PRACTICE DIRECTION NO. 2 OF 2005
REGISTRATION AS ACCOUNT HOLDER TO E-FILE AND PAY BY GIRO**

This Practice Direction is issued by the Registrar under Rule 78B(1) of the Trade Marks Rules, to specify the procedure for applying to the Registrar to be registered as an account holder.

This Practice Direction will come into effect on 1 January 2006.

Any person who wishes to use eTrademarks to effect a transaction and make payment by GIRO must register with the Intellectual Property Office of Singapore (IPOS) as an Account Holder. Approval is at the sole discretion of IPOS. Upon approval, an eTrademarks account will be created in the name of the person and the person will receive a User ID and Password.

To register, access IPOS address at <http://www.ipos.gov.sg> and [download the eTrademarks Account Holder Registration Form](#).

The person may appoint an Administrator to administer and manage his eTrademarks Account through the eTrademarks "[Maintenance of Authorised Representatives](#)" service.

The responsibilities of the Administrator are as follows:

- appointment of one or more Representatives to access eTrademarks and make payment by GIRO on behalf of the Account Holder;
- updating of the particulars of the Representatives; and
- removal of any Representative's rights to access eTrademarks and make payment by GIRO on behalf of the Account Holder.

These responsibilities are to be conducted through the eTrademarks "Maintenance of Authorised Representatives" service.

Please note that all Authorized Representatives must be CPF account holders with SingPass. The Authorized Representatives are required to sign in using their SingPass to ensure security for GIRO deductions for the online transactions. If the person does not have a GIRO account with IPOS, please complete the [GIRO Application Form](#) and submit it to IPOS.

The completed eTrademarks Account Holder Registration Form and GIRO Application Form should be mailed or couriered to the Intellectual Property Office of Singapore with the address 51 Bras Basah Road #04-01 Plaza By The Park Singapore 189554 and attentioned to Mrs Ang-Ong Bee Lian. Fax submissions are not acceptable.

Dated this 30th day of December 2005.

HOURS OF BUSINESS AND EXCLUDED DAYS**

This Practice Direction is issued by the Registrar under Section 78 of the Trade Marks Act, to specify the hours of business of the Registry and the days which are to be treated as excluded days.

This Practice Direction will come into effect on 1 July 2004.

Hours Of Business

- (1) The hours of business of the Registry shall be as follows:
 - (a) 8.30 am to 12.30 pm and 1.30 pm to 5.30 pm from Monday to Friday, except on a day which is an excluded day; and
 - (b) 8.30 a.m. to 1.00 p.m. on any Saturday which is not an excluded day.
- (2) Notwithstanding paragraph (1), for the purposes of carrying out of any transaction referred to in rule 78A(2) by means of the electronic online system, the Registry shall be taken to be open every day at all hours, except on any day which is an excluded day for the purposes of carrying out of transactions by means of the electronic online system.

Excluded Days

- (1) All Sundays, public holidays and such other days as the Registrar may specify, shall be excluded days for all purposes under the Act and the Rules.

Dated this 1st day of July 2004.

Application Published for Opposition Purposes Under The Trade Marks Act (Cap.332, 2005 Ed.)

Registration has been applied for in the respect of the following Trade Marks under the provisions of the Trade Marks Act (Cap. 332, 2005 Ed.)

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.

Class 09

Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, recording discs; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment and computers; computer programs; software for processing electronic payments to and from others; authentication software; computer software supplied on the Internet; online electronic publications (downloadable from the Internet or a computer network or a computer database); downloadable computer software to facilitate the electronic transmission of information, data, documents, voice and images over the Internet; downloadable computer software which allows users to participate in web-based meetings and classes, with access to data, documents, images and software applications through a web browser; downloadable computer software for accessing, viewing and controlling remote computers and computer networks; downloadable electronic publications in the nature of articles, papers and instructional materials in the fields of telecommunications, the Internet, training, business, sales and marketing; computer software, computer peripherals; notebook computers; laptop computers; portable computers; handheld computers; personal digital assistants; personal media players; mobile telephones; smart phones; digital cameras; batteries, battery chargers; computer workstations (apparatus and installations); computer servers; computer and telecommunications networking hardware; computer network adaptors, switches, communication routing apparatus and hubs; wireless and wired modems and communication cards (encoded or magnetic) and devices; cases adapted for laptop computers and computers; fire-extinguishing apparatus; computer hardware and firmware; computer software (including software downloadable from the Internet); computer software for use with GPS (Global Positioning System) navigation systems for navigation, route guidance and electronic

mapping; computer software for use with route planners, electronic maps and digital dictionaries for navigation and translation purposes; automobile navigation system featuring interactive digital map displays, interactive instructions and user generated information; compact discs; digital music (downloadable from the Internet); telecommunications apparatus; mouse mats; mobile phone handsets; mobile phone parts and fittings; downloadable games, pictures, motion pictures, movies and music; alarm systems, other than for vehicles; security cameras; mobile radio and television broadcasting units; television broadcasting equipment; cameras; video cameras; headphones; telephone earpieces; speakers; Global Positioning System (GPS) apparatus and equipment; computer, electronic and video games programs and software (including software downloadable from the Internet); liquid crystal displays for telecommunications and electronic equipment; set top box; remote control apparatus; data storage programs; spectacles and sunglasses; outdoor signboards of metal (luminous); encoded or magnetic bank credit, debit, cash and identification cards; automatic teller machines, cash dispensers; computer software applications, downloadable; electronic book readers; toner cartridges, unfilled, for printers and photocopiers; baby monitors; video baby monitors; lens hoods; tablet computers; encoded key cards; 3D spectacles; memory cards for video game machines; automobile navigation systems; satellite navigational apparatus; GPS (Global Positioning System) navigation devices; navigational instruments; all included in Class 9.

Class 16

Newspapers; magazines; periodicals; journals; paper, cardboard and goods made from these materials, not included in other classes; printed matter; bookbinding material; photographs; stationery; adhesives for stationery or household purposes; artists' materials; paint brushes; typewriters and office requisites (except furniture); instructional and teaching material (except apparatus); plastic materials for packaging (not included in other classes); printers' type; printing blocks; books, pamphlets, posters, printed cards, circulars, catalogues, calendars, price tags, price labels; carry bags of paper, cardboard and plastic; printed telephone, facsimile, electronic mail and website directories; cards in the form of debit cards, credit cards, charge cards and telephone cards other than encoded and magnetic cards; marketing and promotional materials being printed matter; printed advertisements; user manuals; packaging materials made of paper, plastic or cardboard; tissues; handkerchiefs made of paper; models and figurines made of paper; paper party bags for packaging; page holders; all included in Class 16.

Class 35

Advertising; business management; business administration; office functions; organisation, operation and supervision of loyalty and incentive schemes; advertising services provided via the Internet; production of television and radio advertisements; accountancy; auctioneering; arranging of trade fairs; opinion polling; data processing; provision of business information; advertising agency services; advertising services provided for others; database management; compilation of information into computer databases; business consulting services; business consulting services in the field of web-based events, conferences, training programs, learning programs and seminars; business consulting services in the field of delivering web-based knowledge; business consulting services in the field of online collaboration and collaboration technologies; business consulting services in the fields of sales and marketing; business project management services; business project management services relating to the development, set up, staging, production, recording, monitoring and follow-up of web-based events, conferences, training programs, learning

programs and seminars; market research and business consulting services; business consultancy services relating to facilitating the transaction of business via local and global computer networks by locating and providing referrals for the delivery of a wide variety of business and consumer products and services; dissemination of business information of goods and services of others via local and global computer networks; provision of online business consultancy services in relation to the sourcing of goods and services and fulfilling trade leads and orders; providing computerized online ordering services; advertising of goods and services of others via local and global computer networks; international import and export agency services; rental of advertising space on communication media; auctioneering and business evaluation services provided online via a computer database or the Internet; online retail services of consumer products; compilation of business directory of third party websites to facilitate business transactions; business consultancy services relating to operating an electronic marketplace for the buyers and sellers of goods and/or services on a global computer network; business assistance relating to facilitating business transaction via local and global computer networks; corporate management consultancy services; marketing and promotion services; publication of publicity materials; marketing of vacant premises; dissemination of advertising materials, updating of advertising materials, compilation of advertisements for use as web pages on the Internet; rental of advertising space; computer data processing; sales promotion (for others); business information services; promotional information services; telephone answering (for unavailable subscribers); telephone answering (for others); auctioneering provided on the Internet; personnel management; provision of sales promotion, business, advertising and promotional information through a global computer network and via the Internet; presentation of goods on communication media for retail purposes; the bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods from a general merchandise Internet website and in a wholesale outlet; the bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods from a general merchandise catalogue by mail order or by means of telecommunications; the bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods from retail outlets; retail and wholesale services for telephones, mobile phone handsets, mobile phone parts and fittings, electronic and telecommunications goods, automobile navigation systems, satellite navigational apparatus, GPS (Global Positioning System) navigation devices, navigational instruments, computer hardware and computer software, batteries, battery chargers, apparatus and instruments for recording, receiving, transmitting and/or reproducing data, information, pictures, images and/or sound, precious metals, jewellery, precious stones, printed matter, stationery and magnetic and non-magnetically encoded cards, furniture, picture frames, household and kitchen utensils, glassware, porcelain and earthenware, textiles, clothing, footwear, headgear, laces and embroidery, buttons, ribbons, pins and needles, artificial flowers, carpets, rugs, games and electronic toys, chemicals used in industry, science, photography and agriculture, paints, varnishes and lacquers, personal hygiene products, soaps, perfumery, cosmetics, hair and body lotions, essential oils, cleaning and bleaching preparations, lubricants, fuels, candles, pharmaceutical, veterinary and sanitary preparations, ironmongery and small items of metal hardware, machines and machine tools, cutlery, razors and hand tools, computers, calculating machines, electrical, photographic, cinematographic and optical apparatus and instruments, spectacles and sun glasses, surgical and

medical apparatus and instruments, apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, vehicles, firearms, fireworks, silverware, horological and chronometric instruments, musical instruments, magazine, cards, paper and cardboard products, picture, typewriters and office requisites, packaging materials, rubber and plastics for manufacture use, packing and insulating materials, leather and imitations of leather and goods made from these materials, handbags, purses, wallets, leather holders, bags, luggage, umbrellas, mirrors, ropes, string, nets, tents, yarns and threads for textile use, coat hangers, place mats, dressmaker's articles, bed and table covers, playthings and sporting articles, foodstuffs and beverages, meat, fish, poultry, preserved, dried and cooked fruits and vegetables, jams and fruits sauces, eggs, milk and milk products, edible oils and fats, coffee, tea, cocoa, sugar, rice, flour, bread and cakes, condiments, fresh fruit and vegetables, beer, mineral water, fruit juices and other non-alcoholic drinks, alcoholic beverages, floral products, tobacco, smokers' articles and matches; direct mail advertising; import-export agency services; selection of goods and procurement of goods for individuals and businesses; ordering services [for others]; department store retailing services; supermarket retailing services; secretarial services; provision of business statistical information; organisation of exhibitions for commercial or advertising purposes; business assistance services relating to compilation and rental of mailing lists; business investigation; business administration services for the processing of sales made on the Internet; business referral services and personnel placement; import-export agencies services relating to import-export goods clearance; arranging newspaper subscriptions (for others); document reproduction; message transcription services; stenographic transcription; rental of office equipment; business management services relating to customer relationship; business management services relating to electronic commerce; business management and administration services relating to sponsorship programmes; accounting services; charitable services, namely business management and administration; rental of sales stands; provision of commercial and business contact information; search engine optimization; website traffic optimization; pay per click advertising; commercial intermediation services; business management for freelance service providers; negotiation and conclusion of commercial transactions for third parties; updating and maintenance of data in computer databases; business project management services for construction projects; providing business information via a website; compilation of a register of domain names; consultancy, information and advisory services relating to the aforesaid services; all included in Class 35.

Class 36

Insurance; financial affairs; monetary affairs; real estate affairs; clearing and reconciling financial transactions via a global computer network; online banking services and financial services; credit card services, processing of bills and payments thereof, and providing insurance for financial transactions; funds transfer services; transfer of funds by electronic means for others; transfer of payments for others via the Internet; financial services in the nature of billing and payment processing services; arrangement and management of leases and tenancy of real estate; renting and leasing of real estate; real estate appraisal; real estate valuation; real estate financing; real estate investment; real estate brokerage services; real estate agency services; housing agency services; actuarial services; real estate management and consultancy services; rent collection; rental of offices (real estate); rental of apartments and flats; provision of financial information via the Internet; safety deposit and issuing of travel vouchers services; capital investments; financial evaluation [insurance, banking, real estate]; financial and asset

management services; insurance and financial services; financial services provided by telecommunication means; financial consultancy and advisory services; online banking; banking services provided online from a computer database or the Internet; securities brokerage services, stock exchange quotation services; stocks and bonds brokerage; financial analysis; debit card services, charge card services and cheque guarantee services; banking, savings account and investment services; financial clearing services; credit verification via global computer information network; electronic credit risk management services; electronic purchase payment and electronic bill payment services; financial accounts debiting and crediting services; electronic banking services; issuance of stored value cards, charge cards and debit cards; credit card services provided by means of a telephone; information services relating to finance and insurance, provided online from a computer database or the Internet; agency for collection of gas and electricity fees; antique appraisal; art appraisal; jewelry appraisal; used car appraisal; provision of financial advice in relation to taxes; charitable fund raising; organizing of charitable collections; charitable collections; rental of paper money and coin counting machines; rental of paper money and coin processing machines; rental of cash dispensers or automated-teller machines; online payment services; safe deposit services; arranging finance for construction projects; import-export clearance agencies [customs clearance]; consultancy, information and advisory services relating to the aforesaid services; all included in Class 36.

Class 37

Construction of buildings; civil engineering (construction); building construction supervision; construction consultation; building repair, maintenance and installation services; property development (building and construction services); cleaning of buildings [exterior surface]; cleaning of buildings [interior]; painting, interior and exterior; building of fair stalls and shops; factory construction; warehouse construction and repair; construction information; information services relating to repair or installation, provided online from a computer database or the Internet; demolition of buildings; harbour construction; pier breakwater building; underwater construction; pipeline construction and maintenance; shipbuilding; drilling of deep oil or gas-wells; drilling of wells; rental of cleaning machines; rental of construction equipment; rental of drainage pumps; carpentry services; car wash and motor vehicle wash; repair information; repair, maintenance and installation services; repair of power lines; repair of security locks; restoration of musical instruments; restoration of works of art; machinery installation, maintenance and repair; rebuilding machines that have been worn or partially destroyed; elevator installation and repair; lift installation and repair; fire alarm installation and repair; safe maintenance and repair; telephone installation and repair; motor vehicle maintenance and repair; office machines and equipment installation, maintenance and repair; furniture maintenance; electric appliance installation and repair; air conditioning apparatus installation and repair; airplane maintenance and repair; burglar alarm installation and repair; clock and watch repair; vehicle battery charging; vehicle maintenance; vehicle breakdown assistance [repair]; installation, repair and maintenance of navigation systems; installation, repair and maintenance of data processing equipment; telecommunication apparatus and wireless communications equipment; installation, repair and maintenance of computer hardware; maintenance of computers; consultancy, information and advisory services relating to the aforesaid services; all included in Class 37.

Class 38

Telecommunications services; telecommunications services relating to

transmission and delivery of digital data, photographs, audio files, data, information and image signals by means of computers, cable radio and satellite transfer, all in particular for navigation systems, route planners and the use of electronic maps; providing web-based multimedia teleconferencing, video conferencing and provision of telecommunication facilities to enable or facilitate simultaneous and asynchronous viewing, sharing, editing and discussion of documents, data and images by participants via a web browser; providing customers with online access to online reports regarding the performance, effectiveness and status of web-based applications, teleconferences, video conferences and meetings; providing users with secure remote access via the Internet to private computer networks; providing user access to a global computer network to access applications, platforms, jointly-shared documents, data, task lists and discussion forums; Internet broadcasting services; providing access to an online computer database containing information relating to online platforms for the submission of web-based complaints; provision of telecommunication access and links to computer database and to the Internet; electronic communication services; interactive telecommunications services; telecommunication of information (web pages), computer programs and data; providing telecommunications connections to the Internet or databases; provision of telecommunication access to world-wide web facilities and structures; communication by computer terminals; communication by fibre optic networks; computer aided transmission of messages and images; facsimile transmission; message sending; paging services; rental of modems; data communication services by electronic means; rental of telecommunication equipment; electronic message sending, receiving and forwarding services; transmission and delivery of data by electronic means; transmission and delivery of mail messages, still picture and/or moving picture information such as characters, messages, music and images, telegrams, information and data by mechanical, electronic, telephone, telex, cable, computer and satellite means; transmission, broadcast and reception of audio, video, still and moving images and data whether in compressed or uncompressed form and whether in real or delayed time; electronic messaging, electronic conferencing (telecommunications) and order-transmission services; video conferencing services; communication by electronic bulletin board that enables users to perform a real-time interactive talk between a computer terminal and an electronic bulletin board containing still picture and moving picture information and voice information such as characters; providing electronic bulletin boards and message boards for transmission of messages; provision of online discussion forums; television broadcasting services; broadcasting and transmission of radio and television programmes; music broadcasting; transmission of music, films, interactive programmes, videos, electronic computer games; transmission of information relating to online shopping and general retail services; video-on-demand transmission services; news agency services; providing access to computer database on the global computer network for searching and retrieving information, data, websites and resources available on computer networks; providing user access to a computer database containing electronic publications, bulletin boards, database and information accessible via computer; operation of chat rooms (chat room services); multiple user access to global computer information networks for the transfer and dissemination of a wide range of information; providing access to a website on a global computer network by which third parties can offer goods and services, place and fulfill orders, enter into contracts and transact business; providing access to an interactive website on a global computer network for third parties to post information, respond to requests and place and fulfill orders for products, services and business opportunities; communication services, namely, text and numeric digital messaging services; transmission of information by

data communications for assisting decision making; transmission of information through video communication systems; web conferencing services; electronic communication services for establishing virtual chatrooms via text messaging; providing electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business leads and opportunities; providing an online interactive bulletin board for the posting, promotion, sale and resale of items via a global computer network; providing electronic mail and electronic mail forwarding services; audio and video communication via computers and computer networks, and via a global communications network; providing computer access and rental of access time to online interactive bulletin boards and databases; providing access to electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business opportunities; providing access to electronic calendar, address book and electronic notebook, via local and global computer networks; providing distant video and/or telephone conferencing access and facilities; provision of electronic data links to third party websites to facilitate electronic commerce and real world business transactions; consultancy, information and advisory services relating to the aforesaid services; all included in Class 38.

Class 39

GPS (Global Positioning System) navigation services; provision of information relating to travel and tourism through the Internet or through telecommunication networks; provision of information relating to roadways, travel, navigation, traffic and points-of-interest (travel) via an online interactive database; providing information to travellers regarding fares, timetables and public transport; travel and tourism information and guide services; route guidance and planning services; travel arrangement; travel agency services; travel reservation and travel information services; travel ticket agency services; arranging travel and information therefor, all provided online from a computer database or the Internet; yacht and/or boat trip planning services; providing driving directions for travel purposes; rental of navigational systems; transport; transportation information; providing road and traffic information; providing navigation and information services, namely information relating to traffic and traffic jams; transport of goods and passengers; car transport; air transport; vehicle rental; car rental services; chauffeur services; transport by pipeline; transport services in the nature of transport management; aircraft runway services; operation of airspace for the purpose of air transportation; operating toll road; providing vessel mooring facility services; packaging services; packaging and storage of goods; physical storage of electronically-stored data or documents; delivery of goods by mail order; message delivery; courier services [messages or merchandise]; ship brokerage; loading and unloading of cargo; freight brokerage; removal services; transport brokerage; salvage and refloating of ships and/or boats; piloting; car parking services; water supplying; gas distribution and supply; electricity distribution and supply; heat distribution and supply; water distribution and supply; rental of warehouses; rental of wheelchairs; management of parking spaces; rental of airplanes; rental of containers; rental of bicycles; rental of cars; rental of ships and/or boats; rental of man-powered vehicles; rental of mechanical parking systems; rental of pallets; rental of packaging or wrapping machines; rental of refrigerator; collection of domestic waste and trash; collection of industrial waste and trash; consultancy, information and advisory services relating to the aforesaid services; all included in Class 39.

Class 41

Education; providing of training; entertainment; sporting and cultural activities; publication of texts, books and journals (other than publicity texts); publication of diagrams, images and photographs; publication of newspapers, magazines and periodicals; education, training and instruction services relating to telecommunications, computers, computer programs, website design, electronic commerce, business management and advertising; provision of education, recreation, instruction, tuition and training both interactive and non-interactive; design of educational courses; academic examination services, namely, design of examination scripts; entertainment provided via electronic and digital interactive media; electronic games services provided by means of the Internet; provision of information relating to education, training, entertainment, recreation, sporting, social and cultural activities; providing online electronic publications (not downloadable); arranging, organizing, hosting and conducting singing competitions; arranging, organizing, hosting and conducting concerts; arranging, organizing, hosting and conducting events and competitions for education or entertainment purposes; arranging, organizing, hosting and conducting game shows and quests; entertainment ticket agency services; information relating to entertainment or education, provided online from a computer database or the Internet; providing digital music (not downloadable) from the Internet; providing digital music (not downloadable) from MP3 (Moving Picture Experts Group-1 audio layer 3) Internet websites; entertainment and educational services relating to planning, production and distribution (other than transportation) of sound, images, digital music, movies, live or recorded audio, visual or audiovisual material for broadcasting on terrestrial cable, satellite channels, the Internet, wireless or wire-link systems and other means of communication systems; music entertainment services; rental of sound recordings; preparation of entertainment, educational, documentary and news programmes for broadcasting; news reporters' services; information relating to sporting or cultural events, news programmes and current affairs programmes provided by satellite television transmission, the Internet or by other electronic means; television, radio and film production; preparation and production of television programmes; provision of information, data, graphics, sound, music, videos and animation for entertainment purposes; publication of texts (other than publicity texts) for entertainment purposes; game services; provision of club recreation, sporting and gymnasium facilities; band performances; club entertainment, discotheque, fashion show [entertainment] and night club services [entertainment]; club services relating to entertainment, education and cultural services; arranging, conducting and provision of conferences, conventions, congresses, seminars and training workshops; organizing and conducting exhibitions (for cultural or educational purposes), fashion shows (for entertainment, cultural or educational purposes), educational shows and cultural shows and performances; art exhibition and gallery services; art gallery services relating to the rental of fine art; training services in relation to occupation health and safety, and environmental conservation; provision of cigar classes, wine tasting classes; providing education information about research materials and agency thereof; arranging, organizing, planning and management of seminars; animal training; preparation of entertainment programmes for broadcasting; producing of motion pictures, plays and videos; instructional services relating to operation of machines and equipment, including audiovisual equipment, which is used for the production of broadcasting programmes; providing audio and visual studios; providing sports facilities; providing facilities for movies, shows, plays, music or educational training; entertainment booking agencies; rental of motion pictures (cine-films); rental of musical instruments; rental of television programmes; rental of television sets; lending libraries; archive library services; subtitling services; sign

language interpretation services; providing movies, video games, computer games and entertainment in the form of sound or images through telecommunication or computer networks; providing online computer games and contests; rental of pre-recorded video tapes; rental of game machines; rental of arcade game equipment; rental of pictures; photography; translation; language interpretation; educational and training programs in the field of risk management; educational and training programs relating to certification; provision of news [news programme services]; lottery services; providing online videos, not downloadable; tutoring; consultancy, information and advisory services relating to the aforesaid services; all included in Class 41.

Class 42

Scientific and technological services and research and design relating thereto, industrial analysis and research services; scientific, technological, research and design services related to telecommunication and navigation signals; design and development of computer hardware and software; design and development of navigation and route planning software; software as a service (SaaS); computer support services [programming and software installation, repair and maintenance services] in connection with transmitting information, data, documents, and images over the Internet; application service provider (ASP) services, namely, hosting computer software applications of others; application service provider (ASP) services providing software in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; providing online non-downloadable software for facilitating the interoperability of multiple software applications; technical support services (programming and software installation, repair and maintenance services) provided online, by email and by telephone; computer support services [programming and software installation, repair and maintenance services] in relation to creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents; computer technology advice on programming and software installations, repair and maintenance provided to Internet users by means of a support hotline; computer support services [programming and software installation, repair and maintenance services] relating to creating indexes of information, sites and resources on computer networks; providing search engines; design of computers, notebook computers, laptop computers, portable computers and handheld computers; design of personal digital assistants and personal media players; design of mobile telephones and smart phones; design of digital cameras; information technology (IT) services (computer hardware, software and peripherals design and technical consultancy); computer support services (programming and software installation, repair and maintenance services); computer programming; computer system integration services; computer analysis services; computer programming in relation to the defence against virus; programming, installation, repair and maintenance of computer system software; computer network services for exchanging of data; computer software design; computer system design; design and development of webpages; hosting webpages for others; hosting computer application software for searching and retrieving information from databases and computer networks; providing technical information relating to computer support services (programming and software installation, repair and maintenance services) at the specific request of end-users by means of telephone or global computer network; consultancy services in relation to computer software; design and development of search engines; design of computer codes; development of computer codes; coding of messages; conversion of physical data and documents into electronic media format;

testing and evaluation services, namely, material quality evaluation and testing, commissioning (testing and inspection) services, product quality evaluation, product testing, safety evaluation, environmental testing, industrial testing, quality testing, laboratory testing services, testing of computer programs, testing of computers, testing of computer installations; architectural and design services; interior designing of buildings, offices and apartments; information services relating to information technology; computer security services (testing and risk assessment of computer programs); computer security services (testing and risk assessment of computer networks); quality assurance services; computer technological services in relation to the verification of online business transactions; computer security services relating to providing access control to computers, electronic networks and databases; data security services (firewalls) relating to data transmission and of transactions via computer networks; consultancy in the field of computer security; technological consultancy in the field of computer security relating to securing computer network communications by means of a global computer network; computerized communication network security services; providing information in the fields of Internet, world wide web and computerized communication network security and computer security for the transmission of data and information; consulting services in the fields of Internet, world wide web and computerized communication network security services, information security services, computer security for the transmission of data and information; authentication services for computer security; online authentication of electronic signatures; off-site data backup; electronic data storage; providing information on computer technology and programming via a website; cartography services; cloud computing; rental of entertainment software; consultancy, information and advisory services relating to the aforesaid services; all included in Class 42.

Class 45

Personal and social services rendered by others to meet the needs of individuals, namely, personal shopper services, personal care services (non-medical assistance in the nature of support and foster care services for children, elderly or the disabled), personal reminder services, personal bodyguard services, social escorting; consultancy services relating to social planning, chaperoning, personal introduction agency services, house sitting, babysitting, pet sitting, detective agencies, undertaking, horoscope casting; charitable services, namely, mentoring (personal or spiritual); social work services, namely, adoption agency services, mediation, lifestyle counselling (spiritual), spiritual or religious counselling, marriage guidance counselling, marriage agencies, fostering of children and consultancy services relating to social planning; dating services; legal services; domain name registration services (legal services); Intellectual property consultancy; legal research; legal document preparation services; legal administration of licences; licensing of intellectual property; litigation services; alternative dispute resolution services; arbitration services; guard and security services; personal safety services; rental of apparel; providing protection services through electric central stations for intruders, burglar and fire protection systems; intruder and burglar alarms monitoring services, fire and flood detecting device and alarm monitoring services; licensing of digital data, still images, moving images, audio and text; creation and maintenance of a register of domain names; baggage inspection for security purposes; personal background investigation services; security services for the protection of property and individuals; funeral services; online social networking services; releasing doves for special occasions; embalming services; rental of safes; consultancy, information and advisory services relating to the aforesaid services; all included in Class 45.

International Registration Filed Under The Madrid Protocol Published For Opposition Under The Trade Marks Act (Cap.332, 2005 Ed.)

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.
