REGISTRATION AS ACCOUNT HOLDER TO E-FILE AND PAY BY GIRO**

This Practice Direction is issued by the Registrar under Rule 78B(1) of the Trade Marks Rules, to specify the procedure for applying to the Registrar to be registered as an account holder.

This Practice Direction will come into effect on 1 January 2006.

Any person who wishes to use eTrademarks to effect a transaction and make payment by GIRO must register with the Intellectual Property Office of Singapore (IPOS) as an Account Holder. Approval is at the sole discretion of IPOS. Upon approval, an eTrademarks account will be created in the name of the person and the person will receive a User ID and Password.

To register, access IPOS address at <http://www.ipos.gov.sg> and [download the eTrademarks Account Holder Registration Form](#).

The person may appoint an Administrator to administer and manage his eTrademarks Account through the eTrademarks "[Maintenance of Authorised Representatives](#)" service.

The responsibilities of the Administrator are as follows:

- appointment of one or more Representatives to access eTrademarks and make payment by GIRO on behalf of the Account Holder;
- updating of the particulars of the Representatives; and
- removal of any Representative's rights to access eTrademarks and make payment by GIRO on behalf of the Account Holder.

These responsibilities are to be conducted through the eTrademarks "Maintenance of Authorised Representatives" service.

Please note that all Authorized Representatives must be CPF account holders with SingPass. The Authorized Representatives are required to sign in using their SingPass to ensure security for GIRO deductions for the online transactions. If the person does not have a GIRO account with IPOS, please complete the [GIRO Application Form](#) and submit it to IPOS.

The completed eTrademarks Account Holder Registration Form and GIRO Application Form should be mailed or couriered to the Intellectual Property Office of Singapore with the address 51 Bras Basah Road #04-01 Plaza By The Park Singapore 189554 and attentioned to Mrs Ang-Ong Bee Lian. Fax submissions are not acceptable.

Application Published for Opposition Purposes Under The Trade Marks Act (Cap.332, 2005 Ed.)

Registration has been applied for in the respect of the following Trade Marks under the provisions of the Trade Marks Act (Cap. 332, 2005 Ed.)

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.

Class 01

Unprocessed plastics; plastics in the form of granules and chemical additives for processing of plastics, included in this class.

Class 07

Laser-based welding and soldering equipment and apparatus; laser-welding apparatus and machines; laser-beam processing machines for surface hardening, coating, sintering, cutting, engraving, welding, soldering and heat treatment of workpieces and installations consisting predominantly thereof; machines and mechanically operated apparatus for processing electric circuit carriers, namely stencils and masks, including being electronically controlled; machines and mechanical equipment for milling and drilling electric circuit boards, including electronically controlled equipment; machines and mechanically operated apparatus for conducting soldering operations; machines and mechanically operated apparatus for making electric contact with circuit carriers and components, including being electronically controlled; machines and mechanically operated apparatus for laser or mechanical processing of various substrates and substrate materials and electronic circuit boards, including being electronically controlled; machines and mechanical equipment for micro processing; mechanical tools for the aforesaid machines and equipment; parts for the aforesaid apparatus and equipment, included in this class; laser-beam plastic welding apparatus and installations; laser-beam micro-soldering apparatus and installations; laser-beam micro-welding apparatus and installations.

Class 08

Hand tools for machines and mechanically operated apparatus.

Class 09

Data processing equipment for laser-beam processing apparatus and installations; process diagnostics apparatus, not for medical use, for laser-beam processing apparatus and installations; electrical circuit boards; electronic components, included in this class; lasers, not for medical purposes; laser equipment for micro processing and parts for this equipment; machine-readable data carriers with programs for controlling the aforesaid machines and mechanically operated apparatus in class 7 of this application; computer programs for control technology, regulating technology and with programs for controlling the aforesaid machines and installations in class 7 of this application, and the aforesaid installations and equipment in class 9 of this application.

Class 40

Laser scribing services; laser structuring; soldering; machining of materials using laser technology; treatment of materials, namely welding by means of laser beams; welding; laser structuring of electronic and electric components, circuit boards, materials and circuit carriers; processing of plastics.

Class 42

Creating programmes for data processing; research in the field of laser welding technology; technological consultancy, design and development in the field of laser technology; technological investigations in the field of material processing using laser technology and mechanical processing equipment, for others.
