not mechanical]; beacons [not of metal, non-luminous]; liquid storage tanks of masonry [for industrial purposes]; water tanks of masonry for industrial purposes; water tanks of masonry for household purposes; letter boxes of masonry; joinery fittings [not of metal]; stone lanterns [structures]; transportable greenhouses [not of metal] for household use; gravestones and tomb plaques [not of metal]; stone sculptures; concrete sculptures; marble sculptures; boards of inorganic fiber, for building; limestone in powdered form for building material; slate powder for building material; glass wool powder for building material; rock wool powder for building material; graphite fiber powder for building material; diamond fiber powder for building material; stainless fiber powder for building material; ceramic fiber powder for building material; plaster boards; slag; grout; gypsum [building materials]; concrete building elements; tiles, not of metal; refractory construction materials, not of metal; felt for building; gutter pipes, not of metal; water-pipes, not of metal; non-metallic tubes for building (other than parts of sanitary installations); wall cladding not of metal; linings, not of metal, for building; building materials, not of metal; geotextiles; plastic board for construction; luminous paving; coating [building materials]; binding materials for road repair; blinds [outdoor], not of metal and not of textile.

Class 24

Woven fabric; knitted fabrics; felt; non-woven textile fabrics; oilcloth; gummed waterproof cloth; vinyl coated cloth; rubberized cloth; filtering materials of textile; towels of textile; handkerchiefs; cloths used for wrapping goods; bath linen, except clothing; mosquito nets; bed sheets; futon quilts and quilts; futon and quilts cases [linen]; futon ticks [unstuffed futon]; pillowcases [pillow slips]; blankets; table napkins of textile; dish towels for drying; dish cloths for drying; kitchen towels; shower curtains; banners and flags of textile; toilet seat covers of textile; unstuffed seat covers of textile; wall hangings of textile; curtains; table cloths not of paper; draperies [thick drop curtains]; shrouds; billiard cloth [baize]; labels of cloth; cloth.

mitsui chemicals, inc.

Textmaker

Date of International Registration : 18/01/2005
Date of Protection in Singapore: 19/01/2015

Class 09

Electric apparatus and instruments (included in this class); apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers; data processing equipment and computers, computer software.

Class 16

Typewriters and office requisites (except furniture); instructional and teaching material (except apparatus).

Class 42

Computer programming.

SOFTMAKER SOFTWARE GMBH

KRONACHER STRAßE 7 90427 NÜRNBERG DE

Bender

T1407489H (07 09 42)

(International Registration No. 1202689)

Date of International Registration : 20/12/2013

Date of Protection in Singapore: 20/12/2013

Class 07

Control mechanisms or generators of electricity for machines, engines or motors; machines, engines or motors for electric installations for the distribution and production of electrical energy; current generators; alternators.

Class 09

Apparatus and instruments for the conduction, distribution, transformation, storage, regulation or control of electric current, including electric or electronic components for such apparatus and instruments; electric and electronic measuring, signalling, monitoring and regulating apparatus and instruments, with and without switching function, for measuring, monitoring and reporting of electrical quantities, particularly of insulation resistances, currents, voltages, frequencies, phase angles, reactive and active power import, reactive and active power export, voltage unbalances, current unbalances, electrical power, displacement factors, power factors, total harmonic distortions, transients detection, flicker severities and other electrical/non-electrical quantities and their characteristics; devices and instruments for measuring or checking power supply and its insulation; devices and instruments for monitoring, checking (inspection) of apparatus and instruments for the production, transmission and distribution of electric current and its insulation; devices for evaluating insulation fault; residual current monitoring systems, coupling devices for electronic components; measuring current transformers; isolating transformers; measuring transducers; power supply units; interface converters; measuring, protecting and monitoring relays for electrical installations and systems; electric and electronic measuring instruments; test devices and multi-meters for measuring and testing of electric and non-electric quantities of electrical equipment, medical electrical installations and electrical systems; electric and electronic modules and installations and systems consisting thereof for power supply in hospital environments and

medical locations; electronic components being parts of power regulating apparatus for monitoring, controlling and operating power supply modules and power distributor modules; changeover modules (commutators) in switchgear and controlgear, electrical systems and other electrical installations; operation control panels and monitoring control panels; indicator panels; hardware and software for the evaluation, visualization and storage of operating parameters and measured values of electrical installations and systems; ammeters; observation instruments, also computer-assisted, for current measurement and monitoring, and for switching, interrupting and fault analysis of current and of the corresponding insulation devices; monitors [computer hardware] for observation instruments and testing instruments; computers for current measurement, current monitoring, switching, interrupting and fault analysis of current and of the corresponding insulation devices; computer operating programs, recorded, for current measurement, current monitoring, switching, interrupting and fault analysis of current and of the corresponding insulation devices; computer peripheral devices; computer programmes [programs], recorded, for current measurement, current monitoring, switching, interrupting and fault analysis of current and of the corresponding insulation devices; computer programs [downloadable software] for current measurement, current monitoring, switching, interrupting and fault analysis of current and of the corresponding insulation devices; computer software, recorded, for current measurement, current monitoring, switching, interrupting and fault analysis of current and of the corresponding insulation devices; detectors for detecting abnormalities in power consumption, in current and/or defects in insulation; diagnostic apparatus, not for medical purposes; electronic notice boards; resistances, electric; anti-interference devices [electricity]; frequency meters; limit switches [electricity]; inductors [electricity]; integrated circuits; interfaces for computers; integrated circuit cards [smart cards]; collectors, electric; comparators; jigs [measuring instruments]; readers [data processing equipment]; material testing instruments and machines; optical apparatus and instruments for measurement and regulation of current and of its insulation; radio pagers for passing on operating messages and alarm messages; apparatus and instruments for physics; precision measuring apparatus; switchboards; commutators; switches, electric; electric apparatus for commutation; distribution consoles [electricity]; control panels [electricity], namely annunciators, socket panels, graphic panels, and housings therefor; switchgears and controlgears, namely low-voltage switchgears and controlgears; transmitters of electronic signals for passing on operating messages and alarm messages; signals, luminous or mechanical; signalling panels, luminous or mechanical; positive booster, electric; voltmeters; current limiter; current rectifiers; electricity conduits; circuit closers; circuit breakers; electric loss indicators; converters, electric; inverters [electricity]; voltage surge protectors; monitoring apparatus, electric; surveying apparatus and instruments; surveying chains; distribution boards [electricity]; distribution boxes [electricity], namely low-voltage main distribution cabinets, floor-mounted distribution cabinets and wall-mounted distribution cabinets; voltage meter; meters; counters; cell switches [electricity], cell reducers [electricity].

Class 42

Technical consultancy for technical project studies, namely planning and development of goods in Class 7 and Class 9 of this application and corresponding technical project studies; engineering, physics

[research] and services of a technical metrological and test laboratory, all relating to goods in Class 7 and Class 9 of this application and relating to the field of current technology; surveying and technical consultancy for surveying provided by control technicians and system technicians, all relating to goods in Class 7 and Class 9 of this application and relating to the field of current technology; building design and construction drafting; electronic data storage; computer system design for current monitoring devices, current monitoring instruments, current monitoring apparatus and parts thereof; computer system design for insulation monitoring devices, insulation monitoring instruments, insulation monitoring apparatus and parts thereof; design and development of computer hardware and computer software related to evaluation, visualization and storage of operating parameters and measured values of electrical installations and systems; server administration; data conversion of computer programs and data [not physical conversion]; technical measurements; scientific studies in the field of current technology; calibration and functional testing of measuring devices in the field of current monitoring devices and insulation monitoring devices; construction drafting for current monitoring devices and insulation monitoring devices; material testing; quality control for electronic systems.

Priority Claims:

FLUKE CONNECT

Date of International Registration : 28/07/2014
Date of Protection in Singapore: 28/07/2014

Class 09

Scientific, surveying, optical, weighing, measuring, signaling, and checking apparatus and instruments, namely, fiber optic meters, fiber optic instruments, namely, fiber optic light sources for use with fiber optic test meters, optically isolated adapter for printers and remote control devices, optically isolated external trigger probes for use with electronic measures; electronic test and measuring instruments and devices and electronic test tools, namely, local area network electronic meters, electronic cable mapping units, digital troubleshooting systems comprised of computer hardware and software used to diagnose and analyze electronic devices and computer hardware, electronic meters for testing automotive electrical systems, cable testers, cable identification modules for use with cable testers, protective holsters for electronic meters, computer software and hardware for use in testing and isolating faults in digital circuitry, electric apparatus for measuring the insulation of wires, cables, transformers and electrical motors, frequency counters, high frequency probes, frequency synthesizers, frequency comparators; apparatus and instruments for regulating, analyzing, and controlling electricity, temperature, humidity, and power, namely, current measuring clamps, electronic monitors and measuring devices, namely, electronic meters for analyzing the quality of electrical power, signal tracers for tracing and identifying electrical signals in electrical circuits and ultrasonic leak detectors; temperature profiling systems comprised of thermocouples and computer software for analyzing temperatures and logging data in the fields of electronics manufacturing, finishing, and food processing; measuring apparatus for temperature and humidity levels in gases and solid substances; thermocouples, thermometer readout devices comprised of thermometers and digital readout units; thermometer calibrators, temperature and humidity meters not for medical use; electrical measuring and testing devices with electrical standards settings, namely, voltmeters, ammeters, and ohmmeters; portable oscilloscope devices, namely, integrated oscilloscope, digital multi meter and paperless electronic data recorders sold as a unit; diagnostic equipment, namely, an optical source and power meter for measuring optical loss in fiber optic cabling systems; measuring and calibrating instruments, namely, fluid flow calibrators and meters; electronic circuit parts and accessories, namely, digital circuit adaptors, digital circuit connectors and digital circuit cables; test leads, in the nature of probes to connect electric test equipment to electronic devices for testing; voltmeter probes; oscilloscope probes; clips, namely, crocodile, alligator, bus bar, and piercing test clips, sold separately or as a unit with clamp meters for measuring electricity; battery packs; meters, namely, temperature meters and micro amp meters for monitoring heating ventilation air conditioning units; measuring apparatus for refrigerant leak detection, namely, electronic leak detection hardware and operating software; infrared thermometer for temperature measurement without contact; electrical testers, namely, voltage testers, electrical ground testers; electrical insulation testers; digital multimeters; calibrators for calibrating thermometers, thermocouples, thermocouple probes, pressure transmitters, flow control valves, flow transmitters, temperature transmitters, and level transmitters; power quality meters; recorders, namely, data logger for recording voltage, amperage, and power measurements, electronic and digital voltage and power quality recorders and voltage and power event recorders; analyzers, namely, electronic analyzers for measuring and testing power; gas flow analyzers; safety equipment, namely, electronic electricity analyzers; timer analyzers, namely, electronic analyzers for measuring time, frequency, and phase; counter analyzers, namely, electronic analyzers

for measuring time, frequency, and phase; air quality analyzers for measuring temperature, velocity, humidity, carbon dioxide, carbon monoxide, and airborne particle concentrations; particle analyzers; carbon monoxide analyzers for measuring carbon monoxide levels; temperature devices, namely, temperature indicators, probes, sensors, transmitters, calibrators, and microprocessor-based infrared temperature measurement units comprised of thermometers and thermocouple probes; thermometers; thermometer probes for non-medical use, laboratory equipment, namely, temperature fluid baths; humidity meters; timers; time counters, namely, electronic tools for measuring time intervals, time rise and fall, time periods, duty factor, frequency, pulse width, count totalization, and phase; ratio counters, namely, electronic tools for measuring frequency ratios, voltage ratios, infrared ratios, calibration test ratios, temperature ratios, and resistance ratios, frequency counters, frequency burst counters, voltage counters, namely, tools to count voltage, continuity, and current; rise and fall time counters; electronic data loggers, namely, data acquisition instruments for collecting, storing, monitoring, and analyzing equipment performance data comprised of hardware, software, and portable and/or networked data logging acquisition units; measuring apparatus, namely, clamp meters for measuring electricity, electric current probes; current clamps, namely, electrical current clamps for testing and measuring electricity, currents, and voltage, process calibrators, air quality measurement instruments, namely, electronic monitors for measuring temperature, velocity, humidity, carbon monoxide, carbon dioxide, air velocity, airflow, air pressure, and differential pressure, air quality particulate measurement instruments, namely, particle counters and electronic particle source locators; electronic based instruments for measuring temperature and humidity levels; phase rotation meters; infrared and thermal imagers not for medical use; infrared temperature measurement instruments, namely, temperature sensors; copper cable testers and analyzers; fiber cable testers and analyzers; wireless network analyzers; biomedical test instrumentation and software, namely, automated biomedical equipment test systems comprised of hardware, software, and data recorders for monitoring and inspecting the performance and electrical safety of biomedical equipment, medical testing equipment, namely, blood pressure simulators and patient simulators for use in testing medical equipment; electronic pressure monitors, namely, atmospheric or barometric pressure monitors, thermo hygrometers; ultrasound watt meters; electronic gas flow analyzer, namely, hardware and software for analyzing gas flow in ventilators, clinical laboratory testing equipment, namely, test lungs used to test functionality of ventilator equipment; clamp meter accessories, namely, electrical testing leads, electrical current probes, rogowski based current probes, inductive current probes, hall effect current probes, and electrical connectors in the nature of crocodile, alligator, bus bar, and piercing test clips, sold separately or as a unit with clamp meters for measuring electricity; computer hardware for the foregoing goods, specifically excluding computer network routers or Ethernet hubs; computer peripherals; specially adapted cases for the foregoing goods; mounting racks for the foregoing goods; all of the foregoing goods sold separately or in various combinations.

FLUKE CORPORATION

6920 SEAWAY BLVD. EVERETT WA 98203 US

ENCOREPRO

40201502577X (09)
(International Registration No. 1235107)

Date of International Registration : 29/09/2014
Date of Protection in Singapore: 29/09/2014

Class 09

Apparatus for recording, transmission and reproduction of sound; hands-free devices namely wearable devices being headsets for office and call center use, use with telephones, cell telephones, computers, video/audio communication applications and products; handsets (communications devices for office and call center use, use with telephones and computers); software for use with hands-free devices that provides data and voice communication between hands-free devices and computers, mobile communications devices and cloud computing systems; audio technology and sound enhancement components in the nature of speech signal processing, noise cancellation, volume control, regulation and of sound quality; attachments or accessories for headsets namely, cables, ear buds, ear cushions, ear hooks, ear loops, head bands, microphones, receivers, voice tubes, electronic on-line indicators in the nature of light emitting diodes, and chargers.

ZAGGORA

Date of International Registration : 18/01/2013
Date of Protection in Singapore: 18/01/2013

Class 03

Perfumes; bath and shower gels and salts not for medical purposes; soaps; deodorants for personal use; cosmetics; creams, milks, lotions, gels and powders for the face, body and hands; sun-tanning milks, gels and oils and after-sun preparations (cosmetics); make-up preparations; shampoos; gels, mousses, balms and preparations in aerosol form for hairdressing and haircare; hair-colouring and hair-decolorizing preparations; essential oils.

Class 25

Clothing, footwear, headgear.

Class 28

Games and playthings; gymnastic and sporting articles not included in

other classes.

Class 35

Commercial retailing and online retail services connected with the sale of clothing, footwear and headgear, textile fabrics and textile materials, sporting articles, gymnastic articles, games and playthings, leather goods, bags, umbrellas and parasols, paper, cardboard and goods made from these materials, jewellery and articles made from precious metals, clocks and chronometric instruments, optical instruments and spectacles, toiletries, soaps, cosmetics and beauty products; advertising; business management; business administration; office functions; writing and publication of publicity texts; publicity; promotional services and activities.

Class 41

Providing instruction courses related to slimming, exercise, health and fitness; health club and gymnasium services, namely providing instruction and equipment in relation to diet, diet planning, nutrition, weight loss, weight control, exercise, health and fitness; consultancy service in relation to exercise and fitness; providing information and advice in relation to exercise and fitness through a website; providing information and links in relation to exercise and fitness through an interactive website.

Class 44

Consultancy services relating to slimming and health; advisory services relating to slimming and health; providing information and advice relating to slimming and health through a website; providing information and links relating to slimming and health through an interactive website and internet links; providing information relating to slimming and health; weight management services, providing weight loss program services; weight management services, namely, providing weight loss and/or weight maintenance programs.

Class 03

Bleaching preparations and other substances for laundry use; cleaning, polishing, scouring and abrasive preparations; soaps; perfumery, essential oils, cosmetics, hair lotions; dentifrices; make-up preparations.

Class 14

Precious metals and their alloys and goods in precious metals or coated therewith not included in other classes; jewellery, precious stones; horological and chronometric instruments.

Class 18

Leather and imitations of leather, and goods made of these materials and not included in other classes; animal skins, hides; trunks and travelling bags; umbrellas and parasols; walking sticks; whips, harness and saddlery; leather bags; canvas shopping bags; all-purpose carrying bags; travelling bags; handbags, purses and wallets.

Class 25

Clothing, footwear, headgear; belts (clothing).

Class 35

Procurement services for others (purchasing goods for other businesses) and mail order retail services in relation to bleaching preparations and other substances for laundry use, cleaning, polishing, scouring and abrasive preparations, soaps, perfumery, essential oils, cosmetics, hair lotions, dentifrices, make-up preparations, sanitary preparations for medical purposes, dietary supplements for humans, precious metals and their alloys and goods in precious metals or coated therewith, jewellery, precious stones, horological and chronometric instruments, leather and imitations of leather, and goods made of these materials, animal skins, hides, trunks and travelling bags, umbrellas and parasols, walking sticks, whips, harness and saddlery, leather bags, linen bags, multipurpose bags, travelling bags, handbags, purses, pocket wallets, clothing, footwear, headgear and belts (clothing), also provided online; retailing in relation to bleaching preparations and other substances for laundry use, cleaning, polishing, scouring and abrasive preparations, soaps, perfumery, essential oils, cosmetics, hair lotions, dentifrices, make-up preparations, sanitary preparations for medical purposes, dietary supplements for humans, precious metals and their alloys and goods in precious metals or coated therewith, jewellery, precious stones, horological and chronometric instruments, leather and imitations of leather, and goods made of these materials, animal skins, hides, trunks and travelling bags, umbrellas and parasols, walking sticks, whips, harness and saddlery, leather bags, linen bags, multipurpose bags, travelling bags, handbags, purses, pocket wallets, clothing, footwear, headgear, belts (clothing).

(International Registration No. 1191255)

Date of International Registration : 08/01/2014
Date of Protection in Singapore: 08/01/2014

The following claim is made in the International Registration: Colours claimed: Different shades of red and white.

Class 16

Paper, cardboard and goods made from these materials, not included in other classes; printed matter, including commercial printed matter, writing paper, envelopes; postage stamps, leaflets and magazines; greeting cards and picture postcards; photographs; pamphlets, catalogues, user manuals, forms; printed advertising material; stickers, posters, cards, greeting cards, invitation and announcement cards, pictures, writing paper, jotters, note pads, diaries, albums, photograph albums, calendars, sketch books, drawing books, colouring books, books, periodicals and magazines; office requisites (except furniture), in particular stamps, ink pads and ink therefor, letter openers, folders for papers, pads, office perforators, staplers, rulers, pencil sharpeners, elastic bands, paper clips and staples.

Class 35

Business consultancy relating to data processing, whether or not electronic; office functions, including the tracing and tracking of mail items; dissemination and processing of publicity printed matter and advertising and promotional materials; distribution of advertising materials; management of databases; gathering, classifying, sorting and updating of data for databases; office functions, including the tracking and tracing of documents, whether or not electronic; administrative management and administrative processing of transactions and documentation, and order processing; all the aforesaid services also provided via electronic channels, including the internet; office functions, including mail handling (handling incoming and outgoing mail); administrative services with regard to the processing of printed publicity matter and advertising and promotional material; door-to-door distribution of samples; all the aforesaid services also, where possible, to be provided via electronic channels, including the internet.

Class 39

Mail delivery; placing in envelopes, airtight packing and other prepostal processing of documents and parcels as part of dispatch services; courier services (messages or merchandise); providing data relating to the location of means of transport and postal items in connection with tracking and tracing, freight forwarding; transport and delivery of postal items and parcels and the gathering, sorting, storing, conveying and delivery thereof; transportation information; transport and distribution, collection, sorting and storage in relation thereto, of printed matter, documents and goods, whether or not addressed; storage of printed publicity matter and advertising and promotional material; all the aforesaid services also, where possible, to be provided via electronic channels, including the internet.

(International Registration No. 1216041)

Date of International Registration : 14/04/2014
Date of Protection in Singapore: 14/04/2014

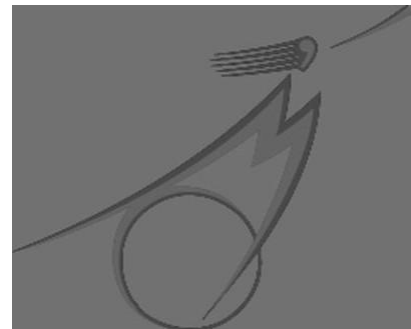

Class 09
Media for video and sound recordings; audio and video recordings; downloadable video and audio recordings.

Class 16
Printed matter, books, programs, tickets; instructional or teaching material (except apparatus).

Class 35
Advertising; business management; business administration; office functions; secretarial services; consultancy in company organization and management, planning (assistance) in managing business deals, consultancy for business management; business management of performing artists; services in the fields of marketing, transcription of communications [office functions] and public relations; organization of exhibitions for commercial or advertising purposes; rental of advertising space; consultancy services relating to the aforesaid services; providing information relating to the aforesaid services.

Class 36
Financial sponsorship; financial sponsorship in the fields of culture, sport, science, education, development aid and research; arranging finance for sporting, cultural and entertainment projects; consultancy regarding the aforesaid services, providing information relating to the aforesaid services.

Class 41
Education; training; entertainment; cultural activities; organization, production and presentation of cultural events; organization of music concerts, balls, operas and theater shows, festivals and other musical and cultural events; musical performances; arranging and conducting

of seminars, conferences, congresses, courses and exhibitions for cultural or educational and teaching purposes; booking of seats and the sale of tickets for entertainment events and music concerts; organization of competitions and award ceremonies; music publishing services; production of music; recording studio services; provision of digital music (non-downloadable); publication of printed and electronic publications; publication of books, periodicals, catalogs, brochures and other printed matter, also in the form of electronic media; provision of non-downloadable electronic publications via a global computer network; consultancy services relating to the aforesaid services; provision of information concerning the aforesaid services.

(International Registration No. 1151583)****Date of International Registration : 19/10/2012
Date of Protection in Singapore: 19/10/2012****Class 04****Oils, greases and lubricants for use in the energy industry; fuel;**

biomass-based fuels; biofuels (wood, alcohols, vegetable oils); agriculture-based fuels; fuels derived from waste and residue of organic materials; fossil coal; coal (fuel); charcoal (fuel); energy, namely solar energy, wind energy, photovoltaic energy, geothermal energy, hydraulic energy, thermal energy, electrical energy produced from renewable energy sources; electrical energy; nuclear energy; natural gas; gas for lighting; petroleum gas in gaseous or liquified state; fuel gas; steel-making gas; fuel oil, crude or refined oil; firewood.

Class 09

Apparatus for processing sound or images; mechanisms for coin-operated apparatus; electrical apparatus and instruments for measuring, monitoring and checking apparatus for electricity generation; electric apparatus and instruments for measuring and checking industrial or household electricity consumption; electric relays; electric apparatus for commutation; electric converters; electric collectors; high voltage power lines; medium voltage power lines; low voltage power lines; transformers [electricity]; fuses; electricity distribution cabinets, consoles and boards; electric control panels; switchboards; electric accumulators; electric conduits and cables; electric wires; equipment for conducting electricity (wires, cables); sheaths for electric cables; fiber-optic cables; coaxial cables; ducts [electricity]; electricity conduits; circuit breakers; switches; electric couplings; connections for electric lines; wire connectors; terminals (electricity); branch boxes, electric plugging and joining; energy metering apparatus; electric measuring devices; gas meters; boiler checking instruments, instruments for checking heat, electricity indicators, electric loss indicators; temperature indicators; thermostats; dimmers; thermometers not for medical purposes; light dimmers; electric, ignition, anode batteries, electric resistances, rechargeable batteries; electric chargers using solar energy; charging stations for electric vehicles; electric cells (batteries); solar batteries; photovoltaic cells and modules; particle accelerators; photovoltaic solar panels (photovoltaic modules); thermal photovoltaic panels for production of electricity; ammeters; anemometers; barometers; dynamometers; galvanometers; gasometers; ohmmeters; voltmeters; lightning arresters; lightning conductors; electric pylons; calculators dedicated to the simulation and testing of energy transportation and distribution networks; electric monitoring devices, namely electronic apparatus for checking the power supply to electric devices; smoke detectors; fire-extinguishing apparatus; transmitters of electronic signals and telecommunications, monitors; clothing for protection against accidents, irradiation and fire; life saving apparatus and equipment; life-saving devices; protection devices against x-rays not for medical purposes and against nuclear radiation; personal protection devices against accidents, irradiation and fire; protective helmets; protective goggles; protective masks; respiratory apparatus and masks other than for artificial respiration; disposable dust masks; gloves for protection against accidents, irradiation and fire; shoes for protection against accidents irradiation and fire; alarms (instruments); fire alarms; natural disaster alarms; industrial accident alarms; radioactivity detection apparatus; Geiger counters; alarms (except alarms for vehicles); instruments and machines for testing materials in the field of energy; safety and automation apparatus for buildings and individual houses; electric and electronic apparatus for the detection of dangers (fire, accident or intruder); electric monitoring apparatus; remote surveillance and video surveillance apparatus; computer software intended for the field of energy; open

source software; software for design, management, maintenance, simulation or testing, energy transportation and distribution networks; analyzers for testing network equipment and related to energy control; apparatus for charging electric accumulators.

Class 35

Advertising; business management; business administration; office functions; data search in computer files for others; business management assistance to subsidiaries in the management of the activities thereof; administrative management of subsidiaries; consultancy for subsidiary companies for business organization and management; consultancy on the management, strategy, organization and management of companies and personnel; advice on the strategy and management of companies; business consultancy services, namely, provision of administrative and commercial know-how; business assistance, consultancy, information or enquiries relating to business economics, strategy, marketing, industrial analysis and management; organization and running of trade shows for commercial or advertising purposes; radio and television advertising; on-line advertising on a computer network; advertising mail; distribution of advertising and promotional material; promotional and advertising operations with a view to developing customer loyalty; arranging and preparing advertising campaigns; sponsorship in the form of advertising services; patronage and sponsorship in the form of advertising services and commercial management assistance; sponsorship search; administrative management of exhibition sites; administrative assistance in creating businesses and associations; public relations; representation by energy professionals during administrative and political activities (public relations); sales promotion for others; promotion for others of goods operating on any kind of energy; business management assistance and business organization and management consultancy in the field of ecology, town planning, limiting waste and pollution; business expertise in the field of ecology, town planning, limiting waste and pollution; distribution of leaflets, brochures, printed matter on ecology and town planning for advertising purposes; cost analysis in the field of consumption of energy and raw materials, greenhouse or other gas emissions, transportation, production of waste and pollution, environmental impact, and assistance with budget decisions in relation to the consumption of energy and raw materials, greenhouse or other gas emissions, transportation, production of waste and pollution, environmental impact; compilation of statistics; compiling energy consumption statements; invoicing; electronic invoice management and processing; price comparison services; commercial information and advice for consumers; customer account management services; systematization of information into computer databases; administrative and commercial information and advice in the field of energy; publication of advertising texts; commercial advice and information in the field of environmental protection, carbon emissions, preservation of natural wealth, renewable energy, new energy sources and sustainable development; business advice and information relating to the production, supply and consumption of gas; commercial estimations (price quotations) of energy consumption; business consulting via telephone; commercial advice for the purchase and choice of selected electrical appliances on the basis of criteria regarding technical features, cost and control of energy consumption; commercial analysis for the shortlisting of goods for others and commercial advice on the choice of energy, electric and industrial equipment likely to meet standards and regulations in force;

commercial advice and commercial information for the selection of professionals for conducting repair work; commercial advice and commercial information for selecting installers of energy equipment; commercial advice and commercial information regarding insulation and accommodation; commercial advice relating to fiscal deductions and advantages and tax savings and credits promoting energy savings and sustainable development for optimizing production and distribution of energy; wholesale or retail sale of electricity, fuels, coal, fuel oil, wood for heating, gas, oil, photovoltaic panels; purchasing and retail services relating to gas and electricity in wholesale markets; purchasing electricity from photovoltaic sources; purchasing electricity originating in facilities for using renewable energies; auctioneering of gas and electricity; business appraisals; commercial estimations (price quotations) in the field of gas and electricity; import-export agencies; procurement services for others of gas and electricity; retail services relating to turnkey photovoltaic installations; retail services relating to turnkey energy production and distribution plants; promoting for others vehicles functioning with alternative sources of energy; business collaboration and referral services, namely, seeking technical and technological partnerships between industrial and university research and development services.

Class 36

Financial affairs; insurance underwriting; monetary affairs; real estate affairs; raising or investing capital; financial evaluation (insurance, banking, real estate); financial affairs and monetary operations in the field of energy in the field of electricity, nuclear energy, the environment, photovoltaic, wind, underwater generator energy, geothermal, hydraulic, thermal energy, wind energy, gas, oil, bioenergy, renewable energy, biomass energy, geothermal energy and solar energy; investment advice; financial and budgetary estimations of energy saving work; stock market information services; share registration and management services in any financial, commercial, industrial, securities or real estate company or business; constitution and placement of capital, namely services relating to the provision and investment of capital; management of financial portfolios relating to financial and stock market, securities and real estate; investment in shareholders' equity; venture, investment and development capital operations; financial management of corporate shares and shares held in other companies; financial engineering; stock exchange operations; financial transactions on wholesale energy, gas and electricity markets; financial measuring raw material price changes and fluctuations; stock exchange brokerage in the field of energy; financial brokerage services relating to raw materials [gas, coal and hydrocarbons]; management, costing and negotiation of carbon credits; insurance in the field of energy activities and intended for companies and individuals; insurance in relation to repairing collective and individual installations for heating, electricity, water, solar energy, gas, fuel, refrigeration; insurance contracts covering electrical installations and electrical equipment; insurance contracts for individuals against the risks of outstanding debts on electricity and gas energy bills; insurance contracts for electricity and plumbing repairs; financial consultancy concerning pricing offers in the field of energy consumption and management; financial studies and financial advice for the development, improvement and overhauling of energy installations, especially electrical and gas installations; financial information services by telephone (hotlines) in the field of energy; financial information and financial advice relating to the control of energy consumption; financial advice for the purchase and choice of

selected electrical appliances on the basis of criteria regarding technical features, cost and control of energy consumption; financial analysis for the shortlisting of goods for others and financial advice on the choice of energy, electric and industrial equipment likely to meet standards and regulations in force; financial information and financial advice on the costs of electrical apparatus and the operation thereof; financial information and financial advice relating to the cost of energy; financial loans for the development and improvement of power installations; financing services; financial loans for the acquisition of electrical installations, heating installations or installations operating using any type of energy; financing renovation works on accommodation for creating energy savings; loans for building new energy efficient and environmentally responsible accommodation; financial advice relating to fiscal deductions and advantages and tax savings and credits promoting energy savings and sustainable development; financial evaluation for improving the energy, thermal and environmental performance of accommodation and real estate inventories; real estate management; rental management of real estate; financial sponsorship; financial sponsorship of sporting associations, clubs or societies, leisure or education, sporting events and competitions, exhibitions and events for cultural or educational purposes; financial sponsorship of sports clubs; providing advice relating to the seeking of financial partnership for the purpose of providing accessible financial services; financial assistance for creating associations and businesses; collection and distribution of donations.

Class 37

Construction; demolition of buildings; machinery installation, maintenance and repair of apparatus for the distribution of energy; maintenance of electrical installations, lighting apparatus, heating apparatus, air conditioning apparatus, electrical apparatus, photovoltaic panels, solar panels, wind turbines, boilers, furnaces, burners, apparatus for cooking, refrigerating, ventilation, air conditioning, water supply and sanitary installations; installation of electrical apparatus and installations, installation and repair of lighting apparatus, heating apparatus, air conditioning apparatus, electrical apparatus, photovoltaic panels, solar panels, wind turbines, boilers, furnaces, burners, apparatus for cooking, refrigerating, ventilation, air conditioning, water supply and sanitary installations; installation, maintenance and repair of intelligent systems for buildings; construction of industrial structures, installations for energy generation and distribution; construction, maintenance and repair of thermal, electric installations, nuclear, hydroelectric, hydraulic power stations, dams, wind farms, oil pipelines, gas pipelines, gas transportation conduits, power lines, oil installations, marine turbine farms, photovoltaic farms, tidal plants, geothermal power stations and biomass power stations; technical advice and information on installing, maintaining and repairing power generation equipment and installations; construction, maintenance and repair of electricity transportation and distribution lines; installing electricity meters and gases meters (including in new locations); construction, maintenance and repair of conduits for transporting gas, fluids and solids; technical services for the installation, maintenance and repair of computers and computer peripheral equipment; building insulation (construction); underwater construction and repair of wave energy converter and marine turbine installations, pipelines, conduits for transporting energy; information on construction, maintenance and repair in the field of renewable energy, sustainable development,

environmental protection, natural resource preservation and efforts to combat climate change; installation, maintenance, renovation, decontamination, disinfestation, disinfection, dismantling and renovation of industrial structures, plants for the production of energy and electricity, nuclear power plants, nuclear reactors, thermal power stations, hydroelectric power stations, hydraulic plants, dams, wind farms, oil pipelines, gas pipelines, conduits for the transportation of gas, electric lines, oil installations, photovoltaic farms, tidal plants, geothermal power stations and biomass power stations; maintenance of installations for the production of energy and electricity, nuclear power plants, nuclear reactors, thermal power stations, hydroelectric power stations, hydraulic plants, dams, wind farms, oil pipelines, gas pipelines, conduits for the transportation of gas, electric lines, oil installations, photovoltaic farms, tidal plants, geothermal power stations and biomass power stations; construction of installations for processing and/or purification of wastewater; construction, installation, maintenance, reparation maintenance of factories and centers for storing, processing, reprocessing and recycling of fuels and waste; supervision, management of installation, servicing, maintenance and repair works on apparatus for the production, provision and distribution of energy; installation, maintenance and repair of any system for the protection and security of property and individuals; maintenance, cleaning and repair of electric vehicles and electric vehicle charging stations; vehicle breakdown assistance (repair); construction consultation; advice for the construction of installations for the production of energy and electricity, nuclear power plants, nuclear reactors, thermal power plants, hydroelectric power plants, hydraulic plants, dams, wind farms, oil pipelines, power lines, oil installations, marine turbine farms, photovoltaic farms, tidal plants, geothermal power plants and biomass power plants; servicing and renovation of nuclear installations; cleaning, sanitation, servicing and renovation of nuclear installations, installations for the production of energy and electricity, equipment and apparatus in the field of energy production; servicing of home automation installations as well as programmable automated systems and technical management installations for buildings.

Class 39

Transportation, information on transportation; packaging and storage of goods; transportation, distribution and supply of energy, electricity, gas, hydrocarbons, heating, water, nuclear, thermal, wind turbine, hydraulic, hydroelectric, marine turbine energy, oil, bioenergy, renewable energy, biomass energy, geothermal energy, solar energy; operation and management for others of energy transportation and distribution networks; collection of goods by air, land or water, warehousing and storage of fuels, ores, nuclear materials and nuclear waste; information and advice regarding energy transportation and supply; distribution (supply) of printed matter not for advertising purposes with respect to energy, its transport, distribution and supply, environmental protection, new energies, the conservation of natural resources and biodiversity, sustainable development; technical information and advice on installations for transportation, provision of energy, especially electrical, nuclear, wind, solar, photovoltaic, thermal, hydraulic, marine turbine, geothermal, hydroelectric energy, oil, bioenergy, renewable energy, biomass energy, solar energy, gas, steam and water.

Class 40

Production of energy, electricity, gas, heating, nuclear energy, thermal

energy, wind energy, hydraulic energy, hydroelectric energy, marine turbine energy, oil, bioenergy, renewable energy, biomass energy, geothermal energy, solar energy; air deodorising; air purification; air freshening, waste-water purification; treatment of materials; material treatment information in the field of energy; recycling of waste; information on waste treatment; decontamination of hazardous materials; waste treatment (transformation); sorting of waste and recyclable material (transformation); processing and transforming of fuels for the production of energy; rental of electric power generators, namely, solar [photovoltaic] installations and solar collectors, electrical installations, wind turbine installations and marine turbine installations; fuel refining and distillation of fuels; decontamination (of hazardous materials and nuclear wastes) and pollution control (of air and/or water) of nuclear installations, installations for the production of energy and electricity, equipment and apparatus in the field of energy production; professional consulting on the production of energy, electricity, gas, heating, nuclear energy, thermal energy, wind energy, hydraulic energy, hydroelectric energy, marine turbine energy, oil, bioenergy, renewable energy, biomass energy, geothermal energy, solar energy; technical information and advice on installations for the production of energy, electricity, gas, heating, nuclear energy, thermal energy, wind energy, hydraulic energy, hydroelectric energy, marine turbine energy, oil, bioenergy, renewable energy, biomass energy, geothermal energy, solar energy; technical advice and expertise in the field of the production of energy, especially electrical, nuclear, wind, solar, photovoltaic, thermal, hydraulic, geothermal, marine turbine, hydroelectric energy, oil, bioenergy, gas energy.

Class 42

Engineers' services involving evaluations, estimates, research and reporting in scientific and technological fields; technical project studies; engineering services; surveying (engineering work); research and development of new products for others; development, installation, updating or rental of software; computer programming; physical analysis of water, physical analysis of air; chemical analysis; analysis for oil-field exploitation; computer programming in relation to home automation installations and programmable automated systems and technical management installations for buildings; construction drafting; architectural services; architectural advice for environmental protection, new energy source development, natural resource preservation, implementing sustainable development and town planning projects; scientific and technological research in the field of energy; technical advice and technical assistance (engineering) in the field of energy; research and development in the field of electrical engineering, production of electrical energy, nuclear energy, wind energy, solar energy, hydraulic energy, geothermal energy, thermal energy, climatic energy, biomass-based energy, renewable energy; digital simulation expertise (engineers' services); engineers' services for improved management of the production, storage and consumption of energy; research and development on the environmental impact originating in energy production installations, engineers' services for assessing the need for and availability of electricity and for the adaptation of tools for the distribution of electricity; engineers' services (design and research on construction) for new installations for producing and distributing energy; technical advice in the field of saving energy; research in the field of environmental protection; technical studies for evaluating and optimizing the energy performance of apparatus and buildings; technical advice and consulting on environmental protection and the

development of renewable energy; technical studies and research on the processing of waste, recycling of waste; technical studies and research on processing of materials; laboratory work and scientific and technological project management in the fields of electricity, renewable energy, sustainable development, ecology, town planning, environmental protection, limiting waste and pollution, natural resource preservation and efforts to combat climate change; studies, research and expert reports provided by engineers in the fields of energy, the environment, natural resources, sustainable development and town planning; technical services for remote reading of energy consumption meters; preparation of technical reports on technical valuations and estimates of energy consumption; technical advice, technology information in connection with heating; technical information and technical advice relating to the limiting of energy consumption; technical advice via the telephone by engineers (hotlines) for the use of electric apparatus and installations; technology advice for the purchase and choice of selected electrical appliances on the basis of criteria regarding technical features, cost and control of energy consumption; shortlisting (technical analysis) of products for others and technology advice in the choice of electrical and industrial equipment likely to meet standards and regulations in force; technical studies, analysis and diagnosis carried out by engineers for the installation of apparatus for the production, provision and/or distribution of energy, gas, heating and water; research and development in the field of thermal insulation, sun-shading and climate-proofing of dwellings; technology advice and information relating to thermal insulation and sun-shading and climate-proofing of dwellings; technology advice and information for the evaluation and modification of the power of a gas and/or electric meter; technology advice and information [information technology services (computer hardware, software and peripherals design and technical consultancy)] for the selection of professionals for carrying out repair work; technology advice and information [information technology services (computer hardware, software and peripherals design and technical consultancy)] for the selection of installers of energy equipment; technology advice and information regarding insulation of dwellings; diagnostics for energy performance of real estate; energy, thermal and environmental analysis of accommodation and real estate inventory; technical appraisals relating to the transfer of technology; providing information in relation to information technology; technical advice and technical assistance (engineering) for the transfer of technology and transfer of know-how; quality control of electrical installations; technical testing; technical testing in the field of electricity, heating, home automation; technical consulting [information technology services (computer hardware, software and peripherals design and technical consultancy)] for the purpose of assisting others in aligning the personnel, products, equipment, industrial installations or premises thereof with standards and regulations in force; audits on safety and compliance with regulations in force of any installation for the production of energy and electricity; technical assistance for certification and accreditation; quality control of apparatus for the production of energy; technical inspection on energy plants and information relating to such inspections; technical control and expert appraisals (surveying) of facilities running on all types of energy; research and development in the field of electric transportation, particularly electric batteries, electric terminals, electric vehicles, trams, (engineering) in the field of electric transportation; technical advice and expert reports (engineers'

services) on air-conditioning, lighting and heating.

Class 45

Security guard services for the protection of property and individuals; information and consulting on security; inspection of the safety of construction projects, safety of energy installations and nuclear installations; rental of equipment for the protection of property and individuals; security services and surveillance of industrial structures, installations for the production of energy and electricity, nuclear power plants, nuclear reactors, thermal power plants, hydroelectric power plants, hydraulic plants, dams, wind farms, oil pipelines, gas pipelines, power lines, oil installations, photovoltaic farms, marine turbine farms, tidal plants, geothermal power plants and biomass power plants; monitoring of computer systems for security purposes, namely monitoring of electricity, heat and energy distribution networks; consulting and monitoring relating to electrical and electronic apparatus for assessment, surveillance, detection or localization of danger; services of safety-based prevention of risks of industrial origin, namely predictive analysis and assessment of human reliability in accident situations in the industrial sector; security services and surveillance for the elderly, the ill at home or outside the home; video surveillance, intruder alarm surveillance, night guards; provision of information (relating to security) to local communities or any other public group in relation to social action, public and civil safety; safety checks for the purposes of workplace safety, namely, safety checks of electrical installations; legal services; legal analysis; legal assistance for creating businesses; services of legal expertise in the field of technology transfer; provision of legal services in relation to formation of business partnerships and transfer of technological and/or commercial know-how to another entity; legal assistance for the drafting of contracts for technology transfer; legal advice relating to fiscal deductions and advantages and tax savings and credits promoting energy savings and sustainable development; mediation; social mediation for resolving situations of energy vulnerability.

Class 09

Computer application messaging software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software that allows users to communicate with each other; computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software that allows messaging among guests of lodging accommodations owned and hosted by others and among the hosts who list lodging accommodations for rent and sale; computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software that allows users to plan, announce, invite others to attend and evaluate real world meetings and events; computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software that allows users to solicit each other to perform a wide range of personal and customized services, housekeeping, cooking and related services, personalized travel, itinerary and private tour and activity services; computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software that allows users to arrange for the remote exchange of keys to lodgings, homes and vehicles and for locking and unlocking lodgings homes and vehicles; computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software management tools to permit users to manage, organize, calendar and share with others travel bookings, activity dates, photographs, opinions and preferences; computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software management tools to permit users to arrange for temporary lodging check-in help; computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software that permits listers of goods, real property and services for rent or sale to receive suggested improvements to their listing advertisements; computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software that permits listers of goods, real property and services for rent or sale to arrange for professional photographs

of the listed goods, property and services; computer application software; computer application software for mobile phones, portable media players, handheld computers and related mobile devices; computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software to facilitate the sale of goods and services by others via a computer network and to provide evaluative feedback and ratings of sellers' goods and services, the value and prices of sellers' goods and services, buyers' and sellers' performance, delivery, and overall trading experience in connection therewith; computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software that allows users to list and rent temporary lodging, access information, listings and announcements about housing, apartments, condominiums, townhouses, real estate, commercial real estate and rental and leasing advertisements for the foregoing; computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software that allows users to provide reviews and feedback about listers and renters of real estate, temporary lodging, transportation, sharing of vehicles and rides and temporary parking; computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software that allows users to make and receive payments for the rental, purchase and sale of goods and services; computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software that allows users to search for travel, transportation, temporary accommodation, vehicle and ride sharing and temporary vehicle parking listings, travel information and related topics and for making reservations and bookings for transportation, temporary accommodations, vehicle and ride sharing and temporary parking; computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software that allows users to provide travel reviews and recommendations for local attractions; computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software that allows vehicle owners and users to list, arrange and reserve shared vehicles and rides; computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software that allows users to list, arrange and reserve temporary parking of vehicles at residences and businesses; computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software that allows users to list and book car sharing, ride sharing and temporary parking; computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software that allows users to access information and listing of peer-to-peer transportation; computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software that allows users to engage in social networking featuring travel, transportation, temporary lodging, shared vehicles and rides, temporary parking and the rental and listing of real estate.

Class 42

Providing temporary use of web-based messaging software applications that allows users of mobile phones, portable media players, handheld computers and related mobile devices to

communicate with each other; providing temporary use of web-based messaging software applications that allows users of mobile phones, portable media players, handheld computers and related mobile devices to send and receive messages among guests of lodging accommodations owned and hosted by others and among the hosts who list lodging accommodations for rent and sale; providing temporary use of a web-based software application for identifying and defining the scope and components of projects; providing temporary use of a web-based software application for providing an online marketplace for buyers and sellers of goods and/or services on a global computer network; providing temporary use of a web-based software application for providing a two-way system for users of an online marketplace to evaluate and provide feedback regarding parties they have interacted with via the online marketplace; providing temporary use of web-based software application that allows users of mobile phones, portable media players, handheld computers and related mobile devices to plan, announce, invite others to attend and evaluate real world meetings and events; providing temporary use of web-based software application that allows users of mobile phones, portable media players, handheld computers and related mobile devices to solicit each other to perform a wide range of personal and customized services, housekeeping, cooking and related services, personalized travel, itinerary and private tour and activity services; providing temporary use of web-based software application that allows users of mobile phones, portable media players, handheld computers and related mobile devices to arrange for the remote exchange of keys to lodgings, homes and vehicles and for locking and unlocking lodgings homes and vehicles; providing temporary use of web-based software application that allows users of mobile phones, portable media players, handheld computers and related mobile devices to manage, organize, calendar and share with others travel bookings, activity dates, photographs, opinions and preferences; providing temporary use of web-based software application that allows users of mobile phones, portable media players, handheld computers and related mobile devices to arrange for temporary lodging check-in help; providing temporary use of web-based software application that allows users of mobile phones, portable media players, handheld computers and related mobile devices to list goods, real property and services for rent or sale and receive suggested improvements to their listing advertisements; providing temporary use of web-based computer application software for mobile phones, portable media players, handheld computers and related mobile devices, namely, software that allows users to list of goods, real property and services for rent or sale and arrange for professional photographs of the listed goods, property and services; providing temporary use of web-based software application that facilitates use of the internet by users of mobile phones, portable media players, handheld computers and related mobile devices; providing temporary use of web-based software application that allows users of mobile phones, portable media players, handheld computers and related mobile devices to facilitate the sale of goods and services via computer network and to provide evaluative feedback and ratings of sellers' goods and services, the value and prices of sellers' goods and services, buyers' and sellers' performance, delivery, and overall trading experience in connection therewith; providing temporary use of web-based software application that allows users of mobile phones, portable media players, handheld computers and related mobile devices to list and rent temporary lodging, access information, listings and announcements about housing, apartments, condominiums,

townhouses, real estate, commercial real estate and rental and leasing advertisements for the foregoing; providing temporary use of web-based software application that allows users of mobile phones, portable media players, handheld computers and related mobile devices to provide reviews and feedback about listers and renters of real estate, temporary lodging, transportation, sharing of vehicles and rides and temporary parking; providing temporary use of web-based software application that allows users of mobile phones, portable media players, handheld computers and related mobile devices to make payments for the purchases of goods and services; providing temporary use of web-based software application that allows users of mobile phones, portable media players, handheld computers and related mobile devices to search for travel, transportation, temporary accommodation, vehicle and ride sharing and temporary vehicle parking listings, travel information and related topics and for making reservations and bookings for transportation, temporary accommodations, vehicle and ride sharing and temporary parking; providing temporary use of web-based software application that allows users of mobile phones, portable media players, handheld computers and related mobile devices to provide travel reviews and recommendations for local attractions; providing temporary use of web-based software application that allows users of mobile phones, portable media players, handheld computers and related mobile devices to list, arrange and reserve shared vehicles and rides; providing temporary use of web-based software application that allows users of mobile phones, portable media players, handheld computers and related mobile devices to list, arrange and reserve temporary parking of vehicles at residences and businesses; providing temporary use of web-based software application that allows users of mobile phones, portable media players, handheld computers and related mobile devices to list and book car sharing, ride sharing and temporary parking; providing temporary use of web-based software application that allows users of mobile phones, portable media players, handheld computers and related mobile devices to access information and listings of peer-to-peer transportation; providing temporary use of web-based software application that allows users of mobile phones, portable media players, handheld computers and related mobile devices to engage in social networking featuring travel, transportation, temporary lodging, shared vehicles and rides, temporary parking and the rental and listing of real estate; software as a service (SAAS) services featuring messaging software that allows users of mobile phones, portable media players, handheld computers and related mobile devices to communicate with each other; software as a service (SAAS) services featuring messaging software that allows users of mobile phones, portable media players, handheld computers and related mobile devices to send and receive messages among guests of lodging accommodations owned and hosted by others and among the hosts who list lodging accommodations for rent and sale; software as a service (SAAS) services featuring software that allows users of mobile phones, portable media players, handheld computers and related mobile devices to plan, announce, invite others to attend and evaluate real world meetings and events; software as a service (SAAS) services featuring software that allows users of mobile phones, portable media players, handheld computers and related mobile devices to solicit each other to perform a wide range of personal and customized services, housekeeping, cooking and related services, personalized travel, itinerary and private tour and activity services; software as a service (SAAS) services featuring software that allows users of mobile phones, portable media players, handheld computers

and related mobile devices to arrange for the remote exchange of keys to lodgings, homes and vehicles and for locking and unlocking lodgings homes and vehicles; software as a service (SAAS) services featuring software management tools that allows users of mobile phones, portable media players, handheld computers and related mobile devices to manage, organize, calendar and share with others travel bookings, activity dates, photographs, opinions and preferences; software as a service (SAAS) services featuring software management tools that allows users of mobile phones, portable media players, handheld computers and related mobile devices to arrange for temporary lodging check-in help; software as a service (SAAS) services featuring software that allows users of mobile phones, portable media players, handheld computers and related mobile devices to list goods, real property and services for rent or sale and receive suggested improvements to their listing advertisements; software as a service (SAAS) services featuring software that allows users of mobile phones, portable media players, handheld computers and related mobile devices to list goods, real property and services for rent or sale and arrange for professional photographs of the listed goods, property and services; software as a service (SAAS) services featuring software that facilitates use of the internet by users of mobile phones, portable media players, handheld computers and related mobile devices; software as a service (SAAS) services featuring software that allows users of mobile phones, portable media players, handheld computers and related mobile devices to facilitate the sale of goods and services via computer network and to provide evaluative feedback and ratings of sellers' goods and services, the value and prices of sellers' goods and services, buyers' and sellers' performance, delivery, and overall trading experience in connection therewith; software as a service (SAAS) services featuring software that allows users of mobile phones, portable media players, handheld computers and related mobile devices to list and rent temporary lodging, access information, listings and announcements about housing, apartments, condominiums, townhouses, real estate, commercial real estate and rental and leasing advertisements for the foregoing; software as a service (SAAS) services featuring software that allows users of mobile phones, portable media players, handheld computers and related mobile devices to provide reviews and feedback about listers and renters of real estate, temporary lodging, transportation, sharing of vehicles and rides and temporary parking; software as a service (SAAS) services featuring software that allows users of mobile phones, portable media players, handheld computers and related mobile devices to make payments for the purchases of goods and services; software as a service (SAAS) services featuring software that allows users of mobile phones, portable media players, handheld computers and related mobile devices to search for travel, transportation, temporary accommodation, vehicle and ride sharing and temporary vehicle parking listings, travel information and related topics and for making reservations and bookings for transportation, temporary accommodations, vehicle and ride sharing and temporary parking; software as a service (SAAS) services featuring software that allows users of mobile phones, portable media players, handheld computers and related mobile devices to provide travel reviews and recommendations for local attractions; software as a service (SAAS) services featuring software that allows users of mobile phones, portable media players, handheld computers and related mobile devices to list, arrange and reserve shared vehicles and rides; software as a service (SAAS) services featuring software that allows users of mobile phones, portable media players, handheld computers and

related mobile devices to list, arrange and reserve temporary parking of vehicles at residences and businesses; software as a service (SAAS) services featuring software that allows users of mobile phones, portable media players, handheld computers and related mobile devices to list and book car sharing, ride sharing and temporary parking; software as a service (SAAS) services featuring software that allows users of mobile phones, portable media players, handheld computers and related mobile devices to access information and listings of peer-to-peer transportation; software as a service (SAAS) services featuring software that allows users of mobile phones, portable media players, handheld computers and related mobile devices to engage in social networking featuring travel, transportation, temporary lodging, shared vehicles and rides, temporary parking and the rental and listing of real estate.

Ballet shoes; beach shoes; canvas shoes; dance shoes; deck shoes; dress shoes; esparto shoes or sandals; flat shoes; leather shoes; shoes; shoes for casual wear; shoes for infants; shoes for leisurewear; shoes for sports wear; slip-on shoes; training shoes; apparel (clothing, footwear, headgear); aprons (clothing); arm warmers (clothing); articles of clothing made from wool; articles of clothing made of leather; articles of waterproof clothing; articles of water-resistant clothing; articles of weatherproof clothing; articles of windproof clothing; athletic clothing; ballet clothing; belts (clothing); boys' clothing; cashmere clothing; casual clothing; children's clothing; clothing; clothing for babies; clothing for gymnastics; clothing for sports; clothing for surfing; clothing for swimming; clothing of imitations of leather; clothing of leather; clothing, not being protective clothing, treated with fire and heat retardants; dance clothing; denims (clothing); girl's clothing; gloves (clothing); headbands (clothing); hoods (clothing); infants' clothing; jackets (clothing); jerseys (clothing); jump suits (clothing); knitted clothing; knitwear (clothing); ladies clothing; leather belts (clothing); maternity clothing; oilskins (clothing); ready-made clothing; slips (clothing); thermal clothing; thongs (clothing); waterproof clothing; waterproof clothing; water-resistant clothing; weather resistant outer clothing; weatherproof clothing; wind resistant clothing; women's clothing; woollen clothing; woven articles of clothing; wraps (clothing); wristbands (clothing); footless tights; tights; half length tights; bed socks; footless socks; slipper socks; socks; sports socks; cashmere skirts; denim skirts; skirts; apparel (clothing, footwear, headgear); headgear for wear; fur hats; hats; paper hats; sun hats; footwear for children; infants' footwear; infants'

clothing.

HITCH ENTERPRISES PTY LTD

UNIT 3, 13 LYELL STREET MITTAGONG NSW 2575 AU

40201401401W (02 17 19)
(International Registration No. 1225863)

Date of International Registration : 29/04/2014
Date of Protection in Singapore: 29/04/2014

The following claim is made in the International Registration:
Colour(s) claimed: Black, blue and white.

Class 02

Preservatives against rust and corrosion, including primers; primers as well as inhibitors for preventing corrosion, in particular for pipelines, flexible pipes, pipes for buildings and components, in particular those which come into contact with fresh water and/or salt water; anti-corrosive pastes.

Class 17

Insulators; insulating materials for protecting technical installations, buildings and components, installations, pipelines, flexible pipes, pipes and containers from heat and cold; plastic and elastic sealing compounds and seals for pipelines of stoneware, cement, concrete, metal or plastic; plastic and elastic sealing compounds and seals for buildings, installations, pipelines, flexible pipes, pipes and components, also against each other, and for joint seals; natural and synthetic rubbers and plastic substitutes therefor, and mixtures of the aforesaid materials with each other, in particular in the form of paints, in the form of compounds, in the form of mastics, in the form of pastes, in the form of emulsions, in the form of dispersions, in the form of profiles, in the form of binders, in the form of bands, in the form of strips, in the form of foils, in the form of cords, in the form of flexible pipes, in the form of pipes, in the form of sheets, in the form of tapes and in the form of solid and foam rings, all for building protection, insulation and sealing purposes; mixtures of natural and synthetic rubbers and plastic substitutes therefor with bituminous materials, in particular in the form of paints, in the form of compounds, in the form of mastics, in the form of pastes, in the form of emulsions, in the form of dispersions, in the form of profiles, in the form of binders, in the form of bands, in the form of strips, in the form of foils, in the form of cords, in the form of flexible pipes, in the form of pipes, in the form of sheets, in the form of tapes and in the form of solid and foam rings, all for building protection, insulation and sealing purposes; sealants in the form of casings of plastic or plastic substitutes for buildings, installations, pipelines, flexible pipes and pipes or components, in particular those in contact with fresh and/or salt water, in particular made from high-density polyethylene plastics; sealants in the form of pastes; semi-processed plastics in the form of bands with anti-corrosive properties for sealing all types of components, in particular for the construction of railway carriages, ships, vehicles, aircraft, systems as well as for harbor installations, pier installations, buildings,

in particular those which come into contact with fresh and/or salt water, for pipelines, flexible pipes and pipes; sealing pastes.

Class 19

Bitumen; bituminous materials (except bituminous lacquer and for sealing purposes), in particular in the form of casting compounds, in the form of protective compounds for buildings, in the form of anti-corrosive compounds, for buildings as well as in the form of coatings for buildings; anti-corrosive materials for buildings and components as well as for installations, pipelines, pipes and flexible pipes, in particular those in contact with fresh and/or salt water, namely anti-corrosive casings, not of metal; casings of plastic and plastic substitutes therefor for buildings or components as well as for installations, pipelines, pipes and flexible pipes, in particular those in contact with fresh and/or salt water, in particular made from high-density polyethylene plastics; bitumen-based sealants in the form of mastics, in the form of cords, in the form of profiles, in the form of tapes, in the form of sheets, in the form of discs, in the form of bands and in the form of strips.

Date of International Registration : 04/06/2014

Date of Protection in Singapore: 02/10/2014

Class 09

Computer apparatus, computer hardware and electronic components and spare parts for computers; software, in particular data adequacy and information unit software; software for processing electronic payments; software, namely, computer operating system software;

calculating machines, data processing equipment and computers; communications software for the synchronization, transmission and distribution of data and content as well as for data transfer between one or more electronic handheld apparatus and data stored on or connected to a computer.

Class 36

Payment processing services; processing of electronic payments; cashless and paperless payment transactions; creation of and services for customer bonus programs on the internet and in the field of mobile telephones (financial services); financial services, namely, providing electronic wallets (e-wallets).

Class 38

Telecommunication, creation of and services for customer bonus programs on the internet and in the field of mobile telephones (telecommunication services); provision of access to platforms for making available offers for goods and services in databases which can be accessed electronically, interactively and with the possibility of direct ordering; instant messaging services; telecommunication services, namely, transmission of data, sounds and images; telecommunication services, namely, sending of messages, text messages, electronic mail, message alerts, status updates, documents, images, voice, music data, video data, audio data, audio-video data, streaming of media data content, multimedia data, paging information and location services; provision of access to the Internet; providing access to electronic databases; providing access to electronic communications networks for transmission and reception of computer software and applications; electronic mail (e-mail) services; electronic message transmission; electronic transmission of computer software and applications via the internet and other computer and wireless communication networks; providing access to electronic databases, namely, rental of access time to a database server center; mobile, interactive and multimedia telecommunication services in the field of the Internet, mobile telephony and social networks, including content services as well as distribution of related services and products (m-commerce, e-commerce, social commerce).

Class 42

Technological services; hosting of multimedia and interactive applications; computer programming services relating to multimedia and interactive applications; technological services, namely, producing solutions for e-business, m-business, the Internet and Internet portals; development of computer software, in particular software for processing knowledge and establishing links between tasks, data and information units; development of computer software for viewing data contexts; update, design, installation, maintenance and rental of software; services of an application service provider (ASP) by means of telecommunications, provision of non-downloadable software applications accessible via a Website within the scope of classified advertisements, virtual communities, social networks, sharing text, images and audiovisual content; rental and maintenance of memory space for data hosting for others (hosting).

Class 45

Online social networking services via computer and communications apparatus; licensing of software for computer and communications apparatus and for portable computer and communications apparatus;

provision of legal information by means of an interactive database.

ZADDA

Date of International Registration : 15/11/2013

Date of Protection in Singapore: 15/11/2013

Class 03

Bleaching preparations and substances for laundry use; cleaning, polishing, degreasing and abrasive preparations; soaps; perfumery, essential oils, cosmetics, hair lotions and body lotions; dentifrices; depilatories; lipstick; beauty masks; shaving products.

Class 09

Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signaling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; magnetic recording media, sound recording or optical disks; compact disks, DVDs and other digital recording media; mechanisms for coin-operated apparatus; cash registers, calculating machines, equipment for data processing and computers; extinguishers; computer game programs; software (recorded programs); computer peripherals; electric batteries; detectors; electric wires; electric relays; diving suits, gloves or masks; clothing for protection against accidents, irradiation and fire; protection devices for personal use against accidents; spectacles (optics); optical goods; spectacle cases; diagnostic apparatus not for medical use; integrated circuit cards [smart cards]; safety tarpaulins;

bags designed for laptop computers; protective helmets and sports helmets.

Class 14

Jewelry; jewelry products, precious stones; timepieces and chronometric instruments; precious metals and their alloys; works of art of precious metal; jewelry cases [caskets]; boxes of precious metal; watch cases, straps, chains, springs or glasses; key rings [trinkets or fobs]; statues or figurines (statuettes) of precious metals; cases or presentation cases for timepieces; medals.

Class 18

Leather and imitation leather; animal skins, pelts and hides; trunks and suitcases; umbrellas, parasols and walking sticks; whips, harness and saddlery; wallets; purses (coin purses); bags; vanity cases (empty); collars or clothing for animals; net bags for shopping.

Class 21

Household or kitchen utensils and containers; combs and sponges; brushes (except paintbrushes); brush-making materials; hand-operated cleaning instruments; steel wool; unworked or semi-worked glass (except building glass); porcelain ware; earthenware; bottles; works of art of porcelain, ceramic, earthenware or glass; statues or figurines (statuettes) of porcelain, ceramic, earthenware or glass; toilet utensils or cases; trash cans; glasses (receptacles); tableware.

Class 24

Fabrics; bed blankets; fabrics for textile use; elastic woven material; velvet; bed linen; household linen; table linen not of paper; bath linen (except clothing).

Class 25

Clothing, footwear, headgear; shirts; trousers; jackets; suit jackets; skirts; sweater; singlets; leather or imitation leather clothing; belts (clothing); furs (clothing); gloves (clothing); scarves; neckties; hosiery; socks; bedroom slippers; footwear for women, men, children; high-heel shoes; open shoes; beach, ski or sports footwear; boots; underwear.

Class 27

Carpets, rugs, mats and matting, linoleum and other materials for covering existing floors; wall hangings, not of textile; rugs; wallpaper; gymnastic mats; carpets for automobiles; artificial turf.

Class 35

Advertising; business management; business administration; office functions; dissemination of advertising material (leaflets, prospectuses, printed matter, samples); arranging of newspaper subscription services (for others); arranging of telecommunication service subscriptions for others; presentation of products on all communication media, for retail purposes; business management and organization consultancy; accounting; document reproduction; employment agencies; computerized file management; organization of exhibitions for commercial or advertising purposes; on-line advertising on a computer network; rental of advertising time on all communication media; publication of advertising texts; rental of advertising space; dissemination of advertisements; public relations;

company audits (commercial analyses); the bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods from a retail outlet and a general merchandise web site in the global communications network.

Class 41

Education; training; entertainment; sporting and cultural activities; information relating to entertainment or education; vocational retraining; providing recreation facilities; publication of books; lending libraries; videotape film production; rental of motion pictures; rental of sound recordings; rental of video cassette recorders or of radio and television sets; rental of show scenery; videotape editing; photography services; organization of competitions (education or entertainment); organization and conducting of colloquiums, conferences or congresses; organization of exhibitions for cultural or educational purposes; booking of seats for shows; game services provided on-line from a computer network; gambling services; publication of electronic books and journals on-line; electronic desktop publishing.

Class 42

Engineering services relating to evaluations and assessments in the fields of science and technology; scientific and technical research; design and development of computers and software; research and development of new products for others; technical project studies; architecture; design of interior decor; development (design), installation, maintenance, updating or rental of software; programming for computers; computer system analysis; computer system design; consultancy relating to the design and development of computer hardware and software; digitization of documents; service software (SaaS); information technology consultancy; hosting of servers; vehicle roadworthiness testing; graphic design services; styling (industrial design); authentication of works of art; energy-related audits.

Class 43

Services for providing food and drink; temporary accommodation; bar services; food and drink catering; hotel services; temporary accommodation reservations; day-nurseries [creches]; providing campground facilities; retirement homes; boarding for animals.

Class 06

Metal building materials; facades and facade elements, railings, cable railings, cable structures, the aforesaid goods being of metal; transportable buildings of metal; ironmongery, small items of metal hardware; reinforcing elements for concrete building components, reinforcing channels, stud rails, shear reinforcements, reinforcing anchors, double-headed anchors, sandwich anchors, single shear dowels; anchor channels, railing fastening channels and mounting channels, holders for the aforesaid channels and parts for suspension thereon, including railing posts; trapezoidal sheet metal fixing rails; connection elements for concrete building components, stud rails, reinforcing connectors; brickwork support brackets, grout-in brackets; support foot elements, wall shoe elements, bearings, bearing means, staircase bearings, in particular for setting in concrete; prefabricated parts of masonry, precast concrete parts and reinforcement connectors; screws, nuts, sleeves, rivets, pins, hammerhead screws, toothed bolts, hook bolts and nuts, slide bolts, dowels, socket dowels, transport anchors, double shear dowels, anchors, sandwich anchors, support anchors, holding anchors, retaining brackets, torque anchors, tie bolts, transport anchor bolts and securing wedges therefor, retaining brackets; anchor sleeves and screw sleeves featuring anchors for setting in concrete; anchor sleeves and cable eyelets for the transport of building components, precast concrete parts, prefabricated masonry, supports and chimneys, the aforesaid goods being of metal; ropes and accessories; chains and accessories; anchor systems for the transport of concrete parts; fastening means and nail plates, the aforesaid goods being of metal; grounding connections and grounding anchors, the aforesaid goods being of metal, in particular for parts of metal in building components, including reinforcing bars of concrete or precast concrete parts; transport means, to be incorporated into building components, precast concrete parts, prefabricated masonry, supports and chimneys, for the transport, raising, lowering and/or assembly of the aforesaid building components, precast concrete parts, prefabricated masonry, supports and chimneys, in particular transport anchors, transport loops, including of wire rope, the aforesaid goods being predominantly of metal; non-electric cables of metal, cable loops; earthing bridges for concrete reinforcements; sheet metal strips, sheet metal sealing strips featuring a non-metallic coating, all being for sealing concrete construction joints; shuttering elements, in particular of expanded metal; non-electric load connectors, in particular non-electric plug-in connectors, of metal; shaped chests, profiles and mouldings of metal for use in building; all the aforesaid goods made of metal; anchoring means of metal for incorporating into building components, concrete, masonry, precast concrete parts or prefabricated masonry; connecting means and fastening elements for concrete formwork, the aforesaid goods being of metal, in particular bracing and anchoring for individual formwork parts; mounting parts for fastening to concrete formwork, blind formwork, recessing bodies and mouldings of metal; transport and/or connecting means for reinforcing materials and other fittings of metal for concrete construction; door fittings of metal; tension rods, non-electric cable

network nodes, deflection saddles and clamps, the aforesaid goods being included in this class; tags, data clips, stoppers, mounting bars, clamping elements for concrete loops, mounting brackets; storage chests of metal with, and for, hangers of metal, in particular of wire ropes; connectors, mainly of metal, for connecting or assembling finished concrete parts; wire rope and wire rope loops, nets consisting of these ropes, hoisting slings, crane slings for securing loads to crane hooks, rope ladders and other ladders consisting of these ropes; guy ropes, rope clamps, non-electric antennae cables, carrying ropes, rope nets, fittings, cable structures, banister ropes, the aforesaid goods being of metal; lifting equipment, chains, slinging chains, chain wheels, the aforesaid goods being of metal, lashing chains of metal; fittings of metal for wire rope, hemp rope, plastic rope, chain belts and lifting straps; rope end connectors, eyelets (other than for clothing), rope thimbles, locks, clamps, load hooks, shackles, carabiners, the aforesaid goods being of metal; rope goods produced from wire rope; all the aforesaid goods being of metal or mainly of metal.

Class 17

Goods made from plastics (semi-finished products) and not included in other classes; packing, stopping and insulating materials, expanding tapes for sealing concrete joints; heat and/or sound-insulating panels, in particular for concrete component joints; flexible pipes, not of metal; sealing elements for sealing of joints and intersection points in structural and civil engineering, in particular concrete construction, in the form of tapes, strips, panels, profiles, not of metal, joint tapes and joint sealing tapes of plastic; flat sealing sheets of plastic; expansion joint connectors.

Class 19

Building materials (non-metallic), in particular facades and facade elements of glass and/or rope; railings, cable railings and cable structures, namely constructions consisting of ropes (not of metal); including the aforesaid goods not of metal; connecting means and fastening elements for concrete formwork, the aforesaid goods not being of metal, in particular bracing and anchoring for individual formwork parts; mounting parts for fastening to concrete formwork, blind formwork, recessing bodies and mouldings, not of metal; transport means for reinforcing materials and other fittings for concrete construction, not of metal, namely articles for the transport, raising, lowering and/or assembly of the aforesaid reinforcing materials and fixtures for concrete construction (building materials); connecting means for reinforcing materials and other fittings for concrete construction, not of metal, namely articles for connecting the aforesaid reinforcing materials and fixtures for concrete construction to one another and/or to other components; transport means to be incorporated into building components, precast concrete parts, prefabricated masonry, supports and chimneys, the aforesaid goods being in particular predominantly not of metal, including being of ceramic or plastic, namely articles for the transport, raising, lowering and/or assembly of the aforesaid building components, precast concrete parts, prefabricated masonry, supports and chimneys, in particular transport loops (building materials); rigid pipes, not of metal (building), casing pipes of paper or cardboard; injection hoses for concrete building components; pipe ducts of plastic for concrete building components and/or sandwich building elements; drain pipes, not of metal for floor drains, roof drains and pump wells; shuttering elements of plastic; non-electric load connectors, in particular non-electric plug-in connectors for the construction sector, of plastic;

moldings, not made of metal, for building.

Class 20

Dowels, not of metal, plastic anchors, in particular for setting in concrete and for hollow wall elements; stoppers, not of metal, for anchor sleeves; retaining brackets of plastic; storage chests of plastic with, and for, hangers of metal, in particular of wire rope; goods of plastics, included in this class, namely, fittings of plastic for wire rope, hemp rope, plastic rope, chains and/or lifting straps, furniture, door fittings, rope thimbles, clamps, carabiners, shackles; storage chests of plastic with, and for, hangers of metal, in particular of wire rope, rope clamps; shaped chests, profiles or mouldings of plastic for use in building; anchoring means of plastic for incorporating into building components, concrete, masonry, precast concrete parts or prefabricated masonry; tags, data clips, stoppers, mounting bars, clamping elements for concrete loops, mounting brackets, fastening means, nail plates, the aforesaid goods being of plastic; screws and nuts, sleeves, socket dowels, the aforesaid goods being of plastic.
