PRACTICE DIRECTION NO. 2 OF 2005
REGISTRATION AS ACCOUNT HOLDER TO E-FILE AND PAY BY GIRO**

This Practice Direction is issued by the Registrar under Rule 78B(1) of the Trade Marks Rules, to specify the procedure for applying to the Registrar to be registered as an account holder.

This Practice Direction will come into effect on 1 January 2006.

Any person who wishes to use eTrademarks to effect a transaction and make payment by GIRO must register with the Intellectual Property Office of Singapore (IPOS) as an Account Holder. Approval is at the sole discretion of IPOS. Upon approval, an eTrademarks account will be created in the name of the person and the person will receive a User ID and Password.

To register, access IPOS address at <http://www.ipos.gov.sg> and [download the eTrademarks Account Holder Registration Form](#).

The person may appoint an Administrator to administer and manage his eTrademarks Account through the eTrademarks "[Maintenance of Authorised Representatives](#)" service.

The responsibilities of the Administrator are as follows:

- appointment of one or more Representatives to access eTrademarks and make payment by GIRO on behalf of the Account Holder;
- updating of the particulars of the Representatives; and
- removal of any Representative's rights to access eTrademarks and make payment by GIRO on behalf of the Account Holder.

These responsibilities are to be conducted through the eTrademarks "Maintenance of Authorised Representatives" service.

Please note that all Authorized Representatives must be CPF account holders with SingPass. The Authorized Representatives are required to sign in using their SingPass to ensure security for GIRO deductions for the online transactions. If the person does not have a GIRO account with IPOS, please complete the [GIRO Application Form](#) and submit it to IPOS.

The completed eTrademarks Account Holder Registration Form and GIRO Application Form should be mailed or couriered to the Intellectual Property Office of Singapore with the address 51 Bras Basah Road #04-01 Plaza By The Park Singapore 189554 and attentioned to Mrs Ang-Ong Bee Lian. Fax submissions are not acceptable.

Dated this 30th day of December 2005.

HOURS OF BUSINESS AND EXCLUDED DAYS**

This Practice Direction is issued by the Registrar under Section 78 of the Trade Marks Act, to specify the hours of business of the Registry and the days which are to be treated as excluded days.

This Practice Direction will come into effect on 1 July 2004.

Hours Of Business

- (1) The hours of business of the Registry shall be as follows:
 - (a) 8.30 am to 12.30 pm and 1.30 pm to 5.30 pm from Monday to Friday, except on a day which is an excluded day; and
 - (b) 8.30 a.m. to 1.00 p.m. on any Saturday which is not an excluded day.
- (2) Notwithstanding paragraph (1), for the purposes of carrying out of any transaction referred to in rule 78A(2) by means of the electronic online system, the Registry shall be taken to be open every day at all hours, except on any day which is an excluded day for the purposes of carrying out of transactions by means of the electronic online system.

Excluded Days

- (1) All Sundays, public holidays and such other days as the Registrar may specify, shall be excluded days for all purposes under the Act and the Rules.

Application Published for Opposition Purposes Under The Trade Marks Act (Cap.332, 2005 Ed.)

Registration has been applied for in the respect of the following Trade Marks under the provisions of the Trade Marks Act (Cap. 332, 2005 Ed.)

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.

Application for a series of two marks.

Class 09

Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, recording discs; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment and computers; computer programs; software for processing electronic payments to and from others; authentication software; computer software supplied on the Internet; on-line electronic publications (downloadable from the Internet or a computer network or a computer database); downloadable computer software to facilitate the electronic transmission of information, data, documents, voice, and images over the Internet; downloadable computer software which allows users to participate in web-based meetings and classes, with access to data, documents, images and software applications through a web browser; downloadable computer software for accessing, viewing, and controlling remote computers and computer networks; downloadable electronic publications in the nature of articles, papers, and instructional materials in the fields of telecommunications, the Internet, training, business, sales, and marketing; computer software, computer peripherals; notebook computers; laptop computers; portable computers; handheld computers; personal digital assistants; personal media players; mobile telephones; smart phones; digital cameras; computer workstations (apparatus and installations); computer servers; computer and telecommunications networking hardware; computer network adaptors, switches, communication routing apparatus and hubs; wireless and wired modems and communication cards (encoded and magnetic) and devices; cases adapted for laptop computers and computers; fire-extinguishing apparatus; computer hardware and firmware; computer software

(including software downloadable from the Internet); compact discs; digital music (downloadable from the Internet); telecommunications apparatus; mouse mats; mobile phone handsets; mobile phone parts and fittings; downloadable games, pictures, motion pictures, movies and music; alarm systems, other than for vehicles; security cameras; mobile radio and television broadcasting units; television broadcasting equipment; cameras; video cameras; headphones; telephone earpieces; speakers; Global Positioning System (GPS) apparatus and equipment; computer, electronic and video games programmes and software (including software downloadable from the Internet); liquid crystal displays for telecommunications and electronic equipment; set top box; remote control apparatus; data storage programs; spectacles and sunglasses; outdoor signboards of metal (luminous); encoded or magnetic bank credit, debit, cash and identification cards; automatic teller machines, cash dispensers; computer software applications, downloadable; electronic book readers; toner cartridges, unfilled, for printers and photocopiers; baby monitors; video baby monitors; lens hoods; tablet computers; encoded key cards; 3D spectacles; memory cards for video game machines; all included in Class 9.

Class 16

Newspapers; magazines; periodicals; journals; paper, cardboard and goods made from these materials, not included in other classes; printed matter; bookbinding material; photographs; stationery; adhesives for stationery or household purposes; artists' materials; paint brushes; typewriters and office requisites (except furniture); instructional and teaching material (except apparatus); plastic materials for packaging (not included in other classes); printers' type; printing blocks; books, pamphlets, posters, printed cards, circulars, catalogues, calendars, price tags, price labels; carry bags of paper, cardboard and plastic; printed telephone, facsimile, electronic mail and web site directories; cards in the form of debit cards, credit cards, charge cards and telephone cards other than encoded and magnetic cards; marketing and promotional materials being printed matter; printed advertisements; user manuals; packaging materials made of paper, plastic or cardboard; tissues; handkerchiefs made of paper; models and figurines made of paper; paper party bags for packaging; page holders; all included in Class 16.

Class 35

Advertising; business management; business administration; office functions; organisation, operation and supervision of loyalty and incentive schemes; advertising services provided via the Internet; production of television and radio advertisements; accountancy; auctioneering; arranging of trade fairs; opinion polling; data processing; provision of business information; advertising agency services; advertising services provided for others; database management; compilation of information into computer databases; business consulting services; business consulting services in the field of web based events, conferences, training programs, learning programs, and seminars; business consulting services in the field of delivering web-based knowledge; business consulting services in the field of online collaboration and collaboration technologies; business consulting services in the fields of sales and marketing; business project management services; business project management services relating to development, set up, staging, production, recording, monitoring and follow-up of web based events, conferences, training programs, learning programs, and seminars; market research and business consulting services; business consultancy services relating to

facilitating the transaction of business via local and global computer networks by locating and providing referrals for the delivery of a wide variety of business and consumer products and services; dissemination of business information of goods and services of others via local and global computer networks; provision of online business consultancy services in relation to the sourcing of goods and services and fulfilling trade leads and orders; providing computerized online ordering services; advertising of goods and services of others via local and global computer networks; international import and export agency services; rental of advertising space on communication media; auctioneering and business evaluation services provided online via a computer database or the Internet; online retail services of consumer products; compilation of business directory of third party web sites to facilitate business transactions; business consultancy services relating to operating an electronic marketplace for the buyers and sellers of goods and/or services on a global computer network; business assistance relating to facilitating business transaction via local and global computer networks; corporate management consultancy services; marketing and promotion services; publication of publicity materials; marketing of vacant premises; dissemination of advertising materials, updating of advertising materials, compilation of advertisements for use as web pages on the Internet; rental of advertising space; computer data processing; sales promotion (for others); business information services; promotional information services; telephone answering (for unavailable subscribers); telephone answering (for others); auctioneering provided on the Internet; personnel management; provision of sales promotion, business, advertising and promotional information through a global computer network and via the Internet; presentation of goods on communication media for retail purposes; the bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods from a general merchandise Internet web site and in a wholesale outlet; the bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods from a general merchandise catalogue by mail order or by means of telecommunications; the bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods from a retail outlet; retail and wholesale of telephones, mobile phone handsets, mobile phone accessories, electronic and telecommunications goods, computer hardware and computer software, batteries, battery chargers, apparatus and instruments for recording, receiving, transmitting and/or reproducing data, information, pictures, images and/or sound, precious metals, jewellery, precious stones, printed matter, stationery and magnetic and non magnetically encoded cards, furniture, picture frames, household and kitchen utensils, glassware, porcelain and earthenware, textiles, clothing, footwear, headgear, laces and embroidery, buttons, ribbons, pins and needles, artificial flowers, carpets, rugs, games and electronic toys, chemicals used in industry, science, photography and agriculture, paints, varnishes and lacquers, personal hygiene products, soaps, perfumery, cosmetics, hair and body lotions, essential oils, cleaning and bleaching preparations, lubricants, fuels, candles, pharmaceutical, veterinary and sanitary preparations, ironmongery and small items of metal hardware, machines and machine tools, cutlery, razors and hand tools, computers, calculating machines, electrical, photographic, cinematographic and optical apparatus and instruments, spectacles and sun glasses, surgical and medical

apparatus and instruments, apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, vehicles, firearms, fireworks, silverware, horological and chronometric instruments, musical instruments, magazine, cards, paper and cardboard products, picture, typewriters and office requisites, packaging materials, rubber and plastics for manufacture use, packing and insulating materials, leather and imitations of leather and goods made from these materials, handbags, purses, wallets, leather holders, bags, luggage, umbrellas, mirrors, ropes, string, nets, tents, yarns and threads for textile use, coat hangers, place mats, dressmaker's articles, bed and table covers, playthings and sporting articles, foodstuffs and beverages, meat, fish, poultry, preserved, dried and cooked fruits and vegetables, jams and fruits sauces, eggs, milk and milk products, edible oils and fats, coffee, tea, cocoa, sugar, rice, flour, bread and cakes, condiments, fresh fruit and vegetables, beer, mineral water, fruit juices and other non-alcoholic drinks, alcoholic beverages, floral products, tobacco, smokers' articles and matches; direct mail advertising; import-export agency services; provision of commercial information and advice to consumers regarding the selection of products and items to be purchased; procurement of goods (purchasing goods) for other individuals and businesses; ordering services [for others]; department store retailing services; supermarket retailing services; secretarial services; provision of business statistical information; organisation of exhibitions for commercial or advertising purposes; business assistance services relating to compilation and rental of mailing lists; business investigation; business administration services for the processing of sales made on the Internet; business referral services and personnel placement; import-export agency services relating to import-export goods clearance; arranging newspapers subscriptions (for others); document reproduction; transcription (including stencil-paper writing); office machines and equipment rental; business management services relating to customer relationship; business management services relating to electronic commerce; business management and administration services relating to sponsorship programmes; accounting services; charitable services, namely business management and administration of volunteer programmes and community service projects; rental of sales stands; provision of commercial and business contact information; search engine optimization; web site traffic optimization; pay per click advertising; commercial intermediation services; business management for freelance service providers; negotiation and conclusion of commercial transactions for third parties; updating and maintenance of data in computer databases; business project management services for construction projects; providing business information via a web site; consultancy, information and advisory services relating to the aforesaid services; all included in Class 35.

Class 36

Insurance; financial affairs; monetary affairs; real estate affairs; clearing and reconciling financial transactions via a global computer network; online banking services and financial services; credit card services, processing of bills and payments thereof, and providing insurance for financial transactions; funds transfer services; transfer of funds by electronic means for others; transfer of payments for others via the internet; financial services in the nature of billing and payment processing services; arrangement and management of leases and tenancy; renting and leasing of real estate; real estate appraisal; real estate valuation, real estate financing, real estate investment; real

estate brokerage services; real estate agency services; housing agency services; actuarial services; real estate management and consultancy services; rent collection; rental of offices (real estate); rental of apartments and flats; provision of financial information via the Internet; safety deposit and issuing of travel vouchers services; capital investments; financial evaluation [insurance, banking, real estate]; financial and asset management services; insurance and financial services; financial services provided by telecommunication means; financial consultancy and advisory services; online banking; banking services provided on-line from a computer databases or the Internet; securities brokerage services, stock exchange quotation services; stocks and bonds brokerage, financial analysis; debit card services, charge card services and cheque guarantee services; banking, savings account and investment services; financial clearing services; credit verification via global computer information network; electronic credit risk management services; electronic purchase payment and electronic bill payment services; financial accounts debiting and crediting services; electronic banking services; issuance of stored value cards, charge cards and debit cards; credit card services provided by means of telephone; information services relating to finance and insurance, provided online from a computer database or Internet; agency for collection of gas and electricity fees; antique appraisal; art appraisal; jewelry appraisal; used car appraisal; provision of financial advice in relation to taxes; charitable fund raising; organizing of charitable collections; charitable collections; rental of paper money and coin counting machines; rental of paper money and coin processing machines; rental of cash dispensers or automated-teller machines; online payment services; arranging finance for construction projects; import-export clearance agencies (customs clearance); consultancy, information and advisory services relating to the aforesaid services; all included in Class 36.

Class 38

Telecommunications services; providing web-based multimedia teleconferencing, videoconferencing and provision of telecommunication facilities to enable or facilitate simultaneous and asynchronous viewing, sharing, editing, and discussion of documents, data, and images by participants via a web browser; providing customers with online access to online reports regarding the performance, effectiveness, and status of web-based applications, teleconferences, videoconferences, and meetings; providing users with secure remote access via the Internet to private computer networks; providing user access to global computer networks for accessing applications, platforms, jointly-shared documents, data, task lists, and discussion forums; Internet broadcasting services; providing access to an online computer database containing information relating to online platforms for the submission of web-based complaints; provision of telecommunication access and links to computer database and to the Internet; electronic communication services; interactive telecommunications services; telecommunication of information (web pages), computer programs and data; providing telecommunications connections to the Internet or data bases; provision of telecommunication access to world-wide web facilities and structures; communication by computer terminals; communication by fibre optic networks; computer aided transmission of messages and images; facsimile transmission; message sending; paging services; rental of modems; data communication services by electronic means; rental of telecommunication equipment; electronic message sending, receiving and forwarding services; transmission and delivery of data by

electronic means; transmission and delivery of mail messages, still picture and/or moving picture information such as characters, messages, music and images, telegrams, information and data by mechanical, electronic, telephone, telex, cable, computer and satellite means; transmission, broadcast and reception [transmission] of audio, video, still and moving images and data whether in compressed or uncompressed form and whether in real or delayed time; electronic messaging, electronic conferencing (telecommunications) and order-transmission services; video conferencing services; communication by electronic bulletin board that enables users to perform a real-time interactive talk between a computer terminal and an electronic bulletin board containing still picture and moving picture information and voice information such as characters; providing electronic bulletin boards and message boards for transmission of messages; provision of online discussion forums; television broadcasting services; broadcasting and transmission of radio and television programmes; music broadcasting; transmission of music, films, interactive programmes, videos, electronic computer games; transmission of information relating to on-line shopping and general retail services; video-on-demand transmission services; news agency services; providing access to computer database on the global computer network for searching and retrieving information, data, web sites and resources available on computer networks; providing user access to a computer database containing electronic publications, bulletin boards, database and information accessible via computer; operation of chat rooms (chat room services); multiple user access to global computer information networks for the transfer and dissemination of a wide range of information; providing access to a website on a global computer network by which third parties can offer goods and services, place and fulfill orders, enter into contracts and transact business; providing access to an interactive website on a global computer network for third parties to post information, respond to requests and place and fulfill orders for products, services and business opportunities; communication services, namely, text and numeric digital messaging services; transmission of information by data communications for assisting decision making; transmission of information through video communication systems; web conferencing services; electronic communication services for establishing virtual chatrooms via text messaging; providing electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business leads and opportunities; providing an online interactive bulletin board for the posting, promotion, sale and resale of items via a global computer network; providing electronic mail and electronic mail forwarding services; audio and video communication via computers and computer networks, and via a global communications network; providing computer access and rental of access time to online interactive bulletin boards and databases; providing access to electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business opportunities; providing access to electronic calendar, address book and electronic notebook, via local and global computer networks; providing distant video and/or telephone conferencing access and facilities; provision of electronic data links to third party web sites to facilitate electronic commerce and real world business transactions; consultancy, information and advisory services relating to the aforesaid services; all included in Class 38.

Class 39

Transport; packaging and storage of goods; travel arrangement; physical storage of electronically-stored data or documents; transportation information; ship brokerage; car transport; air transport; vehicle rental; water supplying; message delivery; reservation (travel-); transport by pipeline; delivery of goods by mail order; courier services [messages or merchandise]; transport services in the nature of transport management; car rental services; car parking services; yacht and/or boat trip planning services; travel agency services; travel reservation and travel information services; travel ticket agency services; arranging travel and information therefor, all provided on-line from a computer database or the Internet; provision of information relating to travel and tourism through the Internet or through telecommunication networks; transport of goods and passengers; packaging; providing road and traffic information, chauffeur services; loading and unloading of cargo; freight brokerage; removal services; transport brokerage; salvage and refloating of ships and/or boats; piloting; gas distribution and supply; electricity distribution and supply; heat distribution and supply; water distribution and supply; mooring facility services; rental of warehouses; operation of airspace for the purpose of air transportation; operating toll road; rental of wheelchairs; management of parking spaces; rental of airplanes; rental of containers; rental of bicycles; rental of cars; rental of ships and/or boats; rental of man-powered vehicles; rental of mechanical parking systems; rental of pallets; rental of packaging or wrapping machines; rental of refrigerator; collection of domestic waste and trash; collection of industrial waste and trash; import and export cargo handling services; rental of navigational systems; providing driving directions for travel purposes; consultancy, information and advisory services relating to the aforesaid services; all included in Class 39.

Class 41

Education; providing of training; entertainment; sporting and cultural activities; publication of texts, books and journals (other than publicity texts); publication of diagrams, images and photographs; publication of newspapers, magazines and periodicals; education, training and instruction services relating to telecommunications, computers, computer programs, web site design, electronic commerce, business management and advertising; provision of education, recreation, instruction, tuition and training both interactive and non-interactive; design of educational courses; entertainment provided via electronic and digital interactive media; electronic games services provided by means of the Internet; provision of information relating to education, training, entertainment, recreation, sporting, social and cultural activities; providing on-line electronic publications (not downloadable); arranging, organizing, hosting and conducting singing competitions; arranging, organizing, hosting and conducting concerts; arranging, organizing, hosting and conducting events and competitions for education or entertainment purposes; arranging, organizing, hosting and conducting game shows and quests; entertainment ticket agency services; information relating to entertainment or education, provided online from a computer database or the Internet; providing digital music (not downloadable) from the Internet; providing digital music (not downloadable) from MP3 (Moving Picture Experts Group-1 audio layer 3) Internet web sites; entertainment and educational services relating to planning,

production and distribution (other than transportation) of sound, images, digital music, movies, live or recorded audio, visual or audiovisual material for broadcasting on terrestrial cable, satellite channels, the Internet, wireless or wire-link systems and other means of communication systems; music entertainment services; rental of sound recordings; preparation of entertainment, educational, documentary and news programmes for broadcasting; news reporters' services; provision of information relating to sporting or cultural events provided by satellite television transmission, the global communications network or by other electronic means; provision of current affairs and breaking news relating to education, training, entertainment, sporting and cultural activities provided by satellite television transmission, the global communications network or by other electronic means; television, radio and film production; preparation and production of television programmes; provision of information, data, graphics, sound, music, videos and animation for entertainment purpose; publication of texts (other than publicity texts) for entertainment purposes; game services; provision of club recreation, sporting and gymnasium facilities; band performances; club entertainment, discotheque, fashion show [entertainment] and night club services [entertainment]; club services relating to entertainment, education and cultural services; arranging, conducting and provision of conferences, conventions, congresses, seminars and training workshops; organizing and conducting exhibitions (for cultural or educational purposes), fashion shows (for cultural or educational purposes), educational shows and cultural shows and performances; art exhibition and gallery services; art gallery services relating to the rental of fine arts; training services in relation to occupation health and safety, and environmental conservation; provision of cigar classes, wine tasting classes; providing education information about research materials and agency thereof; arranging, organizing, planning and management of seminars; animal training; preparation of entertainment programmes for broadcasting; producing of motion pictures, plays and videos; instructional services relating to operation of machines and equipment, including audiovisual equipment, which is used for the production of broadcasting programs; providing audio and visual studios; providing sports facilities; providing facilities for movies, shows, plays, music or educational training; entertainment booking agencies; rental of motion pictures (cine-films); rental of musical instruments; rental of television programmes; rental of television sets; lending libraries; archive library services; subtitling services; sign language interpretation services; providing movies, video games, computer games and entertainment in the form of sound or images through telecommunication or computer networks; providing online computer games and contests; rental of pre-recorded video tapes; rental of game machines; rental of arcade game equipment; rental of pictures; photography; translation; language interpretation; educational and training programs in the field of risk management; educational and training programs relating to certification; provision of news [news program services]; lottery services; providing on-line videos, not downloadable; tutoring; consultancy, information and advisory services relating to the aforesaid services; all included in Class 41.

Class 42

Scientific and technological services and research and design relating thereto, industrial analysis and research services; design and development of computer hardware and software; computer support services [programming and software installation, repair and

maintenance services] in connection with transmitting information, data, documents, and images over the Internet; application service provider (ASP) services, namely, hosting computer software applications of others; application service provider (ASP) services providing software in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; providing online non-downloadable software for facilitating the interoperability of multiple software applications; technical support services [programming and software installation, repair and maintenance services] provided online, by email and by telephone; computer support services [programming and software installation, repair and maintenance services] in relation to creating an on-line community for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents; computer technology advice on programming and software installations, repair and maintenance provided to Internet users by means of a support hotline; computer support services [programming and software installation, repair and maintenance services] relating to creating indexes of information, sites and resources on computer networks; providing search engines; design of computers, notebook computers, laptop computers, portable computers and handheld computers; design of personal digital assistants and personal media players; design of mobile telephones and smart phones; design of digital cameras; information technology (IT) services (computer hardware, software and peripherals design and technical consultancy); computer support services (programming and software installation, repair and maintenance services); computer programming; computer system integration services; computer analysis services; computer programming in relation to the defence against virus; programming, installation, repair and maintenance of computer system software; computer network services for exchanging data; computer software design; computer system design; design and development of webpages; hosting webpages for others; hosting computer application software for searching and retrieving information from databases and computer networks; providing technical information relating to computer support services (programming and software installation, repair and maintenance services) at the specific request of end-users by means of telephone or global computer network; consultancy services in relation to computer software; design and development of search engines; design of computer codes; development of computer codes; coding of messages; conversion of physical data and documents into electronic media format; testing and evaluation services, namely, material quality evaluation and testing, commissioning (testing and inspection) services, product quality evaluation, product testing, safety evaluation, environmental testing, industrial testing, quality testing, laboratory testing services, testing of computer programs, testing of computers, testing of computer installations; architectural and design services; interior designing of buildings, offices and apartments; information services relating to information technology; computer security services (testing and risk assessment of computer programs); computer security services (testing and risk assessment of computer networks); quality assurance services; computer services relating to certification of business transactions and preparation of reports relating to certification of business transactions; computer security services relating to providing access control to computers, electronic networks and databases; data security services (firewalls) relating to data transmission and of transactions via computer networks; consultancy

in the field of computer security; technological consultancy in the field of computer security relating to securing computer network communications by means of a global computer network; computerized communication network security services; providing information in the fields of Internet, world wide web and computerized communication network security and computer security for the transmission of data and information; consulting services in the fields of Internet, world wide web and computerized communication network security services, information security services, computer security for the transmission of data and information; authentication services for computer security; on-line authentication of electronic signatures; off-site data backup; electronic data storage; providing information on computer technology and programming via a web site; cartography services; cloud computing; rental of entertainment software; consultancy, information and advisory services relating to the aforesaid services; all included in Class 42.

Class 45

Personal and social services rendered by others to meet the needs of individuals, namely personal shopper services, personal care services (non-medical nursing assistance), personal reminder services, personal bodyguard services, social escorting; consultancy services relating to social planning, chaperoning, personal introduction agency services, house sitting, babysitting, pet sitting, detective agencies, undertaking, horoscope casting; charitable services, namely mentoring (personal or spiritual); social work services; dating services; legal services; domain name registration services; guard and security services; personal safety services; rental of apparel; providing protection services through electric central stations for intruders, burglar and fire protection systems; intruder and burglar alarms monitoring services; fire and flood detecting device and alarm monitoring services; licensing of digital data, still images, moving images, audio and text; creation, compilation and maintenance of a register of domain names; baggage inspection for security purposes; personal background investigation services; security services for the protection of property and individuals; funeral services; on-line social networking services; releasing doves for special occasions; embalming services; rental of safes; consultancy, information and advisory services relating to the aforesaid services; all included in Class 45.

Lab-in-a-Tip

40201508791U 25/05/2015 (01 05 09 10 42)

Class 01

Diagnostic reagents for scientific use; Chemical diagnostic reagents for industrial use; Diagnostic testing materials, other than for medical use; Diagnostic preparations for laboratory use, other than medical; DNA, genetic and other biological and diagnostic materials (non medical or veterinary), for use in chips, arrays and sensors; Reagents for use in environmental testing.

Class 05

In-vivo diagnostic reagents medical use; Diagnostic products for medical purposes; Diagnostic testing materials for medical use.

Class 09

Diagnostic apparatus for testing food; Diagnostic apparatus for scientific use; Diagnostic apparatus for industrial use; diagnostic apparatus, not for medical purposes; Diagnostic apparatus, not for medical purposes; Spectrocolorimeters, other than for medical diagnostic use; Diagnostic measuring apparatus, other than for medical use; Testing apparatus for diagnostic purposes (other than medical); In-vitro diagnostic testing apparatus (other than for medical use); Apparatus for carrying-out diagnostic tests (other than for medical purposes); Diagnostic testing apparatus for use in immunoassay procedures (other than medical); Reaction units containing chemical reagents (other than for medical diagnostic use); Diagnostic testing instruments for use in immunoassay procedure (other than medical); Scientific apparatus for use in diagnostic applications (other than for medical use); Scientific apparatus for diagnostic testing of biological samples (other than for medical use); Chips arrays and sensors using DNA, genetic and other biological and diagnostic materials (scientific apparatus and instruments); photometers; Photometers; Electronic photometers; Fluorescent photometers; Light scattering photometers; Spectrometers.

Class 10

Medical diagnostic apparatus; Medical diagnostic instruments; Medical diagnostic testing apparatus; Eye testing apparatus ; Blood testing apparatus; Medical testing apparatus; Medical testing instruments; Test probes for medical use; Apparatus for testing blood; Blood glucose testing apparatus; Medical instruments for drug abuse testing; Apparatus for blood tests (for medical use); Testing probes for medical diagnostic purposes; Testing apparatus for sale in kit form (medical); Testing apparatus for medical diagnostic purposes; Instruments for medical use in testing temperature; Medical instruments for infectious disease testing; Testing instruments for medical diagnostic purposes; Testing apparatus for diagnostic purposes (medical); In-vitro diagnostic testing apparatus for medical use; Medical apparatus for testing susceptibility to diseases; Medical apparatus for performing in-vitro diagnostic tests; Scientific apparatus for use in testing blood (medical use); Instruments for medical use in testing microbiological samples; Medical apparatus for testing the level of glucose in the blood; Apparatus for carrying-out diagnostic tests for medical purposes; Scientific apparatus for use in analytical tests (medical diagnosis); Diagnostic testing apparatus for use in immunoassay procedures (medical); Diagnostic testing instruments for use in immunoassay procedure (medical); Scientific apparatus for diagnostic testing of biological samples (medical use);

Apparatus used in implementing diagnosis tests designed to detect the abnormal prion protein.

Class 42

Environmental testing; Environmental testing and inspection services.

International Registration Filed Under The Madrid Protocol Published For Opposition Under The Trade Marks Act (Cap.332, 2005 Ed.)

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.

Furniture; mirrors; mirror frames; goods (not included in other classes) of wood, cork, reed, cane, wicker, horn, bone, ivory, whalebone, shell, amber, mother-of-pearl, meerschaum and substitutes for all these materials, or of plastics; benches (furniture); decorative wall plaques, not of textile (furnishings), namely carvings, wall figurines; cases of wood or plastic; mirror tiles; fixed towel dispensers, not of metal; stools; chests of drawers; wickerwork; racks; dressing tables; washstands (furniture); mirror cabinets; storage containers not of metal for bathroom and toilet utensils; flower stands; flower-stands; trestles (furniture); casks, not of metal; dog kennels; nameplates, not of metal; cushions; air mattresses, not for medical purposes; armchairs; rattan furniture; deck chairs; umbrella stands; sofas; plaited straw (except matting); chairs; easy chairs; tables; couches, not for medical purposes; side tables; sliding-leaf tables; loungers; dinner wagons (furniture); cases of wood or plastic; wall plaques made of plastic or wood; chests, in particular for cushions.

Class 25

Clothing, footwear, headgear; suits; layettes (clothing); swimming costumes; bathing trunks; bathrobes; bath sandals; bandanas (neckerchiefs); blazers; brassieres; ladies' dresses; dress handkerchiefs; masquerade costumes; mittens; belts (clothing); neckerchiefs; gloves [clothing]; slippers; ladies' shirts; shirts; trousers; hats; jackets; dresses; chef's hats; ties; ascots; leather clothing; leggings; underwear; coats; dressing gowns; outerclothing; ear muffs [clothing]; mules; furs [clothing]; pullovers; pajamas (am); raincoats; skirts; vests; sandals; shawls; shoes; aprons; socks; sports

shoes; boots; stockings; tights; t-shirts; uniforms; underwear.

Class 28

Decorations for christmas trees; games and playthings; gymnastic and sporting articles not included in other classes; christmas trees of synthetic material; bells for christmas trees; candle holders for christmas trees; artificial snow for christmas trees; christmas tree stands.

VILLEROY & BOCH AG

SAARUFERSTR. 14 - 18 66693 METTLACH DE

T1408443E (06 09 11)
(International Registration No. 1204194)

Date of International Registration : 17/02/2014
Date of Protection in Singapore: 17/02/2014

Class 06

Explosion-proof housings made of metal; metal housings.

Class 09

Visibility measurement equipment (fog detectors); sound beacons/foghorns for marine safety; radar response beacons for marine safety; electrical navigation equipment for aviation and marine; control panels (electricity); remote starting equipment for helicopters; electrical and electronic equipment, suitable and certified for areas with a gas explosion hazard, being explosion-proof equipment; electrical solar power systems (solar panels) for power generation; hybrid autonomous power installations using multiple sources, namely solar cells, windmills and fuel cells, not included in other classes.

Class 11

Helideck lighting, namely floodlights; warning lamps (other than beacons) for high buildings, (offshore) wind turbines, bridges, towers, (telecom) masts, high voltage masts, antennas and chimneys; warning lamps (other than beacons) for offshore wind turbines, wind farms and offshore oil and gas platforms.

Date of Protection in Singapore: 21/07/2011

Class 06

Valves of metal, not machine elements, wetted parts of which being made of ceramics; valves of metal, not machine elements, wetted parts of which being made of resins; valves of metal, not machine elements; cermets; irons and steels; beryllium copper alloys; nonferrous metals and their alloys; liquid storage tanks or reservoirs of metal; industrial

water storage tanks of metal; liquefied gas storage tanks of metal; gas storage tanks of metal; internal floating lids of aluminium for use with gas or liquefied gas storage tanks; metal junctions for pipes; metal flanges; metal materials for building or construction.

Class 07

Insulators hot-line washing apparatuses; insulators washing apparatuses; ceramic membrane filters for filtering for food or beverage processing machines and apparatuses; high temperature gas dust collectors; separation membrane elements of ceramics for chemical processing machines for use as water separation membranes for solvent recovery or ethanol recovery; ethanol or other solvent recovery apparatuses for chemical processing machines that separate water using separation membranes of ceramics; chemical processing machines and apparatuses; pumps, wetted parts of which being made of ceramics; pumps, wetted parts of which being made of resins; pneumatic or hydraulic machines and instruments; drying machines for chemical processing, having glass lining materials inside of their containers; agitation tanks for chemical processing, having glass lining materials inside of their containers; antistatic devices for ultrapure water for use in manufacturing semiconductors; antistatic devices for ultrapure water for use in manufacturing liquid crystal displays (LCDs); semiconductor manufacturing machines and systems; plastic molding dies; plastic processing machines and apparatuses; textile machines; food or beverage processing machines and apparatuses; lumbering, woodworking, or veneer or plywood making machines and apparatuses; pulp making, papermaking or paper-working machines and apparatuses; printing or bookbinding machines and apparatuses; milk filtering machines; milking machines; tobacco processing machines; glassware manufacturing machines and apparatuses; painting machines; machines and apparatuses for manufacturing rubber goods; stone working machines and apparatuses; food mixing machines for commercial use; food peeling machines for commercial use; dish washing machines for industrial purposes; food cutting, chopping and slicing machines and for commercial use; waste compacting machines and apparatuses; waste crushing machines; shafts, axles or spindles, not for land vehicles; bearings (machine elements, not for land vehicles); shaft couplings or connectors (machine element, not for land vehicles); power transmissions and gearing for machines, not for land vehicles; valves (machine elements, not for land vehicles); excluding ignition apparatus and their accessories being parts of internal combustion engines of all kinds, including spark plugs, glow plugs, spark plug caps, spark plug cables, spark plug ignition coils, plug caps, plugs cords, plug resistor cables and electric or electronic ignition devices for internal combustion engines.

Class 09

Electric power storage equipment utilizing sodium-sulfur; electric circuit closers; electrical switches; cut-out switches; circuit breakers for lightning protection; current limiting arcing horns; voltage regulators; power distribution or control machines and apparatuses and components thereof; rotary converters; phase modifiers; electric power storage cells utilizing sodium-sulfur; lithium-ion batteries; batteries and cells; bushing (electrical insulating materials) for use in insulating high voltage conductors; electric wires and cables; lightning induced power failure prevention apparatuses; lightning arresters; pollution detectors of insulators using ultrasonic cleaning technique; measuring or testing machines and instruments; water spray fire-

extinguishing systems for use in extinguishing fires in electric transformers or other power distribution or control machines and apparatuses and components thereof; fire extinguishers; fire hose nozzles; sprinkler systems for fire protection; furnaces or kilns for use in testing of baking electrodes of solar cells; heating test furnaces for silicon substrates, glass substrates or carbon sheets; heating test furnaces for resin films and resin fibers; electric heating elements for use in furnaces for laboratory experiments; furnaces or kilns for laboratory experiments; refractory rollers made of ceramics for use in work conveyers for furnaces or kilns for laboratory experiments; refractory racks, partition boards, tables, burner nozzles, jigs, setters and saggars used as accessories for furnaces or kilns for laboratory experiments; filters for aluminium hot metal for furnaces or kilns for laboratory experiments; racks and containers as tools of furnaces or kilns for laboratory experiments for use in baking ceramic condensers; separation membrane elements of ceramics for laboratory apparatuses and instruments for use as water separation membranes for solvent recovery or ethanol recovery; ethanol or other solvent recovery apparatuses for laboratory apparatuses and equipments that separate water using separation membrane of ceramics; laboratory apparatuses and instruments; electric or magnetic meters and testers; hard disc drive actuators; actuators for cameras; housing for crystal oscillators for mobile communication apparatus; repeater housings or enclosures for submarine optical communication cables; optical waveguides; wafers for surface acoustic wave filters for telecommunication devices and apparatuses; wafers for surface acoustic wave filters for electronic machines, apparatuses and their parts; photographic instruments and apparatuses; cinematographic instruments and apparatuses; optical apparatuses and instruments; telecommunication devices and apparatuses; electronic apparatuses and their parts; resistance wires; electrodes for use in electrochemistry.

Class 11

Ceramic membrane filters for drinking water for industrial purposes; ceramic membrane filters for use in water purifying apparatuses; separation membrane elements of ceramics for water purifying apparatuses for use as water separation membranes for solvent or ethanol recovery; ethanol or other solvent recovery apparatuses for water purifying apparatuses that separate water using separation membranes of ceramics; water purifying apparatuses; household tap-water filters; ceramic membrane filters for filtration apparatuses for industrial wastewater; high temperature gas dust collectors for use in collecting valuable matter in high temperature exhaust fumes emitted from industrial furnaces or kilns or other industrial apparatuses; high temperature gas dust collectors for use in eliminating harmful substances in high temperature gas emitted from incinerators and boilers; drying apparatuses for chemical processing; recuperators for chemical processing; steamers for chemical processing; evaporators for chemical processing; distillers for chemical processing; heat exchangers for chemical processing; garbage incinerators; pipeline cocks, wetted parts of which being made of ceramics (used as tap water faucets, level controlling valves for tanks and pipeline cocks); pipeline cocks, wetted parts of which being made of resins (used as tap water faucets, level controlling valves for tanks and pipeline cocks); tap water faucets; level controlling valves for tanks; pipe line cocks; drying apparatuses for chemical processing, having glass lining materials inside of their containers; drying furnaces for chemical processing for use with PDP (plasma display panel) glass substrates;

drying furnaces for chemical processing for use with silicon substrates, glass substrates or carbon sheets; electric heating elements for drying apparatuses for chemical processing; industrial kilns for use with PDP (plasma display panel) glass substrates; industrial kilns for use with silicon substrates, glass substrates, or carbon sheets; industrial kilns for ceramic condensers; industrial kilns for soft ferrites; industrial kilns for tile refractories; industrial kilns for tiles; industrial kilns for fine ceramics; industrial kilns for ferrites; industrial kilns for lithium-ion battery materials; industrial kilns for sanitary ware; electric heating elements for braziers; industrial kilns for roof tiles; industrial kilns for phosphors; industrial kilns for use in preheating materials; filters for aluminium hot metal for melting furnaces for industrial purposes; filters for industrial kilns; recirculation fans for industrial kilns; electric heating elements for industrial furnaces or kilns; refractory racks, partition boards, tables, burner nozzles, jigs, setters and saggers used as parts and fittings for industrial furnaces or kilns; industrial kilns for tableware; industrial kilns for refractory materials; industrial kilns for electronic ceramics; industrial kilns for electromagnetic ware; heating furnaces for industrial purposes for resin; heating furnaces for industrial purposes for films; kiln furniture and kilns for use in baking ceramic condensers; industrial furnaces or kilns; nuclear reactors; high-pressure sodium lamps; arc tubes for high-pressure sodium lamps; metal halide lamps; arc tubes for metal halide lamps; electric lamps and other lighting apparatuses; forage drying apparatuses; air-conditioning apparatuses for industrial purposes; freezing machines and apparatuses; electric laundry dryers for industrial purposes; cooking equipment for industrial purposes; industrial dish drying apparatuses and installations; waste water treatment tanks for industrial purposes; septic tanks for industrial purposes; waste water treatment tanks for household purposes; septic tanks for household purposes; fire hydrants.

Class 19

Water-pipe valves, not of metal or plastics, wetted parts of which being made of ceramics; water-pipe valves, not of metal or plastics, wetted parts of which being made of resin; water-pipe valves, not of metal or plastics; refractory products for industrial furnaces or kilns; ceramic building materials, bricks and refractory products; plastic building materials; synthetic building materials; asphalt, and asphalt building or construction materials; rubber building or construction materials; plaster for building purposes; lime building or construction materials; building or construction materials of plaster.

Class 20

Valves of plastics, not including machine elements, wetted parts of which being made of ceramics; valves of plastics, not including machine elements, wetted parts of which being made of resin; valves of plastics, not including machine elements; liquid storage tanks or reservoirs, not of metal or masonry; industrial water tanks, not of metal or masonry; liquefied gas storage tanks, not of metal or masonry; gas storage tanks, not of metal or masonry.

Priority Claims:

Class 06

11/07/2011

Japan

Cermets; irons and steels.

Class 07**11/07/2011****Japan**

Insulators hot-line washing apparatuses; insulators washing apparatuses; high temperature gas dust collectors for use in eliminating harmful substances in high temperature gas emitted from diesel generators; high temperature gas dust collectors; separation membrane elements of ceramics for chemical processing machines for use as water separation membranes for solvent recovery or ethanol recovery; ethanol or other solvent recovery apparatuses for chemical processing machines that separate water using separation membranes of ceramics; antistatic devices for ultrapure water.

Class 09**11/07/2011****Japan**

Electric power storage equipment utilizing sodium-sulfur; cut-out switches; circuit breakers for lightning protection; current limiting arcing horns; bushings for use in insulating and supporting high voltage conductors that pass through building walls or transformer boxes; lightning induced power failure prevention apparatuses; line arresters; pollution detectors of insulators using ultrasonic cleaning technique; water spray fire-extinguishing systems for use in extinguishing fires in electric transformers or other power distribution or control machines and apparatuses and components thereof; furnaces or kilns for use in testing of baking electrodes of solar cells; heating test furnaces for silicon substrates, glass substrates or carbon sheets; heating test furnaces for resin films and resin fibers; electric heating elements for use in furnaces for laboratory experiments; furnaces or kilns for laboratory experiments; refractory rollers made of ceramics for use in work conveyers for furnaces or kilns for laboratory experiments; refractory racks, partition boards, tables, burner nozzles, jigs, setters and saggers used as accessories for furnaces or kilns for laboratory experiments; filters for aluminium hot metal for furnaces or kilns for laboratory experiments; tools of furnaces or kilns for laboratory experiments for use in baking ceramic condensers; separation membrane elements of ceramics for laboratory apparatuses and instruments for use as water separation membranes for solvent recovery or ethanol recovery; ethanol or other solvent recovery apparatuses for laboratory apparatuses and equipments that separate water using separation membrane of ceramics; packages for crystal oscillators; repeater housings or enclosures for submarine optical communication cables; wavelength conversion elements utilizing cyclic polarization inversion; wavelength conversion apparatuses utilizing cyclic polarization inversion; wafers for surface acoustic wave filters for telecommunication devices and apparatuses; wafers for surface acoustic wave filters for electronic machines, apparatuses and their parts.

Class 11**11/07/2011****Japan**

Separation membrane elements of ceramics for water purifying apparatuses for use as water separation membranes for solvent or ethanol recovery; ethanol or other solvent recovery apparatuses for water purifying apparatuses that separate water using separation membranes of ceramics; ceramic membrane filters for filtration apparatuses for industrial wastewater; high temperature gas dust collectors for use in collecting valuable matter in high temperature

exhaust fumes emitted from industrial furnaces or kilns or other industrial apparatuses; high temperature gas dust collectors for use in eliminating harmful substances in high temperature gas emitted from incinerators and boilers; garbage incinerators; cocks, wetted parts of which being made of ceramics; cocks, wetted parts of which being made of resins; drying apparatuses for chemical processing, having glass lining materials inside of their containers; drying furnaces for chemical processing for use with PDP (plasma display panel) glass substrates; drying furnaces for chemical processing for use with silicon substrates, glass substrates or carbon sheets; electric heating elements for drying apparatuses for chemical processing; industrial kilns for tiles; industrial kilns for fine ceramics; industrial kilns for ferrites; industrial kilns for lithium-ion battery materials; industrial kilns for sanitary ware; electric heating elements for braziers; industrial kilns for use in preheating materials; filters for aluminium hot metal for melting furnaces for industrial purposes; electric heating elements for industrial furnaces or kilns; refractory racks, partition boards, tables, burner nozzles, jigs, setters and saggars used as accessories for calcining kilns for industrial purposes; industrial kilns for tableware; industrial kilns for electronic ceramics; heating furnaces for industrial purposes for resin; heating furnaces for industrial purposes for films; tools of industrial furnaces or kilns for use in baking ceramic condensers.

Class 19

11/07/2011

Japan

Water-pipe valves, not of metal or plastics, wetted parts of which being made of ceramics; water-pipe valves, not of metal or plastics, wetted parts of which being made of resin.

27 WORMWOOD STREET BOSTON MA 02210 US

T1314751D (09 16 35 36 37 41 42)
(International Registration No. 1173373)

Date of International Registration : 08/11/2012
Date of Protection in Singapore: 08/11/2012

Class 09

Computer software for designing, installing and executing central computer (mainframe) and user/server programs for integrating financial, manufacturing and sales functions of a business and for managing customer relations and support functions of a business; insurance software; mobility software; analytics software; open-source software; cloud-based software; banking software; consumer goods and services software; freight and logistics software; health and public service software; human capital management software; industrial equipment software; audio/video translation and streaming software; public transportation and fare management software; media management software; digital marketing software; marketing spend analysis software; interactive meeting software; web management and hosting software.

Class 16

Brochures, books, newsletters, magazines, reports, newspapers, manuals, pamphlets, journals and printed guides in the field of business management, information technology and computerized information processing.

Class 35

Business management consulting; business consulting, business process management and consulting; business marketing consulting

services; procurement services, including purchasing computer hardware and software for others; business operation and marketing management and consulting; supply services, including purchasing of computer hardware and software for third parties; provision of information in the field of business management consulting; providing information in the fields of business management, business marketing, business acquisitions and mergers consulting; business consulting; business project management in the fields of information systems design, including procurement of computer hardware and software for others; business acquisitions consulting; analysis services, namely market analysis; business appraisals; conducting business and market research surveys; business information services in the field of business change management, business process management, business strategic management and planning services, and business technology; business management planning; business merger consultation; business networking; conducting business research and surveys; business supervision; commercial and industrial management assistance; economic forecasting and analysis; personnel management consultation; preparing business reports; arranging and conducting trade shows in the field of business and business management, providing information in the field of business consulting; project management in connection with business management; business management consulting during company acquisitions; market analyses; evaluation and appraisal of enterprises, including, cost-price analyses; business monitoring (management assistance); business management support; economic forecasting and analysis, human resources consulting; preparation of business reports, organization and holding of exhibitions in the field of businesses and business management for economic and advertising purposes; provision of information in the field of business consulting; charitable services, namely organizing volunteer programs and projects to benefit local communities; providing pro bono business consulting services to charitable organizations, individuals, educational institutions and organizations, relief organizations and other non-profit organizations; business services, including assisting others in the establishment of charitable organizations; consulting services related to the administrative coordination of organizations providing philanthropic services; business consulting in the fields of enterprise management, human resource management, customer service management, corporate and merger strategy and post-merger integration strategy, supply chain and inventory, outsourcing of business functions and processes, organizational change management, customer relationship management; database management; business consulting in the field of records management, including document indexing for others' health records, medical records and disease and laboratory information management; business consulting in the field of financial information management; brand concept and brand development services for corporate clients; new business venture development and formation consulting services; business process management services, including managing logistics, reverse logistics, supply chain services, supply chain visibility and synchronization services, supply and demand forecasting and product distribution processes for others; supply chain management services; mobility business integration services; business innovation consulting services, including advising others in the areas of product and manufacturing development, business consulting services in the fields of insurance, employee benefits, systems integration, sustainability, energy industry, mobility software, business risk management, aerospace and defense contractors, airline industry, automotive industry, banking, border

and identity management, industrial building materials, capital markets, chemicals, communications, consumer goods and services, customs, government defense, electronics, technology, eligibility systems, financial services, healthcare, child welfare, industrial equipment, infrastructure and transportation, technology, life sciences, medical products, pharmaceuticals, media and entertainment, metals, mining, nonprofit organizations, public safety, retail, revenue management solutions, social security, travel industry, and utilities; business consulting services provided with regard to the policies, operational performance and efficiency of government departments and agencies; business process outsourcing services in the fields of infrastructure, computer and software applications, credit services, finance and accounting, health administration, supply chain, business procurement, insurance and engineering; providing information in the fields of business innovation process, business management and business opportunities; outsourcing services; business consulting services in the fields of smart grid technology (being technology which utilizes an electrical grid to gather information to improve the efficiency of the production and distribution of electricity); business consulting services in the field of analytics, namely consulting services analyzing and predicting financial and operational outcomes in the business and corporate fields; business consulting services in the fields of analytics, namely consulting services analyzing and predicting the progress and effectiveness of human resources initiatives and training; business consulting services in the field of marketing analytics; business consulting in the field of processing insurance claims; business mediation services; providing information from computer or online databases in the field of business consulting.

Class 36

Finance; financing of venture capital; provision of information in the field of financing; financial analyses; evaluation and appraisal of enterprises, namely financial evaluation of companies; financial consulting in company acquisitions; providing financial information; monetary exchange; venture capital financing, financial analysis and consultation; philanthropic services of providing monetary donations to charitable organizations, individuals, educational institutions, relief organizations and other not for profit organizations; charitable fund raising services, including providing individuals with the information and opportunity to make monetary donations to their favorite charity; charitable fund raising services, including collection, management and distribution of such funds; charitable services, including providing financial support to charitable, educational and non-profit institutions and organizations; financial sponsorships of educational, scientific, artistic, cultural, and sporting events; consulting in the field of financial management; financial analysis.

Class 37

Installation, implementation, maintenance and repair services of computer hardware for computer systems and computer networks; computer hardware installation, repair, and maintenance with respect to computer systems and computer network.

Class 41

Providing of training, including holding of courses, seminars, workshops and lessons in the field of computer software development and use, in the field of computer software use, business, business

activities and distribution of related teaching material; organization and holding of exhibitions in the field of companies and business management for cultural and teaching purposes; organization and holding of conferences in the field of companies and business management; educational services, including conducting courses, seminars, workshops, and classes in the fields of computer software development and implementation, computer software usage, business, and business operations and distributing course materials in connection therewith; developing educational materials for others in the fields of computer software development and implementation, computer software usage, business, and business operations; arranging and conducting conferences in the field of business and business management; development of educational material for third parties in the field of computer software development and use and in the field of computer software use, business and business activities.

Class 42

Installation, implementation, maintenance and repair services in the field of computer software; provision of information in the field of information technology, computers and computer systems; consulting in computers, computer systems and in the field of computer system design; professional consulting in the field of computers, computer systems and computer system design; computing services, including computer system design and development for third parties; consulting in information technology; computer software design for third parties; website design; installation, implementation, maintenance and repair services in connection with computer software; technical project planning; providing information in the fields of information technology, computers, and computer systems; computer services, namely design of computers systems for others; information technology consulting services; computer site design; consulting services in the field of cloud computing; technical consulting services in the fields of data centre architecture, public and private cloud computing solutions, and evaluation and implementation of internet technology and services; cloud computing featuring provision of software for use in database management; providing virtual computer systems and virtual computer environments through cloud computing technical support services, including remote and on-site infrastructure management services for monitoring, administration and management of public and private cloud computing IT and application systems; computer services, namely integration of private and public cloud computing environments.

Collective and Certification Marks Published For Opposition Purposes

Registration has been accepted in respect of the following Collective and Certification Marks filed under the provisions of the Trade Marks Act (Cap. 332, 1992 Ed.), Trade Marks Act (Cap. 332, 2005 Ed.) and the Madrid Protocol.

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.

T1301108F 25/06/2012 (45)

The following claim is made in the International Registration: Colours claimed: The mark consists of a three-dimensional stylized letter "P" in dark silver and light silver set on a three-dimensional square base of light silver with a dark silver border. The color white represents highlighting to create the appearance of lighting and is not part of the mark. The color(s) light silver and dark silver is/are claimed as a feature of the mark.

Class 45
Legal services.
