Information Contained in This Journal

The Registry of Trade Marks does not guarantee the accuracy of its publications, data records or advice nor accept any responsibility for errors or omissions or their consequences. Permission to reproduce extracts from this Journal must be obtained from the Registrar of Trade Marks.

GENERAL INFORMATION

Trade Marks Journal

This Journal is published by the Registry of Trade Marks pursuant to rule 86A of the Trade Marks Rules.

Request for past issues of the journal published more than three months ago may be made in writing and is chargeable at \$12 per issue. It will be reproduced in CD-ROM format and to be collected at the following address:

Registry of Trade Marks
Intellectual Property Office of Singapore
51 Bras Basah Road #01-01
Manulife Centre
Singapore 189 554

This Journal is published weekly on Friday and on other days when necessary, upon giving notice by way of practice circulars found on our website.

Official working hours of the Registry

The official working hours of the Registry are as follows:

Monday to Friday : 0830 hours to 1730 hours
Saturday, Sunday and Public Holidays: Closed

Payment at the counter should be made during the following time period:

Monday to Friday : 0830 hours to 1700 hours

Enquiries

For enquiries relating to trade marks, please contact the Registry at the following telephone number:

6339-8616

Information on trademarks is available at the Registry's web site at:

<http://www.ipos.gov.sg>

Making Payment

IPOS accepts:

1. Payment by cheque (crossed), money order and bank draft (in Singapore Dollars and drawn on banks operating in Singapore). These should be addressed to the **Intellectual Property Office of Singapore**.
2. Payment by cash, NETS, GIRO, CashCard, eNets Debit (Internet Banking), eNets Credit (Credit Card).

More information on the above payment modes is available at the Registry's web site,

<http://www.ipos.gov.sg>

INTELLECTUAL PROPERTY OFFICE OF SINGAPORE
PRACTICE DIRECTION NO. 2 OF 2015
EXCLUDED DAYS
(EVES OF NEW YEAR'S DAY, CHINESE NEW YEAR AND CHRISTMAS DAY)**

This Practice Direction is issued by the Registrar under Section 78 of the Trade Marks Act, Section 111 of the Patents Act, Section 64 of the Registered Designs Act, and Section 51 of the Plant Varieties Protection Act, to specify that the following days are to be treated as excluded days:

With effect from the date of this Practice Direction, the eve of New Year's Day, the eve of the first day of Chinese New Year and the eve of Christmas Day¹ of each year are excluded days, for any business under the Trade Marks Act and Rules, the Patents Act and Rules, the Registered Designs Act and Rules, and the Plant Varieties Act and Rules, where the time for doing the business expires on that date and where the business was not done by that date.

If any of the excluded days specified in this Practice Direction falls on a Sunday, Practice Direction No. 1 of 2009 still applies².

Dated this 1st day of September 2015.

ALTERNATIVES TO ONLINE FILING DURING SERVICE DISRUPTION**

This practice direction is issued by the Registrar to provide alternatives to online filing of form and/or document when a service disruption occurs.

This practice direction will come into effect on 1st May 2013.

- (1) In the event that the electronic online service (EOS) is unavailable for extended periods (for example, due to system downtime), a notice will be placed on the IPOS' website with the title "Alternatives Available for Filing of Form and/or Document".
- (2) On the broadcast of such a notice on IPOS' website, online payment fees will apply to forms submitted over the counter prior to 5 pm on that day if notification has been made to IPOS by contacting IPOS System Administrator at 6339 8616.

Dated this day 16th day of April 2013.

PRACTICE DIRECTION NO. 2 OF 2005
REGISTRATION AS ACCOUNT HOLDER TO E-FILE AND PAY BY GIRO**

This Practice Direction is issued by the Registrar under Rule 78B(1) of the Trade Marks Rules, to specify the procedure for applying to the Registrar to be registered as an account holder.

This Practice Direction will come into effect on 1 January 2006.

Any person who wishes to use eTrademarks to effect a transaction and make payment by GIRO must register with the Intellectual Property Office of Singapore (IPOS) as an Account Holder. Approval is at the sole discretion of IPOS. Upon approval, an eTrademarks account will be created in the name of the person and the person will receive a User ID and Password.

To register, access IPOS address at <http://www.ipos.gov.sg> and [download the eTrademarks Account Holder Registration Form](#).

The person may appoint an Administrator to administer and manage his eTrademarks Account through the eTrademarks "[Maintenance of Authorised Representatives](#)" service.

The responsibilities of the Administrator are as follows:

- appointment of one or more Representatives to access eTrademarks and make payment by GIRO on behalf of the Account Holder;
- updating of the particulars of the Representatives; and
- removal of any Representative's rights to access eTrademarks and make payment by GIRO on behalf of the Account Holder.

These responsibilities are to be conducted through the eTrademarks "Maintenance of Authorised Representatives" service.

Please note that all Authorized Representatives must be CPF account holders with SingPass. The Authorized Representatives are required to sign in using their SingPass to ensure security for GIRO deductions for the online transactions. If the person does not have a GIRO account with IPOS, please complete the [GIRO Application Form](#) and submit it to IPOS.

The completed eTrademarks Account Holder Registration Form and GIRO Application Form should be mailed or couriered to the Intellectual Property Office of Singapore with the address 51 Bras Basah Road #04-01 Plaza By The Park Singapore 189554 and attentioned to Mrs Ang-Ong Bee Lian. Fax submissions are not acceptable.

Dated this 30th day of December 2005.

HOURS OF BUSINESS AND EXCLUDED DAYS**

This Practice Direction is issued by the Registrar under Section 78 of the Trade Marks Act, to specify the hours of business of the Registry and the days which are to be treated as excluded days.

This Practice Direction will come into effect on 1 July 2004.

Hours Of Business

- (1) The hours of business of the Registry shall be as follows:
 - (a) 8.30 am to 12.30 pm and 1.30 pm to 5.30 pm from Monday to Friday, except on a day which is an excluded day; and
 - (b) 8.30 a.m. to 1.00 p.m. on any Saturday which is not an excluded day.
- (2) Notwithstanding paragraph (1), for the purposes of carrying out of any transaction referred to in rule 78A(2) by means of the electronic online system, the Registry shall be taken to be open every day at all hours, except on any day which is an excluded day for the purposes of carrying out of transactions by means of the electronic online system.

Excluded Days

- (1) All Sundays, public holidays and such other days as the Registrar may specify, shall be excluded days for all purposes under the Act and the Rules.

Dated this 1st day of July 2004.

Application Published for Opposition Purposes Under The Trade Marks Act (Cap.332, 2005 Ed.)

Registration has been applied for in the respect of the following Trade Marks under the provisions of the Trade Marks Act (Cap. 332, 2005 Ed.)

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.

for aerospace and defense applications; limit switches; microswitches; manually operated switches; power technologies, namely, switches; power switching apparatus; power management apparatus; power storage apparatus.

Class 16

Printed matters; brochures, catalogues and leaflets; user and instruction manuals; user and application guides.

Class 37

Remote maintenance of automated installations, sensors, controls, switches, relays, logic controllers, timers, actuators, and machines.

Class 38

Telecommunications services, namely the transmission of data and information regarding the status and functioning of automated installations, sensors, controls, switches, relays, logic controllers, timers, actuators, and machines.

Class 40

Custom manufacture of sensors; custom manufacture of pressure sensors; custom manufacture of inertial sensors; custom manufacture of fluid level sensors; custom manufacture of sensors for detecting the quality of liquid or gas media; custom manufacture of position sensors; custom manufacture of micro-controls for micro-programmable logic controllers, control relays, timers, counters, temperature controllers, and safety relays; custom manufacture of programmable logic controllers; custom manufacture of logic controllers; custom manufacture of control relays; custom manufacture of timers; custom manufacture of counters; custom manufacture of temperature controllers; custom manufacture of safety relays; custom manufacture of micro-controls; custom manufacture of solid state relays; custom manufacture of electronic motors and actuators used in electronic or mechanical equipment to initiate, sustain or control motion or force; custom manufacture of electronic motors; custom manufacture of actuators; custom manufacture of navigation sub-systems, namely, inertial measurement units, micro-electro-mechanical systems, inertial navigation systems, and accelerometers; custom manufacture of force sensors; custom manufacture of navigation sub-systems; custom manufacture of media quality sensors; custom manufacture of seat belt tension sensors for the automotive industry, position sensors, readout systems, pressure sensors, micro-controls, solid-state relays, trackballs, motors and actuators for industrial applications, and position sensors, inertial sensors, navigation sub-systems, cockpit operator controls, circuit protection devices, force sensors, pressure sensors, optical scanners and servo systems for the aerospace and military industries; custom manufacture of industrial measurement instrumentation, namely, sensors, transducers and controls; custom manufacture of industrial measurement instrumentation; custom manufacture of position detectors; custom manufacture of pressure switches; custom manufacture of pneumatic logic components; custom manufacture of electro pneumatic valves; custom manufacture of industrial vacuum components; custom manufacture of compressed air automation systems; custom manufacture of DC motors; custom manufacture of brush dc motors; custom manufacture of brushless dc motors; custom manufacture of rotary voice coil actuators; custom manufacture of linear voice coil actuators; custom manufacture of smart voice coil actuators; custom manufacture of brushless dc motor controllers; custom manufacture of dc motor controllers; custom manufacture of brush dc motor controllers; custom manufacture of voice coil actuators; custom manufacture of GPS; custom manufacture of inertial navigation systems;

custom manufacture of inertial measurement unit; custom manufacture of multi-axis inertial sensing system; custom manufacture of angular gyroscope; custom manufacture of analog gyroscope; custom manufacture of remote control circuit breakers; custom manufacture of circuit breakers; custom manufacture of relays; custom manufacture of cockpit controls; custom manufacture of speed brake; custom manufacture of landing gear control; custom manufacture of steering handwheel; custom manufacture of flight spoiler control level; custom manufacture of optical rotary encoders; custom manufacture of magnetic rotary encoders; custom manufacture of hall effect sensors; custom manufacture of rotary and linear potentiometers; custom manufacture of draw wire sensors; custom manufacture of inclinometers; custom manufacture of electronic modules; custom manufacture of wireless encoder interface; custom manufacture of inductive proximity sensors; custom manufacture of inductive sensors with remote electronics; custom manufacture of digital readout systems; custom manufacture of linear encoders; custom manufacture of digital readout encoders; custom manufacture of ceramic capacitive pressure sensors; custom manufacture of silicon capacitive pressure sensors; custom manufacture of panel mount solid state relays; custom manufacture of PC board mount solid state relays; custom manufacture of din rail mount solid state relays; custom manufacture of plug-in solid state relays; custom manufacture of solid state relay timers; custom manufacture of control solid state relays; custom manufacture of digital input/output modules; custom manufacture of heat sink and solid state relays assemblies; custom manufacture of limit switches for industrial applications; custom manufacture of limit switches for aerospace and defense applications; custom manufacture of limit switches; custom manufacture of microswitches; custom manufacture of manually operated switches; custom manufacture of power technologies apparatus; custom manufacture of power switching apparatus; custom manufacture of power management apparatus; custom manufacture of power storage apparatus.

Class 42

Custom design and engineering of sensors; custom design and engineering of pressure sensors; custom design and engineering of inertial sensors; custom design and engineering of fluid level sensors; custom design and engineering of sensors for detecting the quality of liquid or gas media; custom design and engineering of position sensors; custom design and engineering of micro-controls; custom design and engineering of micro-controls for micro-programmable logic controllers, control relays, timers, counters, temperature controllers, and safety relays; custom design and engineering of micro-programmable logic controllers; custom design and engineering of programmable logic controllers; custom design and engineering of logic controllers; custom design and engineering of control relays; custom design and engineering of timers; custom design and engineering of counters; custom design and engineering of temperature controllers; custom design and engineering of safety relays; custom design and engineering of solid state relays; custom design and engineering of electronic motors and actuators used in electronic or mechanical equipment to initiate, sustain or control motion or force; custom design and engineering of navigation sub-systems, namely, inertial measurement units, micro-electro-mechanical systems, inertial navigation systems, and accelerometers; custom design and engineering of force sensors; custom design and engineering of pressure sensors, inertial sensors, fluid level sensors, media quality sensors and seat belt tension sensors for the automotive industry, position sensors, readout systems, pressure sensors, micro-controls, solid-state relays, trackballs, motors and actuators for industrial applications, and position sensors, inertial sensors, navigation sub-systems, cockpit operator controls, circuit protection devices, force sensors, pressure sensors, optical scanners and servo systems for the

aerospace and military industries; technological services relating to remote supervision, control, and monitoring of automated installations, machines or machine fleets; design and development of software for the management, control, monitoring, maintenance and remote diagnosis of automated installations, machines or machine fleets; installation, maintenance and updating of software for the management, control, monitoring, maintenance and remote diagnosis of automated installations, machines or machine fleets; online provision of computer applications and software for the management, control, monitoring, maintenance and remote diagnosis of automated installations, machines or machine fleets; technological services relating to remote management, supervision, and control of computer installations, machines or machine fleets via communication systems; research, design and technological consultancy services in the field of electrical and electronic apparatus and instruments; custom design engineering and consultancy services; customized product design services; custom design and engineering of position detectors; custom design and engineering of pressure switches; custom design and engineering of pneumatic logic components; custom design and engineering of electro pneumatic valves; custom design and engineering of industrial vacuum components; custom design and engineering of compressed air automation systems; custom design and engineering of DC motors; custom design and engineering of brush dc motors; custom design and engineering of brushless dc motors; custom design and engineering of rotary voice coil actuators; custom design and engineering of linear voice coil actuators; custom design and engineering of smart voice coil actuators; custom design and engineering of brushless dc motor controllers; custom design and engineering of dc motor controllers; custom design and engineering of brush dc motor controllers; custom design and engineering of voice coil actuators; custom design and engineering of GPS; custom design and engineering of inertial navigation systems; custom design and engineering of inertial measurement unit; custom design and engineering of multi-axis inertial sensing system; custom design and engineering of angular gyroscope; custom design and engineering of analog gyroscope; custom design and engineering of remote control circuit breakers; custom design and engineering of circuit breakers; custom design and engineering of timers; custom design and engineering of relays; custom design and engineering of control relays; custom design and engineering of counters; custom design and engineering of safety relays; custom design and engineering of temperature controllers; custom design and engineering of cockpit controls; custom design and engineering of speed brake; custom design and engineering of landing gear control; custom design and engineering of steering handwheel; custom design and engineering of flight spoiler control level; custom design and engineering of optical rotary encoders; custom design and engineering of magnetic rotary encoders; custom design and engineering of hall effect sensors; custom design and engineering of rotary and linear potentiometers; custom design and engineering of draw wire sensors; custom design and engineering of inclinometers; custom design and engineering of electronic modules; custom design and engineering of wireless encoder interface; custom design and engineering of inductive proximity sensors; custom design and engineering of inductive sensors with remote electronics; custom design and engineering of digital readout systems; custom design and engineering of linear encoders; custom design and engineering of digital readout encoders; custom design and engineering of ceramic capacitive pressure sensors; custom design and engineering of silicon capacitive pressure sensors; custom design and engineering of panel mount solid state relays; custom design and engineering of PC board mount solid state relays; custom design and engineering of din rail mount solid state relays; custom design and engineering of plug-in solid state relays; custom design and engineering of solid state relay timers; custom design and engineering of control solid state

relays; custom design and engineering of digital input/output modules; custom design and engineering of heat sink and solid state relays assemblies; custom design and engineering of limit switches for industrial applications; custom design and engineering of limit switches for aerospace and defense applications; custom design and engineering of limit switches; custom design and engineering of microswitches; custom design and engineering of manually operated switches; custom design and engineering of power technologies apparatus; custom design and engineering of power switching apparatus; custom design and engineering of power management apparatus; custom design and engineering of power storage apparatus.

Priority Claims:

Class 09

23/10/2015

Application for a series of three marks.

Class 09

Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, recording discs; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment and computers; computer programs; software for processing electronic payments to and from others; authentication software; computer software supplied on the Internet; computer software in the form of an application for mobile devices and computers; software applications for use with mobile devices; computer software for interactive entertainment, which allows users to customize the viewing, listening, and playing experience by selecting and arranging the display and performance of audio, video and audiovisual elements; downloadable audio, visual, and audiovisual files and recordings, featuring multimedia entertainment programs and content; online electronic publications (downloadable from the Internet or a computer network or a computer database); instant messaging software; file sharing software; communications software for electronically exchanging data, audio, video, images and graphics via computer, mobile, wireless, and telecommunication networks; computer software for processing images, graphics, audio, video, and text; downloadable computer software to facilitate the electronic transmission of information, data, documents, voice and images over the Internet; downloadable computer software which allows users to participate in web-based meetings and classes, with access to data, documents, images and software applications through a web browser; downloadable computer software for accessing, viewing and controlling remote computers and computer networks; downloadable cloud-computing software; downloadable cloud-based software; downloadable electronic publications in the nature of magazines, articles, brochures, leaflets, datasheets, informational materials, instructional materials in the field of business, e-commerce, information technology, cloud computing, telecommunications, the Internet, business and e-commerce training, business, sales, marketing and financial management; computer software, computer peripherals; notebook computers; laptop computers; portable computers; handheld computers; personal digital assistants; personal media players; mobile telephones; smart phones; digital cameras; batteries, battery chargers; computer workstations (apparatus and installations); computer servers; computer and telecommunications networking hardware; computer network adaptors, switches, communication routing apparatus and hubs; wireless and wired modems and communication cards (encoded or magnetic) and devices; cases adapted for laptop computers and computers; fire-extinguishing apparatus; computer hardware and firmware; computer software (including software downloadable from the Internet); compact discs; digital music (downloadable from the Internet); telecommunications apparatus; mouse mats; mobile phone handsets; mobile phone parts and fittings; downloadable games, pictures, motion pictures, movies and music; alarm systems, other than for vehicles; security cameras; mobile radio and television broadcasting units; television broadcasting equipment; cameras; video cameras; headphones; telephone earpieces; speakers; Global Positioning System (GPS) apparatus and equipment; computer, electronic and video games programs and software (including software downloadable from the Internet); liquid crystal displays for telecommunications and

electronic equipment; set top box; remote control apparatus; data storage programs; spectacles and sunglasses; outdoor signboards of metal (luminous); encoded or magnetic bank credit, debit, cash and identification cards; automatic teller machines, cash dispensers; computer software applications, downloadable; electronic book readers; toner cartridges, unfilled, for printers and photocopiers; baby monitors; video baby monitors; lens hoods; tablet computers; encoded key cards; 3D spectacles; memory cards for video game machines; all included in Class 9.

Class 35

Advertising; business management; business administration; office functions; organization, operation and supervision of loyalty and incentive schemes; advertising services provided via the Internet; production of television and radio advertisements; accountancy; auctioneering; arranging of trade fairs for commercial and advertising purposes; opinion polling; data processing; provision of business information; advertising agency services; advertising services provided for others; database management; compilation of information into computer databases; business consulting services; business consulting services in the field of web-based events, conferences, training programs, learning programs and seminars; business consulting services in the field of delivering web-based knowledge; business consulting services in the field of online collaboration and collaboration technologies; business consulting services in the fields of sales and marketing; business project management services; business project management services relating to the development, set up, staging, production, recording, monitoring and follow-up of web-based events, conferences, training programs, learning programs and seminars; market research and business consulting services; business consultancy services relating to facilitating the transaction of business via local and global computer networks by locating and providing referrals for the delivery of a wide variety of business and consumer products and services; dissemination of business information of goods and services of others via local and global computer networks; provision of online business consultancy services in relation to the sourcing of goods and services and fulfilling trade leads and orders; providing computerized online ordering services; advertising of goods and services of others via local and global computer networks; international import and export agency services; rental of advertising space on communication media; auctioneering and business evaluation services provided online via a computer database or the Internet; online retail services of consumer products; compilation of business directory of third party websites to facilitate business transactions; business consultancy services relating to operating an electronic marketplace for the buyers and sellers of goods and/or services on a global computer network; business assistance relating to facilitating business transaction via local and global computer networks; corporate management consultancy services; marketing and promotion services; publication of publicity materials; marketing of vacant premises; dissemination of advertising materials, updating of advertising materials, compilation of advertisements for use as web pages on the Internet; rental of advertising space; computer data processing; sales promotion (for others); business information services; promotional information services; telephone answering (for unavailable subscribers); telephone answering (for others); auctioneering provided on the Internet; personnel management; provision of sales promotion, business, advertising and promotional information through a global computer network and via the Internet; presentation of goods on communication media for retail purposes; the bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods from a general merchandise Internet website and in a wholesale outlet; the bringing together, for the benefit of

others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods from a general merchandise catalogue by mail order or by means of telecommunications; the bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods from retail outlets; retail and wholesale of telephones, mobile phone handsets, mobile phone parts and fittings, electronic and telecommunications goods, computer hardware and computer software, batteries, battery chargers, apparatus and instruments for recording, receiving, transmitting and/or reproducing data, information, pictures, images and/or sound, precious metals, jewellery, precious stones, printed matter, stationery and magnetic and non-magnetically encoded cards, furniture, picture frames, household and kitchen utensils, glassware, porcelain and earthenware, textiles, clothing, footwear, headgear, laces and embroidery, buttons, ribbons, pins and needles, artificial flowers, carpets, rugs, games and electronic toys, chemicals used in industry, science, photography and agriculture, paints, varnishes and lacquers, personal hygiene products, soaps, perfumery, cosmetics, hair and body lotions, essential oils, cleaning and bleaching preparations, lubricants, fuels, candles, pharmaceutical, veterinary and sanitary preparations, ironmongery and small items of metal hardware, machines and machine tools, cutlery, razors and hand tools, computers, calculating machines, electrical, photographic, cinematographic and optical apparatus and instruments, spectacles and sun glasses, surgical and medical apparatus and instruments, apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, vehicles, firearms, fireworks, silverware, horological and chronometric instruments, musical instruments, magazine, cards, paper and cardboard products, picture, typewriters and office requisites, packaging materials, rubber and plastics for manufacture use, packing and insulating materials, leather and imitations of leather and goods made from these materials, handbags, purses, wallets, leather holders, bags, luggage, umbrellas, mirrors, ropes, string, nets, tents, yarns and threads for textile use, coat hangers, place mats, dressmaker's articles, bed and table covers, playthings and sporting articles, foodstuffs and beverages, meat, fish, poultry, preserved, dried and cooked fruits and vegetables, jams and fruits sauces, eggs, milk and milk products, edible oils and fats, coffee, tea, cocoa, sugar, rice, flour, bread and cakes, condiments, fresh fruit and vegetables, beer, mineral water, fruit juices and other non-alcoholic drinks, alcoholic beverages, floral products, tobacco, smokers' articles and matches; direct mail advertising; import-export agency services; selection of goods and procurement of goods for individuals and businesses; ordering services [for others]; department store retailing services; supermarket retailing services; secretarial services; provision of business statistical information; organization of exhibitions for commercial or advertising purposes; business assistance services relating to compilation and rental of mailing lists; business investigation; business administration services for the processing of sales made on the Internet; business referral services and personnel placement; import-export agencies services relating to import-export goods clearance; arranging newspaper subscriptions (for others); document reproduction; message transcription services; stenographic transcription; rental of office equipment; business management services relating to customer relationship; business management services relating to electronic commerce; business management and administration services relating to sponsorship programmes; accounting services; charitable services, namely business management and administration; rental of sales stands; provision of commercial and business contact information; search engine optimization; website traffic optimization; pay per click advertising; commercial intermediation services; business management for freelance service providers; negotiation and conclusion of commercial transactions

for third parties; updating and maintenance of data in computer databases; business project management services for construction projects; providing business information via a website; compilation of business information relating to domain names; consultancy, information and advisory services relating to the aforesaid services; all included in Class 35.

Class 38

Telecommunications; telecommunication services, namely, data transmission and reception services via telecommunication networks; providing web-based multimedia teleconferencing, video conferencing and provision of telecommunication facilities to enable or facilitate simultaneous and asynchronous viewing, sharing, editing and discussion of documents, data and images by participants via a web browser; providing customers with online access to online reports regarding the performance, effectiveness and status of web-based applications, teleconferences, video conferences and meetings; providing users with secure remote access via the Internet to private computer networks; providing user access to a global computer network to access applications, platforms, jointly-shared documents, data, task lists and discussion forums; Internet broadcasting services; providing access to an online computer database containing information relating to online platforms for the submission of web-based complaints; provision of telecommunication access and links to computer database and to the Internet; electronic communication services; interactive telecommunications services; telecommunication of information (web pages), computer programs and data; providing telecommunications connections to the Internet or databases; provision of telecommunication access to world-wide web facilities and structures; communication by computer terminals; communication by fibre optic networks; computer aided transmission of messages, information, data, documents and images; facsimile transmission; message sending; paging services; rental of modems; data communication services by electronic means; rental of telecommunication equipment; electronic exchange of voice, data, audio, video, text and graphics accessible via computer and telecommunication networks; instant messaging services; mobile phone communication services; electronic message sending, receiving and forwarding services; transmission and delivery of data by electronic means; transmission and delivery of mail messages, still picture and/or moving picture information such as characters, messages, music and images, telegrams, information and data by mechanical, electronic, telephone, telex, cable, computer and satellite means; transmission, broadcast and reception of audio, video, still and moving images and data whether in compressed or uncompressed form and whether in real or delayed time; electronic messaging, electronic conferencing (telecommunications) and order-transmission services; video conferencing services; communication by electronic bulletin board that enables users to perform a real-time interactive talk between a computer terminal and an electronic bulletin board containing still picture and moving picture information and voice information such as characters; providing electronic bulletin boards and message boards for transmission of messages; provision of online discussion forums; streaming of audio material on the Internet; streaming of video material on the Internet; television broadcasting services; pay-per-view television transmission services; video broadcasting services, broadcasting and transmission of radio and television programmes; music broadcasting; transmission of music, films, interactive programmes, videos, electronic computer games; transmission of information relating to online shopping and general retail services; video-on-demand transmission services; news agency services; providing access to computer database on the global computer network for searching and retrieving information, data, websites and resources available on computer networks; providing user access to a computer database containing electronic publications, bulletin boards, database and

information accessible via computer; operation of chat rooms (chat room services); multiple user access to global computer information networks for the transfer and dissemination of a wide range of information; providing access to a website on a global computer network by which third parties can offer goods and services, place and fulfill orders, enter into contracts and transact business; providing access to an interactive website on a global computer network for third parties to post information, respond to requests and place and fulfill orders for products, services and business opportunities; communication services, namely, text and numeric digital messaging services; transmission of information by data communications for assisting decision making; transmission of information through video communication systems; web conferencing services; electronic communication services for establishing virtual chatrooms via text messaging; providing electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business leads and opportunities; providing an online interactive bulletin board for the posting, promotion, sale and resale of items via a global computer network; providing electronic mail and electronic mail forwarding services; audio and video communication via computers and computer networks, and via a global communications network; providing computer access and rental of access time to online interactive bulletin boards and databases; providing access to electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business opportunities; providing access to electronic calendar, address book and electronic notebook, via local and global computer networks; providing distant video and/or telephone conferencing access and facilities; provision of electronic data links to third party websites to facilitate electronic commerce and real world business transactions; consultancy, information and advisory services relating to the aforesaid services; all included in Class 38.

Class 39

GPS (Global Positioning System) navigation services; provision of information relating to travel and tourism through the Internet or through telecommunication networks; provision of information relating to roadways, travel, navigation, traffic and points-of-interest (travel) via an online interactive database; providing information to travellers regarding fares, transport timetables and public transport; travel and tourism information and guide services; route guidance and planning services; travel arrangement; travel agency services for arranging travel; travel reservation and travel information services; travel ticket agency services; arranging travel and information therefor, all provided online from a computer database or the Internet; yacht and/or boat trip planning services; providing driving directions for travel purposes; rental of navigational systems; transport; transportation information; providing road and traffic information; providing navigation and information services, namely information relating to traffic and traffic jams; transport of goods and passengers; car transport; air transport; vehicle rental; car rental services; chauffeur services; transport by pipeline; transport services in the nature of transport management; aircraft runway services; operation of airspace for the purpose of air transportation; operating toll road; providing vessel mooring facility services; packaging services; packaging and storage of goods; physical storage of electronically-stored data or documents; delivery of goods by mail order; message delivery; courier services [messages or merchandise]; ship brokerage; loading and unloading of cargo; freight brokerage; removal services; transport brokerage; salvage and refloating of ships and boats; piloting; car parking services; water supplying; gas distribution and supply; electricity distribution and supply; heat distribution and supply; water distribution and supply; rental of

warehouses; rental of wheelchairs; rental of parking spaces; rental of airplanes; rental of containers; rental of bicycles; rental of cars; rental of ships and boats; rental of man-powered vehicles; rental of mechanical parking systems; rental of pallets; rental of packaging or wrapping machines; rental of refrigerator; collection of domestic waste and trash; collection of industrial waste and trash; consultancy, information and advisory services relating to the aforesaid services; all included in Class 39.

Class 41

Education; providing of training; entertainment; sporting and cultural activities; publication of texts, books and journals (other than publicity texts); publication of diagrams, images and photographs; publication of newspapers, magazines and periodicals; education, training and instruction services relating to telecommunications, computers, computer programs, website design, electronic commerce, business management and advertising; provision of education, recreation, instruction, tuition and training both interactive and non-interactive; design of educational courses; academic examination services, namely, design of examination scripts; entertainment provided via electronic and digital interactive media; electronic games services provided by means of the Internet; provision of information relating to education, training, entertainment, recreation, sporting, social and cultural activities; providing online electronic publications (not downloadable); arranging, organizing, hosting and conducting singing competitions; arranging, organizing, hosting and conducting concerts; arranging, organizing, hosting and conducting events and competitions for education or entertainment purposes; arranging, organizing, hosting and conducting game shows and quests; entertainment ticket agency services; information relating to entertainment or education, provided online from a computer database or the Internet; providing digital music (not downloadable) from the Internet; providing digital music (not downloadable) from MP3 (Moving Picture Experts Group-1 audio layer 3) Internet websites; entertainment and educational services relating to planning, production and distribution (other than transportation) of sound, images, digital music, movies, live or recorded audio, visual or audiovisual material for broadcasting on terrestrial cable, satellite channels, the Internet, wireless or wire-link systems and other means of communication systems; music entertainment services; rental of sound recordings; preparation of entertainment, educational, documentary and news programmes for broadcasting; news reporters' services; information relating to sporting or cultural events, news programmes and current affairs programmes provided by satellite television transmission, the Internet or by other electronic means; television, radio and film production; premium or pay television programming services [scheduling of programs] and television programming services [scheduling of programs]; scriptwriting for television entertainment programs; organization and production of television entertainment programs; provision of entertainment information online; provision of entertainment information via a global computer network; providing entertainment through provision of non-downloadable multimedia files containing audio and video, television programs and films via a global computer network; preparation and production of television programmes; provision of information, data, graphics, sound, music, videos and animation for entertainment purposes; publication of texts (other than publicity texts) for entertainment purposes; game services; provision of club recreation, sporting and gymnasium facilities; band performances; club entertainment, discotheque, fashion show [entertainment] and night club services [entertainment]; club services relating to entertainment, education and cultural services; arranging, conducting and provision of conferences, conventions, congresses, seminars and training workshops; organizing and conducting exhibitions (for cultural or educational purposes), fashion

shows (for entertainment, cultural or educational purposes), educational shows and cultural shows and performances; art exhibition and gallery services; art gallery services relating to the rental of fine art; training services in relation to occupation health and safety, and environmental conservation; provision of cigar classes, wine tasting classes; providing education information about research materials and agency thereof; arranging, organizing and conducting of seminars; animal training; preparation of entertainment programmes for broadcasting; producing of motion pictures, plays and videos; instructional services relating to operation of machines and equipment, including audiovisual equipment, which is used for the production of broadcasting programmes; providing audio and visual studios; providing sports facilities; providing facilities for movies, shows, plays, music or educational training; entertainment booking agencies; rental of motion pictures (cine-films); rental of musical instruments; rental of television programmes; rental of television sets; lending libraries; archive library services; subtitling services; sign language interpretation services; providing entertainment through movies, video games, computer games and entertainment in the form of sound or images via communication networks and global computer networks; providing online computer games and contests; rental of pre-recorded video tapes; rental of game machines; rental of arcade game equipment; rental of pictures; photography; translation; language interpretation; educational and training programs in the field of risk management; educational and training programs relating to certification; provision of news [news programme services]; lottery services; providing online videos, not downloadable; tutoring; consultancy, information and advisory services relating to the aforesaid services; all included in Class 41.

Class 42

Scientific and technological services and research and design relating thereto, industrial analysis and research services; technical project studies; providing a website featuring technology that enables users to share information and advice; design and development of computer hardware and software; software as a service (SaaS); computer support services [programming and software installation, repair and maintenance services] in connection with transmitting information, data, documents, and images over the Internet; application service provider (ASP) services, namely, hosting computer software applications of others; web portal services, namely, hosting an internet website portal containing an interactive computer database featuring movies programming, previews, trailers, sports, concerts, celebrity and entertainment news and other related information; application service provider (ASP) services for providing software in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; providing online non-downloadable software for facilitating the interoperability of multiple software applications; technical support services (programming and software installation, repair and maintenance services) provided online, by email and by telephone; computer support services [programming and software installation, repair and maintenance services] in relation to creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents; computer technology advice on programming and software installations, repair and maintenance provided to Internet users by means of a support hotline; computer support services [programming and software installation, repair and maintenance services] relating to creating indexes of information, sites and resources on computer networks; providing search engines; design of computers, notebook computers, laptop computers, portable computers and handheld computers; design of personal digital assistants and personal media players; design of mobile

telephones and smart phones; design of digital cameras; information technology (IT) services (computer hardware, software and peripherals design and technical consultancy); computer support services (programming and software installation, repair and maintenance services); computer programming; computer system integration services; computer analysis services; computer programming in relation to the defence against virus; programming, installation, repair and maintenance of computer system software; computer network services for exchanging of data; computer software design; computer system design; design and development of webpages; hosting webpages for others; hosting computer application software for searching and retrieving information from databases and computer networks; providing technical information relating to computer support services (programming and software installation, repair and maintenance services) at the specific request of end-users by means of telephone or global computer network; consultancy services in relation to computer software; design and development of search engines; design of computer codes; development of computer codes; coding of messages; conversion of physical data and documents into electronic media format; testing and evaluation services, namely, material quality evaluation and testing, commissioning (testing and inspection) services, product quality evaluation, product testing, safety evaluation, environmental testing, industrial testing, quality testing, laboratory testing services, testing of computer programs, testing of computers, testing of computer installations; architectural and design services; interior designing of buildings, offices and apartments; information services relating to information technology; computer security services (testing and risk assessment of computer programs); computer security services (testing and risk assessment of computer networks); quality assurance services; computer technological services in relation to the verification of online business transactions; computer security services relating to providing access control to computers, electronic networks and databases; data security services (firewalls) relating to data transmission and of transactions via computer networks; consultancy in the field of computer security; technological consultancy in the field of computer security relating to securing computer network communications by means of a global computer network; computerized communication network security services; providing information in the fields of Internet, world wide web and computerized communication network security and computer security for the transmission of data and information; consulting services in the fields of Internet, world wide web and computerized communication network security services, information security services, computer security for the transmission of data and information; authentication services for computer security; online authentication of electronic signatures; off-site data backup; electronic data storage; providing information on computer technology and programming via a website; cartography services; cloud computing; rental of entertainment software; consultancy, information and advisory services relating to the aforesaid services; all included in Class 42.

ALIBABA GROUP HOLDING LIMITED

NC4**Class 09**

Computer software programs for database management, namely computer software programs used to collect, organize, correlate, integrate, gather, capture, generate, analyze, and disseminate information, records, reports, and data, provide data sharing, access and integrate other databases, provide secure information exchange, facilitate project management, report and generate historical and geographic information system (GIS) mapping, track infrastructure capacity and capability, track and manage personnel, provide a personnel directory, track crime and damage assessment, identify and track location and other geographic information,

allocate and track inventory and vendors, and create, store, and organize documents, downloadable through electronic communications, the internet and mobile communications devices via a global computer network and portable and wireless networks and various platforms across multiple forms of media, all in the fields of preventing, planning, coordinating, monitoring, responding to and managing events, activities, incidents, crime-prevention, law enforcement, travel risks, emergencies, and business continuity and disruption in the event of a crisis; Downloadable computer software for use in public safety applications, crime-prevention, law enforcement, public safety, emergencies, crisis, and public events, activities and incidents, for database management, data analysis and coordination of field personnel; Downloadable applications for use with mobile devices for tracking travel information, sending distress notifications, geofencing, generating and receiving location-based notifications and personal proximity alerts, receiving news, alerts, updates and notifications on risks, crises, emergencies, and threats worldwide, and featuring tracking and locator functionality through GPS; computer software platforms that automate the collection, dissemination, sharing and analysis of cyber threat information and intelligence for the purpose of discovering, advising and protecting against cyber security threats.

Class 35

Providing business information via a computer database concerning disaster recover relating to business management namely, business planning and business continuity services for preventing, planning, responding to and managing events, activities, incidents, crime-prevention, law enforcement, travel risks, emergencies, and disruption in the event of a crisis provided through electronic communications, the internet and mobile communications devices via a global computer network and portable and wireless networks and various platforms across multiple forms of media; business continuity consulting services concerning the development of response plans for preventing, planning, responding to and managing events, activities, incidents, crime-prevention, law enforcement, travel risks, emergencies, and disruption in the event of a crisis; Developing, and assisting in the implementation of, practices, procedures and models for managing business operations and employees, namely, maintaining and reestablishing business continuity, and loss prevention, for preventing, planning, responding to and managing events, activities, incidents, crime-prevention, law enforcement, travel risks, emergencies, and disruption in the event of a crisis.

Class 41

Educational services, namely, providing training services on the use, maintenance and installation of computer software in the fields of preventing, planning, responding to and managing events, activities, incidents, crime-prevention, law enforcement, travel risks, emergencies, and business continuity and disruption in the event of a crisis.

Class 42

Providing customer technical support services on the use of computer software, computer software management system, hosted computer services, and web-based systems via telephone call centers, a global computer network, and portable and wireless networks; Computer services, namely, providing a private interactive web site featuring a non-downloadable computer software management system that allows users to track infrastructure capacity and capability, track and manage personnel, provide a personnel directory, track damage assessment, allocate and track inventory and vendors, disseminate information, capture data, provide data sharing, provide secure information exchange, create, store and organize documents, facilitate project management, reporting and

generating historical and geographic information system (GIS) mapping, video and web conferences, and provide communications, provided through electronic communications, the internet and mobile communications devices via a global computer network and portable and wireless networks, and various platforms across multiple forms of media, all in the fields of preventing, planning, responding to and managing events, activities, incidents, crime-prevention, law enforcement, travel risks, emergencies, and business continuity and disruption in the event of a crisis; Online hosted computer services, namely, providing web-based tools in the nature of non-downloadable software to track infrastructure capacity and capability, track damage assessment, track resources and costs, disseminate information, capture data, link documents, data sharing, generate and report historical and geographic information system (GIS) mapping, and provide communications via hosted computer hardware and computer software resources all in the fields of preventing, planning, responding to and managing events, activities, incidents, crime-prevention, law enforcement, travel risks, emergencies, and business continuity and disruption in the event of a crisis; Computer services, namely, hosting and maintaining for use by others an online and non-downloadable computer software management system featuring technology which enables users to collect, organize, correlate, integrate, gather, capture, generate, analyze, and disseminate information, records, reports, and data, provide data sharing, access and integrate other databases, provide secure information exchange, facilitate project management, report and generate geographic information system (GIS) mapping, track infrastructure capacity and capability, track and manage personnel, provide a personnel directory, track crime assessment, identify and track location and other geographic information, and create, store, access, update and organize electronic reports, all in the fields of preventing, planning, coordinating, monitoring, responding to and managing events, activities, and incidents related to crime-prevention, law enforcement, public safety, and crisis management; Computer services, namely, providing a web-based service and interactive website in the nature of non-downloadable software featuring technology that collects, organizes, correlates, integrates, gathers, captures, generates, analyzes, and disseminates information, records, reports, and data, provides data sharing, accesses and integrates other databases, provides secure information exchange, facilitates project management, reports and generates geographic information system (GIS) mapping, tracks infrastructure capacity and capability, tracks and manages personnel, provides a personnel directory, tracks crime assessment, identifies and tracks location and other geographic information, and creates, stores, accesses, updates, and organizes electronic reports, all of which can be accessed and updated by users and are in the fields of preventing, planning, coordinating, monitoring, responding to and managing events, activities, and incidents related to crime-prevention, law enforcement, public safety, and crisis management; Providing installation, updating, and maintenance of computer software, software databases, and online database systems; Computer software consulting; Customizing computer software; Providing a secure, web-based application featuring technology for uploading, storing, sharing, transmitting, transferring, and downloading of data, information, files, documents, charts, records, text, graphics, video, audio and multimedia content via electronic communications, the internet and mobile communications devices via a global computer network, portable and wireless networks and various platforms across multiple forms of media; Computer services, namely, providing temporary use of non-downloadable software applications for use by third parties to manage information and content flow to and from authorized users of a mobile software application, namely, setting and monitoring geofencing parameters for users of a mobile application, collecting and receiving travel information, location and distress notifications from users of a mobile

application, and sending and pushing location-based notifications, personal proximity alerts, news, alerts, updates and notifications on risks, crises, emergencies and threats worldwide to users of a mobile application; Information technology services in the nature of developing, implementing, hosting, and supporting technology solutions related to cyber security.

Class 45

Providing surveillance, analysis and cyber security threat information for the safety and protection of persons and entities.

International Registration Filed Under The Madrid Protocol Published For Opposition Under The Trade Marks Act (Cap.332, 2005 Ed.)

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.
