The Registry of Trade Marks does not guarantee the accuracy of its publications, data records or advice nor accept any responsibility for errors or omissions or their consequences. Permission to reproduce extracts from this Journal must be obtained from the Registrar of Trade Marks.

GENERAL INFORMATION**Trade Marks Journal**

This journal is published by the Registry of Trade Marks pursuant to Rule 86A of the Trade Marks Rules.

It is published weekly on Fridays and on other days when necessary, upon giving notice by way of circulars found on our website.

Requests for past issues of journals published more than three months ago may be made at <http://bit.ly/paymentipos> and is chargeable at \$12 per issue.

Instructions on payment will be provided to you via email within 7 working days after we receive your online request. Payment shall be made via IP²SG's payment platform. Acceptable modes of payment include Internet Banking, Visa/Master credit and debit cards and GIRO.

The journal(s) will be reproduced in CD-ROM and we will arrange an appointment with you to collect the CD-ROM at the following address:

Address:	Intellectual Property Office of Singapore 1 Paya Lebar Link, #11-03 PLQ 1, Paya Lebar Quarter Singapore 408533
Business Hours:	Monday to Friday: 8:30am to 5:30pm Saturday, Sunday and Public Holiday: CLOSED

REGISTRATION AS ACCOUNT HOLDER TO E-FILE AND PAY BY GIRO**

This Practice Direction is issued by the Registrar under Rule 78B(1) of the Trade Marks Rules, to specify the procedure for applying to the Registrar to be registered as an account holder.

This Practice Direction will come into effect on 1 January 2006.

Any person who wishes to use eTrademarks to effect a transaction and make payment by GIRO must register with the Intellectual Property Office of Singapore (IPOS) as an Account Holder. Approval is at the sole discretion of IPOS. Upon approval, an eTrademarks account will be created in the name of the person and the person will receive a User ID and Password.

To register, access IPOS address at <http://www.ipos.gov.sg> and [download the eTrademarks Account Holder Registration Form](#).

The person may appoint an Administrator to administer and manage his eTrademarks Account through the eTrademarks "[Maintenance of Authorised Representatives](#)" service.

The responsibilities of the Administrator are as follows:

- appointment of one or more Representatives to access eTrademarks and make payment by GIRO on behalf of the Account Holder;
- updating of the particulars of the Representatives; and
- removal of any Representative's rights to access eTrademarks and make payment by GIRO on behalf of the Account Holder.

These responsibilities are to be conducted through the eTrademarks "Maintenance of Authorised Representatives" service.

Please note that all Authorized Representatives must be CPF account holders with SingPass. The Authorized Representatives are required to sign in using their SingPass to ensure security for GIRO deductions for the online transactions. If the person does not have a GIRO account with IPOS, please complete the [GIRO Application Form](#) and submit it to IPOS.

The completed eTrademarks Account Holder Registration Form and GIRO Application Form should be mailed or couriered to the Intellectual Property Office of Singapore with the address 51 Bras Basah Road #04-01 Plaza By The Park Singapore 189554 and attentioned to Mrs Ang-Ong Bee Lian. Fax submissions are not acceptable.

Dated this 30th day of December 2005.

HOURS OF BUSINESS AND EXCLUDED DAYS**

This Practice Direction is issued by the Registrar under Section 78 of the Trade Marks Act, to specify the hours of business of the Registry and the days which are to be treated as excluded days.

This Practice Direction will come into effect on 1 July 2004.

Hours Of Business

- (1) The hours of business of the Registry shall be as follows:
- (a) 8.30 am to 12.30 pm and 1.30 pm to 5.30 pm from Monday to Friday, except on a day which is an excluded day; and
 - (b) 8.30 a.m. to 1.00 p.m. on any Saturday which is not an excluded day.
- (2) Notwithstanding paragraph (1), for the purposes of carrying out of any transaction referred to in rule 78A(2) by means of the electronic online system, the Registry shall be taken to be open every day at all hours, except on any day which is an excluded day for the purposes of carrying out of transactions by means of the electronic online system.

Excluded Days

- (1) All Sundays, public holidays and such other days as the Registrar may specify, shall be excluded days for all purposes under the Act and the Rules.

Application Published for Opposition Purposes Under The Trade Marks Act (Cap.332, 2005 Ed.)

Registration has been applied for in the respect of the following Trade Marks under the provisions of the Trade Marks Act (Cap. 332, 2005 Ed.)

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.

Boat engines; Parts of motors; Engine belts; Parts of engines; Engine valves; Parts of machines; Marine engines; Bits [parts of machines]; Engine bearings; Drums [parts of machines]; Engine housings; Grabs [parts of machines]; Engine mufflers; Hoods [parts of machines]; Engine injectors; Joints [parts of engines]; Parts of engines; Molds [parts of machines]; Gear levers other than for land vehicles; Aeroplane engines; Pulleys [parts of motors]; Clutch levers, other than for land vehicles; Belts for engines; Tools [parts of machines]; Heat exchangers [parts of machines]; Engine fuel pumps; Aprons [parts of machines]; Heat exchangers being parts of machines; Engines for boats; Arbors [parts of machines]; Heat exchange apparatus [parts of machines]; Engines for ships; Blades [parts of machines]; Heat exchanging apparatus [parts of machines]; Valves for engines; Chucks [parts of machines]; Feed pumps; Filters for engines; Chutes [parts of machines]; Gear pumps; Pistons for engines; Silt pumps; Bearings for engines; Sump pumps; Starters for engines; Axial pumps; Injectors for engines; Bilge pumps; Push rods for engines; Fluid pumps; Silencers for engines; Motor pumps; Compressed air engines; Pump shafts; Engine speed governors; Screw pumps; Engines for marine use; Marine pumps; Regulators for engines; Rotary pumps; Air filters for engines; Sludge pumps; Engines for aeronautics; Vacuum pumps; Oil coolers for engines; Machine pumps; Oil filters for engines; Suction pumps; Rocker arms for engines; Aerating pumps; Spark plugs for engines; Oil coolers for motors; Engine cooling radiators; Oil coolers for engines; Fans for machine engines; Worm gear manual hoists; Timing belts for engines; Worm gears for machines; Ball bearings for engines; Worm gear reduction units; Engine driven water pumps; Alternators; Joints [parts of engines]; Starter alternators; Pumps for cooling engines; Electric alternators; Timing chains for engines; Alternators for trucks; Cylinder heads for engines; AC generators [alternators]; Engines for marine vessels; Alternators for land vehicles; Engines for water vehicles; Carbon brushes for alternators; Fuel injectors for engines; Electric alternators for machines; Outboard engines for boats; Alternators for commercial vehicles; Diesel engines for machines; Electric alternators for land vehicles; Fans for motors and engines; Electric alternators for water vehicles; Fittings for engine boilers; Operating [control] cables for machines; Belts for motors and engines; Remote control devices [cables] for machine; Fuel economizers for engines; Control cables for machines, engines or motors; Hydraulic engines and motors; Remote control devices [cables] for use with electric machine; Bushes being parts of engines; Remote control devices [cables] for use with remotely controlled electric machine; Glow plugs for diesel engines; Throttle valves; Ignition magnetos for engines; Filters being parts of engines; Filters for motors and engines; Metal pipes [parts of engines]; Metal tubes [parts of engines]; Pumps for land vehicle engines; Rocker arms [parts of engines]; Electronic starters for engines; Engine fuel injection apparatus; Engines for fixed installations; Exhausts for motors and engines; Fuel feed apparatus for engines; Hydraulic couplings for engines; Machines for use in engineering; Mufflers for motors and engines; Piston rings being engine parts; Spark plugs for vehicle engines; Starters for motors and engines; Starters for stationary engines; Turbo-superchargers for engines; Timing belts for vehicle engines; Control cables for marine engines; Diesel engines for water vehicles; Engines for construction machines; Filters for lubricants in engines; Metal engine gaskets for vehicles; Sealing joints [parts of engines]; Spindle shafts [parts of engines]; Timing chains for vehicle engines; Air filters being parts of engines; Fuel injection systems for engines; Oil filters for motors and engines; V-belts pulleys [parts of engines]; Diesel engines for stationary plant; Diesel turbine engines for machines; Oil filtering apparatus for

engines; Diesel engines not for land vehicles; Feeding apparatus for engine boilers; Engines, other than for land vehicles; Internal combustion engines for boats; Engines for use in powering watercraft; Exhausts for engines of water vehicles; Filter housings being parts of engines; Filters [parts of machines or engines]; Gasoline engines not for land vehicles; Diesel turbine engines for air vehicles; Filters for internal combustion engines; Fuel economisers for motors and engines; Gaskets for internal combustion engines; Metal branching pipes [parts of engines]; Vacuum control valves [parts of engines]; Diesel turbine engines for water vehicles; Water pumps for use in motors and engines; Filters being parts of machines or engines; Metallic flexible pipes [parts of engines]; Oil filters for engine lubrication systems; Radiators [cooling] for motors and engines; Catalytic converters for motors and engines; Crankcases for machines, motors and engines; Engine mounts, other than for land vehicles; Metal T pieces for pipes [parts of engines]; Taps [parts of machines, engines or motors]; Diesel engines, other than for land vehicles; Fuel systems for internal combustion engines; Steam marine engines [not for land vehicles]; Anti-pollution devices for motors and engines; Connecting rods [parts of motors and engines]; Dashpot plungers [parts of engines or motors]; Filters for cleaning cooling air, for engines; Fuel injector pipes for use in diesel engines; Baffles [parts of machines, engines or motors]; Control cables for machines, engines or motors; Electric engines, other than for land vehicles; Faucets [parts of machines, engines or motors]; Filters being parts of engines for cooling air; Fuel injectors for internal combustion engines; Ignition coils for internal combustion engines; Ignition parts for internal combustion engines; Pumps as parts of machines, motors and engines; Radiator caps for cooling radiators of engines; Sparking plugs for internal combustion engines; Filters being parts of engines for cleaning air; Hydraulic control apparatus for vehicle engines; Ignition cables for internal combustion engines; Pneumatic control apparatus for vehicle engines; Exhaust gas treatment systems for diesel engines; Speed governors for machines, engines and motors; Air inlets [parts of machines, engines or motors]; Exhaust apparatus for internal combustion engines; Oil vapour filters [parts of machines or engines]; Hydraulic controls for machines, motors and engines; Pneumatic controls for machines, motors and engines; Recoil starters for engines other than for vehicles; Compressors as parts of machines, motors and engines; Filters for cleaning the lubricating oils in engines; Filters for liquid hydrocarbons in engines or motors; Fuel/air ratio controls [parts of engines or motors]; Connecting links [parts of machines, engines or motors]; Fuel injection apparatus for internal combustion engines; Filters for dust for use with internal combustion engines; Fuel conversion apparatus for internal combustion engines; Liquid filtering apparatus [parts of engines or machines]; Non-electric coupling rings [parts of motors and engines]; Radiator caps for cooling radiators for motors and engines; Electric ignition apparatus for internal combustion engines; Non-electric coupling sleeves [parts of motors and engines]; Insulated metal pipes [parts of machines, engines or motors]; Speed reducers [mechanical] for machines, engines and motors; Exhaust gas recirculation [EGR] valves for motors and engines; Insulated metal tubing [parts of machines, engines or motors]; Filters for hot gases for use with internal combustion engines; Speed regulators [mechanical] for machines, engines and motors; Crosshead extension rods [parts of machines, engines or motors]; Machine tools for use in the production of engines for vehicles; Speed controllers [mechanical] for machines, engines and motors; Distributor manifolds being parts of machines, engines or motors; Insulated metal pipelines [parts of machines, engines or motors]; Metal high pressure hoses [parts of machines, engines or motors]; Portable steam engines for agricultural use, other than transport; Portable steam engines for horticultural use, other than transport; Positive crankcase ventilation [PCV] valves for motors and engines; Electronic fuel injection apparatus

for internal combustion engines; High test steel connecting parts [parts of machines, engines or motors]; Gasifiers for gaseous and/or liquid fuels for internal combustion engines; Fuel and air mixture regulators being parts of internal combustion engines; Mounting hangers adapted for exhaust systems for internal combustion engines; High pressure precision valves of metal [parts of machines, engines or motors]; Internal combustion engines for power generation, other than for land vehicles; Fuel nozzles; Spray nozzles being parts of machines; Plunger pistons; Plungers [machines]; Cylinder liners; Gears for machines; Gears for water vehicles; Step-up gears for machines; Transmission gears for machines; Reducing gears [parts of machines]; Transmission gears for water vehicles; Crank shafts; High pressure compressors; Metal high pressure hoses [parts of machines, engines or motors]; Lubrication pumps; Lubrication machines; Machines for compressed air lubrication; Oil filters for engine lubrication systems; Oil pressure pumps; Oil coolers for motors; Oil coolers for engines; Oil filters for engines; Engine camshafts; Camshafts for machines; Camshafts for vehicle engines; Mining machines; Bits for mining machines; Tools for mining machines; Drills for the mining industry.

Class 12

Brake levers for vehicles; Gear lever knobs for vehicles; Gear levers for land vehicles; Shift levers for land vehicles; Clutch levers for land vehicles; Gear lever knobs for land vehicles; Speed gear levers for land vehicles; Transmission levers for land vehicles; Engines for automobiles; Engines for land vehicles; Hoods for vehicle engines; Caps for engine oil intakes; Heat engines for land vehicles; Engine mounts for land vehicles; Engines for motor land vehicles; Diesel engines for land vehicles; Gasoline engines for land vehicles; Diesel turbine engines for land vehicles; Internal combustion engines for land vehicles; Connecting rods for land vehicles, other than parts of motors and engines; Compressors for supercharging internal combustion engines of land vehicles; Treads for retreading tyres for vehicles used in the civil engineering industry.

Class 09

Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, recording discs; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment and computers; computer software; computer programs; computer software in the form of an application for mobile devices and computers; software applications for use with mobile devices; software for processing electronic payments to and from others; computer software and software applications used in relation to financial services, financial transactions, electronic commerce, electronic payments, foreign currency exchange, trading and brokerage services and investment advisory services; authentication software; computer software and computer software applications (downloadable); instant messaging software; file sharing software; communications software for electronically exchanging data, audio, video, images and graphics via computer, mobile, wireless, and telecommunication networks; computer software for processing images, graphics, audio, video, and text; downloadable computer software to facilitate the electronic transmission of information, data, documents, voice, and images over the Internet; downloadable computer software which allows users to participate in web-based meetings and classes, with access to data, documents, images and software applications through a web browser; downloadable computer software for accessing, viewing, and controlling remote computers and computer networks; downloadable cloud-computing software; downloadable cloud-based software; computer software for tracking and evaluating customer and personal behaviour in relation to purchasing decisions; computer software application for use in relation to environmental conservation, climate change and carbon offsetting; online electronic publications (downloadable from the Internet or a computer network or a computer database); downloadable electronic publications in the nature of magazines, articles, brochures, leaflets, datasheets, information materials, instructional materials in the field of business, e-commerce, information technology, cloud computing, telecommunications, the Internet, business and e-commerce training, business, sales, marketing and financial management; computer peripherals; notebook computers; laptop

computers; portable computers; handheld computers; personal digital assistants; personal media players; mobile telephones; smart phones; digital cameras; batteries, battery chargers; computer workstations; computer servers; computer and telecommunications networking hardware; computer network adaptors, switches, routers and hubs; wireless and wired modems and communication cards and devices; laptop holders, computer bags; fire-extinguishing apparatus; computer hardware and firmware; automobile navigation system; compact discs; digital music (downloadable from the Internet); telecommunications apparatus; mouse mats; mobile phone handsets; mobile phone accessories; downloadable games, pictures, motion pictures, movies and music; alarm systems; security cameras; mobile radio and television broadcasting units; television broadcasting equipment; cameras; video cameras; headphones; earphones; speakers; Global Positioning System (GPS) apparatus and equipment; computer, electronic and video games programmes and software (including software downloadable from the Internet); liquid crystal displays for telecommunications and electronic equipment; set top box; remote control; data storage programs; spectacles and sunglasses; electronic signboards; encoded or magnetic bank credit, debit, cash, charge, telephone and identification cards; automatic teller machines, cash dispensers; electronic book readers; toner cartridges, unfilled, for printers and photocopiers; baby monitors; video baby monitors; lens hoods; tablet computers; encoded key cards; 3D spectacles; memory cards for video game machines; wearable computers, smart phones, monitors, displays, computer hardware, activity trackers, audio equipment, communications apparatus, telecommunication apparatus, computer peripheral devices, portable media players and digital electronic communication devices; wearable computers, smartphones, monitors, displays, computer hardware, activity trackers, audio equipment, communications apparatus, telecommunication apparatus, computer peripheral devices, portable media players and digital electronic communication devices, all for facilitating payment transactions by electronic means and to allow customers to access financial and bank account information and to transact bank business; wearable computers, smart phones, monitors, displays, computer hardware, activity trackers, audio equipment, communications apparatus, telecommunication apparatus, computer peripheral devices, portable media players and digital electronic communication devices, all capable of providing access to wireless communications networks, telecommunications networks and the Internet; downloadable mobile applications for use with wearable computers, smart phones, monitors, displays, computer hardware, activity trackers, audio equipment, communications apparatus, telecommunication apparatus, computer peripheral devices, portable media players and digital electronic communication devices; computer application software for use with wearable computers, smart phones, monitors, displays, computer hardware, activity trackers, audio equipment, communications apparatus, telecommunication apparatus, computer peripheral devices, portable media players and digital electronic communication devices; encoded or magnetic pre-paid payment, bank, credit, debit, cash and identification cards.

Class 42

Scientific and technological services and research and design relating thereto, industrial analysis and research services; design and development of computer hardware and software; software as a service (SaaS); encryption, decryption and authentication of information, messages and data; providing user authentication services using biometric, facial recognition, finger print authentication, voice recognition and other types of hardware and software authentication technology for provision of financial services, e-commerce transactions, donations, licensed product tracking and fan engagement; data security services; IT security, protection

and restoration; computer security threat analysis for protecting data; provision of security services for computer networks, computer access and computerised transactions; certification of data via blockchain; data authentication via blockchain; including all of the aforementioned services for use in connection with payment systems; design, development and programming of computer software for transmitting information, data, documents, and images over the Internet; application service provider (ASP) services, namely, hosting computer software applications of others; application service provider (ASP) services providing software in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; providing online non-downloadable software for facilitating the interoperability of multiple software applications; technical support services relating to computer software and applications provided online, by email and by telephone; computer services, namely, creating an online community, in the form of a website, for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents; computer technology advice provided to Internet users by means of a support hotline; computer service relating to creating indexes of information, sites and resources on computer networks; providing search engines; design of computers, notebook computers, laptop computers, portable computers and handheld computers; design of personal digital assistants and personal media players; design of mobile telephones and smart phones; design of digital cameras; computer services; computer programming; computer integration services; computer analysis services; computer programming in relation to the defence against virus; computer system software services; computer software design; computer system design; design and development of webpages; hosting webpages for others; hosting computer application software for searching and retrieving information from databases and computer networks; providing technical information about computers and computer software at the specific request of end-users by means of telephone or global computer network; consultancy services in relation to computer software; computer services relating to customized searching of computer databases and websites; computer and electronic signal coding and decoding; conversion of physical data and documents into electronic media format; testing and evaluation of computer software and computer systems; architectural and design services; interior designs of buildings, offices and apartments; computer information services; network information services, namely, providing technical information relating to computers and networks in the field of business and e-commerce; provision of computer security risk management programs; computer security information, knowledge, and testing services; quality assurance services; computer services relating to certification of business transactions and preparation of reports therefor; access control to (security services for-) computers, electronic networks and databases; providing computer software and systems for protection of security of data transmission services and of transactions via computer networks services; consultancy in the field of data security; technological consultancy concerning securing telecommunications; computerized communication network security services; providing information in the fields of Internet, world wide web and computerized communication network security and computer security for the transmission of data and information; consulting services in the fields of Internet, world wide web and computerized communication network security services, information security services; authentication services for computer security; online authentication of electronic signatures; off-site data backup; electronic data storage; providing information on computer technology and programming via a web site; cartography services; cloud computing; cloud hosting provider services; providing temporary use of non-downloadable cloud-based software and

cloud computing software; electronic storage of data; providing virtual computer systems and virtual computer environments through cloud computing; rental of entertainment software; technical research in the field of carbon offsetting; provision of information, advice and consultancy in relation to carbon offsetting and environmental protection; providing technological information about environmentally-conscious and green innovations; environmental testing, assessment and monitoring services; research in the fields of environmental protection and conservation; research and provision of scientific information in the field of climate change; scientific consultation services and industrial analysis services relating to fuels, fuel and carbon dioxide emissions and environmental issues; recommendation of courses of action to reduce carbon dioxide emission in a cost effective manner; technical project planning of carbon offset programmes; preparation of technical projects in the field of carbon offsetting; environmental research, management and protection services; consultancy, information and advisory services relating to the aforesaid services.

Class 45

Personal and social services rendered by others to meet the needs of individuals, namely personal shopper services, non-medical personal care services for others in the nature of planning, organizing, coordinating, arranging and assisting individuals to perform daily tasks, personal reminder services, personal bodyguard services, social escorting; consultancy services relating to social planning, chaperoning, personal introduction agency services, house sitting, babysitting, pet sitting, detective agencies, undertaking, horoscope casting; social work services; dating services; legal services; domain name registration services (legal services); guard and security services; personal safety services; rental and/or leasing of safes; rental of apparel; providing protection services through electric central stations for intruders, burglar and fire protection systems; intruder and burglar alarms monitoring services, fire and flood detecting device and alarm monitoring services; licensing of digital data, still images, moving images, audio and text; creation and maintenance of a register of domain names; baggage inspection for security purposes; personal background investigation services; security services for the protection of property and individuals; funeral services; on-line social networking services; releasing doves for special occasions; embalming services; providing authentication of personal identification information [identification verification services], including using biometrics, facial recognition, finger print authentication, voice recognition and other types of authentication based on measurement and analysis of unique physical or behavioral characteristics; legal services; security services for the physical protection of tangible property and individuals; astrological and spiritual services; dating services; detective services; funerary services; religious services; rental of clothing; rental of equipment for safety, security and enforcement; rental of protective equipment for life saving and life guarding [safety and security patrols] purposes; safety, security and enforcement services; life saving and life guarding services [safety and security patrols]; security services; public events security services; on-line social networking services; consultancy, information and advisory services relating to the aforesaid services.

data storage programs; spectacles and sunglasses; electronic signboards; encoded or magnetic bank credit, debit, cash, charge, telephone and identification cards; automatic teller machines, cash dispensers; electronic book readers; toner cartridges, unfilled, for printers and photocopiers; baby monitors; video baby monitors; lens hoods; tablet computers; encoded key cards; 3D spectacles; memory cards for video game machines; wearable computers, smart phones, monitors, displays, computer hardware, activity trackers, audio equipment, communications apparatus, telecommunication apparatus, computer peripheral devices, portable media players and digital electronic communication devices; wearable computers, smartphones, monitors, displays, computer hardware, activity trackers, audio equipment, communications apparatus, telecommunication apparatus, computer peripheral devices, portable media players and digital electronic communication devices all for facilitating payment transactions by electronic means and to allow customers to access financial and bank account information and to transact bank business; wearable computers, smart phones, monitors, displays, computer hardware, activity trackers, audio equipment, communications apparatus, telecommunication apparatus, computer peripheral devices, portable media players and digital electronic communication devices all capable of providing access to wireless communications networks, telecommunications networks and the Internet; downloadable mobile applications for use with wearable computers, smart phones, monitors, displays, computer hardware, activity trackers, audio equipment, communications apparatus, telecommunication apparatus, computer peripheral devices, portable media players and digital electronic communication devices; computer application software for use with wearable computers, smart phones, monitors, displays, computer hardware, activity trackers, audio equipment, communications apparatus, telecommunication apparatus, computer peripheral devices, portable media players and digital electronic communication devices; encoded or magnetic pre-paid payment, bank, credit, debit, cash and identification cards; all the aforesaid goods for use in conjunction with mobile and online payment platforms.

Class 36

Insurance; financial affairs; monetary affairs; real estate affairs; clearing and reconciling financial transactions via a global computer network; online banking services and financial services; credit card services, processing and transmission of bills and payments thereof, and providing insurance for financial transactions; funds transfer services; transfer of funds by electronic means for others; transfer of payments for others via the internet; financial services in the nature of billing and payment processing services; arranging of leases and rental agreements for real estate; tenant management services; renting and leasing of real estate; real estate appraisal; real estate valuation, real estate financing, real estate investment; real estate brokerage services; real estate agency services; housing agency services; actuarial services; real estate management and consultancy services; rent collection; rental of offices (real estate); rental of apartments and flats; provision of financial information via the Internet; safety deposit and issuing of travel vouchers services; capital investments; financial evaluation [insurance, banking, real estate]; financial and asset management services; insurance and financial services; financial services provided by telecommunication means; financial consultancy and advisory services; online banking; banking services provided on-line from a computer databases or the Internet; securities brokerage services, stock exchange quotation services; stocks and bonds brokerage, financial analysis; debit card services, charge card services and cheque guarantee services; banking, savings account and investment services; financial clearing services; credit verification via global computer information network; electronic credit risk management services; electronic purchase

payment and electronic bill payment services; financial accounts debiting and crediting services; electronic banking services; issuance of stored value cards, charge cards and debit cards; telephone credit cards services; information services relating to finance and insurance, provided online from a computer database or Internet; agencies for collecting gas or electric power utility payments; antique appraisal; art appraisal; jewellery appraisal; used car appraisal; tax information supply (financial services); charitable fund raising; organizing of charitable collections; charitable collections; rental of paper money and coin counting or processing machines; rental of cash dispensers or automated-teller machines; online payment services; arranging finance for construction projects; issuing of vouchers; provision of electronic funds transfer services; monetary exchange services, cash dispensing services, provision of prepaid cards and tokens, money transfer services; including all of the aforementioned services provided by electronic means; consultancy, information and advisory services relating to the electronic transfer of funds; foreign currency transfer services; foreign currency exchange; currency trading; currency dealing; brokerage of currency; financial transactions via blockchain; provision of charitable fundraising services in relation to carbon offsetting; brokerage of carbon offsets; financial sponsorship of carbon offset programmes; funding of and investment in emissions reduction projects; investment in carbon offset programmes and projects; investment in emissions reduction funds; provision of loans; providing temporary loans; brokerage for selling of ships and/or boats; consultancy, information and advisory services relating to the aforesaid services.

Class 39

Packaging and storage of goods; physical storage of electronically-stored data or documents; ship brokerage; water supplying; message delivery; transport by pipeline; delivery of goods by mail order; courier services [messages or merchandise]; car parking services; packaging; loading and unloading of cargo; freight brokerage; removal services; brokerage for rental, leasing and/or chartering of ships and/or boats; salvage and refloating of ships and/or boats; piloting; gas distribution and supply; electricity distribution and supply; heat distribution and supply; water distribution and supply; providing vessel mooring facilities; rental of warehouses; airport services; operating toll roads; rental and/or leasing of wheelchairs; parking lot services; provision of parking spaces; reservation of parking spaces; rental and/or leasing of containers; rental and/or leasing of mechanical parking systems; rental and/or leasing of pallets; rental and/or leasing of packaging or wrapping machines; rental and/or leasing of refrigerator; collection of domestic waste and trash; collection of industrial waste and trash; car parking; cash replenishment of automated teller machines; collection of recyclable goods [transport]; delivery of goods; delivery of newspapers; distribution of energy; flower delivery; franking of mail; freight [shipping of goods]; garage rental; gift wrapping; launching of satellites for others; parcel delivery; parking place rental; physical storage of electronically stored data or documents; refrigerator rental; rental of freezers; rental of storage containers; rental of tractors; rental of vehicle roof racks; rental of wheelchairs; replenishment of vending machines; rescue operations [transport]; salvaging; towing; transport brokerage; wrapping of goods; consultancy, information and advisory services relating to the aforesaid services.

Class 42

Scientific and technological services and research and design relating thereto, industrial analysis and research services; design and development of computer hardware and software; software as a service (SaaS); encryption, decryption and authentication of information, messages and data; providing user authentication services using biometric, facial

recognition, finger print authentication, voice recognition and other types of hardware and software authentication technology for provision of financial services, e-commerce transactions, donations, licensed product tracking and fan engagement; data security services; IT security, protection and restoration; computer security threat analysis for protecting data; provision of security services for computer networks, computer access and computerised transactions; certification (quality control) of data via blockchain; data authentication via blockchain; including all of the aforementioned services for use in connection with payment systems; design, development and programming of computer software for transmitting information, data, documents, and images over the Internet; application service provider (ASP) services, namely, hosting computer software applications of others; application service provider (ASP) services providing software in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; providing online non-downloadable software for facilitating the interoperability of multiple software applications; technical support services relating to computer software and applications provided online, by email and by telephone; computer services, namely, creating an online community, in the form of a website, for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents; computer technology advice provided to Internet users by means of a support hotline; computer service relating to creating indexes of information, sites and resources on computer networks; providing search engines; design of computers, notebook computers, laptop computers, portable computers and handheld computers; design of personal digital assistants and personal media players; design of mobile telephones and smart phones; design of digital cameras; computer services; computer programming; computer integration services; computer analysis services; computer programming in relation to the defence against virus; computer system software services; computer software design; computer system design; design and development of webpages; hosting webpages for others; hosting computer application software for searching and retrieving information from databases and computer networks; providing technical information about computers and computer software at the specific request of end-users by means of telephone or global computer network; consultancy services in relation to computer software; computer services relating to customized searching of computer databases and websites; computer and electronic signal coding and decoding; conversion of physical data and documents into electronic media format; product testing and evaluation services; architectural and design services; interior designs of buildings, offices and apartments; computer information services; network information services, namely, providing technical information relating to computers and computer networks in the field of business and e-commerce; provision of computer security risk management programs; computer security services (testing and risk assessment of computer networks); quality assurance services; computer services relating to certification of business transactions and preparation of reports therefor; access control to (security services for-) computers, electronic networks and databases; security of data transmission services and of transactions via computer networks services; consultancy in the field of data security; technological consultancy concerning securing telecommunications; computerized communication network security services; providing information in the fields of Internet, world wide web and computerized communication network security; providing technological information in the field of secure transmission of data and information; consulting services in the fields of Internet, world wide web and computerized communication network security services, information security services; authentication services for computer security; online authentication of electronic signatures; off-site

data backup; electronic data storage; providing information on computer technology and programming via a web site; cartography services; cloud computing; cloud hosting provider services; providing temporary use of non-downloadable cloud-based software and cloud computing software; electronic storage of data; providing virtual computer systems and virtual computer environments through cloud computing; rental of entertainment software; technical research in the field of carbon offsetting; provision of information, advice and consultancy in relation to carbon offsetting and environmental protection; providing technological information about environmentally-conscious and green innovations; environmental testing, assessment and monitoring services; research in the fields of environmental protection and conservation; research and provision of scientific information in the field of climate change; scientific consultation services and industrial analysis services relating to fuels, fuel and carbon dioxide emissions and environmental issues; scientific and technological services relating to recommendation of courses of action to reduce carbon dioxide emission in a cost effective manner; scientific and technological services relating to management of carbon offset programmes; environmental research, management and protection services; consultancy, information and advisory services relating to the aforesaid services.

Class 45

International Registration Filed Under The Madrid Protocol Published For Opposition Under The Trade Marks Act (Cap.332, 2005 Ed.)

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.

KUKA

40201907480P (07 09 11 21)
(International Registration No. 1459507)

SIKO

40201900182S (07 09 37 42)
(International Registration No. 1442967)

Date of International Registration: 20/06/2018
Date of Protection in Singapore: 20/06/2018
Date of Notification: 03/01/2019

Class 07

Turbochargers for internal combustion machines, in particular for diesel engines and gas engines, namely, for the operation of stationary electric power plants and for locomotives; parts and accessories for turbochargers, in particular turbines, compressors, bearings, grease fittings (machine

parts) and heat sinks, gas chambers and tubes (part of machines), air filters (parts of turbochargers) and dampers, pumps, gearboxes, mechanical and hydraulic controls and machine couplings; power generators and electrical power generators; transport and conveying apparatus included in this class; driving machines other than for land vehicles and positioning machine elements or tools, in particular marine propulsion devices; turbocompressors; pumps; compressors.

Class 09

Microprocessors; computer software, other than sensor-system software; lasers not for medical use; chargers for electric storage batteries; electric and electronic apparatus, devices and instruments including parts thereof for the distribution and managing energy, in particular of alternative energy other than geared potentiometers; data processing equipment and computers; electronic, magnetic and optical memories; computer peripheral devices; current inverters; remote control apparatus; memories for data processing apparatus; electric measuring and regulating apparatus in the form of voltage regulators other than geared potentiometers; fuses included in this class; electrical and electronic installations for the (remote) control of industrial automated procedures, including electronic bulletin boards as well as acoustic and optical alarms; electronic control apparatus for machines and motors other than geared potentiometers; automation systems consisting of wired controls and wireless controls, remote control devices, network devices, Internet of Things applications and other home and business monitoring and control applications; downloadable mobile applications for remote control, administration, modification and control of home security and automation devices and Internet of Things applications, other than sensor-system software; computer software and hardware for wireless connection of electronic devices, systems and devices with smart devices for remote monitoring and control in the field of turbomachinery and internal combustion engines, other than sensor-system software; computer software platforms for asset optimization, industrial automation, machine diagnostics and optimization of administrative procedures in the field of turbomachinery and internal combustion engines in the field of turbomachinery and internal combustion engines, other than sensor-system software; computer software for the collection and distribution of data in computer networks for the communication of data between application programs, consumer apparatus and industrial apparatus in the field of turbomachinery and internal combustion engines, other than sensor-system software; downloadable cloud computer software for information management, data compilation and data analysis in the field of asset optimization, industrial automation, machine diagnostics as well as for the optimization of administrative procedures in the field of industry in the field of turbomachinery and internal combustion engines, other than sensor-system software; downloadable software for information management, data compilation and data analysis in the field of asset optimization, industrial automation, machine diagnostics and optimization of administrative procedures in the field of industry in the field of turbomachinery and internal combustion engines, other than sensor-system software; downloadable software applications for information management, data compilation and data analysis in the fields of asset optimization, industrial automation, machine diagnostics as well as for the optimization of administrative procedures in the field of industry in the field of turbomachinery and internal combustion engines, other than sensor-system software; computer software and computer hardware for data compilation, data organization, data distribution and data analysis, administration, control, automation and connection of networks between instruments, apparatus, sensors and control systems for use in home automation in the field of turbomachinery and internal combustion engines,

other than sensor-system software; computer software for monitoring and controlling communication between computers in automatic machine systems in the field of turbomachinery and internal combustion engines, other than sensor-system software; computer platform for the compilation, organization, distribution and analysis of data, automation, diagnosis and optimization of procedures in the fields of home automation, infrastructure management, building management, power grids, power generation, industrial automation, automation of industrial procedures, transportation and infrastructure, turbomachinery and internal combustion engines, other than sensor-system software; downloadable cloud computing software for data compilation, data organization, data distribution and data analysis and for use in the administration, control, automation and connection of networks between apparatus, instruments, sensors and control systems in the fields of home automation, infrastructure management, building management, power grids, power generation, industrial automation, automation of industrial processes, transportation and infrastructure, turbomachinery and internal combustion engines, other than sensor-system software; downloadable software for compiling, organizing, distributing and analyzing data and for controlling, automating and connecting networks between instruments, apparatus, sensors and control systems in the fields of home automation, infrastructure management, building management, power grids, power generation, industrial automation, automation of industrial processes, transportation and infrastructure, turbomachinery and internal combustion engines, other than sensor-system software.

Class 37

Installation, maintenance and repair of industrial machinery and power plants, as well as computer hardware and computer network installations; installation, maintenance, repair and interference suppression of electrical instruments, apparatus and installations; installation and maintenance of oil pipelines; underwater construction; consulting in repair and installation works; advice relating to all the aforesaid services; construction consultancy.

Class 42

Scientific and industrial research; creation of data processing programs; providing computer programs in data networks, in particular on the Internet and the Web; providing technological information relating to the use of computers, computer hardware, computer software and computer networks provided on-line from a computer database or via computer networks; materials testing; services provided by an industrial designer; services provided by a packaging designer; quality control; underwater exploration; testing of raw materials; consulting services relating to pollution control; computer software design, in particular in the field of computer security; network engineering services including consulting in the field of computer and network security; scientific and industrial research in the field of network technology; updating of computer software; carrying out chemical analyses; oil prospecting; monitoring of oil wells; preparation of analyses for oil-field exploitation; oil-field surveys; architectural services; physics research; chemical research; services provided by a physicist; computer consulting services, particularly in the field of technical security; reconstitution of computer data; maintenance of computer software; computer system analysis; research and development of new products; research in the field of machine construction and engineering; technical surveys; engineering works including consulting in engineering, in particular advice in the field of technical security; technical project planning as well as relevant advice; rental of software and data processing apparatus; software development services; services provided by an engineer; technical project planning; technological monitoring and

control in the field of power distribution networks, machinery and machine tools; measurement and monitoring of electricity consumption for electricity producers, machinery and machine tools; monitoring for error detection in transmission and distribution systems, machines and machine tools; computer programming services; industrial analysis services relating to computer software; analysis, design and computer engineering services related to computer systems and networks; providing online non-downloadable software for customers for administration, management, modification and remote control of automation apparatus and home automation apparatus; providing web-based systems and online portals (software) for administration, management, modification and remote control of automation apparatus and home automation apparatus; computer platform as a service [PaaS] with software platforms for asset optimization, industrial automation, machine diagnostic and optimization of administrative procedures in the field of industry, health care, manufacturing and infrastructure; software as a service [SaaS]; cloud computing for asset optimization, industrial automation, machine diagnostic and optimization of administrative procedures in the field of industry, healthcare, manufacturing and infrastructure using software; provision of online non-downloadable cloud computing software for asset optimization, industrial automation, machine diagnostic and optimization of administrative procedures in the field of industry, healthcare, manufacturing and infrastructure; technological consulting services relating to the optimization of power plants; engineering services relating to the optimization of power plants; engineering and technical engineering and technological engineering consultancy services related thereto relating to energy for owners and operators of industrial, commercial and government facilities; engineering and technical advice relating to energy measurement and monitoring to improve energy efficiency for owners and operators of industrial, commercial and government facilities; diagnostic services consisting of data analysis to identify the status of parts of turbochargers in the fields of energy production and distribution, oil or gas installations, control systems, machinery and machine tools, computer hardware and computer software; installation, maintenance and technical advice related thereto relating to computer software; technological advice in the field of electrical installations, control systems, automation systems, power plants, oil and gas installations, machinery and machine tools, energy production and distribution and computer hardware and software; provision of temporary non-downloadable software applications for the use of a cloud computing network and its respective access; monitoring of software systems through remote access.

Collective and Certification Marks Published For Opposition Purposes

Registration has been accepted in respect of the following Collective and Certification Marks filed under the provisions of the Trade Marks Act (Cap. 332, 1992 Ed.), Trade Marks Act (Cap. 332, 2005 Ed.) and the Madrid Protocol.

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.
