REGISTRATION AS ACCOUNT HOLDER TO E-FILE AND PAY BY GIRO**

This Practice Direction is issued by the Registrar under Rule 78B(1) of the Trade Marks Rules, to specify the procedure for applying to the Registrar to be registered as an account holder.

This Practice Direction will come into effect on 1 January 2006.

Any person who wishes to use eTrademarks to effect a transaction and make payment by GIRO must register with the Intellectual Property Office of Singapore (IPOS) as an Account Holder. Approval is at the sole discretion of IPOS. Upon approval, an eTrademarks account will be created in the name of the person and the person will receive a User ID and Password.

To register, access IPOS address at <http://www.ipos.gov.sg> and [download the eTrademarks Account Holder Registration Form](#).

The person may appoint an Administrator to administer and manage his eTrademarks Account through the eTrademarks "[Maintenance of Authorised Representatives](#)" service.

The responsibilities of the Administrator are as follows:

- appointment of one or more Representatives to access eTrademarks and make payment by GIRO on behalf of the Account Holder;
- updating of the particulars of the Representatives; and
- removal of any Representative's rights to access eTrademarks and make payment by GIRO on behalf of the Account Holder.

These responsibilities are to be conducted through the eTrademarks "Maintenance of Authorised Representatives" service.

Please note that all Authorized Representatives must be CPF account holders with SingPass. The Authorized Representatives are required to sign in using their SingPass to ensure security for GIRO deductions for the online transactions. If the person does not have a GIRO account with IPOS, please complete the [GIRO Application Form](#) and submit it to IPOS.

The completed eTrademarks Account Holder Registration Form and GIRO Application Form should be mailed or couriered to the Intellectual Property Office of Singapore with the address 51 Bras Basah Road #04-01 Plaza By The Park Singapore 189554 and attentioned to Mrs Ang-Ong Bee Lian. Metal building materials; transportable buildings of metal; non-electric cables and wires of common metal; ironmongery, small items of metal hardware, in particular cover caps for screws; axle nuts; weld nuts; anchors, anchor bolts, anchor rods; compensation washers; exhaust clips; bindings of metal; battery clamps, umbilical clamps; building screws, bucket securing bolts; fasteners, fastening devices, fastening ring eyes; picture nails; sheet metal screws; blind nuts, blind rivet nuts, blind rivets; self-drilling screws; wedge anchors; brake nipples; roofing screws; self-tapping metal screws; ceiling hooks; ceiling hooks; sealing nails; sealing discs; spacer sleeves; spacer screws; double-thread nipples; wire nails; pressure springs; pneumatic fittings; pegs, self-tapping dowels; drop-in anchors; drive-in nuts; serrated lock washers; fibreboard screws; façade drilling screws; spring rings; spring washers; spring cotter pins; window building screws; metal pipe fittings; wing-drill screws; wing nuts; hinge bolts; articulated pipe clips; threaded inserts; threaded rods; metal hooks; hook nails; metal holders for signs; hammer-in rivets; brazing alloys; radiator rosettes; wood building screws; cable brackets; cable clips; cable connectors; refrigerating pipe clips; karabiners; cardan screws; captive nuts; taper pins; chains (except driving chains for vehicles); linch pins; metal clamps; clamping profile screws; climbing irons; castle nuts; chandelier hooks; domed anchor nuts; ball sockets; hand-operated coolant hoses; metal pipe couplings; metal step grids; lightweight concrete nails; perforated bands of metal; perforated panels of metal; soldering wire of metal; ventilation profiles; ventilation pipe clips; assembly brackets; mounting brackets; metal nuts; nails; nail anchors; nail strips; nail heads; nail washers; rivets; nipples; oil drainage screws; oil-change valve screws; eye screws; porous concrete anchors; profile connection screws; wheel studs; frame screws; reducing sleeves; reducing rings; vine eyes; clamps for pipes; roll holders; shackles; hinge screws; clamps; sliding nuts; rail mounts; rail connectors; winding spools for flexible hoses; hose bands; hose band locks; hose clamps; hose couplings; hose clips; slotted nuts; slotted screws; non-electric locks of metal; carriage bolts; grease nipples; threaded bolts; screws; screws, magazined; screw hooks; screw nails; screw connectors; welding wire; heavy duty anchors; hexagonal screws; rope hooks; rope grabs of metal; chamfered washers; flat head screws; self-clinching nuts; hook safety catches; security chains of metal; perforated sleeves; soft rivets; solar fastenings; dowel pins; plumbers' rivets; plumbers' screws; serrated nuts; serrated screws; eyebolts; steel nails; climb steps; pegs screws; common anchors; hanger bolts; stop nuts; ropes of metal; washers of metal; variable suspending brackets; valve inserts, valve fittings, covers for valves, extensions for valves; locking screws; bird protective grids; padlocks; walling brackets, hose; wash-stand fixings; toilet mounts; metal mounts for soft fibreboard; soft solder; corrugated washers; tool boxes of metal, empty, tool chests of metal, empty; angle joints; toothed locked washer; centering rings; inch screws; tension springs of metal; cylinder screws; cylinder pins; pipes and tubes of metal; safes; stepladders of metal, steps (parts for ladders) of metal; metal roof trusses;

dowel rods of metal, in particular ceiling dowels; tool boxes, empty, of metal; frameworks of metal; frameworks of metal for rooms; bushings of metal [other than parts of machines]; screw threaded fasteners of metal; mouldings of metal for building; staples for construction use; metal clamps; staples being accessories for staplers; valves of metal; metal nuts.

Class 07

Machines and machine tools, in particular exhaust gas extractor installations; brake linings, other than for vehicles; brake lines; sealing joints [parts of engines]; bilateral grinding installations; paint spray guns; routers; supports for spray guns for paint; hand-held grinding apparatus; electric sharpeners; glue guns, electric; fuel filters; filters for cleaning cooling air, for engines; oil filters for motors and engines; machines and apparatus for polishing [electric]; valve adjustment plates, being parts of machines; petrol filters; brake vent valves, being parts of machines; pneumatic brake parts, being parts of machines; compressed air machines; pneumatic grinding tools; pneumatic screwdrivers; pressure reducers; sewing machinery; electrically operated tools; extraction aspirator [machines]; staple gun; compressors; blades for circular saws; machines; nailers; saw blades; grindstones; grinding wheels, power-operated; reciprocating blades for use with power tools; cutting disc for machining workpieces; washing machines for workshops; belt conveyors; power saws; welding torches; welding torches [gas-operated]; piercing die bush of metal [parts of machines]; abrasive sheets all being parts of machines or power tools; sanding belts for use with machines; glazing machines; cutting dies for use with machines; spring washers [parts of machines]; transmission jacks; drill chucks; crank shafts; compressed air guns; soldering irons; soldering guns; electrodes for welding; electric staplers; soldering lamps.

Class 08

Hand tools and implements (hand-operated), in particular stripping tools, pullers; pry spoons, hand operated; bits, hand-held bit holders; perforating tools [hand tools]; drill bits, conical one-lip bits for sheet metal, double-end drills, flagstone and tile drills, drill bits, tap (tools), hammer core drills, bits for flaring, core drills, spot welding drills, spot welding cutters, twist drills; drill holders, drill stands; drill braces; drill bits; bolt cutters; gasket scrapers; torque wrenches; tommy bars; drift punches; hand tool to turn in; non-electrical metal hand tools; tin snips; staple guns, hand-operated, hand tackers, hammer tackers; socket wrench inserts; tension lever for springs; files [tools], bodywork files, rasps; file handles; milling cutters; tap (tools); die stocks; handles for combi-blades; hammers [hand tools], small hammers, plastic hammers, carpenters' mallets, shrinking and planishing hammers, hammers for carpenters; hand operated lifting jacks; gouges, firmer chisels, gouges; cartridges for razor blades; spatulas and trowels; ratchets; prick punches; ball joint pullers, pullers; lacquering guns; augers, paper punches, punches (hand tools); open-end wrenches; chisels, stud extractors, punches [hand tools], gouges; knives and blades (not for medical purposes), pocket knives with multi-purpose attachments; nail puller; riveting hammers, riveters [hand tools]; guns; polishing flap discs; rabbitz pliers; braidiers [hand tools]; wheel hub pullers; ratchet; tyre levers; tracing wheels; ring spanners; tube cutters; saws [hand tools]; shears; spatulas; shovels [hand tools]; mallets; emery grinding wheels; sanding sponges; sanding pads for hand-operated sanders; striking tools, embossed markers [hand tools]; spanners; cutting tools [hand tools]; quick-change connections for bits of hand tools; screwdriver, screwdriver bits; screw wrenches; vices, multiple slip joint spanners, clamps for carpenters or coopers; side cutters; counterbores (parts of hand tools); strainers for lacquers [hand tools], other than for household purposes; putty knives; clamping tools, hand operated; metal band stretchers [hand tools]; stamps (hand tools); handles of wood for chisels; socket spanners, socket wrench bits, spark wrenches; paring

irons; rammers [hand tools]; squares; woodworking clamps; reversible ratchet handles; reversible blades; valve tools; piercing awls/reamers; washing guns; water pump pliers; tool holders; tool shafts; tool bags/boxes; pliers; tap wrenches; extensions for hand tools; die holders [hand tools], die wrenches, dies for use with hand operated tools; dies; solid square bolt dies; hand-operated hand tool handles of metal.

Class 09

Protective work clothing, in particular gloves, pants, shoes, helmets, ear mask, eye protection, filter masks for respiratory protection; batteries, in particular vehicle batteries and interchangeable batteries; cables, cable dispensers, cable drums, jump leads, ignition cables; contacts, relays, commutators; inspection mirrors; cooling system testers; loudspeaker cables, loudspeaker sockets; measuring apparatus and tools, in particular telemeters; fuses; sockets, plugs and other contacts [electric connections], socket distributors, housings with multiple connector sockets; extension leads; voltage testing screwdrivers, fire blankets; branch boxes [electricity]; cable ducts (electricity); conduits for electric cables; tyre monitoring apparatus; plastic-covered electrical wires and electron tubes; smoke alarms and smoke alarms; feeler gauges; compasses; tape measures; reducers; cable terminals; plug connectors.

Class 11

Lamps and lights for vehicle, reflectors for vehicles, vehicle headlamps; defrosters for vehicles; lamp holders; filters (parts of household or industrial installations); air filtering installations; gas burners; inspection lamps; lighting devices; orientation lights; spotlights; apparatus for heating; radiant fan heaters; dehumidifiers.

Class 12

Weights for balancing vehicle tyres; vehicle mirrors; brake linings and brake lines for vehicles; windscreen wiper blades, windscreen wipers, windscreen wiper arms, headlight wipers, wiper blade adapters for vehicles; tyre inflators.

Class 16

Paint brushes; tachograph charts; chalk; staples.

Class 17

Reinforcing asbestos fabric for reinforcing plaster layers against cracks, insulating panels, films, thermal and electrical insulating material, soundproofing panels and profiles; weatherstripping compositions, in particular sealing compounds for bodywork, sealing compounds for motor housings, silicone for sealing purposes, acrylic sealants, thread (screw -) jointing compounds; caulking materials, round cord for backfilling for sealing purposes, sealing rings, sealing strips and profiles, window sealing strips; sleeves of rubber for protecting parts of machines, in particular axle sleeves, steering boots; rubber stoppers, stoppers, sealing plugs, bodywork plugs, interim plugs, rings of rubber, valves of india-rubber or vulcanized fiber [fibre], washers of rubber or vulcanized fiber [fibre]; adhesive tape for industrial or commercial packing use, in particular butyl tape (adhesive), insulating tape and band, adhesive film tapes, joint sealing tapes, insulating tapes, double sided adhesive tapes, polytetrafluoroethylene tapes; insulating tapes; tapes for building; draught excluding seals in the form of beading; adhesive strips for use in industry; artificial and synthetic resins and thermoplastics resins (semi-finished goods); soldering and welding wire of plastic; flexible tubes, not of metal, in particular watering hoses, heat shrinkable tubing, negative pressure hose, connecting hose for vehicle radiators, ventilation hoses, insulating

tubes, fuel hoses, hose assemblies; other plastics in extruded form for use in manufacture and industry; sealing agents for use in the construction industry; gaskets for industrial use; hoses of textile material, hoses of plastic, flexible hosepipes, not of metal; dust proofing sealants; non-metal fittings for flexible compressed air pipes; sealing rings; o-rings; polyurethane (PU) foam.

Class 19

Building materials (non-metallic), in particular mortar, injection mortar; non-metallic pipes, in particular corrugated pipes, compressed air ducts; ridge roll [parts of roof ridges] for ventilation purposes; fire protection materials (non-metallic -) for use in building; fire protection screenings (non-metallic -) for electric cables; mastics.

Class 20

Cavity wall sockets; cable or pipe clips of plastic, sockets for cable ties, cable glands, cable straps, cable ties, cable collars, grommets, cable connectors; containers of plastic or wood for packaging, in particular boxes, assembly cases and tool chests, storage boxes, inlays for crates; plugs, cable brackets, aerated concrete anchors, soft fibreboard brackets; vats; licence plate holders; ladders, stools; racks; inflatable plastic signs; cupboards; plastic caps; decorative caps for improving the appearance of the valve; portable boxes (containers) of plastic and accessories for boxes of plastic, namely, inlays specially adapted for boxes of plastic; clamps, not of metal, in particular for securing heating pipes; fasteners, not of metal, namely transparent adhesive pads for securing light sensors; shelving troughs; lockers; plastic pipe clips.

Class 21

Brushes for cleaning; cleaning rags; brushes; cleaning cloth; eyeglass cleaning cloths; hose nozzles; brooms, hand-held wire brushes.

Class 22

Vehicle covers, not fitted; ropes, tensioning and lashing straps for handling loads; sacks for the transport and storage of materials in bulk, plastics bags [sacks] for the transport of materials in bulk; strings.

Class 25

Work clothes.

Class 35

Wholesaling and retailing services in the fields of chemicals, paints, fuels and carburants, machines, tools and hardware of metal, construction articles, diy articles, electric goods, vehicle accessories, tarpaulins, clothing, shoes and textile goods; presentation of goods on communication media, for retail purposes; marketing services.

Class 36

Financial sponsorship.

Class 03

Cleaning preparations; bleaching substances for use in industrial cleaning; cleaning agents for metal; scouring preparations; polishing preparations; abrasive preparations; industrial abrasives; none of the aforesaid for use in the fields of safety or surveying.

Class 04

Dust absorbing, wetting and binding compositions; dust controlling compositions; lubricants and industrial greases and waxes; industrial fluids, namely, industrial grease; metalworking lubricants; metalworking [cutting] fluids; metalworking oils; metal preservatives [oils]; preservatives for metals [grease]; metal cutting compounds; oils for tempering metals;

technical oils for processing metals; preparations for loosening rusted metal components; cutting preparations for metal working operations; none of the aforesaid for use in the fields of safety or surveying.

Class 06

Metals; base metals; raw base metals; ferrous metals; alloys of ferrous metals; non-ferrous metals; alloys of non-ferrous metals; common metals; alloys of common metals; common metals, unwrought or semi-wrought; none of the aforesaid for use in the fields of safety or surveying.

Class 07

Waste management and recycling machines; recycling machines; recycling crushing units [machines]; rubbish compactors [machines]; waste disposal machines; waste extraction machines; waste sorting machines; waste crushing machines; waste converters [machines]; refuse cutting machines; parts, fittings and accessories for incinerator bottom ash processing and recycling machines and machines that clean up the metals that are recycled from the incinerator bottom ash excluding drive belts, transmission belts, conveyor belts, air springs, engine bearings, shock absorbers and vibration dampers and parts, fittings and accessories for drive belts, transmission belts, conveyor belts, air springs, engine bearings, shock absorbers and vibration dampers; none of the aforesaid for use in the fields of safety or surveying.

Class 09

Optical apparatus and instruments; optical measurement apparatus; data processing equipment and accessories (electrical and mechanical); data processors; data processing apparatus and instruments; data processing equipment; data processing systems; instruments for diagnosis [for scientific use]; weighing apparatus and instruments; measuring apparatus and instruments; measuring, counting, alignment and calibrating instruments; measuring, detecting and monitoring instruments, indicators and controllers; signalling apparatus and instruments; safety, security, protection and signalling devices; checking (supervision) apparatus and instruments; parts, fittings and accessories for the aforesaid; none of the aforesaid for use in the fields of safety or surveying; but not including indicator beacons, or identification survival products and anti-fratricide products (being sensors and/or detectors, transmitters, receivers, indicators and/or locating apparatus), or infrared and/or ultra-violet sensors, detectors and locating apparatus other than detectors for the identification and sorting of metals for industrial purposes.

Class 11

Waste water treatment installations for cleaning water from incinerator bottom ash processing; ovens; industrial ovens and furnaces (not for food or beverages); industrial heating apparatus; kilns; rotary kilns [for industrial purposes]; parts, fittings and accessories for the aforesaid; none of the aforesaid for use in the fields of safety or surveying.

Class 14

Gemstones, pearls and precious metals, and imitations thereof; precious metals; precious metals, unwrought or semi-wrought; processed or semi-processed precious metals; alloys of precious metals; ingots of precious metals; precious stones; unwrought precious stones; semi-precious stones; unwrought and semi-wrought precious stones and their imitations; none of the aforesaid for use in the fields of safety or surveying.

Class 17

Insulating materials for use in cladding; insulating materials; insulating

materials made of plastic substitutes; insulating substances; parts, fittings and accessories for the aforesaid; none of the aforesaid for use in the fields of safety or surveying.

Class 19

Aggregates; aggregate materials for use in concrete; aggregates for use in the preparation of concrete; building and construction materials and elements, not of metal; parts, fittings and accessories for the aforesaid; none of the aforesaid for use in the fields of safety or surveying.

Class 35

Business assistance, management and administrative services; business analysis, research and information services; advertising, marketing and promotional services; publicity and sales promotion services; data management; data processing; data processing management; management and compilation of computerised databases; compilation of data; collection and systematization of business data; data processing for the collection of data for business purposes; preparation of business statistical data; analysis of market research data; consultancy relating to data processing; advice, information and consultancy relating to the aforesaid services; none of the aforesaid relating to the fields of safety or surveying.

Class 37

adhesives for use with laminates; roofing adhesives; latex glue, other than for stationery or household purposes; gums [adhesives] for industrial purposes; birdlime; gelatin glue for industrial purposes; rubber cement for repairing pneumatic tires; gluten [glue], other than for stationery or household purposes; isinglass, other than for stationery, household or alimentary purposes; starch paste [adhesive], other than for stationery or household purposes; stem cells for research purposes; stem cells for scientific purposes; stem cells, other than for medical or veterinary purposes; collagen for industrial purposes; collodion; compost; compost, manures, fertilizers; fatty acid-based gasoline fuel conditioners; fatty acid-based diesel fuel conditioners; beer preserving agents; preservatives for cut flowers; preservatives for use in the pharmaceutical industry; chemical preservatives for use in the manufacture of soaps; chemical preservatives for use in manufacture of soap and vegetable oils; chemical preservatives for use in the manufacture of vegetable oils; chemical preservatives for use in the production of a wide variety of chemicals; chemical preservatives for use in bread making; chemical preservatives for silage; mangrove bark for industrial purposes; tan; starch for industrial purposes; starch for use in the manufacture of paper; starch for use in the manufacture of textiles; cresol; silica gel; magnesium silicofluoride; silicon; creosote for chemical purposes; cryolite; synthetic cryolite; krypton; xenon; xylene; xylenol; xylose; xylol; bacterial cultures for wastewater treatment; bacterial cultures for the food industry; biological tissue cultures, other than for medical or veterinary purposes; cultures of microorganisms, other than for medical and veterinary use; cultures of microorganisms used in the fermentation of silage; cumene; curium; lactitol for the food industry; lactose for use in the manufacture of foodstuffs; lactose for the food industry; lactose for industrial purposes; lactose [raw material]; lanthanum; dry ice [carbon dioxide]; lecithin for use in manufacture; lecithin for the food industry; lecithin for industrial use in the manufacture of food products; lecithin for industrial purposes; lecithin [raw material]; lipids for use in manufacture; lithium; magnesite; manganate; solder mask [chemical preparations]; hydraulic oils; oils for tanning leather; oils for currying leather; oils for preparing leather in the course of manufacture; oils for the preservation of food; brominated vegetable oil for use as an emulsifier in the manufacture of food; transmission oil; carbolineum for the protection of plants; paper pulp; wood pulp; groundwood pulp; wood pulp for use in manufacture; dissolving pulp for use in manufacture; chemigroundwood pulp; grafting mastic for trees; mastic for leather; mastic for tires; putties and other paste fillers; oil cement [putty]; ceramic matrix composite [CMC] materials for use in manufacture; synthetic materials for absorbing oil; brazing preparations; ceramic materials in particulate form, for use as filtering media; blue vitriol; melamine; mercaptan; metalloids; metallocenes; rare earth metals; alkaline-earth metals; alkaline metals; methane; methanol; manganese metaphosphate; methylamine; methyl acetate; methyl benzene; methyl benzol; methylene chloride; methyl chloride; microorganisms for use in water treatment; natural microorganisms used in pond maintenance; rheology modifiers [chemicals] for use in the field of coating materials; ammonium molybdate; sodium molybdate; colostrum for the food industry; vinyl chloride monomers; carbon monoxide; flour for industrial purposes; tapioca flour for industrial purposes; potato flour for industrial purposes; bone meal [fertilizer]; soap [metallic] for industrial purposes; arsenic; bate for dressing skins; emollients for industrial purposes; animal manure; sodium; hypochlorite of soda; nitroparaffin; naphthalene; chlorinated naphthalenes; naphthylamine; sal ammoniac; toxic gas neutralizers; neodymium; neon; neptunium; aluminium nitrate; ammonium nitrate; barium nitrate; bismuth nitrate; ferric nitrate; potassium nitrate; calcium nitrate; manganese nitrate; sodium nitrate; lead nitrate; thorium nitrate; uranium nitrate; nitrates; barium nitrite; sodium nitrite; silver nitrite;

nitronaphthalene; nitrotoluene; nitrophenol; assay samples for research purposes; biological tissue specimens for use in scientific research; chemical oxidants for use in the manufacture of printed circuits; combusting preparations [chemical additives to motor fuel]; nitrous oxide; baryta; calcium oxide; uranium oxide; zinc oxide for use in manufacture; oxalates; aluminium oxide; lithia [lithium oxide]; magnesium oxide; stannic oxide; lead oxide; silver oxide; sulfur dioxide; antimony oxide; titanium oxides; chromium oxide; zirconium oxide; iron oxides; cobalt oxide for industrial purposes; metallic oxides; nickel oxides; mercuric oxide; ethylene oxide; oxime; aluminium oxynitride; olivine [silicate mineral]; mold-release compounds for use in the fiberglass industry; mold-release preparations for use with concrete; organosilanes; gallnuts; purification preparations; wine finings; textile-brightening chemicals; beer-clarifying and preserving agents; must-fining preparations; reducing agents for use in photography; bases [chemical preparations]; wax-bleaching chemicals; fat-bleaching chemicals; fermented rice bran for use in the manufacture of cosmetics; organic digestate [fertilizer]; paraldehyde; pectin for the food industry; pectin for industrial purposes; pectin [photography]; pepsins for industrial purposes; perborate of soda; humus top dressing; leaf mold [fertilizer]; calcium peroxide; percarbonates; sodium permanganate; barium peroxide; hydrogen peroxide for industrial purposes; ammonium persulfate; persulfates; ammonium perchlorate; perchlorates; perchloroethylene; foundry sand; pyrimidine; pyridine; pyrrole; plastisols; sensitized plates for offset printing; ferrotype plates [photography]; plasticizers; protein plastics, unprocessed; plastics, unprocessed; unprocessed plastic materials in powder, liquid or paste form; unprocessed plastics for industrial purposes; photosensitive films, unexposed; X-ray films, sensitized but not exposed; sensitized photographic films, unexposed; plutonium; artificial sweeteners for beverages; chemical coatings for ophthalmic lenses; chemical coatings for use in the manufacture of printed circuit boards; polyols; polypeptides for scientific purposes; polysilazanes; polysilanes; polyurethane, unprocessed; polonium; chemically treated test strips for calibration of laboratory apparatus; chemically treated test strips, other than for medical purposes; test strips impregnated with reagents for testing swimming pool water; pulverized limestone for agricultural purposes; nucleic acid sequences, other than for medical or veterinary purposes; potash; potash water; soil for growing; soil amendments for horticultural purposes; soil amendments for agricultural purposes; chemical soil conditioners; artificial soil for plant cultivation; artificial soil for plant cultivation made from mineral materials; artificial soil for plant cultivation made from plastic materials; praseodymium; rubber preservatives; masonry preservatives, except paints and oils; brickwork preservatives, except paints and oils; cement preservatives, except paints and oils; preservatives for tiles, except paints and oils; biochemical precursors for scientific purposes; anti-freezing preparations; chemical spray preparations for stretching shoes; bacterial preparations for the food industry; bacterial preparations for the decomposition of animal waste; bacterial preparations, other than for medical and veterinary use; bacteriological preparations for acetification; bacteriological preparations, other than for medical and veterinary use; biological preparations for use in industry and science; biological preparations, other than for medical or veterinary purposes; biochemical preparations for scientific purposes; vulcanizing preparations; diagnostic preparations for scientific or research use; diagnostic preparations for scientific purposes; diagnostic preparations, other than for medical or veterinary purposes; renovating preparations for phonograph records; currying preparations for leather; currying preparations for skins; galvanizing preparations; in vitro diagnostic reagents for scientific purposes; tempering and soldering preparations; metal hardening preparations; fixing baths [photography]; opacifiers for glass; opacifiers for enamel; preparations for protecting

plants against pathogens; separating and unsticking [ungluing] preparations; metal annealing preparations; metal tempering preparations; soldering preparations; soil improving preparations; preparations for preventing the tarnishing of lenses; preparations for preventing the tarnishing of glass; cement-waterproofing chemicals, except paints; plant growth regulating preparations; wallpaper removing preparations; anti-boil preparations for engine coolants; fulling preparations for use in the textile industry; fire extinguishing preparations; descaling preparations for industrial purposes; descaling preparations, other than for household purposes; fertilizing preparations; flashlight preparations; finishing preparations for use in the manufacture of steel; sizing preparations; animal carbon preparations; preparations of microorganisms, other than for medical and veterinary use; organic soil enhancement powders and preparations; fulling preparations; corrosive preparations; cryogenic preparations; dehydrating preparations for industrial purposes; degreasing preparations for use in manufacturing processes; degumming preparations; fuel-saving preparations; coal saving preparations; oil-bleaching chemicals; bleaching preparations [decolorants] for industrial purposes; nutrient preparations for plants; damp-proofing chemicals, except paints, for masonry; anti-sprouting preparations for vegetables; meat tenderizers for industrial purposes; preparations for stimulating cooking for industrial purposes; anti-incrustants; de-icing preparations; preparations of trace elements for plants; ferrous sulfate preparations to prevent chlorosis in plants; moistening [wetting] preparations for use in the textile industry; moistening [wetting] preparations for use in dyeing; moistening [wetting] preparations for use in bleaching; plant strengthening preparations; enzymes for use in water treatment; enzyme preparations for the food industry; enzyme preparations for industrial purposes; enzyme preparations for the alcohol industry; enzyme preparations for the detergent industry; enzyme preparations for the beverage industry; enzyme preparations for the bakery industry; filtering preparations for the beverages industry; chemical preparations in the nature of glue accelerators; chemical preparations for repelling stains; chemical preparations to prevent mildew; chemical preparations to prevent wheat smut; chemical preparations for use in the manufacture of cosmetics; chemical preparations for use in the manufacture of pharmaceuticals; chemical preparations for use in industry; chemical condensation preparations; chemical water conditioners for aquaria; chemical preparations for smoking meat; chemical substances for analyses in laboratories, other than for medical or veterinary purposes; chemical preparations for glazing leather; chemical preparations for scientific purposes; chemical preparations for scientific purposes, other than for medical or veterinary use; chemical preparations for facilitating the alloying of metals; chemical preparations for the treatment of seeds; chemical preparations for brightening dyestuffs during manufacturing processes; chemical preparations for the treatment of water; chemical preparations for preventing scale formation; chemical preparations for preventing scale formation in hydronic heating and cooling systems; chemical preparations for testing swimming pool water; chemical preparations for the manufacture of paints; chemical preparations for the manufacture of pigments; chemical preparations which penetrate through walls, floors and ceilings used for fire prevention in buildings; chemical preparations for the dispersal of oil; chemical preparations for stabilizing soil; chemical preparations for melting snow and ice; engine-decarbonising chemicals; detergent additives for motor oil; probiotic bacterial cultures for the food industry; probiotic bacteria for the food industry; control samples for quality control testing of water; serum samples for scientific purposes; preparations of the distillation of wood alcohol; by-products of the processing of cereals for industrial purposes; chemical substances for preserving foodstuffs; benzene derivatives;

cellulose derivatives [chemicals]; promethium; propylene [propene]; proppants for use in oil well and gas well hydraulic fracturing operations; protactinium; protamine; proteins for the food industry; proteins for use in the manufacture of food supplements; proteins for use in manufacture; protein [raw material]; mordants for metals; radium for scientific purposes; radon; rhamnose for industrial purposes; aromatic solvents for industrial and commercial use; solvents for use in the manufacture of insecticides; solvents for paints; solvents for paints, varnishes and lacquers; solvents for varnishes; anti-frothing solutions for accumulators; drilling muds; drilling muds for use in oil-well drilling; buffer solutions for use in analytical chemistry; buffer solutions for scientific purposes; galvanizing baths; solutions for cyanotyping; degreasing solvents for use in manufacturing processes; standard solutions for use in analytical chemistry; silver salt solutions for silvering; toning baths [photography]; etching solutions [acids]; antibody reagents for scientific purposes; diagnostic reagents for scientific use; reagents for medical research; reagents for scientific purposes; reagents for scientific purposes for use in nucleic acid isolation and purification; reagents for testing the sterility of medical equipment; chemical reagents for use in genetic research; chemical reagents for scientific purposes; chemical agents for the treatment of bilge water; chemical agents for impregnating cut flowers to preserve freshness; chemical agents for impregnating cut Christmas trees to preserve freshness; chemical agents for carbon dioxide sequestration; chemical reagents for genetic identity testing; chemical agents for acid removal in industrial manufacturing applications; chemical reagents for paternity testing; diagnostic reagents, other than for medical or veterinary purposes; reagents for research purposes; reagents for scientific or medical research use; reagents for testing the sterility of pharmaceuticals and injectable solutions; reagents for chemical analyses; reagents for use in scientific apparatus for chemical or biological analysis; chemical reagents, other than for medical or veterinary purposes; plant growth regulators for agricultural purposes; unprocessed artificial resins, unprocessed plastics; resorcinol; rhenium; mercury; rubidium; carbon black for industrial purposes; soot for industrial or agricultural purposes; lamp black for industrial purposes; samarium; saccharin; selenium; saltpeter; semicarbazones; sulfur; silver nitrate; hydrogen sulfide; carbon disulfide; silanes; calcium silicate; sodium silicate; zinc silicate; silicates; aluminium silicate; silicones; scandium; topsoil; horticultural potting mixtures; foundry molding preparations; potting compost; potting soil; acrylic resins, unprocessed; ion-exchange resins [chemical preparations]; artificial and synthetic resins, unprocessed; unprocessed artificial resins for use in manufacture; unprocessed artificial resins for industrial purposes; unprocessed artificial resins as raw materials in the form of powders, liquids or pastes; urea-formaldehyde resins, unprocessed; silicone resins, unprocessed; melamine resins, unprocessed; polyamide resins, unprocessed; polyvinyl acetate resins, unprocessed; polyvinylidene chloride resins, unprocessed; polyvinyl chloride resins, unprocessed; polymer resins, unprocessed; polypropylene resins, unprocessed; polystyrene resins, unprocessed; polyurethane resins, unprocessed; polyethylene resins, unprocessed; polyester resins, unprocessed; synthetic resins, unprocessed; unprocessed synthetic resins for use in the manufacture of plastic molding compounds; unprocessed synthetic resins for use in the manufacture of molding compounds; unprocessed synthetic resins for use in the manufacture of cosmetics; radiation-curable unprocessed synthetic resins; thermally curable unprocessed synthetic resins; thermoplastic resins, unprocessed; phenolic resins, unprocessed; epoxy resins, unprocessed; soda ash; calcined soda; caustic soda for industrial purposes; nitrogen compounds; aliphatic compounds; barium compounds; perfluorinated chemical compounds prepared synthetically for use in manufacture; surface-active compounds; unprocessed synthetic resin compounds in the

form of microspheres used to incorporate various other substances; fluorspar compounds; chemical compounds for curing concrete; ammoniacal salts; ammonium salts; salts of precious metals for industrial purposes; halogen acid salts; salts for galvanic cells; salt for preserving, other than for foodstuffs; salts for coloring metal; salts for industrial purposes; iron salts; gold salts; iodised salts; calcium salts; magnesium salts; sodium salts [chemical compounds]; salt, raw; salts from rare earth metals; mercury salts; toning salts [photography]; salts [fertilizers]; salts [chemical preparations]; chrome salts; chromic salts; salts of alkaline metals; salt for water softening; rock salt; rock salt for de-icing; mineral sorbents; chemical sorbents; mold-release preparations; mold-release compounds; mold-release compounds for use in the plastics industry; tire sealing compounds; fire extinguishing compositions; compositions for the manufacture of phonograph records; compositions for the manufacture of technical ceramics; compositions for repairing inner tubes of tires; compositions for repairing tires; fire extinguishing and fire prevention compositions; sizing compounds for use in manufacture; compositions for threading; acid proof chemical compositions; adhesives for use in the manufacture of wall coverings; adhesives for use in the manufacture of plywood; adhesives for use in the manufacture of surgical bandages; glutinous tree-grafting preparations; adhesive preparations for surgical bandages; flame-retardant compositions; fireproofing preparations; active chemical ingredients for use in the manufacture of insecticides; chemical compositions for waterproofing; chemical compositions for waterproofing articles of leather; chemical compositions for waterproofing articles of fabric; chemical compositions for waterproofing masonry; chemical compositions for use in chrome plating; chemical compositions for preserving foodstuffs; chemical compositions for metal plating; sauce for preparing tobacco; allyl alcohol; amyl alcohol; benzyl alcohol; vinic alcohol; alcohol for use in the manufacture of perfumes; alcohol for use in the manufacture of paints and other coatings; alcohol for industrial purposes; wood alcohol; lauryl alcohol; sal ammoniac spirits; oleyl alcohol; cetyl alcohol; alcohol; ethyl alcohol; alloys of rare earth metals; de-icing sprays for windshields; de-icing sprays for door locks; adjuvants, other than for medical or veterinary purposes; cement for footwear; soil improving agents; fabric protectants for commercial dry cleaning use; fabric protectants; concrete preservatives, except paints and oils; detergents for industrial use as part of manufacturing operations; anticaking agents for use in the manufacture of animal feed; chemical agents for coating textiles, furs, leather, non-woven and woven fabrics; cell growth media for growing cells for use in scientific research; growing media for plants; soil stabilizers for roads, ponds and lakes; soil stabilizers for use in road construction; dough stabilizers for the food industry; enzyme stabilizers; chemical stabilizers for preserving foodstuffs; stannate; water glass [soluble glass]; stilbene; styrene; strontium; substrates for soil-free growing [agriculture]; substrates for hydroponics; peptide substrates for scientific purposes; enzyme substrates for scientific purposes; enzyme substrates; aluminium sulfate; ammonium sulfate; aluminium ammonium sulfate; barium sulfate; ferrous sulfate; potassium sulfate; magnesium sulfate; sodium sulfate; nickel sulfate; nickel ammonium sulfate; lead sulfate; silver sulfate; zinc sulfate; sulfates; ammonium sulfide; barium sulfide; cadmium sulfide; calcium sulfide; sodium sulfide; stannic sulfide; mercury sulfide; antimony sulfide; phosphorus sulfide; zinc sulfide; sulfides; benzoic sulfimide; sodium sulfite; sulfites for preserving foodstuffs; sulfonic acids; sumac for use in tanning; superphosphates [fertilizers]; soil surfactants used to promote uniform movement of water in soil; antimony; thallium; talc [magnesium silicate]; tannin; cream of tartar for the food industry; cream of tartar for industrial purposes; cream of tartar for chemical purposes; sodium tartrate; tellurium; terbium; sodium tetraborate; tetrachlorides; carbon tetrachloride; acetylene

tetrachloride; tetraethyl lead; technetium; thymol for industrial purposes; thiocarbanilide; thiourea; sodium thiosulfate; thiophene; thioethers; titanite; blueprint cloth; sensitized cloth for photography; toluidine; toluidine; toluene; Thomas phosphate [fertilizer]; fuel for nuclear reactors; thorium; peat [fertilizer]; etchants for use in the manufacture of printed circuit boards; etchants for use in the manufacture of semi-conductors; gum tragacanth for industrial purposes; trypsin for industrial purposes; triphenylmethane; ferric chloride; gold trichloride; trichloroethylene; triethanolamine; triple superphosphate fertilizers; thulium; aromatic hydrocarbons; carbonic hydrates; carbon; carbon for industrial purposes; activated carbon; carbon for filters; animal charcoal; charcoal for use as a soil conditioner; charcoal for horticultural purposes; animal carbon; bone charcoal; blood charcoal; nitrogenous fertilizers; fertilizers for hydroponics; fertilizers; fish meal fertilizers; potassium fertilizers; calcined potassium fertilizers; complex fertilizers; manganese fertilizers; urea fertilizers; ammonium nitrate fertilizers; sodium nitrate fertilizers; ammonium sulfate fertilizers; potassium sulfate fertilizers; potassium chloride fertilizers; calcium silicate fertilizers; mixed fertilizers; calcium superphosphate fertilizers; ammonium chloride fertilizers; wood vinegar [pyroligneous acid]; dough conditioners for the food industry; uranium; uranates; urease for industrial purposes; chemical intensifiers for paper; chemical intensifiers for rubber; vulcanization accelerators; phenanthrene; phenylenediamine; phenothiazine for use in the manufacture of pharmaceuticals; milk ferments [bacteria preparations] used in making foodstuffs; enzymes for use in protein hydrolysis; enzymes for use in starch hydrolysis; enzymes for use in the tanning of leather; enzymes for use in the manufacture of pet food; enzymes for use in the manufacture of nutraceuticals; enzymes for use in the manufacture of fruit juice; enzymes derived from biotechnological processes for use in industry; enzymes for use in the dairy industry; enzymes for use in the processing of food by-products; enzymes for use in the processing of sugar cane; enzymes for the brewing industry; enzymes for the food industry; enzymes for the beverage industry; enzymes for industrial purposes; enzymes for use in the textile industry; ferments for chemical purposes; enzymes for the bakery industry; milk ferments for the food industry; milk ferments for industrial purposes; milk ferments for chemical purposes; enzymes to assist in digestion for use in the manufacture of animal feeds; fermium; potassium ferricyanide; potassium ferrocyanide; ferrocyanides; photographic fixers; fixing solutions [photography]; histological fixatives; cytological fixatives; flavonoids [phenolic compounds] for industrial purposes; flocculants; metal welding flux; soldering fluxes; brazing fluxes; formaldehyde; formic aldehyde for chemical purposes; formate; phosgene; ammonium phosphate; phosphatides; manganese phosphate; calcium phosphate; sodium phosphate; phosphates; phosphates for water treatment; phosphates for potable water treatment; phosphates [fertilizers]; phosphine; phosphoproteins; phosphorus; photographic paper; photosensitive plates; sensitized photographic plates; photographic dry plates; unexposed photographic films; sensitized films, unexposed; photographic developers; photoresists; photographic sensitizers; chemical preparations for use in photography; photographic emulsions; francium; ethyl phthalate; fluorine; ammonium fluoride; calcium fluoride; magnesium fluoride; sodium fluoride; sodium aluminium fluoride; cerium fluoride; water-purifying chemicals for swimming pools; chemicals for use in the manufacture of paper; chemicals for the separation of crude oil from soil and water; chemicals for use in lithography; chemicals for use in metal plating; chemicals for use in the processing of natural rubber; chemicals for use in the processing of plastics; chemicals for use in the production of synthetic rubber; chemicals for use in the manufacture of solar cells; soil conditioning chemicals; chemicals for use in forestry, except fungicides, herbicides, insecticides and parasiticides; glass-frosting chemicals; leather-

renovating chemicals; water treatment chemicals for use in swimming pools and spas; chemicals for treating hazardous waste; chemicals for X-ray film processing; glass-staining chemicals; enamel-staining chemicals; oil-separating chemicals; water-purifying chemicals; oil-purifying chemicals; wastewater treatment chemicals; wastewater treatment chemicals for industrial purposes; welding chemicals; condensation-preventing chemicals; stain-preventing chemicals for use on fabrics; anti-tarnishing chemicals for windows; leather-waterproofing chemicals; textile-waterproofing chemicals; chemicals for use in the manufacture of adhesives; chemicals, except pigments, for the manufacture of enamel; radiator flushing chemicals; chemicals for use in industry and science; leather-impregnating chemicals; textile-impregnating chemicals; horticultural chemicals, except fungicides, herbicides, insecticides and parasiticides; agricultural chemicals, except fungicides, herbicides, insecticides and parasiticides; water-softening chemicals; soil conditioning preparations; chemicals for photographic film processing; chemicals for use in chromatography; chimney cleaners, chemical; enamel and glass-staining chemicals; chemicals for use in forestry; chemicals for use in industry, science and photography; chemicals for use in science; chemicals for use in industry, science and photography, as well as in agriculture, horticulture and forestry; chemicals for use in horticulture; chemicals for use in agriculture; chemicals for use in agriculture, horticulture and forestry; industrial chemicals; color-brightening chemicals for industrial purposes; quinhedrone; chitosan for industrial purposes; refrigerants; coolants for vehicle engines; chlorine; sodium chlorate; chlorates; chlorine for swimming pools; hydrochlorates; liquid chlorine; aluminium chloride; ammonium chloride; barium chloride; bismuth chloride; potassium chloride; calcium chloride; magnesium chloride; manganese chloride; stannic chloride; mercuric chloride; silver chloride; phosphorus chloride; cerium chloride; zinc chloride; chlorides; gold chloride; metallic chlorides; palladium chloride; chromium chloride; ethyl chloride; sodium chlorite; chloromethane; chloromethyl methyl ether; chloronitroanilines; hydrogen chloride; chloroprene; chlorofluorocarbons; sodium chromate; lead chromate; chromates; flowers of sulfur for chemical purposes; caesium; cellulase for use in the manufacture of detergents; cellulose; dissolving pulp; sulfite pulp; cerium; calcium cyanamide; potassium cyanate; hydrogen cyanide; potassium cyanide; sodium cyanide; silver cyanide; cyanides [prussiates]; cyanates; calcium cyanamide [fertilizer]; cyclamate; cyclohexane; cyclopentane; cymene; zirconium tetrachloride; loam; slag [fertilizers]; size for finishing and priming; size for walls; body fillers for use in the aerospace industry; putty for use by plumbers for affixing toilets; paste fillers for automobile body repair; spinel [oxide mineral]; alkalis; caustic alkali; chlor-alkalis; botanical extracts, other than essential oils, for use in making cosmetics; plant extracts, other than essential oils, for use in the manufacture of cosmetics; herb extracts, other than essential oils, for use in the manufacture of cosmetics; fermentation extracts for industrial purposes; tea extracts for the food industry; tea extracts for use in the manufacture of cosmetics; tea extracts for use in the manufacture of pharmaceuticals; battery electrolytes; active chemical ingredients for use in the manufacture of pharmaceuticals; radioactive elements for scientific purposes; rare earths; fissionable chemical elements; emulsifiers; emulsifiers for use in manufacture; emulsifiers for use in the manufacture of food; chloropropylene; erbium; erythritol for the food industry; erythritol for the beverage industry; ethane; ethanol for scientific purposes; ethylamine; ethylene; ethylene glycol; ethylene dichloride; ethylene chlorohydrin; ethyl iodide; ethyl carbamate; ethyl malonate; methyl ether; benzyl ether; sulfuric ether; glycol ether; fatty acid esters; methyl esters; ethers; esters; acetic acid esters; cellulose ethers for industrial purposes; cellulose esters for industrial purposes; ethyl ether.

Class 04

Biodiesel fuel; anthracite; benzine; motor spirit; petroleum; industrial gasoline; biomass fuel; wood briquettes; combustible briquettes; petroleum jelly for industrial purposes; montan wax; ozokerite; wax for use in coating food packaging materials; illuminating wax; industrial wax; belting wax; carnauba wax; paraffin wax; beeswax; beeswax for use in the manufacture of ointments; beeswax for use in the manufacture of candles; beeswax for use in the manufacture of cosmetics; Japan wax; wax [raw material]; gas for lighting; coal gas; oil-gas; liquefied petroleum gas; liquefied petroleum gases to be used for domestic and industrial purposes and in motor vehicles; liquefied natural gas; fuel gas; producer gas; gases for use as fuel; solidified gases [fuel]; fuel; alcohol and mixed alcohol fuel; solid fuels; wood pellets for heating [fuel]; pellets of compressed fiber manufactured from a plant crop to be used as fuel; glass granules used as sweeping compounds for chemical and other spills; fuel pellets; lubricating graphite; graphite as a lubricant; methylated spirits for fuel [denaturated fuel alcohols]; non-chemical additives for motor oil; additives, non-chemical, to motor fuel; kindling; firewood; fireplace logs; artificial fireplace logs; paper spills for lighting; charcoal lighter fluid; cigarette lighter fluid; cutting fluids; cutting oil for industrial metal working; lighter fluid; fish oil, not edible; lanolin; greases for the preservation of leather; illuminating grease; grease for leather; grease for footwear; tallow; industrial grease; kerosene; coke; lanolin for use in the manufacture of cosmetics and ointments; lanolin for use in the manufacture of cosmetics; ligroin; solid lubricants; wood spills for lighting; wax for skis; mazut; automotive engine oils; hardened oils [hydrogenated oils for industrial use]; fuel oil; oils for the preservation of leather; oils for paints; oils for releasing form work [building]; oils for the preservation of masonry; mold releasing oils; textile oil; leather-preserving oils and greases; mineral oils and greases for industrial purposes [not for fuel]; industrial oils and greases; lamp oils containing insect repellent; light oils; mineral oil for use in the manufacture of cosmetics and skin care products; mineral oil for use in the manufacture of paint; mineral oil for use in the manufacture of metal cutting fluids; industrial oil for batteries; all-purpose penetrating oil; industrial oils and greases, wax; lubricating oil; lubricating oil for motor vehicle engines; lubricating oils and greases; industrial oil; conditioning oil for baseball gloves; moistening oil; coal tar oil; coal naphtha; castor oil for industrial purposes; bone oil for industrial purposes; lamp oil; linseed oil for use as a lubricant; motor oil; sunflower oil for industrial purposes; rape oil for lubricating machinery; vegetable oil for use in the manufacture of paints or soaps; soybean oil for use in the manufacture of paints and other coatings; rape oil for industrial purposes; lubricants; automotive lubricants; lubricants for aircraft engines; motor vehicle lubricants; lubricants for industrial machinery; graphite lubricants; industrial lubricants; all-purpose lubricants; naphtha; petroleum, raw or refined; crude oil; heavy oils; nightlights [candles]; oleine; paraffin; dust absorbing, wetting and binding compositions; dust removing preparations; soya bean oil preparations for non-stick treatment of cooking utensils; non-slipping preparations for belts; non-chemical additives for gasoline; non-chemical additives for oils and fuels; non-chemical additives for fuels; non-chemical additives for fuels, lubricants and greases; propane gas sold in cylinders for use in torches; propane gas; coal dust [fuel]; flux oil for use as an ingredient in asphalt; firelighters; firelighters for grills; perfumed candles; aromatherapy fragrance candles; Christmas tree candles; candles; votive candles; candles and wicks for lighting; tealight candles; tallow candles; candles containing insect repellent; automotive greases; drilling lubricants; grease for machines; grease for arms [weapons]; lubricating grease; grease for belts; lubricating grease for vehicles; general purpose greases; vaporized fuel mixtures; petroleum-based dust suppressing compositions; granular absorbent oil-based composition for absorbing spills from floors; dust absorbing

compositions; dust binding compositions; dust wetting compositions; petroleum-based dust absorbing compositions; dust binding compositions for sweeping; dust laying compositions; alcohol [fuel]; methylated spirit; stearine; wood chips for smoking and flavoring foods; wood chips for smoking and grilling; wood chips for use as fuel; fuels, including motor spirit, and illuminants; gaseous fuels; liquid fuels; fuels and illuminants; aviation fuel; benzene fuel; diesel oil; fuel for motor vehicles; chafing dish fuel; lamp fuel; fuel for aircraft; fuel for aircraft and ships; fuel for lighters; lighting fuel; fuel for ships; heating oil; xylene fuel; mineral fuel; carburants; fuel with an alcohol base; fuels derived from crude oil; hydrocarbon fuels; peat briquettes [fuel]; peat [fuel]; tinder; lignite; charcoal briquettes; charcoal [fuel]; coal; coal briquettes; lamp wicks; wicks for oil lamps; wicks for candles; ceresine; tadon [charcoal briquettes]; electrical energy; ethanol [fuel]; petroleum ether.

Class 07

3D printers; truck cranes; reverse vending machines for recycling empty bottles and cans; reverse vending machines for recycling empty beverage containers; vending machines; coin-operated vending machines; vending machines, electric, for beverages or foods; welding machines, electric; shock absorbers for machines; construction machines and apparatus; electrolysis apparatus for electroplating; welding apparatus, gas-operated; electroplating apparatus; vulcanization apparatus; rubber vulcanizing apparatus; galvanizing apparatus; metal surface galvanizing apparatus; oxyacetylene welding apparatus; acetylene cleaning apparatus; high pressure washers; apparatus for drawing up beer under pressure; apparatus for aerating water; apparatus for aerating beverages; electrical apparatus for sealing plastics [packaging]; electric arc cutting apparatus; electric arc welding apparatus; electric welding apparatus; hydraulic machines and apparatus; mining machines and apparatus; pneumatic machines and apparatus; inking apparatus for printing blocks; inking apparatus for printing machines; soldering apparatus, electric; fittings for engine boilers; lawn aerators [machines]; air brushes for applying paint; expansion tanks [parts of machines]; drums [parts of machines]; reels, mechanical, for flexible hoses; reels, electric, for garden hoses; brake shoes, other than for vehicles; grass trimmers, electric; concrete mixers [machines]; food blenders, electric; food blenders, electric, for household purposes; automotive engine blocks; reels [parts of machines]; bobbins for weaving looms; harrows; tractor-towed harrows; windlasses; journal boxes [parts of machines]; bulldozers; hoppers [mechanical discharging]; bits for mining machines; mine borers; drills for the mining industry; earth augers; power ice augers used in ice fishing; railway wagon lifts; rolling mill cylinders; tractor-towed hay rakes; crank shafts; rollers for barley processing machines; shafts for pumps; printing rollers for machines; camshafts; engine camshafts; camshafts for vehicle engines; transmission shafts, other than for land vehicles; valves [parts of machines]; fans for motors and engines; fans for machine engines; saw benches [parts of machines]; winnowers; concrete vibrators; concrete vibrators, electric; vibrators [machines] for industrial use; bearings [parts of machines]; bearing inserts for machines; bearings for transmission shafts, being parts of machines; mechanized horse walkers; water heaters [parts of machines]; bellows [parts of machines]; blowers for use with conveying systems; power blowers for lawn debris; hand-held milk frothers [whisks], electric; agitators; agitators for circulating liquid media; agitators for chemical processing; bushings [parts of machines]; exhausts for motors and engines; drilling rigs, floating or non-floating; gasoline lawn mowers; ride-on lawn mowers; lawnmowers [machines]; mechanical lawn mowers; lawnmowers, electric; impact wrenches; taps being machine tools; card clothing [parts of carding machines]; nail pullers, electric; emergency power generators; high-voltage generators; generators for wind turbines; generators for land

vehicles; alternators; alternators for land vehicles; dynamos; bicycle dynamos; current generators; generators of electricity; wind-powered electricity generators; electric power generators for ships; electrostatic generators; hydraulic controls for motors and engines; hydraulic controls for machines; hydraulic conveyors; hydraulic torque converters, other than for land vehicles; hydraulic controls for machines, motors and engines; exhaust mufflers for motors and engines; mufflers for motors and engines; mufflers as part of vehicle exhaust systems; drilling heads [parts of machines]; core drilling bits; drilling bits [parts of machines]; cylinder heads for engines; soldering blow pipes, gas-operated; welding torches, electric; gas-operated blow torches; propane torches for use with roofing materials; propane torches for clearing vegetation; propane torches for clearing snow and ice; cutting torches; welding torches, gas-operated; raking machines; chasers [machine tools]; stalk separators [machines]; graders [earth moving machines]; sieves [machines or parts of machines]; mud catchers and collectors [machines]; tarring machines; rubber tracks being parts of crawlers on mining machines; rubber tracks being parts of crawlers on snow ploughs; rubber tracks being parts of crawlers on loading-unloading machines and apparatus; rubber tracks being parts of crawlers on agricultural machines; rubber tracks being parts of crawlers on construction machines; pressure transducers being parts of machines; gasoline engines, other than for land vehicles; internal combustion engines for power generation, other than for land vehicles; internal combustion engines for boats; hydraulic engines and motors; diesel engines for machines; diesel engines, other than for land vehicles; engines for aerostats; winch motors; aeronautical engines; engines and motors for model aircraft; engines and motors for model boats; engines and motors for model vehicles; engines for marine vessels; motors for passenger elevators; motors for elevators; aeroplane engines; engines for air cushion vehicles; motors, other than for land vehicles; aircraft engines; linear motors; compressed air engines; direct current motors; rocket engines, other than for land vehicles; jet engines, other than for land vehicles; starter motors; starter motors for land vehicles; engines for boats; marine engines and parts and fittings therefor; driving motors, other than for land vehicles; propulsion mechanisms, other than for land vehicles; de-aerators for feedwater; disintegrators; tympan [parts of printing presses]; mounting hangers adapted for exhaust systems for internal combustion engines; holding devices for machine tools; pump diaphragms; turf removing ploughs; abrasive disks for power-operated sanders; disc harrows; rock drilling bits; hydraulic jacks; chisels for machines; trailer-mounted hydraulic jacks; jacks [machines]; rack and pinion jacks; jacks, electric; moving walkways; drills [power tools]; percussion hammer drills; hand-held percussion hammer drills; pneumatic drills, hand-held; electric hand drills; drills, electric; crushers, electric, for household purposes; food grinders, electric; food grinders, electric, for domestic use; food grinders, electric, for commercial use; crushers for kitchen use, electric; rotary hammers, electric; centrifugal grinding machines; flues for engine boilers; reapers; windrowers for agricultural machines; reapers and binders; tractor-towed reapers; millstones; vacuum pads for vacuum pump machines; countersinks; rakes for raking machines; grinders, electric, for household purposes; kitchen grinders, electric; shredders [machines] for industrial use; meat grinders, electric, for household purposes; waste disposal units, electric; food choppers, electric; tree stump cutters; garden chippers, electric; injectors for engines; incubators for eggs; ski edge sharpening tools, electric; clamping tools for holding piece parts during machining; gear cutters [machine tools]; metalworking machines and machine tools; tools [parts of machines]; hand-held tools, other than hand-operated; mechanically operated hand-held crimpers; agricultural implements, other than hand-operated; air-operated power tools; grinding tools [parts of machines]; power tools; air condensers; control cables for machines,

engines or motors; capstans; calenders; rotary steam presses, portable, for fabrics; aquarium air stones [pumps]; ditchers [ploughs]; carburetters; carriages for knitting machines; crankcases for motors and engines; crankcases for machines; automobile oil pans; crankcases for machines, motors and engines; dishwasher racks [parts of dishwashers]; steamrollers; tractor-towed rollers; ignition coils [parts of engines]; positive crankcase ventilation [PCV] valves for motors and engines; automatic inlet control valves for reciprocating air compressors; valves being parts of pumps; pressure valves [parts of machines]; dosing valves [parts of machines]; pressure valves being parts of machines; back pressure valves being parts of machines; clack valves [parts of machines]; unloading check valves for the outlets of air compressors; proportional flow valves being parts of machines; pressure reducers [parts of machines]; exhaust gas recirculation [EGR] valves for motors and engines; pump control valves; control valves for regulating the flow of gases and liquids [parts of machines]; valves being parts of machines; valves [parts of pumps]; can openers, electric; pneumatic ratchet wrenches; ratchet wrenches, electric; buckets for earth moving machines; cowlings [parts of machines]; machine wheels; pump impellers; freewheels, other than for land vehicles; automotive intake manifolds; intake manifolds for motors and engines; scale collectors for machine boilers; headers being parts of vehicle exhaust systems; lasts for shoes [parts of machines]; block brakes, other than for land vehicles; brake pads, other than for vehicles; piston segments; grease rings [parts of machines]; reapers and threshers; food processors, electric, for household purposes; coal-cutting machines; air compressors; air compressors for vehicles; air pumps [garage installations]; compressors for air conditioners; compressors for machines; compressors for dehumidifying machines; compressors for refrigerators; compressors [machines]; reciprocating compressors; electric compressors; compressors being parts of machines, motors and engines; screw conveyors; belt conveyors; conveyors [machines]; roller conveyors; chain conveyors; converters for steelworks; catalytic converters for motors and engines; aerocondensers; steam condensers [parts of machines]; air-cooled condensers; diggers [machines]; rams [machines]; thermic lances [machines]; utensil baskets for dishwashers; mechanized livestock feeders; mechanized feeders for wildlife; mechanized feeders for animals; boxes for matrices [printing]; gear boxes, other than for land vehicles; grease boxes [parts of machines]; rocker arms for motors and engines; polycrystalline diamond compact [PDC] drill bits for drilling machines; housings [parts of machines]; bearing housings for machines; tractor-towed mowers; harvesting machines; tractor-towed harvesters; steam engine boilers; coffee grinders, other than hand-operated; coffee grinders, electric; tower cranes; crawler cranes; taps [parts of machines, engines or motors]; cable cranes; roller bridges; floating cranes; cranes [lifting and hoisting apparatus]; gantry cranes [bridge cranes]; dock cranes; mobile dock cranes; water separators; fixed cranes; jib cranes; ball valves being parts of machines; spray guns for paint; cranks [parts of machines]; mounting brackets adapted for exhaust systems for internal combustion engines; abrasive wheels for power-operated grinders; potters' wheels; grindstones [parts of machines]; cultivators [machines]; power tillers; hedge cutters, electric; soldering lamps; winches; trawl winches; power winches; blades for power saws; ploughshares; abrasive belts for power-operated sanders; belts for conveyors; conveyor belts; band brakes, other than for land vehicles; flap discs for power-operated grinders; portable saw mills; line haulers; service elevators; passenger elevators; jig-saws [power tools]; food slicers, electric; chutes being parts of machines; lubricators [parts of machines]; ice crushers, electric; igniting magnetos; igniting magnetos for engines; handling machines, automatic [manipulators]; churns; matrices for use in printing; oil coolers for motors and engines; machine flywheels; lawn edgers, electric; cartoning machines; hair clipping machines for animals;

asphalt paving machines; concrete finishing machines; concrete placing machines; paper machines; paper cutting machines; drilling machines and parts therefor; pasta makers, electric, for household purposes; vacuum packaging machines; blowing machines; wire drawing machines; die-cutting machines; embroidery machines; knitting machines; gas cutting machines; welding machines, gas-operated; galvanizing machines; bending machines; bending machines for metalworking; hydraulic machines; ironing machines; mineworking machines; decatizing machines; autogenous soldering machines; concrete paving machines; well drilling machines; blowing machines for the compression, exhaustion and transport of gases; blowing machines or fans for the compression, sucking and carrying of grain; net hauling machines [fishing]; electroplating machines; bottle sealing machines; sealing machines for industrial purposes; intaglio printing machines; milk homogenizing machines; embossing machines; engraving machines; finishing machines; crushing machines; ice crushing machines, electric; waste crushing machines; waste disposal units; dough kneading machines; blade sharpening [stropping] machines; knife sharpening machines; drill sharpening machines; earth moving machines; machines for making paper boxes; machines for making cardboard boxes; cord making machines; lace making machines; machines for making noodles; butter machines; machines for making miso; machines for manufacturing semi-conductors; cigarette machines for industrial purposes; machines for making soya sauce; sausage making machines; stereotype machines; machines for making powdered milk; hosiery looms; grinding machines; wood chipping machines; machines for shredding horticultural waste; paper calendering machines; oxyacetylene cutting machines; oxyacetylene welding machines; drop-forging machines; ice shaving machines, electric; composting machines; dyeing machines; laser welding machines; compression molding machines; bottle washing machines; pressure washing machines; dishwashers; floor washing machines; paper coating machines; bottle filling machines; machines for filling containers with liquid; staple fiber cutting machines; wax-polishing machines, electric; wax-polishing machines, electric, for household purposes; wax-polishing machines, electric, for industrial purposes; racket stringing machines; leather-working machines; dairy machines; semi-conductor wafer processing machines; glass-working machines; machines for processing edible kelp; tobacco processing machines; machines for processing raw silk; barley splitting machines; grain husking machines; dip-dyeing machines; painting machines; ramie debarking machines; cleaning machines for ponds; oil refining machines; industrial machines for cleaning sand; peeling machines; fruit peelers, electric; cereal processing machines; machines for processing plastics; ore treating machines; printing machines for use on sheet metal; printing machines for use with ceramics; printing machines for use with textiles; brewing machines; plasma cutting machines; planographic printing machines; whitewashing machines; road sweeping machines, self-propelled; leather paring machines; stubble cutting machines; rice polishing machines; barley polishing machines; floor polishing machines; machines for making soda pops; machines for shaping geta [Japanese-style wooden clogs]; bitumen making machines; papermaking machines; machines for making paper bags; machines for making straw rope; machines for making corrugated cardboard; machines for manufacturing semi-conductor substrates; machines for making fish paste; machines for the production of sugar; machines for processing condensed milk; machines for making cigarettes; machines for making cheese; machines for making cigarette filter rods; machines for washing silkworm eggs; weeding machines; sifting machines; cinder sifters [machines]; chemical fiber spinning machines; puddling machines; manure spreading machines; fertilizer spreading machines; machines for sorting recyclable materials; fiber cutting machines; fodder cutting machines [feed cutters]; notchers [machine tools]; metal cutting machines; meat slicing

machines; cheese slicing machines; machines for cutting plywood; bread cutting machines; egg slicing machines; machines for embossed printing; asphalt mixers [machines]; fodder mixing machines [feed mixers]; rice grain sorting machines; waste sorting machines; road making machines; railroad constructing machines; dry-cleaning machines; machines for the textile industry; rammers [machines]; rail-laying machines; bottle capping machines; bottle stoppering machines; packaging machines; machines for packaging food; waste compacting machines; plywood finishing machines; dethatchers [machines]; wire forming machines; cleaning machines for aviation engines; carpet cleaning machines; machines for cleaning surfaces using high-pressure water; floor scrubbing machines; rice husking machines; die-stamping machines; stamping machines; automatic stamping machines; darning machines; machines for extruding plastics; wire extruding machines; electrostatic coating machines; dredging machines; milking machines; drainage machines; leather tanning machines; wrapping machines; grain separators; machines and apparatus for the textile industry; floor polishing machines and apparatus, electric; injection plastic molding machines; machines and machine tools; bookbinding apparatus and machines for industrial purposes; machines and apparatus for cleaning, electric; machines and apparatus for carpet shampooing, electric; machines and apparatus for polishing [electric]; textile calendering machines; sizing machines; gluing machines for use with plywood; punching machines; riveting machines; forging machines; envelope inserting machines; debarking machines; textile dyeing machines; yarn twisting machines; kitchen machines, electric; belt sanding machines; timber harvesting machinery; electric wood sawing machines; foundry machines; injection molding machines; smoothing presses; fleshing machines; rinsing machines; vehicle washing machines; yarn winding machines; flour mill machines; type-setting machines [printing]; paper reeling machines; continuous casting machines; continuous metal casting machines; strapping machines; hemming machines; grating machines for vegetables; braiding machines; wringing machines for laundry; cutting machines; cutting machines for metalworking; sand cleaning machines; floor sanders; floor edgers; steam engines; perforating machines for metalworking; sandblasting machines; printing machines; industrial printing machines; rotary printing presses; flexographic printing machines; metal sawing machines; compressed air machines; loading and unloading machines; skid-steer loaders; dishwashers for household purposes; dishwashers for industrial purposes; garden tilling machines; tilling machines for agricultural purposes; textile washing machines; trimming machines; spinning machines; dust collecting machines; filling machines; friezing machines; cutters [machines]; rotary grinding machines; satinizing machines; pile drivers; drilling machines for metalworking; agricultural machines; agricultural seed planting machines; mixing machines; blending machines for chemical processing; mechanical mixing machines; sorting machines for industry; machines, machine tools, power-operated tools; stitching machines; laundry washing machines for household purposes; washing machines [laundry]; industrial laundry washing machines; coin-operated washing machines; electric washing machines; electric washing machines for household purposes; electric washing machines for industrial purposes; clippers [machines]; construction machines; spinning frames; spin driers [not heated]; looms; textile tentering machines; kneading machines; typographic machines; type-setting machines [photocomposition]; earth compacting machines; beating machines; scutching machines for the textile industry; beaters, electric; harvesters for agricultural use; sweepers, electric; coal loaders; bottling machines; packing machines; vacuum packing machines; filtering machines; filtering machines for chemical processing; photoengraving machines; molding machines; sewing machines; carding machines; industrial sewing machines; sanding machines for woodworking; wood

grinding machines; hand-held grinders, electric; orbital sanding machines; sanders, electric; typecasting machines; extrusion molding machines; electric arc cutting machines; electric arc welding machines; electromechanical machines for chemical industry; labellers [machines]; mills for household purposes, other than hand-operated; windmills; pepper mills, other than hand-operated; mills [machines]; centrifugal mills; electric closing mechanisms for vehicle windows; machine wheelwork; hydraulic door openers and closers [parts of machines]; pneumatic door openers and closers [parts of machines]; electric opening mechanisms for vehicle windows; gears for passenger elevators; feeders [parts of machines]; gears for elevators; forge blowers; blenders, electric, for household purposes; mixers [machines]; vacuum cleaner bags; kitchen mixers, electric; electric hand-held mixers for household purposes; mixers, electric, for household purposes; electric fan units for vacuum cleaners; temperature-controlled food and beverage dispensing units in the nature of vending machines; automated washers for surgical, medical and laboratory equipment; multi-purpose high-pressure washers; hammer drills; threshing machines; rock drills [machines]; pneumatic hammers; hydraulic hammers; hammers [parts of machines]; tilt hammers; power hammers; reeling apparatus, mechanical; motorized cultivators; high-frequency motor spindles with high frequency electric converters and power supply units; motors for boats; electric motors for machines; electric motors for machines with a digital servo drive controller; electric motors and parts thereof, other than for land vehicles; clutches for machines; clutches and apparatus for power transmission, other than for land vehicles; clutches, other than for land vehicles; meat choppers [machines]; meat grinders, electric; superchargers; brake linings for machines; brake linings, other than for vehicles; cemented carbide tips for use with machine tools; guides for machines; automatic fuelling nozzles; suction nozzles for vacuum cleaners; fuel nozzles; non-automatic fuelling nozzles; vacuum cleaner attachments for disseminating perfumes and disinfectants; aquarium pumps; aerating pumps for aquaria; gasoline pumps for service stations; metered gasoline pumps; vacuum pumps [machines]; windmill pumps; screw pumps; multiphase screw pumps; water pumps for baths; water pumps for whirlpool baths; electric water pumps for whirlpool baths; water pumps for spa baths; water pumps for water filtering units; electric water pumps; electric water pumps for baths; electric water pumps for spa baths; electric water pumps for swimming pools; compressed air pumps; high-pressure pumps for washing installations; hydraulic pumps; sludge pumps; refrigerant recovery pumps; pumps for land vehicle engines; reverse osmosis pumps; pumps for heating installations; beer pumps; pumps for counter-current swimming; centrifugal metering pumps; controlled volume pumps; sump pumps; macerator pumps; pumps and compressors being parts of machines, motors and engines; silt pumps; oil drain pumps; lubricating pumps; oil pumps for land vehicle engines; pumps [machines]; pumps [machines] for the beverage industry; positive displacement pumps; suction pumps; pneumatic pumps; submersible pumps; rotary lobe pumps; rotary pumps; pumps for cooling engines; oil-well pumping machines; fuel pumps for land vehicle engines; fuel pumps for service stations; self-regulating fuel pumps; fuel dispensing pumps for service stations; vertical turbine pumps; centrifugal pumps; pumps [parts of machines, engines or motors]; pumps being parts of machines, motors and engines; pumps, electric; electric pumps for aquariums; electric pumps for swimming pools; blades [parts of machines]; blades for earth moving machines; pizza cutters, electric; blades for electric food processors; knives for mowing machines; plow blades for vehicles; chaff cutter blades; knives, electric; lawn trimmers, electric; pneumatic shears; hedge shears, electric; shears, electric; scissors, electric; window cleaning equipment, electric; meat processing machines; semi-conductor wafer processing equipment; canning machines; sawmills; silkscreen printing machines; vegetable

spiralizers, electric; vegetable peelers, electric; engine mounts, other than for land vehicles; stands for hydraulic jacks; bearing brackets for machines; insecticide sprayers [machines]; pulverisers [machines]; axles for machines; steam cleaning machines; multi-purpose steam cleaners; steam traps; chucks [parts of machines]; drill chucks [parts of machines]; drill chucks for power drills; exhaust manifold for engines; soldering irons, gas-operated; soldering irons, electric; superheaters; transmission gears for machines; gears, other than for land vehicles; planetary gears, other than for land vehicles; reduction gears, other than for land vehicles; drilling machines; circular saws; circular saws for woodworking; band saws; scroll saws [machines]; saws [machines]; chain saws; chain saws, electric; pneumatic nail guns; nail guns, electric; glue guns, electric; compressed air guns for the extrusion of mastics; guns [tools using explosives]; rivet guns [power tools]; hot melt glue guns; carburettor feeders; feeding apparatus for engine boilers; mobile elevating work platforms; elevating work platforms; tile saws [power tools]; loading ramps; ploughs; tractor-towed plows; pneumatic controls for motors and engines; pneumatic controls for machines; pneumatic transporters; pneumatic controls for machines, motors and engines; loaders [earth moving machines]; front-end loaders; hangers [parts of machines]; anti-friction bearings for machines; shaft bearings [parts of machines]; engine bearings; bearings for machines; roller bearings for machines; roller bearings; self-oiling bearings; bearings for transmission shafts; bearings being parts of machines; ball-bearings; ball bearings for in-line skates; ball bearings for roller skates; ball bearings for skateboards; car lifts; hydraulic elevating apparatus; hoists; hydraulic hoists; mechanical hoists; pneumatic hoists; electric hoists; lifts, other than ski-lifts; stairlifts; elevators [lifts]; boat lifts; mechanical lifts for moving, parking and storing land vehicles; pulleys; saw blades [parts of machines]; water pumps for motors and engines; water pumps for land vehicle engines; water pumps for swimming pools; shock absorber plungers [parts of machines]; pistons for engines; pistons for internal combustion engines; pistons for land vehicle engines; pistons for vehicle engines; pistons [parts of machines or engines]; pistons for compressors; pistons for machines; pistons for cylinders; catalytic converters; torque converters, other than for land vehicles; fuel conversion apparatus for internal combustion engines; trash compactors; hay balers; balers for agricultural use; tractor-towed hay balers; blanking presses; hydraulic presses for metalworking; ironing presses; laundry presses; wine presses; basket presses; clothing pressing machines, electric; fodder presses; presses for chemical processing; metal extrusion presses; punching presses for metalworking; presses [machines for industrial purposes]; mechanical presses for metalworking; printing presses; photogravure printing presses; industrial machine presses; typographic presses; plywood presses; swaging machines; hydraulic valve actuators; pneumatic valve actuators; linear actuators; drive devices for opening and closing vehicle doors; pedal drives for sewing machines; cleaning appliances utilizing steam; gaskets of metal for vehicle engines; gaskets, not of metal, for vehicle engines; broaches [machine tools]; food processors, electric; springs [parts of machines]; spinning wheels; punches for punching machines; vacuum cleaners; vacuum cleaners for household purposes; wet and dry vacuum cleaners; electric vacuum cleaners; tambours for embroidery machines; radiators [cooling] for motors and engines; mechanical spreaders; tractor-towed manure spreaders; sewage pulverizers; reamers [parts of machines]; distributors for vehicle engines; automatic sprayers for electrostatic painting; powder coating spray guns; air brushes for applying colour; fuel and air mixture regulators being parts of internal combustion engines; pressure regulators [parts of machines]; speed governors for motors and engines; speed governors for machines; speed governors for machines, engines and motors; regulators [parts of machines]; cutting blow pipes, gas-operated; knives [parts of machines]; rubber mixing machines; blade holders [parts of machines]; toolholders for

metalworking machines [machine parts]; mining bits; tool bits for machines; pressure switches being parts of machines; loom shafts; gears for weaving looms; fan belts for land vehicle engines; belts for machines; belts for farm vehicle machines; timing belts for land vehicle engines; timing belts for machines; elevator belts; fan belts for motors and engines; dynamo belts; belts for motors and engines; transmission belts, other than for land vehicles; adhesive bands for pulleys; power transmission belts for machines; industrial robots; robotic vacuum cleaners; routers [machine tools]; robotic arms for industrial purposes; planers, electric; 3D printing pens; scarifiers [earth moving machines]; kick starters for motorcycles; joysticks being parts of machines, other than for game machines; stuffing boxes [parts of machines]; gaskets for internal combustion engines; paper feeders [printing]; whisks, electric, for household purposes; egg beaters, electric; pile extractors; bits for power drills; center drill bits being parts of machines; sparking plugs for internal combustion engines; glow plugs for Diesel engines; brake segments, other than for vehicles; tedding machines; steam/oil separators; oil separators; cream/milk separators; ball rings for bearings; dust separators; centrifugal separators; cyclone separators; servomotors; servomotors for sewing machines; wire mesh conveyor belts; alternating current servo motors; seed drills for agricultural machines; sowers [machines]; broadcast seeders; tractor-towed fertilizer distributors; tractor-towed broadcast seeders; exhaust systems for diesel engines; electronic ignitions for vehicles; catalytic converter units for vehicle exhausts; mechanical parking systems; pigs for cleaning pipes; snow throwers; snow ploughs; snow blowers; sheaf-binding machines; shaft couplings [machines]; shaft couplings being parts of machines; machine coupling and transmission components, other than for land vehicles, and parts therefor; machine coupling and transmission components, except for land vehicles; fruit presses, electric, for household purposes; electric fruit squeezers; fruit juice extractors, electric; juice extractors, electric; chaff cutters; chaff cutters, electric; suction cups for milking machines; stands for machines; machine tools; internal grinding machines; die-cutting and tapping machines; nailing machines; woodworking machines; sharpening machines; tool grinding machines; key cutting machines; machine tools for working metals; woodworking lathes; metal forming machines; machine tools for breaking up road surface material; involute grinding machines; bicycle assembling machines; mortising machines; slotting machines for metalworking; gear cutting and finishing machines; glassware manufacturing machines and apparatus; stone-working machines; lawn edge trimmers [machines]; shearing machines, electric; metalworking machines; wood sawing machines; shaping machines for metalworking; lapping machines; lapping machines for metalworking; broaching machines for metalworking; radial drills; boring machines; boring machines for metalworking; threading machines; laser welding apparatus; milling-drilling machines; drill presses [machines]; wood drilling machines; cemented carbide machine tools; planing machines; planing machines for metalworking; wood planing machines; weaving looms; automatic looms; lathes [machine tools]; lathes for metalworking; milling machines; milling machines for metalworking; wood milling machines; plywood jointing machines; honing machines for metalworking; tenoning machines; trueing machines; grinding machines for metalworking; grinding machines with spiral bevel gears; metal drawing machines; rolling mills; starters for motors and engines; stators [parts of machines]; glaziers' diamonds [parts of machines]; push rods for motors and engines; extension bars for power tools; tables for machines; hydraulic lift tables; derricks; machine tool holders; slide rests [parts of machines]; couplings for machines; couplings, other than for land vehicles; pulley blocks, electric; heat exchangers [parts of machines]; heat sinks for use in machines; graters, electric; disc brakes for machines; brakes for machines; brakes for industrial machines; knife sharpeners, electric;

scissor sharpeners, electric; crawler-tracked loaders; transmissions for machines; transmissions, other than for land vehicles; trench diggers; hedge trimmers [machines]; string trimmers for garden use; automotive exhaust pipes; exhaust pipes for land vehicle engines; boiler tubes [parts of machines]; wind turbines; air turbines, other than for land vehicles; hydraulic turbines; turbines, other than for land vehicles; steam turbines, other than for land vehicles; turbogenerators; turbocompressors; turbochargers for machines; connecting rods for machines, motors and engines; nitrogen oxide traps for exhaust systems being parts of internal combustion engines; industrial trash compacting machines; joints [parts of engines]; drilling rigs; central vacuum cleaning installations; wind-powered installations for generating electricity [wind farms]; suction machines for industrial purposes; hydroelectric installations for generating electricity [hydroelectric power plants]; brake flushing machines; laser welding devices; washing installations for vehicles; degreasers [machines]; dust exhausting installations for cleaning purposes; sifting installations; pneumatic tube conveyors; dust removing installations for cleaning purposes; condensing installations; plasma etching machines; pneumatic waste oil drainers; lifting apparatus; lifting installations for the transport of persons and goods; automatic floor scrubbers; air suction machines; fuel injection devices for internal combustion engines; dividing machines; igniting devices for internal combustion engines; door closers, hydraulic; door closers, pneumatic; door closers, electric; window closers, hydraulic; window closers, pneumatic; window closers, electric; washing apparatus; binding apparatus for hay; extractors for mines; door openers, hydraulic; door openers, pneumatic; door openers, electric; window openers, hydraulic; window openers, pneumatic; window openers, electric; curtain drawing devices, electrically operated; adhesive tape dispensers [machines]; anti-pollution devices for motors and engines; beverage preparation machines, electromechanical; food preparation machines, electromechanical; drain augers, electric; elevator operating apparatus; control mechanisms for machines, engines or motors; shoe polishers, electric; ignition devices for land vehicle engines; machines and apparatus for wax-polishing, electric; air cushion devices for moving loads; handling apparatus for loading and unloading; elevating apparatus; mechanical elevating apparatus; aprons [parts of machines]; filter presses; air filters for automobile engines; particulate air filters for exhaust systems for internal combustion engines; air cleaners [parts of engines]; filters for motors and engines; filters for machines; filters for cleaning cooling air, for engines; dust filters for vacuum cleaners; oil filters; oil filters for motors and engines; particulate filters [parts of engines]; fuel filters; forging molds; molds [parts of machines]; printing plates; dies for use with machine tools; fuel injectors; end mills [machines]; thread milling cutters [machine tools]; milling cutters [machine tools]; collets for power tools; journals [parts of machines]; oil centrifuges; centrifugal machines; machining centers for metal working; machining centers; elevator chains [parts of machines]; driving chains, other than for land vehicles; cam chains; transmission chains, other than for land vehicles; cylinders for motors and engines; engine cylinders for land vehicles; rollers for rotary printing machines; printing cylinders; cylinders for machines; pneumatic jacks; mechanical engine parts for land vehicles; shuttles [parts of machines]; universal joints [Cardan joints]; engine rods; connecting rods for land vehicle engines; connecting rods for machines; gears for machines; cam sprockets; pulleys [parts of machines]; pulleys being parts of machines; vacuum cleaner hoses; sausage stuffers, electric; pneumatic grease guns; garden shredders, electric; paper shredding machines; stacking machines; screwdrivers, electric; rotary brushes for machines; dynamo brushes; brushes [parts of machines]; wire wheels for power-operated grinders; brushes for vacuum cleaners; wire brushes [parts of machines]; electrically operated brushes, being parts of machines; brushes, electrically operated

[parts of machines]; carbon brushes [electricity]; brushes being parts of machines; brushes being parts of motors, generators and dynamos; ejectors; fuel economisers for motors and engines; excavators; hydraulic excavators; shovels, mechanical; power shovels; backhoes [earth moving machines]; agricultural elevators; mobile electric power generators; portable electric power generators; electric motors for operating vehicle windows; graphite electrodes for electric arc welding machines; electrodes for welding machines; electromechanical drive devices for opening and closing vehicle doors; electric hammers; electropneumatic drive devices for opening and closing vehicle doors; parquet wax-polishers, electric; cartridges for filtering machines; moving staircases [escalators]; automatic grapnels for marine purposes.

Class 09

Battery chargers for cellular phones; computer cables; microphone cables; optical cables; radio relay cables; power cables; telecommunication cables; feeder cables; electronic cables; battery cables; protective cases for smartphones; electronic load modules; 3D spectacles; DVD players; portable DVD players; FM transmitters; Global Positioning System [GPS] tracking and location devices; light-emitting diode [LED] televisions; liquid crystal display [LCD] monitors; liquid crystal display [LCD] televisions; portable MP3 players; Secure Digital [SD] memory cards; SIM cards; universal serial bus [USB] modems; autocollimators; ticket dispensers; coin-operated musical automata [juke boxes]; fire engines; answering machines; autotransformers; ethernet adapters; flash memory card adapters; telephone adapters; computer card adapters; radio frequency adapters; computer network adapters; power adapters; accumulators [batteries]; batteries for cellular phones; batteries for vehicles; batteries for electronic cigarettes; electrical cells and batteries; nickel-cadmium storage batteries; accumulators, electric; accumulators, electric, for vehicles; electrolytic cells; actinometers; speaker systems consisting of loudspeakers and cabinets for use with loudspeakers; alidades; altimeters; ammeters; research laboratory analyzers for measuring, testing and analyzing blood and other bodily fluids; anemometers; residual gas analyzers; anodes; antennas; car antennas; antennas for wireless communications apparatus; radio signal antennas; antennas for telecommunications networks; microwave antennas; radio and television antennas; satellite antennas; television antennas; anticathodes; apertometers [optics]; telephone exchange apparatus; high-frequency apparatus; testing apparatus not for medical purposes; apparatus for the input, output, transmission and storage of data; apparatus for broadcasting, recording, transmission or reproduction of sound, data or images; apparatus for the reproduction of sound or images; remote control apparatus; electro-dynamic apparatus for the remote control of railway points; electro-dynamic apparatus for the remote control of signals; apparatus for recording images; apparatus for recording, transmission or reproduction of sound, images and data; apparatus for recording, transmission or reproduction of information; apparatus for recording, transmission, reception, processing or reproduction of sound, images or data; apparatus for monitoring and recording the performance of machinery; monitoring apparatus, other than for medical purposes; teaching and instructional apparatus; apparatus for processing electronic payments; apparatus for the transmission of sound or images; sound recording apparatus; apparatus and instruments for recording, transmission or reproduction of sound, data or images; apparatus and instruments for transferring, receiving and storing sound, images and data, both in digital and analog form; apparatus and instruments for microscopy; apparatus and instruments for scanning probe microscopy; apparatus and instruments for scanning ion microscopy; apparatus and instruments for scanning ion conductance microscopy; data processing apparatus and computers; optical viewing and

recording apparatus; radio receiving and transmitting apparatus; radio and television apparatus; electronic telephone exchange apparatus; electronic surveillance apparatus; vacuum distillation apparatus for laboratory use; video transmission apparatus; Global Positioning System [GPS] apparatus; holography apparatus; distillation apparatus for scientific purposes; diffraction apparatus [microscopy]; air analysis apparatus; apparatus for broadcasting, recording, transmission or reproduction of sound or images; video recording apparatus; video playback apparatus; pressure recording apparatus; sound and image recording apparatus; sound recording and reproducing apparatus; apparatus for recording and reproducing speech; apparatus for recording, transmission or reproduction of sound; apparatus for recording, transmission or reproduction of images; signal transmission apparatus; apparatus to check franking; word processing apparatus; sound transmitting apparatus; apparatus for transmitting and reproducing sound or images; facsimile transmitting and receiving apparatus; apparatus for transmitting radio programs and radio relay messages; facsimile transmission machines; underwater breathing apparatus; testing apparatus for testing printed circuit boards; apparatus for fermentation [laboratory apparatus]; breathing apparatus for underwater swimming; breathing apparatus, except for artificial respiration; oxygen breathing apparatus, other than for artificial respiration; record playing apparatus and instruments; electrical communication machines and instruments; scientific, optical, measuring, signalling and checking apparatus and instruments; cinematographic apparatus and instruments; remote control apparatus and instruments; satellite receiving and transmission apparatus and instruments; photographic apparatus and instruments; drawing apparatus and instruments adapted for use with computers; electrical and electronic control apparatus and instruments; apparatus and installations for the production of X-rays, not for medical purposes; cash registers; electronic cash registers; cinematographic apparatus; electric apparatus for commutation; magnetic resonance imaging [MRI] apparatus, not for medical purposes; navigation apparatus for boats; intercommunication apparatus; stills for laboratory experiments; projection apparatus; fire extinguishing apparatus; coin changers; radiological apparatus for industrial purposes; X-ray apparatus not for medical purposes; blueprint apparatus; flashing lights [luminous signals]; stereoscopic apparatus; manual telegraph apparatus; telecommunications apparatus for use with mobile networks; telecommunications apparatus for use with digital and analog signals; digital telephone switching apparatus; telephone apparatus; cordless telephone apparatus; mobile telephone apparatus with built-in facsimile systems; facsimile machines; portable facsimile machines; photovoltaic apparatus for converting solar radiation to electrical energy; phototelegraphy apparatus; igniting apparatus, electric, for igniting at a distance; electric apparatus for recording, transmission or reproduction of sound or images; electrical control, testing and monitoring apparatus; electrical and electronic control apparatus for use with apparatus or installations for ventilation; electrical and electronic control apparatus for use with apparatus or installations for heating; electrical and electronic control apparatus for use with apparatus or installations for air-conditioning; electric telecommunications apparatus; electronic animal identification apparatus; acid hydrometers; salinometers; armatures for use in electrical apparatus; attenuators; audio discs; prerecorded audio discs; blank audio discs; audio recordings featuring music; sound and video recordings; audio and video tapes; downloadable video and audio files; audio cassettes; prerecorded audio cassettes; blank audio cassettes; audio books; digital audio tapes; prerecorded music audio tapes; prerecorded non-musical audio tapes; blank audio tapes; audio tape recorders; digital audio recorders; audio equipment; digital audio players; prerecorded audio tapes; prerecorded audio tapes featuring music; prerecorded digital

audio tapes; audio receivers; acidimeters for batteries; aerometers; electronic databases recorded on computer media; beacons, luminous; luminous beacons for safety or warning purposes; ballasts for fluorescent lamps; ballasts for gas discharge lamps; ballasts for halogen lamps; ballasts for halogen lights; electronic ballasts for lamps; buoyancy bladders for diving; battery jars; automated teller machines [ATM]; automatic paying-in and deposit machines; barometers; electric storage batteries; anode batteries; galvanic batteries; batteries for lighting; lithium batteries; nickel-cadmium batteries; rechargeable batteries; solar batteries; solar panels for the production of electricity; ignition batteries; dry cells; batteries, electric; rechargeable electric batteries; electrical cells; batteries; batteries for pocketlamps; batteries for electronic cigars; balances [steelyards]; freeware; betatrons; binoculars; hunting binoculars; field glasses; opera glasses; biomicroscopes; bioreactors for research use; bioreactors for cell culture; bioreactors for laboratory use; disposable plastic bioreactors for cell culture; biochips; electronic tags for goods; lens hoods for cameras; lens hoods; battery packs; computer chassis; voltage monitoring units; magnetic tape units for computers; computer memory devices; semi-conductor memory units; high-frequency switching power supplies; electronic power supplies; electrical fuse boxes; electrical power distribution blocks; borescopes; borescopes for inspecting work; boots for protection against accidents, irradiation and fire; fire hose nozzles; encoded identification bracelets, magnetic; connected bracelets [measuring instruments]; safety tarpaulins; electronic key fobs being remote control apparatus; bullet-proof clothing; trousers for protection against accidents, irradiation and fire; navigational buoys; signalling buoys; life buoys; luminous safety beacons; marking buoys; directional compasses; computer buffers; vacuum gauges; electrolyzers; wattmeters; variometers; webcams; fire buckets; internal cooling fans for computers [hardware]; central processing unit [CPU] fans; verniers; scales; talking scales; baby scales; bathroom scales; letter scales for domestic use; letter scales for office use; weighing scales for medical purposes; pocket scales; letter scales; kitchen scales; electronic weighing scales for kitchen use; personal weighing scales; weighbridges; precision balances; scales with body mass analysers; calculating scales; electrical scales; electronic weighing scales for personal use; portable digital electronic scales; levelling staffs [surveying instruments]; video multiplexing apparatus; videodiscs; recorded videodiscs and tapes; prerecorded videodiscs; video recordings; downloadable video recordings; musical video recordings; downloadable video recordings featuring music; camcorders; video baby monitors; digital single-lens reflex [DSLR] cameras; digital video cameras; video cards; video cassettes; prerecorded video cassettes featuring music; prerecorded video cassettes featuring cartoons; prerecorded video cassettes; blank video cassettes; prerecorded music videos; prerecorded music videotapes; prerecorded non-musical videotapes; blank videotapes; digital video recorders; video mixers; video monitors; video equipment; combination video players and recorders; digital video players; videotapes and videodiscs recorded with animation; prerecorded videotapes; prerecorded videotapes featuring music; prerecorded videos; video receivers; video projectors; video processors; personal video recorders [PVRs]; video telephones; video accelerators; electronic display units; downloadable video files; video films; prerecorded motion picture videos; video screens; range finders for cameras; viewfinders, photographic; electrical plugs and sockets; micrometer screws for optical instruments; viscosimeters; circuit closers; static exciters; wavemeters; polarization-maintaining optical fibers; nonlinear optical fibers; voltmeters; DVD players and recorders; camera flashes; mechanical signs; signs, luminous; backlit signs; high-frequency switches; switchboxes [electricity]; electronic motion sensitive switches; light switches; electric light switches; power switches; rectifier tubes; current rectifiers; rectifiers [electricity]; downloadable electronic

newspapers; gas testing instruments; gasifiers for laboratory use; gasometers [measuring instruments]; headsets; galvanometers; wireless headsets for use with cellular phones; hands-free kits for telephones; telephone headsets; typeface fonts recorded on magnetic media; heliographic apparatus; hygrometers; hydrometers; hydrophones; weights; gyrocompasses; gyrometers; gyroscopes; peepholes [magnifying lenses] for doors; depth gauges; print heads for plotters; print heads for computer printers; print heads for ink-jet printers; holograms; gravimeters; gramophones; LP records; computer graphics cards; downloadable computer graphics; plotters; X-Y plotters; woofers; loudspeakers with built-in amplifiers; loudspeaker units; weights for use with weighing scales; diving weights; sounding leads; plumb bobs; range finders; range finders for golf; transducers; automatic solar tracking sensors; proximity sensors; vibration sensors; vibration sensors for installation in windmill housings; gamma radiation detectors; pressure sensors; motion sensors; motion sensors for security lights; electronic sensors for measuring solar radiation; probes for testing semi-conductors; pollutant sensors; oxygen sensors, not for medical use; optical sensors; position sensors; distance sensors; touchscreen sensors; timing sensors; velocity sensors; temperature sensors; coolant-temperature sensors; air/fuel ratio gauges; ultrasonic sensors; ultrasonic object detectors for use on vehicles; level indicators; oil level sensors; acceleration sensors; television decoders; decorative switch plate covers, shaped; demodulators; demultiplexers; densimeters; densitometers; holders adapted for compact discs; holders and cases for compact discs and DVDs; holders for mobile telephones; in-car telephone handset cradles; detectors; gas sensors; smoke detectors; infrared detectors; polygraph machines, not for medical purposes; magnetic wall stud finders; fire detectors; combination carbon monoxide and smoke detectors; flame detection apparatus; radiation detectors; radon detectors; heat detectors; carbon monoxide detectors; carbon dioxide detectors; ultrasonic detectors; counterfeit coin detectors; ultrasonic flaw detectors; joysticks for use with computers, other than for video games; interactive computer software; transparencies [photography]; slide projectors; diaphragms [photography]; dictating machines; digital voice recorders; tweeters; speakers for computers; speakers for portable media players; dynamometers; diode arrays; digital force gauges; diodes; silicon carbide diodes; light-emitting diodes [LED]; floppy disks; blank floppy disks for computers; computer diskettes; blank diskettes; blank CD-ROMs for sound or video recording; CD-ROMs containing electronic telephone directories; prerecorded CD-ROMs; prerecorded CD-Is [compact disc interactive]; DVDs; blank recordable DVDs; interactive DVDs; prerecorded DVDs; prerecorded fitness DVDs; prerecorded exercise DVDs; blank DVDs; blank discs for computers; hard drives for computers; blank hard disks for computers; hard disks for computers; miniature hard disk drive storage units; sound recording discs; laser discs; magneto-optical disks; disks, magnetic; blank magnetic disks; optical discs; blank optical discs; backup drives for computers; video game discs; computer game discs; circular slide rules; digital disk drives; DVD drives; disk drives for computers; computer disk drives and drivers; optical disk drives; juke boxes for computers; electrophoretic displays; wearable video display monitors; light emitting diode [LED] displays; touch sensitive display and control screens; electronic numeric displays; electronic advertising displays; electronic message displays; distillation columns for laboratory use; electronic diaries; DNA chips; rain gauges; spirit measures; radiation measuring apparatus; docking stations for MP3 players; docking stations for cellular phones; laptop docking stations; docking stations for digital music players; swim floats for safety purposes; electronic interactive whiteboards; electronic notice boards; daughterboards; choking coils for use in electrical apparatus; opacimeters; cable harnesses; electric wire harnesses for automobiles; liquid crystal displays [LCDs] for home

theaters; bullet-proof waistcoats; life jackets; safety vests for water-skiing; flotation vests; life-saving vests for dogs; reflective safety vests; identification threads for electric wires; booms for microphones; contact lens blanks; downloadable software for instant messaging and electronic mail services; downloadable computer game programs; downloadable computer software for remote monitoring and analysis; downloadable podcasts; downloadable computer security software; nose clips for divers; nose clips for divers and swimmers; locks for vehicles, electric; radio-frequency controlled locks; locks, electric; power locks for motor vehicles; locks, electronic; shutters for cameras; lens shutters for cameras; optical shutters; magnetic cabinet door catches; alarm bells, electric; electric door chimes; electric door bells; call bells, electric; signal bells; bells [warning devices]; audio interfaces; audio recordings; musical sound recordings; downloadable musical sound recordings; sound projectors; acoustic conduits; pickups for telecommunication apparatus; mirrors for inspecting work; reflectors for microscopes; optical mirrors; electric signs; road signs, luminous or mechanical; marine depth finders; probes for scientific purposes; avalanche probes; buzzers; electronic buzzers; needles for surveying compasses; needles for record players; phonograph needles; downloadable computer games; eyewear; reflective articles for wear, for the prevention of accidents; glassware for laboratory use; measures; ampere-hour meters; vibration meters; pressure measuring apparatus; concentration meters; level gauges; sound level meters; simulators for the steering and control of vehicles; inverters [electricity]; pressure indicators; indicator lights for telecommunication apparatus; temperature indicators; chip coils; electrical inductors; incubators for bacteria culture; incubators for laboratory use; wire diameter measuring devices; instruments for measuring length; radioactivity measuring instruments; resistance measuring instruments; material testing instruments; measuring instruments; electronic navigational and positioning apparatus and instruments; cosmographic instruments; mathematical instruments; electronic navigational instruments; levelling instruments; instruments containing eyepieces; surveying instruments; azimuth instruments; internet servers; internet telephones; graphical user interface software; interfaces for computers; interferometers; intranet servers; ionization apparatus not for the treatment of air or water; lithium-ion batteries; satellite finder meters; spark-guards; uninterruptible electrical power supplies; high-voltage power supplies; AC/DC power supplies; DC input power supplies; electrical power supplies; universal serial bus [USB] cables; guitar cables; ethernet cables; jump start cables; modem cables; cables for optical signal transmission; cables for electrical or optical signal transmission; cables for electrical signal transmission; cables for electrical and optical signal transmission systems; printer cables; electric cables and wires; coaxial cables; mineral insulated electric cables; fiber optic cables; cables, electric; calipers; go/no-go gauges; slide calipers; screw-tapping gauges; no-go ring gauges; go ring gauges; master ring gauges; calorimeters; calculating machines; pocket calculators; electronic pocket calculators; electronic desk calculators; electronic calculators; closed circuit television cameras; decompression chambers; video surveillance cameras; rearview cameras for vehicles; infrared cameras; cinematographic cameras; multi-purpose cameras; film cameras; cameras with linear image sensors; thermal imaging cameras; ducting for electric cables; electrical raceways; mouth guards for sports; life-saving capsules for natural disasters; electronic pens [visual display units]; karaoke machines; electronic card readers; computer monitor frames; mounting racks adapted for computer hardware; holders for electric coils; identity cards, magnetic; blank integrated circuit cards [blank smart cards]; video game cartridges; ink cartridges, unfilled, for computer printers; ink cartridges, unfilled, for photocopiers; games cartridges for use with electronic games apparatus; toner cartridges, unfilled, for printers and

photocopiers; magnetically encoded debit cards; ethernet cards; encoded cards; sound cards; electronic identification cards; interface circuits for video cameras; interface cards for computers; interface cards for data processing apparatus; magnetically encoded key cards; electronic key cards; magnetically encoded credit cards; local area network [LAN] computer cards; local area network [LAN] computer cards for connecting portable computer devices to computer networks; encoded loyalty cards; magnetically encoded cards for carrying data; encoded prepaid magnetic cards; random access memory [RAM] cards; memory cards for video game machines; memory cards for cameras; memory cards [computer hardware]; integrated circuit [IC] memory cards; magnetically encoded gift cards; expansion boards for computers; encoded integrated circuit cards; encoded magnetic cards; microchip cards; prepaid telephone calling cards, magnetically encoded; multimedia accelerator boards; fax modem cards for computers; flash memory cards; riding helmets; protective helmets; carriers for dark plates [photography]; film magazines for cameras; video game cassettes; computer game cassettes; cash registers, calculating machines, data processing equipment, computers; cathodes; computer game cartridges; spools for cameras; choking coils [impedance]; magnetic coils; spools [photography]; coils, electric; electric resistors for telecommunication apparatus; electromagnetic coils; quantum dots [crystalline semi-conductor materials]; prerecorded motion picture films; cinematographic film, exposed; multifunction computer keyboards; computer keypads; keypads for security alarms; computer keyboards; keyboards for cellular phones; solenoid valves [electromagnetic switches]; terminal blocks; nose clips for swimmers; wire connectors [electricity]; thin client computers; encoded key cards; books recorded on disc; books recorded on tape; digital books downloadable from the Internet; electronic book readers; downloadable electronic books; digital notepads; electronic agendas; push buttons for bells; measuring buckets; encoders; magnetic encoders; visors for helmets; flasks for laboratory use; collectors, electric; collimators; loudspeakers; portable vibration speakers; chromatography columns for laboratory use; vacuum distillation columns for laboratory use; colorimeters; calibrating rings; adapter rings for camera lenses; smart rings; ring sizers; protective suits for aviators; downloadable comic strips; commutators; automatic switchboards; compact discs; compact discs, DVDs and other digital recording media; compact discs [audio-video]; recorded compact discs; interactive compact discs and CD-ROMs; CD-Is [compact disc interactive]; prerecorded music compact discs; compact discs [read-only memory]; compact discs featuring music; prerecorded compact discs; blank compact discs; comparators; magnetic compasses; magnetic compasses for surveying; marine compasses; buoyancy compensator devices for divers; point-of-sale [POS] terminals; component parts for antennas; electronic components for gambling machines; electronic components for computers; compressed air bailout units for diving; computerized time clocks with fingerprint recognition; computer hardware for telecommunications; computer hardware and software for setting up and configuring local area networks; computer hardware and software for setting up and configuring wide area networks; computer software to automate data warehousing; computer software to enhance the audiovisual capabilities of multimedia applications; computer software for controlling self-service terminals; computer software that assists computers in deploying parallel applications and performing parallel computations; computer software to enable the transmission of photographs to cellular phones; computer game programs downloadable via the Internet; computer application software for cellular phones; computer programs for enabling access or entrance control; computer programs for processing digital music files; computer programs for using the Internet and the World Wide Web; computer programs for user interface design; computer programs for editing images, sound and video; computer programs for

connecting remotely to computers or computer networks; computer programs for searching remotely for content on computers and computer networks; computer programs for document management; interactive multimedia computer programs; computer programs used for electronic cash register systems; computers; computers for use in data management; pocket computers for note-taking; hand-held personal computers; communications computers; navigation computers for cars; desktop computers; wearable computers; personal computers; laptop computers; tablet computers; notebook computers; hand-held computers; computers and instructional manuals in electronic format sold as a unit; electronic currency converters; microscope condensers; condensers [capacitors]; contacts, electric; contacts, electric, of precious metal; disc storage containers, shaped; ethernet controllers; wireless controllers to monitor and control the functioning of electronic devices, other than controllers for gaming apparatus; redundant array of independent disks [RAID] controllers; highway safety cones; decorative wind socks for indicating wind direction; wind socks for indicating wind direction; wind socks for indicating wind direction and intensity; traffic cones; computer network hubs, switches and routers; computer network hubs; boxes adapted for slides; branch boxes [electricity]; distribution boxes [electricity]; junction boxes [electricity]; battery boxes; cabinets for loudspeakers; diving suits; fire-resistant flying suits; wet suits for scuba diving; survival suits; waterproof survival suits for the prevention of drowning; speaker mounting brackets; galena crystals [detectors]; silicon chips; brackets for setting up flat screen television sets; ring buoys for use in water rescue; measuring cups; decorative covers, shaped, for smoke detectors; electric outlet covers, shaped; covers for electric outlets; central processing unit [CPU] coolers; jackets for protection against accidents, irradiation and fire; beakers [laboratory glassware]; logs [measuring instruments]; laser diodes; lasers, not for medical purposes; lasers for measuring; lactodensimeters; lactometers; vacuum tubes [radio]; flashlamps for cameras; flashlights [photography]; microscope lamps; darkroom lamps [photography]; vehicle breakdown warning lamps, other than parts of vehicles; thermionic tubes; amplifying tubes; electron tubes; thermionic valves for radios; blank magnetic computer tapes; blank tapes for storage of computer data; head cleaning tapes for video recorders; head cleaning tapes for audio cassette recorders; head cleaning tapes [recording]; tape measures; magnetic tapes; videotapes; audio tapes; blank magnetic tapes for tape recorders; audio tapes featuring music; surveying chains; warning streamers; fire escapes; computer game tapes; yardsticks; rulers [measuring instruments]; square rulers for measuring; slide-rules; levelling rods for surveying; graduated rulers; folding rulers; anti-reflective lenses; lenses for microscopes; telescopic lens sights; ophthalmic lenses; lenses for sunglasses; lenses for telescopes; optical condensers; contact lenses; correcting lenses [optics]; optical lenses; optical lenses for sunglasses; magnifying lenses; electricity conduits; sounding lines; measuring spoons; local area networks; magnifying glasses [optics]; thread counters; illuminometers; magnetometers; audio cassette recorders; digital audio tape recorders; magnets; decorative magnets; decorative refrigerator magnets; close-up lenses; refrigerator magnets; crash test dummies; resuscitation mannequins [teaching apparatus]; mouse [computer peripheral]; pressure gauges; high-pressure manometers; boost gauges; tire pressure gauges; security tokens [encryption devices]; network routers; computer network routers; ski goggles; goggles for motorcyclists; skin diving masks; scuba masks; divers' masks; solderers' helmets; protective masks; oxygen masks, not for medical purposes; flame-retardant balaclavas; swim masks; face-shields for protection against accidents, irradiation and fire; dust masks; respiratory masks, other than for artificial respiration; welding masks; snow goggles; materials for electricity mains [wires, cables]; automated bank note sorting machines; concrete testing machines; material testing

machines; plastic testing machines; cement testing machines; credit card encoding machines [computer peripherals]; ticket cancelling machines; voting machines; money counting and sorting machines; coin counting and sorting machines; textile testing machines; time and date stamping machines; cinematographic machines and apparatus; telecommunication machines and apparatus; screw-thread measuring machines and instruments; surface roughness testing machines and instruments; material testing instruments and machines; metal strength testing machines; metal hardness testing machines; metal compression testing machines; electrostatic copying machines; fire trucks; digital color photocopiers; rotating signalling lights; furniture especially made for laboratories; megaphones; portable media players; copper panels for circuit boards; diaphragms [acoustics]; acoustic membranes used in sound recording or reproducing apparatus; diaphragms for scientific apparatus; metal detectors; metal detectors for industrial or military purposes; hand-held security wands; digital weather stations; metronomes; carpenters' rules; rules [measuring instruments]; dressmakers' measures; folding rules; bellows for cameras; mechanisms for coin-operated apparatus; mechanisms for counter-operated apparatus; vehicle wheel alignment machines; electronic locking mechanisms for safes; coin-operated mechanisms for vending machines; coin-operated mechanisms for television sets; shutter releases [photography]; microcomputers; microcontrollers; micrometers; microprocessors; secure microprocessors; microchips [computer hardware]; microscopes; biological microscopes; metallurgical microscopes; microscopes for operations; polarizing microscopes; electron microscopes; microcircuits; semi-conductor chips; microtomes; microfiche; microphones; microphones for telecommunication apparatus; microphones for communication devices; microphone mixers; audio mixers; sound mixers with integrated amplifiers; minicomputers; modems; external modems; internal modems; cable modems; rectifier modules; memory expansion modules; integrated circuit modules; lightning rods; oxygen monitors, not for medical purposes; monitors [computer hardware]; monitors [computer programs]; gas flow monitors; digital signage monitors; touchscreen monitors; monacles; selfie sticks [hand-held monopods]; computer network bridges; downloadable digital music; downloadable digital music provided from MP3 Internet web sites; digital music downloadable from the Internet; multiplexers; electric cable connectors; terminals [electricity]; junction sleeves for fiber optics; junction sleeves for electric cables; computer mice; wireless computer mice; computer chipsets for use in transmitting data to and from a central processing unit; teeth protectors; temperature indicator labels, not for medical purposes; knee-pads for workers; pipette tips for laboratory use; headphones; in-ear headphones; headsets for use with computers; headsets for cellular phones; headsets for telephones; music headphones; photographic negatives; netbooks [computers]; surveyors' levels; electronic telephone dialers; magnetic data carriers, recording discs; magneto-optical and optical data carriers; machine-readable data carriers; prerecorded data carriers for use with computers; sound recording carriers; magnetic data media; magnetic and optical data carriers; prerecorded magnetic data carriers; blank magnetic data carriers; machine-readable data carriers recorded with programs; optical data media; digital recording media; socks for protection against accidents, irradiation and fire; electronic sheet music, downloadable; virtual reality software; virtual reality game software; wide area network [WAN] operating software; compiler software; software for computer telephony; computer software, recorded; software for GPS navigation systems; instant messaging software; downloadable instant messaging software; software for processing images, graphics and text; software for optical character recognition; internet messaging software; electronic mail software; downloadable electronic mail software; software for satellite navigation systems; computer game

programs; educational software for children; virtual private network [VPN] operating software; universal serial bus [USB] operating software; sheaths for electric cables; protective sheaths for fiber optical cables; protective covers for smartphones; protective covers for electronic book readers; identification sheaths for electric wires; clear protective covers adapted for MP3 players; clear protective covers adapted for cellular phones; clear protective covers adapted for personal digital assistants [PDAs]; clear protective covers adapted for smartphones; universal serial bus [USB] hardware; virtual private network [VPN] hardware; weighing machines; gas chromatography apparatus for laboratory use; sound reproduction equipment; karaoke equipment; local area network [LAN] hardware; electric and electronic musical effects equipment; word processing equipment; paging equipment; apparatus for conducting, switching, transforming, accumulating, regulating or controlling electricity; card reading equipment; computer component testing and calibrating equipment; sound recording equipment; electronic testing apparatus for use in the field of telecommunications; computer hardware; computer hardware for network access servers; punched card machines for offices; peripheral equipment for computers and data processing equipment; semi-conductor devices; life saving apparatus and equipment; telecommunications equipment; photographic equipment; electronic equipment for detecting mines; shoes for protection against accidents, irradiation and fire; shoes for protection against accidents and fire; lenses for astrophotography; lenses for video cameras; lens barrels for microscopes; selfie lenses; lens barrels for telescopes; objectives [lenses] [optics]; lenses for photographic apparatus; egg-candlers; fire extinguishers; flashing safety lights; rescue laser signalling flares; electrified fences; limiters [electricity]; clothing for protection against accidents, irradiation and fire; clothing for protection against fire; asbestos clothing for protection against fire; clothing for protection against chemicals and radiation; articles of protective clothing for wear by motorcyclists for protection against accident or injury; clothing for protection against accidents; insulated clothing for protection against accidents or injury; clothing and footwear for protection against accidents, irradiation and fire; clothing and gloves for use in welding for protection against accidents or injury; reflective apparel and clothing for the prevention of accidents; clothing especially made for laboratories; odometers; ozonisers [ozonators]; octants; eyepieces; ohmmeters; operating system programs; computer operating programs; wrist rests for use with computers; wrist rests for use with computer keyboards; eyeglass frames; frames for sunglasses; monocle frames; fiber optics; protective eyewear; sports eyewear; optical disks featuring music; computerized personal organizers; digital organizers; oscillographs; oscillators; plumb lines; reflectors for traffic signals; mirrors [optics]; glacier glasses; diving goggles; safety goggles; welding goggles; goggles and masks for protection against dust; night vision goggles; eyeglasses; swim goggles; dust goggles; sunglasses; goggles for sports; electronic collars to train animals; integrated software packages; packaged software; finger sizers; disk memories; audio mixing desks; video mixing desks; liquid crystal display [LCD] panels; thin film transistor liquid crystal display [TFT-LCD] panels; electronic indicator panels; audio and video mixing desks; plasma display panels; touch pads for computers; touch pads; signalling panels, luminous or mechanical; plasma display panel [PDP] televisions; control panels for elevators; electroluminescent display panels; radio pagers; electronic pagers; pince-nez; electronic pocket translators; intercoms; emergency signal transmitters; wireless transmitters; transmitters [telecommunication]; Global Positioning System [GPS] transmitters; cable television transmitters; optical transmitters; remote control transmitters; radar transmitters; radio frequency transmitters; satellite transmitters; telephone transmitters; digital transmitters; transmitters of electronic

signals; ethernet switches; change-over switches for telecommunication apparatus; piezoelectric switches; computer network switches; switches, electric; plug adapters; converters for electric plugs; periscopes; computer peripherals and accessories; gloves for divers; gloves for protection against accidents; gloves for protection against accidents, irradiation and fire; gloves for protection against X-rays for industrial purposes; asbestos gloves for protection against accidents; disposable latex gloves for laboratory use; fire-resistant gloves; disposable gloves for laboratory use; disposable plastic gloves for laboratory use; light pens; furnaces for laboratory experiments; furnaces for laboratory use; microwave ovens for laboratory use; pyrometers; electron guns; planetarium projectors; planimeters; plane tables [surveying instruments]; graphics tablets; phonograph records featuring music; plates for batteries; silicon wafers for integrated circuits; single-crystal silicon wafers; silicon wafers; semi-conductor wafers; solar wafers; electrical outlet plates, shaped; computer software platforms; computer software platforms, recorded or downloadable; graphics cards; wafers for integrated circuits; PC cards; satellite processors; computer accelerator boards; memory boards; audio circuit boards; motherboards; computer motherboards and daughterboards; multilayer printed wiring boards; video circuit boards; electronic circuit cards; printed circuit boards; printed circuit boards incorporating integrated circuits; electrical circuit boards; computer plug-in cards; electric switch plates; electronic circuit boards; compact disc players; cassette players; MP3 players; protective films adapted for computer screens; protective films adapted for smartphones; color separation films; sound recording strips; X-ray films, exposed; films, exposed; life-saving rafts; digital plotters; radio frequency repeaters; wrist rests for computer mouse users; laboratory trays; notebook computer cooling pads; wafers for solar cells; arm rests for use with computers; digital signs; racks adapted for amplifiers; computer stands specially designed for holding a computer, printer and accessories; microphone stands; thermosensitive temperature indicator strips; semi-conductors; electronic semi-conductors; polarimeters; personal digital assistants [PDAs]; fire pumps; computer parallel ports; computer serial ports; measuring glassware; weight belts for diving; support belts for workers; life belts; fuses for telecommunication apparatus; fuses; circuit breakers; preamplifiers; acoustic transformers; analog-to-digital converters; transmultiplexers; rotary converters; cable television converters; electronic power converters; DC/DC converters; low profile DC/DC converters; level converters; digital-to-analog converters; frequency converters; converters, electric; electroacoustic transducers; telerupters; food analysis apparatus; apparatus for verifying data on magnetically encoded cards; diagnostic apparatus, not for medical purposes; distance recording apparatus; apparatus for the recording of sound or images; apparatus for recording, transmission or reproduction of sound or images; apparatus for recording, transmission, processing and reproduction of sound, images or data; sound measuring apparatus; luminescence measuring devices; radioactivity measuring apparatus; distance measuring apparatus; speedometers for vehicles; speed measuring apparatus [photography]; appliances for measuring the thickness of leather; apparatus for measuring the thickness of skins; diesel oil emission testers; speed checking apparatus for vehicles; apparatus for controlling static electricity; dust emission monitors; apparatus for processing, transmitting and storing database information; teaching apparatus; microhardness testers; smoke alarm testers; voltage testers; continuity testers; time recording apparatus; hemline markers; apparatus for testing vehicle brakes; apparatus for testing vehicle transmissions; magnetic head cleaning apparatus; magnetic tape cleaning apparatus; power distribution or control machines and apparatus; measuring apparatus; optical frequency metrology devices; digital panel meters; measuring devices, electric; astrometric apparatus and instruments; apparatus and

instruments for astronomy; surveying apparatus and instruments; weighing apparatus and instruments; apparatus and instruments for recording, transmission or reproduction of sound or images; measuring and testing machines and instruments; teaching and instructional apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; satellite broadcast receiving and decoding apparatus and instruments; measuring apparatus and instruments; checking [supervision] apparatus and instruments; measuring and control apparatus and instruments; laboratory apparatus and instruments; nautical apparatus and instruments; multimedia apparatus and instruments; navigational instruments; scientific apparatus and instruments; scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking [supervision], life-saving and teaching apparatus and instruments; optical apparatus and instruments; teaching apparatus and instruments; data communication apparatus and instruments; telecommunications apparatus and instruments; apparatus and instruments for physics; photographic and cinematographic apparatus and instruments; photographic, cinematographic and optical apparatus and instruments; chemistry apparatus and instruments; electronic navigational, tracking and positioning apparatus and instruments; particle flow monitors; particle emission monitors; boiler control instruments; meteorological instruments; coffee measures; naval signalling apparatus; observation instruments; navigation apparatus for vehicles [on-board computers]; satellite navigational apparatus; scientific apparatus; optical inspection apparatus for industrial use; LORAN navigation machines; regulating apparatus, electric; sensors [measurement apparatus], other than for medical use; automatic telegraph apparatus; telecommunications apparatus; telecommunication apparatus in the form of jewellery; digital telecommunications apparatus; precision measuring apparatus; electrical controls for irrigation sprinkler systems; photovoltaic apparatus and installations for generating solar electricity; electronic apparatus for testing the sterility of medical equipment; electronic apparatus for testing the sterility of pharmaceuticals and injectable solutions; electrophoresis apparatus, not for medical purposes; CD-ROM drives; CD drives for computers; external computer hard drives; floppy disk drives; hard disk drives; audio- and video-receivers; wireless receivers; Global Positioning System [GPS] receivers; cable television receivers; optical receivers; remote control receivers; radar receivers; radar receivers with amplifiers; radio frequency receivers; satellite receivers; television receivers [TV sets]; transceivers; radio transceivers; optical transceivers; prisms for microscopes; prisms for scientific purposes; prisms for telescopes; prisms for optical purposes; prisms [optics]; computer software applications, downloadable; photo printers; printers for use with computers; xerographic printers; laser printers; daisy wheel printers; dot matrix printers; ink-jet printers; thermal printers; color printers; color laser printers; ink-jet color printers; digital color printers; retorts' stands; apparatus for changing record player needles; wrist rests for use with computer peripherals; drainers for use in photography; cleaning apparatus for sound recording discs; fire beaters; metering apparatus for dispensing perfumes in measured quantities; boresighters [alignment apparatus for firearm sights]; telescopic sights; telescopic riflescopes; telescopic bow sights for archery; telescopic sights for firearms; telescopic sights for guns; telescopic sights for artillery; test tubes; plug gauges; go/no-go plug gauges; pressure indicator plugs for valves; probes for testing integrated circuits; magnetic wires; winding wires [electricity]; power wires; resistance wires; telegraph wires; telephone wires; wires, electric; copper wire, insulated; conductors, electric; fuse wire; DVD burners; computer hardware and software for database management; computer hardware and software; computer software, firmware and hardware; software; BIOS [basic

input/output system] software; bioinformatics software; computer software for computer-aided design/computer-aided manufacturing [CAD/CAM]; computer software for administration of local area networks; computer software for wireless content delivery; computer software for wireless network communications; computer software for two or three-dimensional simulation for use in design and development of industrial products; decoder software; software for Internet access; computer software for accessing information directories that may be downloaded from a global computer network; privacy protection software; e-mail security software; video games software; computer software for application and database integration; computer whiteboard software; computer software for use in programming facsimile machines; local area network [LAN] operating software; industrial process control software; computer software for controlling and managing access server applications; computer software for encryption; music composition software; computer programs and software for image processing used for cellular phones; computer software for word processing; computer software for processing digital images; computer software for processing digital music files; computer software for converting document images into electronic formats; credit screening software; desktop publishing software; computer software for communicating with users of hand-held computers; data compression software; computer software for Global Positioning Systems [GPS]; scanning software; computer software for creating searchable databases; computer software for use in creating and designing websites; computer software for organizing and viewing digital images and photographs; computer software for creating and editing music and sounds; computer software for controlling the operation of audio and video devices; computer groupware; communications software; communications software for connecting global computer networks; communications software for connecting computer network users; computer graphics software; computer communications software to allow customers to access bank account information and transact bank business; computer software; computer shareware; multimedia software recorded on CD-ROM; downloadable cloud computing software; computer search engine software; embedded operating software; computer e-commerce software to allow users to perform electronic business transactions via a global computer network; computer video game software; computer firmware; software for diagnostics and troubleshooting; computer programs, recorded; video game programs; consumer video game programs; data processing programs; software for searching and retrieving information across a computer network; software for creating, facilitating, and managing remote access to and communication with local area networks and global networks; PDF creation and conversion software; programs recorded on electronic circuits for amusement apparatus with liquid crystal screens; computer screen saver software, recorded or downloadable; interactive video game programs; interactive computer game programs; electronic game software; electronic game programs; computer hardware and firmware; interactive multimedia software for playing games; computer hardware and software for providing secure remote access to computer and communication networks; computer programs and software; computer software for business purposes; computer software for arcade apparatus and games; computer software for data and document capture, transmission, storage and indexing; computer software for use in automating and managing business processes; computer software for use in providing multiple user access to a global computer information network; computer programs for data processing; computer software for image processing; computer software for transmission of sound and video messages; computer software to enable searching of data; computer programs for connecting to remote computers and computer networks; computer software for synchronizing data between hand-held or portable

computers and host computers; computer software for the creation of firewalls; computer software for database management; computer software for facsimile, electronic mail, voice mail or Internet messaging; computer programs, downloadable; computer software downloaded from the Internet; computer game software downloadable from a global computer network; computer game software downloadable via a global computer network and wireless devices; interactive multimedia computer game programs; recorded computer game programs; computer programs and software for image processing; computer programs and computer software for electronic trading of securities; computer software for use in the field of telecommunications for providing electronic transmission of documents and facsimile transmission; computer software and telecommunications apparatus, including modems, to enable connection to databases and the Internet; computer software and telecommunications apparatus, including modems, to enable connection to databases, computer networks and the Internet; computer software and telecommunications apparatus, including modems, to enable connection to databases, computer networks, global computer networks and the Internet; computer software and telecommunications apparatus to enable connection to databases and the Internet; computer firewall software; computer operating system software; educational computer software; computer video game software and manuals in electronic format sold as a unit; computer game software and manuals in electronic format sold as a unit; computer software for data processing; data processing programs recorded on machine-readable data carriers; computer operating programs, recorded; application software; interactive entertainment software for use with computers; downloadable interactive entertainment software for playing video games; downloadable interactive entertainment software for playing computer games; web site development software; network operating system programs; computer utility programs; electronic game software for wireless devices; electronic game software for hand-held electronic devices; electronic game software for cellular phones; computer software programs; computer software products; projectors; home theater projectors; projectors for the entertainment industry; picture projectors; liquid crystal display [LCD] projectors; cinematographic projectors; multimedia projectors; photography projectors; digital projectors; record players; audio cassette players; audio cassette players for automobiles; audio cassette and compact disc players; videodisc players; video cassette players; video compact disc players; digital audio tape players; cassette players for cars; digital compact disc players; artificial limbs for medical instruction purposes [teaching apparatus]; gas masks; data processors; raster image processors; digital signal processors; processors [central processing units]; rods for water diviners; electronic publications [downloadable] provided on-line from databases or the Internet; electronic publications, downloadable; electronic publications [downloadable] provided from databases or the Internet; electronic publications recorded on computer media; remote controls; remote controls for stereos; remote controls for radios; remote controls for televisions; infrared remote controls; digital mixing desks; distribution consoles [electricity]; control panels for security alarms; remote controls for air-conditioning apparatus; control panels [electricity]; computer workstations [hardware]; radar detectors; radar guns for sporting events; radar apparatus; maritime patrol radars; heat sinks for use in computers; radio apparatus and instruments; vacuum tubes; masts for wireless aerials; audio baby monitors; radio transmitters; transmitting sets [telecommunication]; radios; radio receivers; car radios; vehicle radios; radio transmitters and receivers; mobile radios; short-range radios; two-way radios; radiotelephones; radio tuners; sprinkler systems for fire protection; power strips with movable sockets; threaded electrical cable connectors; connectors for electronic circuits; jack cables; power connectors; plug-in connectors; round plug connectors; electrical

connectors; frames for photographic transparencies; slide film mounts; screens for photoengraving; flow gauges; flowmeters; walkie-talkies; data loggers; voltage surge protectors; regulators for use in scuba diving; oxygen regulators; power controllers; electronic power controllers; voltage regulators; voltage regulators for vehicles; induction voltage regulators; stage lighting regulators; light dimmers [regulators], electric; static voltage regulators; electrical signal attenuators; speed regulators for record players; electrical charge controllers; cell switches [electricity]; washing trays [photography]; resonators; marking gauges [joinery]; T-squares for measuring; time switches, automatic; differential switches; relays for radio and television stations; relays, electric; lanyards [straps] for cameras; lanyards [straps] for cellular phones; lanyards for safety purposes for fall protection; safety harnesses, other than for vehicles or sports purposes; safety restraints, other than for vehicle seats and sports equipment; chin straps for American football helmets; X-ray photographs, other than for medical purposes; rheometers; rheostats; ethernet repeaters; respirators for filtering air; retorts; repeaters for radio and television stations; reflectors for telescopes; optical reflectors; refractometers; refractors; grids for batteries; downloadable ring tones and graphics for cellular phones; ring tones, graphics and music downloadable via a global computer network and wireless devices; security surveillance robots; downloadable telephone ring tones; laboratory robots; teaching robots; humanoid robots with artificial intelligence; speaking tubes; horns for loudspeakers; subwoofers; subwoofers for vehicles; saccharometers; waveguides for high-power beam delivery; optical fibers [light conducting filaments]; lens filters for cameras; polymer light-emitting diodes [PLED]; traffic lights; railway signals; traffic-light apparatus [signalling devices]; dog whistles; signalling whistles; sports whistles; sextants; projected capacitive touch sensors; infrared sensors; liquid level sensors; level sensors; computer network servers; communications servers [computer hardware]; network servers; computer servers; network facsimile servers; electronic mail servers; inductors [electricity]; magnetic cores; computer networking hardware; operating software for network access servers; wide area networks; electrical cabling; safety nets; nets for protection against accidents; burglar alarms; fire alarms; gas leak alarms; smoke alarms; security alarms; personal security alarms; electronic burglar alarms; fire alarms in the shape of Christmas tree ornaments; personal alarms; anti-theft alarms, other than for vehicles; signals, luminous or mechanical; sirens for vehicles; vehicle driving simulators for training purposes; sirens; computer operating software; loudspeaker systems; video surveillance systems; Global Positioning Systems; public address systems; static grounding systems and apparatus; biometric identification systems; laser measuring systems; computer systems; access control and alarm monitoring systems; biometric access control systems; electronic access control systems for interlocking doors; data processing systems; computer operating systems; anti-intrusion alarms; fire extinguishing systems; biometric voice recognition systems; pattern recognition systems composed of computer chips, computer hardware and software; satellite navigation systems; satellite-aided navigation systems; speakerphones; video imaging systems; biometric scanners; biometric fingerprint scanners; image scanners; scanners [data processing equipment]; optical scanners; handheld scanners; biometric hand scanners; biometric retinal scanners; snap gauges; slide film, exposed; hand-held electronic dictionaries; electronic dictionaries; integrated circuit cards [smart cards]; encoded smart cards; blank smart cards; smartglasses; smartphones; smartwatches; gas mixers for laboratory use; fiber optic couplings; connections for electric lines; fiber optic connectors; couplings, electric; connectors [electricity]; electronic connectors; optical fiber connectors; plug connectors; sonars; sound locating instruments; lighting ballasts; resistances, electric; math coprocessors; spectrograph apparatus; astronomical spectrographs;

spectroscopes; spectrophotometers; speed indicators; bicycle speedometers; alcoholmeters; sports training simulators; shutter releases for cameras; satellites for scientific purposes; wide area network [WAN] hardware; head guards for martial arts; head guards for boxing; head guards for karate; protection devices for personal use against accidents; audiovisual teaching apparatus; computer software development tools; electronic control gears [ECGs] for LED lamps and light fixtures; voltage stabilizers; measuring jugs; tire balancing machines for land vehicles; electronic docking stations; charging stations for electric vehicles; radiotelegraphy sets; radiotelephony sets; automatic telephone exchanges; spectacle lenses; anti-glare glasses; optical glass; glass dryers for laboratory use; speedometer testers; automobile stereo adapters; stereomicroscopes; stereo headphones; stereo receivers; personal stereos; stereoscopes; stereo tuners; stereo amplifiers; computer styluses; racks adapted for loudspeakers; video camera stands; stands for use with operating microscopes; stands for photographic apparatus; mounting racks adapted for telecommunications hardware; laboratory countertops; editing machines for cinematographic films; stroboscopes; fire boats; sulfimeters; carrying cases adapted for computers; bags adapted for laptops; bags specially adapted for cameras and photographic equipment; supercomputers; superminicomputers; drying racks [photography]; spherometers; integrated circuits; large-scale integrated circuits; electronic integrated circuits; printed circuits; electronic circuits; counters; water meters; gas meters; Geiger counters; parking meters; kilometer recorders for vehicles; revolution counters; electricity meters; abacuses; memory card readers; radio-frequency identification [RFID] readers; optical disk readers; electronic indicator boards; electronic scoreboards; mechanical egg timers; digital egg timers; kitchen timers; kitchen timers, electronic; egg timers [sandglasses]; electronic timers; taximeters; electronic taximeters; public telephones; ear plugs for divers; satellite dishes; tachometers; radio-frequency identification [RFID] tags; television apparatus; car televisions; plasma televisions; organic light-emitting diode [OLED] televisions; telegraphs [apparatus]; television cameras; television transmitters; telescopes; zenith telescopes; teleprompters; teleprinters; cellular telephone apparatus; telephones; mobile telecommunications handsets; cordless telephones; cellular phones; cellular phones having large keys and numbers that assist users having impaired vision or dexterity; digital cellular phones; satellite telephones; digital telephones; strain gauges; theodolites; precision theodolites; transits for surveying; electronic terminals for generating lottery tickets; terminals for radiotelephones; secure terminals for electronic transactions; interactive touch screen terminals; computer terminals; electronic payment terminals; thermistors; thermo-hygrometers; thermometers for laboratory use; meat thermometers; digital meat thermometers; household thermometers; thermometers, not for medical purposes; digital thermometers, not for medical purposes; thermocouples; thermostats; thermostats for vehicle engines; thermostats for vehicles; antifreeze testers; crucibles [laboratory]; thyristors; thickness gauges; ultrasonic thickness gauges; tone arms for record players; toner cartridges, unfilled, for printers; toner cartridges, unfilled, for photocopiers; totalizers; local area network [LAN] access points; local area network [LAN] access points for connecting network computer users; transistors [electronic]; ethernet transceivers; transponders; protractors [measuring instruments]; high-voltage transformers; electrical transformers for telecommunication apparatus; electric voltage transformers; step-up transformers; step-down transformers; distribution transformers; welding transformers; electronic power transformers; flyback transformers; electric transformers for toy trains; transformers [electricity]; flight simulators; resuscitation training simulators; flight simulators for aircraft; electronic sports training simulators; vehicle breakdown warning triangles; triodes; starter cables for

motors; discharge tubes, electric, other than for lighting; diving snorkels; scuba snorkels; laboratory storage tubes; capillary tubes; neon signs; Pitot tubes; X-ray tubes not for medical purposes; glass tubes for scientific purposes; telephone receivers; phototubes; meridian transit telescopes; car broadcasting tuners; carbon nanotubes for use in extremely small scale electronic and mechanical applications; angle gauges; squares for measuring; electrical extension cords; gauges; quantity indicators; digital torque gauges; safety markers; fuel gauges; water temperature gauges; temperature gauges; exhaust gas temperature gauges; gasoline gauges; water level indicators; vehicle dipsticks; electric loss indicators; light-emitting electronic pointers; laser pointers; slope indicators; plastic and cardboard cases adapted for the storage of record albums; levels [instruments for determining the horizontal]; water level gauges; mercury levels; plumb levels; spirit levels; urinometers; amplifiers for bass guitars; guitar amplifiers; amplifiers; amplifiers for musical instruments; audio frequency amplifiers; power amplifiers; optical semiconductor amplifiers; radio frequency amplifiers; video frequency amplifiers; graphics accelerators; particle accelerators; electric and electronic video surveillance installations; electric installations for the remote control of industrial operations; automatic telephone dialers; automatic switching apparatus for telecommunications; self-timers for cameras; automatic chromatography apparatus for laboratory use; baby monitors; apparatus for testing smoke detectors using an aerosol spray; apparatus for testing carbon monoxide detectors using an aerosol spray; apparatus for testing heat detectors using an aerosol spray; input devices for computers; visual display units; video display units; steering apparatus, automatic, for vehicles; balancing apparatus; electronic lock assemblies; video recorders; video recorders for automobiles; video recorders for cars; sound reproduction apparatus; automatic ticket dispensers; invoicing machines; video cassette recorders; tape recorders; devices for the recording, transmission and playback of sound and images; apparatus for the recording, transmission, amplification and reproduction of sound; apparatus for recording, storage, transmission and reproduction of sounds and images; protection devices against X-rays, not for medical purposes; voltage surge suppressors; radiation measuring instruments; luminous flux meters; battery testers; railway traffic safety appliances; data processing apparatus; optical character recognition [OCR] apparatus; video digitizers; oxygen transensing apparatus; mobile data receivers; theft prevention installations, electric; apparatus for checking the authenticity of banknotes; brake fluid testers; circuit testers; film cutting apparatus; drying apparatus for photographic prints; optical character readers; card readers for credit cards; card readers for magnetically encoded cards; magnetic tape erasers; centering apparatus for photographic transparencies; flash memory card readers; electronic encryption units; dosage dispensers; railway signal apparatus, luminous or mechanical; CD-ROM writers; programmable digital television recorders; DVD recorders; buffer memory devices [computer hardware]; memory devices for use with data processing apparatus; electronic memory devices; mains chargers; cellular phone battery chargers for use in vehicles; battery chargers; battery chargers for use with telephones; chargers for electric batteries; chargers for electronic cigarettes; buzzers, electric; acoustic alarms; audio recorders; electronic sound pickups for guitars and basses; telecommunication devices and apparatus; acoustic meters; electronic metering devices for faucets; signalling apparatus and instruments; sounding apparatus and machines; currency authentication apparatus and equipment; automatic ion exchange chromatography apparatus for laboratory use; apparatus for editing cinematographic film; cathodic anti-corrosion apparatus; encoding and decoding apparatus; couplers [data processing equipment]; wireless computer peripherals; Global Positioning System [GPS] navigation devices; desk or car mounted units incorporating

a loudspeaker to allow a telephone handset to be used hands-free; radio signal tuners; wearable activity trackers; data processing equipment; signal processors; vehicle tracking devices; anti-theft warning apparatus; power mixers [audio apparatus]; computer peripheral devices; personnel tracking devices; semi-conductor memory devices; anti-interference devices [electricity]; automated laundry detergent dispensers; demagnetizing apparatus for magnetic tapes; event recorders; emergency light bars for vehicles [luminous signals]; acoustic couplers; alarms; vibrating alarms as reminders to take medication; fog signals, non-explosive; adding machines; whistle alarms; card readers; chip card readers; readers [data processing equipment]; bar code readers; heat regulating apparatus; electronic personal alarm devices; portable flash memory devices; photovoltaic installations for generating electricity [photovoltaic power plants]; photocopiers [photographic, electrostatic, thermic]; data storage devices; computer network-attached storage [NAS] hardware; electronic apparatus for wireless reception, storage and transmission of data and messages; electronic imaging devices; electronic apparatus for the remote control of signals; electronic circuits and CD-ROMs recorded with automatic performance programs for electronic musical instruments; electronic circuits and CD-ROMs recorded with programs for hand-held games with liquid crystal displays; electric and electronic effects units for musical instruments; electronic broadcasting apparatus; ear buds; phase modifiers; downloadable ring tones for mobile phones; downloadable image files; downloadable music files; animated cartoons; anti-glare filters for computer monitors; anti-glare filters for televisions; filters for antennas; computer screen filters; filters for optical devices; filters for radio interference suppression; filters for respiratory masks; filters for television sets; filters for ultraviolet rays, for photography; inductance capacitance filters; optical filters; color filters for liquid crystal display [LCD] screens; color filters for television and cinematographic cameras; warning flags; USB flash drives; magic lanterns; signal lanterns; optical lamps; phonographs; cameras [photography]; 35mm cameras; underwater cameras; photographic cameras for the instant production of pictures; cameras for self-developing films; disposable cameras; view cameras; plate cameras; digital cameras; digital cameras for industrial use; digital single lens reflex cameras; compact digital cameras; photodiodes; glazing apparatus for photographic prints; shutters [photography]; darkrooms [photography]; photometers; flash-bulbs [photography]; camera film, exposed; digital photo frames; photoresistors; photosensors; enlarging apparatus [photography]; photoelectric cells; photovoltaic cells; photovoltaic cells and modules; cases for compact discs; cases for compact discs or DVDs; cases for diskettes and compact discs; containers for contact lenses; cases for laptops; eyeglass cases; carrying cases specially adapted for computer printers; containers for microscope slides; cases for smartphones; cases for sunglasses; cases for sunglasses and protective eyewear; cases adapted for photographic equipment; storage wallets adapted for compact discs; cases for electronic diaries; protective cases for MP3 players; protective cases for cellular phones; protective cases for personal digital assistants [PDAs]; protective cases for tablet computers; protective cases for electronic book readers; leather cases for cellular phones; cellular phone cases made of leather or imitations of leather; cellular phone covers made of cloth or textile materials; cases adapted for cellular phones; cases especially made for photographic apparatus and instruments; chromatography apparatus for laboratory use; chronographs for use as specialized time recording apparatus; chronographs [time recording apparatus]; coelostats; laboratory centrifuges; eyeglass chains; chains for sunglasses; chains and cords for sunglasses; cyclotrons; decorative dials for thermostats; compasses for measuring; blank digital audio tapes; frequency meters; central processing unit [CPU] clocks; time clocks [time recording devices]; polyethylene

measuring cups; Petri dishes for laboratory use; Petri dishes; paper covers for telephone receivers; DVD cases; cases for pocket calculators; binders adapted for compact discs; covers for cellular phones; carrying cases for radio pagers; sleeves for laptops; covers for personal digital assistants [PDAs]; covers for tablet computers; covers for smartphones; covers for telephone receivers; cases for telephones; fire blankets; dust covers for computers, shaped; chip cards; electronic chip cards; encoded electronic chip cards; encoded electronic chip cards for identifying particular users of computers and cellular phones; computer chipsets; chips [integrated circuits]; computer chips; electronic chips for the manufacture of integrated circuits; jigs [measuring instruments]; pedometers; meteorological balloons; electrified rails for mounting spot lights; asbestos screens for firemen; laminar flow cabinets for laboratory use; fire hose; baseball catchers' helmets; baseball batting helmets; bicycle helmets; virtual reality headsets; helmets for American football; balaclavas for protection against accidents, irradiation and fire; helmets for motorcyclists; diving helmets; helmets for ice hockey; protective helmets for cyclists; protective helmets for children; protective helmets for motorcyclists; protective helmets for sports; head guards for sports; snorkels; cell phone straps; eyeglass cords; cords for sunglasses; straps for sunglasses; electric cords; disposable dispenser syringes for laboratory use; reusable dispenser syringes for laboratory use; downloadable printing fonts; tripods for surveying apparatus; pipette racks for laboratory use; tripods for telescopes; tripods for cameras; switchboards; power distribution boxes; telecommunications switchboards; telephone switchboards; distribution boards [electricity]; illuminated advertising signs; hand-held protective shields for use by the police; illuminated signs; tire tread depth gauges; spark plug gap gauges; length measuring gauges; spark plug feeler gauges; equalizers [audio apparatus]; graphic equalizers; side shields for eyeglasses; face shields, other than for medical purposes; workmen's protective face-shields; face shields for protective helmets; liquid crystal display [LCD] screens; large-screen liquid crystal displays [LCDs]; computer screens; computer touch screens; flat panel display screens; flat panel electroluminescent display screens; projection screens; projection screens for cinematographic films; radiology screens for industrial purposes; touch screens; fluorescent screens; screens [photography]; exposure meters [light meters]; photographic exposure meters; electric capacitors for telecommunication apparatus; insulated electrical connectors; fuel cell electrodes; electromagnets; electronic telecommunications apparatus; cathode-ray tubes; downloadable electronic publications in the nature of magazines; blank electronic chip cards [blank smart cards]; ducts [electricity]; electric phonographs; galvanic cells; downloadable graphics for mobile phones; wet cells; fuel cells; electronic components for integrated circuit cards; solar cells; photovoltaic modules; electronic components; epidiascopes; ergometers; bar code labels, encoded; labels with machine-readable codes; labels with integrated radio frequency identification [RFID] chips; guitar effects processors; echo sounders; armatures [electricity]; calibrated photovoltaic reference cells; black boxes [data recorders].

Class 19

Aquaria [structures]; alabaster; andesite; door frames, not of metal; window frames, not of metal; asbestos cement; asphalt; bitumen asphalt; asphalt, pitch and bitumen; valances, not of metal and not of textile; beams of wood for building; shaped timber; mine timber; beams, not of metal; balustrades, not of metal; huts; barriers, not of metal, for pedestrian traffic control; swimming pools [structures], not of metal; silos, not of metal; arbours and trellises made of wood; gazebos, not of metal; gazebos, portable, not of metal; gazebos, portable, not primarily of metal; gazebos, not primarily of metal; arbours [structures], not of metal; concrete;

bitumen; wood blocks; refractory blocks, not of metal; lawn edgings, not of metal; parking curbs, not of metal; plastic landscape edgings; logs [building materials]; paving stones; joists, not of metal; telephone booths, not of metal; beacons, not of metal, non-luminous; asphalt roofing paper; building paper; modular silos, not of metal; pre-fabricated silos, not of metal; modular dog houses for building sites, not of metal; dog houses, not of metal, for building sites; busts of stone, concrete or marble; bird baths [structures], not of metal; binding agents for making briquettes; binding material for road repair; stained-glass windows; plastic water conduits for roofs and balconies; air-conditioning ducts, not of metal; felt for building; roofing felts; asphalt roofing felt; tarred felts; asphalted felt; aviaries [structures], not of metal; garage doors, not of metal; gates and fences, not of metal; gates and fencing, not of metal; gates, not of metal; gates, not of metal, for car parking facilities; security gates, not of metal; diving boards, not of metal; geotextiles; geotextiles for use in connection with road construction, railroad construction, tunnel construction, waterway construction and public works construction; bitumen-based sealants for roofing [building materials]; tar-based sealants for roofing [building materials]; bitumen-based sealants for asphalt [building materials]; bitumen-based sealants for driveways [building materials]; tar-based sealants for driveways [building materials]; tar-based sealants for asphalt [building materials]; plaster; plasterboard; mold-resistant drywall; gypsum [building material]; clay; potters' clay; earth for bricks; alumina cement; gravel; aquarium gravel; granite; mineral pellets for use in the building industry; armored doors, not of metal; vinyl doors; vinyl patio doors; vinyl sliding doors; revolving doors, not of metal; wooden doors; dog doors, not of metal; cat doors, not of metal; doors, not of metal; patio doors, not of metal; sliding doors, not of metal; swing doors, not of metal; folding doors, not of metal; tar and pitch; coal tar; multilayered wood; fire-resistant wood; chimney pots, not of metal; floating docks, not of metal; modular log homes; pre-fabricated log homes; pre-fabricated houses, not of metal; modular homes, not of metal; modular animal houses, not of metal, for farmyard animals; pre-fabricated houses, not of metal, for farmyard animals; prefabricated houses [kits], not of metal; parquet floor boards; sheathing boards, not of metal; polyethylene boards used as wood substitutes; memorial plaques, not of metal; roofing boards of wood; wall boards, not of metal; roofing shingles; shingles, not of metal; balsa wood; preserved wood [anti-decay wood]; wood for making household utensils; veneer wood; moldable wood; chipboard; flagpoles [structures], not of metal; split timber; chimney shafts, not of metal; water tanks of masonry for household purposes; liquid storage tanks of masonry for industrial purposes; jalousies, not of metal; interior window shutters, not of metal; roof gutters, not of metal; street gutters, not of metal; agglomerated bagasses of cane [building material]; chainlink fences, not of metal; vent covers, not of metal, for HVAC ducts; cattle chutes, not of metal; rumble strips, not of metal; pre-fabricated buildings, not of metal; road signs, non-luminous and non-mechanical, not of metal; non-luminous and non-mechanical signs, not of metal; wood tar; grave markers of stone; grave markers of marble; mortar mix; limestone; lime; non-agricultural lime for use in construction; fences, not of metal; works of stonemasonry; millwork, excluding furniture; works of art of stone, concrete or marble; cabanas, not of metal; calcite; stone; rubble; stone for building and construction; artificial stone; silica stone; natural stone; building stone; footing stone; paint spraying booths, not of metal; mantels of plaster for fireplaces; mantels of wood for fireplaces; mantels of stone for fireplaces; stones; decorative aquarium stones; wall stone; pottery stone; monument stone; gravestones; reeds for building; ventilating ducts, not of metal; ducts, not of metal, other than for electrical circuitry; greenhouse frames, not of metal; framework, not of metal, for building; cornices, not of metal; bitumen paper for building; wood pulp board for building; tarred roofing

paper; paperboard for building; skating rinks [structures], not of metal; quartz; caissons for construction work under water; vendor booths, not of metal; bricks; fireplace bricks; ceramic bricks for use in refractory furnaces; unfired bricks; fire burrs; refractory bricks, not of metal; semi-refractory bricks, not of metal; fired bricks; water-pipe valves, not of metal or plastic; drain traps [valves], not of metal or plastic; glue-laminated wood; cask wood; mooring bollards, not of metal; erosion control mats [building materials]; trestles for use in construction, not of metal; pre-fabricated architectural columns, not of metal; pillars, not of metal, for building; cement posts; chimney cowls, not of metal; asphalt composition paving; brackets, not of metal, for building; transportable stables, not of metal; buildings, not of metal; buildings, transportable, not of metal; roofing hips, not of metal; stringers [parts of staircases], not of metal; door jambs, not of metal; silica [quartz]; roofing, not of metal; vent covers, not of metal; manhole covers, not of metal; xylolith; modular chicken houses, not of metal; chicken-houses, not of metal; pre-fabricated chicken houses, not of metal; laminate flooring, not of metal; artificial timber; building timber; manufactured timber; sawn timber; wood, semi-worked; staircases, not of metal; rhyolite; road marking sheets and strips of synthetic material; erosion control sheeting or fabrics for construction use; slate slabs; skylights, not of metal; asphalt-based roofing mastics [building materials]; reinforcing materials, not of metal, for building; bituminous products for building; tar; road coating materials; materials for making and coating roads; rock materials for use as cladding; rock materials for use in the construction of flooring; rock materials for use in making countertops; rock materials for use in the construction of fireplaces; rock materials for use in the construction of roofing; rock materials for use in the construction of walls; non-metallic building materials in the form of slabs; fired refractory materials, not of metal [building materials]; grog [fired refractory material]; pitch; building materials, not of metal; refractory construction materials, not of metal; masts [poles], not of metal; raw chalk; calcareous marl; sandbags; non-metallic minerals for building or construction; rock materials used in building flooring, roofing, countertops, walls, cladding and fireplaces; mosaics for building; non-metal decorative moldings and decorative trim for use in building construction; wood moldings; moldings, not of metal, for cornices; moldings, not of metal, for building; monuments of stone; marble; monuments of marble; slate powder; aggregate; porches [structures], not of metal; canopies [building structures], not of metal and not of textile; tombs, not of metal; flashing, not of metal, for building; roof flashing, not of metal; perches; bamboo flooring; modular plastic decking to serve as a ground cover; duckboards, not of metal; mantels of wood, plaster or stone for fireplaces; wall claddings, not of metal, for building; refractory furnace linings, not of metal; coatings [building materials]; tomb or grave enclosures, not of metal; laths, not of metal; wood panelling; wall linings, not of metal, for building; refractory mortars; fencing, not of metal; palisading, not of metal; crash barriers of wood for roads; crash barriers, not of metal, for roads; crash barriers of plastic for roads; crash barriers, not of metal; balcony enclosures, not of metal; portable traffic barriers, not of metal; chainlink fencing, not of metal; erosion control fencing [non-metallic building materials]; trellises, not of metal; plastic security windows allowing communication; vinyl windows; windows, not of metal; olivine for building; shuttering, not of metal, for concrete; poles, not of metal, for power lines; props, not of metal; rubber bearings for seismic isolation of buildings; cove bases, not of metal; rubber cove bases; branching pipes, not of metal; castings, not of metal; fair huts; hardwood decking; hardwood decking and flooring; tombs [monuments], not of metal; monuments, not of metal; wood-fiber reinforced cement boards [cement excelsior boards]; baffle panels in the nature of submergible fiberglass walls used to direct water flow at waste water treatment facilities; wainscotting, not of metal;

fence panels, not of metal; roofing panels, not of metal; multilayer panels of plastic for use in building; gates and fencing panels, not of metal; pegboard, not of metal; plastic floor boards; floor panels, not of metal; ceiling panels, not of metal; signalling panels, non-luminous and non-mechanical, not of metal; wall panels, not of metal; plastic wallboards; building panels, not of metal; fiber cement boards; parquet flooring; parquet flooring of wood; parquet flooring of cork; parquet flooring and parquet slabs; petroleum pitch; volcanic ash; pergolas, not primarily of metal; pergolas, not of metal; partitions, not of metal; partitions, not of metal, for building; transportable buildings of timber; lintels, not of metal; casement windows, not of metal; wooden railings; rails, not of metal; railings, not of metal, for balconies; railings, not of metal, for bridges; railings, not of metal, for fences; railings, not of metal; sand; aquarium sand; play sand; sand, except foundry sand; silver sand; sandstone; sandstone for building; pickets, not of metal; tarred strips for building; planks of wood for building; non-metal portable piers which extend from a shore line out over water; clay slabs; rocket launching platforms, not of metal; portable non-metal risers for public performances [platforms]; platforms, prefabricated, not of metal; wall tiles, not of metal; ceramic tiles; ceramic tiles for walls, floors and ceilings; glazed ceramic tiles; stone roofing tiles; mosaic floor tiles; floor tiles, not of metal; wall tiles of plastic; tiles, not of metal, for building; gypsum tiles; gypsum floor tiles; gypsum ceiling tiles; gypsum wall tiles; earthenware floor tiles; earthenware wall tiles; decorative tiles, not of metal, for hearth extensions; playground tiles, not of metal; mosaic art tiles made of marble; natural stone tiles; glazed ceramic floor tiles; glazed ceramic wall tiles; earthenware tiles; ceramic floor tiles; ceramic tiles for flooring and lining; ceramic tiles for flooring and facing; ceramic tiles for tile floors and coverings; ceramic wall tiles; mosaic wall tiles; floor tiles of wood; floor tiles of natural stone; floor tiles of plastic; rubber floor tiles; wall tiles, not of metal, for building; wall tiles of natural stone; fireproof tiles; fireproof floor tiles; fireproof wall tiles; plastic tiles; ceiling tiles of plastic; roofing tiles of glass; floor tiles of glass; wall tiles of glass; glass tiles, not for roofing; paving tiles; engraved and cut stone plaques; paving slabs, not of metal; hardboard; raw and coated chipboard for the building industry, furniture and interior decorating; cement slabs; natural stone slabs; water-resistant boards and panels, not of metal, for construction; fire-resistant boards and panels, not of metal, for building; grave slabs, not of metal; tile floorings, not of metal; ceiling boards of wood; slabs, not of metal, for building; wood rafters; portable dance floors, not of metal; roofing underlay; flooring underlay; underlays of agglomerated cork for building; flooring underlay made of cork; scaffolding, not of metal; portable stages, not of metal; window sills, not of metal; armour-plating, not of metal; roofing membranes; asphalt paving; wood paving; paving blocks, not of metal; luminous paving blocks; macadam; fireproof cement coatings; bituminous coatings for roofing; felt roof coverings; roof coverings, not of metal; roofing, not of metal, incorporating photovoltaic cells; asphalt roof coatings [building materials]; wooden floor boards; rubber flooring; cladding, not of metal, for building; parquet flooring of cork and of cork-based conglomerates; coverings for ceilings, not of metal; flooring or wall claddings of synthetic materials; linings, not of metal, for building; feldspar; fireplace mantles, not of metal; door panels, not of metal; partly processed timber; wooden flooring; wood tile flooring; hardwood flooring; floors, not of metal; athletic flooring, not of metal; sills, not of metal; Portland cement; Portland blast-furnace slag cement; porphyry [stone]; modular animal houses, not of metal; prefabricated animal houses, not of metal; ceilings, not of metal; non-metal suspended ceiling systems comprising panels; guard rails, not of metal; floating docks, not of metal, for mooring boats; agglomerated cork for building; wooden door frames; window frames of wood; window frames of wood clad in aluminium; window frames, sashes and casements made of

wood; frames, not of metal, for building; mortar; mortar for building; asbestos mortar; tanks of masonry; furrings of wood; scantlings [carpentry]; patching compounds with a tar base; gratings, not of metal; artificial fish reefs, not of metal; outdoor roll shutters, not of metal; roll shutters, not of metal; vinyl siding; wood siding; fiber cement siding; sheet piles, not of metal; modular pigsties, not of metal; pigsties, not of metal; pre-fabricated pigsties, not of metal; shoji [Japanese sliding partitions, not of metal]; door units, not of metal; agricultural nets for erosion control; insect screens, not of metal; burial vaults, not of metal; sculptures of cement, marble or stone; sculptures of marble; stone sculptures; schists; concrete patching compounds with a tar base [building materials]; tar-based concrete and asphalt patching compounds [building materials]; refractory castable mixes, not of metal; filling cement; cement mixes; wood joints; expansion joints, not of metal, for floors and walls; non-metal shelter structures [other than tents]; asphalt paving compositions; asphalt patching compounds with a tar base [building materials]; outdoor blinds, not of metal and not of textile; shutters, not of metal; statues of stone, concrete or marble; marble figures; figurines of stone; figurines of marble; alabaster glass; safety glass; glass bricks; glass granules for road marking; window glass, other than vehicle window glass; window glass for building; glass powder for use as a partial replacement of Portland cement in cement mixes; building glass; insulating glass for building; plate glass [windows] for building; fiberglass reinforcement fabric for use in land, sea and aerospace applications; enamelled glass, for building; tombstone stelae, not of metal; spandrels, not of metal; fair stands [temporary building structures]; curtain walls, not of metal; horse stall kick walls, not of metal; bicycle storage racks, not of metal; fence stays, not of metal; modular stables, not of metal; stables, not of metal; pre-fabricated stables, not of metal; wood posts; wooden poles for power lines; advertisement columns, not of metal; fence posts, not of metal; utility poles, not of metal; posts, not of metal; plastic boundary marking posts; telegraph posts, not of metal; hips for roofing; stair-treads [steps], not of metal; expansion joints, not of metal, for floors; expansion joints, not of metal, for walls; stages, not of metal, for musical performances; stages for musical performances composed of primarily non-metal materials; tombstone plaques, not of metal; non-woven textiles made of synthetic fibers for use in the building industry; awnings [building structures], not of metal and not of textile; modular greenhouses, not of metal; greenhouses, transportable, not of metal; pre-fabricated greenhouses, not of metal; terra-cotta [building material]; erosion control fabrics [building materials]; erosion control fabric, mats and sheeting, not of metal [geotextiles]; fabrics for use in civil engineering [geotextiles]; fabric for underlayment of flooring; roofing fabrics; multilayer water conservation textiles designed for nurseries, greenhouses and garden centres; bleachers, not of metal; penstock pipes, not of metal; plastic conduits for drainage; plastic conduits for drainage and irrigation; plastic conduits for irrigation; cement pipes; water-pipes, not of metal; gutter pipes, not of metal; earthenware pipes; wooden pipes for building; ducts, not of metal, for ventilating and air-conditioning installations; ceramic drain pipes; drain pipes, not of metal; chimneys, not of metal; rigid pipes, not of metal, for building; sandstone pipes; cement mortar pipes; sewer pipes, not of metal; heating ducts, not of metal; plastic pipes for plumbing purposes; plastic pipes for conveying natural gas; polyethylene pipes used in geothermal heating and cooling systems; pipes of cement, earthenware or sandstone; turnstiles, not of metal; tufa; angle irons, not of metal; lengthening pieces, not of metal, for chimneys; wood trim; underground tornado shelters made of fiberglass; storm shelters, not of metal; bicycle parking installations, not of metal; plywood board; veneer for floors; plywood; wood joists; roof trusses, not of metal; fiberboard [building materials]; stone figures; cast stone garden and household ornaments; foundry molds, not of metal; fusuma [Japanese indoor sliding

partitions, not of metal]; water tanks of masonry; storage sheds, not of metal; pre-fabricated storage sheds, not of metal; rock crystal; fiber cement; hydraulic cement; cement for blast furnaces; cement for furnaces; slag-lime cement; silica cement [pozzolanic cement]; roofing cement; magnesia cement; cement; gypsum roofing tiles; earthenware roofing tiles; clay roofing tiles; roofing tiles of natural stone; cement mortar roofing tiles; ceramic roofing tiles; glazed ceramic roofing tiles; pantiles, not of metal; roofing tiles, not of metal; fireproof roofing tiles; roofing tiles of plastic; window screens, not of metal; slate; cement mortar slates; stone slates; roofing slates; clinker stone; slag [building material]; spackling compounds; railway sleepers, not of metal; wood veneers; finish plasters made of colored artificial resin; clinker ballast; noise barriers made of wood; ceramic shapes for use in refractory furnaces; structural and architectural members formed of pressed wood fibers; concrete building elements; epoxy grout; letter boxes of masonry.

relating thereto; asphaltting; automobile pinstriping; termite and pest control, other than for agricultural purposes; water or oil well boring; water well drilling; drilling of deep oil or gas wells; oil and gas drilling; oil well drilling; drilling of wells; drilling for crude oil; exterior and interior cleaning of aircraft; erecting of commercial centres, housing areas and manufacturing plants; tapestry repair for others; rebuilding engines that have been worn or partially destroyed; refurbishment of buildings; rebuilding machines that have been worn or partially destroyed; renovation of clothing; reconditioning of industrial machinery; retreading of tires; vulcanizing of automobile tires [repair]; vulcanization of tires [repair]; building sealing; pavement sealing; road sealing and stripping; waterproofing of basements; linen ironing; ironing of clothing; pressing of clothing; ironing of textiles; ironing of fabric; disinfecting; disinfecting of telephone handsets; disinfecting of telephone handsets and providing information relating thereto; rat exterminating; mining for diamonds; mining for diamonds, precious stones or precious metals; mining extraction; mining for precious stones; mining for precious metals; pumping crude oil; laying of foundations; fuelling, washing, cleaning, maintenance and repair of vehicles; fuelling of vehicles; fuelling of aircraft; vehicle battery charging; lawn mower blade sharpening; drill bit sharpening; knife sharpening; sharpening of scissors; sharpening of scissors and kitchen knives; sharpening of scissors and kitchen knives and providing information relating thereto; insulating of internal and external walls, ceilings and roofs; insulating of external walls; building insulating; repair information; construction information; bricklaying; riveting; automobile detailing; vehicle detailing; consultancy relating to building construction supervision; consultancy relating to painting of buildings; consultancy relating to the repair and reconditioning of bearings for machines; construction consultancy; consultancy relating to residential and building construction; consultancy relating to vehicle repair; varnishing; furniture varnishing; re-tinning; retrofitting of ventilating installations in buildings; upgrading of computer hardware; retrofitting of air-conditioning installations in buildings; retrofitting of heating, ventilating and air-conditioning installations in buildings; retrofitting of heating installations in buildings; washing and cleaning of vehicles; washing of airplanes; construction of wind power plants; construction of building interiors; construction of dams; construction of roads, sewers and water supply systems; construction of residential buildings; construction of buildings; construction of buildings, dams and bridges; construction of buildings, roads, bridges and dams; construction of buildings and other structures; construction of energy efficient buildings and structures; tire rotating and balancing; construction and repair of airports and airport facilities; installation and repair of blinds; construction and repair of residential buildings and houses; construction and repair of buildings and other structures; construction and renovation of buildings and other structures; construction and renovation of bridges; construction and maintenance of apartments, studios, bungalows, villas and cottages; construction and maintenance of holiday homes, holiday camps, temporary accommodation, hotels and residential hotels; construction and maintenance of buildings; construction and maintenance of sports centers, health clubs, leisure centers and recreational complexes; construction and maintenance of building complexes, residential buildings, housing estates, commercial buildings, shopping centers, office buildings and parking structures; construction and erection of exhibition stands, stages and booths; construction of sewerage systems; construction of commercial buildings; construction of steel structures; construction of bridges; construction of public works; construction of conservatories and greenhouses; construction of office buildings; construction of industrial buildings; erection of prefabricated buildings and structures; construction, erection, installation, repair, renovation, servicing, maintenance and

dismantling of wind farms; construction of sports arenas; scaffolding; construction, maintenance and repair of water vehicles; construction, maintenance and repair of transportable and prefabricated buildings; construction, maintenance and repair of watercraft; construction, maintenance and repair of heat insulation systems; construction, maintenance and renovation of buildings; construction, maintenance and renovation of public works; construction, maintenance and repair of conservatories and greenhouses; installation, maintenance and repair of security and authentication apparatus; installation, maintenance and repair of regulating, monitoring and control apparatus; installation, maintenance and repair of temperature control apparatus; installation, maintenance and repair of remote control apparatus for changing printing plates; installation, maintenance and repair of sealing machines; installation, maintenance and repair of sewerage systems; installation, maintenance and repair of stairway lifts; installation, maintenance and repair of safety equipment; installation, maintenance and repair of security and safety equipment; installation, maintenance and repair of rolling mills; installation, maintenance and repair of rollers for machines; installation, maintenance and repair of systems, machinery and apparatus for working and processing metals and sheet metal; installation, maintenance and repair of solar collectors; installation, maintenance and repair of solar installations for generating power; installation, maintenance and repair of solar installations for generating power, solar collectors and photovoltaic modules; installation, maintenance and repair of solar energy systems; installation, maintenance and repair of sorting machines; installation, maintenance and repair of telecommunications equipment; installation, maintenance and repair of telecommunications apparatus and instruments; installation, maintenance and repair of telephone and communication equipment; installation, maintenance and repair of telephones; installation, maintenance and repair of street lights; installation, maintenance and repair of surgical apparatus and instruments; installation, maintenance and repair of surgical, medical, dental and veterinary apparatus and instruments; construction of trade fair and exhibition stands; construction of shopping centers; erection, installation, maintenance and repair of wind turbines, wind stations and other wind-powered machines; erection, installation, maintenance and repair of windmills, wind power plants, wind turbines and other wind-operated machines; construction of power plants; construction of wave energy power plants; window cleaning; road paving; vehicle washing; supervision of building renovation; supervision of building reconstruction; supervision of building demolition; supervision of the construction of watercraft, yachts, boats, ships and water vehicles; on-site construction supervision; building construction supervision; pavement marking services; pavement striping; cleaning of building exteriors and providing information relating thereto; tuning of musical instruments; upholstering; upholstering of vehicle seats; renovation and restoration of buildings; rustproofing; anti-rust treatment for vehicles; sanding; pumicing; emergency servicing of water supply apparatus; emergency servicing of gas supply apparatus; emergency servicing of apparatus for supplying electricity; oil burner servicing and repair; air conditioning vent sealing services; providing laundry washing and drying facilities; safe maintenance or repair and providing information relating thereto; car maintenance; maintenance services; maintenance of motor vehicles; maintenance of water purifying apparatus; maintenance of apparatus and installations for generating power; maintenance, servicing, tuning and repair of motors and engines; maintenance, servicing and repair of apparatus and installations for generating power; maintenance, servicing and repair of household and kitchen appliances; maintenance, servicing and repair of vehicles; maintenance, servicing and repair of weapon systems; maintenance and repair services; maintenance and repair of automatic transmissions; car repair and maintenance; maintenance and

repair of motor vehicles and airplanes; maintenance and repair of continuously variable transmissions; maintenance and repair of grounded aircraft; maintenance and repair of hydrodynamic transmissions; maintenance and repair of hydrostatic transmissions; maintenance and repair of dual-clutch transmissions; strong-room maintenance and repair; maintenance and repair of power shift transmissions; maintenance and repair of manual transmissions; maintenance and repair of gears; maintenance and repair of control systems for radio systems and networks; maintenance and repair of hybrid transmissions; maintenance and repair of starters for motors and engines; maintenance and repair of synchronized transmissions; maintenance and restoration of works of art; maintenance and cleaning of mining equipment; maintenance of vehicles and machines; maintenance of water pollution control equipment; maintenance of communications equipment; maintenance of office equipment; maintenance of intruder alarms; maintenance of printing machines and digital printing systems; maintenance of industrial machinery; maintenance, repair and reconditioning of photovoltaic apparatus and installations; maintenance, repair and rebuilding of furnaces; maintenance of plumbing; maintenance of welding machines and equipment; maintenance of telecommunications apparatus; vehicle maintenance; maintenance of vehicle washing installations; maintenance of fire alarm installations; paper hanging; painting or repair of signs; septic tank pumping and cleaning; glazing of windows; pumping septic tanks; installation of yacht interiors; bathtub and bath boiler cleaning; bathtub and bath boiler cleaning and providing information relating thereto; cleaning of buildings [exterior surface]; clearing and cleaning gutters; cleaning of building exteriors; jewelry remounting; recharging of batteries; recharging of batteries and accumulators; conversion and tuning of production automobiles and their engines; rebricking and rebuilding of furnaces; yacht and boat conversion, renovation, refit and repair; cabinet refacing; automotive refinishing; rebuilding and reconditioning of engines and motors; underwater dredging; underwater building and construction; painting of automobiles; painting of motor vehicles; painting of buildings; painting and rendering of interior and exterior walls; painting of metal surfaces; painting of metal surfaces to prevent corrosion; painting of window frames; sign painting; painting of furniture; painting of aircraft; painting of vehicles; floor polishing and providing information relating thereto; vehicle polishing; automobile polishing; floor polishing; vehicle breakdown repair services; mending clothing and providing information relating thereto; self-service laundries; providing information relating to the installation of machinery; providing information relating to the rental of construction equipment; providing information relating to repair services in the aviation sector; providing information relating to the maintenance of measuring and test equipment; providing on-line information relating to the construction of buildings; providing online information relating to the construction of buildings, and repair and installation services; providing on-line information relating to repair and installation services; provision of information, advice and consultancy relating to cleaning; providing building construction information via a web site; providing information relating to the sharpening of scissors and kitchen knives; providing information relating to vermin exterminating, other than for agriculture, forestry or horticulture; providing information relating to umbrella repair; providing information relating to the repair or maintenance of musical instruments; providing information relating to the repair or maintenance of sporting equipment; providing information relating to the repair or maintenance of signboards; providing information relating to the repair or maintenance of nuclear power plants; providing information relating to the repair or maintenance of water purifying apparatus; providing information relating to the repair or maintenance of mining machines and apparatus; providing information relating to the

repair or maintenance of two-wheeled motor vehicles; providing information relating to the repair or maintenance of railway rolling stock; providing information relating to the repair or maintenance of measuring and testing machines; providing information relating to the repair or maintenance of machines and instruments for making shoes; providing information relating to the repair or maintenance of machines and systems for manufacturing integrated circuits; providing information relating to the repair or maintenance of semi-conductor manufacturing machines and systems; providing information relating to the repair or maintenance of machines and apparatus for use in beauty salons or barbers' shops; providing information relating to the repair or maintenance of painting machines and apparatus; providing information relating to the repair or maintenance of printing or bookbinding machines and apparatus; providing information relating to the repair or maintenance of power distribution or control machines and apparatus; providing information relating to the repair or maintenance of waste crushing machines and apparatus; providing information relating to the repair or maintenance of plastic processing machines and apparatus; providing information relating to the repair or maintenance of waste compacting machines and apparatus; providing information relating to the repair or maintenance of tobacco processing machines; providing information relating to the repair or maintenance of medical machines and apparatus; providing information relating to the repair or maintenance of metalworking machines and tools; providing information relating to the repair or maintenance of power-driven floor cleaning machines; providing information relating to the repair or maintenance of mechanical parking systems; providing information relating to the repair or maintenance of pumps; providing information relating to the repair or maintenance of non-electric cooking apparatus and installations; providing information relating to the repair or maintenance of optical machines and instruments; providing information relating to the repair or maintenance of office machines and apparatus; providing information relating to the repair or maintenance of printing machines; providing information relating to the repair or maintenance of storage tanks; providing information relating to the repair or maintenance of textile machines and apparatus; providing information relating to the repair or maintenance of telecommunication machines and apparatus; providing information relating to the repair or maintenance of vending machines; providing information relating to the repair or maintenance of packing or wrapping machines and apparatus; providing information relating to the repair or maintenance of water pollution control equipment; providing information relating to the repair or maintenance of photographic machines and apparatus; providing information relating to the repair or maintenance of sewing machines; providing information relating to the repair or maintenance of power generators; providing information relating to the repair or maintenance of vessels; providing information relating to the repair or maintenance of vehicle washing installations; providing information relating to vehicle repair; providing information relating to window cleaning services; providing information relating to the setup or repair of locks; providing information relating to the disinfection of telephone handsets; providing information relating to laundering services; providing information relating to construction, repair, restoration, maintenance and installation services; providing information relating to floor polishing services; providing information relating to storage tank cleaning services; providing information relating to clothing mending services; providing information relating to clothing repair services; providing information relating to street cleaning services; providing information relating to repair and installation services; providing information relating to building cleaning; providing information relating to septic tank cleaning services; providing information relating to the cleaning of building exteriors; providing information relating to the

rental of car washing apparatus; providing information relating to the rental of floor cleaning machines; providing information relating to the rental of construction machines and apparatus; providing information relating to the rental of mops; providing information relating to the rental of electric washing machines; providing information relating to the pressing of clothing; providing information relating to building reconstruction; providing information relating to the repair of bicycles; providing information relating to the repair of game machines and apparatus; providing information relating to the repair of toys or dolls; providing information relating to the repair or maintenance of automobiles; providing information relating to the repair or maintenance of air-conditioning apparatus; providing information relating to the repair or maintenance of bicycle parking apparatus; providing information relating to the repair or maintenance of cooking apparatus; providing information relating to the repair or maintenance of machines and apparatus for processing food or beverages; providing information relating to the repair or maintenance of cooking apparatus and installations; providing information relating to the repair or maintenance of boilers; providing information relating to the repair or maintenance of bookbinding apparatus and machines; providing information relating to the repair or maintenance of consumer electrical appliances; providing information relating to the repair or maintenance of aircraft; providing information relating to the repair or maintenance of gas water heaters; providing information relating to the repair or maintenance of gasoline station equipment; providing information relating to the repair or maintenance of burners; providing information relating to the repair or maintenance of amusement machines and apparatus; providing information relating to the repair or maintenance of cinematographic machines and apparatus; providing information relating to the repair or maintenance of cooking pots and pans; providing information relating to the repair or maintenance of diving machines and apparatus; providing information relating to the repair or maintenance of laboratory apparatus and instruments; providing information relating to the repair or maintenance of machines and apparatus for manufacturing rubber goods; providing information relating to the repair or maintenance of machines and apparatus for manufacturing glassware; providing information relating to the repair or maintenance of chemical processing machines and apparatus; providing information relating to the repair or maintenance of construction machines and apparatus; providing information relating to the repair or maintenance of loading-unloading machines and apparatus; providing information relating to the repair or maintenance of freezing machines and apparatus; providing information relating to the repair or maintenance of firearms; providing information relating to the repair or maintenance of fire alarms; providing information relating to the repair or maintenance of industrial furnaces; providing information relating to the repair or maintenance of industrial dishwashing machines; providing information relating to the repair or maintenance of industrial washing machines; providing information relating to the repair or maintenance of fishing tackle; providing information relating to the repair or maintenance of fishing machines and instruments; providing information relating to the repair or maintenance of agricultural machines and implements; providing information relating to the repair or maintenance of chemical plants; providing information relating to the repair or maintenance of clocks and watches; providing information relating to the repair or maintenance of electric lighting apparatus; providing information relating to the repair or maintenance of electric motors; providing information relating to the repair or maintenance of electric cooking apparatus and installations; providing information relating to the repair or maintenance of electronic machines and apparatus; providing information relating to the repair and maintenance of spectacles; providing information relating to the repair and

maintenance of furnaces; providing information relating to the rental of mining machines and apparatus; providing information relating to the repair of land vehicles; providing information relating to the repair of billiard equipment; providing information relating to the repair of spectacles; providing information relating to shoe repair; providing information relating to the repair of fishing tackle; providing information relating to the repair of sports equipment; providing information relating to the repair of bags or pouches; providing information relating to the repair of tatami mats; providing information relating to the repair of personal ornaments; providing information relating to building renovation; providing information relating to furniture restoration; providing information relating to building demolition; providing information relating to building construction; providing information relating to the construction of buildings, and repair and installation services; providing information relating to the construction, repair and maintenance of buildings; providing information relating to shipbuilding; providing information relating to safe maintenance and repair; providing information relating to roofing installation and repair; providing information relating to the installation of electrical apparatus; providing information relating to fur care and repair; providing information relating to fur care, cleaning and repair; providing information relating to bathtub and bath boiler cleaning services; providing information relating to the cleaning of carpets and rugs; providing information relating to chimney sweeping services; provision of construction advice; providing advice relating to installation, maintenance and repair services; provision of construction information; provision of construction information relating to public works; provision of construction information by electronic means; pressing of cloth; pressing of cloth, clothing, fabric and textiles; pressing of textiles; pressing of fabric; emergency roadside vehicle repair services; roadside repair of automobiles; application of anti-graffiti coatings; cleaning of venues before and after events; street construction; rental of bulldozers; rental of drainage pumps; rental of dish drying machines; rental of road sweeping machines; rental of cleaning machines; rental of construction machines and apparatus; rental of cleaning equipment; rental of oil well drilling tools; rental of earth moving equipment and excavators; rental of construction and building equipment; rental of cranes [construction equipment]; rental of floor cleaning machines; rental of dishwashing machines; rental of dishwashers for household purposes; rental of dishwashers for industrial purposes; rental of industrial dish drying machines; rental of laundry washing machines; rental of construction equipment; rental of building scaffolds, working and building platforms; rental of laundry dryers; rental of spin dryers for clothes; rental of mops; rental of excavators; rental of electric washing machines; laying of cable; wiring services for telecommunications; pressing of clothing and providing information relating thereto; plumbing; dredging; masonry; roofing services; painting, interior and exterior; carpentry services; airplane de-icing services; underwater repair; pile driving services; joinery; cabinet making [repair]; installation services relating to the modernization of machines, machine tools and automatic systems for treating and processing metals; plastering; excavation services; quarrying services; removal of debris from buildings [construction services]; renovation of buildings; renovation and maintenance of shopping centers, industrial complexes, office buildings, residential buildings and other real estate developments; repair; repair of automatic livestock feeders; repair of automobiles; repair of vehicles as part of vehicle breakdown services; rebuilding of automobile engines; repair of forklift trucks; repair of water supply apparatus; repair of apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; repair of steam generating apparatus; repair of air filtering apparatus; repair of telecommunication machines and apparatus;

repair of apparatus and installations for generating power; repair of heat recovery apparatus; repair of billiard equipment and providing information relating thereto; repair of binoculars; repair of biogas plants and machines; repair of tailboard lifts; repair of tow bars for vehicles; repair of household and kitchen appliances; repair of consumer electronics; reconditioning of vacuum pumps and parts thereof; repair of bicycles; repair of bicycles and providing information relating thereto; repair of ventilating apparatus; repair of water purifying apparatus; repair of air filters; repair of air filters and parts thereof; repair of aerial navigation equipment; repair of compressed air machines; repair of intake air filters for machinery; repair of intake air filters and parts thereof; hat repair; repair of mining machinery; repair of trucks; overhaul of engines and motors; suitcase repair; repair of security locks; repair, servicing and maintenance of vehicles and apparatus for locomotion by air; repair of buildings; umbrella repair and providing information relating thereto; umbrella repair; parasol repair; repair and reconditioning of bearings for machines; repair and reconditioning of anti-friction bearings for machines; repair and reconditioning of bearings, ball-bearings, roller bearings and anti-friction bearings for machines; repair of game machines and apparatus; repair of game machines and apparatus and providing information relating thereto; repair of toys or dolls; repair of toys or dolls and providing information relating thereto; reconditioning machines that are worn or partially destroyed; reconditioning motors and engines that have been worn or partially destroyed; repair and insulation of window joints; maintenance of automobiles; repair or maintenance of nuclear power plants; repair or maintenance of two-wheeled motor vehicles; repair or maintenance of automobiles; repair or maintenance of automobiles and providing information relating thereto; repair or maintenance of cooking apparatus; repair or maintenance of cooking apparatus for industrial purposes; repair or maintenance of cooking apparatus and installations; repair or maintenance of power distribution or control machines and apparatus; repair or maintenance of boilers; repair or maintenance of boilers and providing information relating thereto; repair or maintenance of chick brooders; repair or maintenance of consumer electrical appliances; repair or maintenance of consumer electrical appliances and providing information relating thereto; repair or maintenance of signboards; repair or maintenance of signboards and providing information relating thereto; repair or maintenance of gas water heaters; repair or maintenance of gas water heaters and providing information relating thereto; repair or maintenance of power generators; repair or maintenance of burners and providing information relating thereto; repair or maintenance of mining machines and apparatus; repair or maintenance of mining machines and apparatus and providing information relating thereto; repair or maintenance of two-wheeled motor vehicles and providing information relating thereto; repair or maintenance of milking machines; repair or maintenance of railway rolling stock; repair or maintenance of railway rolling stock and providing information relating thereto; repair or maintenance of amusement machines and apparatus; repair or maintenance of measuring and testing machines and instruments; repair or maintenance of measuring and testing machines and providing information relating thereto; repair or maintenance of egg incubators; repair or maintenance of cinematographic machines and apparatus; repair or maintenance of cinematographic machines and apparatus and providing information relating thereto; repair or maintenance of movie projectors; repair or maintenance of computers; repair or maintenance of conveyors; repair or maintenance of air-conditioning apparatus; repair or maintenance of vessels and providing information relating thereto; repair or maintenance of fodder mills; repair or maintenance of fodder mixers; repair or maintenance of fodder presses; repair or maintenance of fodder cutters; repair or maintenance of cooking pots and pans and providing

information relating thereto; repair or maintenance of cooking pots and pans; repair or maintenance of laboratory apparatus and instruments; repair or maintenance of laboratory apparatus and instruments and providing information relating thereto; repair or maintenance of tobacco processing machines; repair or maintenance of diving machines and apparatus; repair or maintenance of machines and apparatus for use in beauty salons or barbers' shops; repair or maintenance of painting machines and apparatus; repair or maintenance of painting machines and apparatus and providing information relating thereto; repair or maintenance of plastic processing machines and apparatus and providing information relating thereto; repair or maintenance of plastic processing machines and apparatus; repair or maintenance of glassware manufacturing machines and apparatus and providing information relating thereto; repair or maintenance of machines and apparatus for processing food or beverages; repair or maintenance of machines and apparatus for manufacturing rubber goods; repair or maintenance of tobacco processing machines and providing information relating thereto; repair or maintenance of office machines and apparatus; repair or maintenance of amusement machines and apparatus and providing information relating thereto; repair or maintenance of power distribution or control machines and apparatus and providing information relating thereto; repair or maintenance of packing or wrapping machines and apparatus; repair or maintenance of photographic machines and apparatus and providing information relating thereto; repair or maintenance of chemical processing machines and apparatus; repair or maintenance of glassware manufacturing machines and apparatus; repair or maintenance of chemical processing machines and apparatus and providing information relating thereto; repair or maintenance of machines and instruments for making shoes; repair or maintenance of plant fiber processing machines and implements; repair or maintenance of machines and systems for manufacturing integrated circuits; repair or maintenance of semi-conductor manufacturing machines and systems; repair or maintenance of semi-conductor manufacturing machines and systems and providing information relating thereto; repair or maintenance of waste crushing machines and apparatus and providing information relating thereto; repair or maintenance of waste compacting machines and apparatus and providing information relating thereto; repair or maintenance of medical machines and apparatus; repair or maintenance of medical machines and apparatus and providing information relating thereto; repair or maintenance of metalworking machines and tools; repair or maintenance of metalworking machines and tools and providing information relating thereto; repair or maintenance of power-driven floor cleaning machines; repair or maintenance of mechanical parking systems; repair or maintenance of mechanical parking systems and providing information relating thereto; repair or maintenance of freezing machines and apparatus and providing information relating thereto; repair or maintenance of musical instruments; repair or maintenance of musical instruments and providing information relating thereto; pump repair or maintenance; pump repair or maintenance and providing information relating thereto; repair or maintenance of non-electric cooking apparatus and installations; repair or maintenance of non-electric cooking apparatus and installations and providing information relating thereto; repair or maintenance of gasoline station equipment and providing information relating thereto; repair or maintenance of gasoline station equipment; repair or maintenance of firearms; repair or maintenance of firearms and providing information relating thereto; repair or maintenance of optical machines and instruments; repair or maintenance of optical machines and instruments and providing information relating thereto; repair or maintenance of office machines and apparatus and providing information relating thereto; repair or maintenance of bookbinding apparatus and

machines; repair or maintenance of printing or bookbinding machines and apparatus; repair or maintenance of printing or bookbinding machines and apparatus and providing information relating thereto; repair or maintenance of printing machines; repair or maintenance of loading-unloading machines and apparatus and providing information relating thereto; repair and maintenance of feed or booster pumps; repair or maintenance of diving machines and apparatus and providing information relating thereto; repair or maintenance of fire alarms and providing information relating thereto; repair or maintenance of fire alarms; repair or maintenance of cultivating machines and implements; repair or maintenance of fishing tackle; repair or maintenance of fishing tackle and providing information relating thereto; repair or maintenance of overhead projectors; repair or maintenance of industrial furnaces and providing information relating thereto; repair or maintenance of cooking apparatus for industrial purposes and providing information relating thereto; repair or maintenance of air-conditioning apparatus for industrial purposes and providing information relating thereto; repair or maintenance of industrial washing machines and providing information relating thereto; repair or maintenance of industrial dishwashing machines; repair or maintenance of industrial dishwashing machines and providing information relating thereto; repair or maintenance of industrial washing machines; repair or maintenance of industrial furnaces; repair or maintenance of loading-unloading machines and apparatus; repair or maintenance of storage tanks; repair or maintenance of fishing machines and instruments and providing information relating thereto; repair or maintenance of fishing machines and instruments; repair or maintenance of power-driven floor cleaning machines and providing information relating thereto; repair or maintenance of agricultural machines and implements and providing information relating thereto; repair or maintenance of agricultural machines and implements; repair or maintenance of power generators and providing information relating thereto; repair or maintenance of snow ploughs; repair or maintenance of construction equipment; repair or maintenance of construction machines and apparatus; repair or maintenance of construction machines and apparatus and providing information relating thereto; repair or maintenance of textile machines and apparatus; repair or maintenance of textile machines and apparatus and providing information relating thereto; repair or maintenance of telecommunication machines and apparatus; repair or maintenance of telecommunication machines and apparatus and providing information relating thereto; repair or maintenance of telecommunication machines and apparatus, other than telephone sets, radio receivers and television receivers; repair or maintenance of telephone apparatus; repair or maintenance of vending machines and providing information relating thereto; repair or maintenance of harvesting machines and implements; repair or maintenance of packing or wrapping machines and apparatus and providing information relating thereto; repair or maintenance of vehicle washing installations and providing information relating thereto; repair or maintenance of bicycle parking apparatus; repair or maintenance of bicycle parking apparatus and providing information relating thereto; repair or maintenance of water pollution control equipment and providing information relating thereto; repair or maintenance of water purifying apparatus and providing information relating thereto; repair or maintenance of photographic machines and apparatus; repair or maintenance of chemical plants; repair or maintenance of chemical plants and providing information relating thereto; repair or maintenance of freezing machines and apparatus; repair or maintenance of storage tanks and providing information relating thereto; repair or maintenance of clocks and watches; repair or maintenance of clocks and watches and providing information relating thereto; repair or maintenance of sewing machines; repair or maintenance of sewing machines and providing

information relating thereto; repair or maintenance of electric cooking apparatus and installations; repair or maintenance of electric motors and providing information relating thereto; repair or maintenance of electric lighting apparatus and providing information relating thereto; repair or maintenance of electric motors; repair or maintenance of electronic machines and apparatus; repair or maintenance of electronic machines and apparatus and providing information relating thereto; repair or maintenance of electric lighting apparatus; repair or maintenance of nuclear power plants and providing information relating thereto; repair and maintenance of gymnastic and sporting articles; repair and maintenance of toys; repair and maintenance of leather goods; repair and maintenance of furniture; repair and maintenance of footwear; repair and maintenance of clothing; repair and maintenance of spectacles and providing information relating thereto; repair and maintenance of spectacles; repair and maintenance of garden tools; repair and maintenance of sports and fitness equipment; repair and maintenance of textile goods; repair and maintenance of camping equipment; repair and maintenance of jewelry and watches; automobile body repair and finishing for others; repair and restoration of books; repair and restoration of household articles; repair and restoration of furniture; repair and maintenance of upholstery; motor vehicle maintenance and repair; repair and maintenance of motor vehicles and their engines; repair and maintenance of motor vehicles and parts thereof and of engines for motor vehicles and parts thereof; repair and maintenance of automobiles and parts thereof; repair or maintenance of water purifying apparatus; repair and maintenance of vacuum pumps; repair and maintenance of vacuum pumps and parts thereof; repair and maintenance of bicycles; repair and maintenance of ventilating apparatus; repair and maintenance of wind power plants; repair and maintenance of air vehicles; repair and maintenance of wave energy power plants; repair and maintenance of gas and electricity installations; burner maintenance and repair; repair and maintenance of mining, earth moving, road making, agricultural and farming equipment; repair and maintenance of mining equipment; repair and maintenance of mining machines; repair and maintenance of engines for motor vehicles; repair and maintenance of road making machines; repair and maintenance of rail vehicles; repair and maintenance of residential buildings; repair and maintenance of buildings; repair and maintenance of earth moving equipment; repair and maintenance of earth moving machines; repair and maintenance of horological and chronometric instruments; repair and maintenance of uninterruptible power supplies; film projector repair and maintenance; repair and maintenance of hardware for data processing apparatus; repair and maintenance of compressors; repair and maintenance of computer and telecommunications hardware; repair and maintenance of computer and telecommunications equipment; repair or maintenance of air-conditioning apparatus for industrial purposes; repair and maintenance of air-conditioning apparatus; repair and maintenance of ships; repair and maintenance of laser measuring apparatus; repair and maintenance of boats; repair or maintenance of waste compacting machines and apparatus; repair or maintenance of waste crushing machines and apparatus; repair or maintenance of sericultural machines and implements; repair and maintenance of machines and machine tools for treating and processing metals; repair and maintenance of machines, machine tools and automatic systems for treating and processing metals; repair and maintenance of machines, apparatus and tools; repair and maintenance of medical instruments, apparatus and equipment; repair and maintenance of motors; repair and maintenance of airplane motors and engines; repair and maintenance of motorcycles; repair and maintenance of multimedia apparatus; repair or maintenance of water pollution control equipment; repair and maintenance of road making equipment; repair and

maintenance of public transport vehicles; repair and maintenance of axles and parts thereof; repair and maintenance of heating apparatus; repair and maintenance of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus; repair and maintenance of office buildings; repair and maintenance of cooling appliances and installations; repair or maintenance of passenger elevators; repair and maintenance of presses for processing metals; repair and maintenance of industrial machinery; repair and maintenance of dust extraction apparatus; repair and maintenance of radio systems and networks; airplane maintenance and repair; safe maintenance and repair; repair and maintenance of agricultural equipment; repair and maintenance of agricultural machines; repair and maintenance of motor vehicle cooling systems; repair or maintenance of sporting equipment; repair and maintenance of building scaffolds, working and building platforms; repair or maintenance of vessels; repair and maintenance of land vehicles; repair and maintenance of drying apparatus; repair and maintenance of telecommunications apparatus, other than telephone sets, radio receivers and television receivers; repair or maintenance of vending machines; repair and maintenance of shopping centers, industrial complexes, office buildings, residential buildings and other real estate developments; repair and maintenance of transport containers; repair and maintenance of vehicle tires; repair and maintenance of audio frequency amplifiers; repair and maintenance of video frequency amplifiers; repair or maintenance of vehicle washing installations; repair and maintenance of photographic apparatus; repair and maintenance of surgical instruments and apparatus; repair and maintenance of chassis parts and bodies for vehicles; repair and maintenance of refrigerating apparatus; repair or maintenance of elevators [lifts]; repair and maintenance of electrical apparatus; repair and maintenance of electric vehicles; repair and maintenance of electricity generators; repair and maintenance of electronic apparatus; repair and maintenance of electronic display panels; repair and maintenance of electronic navigational and positioning apparatus and instruments; repair and maintenance of electronic installations; renovation, repair and maintenance of electrical wiring; repair and maintenance of energy generating installations; repair and maintenance of yachts; clock and watch repair; repair and cleaning of pallets and transport containers; cabinet repair; repair of computers; repair of computer hardware; repair of roofing; repair of cooking apparatus; repair of power lines; repair of personal ornaments; repair of personal ornaments and providing information relating thereto; repair of furniture; repair of medical machines and apparatus; repair of metalworking machines and apparatus; repair of metallurgical plants and rolling mills; repair of bags or pouches and providing information relating thereto; repair of musical instruments; repair of land vehicles; watch repair; pump repair; upholstery repair; repair of billiard equipment; repair of water pollution control equipment; shoe repair; shoe repair and providing information relating thereto; repair of shoes, bags and belts; clothing repair and providing information relating thereto; clothing repair; sign repair; repair of lighting apparatus; repair of axles for machines; repair of axles for vehicles; repair of heating apparatus; repair of heating, air-conditioning and alarm installations; repair of office machines and apparatus; repair of spectacles; repair of spectacles and providing information relating thereto; repair of energy production plants and machines; repair of suspension systems for vehicles; repair of industrial machinery; repair of industrial furnaces; vacuum cleaner repair; repair of radios; repair of radio or television sets; repair of fishing tackle and providing information relating thereto; repair of sanitary installations; repair of fishing tackle; repair of alarms; repair of animal waste treatment systems; repair of electronic cash register systems; repair of damaged computers; repair of hearing aids and hearing protectors; repair of sports equipment; repair of sports equipment and providing information relating

thereto; repair of machines for treating organic waste; repair of industrial waste treatment machines; stereo system repair; repair of construction and agricultural machinery; scaffolding repair; repair of construction machines and construction equipment; repair of bags or pouches; repair of drying apparatus; repair of couplings for land vehicles; repair of tatami mats; repair of tatami mats and providing information relating thereto; repair of television apparatus; telephone repair; repair, maintenance and overhaul of automobiles; repair, maintenance, servicing, dismantling, rebuilding and cleaning of vehicle engines and parts thereof; repair, maintenance, servicing, dismantling, rebuilding, cleaning and varnishing of vehicles and parts thereof; repair of brake systems for vehicles; repair of trailers; repair of toilet bowls with integrated bidet water jets; repair of toilet bowls with integrated bidet water jets and providing information relating thereto; repair of water supply installations; repair of installations for use in metal production, metal processing and metal working; repair of vehicle washing installations; repair of air-conditioning apparatus; repair of energy supply installations; repair of garbage disposals; repair of facsimile machines; repair of filters for machines, motors or engines; repair of filters and parts thereof; photographic apparatus repair; repair of cameras; repair of refrigerating apparatus; refrigerator repair; clock repair; reconditioning machines, motors and engines that have been worn or partially destroyed; luggage repair; repair of electrical equipment; repair of electrical equipment and electrotechnical installations; repair of electronic business equipment; repair of jewelry; hat restoration; restoration of buildings; renovating and constructing homes for low-income families; furniture restoration; furniture restoration and providing information relating thereto; restoration of musical instruments; restoration of works of art; furniture restoration, repair and maintenance; servicing and repair of lifting apparatus; servicing and repair of mechanical access platforms; servicing and repair of elevating work platforms; servicing of apparatus and installations for generating power; servicing of manufacturing machines and apparatus; servicing, cleaning and repair of chemical apparatus; automobile greasing; automobile lubrication; vehicle greasing; demolition of civil engineering structures; demolition of houses and buildings; demolition of buildings; pavement stripping; road stripping; warehouse construction and repair; installation, maintenance and repair of manufacturing plants; vehicle service stations [refuelling and maintenance]; sterilization of medical instruments; sterilization of surgical instruments; sterilization of surgical equipment; washing; washing of linen; washing of cloth, clothing, fabric, linen and textiles; washing, ironing, smoothing and repairing of textile goods for reuse; washing of clothing; washing of textiles; washing of fabric; washing of cloth; construction; construction of airports; pier construction; construction of hydroelectric factories; pier breakwater building; custom construction of homes; road construction; chimney construction; residential and commercial building construction; construction and renovation of buildings; custom construction and building renovation; construction and repair of houses; construction and repair of buildings; pipeline construction and maintenance; building of canal locks; shipbuilding and providing information relating thereto; construction of porches; building of shops; construction of medical establishments; construction of oil pipelines; construction of decks; underwater construction; harbour construction; factory construction; construction, repair and maintenance of buildings; construction, repair and maintenance of buildings, and providing information relating thereto; construction of sunrooms; construction of structures for the production of crude oil; construction of structures for the production of natural gas; construction of structures for the transportation of natural gas; construction of structures for the transportation of crude oil; construction of structures for the storage of natural gas; construction of structures for the storage of

crude oil; construction of telecommunication towers; construction, maintenance and renovation of property; construction, maintenance and repair of watercraft, yachts, boats and water vehicles; pipeline construction; building of fair stalls and shops; yacht building; shipbuilding; marine construction; custom shipbuilding; routine servicing of ventilating apparatus; routine servicing of air-conditioning apparatus; routine servicing of heating apparatus; routine servicing of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus; routine servicing of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus at intervals stipulated by the manufacturer; routine servicing of dust extraction apparatus; routine servicing of drying apparatus; routine servicing of refrigerating apparatus; thermal insulating of buildings; building inspection in the course of building construction; maintenance of aquariums; aircraft maintenance or repair and providing information relating thereto; maintenance and repair of computer hardware; maintenance and repair of skis; machinery maintenance and repair; maintenance and repair of hardware for computer networks; maintenance and repair of heating installations; maintenance and repair of telecommunications networks, apparatus, and instruments; maintenance of computer hardware; maintenance of medical apparatus and instruments; maintenance, repair and cleaning of apparatus and machinery for manufacturing semi-conductors; maintenance of septic systems; tuning of engines for motor vehicles; tuning of motors and engines for automobiles; tuning of motors and engines; cleaning of automobiles; cleaning of building interiors; cleaning of exhibition stands; cleaning of urban areas; cleaning of residential houses; cleaning of residential and commercial properties; cleaning of buildings [interior]; cleaning of buildings, industrial sites and building sites; cleaning of building interiors and exteriors; crime scene clean-up services; cleaning of public areas; cleaning of office buildings and commercial premises; cleaning of industrial premises; cleaning of airplanes; street cleaning; street cleaning and providing information relating thereto; cleaning services in the nature of collecting trash, other than transport; asbestos removal; removal of graffiti; rust removal; laying of paving; carpet laying; tile laying, bricklaying or block laying; building reinforcing; vermin exterminating, other than for agriculture, aquaculture, horticulture and forestry; extermination of pests, other than for agricultural purposes; vermin exterminating, other than for agriculture, forestry or horticulture; vermin exterminating, other than for agriculture, forestry or horticulture, and providing information relating thereto; road sealing; garage services for automobile repair; construction, maintenance, cleaning and repair services; garage services for the maintenance and repair of motor vehicles; information and consultancy services relating to vehicle repair; advisory services in the fields of construction, repair, restoration, maintenance and installation; consultancy and information services relating to construction; consultancy, information and advisory services relating to the construction of public works; advisory services relating to the construction and repair of airports and airport facilities; consultancy relating to the repair and reconditioning of anti-friction bearings for machines; consultancy relating to the repair and reconditioning of bearings, ball-bearings, roller bearings and anti-friction bearings for machines; consultancy and advisory services relating to the repair and maintenance of vacuum pumps and parts thereof; consultancy services relating to the construction of buildings; consultancy relating to installation, maintenance and repair services; consultancy relating to the installation, maintenance and repair of windmills and wind turbines; consultancy services regarding the installation and maintenance of telecommunications, transmission and broadcasting equipment, apparatus and instruments; advisory services relating to building demolition; advisory services relating to the construction of buildings; advisory services relating to the construction of buildings and other structures; advisory

services relating to the construction of public works; advisory services relating to the maintenance and repair of mechanical and electrical equipment; advisory services relating to the maintenance, repair and renovation of buildings and other structures; advisory services relating to the installation of audiovisual equipment; advisory services relating to the installation of hydraulic equipment; advisory services relating to the installation of plumbing; advisory services relating to the installation of heating and cooling apparatus; advisory services relating to the installation of building automation equipment; advisory services relating to the installation of security and safety equipment; advisory services relating to the installation of communication equipment; advisory services relating to the installation of lighting apparatus; advisory services relating to the installation of passenger elevators; advisory services relating to the installation of fire prevention equipment; advisory services relating to the installation of telephone equipment; advisory services relating to the installation, maintenance and repair of mechanical and electrical equipment; painting services; decorative painting services; assembly services relating to the installation of presses for processing metals; automobile undercoating services; vehicle undercoating services; tire balancing; pest control services, other than for agriculture, aquaculture, horticulture and forestry; interior sealing and caulking services; building sealing and caulking services; hydraulic fracturing services; computer and telephone battery recharge services; building construction supervision services relating to shopping centers, industrial complexes, office buildings, residential buildings and other real estate developments; building construction supervision services for real estate projects; building construction supervision services for building projects; machinery retrofit and conversion services; construction services relating to the installation of heating, ventilating and air-conditioning systems; seat covering services; snow removal and de-icing services for airplanes; drain cleaning services; fire extinguisher recharging services; house painting; interior and exterior window cleaning services; assembly services relating to the installation of machines and machine tools for treating and processing metals; assembly services relating to the installation of machines, machine tools and automatic systems for treating and processing metals; artificial snow-making services; construction, repair, maintenance and installation services; pressure washing services; cleaning services; industrial and commercial cleaning services; domestic cleaning services; street sweeping services; installation and maintenance services; installation of building scaffolds, working and building platforms; installation, maintenance and repair services; installation services for elevators and lifts; electrical installation services; installation services; removing birds from residential and commercial buildings; swimming pool cleaning services; air duct cleaning services; laundering of cloth, clothing, fabric, linen and textiles; laundering of babies' diapers; laundering of cloth; laundering of clothing; laundering of textiles; laundering of fabric; laundering; laundering and disinfecting of linen; laundering and providing information relating thereto; installation, maintenance and repair services provided by a handyman; construction and maintenance services relating to civil engineering; installation of ventilation and dust extraction systems; installation of apparatus for recording, transmission or reproduction of sound or images; installation of air-conditioning apparatus for use in clean rooms; installation of apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; installation of heating, lighting and cooking apparatus; installation of heating, refrigerating, air-conditioning, drying, ventilating and dust extraction apparatus; installation of apparatus for generating power; installation of dust extraction apparatus; installation of air-conditioning apparatus; installation of gas supply and distribution apparatus; installation of reactive power compensation apparatus;

installation of audiovisual equipment; installation of ventilating apparatus; installation of plumbing systems; installation of gas and water pipelines; installation of water pipes; installation of hydraulic equipment; installation of drywall panels; installation of lightning conductors; installation of doors and windows; installation of engines and motors; installation of wood flooring; installation of wallboards; installation of rainwater drainage systems; installation of pipe insulation; installation of insulating materials; installation and maintenance of heating systems; installation and maintenance of solar thermal installations; installation and maintenance of photovoltaic installations; antenna installation and repair; plate glass installation and repair services; installation and repair of door frames; installation and repair of business and office machinery and equipment; Venetian blind installation and repair; setup or repair of locks; setup or repair of locks and providing information relating thereto; irrigation devices installation and repair; installation and repair of computer hardware; computer installation and repair; elevator installation and repair; installation and repair of freezing apparatus; installation and repair of window blinds; installation and repair of window frames; heating equipment installation and repair; burglar alarm installation and repair; installation and repair of burglar or fire alarms; furnace installation and repair; installation and repair of air-conditioning systems; installation and repair of heating, ventilating and air-conditioning systems; satellite dish installation and repair; installation and repair of television apparatus; telephone installation and repair; furnace and smelter installation and repair; pipeline installation and repair; installation and repair of air-conditioning apparatus; fire alarm installation and repair; freezing equipment installation and repair; electric appliance installation and repair; installation of rainwater collection systems; installation and maintenance of transmission and broadcasting equipment, apparatus and instruments; installation and maintenance of irrigation systems; installation and maintenance of computer hardware for the transfer of data for remote reading of electricity meters; installation and maintenance of hardware for computer networks and Internet access; installation and maintenance of burglar or fire alarms; installation and maintenance of industrial plant and equipment; installation and maintenance of traffic control apparatus; installation and maintenance of electronic apparatus; installation of cables for Internet access; installation of communication equipment; installation of computer hardware; installation of hardware for Internet access; installation of hardware and cables for Internet access; installation, construction, maintenance, servicing and repair of energy and power generating apparatus, equipment and installations; roofing installation; kitchen equipment installation; installation of kitchen appliances; installation of cooking appliances; installation of kitchen cabinets; installation of rainwater tanks; installation of foundry equipment; installation of machinery for generating electricity; installation of machines and machine tools for treating and processing metals; machinery installation; installation of furniture; installation of furniture for stores; installation of door closers; installation of door openers; installation of door openers and closers; oil well casing, tubing, and drill pipe installation; installation of floor tiles; installation of hardware for computer networks; installation of hardware for computer systems; installation of laundry and kitchen equipment; installation of building automation equipment; installation, maintenance and repair of computer hardware; installation, maintenance and repair of water supply apparatus; installation of fencing; installation of pet containment systems; installation of windows; installation of security and safety equipment; installation of office machines; installation of lighting apparatus; installation of heating apparatus; installation of heating and cooling apparatus; installation of heating systems; installation of security systems; installation of tents; installation of passenger elevators; installation of fire alarms; installation

of presses for processing metals; installation of fixtures and fittings for buildings; installation of industrial machinery; installation of industrial furnaces; installation of fire prevention equipment; installation of radio systems and networks; installation, maintenance and repair of automatic doors and barriers; installation, maintenance and repair of machines for use in the publishing industry; machinery installation, maintenance and repair; installation, repair and maintenance of clean room facilities and equipment; installation, repair and maintenance of heating equipment; office machines and equipment installation, maintenance and repair; installation, maintenance and repair of fire, smoke and heat alarms; installation, maintenance and repair of ventilating systems; installation, repair and maintenance of condensing apparatus, steam condensers, radiators for motors and engines, air reheaters, boiler tubes; installation of siding; custom installation of automobile interiors; installation of sanitary apparatus; installation of plumbing; installation of septic tanks; installation of commercial cooking apparatus; installation of environmental protection systems; installation of environmental control systems; installation of environmental control systems for clean rooms; installation of air-conditioning control systems; installation of air-conditioning systems; installation of heating, ventilation and air-conditioning [HVAC] systems; installation of electric light and power systems; installation of rainwater harvesting systems; installation of clean room systems; installation, changing, replacement and repair of locks; installation of satellite dishes; installation of glass in conservatories, windows, doors and greenhouses; installation of drying apparatus; installation of telephone equipment; installation of building insulation; installation of telephone lines; installation of cavity wall insulation; installation of insulating materials in buildings, roofs and structures; installation of insulating glass in conservatories, windows, doors and greenhouses; installation of thermal insulation for buildings; installation, maintenance and repair of automated teller machines; installation of water supply apparatus; installation, maintenance and repair of automation systems; installation, maintenance and repair of automatic emergency exits; installation, maintenance and repair of automatic doors and gates; installation, maintenance and repair of automatic apparatus for opening and closing ventilation flaps; installation, maintenance and repair of automatic apparatus for opening and closing windows; installation, maintenance and repair of automatic apparatus for opening and closing windows, fanlights, skylights and ventilation flaps; installation, maintenance and repair of automatic apparatus for opening and closing skylights; installation, maintenance and repair of automatic apparatus for opening and closing fanlights; installation, maintenance and repair of anemometers; installation, maintenance and repair of hardware for computer networks; installation, maintenance and repair of hardware for data communication networks; installation, maintenance and repair of remote control apparatus; installation, maintenance and repair of air analysis apparatus; installation, maintenance and repair of apparatus for supplying gas; installation, maintenance and repair of drilling and mining apparatus; installation, maintenance and repair of electronic monitoring apparatus; installation, maintenance and repair of hardware for data processing apparatus; installation, maintenance and repair of apparatus for processing metals; installation, maintenance and repair of apparatus for heating, purifying air, refrigerating, drying, ventilating, temperature control and air-conditioning; installation, maintenance and repair of energy conversion apparatus and power plants; installation, maintenance and repair of energy conversion apparatus, power plants, wave energy conversion apparatus and wave energy power plants; installation, maintenance and repair of apparatus for generating electricity; installation, maintenance and repair of apparatus for generating power; installation, maintenance and repair of apparatus for authentication of documents; installation, maintenance and

repair of apparatus for checking the authenticity of banknotes; installation, maintenance and repair of apparatus for supplying electricity; installation, maintenance and repair of fire detection apparatus; installation, maintenance and repair of quality control apparatus; installation, maintenance and repair of wave energy conversion apparatus and wave energy power plants; installation, maintenance and repair of mechanically operated apparatus for opening and closing ventilation flaps; installation, maintenance and repair of mechanically operated apparatus for opening and closing windows; installation, maintenance and repair of mechanically operated apparatus for opening and closing windows, fanlights, skylights and ventilation flaps; installation, maintenance and repair of mechanically operated apparatus for opening and closing skylights; installation, maintenance and repair of district heating apparatus; installation, maintenance and repair of electronic data processing apparatus; installation, maintenance and repair of broadcasting apparatus; installation, maintenance and repair of quality control apparatus for printing presses; installation, maintenance and repair of ballast apparatus for ships; installation, maintenance and repair of batteries and accumulators; installation, maintenance and repair of wind towers; installation, maintenance and repair of vacuum pumps; installation, maintenance and repair of ventilating apparatus; installation, maintenance and repair of weighing apparatus; installation, maintenance and repair of veterinary apparatus and instruments; installation, maintenance and repair of wind towers and anemometers; installation, maintenance and repair of windmills and wind turbines; installation, maintenance and repair of air filters; installation, maintenance and repair of fiber optic networks; installation, maintenance and repair of blow molding machines; installation, maintenance and repair of high pressure lines, hosing and pipelines for hydraulic systems; installation, maintenance and repair of gas and electricity systems; installation, maintenance and repair of gas, electricity and water supply apparatus; installation, maintenance and repair of alternators; installation, maintenance and repair of hydraulic systems for machinery; installation, maintenance and repair of hydraulic systems for vehicles; installation, maintenance and repair of hydraulic equipment; installation, maintenance and repair of doors and fences; installation, maintenance and repair of chassis parts and bodies for vehicles; installation, maintenance and repair of fire, smoke and heat detectors; installation, maintenance and repair of ink metering apparatus for printing presses; installation, maintenance and repair of railroad tracks; installation, maintenance and repair of gaming machines, juke boxes and telecommunication equipment; installation, maintenance and repair of measuring apparatus; installation, maintenance and repair of measuring and testing apparatus and instruments; installation, maintenance and repair of clocks and other horological and chronometric instruments; installation, maintenance and repair of measuring, signalling and monitoring apparatus and instruments; installation, maintenance and repair of inverters, batteries and electrical connection apparatus for solar energy systems; installation, maintenance and repair of drilling and mining tools; installation, maintenance and repair of card readers; installation, maintenance and repair of catalytic converters; installation, maintenance and repair of compressors; installation, maintenance and repair of compressors, air pumps and vacuum pumps; installation, maintenance and repair of compressors, air pumps, vacuum pumps, air blowers, air filters, alternators, pressure regulators and oil separators; installation, maintenance and repair of computer hardware and electronic teaching equipment and apparatus; installation, maintenance and repair of computer hardware for electronic data processing systems; installation, maintenance and repair of computer hardware for telecommunications systems; installation, maintenance and repair of computer hardware and peripherals; installation, maintenance and repair of air-conditioning

apparatus; installation, maintenance and repair of cash registers; installation, maintenance and repair of ink rollers for printing presses; installation, maintenance and repair of kitchen equipment; installation, maintenance and repair of kitchen furniture; installation, maintenance and repair of labeling machines; installation, maintenance and repair of machines for processing plastics; installation, maintenance and repair of machinery for the printing industry; installation, maintenance and repair of cleaning machines; installation, maintenance and repair of machinery for the graphics industry; installation, maintenance and repair of medical apparatus and instruments; installation, maintenance and repair of metalworking machines; installation, maintenance and repair of meteorological masts; installation, maintenance and repair of computer network and information technology equipment; installation, maintenance and repair of air blowers; installation, maintenance and repair of heating apparatus; installation, maintenance and repair of heating systems; installation, maintenance and repair of pumps and pumping stations; installation, maintenance and repair of oil separators; installation, maintenance and repair of building automation equipment; installation, maintenance and repair of container filling machines; installation, maintenance and repair of apparatus for conveying goods; installation, maintenance and repair of equipment and apparatus for use in demolition; installation, maintenance and repair of equipment and apparatus for use in mining; installation, maintenance and repair of equipment and apparatus for use in mining, open pit mining and quarrying; installation, maintenance and repair of equipment and apparatus for use in road building; installation, maintenance and repair of air freshening apparatus; installation, maintenance and repair of lighting apparatus; installation, maintenance and repair of burglar alarms; installation, maintenance and repair of air purifying apparatus; installation, maintenance and repair of passenger elevators; installation, maintenance and repair of passenger elevators, moving sidewalks, passenger bridges, moving stairways and stairway lifts; installation, maintenance and repair of printing machines; installation, maintenance and repair of printing machines and parts thereof; installation, maintenance and repair of printing presses; installation, maintenance and repair of printing presses and other machinery for use in the publishing industry; installation, maintenance and repair of printing presses and parts thereof; installation, maintenance and repair of loading and unloading machines; installation, maintenance and repair of fire and security alarms; installation, maintenance and repair of fire alarms; installation, maintenance and repair of apparatus for distributing electricity; installation, maintenance and repair of apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; installation, maintenance and repair of computer peripherals; installation, maintenance and repair of manufacturing machines and apparatus; installation, maintenance and repair of industrial machinery; installation, maintenance and repair of industrial machinery and manufacturing plants; installation, maintenance and repair of fire and smoke barriers; installation, maintenance and repair of filling machines; installation, maintenance and repair of pressure regulators; installation, maintenance and repair of freestanding lattice towers; installation, maintenance and repair of LED lighting apparatus; installation, maintenance and repair of air-conditioning systems; installation, maintenance and repair of boiler systems; installation, maintenance and repair of boiler systems and solar energy systems; installation, maintenance and repair of exhaust gas reduction systems; installation, maintenance and repair of heat insulation systems; installation, maintenance and repair of dental apparatus and instruments; installation, maintenance and repair of drying apparatus; installation, maintenance and repair of money counting and sorting machines; installation, maintenance and repair of moving sidewalks; installation,

maintenance and repair of passenger bridges; installation, maintenance and repair of packaging machines; installation, maintenance and repair of mechanically operated apparatus for opening and closing fanlights; installation, maintenance and repair of molding machines; installation, maintenance and repair of photovoltaic modules; installation, maintenance and repair of photovoltaic cells and modules; installation, maintenance and repair of refrigerating apparatus; installation, maintenance and repair of cooling and air-conditioning systems for temperature-controlled environments; installation, maintenance and repair of electrical and electronic apparatus for use in the field of automation; installation, maintenance and repair of electrical and electronic apparatus and equipment; installation, maintenance and repair of electrical lighting apparatus; installation, maintenance and repair of electrical devices; installation, maintenance and repair of electrical and electronic measuring and testing apparatus and instruments; installation, maintenance and repair of electrical equipment; installation, maintenance and repair of electronic regulating apparatus; installation, maintenance and repair of electronic control apparatus; installation, maintenance and repair of electrical drives and drive systems for machines; installation, maintenance and repair of power plants and power grids; installation, maintenance and repair of escalators; installation, maintenance, repair and reconditioning of industrial machinery; installation, maintenance and repair of equipment and apparatus for use in coal mining; installation of theft prevention devices; installation of photovoltaic cells and modules; installation of refrigerating apparatus; installation of electrical apparatus or generators; installation of electric and electronic equipment in automobiles; installation of electrical wiring; installation of energy-saving apparatus; interference suppression in electrical apparatus; installation of ship interiors; swimming-pool maintenance; furniture maintenance; fur care and repair; fur care and repair and providing information relating thereto; fumigating; fumigation of buildings against pests; chimney sweeping; car cleaning; chimney sweeping and providing information relating thereto; automobile cleaning and washing; leather cleaning and repair; fur cleaning and repair; boiler cleaning and repair; cleaning of rugs; carpet cleaning; cleaning of carpets and rugs; cleaning of carpets and rugs, and providing information relating thereto; rug shampooing; shoe shining; cleaning of clothing; window cleaning and providing information relating thereto; cleaning of storage tanks; storage tank cleaning and providing information relating thereto; leather care, cleaning and repair; fur care, cleaning and repair; septic tank cleaning; septic tank cleaning and providing information relating thereto; dry cleaning; cleaning of textiles; vehicle cleaning; cleaning of packaging materials, packing containers and transport pallets; diaper cleaning; cleaning of surgical instruments and equipment; floor sanding; buffing and polishing; plastering and painting of building interiors; inspection of automobiles and parts thereof prior to maintenance and repair; building maintenance; building maintenance and repair services provided by a handyman.

construction [treatment of materials]; waterproofing of clothing; waterproofing of textiles; intaglio printing; heat treatment of metal surfaces; heat treatment of pipes and tubes made of metal; heat treatment of metals; hot dipping; engraving; tombstone engraving; engraving of sealing stamps; engraving of images on objects; decontamination of hazardous materials; decontamination of nuclear waste; air deodorizing; drapery deodorizing; carpet deodorizing; stripping finishes; water demineralization; tanning; tanning of leather; tanning, dyeing and custom assembling of leather materials; duplication of video cassettes; duplication of video tapes; duplication of tape recordings; duplication of audio tapes; coffee roasting and processing; metal hardening; metal tempering; glass tempering; freezing of foods; gilding; gold plating; custom manufacture of locks; tin smithing; silversmithing; custom manufacture of prosthetic devices; custom imprinting of clothing with decorative designs; prototype fabrication of new products for others; custom quilting; chemical encapsulation and dispersion of hazardous chemicals; information and advisory services relating to the generation of electricity from wave energy; information, advice and consultancy services relating to the recycling of waste and trash; material treatment information; cadmium plating; permanent-press treatment of fabrics; ceramic glazing; ceramic processing; ceramic processing and providing information relating thereto; de-acidification of paper; typography; forging of metal goods to the order and specification of others; food canning; food and drink preservation; consultancy services relating to the generation of electrical energy; consultancy relating to the recycling of waste and trash; consultancy in the field of energy generation; consultancy relating to the incineration of waste and trash; consultancy relating to the destruction of waste and trash; technical consultancy in the field of production of solar energy; food smoking; leather staining; fur dyeing; shoe staining; dyeing of clothing; textile dyeing; cloth dyeing; laminating; metal laminating; laminating of plastic sheets; sawmill services; lithographic printing; die casting; metal casting; molding of plastic materials; jewelry casting; fur glossing; tin plating; boilermaking; metallizing; machining parts for others [machine shop services]; microencapsulating services provided for others; taxidermy; typesetting; magnetization; imprinting messages on tee-shirts; monogramming of clothing; applying backing to the underside of carpets; permanent-press treatment of clothing; permanent-press treatment of textiles; permanent-press treatment of cloth; nickel plating; hard nickel plating of metal surfaces; dressing of animal skins; abrasion; processing of bamboo, tree barks, rattan, vines or other natural materials; treatment of biopharmaceutical materials; processing of biopharmaceutical materials for others; water treating; paper treating; mold prevention treatment; woodworking; treatment of contaminated soil; anti-microbial treatment of buildings; processing of agricultural grain; finishing and coating of textiles; metal fabrication and finishing services; paper treating and processing; wool treatment and finishing; treatment and processing of plastic materials; treatment and processing of ores and ore concentrates; treatment and processing of clothing for recycling purposes; treatment and coating of metal surfaces; processing and transforming of mineral resources and of other raw materials; processing and transforming of energy; processing and cutting of diamonds and other precious stones; processing of cinematographic films; anti-microbial treatment of carpets; leather working; working of leather and furs; cloth edging; treatment of materials; treatment of materials for the manufacture of ceramic goods; treatment of materials for third parties; treatment of materials upon request for third parties; treatment of materials using ultrasonic waves to modify their properties; treatment of materials using chemicals; processing of metal surfaces by abrasive polishing; processing of metal surfaces using precision grinding techniques; processing of metal surfaces by precision grinding and abrasive polishing; treatment of metal parts to prevent

corrosion using hot-dip galvanizing and powder coating processes; metal treating; mold prevention treatment of furs; treatment of furs to prevent shrinking; fur conditioning; fur mothproofing; treatment of oil spills; anti-microbial treatment of clothing; mold prevention treatment of clothing; crease-resistant treatment of cloth; mothproofing of clothing; treatment of hazardous waste; treatment of hazardous liquids; processing of optical lenses to meet individual requirements; treatment of waste materials; treatment of waste materials in the field of environmental pollution control; treatment of waste; waste treatment [transformation]; processing of foodstuffs for use in manufacture; mothproofing services; treatment of rubber; processing of rubber and providing information relating thereto; waste water treatment; processing of earth materials to obtain metals [material processing]; textile mothproofing; mold prevention treatment of textiles; treatment of textiles to prevent shrinking; crease-resistant treatment of textiles; mold prevention treatment of cloth; fabric waterproofing; crease-resistant treatment for clothing; cloth fireproofing; mold prevention treatment of fabric; textile treating; treatment or processing of cloth, clothing or fur; treatment or processing of cloth, clothing or fur and providing information relating thereto; treatment of toxic waste; fuel treatment services; processing of photographic slides and prints; processing of photographic and cinematographic films; processing of photographic films; processing of chemicals and petrochemicals; processing of chemicals; wool treating; nuclear waste treatment; treatment of materials by laser beam; film processing and photofinishing; picture framing; framing of works of art; oil and gas well treatment; grinding and polishing glass for eyeglasses; fireproofing of clothing; edging of textiles; edging of fabric; shoe staining and dyeing; window tinting treatment, being surface coating; desalination of water; air freshening; bleaching of clothing; bleaching of textiles; fabric bleaching; surface finishing of metal articles; bleaching of cloth; annealing; casting of metal parts for boilers; water treating and providing information relating thereto; air purification; refining of metals; treatment of drinking water, service water and waste water; treatment of industrial waste to sequester carbon; fuel refining; soldering; oil refining; refining of petrochemicals; distilling of spirits for others; clothing alteration; recycling; recycling of beverage bottles; processing of gas; processing and recycling of waste and trash; recycling of catalytic converters; recycling of trash; processing of oil; recycling of waste and trash; recycling of clothing; recycling of clothing to obtain materials for making synthetic fibers; recycling of waste; treatment of animal waste; treatment of waste and harmful substances; recycling of waste and providing information relating thereto; recycling for carbon offsetting purposes; processing of plastic materials; processing of plastic materials and providing information relating thereto; processing of rubber; processing of natural gas; waste water reprocessing; processing of raw materials; processing of raw materials for the manufacture of food and beverages; recycling of chemicals; reprocessing of nuclear fuels; nuclear fuel reprocessing and providing information relating thereto; printing of books; printing of stamps; customized printing of company names and logos for promotional and advertising purposes on the goods of others; pattern printing; photographic printing; printing of decorative patterns on plastic films and wrapping paper; printing of decorative patterns on gift wrap; printing of images on objects; printing of documents from digital media; printing of patterns on textiles; printing and providing information relating thereto; printing of digitally stored pictures and photographs; printing, lithographic printing, screen printing and digital printing; offset printing; portrait printing; printing of advertising brochures for others; printing of advertising matter; photogravure printing; photographic printing and providing information relating thereto; printing of photographic images from digital media; metal plating; preparation and treatment of fabric; metal plating and laminating; coating and surface

finishing of machines and tools; coating of metal surfaces using physical vapor deposition or chemical vapor deposition processes; coating of metal surfaces using physical vapor deposition processes; coating of metal surfaces using chemical vapor deposition processes; coating of optical lenses; enamelling; enamelling of metals; stationery printing services; printing; burnishing by abrasion; polishing of diamonds; polishing of diamonds and other precious stones; polishing of gemstones; polishing of precious stones; glass polishing; flour milling; dressmaking; sewing of curtains; pre-shrinking of clothing; pre-shrinking of textiles; pre-shrinking of fabric; providing information relating to the rental of water purifying apparatus; providing information relating to the rental of space cooling apparatus for household purposes; providing information relating to the rental of knitting machines; providing information relating to the rental of air-conditioning apparatus; providing information relating to the rental of machines for making shoes; providing information relating to the rental of tobacco processing machines; providing information relating to the rental of machines and apparatus for pulp-making, papermaking or paper-working; providing information relating to the rental of waste crushing machines and apparatus; providing information relating to the rental of glassware manufacturing machines and apparatus; providing information relating to the rental of machines and apparatus for developing, printing and enlarging photographs; providing information relating to the rental of waste compacting machines and apparatus; providing information relating to the rental of chemical processing machines and apparatus; providing information relating to the rental of machines and apparatus for processing food or beverages; providing information relating to the rental of bookbinding machines; providing information relating to the rental of printing machines and apparatus; providing information relating to the rental of space cooling apparatus for industrial purposes; providing information relating to the rental of metal treating machines and tools; providing information relating to the rental of sewing machines; providing information relating to woodworking; providing information relating to ceramic processing; providing information relating to the treatment of materials; providing information relating to the processing of plastic materials; providing information relating to the processing of rubber; providing information relating to the treatment or processing of cloth, clothing or fur; providing information relating to bookbinding services; providing information relating to paper finishing services; providing information relating to paper treating services; providing information relating to water treating services; providing information relating to the recycling of waste; providing information relating to photographic printing services; providing information relating to the engraving of sealing stamps; providing information relating to the processing of cinematographic films; providing information relating to custom tailoring; providing information relating to taxidermy; providing information relating to photogravure services; providing information relating to photographic film development; providing information relating to photographic enlarging services; providing information about wine-making; providing information relating to printing services; providing information relating to nuclear fuel reprocessing; providing information relating to dressmaking; providing material treatment information via a web site; conversion of waste energy into steam [energy recycling services]; conversion of targeted substrates into targeted chemical preparations by treatment with enzyme systems; conversion of waste energy into electricity [energy recycling services]; contact lens tinting; glass tinting; application of protective surface coatings to machines and tools; application of wear-resistant coatings on metals and plastics; applying finish to stainless steel sheets and coils; applying finishes to fabric; applying finishes to clothing; applying finishes to cloth; application of coatings using vacuum deposition techniques; application of coatings using thermal plasma spraying techniques; application of coatings

using physical vapor deposition techniques; application of coatings using chemical vapor deposition techniques; application of coatings using chemical, mechanical, thermal or thermomechanical processes; application of thin films on the surfaces of objects by means of chemical, mechanical, thermal, thermomechanical, chemical vapor deposition, physical vapor deposition and vacuum deposition processes; wine-making for others; production of hydroelectric power; production and processing of fuels and of other sources of energy; manufacture of furniture and plastic parts to order and specification of others; brewing of beer by microbreweries; custom manufacture of biopharmaceuticals; custom manufacture of dental prosthesis and dentures; custom manufacture of tools for others; custom manufacture and fitting of wigs; custom manufacturing and assembling services relating to semi-conductor parts and integrated circuits; custom manufacture of computers for others; custom manufacture of machines and tools for compressing and compacting powders and granules; custom manufacture of machines and tools with a protective surface coating; custom manufacture of furniture; custom manufacture of medical devices for others; custom manufacture of metal hardware; custom manufacture of products for the pharmaceutical, chemical and food industries by compressing and compacting powders and granules; custom manufacture of dental prosthetics; custom manufacture of communication devices for others; custom manufacture of pharmaceuticals; custom manufacture of molds for use in industry; custom manufacture of molded components; production of electrical energy from renewable sources; generating of electricity; production of energy by nuclear power plants; production of energy by power plants; rental of boilers; knitting machine rental; rental of generators; rental of electricity generators; rental of air-conditioning apparatus; rental of space heating apparatus; rental of printing machines and apparatus; custom steel rolling and fabrication to the order and specification of others; rental of water filters; rental of sewing machines; treatment of textile or furs to prevent shrinking; textile treatment in the nature of mothproofing; waterproofing of furs; mold remediation services; photographic film development and photographic printing; photographic film development and providing information relating thereto; film development and reproduction of photographs; photographic film development; pottery firing; blacksmithing; custom assembling of materials for others; welding services; bookbinding; glass-blowing; saddlery working; grinding; cloth cutting; sawing of materials; refining services; cutting of diamonds; cutting of precious stones; cutting of gemstones; cutting of textiles; cutting of fabric; replication of CDs; replication of DVDs; reproduction of museum artwork; photographic reproduction; photographic retouching; rotogravure; timber felling and processing; needlework and dressmaking; fur satining; custom assembling of leather materials for others; custom assembling of materials; custom assembling of plastic and composite parts for others; custom assembling of electronic components for medical devices; custom assembling of electronic components for cellular phones; custom assembling of electronic components for personal digital assistants [PDAs]; custom assembling of electronic components for communication devices; blueprinting; silver plating; incineration and destruction of waste; incineration of trash; incineration of waste and trash; incineration of waste; petroleum gas liquefaction; natural gas liquefaction; laser scribing; mixing of paints; mixing lubricants for third parties; blending of crude oil and synthetic oils; custom blending of essential oils for aromatherapy use; coal blending; textile warping; warping [looms]; joining of components using adhesives; joining of components using ultrasonic welding techniques; sign lettering; film developing; sorting of waste and recyclable material [transformation]; photocomposing services; photographic preservation and conservation; photographic preservation; quilting; planing of materials; fulling of cloth; duplication of CDs; duplication of DVDs; textile weaving; tinting of car

windows; etching of a sequence of traceable identification numbers on automobile windows so as to identify a particular automobile recovered after theft; glass etching; slaughtering of animals; industrial toxic waste disposal [treatment]; document destruction; destruction of waste and trash; destruction of waste; destruction of trash; shrinking of clothing; shrinking of cloth; shrinking of textiles; cloth pre-shrinking; shrinking of fabric; services of a dental technician; cryopreservation services; butchering; mothproofing of textiles; tee-shirt embroidering services; upholstery deodorizing; mildew proofing; key cutting; document shredding services; smoke house services for smoking food; water treatment and purification; material treatment services in connection with recycling; soil treatment services [environmental remediation services]; soil, waste or water treatment services [environmental remediation services]; dyeing services; air brushing services; water purification services; document binding services; sandblasting services; water recycling and desalination services; cider-making for others; fireproofing of furs; sawmill planing; custom tailoring; cooking oil and vegetable oil recycling services; refrigerant reclamation services; production of energy; recycling of batteries; custom fashioning of fur; shaping of metal components; photogravure; photographic processing; photofinishing; photographic enlarging; photographic enlarging and providing information relating thereto; millworking; chemical treatment of textiles; freezing services for others; chromium plating; hard chromium plating of metal surfaces; hard chromium plating and hard nickel plating of metal surfaces; design printing for others; color enhancement of black and white video film; color enhancement of black and white film; colour separation services; digital printing; digital on-demand printing of books and other documents; custom assembling of automobile bodies and chassis for others; custom application of optical, transparent, solar reflective and wear-resistant coatings on metallic, organic and mineral substrates; silkscreen printing; sewing; optical lens grinding; optical glass grinding; electro and metal coating, metal treating and casting, hardening of metal and metal products.

Class 42

Mining exploration services; computer-aided design of video graphics; computer-aided design of molds; computer-aided design for manufacturing operations; computer-aided scientific testing; computer-aided industrial design; computer-aided industrial testing; software authoring; administration of mail servers; server administration; bacteriological analysis; biological analysis; biochemical analysis; analysis in the field of molecular biology; analysis in the field of oil exploration; water analysis; analysis of greenhouse gas emissions; analysis for oil research; analysis and evaluation of product design; analysis and evaluation of product development; computer system design and analysis; analysis of water quality; analysis of stream water quality; computer system analysis; mineral and oil assaying; analysis of oil fields; analysis of oil reservoirs; analysis of the mode of action of chemical combinations on animals; analysis of product design; handwriting analysis [graphology]; analysis of product development; analysis of telecommunication signals; analysis of technical data; chemical analysis; technological analysis services relating to energy and power needs of others; industrial analysis and research services relating to automobile tires; leasing computer facilities; rental of laboratory apparatus; rental of computer programs; rental of computers for data processing; rental of computers and computer equipment; rental of laboratory instruments; rental of computer peripherals; rental of computer database software; rental of software for data processing; rental of computer software relating to travel; rental of computer software for financial management; rental of data processing programs; rental of memory space for web sites; rental of electronic storage space [web space] on the Internet; architectural design services in the fields of traffic and

transportation; architectural design in the field of single family homes; architectural design in the field of luxury condominiums; energy auditing; biological and chemical research; biochemical research; weighing of vehicles; weighing of goods for others; recovery of computer data; repair of computer software; troubleshooting of computer software problems [technical support]; geological exploration; surveying of oil-bearing seams; surveying of oil beds and fields; diagnosis of computer software problems; diagnosis of computer hardware problems through the use of software; animation and special effects design for others; web site design; graphic illustration design; design of homepages; design of homepages and web sites; design of homepages, computer software and web sites; retail design services; design of engineering products; tool design; design of Internet pages; design and updating of homepages and web pages; design and maintenance of computer sites for third parties; design and development of new products; custom design and engineering of telephony systems, cable television systems and fiber optics; design and implementation of web sites for others; design and implementation of web pages for others; design and testing for new product development; computer site design; computer network design for others; landscape lighting design; design of mechanical and micromechanical components; design of mechanical, electromechanical and optoelectronic apparatus and instruments; design of cellular phones; design of fashion accessories; design of optical and microoptical components; theatrical lighting design; design of artwork; design of computer software for controlling self-service terminals; design of image processing software; industrial design; design of industrial products; design, development and implementation of software; design, creation and programming of web pages; design of web sites for advertising purposes; design, creation, hosting and maintenance of Internet sites for third parties; design, creation, hosting and maintenance of web sites for others; design of telecommunications apparatus and equipment; design of telephones; product design; design of consumer products; design of packaging and wrapping materials; design services; graphic arts design; commercial art design; computer virus protection services; data mining; measuring of greenhouse gas emissions; measuring and analysis of greenhouse gas emissions; technical measuring and testing laboratory services; product research; oil-field surveys; geological surveys; engineering surveying; engineering drawing; engineering research; engineering services for the gas industry; engineering services in the field of motive power; electrical engineering; engineering services in the field of energy technology; engineering services relating to gas transport and supply systems; engineering services relating to energy supply systems; engineering services in the field of communications technology; engineering services in the field of environmental technology; engineering services in the field of building technology; engineering research and design services in the field of drilling technology; engineering; inspecting buildings for the existence of mold; inspection of oil fields; inspecting foods for the purpose of certifying the kosher quality thereof; installation and maintenance of software for Internet access; installation and maintenance of computer software; installation and maintenance of database software; installation of computer programs; installation of computer software; installation of database software; installation, repair and maintenance of computer software; installation, maintenance and updating of computer software; installation, maintenance and updating of database software; integration of computer systems and networks; conducting magnetic resonance imaging interpretation and analysis for the petroleum industry; interior design; weather reporting; meteorological information; implementation of computer programs on networks; clinical trials; material testing; textile testing; research in the field of computer hardware; product research and development; oil assaying; oil-field exploration; mineral assaying; research, development, design and upgrading of computer software; basic

and clinical research in the field of respiratory science and medicine; archaeological research; archaeological exploration; biotechnological research; architectural research; bacteriological research; biological research; geological research; research relating to urban planning; research in the field of environmental protection; research in the field of climate change; research in the field of information technology; research in the field of communications technology; research in the field of computer hardware and software; research in the field of computer technology conducted using databases and the Internet; research in the field of computer software; research in the field of computer programs and software; cosmetic research; research in the field of materials science; research in the fields of materials science and electrical engineering; mechanical research; research into the reduction of carbon emissions; research in the field of environmental conservation and protection; research in the field of environmental conservation; research in the field of data processing technology; research in the field of pharmacogenetics; chemical research; research in the fields of chemistry, biology and physics; research in the fields of chemistry and biology; research in the field of ecology; research in the field of electrical engineering; research in the field of food; research in the field of gene therapy; research in the field of mechanical engineering; research in the field of semiconductor processing technology; agricultural research; stem cell research; research in the field of hair care; geophysical exploration for the oil, gas and mining industries; hydrological research; bacteriological research and analysis; biological research and analysis; biochemical research and analysis; chemical, biochemical, biological and bacteriological research and analysis; research and consultancy in the field of zoology; technical research in the field of carbon offsetting and consultancy relating thereto; research and development of new products for others; research and development services in the field of biochemistry; research and development services in the field of biotechnology; research and development services in the field of diagnostic preparations; research and development services for the pharmaceutical industry; pharmaceutical research and development; bacteriological research and testing; laboratory analysis in the field of bacteriology; laboratory research in the field of gene expression; laboratory analysis in the field of cosmetics; laboratory research in the field of pharmaceuticals; laboratory analysis in the field of chemistry; medical research; scientific research; scientific research in the field of genetics; scientific research in the field of genetic engineering; scientific research in the field of genetics and genetic engineering; scientific research for medical purposes in the field of cancerous diseases; research and development services relating to medicines; analysis for oil-field exploitation; research relating to building construction or city planning; research relating to the development of computer software; underwater exploration; research relating to the development of computer programs and software; industrial research; research relating to the development of computer hardware; mechanical research in the field of motor sports; technical research in the field of carbon offsetting; technical research in the field of aeronautics; pharmaceutical research; research services in the field of proteins, antibodies, microorganisms and cells; research services for the development of new products; calibration [measuring]; classification of minerals; environmental testing; encoding of magnetic cards; compilation of web pages for the Internet; compilation of computer programs; computer programming for data processing; computer programming for the energy industry; computer programming and computer software design; computer time-sharing services; computer services in connection with electronic data storage; design of computers; data conversion of computer program data or information [not physical conversion]; computer code conversion for others; consultancy in the field of biotechnology; consultancy in the field of cloud computing networks and

applications; consultancy in the field of programming and development of e-business portals; consultancy in the field of pharmaceutical research; consultancy in the field of computer system analysis; consultancy relating to the recovery of computer data; consultancy in the field of computer system integration; consultancy in the field of computer programming; consultancy in the field of security software; consultancy relating to the updating of computer software; consultancy in the field of computer software design; consultancy relating to the maintenance of computer software; consultancy in the field of energy efficiency; consultancy relating to geological surveys; consultancy relating to the design, programming and maintenance of computer software; consultancy relating to software for communication systems; consultancy relating to the design and development of computer software programs; consultancy relating to the design and development of computer software and hardware architecture; consultancy relating to the design of homepages and Internet sites; consultancy relating to research and development in the field of therapeutics; consultancy relating to laboratory testing; consultancy in the field of agricultural chemistry; computer engineering; consultancy in the field of architectural design; consultancy in the field of astronomy; consultancy in the field of biology; consultancy in the field of biochemistry; web site design consultancy; computer security consultancy; information technology [IT] consultancy; consultancy relating to consumer product safety testing; consultancy relating to quality control; consultancy in the field of fashion design; consultancy in the field of construction drafting; consultancy relating to computer database programs; advisory services relating to computer software; consultancy relating to the design and development of computer database programs; consultancy relating to the design and development of computer programs; consultancy in the design and development of computer hardware; consultancy relating to the design and development of computer software; consultancy relating to product development; advisory services relating to material testing; consultancy in the field of pharmacology; consultancy in the field of physics; consultancy in the field of chemistry; consultancy and research services in the field of information technology; consultancy and research in the field of bacteriology; consultancy relating to the design of homepages and Internet pages; consultancy relating to research in the field of pharmacogenetics; consultancy relating to pharmaceutical research and development; consultancy relating to the design and development of information and communications technology; consultancy relating to technical and scientific measuring; consultancy relating to technical research in the field of food and beverages; consultancy relating to technical and scientific analysis; consultancy relating to technical and scientific monitoring; architectural consultancy; internet security consultancy; computer software consultancy; consultancy relating to web page design; design consultancy; data security consultancy; consultancy relating to the creation of homepages and Internet pages; consultancy relating to technological services in the field of power and energy supply; interior decoration consultancy; technological consultancy; professional consultancy relating to computer security; technical consultancy in the field of environmental science; technical consultancy relating to research services in the field of foods and dietary supplements; technical consultancy relating to the design of computer hardware, software and computer peripherals; technological consultancy in the field of alternative energy generation; consultancy and information services relating to the rental of computer software; consultancy and information services relating to computer software design; consultancy and information services relating to the design, programming and maintenance of computer software; consultancy and information services relating to computer programming; consultancy and information services relating to the maintenance of computer software; consultancy and information services relating to information technology architecture and

infrastructure; consultancy and information services relating to computer system integration; consultancy and information services relating to information technology; consultancy and research services in the fields of science, engineering and information technology; advisory and consultancy services relating to computer software; consultancy in the field of bacteriological research; consultancy services in the fields of science, engineering and information technology; consultancy services in the field of design, selection, implementation and use of computer hardware and software systems; consultancy in the field of telecommunications engineering; consultancy in the field of technological research; consultancy in the field of technological design; technical consultancy in the field of energy saving and energy efficiency; advisory services relating to gene therapy research; consultancy relating to the creation and design of web sites; consultancy relating to the creation and design of web sites for e-commerce; technological consultancy in the field of aerospace engineering; technological consultancy in the field of geology; consultancy services relating to research in the field of environmental protection; consultancy services relating to the design, development and use of computer hardware and software; consultancy in the field of scientific research; consultancy in the field of industrial research; consultancy relating to architectural planning; consultancy in the field of scientific and industrial research; oil-well testing; quality control testing; quality control; quality control of goods and services; quality control of goods; quality control of services; vehicle roadworthiness testing; configuration of computer hardware using software; configuration of computer networks using software; configuration of computer software; configuration, installation, fault diagnosis, repair, upgrading and maintenance of computer software; configuration of computer systems and networks; copying of computer software; cross-platform conversion of digital content into other forms of digital content; laboratory research; laboratory research in the field of bacteriology; laboratory research in the field of cosmetics; laboratory research in the field of chemistry; digital watermarking; mechanical engineering; land surveying; dress designing; updating of computer software; monitoring of water quality; monitoring of commercial and industrial sites for detection of volatile and non-volatile organic compounds; monitoring of computer systems for detecting unauthorized access or data breach; monitoring of computer systems to detect breakdowns; monitoring of computer systems by remote access; monitoring of telecommunication signals; monitoring of erosion and sedimentation; writing and updating computer software; writing of computer programs; commissioned writing of computer programs, software and code for the creation of web pages on the Internet; writing of data processing programs; writing of computer software; programming of telecommunications software; customization of computer software; research and development services in the field of immunohistology; research and development services relating to automobile tires; scientific services relating to the isolation and cultivation of human tissues and cells; scientific and industrial research; scientific and industrial research in the field of photovoltaics and solar collectors; scientific surveys; scientific research for medical purposes; scientific research and analysis; scientific research and development; research and development services in the field of microorganisms and cells; scientific and medical research and development; scientific research in the field of hair care preparations; scientific research conducted using databases; scientific research conducted using databases and the Internet; scientific and technological services; scientific analysis; providing information relating to computer programming; providing meteorological information; software as a service [SaaS]; updating of web sites; updating of Internet pages; updating of computer programs; updating of marine charts; updating of computer database software; updating of software for data processing; updating of

software for communication systems; updating of computer software relating to computer security and prevention of computer risks; upgrading of computer software; oil-field surveying; technical surveying; maintenance of computer software; maintenance of software for Internet access; maintenance of software used in the field of e-commerce; maintenance of computer software relating to computer security and prevention of computer risks; locating and marking the placement of underground utility pipes, cables or wires; authentication of diamonds; authenticating works of art; evaluation of product design; evaluation of product development; arranging the donation of human corpses for medical research; conducting technical project studies for construction projects; conducting sampling and analysis services to check for contamination; conducting sampling and analysis services to assess pollution levels; design of interior decor; geological estimation and research; evaluation and testing of real estate for the presence of hazardous material; quality evaluation of standing timber; quality evaluation of wool; quality evaluation of alpaca fiber; grading of lumber; evaluation of results from quality control tests conducted on goods and services; pharmaceutical product evaluation; evaluation of chemical analyses; evaluation of chemical syntheses; digitization of documents [scanning]; digitization of sound and images; scanning of images [conversion from physical to electronic media]; conversion of texts to digital format; conversion of data or documents from physical to electronic media; computer disaster recovery planning; urban planning; planning of buildings and infrastructure systems for buildings; construction planning; technical project planning; technical project planning in the field of engineering; planning and design of residential communities; planning and design of kitchens; planning and design of sports facilities; planning and design of retail premises; preparation of architectural plans; preparation of biological samples for analysis in research laboratories; preparation of biological samples for research purposes; preparation of biological samples for testing and analysis in research laboratories; preparation of engineering reports; preparation of scientific reports; preparation of reports relating to technical project studies for construction projects; preparation of reports relating to scientific research; preparation of reports relating to technological research; preparation of architectural reports; preparation of reports relating to technical research; construction drafting and consultancy relating thereto; preparation of technical reports; maintenance of computer software used for operating filling apparatus and machines; maintenance of web sites; archaeological exploration and research; troubleshooting in the nature of diagnosing problems with consumer electronics; hosting memory space on the Internet for storing digital photographs; rental of memory space on servers for hosting electronic bulletin boards; rental and maintenance of computer software; rental of computer hardware; rental of computer hardware and software; hosting software for use in library management; rental of computers and computer software; hosting multimedia and interactive applications; rental of Internet security programs; rental of software for inventory management; rental of software for importing and managing data; rental of software for web site development; rental of software for database management; rental of operating software for accessing and using a cloud computing network; rental of operating software for computer networks and servers; providing temporary use of on-line non-downloadable software for importing and managing data; providing temporary use of on-line non-downloadable software for web site development; providing temporary use of on-line non-downloadable software for inventory management; providing temporary use of on-line non-downloadable software for database management; providing temporary use of on-line non-downloadable operating software for accessing and using a cloud computing network; providing temporary use of on-line non-downloadable operating software for computer networks

and servers; providing temporary use of on-line non-downloadable software for use in publishing and printing; providing temporary use of on-line non-downloadable software for word processing; providing temporary use of on-line non-downloadable software; providing temporary use of non-downloadable computer software for preparing invoices; providing temporary use of non-downloadable business software; providing on-line non-downloadable software for use in communication; providing on-line non-downloadable software for use in enterprise resource planning; providing on-line non-downloadable software for use in database management; providing on-line non-downloadable software for use in customer relationship management; providing on-line non-downloadable software for use in supply chain management; providing on-line non-downloadable software for word processing; providing temporary use of web-based applications; providing temporary use of web-based software; providing temporary use of on-line non-downloadable investment software; providing temporary use of non-downloadable software to enable content providers to track multimedia content; providing temporary use of non-downloadable software to enable sharing of multimedia content and comments among users; providing temporary use of non-downloadable software for analyzing financial data and generating reports; providing temporary use of on-line applications and software tools; platform as a service [PaaS]; providing temporary use of on-line non-downloadable computer software for use in broadcast monitoring applications; providing temporary use of on-line non-downloadable computer software for language translation; providing temporary use of non-downloadable software applications accessible via a web site; providing information in the field of architectural design via a web site; providing information on computer technology and programming via a web site; providing scientific research information and results from an on-line searchable database; providing information in the field of computer software design; providing information in the field of computer software development; providing on-line information in the field of technological research from a computer database or the Internet; providing information relating to technological research; providing information and data relating to scientific and technological research and development; providing information and data relating to medical and veterinary research and development; providing information concerning research and technical project studies relating to the use of natural energy; providing information about fashion design services; providing information about medical and scientific research in the field of pharmaceuticals; providing information relating to scientific research in the fields of biochemistry and biotechnology; providing weather condition information affecting ski conditions and road closures; providing information about the design and development of computer software; providing information about industrial analysis and research services; providing information about the design and development of computer software, systems and networks; provision of information relating to industrial design; providing information on computer programming via a web site; providing information on computer technology via a web site; providing information in the field of product design; providing information on donation of human corpses for medical research; providing information about the design and development of computer hardware and software; providing information in the field of product development; providing information relating to computer programs; providing computer programs designed to the specifications of others; providing computer programs on data networks; providing technical advice relating to computer hardware and software; providing technical advice relating to computers; providing weather information; providing scientific information in the fields of climate change and global warming; provision of scientific information, advice and consultancy in relation to carbon offsetting; providing on-line information about industrial analysis and research services; providing on-

line information about the design and development of computer hardware and software; hosting on-line facilities for conducting interactive discussions; providing search engines for obtaining data on a global computer network; providing search engines for obtaining data via communications networks; providing search engines for the internet; providing Internet search engines with specific search options; providing technical information about computers, computer software and computer networks; provision of technical information in relation to computers; providing technical advice in the field of scientific and industrial research; providing technological information about environmentally conscious and green innovations; providing quality assurance services; providing electronic storage space [web space] on the Internet; conversion of computer programs and data, other than physical conversion; conversion of images from physical to electronic media; data conversion of electronic information; hosting computerized data, files, applications and information; conducting research and technical project studies relating to the use of natural energy; conducting technical project studies; industrial research, development and testing; conducting clinical trials in the field of acupuncture therapy; conducting clinical trials in the field of cardiovascular disease; conducting clinical trials for others [scientific research]; conducting of scientific studies; conducting of scientific experiments; conducting early evaluations in the field of new pharmaceuticals; conducting of chemical analyses; consumer product safety testing; authentication of stamps; meteorological forecasting; programming of web pages; programming of video game software; computer programming for data processing and communication systems; programming of computer animations; programming of computer game software; programming of multimedia equipment; programming of multimedia applications; programming of customized web pages featuring user-defined information, personal profiles and information; programming of customized web pages; engineering design; computer-aided graphic design; design of computer databases; design of web portals; design of web pages; design of building exteriors; design of building interiors and exteriors; design of building interiors; aircraft design; design of diagnostic apparatus and equipment; design of diagnostic apparatus; design of homepages and web pages; design of homepages and Internet pages; design and rental of software; design and graphic arts design for the creation of web sites; design and graphic arts design for the creation of web pages on the Internet; design and development of wireless data transmission apparatus; design and development of wireless data transmission apparatus, instruments and equipment; design and development of computer software architecture; design and development of computer hardware architecture; design and development of computer databases; design and development of computer firmware; design and development of diagnostic apparatus; design and development of homepages and web sites; design and development of engineering products; design and development of computer hardware and software for industrial applications; design and development of computer hardware and software; design and development of computer hardware, software and databases; design and development of computer database programs; design and development of computer peripherals; design and development of computer programs; design and development of computer software for process control; design and development of computer software for word processing; design and development of computer systems; design and development of computers; design and development of computers and computer software; design and development of medical diagnostic apparatus; design and development of testing and analysis methods; design and development of multimedia products; design and development of new technology for others; design and development of programs for data processing; design and development of computer database software; design and development of Internet security

programs; design and development of software for inventory management; design and development of software for importing and managing data; design and development of computer software for use with medical technology; design and development of software for control, regulation and monitoring of solar energy systems; design and development of computer software for logistics; design and development of computer software for logistics, supply chain management and e-business portals; design and development of computer software for data processing; design and development of route planning software; design and development of software for web site development; design and development of computer software for database management; design and development of computer software for supply chain management; design and development of software for electronic television program guides; design and development of data retrieval software; design and development of software for electronic databases; design and development of computer software; design and development of industrial products; design and development of energy distribution networks; design and development of systems for data input, output, processing, display and storage; design and development of data entry systems; design and development of data output systems; design and development of systems for regenerative energy generation; design and development of navigation systems; design and development of navigation systems and route planning software; design and development of operating software for accessing and using a cloud computing network; design and development of operating software for computer networks and servers; design and development of data processing systems; design and development of data display systems; design and development of data storage systems; design and development of medical technology; design and development of data processing apparatus; design and development of electronic databases; design and development of electronic greeting cards [e-cards]; design and development of electronic dictionaries; design and construction of homepages and web sites; design and creation of homepages and web pages; design and creation of homepages and Internet pages; design and maintenance of web sites for others; design and hosting of web portals; design of computer firmware; design of computer software for data processing; customized design of computer hardware; design of computer software, computer firmware, computer hardware and computer systems; computer hardware design; design of computer programs; computer system design; design of machines, apparatus and instruments; design of mechanical components; design of optical components; design of video game software; design of computer game software; design of computer software for word processing; customized design of computer software; plant engineering; design, development and programming of computer software; design, development, maintenance and updating of computer software for process control; design, development, maintenance and updating of computer software for data processing; design, development, maintenance and updating of computer software for word processing; design, development, maintenance and updating of computer software for word processing, data processing and process control; design of data processing systems; design of data storage systems; design of lighting systems; design of special effects; technical consultancy in the field of light engineering; design of data processing apparatus; design of telecommunications equipment; rental of web servers; rental of measuring apparatus; rental and updating of software for data processing; rental of computer hardware and computer peripherals; computer rental; rental of laboratory apparatus and instruments; rental of computer software; rental of software for Internet access; rental of computer software and programs; rental of a database server to third parties; industrial and graphic art design; unlocking of mobile phones; gas exploration; geological prospecting; marine, aerial and land surveying; oil prospecting; development of algorithms and computing methods for processing

telecommunication and navigation data; development of algorithms and computing methods for processing telecommunication and navigation signals; development of algorithms and computing methods for generating telecommunication and navigation data; development and updating of computer software; development of data transmission systems; development of data storage systems; hosting web sites on the Internet; hosting computer sites [web sites]; hosting on-line web facilities for others; hosting computer application software in the field of knowledge management for creating searchable databases of information and data; server hosting; duplication of computer programs; duplication of computer software; development of testing apparatus for electrical wires; architectural planning; development of computer firmware; development of computer hardware; development of diagnostic apparatus; development, design and updating of homepages; development of engineering products; design and writing of computer software; web site development; information technology engineering; design and updating of computer software; development and maintenance of web sites; design and programming of web sites; design and development of video game software; technical research projects and studies; design and development of wireless computer networks; design and development of wireless networks; design and development of web pages; design and development of computer hardware; design and development of virtual reality software; design and development of computer hardware for the manufacturing industry; design and development of computer game software; design and development of computer game software and virtual reality software; design and development of computer networks; design and development of computers and computer programs; design and development of software and hardware for data and multimedia content conversion from and to different protocols; design and development of software and hardware for audio and video operators; design and development of software and hardware for processing and distribution of multimedia content; design and development of software and hardware for digital signal processing; design and development of software and hardware for compression and decompression of multimedia content; design and development of software and hardware for producing, recording and processing digital and analog signals; design and development of software and hardware for signal amplification and transmission; design and development of electronic data security systems; design and development of telecommunications networks; design and development of photovoltaic systems; design and development of digital sound and image carriers; design and development of electronic language translation dictionaries and databases; design and development of information and communications technology; design and development of computer software for evaluation and calculation of data; design and development of computer software for reading, transmitting and organizing data; design and development of computer hardware and software for use in the field of medicine; design and development of prostheses; design and development of energy management software; design and development of endoprostheses; design and creation of homepages and web sites; product design and development; design and development of consumer products; development and maintenance of computer software; development and maintenance of computer database software; development and testing of computing methods, algorithms and software; development and testing of computing methods, algorithms and software for generating telecommunication and navigation data; development and testing of computing methods, algorithms and software for processing telecommunication and navigation signals; development and testing of computer software; development and testing of chemical production methods; development of computer hardware for computer games; design of computer hardware and software for commercial analysis and reporting; design of computer hardware and software; design of

computer hardware, software and computer peripherals; development of computer hardware and software; design of computer peripherals; development of computer databases; development of computer peripherals; development of computer software; development of computer software for use with computer-controlled switching systems; development of computer software for use with programmable controllers; developing computer programs for electronic cash register systems; development of computer programs and computer game software; design of computer programs and software relating to aircraft; development of computer programs for simulating laboratory experiments; development of computer systems; development of computers; drug development; development of measuring and testing methods; design, updating and rental of computer software; development of new products; development of operating system software; construction drafting; development, maintenance and updating of a telecommunication network search engine; development of application software for delivery of multimedia content; design of programs for data processing; development, programming and rental of data processing programs; computer software design; development of computer software for computer aided design/computer aided manufacturing [CAD/CAM]; design of computer database software; development of software for secure network operations; development of video game software; software development in the framework of software publishing; design of software for use with printing machines; development of computer game software; development of computer software for logistics, supply chain management and e-business portals; development of image processing software; development of computer software for data processing; development of computer software for word processing; development of software for communication systems; development of computer software for creating electronic television program guides; development of driver software; development of driver and operating system software; customized design of computer hardware and software; development of programs for data processing; industrial process development; development of industrial products; design of prostheses; design, development, installation and maintenance of computer software; design of apparatus and machines for filling purposes; development of computer software application solutions; development of data processing systems; development of energy and power management systems; computer-aided engineering design; design, programming and maintenance of computer software; design, maintenance, rental and updating of computer software; design, maintenance and updating of computer software; design, development, maintenance and updating of computer software; product development; development of consumer products; design, installation, updating and maintenance of computer software; development of data processing apparatus; development of pharmaceutical preparations and medicines; cloud seeding; decoding of data; repair of computer programs; certification of diamonds; compression of data for electronic storage; development of prostheses; consultancy in the field of energy-saving; design of clothing accessories; design of animations; creation and design of web pages for others; creation and maintenance of Internet sites; creating and maintaining customized web pages; creating and maintaining web sites for cellular phones; building and maintaining websites; design and creation of web sites; design and development of driver software; design and development of image processing software; creating and designing website-based indexes of information for others [information technology services]; creating and maintaining web sites; design and maintenance of Internet homepages; design and testing of new products; creating and maintaining web pages; creating and maintaining web sites for others; creation and development of computer programs for data processing; programming of computer software for electronic language translation dictionaries and databases; programming of computer software for evaluation and

calculation of data; programming of computer software for reading, transmitting and organizing data; programming of energy management software; design of computer graphics; creation of computer programs; design of computer networks; design of new products; design, upgrading and rental of computer software; creation, maintenance, and updating of computer software; design of operating system software; creating, maintaining and hosting the web sites of others; programming of software for Internet portals, chatrooms, chat lines and Internet forums; design of driver software; creation of programs for data processing; creation, design and maintenance of web sites; creation, design, development, and maintenance of web sites; programming of operating software for accessing and using a cloud computing network; programming of operating software for computer networks and servers; electronic site authoring; product benchmarking; maintenance and repair of computer software; upgrading and maintenance of computer software; updating and maintenance of computer software; maintenance and updating of software for communication systems; maintenance of computer programs; maintenance of database software; grading of precious stones; grading of coins; well logging; programming of software for information platforms on the Internet; computer programming for the medical sector; programming of software for Internet platforms; computer programming; programming of software for e-commerce platforms; programming of Internet security programs; programming of software for inventory management; programming of software for importing and managing data; programming of software for web site development; programming of software for database management; programming of data processing programs; programming of electronic data processing [EDP] software; technical writing; drafting of construction plans for recreation facilities; structural and functional analysis of genomes; marine surveying; aerial surveying; topographical surveying; testing, analysis and monitoring of navigation signals; testing, analysis and monitoring of system algorithms for generating telecommunications and navigation data; testing, analysis and monitoring of system algorithms for processing telecommunications and navigation data; testing, analysis and monitoring of telecommunication and navigation signals; testing, analysis and monitoring of telecommunication signals; testing, analysis and evaluation of the goods and services of others for the purpose of certification; testing, analysis and evaluation of the goods of others for the purpose of certification; testing, analysis and evaluation of the services of others for the purpose of certification; testing of apparatus in the field of electrical engineering; testing of apparatus in the field of electrical engineering for certification purposes; testing of computer installations; product safety testing; material testing and analysis; material testing and evaluation; quality testing; quality control testing of products; quality control testing of products for certification purposes; quality testing of products for certification purposes; testing of computer hardware; testing of computer hardware and software; testing of computer programs; quality control testing and consultancy relating thereto; testing of new products; testing of computer software; industrial testing; product testing; testing of raw materials; testing of telecommunication signals; testing of filters; bacteriological testing; DNA screening for scientific research purposes; maintenance of computer software for data processing; maintenance of software for communication systems; technical consultancy relating to the use of computer hardware; technical consultancy relating to product development; providing technical advice relating to energy-saving measures; technical consultancy relating to the application and use of computer software; technical consultancy relating to the installation and maintenance of computer software; technical drawing; technical development of structural elements, devices and systems for solar collectors and photovoltaic plants; technological consultancy in the fields of energy production and use; technical design and planning of heating installations;

technical design and planning of sewerage systems; technical design and planning of water purification plants; technical design and planning of telecommunications equipment; technical design and planning of telecommunications networks; technical design and planning of pipelines for gas, water and waste water; technical design and planning of power stations; copying of computer programs; architectural project management; managing web sites for others; conducting engineering surveys; conducting of technical feasibility studies; computer project management in the field of electronic data processing [EDP]; administration of user rights in computer networks; conducting of quality control tests; conducting of quality control tests on goods and services; remote server administration; blood analysis services for scientific research purposes; analytical laboratory services; chemical research and analysis; architectural services relating to land development; architectural services for the design of buildings; architectural services for the design of retail premises; architectural services for the design of industrial buildings; architectural services for the design of shopping centers; architectural services for the design of office buildings; architectural services; biological laboratory services; web design; hosting web sites; outsource service providers in the field of information technology; agrochemical research; architectural and engineering services; biomedical research; footwear design; computer system integration services; data encryption and decoding services; chemistry services; genetic engineering services; mechanical and electrical engineering services; telecommunications engineering; research, development, analysis and consultancy services in the field of engineering; genetic engineering services relating to plants; graphic design services; packaging design; architectural design; off-site data backup; illustrators' services; inspection services for new and used vehicles for persons buying or selling their vehicles; analysis services for oil field exploration; dental research laboratory services; computer programming services for commercial analysis and reporting; computer programming services for electronic data security; computer-aided diagnostic testing services; consultancy in the field of bacteriology; computer technology consultancy; advisory services in the field of product development and quality improvement of software; telecommunications technology consultancy; advisory and information services relating to computer software; consultancy services relating to software used in the field of e-commerce; medical research laboratory services; optical research laboratory services; laboratory testing; scientific and technological services and research and design relating thereto; scientific and technological services and research and development relating thereto; cloud computing; scientific laboratory services; computer-aided scientific analysis; computer-aided design; computer-aided design services relating to architecture; computer-aided design services relating to building projects; computer-aided industrial analysis; computer-aided industrial design, research, testing and analysis services; computer-aided testing services; computer-aided industrial research; computer-aided scientific research; computer-aided scientific research, testing and analysis services; analysis and testing services in the field of oil exploitation; analysis and testing services relating to electrical engineering apparatus; analysis and testing services for the oil industry; biological cloning services; civil engineering; surveying and engineering services; design services in the field of naval shipbuilding; fashion design; lighting design; underwater structural inspection services; engineering consultancy; research and consultancy services relating to computer software; research and design services; research and development services relating to computer hardware and software; research and development services relating to computer hardware; research and development services relating to computer software; research and development services in the field of bacteriology;

research and development services in the field of gene expression systems; research and development services in the field of immunology; research and development services in the field of engineering; research and development services in the field of antibody technology; research and development services in the field of chemistry; research and development services in the field of cytology; research and development services in the field of physics; research and development services relating to vaccines; research, testing and analysis services; computer security services for protection against illegal network access; advisory and consultancy services relating to the design and development of computer hardware; consultancy in the field of office and workplace automation; environmental testing services to detect contaminants in water; water quality control services; configuration of computer networks; web site load testing services; research and development services in the field of antibodies; scientific research, testing and analysis services; radon detection services; data migration services; architectural planning and consultancy services; planning and layout design services for cleanroom environments; advisory and information services relating to the design and development of computer hardware; advisory and information services relating to the design and development of computer peripherals; exploration services to locate oil and gas; research and development services relating to vaccines and medicines; research and development services relating to solar cells and electricity generation; research and development services relating to measuring and regulating technology; research and development services relating to fertilizers; laboratory research and analysis; diamond authentication and certification services; weather forecasting; IT programming services; computer programming services for data warehousing; computer programming services relating to multimedia and interactive applications; design services relating to civil engineering; design and planning services relating to telecommunications equipment; design services relating to printed matter; industrial analysis; industrial analysis and industrial research services; industrial analysis and research services in the field of chemistry; industrial development services; industrial research, testing and analysis services; database development services; brand design services; video game development services; development and testing services in the field of engineering; drug discovery services; development services in the field of computer software and advisory services relating thereto; electronic data backup; styling [industrial design]; software engineering services for data processing programs; cartography services; mapping; web site usability testing services; testing services for the certification of quality or standards; testing and research services in the field of preventing pollution; testing and research services in the field of civil engineering; testing and research services in the field of electricity; testing and research services relating to machines, apparatus and instruments; technical testing and quality control services; testing, inspection and research services in the fields of pharmaceuticals, cosmetics and foodstuffs; testing, inspection and research services in the fields of agriculture, livestock breeding and fisheries; quality control services for certification purposes; testing services for computer hardware and software used with alarm and monitoring systems; computer hardware and software testing services; quality control testing services for forestry equipment; quality control testing services for horticultural equipment; quality control testing services for industrial machinery; quality control testing services for agricultural machinery; testing services for alarm and monitoring systems; technical measuring services; technical measuring and testing services; computer software technical support services; technical design; technical design services relating to water supply installations; technical design services relating to heating installations; technical design services relating to sanitary apparatus and installations; technical design services relating to cooling appliances and installations; technical design services relating to electricity plants; technical testing

services; technical planning and consultancy in the field of light engineering; environmental assessment services; environmental testing and inspection services; environmental monitoring services; design and construction planning services and consultancy relating thereto; computer-aided engineering design and drawing services; mineral exploration; computer software support services; technological services and research and design relating thereto; chemical laboratory services; chemical and biological laboratory services; draftsman's services in the nature of technical drawing; data encryption services; electronic data storage and data backup services; development of new technology for others; installation, maintenance and repair of software for computer systems; installation of software for Internet access; installation, maintenance, updating and upgrading of computer software; debugging computer software for others; chemical engineering; hosting weblogs [blogs]; hosting web portals; hosting an on-line web site for creating and hosting micro web sites for businesses; hosting the web sites of others; hosting and rental of memory space for web sites; hosting the web sites of others on a computer server for a global computer network; hosting computer databases; hosting computer software applications for others; hosting multimedia educational content; hosting multimedia entertainment content; hosting multimedia entertainment and educational content for others; hosting memory space on the Internet; hosting on-line web facilities for others for sharing on-line content; hosting on-line web facilities for others for conducting interactive discussions; hosting e-commerce platforms on the Internet; hosting customized web pages; hosting memory space for web sites; hosting platforms on the Internet; hosting digital content on the Internet; hosting electronic memory space on the Internet for advertising goods and services; on-line data storage; electronic data storage; computerized data storage; computerized business information storage; surveying; technical project studies in the field of construction; inspection of goods for quality control; maintenance and consultancy services relating to software used in the field of e-commerce; electronic monitoring of credit card activity to detect fraud via the internet; electronic monitoring of personally identifying information to detect identity theft via the internet.

Class 06
Vintage metal signs (non-luminous and non-mechanical); labels of metal; signboards of metal; advertising signs of metal (non-luminous and non-mechanical); bottle caps of metal; tins of metal; ice moulds of metal.

Class 14
Cuff links; jewelry pins; ornamental pins; jewelry; key rings; charms for key rings; wristwatches; table clocks; wall clocks; alarm clocks; works of art of precious metal; coins; medals; tie clips; bracelets; jewelry boxes.

Class 16
Notebooks; diaries; posters; advertising posters of paper; advertisement boards of card; signboards of paper or cardboard; coasters of paper; place mats of paper; table runners of paper; tablecloths of paper; table napkins of paper; stickers [stationery]; calendars; picture postcards; nibs; fountain pens; penholders; pen and pencil boxes; cases for pocket pens; holders for

desktop accessories; paper knives, being office requisites; stationery; tickets; gift bags of paper; paper shopping bags; plastic shopping bags; paper; wrapping paper; writing paper; envelopes; gift wrap paper; folders for papers; wrappers [stationery]; paper luggage labels; paper gift labels; paper tissues; paperweights; page holders; stamps; bottle envelopes of paper or cardboard; adhesive tapes for stationery or household purposes; paper ribbons; teaching materials, except apparatus; catalogues; booklets; books; pictures; pamphlets; printed publications; magazines [periodicals]; periodicals; flyers; money holders; checkbook covers; document holders [stationery]; passport covers; paper gift boxes; boxes of cardboard or paper; bookmarkers; paper banners; bunting of paper; flags and pennants of paper; photograph stands; seals.

Class 21

Siphon bottles for carbonated water; cocktail shaker, being a goblet shaped container for barmen to prepare and mix cocktails; strainer, not of precious metal; wine strainers; strainers for cocktails; mixing glass; drinking glasses; mixing cups; bar mats for use in draining and drying cocktailware and glasses; drip mats, not of paper or textile, for cocktails; drip bar mat, not of paper or textile; drip bar mat of metal; plastic coasters; rubber coasters; coasters, not of paper or textile; bottles; cocktail shakers; cocktail stirrers; corkscrews, electric and non-electric; coolers [ice pails]; ice cube molds; mixing spoons; pots; cups; saucers; table plates; bowls; trays of metal, for home use or in bars; beaters, non-electric; isothermic bags; liqueur sets.

Class 32

Beer; beer-based cocktails; non-alcoholic cocktails; non-alcoholic aperitifs; seltzer water; mineral waters; non-alcoholic fruit juice beverages; energy drinks; essences for making beverages; must; pastilles for effervescing beverages; powders for effervescing beverages; non-alcoholic preparations for making beverages; syrups for beverages; fruit juices; vegetable juices [beverages].

Class 33

Alcoholic beverages, except beers; preparations for making alcoholic beverages; wines; flavored drinks based on wine; sparkling wines; alcoholic bitters; aperitifs; premixed alcoholic beverages, other than beer-based; cocktails; distilled beverages; bourbon; gin [brandy]; liquors; whiskey; vermouth; alcoholic essences; alcoholic extracts.

Class 43

Rental of furniture, linens and table settings; temporary accommodation; providing food and drink; rental of chairs, tables, table linen, glassware; catering for the provision of food and beverages; rental of water dispensers; bistro services; catering in fast-food cafeterias; cookery advice; wine tasting services (provision of beverages); providing of food and drink via a mobile truck; delicatessens [restaurants]; rental of bar equipment; rental of drink dispensing machines; arranging of meals in hotels; arranging of wedding receptions [food and drink]; outside catering services; hotel catering services; catering services for the provision of food; hotel services; hotels, hostels and boarding houses, holiday and tourist accommodation; cafeterias; mobile catering services; wine bar services; restaurant services provided by hotels; mobile restaurant services; self-service restaurants; services for the preparation of food and drink; provision of information relating to the preparation of food and drink; snack-bars; serving food and drinks; hotel restaurant services; restaurant services; making reservations

and bookings for restaurants and meals; reservation services for booking meals.

Class 09

Computer hardware; computer hardware and computer software for database management; electronic databases; electronic databases recorded on computer media; geospatial and Earth observation database; data hubs, namely downloadable electronically stored data (including metadata) and libraries of image files; software, namely software containing algorithms for analysis and interpretation of Earth observation data and imagery, including step by step processes for solving a class of Earth observation problems through calculation, data processing and automated reasoning; software, namely software containing indices to classify features appearing in Earth observation data and imagery, including statistical measurements; downloadable multimedia files in the nature of moving and still images; computer software for creating searchable databases; computer software for application and database integration; database software; access control software; application development software; client/server applications software for delivery and analysis and interpretation of Earth observation data and imagery; data exchange software; communication software; computer database servers (software); computer software to enable connection to databases, computer networks and the Internet; computer software for the collection, compilation, systemisation, processing, analysis, reproduction, transmission and storage of data, database information and images, including aerial and satellite images and other Earth observation data and information; computer software for telemetry; digital elevation modeling software; land movement sensors and measuring apparatus; data communication apparatus that transmit data and information to databases; data processing equipment and computers; computer apparatus

XERRA

and electronic apparatus for the collection, compilation, systemisation, processing, analysis, reproduction, transmission and storage of data, database information and images, including aerial and satellite images and other Earth observation data and information; satellites for scientific purposes; satellites for use in Earth observation; satellite receiving and transmission apparatus and instruments; data communications and electrical communications equipment, apparatus and installations; electronic sensors; instruments for displaying, receiving, storing, indexing and searching electronic information; data processing equipment; electronic publications.

Class 35

Database management services; computerised database management; collection, compilation, systemisation analysis of data and information in computer databases; analysis of business data and information in computer databases; updating and maintenance of data and information in computer databases; collection, compilation, systematisation and analysis of satellite and other Earth observation data and information stored in computer databases for commercial purposes; business consulting in geographical, geospatial and spatial information software and systems, and database software and systems; business consulting in geographical, geospatial and spatial information design, and database design; negotiating contracts relating to the purchase of images, including satellite and other Earth observation images and geospatial data; retail and wholesale services related to the selling and reselling of Earth observation and geospatial data; business management advisory services, namely advisory services relating to the integration of Earth observation information and environmental factors into business operations and business workflows, integration of Earth observation into business workflow; data processing services for data and information; advisory, consultancy and information services relating to the aforementioned services.

Class 37

Building, construction, assembly, installation and repair of carrier rockets, spacecraft and satellites, and of equipment for carrier rockets, spacecraft and satellites; installation of hardware for mechanical, electric and computer interfaces between a satellite and a launch rocket, including carrier rockets; installation of satellites and spacecraft on carrier rockets; construction and building including expansion of installations and ground stations for satellites and for equipment relating thereto; repair, maintenance and servicing in the field of carrier rockets, spacecraft and satellites; construction of satellites, namely building and installation of peripheral hardware for satellites, including sensors; advisory, consultancy and information services relating to the aforementioned services.

Class 38

Telecommunications and transmission services, including telecommunications and transmission services provided via the Internet; transmission, communications and telecommunications relating to satellite images and other Earth observation data and information; providing access to databases and data processing systems, via the Internet; leasing of access time to databases; transmission of database information and data via telecommunication networks; providing telecommunications connections to a global communication network or databases; transmission and reception of database information via telecommunication networks; electronic exchange of data stored in databases accessible via telecommunication networks; satellite transmission; satellite communication services; transmission of data and information by satellite; telematics services; electronic data interchange and exchange services; electronic, digital and computerised information exchange; transmission of

information accessible by access code, via data processing servers, via computerised database servers, via computer or data transmission networks, including the Internet; providing of access by telecommunications to data processing systems; advisory, consultancy and information services relating to the aforementioned services; providing access to Earth observation data/imagery and remote sensing data for use in environmental monitoring and in industry.

Class 41

Education and instructions services; training; arranging and running of seminars, lectures, workshops and practical training courses (demonstrations), including those provided online, from a computer database or via the Internet; arranging of seminars and practical training courses in relation to the use and analysis of satellite and other Earth observation data and information; on-line publication of electronic books and journals; editing and publication of books, texts, directives and instructional manuals, other than publicity texts in relation to the aforementioned activities; advisory, consultancy and information services relating to all the aforementioned services.

Class 42

Design and development of computer software; research and development of computer systems in the field of aerial and satellite images and other Earth observation data; research in the field of science, including satellite technology and earth observation; database design and development services, including design and development of computer or electronic databases; hosting of databases; installation and maintenance of database software; design, development and maintenance of computer database software and database management software; electronic storage services for databases; leasing of computer database software; rental of database management software; scientific research conducted using databases; updating of computer software for databases; consultancy relating to computer database programmes; leasing of a database server to third parties; scientific research conducted using databases; electronic storage services for data and information including aerial and satellite images and other Earth observation data and information; providing software for database management; providing scientific research data and information from an online searchable database; providing online information in the fields of scientific and technological research from a computer database or the Internet; providing scientific data and information including aerial and satellite images and other Earth observation data and information from an on-line searchable database; hosting of databases; software as a service (SaaS) for use in information technology solutions, data centres and data storage, data and information management; development of geographical, geospatial and spatial information software and systems; advisory services relating to geographical, geospatial and spatial information software and systems, relating to the use of Earth observation data and images and relating to database software and systems, and consultancy services relating to the aforementioned services; scientific analysis of Earth observation and geospatial data and analysis of insights; scientific information services reporting insights based on analysis of Earth observation data and imagery; providing scientific information, namely Earth observation and geospatial data and images; design and development of satellites and peripheral hardware for satellites, including sensors; image analysis software development; design of computer databases and software for Earth observation and geospatial data; cloud computing; data wrangling as a service, namely, conversion of computer programs and data, other than physical conversion; software development as a service; scientific research services; research and development as a service; electronic data storage as a service; electronic storage of Earth observation data/imagery;

collaboration scientific and technological services; computerised analysis of raw Earth observation data for the creation of images; providing scientific information and conducting scientific research in the field of Earth observation, remote sensing and geospatial science; scientific advisory services; advisory, consultancy and information services relating to the aforementioned services.

Class 45

Licensing of computer software; licensing of computer hardware; advisory, consultancy and information services relating to the aforementioned service; lobbying services relating to the creation of Earth observation and space legislation policy.
