The Registry of Trade Marks does not guarantee the accuracy of its publications, data records or advice nor accept any responsibility for errors or omissions or their consequences. Permission to reproduce extracts from this Journal must be obtained from the Registrar of Trade Marks.

GENERAL INFORMATION**Trade Marks Journal**

This journal is published by the Registry of Trade Marks pursuant to Rule 86A of the Trade Marks Rules.

It is published weekly on Fridays and on other days when necessary, upon giving notice by way of circulars found on our website.

Requests for past issues of journals published more than three months ago may be made at <http://bit.ly/paymentipos> and is chargeable at \$12 per issue.

Instructions on payment will be provided to you via email within 7 working days after we receive your online request. Payment shall be made via IP²SG's payment platform. Acceptable modes of payment include Internet Banking, Visa/Master credit and debit cards and GIRO.

The journal(s) will be reproduced in CD-ROM and we will arrange an appointment with you to collect the CD-ROM at the following address:

Address:	Intellectual Property Office of Singapore 1 Paya Lebar Link, #11-03 PLQ 1, Paya Lebar Quarter Singapore 408533

REGISTRATION AS ACCOUNT HOLDER TO E-FILE AND PAY BY GIRO**

This Practice Direction is issued by the Registrar under Rule 78B(1) of the Trade Marks Rules, to specify the procedure for applying to the Registrar to be registered as an account holder.

This Practice Direction will come into effect on 1 January 2006.

Any person who wishes to use eTrademarks to effect a transaction and make payment by GIRO must register with the Intellectual Property Office of Singapore (IPOS) as an Account Holder. Approval is at the sole discretion of IPOS. Upon approval, an eTrademarks account will be created in the name of the person and the person will receive a User ID and Password.

To register, access IPOS address at <http://www.ipos.gov.sg> and [download the eTrademarks Account Holder Registration Form](#).

The person may appoint an Administrator to administer and manage his eTrademarks Account through the eTrademarks "[Maintenance of Authorised Representatives](#)" service.

The responsibilities of the Administrator are as follows:

- appointment of one or more Representatives to access eTrademarks and make payment by GIRO on behalf of the Account Holder;
- updating of the particulars of the Representatives; and
- removal of any Representative's rights to access eTrademarks and make payment by GIRO on behalf of the Account Holder.

These responsibilities are to be conducted through the eTrademarks "Maintenance of Authorised Representatives" service.

Please note that all Authorized Representatives must be CPF account holders with SingPass. The Authorized Representatives are required to sign in using their SingPass to ensure security for GIRO deductions for the online transactions. If the person does not have a GIRO account with IPOS, please complete the [GIRO Application Form](#) and submit it to IPOS.

The completed eTrademarks Account Holder Registration Form and GIRO Application Form should be mailed or couriered to the Intellectual Property Office of Singapore with the address 51 Bras Basah Road #04-01 Plaza By The Park Singapore 189554 and attentioned to Mrs Ang-Ong Bee Lian. Fax submissions are not acceptable.

Dated this 30th day of December 2005.

HOURS OF BUSINESS AND EXCLUDED DAYS**

This Practice Direction is issued by the Registrar under Section 78 of the Trade Marks Act, to specify the hours of business of the Registry and the days which are to be treated as excluded days.

This Practice Direction will come into effect on 1 July 2004.

Hours Of Business

- (1) The hours of business of the Registry shall be as follows:
 - (a) 8.30 am to 12.30 pm and 1.30 pm to 5.30 pm from Monday to Friday, except on a day which is an excluded day; and
 - (b) 8.30 a.m. to 1.00 p.m. on any Saturday which is not an excluded day.
- (2) Notwithstanding paragraph (1), for the purposes of carrying out of any transaction referred to in rule 78A(2) by means of the electronic online system, the Registry shall be taken to be open every day at all hours, except on any day which is an excluded day for the purposes of carrying out of transactions by means of the electronic online system.

Excluded Days

- (1) All Sundays, public holidays and such other days as the Registrar may specify, shall be excluded days for all purposes under the Act and the Rules.

Application Published for Opposition Purposes Under The Trade Marks Act (Cap.332, 2005 Ed.)

Registration has been applied for in the respect of the following Trade Marks under the provisions of the Trade Marks Act (Cap. 332, 2005 Ed.)

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.

disc cases, computer carrying cases, protective sleeves for laptop and tablet computers, wrist rests for use with computers; battery chargers for mobile phones; USB charging ports; computer software to access and view computer wallpaper; computer skins, namely, fitted plastic film for covering and providing a scratch proof barrier for computer devices; video game cartridges; radios, electronic audio speakers, headphones and ear buds, wireless telephones, telephones; cell phone accessories, namely headsets, straps for cell phones, fitted plastic films known as skins for covering and protecting cell phones, face plates and cell phone covers; electronics accessories, namely fitted plastic films known as skins for covering and protecting electronic apparatus, namely MP3 players, electronic tablets and portable digital assistant devices; covers and stands for MP3 players, electronic tablets and portable personal digital assistant devices; decorative switch plate covers, video monitors, computer monitors, binoculars; sunglasses; eyeglass frames; eyewear accessories, namely, eyewear straps and chains which restrain eyewear from movement on wearer; eyeglass and sunglass cases; magnets; disposable cameras; credit cards, debit cards, cash cards, key cards and pre-paid telephone calling cards magnetically encoded; downloadable electronic game software; downloadable video game software; downloadable computer game software; downloadable interactive video games and downloadable trivia game software provided over the internet; downloadable computer software for use as screensavers and wallpaper, to access and display computer browsers, for use in viewing data on the Internet, for use in creating avatars for playing electronic games, electronic sports and virtual sports over the Internet; downloadable electronic publications in the nature of magazines, newsletters, coloring books, game schedules all provided over the Internet; downloadable greeting cards provided over the Internet; downloadable virtual goods, namely, computer programs featuring emojis, stickers, badges, characters, clothes and accessories for use in electronic games, electronic sports and virtual sports; mouth guards for sports; all of the foregoing in the field of basketball, electronic games, electronic sports and virtual sports.

Class 25

Clothing, namely hosiery, footwear, basketball shoes, basketball sneakers, T-shirts, shirts, polo shirts, sweatshirts, sweatpants, pants, tank tops, jerseys, shorts, pajamas, sport shirts, rugby shirts, sweaters, belts, ties, nightshirts, hats, caps being headwear, visors being headwear, beanies, warm-up suits, warm-up pants, warm-up tops, shooting shirts, jackets, wind resistant jackets, parkas, coats, baby bibs not of paper, head bands, wrist bands, aprons, undergarments, boxer shorts, slacks, ear muffs, gloves, mittens, scarves, woven and knit shirts, jersey dresses, dresses, cheerleading dresses and uniforms, swim wear, bathing suits, swimsuits, bikinis, tankinis, swim trunks, bathing trunks, board shorts, wet suits, beach cover-ups, bathing suit cover-ups, bathing suit wraps, sandals, beach sandals, beach hats, sun visors being headwear, swim caps, bathing caps, novelty headwear with attached wigs; all of the foregoing in connection with the field of basketball, electronic games, electronic sports and virtual sports.

Class 41

Entertainment and educational services in the nature of arranging, organizing and conducting electronic game competitions, electronic game contests, electronic game tournaments, entertainment exhibitions, sports competitions, leagues, tours, clinics and events composed of electronic games athletes, electronic sports athletes, and virtual sports athletes, interactive displays, participatory activities and contests; the production and distribution of radio, television, cable television, satellite television, webcasts, social media and Internet shows featuring electronic game competitions, electronic game contests, electronic game tournaments,

entertainment exhibitions, sports competitions, leagues, tours, clinics and events; providing on-line electronic games for customer to participate in via a web-based system and online portal; operation and coordination of tournaments, leagues and tours for recreational and competitive purposes; production and distribution of radio, television, cable television, satellite television, webcasts, podcasts, blogs, social media and Internet shows featuring news highlights, video recordings and video stream recordings of electronic game contests, electronic game tournaments, entertainment exhibitions, sports competitions, leagues, tours, clinics and events; providing online entertainment and sporting news, information, commentary and strategy in the field of basketball, electronic games, electronic sports and virtual sports; providing sporting news and information in the nature of statistics and trivia in the field of basketball, electronic games, electronic sports and virtual sports; conducting and arranging educational, entertainment exhibition and competitive sport leagues, clinics and camps in the field of basketball, electronic games, electronic sports and virtual sports; provision of electronic game services incorporating tracking of users of on-line interactive electronic gaming, electronic sports and virtual sports services and matching on-line game players with other players of all skill levels; entertainment services in the nature of personal appearances by a costumed mascot or dance team at games, exhibitions, clinics, camps, promotions, and other events, special events and parties; fan club services; on-line non-downloadable games, namely, computer games, electronic games, video games, interactive computer games, interactive electronic games, interactive video games, action skill games, arcade games, adults' and children's party games, board games, puzzles, and trivia games; electronic publishing services, namely, publication of magazines, guides, newsletters, coloring books, and game schedules of others on-line through the Internet; providing information in the field of basketball, electronic games, electronic sports and virtual sports, via an online computer database; entertainment services, namely, providing non-downloadable electronic game services, video game services, and computer game services on-line from a computer network; all of the foregoing in the field of basketball, electronic games, electronic sports and virtual sports.

NBA PROPERTIES, INC.

OLYMPIC TOWER, 645 FIFTH AVENUE, NEW YORK, NEW YORK
10022, UNITED STATES OF AMERICA

ADDRESS FOR SERVICE: DREW & NAPIER LLC, 10 COLLYER
QUAY, #10-01 OCEAN FINANCIAL CENTRE, SINGAPORE 049315

40201815910Q 10/08/2018 (01 03 04 05 06 08 09 14 17 18 19 25 26 28 30
31 32 35 39 40 41 43 44)

Application for a series of five marks.

Class 01

Chemicals, chemical preparations and chemical products for use in industry, science and photography, as well as in agriculture, horticulture and forestry; agricultural chemicals, except for fungicides, weed killers, herbicides, insecticides and parasitocides; Pheromones other than for medical purposes, namely Pheromone lure (ethyl 4-methyloctanoate); industrial chemicals; synthetic chemicals; welding chemicals, protective

gases for welding; chemical substances for analyses in laboratories [other than for medical or veterinary purposes]; chemicals for use in the manufacture of fabric, textiles, nylon, paints and color-brightening; chemical products for use in the manufacture of pharmaceuticals, foodstuffs, food supplements, drinks, dietetic food supplements, animal foodstuffs, cosmetics, industrial bio-fuels technology and renewable fuels technology; chemical additives, combusting preparations [chemical additives to motor fuel], chemical preparations for use as solvents and corrosion inhibitors, dispersants, catalysts, surfactants for industrial purposes; chemicals for preserving foodstuffs, emulsifiers; chemical products for use in the preparation of perfumes and antimicrobial preservatives for cosmetics, agent for keeping perfumes fresh and preserving perfumes; solidified gases and cobalt oxide for industrial purposes; transmission fluids, fluids for hydraulic circuits, auxiliary fluids for use with abrasives, power steering fluid; chemical products derived from renewable raw materials, natural oils and fats namely palm kernel oils and oil plant seed oils; food esters other than for pharmaceutical purposes; oleochemicals, esters, fatty acid esters, methyl esters, glycerine esters, fatty alcohols, fatty acids, long chain fatty acids, oleic acids, ethers glycerines, gelatins and dextrans, all the aforesaid for industrial purposes; fatty acids for use in animal feeds; chemical intermediates for industrial use; chemical intensifiers for rubber, rubber preservatives; chemical reagents and chemical adjuvants for non-medical purposes chemicals for use in agriculture, forestry and horticulture; chemical additives for fertilizers; chemical additives for oils and lubricants, fuel additives, combustible fuel additives, oil purifying chemicals; surface-active chemical agents, surface active compounds namely wetting, spreading, emulsifying, dispersing and penetrating agents; unprocessed artificial resins, synthetic resins, unprocessed plastics; chemical additives for use in plastics, gelatinization and plastification agents; plant growth regulating preparations; tempering and soldering preparations, chemical agents and preparations for hardening, brazing and soldering metals; tanning agents [for hides], substances for tanning animal skins and hides; adhesives for industrial use, chemical preparations for use in the manufacture of surface coatings, coating agents for impregnation purposes, chemical binders and synthetic thickeners for use in manufacture; putties and other paste fillers, fillers for rubbers and plastics; composts, bio-composts, organic composts, Trichoderma-fortified composts, Mycorrhiza-fortified composts, compost activators, fertilizers, liquid fertilizers, bio-fertilizers, organic fertilizers, plant growth enhancers, fertilizer preparations, manures; biological preparations for use in industry and science; DNA, genetic and other biological and diagnostic materials other than for medical and veterinary use; fire extinguishing and fire prevention compositions.

Class 03

Non-medicated cosmetics, cosmetic kits, cosmetics namely foundations, concealers, mascaras, eye shadows, eye liners, brow liners, lipsticks, lip liners, lip balms, face powders, bronzers, blushers, moisturisers, make-up removers, petroleum jelly for cosmetic purposes, lotions for cosmetic purposes; toiletry preparations, toiletries, toiletries in the form of lotion, soaps, non-medicated soaps, skin care products, skin care products in the form of creams and lotions, skincare preparations namely lotions, creams, cleansers, toners, scrubs and masks, beauty serums, skin whitening preparations, creams for wrinkles, hand lotions, foot care preparations, foot lotions, foot scrubs; hair care and hair styling preparations namely shampoos, conditioners, finishing sprays and gels, hair lotions, hair serums, non-medicated hair lotions, hair dyes; body scrubs; shaving preparations, shaving soaps, shaving creams; non-medicated dentifrices; perfumeries, essential oils, aromatics [essential oils], fragrances, colognes, sunscreen oils and lotions, almond oils, massage oils; scented room fragrances, potpourris,

fragrance sachets and scented woods; bleaching preparations and other substances for laundry use; cleaning, polishing, scouring and abrasive preparations, cleaning agents for household purposes, cleansing milk for toilet purposes, scouring solutions, rust removing preparations, preservatives for leather [polishes], shoe polishes.

Class 04

Industrial oils, combustible oils, diesel oils, engine oils, motor oils, lubricating oils, industrial greases, greases for belts and leathers, palm oils, rape oils, sunflower oils and soybean oils, all for industrial purposes, oils for paints, soybean oil preparations for non-stick treatment of cooking utensils; industrial waxes; lubricants, lubricating greases and oils, petroleum jellies; dust absorbing composition and preparations, binding composition and preparations for solid fuels, wetting compositions; non-slipping preparations for belts; non-chemical additives for oils, motor fuels, greases, lubricants and hydraulic fluids; fuels and illuminants, fuel mixtures, vaporized fuel mixtures, fuel oils, gas oils, motor fuels and spirits, fuels with an alcoholic base, biomass fuel, gasoline, gas for lighting; natural gas, compressed natural gas, oil-gas, biofuels, bio-diesel, olein; electrical energy from renewable sources; candles and wicks for lighting.

Class 05

Pharmaceuticals, medical and veterinary preparations and substances, capsules for medicines and pharmaceutical purposes, chemical reagents and preparations for medical and veterinary purposes, biological preparations for veterinary purposes, diagnostic preparations for medical purposes, drugs for medical purposes, balms for medical purposes, blood for medical purposes, bone cements for surgical and orthopaedic purposes, sodium salts for medical purposes, vaccines, milk ferments for pharmaceutical purposes, nutritional additives for medical purposes; sanitary preparations for medical purposes, bath preparations for medical purposes, salts for mineral water baths for medical purposes, lotions for pharmaceutical and veterinary purposes; dietetic food and substances adapted for medical or veterinary use, dietetic food preparations adapted for medical use, dietetic substances, foods and beverages adapted for medical use, edible plant fibres, diabetic bread; food for babies, food for infants and invalids, infant formula, lactose-free infant formula, powdered milk for infants, dietary supplements for humans and animals, nutritional supplements for humans and animals, vitamin and mineral supplements, food and mineral food supplements, animal feed supplements, vitamin E, probiotic supplements, calcium supplements, homeopathic supplements, protein supplements, herbal supplements, enzyme dietary supplements, lecithin dietary supplements, medicinal infusions, cod liver oils, palm tocotrienol concentrate in liquid form [medicinal health supplement preparations], capsules containing vitamin e-tocotrienols for food supplements; plasters, materials for dressings, adhesive bands for medical purposes, adhesive hygienic bandages, bandages for dressings, medical plasters, surgical implants comprised of living tissues, surgical dressings; materials for stopping teeth, dental waxes; disinfectants, disinfectants for hygiene purposes, cattle washes, anti-horse-fly oils; preparations for repelling and destroying vermins, preparations for destroying rodents; fungicides, herbicides, plant bio-insecticides, plant bio-pesticides; disinfectant soaps.

Class 06

Common metals and their alloys, ores; metal materials for building and construction, buildings of metal, building boards and materials of metal, panels, fittings or frameworks of metals for buildings, claddings of metal for construction and building, buildings or furniture fittings of nickel-silver, doors, gates, grilles, posts, fences, guard rails, galvanized fencing and

prefabricated platforms of metal, posts of metal for electric lines, rings of metal, clips of metal for cables and pipes, clamp connectors of metal for pipes and piping [other than parts of machines], tubes, washers and ingot moulds of metal, stair treads [steps] of metal, cast steels; pipes of metal, pipes of metal for central heating installations, cast iron pipes, penstock pipes of metal, pipe fittings of metal, reinforcing materials of metal for building and pipes, manifolds of metal for pipelines; metal hoses and poles for agricultural use, metal poles for harvesting; transportable buildings of metal; non-electric cables and wires of common metal, steel wires, wire fencing; small items of metal hardware, rivets, bolts, nails, nuts, screws and cotter pins of metal, pins of metal for wheels, pins [hardware] and springs [metal hardware], rings of common metal for keys, articles of non-precious metal namely name plates; metal containers for storage or transport, metal containers and bottles for compressed gas or liquid air, preserving boxes of metal, metal boxes, tool boxes of metal; vaults and safes, strong boxes [safes], security boxes [safes], strong room [safes], cash safes, safety cash boxes, electronically operated safes, chests of metal, fire safe cabinets [safes] of metal, non-metallic fire safe cabinets [safes], safe deposit lockers of metal [non-electric]; non-electric locking devices of metal, metal locks [non-electric], spring locks, locks of metal for vehicles, non-electric security locking devices of metal for the doors of safes, safety chains of metal; metal security barriers.

Class 08

Hand-operated hand tools and implements, namely agricultural implements, garden tools, sprayers for agricultural purposes, apparatus for destroying plant parasites, insecticide atomizers, vaporizers and sprayers, hand drills, bits [hand tools and parts of hand tools], tool belts [holders], sickles, moulding irons, tube cutting instruments; cutlery; side arms other than firearms; razors.

Class 09

Alarms, sound alarms, fire alarms, vault alarms, bells [warning devices], electric alarm bells, electric door bells, signal bells, fire detectors and alarm systems; electrical security devices and systems other than for vehicles, electronic monitoring control and surveillance devices and systems, electronic locking apparatus and systems, electric security locking devices for the doors of safes, electrical control apparatus for access to gates, electrified fences, automatic security barriers, intrusion and motion detectors, theft alarms and alarm systems, anti-theft warning apparatus; illuminated signs, speed indicators, vehicle breakdown warning triangles, vehicle breakdown warning lamps other than for vehicles; surge protection devices; access control devices, magnetic or encoded cards for access control, fingerprint door locks; readers [data processing equipment], data processing equipment, apparatus for interconnecting data processing equipment; biometric fingerprint readers; electrical communication equipment, telecommunications equipment for message programming; observation apparatus and devices; metal detectors; scientific equipment, apparatus and instruments for scientific research in laboratories, laboratory or scientific apparatus and instruments for measuring the permeation transmission rate of water vapour and oxygen gas through a flexible packaging film, laboratory or scientific apparatus and instruments for compressing and tensile testing of samples, laboratory or scientific apparatus and instruments for the analysis of powder flow behaviour, laboratory or scientific apparatus and instruments for measuring environmental conditions, chromatography apparatus for laboratory use, centrifuges for laboratory use, probes for scientific purposes, leak detectors, laboratory trays, laboratory centrifuges, Petri dishes, test tubes, DNA chips; navigational apparatus and instruments, nautical apparatus and instruments, marine navigation apparatus and instruments, marine

vessel traffic monitoring apparatus and instruments; apparatus and instruments for measuring, meters, ultrasonic meters, pressure meters, electricity meters, liquid meters, viscometers, gas meters, flow meters, gas flow meters, density meters, gas density meters, spectrophotometers, rheometers, refractometers, polarimeters, hydrometers, hygrometers; apparatus and instruments for surveying, analysing and detecting gas; electric apparatus and instruments for monitoring, electric density and viscosity monitoring devices; levelling instruments; heat regulating apparatus; weather information, energy management and electrical energy consumption monitoring apparatus; material testing instruments and machines, test benches, testing probes other than for medical purposes, testing and diagnostic apparatus other than for medical purposes, calibration devices; apparatus and installation for the production of x-rays other than for medical purposes, X-ray inspection machines; electrical equipment for industrial automation, numerical control apparatus for industrial automation, protective helmets, protective masks, protection devices against x-rays [roentgen rays] other than for medical purposes, protection devices for personal use against accidents; apparatus for recording, transmission or reproduction of images, optical apparatus and instruments, electro-optical apparatus and instruments, television and photographic apparatus and systems, closed circuit television, video surveillance apparatus, car televisions, car video recorders, video recording apparatus for vehicles, monitors, cameras, optical lenses, camera housings, mounting devices for cameras and monitors; sounding apparatus and machines, apparatus and instruments for locating, recording, transmitting or reproducing sound, radio apparatus and instruments, loudspeakers and cabinets for loudspeakers; electronic publications, downloadable; computers, computer software, recorded computer program and software, software [machine readable] programmes, recorded computer operating programs, computer programs for use in fluid flow analysis, electronic programmable logic controllers, navigation apparatus for vehicles [on-board computers], computer peripheral devices; intercom apparatus, telephone and video intercom apparatus; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; electrical and electronic components, electrical switchgear apparatus, electric power supply for electronic apparatus, electrical installations for the remote control of industrial operations, electric power supply apparatus for metal melting furnaces, electric batteries, accumulators and their parts, solar batteries, fuel cells and their parts, switchboards, distribution boards, electricity distribution boards, transformers, power units [transformers], electricity transformers, electronic transformers, electronic metering control apparatus, electric wires, markers for electric wires, chargers for electric batteries; magnetic data carriers, magnetic wires; compact discs, compact discs [audio-video], compact discs [read-only memory], recording discs, floppy discs, optical discs, DVDs and other digital recording media, disc drives for computers, compact disc players, DVD players, Mp3 players, Mp4 players; mechanisms for coin-operated apparatus, coin-operated mechanism for operating gates for car parks or parking lots; calculating machines, cash registers, revolution counters; fire-extinguishing apparatus, fire hose nozzles.

Class 14

Precious metals and their alloys, works of art, figurines, trophies, badges, pins and boxes of precious metals, coins, copper tokens; ornaments made of or coated with precious or semi-precious metals or stones, or imitations thereof, clothing, hat and shoe ornaments of precious metals; key chains, key rings and charms therefor, key rings [trinkets or fobs]; jewellery, precious and semi-precious stones, medals, amulets, bracelets, charms, earrings, necklaces, medallions, rings [jewellery], brooches [jewellery],

chains [jewellery], pins [jewellery], ornamental pins, tie pins, tie clips and cuff links; jewellery boxes and watch boxes, cases for clocks, watches and cases of precious metal for watchmaking; horological and chronometric instruments, time keeping instruments, clocks, alarm clocks, watches, wristwatches, stopwatches, pocket watches, watch bands, straps and chains, clock and watch cases; articles of non-precious metal namely key tags and key chains.

Class 17

Unprocessed and semi-processed rubber, gutta-percha, gum, asbestos, mica and substitutes for all these materials; acrylic rubber, chlorinated rubber, crude rubber, foam rubber, hydrochlorinated rubber, latex concentrate, latex rubber, liquid rubber, natural rubber, polysulfide rubber, raw or semi-worked rubber, nitrile rubber, reclaimed rubber, silicone rubber, synthetic rubber, uncured synthetic rubber, vulcanite [ebonite]; plastics and resins in extruded form for use in manufacture, artificial resins [semi-finished products]; packing, stopping and insulating materials, insulating varnish, padding materials of rubber or plastics, rubber stoppers, shock absorbing buffers of rubber, rubber sleeves for protecting parts of machines, stuffing of rubber or plastic, washers of rubber or vulcanized fiber; flexible pipes, tubes and hoses [not of metal], connecting hose for vehicle radiators; expansion joint fillers.

Class 18

Leather and imitations of leather; card holders made of leather or imitation leather, leather bags, leather key cases, leather pouches for packaging, leather casings for plate springs, leather tool bags [empty], leather boxes, leather cases, leather luggage tags; bags, luggage bags, carrying bags, handbags, tote bags, sling bags, gym bags, athletic bags, sport bags, toiletry bags, travelling bags, beach bags, book bags, diaper bags, school bags, shopping bags, overnight bags, travelling trunks, backpacks, wallets, pocket wallets, haversacks, knapsacks, duffel bags, satchels, school satchels, purses, coin purses, pouches, briefcases, suitcases, attaché cases, card cases [notecases], key cases, business card cases, fanny packs, waist packs, bags for campers and climbers, bags for clothes; luggage tags; animal skins and hides; umbrellas and parasols; walking sticks, walking stick handles and canes; whips, harness and saddlery; collars, leashes and clothing for animals.

Class 19

Non-metallic building and construction materials and elements; building panels, building timber, planks, plywood, paperboard for building, wood pulp board for building, plaster, building glass, natural and artificial stones, building stones, sandstone, lime, gravel, granite, gypsum, rubble, mortars, grout, tiles; concrete, concrete building elements, non-metallic shuttering; cement, fibre cement, cement blocks, cement slabs, cement mixes, cement base mixture for use in building, cement based coatings and materials, ready to use cement for building purposes, articles of cement for building, construction and repair purposes, cement for blast furnaces, building or furnaces, cement mortar for use in construction, cementitious patching compound, sealant (cementitious), fireproof cementitious products; bricks, earth for bricks, paving blocks, non-metallic paving slabs; non-metallic scaffolding; non-metallic roofing and roof coverings, hips for roofing; non-metallic ceilings and cornices; non-metallic window frames, casement windows, window glass, windows plate glass; floor boards, parquet floor boards; shutters, folding doors, blinds [outdoor], all not of metal and not of textile; coatings [building materials], fireproof cement coatings; non-metallic reinforcing materials for building; road making and coating materials, binding materials used in the construction and repair of roads, paths, sidewalks, pavements and paved areas; non-metallic

framework for building; non-metallic rigid pipes for building, non-metallic water pipes; non-metallic drains and gutters; asphalt, pitch and bitumen; asphalt paving; bitumen products for building, bituminous coatings for roofing; non-metallic transportable buildings, non-metallic monuments, non-metallic advertisement columns, arbours [structures not of metal], balustrading, non-metallic prefabricated platforms, non-metallic porches for building.

Class 25

Clothing, clothing of leather, clothing of imitations of leather, coats, suits, jackets, blazers, ponchos, waistcoats, parkas, robes, shirts, tee-shirts, golf shirts, sweat shirts, polo shirts, sports jerseys, tank tops, knitwear, sweaters, jumpers, pullovers, vests, pants, sweat pants, shorts, slacks, trousers, jeans, skirts, dresses, overalls, sleepwear, pyjamas, rainwear, infant wear, swimsuits, bathing suits, underwear, socks, stockings; footwear, shoes, athletic shoes, beach shoes, football shoes, heels, sandals, slippers, sneakers, boots, lace boots, half-boots, sport boots, football boots, footwear uppers, boot uppers, soles for footwear; headgear, caps, baseball caps, hats, head bands, bandanas, kerchiefs; belts [clothing]; cuffs; ties, neckties, bowties; scarfs, shawls; gloves; wrist bands; ear muffs.

Class 26

Lace and embroidery, ribbons and braid; buttons, hooks and eyes, pins and needles; letters and numerals for marking linen; brooches for clothing, badges for wear [not of precious metal], ornamental novelty badges [buttons], belt clasps, pin cushions, needle cushions, hat ornaments, shoe laces; prize ribbons; tapes for curtain headings; artificial flowers; hair decorations, hair ornaments; false hair.

Class 28

Games, toys and playthings, balls for games, golf games, amusement game machines, playing cards, scale model vehicles, teddy bears, toy masks, toy guns, toy pistols; video game apparatus; sporting articles and equipment, golf clubs, golf equipment, golf irons, golf balls, golf ball markers, golf gloves, golf bags with or without wheels, golf bag carts, golf bag trolleys, golf tees, divot repair tools [golf accessories], pitch mark repair tools [golf accessories], golf practice apparatus, nets for sports, guns [sports articles], paintball guns [sports apparatus], appliances for gymnastics, weight lifting belts [sports articles], hockey sticks, badminton equipment, badminton sets, tennis equipment, table tennis equipment, squash equipment, bowling apparatus and machinery; decorations for Christmas trees.

Class 30

Coffee, tea, cocoa, chocolates, artificial coffee, artificial tea, cocoa-based beverages, coffee-based beverages, tea-based beverages; tapioca and sago; processed grains, starches and goods made thereof ; rice, porridge, noodles, vermicelli [noodles], ribbon vermicelli; starches for food, starch syrup for culinary purposes, potato starches, tapioca starches; baking preparations, yeasts, baking-powder, baking soda, doughs, batters and mixes therefor, pastry mixes, pastry dough, cookie dough, cooking dough; flour and preparations made from cereals, cake flour, corn flour, maize flour, nut flour, potato flour, rice flour, rye flour, soya flour, tapioca flour, wheat flour; bread, pastries and confectionery, bread buns, breadcrumbs, bread rolls, breadsticks, bread flavoured with spices, biscuits, cakes, cookies; edible ices, binding agents for edible ices, binding agents for ice-cream, frozen yoghurt; sugar, honey, treacles, icings, icing sugar, natural sweeteners, natural sweetening substances; salts, seasonings, food flavourings, other than essential oils; condiments, aromatic preparations for food, preserved seasonings, spices, baking spices, pepper, garden herbs,

vinegar, cake flavourings; sauces [condiments], mustard, gravy, gravy mixes, chili sauces, ketchup sauces, meat and fish curry sauces, noodle sauces, fried noodle sauces, peanut sauces, fried rice sauces, spaghetti sauces, spicy sauces, tomato sauces; noodle-based, pasta-based and rice-based prepared meals; rice-based snack food, rice cakes, rice puddings, rice crackers; glutinous rice desserts, wheat grain desserts, green bean dessert puddings.

Class 31

Raw and unprocessed agricultural, aquacultural, horticultural and forestry products, unprocessed sugar crops, fresh herbs, vegetables, turnips, fruits, kernel fruits, sugarcane, coconuts; natural plants and flowers, palm trees, palm bunches, palms [leaves of the palm tree], palm fronds, rubber plants, coconut trees, sugarcane plants; bulbs, seedlings and seeds for planting, raw and unprocessed seeds, agricultural seeds, plant seeds, hybrid seeds, crop seeds, oil palm seeds, rubber seeds, seed germ, germ plasm, oil palm germ plasm; vegetative planting materials, namely, bulbs, seedlings and seeds for planting; live animals, live cattle; foodstuffs and beverages for animals, feed substances for animals, animal feeds, cattle feeds, oil palm foodstuffs for animals, nutritional additives for animal foods, livestock fattening preparations, oils and fats for animal foodstuffs and beverages; raw and unprocessed grains, malt; weeds for human or animal consumption.

Class 32

Beers, beer-based beverages; mineral and aerated waters and other non-alcoholic beverages, preparations for making mineral water, soda water; fruit beverages and fruit juices, fruit-flavoured beverages, fruit-based beverages, non-alcoholic fruit extracts, non-alcoholic fruit nectars, non-alcoholic fruit juice beverages, aloe juice beverages, apple juice beverages, guava juice beverages, lemonades, orange juice beverages, pineapple juice beverages; sports drinks, energy drinks; soft drinks; non-alcoholic honey based beverages; vegetable juices [beverages], tomato juice beverages; syrups and other preparations for making beverages, essences for making beverages.

Class 35

Advertising, marketing and promotional services, television advertising, radio advertising, online advertising, outdoor advertising, direct mail advertising, publicity services, public relations, product marketing, telemarketing services; advertising, marketing and promotional services relating to property and real estate; advertising, marketing and promotional services relating to plantation, agriculture, agricultural products, agricultural equipment, implements, machines and vehicles; advertising, marketing and promotional services relating to vehicles, motor vehicles, parts and fittings thereof; advertising, marketing and promotional services relating to machineries, generators, compressors, heavy equipment, hand tools, industrial and construction equipment, engines and spare parts thereof; advertising, marketing and promotional services relating to waste management and electricity generation; electronic commerce services, namely, provision of information about products and services via telecommunication networks for advertising and sales purposes; display services for merchandise, presentation of goods on communication media for retail purposes, demonstration of products for advertising, marketing and promotion purposes; organisation of displays and exhibitions for advertising, marketing and promotion purposes, organisation of exhibitions for business and commercial purposes, organisation of housing and real estate displays and exhibitions for advertising, marketing and promotion purposes; sales promotion for others relating to oil and gas, water and process technologies, agricultural

products, agricultural implements, agricultural tools, agricultural machines, agricultural vehicles, vehicles, motor vehicles, machineries, generators, compressors, heavy equipment, hand tools, industrial and construction equipment, engines and spare parts thereof; writing, issuance, updating and distribution of publicity texts and advertising materials; provision of administrative services for loyalty rewards to customers, organisation, operation and supervision of customer loyalty schemes, members points collection and redemption; sponsorship search; rental of advertising spaces; business management and business administration; business management and administration of real estate, residential, industrial and commercial properties, offices, business centres, departmental stores, shopping centres, retail and wholesale outlets, temporary accommodation, hotels, motels, resorts, service apartments, buildings, houses, condominiums, apartments, flats, warehouses, plants, factories and developments; business management and administration of plantation, agriculture, agricultural products, agricultural equipment, implements, machines and vehicles; business management and administration of vehicles, motor vehicles, parts and fittings thereof; business management and administration of machineries, generators, compressors, heavy equipment, hand tools, industrial and construction equipment, engines and spare parts thereof; business management and administration of waste management and electricity generation; business advisory and consultancy services relating to the supply of quality management systems; business advisory and consultancy relating to the commerce activities of genomic selection; business advisory and consultancy relating to the establishment of vehicle dealerships and franchising of vehicle dealerships; commercial administration of the licensing of the goods and services of others; project distribution [business management assistance]; management of personnel and personnel resources, management of personnel relating to trainees and apprenticeship programs, advisory and consultancy relating to management of personnel and management of personnel relating to team building; provision of business risk assessment and management; business management and organisation of facilities and resources relating to logistic services; retail and wholesale services, the bringing together for the benefit of others, of a variety of goods, enabling customers to conveniently view and purchase those goods from departmental stores, shopping centres, retail and wholesale outlets, hotels, restaurants, food and beverage outlets and service providers, from a general merchandise catalogue by mail order or by means of telecommunications, or from a general merchandise global communications network website; retail store services for sporting goods namely golf equipment, clothing and accessories; retail and wholesale services for new, used and second-hand motor vehicles and parts and fittings thereof; retail and wholesale services for agricultural products, agricultural equipment, implements, machines and vehicles, machineries, generators, compressors, heavy equipment, hand tools, industrial and construction equipment, engines and spare parts thereof; retail and wholesale services in the fields of agriculture, building and project design, construction, building operations, civil engineering, architecture, project management, transportation logistics, oil and gas, waste management and electricity generation; wholesale services relating to agricultural products, agricultural equipment, agricultural implements, agricultural machines, agricultural vehicles, vehicles, motor vehicles, machineries, generators, heavy equipment, hand tools, industrial and construction equipment, engines and spare parts thereof; wholesale services relating to equipment, machineries, generators, tools, vehicles, technology products, computer hardware and computer software for use in the fields of agriculture, building and project design, construction, buildings operation, civil engineering, architecture, project management, transportation logistics, oil and gas, waste management and electricity generation; sales of power

generation equipment and machineries, electricity and steam for others; provision of business assistance in the establishment and operation of sporting goods stores featuring golf equipment, clothing and accessories; business intermediary and advisory services in the field of selling products and rendering services; import and export agency services; procurement services, procurement of contracts [for others], procurement of goods and services on behalf of other businesses; outsourcing services in the nature of arranging procurement of goods and services for others; business analysis, research and information services, market analysis; business risk assessment analysis relating to business management; appraisals and evaluations of business; statistical evaluations of marketing data; management of project studies for business; office functions, compilation and management of mailing lists, business information, data and statistics; advisory, information and consultancy services relating to all of the aforesaid services, including by electronic means and Internet.

Class 39

Transportation and delivery services by air, road, rail, sea and pipeline; ambulance transport; barge transport; boat transport; bus transport; car transport; armoured car transport; hauling; transportation logistics; collection, transportation and delivery of goods, edible oils and fats, palm oils, palm kernel oils, palms, rubbers, coconuts, valuables, freight, cargoes, packages, parcels, documents and letters; transportation of wastes, oils, natural gas and biofuels; transportation and escorting of travellers and passengers; reservation of transport; brokerage services relating to transport, freight and ship; vehicle breakdown assistance, namely rescue, towing, recovery and salvage services; re-floating of ships; distribution services, distribution and supply of energy, electricity, water, renewable energy, power, gas and heat; packaging of goods, packaging of articles to the order and specification of others; warehouse storage services, storage of goods, edible oils and fats, palm oils, palm kernel oils, palms, rubbers, coconuts, valuables, freight, cargoes, packages, parcels, documents, letters, wastes, oils, natural gas, biofuels, energy, electricity, water, renewable energy, gas, heat, vehicles, cars and boats; rental of warehouses, storage containers and frozen food lockers; arrangement, organisation and reservation of travels, tours, sightseeing tours and cruises; rental and leasing of vehicles, cars, lorries, trucks, fork-lift trucks, tractors, boat and coaches; provision of car parking facilities; rental of parking places and garages for vehicles; rental of navigational systems, instruments and GPS equipment for navigational purposes; information, consultancy and advisory services relating to all of the aforesaid services, including by electronic means and Internet.

Class 40

Treatment and processing of materials, agricultural products, oils, palm oils and rubbers; treatment and processing of materials using chemicals; treatment and processing of food, beverages, animal foodstuffs, edible oils, edible fats, and textiles; vulcanization [material treatment]; refinery services, refinery of oils, palm oils, rubbers and other agricultural products; treatment of waste, treatment of water and waste water, incineration of waste and trash, sorting of waste and recyclable material [transformation], management of waste; production and generation of energy, generation of power and electricity, processing, treatment and conversion of gas; custom fabrication of steel construction elements; custom manufacturing and assembling of goods and materials for others; slaughtering of animals; food and drink preservation; fruit crushing; printing; information, advisory and consultancy services relating to all of the aforesaid services, including by electronic means and Internet.

Class 41

International Registration Filed Under The Madrid Protocol Published For Opposition Under The Trade Marks Act (Cap.332, 2005 Ed.)

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.

40202007955Y (02 16)
(International Registration No. 1525294)

Date of International Registration: 13/11/2019

Date of Protection in Singapore: 13/11/2019

Date of Notification: 16/04/2020

The following claim is made in the International Registration: Colour(s) claimed: White, deep blue, red and sky blue.

Class 02

Fixatives for watercolors; cochineal carmine; pigments; metals in powder form for use in painting, decorating, printing and art; asbestos paints; aluminium powder for painting; colorants; metal foil for use in painting, decorating, printing and art; oil paints for use in art; watercolor paints for use in art.

Class 16

Palettes for painters; paintbrushes; painters' easels; drawing materials; canvas for painting; drawing boards; pastels [crayons]; paintings [pictures], framed or unframed; paper; painters' brushes.

Priority Claims:

Class 02

27/09/2019

China

All goods/services claimed in this application.

Class 16

Date of Notification: 13/06/2019

Class 05

Food for babies and baby food; beverages for infants; dietetic substances for children and invalids, adapted for medical use; dietetic foods adapted for medical use; dietetic beverages for babies adapted for medical purposes; foodstuffs for special medical purposes; dietetic substances for infants, babies, toddlers and children; milk powders [foodstuff for babies]; powdered milk foods for infants; medical goods for consumption and internal use; nutritional supplements; breast-nursing pads; absorbent articles for personal hygiene; nappies for babies and incontinents; disposable diapers, cloth diapers; teething (preparations to facilitate -).

Class 29

Meat, fish, poultry, game and meat products; meat extracts; meat, fish, fruit and vegetable jellies; jams; freeze-dried fruit and vegetables; compotes; eggs, milk and milk products, in particular butter, cheese, cream, yoghurt, quark, dried milk, powdered milk; fruit bars, consisting primarily of fruit and/or nuts, including those with added grains, muesli, cereals, pseudocereals, preparations made from cereals, preparations made from pseudocereals and/or sugar; vegetable porridge; fruit pulp; vegetable purees; fruit purees; purees and pulps consisting primarily of meat, fish, poultry, game, fruit and/or vegetables, either singly or in combination; snacks made from fruits and/or vegetables; snacks based on fruits and/or vegetables; desserts and puddings, predominantly of milk, milk products and/or fruit; prepared and semiprepared meals, consisting primarily of meat, poultry, game, fish, fruit, vegetables, eggs, milk products, pulses and/or potatoes; soups; meat, fish, poultry, game, vegetable, fruit and milk preserves; edible oils and fats; dietetic food, not adapted for medical use, based on fats, all also including added vitamins, minerals, trace elements, either singly or in combination.

Class 30

Tea; tea drinks; infusions, not medicinal; cocoa; grape sugar; rice; tapioca; sago; flour; semolina; chips (cereal products) and pseudocereal flakes and other preparations made from cereals and preparations made from pseudocereals (other than animal fodder); bread; cookies; cakes; pastries; long-life cakes and pastries; snack products, namely the aforesaid consisting predominantly of cereal flakes, pseudocereal flakes, corn flakes, oat flakes, cereal preparations, pseudocereal preparations, biscuits, cakes, pastries, confectionery, chocolate, sugar confectionery, muesli, cereals, either singly or in combination, including the aforesaid with added fruits and/or nuts; confectionery products; farinaceous food pastes; chocolate; bonbons made of sugar; glucose preparations for food; bee glue (propolis) for culinary purposes; desserts and puddings with a base of carbohydrates; prepared meals and semi-prepared meals, consisting primarily of cereals, pseudocereals, preparations made from cereals, preparations made from pseudocereals, rice and/or pasta; spices; dressings for food; prepared foodstuffs in the form of sauces; muesli, consisting primarily of grains, cereals, pseudocereals, all also including added fruits, preparations made from cereals and/or preparations made from pseudocereals, also including added nuts and/or sugar; cereal and pseudocereal bars, consisting primarily of grains, muesli, preparations made from cereals, preparations made from pseudocereals, cereals and/or pseudocereals, all also including added fruit, nuts and/or sugar; muesli bars, consisting primarily of grains

with added fruits, preparations made from cereals, preparations made from pseudocereals, cereals and/or pseudocereals, all also including added fruit, nuts and/or sugar; ready-to-eat cereal and/or pseudocereal foods; dietetic food, not adapted for medical use, in particular based on carbohydrates, all including added vitamins, fatty acids, minerals, trace elements, either singly or in combination.

Class 32

Waters and other non-alcoholic drinks, in particular fruit juices, fruit juice beverages, sparkling fruit juices; fruit syrups and other non-alcoholic fruit preparations for making non-alcoholic beverages.

(International Registration No. 1453248)

Date of International Registration: 16/05/2018

Date of Protection in Singapore: 16/05/2018

Date of Notification: 28/02/2019

Class 01

Chemical substances, chemical materials and chemical preparations sold as a set with natural elements for the expression, amplification, purification and analysis of biological samples, said kits consisting primarily of one or more of the following: proteins, nucleic acids, cells, gels, probes, buffers, stains and associated reagents and measuring containers for carrying out said purposes; biochemical reagents, namely cell culture media components, chemical supplements and additives for scientific or research purposes; biochemicals for scientific and research use, namely monoclonal antibodies, polyclonal antibodies, purified recombinant proteins, purified natural proteins and fetal bovine serum; cell growth supplements, namely, biochemicals for affinity purification, biochemicals for western immuno blotting, biochemicals for immunocyto chemistry; blood plasma products, namely blood reagents and immune globulins, protein and protein products (raw material) used in the manufacturing process of biopharmaceuticals; cell culture media preparations, namely biological tissue cultures for non-medical or non-veterinary use; anorganic salts, namely carbonate, acetate,

hydroxide, chloride and hydroxide carbonate; polyols, namely sorbitol, xylitol, mannitol, and lactitol, all for use in the pharmaceutical and food industry; fatty acids and glucose/sucrose used in the manufacture of pharmaceuticals; biochemical preparations derived from blood serum used as growth promoters in tissue cultures and microbiological media; blood serum fraction used in in-vitro biological research for modifying surfaces of red and white blood cells; chemicals for clinical or medical laboratory use, medical research use, and scientific research, namely, reagents for analysis, quality control, sample preparation, sample digestion and extraction; chemicals as raw materials and additives for the synthesis of organic compounds; chemical, biochemical and biological reagents and chemicals for industrial or scientific use; cells; proteins; peptides, nucleic acids and proteins for scientific, laboratory or medical research; peptides and nucleic acids for use in gene expression technology, biological, genetic, chemical and scientific research and development; proteins for use as a supplement for nutritional purposes in the foods and pharmaceuticals industries; reagents for scientific and research purposes.

Class 03

Preparations for cleaning, polishing, washing and grinding, in so far as included in the class; detergents.

Class 04

Fats used in the manufacture of pharmaceuticals.

Class 05

Pharmaceutical products; pharmaceutical substances; biopharmaceuticals; proteins, protein reagents and protein based ingredients for medical, pharmaceutical and veterinary use; protein supplements for medical, pharmaceutical and veterinary use; cell culture media, namely biological tissue cultures adapted for medical use; excipients for pharmaceutical purposes; preparations derived from serum used as growth promoters in tissue culture and microbiological media; diagnostic preparations for medical purposes; pharmaceutical preparations for use in industry and science, namely medical diagnostic reagents for analysis, quality control and for sample preparation, sample digestion and extraction; peptides, nucleic acids and compositions containing cells, proteins, for pharmaceutical purposes; peptides and nucleic acids for medical and veterinary use.

Class 06

Pressure-tight steel containers for the storage and extraction of laboratory chemicals, ultrapure solvents, volatile liquids and volatile air-sensitive liquids.

Class 07

Mixers, namely, industrial mixer for mixing liquids in the pharmaceutical and chemical industries; filling machines and their disposable components and elbows for the filtration of liquids and systems composed of the same; power operated crimping tool for the sealing and cutting of tubing.

Class 09

Disposable manufacturing apparatus and instruments, namely disposable industrial bioreactors for growing cells in the pharmaceutical and chemical industries; laboratory filters, namely tangential flow filter apparatus and machines for preparation of biological samples; laboratory filters, namely liquid filtration, purification and concentration machines for ultrapure solvent or water based pharmaceutical preparations; scientific, laboratory and measuring apparatus and instruments, namely laboratory filters for

liquids, housing for laboratory filters for liquids, instruments for detection of filter integrity; analysis apparatus and instruments, namely sensors for detection of temperature, oxygen, pH levels, CO₂ and other parameters; laboratory filters, namely liquid and gas purification filters; filter holders and housings for liquid and gas purification filters for laboratory purposes; testing apparatus, namely liquid and gas purity testing apparatus; downloadable publications in electronic format or on cd-roms, namely manuals and technical documentation featuring information on liquid and gas filtration; computer software for monitoring liquid and gas filtration; pressure sensors; ultra filtration filters, namely liquid filters for laboratory purposes; laboratory beakers for analysis, determination or identification of biological or chemical molecules or species; sterility testing devices, namely electronic apparatus for testing the sterility of filtration equipment; ultrafiltration membranes, namely scientific apparatus in the nature of cellulose mixed ester membranes and thermoplastic membranes for use in the science and research industry; fluorescence, electro chemiluminescence and bioluminescence system comprising detectors for indicating the presence of one of fluorescence, electro chemiluminescence and bioluminescence signals, an image device in the nature of a camera or microscope to show the detected signal, a filter for capturing the contamination from the liquid to be detected and reagents to label the contamination for detection and imaging by the system for detecting contamination in liquids; apparatus for performing chromatographic separations and parts thereof, namely chromatography columns for laboratory use and control systems for liquid filtration machines for laboratory purposes; purification units, apparatus, instruments and cartridges for laboratory use, namely laboratory apparatus in the form of liquid and gas filters; adsorptive separation devices, namely laboratory filters having one or more chemical or charged entities for the absorption of impurities; computer software for management of biopharmaceutical purification processes; test units for determining the integrity and pore-size distribution of membrane filters, namely testing equipment for measuring the integrity, temperature, pressure, position and form of workpieces in a machine tool; temperature sensors and other sensors for temperature, oxygen, pH, carbon dioxide and other parameters; pH electrodes for laboratory research; membrane filters for laboratory or scientific use; laboratory filters, namely membranes used in dialysis, reverse osmosis and ultrafiltration for laboratory or scientific use; laboratory filters, namely liquid filtration, purification and concentration devices for laboratory use; bioreactors for cell culturing for industrial use; parts and fittings for all the aforesaid goods, namely liquid dispense nozzles in the nature of automatic liquid dispense nozzles, laboratory storage tubes, laboratory test tubes, liquid pumps in the nature of pumps for laboratory testing purposes, in so far as included in this class; polymerase chain reaction (PCR) instruments for scientific use; parts and fittings for all of the aforesaid goods, in so far as included in this class.

Class 10

Filters for medical purposes, namely, filters for bacteriological and viral purposes in the nature of syringe filters.

Class 11

Water filters and their filter components, in so far as included in this class; filter cartridges for water filters; filtering and purification systems for the removal of contaminants from liquids or water and disposable filtration and purification apparatus and instruments for this purpose [in so far as included in this class]; machines for purifying water; machine tools for purifying water; filter systems for purifying water; filter cartridges for water purification; apparatus for supply and return ventilation, water supply and for sanitary systems, namely apparatus for the removal of

contaminants from water and air, namely water and air filters for domestic use; filter cartridges, apparatus, systems, devices and instruments for the purification of water, namely water filters; purification apparatus, namely water and air filters; purification units for industrial use, namely water and air purification units; purification units for industrial use for removing contaminants from water and air, namely water and air purification units; filters, namely water and air filters for domestic use; filter cartridges for water filters; housings and holders specially adapted for water filters; apparatus and instruments for filtration, namely water and air filters for domestic use; tangential flow fluid filtration system comprising water filters; liquid treatment equipment in the nature of liquid treatment apparatus, namely clarification machines for use in treatment of liquids in the nature of water and laboratory water; apparatus used in dialysis, reverse osmosis and ultrafiltration for industrial use, namely water treatment equipment in the nature of reverse osmosis units; warm water units; air-conditioning units; parts and fittings for all the aforesaid goods, namely water filtration equipment in the nature of cartridge filtration units [in so far as included in this class]; apparatus for purification and cleaning, namely water and air cleaning units; water and air filters; water and air filters for domestic use, water and air filter cartridges, water and air filter housings, all for the filtration of goods by capture and adsorption of contamination particles from fluids; pretreatment packs, namely water filters and water treatment equipment in the nature of absorber devices in the nature of membrane based ion exchange devices for removal of large contaminants; cartridge filtration units, other than machines, for the separation of biomolecules in biopharmaceutical production; filtration and purification devices, namely water and air filters; filters for removing contaminants from water and air for domestic use; purification elements for removing contaminants from water or liquids, namely water filters; parts and fittings for all the aforesaid goods, namely connectors for water purification devices, nozzles for water purification devices, tubes being parts of water purification devices and pumps, all of the foregoing connectors, nozzles, tubes, and pumps, being component parts of and sold as a unit with the water purification devices [in so far as included in this class].

Class 40

Custom production of antibodies; custom production of cell cultures and biological products.

Class 41

Training in the areas of setting up and operation of pharmaceutical and bio-technology medical product production processes.

Class 42

Pharmaceutical and biological research services; research and development and process design in the fields of human and animal pharmaceutical and biotechnology drug development and manufacture; scientific and technological services, namely, research and design in the pharmaceutical, chemical and food industry; industrial analysis and research services for the pharmaceutical, chemical and food industry; technical design consultancy relating to the setting up and operation of pharmaceutical and biotechnology medical product production processes.

Class 19

Goods for structural building with timber, namely construction kits consisting of non-metallic building materials for prefabricated houses or non-metal parts for prefabricated houses, especially prefabricated house construction kits consisting of non-metallic building materials for building external cellars, bicycle storage, or sheds; building materials [non-metallic], especially building materials consisting of biomaterial, including, but not limited to, organic raw materials of biological origin, such as wood, wood fibres, grasses or biomaterials, especially wood-based materials or materials of plastics, including, but not limited to, bioplastics or biomaterial-plastic composite materials or biomaterial-plastic material mixes; the above-mentioned materials with or without the addition of mineral or other fillers; wood-based building materials; boards and moulded bodies not of metal, for building; boards and moulded bodies from wood or wood-based materials, especially boards and moulded bodies from chipped wood, wood particles or hard-fibre material, or from plastic or other non-metal materials, for building, the above-mentioned goods also with wood-veneer protective layers; boards and moulded bodies from a mixture of wood, wood-based materials, especially chipped wood, wood particles, hard-fibre material, as well as plastic, or other non-metal materials or as composite material, made of the above-mentioned materials, for building, the above-mentioned goods also with wood-veneer protective layers; wood-plastic composite materials, wood-plastic material mixes, wood-based material-plastic composite materials, and wood-based material-plastic material mixes, for building, the above-mentioned goods also with wood-veneer protective layers; hybrid boards, especially with bamboo middle layer, for building; chipboard, veneered chipboard, laminated chipboard, fire-resistant, fire-proof or refractory chipboard panels and moulded bodies, the above-mentioned goods for building; thin chipboard, oriented strand board, boards from long, flat, oriented chips, the above-mentioned goods especially for building; fibreboards and moulded bodies made of fibres for building; wood fibreboards, veneered fibreboards, laminated fibreboard, melamine-resin-coated medium density fibreboards; melamine-resin-coated high density fibreboards, the above-mentioned goods especially for building; wood-fibre polymer materials for building; flooring, not of metal, especially from biomaterial, such as wood or wood-based materials, or from plastic or other non-metal materials; wooden flooring, parquet flooring and parquet slabs, parquet flooring

made of cork, parquet wood flooring, especially with a middle layer of wood-based materials; paper and paper moulded bodies for building, namely paper impregnated with artificial resin for laminates; laminates (non-metallic), especially consisting of biomaterial, such as wood or wood-based materials, or plastics or other non-metal materials especially for building; high-pressure laminates and laminates grouted directly or continuously, not of metal; panels, not of metal, especially laminate panels, especially consisting of biomaterial, such as wood or wood-based materials, or plastics or other non-metal materials, for building; wood, also manufactured timber, compressible wood, wood, semi-worked; timber boarding; wooden beams; timber planking; wood sheeting; wooden doors; wood strips; planks of wood; wood veneers; terrace boards; floor slabs, not of metal; mouldings for building; wood; planks of wood for building; sawn timber; plywood; glue-laminated wood, especially with a lacquered surface; the above-mentioned goods for building; doors, especially sliding doors, not of metal, especially consisting of biomaterial such as wood or wood-based materials, or plastics; shuttering (non-metallic), especially concrete casings, for building; borders, not of metal, especially for building; radiator covers, not of metal, especially consisting of biomaterial, such as wood or wood-based materials, or plastics; flooring and terrace decking, floor laminates and floor panels, laminates, panels and claddings for walls, ceilings and facades made of non-metallic materials, especially for building, and especially consisting of biomaterial, including, but not limited to, organic raw materials of biological origin, such as wood, wood fibres, grasses, or plastics including, but not limited to, bioplastics or biomaterials, especially wood-based materials, or biomaterial-plastic composite materials or biomaterial-plastic material mixes; flooring and terrace decking, floor laminates and floor panels, laminates, panels and claddings for walls, ceilings and facades made of non-metallic materials, especially for building and especially consisting of biomaterial including, but not limited to, organic raw materials of biological origin, such as wood, wood fibres, grasses or plastics including, but not limited to, bioplastics or biomaterials, especially wood-based materials, or biomaterial-plastic composite materials or biomaterial-plastic material mixes, the above-mentioned materials with or without the addition of mineral or other fillers as well as the above-mentioned goods having a decorative and/or abrasion-resistant surface and/or having soundproofing properties and/or being water-repellent or waterproof and/or being fire-resistant, fire-proof, or refractory; non-metallic transportable buildings; flooring, especially consisting of biomaterial including, but not limited to, organic raw materials of biological origin, such as wood, wood fibres, grasses, or plastics including, but not limited to, bioplastics or biomaterial-plastic composite materials or biomaterial-plastic material mixes, the above-mentioned materials with or without the addition of mineral or other fillers; laminate panels [flooring]; high-pressure laminates and laminates grouted directly or continuously as flooring.

Class 20

Furniture, including goods for furniture decorating and interior decorating, namely coated, lacquered, and printed chipboards, Medium Density Fibreboard (MDF) boards, Low Density Fibreboard (LDF) boards, High Density Fibreboard (HDF) boards and Compact Density Fibreboard (CDF) boards as furniture parts, shelves [furniture parts], countertops [furniture parts]; boards and moulded bodies being parts of furniture, the above-mentioned goods also with a melamine surface; furniture consisting of biomaterial including, but not limited to, organic raw materials of biological origin, such as wood, wood fibres, grasses, or plastics including, but not limited to, bioplastics or biomaterial-plastic composite materials or biomaterial-plastic material mixes, the above-mentioned materials with or without the addition of mineral or other fillers; work counters [furniture];

wooden shelving [furniture]; edge beadings, corner protectors, edgings, edge borders, decorative edging strips [furniture parts] consisting of biomaterial including, but not limited to, organic raw materials of biological origin, such as wood, wood fibres, grasses, or plastics including, but not limited to, bioplastics or biomaterial-plastic composite materials or biomaterial-plastic material mixes, the above-mentioned materials with or without the addition of mineral or other fillers; extruded plastics edge beadings for furniture; corner protectors of plastics; edgings of plastic for furniture; plastic edging materials for shelving; decorative edging strips of wood for use with furniture; decorative edging strips of plastic for use with fitted furniture; crates and pallets, non-metallic; furniture panels, also furniture panels consisting of biomaterial including, but not limited to, organic raw materials of biological origin, such as wood, wood fibres, grasses, or plastics including, but not limited to, bioplastics or biomaterial-plastic composite materials or biomaterial-plastic material mixes, the above-mentioned materials with or without the addition of mineral or other fillers; containers, not of metal, for storage and transport.

Class 27

Floor coverings; wall and ceiling coverings for indoor and outdoor applications, to the extent included in this class; floor coverings and artificial ground coverings; floor coverings of plastic, especially vinyl floor coverings; floor coverings made of wood-plastic composite materials or wood-based material-plastic composite materials; floor coverings made of plastic, especially polyvinyl chloride; wall hangings [non-textile]; wall paper of vinyl; wall coverings, also vinyl wall coverings; carpet tiles for covering floors consisting of biomaterial including, but not limited to, organic raw materials of biological origin, such as wood, wood fibres, grasses, or plastics including, but not limited to, bioplastics or biomaterial-plastic composite materials or biomaterial-plastic material mixes-the above-mentioned materials with or without the addition of mineral or other fillers; carpets; door mats; mats; linoleum.

Class 35

Product sampling for the purpose of presentation and sale to third parties; retail and wholesale services in relation to building materials, floor coverings, wall coverings, ceiling coverings, and facade and terrace cladding, furniture and goods for interior and exterior decorating.

Priority Claims:

All goods/services claimed in this application.

SWISS KRONO TEC GMBH

KURFÜRSTENDAMM 22, 10719 BERLIN, GERMANY

ADDRESS FOR SERVICE: DONALDSON & BURKINSHAW LLP, P.O.
BOX 3667, ROBINSON ROAD POST OFFICE, SINGAPORE 905667

40201903159X (09 16 42)
(International Registration No. 1449713)

Date of International Registration: 14/08/2018

Date of Protection in Singapore: 14/08/2018

Date of Notification: 14/02/2019

The following claim is made in the International Registration: Colour(s)
claimed: Blue: Pantone 287C and Red: Pantone 185C.

Class 09

Scientific, photographic, cinematographic, optical, weighing, measuring, signaling, checking (inspection) and teaching apparatus and instruments; apparatus for recording, transmission or reproduction of sound or images; magnetic recording media; acoustic or optical disks; compact disks, DVDs and other digital recording media; mechanisms for coin-operated apparatus; data processing equipment; computers; software (recorded programs); computer peripheral devices; detectors; diagnostic apparatus not for medical use; integrated circuit cards [smart cards]; magnetic cards; telecommunication terminals; electronic telecommunications apparatus; electronic chips; computer apparatus and equipment for digital fingerprinting; electronic media for the identification and/or authentication of persons; electronically encoded official documents, namely biometric passports, visas, national identity cards, residence permits, refugee documents, voting cards, driving licences, business cards, professional licences, social insurance cards, family record books, registration certificates, diplomas; magnetic or electronic identification and authentication cards; encoded magnetic cards; scanners [computer equipment]; interfaces [for computers]; readers [data processing equipment]; barcode readers; optical readers; processors [central processing units]; microprocessors; downloadable electronic and digital publications; electronic publications recorded on computer media; downloadable computer software applications; digital photographs.

Class 16

Printing products (printed matter); bookbinding material; photographs; stationery; adhesive materials for stationery use; artists' materials; printing type; printing blocks; paper; cardboard; posters; albums; cards; books; newspapers; prospectuses; pamphlets; calendars; writing instruments; engravings or lithographic works of art; drawings; printing blankets; paper and plastic, polycarbonate or adhesive materials for making official documents such as passports, visas, national identity cards, residence permits, refugee documents, voting cards, driving licenses, business cards, professional licenses, family record books, registration certificates, diplomas, including biometrics; printed matter; official printed documents, including namely biometric passports, visas, national identity

cards, residence permits, refugee documents, driving licenses, business cards, professional licenses, social insurance cards, family record books, registration certificates, diplomas; printed matter; mail printed matter; check letters.

Class 42

Software as a service [SaaS]; analysis, design, development, installation, operation, supervision, hosting, maintenance and monitoring of computer systems relating to management of identity and trust services, print management, dematerialization and data archiving; software design, development, installation, maintenance, updating or rental; single electronic authentication services (Single-Sign-On); electronic cryptology services for creating and validating electronic signatures and electronic signature solutions; electronic timestamping services (digital watermarking services); scientific and technological services in the fields of cryptography and data encryption; electronic and/or digital certification services; providing electronic cryptography services via a portal for certification and authentication of signatures and documents; digital safe deposit box services (electronic storage of files and documents); evaluations, assessments and research in the fields of science and technology provided by engineers; technical project study; research and development of new products for others; programming for computers; consultancy relating to computer systems and software; conversion of data or documents from physical to electronic media; conversion of computer programs and data, other than physical conversion; conversion of texts to digital format; data conversion of electronic information; data encoding services; computer data recovery; digitization of documents [scanning]; duplication of computer programs; consultancy, advisory and information services in relation to information technology; rental of Web servers; hosting of computer sites [websites]; hosting of servers; hosting of computer files; server administration; design and development of operating software for computer networks and servers; graphic arts design services; consultancy with respect to computer security; electronic data storage; electronic storage of documents; cloud computing; computer security services in the nature of technical management of electronic media and/or rights related to identity, namely recruitment, replacement, renewal, revocation of electronic media and/or rights related to identity; computer security auditing, consultancy and technical assistance for others in the field of management of identity and trust services; design, development, maintenance, updating of platforms and portals on the Internet; consultancy with respect to computer security; design, development, reconstruction, maintenance, updating, hosting of computer databases; rental of database servers to others; electronic storage services for archiving databases, images and other electronic data; installation, maintenance and updating of software and database systems; website design and development services; consulting services relating to website creation and design; electronic storage services for archiving databases, images and other electronic data; conversion of data or documents from physical to electronic media; electronic storage services for archiving databases, images, and other electronic data; secure digital archiving (storage) of electronic data.

(International Registration No. 1450598)

scoutAsia

Date of International Registration: 26/07/2018
Date of Protection in Singapore: 26/07/2018
Date of Notification: 21/02/2019

Class 35

Providing information in connection with business management analysis, marketing research or analysis, and commercial sales, all in newspaper, book or magazine article; providing information in connection with business management analysis, marketing research or analysis, and commercial sales, all in magazine article via the Internet; news clipping services; business analysis, research and information services; providing business information relating to financial statements of companies for business research and business data analysis via the Internet; providing business information based on financial statements of companies; providing business management information; economic forecasting and analysis; business management analysis or business consultancy; marketing research or analysis; providing information concerning commercial sales; business management of hotels; providing information relating to market research; business data analysis; business investigations, evaluations, expert appraisals, information and research; providing information relating to marketing and business management; providing information relating to economic forecasting and analysis; providing statistical information relating to economics; computerized file management; office functions, namely filing, in particular documents or magnetic tapes.

Class 36

Providing financial information.

Class 42

Computer software design, computer programming, or maintenance of computer software; computerized data storage; computerized business information storage; providing search engines for the internet; providing computer programs via the internet and other communications networks; providing application software via communication networks; rental of

memory space for computer servers; rental of computers; providing computer programs on data networks.

NIKKEI INC.

3-7, OTEMACHI 1-CHOME, CHIYODA-KU TOKYO 100-8066 JAPAN

ADDRESS FOR SERVICE: DONALDSON & BURKINSHAW LLP, P.O.
BOX 3667, ROBINSON ROAD POST OFFICE, SINGAPORE 905667

NITTOSEIKO

40201922077W-01 (06 07 08 20)
(International Registration No. 1476643)

Date of International Registration: 14/02/2019

Date of Protection in Singapore: 02/08/2019

Date of Notification: 10/10/2019

By consent of the registered proprietor of TM Nos. T0806564E, T8001628J and T8002088A.

Class 06

Iron and steel; nonferrous metals and their alloys; small items of metal hardware; nuts of metal; bolts of metal; rivets; washers of metal; screws; pins [hardware]; reservoirs of metal; metal pulleys, springs and valves [not including machine elements]; loading and unloading pallets of metal; turntables for load handling; traversers for load handling; machine keys; metal pipe couplings; metal flanges; cotter pins.

Class 07

Metalworking machines and tools; construction machines and apparatus; loading-unloading machines and apparatus; chemical processing machines and apparatus; lumbering, woodworking, or veneer or plywood making machines and apparatus; printing or bookbinding machines and apparatus; packaging or wrapping machines and apparatus; plastic processing machines and apparatus; non-electric prime movers, not for land vehicles, and parts of non-electric prime movers; pneumatic or hydraulic machines and instruments; agricultural machines, agricultural implements other than hand-operated; industrial fishing machines; adhesive tape dispensing machines; automatic stamping machines; starters

for motors and engines; AC motors and DC motors [not including those for land vehicles but including "parts" for any AC motors and DC motors]; AC generators; DC generators; fuel dispensing machines for service stations; machine elements [not for land vehicles]; industrial robots; fastening apparatus for threaded fasteners; riveting machines; microbubble generators being industrial machines, not for baths.

Class 08

Hand tools; bladed or pointed hand tools.

Class 20

Metal-substitute plastic fasteners; nails, wedges, nuts, screws, tacks, bolts, rivets and casters [not of metal]; washers [not of metal, not of rubber or vulcanized fiber]; locks [non-electric, not of metal]; loading pallets [not of metal].

Priority Claims:**Class 06**

JAPAN

ADDRESS FOR SERVICE: MIRANDAH ASIA (SINGAPORE) PTE
LTD, P.O. BOX 1093, ROBINSON ROAD POST OFFICE, SINGAPORE
902143

40201903917Q (07 09 11 35 37 40 42)
(International Registration No. 1451415)

Date of International Registration: 09/04/2018

Date of Protection in Singapore: 09/04/2018

Date of Notification: 21/02/2019

Class 07

Motors and engines (except for land vehicles); valves; machine coupling

wood.

and transmission components; machines and machine equipment for industry including generators, steam jet air ejectors; machine tools; machines and machine equipment for refining petroleum; machines and machine equipment for processing lubricating oils; steam condensers; machines and machine equipment for industrial use, including centrifugal pumps and vacuum pumps; machines and machine equipment for industrial use, including for the production of electricity and for the cleaning of flue gas; parts and fitting for industrial installations and apparatus for the processing of oils, fats and petroleum, namely for oil, fats and petroleum separators (machines); heat recovery devices (parts of machines); centrifugal pumps; expansion clutches; parts and fittings for all the aforesaid goods; none of the aforesaid being drills, drill chucks, drilling bits, drilling heads or drilling machines.

Class 09

Scientific, nautical, surveying, telegraphic, photographic, cinematographic and optical instruments; weighing, signalling and measuring instruments; electrical instruments, namely control apparatus; teaching apparatus and instruments; clothing and equipment for protection against fire, injury, accident or irradiation; safety clothing for protection against accident or injury; fire extinguishing apparatus; fire detectors; smoke detectors; combustion control systems; computer software; electronic publications; telecommunications apparatus; electronic control systems; computer software, hardware and firmware for the collation, input, output, display, analysis, reporting and generation of information data and reports; electrical power supplies and electrical power supply apparatus; protective and safety equipment; fire and gas detection systems; navigation aids, apparatus, instrumentation and systems; remote monitoring systems and instrumentation; page party alarm systems; oil level sensors; capacitors; artificial intelligence apparatus; parts and accessories of the aforesaid products.

Class 11

Apparatus for lighting, heating, steam generating, refrigerating, drying, ventilating, water supply and sanitary purposes; air heat recovery apparatus and installations; heating apparatus for use in the treatment of waste material; installations for generating steam and nuclear energy; industrial heating installations and apparatus for the processing and recovery of oils, fats and of petroleum, petroleum products and of petroleum derivatives; steam generators; ventilators for heat exchangers; heat recovery ventilators; vaporisers; heaters; fired heaters; industrial heaters; kilns; rotary kilns (for industrial purposes); gas condensers other than parts of machines; steam superheaters; desuperheaters; desalinators; air heaters; warming apparatus; parts and fittings for installations for generating steam and for nuclear power stations; parts and fittings for installations for steam generating stations; refrigerating installations; steam generating and condensing installations and equipments, other than parts of machines; desalination installations; refuse disposal installations including waste- to-energy waste disposal installations, namely, waste disposal incinerators; air purification installations and equipment including scrubbers and flue gas cleaning apparatus; heating and cooling apparatus including feedwater heaters; heat exchangers for the removal of flue gases; burners and boilers including acid gas burners, thermal incinerators, combustion furnaces, combustion chambers, steam reforming furnaces, waste disposal furnaces, waste disposal incinerators, combustion installations for waste fuels, ovens for the treatment of waste; heating apparatus for use in the treatment of waste material; chemical, petrochemical, gas and oil fired heaters (for industrial purposes); chemical flue gas scrubbing apparatus; machinery and apparatus for generating steam, for use in nuclear power stations, for the processing of oils, fats or of

petroleum and for use in the chemical industry; cookers; parts and fittings for all the aforesaid goods.

Class 35

Business services and business management consultancy services in the fields of engineering, procurement, construction management, operational support and facility management; business management services for the development of projects from concept to realisation, commissioning and operation; business services relating to the commissioning of projects in the oil and gas industries, automotive industries, consumer products, pulp and paper, pharmaceuticals, chemicals and polymers, refineries and petrochemicals; business management services to facilitate turnkey operations; business services and business management of facilities for process and industrial plants; provision of business efficiency techniques relating to processes and industrial plants; provision of business feasibility studies including studies relating to the connection of facilities to electricity networks; economic forecasting and analysis and assessment for business purposes on the supply and demand of product distribution processes for others; purchasing and procurement services for others; business administration; cost management and analysis; strategic business planning; business risk assessment services; business advice relating to financial planning and to risk management; personnel management; personnel administration support services; personnel recruitment, screening and placement; administration of business payroll for others; preparation of payrolls (for others); supply chain management; business services relating to technology assessment, asset optimization and resource planning; business document management; data management; data processing services; advisory services relating to business management and business operations; efficiency expert services, namely optimisation of plant operations; operational business assistance to enterprises; data management services; provision of business services and business management services for the reduction of costs, improvement of schedules, management of risk, maximisation of safety and delivery of critical project objectives; project cost management; operation of businesses for the oil and gas industries; business audit reviews of engineering process for integrity process status [reviewing the working of a business or organisation]; data collection and document management; information and advisory services relating to the aforesaid services.

Class 37

Building, construction, installation, maintenance, repair, cleaning, decommissioning (dismantling) services in the oil and gas and renewable energy industries, automotive industry, consumer products industries, pulp and paper industries, pharmaceutical industries, chemical and polymers refineries, in nuclear power plants, in biofuel plants and installations, in renewable energy projects, in industrial facilities including processing plants and equipment, and in petrochemical plants and installations; construction project management; plant and engineering construction services; construction of industrial facilities including processing plants and equipment for the production and treatment of refinery products, energy, pharmaceutical products, steam, electricity, flue gas, chemicals, metals, petrochemicals, and natural gas; building, construction management; project management relating to the repair of oil and gas exploration, extraction and production installations; construction supervision and management services; retrofitting of industrial plants and facilities; gas and oil drilling; mining; civil engineering construction; civil engineering underwater construction services; installation of oil production apparatus; installation of oil exploration apparatus; well completion (building) and remedial (demolition) services; cleaning services; technical consulting services relating to the installation of process and industrial

plants in the oil and gas industry; pipeline repair services; civil engineering maintenance services; welding for repair purposes; repair, maintenance, cleaning and installation services relating to industrial facilities such as upstream oil and gas facilities as well as processing plants and equipment, namely those used in the production and treatment of refinery products, energy, pharmaceutical products, steam, electricity, flue gas, chemicals, metals, petrochemicals and natural gas, and oil and gas exploration and extraction equipment, tools and apparatus; decommissioning (demolition or dismantling) services associated with buildings, structures, installations and projects; electrical appliance installation, maintenance and repair services; installation, maintenance and repair of fire and gas detection and alarm systems and fire protection apparatus; pump installation, maintenance and repair services; maintenance, repair, upgrade and overhaul of compressors, pumps, generators and rotating equipment; underwater repair services; rental of plant and equipment for repair purposes; installation, construction, maintenance, servicing and repair of energy and power generating apparatus equipment and installations; civil infrastructure construction; decommissioning (demolition), dismantling, installation of engineering projects equipment and plants; information, advisory and consultancy services relating to the aforesaid services.

Class 40

Refinery services including the filtration and purification of gases; custom manufacture of steam generators; custom manufacture of equipment for utility power and industrial facilities, including steam generators and parts thereof, condensers, heaters, acid gas burners, rotary kilns, coal pulverizers and gasifiers and flue gas cleaning equipment; custom manufacture of equipment for industrial facilities, namely material handling systems for use in mines; custom manufacture of replacement parts for steam generators, condensers, heaters (including fired heaters), coal pulverizers, gasifiers; thermal processing of materials including incineration of gases and waste incineration; oil and gas well treatment; processing of oil and gas; energy production; document collation; oil and gas production services; operation and control (management) of oil and gas production; operation and control (management) of oil and gas production; technical consultation in the field of delayed coking; consultancy services in relation to all of the aforesaid services.

Class 42

Engineering services; engineering services in relation to biofuel plants and installations, nuclear power plants, renewable energy projects, alternative energy projects, pharmaceutical, chemical, oil and gas facilities, plants and installations and industrial processing facilities, plants and installations; engineering services relating to the extraction, processing, treatment and utilisation of oils sands; scientific and technological services; research and design services; industrial analysis and research services; engineering design services; engineering and feasibility studies thereof; engineering services in the fields of structural engineering, process engineering, instrumentation and telecommunications, electrical and electronics, mechanical engineering, piping layout, power generation and industrial plants; design and development of computer hardware and software; design and development of computer hardware and software for use in the oil and gas industries and for oil field exploration and searching; oil and gas exploration services; provision of engineering workshop computer facilities; calibration services; measurement services; provision of quality control services; certification services; acceptance testing and commissioning; system integration testing; authentication testing; testing of apparatus and equipment; technical testing services; safety testing of products and apparatus; provision of testing and inspection facilities for oil and gas equipment and apparatus; material testing services; scientific

testing services; engineering testing services; laboratory services for testing purposes; industrial testing of engineering projects; commissioning services (engineering and technology); commissioning of oil wells and gas wells; welding research services; surveying; provision of analysis, testing and research facilities for engineering projects; consultancy in the field of environmental protection; environmental engineering services; concept design services relating to engineering; geological research and exploration services; operation and quality control of oil and gas exploration; engineering drawing services; preparation of technical documents and reports for engineering projects; graphic design services and graphic services for technical and engineering drawing; engineering design, research and development services for others; technical research for others; civil engineering design services; technical validation testing services; engineering design services relating to planning, architecture, civil engineering, mechanical engineering, design engineering, fire engineering, petrochemical engineering and industrial plants; mechanical systems design services; provision of hazard and operability technological studies; control system design services; software engineering services; design of IT systems; design and planning services associated with equipment and plant layout; engineering and technological assistance for procurement of environmental permits; materials handling systems design services; geotechnical engineering services; environmental engineering services; piping systems design and layout services; design of ventilation, heating and air conditioning systems and apparatus; instrument and control engineering services; design of engineering project specifications; engineering design and coordination and consultancy services; industrial plant engineering services; design of scale models for engineering and processes; computer modelling services; finite element modelling (designing of scale models); finite element analysis services; thermodynamic modelling (designing of scale models); laboratory measurement interpretation and modelling (designing of scale models); computerised process evaluation services for the purpose of certification; computational fluid dynamics engineering services; engineering and technological services for the automation of systems and industrial plants; process engineering services; energy auditing services; seismic analysis services; product design services; engineering and technical quality assessment services; benchmarking (technical) testing; plant, apparatus and equipment inspection and testing; consultancy services relating to environmental issues; engineering and technical development of projects and industrial plants; evaluation and testing of materials; engineering operational support services; remote well control system design services; engineering feasibility studies; conceptual engineering design services; technical commissioning supervision; engineering automation and control services; system engineering services; engineering specification, integration and implementation services; project certification services; technological project supervision and technical inspection; technical writing and illustration; civil infrastructure engineering; reengineering and commissioning of engineering projects and plants; engineering and technological consultancy services in the fields of oil and gas production, pipeline and processing facilities; design of information systems relating to management; laser scanning services; plant and installation surveying services; development of interactive multi-media software; software design services for the design and data management of subsea systems, pipelines and risers; valve engineering services; provision of computerised engineering management systems; editing of computer programmes; technical and engineering advice relating to fire engineering services; engineering project management relating to the design, commissioning and engineering operations for industrial and process plants; design and development of lifecycle management software; inspection and calibration of safety systems, fire and gas detection systems, navigation aids, fire

extinguishers, remote monitoring systems, page party alarm systems and pneumatic/electrical safety systems, all being for use in the oil, gas and renewable energy industries; technical project planning and design engineering; design engineering in relation to material handling systems for use in mines; electrical engineering services; mechanical engineering; geotechnical engineering; process engineering; industrial process engineering; thermal engineering; instrument control engineering; fire engineering, energy surveys; design services; mechanical systems design; electrical systems design; packaging systems design; piping systems design; materials handling systems design; heating, ventilating and air conditioning systems design; production design, software engineering; data mining; providing non-downloadable software; technological studies and technical studies relating to projects, products and industrial processes, including industrial process development; technological and technical studies, namely studies relating to electricity grid codes and the connection of facilities to electricity networks; technological services for the automation of systems; preparing, designing and conducting energy studies; preparing, designing and conducting quality audits including audits in the field of mining reserves and in the field of energy; preparing, designing and conducting energy surveys; conducting of technical feasibility studies; seismic analysis services; architectural services; structural design services; building condition surveys; surveying services including the surveying of land, quantity surveying, conducting engineering surveys, conducting geological surveys and oil and gas field surveys; environmental inspection, planning, engineering, assessments, testing and surveys; equipment inspection and quality assessment including the assessment of plant and machinery; quality control of installations; product quality assessment services; materials testing services, including product testing, material testing; industrial process quality evaluation and modelling (designing for scale models); industrial process troubleshooting of computer software problems; commissioning services in the oil and gas and renewable energy industries, automotive industry, consumer products industries, pulp and paper industries, pharmaceutical industries, chemical and polymers refineries, in nuclear power plants, in biofuel plants and installations, in renewable energy projects, in industrial facilities including processing plants and equipment, and in petrochemical plants and installations; engineering project management relating to the construction, commissioning of industrial and process plants; engineering project management; technical feasibility studies relating to building and construction; civil engineering; civil engineering, including in relation to plumbing and gas and water installations; quality control of written material and documents; technical consultancy services in relation to all of the aforementioned services.

Apparatus and installations for lighting, including bathroom, kitchen and living room lighting apparatus and installations, for household purposes, lighting apparatus and installations for range hoods, for household purposes, apparatus and installations for heating for household purposes, apparatus and installations for cooling for household purposes, apparatus and installations for steam generating for household purposes, cooking, heating, cooling equipment for preservation of food and beverages, installations for heating foodstuffs, food warming lamps, electric sous-vide cookers, cooling electric appliances for food preservation, drying apparatus and installations for household purposes, including tumble dryers, hair and hand drying devices, apparatus and installations for ventilating, water supply and sanitary purposes for household purposes, water purifying apparatus and installations, air purifiers, filters for air purifiers for household purposes, bathroom sanitary apparatus and installations including shower cubicles, sinks, wash-hand basins, basins, bath tubs, water closets, bidets, taps, apparatus and installations for kitchens for household purposes, namely, kitchen sinks and tap water faucets, refrigerators, freezers, ovens, ovens build-in, built-in ovens, pyrolytic ovens, microwave ovens, built-in microwave ovens, cooktops, induction cooktops, barbecues, blast chillers, refrigerator drawer units equipped for marinating food and vacuum sealing function, warming drawers for food, warming drawers equipped for leavening function, extractor hoods, electric wine coolers, electrical household appliances namely electric coffee machines, electric egg-boilers, toasters, electric pressure cookers, electric slow cookers, electric rice cookers, electric egg cookers, electric deep fryers, electric waffle makers, electric coffee makers, electric kettles; parts and accessories for the abovementioned goods included in this class.

Class 20

Furniture and furnishings, namely, furniture for kitchens, fitted kitchen furniture, height adjustable kitchen furniture, furniture for bathrooms, modular bathroom furniture, living room furniture, lounge furniture, bedroom furniture, furniture being convertible into beds, furniture incorporating beds, transformable furniture, upholstered convertible furniture, upholstered furniture, composable furniture, modular storage systems in the nature of furniture, modular storage units [furniture], fitted furniture, furniture adapted for use by those with mobility difficulties, seating furniture, stools, benches, chairs, armchairs, pouffes [furniture], divans and sofas, divan beds, extendible sofas, divan bases, divans incorporating storage space, beds, foldaway beds, mattress bases, mattress supports, mattresses, pillows, cushions, tables [furniture], consoles [furniture], vanity units [furniture], shower chairs, bathroom cupboards, bathroom vanities [furniture], washstands [furniture], pedestal cabinets, cupboards fitted with mirrors, basin cabinets, towel stands [furniture], fixed towel dispensers, not of metal, bins, not of metal, clothes hooks not of metal, fitted cupboards, room dividing cupboards, cupboards for bedrooms, bedside cabinets, dressers, wardrobes, wardrobe sliding doors, wardrobe fittings, namely clothes baskets, clothing racks and rails, cabinet storage systems, drawers, clothes hangers, clothes lockers, buffets and cabinets [furniture], cupboards, containers not of metal for storage, cabinets for bowls and dishes, cupboards and credenzas being furniture, cupboards with dish drainers inside, cabinets for waste bins, kitchen

cabinets, cupboard units, kitchen display units, cookbook holders, wine racks [furniture], kitchen tables, kitchen units, book holders [furniture], brochure holders [furniture], coat hangers, clothes hangers, clothes stands [furniture] and clothes hooks, clothes rails, tie rack, trouser rack, coat racks [furniture], hat racks [furniture], boot trays [furniture], desks [furniture], display furniture, serving trolleys [furniture], dinner wagons, ceramic pulls for cabinets, drawers and furniture, furniture fittings (non-metallic -), corner units [furniture], feet for furniture, legs for furniture, decorative wooden panels [furniture], drawer slides [furniture hardware], furniture frames, mobile storage racks [furniture], modular shelving [furniture], multi-purpose stands [furniture], stands [furniture] for use with television, partitions in the nature of furniture, partitions of metal [furniture], partitions of plastics [furniture], partitions of wood for furniture, furniture panels, furniture parts, furniture racks, furniture shelves, worktops, furniture units, drawers [furniture parts], sliding dividers [furniture partitions] for rooms, sliding doors for furniture, sliding panel systems being furniture, space dividers [furniture], wall partitions [furniture], wall shelves [furniture], wall units [furniture], room divider panels [furniture], rotating stands [furniture], parts of furniture (non-metallic -), doors for furniture, furniture locks (non-metallic -), furniture made from wood, furniture made from substitutes for wood, furniture made of rattan, furniture made of steel, furniture made principally of glass, furniture of metal, furniture of plastic materials, mirrors, picture frames; containers, not of metal, for storage or transport; unworked or semi-worked bone, horn, whalebone or mother-of-pearl; shells; meerschaum; yellow amber.

Priority Claims:

Class 11

Class 20

27/05/2019

Italy

All goods/services claimed in this application.

SCAVOLINI S.P.A.

VIA RISARA, 60/70-74/78 I-61025 MONTELABBATE (PU) ITALY

ADDRESS FOR SERVICE: ONE LEGAL LLC, 6 SHENTON WAY, #21-08 OUE DOWNTOWN 2, SINGAPORE 068809

40201928329W (01 04 06 07 09 12 35 36 37 40 42)
(International Registration No. 1506171)

Date of International Registration: 09/11/2018

Date of Protection in Singapore: 09/11/2018

Date of Notification: 26/12/2019

Class 01

Chemicals, chemical additives, binding agents, coolants, chemical fluids, detergents and cleaning solvents for use within materials technology, mining, construction and metal working industry; carbide and ceramic compositions (granules and powders); carbide powder; soldering fluxes;

fire extinguishing and fire suppression compositions; tempering preparations; engineered ceramic and composite materials for heat transfer or thermal management applications.

Class 04

Lubricants, lubricating and cutting fluids, industrial oils and greases; lubricating oils; non-chemical additives for fuels, lubricants and greases; dust absorbing compositions; dust binding compositions; dust controlling and removing compositions.

Class 06

Common metals, unwrought or semi-wrought; alloys of common metal; irons and steels; strip steel springs; casting alloys, wire, ores of metal, barrels of metal, barrel hoops of metal, pipes and tubes of metal, pipe muffs of metal, metal pipe fittings, cables of metal, non-electric, clamping sleeves, metal pipe collars, elbows of metal for pipes, nozzles of metal, steel strip, iron strip, rods of metal, plates of metal, sheets of metal, metal bars for further manufacture, metal billets, blooms [metallurgy]; common metals in powder form [semi-wrought], ring-shaped fittings of metal, metal shims, housings, packages, modules, tubs, holders, wafers and wire bonders being metal modular hardware of metal; brazing alloys, solder pastes; common metal powders used in manufacturing; centralizers and centralizer locks (metal hardware); casing shoes; guide shoes for oilfield tubular goods; cement shoes for oilfield tubular goods.

Class 07

Anti-friction bearings for machines; anti-friction pads for machines; machines and machine tools for the cutting and forming of materials; conveyers; conveyor belts; power operated metal machine tools, namely, wire drawing tools, pressing tools, grinding tools, threading tools, sharpening tools, chiseling tools, shearing tools, punching tools, piercing tools, broaching tools, reaming tools, drilling tools, milling tools, cutting and turning tools; inserts for power-operated chiseling tools, shearing tools, punching tools, piercing tools, broaching tools, reaming tools, cutting and turning tools; machine tool holders; machines parts, namely, blades and blade holders, wear plates and strips, bearings, as parts of machines; rock bolting rigs; cargo handling machines; cranes; casting machines; double belt presses; machine parts, namely, mandrels; mechanical diggers; mechanical disintegrators; earth moving machines, namely, excavators, loaders, scrapers; loading and unloading machines; mechanical and hydraulic lifts hoists; forging machines; foundation work machines; granulating machines for chemical processes; hauling apparatus, used in the mining industry; lathes; lathe tools for metalworking; earthmoving, construction, oil and gas extraction and mining machines; mine working machines; fuel pumps for land vehicles; pneumatic transporters; pneumatic controls for machines, motors and engines; hydraulic and pneumatic hammers; pulleys being parts of machines; rolls for rolling mills; rolling mills; sifting machines; power-operated sprayers; sieves being machines; sieves being machine parts; gravel and dirt sorting and screening machines; mechanical spreaders; mechanical separators; motors and engines except for land vehicles; machine couplings and transmission components except for land vehicles; automatic vending machines; automated dispensing machines for tools and metal cutting tools; grinding machines for metal cutting; power-operated grinding wheels; grinding tools for grinding machines; earth moving machines, namely graders, grading tools; mine carbide tip tools, truck boards drilling pipes, hammer lifting bails, foot valve rods, drill tubes, shank adapters, drill bits, hand held rock drilling tools, integral drill steels, tapered and threaded rods, guide and drill tubes, drilling and bolting tools, shank adaptors, raise boring tools, reaming heads, continuous miner cutting tools, drilling accessories

for the installation of strata support products, casing accessories and completion tools, reamers and reaming apparatus, drills, drill rigs and drilling equipment and apparatus, hydraulic rock drills, mining and tunneling jumbos, screw boosters, raise boring machines and reaming heads, bolters, excavators, hydraulic rotation heads, cone splitters, blast hole splitters, miners, bolter miners, borer miners, road headers, drill rods, extension rods, spanners for installing rock bolts and drill chuck extension spanners, pullers and extractors, pliers, mineral ground tools, blocks and sleeves, crushers and crushing apparatus, crushing chambers, mantels and jaw plates, crusher wear parts, screens [parts of machines], scalpers, breakers, chisel and compacting tools, filters and filtration cartridges, hydraulic cylinders, blocks and valves, hydraulic pumps, drive shafts, radiators [cooling] for motors and engines, oil coolers, axles, hydraulic hoses, pipes, fittings and adapters, air compressors, hydraulic oil filtering units, exhaust systems, pressure accumulators, liners for crushing and screening equipment, wear plates, impact bars, ground engaging tools, including buckets, shrouds, lips, adaptors and teeth; all the aforesaid goods being machines or power tools, or parts of machines and power tools included in this class.

Class 09

Registered computer programs, registered operating programs, registered computer software, computers, computer peripheral equipment, simulators for steering and control of vehicles and crafts, remote control apparatus, electric installations for remote control apparatus of industrial functions, telerupters, parts and components of the aforesaid goods; apparatus and instruments for conveying, distributing, transforming, storing, regulating or controlling electric current; controlling devices and apparatus, regulating apparatus; measuring, detecting and monitoring instruments and apparatus, level indicators, temperature indicators, pressure indicators, performance indicators, wear indicators, load indicators, service indicators and controllers; electronic control units and systems; electric installations for the remote control of industrial operations; electronic apparatus for the remote control of industrial operations; simulation apparatus and instruments; simulators; chargers; electrical cables; electric resistors; integrated circuits; semi-conductors; capacitors; electric resistances; fuel cells; apparatus for recording, transmission and reproduction of sound or images; blank magnetic data carriers, blank recording discs; communication equipment, namely, digital media, namely, CDs and DVDs; mobile apps; mechanisms for coin-operated apparatus; calculating machines, data processing apparatus, computers; computer operating systems; computer peripheral equipment; software for the calculation of data for machine tools, mine automation systems; measuring instruments and apparatus, namely, pressure measuring apparatus, temperature measuring apparatus, resistance measuring instruments; software for storage and calculation of temperature, strain and vibration information; temperature sensors, strain sensors, pressure sensors, vibration sensors and acceleration sensors; apparatus, instruments, software, sensors and computer programs for measurement of temperature, controlling temperature performance and working capacity of tube systems; measuring instruments, sensors, software or computer systems incorporated in tubes and pipes of metal; software applications; downloadable electronic publications in the nature of handbooks, manuals, instructional and teaching material in the field of metal-cutting tools and tooling systems, mining equipment and tools, construction equipment and tools, stainless steels, special alloys and titanium, furnace products and heating systems, hard and super-hard materials; protective and safety equipment, namely, fire-extinguishing systems and sprinkler systems for fire protection; thermocouples; global positioning system (GPS) consisting of computers, computer software,

transmitters, receivers, and network interface devices; computer programs for use in production planning of the manufacture of industrial products; sensors.

Class 12

Vehicles; apparatus for locomotion by land, air or water, namely, motor vehicles, namely, automobiles, trucks, vans, sport utility vehicles and structural parts therefor; vehicles incorporating bucket loaders; bulk hauling vehicles; apparatus for locomotion by land, air or water; trailers; gearboxes; structural parts of the aforesaid goods.

Class 35

Wholesale and retail store services of products within materials technology, mining, construction and rock technology and metal working industry; business management consultancy and advisory services; inventory control; database management; updating and maintenance of data in computer databases; commercial and industrial management assistance; advisory services for business management; business management and organization consultancy.

Class 36

Insurance and financial information and consultancy services; insurance services, namely, underwriting extended warranty contracts; financing, lease-purchase financing and loan services; credit, lease-purchase financing and loan services; insurance services.

Class 37

Repair, maintenance, assembly relating to installation and installation of products within materials technology, mining, construction and rock technology and metal working industry; construction and upgrade (installation) of products within materials technology, mining, construction and rock technology and metal working industry.

Class 40

Treatment of materials in the nature of common metals and their alloys; coating, treatment and regrinding of metal surfaces, tools and machines; gold and silver plating; metal casting and tempering; custom manufacture of metal working products and machines; assembly of products for others; fuel processing; treatment of materials in the nature of common metals and their alloys by mechanical or chemical processing; grinding; providing material treatment information; recycling and waste management services; recycling of steel and other materials and products; material treatment information; regrinding and recoating of tools and machines.

Class 42

Scientific and technological services, namely, research and design in the field of tools and tooling systems for industrial metal cutting, equipment and tools, service and technical solutions for the mining and construction industries, advanced stainless steels and special alloys as well as products for industrial heating; industrial research in the field of tools and tooling systems for industrial metal cutting; computer hardware and software design; computer software development; testing, analysis, and evaluation of the goods of others to assure compliance with industry standards; consulting services in the field of design and development of engineering processes; consumer product safety testing consultation; measurement services; chemical research and analysis; platform as a service (PaaS) featuring computer software platforms for a tool library; operational support services, namely, research, analysis and design of mining and rock excavation equipment and apparatus for improved performance and

results; consulting services in the field of cloud computing; custom engineering services of products within materials technology, mining, construction and rock technology and metal working industry.

The following claim is made in the International Registration: Colour(s) claimed: Dark blue, white and green.

Class 06

Containers, and transportation and packaging materials, of metal; waste bins [skips] of metal for industrial use; refuse skips of metal; waste paper bins of metal for industrial use; packaging, wrapping and bundling materials, of metal; storage pallets of metal; straps of metal; foils of metal for wrapping and packaging; bands of metal for tying-up purposes; structures and transportable buildings of metal; building and construction materials and elements of metal; metal pallets; non-electric cables and wires of common metal; common metals and their alloys; small items of metal hardware; vaults and safes.

Class 07

Machine tools; motors, other than for land vehicles; machine coupling and transmission components (except for land vehicles); agricultural implements other than hand operated hand tools; bailing machines; waste management and recycling machines; waste and trash separator machines; filtering machines, separators and centrifuges; machines for separating recyclable materials; incubators for eggs; vending machines.

Class 08

Hand tools and implements [hand-operated]; cutting, drilling, grinding,

sharpening and surface treatment hand tools; scrapers; cutlery; razors; side arms, other than firearms.

Class 09

Sound transmitting apparatus; apparatus for the transmission of images; apparatus for the reproduction of images; sound reproduction apparatus; apparatus for recording images; sound recording apparatus; magnetic data carriers, recording discs; cash registers; calculators; computers; data processing equipment; fire extinguishers; peripherals adapted for use with computers; diving suits; divers' masks; gloves for divers; breathing apparatus for underwater swimming; recorded content; databases; recorded media content; data storage devices; USB flash drives; downloadable electronic maps; printed cards [magnetic]; electronic card readers; audio visual recordings; display devices, television receivers and film and video devices; electronic publications, downloadable; e-books; downloadable educational media; instruction manuals in electronic format; training manuals in the form of a computer program; information technology and audio-visual, multimedia and photographic devices; communications equipment; computer networking and data communications equipment; laptop computers; tablet computers; smartphones; smart card readers; digital tablets; file servers; palmtop computers; internet servers; intranet servers; car navigation computers; computer systems; data communications apparatus; video streaming devices; local area networks; mobile data apparatus; mobile data communications apparatus; network boards; point-to-point communications equipment; replicating apparatus; photocopiers; printers; image scanners; 3D scanners; rapid scan cameras; data processing equipment and accessories (electrical and mechanical); ticket dispensers; payment terminals, money dispensing and sorting devices; hardware for processing electronic payments to and from others; secure terminals for electronic transactions; point of sale [pos] systems; stands adapted for tablet computers; interactive terminals; data protection backup units; audio/visual and photographic devices; audio devices and radio receivers; image capturing and developing devices; displays for vehicles; cameras for vehicles; software; web server software; mobile software; enterprise software; industrial software; business intelligence software; business performance management [BPM] software; business process management [BPM] software; authentication software; accounting software; computer communication software to allow customers to access bank account information and transact bank business; data processing programs; intelligent gateways for real-time data analysis; mobile apps; photographic apparatus and instruments; cinematographic machines and apparatus; optical apparatus and instruments; weighing apparatus and instruments; surveying apparatus and instruments; measuring apparatus and instruments; checking (supervision) apparatus and instruments; signalling apparatus and instruments; life-saving apparatus and instruments; scientific apparatus and instruments; teaching apparatus and instruments; apparatus and instruments for controlling electricity; charging stations for electric vehicles; apparatus and instruments for accumulating electricity; apparatus and instruments for switching electricity; apparatus and instruments for transforming electricity; apparatus and instruments for regulating electricity; apparatus and instruments for conducting electricity; photovoltaic apparatus for generating electricity; electrical and electronic components; optical devices, enhancers and correctors; optical enhancers; lasers; navigation, guidance, tracking, targeting and map making devices; apparatus and instruments for geolocation; measuring, detecting and monitoring instruments, indicators and controllers; sensors and detectors; testing and quality control devices; measuring, counting, alignment and calibrating instruments; data loggers and recorders; weight measuring instruments; distance and dimension measuring instruments;

speed measuring instruments; temperature measuring instruments; time measuring instruments (not including clocks and watches); electricity measuring instruments; controllers (regulators); contents gauges; level meters; level indicators; level sensors; filling level detectors; measuring sensors; infrared scanners; laser detectors; load indicators; diagnostic apparatus, not for medical purposes; instrumentation simulators; coin-operated mechanisms; protective and safety equipment; signalling apparatus; alarms and warning equipment; electrical access control apparatus.

Class 12

Vehicles; parts and fittings for vehicles; powertrains, including engines and motors, for land vehicles; gas engines for land vehicles; apparatus for locomotion by water; apparatus for locomotion by air; apparatus for locomotion by land.

Class 16

Paper and cardboard; copying paper [stationery]; cardboard containers; packaging materials made of cardboard; bags and articles for packaging, wrapping and storage of paper and cardboard; bags and articles for packaging and wrapping of plastics; food storage bags of plastics; garbage bags of paper or of plastics; plastic film for packaging; printed matter; posters; banners of paper; display banners made of cardboard; teaching materials [except apparatus]; books; booklets; manuals for instructional purposes; pamphlets; professional magazines; leaflets; flyers; journals; catalogues; instruction sheets; stamps [seals]; cards; christmas cards; printed patterns; name cards; clips for name badge holders [office requisites]; bookbinding material; photographs [printed]; printing blocks; stationery; ball pens; photo albums and collectors' albums; autograph books; gums [adhesives] for stationery or household purposes; plastic materials for packaging; recycled bond paper; artists' materials; paintbrushes.

Class 18

Leather and imitations of leather; fur; trunks and suitcases; luggage, bags, wallets and carrying bags (other than disposable carrier bags); gym bags; umbrellas and parasols; walking sticks; saddlery; whips; harnesses; collars for animals; covers for animals.

Class 20

Containers, and closures and holders therefor, non-metallic; crates and pallets, non-metallic; mobile pallets made of non-metallic materials; mirrors (silvered glass); picture frames; furniture; bench tables; benches [furniture]; tables; table tops; seating furniture; containers, not of metal [storage, transport]; meerschaum; shells; yellow amber; animal bone [unworked or partly worked material]; horn, unworked or semi-worked; whalebone, unworked or semi-worked; ivory, unworked or semi-worked; mother-of-pearl, unworked or semi-worked.

Class 21

Containers for household or kitchen use; household or kitchen utensils; cookware and tableware, except forks, knives and spoons; dusters; eyeglass cleaning cloths; cup holders; cups and mugs; coasters (tableware); combs; sponges; brushes; material for brush-making; cleaning articles; glass, unworked or semi-worked, except building glass; earthenware.

Class 22

Bags and sacks for packaging, storage and transport; textile bags for merchandise packaging [envelopes, pouches]; sacks for transporting waste;

ropes and strings; nets; tarpaulins, awnings, tents, and unfitted vehicle coverings; sails; sacks for the transport and storage of materials in bulk; padding and stuffing materials (except of paper, cardboard, rubber or plastics); raw fibrous textile.

Class 24

Textiles and substitutes for textiles; linens; curtain fabric; textile pieces; substitutes for textile piece goods.

Class 25

Clothing; leisurewear; neckwear; loungewear; shirts; trousers; jackets [clothing]; short trousers; short-sleeve shirts; long jackets; underwear; nighties; outerclothing; combinations [clothing]; neck scarves [mufflers]; skirts; shorts; gym suits; tee-shirts; sweat shorts; hosiery; stockings; uniforms; footwear; work shoes; slippers; leather shoes; canvas shoes; inner socks for footwear; boots; shoe soles; footwear for men and women; headgear; hats; hoods [clothing]; head scarves; caps [headwear].

Class 26

Lace; embroidery; ribbons; braids; buttons; needles; hooks and eyes; pins; smallware for sewing; ornamental bows of textile for decoration; textile ribbons; textile bows for wrapping; ornamental novelty badges [buttons]; ribbons of textile materials; charms, other than for jewellery, key rings or key chains.

Class 28

Toys, games, playthings and novelties; skill and action games; action toys; tables for table tennis; video game apparatus; gymnastic and sporting articles; sporting articles and equipment; decorations for Christmas trees.

Class 31

Raw and unprocessed grains; raw and unprocessed seeds; fresh fruits, nuts, vegetables and herbs; natural plants; flowers; onions; seedlings; animal foodstuffs; beverages for pets; bird food; live animals; malt.

Class 32

Beer; soft drinks; kvass [non-alcoholic beverage]; mineral water [beverages]; aerated water; non-alcoholic beverages; fruit drinks; juices; fruit juice concentrates; syrups for making non-alcoholic beverages.

Class 33

Alcoholic beverages (except beer); preparations for making alcoholic beverages; spirits and liquors; brandy; aperitifs.

Class 35

Business analysis, research and information services; business assistance, management and administrative services; cost price analysis regarding waste disposal, removal, handling and recycling; consultancy services relating to the procurement of goods and services; goods or services price quotations; providing consumer information relating to goods and services; commercial information and advice for consumers [consumer advice shop]; business administration; clerical services; advertising, marketing and promotional services; advertising, marketing and promotional consultancy, advisory and assistance services; marketing studies; market analysis; collection and systematization of business data; business consultancy and advisory services; professional business consultancy; auctioneering services; provision of an on-line marketplace for buyers and sellers of goods and services; business management of wholesale and retail outlets; public relations services; product demonstrations and product display services;

trade show and commercial exhibition services; loyalty, incentive and bonus program services; retail services in relation to disposable paper products; retail services in relation to clothing; retail services in relation to furniture; retail services connected with stationery; retail services relating to food; retail store services in the field of clothing; retail services in relation to computer hardware; retail services in relation to computer software; retail services in relation to cleaning articles; retail services in relation to sporting equipment; retail services in relation to fabrics; retail services in relation to headgear; retail services in relation to foodstuffs; retail services in relation to printed matter; retail services in relation to footwear; retail services in relation to bags; retail services in relation to sporting articles; retail services in relation to construction equipment; retail services in relation to building materials; retail services in relation to clothing accessories; retail services in relation to gardening products; retail services in relation to wearable computers; retail services relating to horticultural equipment; retail services in relation to horticulture products; retail services in relation to recorded content; retail services in relation to information technology equipment; wholesale services in relation to disposable paper products; wholesale services in relation to clothing; business management of wholesale outlets; wholesale services in relation to furniture; wholesale services in relation to stationery supplies; wholesale services in relation to foodstuffs; wholesale services in relation to computer hardware; wholesale services in relation to computer software; wholesale services in relation to cleaning articles; wholesale services in relation to sporting equipment; wholesale services in relation to fabrics; wholesale services in relation to headgear; wholesale services in relation to printed matter; wholesale services in relation to footwear; wholesale services in relation to bags; wholesale services in relation to sporting articles; wholesale services in relation to construction equipment; wholesale services in relation to horticulture equipment; wholesale services in relation to horticulture products; wholesale services in relation to information technology equipment; compilation of environmental information.

Class 37

Trash collection [refuse clean-up]; repair of transport containers; repair information; repair of ironmongery; maintenance and repair of storage tanks; repair of industrial waste treatment machines; repair of machines for treating organic waste; repair or maintenance of waste crushing machines and apparatus; repair or maintenance of loading-unloading machines and apparatus; repair and maintenance of containers, and transportation and packaging articles, of metal; repair and maintenance of waste bins [skips] of metal for industrial use; repair and maintenance of refuse skips of metal; repair and maintenance of waste paper bins of metal for industrial use; repair and maintenance of storage pallets of metal; repair and maintenance of structures and transportable buildings of metal; repair and maintenance of metal pallets; repair and maintenance of containers, and closures and holders therefor, non-metallic; repair and maintenance of crates and pallets, non-metallic; repair and maintenance of mobile pallets made of non-metallic materials; construction services; building, construction and demolition; rental of tools, plant and equipment for construction and demolition; extraction of natural resources; extermination, disinfection and pest control, other than for agricultural, horticultural or forestry purposes; furniture maintenance and repair; lift and elevator installation, maintenance and repair; cleaning and care of fabric, textile, leather, fur and goods made thereof; providing information relating to the repair or maintenance of waste crushing machines and apparatus; waste removal [cleaning]; repair or maintenance of waste compacting machines and apparatus; installation of solar powered systems; maintenance and repair of solar power installations; installation of wind power systems; repair services for electric generators and wind turbines;

electric appliance installation and repair; repair of electrical equipment and electrotechnical installations; repair of biogas plants and machines.

Class 39

Transport; packaging and storage of goods; storage of goods; storage of waste; transportation of waste; waste disposal [transportation]; removal of waste (transportation); rental of waste storage containers; collection of commercial waste; collection and transport of electronic scrap; tracking and tracing of shipments; paper and cardboard collection for recycling; information services relating to methods of transport; consultancy services relating to transportation; services for the arranging of transportation; dumping [transportation] of waste; transport and storage of waste; bulk storage; transportation and storage; hire of pallet cages; providing information relating to warehousing services; providing information relating to the rental of warehouse space; transportation information; storage information; navigation services; transportation and delivery of goods; rental of means of transportation; rescue, towing and salvage services; filling of machines and containers; loading and unloading of vehicles; rental of recycling containers; refuse collection services; collection of containers for waste materials; vehicle parking and storage; arranging of transportation for travel tours.

Class 40

Recycling and waste treatment; treatment and recycling of packaging; textile, leather and fur treatment; consultancy relating to the recycling of waste and trash; providing information relating to the recycling of waste; waste management services [recycling]; information, advice and consultancy services relating to the recycling of waste and trash; recycling services; sorting of waste and recyclable material; recycling of waste and trash; destruction of waste and trash; incineration of waste and trash; consultancy relating to the incineration of waste and trash; consultancy relating to the destruction of waste and trash; sorting of waste and recyclable material [transformation]; treatment of waste; treatment [reclamation] of material from waste; waste treatment [transformation]; treatment [recycling] of waste; recycling of valuable materials; air and water conditioning and purification; food and beverage treatment; energy production; printing, and photographic and cinematographic development; duplication of audio and video recordings; treatment of waste materials in the field of environmental pollution control; treatment of waste materials; treatment [reclamation] of industrial waste; providing information relating to the rental of waste crushing machines and apparatus; providing information relating to the rental of waste compacting machines and apparatus; recycling of plastics; recycling of paper; reclamation of material from waste; rental of waste compacting machines and apparatus; destruction of trash; recycling of clothing.

Class 41

Teaching; academic mentoring of school age children; training; development of educational courses and examinations; consultancy services relating to the development of training courses; provision of training courses; exercise instruction; entertainment services; sporting and cultural activities; coaching services for sporting activities; provision of educational entertainment services for children in after school centers; cultural services.

Class 42

Scientific and technological services; industrial analysis and research services; technological research; scientific services and design relating thereto; technological services and design relating thereto; scientific

research; industrial analysis services; industrial research; software design and development; design and development of computer hardware; research relating to waste analysis; design of equipment for the transportation of waste; environmental monitoring of waste treatment areas; design and development of regenerative energy generation systems; technological consultancy; design and development of engineering products; development of industrial machinery; engineering services in the field of environmental technology; engineering services in the field of building technology; engineering services relating to robotics; design of storage systems; programming of software for inventory management; energy auditing; providing technical advice relating to energy-saving measures; engineering services in the field of energy technology; research in the field of energy; designing of packaging and wrapping materials; provision of information, advice and consultancy in relation to carbon offsetting; research in the field of environmental protection; environmental testing and inspection services; technical consultancy in the field of environmental science; design services relating to plant for the biotechnology industry; research in the field of ecology; biological development services; IT programming services; hosting services and software as a service and rental of software; scientific services relating to natural sciences.

Class 44

Medical services; animal healthcare services; human hygiene and beauty care; hygienic and beauty care for animals; agriculture, horticulture and forestry services; farming (crops); tree planting for carbon offsetting purposes; providing online information about agriculture, horticulture, and forestry services; advisory and consultancy services relating to the use of non-chemical treatments for sustainable agriculture and horticulture.

PREZERO

Date of International Registration: 04/07/2019
Date of Protection in Singapore: 04/07/2019
Date of Notification: 26/12/2019

Class 06
Containers, and transportation and packaging materials, of metal; waste bins [skips] of metal for industrial use; refuse skips of metal; waste paper bins of metal for industrial use; packaging, wrapping and bundling materials, of metal; storage pallets of metal; straps of metal; foils of metal

for wrapping and packaging; bands of metal for tying-up purposes; structures and transportable buildings of metal; building and construction materials and elements of metal; metal pallets; non-electric cables and wires of common metal; common metals and their alloys; small items of metal hardware; vaults and safes.

Class 07

Machine tools; motors, other than for land vehicles; machine coupling and transmission components (except for land vehicles); agricultural implements other than hand-operated hand tools; bailing machines; waste management and recycling machines; waste and trash separator machines; filtering machines, separators and centrifuges; machines for separating recyclable materials; incubators for eggs; vending machines.

Class 08

Hand tools and implements [hand-operated]; cutting, drilling, grinding, sharpening and surface treatment hand tools; scrapers; cutlery; razors; side arms, other than firearms.

Class 09

Sound transmitting apparatus; apparatus for the transmission of images; apparatus for the reproduction of images; sound reproduction apparatus; apparatus for recording images; sound recording apparatus; magnetic data carriers, recording discs; cash registers; calculators; computers; data processing equipment; fire extinguishers; peripherals adapted for use with computers; diving suits; divers' masks; gloves for divers; breathing apparatus for underwater swimming; recorded content; databases; media content; data storage devices; USB flash drives; downloadable electronic maps; printed cards [magnetic]; electronic card readers; audio visual recordings; display devices, television receivers and film and video devices; electronic publications, downloadable; e-books; downloadable educational media; instruction manuals in electronic format; training manuals in the form of a computer program; information technology and audio-visual, multimedia and photographic devices; communications equipment; computer networking and data communications equipment; laptop computers; tablet computers; smartphones; smart card readers; digital tablets; file servers; palmtop computers; internet servers; intranet servers; car navigation computers; computer systems; data communications apparatus; video streaming devices; local area networks; mobile data apparatus; mobile data communications apparatus; network boards; point-to-point communications equipment; replicating apparatus; photocopiers; printers; image scanners; 3D scanners; rapid scan cameras; data processing equipment and accessories (electrical and mechanical); ticket dispensers; payment terminals, money dispensing and sorting devices; hardware for processing electronic payments to and from others; secure terminals for electronic transactions; point of sale [pos] systems; stands adapted for tablet computers; interactive terminals; data protection backup units; audio/visual and photographic devices; audio devices and radio receivers; image capturing and developing devices; displays for vehicles; cameras for vehicles; software; web server software; mobile software; enterprise software; industrial software; business intelligence software; business performance management [BPM] software; business process management [BPM] software; authentication software; accounting software; computer communication software to allow customers to access bank account information and transact bank business; data processing programs; intelligent gateways for real-time data analysis; mobile apps; photographic apparatus and instruments; cinematographic machines and apparatus; optical apparatus and instruments; weighing apparatus and instruments; surveying apparatus and instruments; measuring apparatus and instruments; checking (supervision) apparatus and instruments;

signalling apparatus and instruments; life-saving apparatus and instruments; scientific apparatus and instruments; teaching apparatus and instruments; apparatus and instruments for controlling electricity; charging stations for electric vehicles; apparatus and instruments for accumulating electricity; apparatus and instruments for switching electricity; apparatus and instruments for transforming electricity; apparatus and instruments for regulating electricity; apparatus and instruments for conducting electricity; photovoltaic apparatus for generating electricity; electrical and electronic components; optical devices, enhancers and correctors; optical enhancers; lasers; navigation, guidance, tracking, targeting and map making devices; apparatus and instruments for geolocation; measuring, detecting and monitoring instruments, indicators and controllers; sensors and detectors; testing and quality control devices; measuring, counting, alignment and calibrating instruments; data loggers and recorders; weight measuring instruments; distance and dimension measuring instruments; speed measuring instruments; temperature measuring instruments; time measuring instruments (not including clocks and watches); electricity measuring instruments; controllers (regulators); contents gauges; level meters; level indicators; level sensors; filling level detectors; measuring sensors; infrared scanners; laser detectors; load indicators; diagnostic apparatus, not for medical purposes; instrumentation simulators; coin-operated mechanisms; protective and safety equipment; signalling apparatus; alarms and warning equipment; electrical access control apparatus.

Class 12

Vehicles; parts and fittings for vehicles; powertrains, including engines and motors, for land vehicles; gas engines for land vehicles; apparatus for locomotion by water; apparatus for locomotion by air; apparatus for locomotion by land.

Class 16

Paper and cardboard; copying paper [stationery]; cardboard containers; packaging materials made of cardboard; bags and articles for packaging, wrapping and storage of paper and cardboard; bags and articles for packaging and wrapping of plastics; food storage bags of plastics; garbage bags of paper or of plastics; plastic film for packaging; printed matter; posters; banners of paper; display banners made of cardboard; teaching materials [except apparatus]; books; booklets; manuals for instructional purposes; pamphlets; professional magazines; leaflets; flyers; journals; catalogues; instruction sheets; stamps [seals]; cards; christmas cards; printed patterns; name cards; clips for name badge holders [office requisites]; bookbinding material; photographs [printed]; printing blocks; stationery; ball pens; photo albums and collectors' albums; autograph books; gums [adhesives] for stationery or household purposes; plastic materials for packaging; recycled bond paper; artists' materials; paintbrushes.

Class 18

Leather and imitations of leather; fur; trunks and suitcases; luggage, bags, wallets and carrying bags (other than disposable carrier bags); gym bags; umbrellas and parasols; walking sticks; saddlery; whips; harnesses; collars for animals; covers for animals.

Class 20

Containers, and closures and holders therefor, non-metallic; crates and pallets, non-metallic; mobile pallets made of non-metallic materials; mirrors (silvered glass); picture frames; furniture; bench tables; benches [furniture]; tables; table tops; seating furniture; containers, not of metal

[storage, transport]; meerscham; shells; yellow amber; animal bone [unworked or partly worked material]; horn, unworked or semi-worked; whalebone, unworked or semi-worked; ivory, unworked or semi-worked; mother-of-pearl, unworked or semi-worked.

Class 21

Containers for household or kitchen use; household or kitchen utensils; cookware and tableware, except forks, knives and spoons; dusters; eyeglass cleaning cloths; cup holders; cups and mugs; coasters (tableware); combs; sponges; brushes; material for brush-making; cleaning articles; glass, unworked or semi-worked, except building glass; earthenware.

Class 22

Bags and sacks for packaging, storage and transport; textile bags for merchandise packaging [envelopes, pouches]; sacks for transporting waste; ropes and strings; nets; tarpaulins, awnings, tents, and unfitted vehicle coverings; sails; sacks for the transport and storage of materials in bulk; padding and stuffing materials (except of paper, cardboard, rubber or plastics); raw fibrous textile.

Class 24

Textiles and substitutes for textiles; linens; curtain fabric; textile pieces; substitutes for textile piece goods.

Class 25

Clothing; leisurewear; neckwear; loungewear; shirts; trousers; jackets [clothing]; short trousers; short-sleeve shirts; long jackets; underwear; nighties; outerclothing; combinations [clothing]; neck scarves [mufflers]; skirts; shorts; gym suits; tee-shirts; sweat shorts; hosiery; stockings; uniforms; footwear; work shoes; slippers; leather shoes; canvas shoes; inner socks for footwear; boots; shoe soles; footwear for men and women; headgear; hats; hoods [clothing]; head scarves; caps [headwear].

Class 26

Lace; embroidery; ribbons; braids; buttons; needles; hooks and eyes; pins; smallware for sewing; ornamental bows of textile for decoration; textile ribbons; textile bows for wrapping; ornamental novelty badges [buttons]; ribbons of textile materials; charms, other than for jewellery, key rings or key chains.

Class 28

Toys, games, playthings and novelties; skill and action games; action toys; tables for table tennis; video game apparatus; gymnastic and sporting articles; sporting articles and equipment; decorations for Christmas trees.

Class 31

Raw and unprocessed grains; raw and unprocessed seeds; fresh fruits, nuts, vegetables and herbs; natural plants; flowers; onions; seedlings; animal foodstuffs; beverages for pets; bird food; live animals; malt.

Class 32

Beer; soft drinks; kvass [non-alcoholic beverage]; mineral water [beverages]; aerated water; non-alcoholic beverages; fruit drinks; juices; fruit juice concentrates; syrups for making non-alcoholic beverages.

Class 33

Alcoholic beverages (except beer); preparations for making alcoholic beverages; spirits and liquors; brandy; aperitifs.

Class 35

Business analysis, research and information services; business assistance, management and administrative services; cost price analysis regarding waste disposal, removal, handling and recycling; consultancy services relating to the procurement of goods and services; goods or services price quotations; providing consumer information relating to goods and services; commercial information and advice for consumers [consumer advice shop]; business administration; clerical services; advertising, marketing and promotional services; advertising, marketing and promotional consultancy, advisory and assistance services; marketing studies; market analysis; collection and systematization of business data; business consultancy and advisory services; professional business consultancy; auctioneering services; provision of an on-line marketplace for buyers and sellers of goods and services; business management of wholesale and retail outlets; public relations services; product demonstrations and product display services; trade show and commercial exhibition services; loyalty, incentive and bonus program services; retail services in relation to disposable paper products; retail services in relation to clothing; retail services in relation to furniture; retail services connected with stationery; retail services relating to food; retail store services in the field of clothing; retail services in relation to computer hardware; retail services in relation to computer software; retail services in relation to cleaning articles; retail services in relation to sporting equipment; retail services in relation to fabrics; retail services in relation to headgear; retail services in relation to foodstuffs; retail services in relation to printed matter; retail services in relation to footwear; retail services in relation to bags; retail services in relation to sporting articles; retail services in relation to construction equipment; retail services in relation to building materials; retail services in relation to clothing accessories; retail services in relation to gardening products; retail services in relation to wearable computers; retail services relating to horticultural equipment; retail services in relation to horticulture products; retail services in relation to recorded content; retail services in relation to information technology equipment; wholesale services in relation to disposable paper products; wholesale services in relation to clothing; business management of wholesale outlets; wholesale services in relation to furniture; wholesale services in relation to stationery supplies; wholesale services in relation to foodstuffs; wholesale services in relation to computer hardware; wholesale services in relation to computer software; wholesale services in relation to cleaning articles; wholesale services in relation to sporting equipment; wholesale services in relation to fabrics; wholesale services in relation to headgear; wholesale services in relation to printed matter; wholesale services in relation to footwear; wholesale services in relation to bags; wholesale services in relation to sporting articles; wholesale services in relation to construction equipment; wholesale services in relation to horticulture equipment; wholesale services in relation to horticulture products; wholesale services in relation to information technology equipment; compilation of environmental information.

Class 37

Trash collection [refuse clean-up]; repair of transport containers; repair information; repair of ironmongery; maintenance and repair of storage tanks; repair of industrial waste treatment machines; repair of machines for treating organic waste; repair or maintenance of waste crushing machines and apparatus; repair or maintenance of loading-unloading machines and apparatus; repair and maintenance of containers, and transportation and packaging articles, of metal; repair and maintenance of

waste bins [skips] of metal for industrial use; repair and maintenance of refuse skips of metal; repair and maintenance of waste paper bins of metal for industrial use; repair and maintenance of storage pallets of metal; repair and maintenance of structures and transportable buildings of metal; repair and maintenance of metal pallets; repair and maintenance of containers, and closures and holders therefor, non-metallic; repair and maintenance of crates and pallets, non-metallic; repair and maintenance of mobile pallets made of non-metallic materials; construction services; building, construction and demolition; rental of tools, plant and equipment for construction and demolition; extraction of natural resources; extermination, disinfection and pest control, other than for agricultural, horticultural or forestry purposes; furniture maintenance and repair; lift and elevator installation, maintenance and repair; cleaning and care of fabric, textile, leather, fur and goods made thereof; providing information relating to the repair or maintenance of waste crushing machines and apparatus; waste removal [cleaning]; repair or maintenance of waste compacting machines and apparatus; installation of solar powered systems; maintenance and repair of solar power installations; installation of wind power systems; repair services for electric generators and wind turbines; electric appliance installation and repair; repair of electrical equipment and electrotechnical installations; repair of biogas plants and machines.

Class 39

Transport; packaging and storage of goods; storage of goods; storage of waste; transportation of waste; waste disposal [transportation]; Removal of waste (transportation); rental of waste storage containers; collection of commercial waste; collection and transport of electronic scrap; tracking and tracing of shipments; paper and cardboard collection for recycling; information services relating to methods of transport; consultancy services relating to transportation; services for the arranging of transportation; dumping [transportation] of waste; transport and storage of waste; bulk storage; transportation and storage; hire of pallet cages; providing information relating to warehousing services; providing information relating to the rental of warehouse space; transportation information; storage information; navigation services; transportation and delivery of goods; rental of means of transportation; rescue, towing and salvage services; filling of machines and containers; loading and unloading of vehicles; rental of recycling containers; refuse collection services; collection of containers for waste materials; vehicle parking and storage; arranging of transportation for travel tours.

Class 40

Recycling and waste treatment; treatment and recycling of packaging; textile, leather and fur treatment; consultancy relating to the recycling of waste and trash; providing information relating to the recycling of waste; waste management services [recycling]; information, advice and consultancy services relating to the recycling of waste and trash; recycling services; sorting of waste and recyclable material; recycling of waste and trash; destruction of waste and trash; incineration of waste and trash; consultancy relating to the incineration of waste and trash; consultancy relating to the destruction of waste and trash; sorting of waste and recyclable material [transformation]; treatment of waste; treatment [reclamation] of material from waste; waste treatment [transformation]; treatment [recycling] of waste; recycling of valuable materials; air and water conditioning and purification; food and beverage treatment; energy production; printing, and photographic and cinematographic development; duplication of audio and video recordings; treatment of waste materials in the field of environmental pollution control; treatment of waste materials; treatment [reclamation] of industrial waste; providing information relating to the rental of waste crushing machines and

apparatus; providing information relating to the rental of waste compacting machines and apparatus; recycling of plastics; recycling of paper; reclamation of material from waste; rental of waste compacting machines and apparatus; destruction of trash; recycling of clothing.

Class 41

Teaching; academic mentoring of school age children; training; development of educational courses and examinations; consultancy services relating to the development of training courses; provision of training courses; exercise instruction; entertainment services; sporting and cultural activities; coaching services for sporting activities; provision of educational entertainment services for children in after school centers; cultural services.

Class 42

Scientific and technological services; industrial analysis and research services; technological research; scientific services and design relating thereto; technological services and design relating thereto; scientific research; industrial analysis services; industrial research; software design and development; design and development of computer hardware; research relating to waste analysis; design of equipment for the transportation of waste; environmental monitoring of waste treatment areas; design and development of regenerative energy generation systems; technological consultancy; design and development of engineering products; development of industrial machinery; engineering services in the field of environmental technology; engineering services in the field of building technology; engineering services relating to robotics; design of storage systems; programming of software for inventory management; energy auditing; providing technical advice relating to energy-saving measures; engineering services in the field of energy technology; research in the field of energy; designing of packaging and wrapping materials; provision of information, advice and consultancy in relation to carbon offsetting; research in the field of environmental protection; environmental testing and inspection services; technical consultancy in the field of environmental science; design services relating to plant for the biotechnology industry; research in the field of ecology; biological development services; IT programming services; hosting services and software as a service and rental of software; scientific services relating to natural sciences.

Class 44

Medical services; animal healthcare services; human hygiene and beauty care; hygienic and beauty care for animals; agriculture, horticulture and forestry services; farming (crops); tree planting for carbon offsetting purposes; providing online information about agriculture, horticulture, and forestry services; advisory and consultancy services relating to the use of non-chemical treatments for sustainable agriculture and horticulture.

Date of Notification: 23/05/2019

The following claim is made in the International Registration: Colour(s) claimed: Dark blue: pantone 7546 C, dark green: pantone 7720 C, medium green: pantone 7723 C, light green: pantone 7489 C and very light green: pantone 2289 C.

Class 09

Apparatus for electronic monitoring, measuring and control of energy consumption and transmission of data relating to energy consumption;

D-One

electric and electronic apparatus enabling analysis, monitoring, diagnosis of data relating to technical and domotic installations of buildings; software enabling management of an interface identifying all building information in particular concerning automatisms, computer systems, energy data; computer software applications and software (recorded programs); data processing systems; software for compiling, indexing and organizing of information via computer networks; apparatus for processing, transmission and storage of database information; electronic databases recorded on computer media; all these products directly related to information from technical and domotic installations in buildings.

Class 38

Providing access to a website (platform) for acquiring information relating to technical and domotic building installations.

Class 42

Technical surveys and diagnostics by engineers and technicians for assessing, optimizing and time tracking the energy performance of buildings, optimizing energy resources, forecasting energy use; technical study services; engineering services relating to energy performance of buildings; technical project studies; computer programming of automated systems and technical management installations of buildings; technical advice for optimizing energy performance; energy diagnostics; quality control with a view to certification; certification services relating to energy efficiency; development of energy and power management systems; computer services for managing building energy meters; computer management services for management systems relating to energy; on-line energy optimization of technical building installations, namely analysis of energy consumption and advice on operating energy-consuming technical equipment; monitoring and inspection of technical and industrial installations relating to construction; design, development and updating of software and applications for mobile terminals or other telecommunication media concerning analysis, monitoring, diagnostics of data relating to technical and domotic building installations; design (development) of computer hardware and software, especially for managers of service and industry buildings, concerning analysis, monitoring, diagnostics, performance of technical and domotic building installations.

Class 45

Security service for the protection of property and individuals (excluding their transport); Building surveillance services; security consultancy; security inspection services for electrical installations.

Commercial business management; commercial administration; advertising, marketing and promotional services; sales promotion and stimulating for third parties; promotion of goods and services for use by others; conducting marketing studies; design, creation, preparation, production, and circulation of advertising and advertising material for third parties; administration of customer loyalty programs; dissemination and business consultation relating to advertising, promotional and commercial information, advertisements and advertising, promotional and commercial offers using telecommunication devices (computers, tablets and mobile phones) in the field of concierge services; commercial information and consulting to consumers in the field of concierge services; commercial intermediation services; computerized management of databases and files; data processing services; creating indexes of information, sites, and other resources available on global computer networks and other electronic and communication networks for others; subscription services, namely, providing subscriptions to textual content, data, images, audio, video and multimedia content via the internet and other electronic and communications networks; subscription services for third parties to an electronic newspaper of multimedia content related to concierge services; retail sale services of downloadable software in the form of web (multimedia) applications, for touch tablets and mobile phones, related to concierge services; order fulfillment services; providing product information to assist in the selection of consumer products in general to meet consumer needs.

Class 38

Providing access to databases and multimedia content services related to concierge services; rental services of access time to databases and multimedia contents related to concierge services; telecommunications and communications services; transmission of data and information by electronic, computer, cable, electronic mail, communications satellite or electronic communication; providing wireless telecommunications service via electronic communications networks; electronic transmission of data and documents via the internet or other electronic communication networks; delivery of messages via electronic transmission; wireless digital messaging; providing online bulletin boards for the transmission of messages among computer users; providing access to online sites by means of telecommunications; providing access to searchable online databases containing text, data, images, audio, video and multimedia content; providing access via telecommunications to electronic communications networks for identifying, locating, consolidating, distributing and managing data and links to third party computer servers, computer processors and computer users; providing access to online social networking sites; providing access to a social networking website.

Class 42

Scientific and technological services as well as research and design services relating thereto; industrial analysis and research services; programming for computers; design and development of computer software; providing search engines for obtaining data via the internet and other electronic communications networks; creation [design] of online information directories, sites and other resources accessible on global computer networks for others; platform-service (paas) offering software platforms for personal assistant software; software-service (saas) featuring software for the control of autonomous voice-activated personal assistance and information devices; software-service (saas) featuring software for the

management of personal information; providing a platform for users to create, download, view, annotate and share data, information and multimedia content; providing a platform offering non-downloadable software; hosting interactive platforms and non-downloadable online software for uploading, uploading, presenting, displaying, referencing, sharing and transmitting messages, comments, multimedia content, photographs, images, texts, information and other content produced by users; update, development and rental services of downloadable software in the form of web (multimedia) applications, for touch tablets and mobile phones, related to concierge services; technical assistance services on downloadable software in the form of web (multimedia) applications, for touch tablets and mobile phones, related to concierge services.

Class 45

Online social networking services.

Priority Claims:

Class 09

03/08/2018

France

All goods/services claimed in this application.

Class 35

03/08/2018

France

All goods/services claimed in this application.

Class 38

03/08/2018

France

All goods/services claimed in this application.

Class 42

03/08/2018

France

All goods/services claimed in this application.

Class 45

03/08/2018

France

All goods/services claimed in this application.

WIIDII

BAT B, 208 QUAI DE PALUDATE, F-33800 BORDEAUX, FRANCE

The logo for 'Vinyl Factory' is written in a stylized, cursive script. The word 'Vinyl' is on the top line and 'Factory' is on the bottom line, with the letters overlapping and flowing together in a handwritten style.

40201902742Q (09 18)

(International Registration No. 1448145)

Date of International Registration: 03/10/2018

Date of Protection in Singapore: 03/10/2018

Date of Notification: 07/02/2019

Class 09

Optical apparatus and instruments, eyewear, spectacles, eyeglasses,

sunglasses, goggles for sports, spectacle lenses, spectacle frames, contact lenses, optical lenses, spectacle cases; masks and goggles for protecting the eyes; 3D virtual reality masks, spectacle chains; binoculars, apparatus for recording, transmission, reproduction of sound or images; radios, radio alarm clocks, video and sound recording media; hard covers for mobile telephones; cases adapted for mobile telephones, chargers, earpieces, headsets.

Class 18

Leather and imitations of leather; handbags, shoulder bags, backpacks, beach bags, sports bags (other than those adapted to the products for which they are intended), wheeled bags, clutch bags, satchels, school bags; shopping bags, trunks, carrying cases, traveling bags, traveling trunks, suitcases, small suitcases with wheels, garment bags for travel, toiletry bags (empty), vanity cases; wallets, coin purses, key cases, briefcases, card cases, boxes of leather, pouches and envelopes of leather for packaging, umbrellas, sun umbrellas, parasols, cords of leather.

Priority Claims:

Class 09

25/04/2018

France

All goods/services claimed in this application.

Class 18

25/04/2018

France

All goods/services claimed in this application.

(International Registration No. 1493266)

Date of International Registration: 17/07/2019
Date of Protection in Singapore: 17/07/2019
Date of Notification: 17/10/2019

The following claim is made in the International Registration: Colour(s) claimed: White and blue.

Class 01

Chemical absorbents for removing impurities from fuel; agar-agar; degreasing agents for use in manufacturing processes; asphalt release agents; chemical adsorbents for removing impurities from fuel; nitrogen; acrylonitrile; actinium; alkaloids; allyl chloride; alunite; algarovilla for use in tanning; alginates for the food industry; alginates for industrial purposes; ammonium aldehyde; crotonic aldehyde; aldehydes; aluminate; calcium aluminate; americium; amides for use in manufacture; amyl acetate; amino acids for scientific purposes; amino acids for industrial purposes; ammonia; anhydrous ammonia; ammonia [volatile alkali] for industrial purposes; acetic anhydride; phosphoric anhydride; phthalic anhydride; anhydrides; anisole; aniline; anti-knock substances for internal combustion engines; antimonate; disincrustants; antioxidants for use in the manufacture of cosmetics; antioxidants for use in the manufacture of food supplements; antioxidants for use in the manufacture of pharmaceuticals; antioxidants for use in manufacture; fire retardants; antistatic preparations, other than for household purposes; antibodies for scientific purposes, other than for medical or veterinary use; monoclonal antibodies for scientific purposes; antifreeze for vehicle radiators; antifreeze for windshield washer systems; antifreeze; anthracene; size for use in the textile industry; argon; lead arsenate; aspartame; astatine; acesulfame potassium; acetal; acetaldehyde [ethanal]; acetanilide; aluminium acetate; lime acetate; octyl acetate; lead acetate; acetate of cellulose, unprocessed; acetates [chemicals]; acetylene; acetylene for industrial purposes; acetone; acetone for industrial purposes; acetophenone; antistatic sprays for electronic equipment; bacteria for use in the manufacture of food; bacteria for wastewater treatment; oenological bactericides [chemical preparations for use in wine making]; barium; barytes; anhydrous sodium hydroxide for industrial purposes; albumin [animal or vegetable, raw material]; animal albumen [raw material]; iodised albumen; malt albumen; albumin for use in manufacture; benzaldehyde; benzyl chloride; benzene; benzol; benzophenone; bentonite; berkelium; betaines for use in manufacture; bicarbonate of soda for chemical purposes; potassium dioxalate; biofertilizers; calcium bisulfite; sodium bisulfite; biphenyls; ammonium dichromate; bichromate of potassium; bichromate of soda; bauxite; boron; borneol; bromobenzene; bromine for chemical purposes; ammonium bromide; sodium bromide; bromoform; albumenized paper; baryta paper; diazo paper; blueprint paper; reagent paper, other than for medical or veterinary purposes; test paper, chemical; litmus paper; self-toning paper [photography]; photosensitive paper; photosensitive paper for use in medical imagery; nitrate paper; sensitized paper; photometric paper; borax; butadiene; butanol; butyl acetate; ammonium vanadate; grafting wax for trees; agglutinants for concrete; biodegradable anionic surfactants for use in manufacture; humectants; gas purifying preparations; leather tanning agents; substances for tanning animal skins and hides; polish removing substances; preparations for the separation of greases; tempering substances; substances for preventing runs in stockings; soil amendments; water-softening preparations; limestone hardening substances; tanning substances; adhesives for industrial purposes; cationic surfactants for use in manufacture; adhesive substances for use in industry; adhesives for the

building industry; adhesives for floor, ceiling and wall tiles; plastic adhesives, other than for stationery or household purposes; cryogenic preparations in solid, liquid or gas form; dopants for use in the manufacture of semi-conductors; non-ionic surfactants for use in manufacture; mineral substances used to oxidize impurities and regulate temperatures in glass production furnaces; flame-retardant chemical agents for coating textiles; defoaming agents; nutrients for plants; nutrients for yeast for industrial purposes; calcium-based algae nutrient supplements for use in aquaria; surface-active chemical agents; surfactants for industrial purposes; silicone surfactants for industrial purposes; artificial sweeteners [chemical preparations]; substances for preserving cut flowers; flower preservatives; flushing agents for automobile radiators; fissionable material for nuclear energy; plant growth regulating substances; foundry binding substances; emollients for use in the manufacture of cosmetics; emollients for use in the manufacture of pharmaceuticals; emollients for use in the manufacture of toiletries; seed preserving substances; wetting agents for use in the manufacture of cosmetics; wetting agents for use in the manufacture of paints; concrete-aeration chemicals; leather-dressing chemicals; chemicals for the manufacture of paints; chemicals for the manufacture of pigments; chemicals for use in aquaria; chemicals for use in biotechnological manufacturing processes; chemicals for use in biotechnological product development; chemicals for use in the purification of proteins for in vitro use; chemicals for use in the manufacture of confectionery; chemicals for use in the manufacture of fabric or textiles; chemicals for use in aquaculture; chemicals for use in agriculture, horticulture and forestry, except fungicides, herbicides, insecticides and parasiticides; chemicals for use in oil drilling; chemicals for absorbing oxygen; chemical agents for use in the manufacture of dyestuffs; chemical agents for impregnating textiles, furs, leather, non-woven and woven fabrics; starch-liquifying chemicals [ungluing agents]; brazing chemicals; chemicals used in fermenting wine; chemicals used to indicate damage in paper coatings; fire-retardant chemicals; vinyl acetate; vinylidene chloride; vinyl chloride; viscose; bismuth; bismuth subnitrate for chemical purposes; vitamins for the food industry; vitamins for use in the manufacture of cosmetics; vitamins for use in the manufacture of food supplements; vitamins for use in the manufacture of pharmaceuticals; witherite; ammonia water; distilled water; distilled water for industrial purposes; oxygenated distilled water; seawater for industrial purposes; purified water for industrial purposes; acidulated water for recharging accumulators; heavy water; hydrogen; seaweeds [fertilizers]; sodium tungstate; gadolinium; getters [chemically active substances]; carbon dioxide; protective gases for welding; solidified gases for industrial purposes; propellant gases for aerosols; basic gallate of bismuth; gallium; halides; organic halogenides; halogens; gambier; huntite; hexamethylenediamine; sodium fluosilicate; hexachloroethane; helium; etching gels for industrial purposes; electrophoresis gels; genes of seeds for agricultural production; cement for shoes; cement for boots; cement for boots and shoes; fillers for automobile body repair; tire puncture sealants; chemical penetrating sealers for natural stone; hydrazine; aluminium hydrate; hydrates; ammonium bicarbonate; aluminium hydroxide; ammonium hydroxide; barium hydroxide; potassium hydroxide; magnesium hydroxide; sodium hydroxide for industrial purposes; nickel hydroxide; hydromagnesite; calcium hydroxide; cerium hydroxide; dibasic potassium phosphate; hydroquinone; hyposulfites; sodium hypochlorite; gypsum for use as a fertilizer; ceramic glazings; glycogen; glycol; glycoproteins; expanded clay for hydroponic plant growing [substrate]; kaolin; alumina; glycerides; glycerin for use in manufacture; glycerine for industrial purposes; glycerol for use in manufacture; glucose for the food industry; glucose for industrial purposes; glucosides; gluten for the food industry; gluten for industrial purposes; holmium; hormones for hastening the ripening of fruit; plant

hormones [phytohormones]; peat pots for horticulture; glass granules for use in swimming pool filters; graphene; graphite for industrial purposes; graphite in raw or semi-finished form for use in manufacture; guano; gum arabic glue, other than for stationery or household purposes; humus; double superphosphate fertilizers; dextrin [size]; dextrin for industrial purposes; desiccants; detergents for use in manufacturing processes; detergents for use in the manufacture of hair shampoo; defoliants; dianisidine; diastase for industrial purposes; kieselgur; copper carbonate; diisopropyl ether; dimethylaniline; dimethyl sulfate; dimethyl phthalate; silicon dioxide; manganese dioxide; titanium dioxide for industrial purposes; zirconia; oil dispersants; petroleum dispersants; dispersions of plastics; dysprosium; diphenyl; diphenylmethane; bichloride of tin; dichloromethane; sodium dichromate; dicyandiamide; diethyl phthalate; diethylzinc; detergent additives to petrol; ceramic compositions for sintering [granules and powders]; chemical additives for gasoline; chemical admixtures for concrete; additives, chemical, to drilling muds; chemical additives for oil well drilling fluids; chemical additives for diesel fuels; additives, chemical, to insecticides; chemical additives for use as binding agents for feed pellets; chemical additives for use in manufacture; chemical additives for use in the manufacture of fabrics; chemical additives for use in the manufacture of cosmetics; chemical additives for oils; chemical additives for motor oil; additives, chemical, to motor fuel; chemical additives for fuel treatment; chemical additives for fuel injection system cleaners; chemical additives for pesticides; chemical additives for use in the manufacture of food; chemical additives for engine cooling systems; chemical additives for lubricants; chemical additives for fuel; chemical additives for fuel in the nature of octane boosters; chemical additives for internal combustion engine fuels; chemical additives for transmission fluids; additives, chemical, to fungicides; chemical additives for lubricating oils; dolomite for industrial purposes; tan-wood; europium; gelatine for photographic purposes; gelatine for industrial purposes; ferrous sulfide; anti-freezing liquids; auxiliary fluids for use with abrasives; hydraulic fluids; fluids for hydraulic circuits; liquids for removing sulfates from accumulators; power steering fluid; quenching fluids for use in metalworking; coolants; calibration fluids for medical apparatus; de-icing fluids; de-icing fluids for car locks; windshield de-icer fluids; heat transfer fluids for industrial purposes; brake fluid; automatic transmission fluids; diesel exhaust fluid; magnetic fluid for industrial purposes; silicone fluids; transmission fluid; tree cavity fillers [forestry]; glaziers' putty; moderating materials for nuclear reactors; diatomaceous earth; fuller's earth for use in the textile industry; fly ash for general manufacturing use; sodium gold chloride; granulated limestone for agricultural purposes; agricultural lime; lime chloride; isotopes for industrial purposes; germination inhibitors [anti-sprouting agents]; active chemical ingredients for use in the manufacture of anti-cancer drugs; chemical humidity indicators in the form of strips, pellets and films; inulin for the food industry; calcium iodide; sodium iodide; ion exchangers [chemicals]; ytterbium; yttrium; iodine for industrial purposes; iodine for chemical purposes; aluminium iodide; silver iodide; alkaline iodides for industrial purposes; casein for the food industry; casein for industrial purposes; kainite; potassium; sorrel salt; californium; calomel [mercurous chloride]; calcium; calcium cyanide; gum arabic for industrial purposes; gum tragacanth for use in manufacture; tartar, other than for pharmaceutical purposes; camphor, for industrial purposes; calcined kaolin for industrial purposes; carbazole; tungsten carbide; calcium carbide; silicon carbide for industrial purposes; silicon carbide [raw material]; carbide; ammonium carbonate; lime carbonate; magnesium carbonate; sodium carbonate; lead carbonate; carbonates; cement [metallurgy]; lutetium [cassioptium]; catalysts; biochemical catalysts; catalysts for use in biochemical processes; catalysts for use in the manufacture of plastics; catalysts for use in the manufacture

of polymers; catalysts for use in the manufacture of industrial chemicals; catalysts for use in the manufacture of rubber; catalysts for use in chemical processes; catalysts for oxidation processes; catalysts for chemical and biochemical processes; catalysts for use in the oil processing industry; fluid cracking catalysts; petroleum cracking catalysts; catechu; caustics for industrial purposes; alum; ammonia alum; aluminium alum; ammonium alum; iron alum; manganese alum; sodium alum; chrome alum; quebracho for industrial purposes; ketones; kieserite; unexposed cinematographic films; cinematographic films, sensitized but not exposed; oxygen for industrial purposes; adipic acid; nitric acid; anthranilic acid; benzoic acid; boric acid for industrial purposes; valeric acid; tartaric acid; tungstic acid; gallic acid for the manufacture of ink; gallotannic acid; glutamic acid for use in the manufacture of cosmetics; glutamic acid for industrial purposes; tannic acid; iodic acid; phenol for industrial purposes; crotonic acid; citric acid for industrial purposes; methacrylic acid; lactic acid; monochloroacetic acid; formic acid; persulfuric acid; oleic acid; palmitic acid; picric acid; pyrogalllic acid; salicylic acid; sebacic acid; sulfuric acid; sulfurous acid; spirits of salt; stearic acid; sulfinic acids; carbonic acid; spirits of vinegar [dilute acetic acid]; phosphoric acid; phthalic acid; hydrofluoric acid; perchloric acid; chlorosulfonic acid; chloroacetic acid; cholic acid; chromic acid; oxalic acid; succinic acid; acids; benzene-based acids; fatty acids; fatty acids for industrial purposes; mineral acids; arsenious acid; nucleic acids for scientific purposes; chlorinated acids; adhesives for billposting; pool cue cement; adhesives for ornamental paving; adhesives for use in the manufacture of furniture; adhesives for ceramic tiles; leather glues; adhesives for floor tiles; adhesives for applying wall coverings; adhesives for wall tiles; adhesives for wallpaper; adhesives for bookbinding; adhesives for ceiling tiles; glue for industrial purposes; cement for mending broken articles; synthetic resin adhesives for industrial purposes; contact adhesives; contact adhesives for use with wood; contact adhesives for use with laminates; roofing adhesives; latex glue, other than for stationery or household purposes; gums [adhesives] for industrial purposes; birdlime; gelatin glue for industrial purposes; rubber cement for repairing pneumatic tires; gluten [glue], other than for stationery or household purposes; isinglass, other than for stationery, household or alimentary purposes; starch paste [adhesive], other than for stationery or household purposes; stem cells for research purposes; stem cells for scientific purposes; stem cells, other than for medical or veterinary purposes; collagen for industrial purposes; collodion; compost; compost, manures, fertilizers; fatty acid-based gasoline fuel conditioners; fatty acid-based diesel fuel conditioners; beer preserving agents; preservatives for cut flowers; preservatives for use in the pharmaceutical industry; chemical preservatives for use in the manufacture of soaps; chemical preservatives for use in manufacture of soap and vegetable oils; chemical preservatives for use in the manufacture of vegetable oils; chemical preservatives for use in the production of a wide variety of chemicals; chemical preservatives for use in bread making; chemical preservatives for silage; mangrove bark for industrial purposes; tan; starch for industrial purposes; starch for use in the manufacture of paper; starch for use in the manufacture of textiles; cresol; silica gel; magnesium silicofluoride; silicon; creosote for chemical purposes; cryolite; synthetic cryolite; krypton; xenon; xylene; xylenol; xylose; xylol; bacterial cultures for wastewater treatment; bacterial cultures for the food industry; biological tissue cultures, other than for medical or veterinary purposes; cultures of microorganisms, other than for medical and veterinary use; cultures of microorganisms used in the fermentation of silage; cumene; curium; lactitol for the food industry; lactose for use in the manufacture of foodstuffs; lactose for the food industry; lactose for industrial purposes; lactose [raw material]; lanthanum; dry ice [carbon dioxide]; lecithin for use in manufacture; lecithin for the food industry; lecithin for industrial use in the manufacture

of food products; lecithin for industrial purposes; lecithin [raw material]; lipids for use in manufacture; lithium; magnesite; manganate; solder mask [chemical preparations]; hydraulic oils; oils for tanning leather; oils for currying leather; oils for preparing leather in the course of manufacture; oils for the preservation of food; brominated vegetable oil for use as an emulsifier in the manufacture of food; transmission oil; carbolineum for the protection of plants; paper pulp; wood pulp; groundwood pulp; wood pulp for use in manufacture; dissolving pulp for use in manufacture; chemigroundwood pulp; grafting mastic for trees; mastic for leather; mastic for tires; putties and other paste fillers; oil cement [putty]; ceramic matrix composite [CMC] materials for use in manufacture; synthetic materials for absorbing oil; brazing preparations; ceramic materials in particulate form, for use as filtering media; blue vitriol; melamine; mercaptan; metalloids; metallocenes; rare earth metals; alkaline-earth metals; alkaline metals; methane; methanol; manganese metaphosphate; methylamine; methyl acetate; methyl benzene; methyl benzol; methylene chloride; methyl chloride; microorganisms for use in water treatment; natural microorganisms used in pond maintenance; rheology modifiers [chemicals] for use in the field of coating materials; ammonium molybdate; sodium molybdate; colostrum for the food industry; vinyl chloride monomers; carbon monoxide; flour for industrial purposes; tapioca flour for industrial purposes; potato flour for industrial purposes; bone meal [fertilizer]; soap [metallic] for industrial purposes; arsenic; bate for dressing skins; emollients for industrial purposes; animal manure; sodium; hypochlorite of soda; nitroparaffin; naphthalene; chlorinated naphthalenes; naphthylamine; sal ammoniac; toxic gas neutralizers; neodymium; neon; neptunium; aluminium nitrate; ammonium nitrate; barium nitrate; bismuth nitrate; ferric nitrate; potassium nitrate; calcium nitrate; manganese nitrate; sodium nitrate; lead nitrate; thorium nitrate; uranium nitrate; nitrates; barium nitrite; sodium nitrite; silver nitrite; nitronaphthalene; nitrotoluene; nitrophenol; assay samples for research purposes; biological tissue specimens for use in scientific research; chemical oxidants for use in the manufacture of printed circuits; combusting preparations [chemical additives to motor fuel]; nitrous oxide; baryta; calcium oxide; uranium oxide; zinc oxide for use in manufacture; oxalates; aluminium oxide; lithia [lithium oxide]; magnesium oxide; stannic oxide; lead oxide; silver oxide; sulfur dioxide; antimony oxide; titanium oxides; chromium oxide; zirconium oxide; iron oxides; cobalt oxide for industrial purposes; metallic oxides; nickel oxides; mercuric oxide; ethylene oxide; oxime; aluminium oxynitride; olivine [silicate mineral]; mold-release compounds for use in the fiberglass industry; mold-release preparations for use with concrete; organosilanes; gallnuts; purification preparations; wine finings; textile-brightening chemicals; beer-clarifying and preserving agents; must-finishing preparations; reducing agents for use in photography; bases [chemical preparations]; wax-bleaching chemicals; fat-bleaching chemicals; fermented rice bran for use in the manufacture of cosmetics; organic digestate [fertilizer]; paraldehyde; pectin for the food industry; pectin for industrial purposes; pectin [photography]; pepsins for industrial purposes; perborate of soda; humus top dressing; leaf mold [fertilizer]; calcium peroxide; percarbonates; sodium permanganate; barium peroxide; hydrogen peroxide for industrial purposes; ammonium persulfate; persulfates; ammonium perchlorate; perchlorates; perchloroethylene; foundry sand; pyrimidine; pyridine; pyrrole; plastisols; sensitized plates for offset printing; ferrotype plates [photography]; plasticizers; protein plastics, unprocessed; plastics, unprocessed; unprocessed plastic materials in powder, liquid or paste form; unprocessed plastics for industrial purposes; photosensitive films, unexposed; X-ray films, sensitized but not exposed; sensitized photographic films, unexposed; plutonium; artificial sweeteners for beverages; chemical coatings for ophthalmic lenses; chemical coatings for use in the manufacture of printed

circuit boards; polyols; polypeptides for scientific purposes; polysilazanes; polysilanes; polyurethane, unprocessed; polonium; chemically treated test strips for calibration of laboratory apparatus; chemically treated test strips, other than for medical purposes; test strips impregnated with reagents for testing swimming pool water; pulverized limestone for agricultural purposes; nucleic acid sequences, other than for medical or veterinary purposes; potash; potash water; soil for growing; soil amendments for horticultural purposes; soil amendments for agricultural purposes; chemical soil conditioners; artificial soil for plant cultivation; artificial soil for plant cultivation made from mineral materials; artificial soil for plant cultivation made from plastic materials; praseodymium; rubber preservatives; masonry preservatives, except paints and oils; brickwork preservatives, except paints and oils; cement preservatives, except paints and oils; preservatives for tiles, except paints and oils; biochemical precursors for scientific purposes; anti-freezing preparations; chemical spray preparations for stretching shoes; bacterial preparations for the food industry; bacterial preparations for the decomposition of animal waste; bacterial preparations, other than for medical and veterinary use; bacteriological preparations for acetification; bacteriological preparations, other than for medical and veterinary use; biological preparations for use in industry and science; biological preparations, other than for medical or veterinary purposes; biochemical preparations for scientific purposes; vulcanizing preparations; diagnostic preparations for scientific or research use; diagnostic preparations for scientific purposes; diagnostic preparations, other than for medical or veterinary purposes; renovating preparations for phonograph records; currying preparations for leather; currying preparations for skins; galvanizing preparations; in vitro diagnostic reagents for scientific purposes; tempering and soldering preparations; metal hardening preparations; fixing baths [photography]; opacifiers for glass; opacifiers for enamel; preparations for protecting plants against pathogens; separating and unsticking [ungluing] preparations; metal annealing preparations; metal tempering preparations; soldering preparations; soil improving preparations; preparations for preventing the tarnishing of lenses; preparations for preventing the tarnishing of glass; cement-waterproofing chemicals, except paints; plant growth regulating preparations; wallpaper removing preparations; anti-boil preparations for engine coolants; fulling preparations for use in the textile industry; fire extinguishing preparations; descaling preparations for industrial purposes; descaling preparations, other than for household purposes; fertilizing preparations; flashlight preparations; finishing preparations for use in the manufacture of steel; sizing preparations; animal carbon preparations; preparations of microorganisms, other than for medical and veterinary use; organic soil enhancement powders and preparations; fulling preparations; corrosive preparations; cryogenic preparations; dehydrating preparations for industrial purposes; degreasing preparations for use in manufacturing processes; degumming preparations; fuel-saving preparations; coal saving preparations; oil-bleaching chemicals; bleaching preparations [decolorants] for industrial purposes; nutrient preparations for plants; damp-proofing chemicals, except paints, for masonry; anti-sprouting preparations for vegetables; meat tenderizers for industrial purposes; preparations for stimulating cooking for industrial purposes; anti-incrustants; de-icing preparations; preparations of trace elements for plants; ferrous sulfate preparations to prevent chlorosis in plants; moistening [wetting] preparations for use in the textile industry; moistening [wetting] preparations for use in dyeing; moistening [wetting] preparations for use in bleaching; plant strengthening preparations; enzymes for use in water treatment; enzyme preparations for the food industry; enzyme preparations for industrial purposes; enzyme preparations for the alcohol industry; enzyme preparations for the detergent industry; enzyme

preparations for the beverage industry; enzyme preparations for the bakery industry; filtering preparations for the beverages industry; chemical preparations in the nature of glue accelerators; chemical preparations for repelling stains; chemical preparations to prevent mildew; chemical preparations to prevent wheat smut; chemical preparations for use in the manufacture of cosmetics; chemical preparations for use in the manufacture of pharmaceuticals; chemical preparations for use in industry; chemical condensation preparations; chemical water conditioners for aquaria; chemical preparations for smoking meat; chemical substances for analyses in laboratories, other than for medical or veterinary purposes; chemical preparations for glazing leather; chemical preparations for scientific purposes; chemical preparations for scientific purposes, other than for medical or veterinary use; chemical preparations for facilitating the alloying of metals; chemical preparations for the treatment of seeds; chemical preparations for brightening dyestuffs during manufacturing processes; chemical preparations for the treatment of water; chemical preparations for preventing scale formation; chemical preparations for preventing scale formation in hydronic heating and cooling systems; chemical preparations for testing swimming pool water; chemical preparations for the manufacture of paints; chemical preparations for the manufacture of pigments; chemical preparations which penetrate through walls, floors and ceilings used for fire prevention in buildings; chemical preparations for the dispersal of oil; chemical preparations for stabilizing soil; chemical preparations for melting snow and ice; engine-decarbonising chemicals; detergent additives for motor oil; probiotic bacterial cultures for the food industry; probiotic bacteria for the food industry; control samples for quality control testing of water; serum samples for scientific purposes; preparations of the distillation of wood alcohol; by-products of the processing of cereals for industrial purposes; chemical substances for preserving foodstuffs; benzene derivatives; cellulose derivatives [chemicals]; promethium; propylene [propene]; proppants for use in oil well and gas well hydraulic fracturing operations; protactinium; protamine; proteins for the food industry; proteins for use in the manufacture of food supplements; proteins for use in manufacture; protein [raw material]; mordants for metals; radium for scientific purposes; radon; rhamnose for industrial purposes; aromatic solvents for industrial and commercial use; solvents for use in the manufacture of insecticides; solvents for paints; solvents for paints, varnishes and lacquers; solvents for varnishes; anti-frothing solutions for accumulators; drilling muds; drilling muds for use in oil-well drilling; buffer solutions for use in analytical chemistry; buffer solutions for scientific purposes; galvanizing baths; solutions for cyanotyping; degreasing solvents for use in manufacturing processes; standard solutions for use in analytical chemistry; silver salt solutions for silvering; toning baths [photography]; etching solutions [acids]; antibody reagents for scientific purposes; diagnostic reagents for scientific use; reagents for medical research; reagents for scientific purposes; reagents for scientific purposes for use in nucleic acid isolation and purification; reagents for testing the sterility of medical equipment; chemical reagents for use in genetic research; chemical reagents for scientific purposes; chemical agents for the treatment of bilge water; chemical agents for impregnating cut flowers to preserve freshness; chemical agents for impregnating cut Christmas trees to preserve freshness; chemical agents for carbon dioxide sequestration; chemical reagents for genetic identity testing; chemical agents for acid removal in industrial manufacturing applications; chemical reagents for paternity testing; diagnostic reagents, other than for medical or veterinary purposes; reagents for research purposes; reagents for scientific or medical research use; reagents for testing the sterility of pharmaceuticals and injectable solutions; reagents for chemical analyses; reagents for use in scientific apparatus for chemical or biological analysis; chemical reagents, other than

for medical or veterinary purposes; plant growth regulators for agricultural purposes; unprocessed artificial resins, unprocessed plastics; resorcinol; rhenium; mercury; rubidium; carbon black for industrial purposes; soot for industrial or agricultural purposes; lamp black for industrial purposes; samarium; saccharin; selenium; saltpeter; semicarbazones; sulfur; silver nitrate; hydrogen sulfide; carbon disulfide; silanes; calcium silicate; sodium silicate; zinc silicate; silicates; aluminium silicate; silicones; scandium; topsoil; horticultural potting mixtures; foundry molding preparations; potting compost; potting soil; acrylic resins, unprocessed; ion-exchange resins [chemical preparations]; artificial and synthetic resins, unprocessed; unprocessed artificial resins for use in manufacture; unprocessed artificial resins for industrial purposes; unprocessed artificial resins as raw materials in the form of powders, liquids or pastes; urea-formaldehyde resins, unprocessed; silicone resins, unprocessed; melamine resins, unprocessed; polyamide resins, unprocessed; polyvinyl acetate resins, unprocessed; polyvinylidene chloride resins, unprocessed; polyvinyl chloride resins, unprocessed; polymer resins, unprocessed; polypropylene resins, unprocessed; polystyrene resins, unprocessed; polyurethane resins, unprocessed; polyethylene resins, unprocessed; polyester resins, unprocessed; synthetic resins, unprocessed; unprocessed synthetic resins for use in the manufacture of plastic molding compounds; unprocessed synthetic resins for use in the manufacture of molding compounds; unprocessed synthetic resins for use in the manufacture of cosmetics; radiation-curable unprocessed synthetic resins; thermally curable unprocessed synthetic resins; thermoplastic resins, unprocessed; phenolic resins, unprocessed; epoxy resins, unprocessed; soda ash; calcined soda; caustic soda for industrial purposes; nitrogen compounds; aliphatic compounds; barium compounds; perfluorinated chemical compounds prepared synthetically for use in manufacture; surface-active compounds; unprocessed synthetic resin compounds in the form of microspheres used to incorporate various other substances; fluorspar compounds; chemical compounds for curing concrete; ammoniacal salts; ammonium salts; salts of precious metals for industrial purposes; halogen acid salts; salts for galvanic cells; salt for preserving, other than for foodstuffs; salts for coloring metal; salts for industrial purposes; iron salts; gold salts; iodised salts; calcium salts; magnesium salts; sodium salts [chemical compounds]; salt, raw; salts from rare earth metals; mercury salts; toning salts [photography]; salts [fertilizers]; salts [chemical preparations]; chrome salts; chromic salts; salts of alkaline metals; salt for water softening; rock salt; rock salt for de-icing; mineral sorbents; chemical sorbents; mold-release preparations; mold-release compounds; mold-release compounds for use in the plastics industry; tire sealing compounds; fire extinguishing compositions; compositions for the manufacture of phonograph records; compositions for the manufacture of technical ceramics; compositions for repairing inner tubes of tires; compositions for repairing tires; fire extinguishing and fire prevention compositions; sizing compounds for use in manufacture; compositions for threading; acid proof chemical compositions; adhesives for use in the manufacture of wall coverings; adhesives for use in the manufacture of plywood; adhesives for use in the manufacture of surgical bandages; glutinous tree-grafting preparations; adhesive preparations for surgical bandages; flame-retardant compositions; fireproofing preparations; active chemical ingredients for use in the manufacture of insecticides; chemical compositions for waterproofing; chemical compositions for waterproofing articles of leather; chemical compositions for waterproofing articles of fabric; chemical compositions for waterproofing masonry; chemical compositions for use in chrome plating; chemical compositions for preserving foodstuffs; chemical compositions for metal plating; sauce for preparing tobacco; allyl alcohol; amyl alcohol; benzyl alcohol; vinic alcohol; alcohol for use in the manufacture of perfumes; alcohol for use in

the manufacture of paints and other coatings; alcohol for industrial purposes; wood alcohol; lauryl alcohol; sal ammoniac spirits; oleyl alcohol; cetyl alcohol; alcohol; ethyl alcohol; alloys of rare earth metals; de-icing sprays for windshields; de-icing sprays for door locks; adjuvants, other than for medical or veterinary purposes; cement for footwear; soil improving agents; fabric protectants for commercial dry cleaning use; fabric protectants; concrete preservatives, except paints and oils; detergents for industrial use as part of manufacturing operations; anticaking agents for use in the manufacture of animal feed; chemical agents for coating textiles, furs, leather, non-woven and woven fabrics; cell growth media for growing cells for use in scientific research; growing media for plants; soil stabilizers for roads, ponds and lakes; soil stabilizers for use in road construction; dough stabilizers for the food industry; enzyme stabilizers; chemical stabilizers for preserving foodstuffs; stannate; water glass [soluble glass]; stilbene; styrene; strontium; substrates for soil-free growing [agriculture]; substrates for hydroponics; peptide substrates for scientific purposes; enzyme substrates for scientific purposes; enzyme substrates; aluminium sulfate; ammonium sulfate; aluminium ammonium sulfate; barium sulfate; ferrous sulfate; potassium sulfate; magnesium sulfate; sodium sulfate; nickel sulfate; nickel ammonium sulfate; lead sulfate; silver sulfate; zinc sulfate; sulfates; ammonium sulfide; barium sulfide; cadmium sulfide; calcium sulfide; sodium sulfide; stannic sulfide; mercury sulfide; antimony sulfide; phosphorus sulfide; zinc sulfide; sulfides; benzoic sulfimide; sodium sulfite; sulfites for preserving foodstuffs; sulfonic acids; sumac for use in tanning; superphosphates [fertilizers]; soil surfactants used to promote uniform movement of water in soil; antimony; thallium; talc [magnesium silicate]; tannin; cream of tartar for the food industry; cream of tartar for industrial purposes; cream of tartar for chemical purposes; sodium tartrate; tellurium; terbium; sodium tetraborate; tetrachlorides; carbon tetrachloride; acetylene tetrachloride; tetraethyl lead; technetium; thymol for industrial purposes; thiocarbanilide; thiourea; sodium thiosulfate; thiophene; thioethers; titanite; blueprint cloth; sensitized cloth for photography; toluidine; toluidine; toluene; Thomas phosphate [fertilizer]; fuel for nuclear reactors; thorium; peat [fertilizer]; etchants for use in the manufacture of printed circuit boards; etchants for use in the manufacture of semi-conductors; gum tragacanth for industrial purposes; trypsin for industrial purposes; triphenylmethane; ferric chloride; gold trichloride; trichloroethylene; triethanolamine; triple superphosphate fertilizers; thulium; aromatic hydrocarbons; carbonic hydrates; carbon; carbon for industrial purposes; activated carbon; carbon for filters; animal charcoal; charcoal for use as a soil conditioner; charcoal for horticultural purposes; animal carbon; bone charcoal; blood charcoal; nitrogenous fertilizers; fertilizers for hydroponics; fertilizers; fish meal fertilizers; potassium fertilizers; calcined potassium fertilizers; complex fertilizers; manganese fertilizers; urea fertilizers; ammonium nitrate fertilizers; sodium nitrate fertilizers; ammonium sulfate fertilizers; potassium sulfate fertilizers; potassium chloride fertilizers; calcium silicate fertilizers; mixed fertilizers; calcium superphosphate fertilizers; ammonium chloride fertilizers; wood vinegar [pyroligneous acid]; dough conditioners for the food industry; uranium; uranates; urease for industrial purposes; chemical intensifiers for paper; chemical intensifiers for rubber; vulcanization accelerators; phenanthrene; phenylenediamine; phenothiazine for use in the manufacture of pharmaceuticals; milk ferments [bacteria preparations] used in making foodstuffs; enzymes for use in protein hydrolysis; enzymes for use in starch hydrolysis; enzymes for use in the tanning of leather; enzymes for use in the manufacture of pet food; enzymes for use in the manufacture of nutraceuticals; enzymes for use in the manufacture of fruit juice; enzymes derived from biotechnological processes for use in industry; enzymes for use in the dairy industry; enzymes for use in the processing of food by-

products; enzymes for use in the processing of sugar cane; enzymes for the brewing industry; enzymes for the food industry; enzymes for the beverage industry; enzymes for industrial purposes; enzymes for use in the textile industry; ferments for chemical purposes; enzymes for the bakery industry; milk ferments for the food industry; milk ferments for industrial purposes; milk ferments for chemical purposes; enzymes to assist in digestion for use in the manufacture of animal feeds; fermium; potassium ferricyanide; potassium ferrocyanide; ferrocyanides; photographic fixers; fixing solutions [photography]; histological fixatives; cytological fixatives; flavonoids [phenolic compounds] for industrial purposes; flocculants; metal welding flux; soldering fluxes; brazing fluxes; formaldehyde; formic aldehyde for chemical purposes; formate; phosgene; ammonium phosphate; phosphatides; manganese phosphate; calcium phosphate; sodium phosphate; phosphates; phosphates for water treatment; phosphates for potable water treatment; phosphates [fertilizers]; phosphine; phosphoproteins; phosphorus; photographic paper; photosensitive plates; sensitized photographic plates; photographic dry plates; unexposed photographic films; sensitized films, unexposed; photographic developers; photoresists; photographic sensitizers; chemical preparations for use in photography; photographic emulsions; francium; ethyl phthalate; fluorine; ammonium fluoride; calcium fluoride; magnesium fluoride; sodium fluoride; sodium aluminium fluoride; cerium fluoride; water-purifying chemicals for swimming pools; chemicals for use in the manufacture of paper; chemicals for the separation of crude oil from soil and water; chemicals for use in lithography; chemicals for use in metal plating; chemicals for use in the processing of natural rubber; chemicals for use in the processing of plastics; chemicals for use in the production of synthetic rubber; chemicals for use in the manufacture of solar cells; soil conditioning chemicals; chemicals for use in forestry, except fungicides, herbicides, insecticides and parasiticides; glass-frosting chemicals; leather-renovating chemicals; water treatment chemicals for use in swimming pools and spas; chemicals for treating hazardous waste; chemicals for X-ray film processing; glass-staining chemicals; enamel-staining chemicals; oil-separating chemicals; water-purifying chemicals; oil-purifying chemicals; wastewater treatment chemicals; wastewater treatment chemicals for industrial purposes; welding chemicals; condensation-preventing chemicals; stain-preventing chemicals for use on fabrics; anti-tarnishing chemicals for windows; leather-waterproofing chemicals; textile-waterproofing chemicals; chemicals for use in the manufacture of adhesives; chemicals, except pigments, for the manufacture of enamel; radiator flushing chemicals; chemicals for use in industry and science; leather-impregnating chemicals; textile-impregnating chemicals; horticultural chemicals, except fungicides, herbicides, insecticides and parasiticides; agricultural chemicals, except fungicides, herbicides, insecticides and parasiticides; water-softening chemicals; soil conditioning preparations; chemicals for photographic film processing; chemicals for use in chromatography; chimney cleaners, chemical; enamel and glass-staining chemicals; chemicals for use in forestry; chemicals for use in industry, science and photography; chemicals for use in science; chemicals for use in industry, science and photography, as well as in agriculture, horticulture and forestry; chemicals for use in horticulture; chemicals for use in agriculture; chemicals for use in agriculture, horticulture and forestry; industrial chemicals; color-brightening chemicals for industrial purposes; quinhydrone; chitosan for industrial purposes; refrigerants; coolants for vehicle engines; chlorine; sodium chlorate; chlorates; chlorine for swimming pools; hydrochlorates; liquid chlorine; aluminium chloride; ammonium chloride; barium chloride; bismuth chloride; potassium chloride; calcium chloride; magnesium chloride; manganese chloride; stannic chloride; mercuric chloride; silver chloride; phosphorus chloride; cerium chloride; zinc chloride; chlorides; gold chloride; metallic chlorides;

palladium chloride; chromium chloride; ethyl chloride; sodium chlorite; chloromethane; chloromethyl methyl ether; chloronitroanilines; hydrogen chloride; chloroprene; chlorofluorocarbons; sodium chromate; lead chromate; chromates; flowers of sulfur for chemical purposes; caesium; cellulase for use in the manufacture of detergents; cellulose; dissolving pulp; sulfite pulp; cerium; calcium cyanamide; potassium cyanate; hydrogen cyanide; potassium cyanide; sodium cyanide; silver cyanide; cyanides [prussiates]; cyanates; calcium cyanamide [fertilizer]; cyclamate; cyclohexane; cyclopentane; cymene; zirconium tetrachloride; loam; slag [fertilizers]; size for finishing and priming; size for walls; body fillers for use in the aerospace industry; putty for use by plumbers for affixing toilets; paste fillers for automobile body repair; spinel [oxide mineral]; alkalies; caustic alkali; chlor-alkalis; botanical extracts, other than essential oils, for use in making cosmetics; plant extracts, other than essential oils, for use in the manufacture of cosmetics; herb extracts, other than essential oils, for use in the manufacture of cosmetics; fermentation extracts for industrial purposes; tea extracts for the food industry; tea extracts for use in the manufacture of cosmetics; tea extracts for use in the manufacture of pharmaceuticals; battery electrolytes; active chemical ingredients for use in the manufacture of pharmaceuticals; radioactive elements for scientific purposes; rare earths; fissionable chemical elements; emulsifiers; emulsifiers for use in manufacture; emulsifiers for use in the manufacture of food; chloropropylene; erbium; erythritol for the food industry; erythritol for the beverage industry; ethane; ethanol for scientific purposes; ethylamine; ethylene; ethylene glycol; ethylene dichloride; ethylene chlorohydrin; ethyl iodide; ethyl carbamate; ethyl malonate; methyl ether; benzyl ether; sulfuric ether; glycol ether; fatty acid esters; methyl esters; ethers; esters; acetic acid esters; cellulose ethers for industrial purposes; cellulose esters for industrial purposes; ethyl ether.

Class 04

Biodiesel fuel; anthracite; benzine; motor spirit; petroleum; industrial gasoline; biomass fuel; wood briquettes; combustible briquettes; petroleum jelly for industrial purposes; montan wax; ozokerite; wax for use in coating food packaging materials; illuminating wax; industrial wax; belting wax; carnauba wax; paraffin wax; beeswax; beeswax for use in the manufacture of ointments; beeswax for use in the manufacture of candles; beeswax for use in the manufacture of cosmetics; Japan wax; wax [raw material]; gas for lighting; coal gas; oil-gas; liquefied petroleum gas; liquefied petroleum gases to be used for domestic and industrial purposes and in motor vehicles; liquefied natural gas; fuel gas; producer gas; gases for use as fuel; solidified gases [fuel]; fuel; alcohol and mixed alcohol fuel; solid fuels; wood pellets for heating [fuel]; pellets of compressed fiber manufactured from a plant crop to be used as fuel; glass granules used as sweeping compounds for chemical and other spills; fuel pellets; lubricating graphite; graphite as a lubricant; methylated spirits for fuel [denaturated fuel alcohols]; non-chemical additives for motor oil; additives, non-chemical, to motor fuel; kindling; firewood; fireplace logs; artificial fireplace logs; paper spills for lighting; charcoal lighter fluid; cigarette lighter fluid; cutting fluids; cutting oil for industrial metal working; lighter fluid; fish oil, not edible; lanolin; greases for the preservation of leather; illuminating grease; grease for leather; grease for footwear; tallow; industrial grease; kerosene; coke; lanolin for use in the manufacture of cosmetics and ointments; lanolin for use in the manufacture of cosmetics; ligroin; solid lubricants; wood spills for lighting; wax for skis; mazut; automotive engine oils; hardened oils [hydrogenated oils for industrial use]; fuel oil; oils for the preservation of leather; oils for paints; oils for releasing form work [building]; oils for the preservation of masonry; mold releasing oils; textile oil; leather-preserving oils and greases; mineral oils and greases for industrial purposes [not for fuel]; industrial oils and greases; lamp oils containing insect repellent; light

oils; mineral oil for use in the manufacture of cosmetics and skin care products; mineral oil for use in the manufacture of paint; mineral oil for use in the manufacture of metal cutting fluids; industrial oil for batteries; all-purpose penetrating oil; industrial oils and greases, wax; lubricating oil; lubricating oil for motor vehicle engines; lubricating oils and greases; industrial oil; conditioning oil for baseball gloves; moistening oil; coal tar oil; coal naphtha; castor oil for industrial purposes; bone oil for industrial purposes; lamp oil; linseed oil for use as a lubricant; motor oil; sunflower oil for industrial purposes; rape oil for lubricating machinery; vegetable oil for use in the manufacture of paints or soaps; soybean oil for use in the manufacture of paints and other coatings; rape oil for industrial purposes; lubricants; automotive lubricants; lubricants for aircraft engines; motor vehicle lubricants; lubricants for industrial machinery; graphite lubricants; industrial lubricants; all-purpose lubricants; naphtha; petroleum, raw or refined; crude oil; heavy oils; nightlights [candles]; oleine; paraffin; dust absorbing, wetting and binding compositions; dust removing preparations; soya bean oil preparations for non-stick treatment of cooking utensils; non-slipping preparations for belts; non-chemical additives for gasoline; non-chemical additives for oils and fuels; non-chemical additives for fuels; non-chemical additives for fuels, lubricants and greases; propane gas sold in cylinders for use in torches; propane gas; coal dust [fuel]; flux oil for use as an ingredient in asphalt; firelighters; firelighters for grills; perfumed candles; aromatherapy fragrance candles; Christmas tree candles; candles; votive candles; candles and wicks for lighting; tealight candles; tallow candles; candles containing insect repellent; automotive greases; drilling lubricants; grease for machines; grease for arms [weapons]; lubricating grease; grease for belts; lubricating grease for vehicles; general purpose greases; vaporized fuel mixtures; petroleum-based dust suppressing compositions; granular absorbent oil-based composition for absorbing spills from floors; dust absorbing compositions; dust binding compositions; dust wetting compositions; petroleum-based dust absorbing compositions; dust binding compositions for sweeping; dust laying compositions; alcohol [fuel]; methylated spirit; stearine; wood chips for smoking and flavoring foods; wood chips for smoking and grilling; wood chips for use as fuel; fuels, including motor spirit, and illuminants; gaseous fuels; liquid fuels; fuels and illuminants; aviation fuel; benzene fuel; diesel oil; fuel for motor vehicles; chafing dish fuel; lamp fuel; fuel for aircraft; fuel for aircraft and ships; fuel for lighters; lighting fuel; fuel for ships; heating oil; xylene fuel; mineral fuel; carburants; fuel with an alcohol base; fuels derived from crude oil; hydrocarbon fuels; peat briquettes [fuel]; peat [fuel]; tinder; lignite; charcoal briquettes; charcoal [fuel]; coal; coal briquettes; lamp wicks; wicks for oil lamps; wicks for candles; ceresine; tadox [charcoal briquettes]; electrical energy; ethanol [fuel]; petroleum ether.

Class 07

3D printers; truck cranes; reverse vending machines for recycling empty bottles and cans; reverse vending machines for recycling empty beverage containers; vending machines; coin-operated vending machines; vending machines, electric, for beverages or foods; welding machines, electric; shock absorbers for machines; construction machines and apparatus; electrolysis apparatus for electroplating; welding apparatus, gas-operated; electroplating apparatus; vulcanization apparatus; rubber vulcanizing apparatus; galvanizing apparatus; metal surface galvanizing apparatus; oxyacetylene welding apparatus; acetylene cleaning apparatus; high pressure washers; apparatus for drawing up beer under pressure; apparatus for aerating water; apparatus for aerating beverages; electrical apparatus for sealing plastics [packaging]; electric arc cutting apparatus; electric arc welding apparatus; electric welding apparatus; hydraulic machines and apparatus; mining machines and apparatus; pneumatic

machines and apparatus; inking apparatus for printing blocks; inking apparatus for printing machines; soldering apparatus, electric; fittings for engine boilers; lawn aerators [machines]; air brushes for applying paint; expansion tanks [parts of machines]; drums [parts of machines]; reels, mechanical, for flexible hoses; reels, electric, for garden hoses; brake shoes, other than for vehicles; grass trimmers, electric; concrete mixers [machines]; food blenders, electric; food blenders, electric, for household purposes; automotive engine blocks; reels [parts of machines]; bobbins for weaving looms; harrows; tractor-towed harrows; windlasses; journal boxes [parts of machines]; bulldozers; hoppers [mechanical discharging]; bits for mining machines; mine borers; drills for the mining industry; earth augers; power ice augers used in ice fishing; railway wagon lifts; rolling mill cylinders; tractor-towed hay rakes; crank shafts; rollers for barley processing machines; shafts for pumps; printing rollers for machines; camshafts; engine camshafts; camshafts for vehicle engines; transmission shafts, other than for land vehicles; valves [parts of machines]; fans for motors and engines; fans for machine engines; saw benches [parts of machines]; winnowers; concrete vibrators; concrete vibrators, electric; vibrators [machines] for industrial use; bearings [parts of machines]; bearing inserts for machines; bearings for transmission shafts, being parts of machines; mechanized horse walkers; water heaters [parts of machines]; bellows [parts of machines]; blowers for use with conveying systems; power blowers for lawn debris; hand-held milk frothers [whisks], electric; agitators; agitators for circulating liquid media; agitators for chemical processing; bushings [parts of machines]; exhausts for motors and engines; drilling rigs, floating or non-floating; gasoline lawn mowers; ride-on lawn mowers; lawnmowers [machines]; mechanical lawn mowers; lawnmowers, electric; impact wrenches; taps being machine tools; card clothing [parts of carding machines]; nail pullers, electric; emergency power generators; high-voltage generators; generators for wind turbines; generators for land vehicles; alternators; alternators for land vehicles; dynamos; bicycle dynamos; current generators; generators of electricity; wind-powered electricity generators; electric power generators for ships; electrostatic generators; hydraulic controls for motors and engines; hydraulic controls for machines; hydraulic conveyors; hydraulic torque converters, other than for land vehicles; hydraulic controls for machines, motors and engines; exhaust mufflers for motors and engines; mufflers for motors and engines; mufflers as part of vehicle exhaust systems; drilling heads [parts of machines]; core drilling bits; drilling bits [parts of machines]; cylinder heads for engines; soldering blow pipes, gas-operated; welding torches, electric; gas-operated blow torches; propane torches for use with roofing materials; propane torches for clearing vegetation; propane torches for clearing snow and ice; cutting torches; welding torches, gas-operated; raking machines; chasers [machine tools]; stalk separators [machines]; graders [earth moving machines]; sieves [machines or parts of machines]; mud catchers and collectors [machines]; tarring machines; rubber tracks being parts of crawlers on mining machines; rubber tracks being parts of crawlers on snow ploughs; rubber tracks being parts of crawlers on loading-unloading machines and apparatus; rubber tracks being parts of crawlers on agricultural machines; rubber tracks being parts of crawlers on construction machines; pressure transducers being parts of machines; gasoline engines, other than for land vehicles; internal combustion engines for power generation, other than for land vehicles; internal combustion engines for boats; hydraulic engines and motors; diesel engines for machines; diesel engines, other than for land vehicles; engines for aerostats; winch motors; aeronautical engines; engines and motors for model aircraft; engines and motors for model boats; engines and motors for model vehicles; engines for marine vessels; motors for passenger elevators; motors for elevators; aeroplane engines; engines for air cushion vehicles; motors, other than for land vehicles; aircraft engines; linear motors; compressed air

engines; direct current motors; rocket engines, other than for land vehicles; jet engines, other than for land vehicles; starter motors; starter motors for land vehicles; engines for boats; marine engines and parts and fittings therefor; driving motors, other than for land vehicles; propulsion mechanisms, other than for land vehicles; de-aerators for feedwater; disintegrators; tympan [parts of printing presses]; mounting hangers adapted for exhaust systems for internal combustion engines; holding devices for machine tools; pump diaphragms; turf removing ploughs; abrasive disks for power-operated sanders; disc harrows; rock drilling bits; hydraulic jacks; chisels for machines; trailer-mounted hydraulic jacks; jacks [machines]; rack and pinion jacks; jacks, electric; moving walkways; drills [power tools]; percussion hammer drills; hand-held percussion hammer drills; pneumatic drills, hand-held; electric hand drills; drills, electric; crushers, electric, for household purposes; food grinders, electric; food grinders, electric, for domestic use; food grinders, electric, for commercial use; crushers for kitchen use, electric; rotary hammers, electric; centrifugal grinding machines; flues for engine boilers; reapers; windrowers for agricultural machines; reapers and binders; tractor-towed reapers; millstones; vacuum pads for vacuum pump machines; countersinks; rakes for raking machines; grinders, electric, for household purposes; kitchen grinders, electric; shredders [machines] for industrial use; meat grinders, electric, for household purposes; waste disposal units, electric; food choppers, electric; tree stump cutters; garden chippers, electric; injectors for engines; incubators for eggs; ski edge sharpening tools, electric; clamping tools for holding piece parts during machining; gear cutters [machine tools]; metalworking machines and machine tools; tools [parts of machines]; hand-held tools, other than hand-operated; mechanically operated hand-held crimpers; agricultural implements, other than hand-operated; air-operated power tools; grinding tools [parts of machines]; power tools; air condensers; control cables for machines, engines or motors; capstans; calenders; rotary steam presses, portable, for fabrics; aquarium air stones [pumps]; ditchers [ploughs]; carburetters; carriages for knitting machines; crankcases for motors and engines; crankcases for machines; automobile oil pans; crankcases for machines, motors and engines; dishwasher racks [parts of dishwashers]; steamrollers; tractor-towed rollers; ignition coils [parts of engines]; positive crankcase ventilation [PCV] valves for motors and engines; automatic inlet control valves for reciprocating air compressors; valves being parts of pumps; pressure valves [parts of machines]; dosing valves [parts of machines]; pressure valves being parts of machines; back pressure valves being parts of machines; clack valves [parts of machines]; unloading check valves for the outlets of air compressors; proportional flow valves being parts of machines; pressure reducers [parts of machines]; exhaust gas recirculation [EGR] valves for motors and engines; pump control valves; control valves for regulating the flow of gases and liquids [parts of machines]; valves being parts of machines; valves [parts of pumps]; can openers, electric; pneumatic ratchet wrenches; ratchet wrenches, electric; buckets for earth moving machines; cowlings [parts of machines]; machine wheels; pump impellers; freewheels, other than for land vehicles; automotive intake manifolds; intake manifolds for motors and engines; scale collectors for machine boilers; headers being parts of vehicle exhaust systems; lasts for shoes [parts of machines]; block brakes, other than for land vehicles; brake pads, other than for vehicles; piston segments; grease rings [parts of machines]; reapers and threshers; food processors, electric, for household purposes; coal-cutting machines; air compressors; air compressors for vehicles; air pumps [garage installations]; compressors for air conditioners; compressors for machines; compressors for dehumidifying machines; compressors for refrigerators; compressors [machines]; reciprocating compressors; electric compressors; compressors being parts of machines, motors and engines; screw conveyors; belt conveyors; conveyors

[machines]; roller conveyors; chain conveyors; converters for steelworks; catalytic converters for motors and engines; aerocondensers; steam condensers [parts of machines]; air-cooled condensers; diggers [machines]; rams [machines]; thermic lances [machines]; utensil baskets for dishwashers; mechanized livestock feeders; mechanized feeders for wildlife; mechanized feeders for animals; boxes for matrices [printing]; gear boxes, other than for land vehicles; grease boxes [parts of machines]; rocker arms for motors and engines; polycrystalline diamond compact [PDC] drill bits for drilling machines; housings [parts of machines]; bearing housings for machines; tractor-towed mowers; harvesting machines; tractor-towed harvesters; steam engine boilers; coffee grinders, other than hand-operated; coffee grinders, electric; tower cranes; crawler cranes; taps [parts of machines, engines or motors]; cable cranes; roller bridges; floating cranes; cranes [lifting and hoisting apparatus]; gantry cranes [bridge cranes]; dock cranes; mobile dock cranes; water separators; fixed cranes; jib cranes; ball valves being parts of machines; spray guns for paint; cranks [parts of machines]; mounting brackets adapted for exhaust systems for internal combustion engines; abrasive wheels for power-operated grinders; potters' wheels; grindstones [parts of machines]; cultivators [machines]; power tillers; hedge cutters, electric; soldering lamps; winches; trawl winches; power winches; blades for power saws; ploughshares; abrasive belts for power-operated sanders; belts for conveyors; conveyor belts; band brakes, other than for land vehicles; flap discs for power-operated grinders; portable saw mills; line haulers; service elevators; passenger elevators; jig-saws [power tools]; food slicers, electric; chutes being parts of machines; lubricators [parts of machines]; ice crushers, electric; igniting magnetos; igniting magnetos for engines; handling machines, automatic [manipulators]; churns; matrices for use in printing; oil coolers for motors and engines; machine flywheels; lawn edgers, electric; cartoning machines; hair clipping machines for animals; asphalt paving machines; concrete finishing machines; concrete placing machines; paper machines; paper cutting machines; drilling machines and parts therefor; pasta makers, electric, for household purposes; vacuum packaging machines; blowing machines; wire drawing machines; die-cutting machines; embroidery machines; knitting machines; gas cutting machines; welding machines, gas-operated; galvanizing machines; bending machines; bending machines for metalworking; hydraulic machines; ironing machines; mineworking machines; decatizing machines; autogenous soldering machines; concrete paving machines; well drilling machines; blowing machines for the compression, exhaustion and transport of gases; blowing machines or fans for the compression, sucking and carrying of grain; net hauling machines [fishing]; electroplating machines; bottle sealing machines; sealing machines for industrial purposes; intaglio printing machines; milk homogenizing machines; embossing machines; engraving machines; finishing machines; crushing machines; ice crushing machines, electric; waste crushing machines; waste disposal units; dough kneading machines; blade sharpening [stropping] machines; knife sharpening machines; drill sharpening machines; earth moving machines; machines for making paper boxes; machines for making cardboard boxes; cord making machines; lace making machines; machines for making noodles; butter machines; machines for making miso; machines for manufacturing semi-conductors; cigarette machines for industrial purposes; machines for making soya sauce; sausage making machines; stereotype machines; machines for making powdered milk; hosiery looms; grinding machines; wood chipping machines; machines for shredding horticultural waste; paper calendering machines; oxyacetylene cutting machines; oxyacetylene welding machines; drop-forging machines; ice shaving machines, electric; composting machines; dyeing machines; laser welding machines; compression molding machines; bottle washing machines; pressure washing machines; dishwashers; floor washing

machines; paper coating machines; bottle filling machines; machines for filling containers with liquid; staple fiber cutting machines; wax-polishing machines, electric; wax-polishing machines, electric, for household purposes; wax-polishing machines, electric, for industrial purposes; racket stringing machines; leather-working machines; dairy machines; semi-conductor wafer processing machines; glass-working machines; machines for processing edible kelp; tobacco processing machines; machines for processing raw silk; barley splitting machines; grain husking machines; dip-dyeing machines; painting machines; ramie debarking machines; cleaning machines for ponds; oil refining machines; industrial machines for cleaning sand; peeling machines; fruit peelers, electric; cereal processing machines; machines for processing plastics; ore treating machines; printing machines for use on sheet metal; printing machines for use with ceramics; printing machines for use with textiles; brewing machines; plasma cutting machines; planographic printing machines; whitewashing machines; road sweeping machines, self-propelled; leather paring machines; stubble cutting machines; rice polishing machines; barley polishing machines; floor polishing machines; machines for making soda pops; machines for shaping geta [Japanese-style wooden clogs]; bitumen making machines; papermaking machines; machines for making paper bags; machines for making straw rope; machines for making corrugated cardboard; machines for manufacturing semi-conductor substrates; machines for making fish paste; machines for the production of sugar; machines for processing condensed milk; machines for making cigarettes; machines for making cheese; machines for making cigarette filter rods; machines for washing silkworm eggs; weeding machines; sifting machines; cinder sifters [machines]; chemical fiber spinning machines; puddling machines; manure spreading machines; fertilizer spreading machines; machines for sorting recyclable materials; fiber cutting machines; fodder cutting machines [feed cutters]; notchers [machine tools]; metal cutting machines; meat slicing machines; cheese slicing machines; machines for cutting plywood; bread cutting machines; egg slicing machines; machines for embossed printing; asphalt mixers [machines]; fodder mixing machines [feed mixers]; rice grain sorting machines; waste sorting machines; road making machines; railroad constructing machines; dry-cleaning machines; machines for the textile industry; rammers [machines]; rail-laying machines; bottle capping machines; bottle stoppering machines; packaging machines; machines for packaging food; waste compacting machines; plywood finishing machines; dethatchers [machines]; wire forming machines; cleaning machines for aviation engines; carpet cleaning machines; machines for cleaning surfaces using high-pressure water; floor scrubbing machines; rice husking machines; die-stamping machines; stamping machines; automatic stamping machines; darning machines; machines for extruding plastics; wire extruding machines; electrostatic coating machines; dredging machines; milking machines; drainage machines; leather tanning machines; wrapping machines; grain separators; machines and apparatus for the textile industry; floor polishing machines and apparatus, electric; injection plastic molding machines; machines and machine tools; bookbinding apparatus and machines for industrial purposes; machines and apparatus for cleaning, electric; machines and apparatus for carpet shampooing, electric; machines and apparatus for polishing [electric]; textile calendering machines; sizing machines; gluing machines for use with plywood; punching machines; riveting machines; forging machines; envelope inserting machines; debarking machines; textile dyeing machines; yarn twisting machines; kitchen machines, electric; belt sanding machines; timber harvesting machinery; electric wood sawing machines; foundry machines; injection molding machines; smoothing presses; fleshing machines; rinsing machines; vehicle washing machines; yarn winding machines; flour mill machines; type-setting machines [printing]; paper reeling machines; continuous casting machines; continuous metal casting

machines; strapping machines; hemming machines; grating machines for vegetables; braiding machines; wringing machines for laundry; cutting machines; cutting machines for metalworking; sand cleaning machines; floor sanders; floor edgers; steam engines; perforating machines for metalworking; sandblasting machines; printing machines; industrial printing machines; rotary printing presses; flexographic printing machines; metal sawing machines; compressed air machines; loading and unloading machines; skid-steer loaders; dishwashers for household purposes; dishwashers for industrial purposes; garden tilling machines; tilling machines for agricultural purposes; textile washing machines; trimming machines; spinning machines; dust collecting machines; filling machines; friezing machines; cutters [machines]; rotary grinding machines; satinizing machines; pile drivers; drilling machines for metalworking; agricultural machines; agricultural seed planting machines; mixing machines; blending machines for chemical processing; mechanical mixing machines; sorting machines for industry; machines, machine tools, power-operated tools; stitching machines; laundry washing machines for household purposes; washing machines [laundry]; industrial laundry washing machines; coin-operated washing machines; electric washing machines; electric washing machines for household purposes; electric washing machines for industrial purposes; clippers [machines]; construction machines; spinning frames; spin driers [not heated]; looms; textile tentering machines; kneading machines; wreckers [machines]; typographic machines; type-setting machines [photocomposition]; earth compacting machines; beating machines; scutching machines for the textile industry; beaters, electric; harvesters for agricultural use; sweepers, electric; coal loaders; bottling machines; packing machines; vacuum packing machines; filtering machines; filtering machines for chemical processing; photoengraving machines; molding machines; sewing machines; carding machines; industrial sewing machines; sanding machines for woodworking; wood grinding machines; hand-held grinders, electric; orbital sanding machines; sanders, electric; typecasting machines; extrusion molding machines; electric arc cutting machines; electric arc welding machines; electromechanical machines for chemical industry; labellers [machines]; mills for household purposes, other than hand-operated; windmills; pepper mills, other than hand-operated; mills [machines]; centrifugal mills; electric closing mechanisms for vehicle windows; machine wheelwork; hydraulic door openers and closers [parts of machines]; pneumatic door openers and closers [parts of machines]; electric opening mechanisms for vehicle windows; gears for passenger elevators; feeders [parts of machines]; gears for elevators; forge blowers; blenders, electric, for household purposes; mixers [machines]; vacuum cleaner bags; kitchen mixers, electric; electric hand-held mixers for household purposes; mixers, electric, for household purposes; electric fan units for vacuum cleaners; temperature-controlled food and beverage dispensing units in the nature of vending machines; automated washers for surgical, medical and laboratory equipment; multi-purpose high-pressure washers; hammer drills; threshing machines; rock drills [machines]; pneumatic hammers; hydraulic hammers; hammers [parts of machines]; tilt hammers; power hammers; reeling apparatus, mechanical; motorized cultivators; high-frequency motor spindles with high frequency electric converters and power supply units; motors for boats; electric motors for machines; electric motors for machines with a digital servo drive controller; electric motors and parts thereof, other than for land vehicles; clutches for machines; clutches and apparatus for power transmission, other than for land vehicles; clutches, other than for land vehicles; meat choppers [machines]; meat grinders, electric; superchargers; brake linings for machines; brake linings, other than for vehicles; cemented carbide tips for use with machine tools; guides for machines; automatic fuelling nozzles; suction nozzles for vacuum cleaners; fuel nozzles; non-automatic fuelling

nozzles; vacuum cleaner attachments for disseminating perfumes and disinfectants; aquarium pumps; aerating pumps for aquaria; gasoline pumps for service stations; metered gasoline pumps; vacuum pumps [machines]; windmill pumps; screw pumps; multiphase screw pumps; water pumps for baths; water pumps for whirlpool baths; electric water pumps for whirlpool baths; water pumps for spa baths; water pumps for water filtering units; electric water pumps; electric water pumps for baths; electric water pumps for spa baths; electric water pumps for swimming pools; compressed air pumps; high-pressure pumps for washing installations; hydraulic pumps; sludge pumps; refrigerant recovery pumps; pumps for land vehicle engines; reverse osmosis pumps; pumps for heating installations; beer pumps; pumps for counter-current swimming; centrifugal metering pumps; controlled volume pumps; sump pumps; macerator pumps; pumps and compressors being parts of machines, motors and engines; silt pumps; oil drain pumps; lubricating pumps; oil pumps for land vehicle engines; pumps [machines]; pumps [machines] for the beverage industry; positive displacement pumps; suction pumps; pneumatic pumps; submersible pumps; rotary lobe pumps; rotary pumps; pumps for cooling engines; oil-well pumping machines; fuel pumps for land vehicle engines; fuel pumps for service stations; self-regulating fuel pumps; fuel dispensing pumps for service stations; vertical turbine pumps; centrifugal pumps; pumps [parts of machines, engines or motors]; pumps being parts of machines, motors and engines; pumps, electric; electric pumps for aquariums; electric pumps for swimming pools; blades [parts of machines]; blades for earth moving machines; pizza cutters, electric; blades for electric food processors; knives for mowing machines; plow blades for vehicles; chaff cutter blades; knives, electric; lawn trimmers, electric; pneumatic shears; hedge shears, electric; shears, electric; scissors, electric; window cleaning equipment, electric; meat processing machines; semiconductor wafer processing equipment; canning machines; sawmills; silkscreen printing machines; vegetable spiralizers, electric; vegetable peelers, electric; engine mounts, other than for land vehicles; stands for hydraulic jacks; bearing brackets for machines; insecticide sprayers [machines]; pulverisers [machines]; axles for machines; steam cleaning machines; multi-purpose steam cleaners; steam traps; chucks [parts of machines]; drill chucks [parts of machines]; drill chucks for power drills; exhaust manifold for engines; soldering irons, gas-operated; soldering irons, electric; superheaters; transmission gears for machines; gears, other than for land vehicles; planetary gears, other than for land vehicles; reduction gears, other than for land vehicles; drilling machines; circular saws; circular saws for woodworking; band saws; scroll saws [machines]; saws [machines]; chain saws; chain saws, electric; pneumatic nail guns; nail guns, electric; glue guns, electric; compressed air guns for the extrusion of mastics; guns [tools using explosives]; rivet guns [power tools]; hot melt glue guns; carburetter feeders; feeding apparatus for engine boilers; mobile elevating work platforms; elevating work platforms; tile saws [power tools]; loading ramps; ploughs; tractor-towed plows; pneumatic controls for motors and engines; pneumatic controls for machines; pneumatic transporters; pneumatic controls for machines, motors and engines; loaders [earth moving machines]; front-end loaders; hangers [parts of machines]; anti-friction bearings for machines; shaft bearings [parts of machines]; engine bearings; bearings for machines; roller bearings for machines; roller bearings; self-oiling bearings; bearings for transmission shafts; bearings being parts of machines; ball-bearings; ball bearings for in-line skates; ball bearings for roller skates; ball bearings for skateboards; car lifts; hydraulic elevating apparatus; hoists; hydraulic hoists; mechanical hoists; pneumatic hoists; electric hoists; lifts, other than ski-lifts; stairlifts; elevators [lifts]; boat lifts; mechanical lifts for moving, parking and storing land vehicles; pulleys; saw blades [parts of machines]; water pumps for motors and engines; water pumps for land vehicle engines;

water pumps for swimming pools; shock absorber plungers [parts of machines]; pistons for engines; pistons for internal combustion engines; pistons for land vehicle engines; pistons for vehicle engines; pistons [parts of machines or engines]; pistons for compressors; pistons for machines; pistons for cylinders; catalytic converters; torque converters, other than for land vehicles; fuel conversion apparatus for internal combustion engines; trash compactors; hay balers; balers for agricultural use; tractor-towed hay balers; blanking presses; hydraulic presses for metalworking; ironing presses; laundry presses; wine presses; basket presses; clothing pressing machines, electric; fodder presses; presses for chemical processing; metal extrusion presses; punching presses for metalworking; presses [machines for industrial purposes]; mechanical presses for metalworking; printing presses; photogravure printing presses; industrial machine presses; typographic presses; plywood presses; swaging machines; hydraulic valve actuators; pneumatic valve actuators; linear actuators; drive devices for opening and closing vehicle doors; pedal drives for sewing machines; cleaning appliances utilizing steam; gaskets of metal for vehicle engines; gaskets, not of metal, for vehicle engines; broaches [machine tools]; food processors, electric; springs [parts of machines]; spinning wheels; punches for punching machines; vacuum cleaners; vacuum cleaners for household purposes; wet and dry vacuum cleaners; electric vacuum cleaners; tambours for embroidery machines; radiators [cooling] for motors and engines; mechanical spreaders; tractor-towed manure spreaders; sewage pulverizers; reamers [parts of machines]; distributors for vehicle engines; automatic sprayers for electrostatic painting; powder coating spray guns; air brushes for applying colour; fuel and air mixture regulators being parts of internal combustion engines; pressure regulators [parts of machines]; speed governors for motors and engines; speed governors for machines; speed governors for machines, engines and motors; regulators [parts of machines]; cutting blow pipes, gas-operated; knives [parts of machines]; rubber mixing machines; blade holders [parts of machines]; toolholders for metalworking machines [machine parts]; mining bits; tool bits for machines; pressure switches being parts of machines; loom shafts; gears for weaving looms; fan belts for land vehicle engines; belts for machines; belts for farm vehicle machines; timing belts for land vehicle engines; timing belts for machines; elevator belts; fan belts for motors and engines; dynamo belts; belts for motors and engines; transmission belts, other than for land vehicles; adhesive bands for pulleys; power transmission belts for machines; industrial robots; robotic vacuum cleaners; routers [machine tools]; robotic arms for industrial purposes; planers, electric; 3D printing pens; scarifiers [earth moving machines]; kick starters for motorcycles; joysticks being parts of machines, other than for game machines; stuffing boxes [parts of machines]; gaskets for internal combustion engines; paper feeders [printing]; whisks, electric, for household purposes; egg beaters, electric; pile extractors; bits for power drills; center drill bits being parts of machines; sparking plugs for internal combustion engines; glow plugs for Diesel engines; brake segments, other than for vehicles; tedding machines; steam/oil separators; oil separators; cream/milk separators; ball rings for bearings; dust separators; centrifugal separators; cyclone separators; servomotors; servomotors for sewing machines; wire mesh conveyor belts; alternating current servo motors; seed drills for agricultural machines; sowers [machines]; broadcast seeders; tractor-towed fertilizer distributors; tractor-towed broadcast seeders; exhaust systems for diesel engines; electronic ignitions for vehicles; catalytic converter units for vehicle exhausts; mechanical parking systems; pigs for cleaning pipes; snow throwers; snow ploughs; snow blowers; sheaf-binding machines; shaft couplings [machines]; shaft couplings being parts of machines; machine coupling and transmission components, other than for land vehicles, and parts therefor; machine coupling and transmission components, except for land vehicles; fruit presses, electric, for household

purposes; electric fruit squeezers; fruit juice extractors, electric; juice extractors, electric; chaff cutters; chaff cutters, electric; suction cups for milking machines; stands for machines; machine tools; internal grinding machines; die-cutting and tapping machines; nailing machines; woodworking machines; sharpening machines; tool grinding machines; key cutting machines; machine tools for working metals; woodworking lathes; metal forming machines; machine tools for breaking up road surface material; involute grinding machines; bicycle assembling machines; mortising machines; slotting machines for metalworking; gear cutting and finishing machines; glassware manufacturing machines and apparatus; stone-working machines; lawn edge trimmers [machines]; shearing machines, electric; metalworking machines; wood sawing machines; shaping machines for metalworking; lapping machines; lapping machines for metalworking; broaching machines for metalworking; radial drills; boring machines; boring machines for metalworking; threading machines; laser welding apparatus; milling-drilling machines; drill presses [machines]; wood drilling machines; cemented carbide machine tools; planing machines; planing machines for metalworking; wood planing machines; weaving looms; automatic looms; lathes [machine tools]; lathes for metalworking; milling machines; milling machines for metalworking; wood milling machines; plywood jointing machines; honing machines for metalworking; tenoning machines; trueing machines; grinding machines for metalworking; grinding machines with spiral bevel gears; metal drawing machines; rolling mills; starters for motors and engines; stators [parts of machines]; glaziers' diamonds [parts of machines]; push rods for motors and engines; extension bars for power tools; tables for machines; hydraulic lift tables; derricks; machine tool holders; slide rests [parts of machines]; couplings for machines; couplings, other than for land vehicles; pulley blocks, electric; heat exchangers [parts of machines]; heat sinks for use in machines; graters, electric; disc brakes for machines; brakes for machines; brakes for industrial machines; knife sharpeners, electric; scissor sharpeners, electric; crawler-tracked loaders; transmissions for machines; transmissions, other than for land vehicles; trench diggers; hedge trimmers [machines]; string trimmers for garden use; automotive exhaust pipes; exhaust pipes for land vehicle engines; boiler tubes [parts of machines]; wind turbines; air turbines, other than for land vehicles; hydraulic turbines; turbines, other than for land vehicles; steam turbines, other than for land vehicles; turbogenerators; turbocompressors; turbochargers for machines; connecting rods for machines, motors and engines; nitrogen oxide traps for exhaust systems being parts of internal combustion engines; industrial trash compacting machines; joints [parts of engines]; drilling rigs; central vacuum cleaning installations; wind-powered installations for generating electricity [wind farms]; suction machines for industrial purposes; hydroelectric installations for generating electricity [hydroelectric power plants]; brake flushing machines; laser welding devices; washing installations for vehicles; degreasers [machines]; dust exhausting installations for cleaning purposes; sifting installations; pneumatic tube conveyors; dust removing installations for cleaning purposes; condensing installations; plasma etching machines; pneumatic waste oil drainers; lifting apparatus; lifting installations for the transport of persons and goods; automatic floor scrubbers; air suction machines; fuel injection devices for internal combustion engines; dividing machines; igniting devices for internal combustion engines; door closers, hydraulic; door closers, pneumatic; door closers, electric; window closers, hydraulic; window closers, pneumatic; window closers, electric; washing apparatus; binding apparatus for hay; extractors for mines; door openers, hydraulic; door openers, pneumatic; door openers, electric; window openers, hydraulic; window openers, pneumatic; window openers, electric; curtain drawing devices, electrically operated; adhesive tape dispensers [machines]; anti-pollution devices for motors and engines; beverage

preparation machines, electromechanical; food preparation machines, electromechanical; drain augers, electric; elevator operating apparatus; control mechanisms for machines, engines or motors; shoe polishers, electric; ignition devices for land vehicle engines; machines and apparatus for wax-polishing, electric; air cushion devices for moving loads; handling apparatus for loading and unloading; elevating apparatus; mechanical elevating apparatus; aprons [parts of machines]; filter presses; air filters for automobile engines; particulate air filters for exhaust systems for internal combustion engines; air cleaners [parts of engines]; filters for motors and engines; filters for machines; filters for cleaning cooling air, for engines; dust filters for vacuum cleaners; oil filters; oil filters for motors and engines; particulate filters [parts of engines]; fuel filters; forging molds; molds [parts of machines]; printing plates; dies for use with machine tools; fuel injectors; end mills [machines]; thread milling cutters [machine tools]; milling cutters [machine tools]; collets for power tools; journals [parts of machines]; oil centrifuges; centrifugal machines; machining centers for metal working; machining centers; elevator chains [parts of machines]; driving chains, other than for land vehicles; cam chains; transmission chains, other than for land vehicles; cylinders for motors and engines; engine cylinders for land vehicles; rollers for rotary printing machines; printing cylinders; cylinders for machines; pneumatic jacks; mechanical engine parts for land vehicles; shuttles [parts of machines]; universal joints [Cardan joints]; engine rods; connecting rods for land vehicle engines; connecting rods for machines; gears for machines; cam sprockets; pulleys [parts of machines]; pulleys being parts of machines; vacuum cleaner hoses; sausage stuffers, electric; pneumatic grease guns; garden shredders, electric; paper shredding machines; stacking machines; screwdrivers, electric; rotary brushes for machines; dynamo brushes; brushes [parts of machines]; wire wheels for power-operated grinders; brushes for vacuum cleaners; wire brushes [parts of machines]; electrically operated brushes, being parts of machines; brushes, electrically operated [parts of machines]; carbon brushes [electricity]; brushes being parts of machines; brushes being parts of motors, generators and dynamos; ejectors; fuel economisers for motors and engines; excavators; hydraulic excavators; shovels, mechanical; power shovels; backhoes [earth moving machines]; agricultural elevators; mobile electric power generators; portable electric power generators; electric motors for operating vehicle windows; graphite electrodes for electric arc welding machines; electrodes for welding machines; electromechanical drive devices for opening and closing vehicle doors; electric hammers; electropneumatic drive devices for opening and closing vehicle doors; parquet wax-polishers, electric; cartridges for filtering machines; moving staircases [escalators]; automatic grapnels for marine purposes.

Class 09

Battery chargers for cellular phones; computer cables; microphone cables; optical cables; radio relay cables; power cables; telecommunication cables; feeder cables; electronic cables; battery cables; protective cases for smartphones; electronic load modules; 3D spectacles; DVD players; portable DVD players; FM transmitters; Global Positioning System [GPS] tracking and location devices; light-emitting diode [LED] televisions; liquid crystal display [LCD] monitors; liquid crystal display [LCD] televisions; portable MP3 players; Secure Digital [SD] memory cards; SIM cards; universal serial bus [USB] modems; autocollimators; ticket dispensers; coin-operated musical automata [juke boxes]; fire engines; answering machines; autotransformers; ethernet adapters; flash memory card adapters; telephone adapters; computer card adapters; radio frequency adapters; computer network adapters; power adapters; accumulators [batteries]; batteries for cellular phones; batteries for vehicles; batteries for electronic cigarettes; electrical cells and batteries; nickel-cadmium storage

batteries; accumulators, electric; accumulators, electric, for vehicles; electrolytic cells; actinometers; speaker systems consisting of loudspeakers and cabinets for use with loudspeakers; alidades; altimeters; ammeters; research laboratory analyzers for measuring, testing and analyzing blood and other bodily fluids; anemometers; residual gas analyzers; anodes; antennas; car antennas; antennas for wireless communications apparatus; radio signal antennas; antennas for telecommunications networks; microwave antennas; radio and television antennas; satellite antennas; television antennas; anticathodes; apertometers [optics]; telephone exchange apparatus; high-frequency apparatus; testing apparatus not for medical purposes; apparatus for the input, output, transmission and storage of data; apparatus for broadcasting, recording, transmission or reproduction of sound, data or images; apparatus for the reproduction of sound or images; remote control apparatus; electro-dynamic apparatus for the remote control of railway points; electro-dynamic apparatus for the remote control of signals; apparatus for recording images; apparatus for recording, transmission or reproduction of sound, images and data; apparatus for recording, transmission or reproduction of information; apparatus for recording, transmission, reception, processing or reproduction of sound, images or data; apparatus for monitoring and recording the performance of machinery; monitoring apparatus, other than for medical purposes; teaching and instructional apparatus; apparatus for processing electronic payments; apparatus for the transmission of sound or images; sound recording apparatus; apparatus and instruments for recording, transmission or reproduction of sound, data or images; apparatus and instruments for transferring, receiving and storing sound, images and data, both in digital and analog form; apparatus and instruments for microscopy; apparatus and instruments for scanning probe microscopy; apparatus and instruments for scanning ion microscopy; apparatus and instruments for scanning ion conductance microscopy; data processing apparatus and computers; optical viewing and recording apparatus; radio receiving and transmitting apparatus; radio and television apparatus; electronic telephone exchange apparatus; electronic surveillance apparatus; vacuum distillation apparatus for laboratory use; video transmission apparatus; Global Positioning System [GPS] apparatus; holography apparatus; distillation apparatus for scientific purposes; diffraction apparatus [microscopy]; air analysis apparatus; apparatus for broadcasting, recording, transmission or reproduction of sound or images; video recording apparatus; video playback apparatus; pressure recording apparatus; sound and image recording apparatus; sound recording and reproducing apparatus; apparatus for recording and reproducing speech; apparatus for recording, transmission or reproduction of sound; apparatus for recording, transmission or reproduction of images; signal transmission apparatus; apparatus to check franking; word processing apparatus; sound transmitting apparatus; apparatus for transmitting and reproducing sound or images; facsimile transmitting and receiving apparatus; apparatus for transmitting radio programs and radio relay messages; facsimile transmission machines; underwater breathing apparatus; testing apparatus for testing printed circuit boards; apparatus for fermentation [laboratory apparatus]; breathing apparatus for underwater swimming; breathing apparatus, except for artificial respiration; oxygen breathing apparatus, other than for artificial respiration; record playing apparatus and instruments; electrical communication machines and instruments; scientific, optical, measuring, signalling and checking apparatus and instruments; cinematographic apparatus and instruments; remote control apparatus and instruments; satellite receiving and transmission apparatus and instruments; photographic apparatus and instruments; drawing apparatus and instruments adapted for use with computers; electrical and electronic control apparatus and instruments; apparatus and installations

for the production of X-rays, not for medical purposes; cash registers; electronic cash registers; cinematographic apparatus; electric apparatus for commutation; magnetic resonance imaging [MRI] apparatus, not for medical purposes; navigation apparatus for boats; intercommunication apparatus; stills for laboratory experiments; projection apparatus; fire extinguishing apparatus; coin changers; radiological apparatus for industrial purposes; X-ray apparatus not for medical purposes; blueprint apparatus; flashing lights [luminous signals]; stereoscopic apparatus; manual telegraph apparatus; telecommunications apparatus for use with mobile networks; telecommunications apparatus for use with digital and analog signals; digital telephone switching apparatus; telephone apparatus; cordless telephone apparatus; mobile telephone apparatus with built-in facsimile systems; facsimile machines; portable facsimile machines; photovoltaic apparatus for converting solar radiation to electrical energy; phototelegraphy apparatus; igniting apparatus, electric, for igniting at a distance; electric apparatus for recording, transmission or reproduction of sound or images; electrical control, testing and monitoring apparatus; electrical and electronic control apparatus for use with apparatus or installations for ventilation; electrical and electronic control apparatus for use with apparatus or installations for heating; electrical and electronic control apparatus for use with apparatus or installations for air-conditioning; electric telecommunications apparatus; electronic animal identification apparatus; acid hydrometers; salinometers; armatures for use in electrical apparatus; attenuators; audio discs; prerecorded audio discs; blank audio discs; audio recordings featuring music; sound and video recordings; audio and video tapes; downloadable video and audio files; audio cassettes; prerecorded audio cassettes; blank audio cassettes; audio books; digital audio tapes; prerecorded music audio tapes; prerecorded non-musical audio tapes; blank audio tapes; audio tape recorders; digital audio recorders; audio equipment; digital audio players; prerecorded audio tapes; prerecorded audio tapes featuring music; prerecorded digital audio tapes; audio receivers; acidimeters for batteries; aerometers; electronic databases recorded on computer media; beacons, luminous; luminous beacons for safety or warning purposes; ballasts for fluorescent lamps; ballasts for gas discharge lamps; ballasts for halogen lamps; ballasts for halogen lights; electronic ballasts for lamps; buoyancy bladders for diving; battery jars; automated teller machines [ATM]; automatic paying-in and deposit machines; barometers; electric storage batteries; anode batteries; galvanic batteries; batteries for lighting; lithium batteries; nickel-cadmium batteries; rechargeable batteries; solar batteries; solar panels for the production of electricity; ignition batteries; dry cells; batteries, electric; rechargeable electric batteries; electrical cells; batteries; batteries for pocketlamps; batteries for electronic cigars; balances [steelyards]; freeware; betatrons; binoculars; hunting binoculars; field glasses; opera glasses; biomicroscopes; bioreactors for research use; bioreactors for cell culture; bioreactors for laboratory use; disposable plastic bioreactors for cell culture; biochips; electronic tags for goods; lens hoods for cameras; lens hoods; battery packs; computer chassis; voltage monitoring units; magnetic tape units for computers; computer memory devices; semi-conductor memory units; high-frequency switching power supplies; electronic power supplies; electrical fuse boxes; electrical power distribution blocks; borescopes; borescopes for inspecting work; boots for protection against accidents, irradiation and fire; fire hose nozzles; encoded identification bracelets, magnetic; connected bracelets [measuring instruments]; safety tarpaulins; electronic key fobs being remote control apparatus; bullet-proof clothing; trousers for protection against accidents, irradiation and fire; navigational buoys; signalling buoys; life buoys; luminous safety beacons; marking buoys; directional compasses; computer buffers; vacuum gauges; electrolyzers; wattmeters; variometers; webcams; fire buckets; internal cooling fans for computers [hardware]; central

processing unit [CPU] fans; verniers; scales; talking scales; baby scales; bathroom scales; letter scales for domestic use; letter scales for office use; weighing scales for medical purposes; pocket scales; letter scales; kitchen scales; electronic weighing scales for kitchen use; personal weighing scales; weighbridges; precision balances; scales with body mass analysers; calculating scales; electrical scales; electronic weighing scales for personal use; portable digital electronic scales; levelling staffs [surveying instruments]; video multiplexing apparatus; videodiscs; recorded videodiscs and tapes; prerecorded videodiscs; video recordings; downloadable video recordings; musical video recordings; downloadable video recordings featuring music; camcorders; video baby monitors; digital single-lens reflex [DSLR] cameras; digital video cameras; video cards; video cassettes; prerecorded video cassettes featuring music; prerecorded video cassettes featuring cartoons; prerecorded video cassettes; blank video cassettes; prerecorded music videos; prerecorded music videotapes; prerecorded non-musical videotapes; blank videotapes; digital video recorders; video mixers; video monitors; video equipment; combination video players and recorders; digital video players; videotapes and videodiscs recorded with animation; prerecorded videotapes; prerecorded videotapes featuring music; prerecorded videos; video receivers; video projectors; video processors; personal video recorders [PVRs]; video telephones; video accelerators; electronic display units; downloadable video files; video films; prerecorded motion picture videos; video screens; range finders for cameras; viewfinders, photographic; electrical plugs and sockets; micrometer screws for optical instruments; viscosimeters; circuit closers; static exciters; wavemeters; polarization-maintaining optical fibers; nonlinear optical fibers; voltmeters; DVD players and recorders; camera flashes; mechanical signs; signs, luminous; backlit signs; high-frequency switches; switchboxes [electricity]; electronic motion sensitive switches; light switches; electric light switches; power switches; rectifier tubes; current rectifiers; rectifiers [electricity]; downloadable electronic newspapers; gas testing instruments; gasifiers for laboratory use; gasometers [measuring instruments]; headsets; galvanometers; wireless headsets for use with cellular phones; hands-free kits for telephones; telephone headsets; typeface fonts recorded on magnetic media; heliographic apparatus; hygrometers; hydrometers; hydrophones; weights; gyrocompasses; gyrometers; gyroscopes; peepholes [magnifying lenses] for doors; depth gauges; print heads for plotters; print heads for computer printers; print heads for ink-jet printers; holograms; gravimeters; gramophones; LP records; computer graphics cards; downloadable computer graphics; plotters; X-Y plotters; woofers; loudspeakers with built-in amplifiers; loudspeaker units; weights for use with weighing scales; diving weights; sounding leads; plumb bobs; range finders; range finders for golf; transducers; automatic solar tracking sensors; proximity sensors; vibration sensors; vibration sensors for installation in windmill housings; gamma radiation detectors; pressure sensors; motion sensors; motion sensors for security lights; electronic sensors for measuring solar radiation; probes for testing semi-conductors; pollutant sensors; oxygen sensors, not for medical use; optical sensors; position sensors; distance sensors; touchscreen sensors; timing sensors; velocity sensors; temperature sensors; coolant-temperature sensors; air/fuel ratio gauges; ultrasonic sensors; ultrasonic object detectors for use on vehicles; level indicators; oil level sensors; acceleration sensors; television decoders; decorative switch plate covers, shaped; demodulators; demultiplexers; densimeters; densitometers; holders adapted for compact discs; holders and cases for compact discs and DVDs; holders for mobile telephones; in-car telephone handset cradles; detectors; gas sensors; smoke detectors; infrared detectors; polygraph machines, not for medical purposes; magnetic wall stud finders; fire detectors; combination carbon monoxide and smoke detectors; flame detection apparatus; radiation

detectors; radon detectors; heat detectors; carbon monoxide detectors; carbon dioxide detectors; ultrasonic detectors; counterfeit coin detectors; ultrasonic flaw detectors; joysticks for use with computers, other than for video games; interactive computer software; transparencies [photography]; slide projectors; diaphragms [photography]; dictating machines; digital voice recorders; tweeters; speakers for computers; speakers for portable media players; dynamometers; diode arrays; digital force gauges; diodes; silicon carbide diodes; light-emitting diodes [LED]; floppy disks; blank floppy disks for computers; computer diskettes; blank diskettes; blank CD-ROMs for sound or video recording; CD-ROMs containing electronic telephone directories; prerecorded CD-ROMs; prerecorded CD-Is [compact disc interactive]; DVDs; blank recordable DVDs; interactive DVDs; prerecorded DVDs; prerecorded fitness DVDs; prerecorded exercise DVDs; blank DVDs; blank discs for computers; hard drives for computers; blank hard disks for computers; hard disks for computers; miniature hard disk drive storage units; sound recording discs; laser discs; magneto-optical disks; disks, magnetic; blank magnetic disks; optical discs; blank optical disks; backup drives for computers; video game discs; computer game discs; circular slide rules; digital disk drives; DVD drives; disk drives for computers; computer disk drives and drivers; optical disk drives; juke boxes for computers; electrophoretic displays; wearable video display monitors; light emitting diode [LED] displays; touch sensitive display and control screens; electronic numeric displays; electronic advertising displays; electronic message displays; distillation columns for laboratory use; electronic diaries; DNA chips; rain gauges; spirit measures; radiation measuring apparatus; docking stations for MP3 players; docking stations for cellular phones; laptop docking stations; docking stations for digital music players; swim floats for safety purposes; electronic interactive whiteboards; electronic notice boards; daughterboards; choking coils for use in electrical apparatus; opacimeters; cable harnesses; electric wire harnesses for automobiles; liquid crystal displays [LCDs] for home theaters; bullet-proof waistcoats; life jackets; safety vests for water-skiing; flotation vests; life-saving vests for dogs; reflective safety vests; identification threads for electric wires; booms for microphones; contact lens blanks; downloadable software for instant messaging and electronic mail services; downloadable computer game programs; downloadable computer software for remote monitoring and analysis; downloadable podcasts; downloadable computer security software; nose clips for divers; nose clips for divers and swimmers; locks for vehicles, electric; radio-frequency controlled locks; locks, electric; power locks for motor vehicles; locks, electronic; shutters for cameras; lens shutters for cameras; optical shutters; magnetic cabinet door catches; alarm bells, electric; electric door chimes; electric door bells; call bells, electric; signal bells; bells [warning devices]; audio interfaces; audio recordings; musical sound recordings; downloadable musical sound recordings; sound projectors; acoustic conduits; pickups for telecommunication apparatus; mirrors for inspecting work; reflectors for microscopes; optical mirrors; electric signs; road signs, luminous or mechanical; marine depth finders; probes for scientific purposes; avalanche probes; buzzers; electronic buzzers; needles for surveying compasses; needles for record players; phonograph needles; downloadable computer games; eyewear; reflective articles for wear, for the prevention of accidents; glassware for laboratory use; measures; ampere-hour meters; vibration meters; pressure measuring apparatus; concentration meters; level gauges; sound level meters; simulators for the steering and control of vehicles; inverters [electricity]; pressure indicators; indicator lights for telecommunication apparatus; temperature indicators; chip coils; electrical inductors; incubators for bacteria culture; incubators for laboratory use; wire diameter measuring devices; instruments for measuring length; radioactivity measuring instruments; resistance measuring instruments; material testing instruments; measuring

instruments; electronic navigational and positioning apparatus and instruments; cosmographic instruments; mathematical instruments; electronic navigational instruments; levelling instruments; instruments containing eyepieces; surveying instruments; azimuth instruments; internet servers; internet telephones; graphical user interface software; interfaces for computers; interferometers; intranet servers; ionization apparatus not for the treatment of air or water; lithium-ion batteries; satellite finder meters; spark-guards; uninterruptible electrical power supplies; high-voltage power supplies; AC/DC power supplies; DC input power supplies; electrical power supplies; universal serial bus [USB] cables; guitar cables; ethernet cables; jump start cables; modem cables; cables for optical signal transmission; cables for electrical or optical signal transmission; cables for electrical signal transmission; cables for electrical and optical signal transmission systems; printer cables; electric cables and wires; coaxial cables; mineral insulated electric cables; fiber optic cables; cables, electric; calipers; go/no-go gauges; slide calipers; screw-tapping gauges; no-go ring gauges; go ring gauges; master ring gauges; calorimeters; calculating machines; pocket calculators; electronic pocket calculators; electronic desk calculators; electronic calculators; closed circuit television cameras; decompression chambers; video surveillance cameras; rearview cameras for vehicles; infrared cameras; cinematographic cameras; multi-purpose cameras; film cameras; cameras with linear image sensors; thermal imaging cameras; ducting for electric cables; electrical raceways; mouth guards for sports; life-saving capsules for natural disasters; electronic pens [visual display units]; karaoke machines; electronic card readers; computer monitor frames; mounting racks adapted for computer hardware; holders for electric coils; identity cards, magnetic; blank integrated circuit cards [blank smart cards]; video game cartridges; ink cartridges, unfilled, for computer printers; ink cartridges, unfilled, for photocopiers; games cartridges for use with electronic games apparatus; toner cartridges, unfilled, for printers and photocopiers; magnetically encoded debit cards; ethernet cards; encoded cards; sound cards; electronic identification cards; interface circuits for video cameras; interface cards for computers; interface cards for data processing apparatus; magnetically encoded key cards; electronic key cards; magnetically encoded credit cards; local area network [LAN] computer cards; local area network [LAN] computer cards for connecting portable computer devices to computer networks; encoded loyalty cards; magnetically encoded cards for carrying data; encoded prepaid magnetic cards; random access memory [RAM] cards; memory cards for video game machines; memory cards for cameras; memory cards [computer hardware]; integrated circuit [IC] memory cards; magnetically encoded gift cards; expansion boards for computers; encoded integrated circuit cards; encoded magnetic cards; microchip cards; prepaid telephone calling cards, magnetically encoded; multimedia accelerator boards; fax modem cards for computers; flash memory cards; riding helmets; protective helmets; carriers for dark plates [photography]; film magazines for cameras; video game cassettes; computer game cassettes; cash registers, calculating machines, data processing equipment, computers; cathodes; computer game cartridges; spools for cameras; choking coils [impedance]; magnetic coils; spools [photography]; coils, electric; electric resistors for telecommunication apparatus; electromagnetic coils; quantum dots [crystalline semi-conductor materials]; prerecorded motion picture films; cinematographic film, exposed; multifunction computer keyboards; computer keypads; keypads for security alarms; computer keyboards; keyboards for cellular phones; solenoid valves [electromagnetic switches]; terminal blocks; nose clips for swimmers; wire connectors [electricity]; thin client computers; encoded key cards; books recorded on disc; books recorded on tape; digital books downloadable from the Internet; electronic book readers; downloadable electronic books; digital notepads; electronic

agendas; push buttons for bells; measuring buckets; encoders; magnetic encoders; visors for helmets; flasks for laboratory use; collectors, electric; collimators; loudspeakers; portable vibration speakers; chromatography columns for laboratory use; vacuum distillation columns for laboratory use; colorimeters; calibrating rings; adapter rings for camera lenses; smart rings; ring sizers; protective suits for aviators; downloadable comic strips; commutators; automatic switchboards; compact discs; compact discs, DVDs and other digital recording media; compact discs [audio-video]; recorded compact discs; interactive compact discs and CD-ROMs; CD-Is [compact disc interactive]; prerecorded music compact discs; compact discs [read-only memory]; compact discs featuring music; prerecorded compact discs; blank compact discs; comparators; magnetic compasses; magnetic compasses for surveying; marine compasses; buoyancy compensator devices for divers; point-of-sale [POS] terminals; component parts for antennas; electronic components for gambling machines; electronic components for computers; compressed air bailout units for diving; computerized time clocks with fingerprint recognition; computer hardware for telecommunications; computer hardware and software for setting up and configuring local area networks; computer hardware and software for setting up and configuring wide area networks; computer software to automate data warehousing; computer software to enhance the audiovisual capabilities of multimedia applications; computer software for controlling self-service terminals; computer software that assists computers in deploying parallel applications and performing parallel computations; computer software to enable the transmission of photographs to cellular phones; computer game programs downloadable via the Internet; computer application software for cellular phones; computer programs for enabling access or entrance control; computer programs for processing digital music files; computer programs for using the Internet and the World Wide Web; computer programs for user interface design; computer programs for editing images, sound and video; computer programs for connecting remotely to computers or computer networks; computer programs for searching remotely for content on computers and computer networks; computer programs for document management; interactive multimedia computer programs; computer programs used for electronic cash register systems; computers; computers for use in data management; pocket computers for note-taking; hand-held personal computers; communications computers; navigation computers for cars; desktop computers; wearable computers; personal computers; laptop computers; tablet computers; notebook computers; hand-held computers; computers and instructional manuals in electronic format sold as a unit; electronic currency converters; microscope condensers; condensers [capacitors]; contacts, electric; contacts, electric, of precious metal; disc storage containers, shaped; ethernet controllers; wireless controllers to monitor and control the functioning of electronic devices, other than controllers for gaming apparatus; redundant array of independent disks [RAID] controllers; highway safety cones; decorative wind socks for indicating wind direction; wind socks for indicating wind direction; wind socks for indicating wind direction and intensity; traffic cones; computer network hubs, switches and routers; computer network hubs; boxes adapted for slides; branch boxes [electricity]; distribution boxes [electricity]; junction boxes [electricity]; battery boxes; cabinets for loudspeakers; diving suits; fire-resistant flying suits; wet suits for scuba diving; survival suits; waterproof survival suits for the prevention of drowning; speaker mounting brackets; galena crystals [detectors]; silicon chips; brackets for setting up flat screen television sets; ring buoys for use in water rescue; measuring cups; decorative covers, shaped, for smoke detectors; electric outlet covers, shaped; covers for electric outlets; central processing unit [CPU] coolers; jackets for protection against accidents, irradiation and fire; beakers [laboratory glassware]; logs [measuring instruments]; laser diodes;

lasers, not for medical purposes; lasers for measuring; lactodensimeters; lactometers; vacuum tubes [radio]; flashlamps for cameras; flashlights [photography]; microscope lamps; darkroom lamps [photography]; vehicle breakdown warning lamps, other than parts of vehicles; thermionic tubes; amplifying tubes; electron tubes; thermionic valves for radios; blank magnetic computer tapes; blank tapes for storage of computer data; head cleaning tapes for video recorders; head cleaning tapes for audio cassette recorders; head cleaning tapes [recording]; tape measures; magnetic tapes; videotapes; audio tapes; blank magnetic tapes for tape recorders; audio tapes featuring music; surveying chains; warning streamers; fire escapes; computer game tapes; yardsticks; rulers [measuring instruments]; square rulers for measuring; slide-rules; levelling rods for surveying; graduated rulers; folding rulers; anti-reflective lenses; lenses for microscopes; telescopic lens sights; ophthalmic lenses; lenses for sunglasses; lenses for telescopes; optical condensers; contact lenses; correcting lenses [optics]; optical lenses; optical lenses for sunglasses; magnifying lenses; electricity conduits; sounding lines; measuring spoons; local area networks; magnifying glasses [optics]; thread counters; illuminometers; magnetometers; audio cassette recorders; digital audio tape recorders; magnets; decorative magnets; decorative refrigerator magnets; close-up lenses; refrigerator magnets; crash test dummies; resuscitation mannequins [teaching apparatus]; mouse [computer peripheral]; pressure gauges; high-pressure manometers; boost gauges; tire pressure gauges; security tokens [encryption devices]; network routers; computer network routers; ski goggles; goggles for motorcyclists; skin diving masks; scuba masks; divers' masks; solderers' helmets; protective masks; oxygen masks, not for medical purposes; flame-retardant balaclavas; swim masks; face-shields for protection against accidents, irradiation and fire; dust masks; respiratory masks, other than for artificial respiration; welding masks; snow goggles; materials for electricity mains [wires, cables]; automated bank note sorting machines; concrete testing machines; material testing machines; plastic testing machines; cement testing machines; credit card encoding machines [computer peripherals]; ticket cancelling machines; voting machines; money counting and sorting machines; coin counting and sorting machines; textile testing machines; time and date stamping machines; cinematographic machines and apparatus; telecommunication machines and apparatus; screw-thread measuring machines and instruments; surface roughness testing machines and instruments; material testing instruments and machines; metal strength testing machines; metal hardness testing machines; metal compression testing machines; electrostatic copying machines; fire trucks; digital color photocopiers; rotating signalling lights; furniture especially made for laboratories; megaphones; portable media players; copper panels for circuit boards; diaphragms [acoustics]; acoustic membranes used in sound recording or reproducing apparatus; diaphragms for scientific apparatus; metal detectors; metal detectors for industrial or military purposes; hand-held security wands; digital weather stations; metronomes; carpenters' rules; rules [measuring instruments]; dressmakers' measures; folding rules; bellows for cameras; mechanisms for coin-operated apparatus; mechanisms for counter-operated apparatus; vehicle wheel alignment machines; electronic locking mechanisms for safes; coin-operated mechanisms for vending machines; coin-operated mechanisms for television sets; shutter releases [photography]; microcomputers; microcontrollers; micrometers; microprocessors; secure microprocessors; microchips [computer hardware]; microscopes; biological microscopes; metallurgical microscopes; microscopes for operations; polarizing microscopes; electron microscopes; microcircuits; semi-conductor chips; microtomes; microfiche; microphones; microphones for telecommunication apparatus; microphones for communication devices; microphone mixers; audio mixers; sound mixers with integrated

amplifiers; minicomputers; modems; external modems; internal modems; cable modems; rectifier modules; memory expansion modules; integrated circuit modules; lightning rods; oxygen monitors, not for medical purposes; monitors [computer hardware]; monitors [computer programs]; gas flow monitors; digital signage monitors; touchscreen monitors; monocles; selfie sticks [hand-held monopods]; computer network bridges; downloadable digital music; downloadable digital music provided from MP3 Internet web sites; digital music downloadable from the Internet; multiplexers; electric cable connectors; terminals [electricity]; junction sleeves for fiber optics; junction sleeves for electric cables; computer mice; wireless computer mice; computer chipsets for use in transmitting data to and from a central processing unit; teeth protectors; temperature indicator labels, not for medical purposes; knee-pads for workers; pipette tips for laboratory use; headphones; in-ear headphones; headsets for use with computers; headsets for cellular phones; headsets for telephones; music headphones; photographic negatives; netbooks [computers]; surveyors' levels; electronic telephone dialers; magnetic data carriers, recording discs; magneto-optical and optical data carriers; machine-readable data carriers; prerecorded data carriers for use with computers; sound recording carriers; magnetic data media; magnetic and optical data carriers; prerecorded magnetic data carriers; blank magnetic data carriers; machine-readable data carriers recorded with programs; optical data media; digital recording media; socks for protection against accidents, irradiation and fire; electronic sheet music, downloadable; virtual reality software; virtual reality game software; wide area network [WAN] operating software; compiler software; software for computer telephony; computer software, recorded; software for GPS navigation systems; instant messaging software; downloadable instant messaging software; software for processing images, graphics and text; software for optical character recognition; internet messaging software; electronic mail software; downloadable electronic mail software; software for satellite navigation systems; computer game programs; educational software for children; virtual private network [VPN] operating software; universal serial bus [USB] operating software; sheaths for electric cables; protective sheaths for fiber optical cables; protective covers for smartphones; protective covers for electronic book readers; identification sheaths for electric wires; clear protective covers adapted for MP3 players; clear protective covers adapted for cellular phones; clear protective covers adapted for personal digital assistants [PDAs]; clear protective covers adapted for smartphones; universal serial bus [USB] hardware; virtual private network [VPN] hardware; weighing machines; gas chromatography apparatus for laboratory use; sound reproduction equipment; karaoke equipment; local area network [LAN] hardware; electric and electronic musical effects equipment; word processing equipment; paging equipment; apparatus for conducting, switching, transforming, accumulating, regulating or controlling electricity; card reading equipment; computer component testing and calibrating equipment; sound recording equipment; electronic testing apparatus for use in the field of telecommunications; computer hardware; computer hardware for network access servers; punched card machines for offices; peripheral equipment for computers and data processing equipment; semi-conductor devices; life saving apparatus and equipment; telecommunications equipment; photographic equipment; electronic equipment for detecting mines; shoes for protection against accidents, irradiation and fire; shoes for protection against accidents and fire; lenses for astrophotography; lenses for video cameras; lens barrels for microscopes; selfie lenses; lens barrels for telescopes; objectives [lenses] [optics]; lenses for photographic apparatus; egg-candlers; fire extinguishers; flashing safety lights; rescue laser signalling flares; electrified fences; limiters [electricity]; clothing for protection against accidents, irradiation and fire; clothing for protection against fire; asbestos

clothing for protection against fire; clothing for protection against chemicals and radiation; articles of protective clothing for wear by motorcyclists for protection against accident or injury; clothing for protection against accidents; insulated clothing for protection against accidents or injury; clothing and footwear for protection against accidents, irradiation and fire; clothing and gloves for use in welding for protection against accidents or injury; reflective apparel and clothing for the prevention of accidents; clothing especially made for laboratories; odometers; ozonisers [ozonators]; octants; eyepieces; ohmmeters; operating system programs; computer operating programs; wrist rests for use with computers; wrist rests for use with computer keyboards; eyeglass frames; frames for sunglasses; monocle frames; fiber optics; protective eyewear; sports eyewear; optical disks featuring music; computerized personal organizers; digital organizers; oscillographs; oscillators; plumb lines; reflectors for traffic signals; mirrors [optics]; glacier glasses; diving goggles; safety goggles; welding goggles; goggles and masks for protection against dust; night vision goggles; eyeglasses; swim goggles; dust goggles; sunglasses; goggles for sports; electronic collars to train animals; integrated software packages; packaged software; finger sizers; disk memories; audio mixing desks; video mixing desks; liquid crystal display [LCD] panels; thin film transistor liquid crystal display [TFT-LCD] panels; electronic indicator panels; audio and video mixing desks; plasma display panels; touch pads for computers; touch pads; signalling panels, luminous or mechanical; plasma display panel [PDP] televisions; control panels for elevators; electroluminescent display panels; radio pagers; electronic pagers; pince-nez; electronic pocket translators; intercoms; emergency signal transmitters; wireless transmitters; transmitters [telecommunication]; Global Positioning System [GPS] transmitters; cable television transmitters; optical transmitters; remote control transmitters; radar transmitters; radio frequency transmitters; satellite transmitters; telephone transmitters; digital transmitters; transmitters of electronic signals; ethernet switches; change-over switches for telecommunication apparatus; piezoelectric switches; computer network switches; switches, electric; plug adapters; converters for electric plugs; periscopes; computer peripherals and accessories; gloves for divers; gloves for protection against accidents; gloves for protection against accidents, irradiation and fire; gloves for protection against X-rays for industrial purposes; asbestos gloves for protection against accidents; disposable latex gloves for laboratory use; fire-resistant gloves; disposable gloves for laboratory use; disposable plastic gloves for laboratory use; light pens; furnaces for laboratory experiments; furnaces for laboratory use; microwave ovens for laboratory use; pyrometers; electron guns; planetarium projectors; planimeters; plane tables [surveying instruments]; graphics tablets; phonograph records featuring music; plates for batteries; silicon wafers for integrated circuits; single-crystal silicon wafers; silicon wafers; semi-conductor wafers; solar wafers; electrical outlet plates, shaped; computer software platforms; computer software platforms, recorded or downloadable; graphics cards; wafers for integrated circuits; PC cards; satellite processors; computer accelerator boards; memory boards; audio circuit boards; motherboards; computer motherboards and daughterboards; multilayer printed wiring boards; video circuit boards; electronic circuit cards; printed circuit boards; printed circuit boards incorporating integrated circuits; electrical circuit boards; computer plug-in cards; electric switch plates; electronic circuit boards; compact disc players; cassette players; MP3 players; protective films adapted for computer screens; protective films adapted for smartphones; color separation films; sound recording strips; X-ray films, exposed; films, exposed; life-saving rafts; digital plotters; radio frequency repeaters; wrist rests for computer mouse users; laboratory trays; notebook computer cooling pads; wafers for solar cells; arm rests for use with computers; digital signs; racks adapted for amplifiers; computer

stands specially designed for holding a computer, printer and accessories; microphone stands; thermosensitive temperature indicator strips; semi-conductors; electronic semi-conductors; polarimeters; personal digital assistants [PDAs]; fire pumps; computer parallel ports; computer serial ports; measuring glassware; weight belts for diving; support belts for workers; life belts; fuses for telecommunication apparatus; fuses; circuit breakers; preamplifiers; acoustic transformers; analog-to-digital converters; transmultiplexers; rotary converters; cable television converters; electronic power converters; DC/DC converters; low profile DC/DC converters; level converters; digital-to-analog converters; frequency converters; converters, electric; electroacoustic transducers; telerupters; food analysis apparatus; apparatus for verifying data on magnetically encoded cards; diagnostic apparatus, not for medical purposes; distance recording apparatus; apparatus for the recording of sound or images; apparatus for recording, transmission or reproduction of sound or images; apparatus for recording, transmission, processing and reproduction of sound, images or data; sound measuring apparatus; luminescence measuring devices; radioactivity measuring apparatus; distance measuring apparatus; speedometers for vehicles; speed measuring apparatus [photography]; appliances for measuring the thickness of leather; apparatus for measuring the thickness of skins; diesel oil emission testers; speed checking apparatus for vehicles; apparatus for controlling static electricity; dust emission monitors; apparatus for processing, transmitting and storing database information; teaching apparatus; microhardness testers; smoke alarm testers; voltage testers; continuity testers; time recording apparatus; hemline markers; apparatus for testing vehicle brakes; apparatus for testing vehicle transmissions; magnetic head cleaning apparatus; magnetic tape cleaning apparatus; power distribution or control machines and apparatus; measuring apparatus; optical frequency metrology devices; digital panel meters; measuring devices, electric; astrometric apparatus and instruments; apparatus and instruments for astronomy; surveying apparatus and instruments; weighing apparatus and instruments; apparatus and instruments for recording, transmission or reproduction of sound or images; measuring and testing machines and instruments; teaching and instructional apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; satellite broadcast receiving and decoding apparatus and instruments; measuring apparatus and instruments; checking [supervision] apparatus and instruments; measuring and control apparatus and instruments; laboratory apparatus and instruments; nautical apparatus and instruments; multimedia apparatus and instruments; navigational instruments; scientific apparatus and instruments; scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking [supervision], life-saving and teaching apparatus and instruments; optical apparatus and instruments; teaching apparatus and instruments; data communication apparatus and instruments; telecommunications apparatus and instruments; apparatus and instruments for physics; photographic and cinematographic apparatus and instruments; photographic, cinematographic and optical apparatus and instruments; chemistry apparatus and instruments; electronic navigational, tracking and positioning apparatus and instruments; particle flow monitors; particle emission monitors; boiler control instruments; meteorological instruments; coffee measures; naval signalling apparatus; observation instruments; navigation apparatus for vehicles [on-board computers]; satellite navigational apparatus; scientific apparatus; optical inspection apparatus for industrial use; LORAN navigation machines; regulating apparatus, electric; sensors [measurement apparatus], other than for medical use; automatic telegraph apparatus; telecommunications apparatus; telecommunication apparatus in the form of jewellery; digital

telecommunications apparatus; precision measuring apparatus; electrical controls for irrigation sprinkler systems; photovoltaic apparatus and installations for generating solar electricity; electronic apparatus for testing the sterility of medical equipment; electronic apparatus for testing the sterility of pharmaceuticals and injectable solutions; electrophoresis apparatus, not for medical purposes; CD-ROM drives; CD drives for computers; external computer hard drives; floppy disk drives; hard disk drives; audio- and video-receivers; wireless receivers; Global Positioning System [GPS] receivers; cable television receivers; optical receivers; remote control receivers; radar receivers; radar receivers with amplifiers; radio frequency receivers; satellite receivers; television receivers [TV sets]; transceivers; radio transceivers; optical transceivers; prisms for microscopes; prisms for scientific purposes; prisms for telescopes; prisms for optical purposes; prisms [optics]; computer software applications, downloadable; photo printers; printers for use with computers; xerographic printers; laser printers; daisy wheel printers; dot matrix printers; ink-jet printers; thermal printers; color printers; color laser printers; ink-jet color printers; digital color printers; retorts' stands; apparatus for changing record player needles; wrist rests for use with computer peripherals; drainers for use in photography; cleaning apparatus for sound recording discs; fire beaters; metering apparatus for dispensing perfumes in measured quantities; boresighters [alignment apparatus for firearm sights]; telescopic sights; telescopic riflescopes; telescopic bow sights for archery; telescopic sights for firearms; telescopic sights for guns; telescopic sights for artillery; test tubes; plug gauges; go/no-go plug gauges; pressure indicator plugs for valves; probes for testing integrated circuits; magnetic wires; winding wires [electricity]; power wires; resistance wires; telegraph wires; telephone wires; wires, electric; copper wire, insulated; conductors, electric; fuse wire; DVD burners; computer hardware and software for database management; computer hardware and software; computer software, firmware and hardware; software; BIOS [basic input/output system] software; bioinformatics software; computer software for computer-aided design/computer-aided manufacturing [CAD/CAM]; computer software for administration of local area networks; computer software for wireless content delivery; computer software for wireless network communications; computer software for two or three-dimensional simulation for use in design and development of industrial products; decoder software; software for Internet access; computer software for accessing information directories that may be downloaded from a global computer network; privacy protection software; e-mail security software; video games software; computer software for application and database integration; computer whiteboard software; computer software for use in programming facsimile machines; local area network [LAN] operating software; industrial process control software; computer software for controlling and managing access server applications; computer software for encryption; music composition software; computer programs and software for image processing used for cellular phones; computer software for word processing; computer software for processing digital images; computer software for processing digital music files; computer software for converting document images into electronic formats; credit screening software; desktop publishing software; computer software for communicating with users of hand-held computers; data compression software; computer software for Global Positioning Systems [GPS]; scanning software; computer software for creating searchable databases; computer software for use in creating and designing websites; computer software for organizing and viewing digital images and photographs; computer software for creating and editing music and sounds; computer software for controlling the operation of audio and video devices; computer groupware; communications software; communications software for connecting global computer networks; communications software for

connecting computer network users; computer graphics software; computer communications software to allow customers to access bank account information and transact bank business; computer software; computer shareware; multimedia software recorded on CD-ROM; downloadable cloud computing software; computer search engine software; embedded operating software; computer e-commerce software to allow users to perform electronic business transactions via a global computer network; computer video game software; computer firmware; software for diagnostics and troubleshooting; computer programs, recorded; video game programs; consumer video game programs; data processing programs; software for searching and retrieving information across a computer network; software for creating, facilitating, and managing remote access to and communication with local area networks and global networks; PDF creation and conversion software; programs recorded on electronic circuits for amusement apparatus with liquid crystal screens; computer screen saver software, recorded or downloadable; interactive video game programs; interactive computer game programs; electronic game software; electronic game programs; computer hardware and firmware; interactive multimedia software for playing games; computer hardware and software for providing secure remote access to computer and communication networks; computer programs and software; computer software for business purposes; computer software for arcade apparatus and games; computer software for data and document capture, transmission, storage and indexing; computer software for use in automating and managing business processes; computer software for use in providing multiple user access to a global computer information network; computer programs for data processing; computer software for image processing; computer software for transmission of sound and video messages; computer software to enable searching of data; computer programs for connecting to remote computers and computer networks; computer software for synchronizing data between hand-held or portable computers and host computers; computer software for the creation of firewalls; computer software for database management; computer software for facsimile, electronic mail, voice mail or Internet messaging; computer programs, downloadable; computer software downloaded from the Internet; computer game software downloadable from a global computer network; computer game software downloadable via a global computer network and wireless devices; interactive multimedia computer game programs; recorded computer game programs; computer programs and software for image processing; computer programs and computer software for electronic trading of securities; computer software for use in the field of telecommunications for providing electronic transmission of documents and facsimile transmission; computer software and telecommunications apparatus, including modems, to enable connection to databases and the Internet; computer software and telecommunications apparatus, including modems, to enable connection to databases, computer networks and the Internet; computer software and telecommunications apparatus, including modems, to enable connection to databases, computer networks, global computer networks and the Internet; computer software and telecommunications apparatus to enable connection to databases and the Internet; computer firewall software; computer operating system software; educational computer software; computer video game software and manuals in electronic format sold as a unit; computer game software and manuals in electronic format sold as a unit; computer software for data processing; data processing programs recorded on machine-readable data carriers; computer operating programs, recorded; application software; interactive entertainment software for use with computers; downloadable interactive entertainment software for playing video games; downloadable interactive entertainment software for playing computer games; web site development software; network operating system programs; computer

utility programs; electronic game software for wireless devices; electronic game software for hand-held electronic devices; electronic game software for cellular phones; computer software programs; computer software products; projectors; home theater projectors; projectors for the entertainment industry; picture projectors; liquid crystal display [LCD] projectors; cinematographic projectors; multimedia projectors; photography projectors; digital projectors; record players; audio cassette players; audio cassette players for automobiles; audio cassette and compact disc players; videodisc players; video cassette players; video compact disc players; digital audio tape players; cassette players for cars; digital compact disc players; artificial limbs for medical instruction purposes [teaching apparatus]; gas masks; data processors; raster image processors; digital signal processors; processors [central processing units]; rods for water diviners; electronic publications [downloadable] provided on-line from databases or the Internet; electronic publications, downloadable; electronic publications [downloadable] provided from databases or the Internet; electronic publications recorded on computer media; remote controls; remote controls for stereos; remote controls for radios; remote controls for televisions; infrared remote controls; digital mixing desks; distribution consoles [electricity]; control panels for security alarms; remote controls for air-conditioning apparatus; control panels [electricity]; computer workstations [hardware]; radar detectors; radar guns for sporting events; radar apparatus; maritime patrol radars; heat sinks for use in computers; radio apparatus and instruments; vacuum tubes; masts for wireless aerials; audio baby monitors; radio transmitters; transmitting sets [telecommunication]; radios; radio receivers; car radios; vehicle radios; radio transmitters and receivers; mobile radios; short-range radios; two-way radios; radiotelephones; radio tuners; sprinkler systems for fire protection; power strips with movable sockets; threaded electrical cable connectors; connectors for electronic circuits; jack cables; power connectors; plug-in connectors; round plug connectors; electrical connectors; frames for photographic transparencies; slide film mounts; screens for photoengraving; flow gauges; flowmeters; walkie-talkies; data loggers; voltage surge protectors; regulators for use in scuba diving; oxygen regulators; power controllers; electronic power controllers; voltage regulators; voltage regulators for vehicles; induction voltage regulators; stage lighting regulators; light dimmers [regulators], electric; static voltage regulators; electrical signal attenuators; speed regulators for record players; electrical charge controllers; cell switches [electricity]; washing trays [photography]; resonators; marking gauges [joinery]; T-squares for measuring; time switches, automatic; differential switches; relays for radio and television stations; relays, electric; lanyards [straps] for cameras; lanyards [straps] for cellular phones; lanyards for safety purposes for fall protection; safety harnesses, other than for vehicles or sports purposes; safety restraints, other than for vehicle seats and sports equipment; chin straps for American football helmets; X-ray photographs, other than for medical purposes; rheometers; rheostats; ethernet repeaters; respirators for filtering air; retorts; repeaters for radio and television stations; reflectors for telescopes; optical reflectors; refractometers; refractors; grids for batteries; downloadable ring tones and graphics for cellular phones; ring tones, graphics and music downloadable via a global computer network and wireless devices; security surveillance robots; downloadable telephone ring tones; laboratory robots; teaching robots; humanoid robots with artificial intelligence; speaking tubes; horns for loudspeakers; subwoofers; subwoofers for vehicles; saccharometers; waveguides for high-power beam delivery; optical fibers [light conducting filaments]; lens filters for cameras; polymer light-emitting diodes [PLED]; traffic lights; railway signals; traffic-light apparatus [signalling devices]; dog whistles; signalling whistles; sports whistles; sextants; projected capacitive touch sensors; infrared sensors; liquid level sensors; level sensors; computer network

servers; communications servers [computer hardware]; network servers; computer servers; network facsimile servers; electronic mail servers; inductors [electricity]; magnetic cores; computer networking hardware; operating software for network access servers; wide area networks; electrical cabling; safety nets; nets for protection against accidents; burglar alarms; fire alarms; gas leak alarms; smoke alarms; security alarms; personal security alarms; electronic burglar alarms; fire alarms in the shape of Christmas tree ornaments; personal alarms; anti-theft alarms, other than for vehicles; signals, luminous or mechanical; sirens for vehicles; vehicle driving simulators for training purposes; sirens; computer operating software; loudspeaker systems; video surveillance systems; Global Positioning Systems; public address systems; static grounding systems and apparatus; biometric identification systems; laser measuring systems; computer systems; access control and alarm monitoring systems; biometric access control systems; electronic access control systems for interlocking doors; data processing systems; computer operating systems; anti-intrusion alarms; fire extinguishing systems; biometric voice recognition systems; pattern recognition systems composed of computer chips, computer hardware and software; satellite navigation systems; satellite-aided navigation systems; speakerphones; video imaging systems; biometric scanners; biometric fingerprint scanners; image scanners; scanners [data processing equipment]; optical scanners; handheld scanners; biometric hand scanners; biometric retinal scanners; snap gauges; slide film, exposed; hand-held electronic dictionaries; electronic dictionaries; integrated circuit cards [smart cards]; encoded smart cards; blank smart cards; smartglasses; smartphones; smartwatches; gas mixers for laboratory use; fiber optic couplings; connections for electric lines; fiber optic connectors; couplings, electric; connectors [electricity]; electronic connectors; optical fiber connectors; plug connectors; sonars; sound locating instruments; lighting ballasts; resistances, electric; math coprocessors; spectrograph apparatus; astronomical spectrographs; spectrometers; spectrophotometers; speed indicators; bicycle speedometers; alcoholmeters; sports training simulators; shutter releases for cameras; satellites for scientific purposes; wide area network [WAN] hardware; head guards for martial arts; head guards for boxing; head guards for karate; protection devices for personal use against accidents; audiovisual teaching apparatus; computer software development tools; electronic control gears [ECGs] for LED lamps and light fixtures; voltage stabilizers; measuring jugs; tire balancing machines for land vehicles; electronic docking stations; charging stations for electric vehicles; radiotelegraphy sets; radiotelephony sets; automatic telephone exchanges; spectacle lenses; anti-glare glasses; optical glass; glass dryers for laboratory use; speedometer testers; automobile stereo adapters; stereomicroscopes; stereo headphones; stereo receivers; personal stereos; stereoscopes; stereo tuners; stereo amplifiers; computer styluses; racks adapted for loudspeakers; video camera stands; stands for use with operating microscopes; stands for photographic apparatus; mounting racks adapted for telecommunications hardware; laboratory countertops; editing machines for cinematographic films; stroboscopes; fire boats; sulfimeters; carrying cases adapted for computers; bags adapted for laptops; bags specially adapted for cameras and photographic equipment; supercomputers; superminicomputers; drying racks [photography]; spherometers; integrated circuits; large-scale integrated circuits; electronic integrated circuits; printed circuits; electronic circuits; counters; water meters; gas meters; Geiger counters; parking meters; kilometer recorders for vehicles; revolution counters; electricity meters; abacuses; memory card readers; radio-frequency identification [RFID] readers; optical disk readers; electronic indicator boards; electronic scoreboards; mechanical egg timers; digital egg timers; kitchen timers; kitchen timers, electronic; egg timers [sandglasses]; electronic timers; taximeters; electronic

taximeters; public telephones; ear plugs for divers; satellite dishes; tachometers; radio-frequency identification [RFID] tags; television apparatus; car televisions; plasma televisions; organic light-emitting diode [OLED] televisions; telegraphs [apparatus]; television cameras; television transmitters; telescopes; zenith telescopes; teleprompters; teleprinters; cellular telephone apparatus; telephones; mobile telecommunications handsets; cordless telephones; cellular phones; cellular phones having large keys and numbers that assist users having impaired vision or dexterity; digital cellular phones; satellite telephones; digital telephones; strain gauges; theodolites; precision theodolites; transits for surveying; electronic terminals for generating lottery tickets; terminals for radiotelephones; secure terminals for electronic transactions; interactive touch screen terminals; computer terminals; electronic payment terminals; thermistors; thermo-hygrometers; thermometers for laboratory use; meat thermometers; digital meat thermometers; household thermometers; thermometers, not for medical purposes; digital thermometers, not for medical purposes; thermocouples; thermostats; thermostats for vehicle engines; thermostats for vehicles; antifreeze testers; crucibles [laboratory]; thyristors; thickness gauges; ultrasonic thickness gauges; tone arms for record players; toner cartridges, unfilled, for printers; toner cartridges, unfilled, for photocopiers; totalizers; local area network [LAN] access points; local area network [LAN] access points for connecting network computer users; transistors [electronic]; ethernet transceivers; transponders; protractors [measuring instruments]; high-voltage transformers; electrical transformers for telecommunication apparatus; electric voltage transformers; step-up transformers; step-down transformers; distribution transformers; welding transformers; electronic power transformers; flyback transformers; electric transformers for toy trains; transformers [electricity]; flight simulators; resuscitation training simulators; flight simulators for aircraft; electronic sports training simulators; vehicle breakdown warning triangles; triodes; starter cables for motors; discharge tubes, electric, other than for lighting; diving snorkels; scuba snorkels; laboratory storage tubes; capillary tubes; neon signs; Pitot tubes; X-ray tubes not for medical purposes; glass tubes for scientific purposes; telephone receivers; phototubes; meridian transit telescopes; car broadcasting tuners; carbon nanotubes for use in extremely small scale electronic and mechanical applications; angle gauges; squares for measuring; electrical extension cords; gauges; quantity indicators; digital torque gauges; safety markers; fuel gauges; water temperature gauges; temperature gauges; exhaust gas temperature gauges; gasoline gauges; water level indicators; vehicle dipsticks; electric loss indicators; light-emitting electronic pointers; laser pointers; slope indicators; plastic and cardboard cases adapted for the storage of record albums; levels [instruments for determining the horizontal]; water level gauges; mercury levels; plumb levels; spirit levels; urinometers; amplifiers for bass guitars; guitar amplifiers; amplifiers; amplifiers for musical instruments; audio frequency amplifiers; power amplifiers; optical semiconductor amplifiers; radio frequency amplifiers; video frequency amplifiers; graphics accelerators; particle accelerators; electric and electronic video surveillance installations; electric installations for the remote control of industrial operations; automatic telephone dialers; automatic switching apparatus for telecommunications; self-timers for cameras; automatic chromatography apparatus for laboratory use; baby monitors; apparatus for testing smoke detectors using an aerosol spray; apparatus for testing carbon monoxide detectors using an aerosol spray; apparatus for testing heat detectors using an aerosol spray; input devices for computers; visual display units; video display units; steering apparatus, automatic, for vehicles; balancing apparatus; electronic lock assemblies; video recorders; video recorders for automobiles; video recorders for cars; sound reproduction apparatus; automatic ticket dispensers; invoicing machines;

video cassette recorders; tape recorders; devices for the recording, transmission and playback of sound and images; apparatus for the recording, transmission, amplification and reproduction of sound; apparatus for recording, storage, transmission and reproduction of sounds and images; protection devices against X-rays, not for medical purposes; voltage surge suppressors; radiation measuring instruments; luminous flux meters; battery testers; railway traffic safety appliances; data processing apparatus; optical character recognition [OCR] apparatus; video digitizers; oxygen transvalving apparatus; mobile data receivers; theft prevention installations, electric; apparatus for checking the authenticity of banknotes; brake fluid testers; circuit testers; film cutting apparatus; drying apparatus for photographic prints; optical character readers; card readers for credit cards; card readers for magnetically encoded cards; magnetic tape erasers; centering apparatus for photographic transparencies; flash memory card readers; electronic encryption units; dosage dispensers; railway signal apparatus, luminous or mechanical; CD-ROM writers; programmable digital television recorders; DVD recorders; buffer memory devices [computer hardware]; memory devices for use with data processing apparatus; electronic memory devices; mains chargers; cellular phone battery chargers for use in vehicles; battery chargers; battery chargers for use with telephones; chargers for electric batteries; chargers for electronic cigarettes; buzzers, electric; acoustic alarms; audio recorders; electronic sound pickups for guitars and basses; telecommunication devices and apparatus; acoustic meters; electronic metering devices for faucets; signalling apparatus and instruments; sounding apparatus and machines; currency authentication apparatus and equipment; automatic ion exchange chromatography apparatus for laboratory use; apparatus for editing cinematographic film; cathodic anti-corrosion apparatus; encoding and decoding apparatus; couplers [data processing equipment]; wireless computer peripherals; Global Positioning System [GPS] navigation devices; desk or car mounted units incorporating a loudspeaker to allow a telephone handset to be used hands-free; radio signal tuners; wearable activity trackers; data processing equipment; signal processors; vehicle tracking devices; anti-theft warning apparatus; power mixers [audio apparatus]; computer peripheral devices; personnel tracking devices; semi-conductor memory devices; anti-interference devices [electricity]; automated laundry detergent dispensers; demagnetizing apparatus for magnetic tapes; event recorders; emergency light bars for vehicles [luminous signals]; acoustic couplers; alarms; vibrating alarms as reminders to take medication; fog signals, non-explosive; adding machines; whistle alarms; card readers; chip card readers; readers [data processing equipment]; bar code readers; heat regulating apparatus; electronic personal alarm devices; portable flash memory devices; photovoltaic installations for generating electricity [photovoltaic power plants]; photocopiers [photographic, electrostatic, thermic]; data storage devices; computer network-attached storage [NAS] hardware; electronic apparatus for wireless reception, storage and transmission of data and messages; electronic imaging devices; electronic apparatus for the remote control of signals; electronic circuits and CD-ROMs recorded with automatic performance programs for electronic musical instruments; electronic circuits and CD-ROMs recorded with programs for hand-held games with liquid crystal displays; electric and electronic effects units for musical instruments; electronic broadcasting apparatus; ear buds; phase modifiers; downloadable ring tones for mobile phones; downloadable image files; downloadable music files; animated cartoons; anti-glare filters for computer monitors; anti-glare filters for televisions; filters for antennas; computer screen filters; filters for optical devices; filters for radio interference suppression; filters for respiratory masks; filters for television sets; filters for ultraviolet rays, for photography; inductance capacitance filters; optical filters; color filters for

liquid crystal display [LCD] screens; color filters for television and cinematographic cameras; warning flags; USB flash drives; magic lanterns; signal lanterns; optical lamps; phonographs; cameras [photography]; 35mm cameras; underwater cameras; photographic cameras for the instant production of pictures; cameras for self-developing films; disposable cameras; view cameras; plate cameras; digital cameras; digital cameras for industrial use; digital single lens reflex cameras; compact digital cameras; photodiodes; glazing apparatus for photographic prints; shutters [photography]; darkrooms [photography]; photometers; flash-bulbs [photography]; camera film, exposed; digital photo frames; photoresistors; photosensors; enlarging apparatus [photography]; photoelectric cells; photovoltaic cells; photovoltaic cells and modules; cases for compact discs; cases for compact discs or DVDs; cases for diskettes and compact discs; containers for contact lenses; cases for laptops; eyeglass cases; carrying cases specially adapted for computer printers; containers for microscope slides; cases for smartphones; cases for sunglasses; cases for sunglasses and protective eyewear; cases adapted for photographic equipment; storage wallets adapted for compact discs; cases for electronic diaries; protective cases for MP3 players; protective cases for cellular phones; protective cases for personal digital assistants [PDAs]; protective cases for tablet computers; protective cases for electronic book readers; leather cases for cellular phones; cellular phone cases made of leather or imitations of leather; cellular phone covers made of cloth or textile materials; cases adapted for cellular phones; cases especially made for photographic apparatus and instruments; chromatography apparatus for laboratory use; chronographs for use as specialized time recording apparatus; chronographs [time recording apparatus]; coelostats; laboratory centrifuges; eyeglass chains; chains for sunglasses; chains and cords for sunglasses; cyclotrons; decorative dials for thermostats; compasses for measuring; blank digital audio tapes; frequency meters; central processing unit [CPU] clocks; time clocks [time recording devices]; polyethylene measuring cups; Petri dishes for laboratory use; Petri dishes; paper covers for telephone receivers; DVD cases; cases for pocket calculators; binders adapted for compact discs; covers for cellular phones; carrying cases for radio pagers; sleeves for laptops; covers for personal digital assistants [PDAs]; covers for tablet computers; covers for smartphones; covers for telephone receivers; cases for telephones; fire blankets; dust covers for computers, shaped; chip cards; electronic chip cards; encoded electronic chip cards; encoded electronic chip cards for identifying particular users of computers and cellular phones; computer chipsets; chips [integrated circuits]; computer chips; electronic chips for the manufacture of integrated circuits; jigs [measuring instruments]; pedometers; meteorological balloons; electrified rails for mounting spot lights; asbestos screens for firemen; laminar flow cabinets for laboratory use; fire hose; baseball catchers' helmets; baseball batting helmets; bicycle helmets; virtual reality headsets; helmets for American football; balaclavas for protection against accidents, irradiation and fire; helmets for motorcyclists; diving helmets; helmets for ice hockey; protective helmets for cyclists; protective helmets for children; protective helmets for motorcyclists; protective helmets for sports; head guards for sports; snorkels; cell phone straps; eyeglass cords; cords for sunglasses; straps for sunglasses; electric cords; disposable dispenser syringes for laboratory use; reusable dispenser syringes for laboratory use; downloadable printing fonts; tripods for surveying apparatus; pipette racks for laboratory use; tripods for telescopes; tripods for cameras; switchboards; power distribution boxes; telecommunications switchboards; telephone switchboards; distribution boards [electricity]; illuminated advertising signs; hand-held protective shields for use by the police; illuminated signs; tire tread depth gauges; spark plug gap gauges; length measuring gauges; spark plug feeler gauges; equalizers [audio apparatus]; graphic equalizers;

side shields for eyeglasses; face shields, other than for medical purposes; workmen's protective face-shields; face shields for protective helmets; liquid crystal display [LCD] screens; large-screen liquid crystal displays [LCDs]; computer screens; computer touch screens; flat panel display screens; flat panel electroluminescent display screens; projection screens; projection screens for cinematographic films; radiology screens for industrial purposes; touch screens; fluorescent screens; screens [photography]; exposure meters [light meters]; photographic exposure meters; electric capacitors for telecommunication apparatus; insulated electrical connectors; fuel cell electrodes; electromagnets; electronic telecommunications apparatus; cathode-ray tubes; downloadable electronic publications in the nature of magazines; blank electronic chip cards [blank smart cards]; ducts [electricity]; electric phonographs; galvanic cells; downloadable graphics for mobile phones; wet cells; fuel cells; electronic components for integrated circuit cards; solar cells; photovoltaic modules; electronic components; epidiascopes; ergometers; bar code labels, encoded; labels with machine-readable codes; labels with integrated radio frequency identification [RFID] chips; guitar effects processors; echo sounders; armatures [electricity]; calibrated photovoltaic reference cells; black boxes [data recorders].

Class 19

Aquaria [structures]; alabaster; andesite; door frames, not of metal; window frames, not of metal; asbestos cement; asphalt; bitumen asphalt; asphalt, pitch and bitumen; valances, not of metal and not of textile; beams of wood for building; shaped timber; mine timber; beams, not of metal; balustrades, not of metal; huts; barriers, not of metal, for pedestrian traffic control; swimming pools [structures], not of metal; silos, not of metal; arbours and trellises made of wood; gazebos, not of metal; gazebos, portable, not of metal; gazebos, portable, not primarily of metal; gazebos, not primarily of metal; arbours [structures], not of metal; concrete; bitumen; wood blocks; refractory blocks, not of metal; lawn edgings, not of metal; parking curbs, not of metal; plastic landscape edgings; logs [building materials]; paving stones; joists, not of metal; telephone booths, not of metal; beacons, not of metal, non-luminous; asphalt roofing paper; building paper; modular silos, not of metal; pre-fabricated silos, not of metal; modular dog houses for building sites, not of metal; dog houses, not of metal, for building sites; busts of stone, concrete or marble; bird baths [structures], not of metal; binding agents for making briquettes; binding material for road repair; stained-glass windows; plastic water conduits for roofs and balconies; air-conditioning ducts, not of metal; felt for building; roofing felts; asphalt roofing felt; tarred felts; asphalted felt; aviaries [structures], not of metal; garage doors, not of metal; gates and fences, not of metal; gates and fencing, not of metal; gates, not of metal; gates, not of metal, for car parking facilities; security gates, not of metal; diving boards, not of metal; geotextiles; geotextiles for use in connection with road construction, railroad construction, tunnel construction, waterway construction and public works construction; bitumen-based sealants for roofing [building materials]; tar-based sealants for roofing [building materials]; bitumen-based sealants for asphalt [building materials]; bitumen-based sealants for driveways [building materials]; tar-based sealants for driveways [building materials]; tar-based sealants for asphalt [building materials]; plaster; plasterboard; mold-resistant drywall; gypsum [building material]; clay; potters' clay; earth for bricks; alumina cement; gravel; aquarium gravel; granite; mineral pellets for use in the building industry; armored doors, not of metal; vinyl doors; vinyl patio doors; vinyl sliding doors; revolving doors, not of metal; wooden doors; dog doors, not of metal; cat doors, not of metal; doors, not of metal; patio doors, not of metal; sliding doors, not of metal; swing doors, not of metal; folding doors, not of metal; tar and pitch; coal tar; multilayered wood; fire-

resistant wood; chimney pots, not of metal; floating docks, not of metal; modular log homes; pre-fabricated log homes; pre-fabricated houses, not of metal; modular homes, not of metal; modular animal houses, not of metal, for farmyard animals; pre-fabricated houses, not of metal, for farmyard animals; prefabricated houses [kits], not of metal; parquet floor boards; sheathing boards, not of metal; polyethylene boards used as wood substitutes; memorial plaques, not of metal; roofing boards of wood; wall boards, not of metal; roofing shingles; shingles, not of metal; balsa wood; preserved wood [anti-decay wood]; wood for making household utensils; veneer wood; moldable wood; chipboard; flagpoles [structures], not of metal; non-metallic drainage systems, namely, secondary moisture drainage systems consisting of non-metal troughs and collection boxes; split timber; chimney shafts, not of metal; water tanks of masonry for household purposes; liquid storage tanks of masonry for industrial purposes; jalousies, not of metal; interior window shutters, not of metal; roof gutters, not of metal; street gutters, not of metal; agglomerated bagasses of cane [building material]; chainlink fences, not of metal; vent covers, not of metal, for HVAC ducts; cattle chutes, not of metal; rumble strips, not of metal; pre-fabricated buildings, not of metal; road signs, non-luminous and non-mechanical, not of metal; non-luminous and non-mechanical signs, not of metal; wood tar; grave markers of stone; grave markers of marble; mortar mix; limestone; lime; non-agricultural lime for use in construction; fences, not of metal; works of stonemasonry; millwork, excluding furniture; works of art of stone, concrete or marble; cabanas, not of metal; calcite; stone; rubble; stone for building and construction; artificial stone; silica stone; natural stone; building stone; footing stone; paint spraying booths, not of metal; mantels of plaster for fireplaces; mantels of wood for fireplaces; mantels of stone for fireplaces; stones; decorative aquarium stones; wall stone; pottery stone; monument stone; gravestones; reeds for building; ventilating ducts, not of metal; ducts, not of metal, other than for electrical circuitry; greenhouse frames, not of metal; framework, not of metal, for building; cornices, not of metal; bitumen paper for building; wood pulp board for building; tarred roofing paper; paperboard for building; skating rinks [structures], not of metal; quartz; caissons for construction work under water; vendor booths, not of metal; bricks; fireplace bricks; ceramic bricks for use in refractory furnaces; unfired bricks; fire burrs; refractory bricks, not of metal; semi-refractory bricks, not of metal; fired bricks; water-pipe valves, not of metal or plastic; drain traps [valves], not of metal or plastic; glue-laminated wood; cask wood; mooring bollards, not of metal; erosion control mats [building materials]; trestles for use in construction, not of metal; pre-fabricated architectural columns, not of metal; pillars, not of metal, for building; cement posts; chimney cowl, not of metal; asphalt composition paving; brackets, not of metal, for building; transportable stables, not of metal; buildings, not of metal; buildings, transportable, not of metal; roofing hips, not of metal; stringers [parts of staircases], not of metal; door jambs, not of metal; silica [quartz]; roofing, not of metal; vent covers, not of metal; manhole covers, not of metal; xylolith; modular chicken houses, not of metal; chicken-houses, not of metal; pre-fabricated chicken houses, not of metal; laminate flooring, not of metal; artificial timber; building timber; manufactured timber; sawn timber; wood, semi-worked; staircases, not of metal; rhyolite; road marking sheets and strips of synthetic material; erosion control sheeting or fabrics for construction use; slate slabs; skylights, not of metal; asphalt-based roofing mastics [building materials]; reinforcing materials, not of metal, for building; bituminous products for building; tar; road coating materials; materials for making and coating roads; rock materials for use as cladding; rock materials for use in the construction of flooring; rock materials for use in making countertops; rock materials for use in the construction of fireplaces; rock materials for use in the construction of roofing; rock materials for use in the construction of walls; non-metallic building

materials in the form of slabs; fired refractory materials, not of metal [building materials]; grog [fired refractory material]; pitch; building materials, not of metal; refractory construction materials, not of metal; masts [poles], not of metal; raw chalk; calcareous marl; sandbags; non-metallic minerals for building or construction; rock materials used in building flooring, roofing, countertops, walls, cladding and fireplaces; mosaics for building; non-metal decorative moldings and decorative trim for use in building construction; wood moldings; moldings, not of metal, for cornices; moldings, not of metal, for building; monuments of stone; marble; monuments of marble; slate powder; aggregate; porches [structures], not of metal; canopies [building structures], not of metal and not of textile; tombs, not of metal; flashing, not of metal, for building; roof flashing, not of metal; perches; bamboo flooring; modular plastic decking to serve as a ground cover; duckboards, not of metal; mantels of wood, plaster or stone for fireplaces; wall claddings, not of metal, for building; refractory furnace linings, not of metal; coatings [building materials]; tomb or grave enclosures, not of metal; laths, not of metal; wood panelling; wall linings, not of metal, for building; refractory mortars; fencing, not of metal; palisading, not of metal; crash barriers of wood for roads; crash barriers, not of metal, for roads; crash barriers of plastic for roads; crash barriers, not of metal; balcony enclosures, not of metal; portable traffic barriers, not of metal; chainlink fencing, not of metal; erosion control fencing [non-metallic building materials]; trellises, not of metal; plastic security windows allowing communication; vinyl windows; windows, not of metal; olivine for building; shuttering, not of metal, for concrete; poles, not of metal, for power lines; props, not of metal; rubber bearings for seismic isolation of buildings; cove bases, not of metal; rubber cove bases; branching pipes, not of metal; castings, not of metal; fair huts; hardwood decking; hardwood decking and flooring; tombs [monuments], not of metal; monuments, not of metal; wood-fiber reinforced cement boards [cement excelsior boards]; baffle panels in the nature of submersible fiberglass walls used to direct water flow at waste water treatment facilities; wainscotting, not of metal; fence panels, not of metal; roofing panels, not of metal; multilayer panels of plastic for use in building; gates and fencing panels, not of metal; pegboard, not of metal; plastic floor boards; floor panels, not of metal; ceiling panels, not of metal; signalling panels, non-luminous and non-mechanical, not of metal; wall panels, not of metal; plastic wallboards; building panels, not of metal; fiber cement boards; parquet flooring; parquet flooring of wood; parquet flooring of cork; parquet flooring and parquet slabs; petroleum pitch; volcanic ash; pergolas, not primarily of metal; pergolas, not of metal; partitions, not of metal; partitions, not of metal, for building; transportable buildings of timber; lintels, not of metal; casement windows, not of metal; wooden railings; rails, not of metal; railings, not of metal, for balconies; railings, not of metal, for bridges; railings, not of metal, for fences; railings, not of metal; sand; aquarium sand; play sand; sand, except foundry sand; silver sand; sandstone; sandstone for building; pickets, not of metal; tarred strips for building; planks of wood for building; non-metal portable piers which extend from a shore line out over water; clay slabs; rocket launching platforms, not of metal; portable non-metal risers for public performances [platforms]; platforms, prefabricated, not of metal; wall tiles, not of metal; ceramic tiles; ceramic tiles for walls, floors and ceilings; glazed ceramic tiles; stone roofing tiles; mosaic floor tiles; floor tiles, not of metal; wall tiles of plastic; tiles, not of metal, for building; gypsum tiles; gypsum floor tiles; gypsum ceiling tiles; gypsum wall tiles; earthenware floor tiles; earthenware wall tiles; decorative tiles, not of metal, for hearth extensions; playground tiles, not of metal; mosaic art tiles made of marble; natural stone tiles; glazed ceramic floor tiles; glazed ceramic wall tiles; earthenware tiles; ceramic floor tiles; ceramic tiles for flooring and lining; ceramic tiles for flooring and facing; ceramic tiles for tile floors and coverings; ceramic wall tiles;

mosaic wall tiles; floor tiles of wood; floor tiles of natural stone; floor tiles of plastic; rubber floor tiles; wall tiles, not of metal, for building; wall tiles of natural stone; fireproof tiles; fireproof floor tiles; fireproof wall tiles; plastic tiles; ceiling tiles of plastic; roofing tiles of glass; floor tiles of glass; wall tiles of glass; glass tiles, not for roofing; paving tiles; engraved and cut stone plaques; paving slabs, not of metal; hardboard; raw and coated chipboard for the building industry, furniture and interior decorating; cement slabs; natural stone slabs; water-resistant boards and panels, not of metal, for construction; fire-resistant boards and panels, not of metal, for building; grave slabs, not of metal; tile floorings, not of metal; ceiling boards of wood; slabs, not of metal, for building; wood rafters; portable dance floors, not of metal; roofing underlay; flooring underlay; underlays of agglomerated cork for building; flooring underlay made of cork; scaffolding, not of metal; portable stages, not of metal; window sills, not of metal; armour-plating, not of metal; roofing membranes; asphalt paving; wood paving; paving blocks, not of metal; luminous paving blocks; macadam; fireproof cement coatings; bituminous coatings for roofing; felt roof coverings; roof coverings, not of metal; roofing, not of metal, incorporating photovoltaic cells; asphalt roof coatings [building materials]; wooden floor boards; rubber flooring; cladding, not of metal, for building; parquet flooring of cork and of cork-based conglomerates; coverings for ceilings, not of metal; flooring or wall claddings of synthetic materials; linings, not of metal, for building; feldspar; fireplace mantles, not of metal; door panels, not of metal; partly processed timber; wooden flooring; wood tile flooring; hardwood flooring; floors, not of metal; athletic flooring, not of metal; sills, not of metal; Portland cement; Portland blast-furnace slag cement; porphyry [stone]; modular animal houses, not of metal; pre-fabricated animal houses, not of metal; ceilings, not of metal; non-metal suspended ceiling systems comprising panels; guard rails, not of metal; floating docks, not of metal, for mooring boats; agglomerated cork for building; wooden door frames; window frames of wood; window frames of wood clad in aluminium; window frames, sashes and casements made of wood; frames, not of metal, for building; mortar; mortar for building; asbestos mortar; tanks of masonry; furrings of wood; scantlings [carpentry]; patching compounds with a tar base; gratings, not of metal; artificial fish reefs, not of metal; outdoor roll shutters, not of metal; roll shutters, not of metal; vinyl siding; wood siding; fiber cement siding; sheet piles, not of metal; modular pigsties, not of metal; pigsties, not of metal; pre-fabricated pigsties, not of metal; shoji [Japanese sliding partitions, not of metal]; door units, not of metal; agricultural nets for erosion control; insect screens, not of metal; burial vaults, not of metal; sculptures of cement, marble or stone; sculptures of marble; stone sculptures; schists; concrete patching compounds with a tar base [building materials]; tar-based concrete and asphalt patching compounds [building materials]; refractory castable mixes, not of metal; filling cement; cement mixes; wood joints; expansion joints, not of metal, for floors and walls; non-metal shelter structures [other than tents]; asphalt paving compositions; asphalt patching compounds with a tar base [building materials]; outdoor blinds, not of metal and not of textile; shutters, not of metal; statues of stone, concrete or marble; marble figures; figurines of stone; figurines of marble; alabaster glass; safety glass; glass bricks; glass granules for road marking; window glass, other than vehicle window glass; window glass for building; glass powder for use as a partial replacement of Portland cement in cement mixes; building glass; insulating glass for building; plate glass [windows] for building; fiberglass reinforcement fabric for use in land, sea and aerospace applications; enamelled glass, for building; tombstone stelae, not of metal; spandrels, not of metal; fair stands [temporary building structures]; curtain walls, not of metal; horse stall kick walls, not of metal; bicycle storage racks, not of metal; fence stays, not of metal; modular stables, not of metal; stables, not of metal; pre-fabricated stables, not of

metal; wood posts; wooden poles for power lines; advertisement columns, not of metal; fence posts, not of metal; utility poles, not of metal; posts, not of metal; plastic boundary marking posts; telegraph posts, not of metal; hips for roofing; stair-treads [steps], not of metal; expansion joints, not of metal, for floors; expansion joints, not of metal, for walls; stages, not of metal, for musical performances; stages for musical performances composed of primarily non-metal materials; tombstone plaques, not of metal; non-woven textiles made of synthetic fibers for use in the building industry; awnings [building structures], not of metal and not of textile; modular greenhouses, not of metal; greenhouses, transportable, not of metal; pre-fabricated greenhouses, not of metal; terra-cotta [building material]; erosion control fabrics [building materials]; erosion control fabric, mats and sheeting, not of metal [geotextiles]; fabrics for use in civil engineering [geotextiles]; fabric for underlayment of flooring; roofing fabrics; multilayer water conservation textiles designed for nurseries, greenhouses and garden centres; bleachers, not of metal; penstock pipes, not of metal; plastic conduits for drainage; plastic conduits for drainage and irrigation; plastic conduits for irrigation; cement pipes; water-pipes, not of metal; gutter pipes, not of metal; earthenware pipes; wooden pipes for building; ducts, not of metal, for ventilating and air-conditioning installations; ceramic drain pipes; drain pipes, not of metal; chimneys, not of metal; rigid pipes, not of metal, for building; sandstone pipes; cement mortar pipes; sewer pipes, not of metal; heating ducts, not of metal; plastic pipes for plumbing purposes; plastic pipes for conveying natural gas; polyethylene pipes used in geothermal heating and cooling systems; pipes of cement, earthenware or sandstone; turnstiles, not of metal; tufa; angle irons, not of metal; lengthening pieces, not of metal, for chimneys; wood trim; underground tornado shelters made of fiberglass; storm shelters, not of metal; bicycle parking installations, not of metal; plywood board; veneer for floors; plywood; wood joists; roof trusses, not of metal; fiberboard [building materials]; stone figures; cast stone garden and household ornaments; foundry molds, not of metal; fusuma [Japanese indoor sliding partitions, not of metal]; water tanks of masonry; storage sheds, not of metal; pre-fabricated storage sheds, not of metal; rock crystal; fiber cement; hydraulic cement; cement for blast furnaces; cement for furnaces; slag-lime cement; silica cement [pozzolanic cement]; roofing cement; magnesia cement; cement; gypsum roofing tiles; earthenware roofing tiles; clay roofing tiles; roofing tiles of natural stone; cement mortar roofing tiles; ceramic roofing tiles; glazed ceramic roofing tiles; pantiles, not of metal; roofing tiles, not of metal; fireproof roofing tiles; roofing tiles of plastic; window screens, not of metal; slate; cement mortar slates; stone slates; roofing slates; clinker stone; slag [building material]; spackling compounds; railway sleepers, not of metal; wood veneers; finish plasters made of colored artificial resin; clinker ballast; noise barriers made of wood; ceramic shapes for use in refractory furnaces; structural and architectural members formed of pressed wood fibers; concrete building elements; epoxy grout; letter boxes of masonry.

Class 35

Retail services relating to automobile parts; advertising; retail services; arranging subscriptions to telecommunication services for others; import agency services; import-export agency services; commercial information agency services; advertising agency services; administrative processing of orders; administrative processing of purchase orders within the framework of services provided by mail-order companies; administrative processing of computerized purchase orders; administrative processing of purchase orders placed by telephone or computer; administration of employee benefit plans; administration of employee pension plans; administration of employee welfare benefit plans; administrative services relating to customs clearance; administrative accounting; administration of employee benefit

plans concerning fitness club memberships; administration of loyalty rewards programs; administration of preferred provider plans; administration of prepaid health care plans; administration of incentive award programs to promote the sale of the goods and services of others; administration of frequent flyer programs that allow members to redeem miles for points or awards offered by other loyalty programs; administration of a consumer loyalty program to promote restaurant services and retail services of others; business management analysis; analysis of market research data; cost analysis; analysis of business data; marketing analysis; business profit analysis; work analysis to determine worker skill sets and other worker requirements; health care cost review; analysis of response to advertising; grain market analysis; real estate marketing analysis; analysis of market studies; cost price analysis; cost price analysis regarding waste disposal, removal, handling and recycling; strategic business analysis; cost-benefit analysis; rental of advertising space on the Internet for employment advertising; rental of advertising space; rental of advertising space and advertising material; rental of advertising space on the Internet; rental of advertising space on web sites; rental of advertising space on-line; rental of signs for advertising purposes; account auditing; business auditing; tax auditing; financial auditing; auction and reverse auction services; auctioneering of property; affiliate marketing; benchmarking services for business management purposes; business research and surveys; business information and inquiries; business advice and consultancy relating to franchising; business consultancy relating to advertising; business advice relating to restaurant franchising; business advice relating to strategic marketing; business consultancy; strategic business planning; business planning; business feasibility studies; business advice relating to advertising; business intermediary services relating to the matching of potential private investors with entrepreneurs needing funding; telephone billing; labor exchanges; accountancy advice relating to taxation; accounting consultancy; accounting consultancy relating to taxation; employment agency services; computerized file management; book-keeping; administration, billing and reconciliation of accounts on behalf of others; medical billing; maintaining patient medical records and files; administration of loyalty rewards programs featuring trading stamps; maintaining a registry of information; maintaining a registry of dog breeds; maintaining a registry of professional vocational evaluators; maintaining a registry of certified aerospace technicians; maintaining a registry of certified medical technical professionals; maintaining a registry of sports memorabilia and works of art; forensic accounting; maintaining a registry of animal breeds; outsourced administrative management for companies; key return registration; invoicing; billing services in the field of healthcare; billing services in the field of energy; processing warranty registration documents for others; business management and administration; sales demonstration for others; demonstration of goods; demonstration of goods for advertising purposes; duplication of documents; arranging of contracts, for others, for the buying and selling of goods; arranging of contracts, for others, for the purchase and sale of goods and services; arranging of advertising and promotion contracts for third parties; arranging of advertising contracts for others; procurement of contracts for the purchase and sale of goods and services; purchasing of goods and services for other businesses; procurement of goods on behalf of other businesses; transcription of communications [office functions]; opinion polling; market studies; real estate marketing; referral marketing; market canvassing; inventorying merchandise; inventory control; interactive record-keeping services for use in risk management and regulatory compliance by insurers and professionals in the medical field; internet marketing; internet advertising services; advertising on the Internet for others; on-line ordering services in the field of restaurant take-out and delivery; business information and appraisal services; advertising and commercial

information services; business information; commercial information and advice for consumers in the choice of products and services; job placement consultancy; business investigations; research and analysis in the field of market manipulation; business research; marketing research; professional business research; market research services regarding customer loyalty; market research services regarding Internet usage habits; conducting on-line business management research surveys; cinema advertising; personnel placement; business and management consultancy; business marketing; compilation of on-line business directories; compilation of commercial registers; recruitment of high-level management personnel; personnel recruitment; computerized inventory preparation; computerized inventory management; computerized central file and business file management; computerized on-line retail store services; computerized accounting; computerized on-line ordering services; computerized word processing; computerized office management; computerized database management; computerized on-line gift ordering services; industrial management consultancy; consultancy and advisory services relating to personnel placement, recruitment and management; press advertising consultancy; human resources consultancy; marketing consultancy; advertising and business advice; consultancy relating to business strategy; business administration consultancy; consultancy and advisory services relating to personnel recruitment; consultancy and advisory services relating to personnel placement; consultancy and advisory services relating to personnel management; business advice and consultancy; consultancy regarding advertising communication strategies; consultancy regarding public relations communication strategies; consultancy relating to tax accounting; consultancy relating to business management and organization; advertising consultancy; consultancy relating to business process management; business research consultancy; business management and organization consultancy; career planning consultancy; advertising and marketing consultancy; career placement consultancy; business management consultancy relating to strategy, marketing, production, personnel and retail sale matters; business management advice and assistance; consultancy relating to demographics for marketing purposes; business management consultancy in the field of transport and delivery services; business management consultancy services provided via the Internet; corporate management consultancy; business risk management consultancy; employment recruiting consultancy; business organization consultancy; business organization and management consultancy in the field of personnel management; business planning and business continuity consultancy; direct marketing consultancy; personnel placement consultancy; public relations consultancy; business management consultancy; personnel management consultancy; professional business consultancy; consultancy relating to business analysis; data processing consultancy; consultancy relating to business appraisals; consultancy relating to business planning; consultancy relating to advertising and promotion services; consultancy relating to business advertising; electronic data processing consultancy; business consultancy and information services; business consultancy and business information services provided to enterprises; consultancy services in the field of affiliate marketing; consultancy services in the field of Internet marketing; consultancy services relating to publicity; advertising and business management consultancy; business consultancy, management, planning and supervision; consultancy relating to business mergers; personnel consultancy; consultancy relating to relocation services for businesses; personnel recruitment consultancy; business management consultancy in the field of executive and leadership development; advisory services relating to business management and business operations; advisory services relating to business organization; brand consultancy; procurement of contracts for others; procurement of contracts for others relating to the sale of goods; copywriting for

advertising and promotional purposes; copying of documents; employee leasing; layout services for advertising purposes; marketing; database marketing; marketing in the framework of software publishing; marketing and promotional activities relating to business administration and management; marketing and promotional services; merchandising services for inducing the purchasing public to buy the goods of others; targeted marketing; product marketing; business project management and administration; business management of performing artists; commercial management; personnel management; personnel management and employment consultancy; business project management; business management of sports people; merchandising services; monitoring consumer credit reports and providing an alert as to any changes therein for business purposes; business management supervision; recruitment of office support staff; recruitment of flight personnel; recruitment of airport ground staff; recruitment of office staff; recruitment of airline personnel; recruitment of technical staff; placement of staff; writing of résumés for others; drafting of publicity material; scriptwriting for advertising purposes; providing business management start-up support for other businesses; market surveys; business enquiries and investigations; news clipping services; updating and maintenance of information in registries; updating and maintenance of data in computer databases; updating of advertising material; automated data processing; computerized data processing; word processing; electronic order processing; career networking services; personnel management assistance; providing consultancy services in the area of global sustainable business solutions; on-line marketing; online retail services for downloadable and pre-recorded music and movies; online retail services for downloadable ring tones; online retail services for downloadable digital music; arranging of subscriptions for the publications of others; arranging of trade fairs; organizational services for business purposes; organizing and conducting job fairs; arranging of auctions; organization of Internet auctions; organization of exhibitions for commercial or advertising purposes; organization of exhibitions and events for commercial or advertising purposes; organization of exhibitions and trade fairs for commercial or advertising purposes; organization of exhibitions of flowers and plants for commercial or advertising purposes; arranging and concluding commercial transactions for others; arranging and conducting of auctions; arranging and conducting of auctions and reverse auctions via computer and telecommunication networks; arranging and conducting of auctions and reverse auctions via mobile telephones; arranging and conducting of real estate auctions; arranging and conducting of television auctions; arranging and conducting of telephone auctions; arranging and conducting of telephone and television auctions; arranging and conducting of flea markets; arranging and conducting of Internet auctions; arranging and conducting of commercial exhibitions; arranging and conducting of commercial exhibitions and shows; arranging and conducting of marketing events; organization and conducting of product presentations; arranging and conducting of trade shows; arranging and conducting of promotional and marketing events; arranging and conducting of advertising events; arranging and conducting of trade fairs for commercial or advertising purposes; organizing and conducting trade fairs, events and exhibitions for commercial or advertising purposes; arranging and conducting of trade fairs; arranging and conducting of art exhibitions for commercial or advertising purposes; arranging and conducting of trade show exhibitions; arranging and conducting of fairs and exhibitions for business and advertising purposes; organization and management of customer loyalty programs; organization of events, exhibitions, fairs and shows for commercial, promotional and advertising purposes; organization, operation and supervision of loyalty and incentive schemes; organization, operation and supervision of sales and promotional incentive schemes;

arranging newspaper subscriptions for others; arranging subscriptions to publications for others; organization of fashion shows for promotional purposes; organization of fashion shows for commercial purposes; organization of customer loyalty programs for commercial, promotional or advertising purposes; organization, operation and supervision of customer loyalty schemes; organization of advertising events; arranging of advertising in cinemas; organization of loyalty and incentive schemes; organization of customer loyalty schemes; organization of trade fairs for commercial or advertising purposes; organization of trade fairs for advertising purposes; organization of art exhibitions for commercial or advertising purposes; organization of trade fairs for commercial purposes; brand orientation; conducting employee incentive award programs; telephone answering services; telephone answering and message handling services; shop window dressing; design of advertising materials; evaluating the impact of advertising on audiences; business appraisals; evaluation of personnel requirements; employee relocation; negotiation and conclusion of commercial transactions for third parties via telecommunication systems; business management planning; business meeting planning; planning and conducting of trade fairs, exhibitions and presentations for commercial or advertising purposes; career planning; business succession planning; consultancy relating to mergers and acquisitions; collating of data in computer databases; compilation of commercial information; compilation of business statistics; recruitment of flight personnel, technical ground staff and non-technical ground staff; personnel selection using psychological testing; preparation of audiovisual presentations for use in advertising; preparation of documents relating to taxation; preparation of custom advertisements for others; financial statement preparation and analysis for businesses; preparing and placing outdoor advertisements for others; preparing and placing advertisements for others; preparation and compilation of business and commercial reports and information; preparation of business statistics; provision of marketing reports; preparation of income tax returns; income tax preparation; preparation of business reports; preparation of market analysis reports; preparation of wage slips; payroll preparation; preparation of promotional and merchandising material for others; preparation of advertising campaigns; preparation of publicity materials; preparation of advertisements for others; preparation of market reports and studies; preparation of mailing lists; preparation of financial statements; preparation of expert evaluations and reports relating to business matters; market research data retrieval services; data search in computer files for others; sponsorship search; displaying advertisements for others; procurement of contracts for the purchase and sale of goods; administrative assistance in responding to calls for tenders; commercial management assistance; industrial management assistance; business management assistance; help in the management of business affairs or commercial functions of an industrial or commercial enterprise; business management assistance in the establishment and operation of restaurants; business management assistance in the operation of restaurants; business management assistance in the field of franchising; commercial or industrial management assistance; corporate management assistance; assistance and advice regarding business organization and management; assistance and consultancy relating to business management and organization; assistance and consultancy services in the field of business management of companies in the energy sector; marketing assistance; business intermediary and advisory services; consumer research; providing administrative assistance to pharmacies for managing drug inventories; providing business and commercial advice and information; provision of commercial information via the Internet; providing temporary office support staff; provision of commercial information from on-line databases; providing business information via global computer networks; providing business information via a web site;

providing business information via the Internet; provision and rental of outdoor advertising space; provision and rental of advertising space; provision and rental of advertising space on the Internet; provision and rental of advertising space and outdoor advertising space; provision and rental of advertising space and publicity material; providing business directory information via a global computer network; providing information in the area of global sustainable business solutions; provision of commercial and business contact information; providing information concerning commercial sales; providing business and marketing information; marketing information; providing information relating to personnel recruitment; providing information relating to employment recruitment; providing commercial directory information via the Internet; providing hotel rate comparison information; providing information relating to employee relocation services; providing information about products via telecommunication networks for advertising and sales purposes; provision of foreign trade information; providing recruitment information via a global computer network; providing employment information via a global computer network; providing marketing information via web sites; providing business marketing information; provision of business management information; providing information via the Internet relating to the sale of automobiles; providing on-line commercial directory information services; provision and rental of publicity material; providing an on-line commercial information directory on the Internet; providing commercial information relating to companies; providing commercial information via a global computer network; providing advice in the field of business efficiency; providing advice in the field of business management and marketing; providing advice and information relating to commercial business management; providing advice relating to the marketing of chemical products; providing advice relating to the analysis of consumer buying habits; providing advice relating to the organization and management of businesses; providing employment information; web indexing for commercial or advertising purposes; providing assistance in the field of product commercialization; providing assistance in the field of product commercialization within the framework of a franchise contract; providing assistance in the field of business management within the framework of a franchise contract; providing assistance in the field of business management and product commercialization within the framework of a franchise contract; providing assistance in the field of business management and planning; providing assistance in the field of business organization; providing assistance in the field of business promotion; providing assistance in the field of business management; providing business management and operational assistance to commercial businesses; providing assistance in the management of business activities; providing assistance in the management of franchised businesses; providing assistance in the management of industrial or commercial enterprises; providing information and advice to consumers regarding the selection of products and items to be purchased; providing commercial information to consumers; providing consumer information relating to goods and services; providing consumer product information via the Internet; providing searchable on-line advertising guides; provision of space on web sites for advertising goods and services; provision of advertising space in periodicals, newspapers and magazines; provision of advertising space in newspapers; provision of advertising space on a global computer network; provision of advertising space in magazines; provision of advertising space in periodicals; provision of advertising space on electronic media; providing advice relating to sales methods and techniques; provision of business statistical information; providing statistical information for business or commercial purposes; provision of commercial and business contact information via the Internet; providing transportation documentation for others [administrative services];

vehicle detailing; consultancy relating to building construction supervision; consultancy relating to painting of buildings; consultancy relating to the repair and reconditioning of bearings for machines; construction consultancy; consultancy relating to residential and building construction; consultancy relating to vehicle repair; varnishing; furniture varnishing; re-tinning; retrofitting of ventilating installations in buildings; upgrading of computer hardware; retrofitting of air-conditioning installations in buildings; retrofitting of heating, ventilating and air-conditioning installations in buildings; retrofitting of heating installations in buildings; washing and cleaning of vehicles; washing of airplanes; construction of wind power plants; construction of building interiors; construction of dams; construction of roads, sewers and water supply systems; construction of residential buildings; construction of buildings; construction of buildings, dams and bridges; construction of buildings, roads, bridges and dams; construction of buildings and other structures; construction of energy efficient buildings and structures; tire rotating and balancing; construction and repair of airports and airport facilities; installation and repair of blinds; construction and repair of residential buildings and houses; construction and repair of buildings and other structures; construction and renovation of buildings and other structures; construction and renovation of bridges; construction and maintenance of apartments, studios, bungalows, villas and cottages; construction and maintenance of holiday homes, holiday camps, temporary accommodation, hotels and residential hotels; construction and maintenance of buildings; construction and maintenance of sports centers, health clubs, leisure centers and recreational complexes; construction and maintenance of building complexes, residential buildings, housing estates, commercial buildings, shopping centers, office buildings and parking structures; construction and erection of exhibition stands, stages and booths; construction of sewerage systems; construction of commercial buildings; construction of steel structures; construction of bridges; construction of public works; construction of conservatories and greenhouses; construction of office buildings; construction of industrial buildings; erection of prefabricated buildings and structures; construction, erection, installation, repair, renovation, servicing, maintenance and dismantling of wind farms; construction of sports arenas; scaffolding; construction, maintenance and repair of water vehicles; construction, maintenance and repair of transportable and prefabricated buildings; construction, maintenance and repair of watercraft; construction, maintenance and repair of heat insulation systems; construction, maintenance and renovation of buildings; construction, maintenance and renovation of public works; construction, maintenance and repair of conservatories and greenhouses; installation, maintenance and repair of security and authentication apparatus; installation, maintenance and repair of regulating, monitoring and control apparatus; installation, maintenance and repair of temperature control apparatus; installation, maintenance and repair of remote control apparatus for changing printing plates; installation, maintenance and repair of sealing machines; installation, maintenance and repair of sewerage systems; installation, maintenance and repair of stairway lifts; installation, maintenance and repair of safety equipment; installation, maintenance and repair of security and safety equipment; installation, maintenance and repair of rolling mills; installation, maintenance and repair of rollers for machines; installation, maintenance and repair of systems, machinery and apparatus for working and processing metals and sheet metal; installation, maintenance and repair of solar collectors; installation, maintenance and repair of solar installations for generating power; installation, maintenance and repair of solar installations for generating power, solar collectors and photovoltaic modules; installation, maintenance and repair of solar energy systems; installation, maintenance and repair of sorting machines; installation, maintenance and repair of

telecommunications equipment; installation, maintenance and repair of telecommunications apparatus and instruments; installation, maintenance and repair of telephone and communication equipment; installation, maintenance and repair of telephones; installation, maintenance and repair of street lights; installation, maintenance and repair of surgical apparatus and instruments; installation, maintenance and repair of surgical, medical, dental and veterinary apparatus and instruments; construction of trade fair and exhibition stands; construction of shopping centers; erection, installation, maintenance and repair of wind turbines, wind stations and other wind-powered machines; erection, installation, maintenance and repair of windmills, wind power plants, wind turbines and other wind-operated machines; construction of power plants; construction of wave energy power plants; window cleaning; road paving; vehicle washing; supervision of building renovation; supervision of building reconstruction; supervision of building demolition; supervision of the construction of watercraft, yachts, boats, ships and water vehicles; on-site construction supervision; building construction supervision; pavement marking services; pavement striping; cleaning of building exteriors and providing information relating thereto; tuning of musical instruments; upholstering; upholstering of vehicle seats; renovation and restoration of buildings; rustproofing; anti-rust treatment for vehicles; sanding; pumicing; emergency servicing of water supply apparatus; emergency servicing of gas supply apparatus; emergency servicing of apparatus for supplying electricity; oil burner servicing and repair; air conditioning vent sealing services; providing laundry washing and drying facilities; safe maintenance or repair and providing information relating thereto; car maintenance; maintenance services; maintenance of motor vehicles; maintenance of water purifying apparatus; maintenance of apparatus and installations for generating power; maintenance, servicing, tuning and repair of motors and engines; maintenance, servicing and repair of apparatus and installations for generating power; maintenance, servicing and repair of household and kitchen appliances; maintenance, servicing and repair of vehicles; maintenance, servicing and repair of weapon systems; maintenance and repair services; maintenance and repair of automatic transmissions; car repair and maintenance; maintenance and repair of motor vehicles and airplanes; maintenance and repair of continuously variable transmissions; maintenance and repair of grounded aircraft; maintenance and repair of hydrodynamic transmissions; maintenance and repair of hydrostatic transmissions; maintenance and repair of dual-clutch transmissions; strong-room maintenance and repair; maintenance and repair of power shift transmissions; maintenance and repair of manual transmissions; maintenance and repair of gears; maintenance and repair of control systems for radio systems and networks; maintenance and repair of hybrid transmissions; maintenance and repair of starters for motors and engines; maintenance and repair of synchronized transmissions; maintenance and restoration of works of art; maintenance and cleaning of mining equipment; maintenance of vehicles and machines; maintenance of water pollution control equipment; maintenance of communications equipment; maintenance of office equipment; maintenance of intruder alarms; maintenance of printing machines and digital printing systems; maintenance of industrial machinery; maintenance, repair and reconditioning of photovoltaic apparatus and installations; maintenance, repair and rebuilding of furnaces; maintenance of plumbing; maintenance of welding machines and equipment; maintenance of telecommunications apparatus; vehicle maintenance; maintenance of vehicle washing installations; maintenance of fire alarm installations; paper hanging; painting or repair of signs; septic tank pumping and cleaning; glazing of windows; pumping septic tanks; installation of yacht interiors; bathtub and bath boiler cleaning; bathtub and bath boiler cleaning and providing information relating thereto; cleaning of buildings [exterior surface];

clearing and cleaning gutters; cleaning of building exteriors; jewelry remounting; recharging of batteries; recharging of batteries and accumulators; conversion and tuning of production automobiles and their engines; rebricking and rebuilding of furnaces; yacht and boat conversion, renovation, refit and repair; cabinet refacing; automotive refinishing; rebuilding and reconditioning of engines and motors; underwater dredging; underwater building and construction; painting of automobiles; painting of motor vehicles; painting of buildings; painting and rendering of interior and exterior walls; painting of metal surfaces; painting of metal surfaces to prevent corrosion; painting of window frames; sign painting; painting of furniture; painting of aircraft; painting of vehicles; floor polishing and providing information relating thereto; vehicle polishing; automobile polishing; floor polishing; vehicle breakdown repair services; mending clothing and providing information relating thereto; self-service laundries; providing information relating to the installation of machinery; providing information relating to the rental of construction equipment; providing information relating to repair services in the aviation sector; providing information relating to the maintenance of measuring and test equipment; providing on-line information relating to the construction of buildings; providing online information relating to the construction of buildings, and repair and installation services; providing on-line information relating to repair and installation services; provision of information, advice and consultancy relating to cleaning; providing building construction information via a web site; providing information relating to the sharpening of scissors and kitchen knives; providing information relating to vermin exterminating, other than for agriculture, forestry or horticulture; providing information relating to umbrella repair; providing information relating to the repair or maintenance of musical instruments; providing information relating to the repair or maintenance of sporting equipment; providing information relating to the repair or maintenance of signboards; providing information relating to the repair or maintenance of nuclear power plants; providing information relating to the repair or maintenance of water purifying apparatus; providing information relating to the repair or maintenance of mining machines and apparatus; providing information relating to the repair or maintenance of two-wheeled motor vehicles; providing information relating to the repair or maintenance of railway rolling stock; providing information relating to the repair or maintenance of measuring and testing machines; providing information relating to the repair or maintenance of machines and instruments for making shoes; providing information relating to the repair or maintenance of machines and systems for manufacturing integrated circuits; providing information relating to the repair or maintenance of semi-conductor manufacturing machines and systems; providing information relating to the repair or maintenance of machines and apparatus for use in beauty salons or barbers' shops; providing information relating to the repair or maintenance of painting machines and apparatus; providing information relating to the repair or maintenance of printing or bookbinding machines and apparatus; providing information relating to the repair or maintenance of power distribution or control machines and apparatus; providing information relating to the repair or maintenance of waste crushing machines and apparatus; providing information relating to the repair or maintenance of plastic processing machines and apparatus; providing information relating to the repair or maintenance of waste compacting machines and apparatus; providing information relating to the repair or maintenance of tobacco processing machines; providing information relating to the repair or maintenance of medical machines and apparatus; providing information relating to the repair or maintenance of metalworking machines and tools; providing information relating to the repair or maintenance of power-driven floor cleaning machines; providing information relating to the repair or maintenance of mechanical parking

systems; providing information relating to the repair or maintenance of pumps; providing information relating to the repair or maintenance of non-electric cooking apparatus and installations; providing information relating to the repair or maintenance of optical machines and instruments; providing information relating to the repair or maintenance of office machines and apparatus; providing information relating to the repair or maintenance of printing machines; providing information relating to the repair or maintenance of storage tanks; providing information relating to the repair or maintenance of textile machines and apparatus; providing information relating to the repair or maintenance of telecommunication machines and apparatus; providing information relating to the repair or maintenance of vending machines; providing information relating to the repair or maintenance of packing or wrapping machines and apparatus; providing information relating to the repair or maintenance of water pollution control equipment; providing information relating to the repair or maintenance of photographic machines and apparatus; providing information relating to the repair or maintenance of sewing machines; providing information relating to the repair or maintenance of power generators; providing information relating to the repair or maintenance of vessels; providing information relating to the repair or maintenance of vehicle washing installations; providing information relating to vehicle repair; providing information relating to window cleaning services; providing information relating to the setup or repair of locks; providing information relating to the disinfection of telephone handsets; providing information relating to laundering services; providing information relating to construction, repair, restoration, maintenance and installation services; providing information relating to floor polishing services; providing information relating to storage tank cleaning services; providing information relating to clothing mending services; providing information relating to clothing repair services; providing information relating to street cleaning services; providing information relating to repair and installation services; providing information relating to building cleaning; providing information relating to septic tank cleaning services; providing information relating to the cleaning of building exteriors; providing information relating to the rental of car washing apparatus; providing information relating to the rental of floor cleaning machines; providing information relating to the rental of construction machines and apparatus; providing information relating to the rental of mops; providing information relating to the rental of electric washing machines; providing information relating to the pressing of clothing; providing information relating to building reconstruction; providing information relating to the repair of bicycles; providing information relating to the repair of game machines and apparatus; providing information relating to the repair of toys or dolls; providing information relating to the repair or maintenance of automobiles; providing information relating to the repair or maintenance of air-conditioning apparatus; providing information relating to the repair or maintenance of bicycle parking apparatus; providing information relating to the repair or maintenance of cooking apparatus; providing information relating to the repair or maintenance of machines and apparatus for processing food or beverages; providing information relating to the repair or maintenance of cooking apparatus and installations; providing information relating to the repair or maintenance of boilers; providing information relating to the repair or maintenance of bookbinding apparatus and machines; providing information relating to the repair or maintenance of consumer electrical appliances; providing information relating to the repair or maintenance of aircraft; providing information relating to the repair or maintenance of gas water heaters; providing information relating to the repair or maintenance of gasoline station equipment; providing information relating to the repair or maintenance of burners; providing information relating to the repair or maintenance of

amusement machines and apparatus; providing information relating to the repair or maintenance of cinematographic machines and apparatus; providing information relating to the repair or maintenance of cooking pots and pans; providing information relating to the repair or maintenance of diving machines and apparatus; providing information relating to the repair or maintenance of laboratory apparatus and instruments; providing information relating to the repair or maintenance of machines and apparatus for manufacturing rubber goods; providing information relating to the repair or maintenance of machines and apparatus for manufacturing glassware; providing information relating to the repair or maintenance of chemical processing machines and apparatus; providing information relating to the repair or maintenance of construction machines and apparatus; providing information relating to the repair or maintenance of loading-unloading machines and apparatus; providing information relating to the repair or maintenance of freezing machines and apparatus; providing information relating to the repair or maintenance of firearms; providing information relating to the repair or maintenance of fire alarms; providing information relating to the repair or maintenance of industrial furnaces; providing information relating to the repair or maintenance of industrial dishwashing machines; providing information relating to the repair or maintenance of industrial washing machines; providing information relating to the repair or maintenance of fishing tackle; providing information relating to the repair or maintenance of fishing machines and instruments; providing information relating to the repair or maintenance of agricultural machines and implements; providing information relating to the repair or maintenance of chemical plants; providing information relating to the repair or maintenance of clocks and watches; providing information relating to the repair or maintenance of electric lighting apparatus; providing information relating to the repair or maintenance of electric motors; providing information relating to the repair or maintenance of electric cooking apparatus and installations; providing information relating to the repair or maintenance of electronic machines and apparatus; providing information relating to the repair and maintenance of spectacles; providing information relating to the repair and maintenance of furnaces; providing information relating to the rental of mining machines and apparatus; providing information relating to the repair of land vehicles; providing information relating to the repair of billiard equipment; providing information relating to the repair of spectacles; providing information relating to shoe repair; providing information relating to the repair of fishing tackle; providing information relating to the repair of sports equipment; providing information relating to the repair of bags or pouches; providing information relating to the repair of tatami mats; providing information relating to the repair of personal ornaments; providing information relating to building renovation; providing information relating to furniture restoration; providing information relating to building demolition; providing information relating to building construction; providing information relating to the construction of buildings, and repair and installation services; providing information relating to the construction, repair and maintenance of buildings; providing information relating to shipbuilding; providing information relating to safe maintenance and repair; providing information relating to roofing installation and repair; providing information relating to the installation of electrical apparatus; providing information relating to fur care and repair; providing information relating to fur care, cleaning and repair; providing information relating to bathtub and bath boiler cleaning services; providing information relating to the cleaning of carpets and rugs; providing information relating to chimney sweeping services; provision of construction advice; providing advice relating to installation, maintenance and repair services; provision of construction information; provision of construction information relating to

public works; provision of construction information by electronic means; pressing of cloth; pressing of cloth, clothing, fabric and textiles; pressing of textiles; pressing of fabric; emergency roadside vehicle repair services; roadside repair of automobiles; application of anti-graffiti coatings; cleaning of venues before and after events; street construction; rental of bulldozers; rental of drainage pumps; rental of dish drying machines; rental of road sweeping machines; rental of cleaning machines; rental of construction machines and apparatus; rental of cleaning equipment; rental of oil well drilling tools; rental of earth moving equipment and excavators; rental of construction and building equipment; rental of cranes [construction equipment]; rental of floor cleaning machines; rental of dishwashing machines; rental of dishwashers for household purposes; rental of dishwashers for industrial purposes; rental of industrial dish drying machines; rental of laundry washing machines; rental of construction equipment; rental of building scaffolds, working and building platforms; rental of laundry dryers; rental of spin dryers for clothes; rental of mops; rental of excavators; rental of electric washing machines; laying of cable; wiring services for telecommunications; pressing of clothing and providing information relating thereto; plumbing; dredging; masonry; roofing services; painting, interior and exterior; carpentry services; airplane de-icing services; underwater repair; pile driving services; joinery; cabinet making [repair]; installation services relating to the modernization of machines, machine tools and automatic systems for treating and processing metals; plastering; excavation services; quarrying services; removal of debris from buildings [construction services]; renovation of buildings; renovation and maintenance of shopping centers, industrial complexes, office buildings, residential buildings and other real estate developments; repair; repair of automatic livestock feeders; repair of automobiles; repair of vehicles as part of vehicle breakdown services; rebuilding of automobile engines; repair of forklift trucks; repair of water supply apparatus; repair of apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; repair of steam generating apparatus; repair of air filtering apparatus; repair of telecommunication machines and apparatus; repair of apparatus and installations for generating power; repair of heat recovery apparatus; repair of billiard equipment and providing information relating thereto; repair of binoculars; repair of biogas plants and machines; repair of tailboard lifts; repair of tow bars for vehicles; repair of household and kitchen appliances; repair of consumer electronics; reconditioning of vacuum pumps and parts thereof; repair of bicycles; repair of bicycles and providing information relating thereto; repair of ventilating apparatus; repair of water purifying apparatus; repair of air filters; repair of air filters and parts thereof; repair of aerial navigation equipment; repair of compressed air machines; repair of intake air filters for machinery; repair of intake air filters and parts thereof; hat repair; repair of mining machinery; repair of trucks; overhaul of engines and motors; suitcase repair; repair of security locks; repair, servicing and maintenance of vehicles and apparatus for locomotion by air; repair of buildings; umbrella repair and providing information relating thereto; umbrella repair; parasol repair; repair and reconditioning of bearings for machines; repair and reconditioning of anti-friction bearings for machines; repair and reconditioning of bearings, ball-bearings, roller bearings and anti-friction bearings for machines; repair of game machines and apparatus; repair of game machines and apparatus and providing information relating thereto; repair of toys or dolls; repair of toys or dolls and providing information relating thereto; reconditioning machines that are worn or partially destroyed; reconditioning motors and engines that have been worn or partially destroyed; repair and insulation of window joints; maintenance of automobiles; repair or maintenance of nuclear power plants; repair or maintenance of two-wheeled motor vehicles; repair

or maintenance of automobiles; repair or maintenance of automobiles and providing information relating thereto; repair or maintenance of cooking apparatus; repair or maintenance of cooking apparatus for industrial purposes; repair or maintenance of cooking apparatus and installations; repair or maintenance of power distribution or control machines and apparatus; repair or maintenance of boilers; repair or maintenance of boilers and providing information relating thereto; repair or maintenance of chick brooders; repair or maintenance of consumer electrical appliances; repair or maintenance of consumer electrical appliances and providing information relating thereto; repair or maintenance of signboards; repair or maintenance of signboards and providing information relating thereto; repair or maintenance of gas water heaters; repair or maintenance of gas water heaters and providing information relating thereto; repair or maintenance of power generators; repair or maintenance of burners and providing information relating thereto; repair or maintenance of mining machines and apparatus; repair or maintenance of mining machines and apparatus and providing information relating thereto; repair or maintenance of two-wheeled motor vehicles and providing information relating thereto; repair or maintenance of milking machines; repair or maintenance of railway rolling stock; repair or maintenance of railway rolling stock and providing information relating thereto; repair or maintenance of amusement machines and apparatus; repair or maintenance of measuring and testing machines and instruments; repair or maintenance of measuring and testing machines and providing information relating thereto; repair or maintenance of egg incubators; repair or maintenance of cinematographic machines and apparatus; repair or maintenance of cinematographic machines and apparatus and providing information relating thereto; repair or maintenance of movie projectors; repair or maintenance of computers; repair or maintenance of conveyors; repair or maintenance of air-conditioning apparatus; repair or maintenance of vessels and providing information relating thereto; repair or maintenance of fodder mills; repair or maintenance of fodder mixers; repair or maintenance of fodder presses; repair or maintenance of fodder cutters; repair or maintenance of cooking pots and pans and providing information relating thereto; repair or maintenance of cooking pots and pans; repair or maintenance of laboratory apparatus and instruments; repair or maintenance of laboratory apparatus and instruments and providing information relating thereto; repair or maintenance of tobacco processing machines; repair or maintenance of diving machines and apparatus; repair or maintenance of machines and apparatus for use in beauty salons or barbers' shops; repair or maintenance of painting machines and apparatus; repair or maintenance of painting machines and apparatus and providing information relating thereto; repair or maintenance of plastic processing machines and apparatus and providing information relating thereto; repair or maintenance of plastic processing machines and apparatus; repair or maintenance of glassware manufacturing machines and apparatus and providing information relating thereto; repair or maintenance of machines and apparatus for processing food or beverages; repair or maintenance of machines and apparatus for manufacturing rubber goods; repair or maintenance of tobacco processing machines and providing information relating thereto; repair or maintenance of office machines and apparatus; repair or maintenance of amusement machines and apparatus and providing information relating thereto; repair or maintenance of power distribution or control machines and apparatus and providing information relating thereto; repair or maintenance of packing or wrapping machines and apparatus; repair or maintenance of photographic machines and apparatus and providing information relating thereto; repair or maintenance of chemical processing machines and apparatus; repair or maintenance of glassware manufacturing machines and apparatus; repair or maintenance

of chemical processing machines and apparatus and providing information relating thereto; repair or maintenance of machines and instruments for making shoes; repair or maintenance of plant fiber processing machines and implements; repair or maintenance of machines and systems for manufacturing integrated circuits; repair or maintenance of semi-conductor manufacturing machines and systems; repair or maintenance of semi-conductor manufacturing machines and systems and providing information relating thereto; repair or maintenance of waste crushing machines and apparatus and providing information relating thereto; repair or maintenance of waste compacting machines and apparatus and providing information relating thereto; repair or maintenance of medical machines and apparatus; repair or maintenance of medical machines and apparatus and providing information relating thereto; repair or maintenance of metalworking machines and tools; repair or maintenance of metalworking machines and tools and providing information relating thereto; repair or maintenance of power-driven floor cleaning machines; repair or maintenance of mechanical parking systems; repair or maintenance of mechanical parking systems and providing information relating thereto; repair or maintenance of freezing machines and apparatus and providing information relating thereto; repair or maintenance of musical instruments; repair or maintenance of musical instruments and providing information relating thereto; pump repair or maintenance; pump repair or maintenance and providing information relating thereto; repair or maintenance of non-electric cooking apparatus and installations; repair or maintenance of non-electric cooking apparatus and installations and providing information relating thereto; repair or maintenance of gasoline station equipment and providing information relating thereto; repair or maintenance of gasoline station equipment; repair or maintenance of firearms; repair or maintenance of firearms and providing information relating thereto; repair or maintenance of optical machines and instruments; repair or maintenance of optical machines and instruments and providing information relating thereto; repair or maintenance of office machines and apparatus and providing information relating thereto; repair or maintenance of bookbinding apparatus and machines; repair or maintenance of printing or bookbinding machines and apparatus; repair or maintenance of printing or bookbinding machines and apparatus and providing information relating thereto; repair or maintenance of printing machines; repair or maintenance of loading-unloading machines and apparatus and providing information relating thereto; repair and maintenance of feed or booster pumps; repair or maintenance of diving machines and apparatus and providing information relating thereto; repair or maintenance of fire alarms and providing information relating thereto; repair or maintenance of fire alarms; repair or maintenance of cultivating machines and implements; repair or maintenance of fishing tackle; repair or maintenance of fishing tackle and providing information relating thereto; repair or maintenance of overhead projectors; repair or maintenance of industrial furnaces and providing information relating thereto; repair or maintenance of cooking apparatus for industrial purposes and providing information relating thereto; repair or maintenance of air-conditioning apparatus for industrial purposes and providing information relating thereto; repair or maintenance of industrial washing machines and providing information relating thereto; repair or maintenance of industrial dishwashing machines; repair or maintenance of industrial dishwashing machines and providing information relating thereto; repair or maintenance of industrial washing machines; repair or maintenance of industrial furnaces; repair or maintenance of loading-unloading machines and apparatus; repair or maintenance of storage tanks; repair or maintenance of fishing machines and instruments and providing information relating thereto; repair or maintenance of fishing machines and instruments; repair or maintenance of power-driven floor

cleaning machines and providing information relating thereto; repair or maintenance of agricultural machines and implements and providing information relating thereto; repair or maintenance of agricultural machines and implements; repair or maintenance of power generators and providing information relating thereto; repair or maintenance of snow ploughs; repair or maintenance of construction equipment; repair or maintenance of construction machines and apparatus; repair or maintenance of construction machines and apparatus and providing information relating thereto; repair or maintenance of textile machines and apparatus; repair or maintenance of textile machines and apparatus and providing information relating thereto; repair or maintenance of telecommunication machines and apparatus; repair or maintenance of telecommunication machines and apparatus and providing information relating thereto; repair or maintenance of telecommunication machines and apparatus; other than telephone sets, radio receivers and television receivers; repair or maintenance of telephone apparatus; repair or maintenance of vending machines and providing information relating thereto; repair or maintenance of harvesting machines and implements; repair or maintenance of packing or wrapping machines and apparatus and providing information relating thereto; repair or maintenance of vehicle washing installations and providing information relating thereto; repair or maintenance of bicycle parking apparatus; repair or maintenance of bicycle parking apparatus and providing information relating thereto; repair or maintenance of water pollution control equipment and providing information relating thereto; repair or maintenance of water purifying apparatus and providing information relating thereto; repair or maintenance of photographic machines and apparatus; repair or maintenance of chemical plants; repair or maintenance of chemical plants and providing information relating thereto; repair or maintenance of freezing machines and apparatus; repair or maintenance of storage tanks and providing information relating thereto; repair or maintenance of clocks and watches; repair or maintenance of clocks and watches and providing information relating thereto; repair or maintenance of sewing machines; repair or maintenance of sewing machines and providing information relating thereto; repair or maintenance of electric cooking apparatus and installations; repair or maintenance of electric motors and providing information relating thereto; repair or maintenance of electric lighting apparatus and providing information relating thereto; repair or maintenance of electric motors; repair or maintenance of electronic machines and apparatus; repair or maintenance of electronic machines and apparatus and providing information relating thereto; repair or maintenance of electric lighting apparatus; repair or maintenance of nuclear power plants and providing information relating thereto; repair and maintenance of gymnastic and sporting articles; repair and maintenance of toys; repair and maintenance of leather goods; repair and maintenance of furniture; repair and maintenance of footwear; repair and maintenance of clothing; repair and maintenance of spectacles and providing information relating thereto; repair and maintenance of spectacles; repair and maintenance of garden tools; repair and maintenance of sports and fitness equipment; repair and maintenance of textile goods; repair and maintenance of camping equipment; repair and maintenance of jewelry and watches; automobile body repair and finishing for others; repair and restoration of books; repair and restoration of household articles; repair and restoration of furniture; repair and maintenance of upholstery; motor vehicle maintenance and repair; repair and maintenance of motor vehicles and their engines; repair and maintenance of motor vehicles and parts thereof and of engines for motor vehicles and parts thereof; repair and maintenance of automobiles and parts thereof; repair or maintenance of water purifying apparatus; repair and maintenance of vacuum pumps; repair and maintenance of vacuum

pumps and parts thereof; repair and maintenance of bicycles; repair and maintenance of ventilating apparatus; repair and maintenance of wind power plants; repair and maintenance of air vehicles; repair and maintenance of wave energy power plants; repair and maintenance of gas and electricity installations; burner maintenance and repair; repair and maintenance of mining, earth moving, road making, agricultural and farming equipment; repair and maintenance of mining equipment; repair and maintenance of mining machines; repair and maintenance of engines for motor vehicles; repair and maintenance of road making machines; repair and maintenance of rail vehicles; repair and maintenance of residential buildings; repair and maintenance of buildings; repair and maintenance of earth moving equipment; repair and maintenance of earth moving machines; repair and maintenance of horological and chronometric instruments; repair and maintenance of uninterruptible power supplies; film projector repair and maintenance; repair and maintenance of hardware for data processing apparatus; repair and maintenance of compressors; repair and maintenance of computer and telecommunications hardware; repair and maintenance of computer and telecommunications equipment; repair or maintenance of air-conditioning apparatus for industrial purposes; repair and maintenance of air-conditioning apparatus; repair and maintenance of ships; repair and maintenance of laser measuring apparatus; repair and maintenance of boats; repair or maintenance of waste compacting machines and apparatus; repair or maintenance of waste crushing machines and apparatus; repair or maintenance of sericultural machines and implements; repair and maintenance of machines and machine tools for treating and processing metals; repair and maintenance of machines, machine tools and automatic systems for treating and processing metals; repair and maintenance of machines, apparatus and tools; repair and maintenance of medical instruments, apparatus and equipment; repair and maintenance of motors; repair and maintenance of airplane motors and engines; repair and maintenance of motorcycles; repair and maintenance of multimedia apparatus; repair or maintenance of water pollution control equipment; repair and maintenance of road making equipment; repair and maintenance of public transport vehicles; repair and maintenance of axles and parts thereof; repair and maintenance of heating apparatus; repair and maintenance of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus; repair and maintenance of office buildings; repair and maintenance of cooling appliances and installations; repair or maintenance of passenger elevators; repair and maintenance of presses for processing metals; repair and maintenance of industrial machinery; repair and maintenance of dust extraction apparatus; repair and maintenance of radio systems and networks; airplane maintenance and repair; safe maintenance and repair; repair and maintenance of agricultural equipment; repair and maintenance of agricultural machines; repair and maintenance of motor vehicle cooling systems; repair or maintenance of sporting equipment; repair and maintenance of building scaffolds, working and building platforms; repair or maintenance of vessels; repair and maintenance of land vehicles; repair and maintenance of drying apparatus; repair and maintenance of telecommunications apparatus, other than telephone sets, radio receivers and television receivers; repair or maintenance of vending machines; repair and maintenance of shopping centers, industrial complexes, office buildings, residential buildings and other real estate developments; repair and maintenance of transport containers; repair and maintenance of vehicle tires; repair and maintenance of audio frequency amplifiers; repair and maintenance of video frequency amplifiers; repair or maintenance of vehicle washing installations; repair and maintenance of photographic apparatus; repair and maintenance of surgical instruments and apparatus; repair and maintenance of chassis parts and bodies for vehicles; repair and

maintenance of refrigerating apparatus; repair or maintenance of elevators [lifts]; repair and maintenance of electrical apparatus; repair and maintenance of electric vehicles; repair and maintenance of electricity generators; repair and maintenance of electronic apparatus; repair and maintenance of electronic display panels; repair and maintenance of electronic navigational and positioning apparatus and instruments; repair and maintenance of electronic installations; renovation, repair and maintenance of electrical wiring; repair and maintenance of energy generating installations; repair and maintenance of yachts; clock and watch repair; repair and cleaning of pallets and transport containers; cabinet repair; repair of computers; repair of computer hardware; repair of roofing; repair of cooking apparatus; repair of power lines; repair of personal ornaments; repair of personal ornaments and providing information relating thereto; repair of furniture; repair of medical machines and apparatus; repair of metalworking machines and apparatus; repair of metallurgical plants and rolling mills; repair of bags or pouches and providing information relating thereto; repair of musical instruments; repair of land vehicles; watch repair; pump repair; upholstery repair; repair of billiard equipment; repair of water pollution control equipment; shoe repair; shoe repair and providing information relating thereto; repair of shoes, bags and belts; clothing repair and providing information relating thereto; clothing repair; sign repair; repair of lighting apparatus; repair of axles for machines; repair of axles for vehicles; repair of heating apparatus; repair of heating, air-conditioning and alarm installations; repair of office machines and apparatus; repair of spectacles; repair of spectacles and providing information relating thereto; repair of energy production plants and machines; repair of suspension systems for vehicles; repair of industrial machinery; repair of industrial furnaces; vacuum cleaner repair; repair of radios; repair of radio or television sets; repair of fishing tackle and providing information relating thereto; repair of sanitary installations; repair of fishing tackle; repair of alarms; repair of animal waste treatment systems; repair of electronic cash register systems; repair of damaged computers; repair of hearing aids and hearing protectors; repair of sports equipment; repair of sports equipment and providing information relating thereto; repair of machines for treating organic waste; repair of industrial waste treatment machines; stereo system repair; repair of construction and agricultural machinery; scaffolding repair; repair of construction machines and construction equipment; repair of bags or pouches; repair of drying apparatus; repair of couplings for land vehicles; repair of tatami mats; repair of tatami mats and providing information relating thereto; repair of television apparatus; telephone repair; repair, maintenance and overhaul of automobiles; repair, maintenance, servicing, dismantling, rebuilding and cleaning of vehicle engines and parts thereof; repair, maintenance, servicing, dismantling, rebuilding, cleaning and varnishing of vehicles and parts thereof; repair of brake systems for vehicles; repair of trailers; repair of toilet bowls with integrated bidet water jets; repair of toilet bowls with integrated bidet water jets and providing information relating thereto; repair of water supply installations; repair of installations for use in metal production, metal processing and metal working; repair of vehicle washing installations; repair of air-conditioning apparatus; repair of energy supply installations; repair of garbage disposals; repair of facsimile machines; repair of filters for machines, motors or engines; repair of filters and parts thereof; photographic apparatus repair; repair of cameras; repair of refrigerating apparatus; refrigerator repair; clock repair; reconditioning machines, motors and engines that have been worn or partially destroyed; luggage repair; repair of electrical equipment; repair of electrical equipment and electrotechnical installations; repair of electronic business equipment; repair of jewelry; hat restoration; restoration of buildings; renovating and constructing homes for low-income families; furniture restoration; furniture restoration and providing

information relating thereto; restoration of musical instruments; restoration of works of art; furniture restoration, repair and maintenance; servicing and repair of lifting apparatus; servicing and repair of mechanical access platforms; servicing and repair of elevating work platforms; servicing of apparatus and installations for generating power; servicing of manufacturing machines and apparatus; servicing, cleaning and repair of chemical apparatus; automobile greasing; automobile lubrication; vehicle greasing; demolition of civil engineering structures; demolition of houses and buildings; demolition of buildings; pavement stripping; road stripping; warehouse construction and repair; installation, maintenance and repair of manufacturing plants; vehicle service stations [refuelling and maintenance]; sterilization of medical instruments; sterilization of surgical instruments; sterilization of surgical equipment; washing; washing of linen; washing of cloth, clothing, fabric, linen and textiles; washing, ironing, smoothing and repairing of textile goods for reuse; washing of clothing; washing of textiles; washing of fabric; washing of cloth; construction; construction of airports; pier construction; construction of hydroelectric factories; pier breakwater building; custom construction of homes; road construction; chimney construction; residential and commercial building construction; construction and renovation of buildings; custom construction and building renovation; construction and repair of houses; construction and repair of buildings; pipeline construction and maintenance; building of canal locks; shipbuilding and providing information relating thereto; construction of porches; building of shops; construction of medical establishments; construction of oil pipelines; construction of decks; underwater construction; harbour construction; factory construction; construction, repair and maintenance of buildings; construction, repair and maintenance of buildings, and providing information relating thereto; construction of sunrooms; construction of structures for the production of crude oil; construction of structures for the production of natural gas; construction of structures for the transportation of natural gas; construction of structures for the transportation of crude oil; construction of structures for the storage of natural gas; construction of structures for the storage of crude oil; construction of telecommunication towers; construction, maintenance and renovation of property; construction, maintenance and repair of watercraft, yachts, boats and water vehicles; pipeline construction; building of fair stalls and shops; yacht building; shipbuilding; marine construction; custom shipbuilding; routine servicing of ventilating apparatus; routine servicing of air-conditioning apparatus; routine servicing of heating apparatus; routine servicing of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus; routine servicing of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus at intervals stipulated by the manufacturer; routine servicing of dust extraction apparatus; routine servicing of drying apparatus; routine servicing of refrigerating apparatus; thermal insulating of buildings; building inspection in the course of building construction; maintenance of aquariums; aircraft maintenance or repair and providing information relating thereto; maintenance and repair of computer hardware; maintenance and repair of skis; machinery maintenance and repair; maintenance and repair of hardware for computer networks; maintenance and repair of heating installations; maintenance and repair of telecommunications networks, apparatus, and instruments; maintenance of computer hardware; maintenance of medical apparatus and instruments; maintenance, repair and cleaning of apparatus and machinery for manufacturing semi-conductors; maintenance of septic systems; tuning of engines for motor vehicles; tuning of motors and engines for automobiles; tuning of motors and engines; cleaning of automobiles; cleaning of building interiors; cleaning of exhibition stands; cleaning of urban areas; cleaning of residential houses; cleaning of residential and commercial properties;

cleaning of buildings [interior]; cleaning of buildings, industrial sites and building sites; cleaning of building interiors and exteriors; crime scene clean-up services; cleaning of public areas; cleaning of office buildings and commercial premises; cleaning of industrial premises; cleaning of airplanes; street cleaning; street cleaning and providing information relating thereto; cleaning services in the nature of collecting trash, other than transport; asbestos removal; removal of graffiti; rust removal; laying of paving; carpet laying; tile laying, bricklaying or block laying; building reinforcing; vermin exterminating, other than for agriculture, aquaculture, horticulture and forestry; extermination of pests, other than for agricultural purposes; vermin exterminating, other than for agriculture, forestry or horticulture; vermin exterminating, other than for agriculture, forestry or horticulture, and providing information relating thereto; road sealing; garage services for automobile repair; construction, maintenance, cleaning and repair services; garage services for the maintenance and repair of motor vehicles; information and consultancy services relating to vehicle repair; advisory services in the fields of construction, repair, restoration, maintenance and installation; consultancy and information services relating to construction; consultancy, information and advisory services relating to the construction of public works; advisory services relating to the construction and repair of airports and airport facilities; consultancy relating to the repair and reconditioning of anti-friction bearings for machines; consultancy relating to the repair and reconditioning of bearings, ball-bearings, roller bearings and anti-friction bearings for machines; consultancy and advisory services relating to the repair and maintenance of vacuum pumps and parts thereof; consultancy services relating to the construction of buildings; consultancy relating to installation, maintenance and repair services; consultancy relating to the installation, maintenance and repair of windmills and wind turbines; consultancy services regarding the installation and maintenance of telecommunications, transmission and broadcasting equipment, apparatus and instruments; advisory services relating to building demolition; advisory services relating to the construction of buildings; advisory services relating to the construction of buildings and other structures; advisory services relating to the construction of public works; advisory services relating to the maintenance and repair of mechanical and electrical equipment; advisory services relating to the maintenance, repair and renovation of buildings and other structures; advisory services relating to the installation of audiovisual equipment; advisory services relating to the installation of hydraulic equipment; advisory services relating to the installation of plumbing; advisory services relating to the installation of heating and cooling apparatus; advisory services relating to the installation of building automation equipment; advisory services relating to the installation of security and safety equipment; advisory services relating to the installation of communication equipment; advisory services relating to the installation of lighting apparatus; advisory services relating to the installation of passenger elevators; advisory services relating to the installation of fire prevention equipment; advisory services relating to the installation of telephone equipment; advisory services relating to the installation, maintenance and repair of mechanical and electrical equipment; painting services; decorative painting services; assembly services relating to the installation of presses for processing metals; automobile undercoating services; vehicle undercoating services; tire balancing; pest control services, other than for agriculture, aquaculture, horticulture and forestry; interior sealing and caulking services; building sealing and caulking services; hydraulic fracturing services; computer and telephone battery recharge services; building construction supervision services relating to shopping centers, industrial complexes, office buildings, residential buildings and other real estate developments; building construction supervision services for real estate projects; building

construction supervision services for building projects; machinery retrofit and conversion services; construction services relating to the installation of heating, ventilating and air-conditioning systems; seat covering services; snow removal and de-icing services for airplanes; drain cleaning services; fire extinguisher recharging services; house painting; interior and exterior window cleaning services; assembly services relating to the installation of machines and machine tools for treating and processing metals; assembly services relating to the installation of machines, machine tools and automatic systems for treating and processing metals; artificial snow-making services; construction, repair, maintenance and installation services; pressure washing services; cleaning services; industrial and commercial cleaning services; domestic cleaning services; street sweeping services; installation and maintenance services; installation of building scaffolds, working and building platforms; installation, maintenance and repair services; installation services for elevators and lifts; electrical installation services; installation services; removing birds from residential and commercial buildings; swimming pool cleaning services; air duct cleaning services; laundering of cloth, clothing, fabric, linen and textiles; laundering of babies' diapers; laundering of cloth; laundering of clothing; laundering of textiles; laundering of fabric; laundering; laundering and disinfecting of linen; laundering and providing information relating thereto; installation, maintenance and repair services provided by a handyman; construction and maintenance services relating to civil engineering; installation of ventilation and dust extraction systems; installation of apparatus for recording, transmission or reproduction of sound or images; installation of air-conditioning apparatus for use in clean rooms; installation of apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; installation of heating, lighting and cooking apparatus; installation of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus; installation of apparatus for generating power; installation of dust extraction apparatus; installation of air-conditioning apparatus; installation of gas supply and distribution apparatus; installation of reactive power compensation apparatus; installation of audiovisual equipment; installation of ventilating apparatus; installation of plumbing systems; installation of gas and water pipelines; installation of water pipes; installation of hydraulic equipment; installation of drywall panels; installation of lightning conductors; installation of doors and windows; installation of engines and motors; installation of wood flooring; installation of wallboards; installation of rainwater drainage systems; installation of pipe insulation; installation of insulating materials; installation and maintenance of heating systems; installation and maintenance of solar thermal installations; installation and maintenance of photovoltaic installations; antenna installation and repair; plate glass installation and repair services; installation and repair of door frames; installation and repair of business and office machinery and equipment; Venetian blind installation and repair; setup or repair of locks; setup or repair of locks and providing information relating thereto; irrigation devices installation and repair; installation and repair of computer hardware; computer installation and repair; elevator installation and repair; installation and repair of freezing apparatus; installation and repair of window blinds; installation and repair of window frames; heating equipment installation and repair; burglar alarm installation and repair; installation and repair of burglar or fire alarms; furnace installation and repair; installation and repair of air-conditioning systems; installation and repair of heating, ventilating and air-conditioning systems; satellite dish installation and repair; installation and repair of television apparatus; telephone installation and repair; furnace and smelter installation and repair; pipeline installation and repair; installation and repair of air-conditioning apparatus; fire alarm installation and repair; freezing

equipment installation and repair; electric appliance installation and repair; installation of rainwater collection systems; installation and maintenance of transmission and broadcasting equipment, apparatus and instruments; installation and maintenance of irrigation systems; installation and maintenance of computer hardware for the transfer of data for remote reading of electricity meters; installation and maintenance of hardware for computer networks and Internet access; installation and maintenance of burglar or fire alarms; installation and maintenance of industrial plant and equipment; installation and maintenance of traffic control apparatus; installation and maintenance of electronic apparatus; installation of cables for Internet access; installation of communication equipment; installation of computer hardware; installation of hardware for Internet access; installation of hardware and cables for Internet access; installation, construction, maintenance, servicing and repair of energy and power generating apparatus, equipment and installations; roofing installation; kitchen equipment installation; installation of kitchen appliances; installation of cooking appliances; installation of kitchen cabinets; installation of rainwater tanks; installation of foundry equipment; installation of machinery for generating electricity; installation of machines and machine tools for treating and processing metals; machinery installation; installation of furniture; installation of furniture for stores; installation of door closers; installation of door openers; installation of door openers and closers; oil well casing, tubing, and drill pipe installation; installation of floor tiles; installation of hardware for computer networks; installation of hardware for computer systems; installation of laundry and kitchen equipment; installation of building automation equipment; installation, maintenance and repair of computer hardware; installation, maintenance and repair of water supply apparatus; installation of fencing; installation of pet containment systems; installation of windows; installation of security and safety equipment; installation of office machines; installation of lighting apparatus; installation of heating apparatus; installation of heating and cooling apparatus; installation of heating systems; installation of security systems; installation of tents; installation of passenger elevators; installation of fire alarms; installation of presses for processing metals; installation of fixtures and fittings for buildings; installation of industrial machinery; installation of industrial furnaces; installation of fire prevention equipment; installation of radio systems and networks; installation, maintenance and repair of automatic doors and barriers; installation, maintenance and repair of machines for use in the publishing industry; machinery installation, maintenance and repair; installation, repair and maintenance of clean room facilities and equipment; installation, repair and maintenance of heating equipment; office machines and equipment installation, maintenance and repair; installation, maintenance and repair of fire, smoke and heat alarms; installation, maintenance and repair of ventilating systems; installation, repair and maintenance of condensing apparatus, steam condensers, radiators for motors and engines, air reheaters, boiler tubes; installation of siding; custom installation of automobile interiors; installation of sanitary apparatus; installation of plumbing; installation of septic tanks; installation of commercial cooking apparatus; installation of environmental protection systems; installation of environmental control systems; installation of environmental control systems for clean rooms; installation of air-conditioning control systems; installation of air-conditioning systems; installation of heating, ventilation and air-conditioning [HVAC] systems; installation of electric light and power systems; installation of rainwater harvesting systems; installation of clean room systems; installation, changing, replacement and repair of locks; installation of satellite dishes; installation of glass in conservatories, windows, doors and greenhouses; installation of drying apparatus; installation of telephone equipment; installation of building insulation; installation of telephone lines;

installation of cavity wall insulation; installation of insulating materials in buildings, roofs and structures; installation of insulating glass in conservatories, windows, doors and greenhouses; installation of thermal insulation for buildings; installation, maintenance and repair of automated teller machines; installation of water supply apparatus; installation, maintenance and repair of automation systems; installation, maintenance and repair of automatic emergency exits; installation, maintenance and repair of automatic doors and gates; installation, maintenance and repair of automatic apparatus for opening and closing ventilation flaps; installation, maintenance and repair of automatic apparatus for opening and closing windows; installation, maintenance and repair of automatic apparatus for opening and closing windows, fanlights, skylights and ventilation flaps; installation, maintenance and repair of automatic apparatus for opening and closing skylights; installation, maintenance and repair of automatic apparatus for opening and closing fanlights; installation, maintenance and repair of anemometers; installation, maintenance and repair of hardware for computer networks; installation, maintenance and repair of hardware for data communication networks; installation, maintenance and repair of remote control apparatus; installation, maintenance and repair of air analysis apparatus; installation, maintenance and repair of apparatus for supplying gas; installation, maintenance and repair of drilling and mining apparatus; installation, maintenance and repair of electronic monitoring apparatus; installation, maintenance and repair of hardware for data processing apparatus; installation, maintenance and repair of apparatus for processing metals; installation, maintenance and repair of apparatus for heating, purifying air, refrigerating, drying, ventilating, temperature control and air-conditioning; installation, maintenance and repair of energy conversion apparatus and power plants; installation, maintenance and repair of energy conversion apparatus, power plants, wave energy conversion apparatus and wave energy power plants; installation, maintenance and repair of apparatus for generating electricity; installation, maintenance and repair of apparatus for generating power; installation, maintenance and repair of apparatus for authentication of documents; installation, maintenance and repair of apparatus for checking the authenticity of banknotes; installation, maintenance and repair of apparatus for supplying electricity; installation, maintenance and repair of fire detection apparatus; installation, maintenance and repair of quality control apparatus; installation, maintenance and repair of wave energy conversion apparatus and wave energy power plants; installation, maintenance and repair of mechanically operated apparatus for opening and closing ventilation flaps; installation, maintenance and repair of mechanically operated apparatus for opening and closing windows; installation, maintenance and repair of mechanically operated apparatus for opening and closing windows, fanlights, skylights and ventilation flaps; installation, maintenance and repair of mechanically operated apparatus for opening and closing skylights; installation, maintenance and repair of district heating apparatus; installation, maintenance and repair of electronic data processing apparatus; installation, maintenance and repair of broadcasting apparatus; installation, maintenance and repair of quality control apparatus for printing presses; installation, maintenance and repair of ballast apparatus for ships; installation, maintenance and repair of batteries and accumulators; installation, maintenance and repair of wind towers; installation, maintenance and repair of vacuum pumps; installation, maintenance and repair of ventilating apparatus; installation, maintenance and repair of weighing apparatus; installation, maintenance and repair of veterinary apparatus and instruments; installation, maintenance and repair of wind towers and anemometers; installation, maintenance and repair of windmills and wind turbines; installation, maintenance and repair of air filters; installation, maintenance and repair of fiber optic networks;

installation, maintenance and repair of blow molding machines; installation, maintenance and repair of high pressure lines, hosing and pipelines for hydraulic systems; installation, maintenance and repair of gas and electricity systems; installation, maintenance and repair of gas, electricity and water supply apparatus; installation, maintenance and repair of alternators; installation, maintenance and repair of hydraulic systems for machinery; installation, maintenance and repair of hydraulic systems for vehicles; installation, maintenance and repair of hydraulic equipment; installation, maintenance and repair of doors and fences; installation, maintenance and repair of chassis parts and bodies for vehicles; installation, maintenance and repair of fire, smoke and heat detectors; installation, maintenance and repair of ink metering apparatus for printing presses; installation, maintenance and repair of railroad tracks; installation, maintenance and repair of gaming machines, juke boxes and telecommunication equipment; installation, maintenance and repair of measuring apparatus; installation, maintenance and repair of measuring and testing apparatus and instruments; installation, maintenance and repair of clocks and other horological and chronometric instruments; installation, maintenance and repair of measuring, signalling and monitoring apparatus and instruments; installation, maintenance and repair of inverters, batteries and electrical connection apparatus for solar energy systems; installation, maintenance and repair of drilling and mining tools; installation, maintenance and repair of card readers; installation, maintenance and repair of catalytic converters; installation, maintenance and repair of compressors; installation, maintenance and repair of compressors, air pumps and vacuum pumps; installation, maintenance and repair of compressors, air pumps, vacuum pumps, air blowers, air filters, alternators, pressure regulators and oil separators; installation, maintenance and repair of computer hardware and electronic teaching equipment and apparatus; installation, maintenance and repair of computer hardware for electronic data processing systems; installation, maintenance and repair of computer hardware for telecommunications systems; installation, maintenance and repair of computer hardware and peripherals; installation, maintenance and repair of air-conditioning apparatus; installation, maintenance and repair of cash registers; installation, maintenance and repair of ink rollers for printing presses; installation, maintenance and repair of kitchen equipment; installation, maintenance and repair of kitchen furniture; installation, maintenance and repair of labeling machines; installation, maintenance and repair of machines for processing plastics; installation, maintenance and repair of machinery for the printing industry; installation, maintenance and repair of cleaning machines; installation, maintenance and repair of machinery for the graphics industry; installation, maintenance and repair of medical apparatus and instruments; installation, maintenance and repair of metalworking machines; installation, maintenance and repair of meteorological masts; installation, maintenance and repair of computer network and information technology equipment; installation, maintenance and repair of air blowers; installation, maintenance and repair of heating apparatus; installation, maintenance and repair of heating systems; installation, maintenance and repair of pumps and pumping stations; installation, maintenance and repair of oil separators; installation, maintenance and repair of building automation equipment; installation, maintenance and repair of container filling machines; installation, maintenance and repair of apparatus for conveying goods; installation, maintenance and repair of equipment and apparatus for use in demolition; installation, maintenance and repair of equipment and apparatus for use in mining; installation, maintenance and repair of equipment and apparatus for use in mining, open pit mining and quarrying; installation, maintenance and repair of equipment and apparatus for use in road building; installation, maintenance and repair of air freshening apparatus;

installation, maintenance and repair of lighting apparatus; installation, maintenance and repair of burglar alarms; installation, maintenance and repair of air purifying apparatus; installation, maintenance and repair of passenger elevators; installation, maintenance and repair of passenger elevators, moving sidewalks, passenger bridges, moving stairways and stairway lifts; installation, maintenance and repair of printing machines; installation, maintenance and repair of printing machines and parts thereof; installation, maintenance and repair of printing presses; installation, maintenance and repair of printing presses and other machinery for use in the publishing industry; installation, maintenance and repair of printing presses and parts thereof; installation, maintenance and repair of loading and unloading machines; installation, maintenance and repair of fire and security alarms; installation, maintenance and repair of fire alarms; installation, maintenance and repair of apparatus for distributing electricity; installation, maintenance and repair of apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; installation, maintenance and repair of computer peripherals; installation, maintenance and repair of manufacturing machines and apparatus; installation, maintenance and repair of industrial machinery; installation, maintenance and repair of industrial machinery and manufacturing plants; installation, maintenance and repair of fire and smoke barriers; installation, maintenance and repair of filling machines; installation, maintenance and repair of pressure regulators; installation, maintenance and repair of freestanding lattice towers; installation, maintenance and repair of LED lighting apparatus; installation, maintenance and repair of air-conditioning systems; installation, maintenance and repair of boiler systems; installation, maintenance and repair of boiler systems and solar energy systems; installation, maintenance and repair of exhaust gas reduction systems; installation, maintenance and repair of heat insulation systems; installation, maintenance and repair of dental apparatus and instruments; installation, maintenance and repair of drying apparatus; installation, maintenance and repair of money counting and sorting machines; installation, maintenance and repair of moving sidewalks; installation, maintenance and repair of passenger bridges; installation, maintenance and repair of packaging machines; installation, maintenance and repair of mechanically operated apparatus for opening and closing fanlights; installation, maintenance and repair of molding machines; installation, maintenance and repair of photovoltaic modules; installation, maintenance and repair of photovoltaic cells and modules; installation, maintenance and repair of refrigerating apparatus; installation, maintenance and repair of cooling and air-conditioning systems for temperature-controlled environments; installation, maintenance and repair of electrical and electronic apparatus for use in the field of automation; installation, maintenance and repair of electrical and electronic apparatus and equipment; installation, maintenance and repair of electrical lighting apparatus; installation, maintenance and repair of electrical devices; installation, maintenance and repair of electrical and electronic measuring and testing apparatus and instruments; installation, maintenance and repair of electrical equipment; installation, maintenance and repair of electronic regulating apparatus; installation, maintenance and repair of electronic control apparatus; installation, maintenance and repair of electrical drives and drive systems for machines; installation, maintenance and repair of power plants and power grids; installation, maintenance and repair of escalators; installation, maintenance, repair and reconditioning of industrial machinery; installation, maintenance and repair of equipment and apparatus for use in coal mining; installation of theft prevention devices; installation of photovoltaic cells and modules; installation of refrigerating apparatus; installation of electrical apparatus or generators; installation of electric and electronic equipment in automobiles; installation

of electrical wiring; installation of energy-saving apparatus; interference suppression in electrical apparatus; installation of ship interiors; swimming-pool maintenance; furniture maintenance; fur care and repair; fur care and repair and providing information relating thereto; fumigating; fumigation of buildings against pests; chimney sweeping; car cleaning; chimney sweeping and providing information relating thereto; automobile cleaning and washing; leather cleaning and repair; fur cleaning and repair; boiler cleaning and repair; cleaning of rugs; carpet cleaning; cleaning of carpets and rugs; cleaning of carpets and rugs, and providing information relating thereto; rug shampooing; shoe shining; cleaning of clothing; window cleaning and providing information relating thereto; cleaning of storage tanks; storage tank cleaning and providing information relating thereto; leather care, cleaning and repair; fur care, cleaning and repair; septic tank cleaning; septic tank cleaning and providing information relating thereto; dry cleaning; cleaning of textiles; vehicle cleaning; cleaning of packaging materials, packing containers and transport pallets; diaper cleaning; cleaning of surgical instruments and equipment; floor sanding; buffing and polishing; plastering and painting of building interiors; inspection of automobiles and parts thereof prior to maintenance and repair; building maintenance; building maintenance and repair services provided by a handyman.

Class 39

Air transport; airline transport services; airline services for the transportation of passengers; airline services for the transportation of cargo; airline services for the transportation of goods; computerized tracking and tracing of packages in transit [transport information]; vehicle transport; vehicle transport and rental services; motor coach rental; car rental, garage and parking space rental; rental of automobiles and bicycles; rental of road and rail vehicles, except passenger vehicles; rental of bicycles; boat rental; rental of recreational vehicles; garage rental; rental of garages and parking places; rental of watercraft; rental of deep water diving suits; rental of rowing boats; rental of moving vans; rental of trucks; truck and trailer rental; rental of refrigerator-freezers for household use; rental of baby strollers; rental, booking and providing of motor vehicles, bicycles and horses; rental, booking and providing of ships; rental, booking and providing of rowing boats, motorboats, sailing vessels and canoes; rental, booking and providing of ships, rowing boats, motorboats, sailing ships and canoes; rental, booking and providing of ships, yachts, rowing boats, motorboats, sailing vessels, canoes and other watercraft; rental, booking and providing of passenger ships; rental, booking and providing of airplanes; rental, booking and providing of yachts; rental of protective covers for vehicle seats; rental of canoes; rental of containers for the shipping industry; rental of containers for warehousing and storage; rental of containers for transport and storage of goods; rental of boats, cars, bicycles, diving bells and diving suits; rental of vehicle roof racks; aircraft rental; rental of frozen food lockers; rental of horses for transportation purposes; parking place rental; rental of mechanical parking systems; rental of freezers for household use; rental of freezers for commercial use; rental of motorboats; rental of scooters for transportation purposes; motorcycle rental; rental of motor vehicles, ships and aircraft; rental of motor vehicles; rental of parking places and garages for vehicles; rental of vehicle parking spaces; rental of sailing vessels; rental of loading-unloading machines and apparatus; rental of diving bells and diving suits; rental of pallets; rental of mailboxes; airplane rental; rental of aircraft, vehicles and boats; rental of warehouses; rental of warehouses and storage containers; rental of warehouse space; rental of pallets and containers for transportation of goods; rental of pallets and containers for storage of goods; rental of storage facilities; rental of vessels; rental of tractors; rental of transport and storage containers; rental of vehicles for events; rental of

vehicles and apparatus for locomotion by air; rental of GPS-equipped vehicles; rental of automobile trailers; rental of traction vehicle and trailers; rental of packing or wrapping machines and apparatus; rental of refrigerators for household use; rental of refrigerators for commercial use; rental of freezing machines and apparatus; rental of storage space; rental of electric cars; rental of sailboats; storage of blood; freight transportation brokerage; rental car reservation; booking of seats for travel; reservation of parking spaces; booking of transportation via a web site; travel reservation; transport reservation; booking of eco-travel and eco-tours via a web site; towing; vehicle breakdown towing services; emergency automobile or truck towing; towing of automobiles; towing of vehicles in connection with breakdown services; towing and transportation of cars as part of vehicle breakdown services; towing of vessels; towing of motor vehicles; maritime towing; bottling services; water distribution; air and sea transport; air transport and storage of goods; air transport and providing information relating thereto; refloating of ships and providing information relating thereto; temporary storage of personal belongings; temporary storage of deliveries; issuing of tickets for travel; freight transportation by truck; diving and underwater salvage; delivery of newspapers; document delivery; food delivery; delivery of food by restaurants; delivery of magazines; delivery and forwarding of letters and packages; delivery and forwarding of mail; delivery and storage of goods; message delivery; correspondence delivery by post or messenger; delivery, dispatching and distribution of newspapers and magazines; parcel delivery; delivery of letters, correspondence, magazines, packets, parcels, newspapers, freight and goods; pizza delivery; delivery of gift baskets with selected items regarding a particular occasion or theme; delivery of messages by courier; delivery of mail by courier; message delivery accompanied by balloons or novelty presentations; delivery of goods; delivery of goods by road or rail; delivery of goods by truck; delivery of goods by air; delivery of goods by mail order; delivery of goods and messages accompanied by balloons or novelty presentations; delivery of goods by courier; delivery of packages by courier; flower delivery; delivery of parts to grounded aircraft via airplane; railway transport and providing information relating thereto; loading of cargo; loading and unloading of airplanes; loading and unloading of goods; loading, packing, storage and transportation of cargo; loading, packing, storage, transportation and unloading of cargo; loading, packing, storage, transport and unloading of freight; loading of freight; loading of freight onto ships; loading of freight containers onto trucks; loading of freight containers onto rail vehicles; loading of freight containers onto ships; booking of tickets for travel; travel ticket reservation services; reservation and booking of seats for travel; booking and arranging of access to airport lounges; booking of seats for rail travel; booking of seats for coach travel; booking of seats for air travel; booking of transportation through travel agencies; booking of transportation via global computer networks; booking of travel through agencies; booking of travel through third party agencies; booking of travel through tourist offices; booking of travel, excursions and cruises; booking of airport parking; booking of transport; booking of travel services; computerized reservation of travel; launch and placement in prescribed orbit of satellites of others; launching of satellites for others; information and advisory services in relation to the distribution of energy; information services relating to the movement of cargo; information services relating to methods of transport; information relating to travel and travel services provided on-line; tourist information services relating to travel; traffic information; travel information; transportation information; storage information; travel information about disruptions due to adverse weather conditions; consultancy in the field of air transport; consultancy in the field of business travel provided by telephone call centers and hotlines; advisory services relating to the delivery of goods; advisory services relating to the tracking of goods in transit [transport information]; consultancy in

the field of travel provided by telephone call centers and hotlines; consultancy relating to travel, transport and storage services; advisory services relating to transportation; consultancy in the field of transport services provided by telephone call centers and hotlines; consultancy relating to the storage and transportation of goods; advisory services relating to the storage and transportation of goods, freight or cargo; consultancy in the field of storage services provided by telephone call centers and hotlines; advisory services relating to the storage of goods; consultancy and booking services relating to travel; consultancy and information relating to air transport services for goods and people; consultancy services relating to transportation; consultancy services relating to the distribution of electricity; consultancy services relating to the transportation and storage of gas, oil and chemicals; consultancy relating to transportation and storage services provided via telephone call centers and hotlines; consultancy relating to the transportation, packaging, and storage of goods; consultancy services relating to storage; travel consultancy; travel consultancy and information services; coordinating travel arrangements for individuals and for groups; pleasure boat cruises; leasing of automobiles; leasing of railroad flatcars; leasing of fixed and movable storage containers to commercial and residential users; leasing of pallets for industrial and commercial use; leasing of pallets for the transport or storage of goods; leasing of aircraft; transportation logistics; vehicle routing by computer on data networks; international air freight shipping services; international ocean freight shipping services; global transportation of freight for others by all available means; local and long distance commercial road transport; monitoring and tracking of package shipments [transport information]; shipping of cargo; shipping of freight; marine transportation of liquefied natural gas; refilling of cash dispensers; national and international transport; provision of airport facilities for aviation; provision of road and traffic information; provision of information about transport matters; providing information relating to traffic and traffic congestion; providing information relating to vehicle parking services; providing information relating to bicycle rental services; providing information relating to the rental of wheelchairs; providing information relating to the rental of vessels; providing information relating to the rental of mechanical parking systems; providing information relating to the rental of refrigerators; providing information relating to the rental of refrigerator-freezers; providing information relating to the rental of warehouse space; providing information relating to the rental of packing or wrapping machines and apparatus; providing information relating to the rental of freezers; providing information relating to the rental of freezing machines and apparatus; providing information relating to airports; providing information relating to shipbrokerage; providing information relating to freight brokerage; providing information relating to vessel mooring facilities; providing information relating to the temporary storage of personal belongings; providing information relating to the delivery of documents, letters and packages; providing information relating to the planning and booking of airline travel, via electronic means; providing information relating to the planning and booking of travel and transport, via electronic means; providing information relating to travel and transport, via electronic means; providing information relating to cargo unloading services; providing information relating to the distribution of electricity; providing information relating to warehousing services; providing information relating to water supplying services; providing information relating to tariffs, timetables and methods of transport; providing information relating to tariffs, timetables and methods of transport for goods and people; provision of information in relation to transportation; providing information relating to the transportation and storage of goods; providing information relating to the transportation of goods; providing information relating to the transportation of goods and

passengers; providing information relating to the transportation of freight; providing information relating to vehicle driving services; providing information relating to railway transport; providing information relating to marine transport services; providing information relating to removal services; providing information relating to storage; providing information about booking business travel, via the Internet; providing information relating to aircraft rental services; providing information relating to air transport; providing information relating to airline travel, via electronic means; providing information about temporary storage services; providing information about travel, via the Internet; providing information about transport services; providing information to travellers regarding fares, timetables and public transport; providing cruise ships for travel; providing water, land and air vehicles for use in transport and arranging the rental thereof; providing on-line information in the field of transport, packaging and storage of goods; providing on-line information relating to travel; provision of parking spaces; provision of warehousing services and facilities; provision of car parking facilities; provision of storage facilities in a warehouse or other building; providing vessel mooring facilities; heat supply services [distribution]; provision of transportation and travel information; provision of transportation and travel information via mobile telecommunications apparatus and devices; providing vehicles for tours and excursions; provision of travel information via global computer networks; providing tourist travel information; providing tourist travel information, via the Internet; supply of electrical energy, gas, water and district heating; baggage handling; yacht and boat charter services; operation of bridges; providing advice relating to freight forwarding services; operating toll roads; on-line information and booking services in the field of business travel; on-line information and booking services in the field of tourist travel; express delivery of freight; express delivery of letters; rescue operations [transport]; operating and organizing of travel tours; arranging the rental of cars, boats and other vehicles; arranging car hire as part of package holidays; arranging and booking of travel tours; arranging and booking of day trips; arranging and booking of travel for package holidays; arranging and booking of cruises; arranging and booking of travel; arranging and booking of travel, excursions and cruises; arranging and booking of travel tours for business or leisure purposes; arranging and booking of excursions; organizing and conducting adaptive travel excursions; arranging and conducting of cruises, travel tours and excursions; arranging of cruises; arranging of day trips; organization of trips; arranging of holiday travel; arranging of travel for study, language and educational trips; arranging travel for package holidays; travel arrangement services for individuals and groups; travel arrangement and reservation services; organization of travel and boat trips; arranging of travel by air and sea; arranging of travel by air and sea for package holidays; arranging of travel, excursions and cruises; arranging of transportation for travel tours; arranging of transport; arranging for the shipping of cargo; arranging of transport and day trips for the disabled; arranging of transport and travel; arranging for the transportation and storage of goods; arranging for the transportation of air freight; arranging for the transportation of goods and passengers by land and sea; arranging for the transportation of goods by sea; arranging of transport services; arranging of travel tours and cruises; arranging for the storage of goods; organization of excursions; arranging excursions for tourists; arranging of excursions as part of package holidays; inspection of air vehicles prior to transport; inspection of vehicles before transport; inspection of goods before transport; dispatch of goods; tracking of automobile fleets using electronic navigation and locating devices [transport information]; tracking and tracing of shipments [transport information]; tracking, locating and monitoring of vehicles, maritime vessels and aircraft; tracking of passenger or freight vehicles using computers or global positioning

systems [transport information]; tracking of passenger vehicles by computer [transport information]; tracking of passenger vehicles by computer or via global positioning systems [transport information]; tracking and tracing services for letters and packages [transport information]; tracking of transport vehicles by computer [transport information]; tracking of freight vehicles by computer [transport information]; tracking of freight vehicles by computer or via global positioning systems [transport information]; cargo handling; arranging for travel visas, passports and travel documents for persons travelling abroad; armored-car transport; shipping of goods; truck hauling; hauling; carting; transport and storage of trash; carriage of persons by urban rapid transit rail systems; transporting furniture; ferry-boat transport; lighterage services; drayage services; transportation of passengers by train; transportation of passengers by rail; removal services; transport of travellers; transportation of goods by ship; transportation of fertilizers, sulfur and sulfuric acid by rail, barge, truck and ship; transportation, packaging and storage of goods; guarded transport of valuables; bus transport; car transport; barge transport; boat transport; railway transport; marine transport; passenger transport; river transport; ambulance transport; streetcar transport; computerized transportation information services; distribution and transmission of electricity; transmission of oil or gas through pipelines; furniture moving; planning and booking of airline travel, via electronic means; portage; planning and booking of travel and transport, via electronic means; planning, arranging and booking of travel; planning, arranging and booking of travel by electronic means; pick-up and delivery of letters; pick-up and delivery of packages and goods; pick-up and delivery of textile goods; arranging and conducting of kayaking tours for travel purposes; arranging, organizing, and conducting of cycling trips; refloating of ships; cash replenishment of automated teller machines; harboring services for ships and boats; freight brokerage and providing information relating thereto; shipbrokerage; transport brokerage; freight brokerage [forwarding (Am.)]; priority boarding, check-in, seating and reservation services for frequent air travellers; prepaid air ambulance transport services; providing driving directions for travel purposes; warehousing information; providing information on airport parking via a web site; providing flight arrival and departure information; providing transportation information via a web site; providing information relating to travel via a web site; providing information via the Internet relating to the leasing of automobiles; providing self-storage facilities for others; provision of berthing facilities; provision of travel information; providing travel information from an on-line computer database; providing automated check-in services for air travellers; conducting of travel tours; conducting sightseeing tours by airplane; conducting sightseeing travel tours by bus; conducting sightseeing travel tours by bicycle; rental of GPS equipment for navigational purposes; car rental; chauffeur-driven car hire services; railway truck rental; rental of diving bells; rental of diving suits; rental of motor racing cars; rental of aircraft engines; railway coach rental; rental of wheelchairs; rental of cargo containers; rental of storage containers; horse rental; rental of navigational systems; rental of freezers; refrigerator rental; rental of ships; vehicle rental; rental of electric wine cellars; travel guide and travel information services; air travel services; stevedoring; unloading cargo; unloading cargo and luggage; cargo unloading and providing information relating thereto; distribution of gas; unloading of freight; distribution of heat; distribution of electrical energy, gas, water and district heating; distribution of electricity to households; electricity distribution; distribution of energy; distribution of energy for heating and cooling buildings; packaging of goods; reservation of transport for passengers, goods and animals; reservation of transport for sporting, scientific, political and cultural events; reservation services for vehicle

rental; boat cruises; collection of recyclable goods [transport]; pick-up, delivery and storage of personal property; collection and transport of electronic scrap; garbage collection [transport]; pick-up, transportation, and delivery of packages and letters by various modes of transportation; collection, transport and delivery of goods; collection, transport and delivery of goods, documents, packages and letters; collection, transport and delivery of goods, personal effects and baggage by road, rail, sea and air; collection, storage, distribution and delivery of letters, correspondence, magazines, packets, parcels, newspapers, freight and goods, all by messenger, road, rail, air or water; leasing the use of power lines to third parties for the transmission of electricity; supply chain logistics and reverse logistics services consisting of the storage, transportation and delivery of freight; refrigerated warehousing; goods warehousing; air traffic control services; piloting; ice-breaking; parcel shipping services; messenger services; animal rescue services; water supplying; refloating of boats; escorting of travellers; rescue of ships in distress; express delivery of goods by truck; express delivery of goods by air; berthing and mooring of boats in marinas; taxi transport for people in wheelchairs; transportation of luggage; transport by coach; transportation of goods, passengers and travellers by air; transportation services in relation to events; refrigerated transportation of food; refrigerated transportation of frozen goods; refrigerated transportation of chilled goods; transportation of natural gas; transport of fuels by pipeline; transportation of cargo by air; transportation of goods by barge, train, ferry, motor vehicle, truck and ship; transportation of goods by rail; transportation by truck; transportation of goods and passengers by air; transportation of goods by river, railway, ferry-boat, car, truck and ship; transport of money and valuables; transport, delivery, packaging, and storage of goods; transportation of pets for others; transport of contaminated soil; transport of contaminated waste; transportation and delivery of goods, samples and merchandise of all kinds by road, rail and ship; transportation and delivery of goods; transportation and distribution of natural gas and liquefied gas; transport and storage services; transportation and storage of gas; transportation and storage of oil; transportation and storage services relating to storage logistics, distribution logistics and returns logistics; transport and storage of waste and recycling materials; transportation and storage of crude oil, oil products, natural gas, liquefied natural gas and liquefied petroleum gas; transport and storage of goods; transport and storage of goods in refrigerated conditions; transport and storage of fuels; transportation and storage of chemicals; transport of persons; transport of persons and goods; transportation of persons and goods by road, rail, water and air; transportation of persons and goods by road, rail, sea and air; transportation of persons and goods by road, rail, passenger ship and air; transportation of persons and goods by land, air and water; transportation of persons and goods by land, sea and air; transportation of furniture of others by trucks; transportation of medical waste and special waste; transportation of mechanics to grounded aircraft via airplane; ship transport; transport by two-wheeled motor vehicles; transportation by land, water and air vehicles; transport by man-powered vehicles; transportation of oil; transport of oil by pipeline; transportation of hazardous waste; transport of waste; transportation of passengers by bus; transportation of passengers by road; transportation of passengers by road, sea and air; transportation of passengers by motor vehicle, bus, train, boat and airplane; transportation of passengers by train, ferry, motor vehicle and ship; transportation of passengers and cargo by air; air transportation of passengers and freight; transportation of passengers and goods by boat; transportation of passengers and passengers' luggage; transportation of passengers and goods; transportation of passengers and goods by road, rail, water and air; transportation of passengers and goods by road, rail, ship and air; transportation of passengers and goods by road, rail, sea and air;

transportation of passengers and goods by automobile, rail, boat and airplane; transportation of passengers and goods by air; transportation of passengers and goods by rail; transportation of passengers by cruise ship; transportation of passengers by inland water; transportation of passengers by river, railway, ferry-boat, car and ship; transportation of passengers by funicular railway; transportation of passengers' luggage; inland waterway transportation; transportation by inland water; transport of parcels; transportation check-in services; transportation of farm products; transportation of liquefied natural gas by sea; transportation of building materials; transportation of crude oil; transport of goods; transportation of goods by road or rail; transportation of goods by motor vehicle, truck, rail, ship and airplane; transportation of goods by inland water; transportation of goods by train; transportation of merchandise and passengers; transportation of goods by road; transportation, packaging and storage of machinery for the printing industry; transport by pipeline; transportation, packaging and storage of printing presses; transportation, packing and storing of goods; transportation of freight; transportation of freight by air; transportation of freight by road or rail; transportation of freight by air and sea; transportation of freight by rail; transportation of freight containers by ship; transportation of freight containers by truck; transportation of freight containers by rail; transportation of freight by ship; transportation of freight by ship, airplane, rail, motor vehicle and truck; transportation of freight by sea; transportation of freight by sea, air, rail or road; transportation of freight by road; transportation, storage and delivery of wines; propeller airplane transport; transport and freight brokerage; transport services for the disabled; transport services and trips for disabled persons; airport passenger shuttle services between the airport parking facilities and the airport; operating of travel tours; packing of cargo; packing articles for transportation; packaging articles to the order and specification of others; packaging and parcelling of goods for transport; packaging and storage of goods; packaging and storage of goods and packages; packaging articles for transportation; packaging clothing articles for transportation; wrapping of goods; packing of goods in containers; packing of merchandise; merchandise packaging for others; packaging of goods in transit; packing of goods using sustainable or biodegradable packaging and shipping materials; packing of freight; operating canal locks; mail forwarding; freight forwarding agency services; freight forwarding services, other than the customs clearance of goods for third parties; GPS navigation services; vessel salvage; airline and shipping services; air transportation services featuring a frequent flyer bonus program; car parking; travel booking agency services; travel booking services provided by travel agencies; mail forwarding agency services; airport services; helicopter transport; chauffeur services; pleasure boat transport; distribution and supply of water; air freight shipping services; organization of travel tour guide services; truck transport; cargo ship transport; moving van services; moving van transport; delivery services; same day delivery services; car sharing services; public utility services in the nature of supplying water; public utility services in the nature of water distribution; public utility services in the nature of natural gas distribution; public utility services in the nature of electricity distribution; freight transportation consultancy in the field of freight transportation by truck, rail, air and ocean; courier services [messages or merchandise]; ice-breaking for the shipping industry; ship piloting and providing information relating thereto; parking garage services; monorail transport; marina services; road transport; mass transit for the general public; on-line trip and travel reservation services; refrigerated storage; valet parking; passenger ship transport; personal travel tour guide services; rental services relating to watercraft, yachts, boats and water vehicles; cargo delivery services; logistics services consisting of the transportation and warehousing of goods; logistics services consisting of the transportation,

packaging, and storage of goods; logistics services consisting of the storage and transportation of goods; logistics services consisting of the storage, transportation and delivery of goods; vessel transport; road haulage service; gas supply services [distribution]; cargo handling and freight services; air charter services; flight arrangement services; guarded truck transport; vehicle parking services; turbojet airplane transport; removal services and providing information relating thereto; ocean shipping services; limousine services; ship unloading; packaging and packing services; baggage check-in services; airport baggage check-in services [not including security inspection]; airport passenger check-in services; harbor crane unloading; warehousing services relating to the storage, packaging and dispatch of goods; electricity supply services; salvaging; salvage of ships; pet rescue services; ship rescue services; tanker transport; transportation services provided to individuals; transportation and delivery services by air, road, rail and sea; freight ship transport; travel guide, escort and courier services; packaging services; wrapping services for baggage protection during travel; ship piloting; vehicle driving services; furniture storage; warehouse storage; storage of clothing; postal, freight and courier services; operation of ferryboats; laundry pick-up and delivery services; airline check-in services; river transport by boat; rescue operations [transport]; underwater salvage; taxi transport; transport; transport services for sightseeing tours; sailboat transportation services; trolley services for others; travel guide services; travel tour guide services; travel courier and travel guide services; packing, crating and warehousing services; cable-car transport; porter services; franking of mail; freighting; bus chartering; chartering of water vehicles; boat chartering; chartering of marine vessels; chartering of aircraft, vehicles and boats; airplane chartering; ship chartering; chartering of watercraft; chartering of watercraft, yachts, ships, boats and water vehicles; yacht chartering; freight [shipping of goods]; aircraft chartering; refrigerated storage of seafood; refrigerated storage of goods; storage of contaminated waste; temporary safekeeping of personal belongings; storage of gas; storage of cargo; storage of cargo before transportation; storage of cargo after transportation; physical storage of electronically stored data or documents; storage, wrapping and packaging of goods; storage of frozen food in warehouses; storage and supply of liquefied natural gas and liquefied petroleum gas; storage and distribution of electricity; storage and handling of goods; storage of containers and cargo; boat storage; storage of furniture; fur storage; storage of watercraft, yachts, boats and water vehicles; freight warehousing; storage of oil; storage of waste; storage of waste oil; storage of passengers' luggage; storage, distribution and supply of energy and fuel; storage, distribution, and transportation of liquefied petroleum gas; storage, distribution, transportation, shipping, and delivery of gas, oil and chemicals; storage of farm products; storage of farm products in warehouses; storage of liquefied natural gas on ships; bulk storage; storage of bonded goods; storage of goods; storage; storage of goods in transit; storage, transport, pick-up, and packing of freight; storage, transportation and delivery of goods; physical storage of electronic media containing images, text and audio data; storage of freight; storage of surgical instruments and equipment; storage of energy and fuels; storage of furs; freight forwarding; express delivery of goods; boathouse services.

Class 40

Abrasive polishing of metal surfaces; acrylic finishing of vehicles; treatment of metal parts to prevent corrosion; paper finishing; applying finishes to textiles; rental of water purifying apparatus; rental of water purifying apparatus and providing information relating thereto; rental of welding and soldering apparatus and machines; rental of space cooling apparatus for household purposes; rental of gas-operated welding apparatus; rental of generators, air-conditioning apparatus and space

heating apparatus; rental of electrical power generators; rental of tobacco processing machines; rental of machines for the manufacture of corrugated cardboard; rental of waste crushing machines and apparatus; rental of machines for making shoes; rental of machines and apparatus for dyeing textiles; rental of machines and apparatus for treating textiles; rental of glassware manufacturing machines and apparatus; rental of machines and apparatus for mothproofing textiles; rental of machines and apparatus for fireproofing textiles; rental of machines and apparatus for developing, printing and enlarging photographs; rental of machines and apparatus for film development, photograph printing, photograph enlargement or photograph finishing; rental of waste compacting machines and apparatus; rental of chemical processing machines and apparatus; rental of chemical processing machines and apparatus and providing information relating thereto; rental of metal treating machines and tools; rental of water and air purification equipment; rental of water treatment equipment; rental of assembly machine equipment; rental of water filtration units for commercial use; rental of heating apparatus; rental of bookbinding machines; rental of printing machines and apparatus and providing information relating thereto; rental of space cooling apparatus; rental of space cooling apparatus for industrial purposes; rental of welding apparatus; rental of typographic presses; rental of cooling appliances and installations; rental of electric welding apparatus; rental of electric welding machines; rental of power-generating equipment; rental of energy generating equipment; exterior and interior plating of pipes and tubes made of metal; lead working; upcycling [waste recycling]; photographic restoration; vulcanization [material treatment]; tire vulcanization [material treatment]; tanning of leather or hides; skin dressing; fruit crushing; letterpress printing; embroidering; knitting and dyeing of fabrics [treatment of materials]; galvanization; electroplating; generation of electrical power; generation of electrical power using carbon sequestration; generation of electrical energy from wave, wind and solar sources; generation of solar electricity; generation of electricity from wind energy; generation of electricity from wave, wind and solar energy; generation of electricity from wave energy; weatherproofing and waterproofing of wood, plastic, acrylic and synthetic resins for boat construction [treatment of materials]; waterproofing of clothing; waterproofing of textiles; intaglio printing; heat treatment of metal surfaces; heat treatment of pipes and tubes made of metal; heat treatment of metals; hot dipping; engraving; tombstone engraving; engraving of sealing stamps; engraving of images on objects; decontamination of hazardous materials; decontamination of nuclear waste; air deodorizing; drapery deodorizing; carpet deodorizing; stripping finishes; water demineralization; tanning; tanning of leather; tanning, dyeing and custom assembling of leather materials; duplication of video cassettes; duplication of video tapes; duplication of tape recordings; duplication of audio tapes; coffee roasting and processing; metal hardening; metal tempering; glass tempering; freezing of foods; gilding; gold plating; custom manufacture of locks; tin smithing; silversmithing; custom manufacture of prosthetic devices; custom imprinting of clothing with decorative designs; prototype fabrication of new products for others; custom quilting; chemical encapsulation and dispersion of hazardous chemicals; information and advisory services relating to the generation of electricity from wave energy; information, advice and consultancy services relating to the recycling of waste and trash; material treatment information; cadmium plating; permanent-press treatment of fabrics; ceramic glazing; ceramic processing; ceramic processing and providing information relating thereto; de-acidification of paper; typography; forging of metal goods to the order and specification of others; food canning; food and drink preservation; consultancy services relating to the generation of electrical energy; consultancy relating to the recycling of waste and trash; consultancy in the field of energy generation; consultancy

relating to the incineration of waste and trash; consultancy relating to the destruction of waste and trash; technical consultancy in the field of production of solar energy; food smoking; leather staining; fur dyeing; shoe staining; dyeing of clothing; textile dyeing; cloth dyeing; laminating; metal laminating; laminating of plastic sheets; sawmill services; lithographic printing; die casting; metal casting; molding of plastic materials; jewelry casting; fur glossing; tin plating; boilermaking; metallizing; machining parts for others [machine shop services]; microencapsulating services provided for others; taxidermy; typesetting; magnetization; imprinting messages on tee-shirts; monogramming of clothing; applying backing to the underside of carpets; permanent-press treatment of clothing; permanent-press treatment of textiles; permanent-press treatment of cloth; nickel plating; hard nickel plating of metal surfaces; dressing of animal skins; abrasion; processing of bamboo, tree barks, rattan, vines or other natural materials; treatment of biopharmaceutical materials; processing of biopharmaceutical materials for others; water treating; paper treating; mold prevention treatment; woodworking; treatment of contaminated soil; anti-microbial treatment of buildings; processing of agricultural grain; finishing and coating of textiles; metal fabrication and finishing services; paper treating and processing; wool treatment and finishing; treatment and processing of plastic materials; treatment and processing of ores and ore concentrates; treatment and processing of clothing for recycling purposes; treatment and coating of metal surfaces; processing and transforming of mineral resources and of other raw materials; processing and transforming of energy; processing and cutting of diamonds and other precious stones; processing of cinematographic films; anti-microbial treatment of carpets; leather working; working of leather and furs; cloth edging; treatment of materials; treatment of materials for the manufacture of ceramic goods; treatment of materials for third parties; treatment of materials upon request for third parties; treatment of materials using ultrasonic waves to modify their properties; treatment of materials using chemicals; processing of metal surfaces by abrasive polishing; processing of metal surfaces using precision grinding techniques; processing of metal surfaces by precision grinding and abrasive polishing; treatment of metal parts to prevent corrosion using hot-dip galvanizing and powder coating processes; metal treating; mold prevention treatment of furs; treatment of furs to prevent shrinking; fur conditioning; fur mothproofing; treatment of oil spills; anti-microbial treatment of clothing; mold prevention treatment of clothing; crease-resistant treatment of cloth; mothproofing of clothing; treatment of hazardous waste; treatment of hazardous liquids; processing of optical lenses to meet individual requirements; treatment of waste materials; treatment of waste materials in the field of environmental pollution control; treatment of waste; waste treatment [transformation]; processing of foodstuffs for use in manufacture; mothproofing services; treatment of rubber; processing of rubber and providing information relating thereto; waste water treatment; processing of earth materials to obtain metals [material processing]; textile mothproofing; mold prevention treatment of textiles; treatment of textiles to prevent shrinking; crease-resistant treatment of textiles; mold prevention treatment of cloth; fabric waterproofing; crease-resistant treatment for clothing; cloth fireproofing; mold prevention treatment of fabric; textile treating; treatment or processing of cloth, clothing or fur; treatment or processing of cloth, clothing or fur and providing information relating thereto; treatment of toxic waste; fuel treatment services; processing of photographic slides and prints; processing of photographic and cinematographic films; processing of photographic films; processing of chemicals and petrochemicals; processing of chemicals; wool treating; nuclear waste treatment; treatment of materials by laser beam; film processing and photofinishing; picture framing; framing of works of art; oil and gas well treatment; grinding and polishing glass for eyeglasses; fireproofing of clothing; edging of textiles;

edging of fabric; shoe staining and dyeing; window tinting treatment, being surface coating; desalination of water; air freshening; bleaching of clothing; bleaching of textiles; fabric bleaching; surface finishing of metal articles; bleaching of cloth; annealing; casting of metal parts for boilers; water treating and providing information relating thereto; air purification; refining of metals; treatment of drinking water, service water and waste water; treatment of industrial waste to sequester carbon; fuel refining; soldering; oil refining; refining of petrochemicals; distilling of spirits for others; clothing alteration; recycling; recycling of beverage bottles; processing of gas; processing and recycling of waste and trash; recycling of catalytic converters; recycling of trash; processing of oil; recycling of waste and trash; recycling of clothing; recycling of clothing to obtain materials for making synthetic fibers; recycling of waste; treatment of animal waste; treatment of waste and harmful substances; recycling of waste and providing information relating thereto; recycling for carbon offsetting purposes; processing of plastic materials; processing of plastic materials and providing information relating thereto; processing of rubber; processing of natural gas; waste water reprocessing; processing of raw materials; processing of raw materials for the manufacture of food and beverages; recycling of chemicals; reprocessing of nuclear fuels; nuclear fuel reprocessing and providing information relating thereto; printing of books; printing of stamps; customized printing of company names and logos for promotional and advertising purposes on the goods of others; pattern printing; photographic printing; printing of decorative patterns on plastic films and wrapping paper; printing of decorative patterns on gift wrap; printing of images on objects; printing of documents from digital media; printing of patterns on textiles; printing and providing information relating thereto; printing of digitally stored pictures and photographs; printing, lithographic printing, screen printing and digital printing; offset printing; portrait printing; printing of advertising brochures for others; printing of advertising matter; photogravure printing; photographic printing and providing information relating thereto; printing of photographic images from digital media; metal plating; preparation and treatment of fabric; metal plating and laminating; coating and surface finishing of machines and tools; coating of metal surfaces using physical vapor deposition or chemical vapor deposition processes; coating of metal surfaces using physical vapor deposition processes; coating of metal surfaces using chemical vapor deposition processes; coating of optical lenses; enamelling; enamelling of metals; stationery printing services; printing; burnishing by abrasion; polishing of diamonds; polishing of diamonds and other precious stones; polishing of gemstones; polishing of precious stones; glass polishing; flour milling; dressmaking; sewing of curtains; pre-shrinking of clothing; pre-shrinking of textiles; pre-shrinking of fabric; providing information relating to the rental of water purifying apparatus; providing information relating to the rental of space cooling apparatus for household purposes; providing information relating to the rental of knitting machines; providing information relating to the rental of air-conditioning apparatus; providing information relating to the rental of machines for making shoes; providing information relating to the rental of tobacco processing machines; providing information relating to the rental of machines and apparatus for pulp-making, papermaking or paper-working; providing information relating to the rental of waste crushing machines and apparatus; providing information relating to the rental of glassware manufacturing machines and apparatus; providing information relating to the rental of machines and apparatus for developing, printing and enlarging photographs; providing information relating to the rental of waste compacting machines and apparatus; providing information relating to the rental of chemical processing machines and apparatus; providing information relating to the rental of machines and apparatus for processing food or beverages; providing information relating to the rental of

bookbinding machines; providing information relating to the rental of printing machines and apparatus; providing information relating to the rental of space cooling apparatus for industrial purposes; providing information relating to the rental of metal treating machines and tools; providing information relating to the rental of sewing machines; providing information relating to woodworking; providing information relating to ceramic processing; providing information relating to the treatment of materials; providing information relating to the processing of plastic materials; providing information relating to the processing of rubber; providing information relating to the treatment or processing of cloth, clothing or fur; providing information relating to bookbinding services; providing information relating to paper finishing services; providing information relating to paper treating services; providing information relating to water treating services; providing information relating to the recycling of waste; providing information relating to photographic printing services; providing information relating to the engraving of sealing stamps; providing information relating to the processing of cinematographic films; providing information relating to custom tailoring; providing information relating to taxidermy; providing information relating to photogravure services; providing information relating to photographic film development; providing information relating to photographic enlarging services; providing information about wine-making; providing information relating to printing services; providing information relating to nuclear fuel reprocessing; providing information relating to dressmaking; providing material treatment information via a web site; conversion of waste energy into steam [energy recycling services]; conversion of targeted substrates into targeted chemical preparations by treatment with enzyme systems; conversion of waste energy into electricity [energy recycling services]; contact lens tinting; glass tinting; application of protective surface coatings to machines and tools; application of wear-resistant coatings on metals and plastics; applying finish to stainless steel sheets and coils; applying finishes to fabric; applying finishes to clothing; applying finishes to cloth; application of coatings using vacuum deposition techniques; application of coatings using thermal plasma spraying techniques; application of coatings using physical vapor deposition techniques; application of coatings using chemical vapor deposition techniques; application of coatings using chemical, mechanical, thermal or thermomechanical processes; application of thin films on the surfaces of objects by means of chemical, mechanical, thermal, thermomechanical, chemical vapor deposition, physical vapor deposition and vacuum deposition processes; wine-making for others; production of hydroelectric power; production and processing of fuels and of other sources of energy; manufacture of furniture and plastic parts to order and specification of others; brewing of beer by microbreweries; custom manufacture of biopharmaceuticals; custom manufacture of dental prosthesis and dentures; custom manufacture of tools for others; custom manufacture and fitting of wigs; custom manufacturing and assembling services relating to semi-conductor parts and integrated circuits; custom manufacture of computers for others; custom manufacture of machines and tools for compressing and compacting powders and granules; custom manufacture of machines and tools with a protective surface coating; custom manufacture of furniture; custom manufacture of medical devices for others; custom manufacture of metal hardware; custom manufacture of products for the pharmaceutical, chemical and food industries by compressing and compacting powders and granules; custom manufacture of dental prosthetics; custom manufacture of communication devices for others; custom manufacture of pharmaceuticals; custom manufacture of molds for use in industry; custom manufacture of molded components; production of electrical energy from renewable sources; generating of electricity; production of energy by nuclear power plants; production of energy by power plants; rental of boilers; knitting machine rental; rental

of generators; rental of electricity generators; rental of air-conditioning apparatus; rental of space heating apparatus; rental of printing machines and apparatus; custom steel rolling and fabrication to the order and specification of others; rental of water filters; rental of sewing machines; treatment of textile or furs to prevent shrinking; textile treatment in the nature of mothproofing; waterproofing of furs; mold remediation services; photographic film development and photographic printing; photographic film development and providing information relating thereto; film development and reproduction of photographs; photographic film development; pottery firing; blacksmithing; custom assembling of materials for others; welding services; bookbinding; glass-blowing; saddlery working; grinding; cloth cutting; sawing of materials; refining services; cutting of diamonds; cutting of precious stones; cutting of gemstones; cutting of textiles; cutting of fabric; replication of CDs; replication of DVDs; reproduction of museum artwork; photographic reproduction; photographic retouching; rotogravure; timber felling and processing; needlework and dressmaking; fur satining; custom assembling of leather materials for others; custom assembling of materials; custom assembling of plastic and composite parts for others; custom assembling of electronic components for medical devices; custom assembling of electronic components for cellular phones; custom assembling of electronic components for personal digital assistants [PDAs]; custom assembling of electronic components for communication devices; blueprinting; silver plating; incineration and destruction of waste; incineration of trash; incineration of waste and trash; incineration of waste; petroleum gas liquefaction; natural gas liquefaction; laser scribing; mixing of paints; mixing lubricants for third parties; blending of crude oil and synthetic oils; custom blending of essential oils for aromatherapy use; coal blending; textile warping; warping [looms]; joining of components using adhesives; joining of components using ultrasonic welding techniques; sign lettering; film developing; sorting of waste and recyclable material [transformation]; photocomposing services; photographic preservation and conservation; photographic preservation; quilting; planing of materials; fulling of cloth; duplication of CDs; duplication of DVDs; textile weaving; tinting of car windows; etching of a sequence of traceable identification numbers on automobile windows so as to identify a particular automobile recovered after theft; glass etching; slaughtering of animals; industrial toxic waste disposal [treatment]; document destruction; destruction of waste and trash; destruction of waste; destruction of trash; shrinking of clothing; shrinking of cloth; shrinking of textiles; cloth pre-shrinking; shrinking of fabric; services of a dental technician; cryopreservation services; butchering; mothproofing of textiles; tee-shirt embroidering services; upholstery deodorizing; mildew proofing; key cutting; document shredding services; smoke house services for smoking food; water treatment and purification; material treatment services in connection with recycling; soil treatment services [environmental remediation services]; soil, waste or water treatment services [environmental remediation services]; dyeing services; air brushing services; water purification services; document binding services; sandblasting services; water recycling and desalination services; cider-making for others; fireproofing of furs; sawmill planing; custom tailoring; cooking oil and vegetable oil recycling services; refrigerant reclamation services; production of energy; recycling of batteries; custom fashioning of fur; shaping of metal components; photogravure; photographic processing; photofinishing; photographic enlarging; photographic enlarging and providing information relating thereto; millworking; chemical treatment of textiles; freezing services for others; chromium plating; hard chromium plating of metal surfaces; hard chromium plating and hard nickel plating of metal surfaces; design printing for others; color enhancement of black and white video film; color enhancement of black and white film; colour separation services; digital

printing; digital on-demand printing of books and other documents; custom assembling of automobile bodies and chassis for others; custom application of optical, transparent, solar reflective and wear-resistant coatings on metallic, organic and mineral substrates; silkscreen printing; sewing; optical lens grinding; optical glass grinding; electro and metal coating, metal treating and casting, hardening of metal and metal products.

Class 42

Mining exploration services; computer-aided design of video graphics; computer-aided design of molds; computer-aided design for manufacturing operations; computer-aided scientific testing; computer-aided industrial design; computer-aided industrial testing; software authoring; administration of mail servers; server administration; bacteriological analysis; biological analysis; biochemical analysis; analysis in the field of molecular biology; analysis in the field of oil exploration; water analysis; analysis of greenhouse gas emissions; analysis for oil research; technological analysis and evaluation of products and services with respect to possible future applications; analysis and evaluation of product design; analysis and evaluation of product development; computer system design and analysis; analysis of water quality; analysis of stream water quality; computer system analysis; mineral and oil assaying; analysis of oil fields; analysis of oil reservoirs; analysis of the mode of action of chemical combinations on animals; analysis of product design; handwriting analysis [graphology]; analysis of product development; analysis of telecommunication signals; analysis of technical data; chemical analysis; technological analysis services relating to energy and power needs of others; industrial analysis and research services relating to automobile tires; leasing computer facilities; rental of laboratory apparatus; rental of computer programs; rental of computers for data processing; rental of computers and computer equipment; rental of laboratory instruments; rental of computer peripherals; rental of computer database software; rental of software for data processing; rental of computer software relating to travel; rental of computer software for financial management; rental of data processing programs; rental of memory space for web sites; rental of electronic storage space [web space] on the Internet; architectural design services in the fields of traffic and transportation; architectural design in the field of single family homes; architectural design in the field of luxury condominiums; energy auditing; biological and chemical research; biochemical research; weighing of vehicles; weighing of goods for others; recovery of computer data; repair of computer software; troubleshooting of computer software problems [technical support]; geological exploration; surveying of oil-bearing seams; surveying of oil beds and fields; diagnosis of computer software problems; diagnosis of computer hardware problems through the use of software; animation and special effects design for others; web site design; graphic illustration design; design of homepages; design of homepages and web sites; design of homepages, computer software and web sites; retail design services; design of engineering products; tool design; design of Internet pages; design and updating of homepages and web pages; design and maintenance of computer sites for third parties; design and development of new products; custom design and engineering of telephony systems, cable television systems and fiber optics; design and implementation of web sites for others; design and implementation of web pages for others; design and testing for new product development; computer site design; computer network design for others; landscape lighting design; design of mechanical and micromechanical components; design of mechanical, electromechanical and optoelectronic apparatus and instruments; design of cellular phones; design of fashion accessories; design of optical and microoptical components; theatrical lighting design; design of artwork; design of computer software for controlling self-service terminals; design of image processing software; industrial design; design of

industrial products; design, development and implementation of software; design, creation and programming of web pages; design of web sites for advertising purposes; design, creation, hosting and maintenance of Internet sites for third parties; design, creation, hosting and maintenance of web sites for others; design of telecommunications apparatus and equipment; design of telephones; product design; design of consumer products; design of packaging and wrapping materials; design services; graphic arts design; commercial art design; computer virus protection services; data mining; measuring of greenhouse gas emissions; measuring and analysis of greenhouse gas emissions; technical measuring and testing laboratory services; product research; oil-field surveys; geological surveys; engineering surveying; engineering drawing; engineering research; engineering services for the gas industry; engineering services in the field of motive power; electrical engineering; engineering services in the field of energy technology; engineering services relating to gas transport and supply systems; engineering services relating to energy supply systems; engineering services in the field of communications technology; engineering services in the field of environmental technology; engineering services in the field of building technology; engineering research and design services in the field of drilling technology; engineering; inspecting buildings for the existence of mold; inspection of oil fields; inspecting foods for the purpose of certifying the kosher quality thereof; installation and maintenance of software for Internet access; installation and maintenance of computer software; installation and maintenance of database software; installation of computer programs; installation of computer software; installation of database software; installation, repair and maintenance of computer software; installation, maintenance and updating of computer software; installation, maintenance and updating of database software; integration of computer systems and networks; conducting magnetic resonance imaging interpretation and analysis for the petroleum industry; interior design; weather reporting; meteorological information; implementation of computer programs on networks; clinical trials; material testing; textile testing; research in the field of computer hardware; product research and development; oil assaying; oilfield exploration; mineral assaying; research, development, design and upgrading of computer software; basic and clinical research in the field of respiratory science and medicine; archaeological research; archaeological exploration; biotechnological research; architectural research; bacteriological research; biological research; geological research; research relating to urban planning; research in the field of environmental protection; research in the field of climate change; research in the field of information technology; research in the field of communications technology; research in the field of computer hardware and software; research in the field of computer technology conducted using databases and the Internet; research in the field of computer software; research in the field of computer programs and software; cosmetic research; research in the field of materials science; research in the fields of materials science and electrical engineering; mechanical research; research into the reduction of carbon emissions; research in the field of environmental conservation and protection; research in the field of environmental conservation; research in the field of data processing technology; research in the field of pharmacogenetics; chemical research; research in the fields of chemistry, biology and physics; research in the fields of chemistry and biology; research in the field of ecology; research in the field of electrical engineering; research in the field of food; research in the field of gene therapy; research in the field of mechanical engineering; research in the field of semiconductor processing technology; agricultural research; stem cell research; research in the field of hair care; geophysical exploration for the oil, gas and mining industries; hydrological research; bacteriological research and analysis; biological research and analysis; biochemical research and analysis; chemical,

biochemical, biological and bacteriological research and analysis; research and consultancy in the field of zoology; technical research in the field of carbon offsetting and consultancy relating thereto; research and development of new products for others; research and development services in the field of biochemistry; research and development services in the field of biotechnology; research and development services in the field of diagnostic preparations; research and development services for the pharmaceutical industry; pharmaceutical research and development; bacteriological research and testing; laboratory analysis in the field of bacteriology; laboratory research in the field of gene expression; laboratory analysis in the field of cosmetics; laboratory research in the field of pharmaceuticals; laboratory analysis in the field of chemistry; medical research; scientific research; scientific research in the field of genetics; scientific research in the field of genetic engineering; scientific research in the field of genetics and genetic engineering; scientific research for medical purposes in the field of cancerous diseases; research and development services relating to medicines; analysis for oil-field exploitation; research relating to building construction or city planning; research relating to the development of computer software; underwater exploration; research relating to the development of computer programs and software; industrial research; research relating to the development of computer hardware; mechanical research in the field of motor sports; technical research in the field of carbon offsetting; technical research in the field of aeronautics; pharmaceutical research; research services in the field of proteins, antibodies, microorganisms and cells; research services for the development of new products; calibration [measuring]; classification of minerals; environmental testing; encoding of magnetic cards; compilation of web pages for the Internet; compilation of computer programs; computer programming for data processing; computer programming for the energy industry; computer programming and computer software design; computer time-sharing services; computer services in connection with electronic data storage; design of computers; data conversion of computer program data or information [not physical conversion]; computer code conversion for others; consultancy in the field of biotechnology; consultancy in the field of cloud computing networks and applications; consultancy in the field of programming and development of e-business portals; consultancy in the field of pharmaceutical research; consultancy in the field of computer system analysis; consultancy relating to the recovery of computer data; consultancy in the field of computer system integration; consultancy in the field of computer programming; consultancy in the field of security software; consultancy relating to the updating of computer software; consultancy in the field of computer software design; consultancy relating to the maintenance of computer software; consultancy in the field of energy efficiency; consultancy relating to geological surveys; consultancy relating to the design, programming and maintenance of computer software; consultancy relating to software for communication systems; consultancy relating to the design and development of computer software programs; consultancy relating to the design and development of computer software and hardware architecture; consultancy relating to the design of homepages and Internet sites; consultancy relating to research and development in the field of therapeutics; consultancy relating to laboratory testing; consultancy in the field of agricultural chemistry; computer engineering; consultancy in the field of architectural design; consultancy in the field of astronomy; consultancy in the field of biology; consultancy in the field of biochemistry; web site design consultancy; computer security consultancy; information technology [IT] consultancy; consultancy relating to consumer product safety testing; consultancy relating to quality control; consultancy in the field of fashion design; consultancy in the field of construction drafting; consultancy relating to computer database programs; advisory services

relating to computer software; consultancy relating to the design and development of computer database programs; consultancy relating to the design and development of computer programs; consultancy in the design and development of computer hardware; consultancy relating to the design and development of computer software; consultancy relating to product development; advisory services relating to material testing; consultancy in the field of pharmacology; consultancy in the field of physics; consultancy in the field of chemistry; consultancy and research services in the field of information technology; consultancy and research in the field of bacteriology; consultancy relating to the design of homepages and Internet pages; consultancy relating to research in the field of pharmacogenetics; consultancy relating to pharmaceutical research and development; consultancy relating to the design and development of information and communications technology; consultancy relating to technical and scientific measuring; consultancy relating to technical research in the field of food and beverages; consultancy relating to technical and scientific analysis; consultancy relating to technical and scientific monitoring; architectural consultancy; internet security consultancy; computer software consultancy; consultancy relating to web page design; design consultancy; data security consultancy; consultancy relating to the creation of homepages and Internet pages; consultancy relating to technological services in the field of power and energy supply; interior decoration consultancy; technological consultancy; professional consultancy relating to computer security; technical consultancy in the field of environmental science; technical consultancy relating to research services in the field of foods and dietary supplements; technical consultancy relating to the design of computer hardware, software and computer peripherals; technological consultancy in the field of alternative energy generation; consultancy and information services relating to the rental of computer software; consultancy and information services relating to computer software design; consultancy and information services relating to the design, programming and maintenance of computer software; consultancy and information services relating to computer programming; consultancy and information services relating to the maintenance of computer software; consultancy and information services relating to information technology architecture and infrastructure; consultancy and information services relating to computer system integration; consultancy and information services relating to information technology; consultancy and research services in the fields of science, engineering and information technology; advisory and consultancy services relating to computer software; consultancy in the field of bacteriological research; consultancy services in the fields of science, engineering and information technology; consultancy services in the field of design, selection, implementation and use of computer hardware and software systems; consultancy in the field of telecommunications engineering; consultancy in the field of technological research; consultancy in the field of technological design; technical consultancy in the field of energy saving and energy efficiency; advisory services relating to gene therapy research; consultancy relating to the creation and design of web sites; consultancy relating to the creation and design of web sites for e-commerce; technological consultancy in the field of aerospace engineering; technological consultancy in the field of geology; consultancy services relating to research in the field of environmental protection; consultancy services relating to the design, development and use of computer hardware and software; consultancy in the field of scientific research; consultancy in the field of industrial research; consultancy relating to architectural planning; consultancy in the field of scientific and industrial research; oil-well testing; quality control testing; quality control; quality control of goods and services; quality control of goods; quality control of services; vehicle roadworthiness testing; configuration of computer hardware using software; configuration of computer networks using software;

configuration of computer software; configuration, installation, fault diagnosis, repair, upgrading and maintenance of computer software; configuration of computer systems and networks; copying of computer software; cross-platform conversion of digital content into other forms of digital content; laboratory research; laboratory research in the field of bacteriology; laboratory research in the field of cosmetics; laboratory research in the field of chemistry; digital watermarking; mechanical engineering; land surveying; dress designing; updating of computer software; monitoring of water quality; monitoring of commercial and industrial sites for detection of volatile and non-volatile organic compounds; monitoring of computer systems for detecting unauthorized access or data breach; monitoring of computer systems to detect breakdowns; monitoring of computer systems by remote access; monitoring of telecommunication signals; monitoring of erosion and sedimentation; writing and updating computer software; writing of computer programs; commissioned writing of computer programs, software and code for the creation of web pages on the Internet; writing of data processing programs; writing of computer software; programming of telecommunications software; customization of computer software; research and development services in the field of immunohistology; research and development services relating to automobile tires; scientific services relating to the isolation and cultivation of human tissues and cells; scientific and industrial research; scientific and industrial research in the field of photovoltaics and solar collectors; scientific surveys; scientific research for medical purposes; scientific research and analysis; scientific research and development; research and development services in the field of microorganisms and cells; scientific and medical research and development; scientific research in the field of hair care preparations; scientific research conducted using databases; scientific research conducted using databases and the Internet; scientific and technological services; scientific analysis; providing information relating to computer programming; providing meteorological information; software as a service [SaaS]; updating of web sites; updating of Internet pages; updating of computer programs; updating of marine charts; updating of computer database software; updating of software for data processing; updating of software for communication systems; updating of computer software relating to computer security and prevention of computer risks; upgrading of computer software; oil-field surveying; technical surveying; maintenance of computer software; maintenance of software for Internet access; maintenance of software used in the field of e-commerce; maintenance of computer software relating to computer security and prevention of computer risks; locating and marking the placement of underground utility pipes, cables or wires; authentication of diamonds; authenticating works of art; evaluation of product design; evaluation of product development; arranging the donation of human corpses for medical research; conducting technical project studies for construction projects; conducting sampling and analysis services to check for contamination; conducting sampling and analysis services to assess pollution levels; design of interior decor; geological estimation and research; evaluation and testing of real estate for the presence of hazardous material; quality evaluation of standing timber; quality evaluation of wool; quality evaluation of alpaca fiber; grading of lumber; evaluation of results from quality control tests conducted on goods and services; pharmaceutical product evaluation; evaluation of chemical analyses; evaluation of chemical syntheses; digitization of documents [scanning]; digitization of sound and images; scanning of images [conversion from physical to electronic media]; conversion of texts to digital format; conversion of data or documents from physical to electronic media; computer disaster recovery planning; urban planning; planning of buildings and infrastructure systems for buildings; construction planning; technical project planning; technical project

planning in the field of engineering; planning and design of residential communities; planning and design of kitchens; planning and design of sports facilities; planning and design of retail premises; preparation of architectural plans; preparation of biological samples for analysis in research laboratories; preparation of biological samples for research purposes; preparation of biological samples for testing and analysis in research laboratories; preparation of engineering reports; preparation of scientific reports; preparation of reports relating to technical project studies for construction projects; preparation of reports relating to scientific research; preparation of reports relating to technological research; preparation of architectural reports; preparation of reports relating to technical research; construction drafting and consultancy relating thereto; preparation of technical reports; maintenance of computer software used for operating filling apparatus and machines; maintenance of web sites; archaeological exploration and research; troubleshooting in the nature of diagnosing problems with consumer electronics; hosting memory space on the Internet for storing digital photographs; rental of memory space on servers for hosting electronic bulletin boards; rental and maintenance of computer software; rental of computer hardware; rental of computer hardware and software; hosting software for use in library management; rental of computers and computer software; hosting multimedia and interactive applications; rental of Internet security programs; rental of software for inventory management; rental of software for importing and managing data; rental of software for web site development; rental of software for database management; rental of operating software for accessing and using a cloud computing network; rental of operating software for computer networks and servers; providing temporary use of on-line non-downloadable software for importing and managing data; providing temporary use of on-line non-downloadable software for web site development; providing temporary use of on-line non-downloadable software for inventory management; providing temporary use of on-line non-downloadable software for database management; providing temporary use of on-line non-downloadable operating software for accessing and using a cloud computing network; providing temporary use of on-line non-downloadable operating software for computer networks and servers; providing temporary use of on-line non-downloadable software for use in publishing and printing; providing temporary use of on-line non-downloadable software for word processing; providing temporary use of non-downloadable computer software for preparing invoices; providing temporary use of non-downloadable business software; providing on-line non-downloadable software for use in communication; providing on-line non-downloadable software for use in enterprise resource planning; providing on-line non-downloadable software for use in database management; providing on-line non-downloadable software for use in customer relationship management; providing on-line non-downloadable software for use in supply chain management; providing on-line non-downloadable software for word processing; providing temporary use of web-based applications; providing temporary use of web-based software; providing temporary use of on-line non-downloadable investment software; providing temporary use of non-downloadable software to enable content providers to track multimedia content; providing temporary use of non-downloadable software to enable sharing of multimedia content and comments among users; providing temporary use of non-downloadable software for analyzing financial data and generating reports; providing temporary use of on-line applications and software tools; platform as a service [PaaS]; providing temporary use of on-line non-downloadable computer software for use in broadcast monitoring applications; providing temporary use of on-line non-downloadable computer software for language translation; providing temporary use of non-downloadable

software applications accessible via a web site; providing information in the field of architectural design via a web site; providing information on computer technology and programming via a web site; providing scientific research information and results from an on-line searchable database; providing information in the field of computer software design; providing information in the field of computer software development; providing on-line information in the field of technological research from a computer database or the Internet; providing information relating to technological research; providing information and data relating to scientific and technological research and development; providing information and data relating to medical and veterinary research and development; providing information concerning research and technical project studies relating to the use of natural energy; providing information about fashion design services; providing information about medical and scientific research in the field of pharmaceuticals; providing information relating to scientific research in the fields of biochemistry and biotechnology; providing weather condition information affecting ski conditions and road closures; providing information about the design and development of computer software; providing information about industrial analysis and research services; providing information about the design and development of computer software, systems and networks; provision of information relating to industrial design; providing information on computer programming via a web site; providing information on computer technology via a web site; providing information in the field of product design; providing information on donation of human corpses for medical research; providing information about the design and development of computer hardware and software; providing information in the field of product development; providing information relating to computer programs; providing computer programs designed to the specifications of others; providing computer programs on data networks; providing technical advice relating to computer hardware and software; providing technical advice relating to computers; providing weather information; providing scientific information in the fields of climate change and global warming; provision of scientific information, advice and consultancy in relation to carbon offsetting; providing on-line information about industrial analysis and research services; providing on-line information about the design and development of computer hardware and software; hosting on-line facilities for conducting interactive discussions; providing search engines for obtaining data on a global computer network; providing search engines for obtaining data via communications networks; providing search engines for the internet; providing Internet search engines with specific search options; providing technical information about computers, computer software and computer networks; provision of technical information in relation to computers; providing technical advice in the field of scientific and industrial research; providing technological information about environmentally conscious and green innovations; providing quality assurance services; providing electronic storage space [web space] on the Internet; conversion of computer programs and data, other than physical conversion; conversion of images from physical to electronic media; data conversion of electronic information; hosting computerized data, files, applications and information; conducting research and technical project studies relating to the use of natural energy; conducting technical project studies; industrial research, development and testing; conducting clinical trials in the field of acupuncture therapy; conducting clinical trials in the field of cardiovascular disease; conducting clinical trials for others [scientific research]; conducting of scientific studies; conducting of scientific experiments; conducting early evaluations in the field of new pharmaceuticals; conducting of chemical analyses; consumer product safety testing; authentication of stamps; meteorological forecasting; programming of web pages; programming of video game software;

computer programming for data processing and communication systems; programming of computer animations; programming of computer game software; programming of multimedia equipment; programming of multimedia applications; programming of customized web pages featuring user-defined information, personal profiles and information; programming of customized web pages; engineering design; computer-aided graphic design; design of computer databases; design of web portals; design of web pages; design of building exteriors; design of building interiors and exteriors; design of building interiors; aircraft design; design of diagnostic apparatus and equipment; design of diagnostic apparatus; design of homepages and web pages; design of homepages and Internet pages; design and rental of software; design and graphic arts design for the creation of web sites; design and graphic arts design for the creation of web pages on the Internet; design and development of wireless data transmission apparatus; design and development of wireless data transmission apparatus, instruments and equipment; design and development of computer software architecture; design and development of computer hardware architecture; design and development of computer databases; design and development of computer firmware; design and development of diagnostic apparatus; design and development of homepages and web sites; design and development of engineering products; design and development of computer hardware and software for industrial applications; design and development of computer hardware and software; design and development of computer hardware, software and databases; design and development of computer database programs; design and development of computer peripherals; design and development of computer programs; design and development of computer software for process control; design and development of computer software for word processing; design and development of computer systems; design and development of computers; design and development of computers and computer software; design and development of medical diagnostic apparatus; design and development of testing and analysis methods; design and development of multimedia products; design and development of new technology for others; design and development of programs for data processing; design and development of computer database software; design and development of Internet security programs; design and development of software for inventory management; design and development of software for importing and managing data; design and development of computer software for use with medical technology; design and development of software for control, regulation and monitoring of solar energy systems; design and development of computer software for logistics; design and development of computer software for logistics, supply chain management and e-business portals; design and development of computer software for data processing; design and development of route planning software; design and development of software for web site development; design and development of computer software for database management; design and development of computer software for supply chain management; design and development of software for electronic television program guides; design and development of data retrieval software; design and development of software for electronic databases; design and development of computer software; design and development of industrial products; design and development of energy distribution networks; design and development of systems for data input, output, processing, display and storage; design and development of data entry systems; design and development of data output systems; design and development of systems for regenerative energy generation; design and development of navigation systems; design and development of navigation systems and route planning software; design and development of operating software for accessing and using a cloud computing network; design and development of operating software for computer networks and servers; design and development of data processing systems; design and

development of data display systems; design and development of data storage systems; design and development of medical technology; design and development of data processing apparatus; design and development of electronic databases; design and development of electronic greeting cards [e-cards]; design and development of electronic dictionaries; design and construction of homepages and web sites; design and creation of homepages and web pages; design and creation of homepages and Internet pages; design and maintenance of web sites for others; design and hosting of web portals; design of computer firmware; design of computer software for data processing; customized design of computer hardware; design of computer software, computer firmware, computer hardware and computer systems; computer hardware design; design of computer programs; computer system design; design of machines, apparatus and instruments; design of mechanical components; design of optical components; design of video game software; design of computer game software; design of computer software for word processing; customized design of computer software; plant engineering; design, development and programming of computer software; design, development, maintenance and updating of computer software for process control; design, development, maintenance and updating of computer software for data processing; design, development, maintenance and updating of computer software for word processing; design, development, maintenance and updating of computer software for word processing, data processing and process control; design of data processing systems; design of data storage systems; design of lighting systems; design of special effects; technical consultancy in the field of light engineering; design of data processing apparatus; design of telecommunications equipment; rental of web servers; rental of measuring apparatus; rental and updating of software for data processing; rental of computer hardware and computer peripherals; computer rental; rental of laboratory apparatus and instruments; rental of computer software; rental of software for Internet access; rental of computer software and programs; rental of a database server to third parties; industrial and graphic art design; unlocking of mobile phones; gas exploration; geological prospecting; marine, aerial and land surveying; oil prospecting; development of algorithms and computing methods for processing telecommunication and navigation data; development of algorithms and computing methods for processing telecommunication and navigation signals; development of algorithms and computing methods for generating telecommunication and navigation data; development and updating of computer software; development of data transmission systems; development of data storage systems; hosting web sites on the Internet; hosting computer sites [web sites]; hosting on-line web facilities for others; hosting computer application software in the field of knowledge management for creating searchable databases of information and data; server hosting; duplication of computer programs; duplication of computer software; development of testing apparatus for electrical wires; architectural planning; development of computer firmware; development of computer hardware; development of diagnostic apparatus; development, design and updating of homepages; development of engineering products; design and writing of computer software; web site development; information technology engineering; design and updating of computer software; development and maintenance of web sites; design and programming of web sites; design and development of video game software; technical research projects and studies; design and development of wireless computer networks; design and development of wireless networks; design and development of web pages; design and development of computer hardware; design and development of virtual reality software; design and development of computer hardware for the manufacturing industry; design and development of computer game software; design and development of computer game software and virtual reality software; design and

development of computer networks; design and development of computers and computer programs; design and development of software and hardware for data and multimedia content conversion from and to different protocols; design and development of software and hardware for audio and video operators; design and development of software and hardware for processing and distribution of multimedia content; design and development of software and hardware for digital signal processing; design and development of software and hardware for compression and decompression of multimedia content; design and development of software and hardware for producing, recording and processing digital and analog signals; design and development of software and hardware for signal amplification and transmission; design and development of electronic data security systems; design and development of telecommunications networks; design and development of photovoltaic systems; design and development of digital sound and image carriers; design and development of electronic language translation dictionaries and databases; design and development of information and communications technology; design and development of computer software for evaluation and calculation of data; design and development of computer software for reading, transmitting and organizing data; design and development of computer hardware and software for use in the field of medicine; design and development of prostheses; design and development of energy management software; design and development of endoprotheses; design and creation of homepages and web sites; product design and development; design and development of consumer products; development and maintenance of computer software; development and maintenance of computer database software; development and testing of computing methods, algorithms and software; development and testing of computing methods, algorithms and software for generating telecommunication and navigation data; development and testing of computing methods, algorithms and software for processing telecommunication and navigation signals; development and testing of computer software; development and testing of chemical production methods; development of computer hardware for computer games; design of computer hardware and software for commercial analysis and reporting; design of computer hardware and software; design of computer hardware, software and computer peripherals; development of computer hardware and software; design of computer peripherals; development of computer databases; development of computer peripherals; development of computer software; development of computer software for use with computer-controlled switching systems; development of computer software for use with programmable controllers; developing computer programs for electronic cash register systems; development of computer programs and computer game software; design of computer programs and software relating to aircraft; development of computer programs for simulating laboratory experiments; development of computer systems; development of computers; drug development; development of measuring and testing methods; design, updating and rental of computer software; development of new products; development of operating system software; construction drafting; development, maintenance and updating of a telecommunication network search engine; development of application software for delivery of multimedia content; design of programs for data processing; development, programming and rental of data processing programs; computer software design; development of computer software for computer-aided design/computer-aided manufacturing [CAD/CAM]; design of computer database software; development of software for secure network operations; development of video game software; software development in the framework of software publishing; design of software for use with printing machines; development of computer game software; development of computer software for logistics, supply chain management and e-business portals; development of image processing software;

development of computer software for data processing; development of computer software for word processing; development of software for communication systems; development of computer software for creating electronic television program guides; development of driver software; development of driver and operating system software; customized design of computer hardware and software; development of programs for data processing; industrial process development; development of industrial products; design of prostheses; design, development, installation and maintenance of computer software; design of apparatus and machines for filling purposes; development of computer software application solutions; development of data processing systems; development of energy and power management systems; computer-aided engineering design; design, programming and maintenance of computer software; design, maintenance, rental and updating of computer software; design, maintenance and updating of computer software; design, development, maintenance and updating of computer software; product development; development of consumer products; design, installation, updating and maintenance of computer software; development of data processing apparatus; development of pharmaceutical preparations and medicines; cloud seeding; decoding of data; repair of computer programs; certification of diamonds; compression of data for electronic storage; development of prostheses; consultancy in the field of energy-saving; design of clothing accessories; design of animations; creation and design of web pages for others; creation and maintenance of Internet sites; creating and maintaining customized web pages; creating and maintaining web sites for cellular phones; building and maintaining websites; design and creation of web sites; design and development of driver software; design and development of image processing software; creating and designing website-based indexes of information for others [information technology services]; creating and maintaining web sites; design and maintenance of Internet homepages; design and testing of new products; creating and maintaining web pages; creating and maintaining web sites for others; creation and development of computer programs for data processing; programming of computer software for electronic language translation dictionaries and databases; programming of computer software for evaluation and calculation of data; programming of computer software for reading, transmitting and organizing data; programming of energy management software; design of computer graphics; creation of computer programs; design of computer networks; design of new products; design, upgrading and rental of computer software; creation, maintenance, and updating of computer software; design of operating system software; creating, maintaining and hosting the web sites of others; programming of software for Internet portals, chatrooms, chat lines and Internet forums; design of driver software; creation of programs for data processing; creation, design and maintenance of web sites; creation, design, development, and maintenance of web sites; programming of operating software for accessing and using a cloud computing network; programming of operating software for computer networks and servers; electronic site authoring; product benchmarking; maintenance and repair of computer software; upgrading and maintenance of computer software; updating and maintenance of computer software; maintenance and updating of software for communication systems; maintenance of computer programs; maintenance of database software; grading of precious stones; grading of coins; well logging; programming of software for information platforms on the Internet; computer programming for the medical sector; programming of software for Internet platforms; computer programming; programming of software for e-commerce platforms; programming of Internet security programs; programming of software for inventory management; programming of software for importing and managing data; programming of software for web site development; programming of software for

database management; programming of data processing programs; programming of electronic data processing [EDP] software; technical writing; drafting of construction plans for recreation facilities; structural and functional analysis of genomes; marine surveying; aerial surveying; topographical surveying; testing, analysis and monitoring of navigation signals; testing, analysis and monitoring of system algorithms for generating telecommunications and navigation data; testing, analysis and monitoring of system algorithms for processing telecommunications and navigation data; testing, analysis and monitoring of telecommunication and navigation signals; testing, analysis and monitoring of telecommunication signals; testing, analysis and evaluation of the goods and services of others for the purpose of certification; testing, analysis and evaluation of the goods of others for the purpose of certification; testing, analysis and evaluation of the services of others for the purpose of certification; testing of apparatus in the field of electrical engineering; testing of apparatus in the field of electrical engineering for certification purposes; testing of computer installations; product safety testing; material testing and analysis; material testing and evaluation; quality testing; quality control testing of products; quality control testing of products for certification purposes; quality testing of products for certification purposes; testing of computer hardware; testing of computer hardware and software; testing of computer programs; quality control testing and consultancy relating thereto; testing of new products; testing of computer software; industrial testing; product testing; testing of raw materials; testing of telecommunication signals; testing of filters; bacteriological testing; DNA screening for scientific research purposes; maintenance of computer software for data processing; maintenance of software for communication systems; technical consultancy relating to the use of computer hardware; technical consultancy relating to product development; providing technical advice relating to energy-saving measures; technical consultancy relating to the application and use of computer software; technical consultancy relating to the installation and maintenance of computer software; technical drawing; technical development of structural elements, devices and systems for solar collectors and photovoltaic plants; technological consultancy in the fields of energy production and use; technical design and planning of heating installations; technical design and planning of sewerage systems; technical design and planning of water purification plants; technical design and planning of telecommunications equipment; technical design and planning of telecommunications networks; technical design and planning of pipelines for gas, water and waste water; technical design and planning of power stations; copying of computer programs; architectural project management; managing web sites for others; conducting engineering surveys; conducting of technical feasibility studies; computer project management in the field of electronic data processing [EDP]; administration of user rights in computer networks; conducting of quality control tests; conducting of quality control tests on goods and services; remote server administration; blood analysis services for scientific research purposes; analytical laboratory services; chemical research and analysis; architectural services relating to land development; architectural services for the design of buildings; architectural services for the design of retail premises; architectural services for the design of industrial buildings; architectural services for the design of shopping centers; architectural services for the design of office buildings; architectural services; biological laboratory services; web design; hosting web sites; outsource service providers in the field of information technology; agrochemical research; architectural and engineering services; biomedical research; footwear design; computer system integration services; data encryption and decoding services; chemistry services; genetic engineering services; mechanical and electrical engineering services; telecommunications

engineering; research, development, analysis and consultancy services in the field of engineering; genetic engineering services relating to plants; graphic design services; packaging design; architectural design; off-site data backup; illustrators' services; inspection services for new and used vehicles for persons buying or selling their vehicles; analysis services for oil field exploration; dental research laboratory services; computer programming services for commercial analysis and reporting; computer programming services for electronic data security; computer-aided diagnostic testing services; consultancy in the field of bacteriology; computer technology consultancy; advisory services in the field of product development and quality improvement of software; telecommunications technology consultancy; advisory and information services relating to computer software; consultancy services relating to software used in the field of e-commerce; medical research laboratory services; optical research laboratory services; laboratory testing; scientific and technological services and research and design relating thereto; scientific and technological services and research and development relating thereto; cloud computing; scientific laboratory services; computer-aided scientific analysis; computer-aided design; computer-aided design services relating to architecture; computer-aided design services relating to building projects; computer-aided industrial analysis; computer-aided industrial design, research, testing and analysis services; computer-aided testing services; computer-aided industrial research; computer-aided scientific research; computer-aided scientific research, testing and analysis services; analysis and testing services in the field of oil exploitation; analysis and testing services relating to electrical engineering apparatus; analysis and testing services for the oil industry; biological cloning services; civil engineering; surveying and engineering services; design services in the field of naval shipbuilding; fashion design; lighting design; underwater structural inspection services; engineering consultancy; research and consultancy services relating to computer software; research and design services; research and development services relating to computer hardware and software; research and development services relating to computer hardware; research and development services relating to computer software; research and development services in the field of bacteriology; research and development services in the field of gene expression systems; research and development services in the field of immunology; research and development services in the field of engineering; research and development services in the field of antibody technology; research and development services in the field of chemistry; research and development services in the field of cytology; research and development services in the field of physics; research and development services relating to vaccines; research, testing and analysis services; computer security services for protection against illegal network access; advisory and consultancy services relating to the design and development of computer hardware; consultancy in the field of office and workplace automation; environmental testing services to detect contaminants in water; water quality control services; configuration of computer networks; web site load testing services; research and development services in the field of antibodies; scientific research, testing and analysis services; radon detection services; data migration services; architectural planning and consultancy services; planning and layout design services for cleanroom environments; advisory and information services relating to the design and development of computer hardware; advisory and information services relating to the design and development of computer peripherals; exploration services to locate oil and gas; research and development services relating to vaccines and medicines; research and development services relating to solar cells and electricity generation; research and development services relating to measuring and regulating technology; research and development services relating to fertilizers; laboratory research and analysis; diamond authentication and certification

services; weather forecasting; IT programming services; computer programming services for data warehousing; computer programming services relating to multimedia and interactive applications; design services relating to civil engineering; design and planning services relating to telecommunications equipment; design services relating to printed matter; industrial analysis; industrial analysis and industrial research services; industrial analysis and research services in the field of chemistry; industrial development services; industrial research, testing and analysis services; database development services; brand design services; video game development services; development and testing services in the field of engineering; drug discovery services; development services in the field of computer software and advisory services relating thereto; electronic data backup; styling [industrial design]; software engineering services for data processing programs; cartography services; mapping; web site usability testing services; testing services for the certification of quality or standards; testing and research services in the field of preventing pollution; testing and research services in the field of civil engineering; testing and research services in the field of electricity; testing and research services relating to machines, apparatus and instruments; technical testing and quality control services; testing, inspection and research services in the fields of pharmaceuticals, cosmetics and foodstuffs; testing, inspection and research services in the fields of agriculture, livestock breeding and fisheries; quality control services for certification purposes; testing services for computer hardware and software used with alarm and monitoring systems; computer hardware and software testing services; quality control testing services for forestry equipment; quality control testing services for horticultural equipment; quality control testing services for industrial machinery; quality control testing services for agricultural machinery; testing services for alarm and monitoring systems; technical measuring services; technical measuring and testing services; computer software technical support services; technical design; technical design services relating to water supply installations; technical design services relating to heating installations; technical design services relating to sanitary apparatus and installations; technical design services relating to cooling appliances and installations; technical design services relating to electricity plants; technical testing services; technical planning and consultancy in the field of light engineering; environmental assessment services; environmental testing and inspection services; environmental monitoring services; design and construction planning services and consultancy relating thereto; computer-aided engineering design and drawing services; mineral exploration; computer software support services; technological services and research and design relating thereto; chemical laboratory services; chemical and biological laboratory services; draftsman's services in the nature of technical drawing; data encryption services; electronic data storage and data backup services; development of new technology for others; installation, maintenance and repair of software for computer systems; installation of software for Internet access; installation, maintenance, updating and upgrading of computer software; debugging computer software for others; chemical engineering; hosting weblogs [blogs]; hosting web portals; hosting an on-line web site for creating and hosting micro web sites for businesses; hosting the web sites of others; hosting and rental of memory space for web sites; hosting the web sites of others on a computer server for a global computer network; hosting computer databases; hosting computer software applications for others; hosting multimedia educational content; hosting multimedia entertainment content; hosting multimedia entertainment and educational content for others; hosting memory space on the Internet; hosting on-line web facilities for others for sharing on-line content; hosting on-line web facilities for others for conducting interactive discussions; hosting e-commerce platforms on the Internet; hosting customized web pages; hosting memory space for web sites; hosting

platforms on the Internet; hosting digital content on the Internet; hosting electronic memory space on the Internet for advertising goods and services; on-line data storage; electronic data storage; computerized data storage; computerized business information storage; surveying; technical project studies in the field of construction; inspection of goods for quality control; maintenance and consultancy services relating to software used in the field of e-commerce; electronic monitoring of credit card activity to detect fraud via the internet; electronic monitoring of personally identifying information to detect identity theft via the internet.

PJSC "GAZPROM"

NAMETKINA STR., 16 RU-117997 MOSCOW RUSSIAN FEDERATION

ADDRESS FOR SERVICE: INFINITUS LAW CORPORATION, P.O.
BOX 259, RAFFLES CITY POST OFFICE, SINGAPORE 911709

40201909696X (35 36 42)
(International Registration No. 1464608)

Date of International Registration: 26/11/2018

Date of Protection in Singapore: 26/11/2018

Date of Notification: 02/05/2019

Class 35

Advertising of financial instruments and financial services; business management of companies, business administration, including conducting administrative work for others by means of outsourcing of services in the field of financial management, investment consultancy and private equity investments; economic analysis; providing business advice in the field of cryptocurrency market.

Class 36

Advisory services relating to finance; advisory services relating to financial investment; investment and portfolio management; advisory services relating to investments; trading in cryptocurrencies; on-line real-time cryptocurrency trading; financial and monetary services, and banking; services relating to currency trading and foreign exchange, in particular with regard to trading in cryptocurrencies and other digital payment means; financial services provided electronically; providing of a decentralised and open-source cryptocurrency on a global computer network using a blockchain (a decentralised protocol for transactions between parties recording each modification transparently); cryptocurrency trading and execution services; financial/banking services related to cryptocurrency including but not limited to loans, savings and credit and debit accounts.

Class 42

Advisory services relating to computer software; advisory services relating to computer software design; advisory services relating to computer systems analysis; computer security system monitoring services; data security services; consultancy in the field of computer security; professional consultancy relating to computer security; computer security consultancy; maintenance of computer software relating to computer security and prevention of computer risks; design and development of electronic data security systems.

Priority Claims:

Date of Protection in Singapore: 19/02/2019
Date of Notification: 27/06/2019

EDGE

Class 07
3D printing machinery; 3D printers; machines for processing workpieces produced with additive manufacturing; computer-controlled machines for manufacturing physical models of a graphic model by means of material deposition processes; machines for additive manufacturing; robotic machines for additive manufacturing; robots [machines].

Class 17
Semi-processed plastic materials for use in 3D printers and/or material deposition machines for producing workpieces; semi-finished products made from thermoplastic materials; semi-finished products made from elastomers; fiber materials for producing workpieces, other than textiles; semi-worked thermoplastic filaments.

Class 40
Custom manufacture of individual prototypes using additive manufacturing; custom manufacture of components and/or assemblies using additive manufacturing; consultancy in the field of custom construction of machines for material deposition processes; contract 3D printing; contract computerised custom manufacture of components; custom manufacture of material deposition machines and/or components therefor, for others; custom construction of material deposition machines and/or components therefor, for others.

Class 42
Technological consultancy in the field of material deposition processes; product design in the field of material deposition processes; technological product analysis in the field of material deposition processes; computer aided design for manufacturing operations; hosting of a website for customers for uploading, downloading, modifying, creating and designing

components and ordering of the aforesaid parts; development of materials for use in 3D printers and/or material deposition machines for producing workpieces; engineering services relating to robotics; design consultancy in the field of material deposition processes.

2-6-1, NAKASE, MIHAMA-KU CHIBA-SHI CHIBA 261-7116 JAPAN

ADDRESS FOR SERVICE: KELVIN CHIA PARTNERSHIP, 6
TEMASEK BOULEVARD, #29-00 SUNTEC TOWER FOUR,
SINGAPORE 038986

40201925890X (01 04 07 09 19 35 37 39 40 42)
(International Registration No. 1493281)

Date of International Registration: 17/07/2019
Date of Protection in Singapore: 31/10/2019
Date of Notification: 28/11/2019

The following claim is made in the International Registration: Colour(s) claimed: Dark blue, blue and white.

Class 01

Chemical absorbents for removing impurities from fuel; agar-agar; degreasing agents for use in manufacturing processes; asphalt release agents; chemical adsorbents for removing impurities from fuel; nitrogen; acrylonitrile; actinium; alkaloids; allyl chloride; alunite; algarovilla for use in tanning; alginates for the food industry; alginates for industrial purposes; ammonium aldehyde; crotonic aldehyde; aldehydes; aluminate; calcium aluminate; americium; amides for use in manufacture; amyl acetate; amino acids for scientific purposes; amino acids for industrial purposes; ammonia; anhydrous ammonia; ammonia [volatile alkali] for industrial purposes; acetic anhydride; phosphoric anhydride; phthalic anhydride; anhydrides; anisole; aniline; anti-knock substances for internal combustion engines; antimonate; disincrustants; antioxidants for use in the manufacture of cosmetics; antioxidants for use in the manufacture of food supplements; antioxidants for use in the manufacture of pharmaceuticals; antioxidants for use in manufacture; fire retardants; antistatic preparations, other than for household purposes; antibodies for scientific purposes, other than for medical or veterinary use; monoclonal antibodies for scientific purposes; antifreeze for vehicle radiators; antifreeze for windshield washer systems; antifreeze; anthracene; size for use in the textile industry; argon; lead arsenate; aspartame; astatine; acesulfame potassium; acetal; acetaldehyde [ethanal]; acetanilide; aluminium acetate; lime acetate; octyl acetate; lead acetate; acetate of cellulose, unprocessed; acetates [chemicals]; acetylene; acetylene for industrial purposes; acetone; acetone for industrial purposes; acetophenone; antistatic sprays for electronic equipment; bacteria for use in the manufacture of food; bacteria for wastewater treatment; oenological bactericides [chemical preparations for use in wine making]; barium; barytes; anhydrous sodium hydroxide for industrial purposes; albumin [animal or vegetable, raw material]; animal albumen [raw material]; iodised albumen; malt albumen; albumin for use in manufacture; benzaldehyde; benzyl chloride; benzene; benzol; benzophenone; bentonite; berkelium; betaines for use in manufacture; bicarbonate of soda for chemical purposes; potassium dioxalate; biofertilizers; calcium bisulfite; sodium bisulfite; biphenyls; ammonium dichromate; bichromate of potassium; bichromate of soda; bauxite; boron; borneol; bromobenzene; bromine for chemical purposes; ammonium bromide; sodium bromide; bromoform; albumenized paper; baryta paper; diazo paper; blueprint paper; reagent paper, other than for medical or veterinary purposes; test paper, chemical; litmus paper; self-toning paper [photography]; photosensitive paper; photosensitive paper for use in medical imagery; nitrate paper; sensitized paper; photometric paper; borax; butadiene; butanol; butyl acetate; ammonium vanadate; grafting wax for trees; agglutinants for concrete; biodegradable anionic surfactants for use in manufacture; humectants; gas purifying preparations; leather tanning agents; substances for tanning animal skins and hides; polish removing substances; preparations for the separation of greases; tempering substances; substances for preventing runs in stockings; soil amendments; water-softening preparations; limestone hardening substances; tanning substances; adhesives for industrial purposes; cationic surfactants for use in manufacture; adhesive substances for use in industry; adhesives for the

building industry; adhesives for floor, ceiling and wall tiles; plastic adhesives, other than for stationery or household purposes; cryogenic preparations in solid, liquid or gas form; dopants for use in the manufacture of semi-conductors; non-ionic surfactants for use in manufacture; mineral substances used to oxidize impurities and regulate temperatures in glass production furnaces; flame-retardant chemical agents for coating textiles; defoaming agents; nutrients for plants; nutrients for yeast for industrial purposes; calcium-based algae nutrient supplements for use in aquaria; surface-active chemical agents; surfactants for industrial purposes; silicone surfactants for industrial purposes; artificial sweeteners [chemical preparations]; substances for preserving cut flowers; flower preservatives; flushing agents for automobile radiators; fissionable material for nuclear energy; plant growth regulating substances; foundry binding substances; emollients for use in the manufacture of cosmetics; emollients for use in the manufacture of pharmaceuticals; emollients for use in the manufacture of toiletries; seed preserving substances; wetting agents for use in the manufacture of cosmetics; wetting agents for use in the manufacture of paints; concrete-aeration chemicals; leather-dressing chemicals; chemicals for the manufacture of paints; chemicals for the manufacture of pigments; chemicals for use in aquaria; chemicals for use in biotechnological manufacturing processes; chemicals for use in biotechnological product development; chemicals for use in the purification of proteins for in vitro use; chemicals for use in the manufacture of confectionery; chemicals for use in the manufacture of fabric or textiles; chemicals for use in aquaculture; chemicals for use in agriculture, horticulture and forestry, except fungicides, herbicides, insecticides and parasiticides; chemicals for use in oil drilling; chemicals for absorbing oxygen; chemical agents for use in the manufacture of dyestuffs; chemical agents for impregnating textiles, furs, leather, non-woven and woven fabrics; starch-liquifying chemicals [ungluing agents]; brazing chemicals; chemicals used in fermenting wine; chemicals used to indicate damage in paper coatings; fire-retardant chemicals; vinyl acetate; vinylidene chloride; vinyl chloride; viscose; bismuth; bismuth subnitrate for chemical purposes; vitamins for the food industry; vitamins for use in the manufacture of cosmetics; vitamins for use in the manufacture of food supplements; vitamins for use in the manufacture of pharmaceuticals; witherite; ammonia water; distilled water; distilled water for industrial purposes; oxygenated distilled water; seawater for industrial purposes; purified water for industrial purposes; acidulated water for recharging accumulators; heavy water; hydrogen; seaweeds [fertilizers]; sodium tungstate; gadolinium; getters [chemically active substances]; carbon dioxide; protective gases for welding; solidified gases for industrial purposes; propellant gases for aerosols; basic gallate of bismuth; gallium; halides; organic halogenides; halogens; gambier; huntite; hexamethylenediamine; sodium fluosilicate; hexachloroethane; helium; etching gels for industrial purposes; electrophoresis gels; genes of seeds for agricultural production; cement for shoes; cement for boots; cement for boots and shoes; fillers for automobile body repair; tire puncture sealants; chemical penetrating sealers for natural stone; hydrazine; aluminium hydrate; hydrates; ammonium bicarbonate; aluminium hydroxide; ammonium hydroxide; barium hydroxide; potassium hydroxide; magnesium hydroxide; sodium hydroxide for industrial purposes; nickel hydroxide; hydromagnesite; calcium hydroxide; cerium hydroxide; dibasic potassium phosphate; hydroquinone; hyposulfites; sodium hypochlorite; gypsum for use as a fertilizer; ceramic glazings; glycogen; glycol; glycoproteins; expanded clay for hydroponic plant growing [substrate]; kaolin; alumina; glycerides; glycerin for use in manufacture; glycerine for industrial purposes; glycerol for use in manufacture; glucose for the food industry; glucose for industrial purposes; glucosides; gluten for the food industry; gluten for industrial purposes; holmium; hormones for hastening the ripening of fruit; plant

hormones [phytohormones]; peat pots for horticulture; glass granules for use in swimming pool filters; graphene; graphite for industrial purposes; graphite in raw or semi-finished form for use in manufacture; guano; gum arabic glue, other than for stationery or household purposes; humus; double superphosphate fertilizers; dextrin [size]; dextrin for industrial purposes; desiccants; detergents for use in manufacturing processes; detergents for use in the manufacture of hair shampoo; defoliants; dianisidine; diastase for industrial purposes; kieselgur; copper carbonate; diisopropyl ether; dimethylaniline; dimethyl sulfate; dimethyl phthalate; silicon dioxide; manganese dioxide; titanium dioxide for industrial purposes; zirconia; oil dispersants; petroleum dispersants; dispersions of plastics; dysprosium; diphenyl; diphenylmethane; bichloride of tin; dichloromethane; sodium dichromate; dicyandiamide; diethyl phthalate; diethylzinc; detergent additives to petrol; ceramic compositions for sintering [granules and powders]; chemical additives for gasoline; chemical admixtures for concrete; additives, chemical, to drilling muds; chemical additives for oil well drilling fluids; chemical additives for diesel fuels; additives, chemical, to insecticides; chemical additives for use as binding agents for feed pellets; chemical additives for use in manufacture; chemical additives for use in the manufacture of fabrics; chemical additives for use in the manufacture of cosmetics; chemical additives for oils; chemical additives for motor oil; additives, chemical, to motor fuel; chemical additives for fuel treatment; chemical additives for fuel injection system cleaners; chemical additives for pesticides; chemical additives for use in the manufacture of food; chemical additives for engine cooling systems; chemical additives for lubricants; chemical additives for fuel; chemical additives for fuel in the nature of octane boosters; chemical additives for internal combustion engine fuels; chemical additives for transmission fluids; additives, chemical, to fungicides; chemical additives for lubricating oils; dolomite for industrial purposes; tan-wood; europium; gelatine for photographic purposes; gelatine for industrial purposes; ferrous sulfide; anti-freezing liquids; auxiliary fluids for use with abrasives; hydraulic fluids; fluids for hydraulic circuits; liquids for removing sulfates from accumulators; power steering fluid; quenching fluids for use in metalworking; coolants; calibration fluids for medical apparatus; de-icing fluids; de-icing fluids for car locks; windshield de-icer fluids; heat transfer fluids for industrial purposes; brake fluid; automatic transmission fluids; diesel exhaust fluid; magnetic fluid for industrial purposes; silicone fluids; transmission fluid; tree cavity fillers [forestry]; glaziers' putty; moderating materials for nuclear reactors; diatomaceous earth; fuller's earth for use in the textile industry; fly ash for general manufacturing use; sodium gold chloride; granulated limestone for agricultural purposes; agricultural lime; lime chloride; isotopes for industrial purposes; germination inhibitors [anti-sprouting agents]; active chemical ingredients for use in the manufacture of anti-cancer drugs; chemical humidity indicators in the form of strips, pellets and films; inulin for the food industry; calcium iodide; sodium iodide; ion exchangers [chemicals]; ytterbium; yttrium; iodine for industrial purposes; iodine for chemical purposes; aluminium iodide; silver iodide; alkaline iodides for industrial purposes; casein for the food industry; casein for industrial purposes; kainite; potassium; sorrel salt; californium; calomel [mercurous chloride]; calcium; calcium cyanide; gum arabic for industrial purposes; gum tragacanth for use in manufacture; tartar, other than for pharmaceutical purposes; camphor, for industrial purposes; calcined kaolin for industrial purposes; carbazole; tungsten carbide; calcium carbide; silicon carbide for industrial purposes; silicon carbide [raw material]; carbide; ammonium carbonate; lime carbonate; magnesium carbonate; sodium carbonate; lead carbonate; carbonates; cement [metallurgy]; lutetium [cassiopium]; catalysts; biochemical catalysts; catalysts for use in biochemical processes; catalysts for use in the manufacture of plastics; catalysts for use in the manufacture

of polymers; catalysts for use in the manufacture of industrial chemicals; catalysts for use in the manufacture of rubber; catalysts for use in chemical processes; catalysts for oxidation processes; catalysts for chemical and biochemical processes; catalysts for use in the oil processing industry; fluid cracking catalysts; petroleum cracking catalysts; catechu; caustics for industrial purposes; alum; ammonia alum; aluminium alum; ammonium alum; iron alum; manganese alum; sodium alum; chrome alum; quebracho for industrial purposes; ketones; kieserite; unexposed cinematographic films; cinematographic films, sensitized but not exposed; oxygen for industrial purposes; adipic acid; nitric acid; anthranilic acid; benzoic acid; boric acid for industrial purposes; valeric acid; tartaric acid; tungstic acid; gallic acid for the manufacture of ink; gallotannic acid; glutamic acid for use in the manufacture of cosmetics; glutamic acid for industrial purposes; tannic acid; iodic acid; phenol for industrial purposes; crotonic acid; citric acid for industrial purposes; methacrylic acid; lactic acid; monochloroacetic acid; formic acid; persulfuric acid; oleic acid; palmitic acid; picric acid; pyrogalllic acid; salicylic acid; sebacic acid; sulfuric acid; sulfurous acid; spirits of salt; stearic acid; sulfinic acids; carbonic acid; spirits of vinegar [dilute acetic acid]; phosphoric acid; phthalic acid; hydrofluoric acid; perchloric acid; chlorosulfonic acid; chloroacetic acid; cholic acid; chromic acid; oxalic acid; succinic acid; acids; benzene-based acids; fatty acids; fatty acids for industrial purposes; mineral acids; arsenious acid; nucleic acids for scientific purposes; chlorinated acids; adhesives for billposting; pool cue cement; adhesives for ornamental paving; adhesives for use in the manufacture of furniture; adhesives for ceramic tiles; leather glues; adhesives for floor tiles; adhesives for applying wall coverings; adhesives for wall tiles; adhesives for wallpaper; adhesives for bookbinding; adhesives for ceiling tiles; glue for industrial purposes; cement for mending broken articles; synthetic resin adhesives for industrial purposes; contact adhesives; contact adhesives for use with wood; contact adhesives for use with laminates; roofing adhesives; latex glue, other than for stationery or household purposes; gums [adhesives] for industrial purposes; birdlime; gelatin glue for industrial purposes; rubber cement for repairing pneumatic tires; gluten [glue], other than for stationery or household purposes; isinglass, other than for stationery, household or alimentary purposes; starch paste [adhesive], other than for stationery or household purposes; stem cells for research purposes; stem cells for scientific purposes; stem cells, other than for medical or veterinary purposes; collagen for industrial purposes; collodion; compost; compost, manures, fertilizers; fatty acid-based gasoline fuel conditioners; fatty acid-based diesel fuel conditioners; beer preserving agents; preservatives for cut flowers; preservatives for use in the pharmaceutical industry; chemical preservatives for use in the manufacture of soaps; chemical preservatives for use in manufacture of soap and vegetable oils; chemical preservatives for use in the manufacture of vegetable oils; chemical preservatives for use in the production of a wide variety of chemicals; chemical preservatives for use in bread making; chemical preservatives for silage; mangrove bark for industrial purposes; tan; starch for industrial purposes; starch for use in the manufacture of paper; starch for use in the manufacture of textiles; cresol; silica gel; magnesium silicofluoride; silicon; creosote for chemical purposes; cryolite; synthetic cryolite; krypton; xenon; xylene; xylenol; xylose; xylol; bacterial cultures for wastewater treatment; bacterial cultures for the food industry; biological tissue cultures, other than for medical or veterinary purposes; cultures of microorganisms, other than for medical and veterinary use; cultures of microorganisms used in the fermentation of silage; cumene; curium; lactitol for the food industry; lactose for use in the manufacture of foodstuffs; lactose for the food industry; lactose for industrial purposes; lactose [raw material]; lanthanum; dry ice [carbon dioxide]; lecithin for use in manufacture; lecithin for the food industry; lecithin for industrial use in the manufacture

of food products; lecithin for industrial purposes; lecithin [raw material]; lipids for use in manufacture; lithium; magnesite; manganate; solder mask [chemical preparations]; hydraulic oils; oils for tanning leather; oils for currying leather; oils for preparing leather in the course of manufacture; oils for the preservation of food; brominated vegetable oil for use as an emulsifier in the manufacture of food; transmission oil; carbolineum for the protection of plants; paper pulp; wood pulp; groundwood pulp; wood pulp for use in manufacture; dissolving pulp for use in manufacture; chemigroundwood pulp; grafting mastic for trees; mastic for leather; mastic for tires; putties and other paste fillers; oil cement [putty]; ceramic matrix composite [CMC] materials for use in manufacture; synthetic materials for absorbing oil; brazing preparations; ceramic materials in particulate form, for use as filtering media; blue vitriol; melamine; mercaptan; metalloids; metallocenes; rare earth metals; alkaline-earth metals; alkaline metals; methane; methanol; manganese metaphosphate; methylamine; methyl acetate; methyl benzene; methyl benzol; methylene chloride; methyl chloride; microorganisms for use in water treatment; natural microorganisms used in pond maintenance; rheology modifiers [chemicals] for use in the field of coating materials; ammonium molybdate; sodium molybdate; colostrum for the food industry; vinyl chloride monomers; carbon monoxide; flour for industrial purposes; tapioca flour for industrial purposes; potato flour for industrial purposes; bone meal [fertilizer]; soap [metallic] for industrial purposes; arsenic; bate for dressing skins; emollients for industrial purposes; animal manure; sodium; hypochlorite of soda; nitroparaffin; naphthalene; chlorinated naphthalenes; naphthylamine; sal ammoniac; toxic gas neutralizers; neodymium; neon; neptunium; aluminium nitrate; ammonium nitrate; barium nitrate; bismuth nitrate; ferric nitrate; potassium nitrate; calcium nitrate; manganese nitrate; sodium nitrate; lead nitrate; thorium nitrate; uranium nitrate; nitrates; barium nitrite; sodium nitrite; silver nitrite; nitronaphthalene; nitrotoluene; nitrophenol; assay samples for research purposes; biological tissue specimens for use in scientific research; chemical oxidants for use in the manufacture of printed circuits; combusting preparations [chemical additives to motor fuel]; nitrous oxide; baryta; calcium oxide; uranium oxide; zinc oxide for use in manufacture; oxalates; aluminium oxide; lithia [lithium oxide]; magnesium oxide; stannic oxide; lead oxide; silver oxide; sulfur dioxide; antimony oxide; titanium oxides; chromium oxide; zirconium oxide; iron oxides; cobalt oxide for industrial purposes; metallic oxides; nickel oxides; mercuric oxide; ethylene oxide; oxime; aluminium oxynitride; olivine [silicate mineral]; mold-release compounds for use in the fiberglass industry; mold-release preparations for use with concrete; organosilanes; gallnuts; purification preparations; wine finings; textile-brightening chemicals; beer-clarifying and preserving agents; must-fining preparations; reducing agents for use in photography; bases [chemical preparations]; wax-bleaching chemicals; fat-bleaching chemicals; fermented rice bran for use in the manufacture of cosmetics; organic digestate [fertilizer]; paraldehyde; pectin for the food industry; pectin for industrial purposes; pectin [photography]; pepsins for industrial purposes; perborate of soda; humus top dressing; leaf mold [fertilizer]; calcium peroxide; percarbonates; sodium permanganate; barium peroxide; hydrogen peroxide for industrial purposes; ammonium persulfate; persulfates; ammonium perchlorate; perchlorates; perchloroethylene; foundry sand; pyrimidine; pyridine; pyrrole; plastisols; sensitized plates for offset printing; ferrotype plates [photography]; plasticizers; protein plastics, unprocessed; plastics, unprocessed; unprocessed plastic materials in powder, liquid or paste form; unprocessed plastics for industrial purposes; photosensitive films, unexposed; X-ray films, sensitized but not exposed; sensitized photographic films, unexposed; plutonium; artificial sweeteners for beverages; chemical coatings for ophthalmic lenses; chemical coatings for use in the manufacture of printed

circuit boards; polyols; polypeptides for scientific purposes; polysilazanes; polysilanes; polyurethane, unprocessed; polonium; chemically treated test strips for calibration of laboratory apparatus; chemically treated test strips, other than for medical purposes; test strips impregnated with reagents for testing swimming pool water; pulverized limestone for agricultural purposes; nucleic acid sequences, other than for medical or veterinary purposes; potash; potash water; soil for growing; soil amendments for horticultural purposes; soil amendments for agricultural purposes; chemical soil conditioners; artificial soil for plant cultivation; artificial soil for plant cultivation made from mineral materials; artificial soil for plant cultivation made from plastic materials; praseodymium; rubber preservatives; masonry preservatives, except paints and oils; brickwork preservatives, except paints and oils; cement preservatives, except paints and oils; preservatives for tiles, except paints and oils; biochemical precursors for scientific purposes; anti-freezing preparations; chemical spray preparations for stretching shoes; bacterial preparations for the food industry; bacterial preparations for the decomposition of animal waste; bacterial preparations, other than for medical and veterinary use; bacteriological preparations for acetification; bacteriological preparations, other than for medical and veterinary use; biological preparations for use in industry and science; biological preparations, other than for medical or veterinary purposes; biochemical preparations for scientific purposes; vulcanizing preparations; diagnostic preparations for scientific or research use; diagnostic preparations for scientific purposes; diagnostic preparations, other than for medical or veterinary purposes; renovating preparations for phonograph records; currying preparations for leather; currying preparations for skins; galvanizing preparations; in vitro diagnostic reagents for scientific purposes; tempering and soldering preparations; metal hardening preparations; fixing baths [photography]; opacifiers for glass; opacifiers for enamel; preparations for protecting plants against pathogens; separating and unsticking [ungluing] preparations; metal annealing preparations; metal tempering preparations; soldering preparations; soil improving preparations; preparations for preventing the tarnishing of lenses; preparations for preventing the tarnishing of glass; cement-waterproofing chemicals, except paints; plant growth regulating preparations; wallpaper removing preparations; anti-boil preparations for engine coolants; fulling preparations for use in the textile industry; fire extinguishing preparations; descaling preparations for industrial purposes; descaling preparations, other than for household purposes; fertilizing preparations; flashlight preparations; finishing preparations for use in the manufacture of steel; sizing preparations; animal carbon preparations; preparations of microorganisms, other than for medical and veterinary use; organic soil enhancement powders and preparations; fulling preparations; corrosive preparations; cryogenic preparations; dehydrating preparations for industrial purposes; degreasing preparations for use in manufacturing processes; degumming preparations; fuel-saving preparations; coal saving preparations; oil-bleaching chemicals; bleaching preparations [decolorants] for industrial purposes; nutrient preparations for plants; damp-proofing chemicals, except paints, for masonry; anti-sprouting preparations for vegetables; meat tenderizers for industrial purposes; preparations for stimulating cooking for industrial purposes; anti-incrustants; de-icing preparations; preparations of trace elements for plants; ferrous sulfate preparations to prevent chlorosis in plants; moistening [wetting] preparations for use in the textile industry; moistening [wetting] preparations for use in dyeing; moistening [wetting] preparations for use in bleaching; plant strengthening preparations; enzymes for use in water treatment; enzyme preparations for the food industry; enzyme preparations for industrial purposes; enzyme preparations for the alcohol industry; enzyme preparations for the detergent industry; enzyme

preparations for the beverage industry; enzyme preparations for the bakery industry; filtering preparations for the beverages industry; chemical preparations in the nature of glue accelerators; chemical preparations for repelling stains; chemical preparations to prevent mildew; chemical preparations to prevent wheat smut; chemical preparations for use in the manufacture of cosmetics; chemical preparations for use in the manufacture of pharmaceuticals; chemical preparations for use in industry; chemical condensation preparations; chemical water conditioners for aquaria; chemical preparations for smoking meat; chemical substances for analyses in laboratories, other than for medical or veterinary purposes; chemical preparations for glazing leather; chemical preparations for scientific purposes; chemical preparations for scientific purposes, other than for medical or veterinary use; chemical preparations for facilitating the alloying of metals; chemical preparations for the treatment of seeds; chemical preparations for brightening dyestuffs during manufacturing processes; chemical preparations for the treatment of water; chemical preparations for preventing scale formation; chemical preparations for preventing scale formation in hydronic heating and cooling systems; chemical preparations for testing swimming pool water; chemical preparations for the manufacture of paints; chemical preparations for the manufacture of pigments; chemical preparations which penetrate through walls, floors and ceilings used for fire prevention in buildings; chemical preparations for the dispersal of oil; chemical preparations for stabilizing soil; chemical preparations for melting snow and ice; engine-decarbonising chemicals; detergent additives for motor oil; probiotic bacterial cultures for the food industry; probiotic bacteria for the food industry; control samples for quality control testing of water; serum samples for scientific purposes; preparations of the distillation of wood alcohol; by-products of the processing of cereals for industrial purposes; chemical substances for preserving foodstuffs; benzene derivatives; cellulose derivatives [chemicals]; promethium; propylene [propene]; proppants for use in oil well and gas well hydraulic fracturing operations; protactinium; protamine; proteins for the food industry; proteins for use in the manufacture of food supplements; proteins for use in manufacture; protein [raw material]; mordants for metals; radium for scientific purposes; radon; rhamnose for industrial purposes; aromatic solvents for industrial and commercial use; solvents for use in the manufacture of insecticides; solvents for paints; solvents for paints, varnishes and lacquers; solvents for varnishes; anti-frothing solutions for accumulators; drilling muds; drilling muds for use in oil-well drilling; buffer solutions for use in analytical chemistry; buffer solutions for scientific purposes; galvanizing baths; solutions for cyanotyping; degreasing solvents for use in manufacturing processes; standard solutions for use in analytical chemistry; silver salt solutions for silvering; toning baths [photography]; etching solutions [acids]; antibody reagents for scientific purposes; diagnostic reagents for scientific use; reagents for medical research; reagents for scientific purposes; reagents for scientific purposes for use in nucleic acid isolation and purification; reagents for testing the sterility of medical equipment; chemical reagents for use in genetic research; chemical reagents for scientific purposes; chemical agents for the treatment of bilge water; chemical agents for impregnating cut flowers to preserve freshness; chemical agents for impregnating cut Christmas trees to preserve freshness; chemical agents for carbon dioxide sequestration; chemical reagents for genetic identity testing; chemical agents for acid removal in industrial manufacturing applications; chemical reagents for paternity testing; diagnostic reagents, other than for medical or veterinary purposes; reagents for research purposes; reagents for scientific or medical research use; reagents for testing the sterility of pharmaceuticals and injectable solutions; reagents for chemical analyses; reagents for use in scientific apparatus for chemical or biological analysis; chemical reagents, other than

for medical or veterinary purposes; plant growth regulators for agricultural purposes; unprocessed artificial resins, unprocessed plastics; resorcinol; rhenium; mercury; rubidium; carbon black for industrial purposes; soot for industrial or agricultural purposes; lamp black for industrial purposes; samarium; saccharin; selenium; saltpeter; semicarbazones; sulfur; silver nitrate; hydrogen sulfide; carbon disulfide; silanes; calcium silicate; sodium silicate; zinc silicate; silicates; aluminium silicate; silicones; scandium; topsoil; horticultural potting mixtures; foundry molding preparations; potting compost; potting soil; acrylic resins, unprocessed; ion-exchange resins [chemical preparations]; artificial and synthetic resins, unprocessed; unprocessed artificial resins for use in manufacture; unprocessed artificial resins for industrial purposes; unprocessed artificial resins as raw materials in the form of powders, liquids or pastes; urea-formaldehyde resins, unprocessed; silicone resins, unprocessed; melamine resins, unprocessed; polyamide resins, unprocessed; polyvinyl acetate resins, unprocessed; polyvinylidene chloride resins, unprocessed; polyvinyl chloride resins, unprocessed; polymer resins, unprocessed; polypropylene resins, unprocessed; polystyrene resins, unprocessed; polyurethane resins, unprocessed; polyethylene resins, unprocessed; polyester resins, unprocessed; synthetic resins, unprocessed; unprocessed synthetic resins for use in the manufacture of plastic molding compounds; unprocessed synthetic resins for use in the manufacture of molding compounds; unprocessed synthetic resins for use in the manufacture of cosmetics; radiation-curable unprocessed synthetic resins; thermally curable unprocessed synthetic resins; thermoplastic resins, unprocessed; phenolic resins, unprocessed; epoxy resins, unprocessed; soda ash; calcined soda; caustic soda for industrial purposes; nitrogen compounds; aliphatic compounds; barium compounds; perfluorinated chemical compounds prepared synthetically for use in manufacture; surface-active compounds; unprocessed synthetic resin compounds in the form of microspheres used to incorporate various other substances; fluorspar compounds; chemical compounds for curing concrete; ammoniacal salts; ammonium salts; salts of precious metals for industrial purposes; halogen acid salts; salts for galvanic cells; salt for preserving, other than for foodstuffs; salts for coloring metal; salts for industrial purposes; iron salts; gold salts; iodised salts; calcium salts; magnesium salts; sodium salts [chemical compounds]; salt, raw; salts from rare earth metals; mercury salts; toning salts [photography]; salts [fertilizers]; salts [chemical preparations]; chrome salts; chromic salts; salts of alkaline metals; salt for water softening; rock salt; rock salt for de-icing; mineral sorbents; chemical sorbents; mold-release preparations; mold-release compounds; mold-release compounds for use in the plastics industry; tire sealing compounds; fire extinguishing compositions; compositions for the manufacture of phonograph records; compositions for the manufacture of technical ceramics; compositions for repairing inner tubes of tires; compositions for repairing tires; fire extinguishing and fire prevention compositions; sizing compounds for use in manufacture; compositions for threading; acid proof chemical compositions; adhesives for use in the manufacture of wall coverings; adhesives for use in the manufacture of plywood; adhesives for use in the manufacture of surgical bandages; glutinous tree-grafting preparations; adhesive preparations for surgical bandages; flame-retardant compositions; fireproofing preparations; active chemical ingredients for use in the manufacture of insecticides; chemical compositions for waterproofing; chemical compositions for waterproofing articles of leather; chemical compositions for waterproofing articles of fabric; chemical compositions for waterproofing masonry; chemical compositions for use in chrome plating; chemical compositions for preserving foodstuffs; chemical compositions for metal plating; sauce for preparing tobacco; allyl alcohol; amyl alcohol; benzyl alcohol; vinic alcohol; alcohol for use in the manufacture of perfumes; alcohol for use in

the manufacture of paints and other coatings; alcohol for industrial purposes; wood alcohol; lauryl alcohol; sal ammoniac spirits; oleyl alcohol; cetyl alcohol; alcohol; ethyl alcohol; alloys of rare earth metals; de-icing sprays for windshields; de-icing sprays for door locks; adjuvants, other than for medical or veterinary purposes; cement for footwear; soil improving agents; fabric protectants for commercial dry cleaning use; fabric protectants; concrete preservatives, except paints and oils; detergents for industrial use as part of manufacturing operations; anticaking agents for use in the manufacture of animal feed; chemical agents for coating textiles, furs, leather, non-woven and woven fabrics; cell growth media for growing cells for use in scientific research; growing media for plants; soil stabilizers for roads, ponds and lakes; soil stabilizers for use in road construction; dough stabilizers for the food industry; enzyme stabilizers; chemical stabilizers for preserving foodstuffs; stannate; water glass [soluble glass]; stilbene; styrene; strontium; substrates for soil-free growing [agriculture]; substrates for hydroponics; peptide substrates for scientific purposes; enzyme substrates for scientific purposes; enzyme substrates; aluminium sulfate; ammonium sulfate; aluminium ammonium sulfate; barium sulfate; ferrous sulfate; potassium sulfate; magnesium sulfate; sodium sulfate; nickel sulfate; nickel ammonium sulfate; lead sulfate; silver sulfate; zinc sulfate; sulfates; ammonium sulfide; barium sulfide; cadmium sulfide; calcium sulfide; sodium sulfide; stannic sulfide; mercury sulfide; antimony sulfide; phosphorus sulfide; zinc sulfide; sulfides; benzoic sulfimide; sodium sulfite; sulfites for preserving foodstuffs; sulfonic acids; sumac for use in tanning; superphosphates [fertilizers]; soil surfactants used to promote uniform movement of water in soil; antimony; thallium; talc [magnesium silicate]; tannin; cream of tartar for the food industry; cream of tartar for industrial purposes; cream of tartar for chemical purposes; sodium tartrate; tellurium; terbium; sodium tetraborate; tetrachlorides; carbon tetrachloride; acetylene tetrachloride; tetraethyl lead; technetium; thymol for industrial purposes; thiocarbonyl; thiourea; sodium thiosulfate; thiophene; thioethers; titanite; blueprint cloth; sensitized cloth for photography; toluidine; toluidine; toluene; Thomas phosphate [fertilizer]; fuel for nuclear reactors; thorium; peat [fertilizer]; etchants for use in the manufacture of printed circuit boards; etchants for use in the manufacture of semi-conductors; gum tragacanth for industrial purposes; trypsin for industrial purposes; triphenylmethane; ferric chloride; gold trichloride; trichloroethylene; triethanolamine; triple superphosphate fertilizers; thulium; aromatic hydrocarbons; carbonic hydrates; carbon; carbon for industrial purposes; activated carbon; carbon for filters; animal charcoal; charcoal for use as a soil conditioner; charcoal for horticultural purposes; animal carbon; bone charcoal; blood charcoal; nitrogenous fertilizers; fertilizers for hydroponics; fertilizers; fish meal fertilizers; potassium fertilizers; calcined potassium fertilizers; complex fertilizers; manganese fertilizers; urea fertilizers; ammonium nitrate fertilizers; sodium nitrate fertilizers; ammonium sulfate fertilizers; potassium sulfate fertilizers; potassium chloride fertilizers; calcium silicate fertilizers; mixed fertilizers; calcium superphosphate fertilizers; ammonium chloride fertilizers; wood vinegar [pyroligneous acid]; dough conditioners for the food industry; uranium; uranates; urease for industrial purposes; chemical intensifiers for paper; chemical intensifiers for rubber; vulcanization accelerators; phenanthrene; phenylenediamine; phenothiazine for use in the manufacture of pharmaceuticals; milk ferments [bacteria preparations] used in making foodstuffs; enzymes for use in protein hydrolysis; enzymes for use in starch hydrolysis; enzymes for use in the tanning of leather; enzymes for use in the manufacture of pet food; enzymes for use in the manufacture of nutraceuticals; enzymes for use in the manufacture of fruit juice; enzymes derived from biotechnological processes for use in industry; enzymes for use in the dairy industry; enzymes for use in the processing of food by-

products; enzymes for use in the processing of sugar cane; enzymes for the brewing industry; enzymes for the food industry; enzymes for the beverage industry; enzymes for industrial purposes; enzymes for use in the textile industry; ferments for chemical purposes; enzymes for the bakery industry; milk ferments for the food industry; milk ferments for industrial purposes; milk ferments for chemical purposes; enzymes to assist in digestion for use in the manufacture of animal feeds; fermium; potassium ferricyanide; potassium ferrocyanide; ferrocyanides; photographic fixers; fixing solutions [photography]; histological fixatives; cytological fixatives; flavonoids [phenolic compounds] for industrial purposes; flocculants; metal welding flux; soldering fluxes; brazing fluxes; formaldehyde; formic aldehyde for chemical purposes; formate; phosgene; ammonium phosphate; phosphatides; manganese phosphate; calcium phosphate; sodium phosphate; phosphates; phosphates for water treatment; phosphates for potable water treatment; phosphates [fertilizers]; phosphine; phosphoproteins; phosphorus; photographic paper; photosensitive plates; sensitized photographic plates; photographic dry plates; unexposed photographic films; sensitized films, unexposed; photographic developers; photoresists; photographic sensitizers; chemical preparations for use in photography; photographic emulsions; francium; ethyl phthalate; fluorine; ammonium fluoride; calcium fluoride; magnesium fluoride; sodium fluoride; sodium aluminium fluoride; cerium fluoride; water-purifying chemicals for swimming pools; chemicals for use in the manufacture of paper; chemicals for the separation of crude oil from soil and water; chemicals for use in lithography; chemicals for use in metal plating; chemicals for use in the processing of natural rubber; chemicals for use in the processing of plastics; chemicals for use in the production of synthetic rubber; chemicals for use in the manufacture of solar cells; soil conditioning chemicals; chemicals for use in forestry, except fungicides, herbicides, insecticides and parasiticides; glass-frosting chemicals; leather-renovating chemicals; water treatment chemicals for use in swimming pools and spas; chemicals for treating hazardous waste; chemicals for X-ray film processing; glass-staining chemicals; enamel-staining chemicals; oil-separating chemicals; water-purifying chemicals; oil-purifying chemicals; wastewater treatment chemicals; wastewater treatment chemicals for industrial purposes; welding chemicals; condensation-preventing chemicals; stain-preventing chemicals for use on fabrics; anti-tarnishing chemicals for windows; leather-waterproofing chemicals; textile-waterproofing chemicals; chemicals for use in the manufacture of adhesives; chemicals, except pigments, for the manufacture of enamel; radiator flushing chemicals; chemicals for use in industry and science; leather-impregnating chemicals; textile-impregnating chemicals; horticultural chemicals, except fungicides, herbicides, insecticides and parasiticides; agricultural chemicals, except fungicides, herbicides, insecticides and parasiticides; water-softening chemicals; soil conditioning preparations; chemicals for photographic film processing; chemicals for use in chromatography; chimney cleaners, chemical; enamel and glass-staining chemicals; chemicals for use in forestry; chemicals for use in industry, science and photography; chemicals for use in science; chemicals for use in industry, science and photography, as well as in agriculture, horticulture and forestry; chemicals for use in horticulture; chemicals for use in agriculture; chemicals for use in agriculture, horticulture and forestry; industrial chemicals; color-brightening chemicals for industrial purposes; quinuhydrone; chitosan for industrial purposes; refrigerants; coolants for vehicle engines; chlorine; sodium chlorate; chlorates; chlorine for swimming pools; hydrochlorates; liquid chlorine; aluminium chloride; ammonium chloride; barium chloride; bismuth chloride; potassium chloride; calcium chloride; magnesium chloride; manganese chloride; stannic chloride; mercuric chloride; silver chloride; phosphorus chloride; cerium chloride; zinc chloride; chlorides; gold chloride; metallic chlorides;

palladium chloride; chromium chloride; ethyl chloride; sodium chlorite; chloromethane; chloromethyl methyl ether; chloronitroanilines; hydrogen chloride; chloroprene; chlorofluorocarbons; sodium chromate; lead chromate; chromates; flowers of sulfur for chemical purposes; caesium; cellulase for use in the manufacture of detergents; cellulose; dissolving pulp; sulfite pulp; cerium; calcium cyanamide; potassium cyanate; hydrogen cyanide; potassium cyanide; sodium cyanide; silver cyanide; cyanides [prussiates]; cyanates; calcium cyanamide [fertilizer]; cyclamate; cyclohexane; cyclopentane; cymene; zirconium tetrachloride; loam; slag [fertilizers]; size for finishing and priming; size for walls; body fillers for use in the aerospace industry; putty for use by plumbers for affixing toilets; paste fillers for automobile body repair; spinel [oxide mineral]; alkalies; caustic alkali; chlor-alkalis; botanical extracts, other than essential oils, for use in making cosmetics; plant extracts, other than essential oils, for use in the manufacture of cosmetics; herb extracts, other than essential oils, for use in the manufacture of cosmetics; fermentation extracts for industrial purposes; tea extracts for the food industry; tea extracts for use in the manufacture of cosmetics; tea extracts for use in the manufacture of pharmaceuticals; battery electrolytes; active chemical ingredients for use in the manufacture of pharmaceuticals; radioactive elements for scientific purposes; rare earths; fissionable chemical elements; emulsifiers; emulsifiers for use in manufacture; emulsifiers for use in the manufacture of food; chloropropylene; erbium; erythritol for the food industry; erythritol for the beverage industry; ethane; ethanol for scientific purposes; ethylamine; ethylene; ethylene glycol; ethylene dichloride; ethylene chlorohydrin; ethyl iodide; ethyl carbamate; ethyl malonate; methyl ether; benzyl ether; sulfuric ether; glycol ether; fatty acid esters; methyl esters; ethers; esters; acetic acid esters; cellulose ethers for industrial purposes; cellulose esters for industrial purposes; ethyl ether.

Class 04

Biodiesel fuel; anthracite; benzine; motor spirit; petroleum; industrial gasoline; biomass fuel; wood briquettes; combustible briquettes; petroleum jelly for industrial purposes; montan wax; ozokerite; wax for use in coating food packaging materials; illuminating wax; industrial wax; belting wax; carnauba wax; paraffin wax; beeswax; beeswax for use in the manufacture of ointments; beeswax for use in the manufacture of candles; beeswax for use in the manufacture of cosmetics; Japan wax; wax [raw material]; gas for lighting; coal gas; oil-gas; liquefied petroleum gas; liquefied petroleum gases to be used for domestic and industrial purposes and in motor vehicles; liquefied natural gas; fuel gas; producer gas; gases for use as fuel; solidified gases [fuel]; fuel; alcohol and mixed alcohol fuel; solid fuels; wood pellets for heating [fuel]; pellets of compressed fiber manufactured from a plant crop to be used as fuel; glass granules used as sweeping compounds for chemical and other spills; fuel pellets; lubricating graphite; graphite as a lubricant; methylated spirits for fuel [denaturated fuel alcohols]; non-chemical additives for motor oil; additives, non-chemical, to motor fuel; kindling; firewood; fireplace logs; artificial fireplace logs; paper spills for lighting; charcoal lighter fluid; cigarette lighter fluid; cutting fluids; cutting oil for industrial metal working; lighter fluid; fish oil, not edible; lanolin; greases for the preservation of leather; illuminating grease; grease for leather; grease for footwear; tallow; industrial grease; kerosene; coke; lanolin for use in the manufacture of cosmetics and ointments; lanolin for use in the manufacture of cosmetics; ligroin; solid lubricants; wood spills for lighting; wax for skis; mazut; automotive engine oils; hardened oils [hydrogenated oils for industrial use]; fuel oil; oils for the preservation of leather; oils for paints; oils for releasing form work [building]; oils for the preservation of masonry; mold releasing oils; textile oil; leather-preserving oils and greases; mineral oils and greases for industrial purposes [not for fuel]; industrial oils and greases; lamp oils containing insect repellent; light

oils; mineral oil for use in the manufacture of cosmetics and skin care products; mineral oil for use in the manufacture of paint; mineral oil for use in the manufacture of metal cutting fluids; industrial oil for batteries; all-purpose penetrating oil; industrial oils and greases, wax; lubricating oil; lubricating oil for motor vehicle engines; lubricating oils and greases; industrial oil; conditioning oil for baseball gloves; moistening oil; coal tar oil; coal naphtha; castor oil for industrial purposes; bone oil for industrial purposes; lamp oil; linseed oil for use as a lubricant; motor oil; sunflower oil for industrial purposes; rape oil for lubricating machinery; vegetable oil for use in the manufacture of paints or soaps; soybean oil for use in the manufacture of paints and other coatings; rape oil for industrial purposes; lubricants; automotive lubricants; lubricants for aircraft engines; motor vehicle lubricants; lubricants for industrial machinery; graphite lubricants; industrial lubricants; all-purpose lubricants; naphtha; petroleum, raw or refined; crude oil; heavy oils; nightlights [candles]; oleine; paraffin; dust absorbing, wetting and binding compositions; dust removing preparations; soya bean oil preparations for non-stick treatment of cooking utensils; non-slipping preparations for belts; non-chemical additives for gasoline; non-chemical additives for oils and fuels; non-chemical additives for fuels; non-chemical additives for fuels, lubricants and greases; propane gas sold in cylinders for use in torches; propane gas; coal dust [fuel]; flux oil for use as an ingredient in asphalt; firelighters; firelighters for grills; perfumed candles; aromatherapy fragrance candles; Christmas tree candles; candles; votive candles; candles and wicks for lighting; tealight candles; tallow candles; candles containing insect repellent; automotive greases; drilling lubricants; grease for machines; grease for arms [weapons]; lubricating grease; grease for belts; lubricating grease for vehicles; general purpose greases; vaporized fuel mixtures; petroleum-based dust suppressing compositions; granular absorbent oil-based composition for absorbing spills from floors; dust absorbing compositions; dust binding compositions; dust wetting compositions; petroleum-based dust absorbing compositions; dust binding compositions for sweeping; dust laying compositions; alcohol [fuel]; methylated spirit; stearine; wood chips for smoking and flavoring foods; wood chips for smoking and grilling; wood chips for use as fuel; fuels, including motor spirit, and illuminants; gaseous fuels; liquid fuels; fuels and illuminants; aviation fuel; benzene fuel; diesel oil; fuel for motor vehicles; chafing dish fuel; lamp fuel; fuel for aircraft; fuel for aircraft and ships; fuel for lighters; lighting fuel; fuel for ships; heating oil; xylene fuel; mineral fuel; carburants; fuel with an alcohol base; fuels derived from crude oil; hydrocarbon fuels; peat briquettes [fuel]; peat [fuel]; tinder; lignite; charcoal briquettes; charcoal [fuel]; coal; coal briquettes; lamp wicks; wicks for oil lamps; wicks for candles; ceresine; tadon [charcoal briquettes]; electrical energy; ethanol [fuel]; petroleum ether.

Class 07

3D printers; truck cranes; reverse vending machines for recycling empty bottles and cans; reverse vending machines for recycling empty beverage containers; vending machines; coin-operated vending machines; vending machines, electric, for beverages or foods; welding machines, electric; shock absorbers for machines; construction machines and apparatus; electrolysis apparatus for electroplating; welding apparatus, gas-operated; electroplating apparatus; vulcanization apparatus; rubber vulcanizing apparatus; galvanizing apparatus; metal surface galvanizing apparatus; oxyacetylene welding apparatus; acetylene cleaning apparatus; high pressure washers; apparatus for drawing up beer under pressure; apparatus for aerating water; apparatus for aerating beverages; electrical apparatus for sealing plastics [packaging]; electric arc cutting apparatus; electric arc welding apparatus; electric welding apparatus; hydraulic machines and apparatus; mining machines and apparatus; pneumatic

machines and apparatus; inking apparatus for printing blocks; inking apparatus for printing machines; soldering apparatus, electric; fittings for engine boilers; lawn aerators [machines]; air brushes for applying paint; expansion tanks [parts of machines]; drums [parts of machines]; reels, mechanical, for flexible hoses; reels, electric, for garden hoses; brake shoes, other than for vehicles; grass trimmers, electric; concrete mixers [machines]; food blenders, electric; food blenders, electric, for household purposes; automotive engine blocks; reels [parts of machines]; bobbins for weaving looms; harrows; tractor-towed harrows; windlasses; journal boxes [parts of machines]; bulldozers; hoppers [mechanical discharging]; bits for mining machines; mine borers; drills for the mining industry; earth augers; power ice augers used in ice fishing; railway wagon lifts; rolling mill cylinders; tractor-towed hay rakes; crank shafts; rollers for barley processing machines; shafts for pumps; printing rollers for machines; camshafts; engine camshafts; camshafts for vehicle engines; transmission shafts, other than for land vehicles; valves [parts of machines]; fans for motors and engines; fans for machine engines; saw benches [parts of machines]; winnowers; concrete vibrators; concrete vibrators, electric; vibrators [machines] for industrial use; bearings [parts of machines]; bearing inserts for machines; bearings for transmission shafts, being parts of machines; mechanized horse walkers; water heaters [parts of machines]; bellows [parts of machines]; blowers for use with conveying systems; power blowers for lawn debris; hand-held milk frothers [whisks], electric; agitators; agitators for circulating liquid media; agitators for chemical processing; bushings [parts of machines]; exhausts for motors and engines; drilling rigs, floating or non-floating; gasoline lawn mowers; ride-on lawn mowers; lawnmowers [machines]; mechanical lawn mowers; lawnmowers, electric; impact wrenches; taps being machine tools; card clothing [parts of carding machines]; nail pullers, electric; emergency power generators; high-voltage generators; generators for wind turbines; generators for land vehicles; alternators; alternators for land vehicles; dynamos; bicycle dynamos; current generators; generators of electricity; wind-powered electricity generators; electric power generators for ships; electrostatic generators; hydraulic controls for motors and engines; hydraulic controls for machines; hydraulic conveyors; hydraulic torque converters, other than for land vehicles; hydraulic controls for machines, motors and engines; exhaust mufflers for motors and engines; mufflers for motors and engines; mufflers as part of vehicle exhaust systems; drilling heads [parts of machines]; core drilling bits; drilling bits [parts of machines]; cylinder heads for engines; soldering blow pipes, gas-operated; welding torches, electric; gas-operated blow torches; propane torches for use with roofing materials; propane torches for clearing vegetation; propane torches for clearing snow and ice; cutting torches; welding torches, gas-operated; raking machines; chasers [machine tools]; stalk separators [machines]; graders [earth moving machines]; sieves [machines or parts of machines]; mud catchers and collectors [machines]; tarring machines; rubber tracks being parts of crawlers on mining machines; rubber tracks being parts of crawlers on snow ploughs; rubber tracks being parts of crawlers on loading-unloading machines and apparatus; rubber tracks being parts of crawlers on agricultural machines; rubber tracks being parts of crawlers on construction machines; pressure transducers being parts of machines; gasoline engines, other than for land vehicles; internal combustion engines for power generation, other than for land vehicles; internal combustion engines for boats; hydraulic engines and motors; diesel engines for machines; diesel engines, other than for land vehicles; engines for aerostats; winch motors; aeronautical engines; engines and motors for model aircraft; engines and motors for model boats; engines and motors for model vehicles; engines for marine vessels; motors for passenger elevators; motors for elevators; aeroplane engines; engines for air cushion vehicles; motors, other than for land vehicles; aircraft engines; linear motors; compressed air

engines; direct current motors; rocket engines, other than for land vehicles; jet engines, other than for land vehicles; starter motors; starter motors for land vehicles; engines for boats; marine engines and parts and fittings therefor; driving motors, other than for land vehicles; propulsion mechanisms, other than for land vehicles; de-aerators for feedwater; disintegrators; tympan [parts of printing presses]; mounting hangers adapted for exhaust systems for internal combustion engines; holding devices for machine tools; pump diaphragms; turf removing ploughs; abrasive disks for power-operated sanders; disc harrows; rock drilling bits; hydraulic jacks; chisels for machines; trailer-mounted hydraulic jacks; jacks [machines]; rack and pinion jacks; jacks, electric; moving walkways; drills [power tools]; percussion hammer drills; hand-held percussion hammer drills; pneumatic drills, hand-held; electric hand drills; drills, electric; crushers, electric, for household purposes; food grinders, electric; food grinders, electric, for domestic use; food grinders, electric, for commercial use; crushers for kitchen use, electric; rotary hammers, electric; centrifugal grinding machines; flues for engine boilers; reapers; windrowers for agricultural machines; reapers and binders; tractor-towed reapers; millstones; vacuum pads for vacuum pump machines; countersinks; rakes for raking machines; grinders, electric, for household purposes; kitchen grinders, electric; shredders [machines] for industrial use; meat grinders, electric, for household purposes; waste disposal units, electric; food choppers, electric; tree stump cutters; garden chippers, electric; injectors for engines; incubators for eggs; ski edge sharpening tools, electric; clamping tools for holding piece parts during machining; gear cutters [machine tools]; metalworking machines and machine tools; tools [parts of machines]; hand-held tools, other than hand-operated; mechanically operated hand-held crimpers; agricultural implements, other than hand-operated; air-operated power tools; grinding tools [parts of machines]; power tools; air condensers; control cables for machines, engines or motors; capstans; calenders; rotary steam presses, portable, for fabrics; aquarium air stones [pumps]; ditchers [ploughs]; carburetters; carriages for knitting machines; crankcases for motors and engines; crankcases for machines; automobile oil pans; crankcases for machines, motors and engines; dishwasher racks [parts of dishwashers]; steamrollers; tractor-towed rollers; ignition coils [parts of engines]; positive crankcase ventilation [PCV] valves for motors and engines; automatic inlet control valves for reciprocating air compressors; valves being parts of pumps; pressure valves [parts of machines]; dosing valves [parts of machines]; pressure valves being parts of machines; back pressure valves being parts of machines; clack valves [parts of machines]; unloading check valves for the outlets of air compressors; proportional flow valves being parts of machines; pressure reducers [parts of machines]; exhaust gas recirculation [EGR] valves for motors and engines; pump control valves; control valves for regulating the flow of gases and liquids [parts of machines]; valves being parts of machines; valves [parts of pumps]; can openers, electric; pneumatic ratchet wrenches; ratchet wrenches, electric; buckets for earth moving machines; cowlings [parts of machines]; machine wheels; pump impellers; freewheels, other than for land vehicles; automotive intake manifolds; intake manifolds for motors and engines; scale collectors for machine boilers; headers being parts of vehicle exhaust systems; lasts for shoes [parts of machines]; block brakes, other than for land vehicles; brake pads, other than for vehicles; piston segments; grease rings [parts of machines]; reapers and threshers; food processors, electric, for household purposes; coal-cutting machines; air compressors; air compressors for vehicles; air pumps [garage installations]; compressors for air conditioners; compressors for machines; compressors for dehumidifying machines; compressors for refrigerators; compressors [machines]; reciprocating compressors; electric compressors; compressors being parts of machines, motors and engines; screw conveyors; belt conveyors; conveyors

[machines]; roller conveyors; chain conveyors; converters for steelworks; catalytic converters for motors and engines; aerocondensers; steam condensers [parts of machines]; air-cooled condensers; diggers [machines]; rams [machines]; thermic lances [machines]; utensil baskets for dishwashers; mechanized livestock feeders; mechanized feeders for wildlife; mechanized feeders for animals; boxes for matrices [printing]; gear boxes, other than for land vehicles; grease boxes [parts of machines]; rocker arms for motors and engines; polycrystalline diamond compact [PDC] drill bits for drilling machines; housings [parts of machines]; bearing housings for machines; tractor-towed mowers; harvesting machines; tractor-towed harvesters; steam engine boilers; coffee grinders, other than hand-operated; coffee grinders, electric; tower cranes; crawler cranes; taps [parts of machines, engines or motors]; cable cranes; roller bridges; floating cranes; cranes [lifting and hoisting apparatus]; gantry cranes [bridge cranes]; dock cranes; mobile dock cranes; water separators; fixed cranes; jib cranes; ball valves being parts of machines; spray guns for paint; cranks [parts of machines]; mounting brackets adapted for exhaust systems for internal combustion engines; abrasive wheels for power-operated grinders; potters' wheels; grindstones [parts of machines]; cultivators [machines]; power tillers; hedge cutters, electric; soldering lamps; winches; trawl winches; power winches; blades for power saws; ploughshares; abrasive belts for power-operated sanders; belts for conveyors; conveyor belts; band brakes, other than for land vehicles; flap discs for power-operated grinders; portable saw mills; line haulers; service elevators; passenger elevators; jig-saws [power tools]; food slicers, electric; chutes being parts of machines; lubricators [parts of machines]; ice crushers, electric; igniting magnetos; igniting magnetos for engines; handling machines, automatic [manipulators]; churns; matrices for use in printing; oil coolers for motors and engines; machine flywheels; lawn edgers, electric; cartoning machines; hair clipping machines for animals; asphalt paving machines; concrete finishing machines; concrete placing machines; paper machines; paper cutting machines; drilling machines and parts therefor; pasta makers, electric, for household purposes; vacuum packaging machines; blowing machines; wire drawing machines; die-cutting machines; embroidery machines; knitting machines; gas cutting machines; welding machines, gas-operated; galvanizing machines; bending machines; bending machines for metalworking; hydraulic machines; ironing machines; mineworking machines; decatizing machines; autogenous soldering machines; concrete paving machines; well drilling machines; blowing machines for the compression, exhaustion and transport of gases; blowing machines or fans for the compression, sucking and carrying of grain; net hauling machines [fishing]; electroplating machines; bottle sealing machines; sealing machines for industrial purposes; intaglio printing machines; milk homogenizing machines; embossing machines; engraving machines; finishing machines; crushing machines; ice crushing machines, electric; waste crushing machines; waste disposal units; dough kneading machines; blade sharpening [stropping] machines; knife sharpening machines; drill sharpening machines; earth moving machines; machines for making paper boxes; machines for making cardboard boxes; cord making machines; lace making machines; machines for making noodles; butter machines; machines for making miso; machines for manufacturing semi-conductors; cigarette machines for industrial purposes; machines for making soya sauce; sausage making machines; stereotype machines; machines for making powdered milk; hosiery looms; grinding machines; wood chipping machines; machines for shredding horticultural waste; paper calendering machines; oxyacetylene cutting machines; oxyacetylene welding machines; drop-forging machines; ice shaving machines, electric; composting machines; dyeing machines; laser welding machines; compression molding machines; bottle washing machines; pressure washing machines; dishwashers; floor washing

machines; paper coating machines; bottle filling machines; machines for filling containers with liquid; staple fiber cutting machines; wax-polishing machines, electric; wax-polishing machines, electric, for household purposes; wax-polishing machines, electric, for industrial purposes; racket stringing machines; leather-working machines; dairy machines; semi-conductor wafer processing machines; glass-working machines; machines for processing edible kelp; tobacco processing machines; machines for processing raw silk; barley splitting machines; grain husking machines; dip-dyeing machines; painting machines; ramie debarking machines; cleaning machines for ponds; oil refining machines; industrial machines for cleaning sand; peeling machines; fruit peelers, electric; cereal processing machines; machines for processing plastics; ore treating machines; printing machines for use on sheet metal; printing machines for use with ceramics; printing machines for use with textiles; brewing machines; plasma cutting machines; planographic printing machines; whitewashing machines; road sweeping machines, self-propelled; leather paring machines; stubble cutting machines; rice polishing machines; barley polishing machines; floor polishing machines; machines for making soda pops; machines for shaping geta [Japanese-style wooden clogs]; bitumen making machines; papermaking machines; machines for making paper bags; machines for making straw rope; machines for making corrugated cardboard; machines for manufacturing semi-conductor substrates; machines for making fish paste; machines for the production of sugar; machines for processing condensed milk; machines for making cigarettes; machines for making cheese; machines for making cigarette filter rods; machines for washing silkworm eggs; weeding machines; sifting machines; cinder sifters [machines]; chemical fiber spinning machines; puddling machines; manure spreading machines; fertilizer spreading machines; machines for sorting recyclable materials; fiber cutting machines; fodder cutting machines [feed cutters]; notchers [machine tools]; metal cutting machines; meat slicing machines; cheese slicing machines; machines for cutting plywood; bread cutting machines; egg slicing machines; machines for embossed printing; asphalt mixers [machines]; fodder mixing machines [feed mixers]; rice grain sorting machines; waste sorting machines; road making machines; railroad constructing machines; dry-cleaning machines; machines for the textile industry; rammers [machines]; rail-laying machines; bottle capping machines; bottle stoppering machines; packaging machines; machines for packaging food; waste compacting machines; plywood finishing machines; dethatchers [machines]; wire forming machines; cleaning machines for aviation engines; carpet cleaning machines; machines for cleaning surfaces using high-pressure water; floor scrubbing machines; rice husking machines; die-stamping machines; stamping machines; automatic stamping machines; darning machines; machines for extruding plastics; wire extruding machines; electrostatic coating machines; dredging machines; milking machines; drainage machines; leather tanning machines; wrapping machines; grain separators; machines and apparatus for the textile industry; floor polishing machines and apparatus, electric; injection plastic molding machines; machines and machine tools; bookbinding apparatus and machines for industrial purposes; machines and apparatus for cleaning, electric; machines and apparatus for carpet shampooing, electric; machines and apparatus for polishing [electric]; textile calendering machines; sizing machines; gluing machines for use with plywood; punching machines; riveting machines; forging machines; envelope inserting machines; debarking machines; textile dyeing machines; yarn twisting machines; kitchen machines, electric; belt sanding machines; timber harvesting machinery; electric wood sawing machines; foundry machines; injection molding machines; smoothing presses; fleshing machines; rinsing machines; vehicle washing machines; yarn winding machines; flour mill machines; type-setting machines [printing]; paper reeling machines; continuous casting machines; continuous metal casting

machines; strapping machines; hemming machines; grating machines for vegetables; braiding machines; wringing machines for laundry; cutting machines; cutting machines for metalworking; sand cleaning machines; floor sanders; floor edgers; steam engines; perforating machines for metalworking; sandblasting machines; printing machines; industrial printing machines; rotary printing presses; flexographic printing machines; metal sawing machines; compressed air machines; loading and unloading machines; skid-steer loaders; dishwashers for household purposes; dishwashers for industrial purposes; garden tilling machines; tilling machines for agricultural purposes; textile washing machines; trimming machines; spinning machines; dust collecting machines; filling machines; friezing machines; cutters [machines]; rotary grinding machines; satinizing machines; pile drivers; drilling machines for metalworking; agricultural machines; agricultural seed planting machines; mixing machines; blending machines for chemical processing; mechanical mixing machines; sorting machines for industry; machines, machine tools, power-operated tools; stitching machines; laundry washing machines for household purposes; washing machines [laundry]; industrial laundry washing machines; coin-operated washing machines; electric washing machines; electric washing machines for household purposes; electric washing machines for industrial purposes; clippers [machines]; construction machines; spinning frames; spin driers [not heated]; looms; textile tentering machines; kneading machines; wreckers [machines]; typographic machines; type-setting machines [photocomposition]; earth compacting machines; beating machines; scutching machines for the textile industry; beaters, electric; harvesters for agricultural use; sweepers, electric; coal loaders; bottling machines; packing machines; vacuum packing machines; filtering machines; filtering machines for chemical processing; photoengraving machines; molding machines; sewing machines; carding machines; industrial sewing machines; sanding machines for woodworking; wood grinding machines; hand-held grinders, electric; orbital sanding machines; sanders, electric; typecasting machines; extrusion molding machines; electric arc cutting machines; electric arc welding machines; electromechanical machines for chemical industry; labellers [machines]; mills for household purposes, other than hand-operated; windmills; pepper mills, other than hand-operated; mills [machines]; centrifugal mills; electric closing mechanisms for vehicle windows; machine wheelwork; hydraulic door openers and closers [parts of machines]; pneumatic door openers and closers [parts of machines]; electric opening mechanisms for vehicle windows; gears for passenger elevators; feeders [parts of machines]; gears for elevators; forge blowers; blenders, electric, for household purposes; mixers [machines]; vacuum cleaner bags; kitchen mixers, electric; electric hand-held mixers for household purposes; mixers, electric, for household purposes; electric fan units for vacuum cleaners; temperature-controlled food and beverage dispensing units in the nature of vending machines; automated washers for surgical, medical and laboratory equipment; multi-purpose high-pressure washers; hammer drills; threshing machines; rock drills [machines]; pneumatic hammers; hydraulic hammers; hammers [parts of machines]; tilt hammers; power hammers; reeling apparatus, mechanical; motorized cultivators; high-frequency motor spindles with high frequency electric converters and power supply units; motors for boats; electric motors for machines; electric motors for machines with a digital servo drive controller; electric motors and parts thereof, other than for land vehicles; clutches for machines; clutches and apparatus for power transmission, other than for land vehicles; clutches, other than for land vehicles; meat choppers [machines]; meat grinders, electric; superchargers; brake linings for machines; brake linings, other than for vehicles; cemented carbide tips for use with machine tools; guides for machines; automatic fuelling nozzles; suction nozzles for vacuum cleaners; fuel nozzles; non-automatic fuelling

nozzles; vacuum cleaner attachments for disseminating perfumes and disinfectants; aquarium pumps; aerating pumps for aquaria; gasoline pumps for service stations; metered gasoline pumps; vacuum pumps [machines]; windmill pumps; screw pumps; multiphase screw pumps; water pumps for baths; water pumps for whirlpool baths; electric water pumps for whirlpool baths; water pumps for spa baths; water pumps for water filtering units; electric water pumps; electric water pumps for baths; electric water pumps for spa baths; electric water pumps for swimming pools; compressed air pumps; high-pressure pumps for washing installations; hydraulic pumps; sludge pumps; refrigerant recovery pumps; pumps for land vehicle engines; reverse osmosis pumps; pumps for heating installations; beer pumps; pumps for counter-current swimming; centrifugal metering pumps; controlled volume pumps; sump pumps; macerator pumps; pumps and compressors being parts of machines, motors and engines; silt pumps; oil drain pumps; lubricating pumps; oil pumps for land vehicle engines; pumps [machines]; pumps [machines] for the beverage industry; positive displacement pumps; suction pumps; pneumatic pumps; submersible pumps; rotary lobe pumps; rotary pumps; pumps for cooling engines; oil-well pumping machines; fuel pumps for land vehicle engines; fuel pumps for service stations; self-regulating fuel pumps; fuel dispensing pumps for service stations; vertical turbine pumps; centrifugal pumps; pumps [parts of machines, engines or motors]; pumps being parts of machines, motors and engines; pumps, electric; electric pumps for aquariums; electric pumps for swimming pools; blades [parts of machines]; blades for earth moving machines; pizza cutters, electric; blades for electric food processors; knives for mowing machines; plow blades for vehicles; chaff cutter blades; knives, electric; lawn trimmers, electric; pneumatic shears; hedge shears, electric; shears, electric; scissors, electric; window cleaning equipment, electric; meat processing machines; semiconductor wafer processing equipment; canning machines; sawmills; silkscreen printing machines; vegetable spiralizers, electric; vegetable peelers, electric; engine mounts, other than for land vehicles; stands for hydraulic jacks; bearing brackets for machines; insecticide sprayers [machines]; pulverisers [machines]; axles for machines; steam cleaning machines; multi-purpose steam cleaners; steam traps; chucks [parts of machines]; drill chucks [parts of machines]; drill chucks for power drills; exhaust manifold for engines; soldering irons, gas-operated; soldering irons, electric; superheaters; transmission gears for machines; gears, other than for land vehicles; planetary gears, other than for land vehicles; reduction gears, other than for land vehicles; drilling machines; circular saws; circular saws for woodworking; band saws; scroll saws [machines]; saws [machines]; chain saws; chain saws, electric; pneumatic nail guns; nail guns, electric; glue guns, electric; compressed air guns for the extrusion of mastics; guns [tools using explosives]; rivet guns [power tools]; hot melt glue guns; carburetter feeders; feeding apparatus for engine boilers; mobile elevating work platforms; elevating work platforms; tile saws [power tools]; loading ramps; ploughs; tractor-towed plows; pneumatic controls for motors and engines; pneumatic controls for machines; pneumatic transporters; pneumatic controls for machines, motors and engines; loaders [earth moving machines]; front-end loaders; hangers [parts of machines]; anti-friction bearings for machines; shaft bearings [parts of machines]; engine bearings; bearings for machines; roller bearings for machines; roller bearings; self-oiling bearings; bearings for transmission shafts; bearings being parts of machines; ball-bearings; ball bearings for in-line skates; ball bearings for roller skates; ball bearings for skateboards; car lifts; hydraulic elevating apparatus; hoists; hydraulic hoists; mechanical hoists; pneumatic hoists; electric hoists; lifts, other than ski-lifts; stairlifts; elevators [lifts]; boat lifts; mechanical lifts for moving, parking and storing land vehicles; pulleys; saw blades [parts of machines]; water pumps for motors and engines; water pumps for land vehicle engines;

water pumps for swimming pools; shock absorber plungers [parts of machines]; pistons for engines; pistons for internal combustion engines; pistons for land vehicle engines; pistons for vehicle engines; pistons [parts of machines or engines]; pistons for compressors; pistons for machines; pistons for cylinders; catalytic converters; torque converters, other than for land vehicles; fuel conversion apparatus for internal combustion engines; trash compactors; hay balers; balers for agricultural use; tractor-towed hay balers; blanking presses; hydraulic presses for metalworking; ironing presses; laundry presses; wine presses; basket presses; clothing pressing machines, electric; fodder presses; presses for chemical processing; metal extrusion presses; punching presses for metalworking; presses [machines for industrial purposes]; mechanical presses for metalworking; printing presses; photogravure printing presses; industrial machine presses; typographic presses; plywood presses; swaging machines; hydraulic valve actuators; pneumatic valve actuators; linear actuators; drive devices for opening and closing vehicle doors; pedal drives for sewing machines; cleaning appliances utilizing steam; gaskets of metal for vehicle engines; gaskets, not of metal, for vehicle engines; broaches [machine tools]; food processors, electric; springs [parts of machines]; spinning wheels; punches for punching machines; vacuum cleaners; vacuum cleaners for household purposes; wet and dry vacuum cleaners; electric vacuum cleaners; tambours for embroidery machines; radiators [cooling] for motors and engines; mechanical spreaders; tractor-towed manure spreaders; sewage pulverizers; reamers [parts of machines]; distributors for vehicle engines; automatic sprayers for electrostatic painting; powder coating spray guns; air brushes for applying colour; fuel and air mixture regulators being parts of internal combustion engines; pressure regulators [parts of machines]; speed governors for motors and engines; speed governors for machines; speed governors for machines, engines and motors; regulators [parts of machines]; cutting blow pipes, gas-operated; knives [parts of machines]; rubber mixing machines; blade holders [parts of machines]; toolholders for metalworking machines [machine parts]; mining bits; tool bits for machines; pressure switches being parts of machines; loom shafts; gears for weaving looms; fan belts for land vehicle engines; belts for machines; belts for farm vehicle machines; timing belts for land vehicle engines; timing belts for machines; elevator belts; fan belts for motors and engines; dynamo belts; belts for motors and engines; transmission belts, other than for land vehicles; adhesive bands for pulleys; power transmission belts for machines; industrial robots; robotic vacuum cleaners; routers [machine tools]; robotic arms for industrial purposes; planers, electric; 3D printing pens; scarifiers [earth moving machines]; kick starters for motorcycles; joysticks being parts of machines, other than for game machines; stuffing boxes [parts of machines]; gaskets for internal combustion engines; paper feeders [printing]; whisks, electric, for household purposes; egg beaters, electric; pile extractors; bits for power drills; center drill bits being parts of machines; sparking plugs for internal combustion engines; glow plugs for Diesel engines; brake segments, other than for vehicles; tedding machines; steam/oil separators; oil separators; cream/milk separators; ball rings for bearings; dust separators; centrifugal separators; cyclone separators; servomotors; servomotors for sewing machines; wire mesh conveyor belts; alternating current servo motors; seed drills for agricultural machines; sowers [machines]; broadcast seeders; tractor-towed fertilizer distributors; tractor-towed broadcast seeders; exhaust systems for diesel engines; electronic ignitions for vehicles; catalytic converter units for vehicle exhausts; mechanical parking systems; pigs for cleaning pipes; snow throwers; snow ploughs; snow blowers; sheaf-binding machines; shaft couplings [machines]; shaft couplings being parts of machines; machine coupling and transmission components, other than for land vehicles, and parts therefor; machine coupling and transmission components, except for land vehicles; fruit presses, electric, for household

purposes; electric fruit squeezers; fruit juice extractors, electric; juice extractors, electric; chaff cutters; chaff cutters, electric; suction cups for milking machines; stands for machines; machine tools; internal grinding machines; die-cutting and tapping machines; nailing machines; woodworking machines; sharpening machines; tool grinding machines; key cutting machines; machine tools for working metals; woodworking lathes; metal forming machines; machine tools for breaking up road surface material; involute grinding machines; bicycle assembling machines; mortising machines; slotting machines for metalworking; gear cutting and finishing machines; glassware manufacturing machines and apparatus; stone-working machines; lawn edge trimmers [machines]; shearing machines, electric; metalworking machines; wood sawing machines; shaping machines for metalworking; lapping machines; lapping machines for metalworking; broaching machines for metalworking; radial drills; boring machines; boring machines for metalworking; threading machines; laser welding apparatus; milling-drilling machines; drill presses [machines]; wood drilling machines; cemented carbide machine tools; planing machines; planing machines for metalworking; wood planing machines; weaving looms; automatic looms; lathes [machine tools]; lathes for metalworking; milling machines; milling machines for metalworking; wood milling machines; plywood jointing machines; honing machines for metalworking; tenoning machines; trueing machines; grinding machines for metalworking; grinding machines with spiral bevel gears; metal drawing machines; rolling mills; starters for motors and engines; stators [parts of machines]; glaziers' diamonds [parts of machines]; push rods for motors and engines; extension bars for power tools; tables for machines; hydraulic lift tables; derricks; machine tool holders; slide rests [parts of machines]; couplings for machines; couplings, other than for land vehicles; pulley blocks, electric; heat exchangers [parts of machines]; heat sinks for use in machines; graters, electric; disc brakes for machines; brakes for machines; brakes for industrial machines; knife sharpeners, electric; scissor sharpeners, electric; crawler-tracked loaders; transmissions for machines; transmissions, other than for land vehicles; trench diggers; hedge trimmers [machines]; string trimmers for garden use; automotive exhaust pipes; exhaust pipes for land vehicle engines; boiler tubes [parts of machines]; wind turbines; air turbines, other than for land vehicles; hydraulic turbines; turbines, other than for land vehicles; steam turbines, other than for land vehicles; turbogenerators; turbocompressors; turbochargers for machines; connecting rods for machines, motors and engines; nitrogen oxide traps for exhaust systems being parts of internal combustion engines; industrial trash compacting machines; joints [parts of engines]; drilling rigs; central vacuum cleaning installations; wind-powered installations for generating electricity [wind farms]; suction machines for industrial purposes; hydroelectric installations for generating electricity [hydroelectric power plants]; brake flushing machines; laser welding devices; washing installations for vehicles; degreasers [machines]; dust exhausting installations for cleaning purposes; sifting installations; pneumatic tube conveyors; dust removing installations for cleaning purposes; condensing installations; plasma etching machines; pneumatic waste oil drainers; lifting apparatus; lifting installations for the transport of persons and goods; automatic floor scrubbers; air suction machines; fuel injection devices for internal combustion engines; dividing machines; igniting devices for internal combustion engines; door closers, hydraulic; door closers, pneumatic; door closers, electric; window closers, hydraulic; window closers, pneumatic; window closers, electric; washing apparatus; binding apparatus for hay; extractors for mines; door openers, hydraulic; door openers, pneumatic; door openers, electric; window openers, hydraulic; window openers, pneumatic; window openers, electric; curtain drawing devices, electrically operated; adhesive tape dispensers [machines]; anti-pollution devices for motors and engines; beverage

preparation machines, electromechanical; food preparation machines, electromechanical; drain augers, electric; elevator operating apparatus; control mechanisms for machines, engines or motors; shoe polishers, electric; ignition devices for land vehicle engines; machines and apparatus for wax-polishing, electric; air cushion devices for moving loads; handling apparatus for loading and unloading; elevating apparatus; mechanical elevating apparatus; aprons [parts of machines]; filter presses; air filters for automobile engines; particulate air filters for exhaust systems for internal combustion engines; air cleaners [parts of engines]; filters for motors and engines; filters for machines; filters for cleaning cooling air, for engines; dust filters for vacuum cleaners; oil filters; oil filters for motors and engines; particulate filters [parts of engines]; fuel filters; forging molds; molds [parts of machines]; printing plates; dies for use with machine tools; fuel injectors; end mills [machines]; thread milling cutters [machine tools]; milling cutters [machine tools]; collets for power tools; journals [parts of machines]; oil centrifuges; centrifugal machines; machining centers for metal working; machining centers; elevator chains [parts of machines]; driving chains, other than for land vehicles; cam chains; transmission chains, other than for land vehicles; cylinders for motors and engines; engine cylinders for land vehicles; rollers for rotary printing machines; printing cylinders; cylinders for machines; pneumatic jacks; mechanical engine parts for land vehicles; shuttles [parts of machines]; universal joints [Cardan joints]; engine rods; connecting rods for land vehicle engines; connecting rods for machines; gears for machines; cam sprockets; pulleys [parts of machines]; pulleys being parts of machines; vacuum cleaner hoses; sausage stuffers, electric; pneumatic grease guns; garden shredders, electric; paper shredding machines; stacking machines; screwdrivers, electric; rotary brushes for machines; dynamo brushes; brushes [parts of machines]; wire wheels for power-operated grinders; brushes for vacuum cleaners; wire brushes [parts of machines]; electrically operated brushes, being parts of machines; brushes, electrically operated [parts of machines]; carbon brushes [electricity]; brushes being parts of machines; brushes being parts of motors, generators and dynamos; ejectors; fuel economisers for motors and engines; excavators; hydraulic excavators; shovels, mechanical; power shovels; backhoes [earth moving machines]; agricultural elevators; mobile electric power generators; portable electric power generators; electric motors for operating vehicle windows; graphite electrodes for electric arc welding machines; electrodes for welding machines; electromechanical drive devices for opening and closing vehicle doors; electric hammers; electropneumatic drive devices for opening and closing vehicle doors; parquet wax-polishers, electric; cartridges for filtering machines; moving staircases [escalators]; automatic grapnels for marine purposes.

Class 09

Battery chargers for cellular phones; computer cables; microphone cables; optical cables; radio relay cables; power cables; telecommunication cables; feeder cables; electronic cables; battery cables; protective cases for smartphones; electronic load modules; 3D spectacles; DVD players; portable DVD players; FM transmitters; Global Positioning System [GPS] tracking and location devices; light-emitting diode [LED] televisions; liquid crystal display [LCD] monitors; liquid crystal display [LCD] televisions; portable MP3 players; Secure Digital [SD] memory cards; SIM cards; universal serial bus [USB] modems; autocollimators; ticket dispensers; coin-operated musical automata [juke boxes]; fire engines; answering machines; autotransformers; ethernet adapters; flash memory card adapters; telephone adapters; computer card adapters; radio frequency adapters; computer network adapters; power adapters; accumulators [batteries]; batteries for cellular phones; batteries for vehicles; batteries for electronic cigarettes; electrical cells and batteries; nickel-cadmium storage

batteries; accumulators, electric; accumulators, electric, for vehicles; electrolytic cells; actinometers; speaker systems consisting of loudspeakers and cabinets for use with loudspeakers; alidades; altimeters; ammeters; research laboratory analyzers for measuring, testing and analyzing blood and other bodily fluids; anemometers; residual gas analyzers; anodes; antennas; car antennas; antennas for wireless communications apparatus; radio signal antennas; antennas for telecommunications networks; microwave antennas; radio and television antennas; satellite antennas; television antennas; anticathodes; apertometers [optics]; telephone exchange apparatus; high-frequency apparatus; testing apparatus not for medical purposes; apparatus for the input, output, transmission and storage of data; apparatus for broadcasting, recording, transmission or reproduction of sound, data or images; apparatus for the reproduction of sound or images; remote control apparatus; electro-dynamic apparatus for the remote control of railway points; electro-dynamic apparatus for the remote control of signals; apparatus for recording images; apparatus for recording, transmission or reproduction of sound, images and data; apparatus for recording, transmission or reproduction of information; apparatus for recording, transmission, reception, processing or reproduction of sound, images or data; apparatus for monitoring and recording the performance of machinery; monitoring apparatus, other than for medical purposes; teaching and instructional apparatus; apparatus for processing electronic payments; apparatus for the transmission of sound or images; sound recording apparatus; apparatus and instruments for recording, transmission or reproduction of sound, data or images; apparatus and instruments for transferring, receiving and storing sound, images and data, both in digital and analog form; apparatus and instruments for microscopy; apparatus and instruments for scanning probe microscopy; apparatus and instruments for scanning ion microscopy; apparatus and instruments for scanning ion conductance microscopy; data processing apparatus and computers; optical viewing and recording apparatus; radio receiving and transmitting apparatus; radio and television apparatus; electronic telephone exchange apparatus; electronic surveillance apparatus; vacuum distillation apparatus for laboratory use; video transmission apparatus; Global Positioning System [GPS] apparatus; holography apparatus; distillation apparatus for scientific purposes; diffraction apparatus [microscopy]; air analysis apparatus; apparatus for broadcasting, recording, transmission or reproduction of sound or images; video recording apparatus; video playback apparatus; pressure recording apparatus; sound and image recording apparatus; sound recording and reproducing apparatus; apparatus for recording and reproducing speech; apparatus for recording, transmission or reproduction of sound; apparatus for recording, transmission or reproduction of images; signal transmission apparatus; apparatus to check franking; word processing apparatus; sound transmitting apparatus; apparatus for transmitting and reproducing sound or images; facsimile transmitting and receiving apparatus; apparatus for transmitting radio programs and radio relay messages; facsimile transmission machines; underwater breathing apparatus; testing apparatus for testing printed circuit boards; apparatus for fermentation [laboratory apparatus]; breathing apparatus for underwater swimming; breathing apparatus, except for artificial respiration; oxygen breathing apparatus, other than for artificial respiration; record playing apparatus and instruments; electrical communication machines and instruments; scientific, optical, measuring, signalling and checking apparatus and instruments; cinematographic apparatus and instruments; remote control apparatus and instruments; satellite receiving and transmission apparatus and instruments; photographic apparatus and instruments; drawing apparatus and instruments adapted for use with computers; electrical and electronic control apparatus and instruments; apparatus and installations

for the production of X-rays, not for medical purposes; cash registers; electronic cash registers; cinematographic apparatus; electric apparatus for commutation; magnetic resonance imaging [MRI] apparatus, not for medical purposes; navigation apparatus for boats; intercommunication apparatus; stills for laboratory experiments; projection apparatus; fire extinguishing apparatus; coin changers; radiological apparatus for industrial purposes; X-ray apparatus not for medical purposes; blueprint apparatus; flashing lights [luminous signals]; stereoscopic apparatus; manual telegraph apparatus; telecommunications apparatus for use with mobile networks; telecommunications apparatus for use with digital and analog signals; digital telephone switching apparatus; telephone apparatus; cordless telephone apparatus; mobile telephone apparatus with built-in facsimile systems; facsimile machines; portable facsimile machines; photovoltaic apparatus for converting solar radiation to electrical energy; phototelegraphy apparatus; igniting apparatus, electric, for igniting at a distance; electric apparatus for recording, transmission or reproduction of sound or images; electrical control, testing and monitoring apparatus; electrical and electronic control apparatus for use with apparatus or installations for ventilation; electrical and electronic control apparatus for use with apparatus or installations for heating; electrical and electronic control apparatus for use with apparatus or installations for air-conditioning; electric telecommunications apparatus; electronic animal identification apparatus; acid hydrometers; salinometers; armatures for use in electrical apparatus; attenuators; audio discs; prerecorded audio discs; blank audio discs; audio recordings featuring music; sound and video recordings; audio and video tapes; downloadable video and audio files; audio cassettes; prerecorded audio cassettes; blank audio cassettes; audio books; digital audio tapes; prerecorded music audio tapes; prerecorded non-musical audio tapes; blank audio tapes; audio tape recorders; digital audio recorders; audio equipment; digital audio players; prerecorded audio tapes; prerecorded audio tapes featuring music; prerecorded digital audio tapes; audio receivers; acidimeters for batteries; aerometers; electronic databases recorded on computer media; beacons, luminous; luminous beacons for safety or warning purposes; ballasts for fluorescent lamps; ballasts for gas discharge lamps; ballasts for halogen lamps; ballasts for halogen lights; electronic ballasts for lamps; buoyancy bladders for diving; battery jars; automated teller machines [ATM]; automatic paying-in and deposit machines; barometers; electric storage batteries; anode batteries; galvanic batteries; batteries for lighting; lithium batteries; nickel-cadmium batteries; rechargeable batteries; solar batteries; solar panels for the production of electricity; ignition batteries; dry cells; batteries, electric; rechargeable electric batteries; electrical cells; batteries; batteries for pocketlamps; batteries for electronic cigars; balances [steelyards]; freeware; betatrons; binoculars; hunting binoculars; field glasses; opera glasses; biomicroscopes; bioreactors for research use; bioreactors for cell culture; bioreactors for laboratory use; disposable plastic bioreactors for cell culture; biochips; electronic tags for goods; lens hoods for cameras; lens hoods; battery packs; computer chassis; voltage monitoring units; magnetic tape units for computers; computer memory devices; semi-conductor memory units; high-frequency switching power supplies; electronic power supplies; electrical fuse boxes; electrical power distribution blocks; borescopes; borescopes for inspecting work; boots for protection against accidents, irradiation and fire; fire hose nozzles; encoded identification bracelets, magnetic; connected bracelets [measuring instruments]; safety tarpaulins; electronic key fobs being remote control apparatus; bullet-proof clothing; trousers for protection against accidents, irradiation and fire; navigational buoys; signalling buoys; life buoys; luminous safety beacons; marking buoys; directional compasses; computer buffers; vacuum gauges; electrolyzers; wattmeters; variometers; webcams; fire buckets; internal cooling fans for computers [hardware]; central

processing unit [CPU] fans; verniers; scales; talking scales; baby scales; bathroom scales; letter scales for domestic use; letter scales for office use; weighing scales for medical purposes; pocket scales; letter scales; kitchen scales; electronic weighing scales for kitchen use; personal weighing scales; weighbridges; precision balances; scales with body mass analysers; calculating scales; electrical scales; electronic weighing scales for personal use; portable digital electronic scales; levelling staffs [surveying instruments]; video multiplexing apparatus; videodiscs; recorded videodiscs and tapes; prerecorded videodiscs; video recordings; downloadable video recordings; musical video recordings; downloadable video recordings featuring music; camcorders; video baby monitors; digital single-lens reflex [DSLR] cameras; digital video cameras; video cards; video cassettes; prerecorded video cassettes featuring music; prerecorded video cassettes featuring cartoons; prerecorded video cassettes; blank video cassettes; prerecorded music videos; prerecorded music videotapes; prerecorded non-musical videotapes; blank videotapes; digital video recorders; video mixers; video monitors; video equipment; combination video players and recorders; digital video players; videotapes and videodiscs recorded with animation; prerecorded videotapes; prerecorded videotapes featuring music; prerecorded videos; video receivers; video projectors; video processors; personal video recorders [PVRs]; video telephones; video accelerators; electronic display units; downloadable video files; video films; prerecorded motion picture videos; video screens; range finders for cameras; viewfinders, photographic; electrical plugs and sockets; micrometer screws for optical instruments; viscosimeters; circuit closers; static exciters; wavemeters; polarization-maintaining optical fibers; nonlinear optical fibers; voltmeters; DVD players and recorders; camera flashes; mechanical signs; signs, luminous; backlit signs; high-frequency switches; switchboxes [electricity]; electronic motion sensitive switches; light switches; electric light switches; power switches; rectifier tubes; current rectifiers; rectifiers [electricity]; downloadable electronic newspapers; gas testing instruments; gasifiers for laboratory use; gasometers [measuring instruments]; headsets; galvanometers; wireless headsets for use with cellular phones; hands-free kits for telephones; telephone headsets; typeface fonts recorded on magnetic media; heliographic apparatus; hygrometers; hydrometers; hydrophones; weights; gyrocompasses; gyrometers; gyroscopes; peepholes [magnifying lenses] for doors; depth gauges; print heads for plotters; print heads for computer printers; print heads for ink-jet printers; holograms; gravimeters; gramophones; LP records; computer graphics cards; downloadable computer graphics; plotters; X-Y plotters; woofers; loudspeakers with built-in amplifiers; loudspeaker units; weights for use with weighing scales; diving weights; sounding leads; plumb bobs; range finders; range finders for golf; transducers; automatic solar tracking sensors; proximity sensors; vibration sensors; vibration sensors for installation in windmill housings; gamma radiation detectors; pressure sensors; motion sensors; motion sensors for security lights; electronic sensors for measuring solar radiation; probes for testing semi-conductors; pollutant sensors; oxygen sensors, not for medical use; optical sensors; position sensors; distance sensors; touchscreen sensors; timing sensors; velocity sensors; temperature sensors; coolant-temperature sensors; air/fuel ratio gauges; ultrasonic sensors; ultrasonic object detectors for use on vehicles; level indicators; oil level sensors; acceleration sensors; television decoders; decorative switch plate covers, shaped; demodulators; demultiplexers; densimeters; densitometers; holders adapted for compact discs; holders and cases for compact discs and DVDs; holders for mobile telephones; in-car telephone handset cradles; detectors; gas sensors; smoke detectors; infrared detectors; polygraph machines, not for medical purposes; magnetic wall stud finders; fire detectors; combination carbon monoxide and smoke detectors; flame detection apparatus; radiation

detectors; radon detectors; heat detectors; carbon monoxide detectors; carbon dioxide detectors; ultrasonic detectors; counterfeit coin detectors; ultrasonic flaw detectors; joysticks for use with computers, other than for video games; interactive computer software; transparencies [photography]; slide projectors; diaphragms [photography]; dictating machines; digital voice recorders; tweeters; speakers for computers; speakers for portable media players; dynamometers; diode arrays; digital force gauges; diodes; silicon carbide diodes; light-emitting diodes [LED]; floppy disks; blank floppy disks for computers; computer diskettes; blank diskettes; blank CD-ROMs for sound or video recording; CD-ROMs containing electronic telephone directories; prerecorded CD-ROMs; prerecorded CD-Is [compact disc interactive]; DVDs; blank recordable DVDs; interactive DVDs; prerecorded DVDs; prerecorded fitness DVDs; prerecorded exercise DVDs; blank DVDs; blank discs for computers; hard drives for computers; blank hard disks for computers; hard disks for computers; miniature hard disk drive storage units; sound recording discs; laser discs; magneto-optical disks; disks, magnetic; blank magnetic disks; optical discs; blank optical disks; backup drives for computers; video game discs; computer game discs; circular slide rules; digital disk drives; DVD drives; disk drives for computers; computer disk drives and drivers; optical disk drives; juke boxes for computers; electrophoretic displays; wearable video display monitors; light emitting diode [LED] displays; touch sensitive display and control screens; electronic numeric displays; electronic advertising displays; electronic message displays; distillation columns for laboratory use; electronic diaries; DNA chips; rain gauges; spirit measures; radiation measuring apparatus; docking stations for MP3 players; docking stations for cellular phones; laptop docking stations; docking stations for digital music players; swim floats for safety purposes; electronic interactive whiteboards; electronic notice boards; daughterboards; choking coils for use in electrical apparatus; opacimeters; cable harnesses; electric wire harnesses for automobiles; liquid crystal displays [LCDs] for home theaters; bullet-proof waistcoats; life jackets; safety vests for water-skiing; flotation vests; life-saving vests for dogs; reflective safety vests; identification threads for electric wires; booms for microphones; contact lens blanks; downloadable software for instant messaging and electronic mail services; downloadable computer game programs; downloadable computer software for remote monitoring and analysis; downloadable podcasts; downloadable computer security software; nose clips for divers; nose clips for divers and swimmers; locks for vehicles, electric; radio-frequency controlled locks; locks, electric; power locks for motor vehicles; locks, electronic; shutters for cameras; lens shutters for cameras; optical shutters; magnetic cabinet door catches; alarm bells, electric; electric door chimes; electric door bells; call bells, electric; signal bells; bells [warning devices]; audio interfaces; audio recordings; musical sound recordings; downloadable musical sound recordings; sound projectors; acoustic conduits; pickups for telecommunication apparatus; mirrors for inspecting work; reflectors for microscopes; optical mirrors; electric signs; road signs, luminous or mechanical; marine depth finders; probes for scientific purposes; avalanche probes; buzzers; electronic buzzers; needles for surveying compasses; needles for record players; phonograph needles; downloadable computer games; eyewear; reflective articles for wear, for the prevention of accidents; glassware for laboratory use; measures; ampere-hour meters; vibration meters; pressure measuring apparatus; concentration meters; level gauges; sound level meters; simulators for the steering and control of vehicles; inverters [electricity]; pressure indicators; indicator lights for telecommunication apparatus; temperature indicators; chip coils; electrical inductors; incubators for bacteria culture; incubators for laboratory use; wire diameter measuring devices; instruments for measuring length; radioactivity measuring instruments; resistance measuring instruments; material testing instruments; measuring

instruments; electronic navigational and positioning apparatus and instruments; cosmographic instruments; mathematical instruments; electronic navigational instruments; levelling instruments; instruments containing eyepieces; surveying instruments; azimuth instruments; internet servers; internet telephones; graphical user interface software; interfaces for computers; interferometers; intranet servers; ionization apparatus not for the treatment of air or water; lithium-ion batteries; satellite finder meters; spark-guards; uninterruptible electrical power supplies; high-voltage power supplies; AC/DC power supplies; DC input power supplies; electrical power supplies; universal serial bus [USB] cables; guitar cables; ethernet cables; jump start cables; modem cables; cables for optical signal transmission; cables for electrical or optical signal transmission; cables for electrical signal transmission; cables for electrical and optical signal transmission systems; printer cables; electric cables and wires; coaxial cables; mineral insulated electric cables; fiber optic cables; cables, electric; calipers; go/no-go gauges; slide calipers; screw-tapping gauges; no-go ring gauges; go ring gauges; master ring gauges; calorimeters; calculating machines; pocket calculators; electronic pocket calculators; electronic desk calculators; electronic calculators; closed circuit television cameras; decompression chambers; video surveillance cameras; rearview cameras for vehicles; infrared cameras; cinematographic cameras; multi-purpose cameras; film cameras; cameras with linear image sensors; thermal imaging cameras; ducting for electric cables; electrical raceways; mouth guards for sports; life-saving capsules for natural disasters; electronic pens [visual display units]; karaoke machines; electronic card readers; computer monitor frames; mounting racks adapted for computer hardware; holders for electric coils; identity cards, magnetic; blank integrated circuit cards [blank smart cards]; video game cartridges; ink cartridges, unfilled, for computer printers; ink cartridges, unfilled, for photocopiers; games cartridges for use with electronic games apparatus; toner cartridges, unfilled, for printers and photocopiers; magnetically encoded debit cards; ethernet cards; encoded cards; sound cards; electronic identification cards; interface circuits for video cameras; interface cards for computers; interface cards for data processing apparatus; magnetically encoded key cards; electronic key cards; magnetically encoded credit cards; local area network [LAN] computer cards; local area network [LAN] computer cards for connecting portable computer devices to computer networks; encoded loyalty cards; magnetically encoded cards for carrying data; encoded prepaid magnetic cards; random access memory [RAM] cards; memory cards for video game machines; memory cards for cameras; memory cards [computer hardware]; integrated circuit [IC] memory cards; magnetically encoded gift cards; expansion boards for computers; encoded integrated circuit cards; encoded magnetic cards; microchip cards; prepaid telephone calling cards, magnetically encoded; multimedia accelerator boards; fax modem cards for computers; flash memory cards; riding helmets; protective helmets; carriers for dark plates [photography]; film magazines for cameras; video game cassettes; computer game cassettes; cash registers, calculating machines, data processing equipment, computers; cathodes; computer game cartridges; spools for cameras; choking coils [impedance]; magnetic coils; spools [photography]; coils, electric; electric resistors for telecommunication apparatus; electromagnetic coils; quantum dots [crystalline semi-conductor materials]; prerecorded motion picture films; cinematographic film, exposed; multifunction computer keyboards; computer keypads; keypads for security alarms; computer keyboards; keyboards for cellular phones; solenoid valves [electromagnetic switches]; terminal blocks; nose clips for swimmers; wire connectors [electricity]; thin client computers; encoded key cards; books recorded on disc; books recorded on tape; digital books downloadable from the Internet; electronic book readers; downloadable electronic books; digital notepads; electronic

agendas; push buttons for bells; measuring buckets; encoders; magnetic encoders; visors for helmets; flasks for laboratory use; collectors, electric; collimators; loudspeakers; portable vibration speakers; chromatography columns for laboratory use; vacuum distillation columns for laboratory use; colorimeters; calibrating rings; adapter rings for camera lenses; smart rings; ring sizers; protective suits for aviators; downloadable comic strips; commutators; automatic switchboards; compact discs; compact discs, DVDs and other digital recording media; compact discs [audio-video]; recorded compact discs; interactive compact discs and CD-ROMs; CD-Is [compact disc interactive]; prerecorded music compact discs; compact discs [read-only memory]; compact discs featuring music; prerecorded compact discs; blank compact discs; comparators; magnetic compasses; magnetic compasses for surveying; marine compasses; buoyancy compensator devices for divers; point-of-sale [POS] terminals; component parts for antennas; electronic components for gambling machines; electronic components for computers; compressed air bailout units for diving; computerized time clocks with fingerprint recognition; computer hardware for telecommunications; computer hardware and software for setting up and configuring local area networks; computer hardware and software for setting up and configuring wide area networks; computer software to automate data warehousing; computer software to enhance the audiovisual capabilities of multimedia applications; computer software for controlling self-service terminals; computer software that assists computers in deploying parallel applications and performing parallel computations; computer software to enable the transmission of photographs to cellular phones; computer game programs downloadable via the Internet; computer application software for cellular phones; computer programs for enabling access or entrance control; computer programs for processing digital music files; computer programs for using the Internet and the World Wide Web; computer programs for user interface design; computer programs for editing images, sound and video; computer programs for connecting remotely to computers or computer networks; computer programs for searching remotely for content on computers and computer networks; computer programs for document management; interactive multimedia computer programs; computer programs used for electronic cash register systems; computers; computers for use in data management; pocket computers for note-taking; hand-held personal computers; communications computers; navigation computers for cars; desktop computers; wearable computers; personal computers; laptop computers; tablet computers; notebook computers; hand-held computers; computers and instructional manuals in electronic format sold as a unit; electronic currency converters; microscope condensers; condensers [capacitors]; contacts, electric; contacts, electric, of precious metal; disc storage containers, shaped; ethernet controllers; wireless controllers to monitor and control the functioning of electronic devices, other than controllers for gaming apparatus; redundant array of independent disks [RAID] controllers; highway safety cones; decorative wind socks for indicating wind direction; wind socks for indicating wind direction; wind socks for indicating wind direction and intensity; traffic cones; computer network hubs, switches and routers; computer network hubs; boxes adapted for slides; branch boxes [electricity]; distribution boxes [electricity]; junction boxes [electricity]; battery boxes; cabinets for loudspeakers; diving suits; fire-resistant flying suits; wet suits for scuba diving; survival suits; waterproof survival suits for the prevention of drowning; speaker mounting brackets; galena crystals [detectors]; silicon chips; brackets for setting up flat screen television sets; ring buoys for use in water rescue; measuring cups; decorative covers, shaped, for smoke detectors; electric outlet covers, shaped; covers for electric outlets; central processing unit [CPU] coolers; jackets for protection against accidents, irradiation and fire; beakers [laboratory glassware]; logs [measuring instruments]; laser diodes;

lasers, not for medical purposes; lasers for measuring; lactodensimeters; lactometers; vacuum tubes [radio]; flashlamps for cameras; flashlights [photography]; microscope lamps; darkroom lamps [photography]; vehicle breakdown warning lamps, other than parts of vehicles; thermionic tubes; amplifying tubes; electron tubes; thermionic valves for radios; blank magnetic computer tapes; blank tapes for storage of computer data; head cleaning tapes for video recorders; head cleaning tapes for audio cassette recorders; head cleaning tapes [recording]; tape measures; magnetic tapes; videotapes; audio tapes; blank magnetic tapes for tape recorders; audio tapes featuring music; surveying chains; warning streamers; fire escapes; computer game tapes; yardsticks; rulers [measuring instruments]; square rulers for measuring; slide-rules; levelling rods for surveying; graduated rulers; folding rulers; anti-reflective lenses; lenses for microscopes; telescopic lens sights; ophthalmic lenses; lenses for sunglasses; lenses for telescopes; optical condensers; contact lenses; correcting lenses [optics]; optical lenses; optical lenses for sunglasses; magnifying lenses; electricity conduits; sounding lines; measuring spoons; local area networks; magnifying glasses [optics]; thread counters; illuminometers; magnetometers; audio cassette recorders; digital audio tape recorders; magnets; decorative magnets; decorative refrigerator magnets; close-up lenses; refrigerator magnets; crash test dummies; resuscitation mannequins [teaching apparatus]; mouse [computer peripheral]; pressure gauges; high-pressure manometers; boost gauges; tire pressure gauges; security tokens [encryption devices]; network routers; computer network routers; ski goggles; goggles for motorcyclists; skin diving masks; scuba masks; divers' masks; solderers' helmets; protective masks; oxygen masks, not for medical purposes; flame-retardant balaclavas; swim masks; face-shields for protection against accidents, irradiation and fire; dust masks; respiratory masks, other than for artificial respiration; welding masks; snow goggles; materials for electricity mains [wires, cables]; automated bank note sorting machines; concrete testing machines; material testing machines; plastic testing machines; cement testing machines; credit card encoding machines [computer peripherals]; ticket cancelling machines; voting machines; money counting and sorting machines; coin counting and sorting machines; textile testing machines; time and date stamping machines; cinematographic machines and apparatus; telecommunication machines and apparatus; screw-thread measuring machines and instruments; surface roughness testing machines and instruments; material testing instruments and machines; metal strength testing machines; metal hardness testing machines; metal compression testing machines; electrostatic copying machines; fire trucks; digital color photocopiers; rotating signalling lights; furniture especially made for laboratories; megaphones; portable media players; copper panels for circuit boards; diaphragms [acoustics]; acoustic membranes used in sound recording or reproducing apparatus; diaphragms for scientific apparatus; metal detectors; metal detectors for industrial or military purposes; hand-held security wands; digital weather stations; metronomes; carpenters' rules; rules [measuring instruments]; dressmakers' measures; folding rules; bellows for cameras; mechanisms for coin-operated apparatus; mechanisms for counter-operated apparatus; vehicle wheel alignment machines; electronic locking mechanisms for safes; coin-operated mechanisms for vending machines; coin-operated mechanisms for television sets; shutter releases [photography]; microcomputers; microcontrollers; micrometers; microprocessors; secure microprocessors; microchips [computer hardware]; microscopes; biological microscopes; metallurgical microscopes; microscopes for operations; polarizing microscopes; electron microscopes; microcircuits; semi-conductor chips; microtomes; microfiche; microphones; microphones for telecommunication apparatus; microphones for communication devices; microphone mixers; audio mixers; sound mixers with integrated

amplifiers; minicomputers; modems; external modems; internal modems; cable modems; rectifier modules; memory expansion modules; integrated circuit modules; lightning rods; oxygen monitors, not for medical purposes; monitors [computer hardware]; monitors [computer programs]; gas flow monitors; digital signage monitors; touchscreen monitors; monocles; selfie sticks [hand-held monopods]; computer network bridges; downloadable digital music; downloadable digital music provided from MP3 Internet web sites; digital music downloadable from the Internet; multiplexers; electric cable connectors; terminals [electricity]; junction sleeves for fiber optics; junction sleeves for electric cables; computer mice; wireless computer mice; computer chipsets for use in transmitting data to and from a central processing unit; teeth protectors; temperature indicator labels, not for medical purposes; knee-pads for workers; pipette tips for laboratory use; headphones; in-ear headphones; headsets for use with computers; headsets for cellular phones; headsets for telephones; music headphones; photographic negatives; netbooks [computers]; surveyors' levels; electronic telephone dialers; magnetic data carriers, recording discs; magneto-optical and optical data carriers; machine-readable data carriers; prerecorded data carriers for use with computers; sound recording carriers; magnetic data media; magnetic and optical data carriers; prerecorded magnetic data carriers; blank magnetic data carriers; machine-readable data carriers recorded with programs; optical data media; digital recording media; socks for protection against accidents, irradiation and fire; electronic sheet music, downloadable; virtual reality software; virtual reality game software; wide area network [WAN] operating software; compiler software; software for computer telephony; computer software, recorded; software for GPS navigation systems; instant messaging software; downloadable instant messaging software; software for processing images, graphics and text; software for optical character recognition; internet messaging software; electronic mail software; downloadable electronic mail software; software for satellite navigation systems; computer game programs; educational software for children; virtual private network [VPN] operating software; universal serial bus [USB] operating software; sheaths for electric cables; protective sheaths for fiber optical cables; protective covers for smartphones; protective covers for electronic book readers; identification sheaths for electric wires; clear protective covers adapted for MP3 players; clear protective covers adapted for cellular phones; clear protective covers adapted for personal digital assistants [PDAs]; clear protective covers adapted for smartphones; universal serial bus [USB] hardware; virtual private network [VPN] hardware; weighing machines; gas chromatography apparatus for laboratory use; sound reproduction equipment; karaoke equipment; local area network [LAN] hardware; electric and electronic musical effects equipment; word processing equipment; paging equipment; apparatus for conducting, switching, transforming, accumulating, regulating or controlling electricity; card reading equipment; computer component testing and calibrating equipment; sound recording equipment; electronic testing apparatus for use in the field of telecommunications; computer hardware; computer hardware for network access servers; punched card machines for offices; peripheral equipment for computers and data processing equipment; semi-conductor devices; life saving apparatus and equipment; telecommunications equipment; photographic equipment; electronic equipment for detecting mines; shoes for protection against accidents, irradiation and fire; shoes for protection against accidents and fire; lenses for astrophotography; lenses for video cameras; lens barrels for microscopes; selfie lenses; lens barrels for telescopes; objectives [lenses] [optics]; lenses for photographic apparatus; egg-candlers; fire extinguishers; flashing safety lights; rescue laser signalling flares; electrified fences; limiters [electricity]; clothing for protection against accidents, irradiation and fire; clothing for protection against fire; asbestos

clothing for protection against fire; clothing for protection against chemicals and radiation; articles of protective clothing for wear by motorcyclists for protection against accident or injury; clothing for protection against accidents; insulated clothing for protection against accidents or injury; clothing and footwear for protection against accidents, irradiation and fire; clothing and gloves for use in welding for protection against accidents or injury; reflective apparel and clothing for the prevention of accidents; clothing especially made for laboratories; odometers; ozonisers [ozonators]; octants; eyepieces; ohmmeters; operating system programs; computer operating programs; wrist rests for use with computers; wrist rests for use with computer keyboards; eyeglass frames; frames for sunglasses; monocle frames; fiber optics; protective eyewear; sports eyewear; optical disks featuring music; computerized personal organizers; digital organizers; oscillographs; oscillators; plumb lines; reflectors for traffic signals; mirrors [optics]; glacier glasses; diving goggles; safety goggles; welding goggles; goggles and masks for protection against dust; night vision goggles; eyeglasses; swim goggles; dust goggles; sunglasses; goggles for sports; electronic collars to train animals; integrated software packages; packaged software; finger sizers; disk memories; audio mixing desks; video mixing desks; liquid crystal display [LCD] panels; thin film transistor liquid crystal display [TFT-LCD] panels; electronic indicator panels; audio and video mixing desks; plasma display panels; touch pads for computers; touch pads; signalling panels, luminous or mechanical; plasma display panel [PDP] televisions; control panels for elevators; electroluminescent display panels; radio pagers; electronic pagers; pince-nez; electronic pocket translators; intercoms; emergency signal transmitters; wireless transmitters; transmitters [telecommunication]; Global Positioning System [GPS] transmitters; cable television transmitters; optical transmitters; remote control transmitters; radar transmitters; radio frequency transmitters; satellite transmitters; telephone transmitters; digital transmitters; transmitters of electronic signals; ethernet switches; change-over switches for telecommunication apparatus; piezoelectric switches; computer network switches; switches, electric; plug adapters; converters for electric plugs; periscopes; computer peripherals and accessories; gloves for divers; gloves for protection against accidents; gloves for protection against accidents, irradiation and fire; gloves for protection against X-rays for industrial purposes; asbestos gloves for protection against accidents; disposable latex gloves for laboratory use; fire-resistant gloves; disposable gloves for laboratory use; disposable plastic gloves for laboratory use; light pens; furnaces for laboratory experiments; furnaces for laboratory use; microwave ovens for laboratory use; pyrometers; electron guns; planetarium projectors; planimeters; plane tables [surveying instruments]; graphics tablets; phonograph records featuring music; plates for batteries; silicon wafers for integrated circuits; single-crystal silicon wafers; silicon wafers; semi-conductor wafers; solar wafers; electrical outlet plates, shaped; computer software platforms; computer software platforms, recorded or downloadable; graphics cards; wafers for integrated circuits; PC cards; satellite processors; computer accelerator boards; memory boards; audio circuit boards; motherboards; computer motherboards and daughterboards; multilayer printed wiring boards; video circuit boards; electronic circuit cards; printed circuit boards; printed circuit boards incorporating integrated circuits; electrical circuit boards; computer plug-in cards; electric switch plates; electronic circuit boards; compact disc players; cassette players; MP3 players; protective films adapted for computer screens; protective films adapted for smartphones; color separation films; sound recording strips; X-ray films, exposed; films, exposed; life-saving rafts; digital plotters; radio frequency repeaters; wrist rests for computer mouse users; laboratory trays; notebook computer cooling pads; wafers for solar cells; arm rests for use with computers; digital signs; racks adapted for amplifiers; computer

stands specially designed for holding a computer, printer and accessories; microphone stands; thermosensitive temperature indicator strips; semi-conductors; electronic semi-conductors; polarimeters; personal digital assistants [PDAs]; fire pumps; computer parallel ports; computer serial ports; measuring glassware; weight belts for diving; support belts for workers; life belts; fuses for telecommunication apparatus; fuses; circuit breakers; preamplifiers; acoustic transformers; analog-to-digital converters; transmultiplexers; rotary converters; cable television converters; electronic power converters; DC/DC converters; low profile DC/DC converters; level converters; digital-to-analog converters; frequency converters; converters, electric; electroacoustic transducers; telerupters; food analysis apparatus; apparatus for verifying data on magnetically encoded cards; diagnostic apparatus, not for medical purposes; distance recording apparatus; apparatus for the recording of sound or images; apparatus for recording, transmission or reproduction of sound or images; apparatus for recording, transmission, processing and reproduction of sound, images or data; sound measuring apparatus; luminescence measuring devices; radioactivity measuring apparatus; distance measuring apparatus; speedometers for vehicles; speed measuring apparatus [photography]; appliances for measuring the thickness of leather; apparatus for measuring the thickness of skins; diesel oil emission testers; speed checking apparatus for vehicles; apparatus for controlling static electricity; dust emission monitors; apparatus for processing, transmitting and storing database information; teaching apparatus; microhardness testers; smoke alarm testers; voltage testers; continuity testers; time recording apparatus; hemline markers; apparatus for testing vehicle brakes; apparatus for testing vehicle transmissions; magnetic head cleaning apparatus; magnetic tape cleaning apparatus; power distribution or control machines and apparatus; measuring apparatus; optical frequency metrology devices; digital panel meters; measuring devices, electric; astrometric apparatus and instruments; apparatus and instruments for astronomy; surveying apparatus and instruments; weighing apparatus and instruments; apparatus and instruments for recording, transmission or reproduction of sound or images; measuring and testing machines and instruments; teaching and instructional apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; satellite broadcast receiving and decoding apparatus and instruments; measuring apparatus and instruments; checking [supervision] apparatus and instruments; measuring and control apparatus and instruments; laboratory apparatus and instruments; nautical apparatus and instruments; multimedia apparatus and instruments; navigational instruments; scientific apparatus and instruments; scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking [supervision], life-saving and teaching apparatus and instruments; optical apparatus and instruments; teaching apparatus and instruments; data communication apparatus and instruments; telecommunications apparatus and instruments; apparatus and instruments for physics; photographic and cinematographic apparatus and instruments; photographic, cinematographic and optical apparatus and instruments; chemistry apparatus and instruments; electronic navigational, tracking and positioning apparatus and instruments; particle flow monitors; particle emission monitors; boiler control instruments; meteorological instruments; coffee measures; naval signalling apparatus; observation instruments; navigation apparatus for vehicles [on-board computers]; satellite navigational apparatus; scientific apparatus; optical inspection apparatus for industrial use; LORAN navigation machines; regulating apparatus, electric; sensors [measurement apparatus], other than for medical use; automatic telegraph apparatus; telecommunications apparatus; telecommunication apparatus in the form of jewellery; digital

telecommunications apparatus; precision measuring apparatus; electrical controls for irrigation sprinkler systems; photovoltaic apparatus and installations for generating solar electricity; electronic apparatus for testing the sterility of medical equipment; electronic apparatus for testing the sterility of pharmaceuticals and injectable solutions; electrophoresis apparatus, not for medical purposes; CD-ROM drives; CD drives for computers; external computer hard drives; floppy disk drives; hard disk drives; audio- and video-receivers; wireless receivers; Global Positioning System [GPS] receivers; cable television receivers; optical receivers; remote control receivers; radar receivers; radar receivers with amplifiers; radio frequency receivers; satellite receivers; television receivers [TV sets]; transceivers; radio transceivers; optical transceivers; prisms for microscopes; prisms for scientific purposes; prisms for telescopes; prisms for optical purposes; prisms [optics]; computer software applications, downloadable; photo printers; printers for use with computers; xerographic printers; laser printers; daisy wheel printers; dot matrix printers; ink-jet printers; thermal printers; color printers; color laser printers; ink-jet color printers; digital color printers; retorts' stands; apparatus for changing record player needles; wrist rests for use with computer peripherals; drainers for use in photography; cleaning apparatus for sound recording discs; fire beaters; metering apparatus for dispensing perfumes in measured quantities; boresighters [alignment apparatus for firearm sights]; telescopic sights; telescopic riflescopes; telescopic bow sights for archery; telescopic sights for firearms; telescopic sights for guns; telescopic sights for artillery; test tubes; plug gauges; go/no-go plug gauges; pressure indicator plugs for valves; probes for testing integrated circuits; magnetic wires; winding wires [electricity]; power wires; resistance wires; telegraph wires; telephone wires; wires, electric; copper wire, insulated; conductors, electric; fuse wire; DVD burners; computer hardware and software for database management; computer hardware and software; computer software, firmware and hardware; software; BIOS [basic input/output system] software; bioinformatics software; computer software for computer-aided design/computer-aided manufacturing [CAD/CAM]; computer software for administration of local area networks; computer software for wireless content delivery; computer software for wireless network communications; computer software for two or three-dimensional simulation for use in design and development of industrial products; decoder software; software for Internet access; computer software for accessing information directories that may be downloaded from a global computer network; privacy protection software; e-mail security software; video games software; computer software for application and database integration; computer whiteboard software; computer software for use in programming facsimile machines; local area network [LAN] operating software; industrial process control software; computer software for controlling and managing access server applications; computer software for encryption; music composition software; computer programs and software for image processing used for cellular phones; computer software for word processing; computer software for processing digital images; computer software for processing digital music files; computer software for converting document images into electronic formats; credit screening software; desktop publishing software; computer software for communicating with users of hand-held computers; data compression software; computer software for Global Positioning Systems [GPS]; scanning software; computer software for creating searchable databases; computer software for use in creating and designing websites; computer software for organizing and viewing digital images and photographs; computer software for creating and editing music and sounds; computer software for controlling the operation of audio and video devices; computer groupware; communications software; communications software for connecting global computer networks; communications software for

connecting computer network users; computer graphics software; computer communications software to allow customers to access bank account information and transact bank business; computer software; computer shareware; multimedia software recorded on CD-ROM; downloadable cloud computing software; computer search engine software; embedded operating software; computer e-commerce software to allow users to perform electronic business transactions via a global computer network; computer video game software; computer firmware; software for diagnostics and troubleshooting; computer programs, recorded; video game programs; consumer video game programs; data processing programs; software for searching and retrieving information across a computer network; software for creating, facilitating, and managing remote access to and communication with local area networks and global networks; PDF creation and conversion software; programs recorded on electronic circuits for amusement apparatus with liquid crystal screens; computer screen saver software, recorded or downloadable; interactive video game programs; interactive computer game programs; electronic game software; electronic game programs; computer hardware and firmware; interactive multimedia software for playing games; computer hardware and software for providing secure remote access to computer and communication networks; computer programs and software; computer software for business purposes; computer software for arcade apparatus and games; computer software for data and document capture, transmission, storage and indexing; computer software for use in automating and managing business processes; computer software for use in providing multiple user access to a global computer information network; computer programs for data processing; computer software for image processing; computer software for transmission of sound and video messages; computer software to enable searching of data; computer programs for connecting to remote computers and computer networks; computer software for synchronizing data between hand-held or portable computers and host computers; computer software for the creation of firewalls; computer software for database management; computer software for facsimile, electronic mail, voice mail or Internet messaging; computer programs, downloadable; computer software downloaded from the Internet; computer game software downloadable from a global computer network; computer game software downloadable via a global computer network and wireless devices; interactive multimedia computer game programs; recorded computer game programs; computer programs and software for image processing; computer programs and computer software for electronic trading of securities; computer software for use in the field of telecommunications for providing electronic transmission of documents and facsimile transmission; computer software and telecommunications apparatus, including modems, to enable connection to databases and the Internet; computer software and telecommunications apparatus, including modems, to enable connection to databases, computer networks and the Internet; computer software and telecommunications apparatus, including modems, to enable connection to databases, computer networks, global computer networks and the Internet; computer software and telecommunications apparatus to enable connection to databases and the Internet; computer firewall software; computer operating system software; educational computer software; computer video game software and manuals in electronic format sold as a unit; computer game software and manuals in electronic format sold as a unit; computer software for data processing; data processing programs recorded on machine-readable data carriers; computer operating programs, recorded; application software; interactive entertainment software for use with computers; downloadable interactive entertainment software for playing video games; downloadable interactive entertainment software for playing computer games; web site development software; network operating system programs; computer

utility programs; electronic game software for wireless devices; electronic game software for hand-held electronic devices; electronic game software for cellular phones; computer software programs; computer software products; projectors; home theater projectors; projectors for the entertainment industry; picture projectors; liquid crystal display [LCD] projectors; cinematographic projectors; multimedia projectors; photography projectors; digital projectors; record players; audio cassette players; audio cassette players for automobiles; audio cassette and compact disc players; videodisc players; video cassette players; video compact disc players; digital audio tape players; cassette players for cars; digital compact disc players; artificial limbs for medical instruction purposes [teaching apparatus]; gas masks; data processors; raster image processors; digital signal processors; processors [central processing units]; rods for water diviners; electronic publications [downloadable] provided on-line from databases or the Internet; electronic publications, downloadable; electronic publications [downloadable] provided from databases or the Internet; electronic publications recorded on computer media; remote controls; remote controls for stereos; remote controls for radios; remote controls for televisions; infrared remote controls; digital mixing desks; distribution consoles [electricity]; control panels for security alarms; remote controls for air-conditioning apparatus; control panels [electricity]; computer workstations [hardware]; radar detectors; radar guns for sporting events; radar apparatus; maritime patrol radars; heat sinks for use in computers; radio apparatus and instruments; vacuum tubes; masts for wireless aerials; audio baby monitors; radio transmitters; transmitting sets [telecommunication]; radios; radio receivers; car radios; vehicle radios; radio transmitters and receivers; mobile radios; short-range radios; two-way radios; radiotelephones; radio tuners; sprinkler systems for fire protection; power strips with movable sockets; threaded electrical cable connectors; connectors for electronic circuits; jack cables; power connectors; plug-in connectors; round plug connectors; electrical connectors; frames for photographic transparencies; slide film mounts; screens for photoengraving; flow gauges; flowmeters; walkie-talkies; data loggers; voltage surge protectors; regulators for use in scuba diving; oxygen regulators; power controllers; electronic power controllers; voltage regulators; voltage regulators for vehicles; induction voltage regulators; stage lighting regulators; light dimmers [regulators], electric; static voltage regulators; electrical signal attenuators; speed regulators for record players; electrical charge controllers; cell switches [electricity]; washing trays [photography]; resonators; marking gauges [joinery]; T-squares for measuring; time switches, automatic; differential switches; relays for radio and television stations; relays, electric; lanyards [straps] for cameras; lanyards [straps] for cellular phones; lanyards for safety purposes for fall protection; safety harnesses, other than for vehicles or sports purposes; safety restraints, other than for vehicle seats and sports equipment; chin straps for American football helmets; X-ray photographs, other than for medical purposes; rheometers; rheostats; ethernet repeaters; respirators for filtering air; retorts; repeaters for radio and television stations; reflectors for telescopes; optical reflectors; refractometers; refractors; grids for batteries; downloadable ring tones and graphics for cellular phones; ring tones, graphics and music downloadable via a global computer network and wireless devices; security surveillance robots; downloadable telephone ring tones; laboratory robots; teaching robots; humanoid robots with artificial intelligence; speaking tubes; horns for loudspeakers; subwoofers; subwoofers for vehicles; saccharometers; waveguides for high-power beam delivery; optical fibers [light conducting filaments]; lens filters for cameras; polymer light-emitting diodes [PLED]; traffic lights; railway signals; traffic-light apparatus [signalling devices]; dog whistles; signalling whistles; sports whistles; sextants; projected capacitive touch sensors; infrared sensors; liquid level sensors; level sensors; computer network

servers; communications servers [computer hardware]; network servers; computer servers; network facsimile servers; electronic mail servers; inductors [electricity]; magnetic cores; computer networking hardware; operating software for network access servers; wide area networks; electrical cabling; safety nets; nets for protection against accidents; burglar alarms; fire alarms; gas leak alarms; smoke alarms; security alarms; personal security alarms; electronic burglar alarms; fire alarms in the shape of Christmas tree ornaments; personal alarms; anti-theft alarms, other than for vehicles; signals, luminous or mechanical; sirens for vehicles; vehicle driving simulators for training purposes; sirens; computer operating software; loudspeaker systems; video surveillance systems; Global Positioning Systems; public address systems; static grounding systems and apparatus; biometric identification systems; laser measuring systems; computer systems; access control and alarm monitoring systems; biometric access control systems; electronic access control systems for interlocking doors; data processing systems; computer operating systems; anti-intrusion alarms; fire extinguishing systems; biometric voice recognition systems; pattern recognition systems composed of computer chips, computer hardware and software; satellite navigation systems; satellite-aided navigation systems; speakerphones; video imaging systems; biometric scanners; biometric fingerprint scanners; image scanners; scanners [data processing equipment]; optical scanners; handheld scanners; biometric hand scanners; biometric retinal scanners; snap gauges; slide film, exposed; hand-held electronic dictionaries; electronic dictionaries; integrated circuit cards [smart cards]; encoded smart cards; blank smart cards; smartglasses; smartphones; smartwatches; gas mixers for laboratory use; fiber optic couplings; connections for electric lines; fiber optic connectors; couplings, electric; connectors [electricity]; electronic connectors; optical fiber connectors; plug connectors; sonars; sound locating instruments; lighting ballasts; resistances, electric; math coprocessors; spectrograph apparatus; astronomical spectrographs; spectrometers; spectrophotometers; speed indicators; bicycle speedometers; alcoholmeters; sports training simulators; shutter releases for cameras; satellites for scientific purposes; wide area network [WAN] hardware; head guards for martial arts; head guards for boxing; head guards for karate; protection devices for personal use against accidents; audiovisual teaching apparatus; computer software development tools; electronic control gears [ECGs] for LED lamps and light fixtures; voltage stabilizers; measuring jugs; tire balancing machines for land vehicles; electronic docking stations; charging stations for electric vehicles; radiotelegraphy sets; radiotelephony sets; automatic telephone exchanges; spectacle lenses; anti-glare glasses; optical glass; glass dryers for laboratory use; speedometer testers; automobile stereo adapters; stereomicroscopes; stereo headphones; stereo receivers; personal stereos; stereoscopes; stereo tuners; stereo amplifiers; computer styluses; racks adapted for loudspeakers; video camera stands; stands for use with operating microscopes; stands for photographic apparatus; mounting racks adapted for telecommunications hardware; laboratory countertops; editing machines for cinematographic films; stroboscopes; fire boats; sulfimeters; carrying cases adapted for computers; bags adapted for laptops; bags specially adapted for cameras and photographic equipment; supercomputers; superminicomputers; drying racks [photography]; spherometers; integrated circuits; large-scale integrated circuits; electronic integrated circuits; printed circuits; electronic circuits; counters; water meters; gas meters; Geiger counters; parking meters; kilometer recorders for vehicles; revolution counters; electricity meters; abacuses; memory card readers; radio-frequency identification [RFID] readers; optical disk readers; electronic indicator boards; electronic scoreboards; mechanical egg timers; digital egg timers; kitchen timers; kitchen timers, electronic; egg timers [sandglasses]; electronic timers; taximeters; electronic

taximeters; public telephones; ear plugs for divers; satellite dishes; tachometers; radio-frequency identification [RFID] tags; television apparatus; car televisions; plasma televisions; organic light-emitting diode [OLED] televisions; telegraphs [apparatus]; television cameras; television transmitters; telescopes; zenith telescopes; teleprompters; teleprinters; cellular telephone apparatus; telephones; mobile telecommunications handsets; cordless telephones; cellular phones; cellular phones having large keys and numbers that assist users having impaired vision or dexterity; digital cellular phones; satellite telephones; digital telephones; strain gauges; theodolites; precision theodolites; transits for surveying; electronic terminals for generating lottery tickets; terminals for radiotelephones; secure terminals for electronic transactions; interactive touch screen terminals; computer terminals; electronic payment terminals; thermistors; thermo-hygrometers; thermometers for laboratory use; meat thermometers; digital meat thermometers; household thermometers; thermometers, not for medical purposes; digital thermometers, not for medical purposes; thermocouples; thermostats; thermostats for vehicle engines; thermostats for vehicles; antifreeze testers; crucibles [laboratory]; thyristors; thickness gauges; ultrasonic thickness gauges; tone arms for record players; toner cartridges, unfilled, for printers; toner cartridges, unfilled, for photocopiers; totalizers; local area network [LAN] access points; local area network [LAN] access points for connecting network computer users; transistors [electronic]; ethernet transceivers; transponders; protractors [measuring instruments]; high-voltage transformers; electrical transformers for telecommunication apparatus; electric voltage transformers; step-up transformers; step-down transformers; distribution transformers; welding transformers; electronic power transformers; flyback transformers; electric transformers for toy trains; transformers [electricity]; flight simulators; resuscitation training simulators; flight simulators for aircraft; electronic sports training simulators; vehicle breakdown warning triangles; triodes; starter cables for motors; discharge tubes, electric, other than for lighting; diving snorkels; scuba snorkels; laboratory storage tubes; capillary tubes; neon signs; Pitot tubes; X-ray tubes not for medical purposes; glass tubes for scientific purposes; telephone receivers; phototubes; meridian transit telescopes; car broadcasting tuners; carbon nanotubes for use in extremely small scale electronic and mechanical applications; angle gauges; squares for measuring; electrical extension cords; gauges; quantity indicators; digital torque gauges; safety markers; fuel gauges; water temperature gauges; temperature gauges; exhaust gas temperature gauges; gasoline gauges; water level indicators; vehicle dipsticks; electric loss indicators; light-emitting electronic pointers; laser pointers; slope indicators; plastic and cardboard cases adapted for the storage of record albums; levels [instruments for determining the horizontal]; water level gauges; mercury levels; plumb levels; spirit levels; urinometers; amplifiers for bass guitars; guitar amplifiers; amplifiers; amplifiers for musical instruments; audio frequency amplifiers; power amplifiers; optical semiconductor amplifiers; radio frequency amplifiers; video frequency amplifiers; graphics accelerators; particle accelerators; electric and electronic video surveillance installations; electric installations for the remote control of industrial operations; automatic telephone dialers; automatic switching apparatus for telecommunications; self-timers for cameras; automatic chromatography apparatus for laboratory use; baby monitors; apparatus for testing smoke detectors using an aerosol spray; apparatus for testing carbon monoxide detectors using an aerosol spray; apparatus for testing heat detectors using an aerosol spray; input devices for computers; visual display units; video display units; steering apparatus, automatic, for vehicles; balancing apparatus; electronic lock assemblies; video recorders; video recorders for automobiles; video recorders for cars; sound reproduction apparatus; automatic ticket dispensers; invoicing machines;

video cassette recorders; tape recorders; devices for the recording, transmission and playback of sound and images; apparatus for the recording, transmission, amplification and reproduction of sound; apparatus for recording, storage, transmission and reproduction of sounds and images; protection devices against X-rays, not for medical purposes; voltage surge suppressors; radiation measuring instruments; luminous flux meters; battery testers; railway traffic safety appliances; data processing apparatus; optical character recognition [OCR] apparatus; video digitizers; oxygen transvasing apparatus; mobile data receivers; theft prevention installations, electric; apparatus for checking the authenticity of banknotes; brake fluid testers; circuit testers; film cutting apparatus; drying apparatus for photographic prints; optical character readers; card readers for credit cards; card readers for magnetically encoded cards; magnetic tape erasers; centering apparatus for photographic transparencies; flash memory card readers; electronic encryption units; dosage dispensers; railway signal apparatus, luminous or mechanical; CD-ROM writers; programmable digital television recorders; DVD recorders; buffer memory devices [computer hardware]; memory devices for use with data processing apparatus; electronic memory devices; mains chargers; cellular phone battery chargers for use in vehicles; battery chargers; battery chargers for use with telephones; chargers for electric batteries; chargers for electronic cigarettes; buzzers, electric; acoustic alarms; audio recorders; electronic sound pickups for guitars and basses; telecommunication devices and apparatus; acoustic meters; electronic metering devices for faucets; signalling apparatus and instruments; sounding apparatus and machines; currency authentication apparatus and equipment; automatic ion exchange chromatography apparatus for laboratory use; apparatus for editing cinematographic film; cathodic anti-corrosion apparatus; encoding and decoding apparatus; couplers [data processing equipment]; wireless computer peripherals; Global Positioning System [GPS] navigation devices; desk or car mounted units incorporating a loudspeaker to allow a telephone handset to be used hands-free; radio signal tuners; wearable activity trackers; data processing equipment; signal processors; vehicle tracking devices; anti-theft warning apparatus; power mixers [audio apparatus]; computer peripheral devices; personnel tracking devices; semi-conductor memory devices; anti-interference devices [electricity]; automated laundry detergent dispensers; demagnetizing apparatus for magnetic tapes; event recorders; emergency light bars for vehicles [luminous signals]; acoustic couplers; alarms; vibrating alarms as reminders to take medication; fog signals, non-explosive; adding machines; whistle alarms; card readers; chip card readers; readers [data processing equipment]; bar code readers; heat regulating apparatus; electronic personal alarm devices; portable flash memory devices; photovoltaic installations for generating electricity [photovoltaic power plants]; photocopiers [photographic, electrostatic, thermic]; data storage devices; computer network-attached storage [NAS] hardware; electronic apparatus for wireless reception, storage and transmission of data and messages; electronic imaging devices; electronic apparatus for the remote control of signals; electronic circuits and CD-ROMs recorded with automatic performance programs for electronic musical instruments; electronic circuits and CD-ROMs recorded with programs for hand-held games with liquid crystal displays; electric and electronic effects units for musical instruments; electronic broadcasting apparatus; ear buds; phase modifiers; downloadable ring tones for mobile phones; downloadable image files; downloadable music files; animated cartoons; anti-glare filters for computer monitors; anti-glare filters for televisions; filters for antennas; computer screen filters; filters for optical devices; filters for radio interference suppression; filters for respiratory masks; filters for television sets; filters for ultraviolet rays, for photography; inductance capacitance filters; optical filters; color filters for

liquid crystal display [LCD] screens; color filters for television and cinematographic cameras; warning flags; USB flash drives; magic lanterns; signal lanterns; optical lamps; phonographs; cameras [photography]; 35mm cameras; underwater cameras; photographic cameras for the instant production of pictures; cameras for self-developing films; disposable cameras; view cameras; plate cameras; digital cameras; digital cameras for industrial use; digital single lens reflex cameras; compact digital cameras; photodiodes; glazing apparatus for photographic prints; shutters [photography]; darkrooms [photography]; photometers; flash-bulbs [photography]; camera film, exposed; digital photo frames; photoresistors; photosensors; enlarging apparatus [photography]; photoelectric cells; photovoltaic cells; photovoltaic cells and modules; cases for compact discs; cases for compact discs or DVDs; cases for diskettes and compact discs; containers for contact lenses; cases for laptops; eyeglass cases; carrying cases specially adapted for computer printers; containers for microscope slides; cases for smartphones; cases for sunglasses; cases for sunglasses and protective eyewear; cases adapted for photographic equipment; storage wallets adapted for compact discs; cases for electronic diaries; protective cases for MP3 players; protective cases for cellular phones; protective cases for personal digital assistants [PDAs]; protective cases for tablet computers; protective cases for electronic book readers; leather cases for cellular phones; cellular phone cases made of leather or imitations of leather; cellular phone covers made of cloth or textile materials; cases adapted for cellular phones; cases especially made for photographic apparatus and instruments; chromatography apparatus for laboratory use; chronographs for use as specialized time recording apparatus; chronographs [time recording apparatus]; coelostats; laboratory centrifuges; eyeglass chains; chains for sunglasses; chains and cords for sunglasses; cyclotrons; decorative dials for thermostats; compasses for measuring; blank digital audio tapes; frequency meters; central processing unit [CPU] clocks; time clocks [time recording devices]; polyethylene measuring cups; Petri dishes for laboratory use; Petri dishes; paper covers for telephone receivers; DVD cases; cases for pocket calculators; binders adapted for compact discs; covers for cellular phones; carrying cases for radio pagers; sleeves for laptops; covers for personal digital assistants [PDAs]; covers for tablet computers; covers for smartphones; covers for telephone receivers; cases for telephones; fire blankets; dust covers for computers, shaped; chip cards; electronic chip cards; encoded electronic chip cards; encoded electronic chip cards for identifying particular users of computers and cellular phones; computer chipsets; chips [integrated circuits]; computer chips; electronic chips for the manufacture of integrated circuits; jigs [measuring instruments]; pedometers; meteorological balloons; electrified rails for mounting spot lights; asbestos screens for firemen; laminar flow cabinets for laboratory use; fire hose; baseball catchers' helmets; baseball batting helmets; bicycle helmets; virtual reality headsets; helmets for American football; balaclavas for protection against accidents, irradiation and fire; helmets for motorcyclists; diving helmets; helmets for ice hockey; protective helmets for cyclists; protective helmets for children; protective helmets for motorcyclists; protective helmets for sports; head guards for sports; snorkels; cell phone straps; eyeglass cords; cords for sunglasses; straps for sunglasses; electric cords; disposable dispenser syringes for laboratory use; reusable dispenser syringes for laboratory use; downloadable printing fonts; tripods for surveying apparatus; pipette racks for laboratory use; tripods for telescopes; tripods for cameras; switchboards; power distribution boxes; telecommunications switchboards; telephone switchboards; distribution boards [electricity]; illuminated advertising signs; hand-held protective shields for use by the police; illuminated signs; tire tread depth gauges; spark plug gap gauges; length measuring gauges; spark plug feeler gauges; equalizers [audio apparatus]; graphic equalizers;

side shields for eyeglasses; face shields, other than for medical purposes; workmen's protective face-shields; face shields for protective helmets; liquid crystal display [LCD] screens; large-screen liquid crystal displays [LCDs]; computer screens; computer touch screens; flat panel display screens; flat panel electroluminescent display screens; projection screens; projection screens for cinematographic films; radiology screens for industrial purposes; touch screens; fluorescent screens; screens [photography]; exposure meters [light meters]; photographic exposure meters; electric capacitors for telecommunication apparatus; insulated electrical connectors; fuel cell electrodes; electromagnets; electronic telecommunications apparatus; cathode-ray tubes; downloadable electronic publications in the nature of magazines; blank electronic chip cards [blank smart cards]; ducts [electricity]; electric phonographs; galvanic cells; downloadable graphics for mobile phones; wet cells; fuel cells; electronic components for integrated circuit cards; solar cells; photovoltaic modules; electronic components; epidiastopes; ergometers; bar code labels, encoded; labels with machine-readable codes; labels with integrated radio frequency identification [RFID] chips; guitar effects processors; echo sounders; armatures [electricity]; calibrated photovoltaic reference cells; black boxes [data recorders].

Class 19

Aquaria [structures]; alabaster; andesite; door frames, not of metal; window frames, not of metal; asbestos cement; asphalt; bitumen asphalt; asphalt, pitch and bitumen; valances, not of metal and not of textile; beams of wood for building; shaped timber; mine timber; beams, not of metal; balustrades, not of metal; huts; barriers, not of metal, for pedestrian traffic control; swimming pools [structures], not of metal; silos, not of metal; arbours and trellises made of wood; gazebos, not of metal; gazebos, portable, not of metal; gazebos, portable, not primarily of metal; gazebos, not primarily of metal; arbours [structures], not of metal; concrete; bitumen; wood blocks; refractory blocks, not of metal; lawn edgings, not of metal; parking curbs, not of metal; plastic landscape edgings; logs [building materials]; paving stones; joists, not of metal; telephone booths, not of metal; beacons, not of metal, non-luminous; asphalt roofing paper; building paper; modular silos, not of metal; pre-fabricated silos, not of metal; modular dog houses for building sites, not of metal; dog houses, not of metal, for building sites; busts of stone, concrete or marble; bird baths [structures], not of metal; binding agents for making briquettes; binding material for road repair; stained-glass windows; plastic water conduits for roofs and balconies; air-conditioning ducts, not of metal; felt for building; roofing felts; asphalt roofing felt; tarred felts; asphalted felt; aviaries [structures], not of metal; garage doors, not of metal; gates and fences, not of metal; gates and fencing, not of metal; gates, not of metal; gates, not of metal, for car parking facilities; security gates, not of metal; diving boards, not of metal; geotextiles; geotextiles for use in connection with road construction, railroad construction, tunnel construction, waterway construction and public works construction; bitumen-based sealants for roofing [building materials]; tar-based sealants for roofing [building materials]; bitumen-based sealants for asphalt [building materials]; bitumen-based sealants for driveways [building materials]; tar-based sealants for driveways [building materials]; tar-based sealants for asphalt [building materials]; plaster; plasterboard; mold-resistant drywall; gypsum [building material]; clay; potters' clay; earth for bricks; alumina cement; gravel; aquarium gravel; granite; mineral pellets for use in the building industry; armored doors, not of metal; vinyl doors; vinyl patio doors; vinyl sliding doors; revolving doors, not of metal; wooden doors; dog doors, not of metal; cat doors, not of metal; doors, not of metal; patio doors, not of metal; sliding doors, not of metal; swing doors, not of metal; folding doors, not of metal; tar and pitch; coal tar; multilayered wood; fire-

resistant wood; chimney pots, not of metal; floating docks, not of metal; modular log homes; pre-fabricated log homes; pre-fabricated houses, not of metal; modular homes, not of metal; modular animal houses, not of metal, for farmyard animals; pre-fabricated houses, not of metal, for farmyard animals; prefabricated houses [kits], not of metal; parquet floor boards; sheathing boards, not of metal; polyethylene boards used as wood substitutes; memorial plaques, not of metal; roofing boards of wood; wall boards, not of metal; roofing shingles; shingles, not of metal; balsa wood; preserved wood [anti-decay wood]; wood for making household utensils; veneer wood; moldable wood; chipboard; flagpoles [structures], not of metal; non-metallic drainage systems, namely, secondary moisture drainage systems consisting of non-metal troughs and collection boxes; split timber; chimney shafts, not of metal; water tanks of masonry for household purposes; liquid storage tanks of masonry for industrial purposes; жалюзи, not of metal; interior window shutters, not of metal; roof gutters, not of metal; street gutters, not of metal; agglomerated bagasses of cane [building material]; chainlink fences, not of metal; vent covers, not of metal, for HVAC ducts; cattle chutes, not of metal; rumble strips, not of metal; pre-fabricated buildings, not of metal; road signs, non-luminous and non-mechanical, not of metal; non-luminous and non-mechanical signs, not of metal; wood tar; grave markers of stone; grave markers of marble; mortar mix; limestone; lime; non-agricultural lime for use in construction; fences, not of metal; works of stonemasonry; millwork, excluding furniture; works of art of stone, concrete or marble; cabanas, not of metal; calcite; stone; rubble; stone for building and construction; artificial stone; silica stone; natural stone; building stone; footing stone; paint spraying booths, not of metal; mantels of plaster for fireplaces; mantels of wood for fireplaces; mantels of stone for fireplaces; stones; decorative aquarium stones; wall stone; pottery stone; monument stone; gravestones; reeds for building; ventilating ducts, not of metal; ducts, not of metal, other than for electrical circuitry; greenhouse frames, not of metal; framework, not of metal, for building; cornices, not of metal; bitumen paper for building; wood pulp board for building; tarred roofing paper; paperboard for building; skating rinks [structures], not of metal; quartz; caissons for construction work under water; vendor booths, not of metal; bricks; fireplace bricks; ceramic bricks for use in refractory furnaces; unfired bricks; fire burrs; refractory bricks, not of metal; semi-refractory bricks, not of metal; fired bricks; water-pipe valves, not of metal or plastic; drain traps [valves], not of metal or plastic; glue-laminated wood; cask wood; mooring bollards, not of metal; erosion control mats [building materials]; trestles for use in construction, not of metal; pre-fabricated architectural columns, not of metal; pillars, not of metal, for building; cement posts; chimney cowls, not of metal; asphalt composition paving; brackets, not of metal, for building; transportable stables, not of metal; buildings, not of metal; buildings, transportable, not of metal; roofing hips, not of metal; stringers [parts of staircases], not of metal; door jambs, not of metal; silica [quartz]; roofing, not of metal; vent covers, not of metal; manhole covers, not of metal; xylolith; modular chicken houses, not of metal; chicken-houses, not of metal; pre-fabricated chicken houses, not of metal; laminate flooring, not of metal; artificial timber; building timber; manufactured timber; sawn timber; wood, semi-worked; staircases, not of metal; rhyolite; road marking sheets and strips of synthetic material; erosion control sheeting or fabrics for construction use; slate slabs; skylights, not of metal; asphalt-based roofing mastics [building materials]; reinforcing materials, not of metal, for building; bituminous products for building; tar; road coating materials; materials for making and coating roads; rock materials for use as cladding; rock materials for use in the construction of flooring; rock materials for use in making countertops; rock materials for use in the construction of fireplaces; rock materials for use in the construction of roofing; rock materials for use in the construction of walls; non-metallic building

materials in the form of slabs; fired refractory materials, not of metal [building materials]; grog [fired refractory material]; pitch; building materials, not of metal; refractory construction materials, not of metal; masts [poles], not of metal; raw chalk; calcareous marl; sandbags; non-metallic minerals for building or construction; rock materials used in building flooring, roofing, countertops, walls, cladding and fireplaces; mosaics for building; non-metal decorative moldings and decorative trim for use in building construction; wood moldings; moldings, not of metal, for cornices; moldings, not of metal, for building; monuments of stone; marble; monuments of marble; slate powder; aggregate; porches [structures], not of metal; canopies [building structures], not of metal and not of textile; tombs, not of metal; flashing, not of metal, for building; roof flashing, not of metal; perches; bamboo flooring; modular plastic decking to serve as a ground cover; duckboards, not of metal; mantels of wood, plaster or stone for fireplaces; wall claddings, not of metal, for building; refractory furnace linings, not of metal; coatings [building materials]; tomb or grave enclosures, not of metal; laths, not of metal; wood panelling; wall linings, not of metal, for building; refractory mortars; fencing, not of metal; palisading, not of metal; crash barriers of wood for roads; crash barriers, not of metal, for roads; crash barriers of plastic for roads; crash barriers, not of metal; balcony enclosures, not of metal; portable traffic barriers, not of metal; chainlink fencing, not of metal; erosion control fencing [non-metallic building materials]; trellises, not of metal; plastic security windows allowing communication; vinyl windows; windows, not of metal; olivine for building; shuttering, not of metal, for concrete; poles, not of metal, for power lines; props, not of metal; rubber bearings for seismic isolation of buildings; cove bases, not of metal; rubber cove bases; branching pipes, not of metal; castings, not of metal; fair huts; hardwood decking; hardwood decking and flooring; tombs [monuments], not of metal; monuments, not of metal; wood-fiber reinforced cement boards [cement excelsior boards]; baffle panels in the nature of submergible fiberglass walls used to direct water flow at waste water treatment facilities; wainscoting, not of metal; fence panels, not of metal; roofing panels, not of metal; multilayer panels of plastic for use in building; gates and fencing panels, not of metal; pegboard, not of metal; plastic floor boards; floor panels, not of metal; ceiling panels, not of metal; signalling panels, non-luminous and non-mechanical, not of metal; wall panels, not of metal; plastic wallboards; building panels, not of metal; fiber cement boards; parquet flooring; parquet flooring of wood; parquet flooring of cork; parquet flooring and parquet slabs; petroleum pitch; volcanic ash; pergolas, not primarily of metal; pergolas, not of metal; partitions, not of metal; partitions, not of metal, for building; transportable buildings of timber; lintels, not of metal; casement windows, not of metal; wooden railings; rails, not of metal; railings, not of metal, for balconies; railings, not of metal, for bridges; railings, not of metal, for fences; railings, not of metal; sand; aquarium sand; play sand; sand, except foundry sand; silver sand; sandstone; sandstone for building; pickets, not of metal; tarred strips for building; planks of wood for building; non-metal portable piers which extend from a shore line out over water; clay slabs; rocket launching platforms, not of metal; portable non-metal risers for public performances [platforms]; platforms, prefabricated, not of metal; wall tiles, not of metal; ceramic tiles; ceramic tiles for walls, floors and ceilings; glazed ceramic tiles; stone roofing tiles; mosaic floor tiles; floor tiles, not of metal; wall tiles of plastic; tiles, not of metal, for building; gypsum tiles; gypsum floor tiles; gypsum ceiling tiles; gypsum wall tiles; earthenware floor tiles; earthenware wall tiles; decorative tiles, not of metal, for hearth extensions; playground tiles, not of metal; mosaic art tiles made of marble; natural stone tiles; glazed ceramic floor tiles; glazed ceramic wall tiles; earthenware tiles; ceramic floor tiles; ceramic tiles for flooring and lining; ceramic tiles for flooring and facing; ceramic tiles for tile floors and coverings; ceramic wall tiles;

mosaic wall tiles; floor tiles of wood; floor tiles of natural stone; floor tiles of plastic; rubber floor tiles; wall tiles, not of metal, for building; wall tiles of natural stone; fireproof tiles; fireproof floor tiles; fireproof wall tiles; plastic tiles; ceiling tiles of plastic; roofing tiles of glass; floor tiles of glass; wall tiles of glass; glass tiles, not for roofing; paving tiles; engraved and cut stone plaques; paving slabs, not of metal; hardboard; raw and coated chipboard for the building industry, furniture and interior decorating; cement slabs; natural stone slabs; water-resistant boards and panels, not of metal, for construction; fire-resistant boards and panels, not of metal, for building; grave slabs, not of metal; tile floorings, not of metal; ceiling boards of wood; slabs, not of metal, for building; wood rafters; portable dance floors, not of metal; roofing underlay; flooring underlay; underlays of agglomerated cork for building; flooring underlay made of cork; scaffolding, not of metal; portable stages, not of metal; window sills, not of metal; armour-plating, not of metal; roofing membranes; asphalt paving; wood paving; paving blocks, not of metal; luminous paving blocks; macadam; fireproof cement coatings; bituminous coatings for roofing; felt roof coverings; roof coverings, not of metal; roofing, not of metal, incorporating photovoltaic cells; asphalt roof coatings [building materials]; wooden floor boards; rubber flooring; cladding, not of metal, for building; parquet flooring of cork and of cork-based conglomerates; coverings for ceilings, not of metal; flooring or wall claddings of synthetic materials; linings, not of metal, for building; feldspar; fireplace mantles, not of metal; door panels, not of metal; partly processed timber; wooden flooring; wood tile flooring; hardwood flooring; floors, not of metal; athletic flooring, not of metal; sills, not of metal; Portland cement; Portland blast-furnace slag cement; porphyry [stone]; modular animal houses, not of metal; pre-fabricated animal houses, not of metal; ceilings, not of metal; non-metal suspended ceiling systems comprising panels; guard rails, not of metal; floating docks, not of metal, for mooring boats; agglomerated cork for building; wooden door frames; window frames of wood; window frames of wood clad in aluminium; window frames, sashes and casements made of wood; frames, not of metal, for building; mortar; mortar for building; asbestos mortar; tanks of masonry; furrings of wood; scantlings [carpentry]; patching compounds with a tar base; gratings, not of metal; artificial fish reefs, not of metal; outdoor roll shutters, not of metal; roll shutters, not of metal; vinyl siding; wood siding; fiber cement siding; sheet piles, not of metal; modular pigsties, not of metal; pigsties, not of metal; pre-fabricated pigsties, not of metal; shoji [Japanese sliding partitions, not of metal]; door units, not of metal; agricultural nets for erosion control; insect screens, not of metal; burial vaults, not of metal; sculptures of cement, marble or stone; sculptures of marble; stone sculptures; schists; concrete patching compounds with a tar base [building materials]; tar-based concrete and asphalt patching compounds [building materials]; refractory castable mixes, not of metal; filling cement; cement mixes; wood joints; expansion joints, not of metal, for floors and walls; non-metal shelter structures [other than tents]; asphalt paving compositions; asphalt patching compounds with a tar base [building materials]; outdoor blinds, not of metal and not of textile; shutters, not of metal; statues of stone, concrete or marble; marble figures; figurines of stone; figurines of marble; alabaster glass; safety glass; glass bricks; glass granules for road marking; window glass, other than vehicle window glass; window glass for building; glass powder for use as a partial replacement of Portland cement in cement mixes; building glass; insulating glass for building; plate glass [windows] for building; fiberglass reinforcement fabric for use in land, sea and aerospace applications; enamelled glass, for building; tombstone stelae, not of metal; spandrels, not of metal; fair stands [temporary building structures]; curtain walls, not of metal; horse stall kick walls, not of metal; bicycle storage racks, not of metal; fence stays, not of metal; modular stables, not of metal; stables, not of metal; pre-fabricated stables, not of

metal; wood posts; wooden poles for power lines; advertisement columns, not of metal; fence posts, not of metal; utility poles, not of metal; posts, not of metal; plastic boundary marking posts; telegraph posts, not of metal; hips for roofing; stair-treads [steps], not of metal; expansion joints, not of metal, for floors; expansion joints, not of metal, for walls; stages, not of metal, for musical performances; stages for musical performances composed of primarily non-metal materials; tombstone plaques, not of metal; non-woven textiles made of synthetic fibers for use in the building industry; awnings [building structures], not of metal and not of textile; modular greenhouses, not of metal; greenhouses, transportable, not of metal; pre-fabricated greenhouses, not of metal; terra-cotta [building material]; erosion control fabrics [building materials]; erosion control fabric, mats and sheeting, not of metal [geotextiles]; fabrics for use in civil engineering [geotextiles]; fabric for underlayment of flooring; roofing fabrics; multilayer water conservation textiles designed for nurseries, greenhouses and garden centres; bleachers, not of metal; penstock pipes, not of metal; plastic conduits for drainage; plastic conduits for drainage and irrigation; plastic conduits for irrigation; cement pipes; water-pipes, not of metal; gutter pipes, not of metal; earthenware pipes; wooden pipes for building; ducts, not of metal, for ventilating and air-conditioning installations; ceramic drain pipes; drain pipes, not of metal; chimneys, not of metal; rigid pipes, not of metal, for building; sandstone pipes; cement mortar pipes; sewer pipes, not of metal; heating ducts, not of metal; plastic pipes for plumbing purposes; plastic pipes for conveying natural gas; polyethylene pipes used in geothermal heating and cooling systems; pipes of cement, earthenware or sandstone; turnstiles, not of metal; tufa; angle irons, not of metal; lengthening pieces, not of metal, for chimneys; wood trim; underground tornado shelters made of fiberglass; storm shelters, not of metal; bicycle parking installations, not of metal; plywood board; veneer for floors; plywood; wood joists; roof trusses, not of metal; fiberboard [building materials]; stone figures; cast stone garden and household ornaments; foundry molds, not of metal; fusuma [Japanese indoor sliding partitions, not of metal]; water tanks of masonry; storage sheds, not of metal; pre-fabricated storage sheds, not of metal; rock crystal; fiber cement; hydraulic cement; cement for blast furnaces; cement for furnaces; slag-lime cement; silica cement [pozzolanic cement]; roofing cement; magnesia cement; cement; gypsum roofing tiles; earthenware roofing tiles; clay roofing tiles; roofing tiles of natural stone; cement mortar roofing tiles; ceramic roofing tiles; glazed ceramic roofing tiles; pantiles, not of metal; roofing tiles, not of metal; fireproof roofing tiles; roofing tiles of plastic; window screens, not of metal; slate; cement mortar slates; stone slates; roofing slates; clinker stone; slag [building material]; spackling compounds; railway sleepers, not of metal; wood veneers; finish plasters made of colored artificial resin; clinker ballast; noise barriers made of wood; ceramic shapes for use in refractory furnaces; structural and architectural members formed of pressed wood fibers; concrete building elements; epoxy grout; letter boxes of masonry.

Class 35

Retail services relating to automobile parts; advertising; retail services; arranging subscriptions to telecommunication services for others; import agency services; import-export agency services; commercial information agency services; advertising agency services; administrative processing of orders; administrative processing of purchase orders within the framework of services provided by mail-order companies; administrative processing of computerized purchase orders; administrative processing of purchase orders placed by telephone or computer; administration of employee benefit plans; administration of employee pension plans; administration of employee welfare benefit plans; administrative services relating to customs clearance; administrative accounting; administration of employee benefit

plans concerning fitness club memberships; administration of loyalty rewards programs; administration of preferred provider plans; administration of prepaid health care plans; administration of incentive award programs to promote the sale of the goods and services of others; administration of frequent flyer programs that allow members to redeem miles for points or awards offered by other loyalty programs; administration of a consumer loyalty program to promote restaurant services and retail services of others; business management analysis; analysis of market research data; cost analysis; analysis of business data; marketing analysis; business profit analysis; work analysis to determine worker skill sets and other worker requirements; health care cost review; analysis of response to advertising; grain market analysis; real estate marketing analysis; analysis of market studies; cost price analysis; cost price analysis regarding waste disposal, removal, handling and recycling; strategic business analysis; cost-benefit analysis; rental of advertising space on the Internet for employment advertising; rental of advertising space; rental of advertising space and advertising material; rental of advertising space on the Internet; rental of advertising space on web sites; rental of advertising space on-line; rental of signs for advertising purposes; account auditing; business auditing; tax auditing; financial auditing; auction and reverse auction services; auctioneering of property; affiliate marketing; benchmarking services for business management purposes; business research and surveys; business information and inquiries; business advice and consultancy relating to franchising; business consultancy relating to advertising; business advice relating to restaurant franchising; business advice relating to strategic marketing; business consultancy; strategic business planning; business planning; business feasibility studies; business advice relating to advertising; business intermediary services relating to the matching of potential private investors with entrepreneurs needing funding; telephone billing; labor exchanges; accountancy advice relating to taxation; accounting consultancy; accounting consultancy relating to taxation; employment agency services; computerized file management; book-keeping; administration, billing and reconciliation of accounts on behalf of others; medical billing; maintaining patient medical records and files; administration of loyalty rewards programs featuring trading stamps; maintaining a registry of information; maintaining a registry of dog breeds; maintaining a registry of professional vocational evaluators; maintaining a registry of certified aerospace technicians; maintaining a registry of certified medical technical professionals; maintaining a registry of sports memorabilia and works of art; forensic accounting; maintaining a registry of animal breeds; outsourced administrative management for companies; key return registration; invoicing; billing services in the field of healthcare; billing services in the field of energy; processing warranty registration documents for others; business management and administration; sales demonstration for others; demonstration of goods; demonstration of goods for advertising purposes; duplication of documents; arranging of contracts, for others, for the buying and selling of goods; arranging of contracts, for others, for the purchase and sale of goods and services; arranging of advertising and promotion contracts for third parties; arranging of advertising contracts for others; procurement of contracts for the purchase and sale of goods and services; purchasing of goods and services for other businesses; procurement of goods on behalf of other businesses; transcription of communications [office functions]; opinion polling; market studies; real estate marketing; referral marketing; market canvassing; inventorying merchandise; inventory control; interactive record-keeping services for use in risk management and regulatory compliance by insurers and professionals in the medical field; internet marketing; internet advertising services; advertising on the Internet for others; on-line ordering services in the field of restaurant take-out and delivery; business information and appraisal services; advertising and commercial

Class 37

Recharging services for electric vehicles; oil pumping and extraction; drilling and pumping of oil; oil drilling services; oil extraction services; oil pumping services; installation of apparatus for the production of oil; repair and maintenance of vehicles; repair of water vehicles; repair and maintenance of water vehicles; repair and maintenance of land, water, air and railway vehicles; abrasive cleaning of surfaces; wrecking services; emergency vehicle repair services; rental of car washing installations; rental of car washing apparatus; rental of car washing apparatus and providing information relating thereto; rental of concrete mixers; rental of concrete pumps; rental of drilling and mining apparatus; rental of drilling platforms; rental of mining machines and apparatus; rental of mining machines and apparatus and providing information relating thereto; rental of scaffolding, platforms, molds and machinery for use in construction; rental of machines, tools and apparatus for use in building construction; rental of elevating work platforms for use in construction; rental of lifting apparatus for use in construction; rental of floor cleaning machines and providing information relating thereto; rental of industrial machines; rental of construction equipment, concrete mixers, concrete pumps and cranes; rental of construction machines and tools; rental of construction machines and apparatus and providing information relating thereto; rental of cleaning apparatus; rental of mops and providing information relating thereto; rental of electric washing machines and providing information relating thereto; asphaltting; automobile pinstriping; termite and pest control, other than for agricultural purposes; water or oil well boring; water well drilling; drilling of deep oil or gas wells; oil and gas drilling; oil well drilling; drilling of wells; drilling for crude oil; exterior and interior cleaning of aircraft; erecting of commercial centres, housing areas and manufacturing plants; tapestry repair for others; rebuilding engines that have been worn or partially destroyed; refurbishment of buildings; rebuilding machines that have been worn or partially destroyed; renovation of clothing; reconditioning of industrial machinery; retreading of tires; custom rebuilding of existing land vehicles and structural parts therefor that have been worn or partially destroyed; vulcanizing of automobile tires [repair]; vulcanization of tires [repair]; building sealing; pavement sealing; road sealing and stripping; waterproofing of basements; linen ironing; ironing of clothing; pressing of clothing; ironing of textiles; ironing of fabric; disinfecting; disinfecting of telephone handsets; disinfecting of telephone handsets and providing information relating thereto; rat exterminating; mining for diamonds; mining for diamonds, precious stones or precious metals; mining extraction; mining for precious stones; mining for precious metals; pumping crude oil; laying of foundations; fuelling, washing, cleaning, maintenance and repair of vehicles; fuelling of vehicles; fuelling of aircraft; vehicle battery charging; lawn mower blade sharpening; drill bit sharpening; knife sharpening; sharpening of scissors; sharpening of scissors and kitchen knives; sharpening of scissors and kitchen knives and providing information relating thereto; insulating of internal and external walls, ceilings and roofs; insulating of external walls; building insulating; repair information; construction information; bricklaying; riveting; automobile detailing;

vehicle detailing; consultancy relating to building construction supervision; consultancy relating to painting of buildings; consultancy relating to the repair and reconditioning of bearings for machines; construction consultancy; consultancy relating to residential and building construction; consultancy relating to vehicle repair; varnishing; furniture varnishing; re-tinning; retrofitting of ventilating installations in buildings; upgrading of computer hardware; retrofitting of air-conditioning installations in buildings; retrofitting of heating, ventilating and air-conditioning installations in buildings; retrofitting of heating installations in buildings; washing and cleaning of vehicles; washing of airplanes; construction of wind power plants; construction of building interiors; construction of dams; construction of roads, sewers and water supply systems; construction of residential buildings; construction of buildings; construction of buildings, dams and bridges; construction of buildings, roads, bridges and dams; construction of buildings and other structures; construction of energy efficient buildings and structures; tire rotating and balancing; construction and repair of airports and airport facilities; installation and repair of blinds; construction and repair of residential buildings and houses; construction and repair of buildings and other structures; construction and renovation of buildings and other structures; construction and renovation of bridges; construction and maintenance of apartments, studios, bungalows, villas and cottages; construction and maintenance of holiday homes, holiday camps, temporary accommodation, hotels and residential hotels; construction and maintenance of buildings; construction and maintenance of sports centers, health clubs, leisure centers and recreational complexes; construction and maintenance of building complexes, residential buildings, housing estates, commercial buildings, shopping centers, office buildings and parking structures; construction and erection of exhibition stands, stages and booths; construction of sewerage systems; construction of commercial buildings; construction of steel structures; construction of bridges; construction of public works; construction of conservatories and greenhouses; construction of office buildings; construction of industrial buildings; erection of prefabricated buildings and structures; construction, erection, installation, repair, renovation, servicing, maintenance and dismantling of wind farms; construction of sports arenas; scaffolding; construction, maintenance and repair of water vehicles; construction, maintenance and repair of transportable and prefabricated buildings; construction, maintenance and repair of watercraft; construction, maintenance and repair of heat insulation systems; construction, maintenance and renovation of buildings; construction, maintenance and renovation of public works; construction, maintenance and repair of conservatories and greenhouses; installation, maintenance and repair of security and authentication apparatus; installation, maintenance and repair of regulating, monitoring and control apparatus; installation, maintenance and repair of temperature control apparatus; installation, maintenance and repair of remote control apparatus for changing printing plates; installation, maintenance and repair of sealing machines; installation, maintenance and repair of sewerage systems; installation, maintenance and repair of stairway lifts; installation, maintenance and repair of safety equipment; installation, maintenance and repair of security and safety equipment; installation, maintenance and repair of rolling mills; installation, maintenance and repair of rollers for machines; installation, maintenance and repair of systems, machinery and apparatus for working and processing metals and sheet metal; installation, maintenance and repair of solar collectors; installation, maintenance and repair of solar installations for generating power; installation, maintenance and repair of solar installations for generating power, solar collectors and photovoltaic modules; installation, maintenance and repair of solar energy systems; installation, maintenance and repair of sorting machines; installation, maintenance and repair of

telecommunications equipment; installation, maintenance and repair of telecommunications apparatus and instruments; installation, maintenance and repair of telephone and communication equipment; installation, maintenance and repair of telephones; installation, maintenance and repair of street lights; installation, maintenance and repair of surgical apparatus and instruments; installation, maintenance and repair of surgical, medical, dental and veterinary apparatus and instruments; construction of trade fair and exhibition stands; construction of shopping centers; erection, installation, maintenance and repair of wind turbines, wind stations and other wind-powered machines; erection, installation, maintenance and repair of windmills, wind power plants, wind turbines and other wind-operated machines; construction of power plants; construction of wave energy power plants; window cleaning; road paving; vehicle washing; supervision of building renovation; supervision of building reconstruction; supervision of building demolition; supervision of the construction of watercraft, yachts, boats, ships and water vehicles; on-site construction supervision; building construction supervision; pavement marking services; pavement striping; cleaning of building exteriors and providing information relating thereto; tuning of musical instruments; upholstering; upholstering of vehicle seats; renovation and restoration of buildings; rustproofing; anti-rust treatment for vehicles; sanding; pumicing; emergency servicing of water supply apparatus; emergency servicing of gas supply apparatus; emergency servicing of apparatus for supplying electricity; oil burner servicing and repair; air conditioning vent sealing services; providing laundry washing and drying facilities; safe maintenance or repair and providing information relating thereto; car maintenance; maintenance services; maintenance of motor vehicles; maintenance of water purifying apparatus; maintenance of apparatus and installations for generating power; maintenance, servicing, tuning and repair of motors and engines; maintenance, servicing and repair of apparatus and installations for generating power; maintenance, servicing and repair of household and kitchen appliances; maintenance, servicing and repair of vehicles; maintenance, servicing and repair of weapon systems; maintenance and repair services; maintenance and repair of automatic transmissions; car repair and maintenance; maintenance and repair of motor vehicles and airplanes; maintenance and repair of continuously variable transmissions; maintenance and repair of grounded aircraft; maintenance and repair of hydrodynamic transmissions; maintenance and repair of hydrostatic transmissions; maintenance and repair of dual-clutch transmissions; strong-room maintenance and repair; maintenance and repair of power shift transmissions; maintenance and repair of manual transmissions; maintenance and repair of gears; maintenance and repair of control systems for radio systems and networks; maintenance and repair of hybrid transmissions; maintenance and repair of starters for motors and engines; maintenance and repair of synchronized transmissions; maintenance and restoration of works of art; maintenance and cleaning of mining equipment; maintenance of vehicles and machines; maintenance of water pollution control equipment; maintenance of communications equipment; maintenance of office equipment; maintenance of intruder alarms; maintenance of printing machines and digital printing systems; maintenance of industrial machinery; maintenance, repair and reconditioning of photovoltaic apparatus and installations; maintenance, repair and rebuilding of furnaces; maintenance of plumbing; maintenance of welding machines and equipment; maintenance of telecommunications apparatus; vehicle maintenance; maintenance of vehicle washing installations; maintenance of fire alarm installations; paper hanging; painting or repair of signs; septic tank pumping and cleaning; glazing of windows; pumping septic tanks; installation of yacht interiors; bathtub and bath boiler cleaning; bathtub and bath boiler cleaning and providing information relating thereto; cleaning of buildings [exterior surface];

clearing and cleaning gutters; cleaning of building exteriors; jewelry remounting; recharging of batteries; recharging of batteries and accumulators; conversion and tuning of production automobiles and their engines; rebricking and rebuilding of furnaces; yacht and boat conversion, renovation, refit and repair; cabinet refacing; automotive refinishing; rebuilding and reconditioning of engines and motors; underwater dredging; underwater building and construction; painting of automobiles; painting of motor vehicles; painting of buildings; painting and rendering of interior and exterior walls; painting of metal surfaces; painting of metal surfaces to prevent corrosion; painting of window frames; sign painting; painting of furniture; painting of aircraft; painting of vehicles; floor polishing and providing information relating thereto; vehicle polishing; automobile polishing; floor polishing; vehicle breakdown repair services; mending clothing and providing information relating thereto; self-service laundries; providing information relating to the installation of machinery; providing information relating to the rental of construction equipment; providing information relating to repair services in the aviation sector; providing information relating to the maintenance of measuring and test equipment; providing on-line information relating to the construction of buildings; providing online information relating to the construction of buildings, and repair and installation services; providing on-line information relating to repair and installation services; provision of information, advice and consultancy relating to cleaning; providing building construction information via a web site; providing information relating to the sharpening of scissors and kitchen knives; providing information relating to vermin exterminating, other than for agriculture, forestry or horticulture; providing information relating to umbrella repair; providing information relating to the repair or maintenance of musical instruments; providing information relating to the repair or maintenance of sporting equipment; providing information relating to the repair or maintenance of signboards; providing information relating to the repair or maintenance of nuclear power plants; providing information relating to the repair or maintenance of water purifying apparatus; providing information relating to the repair or maintenance of mining machines and apparatus; providing information relating to the repair or maintenance of two-wheeled motor vehicles; providing information relating to the repair or maintenance of railway rolling stock; providing information relating to the repair or maintenance of measuring and testing machines; providing information relating to the repair or maintenance of machines and instruments for making shoes; providing information relating to the repair or maintenance of machines and systems for manufacturing integrated circuits; providing information relating to the repair or maintenance of semi-conductor manufacturing machines and systems; providing information relating to the repair or maintenance of machines and apparatus for use in beauty salons or barbers' shops; providing information relating to the repair or maintenance of painting machines and apparatus; providing information relating to the repair or maintenance of printing or bookbinding machines and apparatus; providing information relating to the repair or maintenance of power distribution or control machines and apparatus; providing information relating to the repair or maintenance of waste crushing machines and apparatus; providing information relating to the repair or maintenance of plastic processing machines and apparatus; providing information relating to the repair or maintenance of waste compacting machines and apparatus; providing information relating to the repair or maintenance of tobacco processing machines; providing information relating to the repair or maintenance of medical machines and apparatus; providing information relating to the repair or maintenance of metalworking machines and tools; providing information relating to the repair or maintenance of power-driven floor cleaning machines; providing information relating to the repair or maintenance of mechanical parking

systems; providing information relating to the repair or maintenance of pumps; providing information relating to the repair or maintenance of non-electric cooking apparatus and installations; providing information relating to the repair or maintenance of optical machines and instruments; providing information relating to the repair or maintenance of office machines and apparatus; providing information relating to the repair or maintenance of printing machines; providing information relating to the repair or maintenance of storage tanks; providing information relating to the repair or maintenance of textile machines and apparatus; providing information relating to the repair or maintenance of telecommunication machines and apparatus; providing information relating to the repair or maintenance of vending machines; providing information relating to the repair or maintenance of packing or wrapping machines and apparatus; providing information relating to the repair or maintenance of water pollution control equipment; providing information relating to the repair or maintenance of photographic machines and apparatus; providing information relating to the repair or maintenance of sewing machines; providing information relating to the repair or maintenance of power generators; providing information relating to the repair or maintenance of vessels; providing information relating to the repair or maintenance of vehicle washing installations; providing information relating to vehicle repair; providing information relating to window cleaning services; providing information relating to the setup or repair of locks; providing information relating to the disinfection of telephone handsets; providing information relating to laundering services; providing information relating to construction, repair, restoration, maintenance and installation services; providing information relating to floor polishing services; providing information relating to storage tank cleaning services; providing information relating to clothing mending services; providing information relating to clothing repair services; providing information relating to street cleaning services; providing information relating to repair and installation services; providing information relating to building cleaning; providing information relating to septic tank cleaning services; providing information relating to the cleaning of building exteriors; providing information relating to the rental of car washing apparatus; providing information relating to the rental of floor cleaning machines; providing information relating to the rental of construction machines and apparatus; providing information relating to the rental of mops; providing information relating to the rental of electric washing machines; providing information relating to the pressing of clothing; providing information relating to building reconstruction; providing information relating to the repair of bicycles; providing information relating to the repair of game machines and apparatus; providing information relating to the repair of toys or dolls; providing information relating to the repair or maintenance of automobiles; providing information relating to the repair or maintenance of air-conditioning apparatus; providing information relating to the repair or maintenance of bicycle parking apparatus; providing information relating to the repair or maintenance of cooking apparatus; providing information relating to the repair or maintenance of machines and apparatus for processing food or beverages; providing information relating to the repair or maintenance of cooking apparatus and installations; providing information relating to the repair or maintenance of boilers; providing information relating to the repair or maintenance of bookbinding apparatus and machines; providing information relating to the repair or maintenance of consumer electrical appliances; providing information relating to the repair or maintenance of aircraft; providing information relating to the repair or maintenance of gas water heaters; providing information relating to the repair or maintenance of gasoline station equipment; providing information relating to the repair or maintenance of burners; providing information relating to the repair or maintenance of

amusement machines and apparatus; providing information relating to the repair or maintenance of cinematographic machines and apparatus; providing information relating to the repair or maintenance of cooking pots and pans; providing information relating to the repair or maintenance of diving machines and apparatus; providing information relating to the repair or maintenance of laboratory apparatus and instruments; providing information relating to the repair or maintenance of machines and apparatus for manufacturing rubber goods; providing information relating to the repair or maintenance of machines and apparatus for manufacturing glassware; providing information relating to the repair or maintenance of chemical processing machines and apparatus; providing information relating to the repair or maintenance of construction machines and apparatus; providing information relating to the repair or maintenance of loading-unloading machines and apparatus; providing information relating to the repair or maintenance of freezing machines and apparatus; providing information relating to the repair or maintenance of firearms; providing information relating to the repair or maintenance of fire alarms; providing information relating to the repair or maintenance of industrial furnaces; providing information relating to the repair or maintenance of industrial dishwashing machines; providing information relating to the repair or maintenance of industrial washing machines; providing information relating to the repair or maintenance of fishing tackle; providing information relating to the repair or maintenance of fishing machines and instruments; providing information relating to the repair or maintenance of agricultural machines and implements; providing information relating to the repair or maintenance of chemical plants; providing information relating to the repair or maintenance of clocks and watches; providing information relating to the repair or maintenance of electric lighting apparatus; providing information relating to the repair or maintenance of electric motors; providing information relating to the repair or maintenance of electric cooking apparatus and installations; providing information relating to the repair or maintenance of electronic machines and apparatus; providing information relating to the repair and maintenance of spectacles; providing information relating to the repair and maintenance of furnaces; providing information relating to the rental of mining machines and apparatus; providing information relating to the repair of land vehicles; providing information relating to the repair of billiard equipment; providing information relating to the repair of spectacles; providing information relating to shoe repair; providing information relating to the repair of fishing tackle; providing information relating to the repair of sports equipment; providing information relating to the repair of bags or pouches; providing information relating to the repair of tatami mats; providing information relating to the repair of personal ornaments; providing information relating to building renovation; providing information relating to furniture restoration; providing information relating to building demolition; providing information relating to building construction; providing information relating to the construction of buildings, and repair and installation services; providing information relating to the construction, repair and maintenance of buildings; providing information relating to shipbuilding; providing information relating to safe maintenance and repair; providing information relating to roofing installation and repair; providing information relating to the installation of electrical apparatus; providing information relating to fur care and repair; providing information relating to bathtub and bath boiler cleaning services; providing information relating to the cleaning of carpets and rugs; providing information relating to chimney sweeping services; provision of construction advice; providing advice relating to installation, maintenance and repair services; provision of construction information; provision of construction information relating to

public works; provision of construction information by electronic means; pressing of cloth; pressing of cloth, clothing, fabric and textiles; pressing of textiles; pressing of fabric; emergency roadside vehicle repair services; roadside repair of automobiles; application of anti-graffiti coatings; cleaning of venues before and after events; street construction; rental of bulldozers; rental of drainage pumps; rental of dish drying machines; rental of road sweeping machines; rental of cleaning machines; rental of construction machines and apparatus; rental of cleaning equipment; rental of oil well drilling tools; rental of earth moving equipment and excavators; rental of construction and building equipment; rental of cranes [construction equipment]; rental of floor cleaning machines; rental of dishwashing machines; rental of dishwashers for household purposes; rental of dishwashers for industrial purposes; rental of industrial dish drying machines; rental of laundry washing machines; rental of construction equipment; rental of building scaffolds, working and building platforms; rental of laundry dryers; rental of spin dryers for clothes; rental of mops; rental of excavators; rental of electric washing machines; laying of cable; wiring services for telecommunications; pressing of clothing and providing information relating thereto; plumbing; dredging; masonry; roofing services; painting, interior and exterior; carpentry services; airplane de-icing services; underwater repair; pile driving services; joinery; cabinet making [repair]; installation services relating to the modernization of machines, machine tools and automatic systems for treating and processing metals; plastering; excavation services; quarrying services; removal of debris from buildings [construction services]; renovation of buildings; renovation and maintenance of shopping centers, industrial complexes, office buildings, residential buildings and other real estate developments; repair; repair of automatic livestock feeders; repair of automobiles; repair of vehicles as part of vehicle breakdown services; rebuilding of automobile engines; repair of forklift trucks; repair of water supply apparatus; repair of apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; repair of steam generating apparatus; repair of air filtering apparatus; repair of telecommunication machines and apparatus; repair of apparatus and installations for generating power; repair of heat recovery apparatus; repair of billiard equipment and providing information relating thereto; repair of binoculars; repair of biogas plants and machines; repair of tailboard lifts; repair of tow bars for vehicles; repair of household and kitchen appliances; repair of consumer electronics; reconditioning of vacuum pumps and parts thereof; repair of bicycles; repair of bicycles and providing information relating thereto; repair of ventilating apparatus; repair of water purifying apparatus; repair of air filters; repair of air filters and parts thereof; repair of aerial navigation equipment; repair of compressed air machines; repair of intake air filters for machinery; repair of intake air filters and parts thereof; hat repair; repair of mining machinery; repair of trucks; overhaul of engines and motors; suitcase repair; repair of security locks; repair, servicing and maintenance of vehicles and apparatus for locomotion by air; repair of buildings; umbrella repair and providing information relating thereto; umbrella repair; parasol repair; repair and reconditioning of bearings for machines; repair and reconditioning of anti-friction bearings for machines; repair and reconditioning of bearings, ball-bearings, roller bearings and anti-friction bearings for machines; repair of game machines and apparatus; repair of game machines and apparatus and providing information relating thereto; repair of toys or dolls; repair of toys or dolls and providing information relating thereto; reconditioning machines that are worn or partially destroyed; reconditioning motors and engines that have been worn or partially destroyed; repair and insulation of window joints; maintenance of automobiles; repair or maintenance of nuclear power plants; repair or maintenance of two-wheeled motor vehicles; repair

or maintenance of automobiles; repair or maintenance of automobiles and providing information relating thereto; repair or maintenance of cooking apparatus; repair or maintenance of cooking apparatus for industrial purposes; repair or maintenance of cooking apparatus and installations; repair or maintenance of power distribution or control machines and apparatus; repair or maintenance of boilers; repair or maintenance of boilers and providing information relating thereto; repair or maintenance of chick brooders; repair or maintenance of consumer electrical appliances; repair or maintenance of consumer electrical appliances and providing information relating thereto; repair or maintenance of signboards; repair or maintenance of signboards and providing information relating thereto; repair or maintenance of gas water heaters; repair or maintenance of gas water heaters and providing information relating thereto; repair or maintenance of power generators; repair or maintenance of burners and providing information relating thereto; repair or maintenance of mining machines and apparatus; repair or maintenance of mining machines and apparatus and providing information relating thereto; repair or maintenance of two-wheeled motor vehicles and providing information relating thereto; repair or maintenance of milking machines; repair or maintenance of railway rolling stock; repair or maintenance of railway rolling stock and providing information relating thereto; repair or maintenance of amusement machines and apparatus; repair or maintenance of measuring and testing machines and instruments; repair or maintenance of measuring and testing machines and providing information relating thereto; repair or maintenance of egg incubators; repair or maintenance of cinematographic machines and apparatus; repair or maintenance of cinematographic machines and apparatus and providing information relating thereto; repair or maintenance of movie projectors; repair or maintenance of computers; repair or maintenance of conveyors; repair or maintenance of air-conditioning apparatus; repair or maintenance of vessels and providing information relating thereto; repair or maintenance of fodder mills; repair or maintenance of fodder mixers; repair or maintenance of fodder presses; repair or maintenance of fodder cutters; repair or maintenance of cooking pots and pans and providing information relating thereto; repair or maintenance of cooking pots and pans; repair or maintenance of laboratory apparatus and instruments; repair or maintenance of laboratory apparatus and instruments and providing information relating thereto; repair or maintenance of tobacco processing machines; repair or maintenance of diving machines and apparatus; repair or maintenance of machines and apparatus for use in beauty salons or barbers' shops; repair or maintenance of painting machines and apparatus; repair or maintenance of painting machines and apparatus and providing information relating thereto; repair or maintenance of plastic processing machines and apparatus and providing information relating thereto; repair or maintenance of plastic processing machines and apparatus; repair or maintenance of glassware manufacturing machines and apparatus and providing information relating thereto; repair or maintenance of machines and apparatus for processing food or beverages; repair or maintenance of machines and apparatus for manufacturing rubber goods; repair or maintenance of tobacco processing machines and providing information relating thereto; repair or maintenance of office machines and apparatus; repair or maintenance of amusement machines and apparatus and providing information relating thereto; repair or maintenance of power distribution or control machines and apparatus and providing information relating thereto; repair or maintenance of packing or wrapping machines and apparatus; repair or maintenance of photographic machines and apparatus and providing information relating thereto; repair or maintenance of chemical processing machines and apparatus; repair or maintenance of glassware manufacturing machines and apparatus; repair or maintenance

of chemical processing machines and apparatus and providing information relating thereto; repair or maintenance of machines and instruments for making shoes; repair or maintenance of plant fiber processing machines and implements; repair or maintenance of machines and systems for manufacturing integrated circuits; repair or maintenance of semi-conductor manufacturing machines and systems; repair or maintenance of semi-conductor manufacturing machines and systems and providing information relating thereto; repair or maintenance of waste crushing machines and apparatus and providing information relating thereto; repair or maintenance of waste compacting machines and apparatus and providing information relating thereto; repair or maintenance of medical machines and apparatus; repair or maintenance of medical machines and apparatus and providing information relating thereto; repair or maintenance of metalworking machines and tools; repair or maintenance of metalworking machines and tools and providing information relating thereto; repair or maintenance of power-driven floor cleaning machines; repair or maintenance of mechanical parking systems; repair or maintenance of mechanical parking systems and providing information relating thereto; repair or maintenance of freezing machines and apparatus and providing information relating thereto; repair or maintenance of musical instruments; repair or maintenance of musical instruments and providing information relating thereto; pump repair or maintenance; pump repair or maintenance and providing information relating thereto; repair or maintenance of non-electric cooking apparatus and installations; repair or maintenance of non-electric cooking apparatus and installations and providing information relating thereto; repair or maintenance of gasoline station equipment and providing information relating thereto; repair or maintenance of gasoline station equipment; repair or maintenance of firearms; repair or maintenance of firearms and providing information relating thereto; repair or maintenance of optical machines and instruments; repair or maintenance of optical machines and instruments and providing information relating thereto; repair or maintenance of office machines and apparatus and providing information relating thereto; repair or maintenance of bookbinding apparatus and machines; repair or maintenance of printing or bookbinding machines and apparatus; repair or maintenance of printing or bookbinding machines and apparatus and providing information relating thereto; repair or maintenance of printing machines; repair or maintenance of loading-unloading machines and apparatus and providing information relating thereto; repair and maintenance of feed or booster pumps; repair or maintenance of diving machines and apparatus and providing information relating thereto; repair or maintenance of fire alarms and providing information relating thereto; repair or maintenance of fire alarms; repair or maintenance of cultivating machines and implements; repair or maintenance of fishing tackle; repair or maintenance of fishing tackle and providing information relating thereto; repair or maintenance of overhead projectors; repair or maintenance of industrial furnaces and providing information relating thereto; repair or maintenance of cooking apparatus for industrial purposes and providing information relating thereto; repair or maintenance of air-conditioning apparatus for industrial purposes and providing information relating thereto; repair or maintenance of industrial washing machines and providing information relating thereto; repair or maintenance of industrial dishwashing machines; repair or maintenance of industrial dishwashing machines and providing information relating thereto; repair or maintenance of industrial washing machines; repair or maintenance of industrial furnaces; repair or maintenance of loading-unloading machines and apparatus; repair or maintenance of storage tanks; repair or maintenance of fishing machines and instruments and providing information relating thereto; repair or maintenance of fishing machines and instruments; repair or maintenance of power-driven floor

cleaning machines and providing information relating thereto; repair or maintenance of agricultural machines and implements and providing information relating thereto; repair or maintenance of agricultural machines and implements; repair or maintenance of power generators and providing information relating thereto; repair or maintenance of snow ploughs; repair or maintenance of construction equipment; repair or maintenance of construction machines and apparatus; repair or maintenance of construction machines and apparatus and providing information relating thereto; repair or maintenance of textile machines and apparatus; repair or maintenance of textile machines and apparatus and providing information relating thereto; repair or maintenance of telecommunication machines and apparatus; repair or maintenance of telecommunication machines and apparatus and providing information relating thereto; repair or maintenance of telecommunication machines and apparatus; other than telephone sets, radio receivers and television receivers; repair or maintenance of telephone apparatus; repair or maintenance of vending machines and providing information relating thereto; repair or maintenance of harvesting machines and implements; repair or maintenance of packing or wrapping machines and apparatus and providing information relating thereto; repair or maintenance of vehicle washing installations and providing information relating thereto; repair or maintenance of bicycle parking apparatus; repair or maintenance of bicycle parking apparatus and providing information relating thereto; repair or maintenance of water pollution control equipment and providing information relating thereto; repair or maintenance of water purifying apparatus and providing information relating thereto; repair or maintenance of photographic machines and apparatus; repair or maintenance of chemical plants; repair or maintenance of chemical plants and providing information relating thereto; repair or maintenance of freezing machines and apparatus; repair or maintenance of storage tanks and providing information relating thereto; repair or maintenance of clocks and watches; repair or maintenance of clocks and watches and providing information relating thereto; repair or maintenance of sewing machines; repair or maintenance of sewing machines and providing information relating thereto; repair or maintenance of electric cooking apparatus and installations; repair or maintenance of electric motors and providing information relating thereto; repair or maintenance of electric lighting apparatus and providing information relating thereto; repair or maintenance of electric motors; repair or maintenance of electronic machines and apparatus; repair or maintenance of electronic machines and apparatus and providing information relating thereto; repair or maintenance of electric lighting apparatus; repair or maintenance of nuclear power plants and providing information relating thereto; repair and maintenance of gymnastic and sporting articles; repair and maintenance of toys; repair and maintenance of leather goods; repair and maintenance of furniture; repair and maintenance of footwear; repair and maintenance of clothing; repair and maintenance of spectacles and providing information relating thereto; repair and maintenance of spectacles; repair and maintenance of garden tools; repair and maintenance of sports and fitness equipment; repair and maintenance of textile goods; repair and maintenance of camping equipment; repair and maintenance of jewelry and watches; automobile body repair and finishing for others; repair and restoration of books; repair and restoration of household articles; repair and restoration of furniture; repair and maintenance of upholstery; motor vehicle maintenance and repair; repair and maintenance of motor vehicles and their engines; repair and maintenance of motor vehicles and parts thereof and of engines for motor vehicles and parts thereof; repair and maintenance of automobiles and parts thereof; repair or maintenance of water purifying apparatus; repair and maintenance of vacuum pumps; repair and maintenance of vacuum

pumps and parts thereof; repair and maintenance of bicycles; repair and maintenance of ventilating apparatus; repair and maintenance of wind power plants; repair and maintenance of air vehicles; repair and maintenance of wave energy power plants; repair and maintenance of gas and electricity installations; burner maintenance and repair; repair and maintenance of mining, earth moving, road making, agricultural and farming equipment; repair and maintenance of mining equipment; repair and maintenance of mining machines; repair and maintenance of engines for motor vehicles; repair and maintenance of road making machines; repair and maintenance of rail vehicles; repair and maintenance of residential buildings; repair and maintenance of buildings; repair and maintenance of earth moving equipment; repair and maintenance of earth moving machines; repair and maintenance of horological and chronometric instruments; repair and maintenance of uninterruptible power supplies; film projector repair and maintenance; repair and maintenance of hardware for data processing apparatus; repair and maintenance of compressors; repair and maintenance of computer and telecommunications hardware; repair and maintenance of computer and telecommunications equipment; repair or maintenance of air-conditioning apparatus for industrial purposes; repair and maintenance of air-conditioning apparatus; repair and maintenance of ships; repair and maintenance of laser measuring apparatus; repair and maintenance of boats; repair or maintenance of waste compacting machines and apparatus; repair or maintenance of waste crushing machines and apparatus; repair or maintenance of sericultural machines and implements; repair and maintenance of machines and machine tools for treating and processing metals; repair and maintenance of machines, machine tools and automatic systems for treating and processing metals; repair and maintenance of machines, apparatus and tools; repair and maintenance of medical instruments, apparatus and equipment; repair and maintenance of motors; repair and maintenance of airplane motors and engines; repair and maintenance of motorcycles; repair and maintenance of multimedia apparatus; repair or maintenance of water pollution control equipment; repair and maintenance of road making equipment; repair and maintenance of public transport vehicles; repair and maintenance of axles and parts thereof; repair and maintenance of heating apparatus; repair and maintenance of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus; repair and maintenance of office buildings; repair and maintenance of cooling appliances and installations; repair or maintenance of passenger elevators; repair and maintenance of presses for processing metals; repair and maintenance of industrial machinery; repair and maintenance of dust extraction apparatus; repair and maintenance of radio systems and networks; airplane maintenance and repair; safe maintenance and repair; repair and maintenance of agricultural equipment; repair and maintenance of agricultural machines; repair and maintenance of motor vehicle cooling systems; repair or maintenance of sporting equipment; repair and maintenance of building scaffolds, working and building platforms; repair or maintenance of vessels; repair and maintenance of land vehicles; repair and maintenance of drying apparatus; repair and maintenance of telecommunications apparatus, other than telephone sets, radio receivers and television receivers; repair or maintenance of vending machines; repair and maintenance of shopping centers, industrial complexes, office buildings, residential buildings and other real estate developments; repair and maintenance of transport containers; repair and maintenance of vehicle tires; repair and maintenance of audio frequency amplifiers; repair and maintenance of video frequency amplifiers; repair or maintenance of vehicle washing installations; repair and maintenance of photographic apparatus; repair and maintenance of surgical instruments and apparatus; repair and maintenance of chassis parts and bodies for vehicles; repair and

maintenance of refrigerating apparatus; repair or maintenance of elevators [lifts]; repair and maintenance of electrical apparatus; repair and maintenance of electric vehicles; repair and maintenance of electricity generators; repair and maintenance of electronic apparatus; repair and maintenance of electronic display panels; repair and maintenance of electronic navigational and positioning apparatus and instruments; repair and maintenance of electronic installations; renovation, repair and maintenance of electrical wiring; repair and maintenance of energy generating installations; repair and maintenance of yachts; clock and watch repair; repair and cleaning of pallets and transport containers; cabinet repair; repair of computers; repair of computer hardware; repair of roofing; repair of cooking apparatus; repair of power lines; repair of personal ornaments; repair of personal ornaments and providing information relating thereto; repair of furniture; repair of medical machines and apparatus; repair of metalworking machines and apparatus; repair of metallurgical plants and rolling mills; repair of bags or pouches and providing information relating thereto; repair of musical instruments; repair of land vehicles; watch repair; pump repair; upholstery repair; repair of billiard equipment; repair of water pollution control equipment; shoe repair; shoe repair and providing information relating thereto; repair of shoes, bags and belts; clothing repair and providing information relating thereto; clothing repair; sign repair; repair of lighting apparatus; repair of axles for machines; repair of axles for vehicles; repair of heating apparatus; repair of heating, air-conditioning and alarm installations; repair of office machines and apparatus; repair of spectacles; repair of spectacles and providing information relating thereto; repair of energy production plants and machines; repair of suspension systems for vehicles; repair of industrial machinery; repair of industrial furnaces; vacuum cleaner repair; repair of radios; repair of radio or television sets; repair of fishing tackle and providing information relating thereto; repair of sanitary installations; repair of fishing tackle; repair of alarms; repair of animal waste treatment systems; repair of electronic cash register systems; repair of damaged computers; repair of hearing aids and hearing protectors; repair of sports equipment; repair of sports equipment and providing information relating thereto; repair of machines for treating organic waste; repair of industrial waste treatment machines; stereo system repair; repair of construction and agricultural machinery; scaffolding repair; repair of construction machines and construction equipment; repair of bags or pouches; repair of drying apparatus; repair of couplings for land vehicles; repair of tatami mats; repair of tatami mats and providing information relating thereto; repair of television apparatus; telephone repair; repair, maintenance and overhaul of automobiles; repair, maintenance, servicing, dismantling, rebuilding and cleaning of vehicle engines and parts thereof; repair, maintenance, servicing, dismantling, rebuilding, cleaning and varnishing of vehicles and parts thereof; repair of brake systems for vehicles; repair of trailers; repair of toilet bowls with integrated bidet water jets; repair of toilet bowls with integrated bidet water jets and providing information relating thereto; repair of water supply installations; repair of installations for use in metal production, metal processing and metal working; repair of vehicle washing installations; repair of air-conditioning apparatus; repair of energy supply installations; repair of garbage disposals; repair of facsimile machines; repair of filters for machines, motors or engines; repair of filters and parts thereof; photographic apparatus repair; repair of cameras; repair of refrigerating apparatus; refrigerator repair; clock repair; reconditioning machines, motors and engines that have been worn or partially destroyed; luggage repair; repair of electrical equipment; repair of electrical equipment and electrotechnical installations; repair of electronic business equipment; repair of jewelry; hat restoration; restoration of buildings; renovating and constructing homes for low-income families; furniture restoration; furniture restoration and providing

information relating thereto; restoration of musical instruments; restoration of works of art; furniture restoration, repair and maintenance; servicing and repair of lifting apparatus; servicing and repair of mechanical access platforms; servicing and repair of elevating work platforms; servicing of apparatus and installations for generating power; servicing of manufacturing machines and apparatus; servicing, cleaning and repair of chemical apparatus; automobile greasing; automobile lubrication; vehicle greasing; demolition of civil engineering structures; demolition of houses and buildings; demolition of buildings; pavement stripping; road stripping; warehouse construction and repair; installation, maintenance and repair of manufacturing plants; vehicle service stations [refuelling and maintenance]; sterilization of medical instruments; sterilization of surgical instruments; sterilization of surgical equipment; washing; washing of linen; washing of cloth, clothing, fabric, linen and textiles; washing, ironing, smoothing and repairing of textile goods for reuse; washing of clothing; washing of textiles; washing of fabric; washing of cloth; construction; construction of airports; pier construction; construction of hydroelectric factories; pier breakwater building; custom construction of homes; road construction; chimney construction; residential and commercial building construction; construction and renovation of buildings; custom construction and building renovation; construction and repair of houses; construction and repair of buildings; pipeline construction and maintenance; building of canal locks; shipbuilding and providing information relating thereto; construction of porches; building of shops; construction of medical establishments; construction of oil pipelines; construction of decks; underwater construction; harbour construction; factory construction; construction, repair and maintenance of buildings; construction, repair and maintenance of buildings, and providing information relating thereto; construction of sunrooms; construction of structures for the production of crude oil; construction of structures for the production of natural gas; construction of structures for the transportation of natural gas; construction of structures for the transportation of crude oil; construction of structures for the storage of natural gas; construction of structures for the storage of crude oil; construction of telecommunication towers; construction, maintenance and renovation of property; construction, maintenance and repair of watercraft, yachts, boats and water vehicles; pipeline construction; building of fair stalls and shops; yacht building; shipbuilding; marine construction; custom shipbuilding; routine servicing of ventilating apparatus; routine servicing of air-conditioning apparatus; routine servicing of heating apparatus; routine servicing of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus; routine servicing of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus at intervals stipulated by the manufacturer; routine servicing of dust extraction apparatus; routine servicing of drying apparatus; routine servicing of refrigerating apparatus; thermal insulating of buildings; building inspection in the course of building construction; maintenance of aquariums; aircraft maintenance or repair and providing information relating thereto; maintenance and repair of computer hardware; maintenance and repair of skis; machinery maintenance and repair; maintenance and repair of hardware for computer networks; maintenance and repair of heating installations; maintenance and repair of telecommunications networks, apparatus, and instruments; maintenance of computer hardware; maintenance of medical apparatus and instruments; maintenance, repair and cleaning of apparatus and machinery for manufacturing semi-conductors; maintenance of septic systems; tuning of engines for motor vehicles; tuning of motors and engines for automobiles; tuning of motors and engines; cleaning of automobiles; cleaning of building interiors; cleaning of exhibition stands; cleaning of urban areas; cleaning of residential houses; cleaning of residential and commercial properties;

cleaning of buildings [interior]; cleaning of buildings, industrial sites and building sites; cleaning of building interiors and exteriors; crime scene clean-up services; cleaning of public areas; cleaning of office buildings and commercial premises; cleaning of industrial premises; cleaning of airplanes; street cleaning; street cleaning and providing information relating thereto; cleaning services in the nature of collecting trash, other than transport; asbestos removal; removal of graffiti; rust removal; laying of paving; carpet laying; tile laying, bricklaying or block laying; building reinforcing; vermin exterminating, other than for agriculture, aquaculture, horticulture and forestry; extermination of pests, other than for agricultural purposes; vermin exterminating, other than for agriculture, forestry or horticulture; vermin exterminating, other than for agriculture, forestry or horticulture, and providing information relating thereto; road sealing; garage services for automobile repair; construction, maintenance, cleaning and repair services; garage services for the maintenance and repair of motor vehicles; information and consultancy services relating to vehicle repair; advisory services in the fields of construction, repair, restoration, maintenance and installation; consultancy and information services relating to construction; consultancy, information and advisory services relating to the construction of public works; advisory services relating to the construction and repair of airports and airport facilities; consultancy relating to the repair and reconditioning of anti-friction bearings for machines; consultancy relating to the repair and reconditioning of bearings, ball-bearings, roller bearings and anti-friction bearings for machines; consultancy and advisory services relating to the repair and maintenance of vacuum pumps and parts thereof; consultancy services relating to the construction of buildings; consultancy relating to installation, maintenance and repair services; consultancy relating to the installation, maintenance and repair of windmills and wind turbines; consultancy services regarding the installation and maintenance of telecommunications, transmission and broadcasting equipment, apparatus and instruments; advisory services relating to building demolition; advisory services relating to the construction of buildings; advisory services relating to the construction of buildings and other structures; advisory services relating to the construction of public works; advisory services relating to the maintenance and repair of mechanical and electrical equipment; advisory services relating to the maintenance, repair and renovation of buildings and other structures; advisory services relating to the installation of audiovisual equipment; advisory services relating to the installation of hydraulic equipment; advisory services relating to the installation of plumbing; advisory services relating to the installation of heating and cooling apparatus; advisory services relating to the installation of building automation equipment; advisory services relating to the installation of security and safety equipment; advisory services relating to the installation of communication equipment; advisory services relating to the installation of lighting apparatus; advisory services relating to the installation of passenger elevators; advisory services relating to the installation of fire prevention equipment; advisory services relating to the installation of telephone equipment; advisory services relating to the installation, maintenance and repair of mechanical and electrical equipment; painting services; decorative painting services; assembly services relating to the installation of presses for processing metals; automobile undercoating services; vehicle undercoating services; tire balancing; pest control services, other than for agriculture, aquaculture, horticulture and forestry; interior sealing and caulking services; building sealing and caulking services; hydraulic fracturing services; computer and telephone battery recharge services; building construction supervision services relating to shopping centers, industrial complexes, office buildings, residential buildings and other real estate developments; building construction supervision services for real estate projects; building

construction supervision services for building projects; machinery retrofit and conversion services; construction services relating to the installation of heating, ventilating and air-conditioning systems; seat covering services; snow removal and de-icing services for airplanes; drain cleaning services; fire extinguisher recharging services; house painting; interior and exterior window cleaning services; assembly services relating to the installation of machines and machine tools for treating and processing metals; assembly services relating to the installation of machines, machine tools and automatic systems for treating and processing metals; artificial snow-making services; construction, repair, maintenance and installation services; pressure washing services; cleaning services; industrial and commercial cleaning services; domestic cleaning services; street sweeping services; installation and maintenance services; installation of building scaffolds, working and building platforms; installation, maintenance and repair services; installation services for elevators and lifts; electrical installation services; installation services; removing birds from residential and commercial buildings; swimming pool cleaning services; air duct cleaning services; laundering of cloth, clothing, fabric, linen and textiles; laundering of babies' diapers; laundering of cloth; laundering of clothing; laundering of textiles; laundering of fabric; laundering; laundering and disinfecting of linen; laundering and providing information relating thereto; installation, maintenance and repair services provided by a handyman; construction and maintenance services relating to civil engineering; installation of ventilation and dust extraction systems; installation of apparatus for recording, transmission or reproduction of sound or images; installation of air-conditioning apparatus for use in clean rooms; installation of apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; installation of heating, lighting and cooking apparatus; installation of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus; installation of apparatus for generating power; installation of dust extraction apparatus; installation of air-conditioning apparatus; installation of gas supply and distribution apparatus; installation of reactive power compensation apparatus; installation of audiovisual equipment; installation of ventilating apparatus; installation of plumbing systems; installation of gas and water pipelines; installation of water pipes; installation of hydraulic equipment; installation of drywall panels; installation of lightning conductors; installation of doors and windows; installation of engines and motors; installation of wood flooring; installation of wallboards; installation of rainwater drainage systems; installation of pipe insulation; installation of insulating materials; installation and maintenance of heating systems; installation and maintenance of solar thermal installations; installation and maintenance of photovoltaic installations; antenna installation and repair; plate glass installation and repair services; installation and repair of door frames; installation and repair of business and office machinery and equipment; Venetian blind installation and repair; setup or repair of locks; setup or repair of locks and providing information relating thereto; irrigation devices installation and repair; installation and repair of computer hardware; computer installation and repair; elevator installation and repair; installation and repair of freezing apparatus; installation and repair of window blinds; installation and repair of window frames; heating equipment installation and repair; burglar alarm installation and repair; installation and repair of burglar or fire alarms; furnace installation and repair; installation and repair of air-conditioning systems; installation and repair of heating, ventilating and air-conditioning systems; satellite dish installation and repair; installation and repair of television apparatus; telephone installation and repair; furnace and smelter installation and repair; pipeline installation and repair; installation and repair of air-conditioning apparatus; fire alarm installation and repair; freezing

equipment installation and repair; electric appliance installation and repair; installation of rainwater collection systems; installation and maintenance of transmission and broadcasting equipment, apparatus and instruments; installation and maintenance of irrigation systems; installation and maintenance of computer hardware for the transfer of data for remote reading of electricity meters; installation and maintenance of hardware for computer networks and Internet access; installation and maintenance of burglar or fire alarms; installation and maintenance of industrial plant and equipment; installation and maintenance of traffic control apparatus; installation and maintenance of electronic apparatus; installation of cables for Internet access; installation of communication equipment; installation of computer hardware; installation of hardware for Internet access; installation of hardware and cables for Internet access; installation, construction, maintenance, servicing and repair of energy and power generating apparatus, equipment and installations; roofing installation; kitchen equipment installation; installation of kitchen appliances; installation of cooking appliances; installation of kitchen cabinets; installation of rainwater tanks; installation of foundry equipment; installation of machinery for generating electricity; installation of machines and machine tools for treating and processing metals; machinery installation; installation of furniture; installation of furniture for stores; installation of door closers; installation of door openers; installation of door openers and closers; oil well casing, tubing, and drill pipe installation; installation of floor tiles; installation of hardware for computer networks; installation of hardware for computer systems; installation of laundry and kitchen equipment; installation of building automation equipment; installation, maintenance and repair of computer hardware; installation, maintenance and repair of water supply apparatus; installation of fencing; installation of pet containment systems; installation of windows; installation of security and safety equipment; installation of office machines; installation of lighting apparatus; installation of heating apparatus; installation of heating and cooling apparatus; installation of heating systems; installation of security systems; installation of tents; installation of passenger elevators; installation of fire alarms; installation of presses for processing metals; installation of fixtures and fittings for buildings; installation of industrial machinery; installation of industrial furnaces; installation of fire prevention equipment; installation of radio systems and networks; installation, maintenance and repair of automatic doors and barriers; installation, maintenance and repair of machines for use in the publishing industry; machinery installation, maintenance and repair; installation, repair and maintenance of clean room facilities and equipment; installation, repair and maintenance of heating equipment; office machines and equipment installation, maintenance and repair; installation, maintenance and repair of fire, smoke and heat alarms; installation, maintenance and repair of ventilating systems; installation, repair and maintenance of condensing apparatus, steam condensers, radiators for motors and engines, air reheaters, boiler tubes; installation of siding; custom installation of automobile interiors; installation of sanitary apparatus; installation of plumbing; installation of septic tanks; installation of commercial cooking apparatus; installation of environmental protection systems; installation of environmental control systems; installation of environmental control systems for clean rooms; installation of air-conditioning control systems; installation of air-conditioning systems; installation of heating, ventilation and air-conditioning [HVAC] systems; installation of electric light and power systems; installation of rainwater harvesting systems; installation of clean room systems; installation, changing, replacement and repair of locks; installation of satellite dishes; installation of glass in conservatories, windows, doors and greenhouses; installation of drying apparatus; installation of telephone equipment; installation of building insulation; installation of telephone lines;

installation of cavity wall insulation; installation of insulating materials in buildings, roofs and structures; installation of insulating glass in conservatories, windows, doors and greenhouses; installation of thermal insulation for buildings; installation, maintenance and repair of automated teller machines; installation of water supply apparatus; installation, maintenance and repair of automation systems; installation, maintenance and repair of automatic emergency exits; installation, maintenance and repair of automatic doors and gates; installation, maintenance and repair of automatic apparatus for opening and closing ventilation flaps; installation, maintenance and repair of automatic apparatus for opening and closing windows; installation, maintenance and repair of automatic apparatus for opening and closing windows, fanlights, skylights and ventilation flaps; installation, maintenance and repair of automatic apparatus for opening and closing skylights; installation, maintenance and repair of automatic apparatus for opening and closing fanlights; installation, maintenance and repair of anemometers; installation, maintenance and repair of hardware for computer networks; installation, maintenance and repair of hardware for data communication networks; installation, maintenance and repair of remote control apparatus; installation, maintenance and repair of air analysis apparatus; installation, maintenance and repair of apparatus for supplying gas; installation, maintenance and repair of drilling and mining apparatus; installation, maintenance and repair of electronic monitoring apparatus; installation, maintenance and repair of hardware for data processing apparatus; installation, maintenance and repair of apparatus for processing metals; installation, maintenance and repair of apparatus for heating, purifying air, refrigerating, drying, ventilating, temperature control and air-conditioning; installation, maintenance and repair of energy conversion apparatus and power plants; installation, maintenance and repair of energy conversion apparatus, power plants, wave energy conversion apparatus and wave energy power plants; installation, maintenance and repair of apparatus for generating electricity; installation, maintenance and repair of apparatus for generating power; installation, maintenance and repair of apparatus for authentication of documents; installation, maintenance and repair of apparatus for checking the authenticity of banknotes; installation, maintenance and repair of apparatus for supplying electricity; installation, maintenance and repair of fire detection apparatus; installation, maintenance and repair of quality control apparatus; installation, maintenance and repair of wave energy conversion apparatus and wave energy power plants; installation, maintenance and repair of mechanically operated apparatus for opening and closing ventilation flaps; installation, maintenance and repair of mechanically operated apparatus for opening and closing windows; installation, maintenance and repair of mechanically operated apparatus for opening and closing windows, fanlights, skylights and ventilation flaps; installation, maintenance and repair of mechanically operated apparatus for opening and closing skylights; installation, maintenance and repair of district heating apparatus; installation, maintenance and repair of electronic data processing apparatus; installation, maintenance and repair of broadcasting apparatus; installation, maintenance and repair of quality control apparatus for printing presses; installation, maintenance and repair of ballast apparatus for ships; installation, maintenance and repair of batteries and accumulators; installation, maintenance and repair of wind towers; installation, maintenance and repair of vacuum pumps; installation, maintenance and repair of ventilating apparatus; installation, maintenance and repair of weighing apparatus; installation, maintenance and repair of veterinary apparatus and instruments; installation, maintenance and repair of wind towers and anemometers; installation, maintenance and repair of windmills and wind turbines; installation, maintenance and repair of air filters; installation, maintenance and repair of fiber optic networks;

installation, maintenance and repair of blow molding machines; installation, maintenance and repair of high pressure lines, hosing and pipelines for hydraulic systems; installation, maintenance and repair of gas and electricity systems; installation, maintenance and repair of gas, electricity and water supply apparatus; installation, maintenance and repair of alternators; installation, maintenance and repair of hydraulic systems for machinery; installation, maintenance and repair of hydraulic systems for vehicles; installation, maintenance and repair of hydraulic equipment; installation, maintenance and repair of doors and fences; installation, maintenance and repair of chassis parts and bodies for vehicles; installation, maintenance and repair of fire, smoke and heat detectors; installation, maintenance and repair of ink metering apparatus for printing presses; installation, maintenance and repair of railroad tracks; installation, maintenance and repair of gaming machines, juke boxes and telecommunication equipment; installation, maintenance and repair of measuring apparatus; installation, maintenance and repair of measuring and testing apparatus and instruments; installation, maintenance and repair of clocks and other horological and chronometric instruments; installation, maintenance and repair of measuring, signalling and monitoring apparatus and instruments; installation, maintenance and repair of inverters, batteries and electrical connection apparatus for solar energy systems; installation, maintenance and repair of drilling and mining tools; installation, maintenance and repair of card readers; installation, maintenance and repair of catalytic converters; installation, maintenance and repair of compressors; installation, maintenance and repair of compressors, air pumps and vacuum pumps; installation, maintenance and repair of compressors, air pumps, vacuum pumps, air blowers, air filters, alternators, pressure regulators and oil separators; installation, maintenance and repair of computer hardware and electronic teaching equipment and apparatus; installation, maintenance and repair of computer hardware for electronic data processing systems; installation, maintenance and repair of computer hardware for telecommunications systems; installation, maintenance and repair of computer hardware and peripherals; installation, maintenance and repair of air-conditioning apparatus; installation, maintenance and repair of cash registers; installation, maintenance and repair of ink rollers for printing presses; installation, maintenance and repair of kitchen equipment; installation, maintenance and repair of kitchen furniture; installation, maintenance and repair of labeling machines; installation, maintenance and repair of machines for processing plastics; installation, maintenance and repair of machinery for the printing industry; installation, maintenance and repair of cleaning machines; installation, maintenance and repair of machinery for the graphics industry; installation, maintenance and repair of medical apparatus and instruments; installation, maintenance and repair of metalworking machines; installation, maintenance and repair of meteorological masts; installation, maintenance and repair of computer network and information technology equipment; installation, maintenance and repair of air blowers; installation, maintenance and repair of heating apparatus; installation, maintenance and repair of heating systems; installation, maintenance and repair of pumps and pumping stations; installation, maintenance and repair of oil separators; installation, maintenance and repair of building automation equipment; installation, maintenance and repair of container filling machines; installation, maintenance and repair of apparatus for conveying goods; installation, maintenance and repair of equipment and apparatus for use in demolition; installation, maintenance and repair of equipment and apparatus for use in mining; installation, maintenance and repair of equipment and apparatus for use in mining, open pit mining and quarrying; installation, maintenance and repair of equipment and apparatus for use in road building; installation, maintenance and repair of air freshening apparatus;

installation, maintenance and repair of lighting apparatus; installation, maintenance and repair of burglar alarms; installation, maintenance and repair of air purifying apparatus; installation, maintenance and repair of passenger elevators; installation, maintenance and repair of passenger elevators, moving sidewalks, passenger bridges, moving stairways and stairway lifts; installation, maintenance and repair of printing machines; installation, maintenance and repair of printing machines and parts thereof; installation, maintenance and repair of printing presses; installation, maintenance and repair of printing presses and other machinery for use in the publishing industry; installation, maintenance and repair of printing presses and parts thereof; installation, maintenance and repair of loading and unloading machines; installation, maintenance and repair of fire and security alarms; installation, maintenance and repair of fire alarms; installation, maintenance and repair of apparatus for distributing electricity; installation, maintenance and repair of apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; installation, maintenance and repair of computer peripherals; installation, maintenance and repair of manufacturing machines and apparatus; installation, maintenance and repair of industrial machinery; installation, maintenance and repair of industrial machinery and manufacturing plants; installation, maintenance and repair of fire and smoke barriers; installation, maintenance and repair of filling machines; installation, maintenance and repair of pressure regulators; installation, maintenance and repair of freestanding lattice towers; installation, maintenance and repair of LED lighting apparatus; installation, maintenance and repair of air-conditioning systems; installation, maintenance and repair of boiler systems; installation, maintenance and repair of boiler systems and solar energy systems; installation, maintenance and repair of exhaust gas reduction systems; installation, maintenance and repair of heat insulation systems; installation, maintenance and repair of dental apparatus and instruments; installation, maintenance and repair of drying apparatus; installation, maintenance and repair of money counting and sorting machines; installation, maintenance and repair of moving sidewalks; installation, maintenance and repair of passenger bridges; installation, maintenance and repair of packaging machines; installation, maintenance and repair of mechanically operated apparatus for opening and closing fanlights; installation, maintenance and repair of molding machines; installation, maintenance and repair of photovoltaic modules; installation, maintenance and repair of photovoltaic cells and modules; installation, maintenance and repair of refrigerating apparatus; installation, maintenance and repair of cooling and air-conditioning systems for temperature-controlled environments; installation, maintenance and repair of electrical and electronic apparatus for use in the field of automation; installation, maintenance and repair of electrical and electronic apparatus and equipment; installation, maintenance and repair of electrical lighting apparatus; installation, maintenance and repair of electrical devices; installation, maintenance and repair of electrical and electronic measuring and testing apparatus and instruments; installation, maintenance and repair of electrical equipment; installation, maintenance and repair of electronic regulating apparatus; installation, maintenance and repair of electronic control apparatus; installation, maintenance and repair of electrical drives and drive systems for machines; installation, maintenance and repair of power plants and power grids; installation, maintenance and repair of escalators; installation, maintenance, repair and reconditioning of industrial machinery; installation, maintenance and repair of equipment and apparatus for use in coal mining; installation of theft prevention devices; installation of photovoltaic cells and modules; installation of refrigerating apparatus; installation of electrical apparatus or generators; installation of electric and electronic equipment in automobiles; installation

of electrical wiring; installation of energy-saving apparatus; interference suppression in electrical apparatus; installation of ship interiors; swimming-pool maintenance; furniture maintenance; fur care and repair; fur care and repair and providing information relating thereto; fumigating; fumigation of buildings against pests; chimney sweeping; car cleaning; chimney sweeping and providing information relating thereto; automobile cleaning and washing; leather cleaning and repair; fur cleaning and repair; boiler cleaning and repair; cleaning of rugs; carpet cleaning; cleaning of carpets and rugs; cleaning of carpets and rugs, and providing information relating thereto; rug shampooing; shoe shining; cleaning of clothing; window cleaning and providing information relating thereto; cleaning of storage tanks; storage tank cleaning and providing information relating thereto; leather care, cleaning and repair; fur care, cleaning and repair; septic tank cleaning; septic tank cleaning and providing information relating thereto; dry cleaning; cleaning of textiles; vehicle cleaning; cleaning of packaging materials, packing containers and transport pallets; diaper cleaning; cleaning of surgical instruments and equipment; floor sanding; buffing and polishing; plastering and painting of building interiors; inspection of automobiles and parts thereof prior to maintenance and repair; building maintenance; building maintenance and repair services provided by a handyman.

Class 39

Air transport; airline transport services; airline services for the transportation of passengers; airline services for the transportation of cargo; airline services for the transportation of goods; computerized tracking and tracing of packages in transit [transport information]; vehicle transport; vehicle transport and rental services; motor coach rental; car rental, garage and parking space rental; rental of automobiles and bicycles; rental of road and rail vehicles, except passenger vehicles; rental of bicycles; boat rental; rental of recreational vehicles; garage rental; rental of garages and parking places; rental of watercraft; rental of deep water diving suits; rental of rowing boats; rental of moving vans; rental of trucks; truck and trailer rental; rental of refrigerator-freezers for household use; rental of baby strollers; rental, booking and providing of motor vehicles, bicycles and horses; rental, booking and providing of ships; rental, booking and providing of rowing boats, motorboats, sailing vessels and canoes; rental, booking and providing of ships, rowing boats, motorboats, sailing ships and canoes; rental, booking and providing of ships, yachts, rowing boats, motorboats, sailing vessels, canoes and other watercraft; rental, booking and providing of passenger ships; rental, booking and providing of airplanes; rental, booking and providing of yachts; rental of protective covers for vehicle seats; rental of canoes; rental of containers for the shipping industry; rental of containers for warehousing and storage; rental of containers for transport and storage of goods; rental of boats, cars, bicycles, diving bells and diving suits; rental of vehicle roof racks; aircraft rental; rental of frozen food lockers; rental of horses for transportation purposes; parking place rental; rental of mechanical parking systems; rental of freezers for household use; rental of freezers for commercial use; rental of motorboats; rental of scooters for transportation purposes; motorcycle rental; rental of motor vehicles, ships and aircraft; rental of motor vehicles; rental of parking places and garages for vehicles; rental of vehicle parking spaces; rental of sailing vessels; rental of loading-unloading machines and apparatus; rental of diving bells and diving suits; rental of pallets; rental of mailboxes; airplane rental; rental of aircraft, vehicles and boats; rental of warehouses; rental of warehouses and storage containers; rental of warehouse space; rental of pallets and containers for transportation of goods; rental of pallets and containers for storage of goods; rental of storage facilities; rental of vessels; rental of tractors; rental of transport and storage containers; rental of vehicles for events; rental of

vehicles and apparatus for locomotion by air; rental of GPS-equipped vehicles; rental of automobile trailers; rental of traction vehicle and trailers; rental of packing or wrapping machines and apparatus; rental of refrigerators for household use; rental of refrigerators for commercial use; rental of freezing machines and apparatus; rental of storage space; rental of electric cars; rental of sailboats; storage of blood; freight transportation brokerage; rental car reservation; booking of seats for travel; reservation of parking spaces; booking of transportation via a web site; travel reservation; transport reservation; booking of eco-travel and eco-tours via a web site; towing; vehicle breakdown towing services; emergency automobile or truck towing; towing of automobiles; towing of vehicles in connection with breakdown services; towing and transportation of cars as part of vehicle breakdown services; towing of vessels; towing of motor vehicles; maritime towing; bottling services; water distribution; air and sea transport; air transport and storage of goods; air transport and providing information relating thereto; refloating of ships and providing information relating thereto; temporary storage of personal belongings; temporary storage of deliveries; issuing of tickets for travel; freight transportation by truck; diving and underwater salvage; delivery of newspapers; document delivery; food delivery; delivery of food by restaurants; delivery of magazines; delivery and forwarding of letters and packages; delivery and forwarding of mail; delivery and storage of goods; message delivery; correspondence delivery by post or messenger; delivery, dispatching and distribution of newspapers and magazines; parcel delivery; delivery of letters, correspondence, magazines, packets, parcels, newspapers, freight and goods; pizza delivery; delivery of gift baskets with selected items regarding a particular occasion or theme; delivery of messages by courier; delivery of mail by courier; message delivery accompanied by balloons or novelty presentations; delivery of goods; delivery of goods by road or rail; delivery of goods by truck; delivery of goods by air; delivery of goods by mail order; delivery of goods and messages accompanied by balloons or novelty presentations; delivery of goods by courier; delivery of packages by courier; flower delivery; delivery of parts to grounded aircraft via airplane; railway transport and providing information relating thereto; loading of cargo; loading and unloading of airplanes; loading and unloading of goods; loading, packing, storage and transportation of cargo; loading, packing, storage, transportation and unloading of cargo; loading, packing, storage, transport and unloading of freight; loading of freight; loading of freight onto ships; loading of freight containers onto trucks; loading of freight containers onto rail vehicles; loading of freight containers onto ships; booking of tickets for travel; travel ticket reservation services; reservation and booking of seats for travel; booking and arranging of access to airport lounges; booking of seats for rail travel; booking of seats for coach travel; booking of seats for air travel; booking of transportation through travel agencies; booking of transportation via global computer networks; booking of travel through agencies; booking of travel through third party agencies; booking of travel through tourist offices; booking of travel, excursions and cruises; booking of airport parking; booking of transport; booking of travel services; computerized reservation of travel; launch and placement in prescribed orbit of satellites of others; launching of satellites for others; information and advisory services in relation to the distribution of energy; information services relating to the movement of cargo; information services relating to methods of transport; information relating to travel and travel services provided on-line; tourist information services relating to travel; traffic information; travel information; transportation information; storage information; travel information about disruptions due to adverse weather conditions; consultancy in the field of air transport; consultancy in the field of business travel provided by telephone call centers and hotlines; advisory services relating to the delivery of goods; advisory services relating to the tracking of goods in transit [transport information]; consultancy in

the field of travel provided by telephone call centers and hotlines; consultancy relating to travel, transport and storage services; advisory services relating to transportation; consultancy in the field of transport services provided by telephone call centers and hotlines; consultancy relating to the storage and transportation of goods; advisory services relating to the storage and transportation of goods, freight or cargo; consultancy in the field of storage services provided by telephone call centers and hotlines; advisory services relating to the storage of goods; consultancy and booking services relating to travel; consultancy and information relating to air transport services for goods and people; consultancy services relating to transportation; consultancy services relating to the distribution of electricity; consultancy services relating to the transportation and storage of gas, oil and chemicals; consultancy relating to transportation and storage services provided via telephone call centers and hotlines; consultancy relating to the transportation, packaging, and storage of goods; consultancy services relating to storage; travel consultancy; travel consultancy and information services; coordinating travel arrangements for individuals and for groups; pleasure boat cruises; leasing of automobiles; leasing of railroad flatcars; leasing of fixed and movable storage containers to commercial and residential users; leasing of pallets for industrial and commercial use; leasing of pallets for the transport or storage of goods; leasing of aircraft; transportation logistics; vehicle routing by computer on data networks; international air freight shipping services; international ocean freight shipping services; global transportation of freight for others by all available means; local and long distance commercial road transport; monitoring and tracking of package shipments [transport information]; shipping of cargo; shipping of freight; marine transportation of liquefied natural gas; refilling of cash dispensers; national and international transport; provision of airport facilities for aviation; provision of road and traffic information; provision of information about transport matters; providing information relating to traffic and traffic congestion; providing information relating to vehicle parking services; providing information relating to bicycle rental services; providing information relating to the rental of wheelchairs; providing information relating to the rental of vessels; providing information relating to the rental of mechanical parking systems; providing information relating to the rental of refrigerators; providing information relating to the rental of refrigerator-freezers; providing information relating to the rental of warehouse space; providing information relating to the rental of packing or wrapping machines and apparatus; providing information relating to the rental of freezers; providing information relating to the rental of freezing machines and apparatus; providing information relating to airports; providing information relating to shipbrokerage; providing information relating to freight brokerage; providing information relating to vessel mooring facilities; providing information relating to the temporary storage of personal belongings; providing information relating to the delivery of documents, letters and packages; providing information relating to the planning and booking of airline travel, via electronic means; providing information relating to the planning and booking of travel and transport, via electronic means; providing information relating to travel and transport, via electronic means; providing information relating to cargo unloading services; providing information relating to the distribution of electricity; providing information relating to warehousing services; providing information relating to water supplying services; providing information relating to tariffs, timetables and methods of transport; providing information relating to tariffs, timetables and methods of transport for goods and people; provision of information in relation to transportation; providing information relating to the transportation and storage of goods; providing information relating to the transportation of goods; providing information relating to the transportation of goods and

passengers; providing information relating to the transportation of freight; providing information relating to vehicle driving services; providing information relating to railway transport; providing information relating to marine transport services; providing information relating to removal services; providing information relating to storage; providing information about booking business travel, via the Internet; providing information relating to aircraft rental services; providing information relating to air transport; providing information relating to airline travel, via electronic means; providing information about temporary storage services; providing information about travel, via the Internet; providing information about transport services; providing information to travellers regarding fares, timetables and public transport; providing cruise ships for travel; providing water, land and air vehicles for use in transport and arranging the rental thereof; providing on-line information in the field of transport, packaging and storage of goods; providing on-line information relating to travel; provision of parking spaces; provision of warehousing services and facilities; provision of car parking facilities; provision of storage facilities in a warehouse or other building; providing vessel mooring facilities; heat supply services [distribution]; provision of transportation and travel information; provision of transportation and travel information via mobile telecommunications apparatus and devices; providing vehicles for tours and excursions; provision of travel information via global computer networks; providing tourist travel information; providing tourist travel information, via the Internet; supply of electrical energy, gas, water and district heating; baggage handling; yacht and boat charter services; operation of bridges; providing advice relating to freight forwarding services; operating toll roads; on-line information and booking services in the field of business travel; on-line information and booking services in the field of tourist travel; express delivery of freight; express delivery of letters; rescue operations [transport]; operating and organizing of travel tours; arranging the rental of cars, boats and other vehicles; arranging car hire as part of package holidays; arranging and booking of travel tours; arranging and booking of day trips; arranging and booking of travel for package holidays; arranging and booking of cruises; arranging and booking of travel; arranging and booking of travel, excursions and cruises; arranging and booking of travel tours for business or leisure purposes; arranging and booking of excursions; organizing and conducting adaptive travel excursions; arranging and conducting of cruises, travel tours and excursions; arranging of cruises; arranging of day trips; organization of trips; arranging of holiday travel; arranging of travel for study, language and educational trips; arranging travel for package holidays; travel arrangement services for individuals and groups; travel arrangement and reservation services; organization of travel and boat trips; arranging of travel by air and sea; arranging of travel by air and sea for package holidays; arranging of travel, excursions and cruises; arranging of transportation for travel tours; arranging of transport; arranging for the shipping of cargo; arranging of transport and day trips for the disabled; arranging of transport and travel; arranging for the transportation and storage of goods; arranging for the transportation of air freight; arranging for the transportation of goods and passengers by land and sea; arranging for the transportation of goods by sea; arranging of transport services; arranging of travel tours and cruises; arranging for the storage of goods; organization of excursions; arranging excursions for tourists; arranging of excursions as part of package holidays; inspection of air vehicles prior to transport; inspection of vehicles before transport; inspection of goods before transport; dispatch of goods; tracking of automobile fleets using electronic navigation and locating devices [transport information]; tracking and tracing of shipments [transport information]; tracking, locating and monitoring of vehicles, maritime vessels and aircraft; tracking of passenger or freight vehicles using computers or global positioning

systems [transport information]; tracking of passenger vehicles by computer [transport information]; tracking of passenger vehicles by computer or via global positioning systems [transport information]; tracking and tracing services for letters and packages [transport information]; tracking of transport vehicles by computer [transport information]; tracking of freight vehicles by computer [transport information]; tracking of freight vehicles by computer or via global positioning systems [transport information]; cargo handling; arranging for travel visas, passports and travel documents for persons travelling abroad; armored-car transport; shipping of goods; truck hauling; hauling; carting; transport and storage of trash; carriage of persons by urban rapid transit rail systems; transporting furniture; ferry-boat transport; lighterage services; drayage services; transportation of passengers by train; transportation of passengers by rail; removal services; transport of travellers; transportation of goods by ship; transportation of fertilizers, sulfur and sulfuric acid by rail, barge, truck and ship; transportation, packaging and storage of goods; guarded transport of valuables; bus transport; car transport; barge transport; boat transport; railway transport; marine transport; passenger transport; river transport; ambulance transport; streetcar transport; computerized transportation information services; distribution and transmission of electricity; transmission of oil or gas through pipelines; furniture moving; planning and booking of airline travel, via electronic means; portage; planning and booking of travel and transport, via electronic means; planning, arranging and booking of travel; planning, arranging and booking of travel by electronic means; pick-up and delivery of letters; pick-up and delivery of packages and goods; pick-up and delivery of textile goods; arranging and conducting of kayaking tours for travel purposes; arranging, organizing, and conducting of cycling trips; refloating of ships; cash replenishment of automated teller machines; harboring services for ships and boats; freight brokerage and providing information relating thereto; shipbrokerage; transport brokerage; freight brokerage [forwarding (Am.)]; priority boarding, check-in, seating and reservation services for frequent air travellers; prepaid air ambulance transport services; providing driving directions for travel purposes; warehousing information; providing information on airport parking via a web site; providing flight arrival and departure information; providing transportation information via a web site; providing information relating to travel via a web site; providing information via the Internet relating to the leasing of automobiles; providing self-storage facilities for others; provision of berthing facilities; provision of travel information; providing travel information from an on-line computer database; providing automated check-in services for air travellers; conducting of travel tours; conducting sightseeing tours by airplane; conducting sightseeing travel tours by bus; conducting sightseeing travel tours by bicycle; rental of GPS equipment for navigational purposes; car rental; chauffeur-driven car hire services; railway truck rental; rental of diving bells; rental of diving suits; rental of motor racing cars; rental of aircraft engines; railway coach rental; rental of wheelchairs; rental of cargo containers; rental of storage containers; horse rental; rental of navigational systems; rental of freezers; refrigerator rental; rental of ships; vehicle rental; rental of electric wine cellars; travel guide and travel information services; air travel services; stevedoring; unloading cargo; unloading cargo and luggage; cargo unloading and providing information relating thereto; distribution of gas; unloading of freight; distribution of heat; distribution of electrical energy, gas, water and district heating; distribution of electricity to households; electricity distribution; distribution of energy; distribution of energy for heating and cooling buildings; packaging of goods; reservation of transport for passengers, goods and animals; reservation of transport for sporting, scientific, political and cultural events; reservation services for vehicle

rental; boat cruises; collection of recyclable goods [transport]; pick-up, delivery and storage of personal property; collection and transport of electronic scrap; garbage collection [transport]; pick-up, transportation, and delivery of packages and letters by various modes of transportation; collection, transport and delivery of goods; collection, transport and delivery of goods, documents, packages and letters; collection, transport and delivery of goods, personal effects and baggage by road, rail, sea and air; collection, storage, distribution and delivery of letters, correspondence, magazines, packets, parcels, newspapers, freight and goods, all by messenger, road, rail, air or water; leasing the use of power lines to third parties for the transmission of electricity; supply chain logistics and reverse logistics services consisting of the storage, transportation and delivery of freight; refrigerated warehousing; goods warehousing; air traffic control services; piloting; ice-breaking; parcel shipping services; messenger services; animal rescue services; water supplying; refloating of boats; escorting of travellers; rescue of ships in distress; express delivery of goods by truck; express delivery of goods by air; berthing and mooring of boats in marinas; taxi transport for people in wheelchairs; transportation of luggage; transport by coach; transportation of goods, passengers and travellers by air; transportation services in relation to events; refrigerated transportation of food; refrigerated transportation of frozen goods; refrigerated transportation of chilled goods; transportation of natural gas; transport of fuels by pipeline; transportation of cargo by air; transportation of goods by barge, train, ferry, motor vehicle, truck and ship; transportation of goods by rail; transportation by truck; transportation of goods and passengers by air; transportation of goods by river, railway, ferry-boat, car, truck and ship; transport of money and valuables; transport, delivery, packaging, and storage of goods; transportation of pets for others; transport of contaminated soil; transport of contaminated waste; transportation and delivery of goods, samples and merchandise of all kinds by road, rail and ship; transportation and delivery of goods; transportation and distribution of natural gas and liquefied gas; transport and storage services; transportation and storage of gas; transportation and storage of oil; transportation and storage services relating to storage logistics, distribution logistics and returns logistics; transport and storage of waste and recycling materials; transportation and storage of crude oil, oil products, natural gas, liquefied natural gas and liquefied petroleum gas; transport and storage of goods; transport and storage of goods in refrigerated conditions; transport and storage of fuels; transportation and storage of chemicals; transport of persons; transport of persons and goods; transportation of persons and goods by road, rail, water and air; transportation of persons and goods by road, rail, sea and air; transportation of persons and goods by road, rail, passenger ship and air; transportation of persons and goods by land, air and water; transportation of persons and goods by land, sea and air; transportation of furniture of others by trucks; transportation of medical waste and special waste; transportation of mechanics to grounded aircraft via airplane; ship transport; transport by two-wheeled motor vehicles; transportation by land, water and air vehicles; transport by man-powered vehicles; transportation of oil; transport of oil by pipeline; transportation of hazardous waste; transport of waste; transportation of passengers by bus; transportation of passengers by road; transportation of passengers by road, sea and air; transportation of passengers by motor vehicle, bus, train, boat and airplane; transportation of passengers by train, ferry, motor vehicle and ship; transportation of passengers and cargo by air; air transportation of passengers and freight; transportation of passengers and goods by boat; transportation of passengers and passengers' luggage; transportation of passengers and goods; transportation of passengers and goods by road, rail, water and air; transportation of passengers and goods by road, rail, ship and air; transportation of passengers and goods by road, rail, sea and air;

transportation of passengers and goods by automobile, rail, boat and airplane; transportation of passengers and goods by air; transportation of passengers and goods by rail; transportation of passengers by cruise ship; transportation of passengers by inland water; transportation of passengers by river, railway, ferry-boat, car and ship; transportation of passengers by funicular railway; transportation of passengers' luggage; inland waterway transportation; transportation by inland water; transport of parcels; transportation check-in services; transportation of farm products; transportation of liquefied natural gas by sea; transportation of building materials; transportation of crude oil; transport of goods; transportation of goods by road or rail; transportation of goods by motor vehicle, truck, rail, ship and airplane; transportation of goods by inland water; transportation of goods by train; transportation of merchandise and passengers; transportation of goods by road; transportation, packaging and storage of machinery for the printing industry; transport by pipeline; transportation, packaging and storage of printing presses; transportation, packing and storing of goods; transportation of freight; transportation of freight by rail; transportation of freight by road or rail; transportation of freight by air and sea; transportation of freight by rail; transportation of freight containers by ship; transportation of freight containers by truck; transportation of freight containers by rail; transportation of freight by ship; transportation of freight by ship, airplane, rail, motor vehicle and truck; transportation of freight by sea; transportation of freight by sea, air, rail or road; transportation of freight by road; transportation, storage and delivery of wines; propeller airplane transport; transport and freight brokerage; transport services for the disabled; transport services and trips for disabled persons; airport passenger shuttle services between the airport parking facilities and the airport; operating of travel tours; packing of cargo; packing articles for transportation; packaging articles to the order and specification of others; packaging and parcelling of goods for transport; packaging and storage of goods; packaging and storage of goods and packages; packaging articles for transportation; packaging clothing articles for transportation; wrapping of goods; packing of goods in containers; packing of merchandise; merchandise packaging for others; packaging of goods in transit; packing of goods using sustainable or biodegradable packaging and shipping materials; packing of freight; operating canal locks; mail forwarding; freight forwarding agency services; freight forwarding services, other than the customs clearance of goods for third parties; GPS navigation services; vessel salvage; airline and shipping services; air transportation services featuring a frequent flyer bonus program; car parking; travel booking agency services; travel booking services provided by travel agencies; mail forwarding agency services; airport services; helicopter transport; chauffeur services; pleasure boat transport; distribution and supply of water; air freight shipping services; organization of travel tour guide services; truck transport; cargo ship transport; moving van services; moving van transport; delivery services; same day delivery services; car sharing services; public utility services in the nature of supplying water; public utility services in the nature of water distribution; public utility services in the nature of natural gas distribution; public utility services in the nature of electricity distribution; freight transportation consultancy in the field of freight transportation by truck, rail, air and ocean; courier services [messages or merchandise]; ice-breaking for the shipping industry; ship piloting and providing information relating thereto; parking garage services; monorail transport; marina services; road transport; mass transit for the general public; on-line trip and travel reservation services; refrigerated storage; valet parking; passenger ship transport; personal travel tour guide services; rental services relating to watercraft, yachts, boats and water vehicles; cargo delivery services; logistics services consisting of the transportation and warehousing of goods; logistics services consisting of the transportation,

packaging, and storage of goods; logistics services consisting of the storage and transportation of goods; logistics services consisting of the storage, transportation and delivery of goods; vessel transport; road haulage service; gas supply services [distribution]; cargo handling and freight services; air charter services; flight arrangement services; guarded truck transport; vehicle parking services; turbojet airplane transport; removal services and providing information relating thereto; ocean shipping services; limousine services; ship unloading; packaging and packing services; baggage check-in services; airport baggage check-in services [not including security inspection]; airport passenger check-in services; harbor crane unloading; warehousing services relating to the storage, packaging and dispatch of goods; electricity supply services; salvaging; salvage of ships; pet rescue services; ship rescue services; tanker transport; transportation services provided to individuals; transportation and delivery services by air, road, rail and sea; freight ship transport; travel guide, escort and courier services; packaging services; wrapping services for baggage protection during travel; ship piloting; vehicle driving services; furniture storage; warehouse storage; storage of clothing; postal, freight and courier services; operation of ferryboats; laundry pick-up and delivery services; airline check-in services; river transport by boat; rescue operations [transport]; underwater salvage; taxi transport; transport; transport services for sightseeing tours; sailboat transportation services; trolley services for others; travel guide services; travel tour guide services; travel courier and travel guide services; packing, crating and warehousing services; cable-car transport; porter services; franking of mail; freighting; bus chartering; chartering of water vehicles; boat chartering; chartering of marine vessels; chartering of aircraft, vehicles and boats; airplane chartering; ship chartering; chartering of watercraft; chartering of watercraft, yachts, ships, boats and water vehicles; yacht chartering; freight [shipping of goods]; aircraft chartering; refrigerated storage of seafood; refrigerated storage of goods; storage of contaminated waste; temporary safekeeping of personal belongings; storage of gas; storage of cargo; storage of cargo before transportation; storage of cargo after transportation; physical storage of electronically stored data or documents; storage, wrapping and packaging of goods; storage of frozen food in warehouses; storage and supply of liquefied natural gas and liquefied petroleum gas; storage and distribution of electricity; storage and handling of goods; storage of containers and cargo; boat storage; storage of furniture; fur storage; storage of watercraft, yachts, boats and water vehicles; freight warehousing; storage of oil; storage of waste; storage of waste oil; storage of passengers' luggage; storage, distribution and supply of energy and fuel; storage, distribution, and transportation of liquefied petroleum gas; storage, distribution, transportation, shipping, and delivery of gas, oil and chemicals; storage of farm products; storage of farm products in warehouses; storage of liquefied natural gas on ships; bulk storage; storage of bonded goods; storage of goods; storage; storage of goods in transit; storage, transport, pick-up, and packing of freight; storage, transportation and delivery of goods; physical storage of electronic media containing images, text and audio data; storage of freight; storage of surgical instruments and equipment; storage of energy and fuels; storage of furs; freight forwarding; express delivery of goods; boathouse services.

Class 40

Abrasive polishing of metal surfaces; acrylic finishing of vehicles; treatment of metal parts to prevent corrosion; paper finishing; applying finishes to textiles; rental of water purifying apparatus; rental of water purifying apparatus and providing information relating thereto; rental of welding and soldering apparatus and machines; rental of space cooling apparatus for household purposes; rental of gas-operated welding apparatus; rental of generators, air-conditioning apparatus and space

heating apparatus; rental of electrical power generators; rental of tobacco processing machines; rental of machines for the manufacture of corrugated cardboard; rental of waste crushing machines and apparatus; rental of machines for making shoes; rental of machines and apparatus for dyeing textiles; rental of machines and apparatus for treating textiles; rental of glassware manufacturing machines and apparatus; rental of machines and apparatus for mothproofing textiles; rental of machines and apparatus for fireproofing textiles; rental of machines and apparatus for developing, printing and enlarging photographs; rental of machines and apparatus for film development, photograph printing, photograph enlargement or photograph finishing; rental of waste compacting machines and apparatus; rental of chemical processing machines and apparatus; rental of chemical processing machines and apparatus and providing information relating thereto; rental of metal treating machines and tools; rental of water and air purification equipment; rental of water treatment equipment; rental of assembly machine equipment; rental of water filtration units for commercial use; rental of heating apparatus; rental of bookbinding machines; rental of printing machines and apparatus and providing information relating thereto; rental of space cooling apparatus; rental of space cooling apparatus for industrial purposes; rental of welding apparatus; rental of typographic presses; rental of cooling appliances and installations; rental of electric welding apparatus; rental of electric welding machines; rental of power-generating equipment; rental of energy generating equipment; exterior and interior plating of pipes and tubes made of metal; lead working; upcycling [waste recycling]; photographic restoration; vulcanization [material treatment]; tire vulcanization [material treatment]; tanning of leather or hides; skin dressing; fruit crushing; letterpress printing; embroidering; knitting and dyeing of fabrics [treatment of materials]; galvanization; electroplating; generation of electrical power; generation of electrical power using carbon sequestration; generation of electrical energy from wave, wind and solar sources; generation of solar electricity; generation of electricity from wind energy; generation of electricity from wave, wind and solar energy; generation of electricity from wave energy; weatherproofing and waterproofing of wood, plastic, acrylic and synthetic resins for boat construction [treatment of materials]; waterproofing of clothing; waterproofing of textiles; intaglio printing; heat treatment of metal surfaces; heat treatment of pipes and tubes made of metal; heat treatment of metals; hot dipping; engraving; tombstone engraving; engraving of sealing stamps; engraving of images on objects; decontamination of hazardous materials; decontamination of nuclear waste; air deodorizing; drapery deodorizing; carpet deodorizing; stripping finishes; water demineralization; tanning; tanning of leather; tanning, dyeing and custom assembling of leather materials; duplication of video cassettes; duplication of video tapes; duplication of tape recordings; duplication of audio tapes; coffee roasting and processing; metal hardening; metal tempering; glass tempering; freezing of foods; gilding; gold plating; custom manufacture of locks; tin smithing; silversmithing; custom manufacture of prosthetic devices; custom imprinting of clothing with decorative designs; prototype fabrication of new products for others; custom quilting; chemical encapsulation and dispersion of hazardous chemicals; information and advisory services relating to the generation of electricity from wave energy; information, advice and consultancy services relating to the recycling of waste and trash; material treatment information; cadmium plating; permanent-press treatment of fabrics; ceramic glazing; ceramic processing; ceramic processing and providing information relating thereto; de-acidification of paper; typography; forging of metal goods to the order and specification of others; food canning; food and drink preservation; consultancy services relating to the generation of electrical energy; consultancy relating to the recycling of waste and trash; consultancy in the field of energy generation; consultancy

relating to the incineration of waste and trash; consultancy relating to the destruction of waste and trash; technical consultancy in the field of production of solar energy; food smoking; leather staining; fur dyeing; shoe staining; dyeing of clothing; textile dyeing; cloth dyeing; laminating; metal laminating; laminating of plastic sheets; sawmill services; lithographic printing; die casting; metal casting; molding of plastic materials; jewelry casting; fur glossing; tin plating; boilermaking; metallizing; machining parts for others [machine shop services]; microencapsulating services provided for others; taxidermy; typesetting; magnetization; imprinting messages on tee-shirts; monogramming of clothing; applying backing to the underside of carpets; permanent-press treatment of clothing; permanent-press treatment of textiles; permanent-press treatment of cloth; nickel plating; hard nickel plating of metal surfaces; dressing of animal skins; abrasion; processing of bamboo, tree barks, rattan, vines or other natural materials; treatment of biopharmaceutical materials; processing of biopharmaceutical materials for others; water treating; paper treating; mold prevention treatment; woodworking; treatment of contaminated soil; anti-microbial treatment of buildings; processing of agricultural grain; finishing and coating of textiles; metal fabrication and finishing services; paper treating and processing; wool treatment and finishing; treatment and processing of plastic materials; treatment and processing of ores and ore concentrates; treatment and processing of clothing for recycling purposes; treatment and coating of metal surfaces; processing and transforming of mineral resources and of other raw materials; processing and transforming of energy; processing and cutting of diamonds and other precious stones; processing of cinematographic films; anti-microbial treatment of carpets; leather working; working of leather and furs; cloth edging; treatment of materials; treatment of materials for the manufacture of ceramic goods; treatment of materials for third parties; treatment of materials upon request for third parties; treatment of materials using ultrasonic waves to modify their properties; treatment of materials using chemicals; processing of metal surfaces by abrasive polishing; processing of metal surfaces using precision grinding techniques; processing of metal surfaces by precision grinding and abrasive polishing; treatment of metal parts to prevent corrosion using hot-dip galvanizing and powder coating processes; metal treating; mold prevention treatment of furs; treatment of furs to prevent shrinking; fur conditioning; fur mothproofing; treatment of oil spills; anti-microbial treatment of clothing; mold prevention treatment of clothing; crease-resistant treatment of cloth; mothproofing of clothing; treatment of hazardous waste; treatment of hazardous liquids; processing of optical lenses to meet individual requirements; treatment of waste materials; treatment of waste materials in the field of environmental pollution control; treatment of waste; waste treatment [transformation]; processing of foodstuffs for use in manufacture; mothproofing services; treatment of rubber; processing of rubber and providing information relating thereto; waste water treatment; processing of earth materials to obtain metals [material processing]; textile mothproofing; mold prevention treatment of textiles; treatment of textiles to prevent shrinking; crease-resistant treatment of textiles; mold prevention treatment of cloth; fabric waterproofing; crease-resistant treatment for clothing; cloth fireproofing; mold prevention treatment of fabric; textile treating; treatment or processing of cloth, clothing or fur; treatment or processing of cloth, clothing or fur and providing information relating thereto; treatment of toxic waste; fuel treatment services; processing of photographic slides and prints; processing of photographic and cinematographic films; processing of photographic films; processing of chemicals and petrochemicals; processing of chemicals; wool treating; nuclear waste treatment; treatment of materials by laser beam; film processing and photofinishing; picture framing; framing of works of art; oil and gas well treatment; grinding and polishing glass for eyeglasses; fireproofing of clothing; edging of textiles;

edging of fabric; shoe staining and dyeing; window tinting treatment, being surface coating; desalination of water; air freshening; bleaching of clothing; bleaching of textiles; fabric bleaching; surface finishing of metal articles; bleaching of cloth; annealing; casting of metal parts for boilers; water treating and providing information relating thereto; air purification; refining of metals; treatment of drinking water, service water and waste water; treatment of industrial waste to sequester carbon; fuel refining; soldering; oil refining; refining of petrochemicals; distilling of spirits for others; clothing alteration; recycling; recycling of beverage bottles; processing of gas; processing and recycling of waste and trash; recycling of catalytic converters; recycling of trash; processing of oil; recycling of waste and trash; recycling of clothing; recycling of clothing to obtain materials for making synthetic fibers; recycling of waste; treatment of animal waste; treatment of waste and harmful substances; recycling of waste and providing information relating thereto; recycling for carbon offsetting purposes; processing of plastic materials; processing of plastic materials and providing information relating thereto; processing of rubber; processing of natural gas; waste water reprocessing; processing of raw materials; processing of raw materials for the manufacture of food and beverages; recycling of chemicals; reprocessing of nuclear fuels; nuclear fuel reprocessing and providing information relating thereto; printing of books; printing of stamps; customized printing of company names and logos for promotional and advertising purposes on the goods of others; pattern printing; photographic printing; printing of decorative patterns on plastic films and wrapping paper; printing of decorative patterns on gift wrap; printing of images on objects; printing of documents from digital media; printing of patterns on textiles; printing and providing information relating thereto; printing of digitally stored pictures and photographs; printing, lithographic printing, screen printing and digital printing; offset printing; portrait printing; printing of advertising brochures for others; printing of advertising matter; photogravure printing; photographic printing and providing information relating thereto; printing of photographic images from digital media; metal plating; preparation and treatment of fabric; metal plating and laminating; coating and surface finishing of machines and tools; coating of metal surfaces using physical vapor deposition or chemical vapor deposition processes; coating of metal surfaces using physical vapor deposition processes; coating of metal surfaces using chemical vapor deposition processes; coating of optical lenses; enamelling; enamelling of metals; stationery printing services; printing; burnishing by abrasion; polishing of diamonds; polishing of diamonds and other precious stones; polishing of gemstones; polishing of precious stones; glass polishing; flour milling; dressmaking; sewing of curtains; pre-shrinking of clothing; pre-shrinking of textiles; pre-shrinking of fabric; providing information relating to the rental of water purifying apparatus; providing information relating to the rental of space cooling apparatus for household purposes; providing information relating to the rental of knitting machines; providing information relating to the rental of air-conditioning apparatus; providing information relating to the rental of machines for making shoes; providing information relating to the rental of tobacco processing machines; providing information relating to the rental of machines and apparatus for pulp-making, papermaking or paperworking; providing information relating to the rental of waste crushing machines and apparatus; providing information relating to the rental of glassware manufacturing machines and apparatus; providing information relating to the rental of machines and apparatus for developing, printing and enlarging photographs; providing information relating to the rental of waste compacting machines and apparatus; providing information relating to the rental of chemical processing machines and apparatus; providing information relating to the rental of machines and apparatus for processing food or beverages; providing information relating to the rental of

bookbinding machines; providing information relating to the rental of printing machines and apparatus; providing information relating to the rental of space cooling apparatus for industrial purposes; providing information relating to the rental of metal treating machines and tools; providing information relating to the rental of sewing machines; providing information relating to woodworking; providing information relating to ceramic processing; providing information relating to the treatment of materials; providing information relating to the processing of plastic materials; providing information relating to the processing of rubber; providing information relating to the treatment or processing of cloth, clothing or fur; providing information relating to bookbinding services; providing information relating to paper finishing services; providing information relating to paper treating services; providing information relating to water treating services; providing information relating to the recycling of waste; providing information relating to photographic printing services; providing information relating to the engraving of sealing stamps; providing information relating to the processing of cinematographic films; providing information relating to custom tailoring; providing information relating to taxidermy; providing information relating to photogravure services; providing information relating to photographic film development; providing information relating to photographic enlarging services; providing information about wine-making; providing information relating to printing services; providing information relating to nuclear fuel reprocessing; providing information relating to dressmaking; providing material treatment information via a web site; conversion of waste energy into steam [energy recycling services]; conversion of targeted substrates into targeted chemical preparations by treatment with enzyme systems; conversion of waste energy into electricity [energy recycling services]; contact lens tinting; glass tinting; application of protective surface coatings to machines and tools; application of wear-resistant coatings on metals and plastics; applying finish to stainless steel sheets and coils; applying finishes to fabric; applying finishes to clothing; applying finishes to cloth; application of coatings using vacuum deposition techniques; application of coatings using thermal plasma spraying techniques; application of coatings using physical vapor deposition techniques; application of coatings using chemical vapor deposition techniques; application of coatings using chemical, mechanical, thermal or thermomechanical processes; application of thin films on the surfaces of objects by means of chemical, mechanical, thermal, thermomechanical, chemical vapor deposition, physical vapor deposition and vacuum deposition processes; wine-making for others; production of hydroelectric power; production and processing of fuels and of other sources of energy; manufacture of furniture and plastic parts to order and specification of others; brewing of beer by microbreweries; custom manufacture of biopharmaceuticals; custom manufacture of dental prosthesis and dentures; custom manufacture of tools for others; custom manufacture and fitting of wigs; custom manufacturing and assembling services relating to semi-conductor parts and integrated circuits; custom manufacture of computers for others; custom manufacture of machines and tools for compressing and compacting powders and granules; custom manufacture of machines and tools with a protective surface coating; custom manufacture of furniture; custom manufacture of medical devices for others; custom manufacture of metal hardware; custom manufacture of products for the pharmaceutical, chemical and food industries by compressing and compacting powders and granules; custom manufacture of dental prosthetics; custom manufacture of communication devices for others; custom manufacture of pharmaceuticals; custom manufacture of molds for use in industry; custom manufacture of molded components; production of electrical energy from renewable sources; generating of electricity; production of energy by nuclear power plants; production of energy by power plants; rental of boilers; knitting machine rental; rental

of generators; rental of electricity generators; rental of air-conditioning apparatus; rental of space heating apparatus; rental of printing machines and apparatus; custom steel rolling and fabrication to the order and specification of others; rental of water filters; rental of sewing machines; treatment of textile or furs to prevent shrinking; textile treatment in the nature of mothproofing; waterproofing of furs; mold remediation services; photographic film development and photographic printing; photographic film development and providing information relating thereto; film development and reproduction of photographs; photographic film development; pottery firing; blacksmithing; custom assembling of materials for others; welding services; bookbinding; glass-blowing; saddlery working; grinding; cloth cutting; sawing of materials; refining services; cutting of diamonds; cutting of precious stones; cutting of gemstones; cutting of textiles; cutting of fabric; replication of CDs; replication of DVDs; reproduction of museum artwork; photographic reproduction; photographic retouching; rotogravure; timber felling and processing; needlework and dressmaking; fur satining; custom assembling of leather materials for others; custom assembling of materials; custom assembling of plastic and composite parts for others; custom assembling of electronic components for medical devices; custom assembling of electronic components for cellular phones; custom assembling of electronic components for personal digital assistants [PDAs]; custom assembling of electronic components for communication devices; blueprinting; silver plating; incineration and destruction of waste; incineration of trash; incineration of waste and trash; incineration of waste; petroleum gas liquefaction; natural gas liquefaction; laser scribing; mixing of paints; mixing lubricants for third parties; blending of crude oil and synthetic oils; custom blending of essential oils for aromatherapy use; coal blending; textile warping; warping [looms]; joining of components using adhesives; joining of components using ultrasonic welding techniques; sign lettering; film developing; sorting of waste and recyclable material [transformation]; photocomposing services; photographic preservation and conservation; photographic preservation; quilting; planing of materials; fulling of cloth; duplication of CDs; duplication of DVDs; textile weaving; tinting of car windows; etching of a sequence of traceable identification numbers on automobile windows so as to identify a particular automobile recovered after theft; glass etching; slaughtering of animals; industrial toxic waste disposal [treatment]; document destruction; destruction of waste and trash; destruction of waste; destruction of trash; shrinking of clothing; shrinking of cloth; shrinking of textiles; cloth pre-shrinking; shrinking of fabric; services of a dental technician; cryopreservation services; butchering; mothproofing of textiles; tee-shirt embroidering services; upholstery deodorizing; mildew proofing; key cutting; document shredding services; smoke house services for smoking food; water treatment and purification; material treatment services in connection with recycling; soil treatment services [environmental remediation services]; soil, waste or water treatment services [environmental remediation services]; dyeing services; air brushing services; water purification services; document binding services; sandblasting services; water recycling and desalination services; cider-making for others; fireproofing of furs; sawmill planing; custom tailoring; cooking oil and vegetable oil recycling services; refrigerant reclamation services; production of energy; recycling of batteries; custom fashioning of fur; shaping of metal components; photogravure; photographic processing; photofinishing; photographic enlarging; photographic enlarging and providing information relating thereto; millworking; chemical treatment of textiles; freezing services for others; chromium plating; hard chromium plating of metal surfaces; hard chromium plating and hard nickel plating of metal surfaces; design printing for others; color enhancement of black and white video film; color enhancement of black and white film; colour separation services; digital

printing; digital on-demand printing of books and other documents; custom assembling of automobile bodies and chassis for others; custom application of optical, transparent, solar reflective and wear-resistant coatings on metallic, organic and mineral substrates; silkscreen printing; sewing; optical lens grinding; optical glass grinding; electro and metal coating, metal treating and casting, hardening of metal and metal products.

Class 42

Mining exploration services; computer-aided design of video graphics; computer-aided design of molds; computer-aided design for manufacturing operations; computer-aided scientific testing; computer-aided industrial design; computer-aided industrial testing; software authoring; administration of mail servers; server administration; bacteriological analysis; biological analysis; biochemical analysis; analysis in the field of molecular biology; analysis in the field of oil exploration; water analysis; analysis of greenhouse gas emissions; analysis for oil research; technological analysis and evaluation of products and services with respect to possible future applications; analysis and evaluation of product design; analysis and evaluation of product development; computer system design and analysis; analysis of water quality; analysis of stream water quality; computer system analysis; mineral and oil assaying; analysis of oil fields; analysis of oil reservoirs; analysis of the mode of action of chemical combinations on animals; analysis of product design; handwriting analysis [graphology]; analysis of product development; analysis of telecommunication signals; analysis of technical data; chemical analysis; technological analysis services relating to energy and power needs of others; industrial analysis and research services relating to automobile tires; leasing computer facilities; rental of laboratory apparatus; rental of computer programs; rental of computers for data processing; rental of computers and computer equipment; rental of laboratory instruments; rental of computer peripherals; rental of computer database software; rental of software for data processing; rental of computer software relating to travel; rental of computer software for financial management; rental of data processing programs; rental of memory space for web sites; rental of electronic storage space [web space] on the Internet; architectural design services in the fields of traffic and transportation; architectural design in the field of single family homes; architectural design in the field of luxury condominiums; energy auditing; biological and chemical research; biochemical research; weighing of vehicles; weighing of goods for others; recovery of computer data; repair of computer software; troubleshooting of computer software problems [technical support]; geological exploration; surveying of oil-bearing seams; surveying of oil beds and fields; diagnosis of computer software problems; diagnosis of computer hardware problems through the use of software; animation and special effects design for others; web site design; graphic illustration design; design of homepages; design of homepages and web sites; design of homepages, computer software and web sites; retail design services; design of engineering products; tool design; design of Internet pages; design and updating of homepages and web pages; design and maintenance of computer sites for third parties; design and development of new products; custom design and engineering of telephony systems, cable television systems and fiber optics; design and implementation of web sites for others; design and implementation of web pages for others; design and testing for new product development; computer site design; computer network design for others; landscape lighting design; design of mechanical and micromechanical components; design of mechanical, electromechanical and optoelectronic apparatus and instruments; design of cellular phones; design of fashion accessories; design of optical and microoptical components; theatrical lighting design; design of artwork; design of computer software for controlling self-service terminals; design of image processing software; industrial design; design of

industrial products; design, development and implementation of software; design, creation and programming of web pages; design of web sites for advertising purposes; design, creation, hosting and maintenance of Internet sites for third parties; design, creation, hosting and maintenance of web sites for others; design of telecommunications apparatus and equipment; design of telephones; product design; design of consumer products; design of packaging and wrapping materials; design services; graphic arts design; commercial art design; computer virus protection services; data mining; measuring of greenhouse gas emissions; measuring and analysis of greenhouse gas emissions; technical measuring and testing laboratory services; product research; oil-field surveys; geological surveys; engineering surveying; engineering drawing; engineering research; engineering services for the gas industry; engineering services in the field of motive power; electrical engineering; engineering services in the field of energy technology; engineering services relating to gas transport and supply systems; engineering services relating to energy supply systems; engineering services in the field of communications technology; engineering services in the field of environmental technology; engineering services in the field of building technology; engineering research and design services in the field of drilling technology; engineering; inspecting buildings for the existence of mold; inspection of oil fields; inspecting foods for the purpose of certifying the kosher quality thereof; installation and maintenance of software for Internet access; installation and maintenance of computer software; installation and maintenance of database software; installation of computer programs; installation of computer software; installation of database software; installation, repair and maintenance of computer software; installation, maintenance and updating of computer software; installation, maintenance and updating of database software; integration of computer systems and networks; conducting magnetic resonance imaging interpretation and analysis for the petroleum industry; interior design; weather reporting; meteorological information; implementation of computer programs on networks; clinical trials; material testing; textile testing; research in the field of computer hardware; product research and development; oil assaying; oil-field exploration; mineral assaying; research, development, design and upgrading of computer software; basic and clinical research in the field of respiratory science and medicine; archaeological research; archaeological exploration; biotechnological research; architectural research; bacteriological research; biological research; geological research; research relating to urban planning; research in the field of environmental protection; research in the field of climate change; research in the field of information technology; research in the field of communications technology; research in the field of computer hardware and software; research in the field of computer technology conducted using databases and the Internet; research in the field of computer software; research in the field of computer programs and software; cosmetic research; research in the field of materials science; research in the fields of materials science and electrical engineering; mechanical research; research into the reduction of carbon emissions; research in the field of environmental conservation and protection; research in the field of environmental conservation; research in the field of data processing technology; research in the field of pharmacogenetics; chemical research; research in the fields of chemistry, biology and physics; research in the fields of chemistry and biology; research in the field of ecology; research in the field of electrical engineering; research in the field of food; research in the field of gene therapy; research in the field of mechanical engineering; research in the field of semiconductor processing technology; agricultural research; stem cell research; research in the field of hair care; geophysical exploration for the oil, gas and mining industries; hydrological research; bacteriological research and analysis; biological research and analysis; biochemical research and analysis; chemical,

biochemical, biological and bacteriological research and analysis; research and consultancy in the field of zoology; technical research in the field of carbon offsetting and consultancy relating thereto; research and development of new products for others; research and development services in the field of biochemistry; research and development services in the field of biotechnology; research and development services in the field of diagnostic preparations; research and development services for the pharmaceutical industry; pharmaceutical research and development; bacteriological research and testing; laboratory analysis in the field of bacteriology; laboratory research in the field of gene expression; laboratory analysis in the field of cosmetics; laboratory research in the field of pharmaceuticals; laboratory analysis in the field of chemistry; medical research; scientific research; scientific research in the field of genetics; scientific research in the field of genetic engineering; scientific research in the field of genetics and genetic engineering; scientific research for medical purposes in the field of cancerous diseases; research and development services relating to medicines; analysis for oil-field exploitation; research relating to building construction or city planning; research relating to the development of computer software; underwater exploration; research relating to the development of computer programs and software; industrial research; research relating to the development of computer hardware; mechanical research in the field of motor sports; technical research in the field of carbon offsetting; technical research in the field of aeronautics; pharmaceutical research; research services in the field of proteins, antibodies, microorganisms and cells; research services for the development of new products; calibration [measuring]; classification of minerals; environmental testing; encoding of magnetic cards; compilation of web pages for the Internet; compilation of computer programs; computer programming for data processing; computer programming for the energy industry; computer programming and computer software design; computer time-sharing services; computer services in connection with electronic data storage; design of computers; data conversion of computer program data or information [not physical conversion]; computer code conversion for others; consultancy in the field of biotechnology; consultancy in the field of cloud computing networks and applications; consultancy in the field of programming and development of e-business portals; consultancy in the field of pharmaceutical research; consultancy in the field of computer system analysis; consultancy relating to the recovery of computer data; consultancy in the field of computer system integration; consultancy in the field of computer programming; consultancy in the field of security software; consultancy relating to the updating of computer software; consultancy in the field of computer software design; consultancy relating to the maintenance of computer software; consultancy in the field of energy efficiency; consultancy relating to geological surveys; consultancy relating to the design, programming and maintenance of computer software; consultancy relating to software for communication systems; consultancy relating to the design and development of computer software programs; consultancy relating to the design and development of computer software and hardware architecture; consultancy relating to the design of homepages and Internet sites; consultancy relating to research and development in the field of therapeutics; consultancy relating to laboratory testing; consultancy in the field of agricultural chemistry; computer engineering; consultancy in the field of architectural design; consultancy in the field of astronomy; consultancy in the field of biology; consultancy in the field of biochemistry; web site design consultancy; computer security consultancy; information technology [IT] consultancy; consultancy relating to consumer product safety testing; consultancy relating to quality control; consultancy in the field of fashion design; consultancy in the field of construction drafting; consultancy relating to computer database programs; advisory services

relating to computer software; consultancy relating to the design and development of computer database programs; consultancy relating to the design and development of computer programs; consultancy in the design and development of computer hardware; consultancy relating to the design and development of computer software; consultancy relating to product development; advisory services relating to material testing; consultancy in the field of pharmacology; consultancy in the field of physics; consultancy in the field of chemistry; consultancy and research services in the field of information technology; consultancy and research in the field of bacteriology; consultancy relating to the design of homepages and Internet pages; consultancy relating to research in the field of pharmacogenetics; consultancy relating to pharmaceutical research and development; consultancy relating to the design and development of information and communications technology; consultancy relating to technical and scientific measuring; consultancy relating to technical research in the field of food and beverages; consultancy relating to technical and scientific analysis; consultancy relating to technical and scientific monitoring; architectural consultancy; internet security consultancy; computer software consultancy; consultancy relating to web page design; design consultancy; data security consultancy; consultancy relating to the creation of homepages and Internet pages; consultancy relating to technological services in the field of power and energy supply; interior decoration consultancy; technological consultancy; professional consultancy relating to computer security; technical consultancy in the field of environmental science; technical consultancy relating to research services in the field of foods and dietary supplements; technical consultancy relating to the design of computer hardware, software and computer peripherals; technological consultancy in the field of alternative energy generation; consultancy and information services relating to the rental of computer software; consultancy and information services relating to computer software design; consultancy and information services relating to the design, programming and maintenance of computer software; consultancy and information services relating to computer programming; consultancy and information services relating to the maintenance of computer software; consultancy and information services relating to information technology architecture and infrastructure; consultancy and information services relating to computer system integration; consultancy and information services relating to information technology; consultancy and research services in the fields of science, engineering and information technology; advisory and consultancy services relating to computer software; consultancy in the field of bacteriological research; consultancy services in the fields of science, engineering and information technology; consultancy services in the field of design, selection, implementation and use of computer hardware and software systems; consultancy in the field of telecommunications engineering; consultancy in the field of technological research; consultancy in the field of technological design; technical consultancy in the field of energy saving and energy efficiency; advisory services relating to gene therapy research; consultancy relating to the creation and design of web sites; consultancy relating to the creation and design of web sites for e-commerce; technological consultancy in the field of aerospace engineering; technological consultancy in the field of geology; consultancy services relating to research in the field of environmental protection; consultancy services relating to the design, development and use of computer hardware and software; consultancy in the field of scientific research; consultancy in the field of industrial research; consultancy relating to architectural planning; consultancy in the field of scientific and industrial research; oil-well testing; quality control testing; quality control; quality control of goods and services; quality control of goods; quality control of services; vehicle roadworthiness testing; configuration of computer hardware using software; configuration of computer networks using software;

configuration of computer software; configuration, installation, fault diagnosis, repair, upgrading and maintenance of computer software; configuration of computer systems and networks; copying of computer software; cross-platform conversion of digital content into other forms of digital content; laboratory research; laboratory research in the field of bacteriology; laboratory research in the field of cosmetics; laboratory research in the field of chemistry; digital watermarking; mechanical engineering; land surveying; dress designing; updating of computer software; monitoring of water quality; monitoring of commercial and industrial sites for detection of volatile and non-volatile organic compounds; monitoring of computer systems for detecting unauthorized access or data breach; monitoring of computer systems to detect breakdowns; monitoring of computer systems by remote access; monitoring of telecommunication signals; monitoring of erosion and sedimentation; writing and updating computer software; writing of computer programs; commissioned writing of computer programs, software and code for the creation of web pages on the Internet; writing of data processing programs; writing of computer software; programming of telecommunications software; customization of computer software; research and development services in the field of immunohistology; research and development services relating to automobile tires; scientific services relating to the isolation and cultivation of human tissues and cells; scientific and industrial research; scientific and industrial research in the field of photovoltaics and solar collectors; scientific surveys; scientific research for medical purposes; scientific research and analysis; scientific research and development; research and development services in the field of microorganisms and cells; scientific and medical research and development; scientific research in the field of hair care preparations; scientific research conducted using databases; scientific research conducted using databases and the Internet; scientific and technological services; scientific analysis; providing information relating to computer programming; providing meteorological information; software as a service [SaaS]; updating of web sites; updating of Internet pages; updating of computer programs; updating of marine charts; updating of computer database software; updating of software for data processing; updating of software for communication systems; updating of computer software relating to computer security and prevention of computer risks; upgrading of computer software; oil-field surveying; technical surveying; maintenance of computer software; maintenance of software for Internet access; maintenance of software used in the field of e-commerce; maintenance of computer software relating to computer security and prevention of computer risks; locating and marking the placement of underground utility pipes, cables or wires; authentication of diamonds; authenticating works of art; evaluation of product design; evaluation of product development; arranging the donation of human corpses for medical research; conducting technical project studies for construction projects; conducting sampling and analysis services to check for contamination; conducting sampling and analysis services to assess pollution levels; design of interior decor; geological estimation and research; evaluation and testing of real estate for the presence of hazardous material; quality evaluation of standing timber; quality evaluation of wool; quality evaluation of alpaca fiber; grading of lumber; evaluation of results from quality control tests conducted on goods and services; pharmaceutical product evaluation; evaluation of chemical analyses; evaluation of chemical syntheses; digitization of documents [scanning]; digitization of sound and images; scanning of images [conversion from physical to electronic media]; conversion of texts to digital format; conversion of data or documents from physical to electronic media; computer disaster recovery planning; urban planning; planning of buildings and infrastructure systems for buildings; construction planning; technical project planning; technical project

planning in the field of engineering; planning and design of residential communities; planning and design of kitchens; planning and design of sports facilities; planning and design of retail premises; preparation of architectural plans; preparation of biological samples for analysis in research laboratories; preparation of biological samples for research purposes; preparation of biological samples for testing and analysis in research laboratories; preparation of engineering reports; preparation of scientific reports; preparation of reports relating to technical project studies for construction projects; preparation of reports relating to scientific research; preparation of reports relating to technological research; preparation of architectural reports; preparation of reports relating to technical research; construction drafting and consultancy relating thereto; preparation of technical reports; maintenance of computer software used for operating filling apparatus and machines; maintenance of web sites; archaeological exploration and research; troubleshooting in the nature of diagnosing problems with consumer electronics; hosting memory space on the Internet for storing digital photographs; rental of memory space on servers for hosting electronic bulletin boards; rental and maintenance of computer software; rental of computer hardware; rental of computer hardware and software; hosting software for use in library management; rental of computers and computer software; hosting multimedia and interactive applications; rental of Internet security programs; rental of software for inventory management; rental of software for importing and managing data; rental of software for web site development; rental of software for database management; rental of operating software for accessing and using a cloud computing network; rental of operating software for computer networks and servers; providing temporary use of on-line non-downloadable software for importing and managing data; providing temporary use of on-line non-downloadable software for web site development; providing temporary use of on-line non-downloadable software for inventory management; providing temporary use of on-line non-downloadable software for database management; providing temporary use of on-line non-downloadable operating software for accessing and using a cloud computing network; providing temporary use of on-line non-downloadable operating software for computer networks and servers; providing temporary use of on-line non-downloadable software for use in publishing and printing; providing temporary use of on-line non-downloadable software for word processing; providing temporary use of on-line non-downloadable software; providing temporary use of non-downloadable computer software for preparing invoices; providing temporary use of non-downloadable business software; providing on-line non-downloadable software for use in communication; providing on-line non-downloadable software for use in enterprise resource planning; providing on-line non-downloadable software for use in database management; providing on-line non-downloadable software for use in customer relationship management; providing on-line non-downloadable software for use in supply chain management; providing on-line non-downloadable software for word processing; providing temporary use of web-based applications; providing temporary use of web-based software; providing temporary use of on-line non-downloadable investment software; providing temporary use of non-downloadable software to enable content providers to track multimedia content; providing temporary use of non-downloadable software to enable sharing of multimedia content and comments among users; providing temporary use of non-downloadable software for analyzing financial data and generating reports; providing temporary use of on-line applications and software tools; platform as a service [PaaS]; providing temporary use of on-line non-downloadable computer software for use in broadcast monitoring applications; providing temporary use of on-line non-downloadable computer software for language translation; providing temporary use of non-downloadable

software applications accessible via a web site; providing information in the field of architectural design via a web site; providing information on computer technology and programming via a web site; providing scientific research information and results from an on-line searchable database; providing information in the field of computer software design; providing information in the field of computer software development; providing on-line information in the field of technological research from a computer database or the Internet; providing information relating to technological research; providing information and data relating to scientific and technological research and development; providing information and data relating to medical and veterinary research and development; providing information concerning research and technical project studies relating to the use of natural energy; providing information about fashion design services; providing information about medical and scientific research in the field of pharmaceuticals; providing information relating to scientific research in the fields of biochemistry and biotechnology; providing weather condition information affecting ski conditions and road closures; providing information about the design and development of computer software; providing information about industrial analysis and research services; providing information about the design and development of computer software, systems and networks; provision of information relating to industrial design; providing information on computer programming via a web site; providing information on computer technology via a web site; providing information in the field of product design; providing information on donation of human corpses for medical research; providing information about the design and development of computer hardware and software; providing information in the field of product development; providing information relating to computer programs; providing computer programs designed to the specifications of others; providing computer programs on data networks; providing technical advice relating to computer hardware and software; providing technical advice relating to computers; providing weather information; providing scientific information in the fields of climate change and global warming; provision of scientific information, advice and consultancy in relation to carbon offsetting; providing on-line information about industrial analysis and research services; providing on-line information about the design and development of computer hardware and software; hosting on-line facilities for conducting interactive discussions; providing search engines for obtaining data on a global computer network; providing search engines for obtaining data via communications networks; providing search engines for the internet; providing Internet search engines with specific search options; providing technical information about computers, computer software and computer networks; provision of technical information in relation to computers; providing technical advice in the field of scientific and industrial research; providing technological information about environmentally conscious and green innovations; providing quality assurance services; providing electronic storage space [web space] on the Internet; conversion of computer programs and data, other than physical conversion; conversion of images from physical to electronic media; data conversion of electronic information; hosting computerized data, files, applications and information; conducting research and technical project studies relating to the use of natural energy; conducting technical project studies; industrial research, development and testing; conducting clinical trials in the field of acupuncture therapy; conducting clinical trials in the field of cardiovascular disease; conducting clinical trials for others [scientific research]; conducting of scientific studies; conducting of scientific experiments; conducting early evaluations in the field of new pharmaceuticals; conducting of chemical analyses; consumer product safety testing; authentication of stamps; meteorological forecasting; programming of web pages; programming of video game software;

computer programming for data processing and communication systems; programming of computer animations; programming of computer game software; programming of multimedia equipment; programming of multimedia applications; programming of customized web pages featuring user-defined information, personal profiles and information; programming of customized web pages; engineering design; computer-aided graphic design; design of computer databases; design of web portals; design of web pages; design of building exteriors; design of building interiors and exteriors; design of building interiors; aircraft design; design of diagnostic apparatus and equipment; design of diagnostic apparatus; design of homepages and web pages; design of homepages and Internet pages; design and rental of software; design and graphic arts design for the creation of web sites; design and graphic arts design for the creation of web pages on the Internet; design and development of wireless data transmission apparatus; design and development of wireless data transmission apparatus, instruments and equipment; design and development of computer software architecture; design and development of computer hardware architecture; design and development of computer databases; design and development of computer firmware; design and development of diagnostic apparatus; design and development of homepages and web sites; design and development of engineering products; design and development of computer hardware and software for industrial applications; design and development of computer hardware and software; design and development of computer hardware, software and databases; design and development of computer database programs; design and development of computer peripherals; design and development of computer programs; design and development of computer software for process control; design and development of computer software for word processing; design and development of computer systems; design and development of computers; design and development of computers and computer software; design and development of medical diagnostic apparatus; design and development of testing and analysis methods; design and development of multimedia products; design and development of new technology for others; design and development of programs for data processing; design and development of computer database software; design and development of Internet security programs; design and development of software for inventory management; design and development of software for importing and managing data; design and development of computer software for use with medical technology; design and development of software for control, regulation and monitoring of solar energy systems; design and development of computer software for logistics; design and development of computer software for logistics, supply chain management and e-business portals; design and development of computer software for data processing; design and development of route planning software; design and development of software for web site development; design and development of computer software for database management; design and development of computer software for supply chain management; design and development of software for electronic television program guides; design and development of data retrieval software; design and development of software for electronic databases; design and development of computer software; design and development of industrial products; design and development of energy distribution networks; design and development of systems for data input, output, processing, display and storage; design and development of data entry systems; design and development of data output systems; design and development of systems for regenerative energy generation; design and development of navigation systems; design and development of navigation systems and route planning software; design and development of operating software for accessing and using a cloud computing network; design and development of operating software for computer networks and servers; design and development of data processing systems; design and

development of data display systems; design and development of data storage systems; design and development of medical technology; design and development of data processing apparatus; design and development of electronic databases; design and development of electronic greeting cards [e-cards]; design and development of electronic dictionaries; design and construction of homepages and web sites; design and creation of homepages and web pages; design and creation of homepages and Internet pages; design and maintenance of web sites for others; design and hosting of web portals; design of computer firmware; design of computer software for data processing; customized design of computer hardware; design of computer software, computer firmware, computer hardware and computer systems; computer hardware design; design of computer programs; computer system design; design of machines, apparatus and instruments; design of mechanical components; design of optical components; design of video game software; design of computer game software; design of computer software for word processing; customized design of computer software; plant engineering; design, development and programming of computer software; design, development, maintenance and updating of computer software for process control; design, development, maintenance and updating of computer software for data processing; design, development, maintenance and updating of computer software for word processing; design, development, maintenance and updating of computer software for word processing, data processing and process control; design of data processing systems; design of data storage systems; design of lighting systems; design of special effects; technical consultancy in the field of light engineering; design of data processing apparatus; design of telecommunications equipment; rental of web servers; rental of measuring apparatus; rental and updating of software for data processing; rental of computer hardware and computer peripherals; computer rental; rental of laboratory apparatus and instruments; rental of computer software; rental of software for Internet access; rental of computer software and programs; rental of a database server to third parties; industrial and graphic art design; unlocking of mobile phones; gas exploration; geological prospecting; marine, aerial and land surveying; oil prospecting; development of algorithms and computing methods for processing telecommunication and navigation data; development of algorithms and computing methods for processing telecommunication and navigation signals; development of algorithms and computing methods for generating telecommunication and navigation data; development and updating of computer software; development of data transmission systems; development of data storage systems; hosting web sites on the Internet; hosting computer sites [web sites]; hosting on-line web facilities for others; hosting computer application software in the field of knowledge management for creating searchable databases of information and data; server hosting; duplication of computer programs; duplication of computer software; development of testing apparatus for electrical wires; architectural planning; development of computer firmware; development of computer hardware; development of diagnostic apparatus; development, design and updating of homepages; development of engineering products; design and writing of computer software; web site development; information technology engineering; design and updating of computer software; development and maintenance of web sites; design and programming of web sites; design and development of video game software; technical research projects and studies; design and development of wireless computer networks; design and development of wireless networks; design and development of web pages; design and development of computer hardware; design and development of virtual reality software; design and development of computer hardware for the manufacturing industry; design and development of computer game software; design and development of computer game software and virtual reality software; design and

development of computer networks; design and development of computers and computer programs; design and development of software and hardware for data and multimedia content conversion from and to different protocols; design and development of software and hardware for audio and video operators; design and development of software and hardware for processing and distribution of multimedia content; design and development of software and hardware for digital signal processing; design and development of software and hardware for compression and decompression of multimedia content; design and development of software and hardware for producing, recording and processing digital and analog signals; design and development of software and hardware for signal amplification and transmission; design and development of electronic data security systems; design and development of telecommunications networks; design and development of photovoltaic systems; design and development of digital sound and image carriers; design and development of electronic language translation dictionaries and databases; design and development of information and communications technology; design and development of computer software for evaluation and calculation of data; design and development of computer software for reading, transmitting and organizing data; design and development of computer hardware and software for use in the field of medicine; design and development of prostheses; design and development of energy management software; design and development of endoprostheses; design and creation of homepages and web sites; product design and development; design and development of consumer products; development and maintenance of computer software; development and maintenance of computer database software; development and testing of computing methods, algorithms and software; development and testing of computing methods, algorithms and software for generating telecommunication and navigation data; development and testing of computing methods, algorithms and software for processing telecommunication and navigation signals; development and testing of computer software; development and testing of chemical production methods; development of computer hardware for computer games; design of computer hardware and software for commercial analysis and reporting; design of computer hardware and software; design of computer hardware, software and computer peripherals; development of computer hardware and software; design of computer peripherals; development of computer databases; development of computer peripherals; development of computer software; development of computer software for use with computer-controlled switching systems; development of computer software for use with programmable controllers; developing computer programs for electronic cash register systems; development of computer programs and computer game software; design of computer programs and software relating to aircraft; development of computer programs for simulating laboratory experiments; development of computer systems; development of computers; drug development; development of measuring and testing methods; design, updating and rental of computer software; development of new products; development of operating system software; construction drafting; development, maintenance and updating of a telecommunication network search engine; development of application software for delivery of multimedia content; design of programs for data processing; development, programming and rental of data processing programs; computer software design; development of computer software for computer aided design/computer aided manufacturing [CAD/CAM]; design of computer database software; development of software for secure network operations; development of video game software; software development in the framework of software publishing; design of software for use with printing machines; development of computer game software; development of computer software for logistics, supply chain management and e-business portals; development of image processing software;

development of computer software for data processing; development of computer software for word processing; development of software for communication systems; development of computer software for creating electronic television program guides; development of driver software; development of driver and operating system software; customized design of computer hardware and software; development of programs for data processing; industrial process development; development of industrial products; design of prostheses; design, development, installation and maintenance of computer software; design of apparatus and machines for filling purposes; development of computer software application solutions; development of data processing systems; development of energy and power management systems; computer-aided engineering design; design, programming and maintenance of computer software; design, maintenance, rental and updating of computer software; design, maintenance and updating of computer software; design, development, maintenance and updating of computer software; product development; development of consumer products; design, installation, updating and maintenance of computer software; development of data processing apparatus; development of pharmaceutical preparations and medicines; cloud seeding; decoding of data; repair of computer programs; certification of diamonds; compression of data for electronic storage; development of prostheses; consultancy in the field of energy-saving; design of clothing accessories; design of animations; creation and design of web pages for others; creation and maintenance of Internet sites; creating and maintaining customized web pages; creating and maintaining web sites for cellular phones; building and maintaining websites; design and creation of web sites; design and development of driver software; design and development of image processing software; creating and designing website-based indexes of information for others [information technology services]; creating and maintaining web sites; design and maintenance of Internet homepages; design and testing of new products; creating and maintaining web pages; creating and maintaining web sites for others; creation and development of computer programs for data processing; programming of computer software for electronic language translation dictionaries and databases; programming of computer software for evaluation and calculation of data; programming of computer software for reading, transmitting and organizing data; programming of energy management software; design of computer graphics; creation of computer programs; design of computer networks; design of new products; design, upgrading and rental of computer software; creation, maintenance, and updating of computer software; design of operating system software; creating, maintaining and hosting the web sites of others; programming of software for Internet portals, chatrooms, chat lines and Internet forums; design of driver software; creation of programs for data processing; creation, design and maintenance of web sites; creation, design, development, and maintenance of web sites; programming of operating software for accessing and using a cloud computing network; programming of operating software for computer networks and servers; electronic site authoring; product benchmarking; maintenance and repair of computer software; upgrading and maintenance of computer software; updating and maintenance of computer software; maintenance and updating of software for communication systems; maintenance of computer programs; maintenance of database software; grading of precious stones; grading of coins; well logging; programming of software for information platforms on the Internet; computer programming for the medical sector; programming of software for Internet platforms; computer programming; programming of software for e-commerce platforms; programming of Internet security programs; programming of software for inventory management; programming of software for importing and managing data; programming of software for web site development; programming of software for

database management; programming of data processing programs; programming of electronic data processing [EDP] software; technical writing; drafting of construction plans for recreation facilities; structural and functional analysis of genomes; marine surveying; aerial surveying; topographical surveying; testing, analysis and monitoring of navigation signals; testing, analysis and monitoring of system algorithms for generating telecommunications and navigation data; testing, analysis and monitoring of system algorithms for processing telecommunications and navigation data; testing, analysis and monitoring of telecommunication and navigation signals; testing, analysis and monitoring of telecommunication signals; testing, analysis and evaluation of the goods and services of others for the purpose of certification; testing, analysis and evaluation of the goods of others for the purpose of certification; testing, analysis and evaluation of the services of others for the purpose of certification; testing of apparatus in the field of electrical engineering; testing of apparatus in the field of electrical engineering for certification purposes; testing of computer installations; product safety testing; material testing and analysis; material testing and evaluation; quality testing; quality control testing of products; quality control testing of products for certification purposes; quality testing of products for certification purposes; testing of computer hardware; testing of computer hardware and software; testing of computer programs; quality control testing and consultancy relating thereto; testing of new products; testing of computer software; industrial testing; product testing; testing of raw materials; testing of telecommunication signals; testing of filters; bacteriological testing; DNA screening for scientific research purposes; maintenance of computer software for data processing; maintenance of software for communication systems; technical consultancy relating to the use of computer hardware; technical consultancy relating to product development; providing technical advice relating to energy-saving measures; technical consultancy relating to the application and use of computer software; technical consultancy relating to the installation and maintenance of computer software; technical drawing; technical development of structural elements, devices and systems for solar collectors and photovoltaic plants; technological consultancy in the fields of energy production and use; technical design and planning of heating installations; technical design and planning of sewerage systems; technical design and planning of water purification plants; technical design and planning of telecommunications equipment; technical design and planning of telecommunications networks; technical design and planning of pipelines for gas, water and waste water; technical design and planning of power stations; copying of computer programs; architectural project management; managing web sites for others; conducting engineering surveys; conducting of technical feasibility studies; computer project management in the field of electronic data processing [EDP]; administration of user rights in computer networks; conducting of quality control tests; conducting of quality control tests on goods and services; remote server administration; blood analysis services for scientific research purposes; analytical laboratory services; chemical research and analysis; architectural services relating to land development; architectural services for the design of buildings; architectural services for the design of commercial buildings; architectural services for the design of retail premises; architectural services for the design of industrial buildings; architectural services for the design of shopping centers; architectural services for the design of office buildings; architectural services; biological laboratory services; web design; hosting web sites; outsource service providers in the field of information technology; agrochemical research; architectural and engineering services; biomedical research; footwear design; computer system integration services; data encryption and decoding services; chemistry services; genetic engineering services; mechanical and electrical engineering services; telecommunications

engineering; research, development, analysis and consultancy services in the field of engineering; genetic engineering services relating to plants; graphic design services; packaging design; architectural design; off-site data backup; illustrators' services; inspection services for new and used vehicles for persons buying or selling their vehicles; analysis services for oil field exploration; dental research laboratory services; computer programming services for commercial analysis and reporting; computer programming services for electronic data security; computer-aided diagnostic testing services; consultancy in the field of bacteriology; computer technology consultancy; advisory services in the field of product development and quality improvement of software; telecommunications technology consultancy; advisory and information services relating to computer software; consultancy services relating to software used in the field of e-commerce; medical research laboratory services; optical research laboratory services; laboratory testing; scientific and technological services and research and design relating thereto; scientific and technological services and research and development relating thereto; cloud computing; scientific laboratory services; computer-aided scientific analysis; computer-aided design; computer-aided design services relating to architecture; computer-aided design services relating to building projects; computer-aided industrial analysis; computer-aided industrial design, research, testing and analysis services; computer-aided testing services; computer-aided industrial research; computer-aided scientific research; computer-aided scientific research, testing and analysis services; analysis and testing services in the field of oil exploitation; analysis and testing services relating to electrical engineering apparatus; analysis and testing services for the oil industry; biological cloning services; civil engineering; surveying and engineering services; design services in the field of naval shipbuilding; fashion design; lighting design; underwater structural inspection services; engineering consultancy; research and consultancy services relating to computer software; research and design services; research and development services relating to computer hardware and software; research and development services relating to computer hardware; research and development services relating to computer software; research and development services in the field of bacteriology; research and development services in the field of gene expression systems; research and development services in the field of immunology; research and development services in the field of engineering; research and development services in the field of antibody technology; research and development services in the field of chemistry; research and development services in the field of cytology; research and development services in the field of physics; research and development services relating to vaccines; research, testing and analysis services; computer security services for protection against illegal network access; advisory and consultancy services relating to the design and development of computer hardware; consultancy in the field of office and workplace automation; environmental testing services to detect contaminants in water; water quality control services; configuration of computer networks; web site load testing services; research and development services in the field of antibodies; scientific research, testing and analysis services; radon detection services; data migration services; architectural planning and consultancy services; planning and layout design services for cleanroom environments; advisory and information services relating to the design and development of computer hardware; advisory and information services relating to the design and development of computer peripherals; exploration services to locate oil and gas; research and development services relating to vaccines and medicines; research and development services relating to solar cells and electricity generation; research and development services relating to measuring and regulating technology; research and development services relating to fertilizers; laboratory research and analysis; diamond authentication and certification

services; weather forecasting; IT programming services; computer programming services for data warehousing; computer programming services relating to multimedia and interactive applications; design services relating to civil engineering; design and planning services relating to telecommunications equipment; design services relating to printed matter; industrial analysis; industrial analysis and industrial research services; industrial analysis and research services in the field of chemistry; industrial development services; industrial research, testing and analysis services; database development services; brand design services; video game development services; development and testing services in the field of engineering; drug discovery services; development services in the field of computer software and advisory services relating thereto; electronic data backup; styling [industrial design]; software engineering services for data processing programs; cartography services; mapping; web site usability testing services; testing services for the certification of quality or standards; testing and research services in the field of preventing pollution; testing and research services in the field of civil engineering; testing and research services in the field of electricity; testing and research services relating to machines, apparatus and instruments; technical testing and quality control services; testing, inspection and research services in the fields of pharmaceuticals, cosmetics and foodstuffs; testing, inspection and research services in the fields of agriculture, livestock breeding and fisheries; quality control services for certification purposes; testing services for computer hardware and software used with alarm and monitoring systems; computer hardware and software testing services; quality control testing services for forestry equipment; quality control testing services for horticultural equipment; quality control testing services for industrial machinery; quality control testing services for agricultural machinery; testing services for alarm and monitoring systems; technical measuring services; technical measuring and testing services; computer software technical support services; technical design; technical design services relating to water supply installations; technical design services relating to heating installations; technical design services relating to sanitary apparatus and installations; technical design services relating to cooling appliances and installations; technical design services relating to electricity plants; technical testing services; technical planning and consultancy in the field of light engineering; environmental assessment services; environmental testing and inspection services; environmental monitoring services; design and construction planning services and consultancy relating thereto; computer-aided engineering design and drawing services; mineral exploration; computer software support services; technological services and research and design relating thereto; chemical laboratory services; chemical and biological laboratory services; draftsman's services in the nature of technical drawing; data encryption services; electronic data storage and data backup services; development of new technology for others; installation, maintenance and repair of software for computer systems; installation of software for Internet access; installation, maintenance, updating and upgrading of computer software; debugging computer software for others; chemical engineering; hosting weblogs [blogs]; hosting web portals; hosting an on-line web site for creating and hosting micro web sites for businesses; hosting the web sites of others; hosting and rental of memory space for web sites; hosting the web sites of others on a computer server for a global computer network; hosting computer databases; hosting computer software applications for others; hosting multimedia educational content; hosting multimedia entertainment content; hosting multimedia entertainment and educational content for others; hosting memory space on the Internet; hosting on-line web facilities for others for sharing on-line content; hosting on-line web facilities for others for conducting interactive discussions; hosting e-commerce platforms on the Internet; hosting customized web pages; hosting memory space for web sites; hosting

platforms on the Internet; hosting digital content on the Internet; hosting electronic memory space on the Internet for advertising goods and services; on-line data storage; electronic data storage; computerized data storage; computerized business information storage; surveying; technical project studies in the field of construction; inspection of goods for quality control; maintenance and consultancy services relating to software used in the field of e-commerce; electronic monitoring of credit card activity to detect fraud via the internet; electronic monitoring of personally identifying information to detect identity theft via the internet.

PJSC «GAZPROM»

NAMETKINA STR., 16 RU-117997 MOSCOW RUSSIAN FEDERATION

ADDRESS FOR SERVICE: INFINITUS LAW CORPORATION, P.O. BOX 259, RAFFLES CITY POST OFFICE, SINGAPORE 911709

40201927023W (37 39 44 45)
(International Registration No. 1502891)

Date of International Registration: 13/06/2019
Date of Protection in Singapore: 13/06/2019
Date of Notification: 12/12/2019

The logo consists of the letters 'A', 'X', and 'A' in a bold, sans-serif font. The 'X' is formed by two intersecting diagonal lines, creating a central square void.

Class 37

Assistance to motorists and travelers during travel, namely assistance in case of vehicle breakdown (repair); repair of premises following damage claims; maintenance of vehicles, buildings and premises; cleaning of buildings (interior); advice and information in the field of development of housing so as to adapt accessibility and autonomy thereof for people becoming dependent; computer hardware installation, maintenance and repair.

Class 39

Assistance to motorists and travelers during travel, namely assistance in case of vehicle breakdown (towing); repatriation and transport of motorists and travelers in case of accident or illness; emergency towing services and repatriation of vehicles; shipping of spare parts; vehicle rental services; tourism and travel agencies, namely travel organization and reservation; information on travel; reservation of transport by couriers; taxi services; ambulance transport; home delivery of medicine; travel reservation; removal services; home delivery services for meals and shopping goods; home-delivery services for pharmaceutical and parapharmaceutical products.

Class 44

Organization and provision of medical care, hygiene and aesthetic care services for people at home; medical assistance at home; reservation of places in hospitals, rest or convalescent homes; home assistance for sick children and the elderly, namely home medical assistance, medical nursing services; medical assistance; emergency medical assistance; provision of medical facilities; medical assistance provided by doctors and other specialized medical personnel.

Class 45

Legal advice, information and inquiries (unrelated to the conduct of business); legal assistance in the context of insurance contracts; legal assistance relating to credit operations; funerary undertaking, namely, legal procedures for death, burial, preparation and transfer of a body; legal advisory and legal assistance services relating to the death and organization of funerals; advice and information in the field of a funeral; bereavement counselling concerning death and funeral services; organising contemplation meetings of bereaved families to commemorate the death of a loved one; organization of services in connection with the security of persons and property at home, namely security consultancy; pet care services, namely pet sitting, assisting in the locating of lost pets and pet funeral services; escorting children to nursery or school (social chaperoning); guarding of premises; provision of household help, namely babysitting and housesitting.

Class 09

Scientific apparatus and instruments for research in laboratories and as laboratory equipment; nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; electric and electronic monitoring apparatus, in particular alarm installations and parts therefor, fire alarm installations, video surveillance installations; remote control apparatus; electric anti-theft alarms; alarms and electric locksets; perimeter monitoring apparatus; cameras; fire alarms; water detectors; smoke alarms; motion sensor; glass breakage detectors; vibration detectors; access control installations; electronic locking and unlocking systems; electric and electronic locks and parts therefor; electric and electronic keys; locks comprising fingerprint readers; locks comprising biometric fingerprint scanners; biometric access control systems; facial recognition apparatus; vein pattern recognition apparatus; gesture control apparatus; speech recognition apparatus; movement pattern recognition apparatus; wireless locks; electric and electronic door controllers; radiocommunication apparatus; telephony apparatus; integrated circuits; magnetic encoders; apparatus for the recording, transmission and reproduction of data, sound or images; data-processing equipment and computers; peripherals adapted for use with computers; magnetic data media; encoded magnetic cards; smart cards; smoke detectors; peepholes [magnifying lenses] for doors; electronic speech and relay modules; programming apparatus; panic buttons; magnetic contacts; switch contacts; storage batteries; electric cables and distributors; programs for data processing equipment; software (recorded), in particular for video surveillance apparatus, alarm apparatus and locking systems; home and building automation software; application software for mobile devices; computer software for mobile applications that enable interaction and interface between vehicles and mobile devices; cloud computing software; mobile apps; computer software for interpreting fingerprints or palm prints; facial recognition, vein pattern recognition, gesture control, voice recognition and movement pattern recognition software; software for electronic lock and access control device data transmission via a global computer network, by wireless telephone network, or by radio transmission; software for downloading application programs and for remote programming, control, monitoring, and management of electronic locks and access devices via global computer network, wireless telephone network or radio transmission; software for smart home devices for building and home automation; software for programming, controlling, monitoring and managing electronic locks and access control apparatus; programs and software (recorded) for data processing equipment, namely for home video surveillance apparatus, home alarm apparatus, home locking systems and house automation; downloadable software, namely for home video surveillance apparatus, home alarm apparatus and home locking systems and house automation, in particular apps for lighting, alarm and home automation, lights, windows, gates, doors, locks and systems consisting of the aforesaid goods; mobile phone applications enabling the purchase, sale, management and viewing of digital assets; computer software in the fields of distributed ledgers, namely blockchain, and ledgers of transactions involving digital currency, virtual currency, and

digital assets; downloadable media, including downloadable image files, downloadable graphics for mobile phones; downloadable representations of digital assets; protection devices for personal use against accidents; protective clothing; head protection; fire extinguishers; fire-extinguishing sprays; sensors and detectors, including for roller blinds; movement, presence, brightness, temperature and gas sensors based on semiconductors, infrared waves, radio and/or microwaves and electronic analysis and signalling apparatus therefor; distance measuring apparatus and sensors; commutators; finger switches; key switches; switches for garage door drives, door drives, swing gate drives, sliding door drives, sectional gate drives, rolling gate drives, external gate drives or articulated arm drives; roller shutter switches; awning switches; encoded switches; wireless encoded switches; light switches; radio receiving tuners; time switches, automatic; transmitters; wireless transmitters; electrical transmitters; optical transmitters; transmitters for transmitting signals to garage door drives, door drives, swing door drives, sliding door drives, sectional gate drives, rolling gate drives, external gate drives or articulated arm drives; electric, electronic, thermal and programmable controllers; electrical controls for roller blinds; antennas; sockets, plugs and other contacts [electric connections]; radio-controlled sockets; window contacts (electric); transducers; radio controls; smart home controllers; controllers for household apparatus or kitchen apparatus; controllers for household technology; electronic installations for light, alarm and house automation, included in this class; photovoltaic apparatus and installations for generating solar electricity; sensors for automatically tracking the sun's position; industrial automation controllers; electrically operated converters; light diodes; signalling lights; flameless light-emitting diodes.

Class 11

Lighting lamps; electric lamps; LED lamps; lamps; lamps for electrical installations; halogen lamps; projector lamps; safety lamps; illuminant lamps for projectors; reading lights; electrical lamps for indoor lighting; lamps for outdoor use; stroboscopic lamps [light effects]; strobe lights [light effects]; fluorescent lamps; solar lamps; portable lamps [for illumination]; LED safety lamps; portable hand lamps [for illumination]; solar powered lamps; full spectrum light sources [other than for photographic or medical use]; electric night lights; floor lamps; street lamps; reflector lamps; lamps for vehicle lighting; motor vehicle lamps; lamps for directional signals of automobiles; turn sign-board lamps for motor vehicles; luminaires; LED luminaires; LED lighting fixtures; recessed lights; electrically operated lighting apparatus and accumulator lamps; lights for vehicles; bicycle lights; motorcycle lights; vehicle lighting and lighting reflectors; helmet lights; light emitting diode lights for automobiles; emergency lighting; lamps for emergency lighting; emergency lighting with single batteries; fixed general-purpose lights; fixed garden lights; portable general-purpose lights; portable lights for children; electric hand lamps [other than for photographic use]; built-in floor lights; security lighting incorporating a movement activated sensor; security lighting incorporating an infra-red activated sensor; LED landscape lights; lighting being for use with security systems; opaque casings for lights; luminous house numbers; lamp holders; lamp glasses; lamp reflectors; lamp holders; lamp shades; filters for use with lamps; bases adapted for the mounting of lamps; direction indicators for cycles (lamps for -); reflectors for vehicles; vehicle headlamps; headlamps for use on motor cycles; headlamps for use on cycles; search lights; spot lights for household illumination; electric lighting devices; light bulbs, electric; incandescent lamps; LED light bulbs; filament lamps for household use and similar general lighting purposes; halogen light bulbs; fluorescent lamp tubes; fluorescent luminaires for architectural lighting; fluorescent luminaires for stage lighting; fluorescent electric light bulbs; electric torches; LED flashlights; solar powered torches; flashlights

utilising electric rechargeable devices; light sources of electro luminescence; self-luminous light sources; light sources [other than for photographic or medical use]; LED light strips; LED candles; LED lighting assemblies for illuminated signs; light-emitting diodes [LED] lighting apparatus; bicycle dynamo lights; night lights [other than candles]; electric fairy lights; industrial lighting fixtures; outdoor electrical lighting fixtures; lighting elements for buildings; indoor electrical lighting fixtures; lighting fixtures for commercial use; lighting fixtures for household use.

Class 36

Insurance underwriting; insurance and financial affairs relating to legal assistance, fraud, robbery, theft, violence, price protection, health, healthcare and hospital stays; insurance and financial affairs relating to electrical engineering, plumbing, locksmithing, pest control and relating to air conditioning installations, and with regard to breakdown services, car breakdowns, rental of cars, rental of vehicles and travel using vehicles; underwriting of motor accident insurance; financial affairs; monetary affairs; financial leasing, financing and insurance relating to security solutions; processing of electronic payments; processing payments for the purchase of goods and services via an electronic communications network; bank card, credit card, debit card and electronic payment card services; processing payments made by charge cards.

Class 38

Telecommunications; providing of access to apps, in particular mobile apps (computer software); providing access to data on the Internet; providing access to electronic databases; providing access to connectivity services and access to electronic communications networks for the transmission or reception of digital files and in particular audio, image or multimedia content on the Internet; providing access to websites having digital files; transmission of digital files via telecommunications installations; providing telecommunications connections to the Internet or databases; providing access to communications networks for transmission or reception of computer software and applications on the Internet; e-mail services; delivery of messages by electronic transmission; wireless data messaging services, particularly services that enable a user to send and/or receive messages through a wireless data network; transmission and reception of voice communication services; broadcasting or transmission of streamed and downloadable digital audio and video content via computer and telecommunications networks; information and advisory services relating to the aforesaid included in this class.

Class 42

Scientific and technological services and research and design relating thereto; industrial analysis and research services; design and development of computer hardware and software; design and development of software in the field of mobile applications; hosting of mobile applications; cloud computing; cloud hosting provider services; design and development of operating software for accessing and using a cloud computing network; programming of operating software for accessing and using a cloud computing network; application service provider [asp], namely, hosting computer software applications of others; consultancy in relation to interior design, or construction planning; consultancy in relation to software for home video surveillance apparatus, home alarm apparatus and home alarm installations as well as home locking systems; design services for the interior of buildings; planning (design) of domestic and security technology; technological information provided online by means of a computerised system in the field of domestic and security technology; technical consultancy with regard to fire protection, security; technical advice in connection with energy-saving measures; technical planning and

consulting in the field of light engineering; certification in relation to lighting, domestic and security technology, and locking technology; rental of computer systems; rental of storage area of computer servers; rental of memory space on servers via communication networks; providing on-line non-downloadable application software via communication networks; designing, production and maintenance of computer programs; computer rental; providing non-downloadable software; providing non-downloadable computer programs for administration of electronic payment settlement systems.

Priority Claims:

Class 21

16/05/2019

United States of America

All goods/services claimed in this application.

ECO VESSEL, LLC

1600 RANGE ST., SUITE 104 BOULDER CO 80301 UNITED STATES OF AMERICA

ADDRESS FOR SERVICE: DREW & NAPIER LLC, 10 COLLYER QUAY, #10-01 OCEAN FINANCIAL CENTRE, SINGAPORE 049315

40202000632V (07 09 10 16 20 21 42)
(International Registration No. 1406701)

Date of International Registration: 22/11/2017

Date of Protection in Singapore: 23/12/2019

Date of Notification: 09/01/2020

The following claim is made in the International Registration: Colour(s) claimed: Grey, blue, green and orange.

Class 07

Machines and machine tools for manufacturing of glass; machines for processing glass; machines for assembly, packaging, and process systems for pharmaceutical preparations; machines for filling packaging containers, in particular for filling blister packs, ampoules, pouches and capsules; filling machines, in particular filling machines for bottles, ampoules, pouches and capsules; bottle filling machines, in particular capsule filling machines; labelling machines; rollers being components of packaging lines [machines]; automated assembly machines.

Class 09

Electronic apparatus for testing the sterility of pharmaceuticals and injectable solutions; electronic apparatus for testing the sterility of medical equipment, scientific measuring and checking (supervision) apparatus and instruments; laboratory test tubes; laboratory glassware; optical apparatus and instruments, computer software; measuring, counting, alignment and calibrating instruments; portable electronic devices used to remind patients of their drug therapy schedules; dosage dispensers.

Class 10

Glass containers for medical and pharmaceutical purposes, namely, ampoules, bottles, vials and cartridges, all products above sold empty, in sterile and non-sterile condition; syringes sold empty in sterile and non-sterile condition; flasks for parenteral nutrition; flasks for medical use; dropper bottles for medical purposes; sprayers for medical purposes; suction bottles for medical use; dropper bottles for administering medication; medical syringes; injection syringes; haemoperfusion cartridges; feeding bottle receptacles; feeding bottle receptacles; droppers

for medical purposes; droppers for administering medication, sold empty; trays for holding surgical instruments; measuring spoons for administering medicine; spoons for administering medicine; non-spill medicine spoons for infants; intravenous feeding bottles; medicinal bottle stoppers; breast milk storage bottles; medical tubing for administering drugs; injection device for pharmaceuticals; dropping pipettes for medical purposes; containers made of glass or plastic for pharmaceutical or parapharmaceutical or medical use, in particular bottles for injectable substances, bottles for medicines, bottles for reagents, bottles for infusions, bottles for aerosols, vials, ampoules, cartridges, syringes, pill bottles; glass tubes for pharmaceutical or medical use; diagnostic, examination, and monitoring equipment for medical purposes, in particular blood testing apparatus; blood glucose monitoring apparatus; sphygmotensimeters; medical apparatus for measuring the oxygen content of blood; medical and veterinary apparatus and instruments, in particular inhalers, injectors for medical purposes, jet injectors for medical use, pen injector, autoinjectors for the administration of pharmaceutical preparations, tablet dispenser; surgical instruments; applicators for pharmaceutical preparations; applicators for medications; apparatus for administering pharmaceuticals; apparatus for drug administration; automatic medical apparatus for dosing humans by injection; disposable hypodermic syringes for medical use; disposable needles for hypodermic syringes; disposable syringes; hypodermic injectors; hypodermic injection apparatus; hypodermic needles; hypodermic needles for injection; hypodermic syringes; hypodermic syringes for injections for medical purposes; hypodermic syringes for use in administering injection substances; injection device for pharmaceuticals; injection needles for medical use; injection syringes; injection syringes for medical purposes; injection syringes [syringe barrels]; injection needles; injectors for medical purposes; jet injectors for medical use; medical apparatus and instruments; medical apparatus for introducing pharmaceutical preparations into the human body; medical syringes; medical syringe needles; medication injectors; medicinal injection syringes; needles for injections; needles for medical purposes; needles for medical use; push syringes for medical use; syringes for medical purposes; syringes for injections; syringes in the nature of pens; transdermal drug delivery devices wearable transdermal drug delivery devices; electronic analyzers for medical purposes; physical analyzers for medical use; electronic monitoring instruments for medical use; detecting instruments for medical use; temperature sensing apparatus for medical use; diagnostic apparatus for medical purposes; apparatus for carrying-out diagnostic tests for medical purposes; lung function test apparatus for medical use; radio cardiographic apparatus for medical purposes; sensor apparatus for medical use in diagnosis; electronic apparatus for medical purposes; measuring devices for medical use; temperature sensors for medical use; precision sensors for medical use; sensor apparatus for medical use in monitoring the vital signs of patients; medical imaging apparatus; electric instruments for medical purposes; detectors for medical applications; electrodes for picking up biological parameters; electrodes for picking up electrophysiological parameters; ultrasonic sensors for medical use; oxygen sensors for medical use; measuring spoons for administering medicine; infusion, transfusion and inhalation systems [medical apparatus]; dosing systems and administering devices for medical purposes; lancing devices and lancets for medical purposes; medical diagnostic systems; medical implantation instruments; pen systems, autoinjectors and micro pumps for medical purposes.

Class 16

Blister packs for packaging.

Class 20

Container closures of plastic; plastic medication containers; containers, not of metal; plastic trays [containers] used in food packaging; transparent food trays (non-metallic -) for commercial use; bottle closures, not of metal; closures for containers, non-metallic; plastic medication containers for commercial use; corks for bottles; plastic stoppers for bottles; screwcaps and caps of plastic for the closure of containers; sealing caps, not of metal; empty closures of plastics for containers for detecting tampering; child resistant security closures (non-metallic -) for containers.

Class 21

Unworked or semi-worked glass (except glass used in building); industrial packaging glass containers for medical and pharmaceutical substances; cruets; cruet stands; glass vials [receptacles]; flasks; flasks of plastic; empty spray bottles; glass cartridges for medication, empty; pill boxes for personal use; pill boxes [not for medical purposes]; personal dispensers for pills or capsules for domestic use; droppers sold empty for cosmetic purposes; glasses [receptacles]; bottles; perfume bottles; glass flasks [containers]; plastic bottles; drip preventers for bottles; glass stoppers for bottles; bottles for pharmaceuticals sold empty; apothecary jars; dispensers for liquids for use with bottles.

Class 42

Scientific research and development in the fields of pharmaceuticals and pharmaceutical packaging; packaging design services, design, maintenance, development and updating of computer software; development of industrial machines, in particular packing machines; certification [quality control]; engineering services, technical inspection services, inspection of pharmaceuticals, technical inspection services and inspection, scientific and technological services and design relating thereto, design and development of computer hardware and software, industrial design, packaging design; laboratory services for analytical testing; engineering consultancy relating to testing; testing, authentication and quality control in relation to mechanical, chemical and functional analysis on pharmaceutical primary containers and drug delivery devices; testing services for the certification of quality or standards; testing, analysis and evaluation of the goods and services of others for the purpose of certification; design and testing of new products; testing the functionality of apparatus and instruments; product testing; product quality testing; material testing; product safety testing services; development of measuring and testing methods; inspection of pharmaceuticals; testing of pharmaceuticals; testing of chemicals; design services; design and development of testing and analysis methods; design services relating to process systems for the biotechnology industry; pharmaceutical products development.

Date of Protection in Singapore: 05/11/2019
Date of Notification: 05/03/2020

The following claim is made in the International Registration: Colour(s) claimed: Tangerine, orange, medium yellow, lemon yellow, bluish violet, dark blue, blue and azure.

Class 09

Computer game software, downloadable; computer peripheral devices; application software for cellular phones, downloadable; pedometers; apparatus to check franking; cash registers; mechanisms for coin-operated apparatus; dictating machines; holograms; hemline markers; voting machines; electronic terminals for generating lottery tickets; facial recognition device; phototelegraphy apparatus; electronic bathroom scales; measures; digital signs; cellular phones; wearable video display monitors; headsets for virtual reality games; video projectors; measuring apparatus; distance measuring apparatus; taximeters; connected bracelets [measuring instruments]; apparatus and instruments for physics; electroscope; simulators for the steering and control of vehicles; optical lenses; materials for electricity mains [wires, cables]; semi-conductors; chips [integrated circuits]; rheostats; electric plugs; sensors; video screens; remote control apparatus; optical fibers [light conducting filaments]; heat regulating apparatus; lightning rods; electrolyzers; fire extinguishing apparatus; X-ray apparatus not for medical purposes; protective helmets; theft prevention installations, electric; sunglasses; batteries, electric; animated cartoons; sports whistles; egg-candlers; dog whistles; decorative magnets; electrified fences; electronic collars to train animals; refrigerator magnets; portable remote controls for kick-up block.

Class 41

Modelling for artists; organization of lotteries; rental of indoor aquaria; organisation of prize draws; animal training; teaching; organization of electronic game competitions; mobile library services; providing online electronic publications, not downloadable; distribution of video; providing online music, not downloadable; game services provided online from a computer network; providing amusement arcade services; health club

services [health and fitness training]; toy rental; games equipment rental; conducting guided tours.

Priority Claims:

Class 09

09/09/2019

China

All goods/services claimed in this application.

Class 41

09/09/2019

China

All goods/services claimed in this application.

(International Registration No. 1383526)

Date of International Registration: 04/09/2017

Date of Protection in Singapore: 04/09/2017

Date of Notification: 04/01/2018

Class 01

Unprocessed, natural and synthetic polymers; plasticizers for polymers; unprocessed polymer resins; compositions for repairing tires and inner tubes; rubber adhesives and fillers for repairing tires and inner tubes; antifreeze; chemical products in the form of granules and/or powders and composite materials made of ceramic, all these goods for additive manufacturing.

Class 03

Windshield-cleaning liquid; cleaning, polishing, degreasing and abrasive preparations; soaps; degreasers other than for use in manufacturing processes.

Class 04

Lubricants; lubricating oils; lubricants for pneumatic tires.

Class 05

Deodorants (deodorizing products); equipped first-aid kits.

Class 06

Unwrought and semi-wrought common metals and their alloys; non-electric cables and wires of metal; balls of steel; metal nails, studs and screws; metal bottles for compressed air for the purposes of inflating tires; metal wheel mounting bolts; common metals and their alloys in the form of powders and/or granules for additive manufacturing.

Class 07

Machine tools; coupling mechanisms and belts for transmission, except for land vehicles; belts for conveyors; anti-vibration mountings for machines, transmission components for machines, other than for land vehicles; stationary or mobile motors for machines; fuel cell electricity generators; high-pressure cleaners; apparatus for tire mounting and dismounting; jacks [machines] and cylinders [machines]; inflators (machines); connectors for inflating tires (parts of machines); vacuum cleaners; spray guns for paint; air compressors; machines for additive manufacturing (3D printers).

Class 08

Hand-operated hand tools and implements; cutlery, forks and spoons; side arms, other than firearms; scrappers for vehicle windows; shovels; chain rivet tools for use with motorcycle and bicycle chains; screwdrivers; multi-function hand tools; jacks [hand tools]; levers for tire mounting and dismounting; breast drills (tools).

Class 09

Tire deflation warning devices in the nature of automatic indicators of low pressure in vehicle tires [tyres]; tire electronic surveillance system for providing information on the operational parameters of vehicle tires; fuel cells; fuel cell systems, namely fuel cells, electric current regulators and controllers and fuel cell components for electric, fixed or mobile generators; chargers for electric batteries for vehicles; electric current rectifiers;

electric converters and inverters, voltage regulators for vehicles; computer programs and software for querying databases; media for processing, storage of information and data for computers and peripheral apparatus for computers; software and applications for mobile devices; software, databases and computer hardware for vehicle, trailer and tire management; downloadable software and applications for mobile devices for navigation systems (GPS); social interactive software for the exchange of information between users relating to navigation, meteorology, transport, traffic, travel, restaurants, service stations, parking lots, resting places and vehicle maintenance and repair centers; devices for global positioning systems (GPS); software and applications for mobile devices especially for the on-line calculation of road itineraries, route planning to follow in all types of vehicles and on foot; downloadable software and applications for mobile devices especially for managing information relating to tourism, transport, traffic, travel, restaurants, service stations, car parks, rest areas and vehicle maintenance and repair centers; downloadable software and applications for mobile devices notably for enabling the provision of information and advice in the field of tourism, transport, travel, traffic, restaurants, service stations, car parks, rest areas and vehicle maintenance and repair centers; downloadable software and applications for mobile devices for on-line assistance systems in the preparation and planning of travel, travel itineraries and tours; application development software; computer databases in the field of road itineraries, transport and traffic, travel, tourism, restaurant services, service stations, car parks, rest areas and vehicle maintenance and repair centers; computer programs for accessing, browsing and searching databases on-line; website design, creation, publication and hosting software; database server housed in centers in the field of information concerning traffic, transport, travel, tourism and restaurant services, service stations, car parks, rest areas and vehicle maintenance and repair centers; downloadable electronic publications provided on-line from databases in the field of road itineraries, transport and traffic, travel, tourism, restaurant services, service stations, car parks, rest areas and vehicle maintenance and repair of centers; books, magazines, periodicals, newsletters, newspapers, reviews and other downloadable electronic publications; jump start cables; pressure gauges; clothing for protection against fire; ear plugs for diving; safety gloves for protection against accidents or injury; vehicle breakdown warning triangles; protective helmets, reflectors for clothing, divers' masks, spectacles (optics) and sunglasses; diaries and personal digital assistants, cameras, video game programs; calculators, mouse pads, USB flash drives; computer mice; blood alcohol level measuring apparatus; printers.

Class 10

Ear plugs [ear protection].

Class 11

Apparatus and instruments for lighting; heated blankets for non-medical use, defrosters for vehicles, air deodorizing apparatus, isothermal cabinets or any other electric isothermal container (cabinets), cooking apparatus; tanks and apparatus for pressurized water distribution; light bulbs for vehicles.

Class 12

Pneumatic tires for vehicle wheels; inner tubes for pneumatic tires; treads for retreading tires; tracks for track vehicles; suspensions, axles, springs, shock absorbers, anti-vibration devices for vehicles, elastic crawler tracks for land vehicles; protection flaps for pneumatic tires; wheels, wheel carriers, anti-skid spikes and studs for tires; adhesive rubber parts and patches for repairing tubes or tires; air pumps and their accessories; tire valves; equipment for tire repair, namely tire repair patches; tire repair

kits consisting of tyre repair outfits; rims; anti-skid chains for tires; mudguards; luggage carriers for vehicles; safety seats for children, for vehicles; seats for two-wheeled vehicles and tricycles; anti-theft devices for vehicles; bags for two-wheeled vehicles and tricycles; strollers for children; tire inflators; windshield wiper blades; bicycle carriers for automobiles; ski carriers for automobiles; covers for tires; covers for bicycles; hub caps for wheels; bicycle handlebar grips; water bottle holders for bicycles.

Class 14

Works of art of precious metal; timepieces and chronometric instruments; jewelry articles; jewelry; key rings; cuff links; tie clips and tie pins; ornamental pins; badges of precious metal.

Class 16

Paper; cardboard; printed matter; newspapers; prospectuses; pamphlets; magazines and periodicals; books; albums; road and tourist maps; tourism and travel guides; bookbinding material; photographs; stationery; adhesive materials (stationery); paintbrushes; typewriters and office requisites (other than furniture); instructional and teaching material (other than apparatus); pens; writing instruments; cases for pens and pencils (not of precious metal or coated therewith); cases for road and tourist maps and tourist guides; calendars; paperweight; note books, address books; diaries (planners); almanacs; posters; desk mats; notepads; plastic or paper bags for household purposes.

Class 17

Elastomeric polymers; semi-processed or unprocessed natural or synthetic rubber; plastics (semi-finished), rubber sheets, rubber pipes; rubber thread not for textile use; gutta-percha; raw or semi-processed elastic resins, balata and substitutes; sheets, plates and rods of plastic (semi-finished goods); materials for packing, stopping and insulating; flexible pipes not of metal.

Class 18

Beach umbrellas; umbrellas; traveling sets (leatherware), attaché cases, briefcases (leather goods), suitcases, traveling bags, handbags, backpacks, shopping bags, bags for campers, beach bags, rucksacks for mountaineers, garment bags for travel, business card cases, credit card cases.

Class 20

Furniture, mirrors, picture frames; decorative articles made of plastic (figurines); pillows, cushions, mattresses; empty plastic light bulb boxes for vehicles.

Class 21

Glassware for domestic use; porcelain and earthenware; tableware [dishes]; cutlery holders; brushes; bottle openers, bottle openers; portable household containers, water bottles for cyclists and other sportsmen, utensils and containers for household and kitchen use (not made of precious metal, or coated therewith and non-electric), non-electric portable coolers, tableware not made of precious metal, isothermal cases.

Class 24

Decorative textile goods (not included in other classes) namely flags and badges, insignia; textile table cloths and table napkins, travel blankets.

Class 25

Clothing, sports clothing, underwear, wind breakers, tracksuits, raincoats, tank tops, parkas, ponchos, anoraks, fleece coats, shirts, blouses, polo shirts,

t-shirts, sweatshirts, pullovers, vests, trousers, dresses, skirts, sarongs, shorts, Bermuda shorts, bathing suits, pajamas, costumes, bathing caps, jackets, blazers, jackets, blouses, aprons, belts (clothing), suspenders, gloves (clothing), gloves for cyclists, neckties, scarves, bandannas, shawls (clothing), headbands (clothing), ear muffs, hats, berets, beanies, caps, visors and other headgear, socks, ankle socks, work overalls; boots, half-boots, sandals, dress shoes and sports shoes, slippers and other footwear; belts made of leather and imitation leather belts.

Class 26

Badges for wear, not of precious metal.

Class 27

Mats, floor mats and rubber mats for vehicles; doormats.

Class 28

Games, toys and sports articles (except clothing); playing cards; decorations for Christmas trees except candles and confectionery; snow globes; pool and snooker equipment; rackets; balls and shuttlecocks [games]; scale model vehicles.

Class 34

Non-electric lighters, ashtrays (not made of precious metal or coated therewith), matches.

Class 35

Advertising; advertising by mail order; commercial business management; commercial administration; office functions; dissemination of advertising material (leaflets, prospectuses, printed matter, samples); newspaper subscription services (for others); arranging subscriptions to telecommunication services for others; business management and organization consultancy; business organization and management consulting intended especially for automotive and tire professionals; management of computer files and databases; organization of exhibitions for commercial or advertising purposes; online advertising on a computer network; rental of advertising time on all communication media; publication of advertising texts; rental of advertising space; dissemination of advertisements; organization and conducting of trade promotional and advertising operations to build customer loyalty; organization and conducting of market surveys; data entry, processing, collection, compilation and systemization in computer databases comprised of information and data relating to the management of vehicles, tires, vehicle location and road itineraries; research for computerized commercial information; providing commercial information and advice to consumers on the selection of tires and driving methods and practices; commercial information and advice related to tire management, namely the choice, maintenance, repair, retreading, replacement and pressure monitoring of vehicle fleet tires; commercial information and advice related to vehicle location; organization and management of demonstrations of driving practices concerning motor vehicles in various conditions relating to driving, roads and tires for commercial purposes; retail and wholesale services of vehicle tires, inner tubes, valves for tires and vehicles parts; on-line retail and wholesale services for vehicle tires, inner tubes, valves for tires and vehicles parts; advertising and commercial patronage (advertising) and sponsorship (promotion services); public relations services for foundations and other establishments dedicated to industrial research, training and education, social and humanitarian actions, health, culture, heritage conservation, protection of the environment, sports; consultancy and advice relating to management, strategy, organization and

management of businesses and employees thereof; personnel management and employment advice and information linked to employment development and professional and social integration; organization of exhibitions for commercial and advertising purposes; domestic assistance services to individuals namely for carrying out administrative procedures; business advice regarding organizational project management for installation of additive manufacturing machines; retail services for spare parts in the nuclear field, aeronautics, railway, automotive, medical and dental fields produced by additive manufacturing.

Class 36

Insurance services; insurance compensation of the residual value in case of tire replacement, cost coverage for tire or vehicle expenses, hotel accommodation or transportation home in case of breakdown; capital investments; financial sponsorship and patronage; charitable fundraising; fund raising, collection and distribution of donations to associations, to non-profit organizations; financing of studies and projects in relation to the fields of education, social and humanitarian action, health, culture, heritage conservation, protection of the environment, sports; financial support for industrial research, training and education, social and humanitarian acts, health, culture, heritage conservation, protection of the environment, sports; assistance to facilitate the schooling of adults (financing).

Class 37

Installation, maintenance, inflating, repair, mounting, dismounting, retreading, regrooving and/or replacement of tires, inner tubes or wheels for vehicles and trailers; wheel balancing services; repair and maintenance of vehicles, spare parts, accessories for vehicles; cleaning and washing of vehicles, tires and/or vehicle wheel; road assistance services in case of breakdown caused by tires (repair); information and advisory services relating to the repair or maintenance of vehicles; services relating to the inspection of vehicles prior to maintenance and repair; organization of mounting, maintenance, repair and replacement of tires and vehicle parts; installation, maintenance, assembly, disassembly and repair of additive manufacturing machines.

Class 38

Provision of online forums; provision of access and rental of access to databases relating to road itineraries, transport and traffic, travel, tourism and gastronomy by electronic transmission; transmission of data relating to business and road itineraries; provision of telecommunication information regarding the transmission of information and/or computer data relating to road itineraries, transport and traffic, travel, tourism and gastronomy.

Class 39

Assistance in the event of vehicle breakdown (towing); repatriation (transportation) by all means, of individuals and/or vehicles in case of breakdown; storage of tires and/or vehicle wheels; vehicle location services; information services relating to the tracking of vehicles and trailers; transport; transport information; transportation logistics services; transport of goods; delivery of tires and/or vehicle wheels and/or vehicle parts and components; travel organization, and particularly by on-line transmission of road itineraries, which are accessible via global communication networks (the Internet); provision of travel data and/or geographical (travel) information, travel information via production of maps, and of travel information relating to roads, navigation, traffic, road itineraries, transport, travel and points of interest by means of telecommunication networks and mobile devices; vehicle navigation and

location services by computer via global positioning systems (GPS); consulting and information services in the field of transport by road, air, sea and railway; information and advice relating to tourism, road itineraries, transport and traffic, travel; transportation of equipment for humanitarian aid operations and solidarity actions.

Class 40

Waste recycling; information on waste treatment; manufacturing of materials including manufacturing of powders and/or granules for the manufacturing of additive; serial manufacturing of objects and/or spare parts produced by additive manufacturing; recycling of materials used for additive manufacturing; treatment of materials including the treatment of powders and/or granules for additive manufacturing of products made of metal and/or ceramic.

Class 41

Arranging and conducting of events in connection with teaching automobile driving and vehicle tires usage; organization and management of demonstrations of vehicle driving practices in various conditions relating to driving, roads and tires for instructional purposes; organization of vehicle races; arranging and conducting of competitions in the field of vehicle tires; technical training services relating to the tire trade; training services in the field of repair and replacement of tires; training services in the use of machines for the mounting, dismounting, repair and inflating tires; training services relating to business franchise management; education; training; entertainment; sporting and cultural activities; information relating to entertainment or education; ticket agency and reservation services for events; publication of books; organization of competitions (education or entertainment); arranging and conducting of seminars, colloquiums, conferences or congresses; organization of exhibitions for cultural or educational purposes; publishing services (including electronic publishing) of newspapers, magazines, books, journals, pamphlets, guidebooks and maps; organization and conducting of workshops and training courses; provision of non-downloadable publications; assistance to facilitate adult schooling (training); training in the field of treatment of materials and in the field of additive manufacturing; training for the operation of machines for additive manufacturing.

Class 42

Technological information and advice related to tire management, namely the choice, maintenance, repair, retreading, replacement and pressure monitoring of vehicle fleet tires; technological services provided by experts in connection with the choice, condition, maintenance and/or repair of tires, spare parts and accessories for vehicles; technological information and advice related to vehicle and trailer tracking; testing and quality control of tires and inner tubes; design of business premises for the tire trade; development, design, maintenance and providing of software, mobile applications, databases and web sites; provision of search engines enabling the procurement of information via a communication network; evaluations and assessments in the fields of science and technology provided by engineers; scientific and technological research; research and development of new products for others; technical project studies; engineering services provided by engineering department services, technological expertise services, assistance in design and development for the construction of additive manufacturing machines, of objects and/or spare parts with a view to their production by means of additive manufacturing; software design, development and installation services; scientific studies and research related to waste treatment.

Class 43

Information and consulting services in the field of tourism (restaurant services and accommodations), culinary arts and gastronomic matters namely the provision of food and drink, restaurants and hotels (accommodations and provision of food and drink), foodstuffs and alcoholic and non-alcoholic beverages; hotel and restaurant reservation services; provision of information and/or data relating to culinary arts, gastronomic (provision of food and drink), restaurant and hotel matters.

Class 44

Domestic assistance to individuals namely medical assistance with daily health care; domestic assistance to individuals namely medical assistance; medical aid services to people in need.

Class 45

Legal aid services for the creation of businesses; social work services relating to support and monitoring services for employment search and professional and social integration.

Class 01

Chemical products for industrial and scientific purposes; fire extinguishing compositions; hydrogen; methanol alcohol; hydrocarbons.

Class 02

Coating compositions in the nature of paint; preservatives against rust and against deterioration of wood; anti-rust greases; anti-rust preparations; anti-corrosive preparations; protective preparations for metals; paints and whitewashes; varnish; lacquers; additives for use in coatings in the nature of paint.

Class 04

Petrol, petroleum products, oil, crude oil, refined oil, fuel-oil and fuels, dry gas, natural gas condensates; producer gas (synthesis gas), hydrogen fuels; hydrocarbon fuels; oils and greases for industrial purposes; electrical energy; electrical energy from renewable sources; electrical energy from solar power; electrical energy from wind power.

Class 06

Offshore drilling platforms made primarily of metal; articles of metal for use in the drilling of offshore oil or gas wells, namely, fluid storage tanks, metal pipes for transfer and component parts related thereto; articles of metal for use in the production of wind power plants, solar power plants and geothermic power plants.

Class 07

Wind powered installations for generating electricity, offshore wind powered installations for generating electricity, wind turbines, mill towers and mill masts, vanes for generating electricity; installations and machines for (offshore) drilling, as well as parts thereof not included in other classes; gasification systems and plants, namely, exhaust gas treatment systems for diesel engines; gas compressors; oil and gas production equipment, namely slurry blender machines for use in oil and gas well hydraulic fracturing operators; electric power generators.

Class 09

Computer software for use in the fields of energy, chemicals, oil and gas; electronic apparatus and equipment for exploitation of oil and gas; seismic imaging and gravimetric monitoring apparatus and equipment; instruments and equipment for logging and processing of data from subsea structures and equipment and for communicating data to external devices; computer software and computer apparatus and equipment for wind mills, control and surveillance apparatus for automatic in and out coupling of generators and for automatic start after power break, over voltage protection against lightning; micro processors for control and voltage regulation, for control of vibrations, phase condition and rotor speed, for control of efficiency, of temperature, of wind direction and of wind velocity, all related to wind mills; solar cells; solar panels; batteries; accumulators; electric batteries; solar batteries; electric storage batteries; charging docks; battery charging equipment; charging stations for electrical vehicles.

Class 16

Paper and cardboard; printed matter; bookbinding material; photographs; stationery and office requisites, except furniture; adhesives for stationery or household purposes; drawing materials and materials for artists; paintbrushes; instructional and teaching materials; plastic sheets, films and bags for wrapping and packaging; printers' type, printing blocks.

Class 17

Unprocessed and semi-processed rubber, gutta-percha, gum, asbestos, mica and substitutes for all these materials; plastics and resins in extruded form for use in manufacture; packing, stopping and insulating materials; flexible pipes, tubes and hoses, not of metal.

Class 19

Building materials (non-metallic); non-metallic rigid pipes for building; asphalt, pitch and bitumen; non-metallic transportable buildings; monuments, not of metal.

Class 25

Clothing, including belts, jackets, coats, pullovers, shawl, shirts, waistcoats, socks, scarves, ties, sweaters, T-shirts, overalls, coveralls, waterproof clothing, rain wear, trousers, sleep wear; headgear, including caps, hats; footwear, including casual shoes; belts.

Class 28

Games; playthings; sporting articles and equipment, namely cases adapted for sporting articles, bags adapted for sporting equipment.

Class 35

Marketing, wholesale in respect of oil, petroleum, gas, renewable energy products, chemical products for industrial and scientific purposes, alcohol (except alcoholic beverages), methanol, hydrogen, hydrocarbons, batteries and electric storage systems.

Class 36

Payment service for CO₂-quota; CO₂ financial management services; trading of emission reduction credits; insurance and financial services; capital investment; financial sponsorship.

Class 37

Building, installation, maintaining and repairing services related to oil-platforms and oil pipelines, oil and gas production and refining facilities, oil and gas storage facilities, gas pipelines and equipment related thereto, offshore and subsea installations, solar panels and solar energy power plants; building, installation, maintaining and repairing services related to geothermal wells and geothermal power plants; drilling and servicing of oil wells, gas wells and geothermal wells; oil well, gas well and geothermal well pumping; mining services; oil sands mining; building construction supervision of oil and gas fields, installations for the extraction, transport, storage and processing thereof, process and industrial plants and installations, buildings, machinery and equipment; construction, installation, maintenance and repair of windmills and wind power plants, of offshore wind mills and offshore wind power plants and of wind turbines, mill towers, mill masts and of vanes; vehicle battery charging.

Class 39

Transport of fuel, oil, petroleum, gas and hydrocarbons; distribution of oil, petroleum, gas, hydrocarbons, chemical products for industrial and scientific purposes, alcohol (except alcoholic beverages) and methanol;

transport of oil, gas and oilsands by pipeline; storage of ships; distribution, supply, transport and storage of oil, petroleum, gas and renewable energy; electric storage; battery storage.

Class 40

Production of energy; refining of crude oil and processing of the products of that refining, as well as processing of dry gas and natural gas condensates; gasification of organic materials; production of geothermal energy; production of renewable energy; production of solar energy; production of wind energy; treatment of hydrocarbon; processing of hydrocarbons; treatment of hydrocarbons derived from gas.

Class 41

Education; providing of training; providing corporate learning programmes; arranging and conduction of seminars and workshops; providing e-learning programmes; coaching [training]; providing online information and news reporting services in the fields of sponsored sporting and cultural activities; arranging and conducting of sporting and cultural activities related to sponsorship.

Class 42

Exploration of oil and gas; oil-field exploration; exploration and field development services for petroleum industry; engineering services and research related to deep-water technology; oil prospecting, technological planning services related to building of oil-platforms; oil-well testing; geo-seismic survey services; recordal of seismic data; gravimetric monitoring; hydrocarbon exploration; electromagnetic seabed logging [underwater exploration]; development and testing of wind mills, wind power plants, solar panels, solar power plants, geothermal power plants and of batteries and battery storage; computer programming for others; scientific and technological services and research and design relating thereto; industrial analysis and research services; design, development and maintenance of Internet websites; advisory services relating to the use of energy.

FORUSBEEN 50 N-4035 STAVANGER NORWAY

ADDRESS FOR SERVICE: DREW & NAPIER LLC, 10 COLLYER
QUAY, #10-01 OCEAN FINANCIAL CENTRE, SINGAPORE 049315

40202001152S (06 07 09 11 12 17 19)
(International Registration No. 1508855)

Date of International Registration: 11/07/2019
Date of Protection in Singapore: 11/07/2019
Date of Notification: 16/01/2020

The following claim is made in the International Registration: Colour(s)
claimed: Blue and white.

Class 06

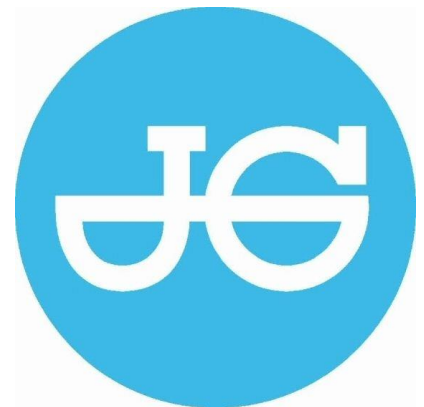

Pipes of metal; tubes of metal; pipe couplings of metal; metal pipe connectors; valves of metal other than parts of machines; adaptors for pipes of metal; pipe reducers of metal; pipe enlargers; pipe dividers; plugs of metal; flow control devices [valves] of metal; reducers, enlargers, dividers, plugs and washers; pipes, tubes, couplings; valves; parts and fittings for all the aforesaid goods and all made of metal.

Class 07

Brake fluid linings, other than for vehicles; brakes for machines; brake pads, other than for vehicles; brake segments, other than for vehicles.

Class 09

Gauges, namely temperature gauges, pressure gauges, and crimp ring gauges; downloadable software and monitoring apparatus/device/sensor to monitor and report on water leaks, water temperature, water pressure and water usage; software; software applications; downloadable computer software; electronic publications; downloadable publications; mobile apps; electronic control devices for heating management; central heating programmers; thermostats; temperature controllers; electronic control devices for water management; devices and apparatus for remote control of electrical apparatus and household appliances; water meters; water level gauges; water temperature regulators; apparatus for monitoring water consumption; remote control apparatus; communication interface units; smart meters; adapters, flow controllers; equalizers; connectors; parts and fittings for the aforesaid goods.

Class 11

Plumbing products, namely regulatory fittings for water pipes, apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating, water supply and sanitary purposes, drains for the draining of water in sanitary installations, drain pans specially adapted for water heaters to protect from condensation, leaks, and overflow; apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; plumbing installations; push-fit fittings for hot and cold water supply and for central heating and under floor heating systems; water regulating valves [regulating accessories]; taps; thermostatic valves, radiator valves; burner control apparatus; control devices [thermostatic valves] for heating installations; heat pumps; air source heat pumps, ground source heat pumps; plumbing fixtures and fittings; regulating accessories for water apparatus and pipes; safety accessories for water apparatus and pipes; thermostatic valves being parts of heating installations; valves being part of heating installations; control devices [thermostatic valves] for heating, lighting, steam generating, drying, ventilating, air conditioning, water supply and sanitary installations; taps of metal; taps not of metal; parts and fittings for the aforesaid goods.

Class 12

Parts and fittings for land vehicles; land vehicle parts; gear couplings for land vehicles; hydraulic connectors for land vehicles; couplings for land vehicles; jaw type shaft couplings for land vehicles; land vehicle suspension parts, namely, coil springs, leaf springs, and torsion/sway bars; wheel suspensions for automobiles; fuel tanks for land vehicles; air springs for vehicle suspension components for cushioning driver's seats and cabs; steering units for land vehicles.

Class 17

Flexible pipes not of metal; flexible tubes not of metal; non-metallic connectors for pipes; pipe couplings not of metal; junctions for pipes not of metal; valves of rubber; valve flange adaptors; pipe reducers of rubber or plastic; valves, not of metal, for use in controlling the flow of fluids; pipe enlargers; pipe dividers; plugs of rubber for sinks, showers and baths; pipes, tubes, couplings, valves; parts and fittings for all the aforesaid goods and all made of plastic.

Class 19

Rigid pipes not of metal; sandstone tubes; rigid tubes not of metal; drain traps; control valves for liquids or gasses, not of metal or plastic; water-pipe valves, not of metal or plastic; water pipes, not of metal; parts and fittings for all the aforesaid goods and all made of non-metallic material or predominantly of non-metallic material.

Collective and Certification Marks Published For Opposition Purposes

Registration has been accepted in respect of the following Collective and Certification Marks filed under the provisions of the Trade Marks Act (Cap. 332, 1992 Ed.), Trade Marks Act (Cap. 332, 2005 Ed.) and the Madrid Protocol.

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.

40201617854S 24/10/2016 (30)

Application for a series of two marks.

The Vietnamese words "Ho Tieu" in the mark means "Pepper" and "Chu Se" which is the name of a district of Gia Lai Province in Vietnam.

The first mark in the series is limited to the colour(s) as shown in the representation on the form of application.

Class 30

Pepper (processed).
