## GENERAL INFORMATION

### TRADE MARKS ACT 1976

(Act 175)

#### PUBLICATION OF APPLICATION FOR REGISTRATION OF TRADE MARKS

Pursuant to section 27 of the Trade Marks Act 1976, the following applications for registration of trade marks have been accepted and hereby published in Intellectual Property Official Journal according to subregulation 120 (3) of the Trademarks Regulation 2019.

Where an application for registration is accepted subject to any conditions, amendments, modifications or limitations, such conditions, amendments, modifications or limitations shall appear in the publication.

Notice of opposition to an application for registration of a trademark may be filed unless extended at the discretion of the Registrar, within two months from the date of publication accompanied by prescribed fee.

## TRADEMARKS ACT 2019 (Act 815)

## PUBLICATION OF APPLICATION FOR REGISTRATION OF TRADEMARKS

Pursuant to **section 31** of the Trademarks Act 2019, the following applications for registration of trademarks have been accepted and are hereby published in Intellectual Property Official Journal under **paragraph 148(1)(a)** of the Trademarks Act 2019

Where an application for registration is accepted subject to any conditions, amendments, modifications or limitations, such conditions, amendments, modifications or limitations shall appear in the publication.

Pursuant to subsections 35(1) and 35(2) of the Trademarks Act 2019 and subregulation 23(1) of the Trademarks Regulations 2019, a notice of opposition to oppose the registration of the application for registration of trademark which shall include the statement of the grounds of such opposition may be filed together with payment of the prescribed fee with the Registrar of Trademarks within two months from the date of the publication of the acceptance of such application for registration of trademark.

Notwithstanding the above paragraph, pursuant to subsection 153(1) of the Trademarks Act 2019 and subregulation 23(2) of the Trademarks Regulations 2019, the request for an extension of time may be allowed at the discretion of the Registrar of Trademarks for not more than two months after the expiry of the period for filing the notice of opposition.

consultancy relating to the design and development of computer software programs; consultancy relating to the design and development of information and communications technology; consultancy relating to the design of home pages and internet pages; consultancy relating to the design of home pages and internet sites; consultancy relating to the design of homepages and internet pages; consultancy relating to the design of homepages and internet sites; consultancy relating to the design, programming and maintenance of computer software; consultancy relating to the maintenance of computer software; consultancy relating to the recovery of computer data; consultancy relating to the updating of computer software; consultancy relating to the updating of software; consultancy relating to web page design; consultancy services in the field of cloud computing; consultancy services in the field of cloud computing applications and networks; consultancy services in the field of design, selection, implementation and use of computer hardware and software systems; consultancy services in the field of maintaining the security and integrity of databases; consultancy services in the field of technological development; consultancy services in the fields of science, engineering and information technology; consultancy services relating to software used in the field of e-commerce; consultancy services relating to the design, development and use of computer hardware and computer software; consultancy services relating to the design, development and use of computer hardware and software; consultancy services relating to the planning and design of travel agencies; consultancy with regard to the design of homepages and internet pages; consultancy with regard to webpage design; conversion of computer programs and data, other than physical conversion; conversion of data or documents from physical to electronic media; conversion of document data from one computer format to another; conversion of images from physical to electronic media; conversion of texts to digital format; copying of computer programmes; copying of computer programs; copying of computer software; creating and designing web pages for others; creating and designing website-based indexes of information for others [information technology services]; creating and maintaining internet sites; creating and maintaining blogs for others; creating and maintaining customized web pages; creating and maintaining web pages; creating and maintaining web sites; creating and maintaining web sites for cellular phones; creating and maintaining web sites for mobile telephones; creating and maintaining web sites for others; creating and maintaining weblogs for others; creating and maintaining websites; creating and maintaining websites for cellular phones; creating and maintaining websites for mobile telephones; creating and maintaining websites for others; creating home pages for computer networks; creating of computer programs; creating programmes for data processing; creating programs for data processing; creating web pages for others; creating, designing and maintaining web sites; creating, designing and maintaining websites; creating, maintaining and hosting the web sites of others; creating, maintaining and hosting the websites of others; creating, maintaining, and updating computer software; creation and design of web pages for others; creation and development of computer programs for data processing; creation and hosting of web sites; creation and hosting of websites; creation and maintenance of internet sites; creation and maintenance of customized web pages; creation and maintenance of web pages; creation and maintenance of websites for others; creation of computer programmes; creation of computer programs; creation of control programs for automated measurement, assembly, adjustment and related visualisation; creation of control programs for automated measurement, assembly, adjustment and related visualization; creation of data processing programmes; creation of data processing programs; creation of home pages for computer networks; creation of programmes for data processing; creation of programs for data processing; creation of web pages for others; creation, design and maintenance of web sites; creation, design and maintenance of websites; creation, design, development, and maintenance of web sites; creation, design, development, and maintenance of websites; creation, maintenance, and updating of computer software; cross-platform conversion of digital content into other forms of digital content; customization of computer software; customized design of computer hardware; customized design of computer hardware and software; customized design of computer software; data conversion of computer program data or information [not physical conversion]; data conversion of computer programme data or information [not physical conversion]; data conversion of computer programs and data, not physical conversion; data conversion of electronic information; data decryption services; design and construction of home pages and web sites; design and construction of homepages and web sites; design and construction of homepages and websites; design and construction planning services and consultancy relating thereto; design and creation of home pages and internet pages; design and

creation of home pages and web pages; design and creation of home pages and web sites; design and creation of homepages and internet pages; design and creation of homepages and web pages; design and creation of homepages and web sites; design and creation of homepages and websites; design and creation of web sites; design and creation of websites; design and development of computer database programmes; design and development of computer database programs; design and development of computer database software; design and development of computer databases; design and development of computer firmware; design and development of computer game software; design and development of computer game software and virtual reality software; design and development of computer hardware; design and development of computer hardware and computer software; design and development of computer hardware and software; design and development of computer hardware and software for industrial applications; design and development of computer hardware and software for use in the field of medicine; design and development of computer hardware architecture; design and development of computer hardware for the manufacturing industry; design and development of computer hardware, software and databases; design and development of computer programmes; design and development of computer programs; design and development of computer software; design and development of computer software architecture; design and development of computer software for cloud computing; design and development of computer software for data processing; design and development of computer software for database management; design and development of computer software for evaluation and calculation of data; design and development of computer software for logistics; design and development of computer software for logistics, supply chain management and e-business portals; design and development of computer software for process control; design and development of computer software for reading, transmitting and organising data; design and development of computer software for reading, transmitting and organizing data; design and development of computer software for supply chain management; design and development of computer software for use with medical technology; design and development of computer software for word processing; design and development of computer software, and consultancy services relating thereto; design and development of computer systems; design and development of computers; design and development of computers and computer programmes; design and development of computers and computer programs; design and development of computers and computer software; design and development of computers and programmes for computers; design and development of computers and programs for computers; design and development of computers and software; design and development of consumer products; design and development of data display systems; design and development of data entry systems; design and development of data output systems; design and development of data processing programmes; design and development of data processing programs; design and development of data processing software; design and development of data processing systems; design and development of data retrieval software; design and development of data storage systems; design and development of databases; design and development of digital sound and image carriers; design and development of driver software; design and development of electronic data security systems; design and development of electronic database software; design and development of electronic databases; design and development of electronic dictionaries; design and development of electronic greeting cards; design and development of electronic greeting cards [e-cards]; design and development of electronic language translation dictionaries and databases; design and development of engineering products; design and development of home pages and web sites; design and development of homepages and web sites; design and development of homepages and websites; design and development of image processing software; design and development of information and communications technology; design and development of multimedia products; design and development of navigation systems; design and development of navigation systems and route planning software; design and development of new technology for others; design and development of operating software for accessing and using a cloud computing network; design and development of operating software for computer networks and servers; design and development of operating system software; design and development of programmes for data processing; design and development of programs for data processing; design and development of route planning software; design and development of search engines; design and development of software and hardware for audio and video operators; design and development of software and hardware for compression and decompression of multimedia content; design and development of software and hardware for data and multimedia content conversion from and to different protocols; design and development of software and hardware for digital signal processing; design and development of software and hardware for processing and distribution of multimedia content; design and development of software and hardware for producing, recording and processing digital and analog signals; design and development of software and hardware for producing, recording and processing digital and analogue signals; design and development of software and hardware for signal amplification and transmission; design and development of software for control, regulation and monitoring of solar energy systems; design and development of software for database management; design and development of software for electronic databases; design and development of software for electronic television program guides; design and development of software for electronic television programme guides; design and development of software for evaluation and calculation of data; design and development of software for importing and managing data; design and development of software for instant messaging; design and development

of software for inventory management; design and development of software for web site development; design and development of software for website development; design and development of software in the field of mobile applications; design and development of systems for data input, output, processing, display and storage; design and development of systems for regenerative energy generation; design and development of video game software; design and development of virtual reality software; design and development of web pages; design and development of word processing software; design and graphic arts design for the creation of web pages on the internet; design and graphic arts design for the creation of web sites; design and graphic arts design for the creation of websites; design and graphic arts designing for the creation of web pages on the internet; design and graphic arts designing for the creation of web sites; design and hosting of web portals; design and implementation of web pages for others; design and implementation of web sites for others; design and implementation of websites for others; design and leasing of software; design and maintenance of internet home pages; design and maintenance of internet homepages; design and maintenance of computer sites for third parties; design and maintenance of web sites for others; design and maintenance of web sites for third parties; design and maintenance of websites for others; design and maintenance of websites for third parties; design and programming of web sites; design and programming of websites; design and rental of software; design and updating of computer software; design and updating of home pages and web pages; design and updating of homepages and web pages; design and writing of computer software; design consultancy; design of animations; design of artwork; design of computer database software; design of computer databases; design of computer firmware; design of computer game software; design of computer graphics; design of computer hardware and software; design of computer hardware and software for commercial analysis and reporting; design of computer hardware, software and computer peripherals; design of computer programmes; design of computer programs; design of computer programs and software relating to aircraft; design of computer sites; design of computer software; design of computer software and systems; design of computer software for controlling self-service terminals; design of computer software for data processing; design of computer software for word processing; design of computer software, computer firmware, computer hardware and computer systems; design of computer systems; design of computers; design of data processing programmes; design of data processing programs; design of data processing software; design of data processing systems; design of data storage systems; design of engineering products; design of homepages; design of homepages and internet pages; design of homepages and web pages; design of homepages and websites; design of homepages, computer software and web sites; design of home pages; design of home pages and internet pages; design of home pages and web pages; design of home pages and web sites; design of home pages, computer software and web sites; design of image processing software; design of internet pages; design of programmes for data processing; design of programs for data processing; design of software; design of software for use with printing machines; design of special effects; design of video game software; design of web pages; design of web portals; design of web sites; design of web sites for advertising purposes; design of websites; design of websites for advertising purposes; design of word processing software; design services; design, creation and programming of web pages; design, creation, hosting and maintenance of internet sites for third parties; design, creation, hosting and maintenance of web sites for others; design, creation, hosting and maintenance of websites for others; design, development and implementation of software; design, development and programming of computer software; design, development, maintenance and updating of computer software; design, development, maintenance and updating of computer software for data processing; design, development, maintenance and updating of computer software for process control; design, development, maintenance and updating of computer software for word processing; design, development, maintenance and updating of computer software for word processing, data processing and process control; design, development, maintenance and updating of data processing software; design, development, maintenance and updating of word processing software; design, maintenance and updating of computer software; design, maintenance, development and updating of computer software; design, maintenance, rental and updating of computer software; design, programming and maintenance of computer software; design, updating and maintenance of computer software; design, updating and rental of computer software; design, upgrading and rental of computer software; designing and creating homepages and internet pages; designing and implementing web pages for others; designing and implementing web sites for others; designing and implementing websites for others; designing computer software for controlling self-service terminals; designing of computer hardware; designing of packaging and wrapping materials; designing websites for advertising purposes; developing and updating computer software; developing computer programmes for electronic cash register systems; developing computer programs for electronic cash register systems; developing computer software; developing of driver and operating system software; development and creation of computer programmes for data processing; development and design of digital sound and image carriers; development and maintenance of computer database software; development and maintenance of computer software; development and maintenance of web sites; development and maintenance of websites; development and test of chemical production methods; development and testing of chemical production methods; development and testing of computer software; development and testing of computing methods, algorithms and software; development and testing of computing methods, algorithms and software for generating

telecommunication and navigation data; development and testing of computing methods, algorithms and software for processing telecommunication and navigation signals; development and testing of software; development and testing services in the field of engineering; development and updating of computer software; development of algorithms and computing methods for generating telecommunication and navigation data; development of algorithms and computing methods for processing telecommunication and navigation signals; development of application software for delivery of multimedia content; development of computer database software; development of computer databases; development of computer firmware; development of computer game software; development of computer hardware; development of computer hardware and computer software; development of computer hardware and software; development of computer hardware for computer games; development of computer peripherals; development of computer platforms; development of computer programmes; development of computer programmes and computer game software; development of computer programmes for simulating laboratory experiments; development of computer programs; development of computer programs and computer game software; development of computer programs for simulating laboratory experiments; development of computer software; development of computer software application solutions; development of computer software for data processing; development of computer software for logistics, supply chain management and e-business portals; development of computer software for use with computer-controlled switching systems; development of computer software for use with programmable controllers; development of computer software for word processing; development of computer systems; development of data processing programmes; development of data processing programs; development of data processing software; development of data processing systems; development of data storage systems; development of image processing software; development of new technology for others; development of operating system software; development of software; development of software application solutions; development of software for communication systems; development of software for secure network operations; development of systems for data processing; development of systems for the processing of data; development of systems for the storage of data; development of systems for the transmission of data; development of video game software; development of web sites; development of websites; development of word processing software; development services in the field of computer software and advisory services relating thereto; development, design and updating of home pages; development, design and updating of homepages; development, maintenance and updating of a telecommunication network search engine; development, maintenance and updating of a telecommunications network search engine; development, programming and rental of data processing programmes; development, programming and rental of data processing programs; development, updating and maintenance of software and database systems; diagnosis of computer hardware problems through the use of software; diagnosis of computer software problems; digital imaging services [digitalisation and scanning of images]; digital imaging services [digitalization and scanning of images]; digital watermarking; digital watermarking services; digitization of documents [scanning]; digitization of images; digitization of sound and images; duplicating computer programmes; duplicating computer programs; duplication of computer programmes; duplication of computer programs; duplication of computer programs being software protection programs and security programs; duplication of computer software; editing of computer programmes; editing of computer programs; electronic data back-up; electronic data back-up services; electronic data backup; electronic data backup services; electronic data storage; electronic data storage and data back-up services; electronic data storage and data backup services; electronic data storage services; electronic monitoring of credit card activity to detect fraud via the internet; electronic monitoring of personally identifying information to detect identity theft via the internet; electronic monitoring services being it security services in the nature of protection and recovery of computer data; electronic monitoring services for computer security services for protection against illegal network access; electronic monitoring services for computer security threat analysis for protecting data; electronic security monitoring services in the nature of monitoring computer systems for data security purposes; electronic site authoring; electronic storage of archived e-mails; electronic storage of audio files; electronic storage of business and financial information; electronic storage of business information; electronic storage of data; electronic storage of digital audio files; electronic storage of digital images; electronic storage of digital music; electronic storage of digital photographs; electronic storage of digital video files; electronic storage of digital videos; electronic storage of documents; electronic storage of documents and archived e-mails; electronic storage of entertainment media content; electronic storage of files and documents; electronic storage of financial information; electronic storage of images; electronic storage of medical records; electronic storage of photographs; electronic storage of videos; electronic storage services for archiving databases; electronic storage services for archiving databases, images and other electronic data; electronic storage services for archiving electronic data; encoding of magnetic cards; encryption of data; graphic art design; graphic arts design; graphic design; graphic design of advertising brochures; graphic design of advertising flyers; graphic design of advertising logos; graphic design of advertising matter; graphic design of internet advertisements; graphic design of promotional materials; graphic design of publicity materials; graphic design services; graphic design services for creating graphic elements of corporate logos; graphic design services for creating graphic elements of logos; homepage and webpage design;

homepage design; homepage design services; hosting computer sites [web sites]; hosting computer sites [websites]; hosting computer software applications for others; hosting computerized data, files, applications and information; hosting customized web pages; hosting digital content on the internet; hosting e-commerce platforms on the internet; hosting electronic memory space on the internet for advertising goods and services; hosting memory space for web sites; hosting memory space for websites; hosting memory space on the internet; hosting memory space on the internet for storing digital photographs; hosting multimedia and interactive applications; hosting multimedia educational content; hosting multimedia entertainment and educational content for others; hosting multimedia entertainment content; hosting of web sites on the internet; hosting of weblogs; hosting of weblogs [blogs]; hosting of websites; hosting of websites on the internet; hosting on-line facilities for conducting interactive discussions; hosting on-line software enabling the creation and hosting of micro websites for businesses; hosting on-line web facilities for others; hosting on-line web facilities for others for conducting interactive discussions; hosting on-line web facilities for others for sharing on-line content; hosting online facilities for conducting interactive discussions; hosting online software enabling the creation and hosting of micro websites for businesses; hosting online web facilities for others; hosting online web facilities for others for conducting interactive discussions; hosting online web facilities for others for sharing online content; hosting platforms on the internet; hosting software for use in library management; hosting the web sites of others; hosting the web sites of others on a computer server for a global computer network; hosting the websites of others; hosting the websites of others on a computer server for a global computer network; hosting web portals; hosting web sites; hosting web sites on the internet; hosting weblogs [blogs]; hosting websites; hosting websites on the internet; image processing software design; image processing software development; implementation of computer programmes on networks; implementation of computer programs on networks; information technology [it] consultancy; information technology [it] consultancy services; information technology [it] consulting; information technology [it] consulting services; information technology [it] engineering; information technology consultancy; information technology consultancy services; information technology consultation; information technology engineering; information technology engineering services; information technology services provided on an outsourcing basis; infrastructure as a service [iaas]; installation and maintenance of internet access software; installation and maintenance of computer software; installation and maintenance of database software; installation and maintenance of software; installation and maintenance of software for internet access; installation of internet access software; installation of computer programmes; installation of computer programs; installation of computer software; installation of database software; installation of software; installation of software for internet access; installation of software for computer systems; installation, maintenance and repair of computer software; installation, maintenance and repair of software for computer systems; installation, maintenance and updating of computer software; installation, maintenance and updating of database software; installation, maintenance and updating of software; installation, maintenance, updating and upgrading of computer software; installation, repair and maintenance of computer software; installation, repair and maintenance of software; integration of computer systems and computer networks; integration of computer systems and networks; interactive hosting services which allow the users to publish and share their own content and images on-line; interactive hosting services which allow the users to publish and share their own content and images online; internet page design; internet page design services; internet security consultancy; it programming services; it security services in the nature of protection and recovery of computer data; leasing computer facilities; leasing of a database server to third parties; leasing of application software; leasing of computer database software; leasing of computer hardware and software; leasing of computer programmes; leasing of computer programs; leasing of computer software; leasing of computer software and programmes; leasing of computer software and programs; leasing of computer software for financial management; leasing of computer software relating to travel; leasing of computers and computer software; leasing of computers and software; leasing of computers for data processing; leasing of data processing programmes; leasing of data processing programs; leasing of data processing software; leasing of internet security programmes; leasing of internet security programs; leasing of memory space on servers for hosting electronic bulletin boards; leasing of operating software for accessing and using a cloud computing network; leasing of operating software for computer networks and servers; leasing of software; leasing of software for internet access; leasing of software for data processing; leasing of software for database management; leasing of software for importing and managing data; leasing of software for inventory management; leasing of software for web site development; leasing of software for website development; leasing of web servers; maintenance and consultancy services relating to software used in the field of e-commerce; maintenance and installation of computer software; maintenance and installation of software; maintenance and repair of computer software; maintenance and repair of software; maintenance and updating of computer software; maintenance and updating of software for communication systems; maintenance and upgrading of computer software; maintenance of internet access software; maintenance of computer programmes; maintenance of computer programs; maintenance of computer sites; maintenance of computer software; maintenance of computer software for data processing; maintenance of computer software relating to computer security and prevention of computer risks; maintenance of computer software used for operating filling apparatus and machines; maintenance of data processing software; maintenance of database software; maintenance

of software; maintenance of software for internet access; maintenance of software for communication systems; maintenance of software for computer systems; maintenance of software used in the field of e-commerce; maintenance of web sites; maintenance of websites; maintenance, updating and design of computer software; managing web sites for others; managing websites for others; online data storage; online data storage services; online provision of non-downloadable web-based applications; on-line data storage; on-line data storage services; outsource service providers in the field of information technology; outsource service providers in the field of information technology consultancy; outsource service providers in the field of information technology consulting; planning, design, development and maintenance of on-line web sites for third parties; planning, design, development and maintenance of on-line websites for third parties; planning, design, development and maintenance of online web sites for third parties; planning, design, development and maintenance of online websites for third parties; platform as a service [paas]; preparation of reports relating to computer programmes; preparation of reports relating to computer programming; preparation of reports relating to computer programs; preparation of reports relating to technical research; preparation of reports relating to technological research; preparation of technical reports; product development consultancy for inventors in the field of computer science; product development consultation for inventors in the field of computer science; professional consultancy relating to computer security; programming of computer animations; programming of computer game software; programming of computer games; programming of computer software for electronic language translation dictionaries and databases; programming of computer software for evaluation and calculation of data; programming of computer software for reading, transmitting and organising data; programming of computer software for reading, transmitting and organizing data; programming of customized web pages; programming of customized web pages featuring user-defined information, personal profiles and information; programming of data processing programmes; programming of data processing programs; programming of electronic data processing [edp] software; programming of electronic data processing software; programming of energy management software; programming of multimedia applications; programming of multimedia equipment; programming of operating software for accessing and using a cloud computing network; programming of operating software for computer networks and servers; programming of software for internet platforms; programming of software for internet portals, chat rooms, chat lines and internet forums; programming of software for internet portals, chatrooms, chat lines and internet forums; programming of software for database management; programming of software for e-commerce platforms; programming of software for importing and managing data; programming of software for information platforms on the internet; programming of software for inventory management; programming of software for web site development; programming of software for website development; programming of telecommunications software; programming of video game software; programming of video games; programming of web pages; providing computer facilities for the electronic storage of digital data; providing computer programmes designed to the specifications of others; providing computer programmes on data networks; providing computer programs on data networks; providing electronic memory space [web space] on the internet; providing electronic memory space on the internet; providing electronic storage of digital photographs and videos via a web site; providing electronic storage of digital photographs and videos via a website; providing electronic storage space [web space] on the internet; providing electronic storage space on the internet; providing graphic design services to create specialty interior environment settings; providing information about the design and development of computer hardware and software; providing information about the design and development of computer software; providing information about the design and development of computer software, systems and networks; providing information in the field of architectural design via a web site; providing information in the field of architectural design via a website; providing information in the field of computer software development; providing information in the field of interior design via a website; providing information on computer programming via a web site; providing information on computer programming via a website; providing information on computer technology and programming via a web site; providing information on computer technology and programming via a website; providing information on computer technology via a web site; providing information on computer technology via a website; providing information relating to computer programmes; providing information relating to computer programming; providing information relating to computer programming via a web site; providing information relating to computer programming via a website; providing information relating to computer programs; providing information relating to computer software design; providing information relating to computer technology and programming via a web site; providing information relating to computer technology and programming via a website; providing information relating to computer technology via a web site; providing information relating to computer technology via a website; providing information relating to technological research; providing internet search engines; providing internet search engines with specific search options; providing online information about industrial analysis and research services; providing online information about the design and development of computer hardware and software; providing online information in the field of technological research from a computer database or the internet; providing online non-downloadable software for use in communication; providing online non-downloadable software for use in customer relationship management; providing online non-downloadable software for use in database management; providing online non-downloadable software for use in enterprise resource planning; providing online non-

downloadable software for use in supply chain management; providing online non-downloadable software for word processing; providing on-line information about industrial analysis and research services; providing on-line information about the design and development of computer hardware and software; providing on-line information in the field of technological research from a computer database or the internet; providing on-line non-downloadable software for database management; providing on-line non-downloadable software for use in communication; providing on-line non-downloadable software for use in customer relationship management; providing on-line non-downloadable software for use in database management; providing on-line non-downloadable software for use in enterprise resource planning; providing on-line non-downloadable software for use in supply chain management; providing on-line non-downloadable software for word processing; providing technical advice in the field of scientific and industrial research; providing technical advice relating to computer hardware and software; providing technical information about computers, computer software and computer networks; providing technical advice relating to computers; providing technology consultancy in the field of social media; providing technology consulting in the field of social media; providing temporary use of non-downloadable business software; providing temporary use of non-downloadable computer game development software; providing temporary use of non-downloadable computer software for preparing invoices; providing temporary use of non-downloadable software applications accessible via a web site; providing temporary use of non-downloadable software applications accessible via a website; providing temporary use of non-downloadable software for analyzing financial data and generating reports; providing temporary use of non-downloadable software for developing computer games; providing temporary use of non-downloadable software for developing online educational materials; providing temporary use of non-downloadable software for developing video games; providing temporary use of non-downloadable software to enable content providers to track multimedia content; providing temporary use of non-downloadable software to enable sharing of multimedia content and comments among users; providing temporary use of non-downloadable video game development software; providing temporary use of on-line applications and software tools; providing temporary use of on-line non-downloadable computer software for language translation; providing temporary use of on-line non-downloadable computer software for use in broadcast monitoring applications; providing temporary use of on-line non-downloadable investment software; providing temporary use of on-line non-downloadable operating software for accessing and using a cloud computing network; providing temporary use of on-line non-downloadable operating software for computer networks and servers; providing temporary use of on-line non-downloadable software; providing temporary use of on-line non-downloadable software development tools; providing temporary use of on-line non-downloadable software for database management; providing temporary use of on-line non-downloadable software for importing and managing data; providing temporary use of on-line non-downloadable software for inventory management; providing temporary use of on-line non-downloadable software for use in database management; providing temporary use of on-line non-downloadable software for use in publishing and printing; providing temporary use of on-line non-downloadable software for web site development; providing temporary use of on-line non-downloadable software for website development; providing temporary use of on-line non-downloadable software for word processing; providing temporary use of online applications and software tools; providing temporary use of online non-downloadable computer software for language translation; providing temporary use of online non-downloadable computer software for use in broadcast monitoring applications; providing temporary use of online non-downloadable investment software; providing temporary use of online non-downloadable operating software for accessing and using a cloud computing network; providing temporary use of online non-downloadable operating software for computer networks and servers; providing temporary use of online non-downloadable software; providing temporary use of online non-downloadable software for database management; providing temporary use of online non-downloadable software for importing and managing data; providing temporary use of online non-downloadable software for inventory management; providing temporary use of online non-downloadable software for use in publishing and printing; providing temporary use of online non-downloadable software for web site development; providing temporary use of online non-downloadable software for website development; providing temporary use of online non-downloadable software for word processing; providing temporary use of web-based applications; providing temporary use of web-based software; providing weather information; providing web servers and co-location servers to third party cloud computing and data storage facilities; provision of computer programmes on data networks; provision of computer programs on data networks; provision of information and data relating to medical and veterinary research and development; provision of information and data relating to scientific and technological research and development; provision of information concerning research and technical project studies relating to the use of natural energy; provision of information on computer technology and programming via a website; provision of information on computer technology via a web site; provision of information relating to computer programmes; provision of information relating to computer programming; provision of information relating to computer programming via a web site; provision of information relating to computer programs; provision of information relating to computer technology and programming via a web site; provision of information relating to computer technology and programming via a website; provision of information relating to computer technology via a web site; provision of information relating to computer technology via a website; provision of information relating

to technological research; provision of informaton relating to computer programming via a website; provision of online non-downloadable software [application service provider]; provision of search engines for the internet; provision of technical information in relation to computers; reconstruction of database systems for others; recovery of computer data; recovery of smartphone data; rental of application software; rental of computer database software; rental of computer game development software; rental of computer game programmes; rental of computer game programs; rental of computer hardware and computer software; rental of computer hardware and software; rental of computer programmes; rental of computer programs; rental of computer software; rental of computer software and programmes; rental of computer software and programs; rental of computer software for developing computer games; rental of computer software for developing online educational materials; rental of computer software for developing video games; rental of computer software for financial management; rental of computer software relating to travel; rental of computers and computer software; rental of computers and software; rental of computers for data processing; rental of data processing programmes; rental of data processing programs; rental of data processing software; rental of database management software; rental of decentralized cloud storage facility for containerized data centers of others; rental of electronic memory space [web space] on the internet; rental of electronic memory space on the internet; rental of electronic storage space [web space] on the internet; rental of electronic storage space on the internet; rental of memory space for web sites; rental of memory space for websites; rental of memory space on servers for hosting electronic bulletin boards; rental of operating software for accessing and using a cloud computing network; rental of operating software for computer networks and servers; rental of software; rental of software for internet access; rental of software for data processing; rental of software for database management; rental of software for importing and managing data; rental of software for inventory management; rental of software for web site development; rental of software for website development; rental of video game development software; rental of web servers; rental of web servers and co-location servers for containerized data centers of others; repair and maintenance of computer software; repair and maintenance of software; repair of computer programmes; repair of computer programs; repair of computer software; repair of software for computer systems; research and consultancy services relating to computer software; research and consultancy services relating to software; research and development of computer hardware and software; research and development of computer software; research and development services relating to computer hardware; research and development services relating to computer hardware and computer software; research and development services relating to computer hardware and software; research and development services relating to computer software; research in the field of computer hardware and software; research in the field of computer programmes and software; research in the field of computer programs and software; research in the field of computer software; research in the field of computer technology conducted using databases and the internet; research in the field of data processing technology; research in the field of information technology; research relating to the development of computer programmes and software; research relating to the development of computer programs and software; research relating to the development of computer software; research services in the field of computer hardware and software; research services in the field of information technology; research, design and development of information and communications technology; research, design and development services relating to computer programs; research, design and development services relating to computer systems; research, design and development services relating to data processing systems; research, design and development services relating to software application solutions; research, development, design and upgrading of computer software; scientific research conducted using databases; scientific research conducted using databases and the internet; server administration; server administration services; server hosting; smartphone software design; software as a service [saas]; software consultancy; software consultancy services; software consulting services; software design; software design and development; software design and development services; software design services; software development; software development in the framework of software publishing; software development services; software engineering; software engineering services; software engineering services for data processing programmes; software engineering services for data processing programs; software installation and maintenance; software maintenance services; software rental; software repair; software research; technical consultancy relating to the installation and maintenance of computer software; technical support services, namely, troubleshooting of computer software problems; technological consultancy and information services in the field of computer networks and data transmission networks; technological services and research and design relating thereto; technology services for securing computer data; technology services for securing financial information; technology services for securing personal information; temporary electronic storage of information and data; testing of computer hardware and software; testing of computer installations; testing of computer programmes; testing of computer programs; testing of computer software; testing services for computer hardware and software; testing services for computer hardware and software used with alarm and monitoring systems; testing services for the certification of quality and standards; troubleshooting of computer software problems; troubleshooting of computer software problems [technical support]; updating and design of computer software; updating and maintenance of computer software; updating and maintenance of websites for others; updating and rental of software for data processing; updating home pages for others; updating of internet pages;

updating of computer database software; updating of computer programmes; updating of computer programs; updating of computer software; updating of computer software for databases; updating of computer software relating to computer security and prevention of computer risks; updating of data processing software; updating of database software; updating of home pages for computer networks; updating of home pages for others; updating of smartphone software; updating of software; updating of software for communication systems; updating of software for data processing; updating of web sites; updating of websites; updating, design and rental of software; upgrading and maintenance of computer software; upgrading of computer software; user authentication services using single sign-on technology for online software applications; user authentication services using technology for e-commerce transactions; video game development services; video game software design; video game software development; web design; web design services; web page design; web page design services; web portal design; web site design; web site design consultancy; web site design services; web site development; web site development services; web site hosting services; web site load testing services; web site maintenance; web site maintenance services; web site usability testing services; website design; website design consultancy; website design services; website development; website development services; website hosting services; website load testing services; website maintenance; website maintenance services; website usability testing services; writing and updating computer software; writing and updating of computer software; writing of computer programmes; writing of computer programs; writing of computer software; writing of data processing programmes; writing of data processing programs.

consultancy and information services relating to computer programming; consultancy and information services relating to computer software design; consultancy and information services relating to computer system integration; consultancy and information services relating to information technology; consultancy and information services relating to information technology architecture and infrastructure; consultancy and information services relating to the design, programming and maintenance of computer software; consultancy and information services relating to the maintenance of computer software; consultancy and information services relating to the rental of

computer software; consultancy and research services in the field of information technology; consultancy and research services in the fields of science, engineering and information technology; consultancy in the design and development of computer hardware; consultancy in the field of cloud computing; consultancy in the field of cloud computing networks and applications; consultancy in the field of computer programming; consultancy in the field of computer security; consultancy in the field of computer software; consultancy in the field of computer software design; consultancy in the field of computer system analysis; consultancy in the field of computer system integration; consultancy in the field of computer systems analysis; consultancy in the field of computer technology; consultancy in the field of engineering; consultancy in the field of information technology; consultancy in the field of office and workplace automation; consultancy in the field of product development; consultancy in the field of programming and development of e-business portals; consultancy in the field of scientific and industrial research; consultancy in the field of software design; consultancy in the field of technological design; consultancy in the field of technological research; consultancy relating to computer database programmes; consultancy relating to computer database programs; consultancy relating to computer programming; consultancy relating to computer software design; consultancy relating to computer software maintenance; consultancy relating to information technology; consultancy relating to software design and development; consultancy relating to software for communication systems; consultancy relating to software maintenance; consultancy relating to technical and scientific analysis; consultancy relating to technical and scientific measuring; consultancy relating to technical and scientific monitoring; consultancy relating to the creation and design of web sites; consultancy relating to the creation and design of web sites for e-commerce; consultancy relating to the creation and design of websites; consultancy relating to the creation and design of websites for e-commerce; consultancy relating to the creation of home pages and internet pages; consultancy relating to the creation of homepages and internet pages; consultancy relating to the design and development of computer database programmes; consultancy relating to the design and development of computer database programs; consultancy relating to the design and development of computer hardware; consultancy relating to the design and development of computer programmes; consultancy relating to the design and development of computer programs; consultancy relating to the design and development of computer software; consultancy relating to the design and development of computer software and hardware architecture; consultancy relating to the design and development of computer software programmes; consultancy relating to the design and development of computer software programs; consultancy relating to the design and development of information and communications technology; consultancy relating to the design of home pages and internet pages; consultancy relating to the design of home pages and internet sites; consultancy relating to the design of homepages and internet pages; consultancy relating to the design of homepages and internet sites; consultancy relating to the design, programming and maintenance of computer software; consultancy relating to the maintenance of computer software; consultancy relating to the recovery of computer data; consultancy relating to the updating of computer software; consultancy relating to the updating of software; consultancy relating to web page design; consultancy services in the field of cloud computing; consultancy services in the field of cloud computing applications and networks; consultancy services in the field of design, selection, implementation and use of computer hardware and software systems; consultancy services in the field of maintaining the security and integrity of databases; consultancy services in the field of technological development; consultancy services in the fields of science, engineering and information technology; consultancy services relating to software used in the field of e-commerce; consultancy services relating to the design, development and use of computer hardware and computer software; consultancy services relating to the design, development and use of computer hardware and software; consultancy services relating to the planning and design of travel agencies; consultancy with regard to the design of homepages and internet pages; consultancy with regard to webpage design; conversion of computer programs and data, other than physical conversion; conversion of data or documents from physical to electronic media; conversion of document data from one computer format to another; conversion of images from physical to electronic media; conversion of texts to digital format; copying of computer programmes; copying of computer programs; copying of computer software; creating and designing web pages for others; creating and designing website-based indexes of information for others [information technology services]; creating and maintaining internet sites; creating and maintaining blogs for others; creating and maintaining customized web pages; creating and maintaining web pages; creating and maintaining web sites; creating and maintaining web sites for cellular phones; creating and maintaining web sites for mobile telephones; creating and maintaining web sites for others; creating and maintaining weblogs for others; creating and maintaining websites; creating and maintaining websites for cellular phones; creating and maintaining websites for mobile telephones; creating and maintaining websites for others; creating home pages for computer networks; creating of computer programs; creating programmes for data processing; creating programs for data processing; creating web pages for others; creating, designing and maintaining web sites; creating, designing and maintaining websites; creating, maintaining and hosting the web sites of others; creating, maintaining and hosting the websites of others; creating, maintaining, and updating computer software; creation and design of web pages for others; creation and development of computer programs for data processing; creation and hosting of web sites; creation and hosting of websites; creation and maintenance of internet sites; creation and maintenance of customized web pages;

creation and maintenance of web pages; creation and maintenance of websites for others; creation of computer programmes; creation of computer programs; creation of control programs for automated measurement, assembly, adjustment and related visualisation; creation of control programs for automated measurement, assembly, adjustment and related visualization; creation of data processing programmes; creation of data processing programs; creation of home pages for computer networks; creation of programmes for data processing; creation of programs for data processing; creation of web pages for others; creation, design and maintenance of web sites; creation, design and maintenance of websites; creation, design, development, and maintenance of web sites; creation, design, development, and maintenance of websites; creation, maintenance, and updating of computer software; cross-platform conversion of digital content into other forms of digital content; customization of computer software; customized design of computer hardware; customized design of computer hardware and software; customized design of computer software; data conversion of computer program data or information [not physical conversion]; data conversion of computer programme data or information [not physical conversion]; data conversion of computer programs and data, not physical conversion; data conversion of electronic information; data decryption services; design and construction of home pages and web sites; design and construction of homepages and web sites; design and construction of homepages and websites; design and construction planning services and consultancy relating thereto; design and creation of home pages and internet pages; design and creation of home pages and web pages; design and creation of home pages and web sites; design and creation of homepages and internet pages; design and creation of homepages and web pages; design and creation of homepages and web sites; design and creation of homepages and websites; design and creation of web sites; design and creation of websites; design and development of computer database programmes; design and development of computer database programs; design and development of computer database software; design and development of computer databases; design and development of computer firmware; design and development of computer game software; design and development of computer game software and virtual reality software; design and development of computer hardware; design and development of computer hardware and computer software; design and development of computer hardware and software; design and development of computer hardware and software for industrial applications; design and development of computer hardware and software for use in the field of medicine; design and development of computer hardware architecture; design and development of computer hardware for the manufacturing industry; design and development of computer hardware, software and databases; design and development of computer programmes; design and development of computer programs; design and development of computer software; design and development of computer software architecture; design and development of computer software for cloud computing; design and development of computer software for data processing; design and development of computer software for database management; design and development of computer software for evaluation and calculation of data; design and development of computer software for logistics; design and development of computer software for logistics, supply chain management and e-business portals; design and development of computer software for process control; design and development of computer software for reading, transmitting and organising data; design and development of computer software for reading, transmitting and organizing data; design and development of computer software for supply chain management; design and development of computer software for use with medical technology; design and development of computer software for word processing; design and development of computer software, and consultancy services relating thereto; design and development of computer systems; design and development of computers; design and development of computers and computer programmes; design and development of computers and computer programs; design and development of computers and computer software; design and development of computers and programmes for computers; design and development of computers and programs for computers; design and development of computers and software; design and development of consumer products; design and development of data display systems; design and development of data entry systems; design and development of data output systems; design and development of data processing programmes; design and development of data processing programs; design and development of data processing software; design and development of data processing systems; design and development of data retrieval software; design and development of data storage systems; design and development of databases; design and development of digital sound and image carriers; design and development of driver software; design and development of electronic data security systems; design and development of electronic database software; design and development of electronic databases; design and development of electronic dictionaries; design and development of electronic greeting cards; design and development of electronic greeting cards [e-cards]; design and development of electronic language translation dictionaries and databases; design and development of engineering products; design and development of home pages and web sites; design and development of homepages and web sites; design and development of homepages and websites; design and development of image processing software; design and development of information and communications technology; design and development of multimedia products; design and development of navigation systems; design and development of navigation systems and route planning software; design and development of new technology for others; design and development of operating software for accessing and using a cloud computing network; design and development of operating

software for computer networks and servers; design and development of operating system software; design and development of programmes for data processing; design and development of programs for data processing; design and development of route planning software; design and development of search engines; design and development of software and hardware for audio and video operators; design and development of software and hardware for compression and decompression of multimedia content; design and development of software and hardware for data and multimedia content conversion from and to different protocols; design and development of software and hardware for digital signal processing; design and development of software and hardware for processing and distribution of multimedia content; design and development of software and hardware for producing, recording and processing digital and analog signals; design and development of software and hardware for producing, recording and processing digital and analogue signals; design and development of software and hardware for signal amplification and transmission; design and development of software for control, regulation and monitoring of solar energy systems; design and development of software for database management; design and development of software for electronic databases; design and development of software for electronic television program guides; design and development of software for electronic television programme guides; design and development of software for evaluation and calculation of data; design and development of software for importing and managing data; design and development of software for instant messaging; design and development of software for inventory management; design and development of software for web site development; design and development of software for website development; design and development of software in the field of mobile applications; design and development of systems for data input, output, processing, display and storage; design and development of systems for regenerative energy generation; design and development of video game software; design and development of virtual reality software; design and development of web pages; design and development of word processing software; design and graphic arts design for the creation of web pages on the internet; design and graphic arts design for the creation of web sites; design and graphic arts design for the creation of websites; design and graphic arts designing for the creation of web pages on the internet; design and graphic arts designing for the creation of web sites; design and hosting of web portals; design and implementation of web pages for others; design and implementation of web sites for others; design and implementation of websites for others; design and leasing of software; design and maintenance of internet home pages; design and maintenance of internet homepages; design and maintenance of computer sites for third parties; design and maintenance of web sites for others; design and maintenance of web sites for third parties; design and maintenance of websites for others; design and maintenance of websites for third parties; design and programming of web sites; design and programming of websites; design and rental of software; design and updating of computer software; design and updating of home pages and web pages; design and updating of homepages and web pages; design and writing of computer software; design consultancy; design of animations; design of artwork; design of computer database software; design of computer databases; design of computer firmware; design of computer game software; design of computer graphics; design of computer hardware and software; design of computer hardware and software for commercial analysis and reporting; design of computer hardware, software and computer peripherals; design of computer programmes; design of computer programs; design of computer programs and software relating to aircraft; design of computer sites; design of computer software; design of computer software and systems; design of computer software for controlling self-service terminals; design of computer software for data processing; design of computer software for word processing; design of computer software, computer firmware, computer hardware and computer systems; design of computer systems; design of computers; design of data processing programmes; design of data processing programs; design of data processing software; design of data processing systems; design of data storage systems; design of engineering products; design of homepages; design of homepages and internet pages; design of homepages and web pages; design of homepages and web sites; design of homepages and websites; design of homepages, computer software and web sites; design of home pages; design of home pages and internet pages; design of home pages and web pages; design of home pages and web sites; design of home pages, computer software and web sites; design of image processing software; design of internet pages; design of programmes for data processing; design of programs for data processing; design of software; design of software for use with printing machines; design of special effects; design of video game software; design of web pages; design of web portals; design of web sites; design of web sites for advertising purposes; design of websites; design of websites for advertising purposes; design of word processing software; design services; design, creation and programming of web pages; design, creation, hosting and maintenance of internet sites for third parties; design, creation, hosting and maintenance of web sites for others; design, creation, hosting and maintenance of websites for others; design, development and implementation of software; design, development and programming of computer software; design, development, maintenance and updating of computer software; design, development, maintenance and updating of computer software for data processing; design, development, maintenance and updating of computer software for process control; design, development, maintenance and updating of computer software for word processing; design, development, maintenance and updating of computer software for word processing, data processing and process control; design, development, maintenance and updating of data processing software; design, development, maintenance and

updating of word processing software; design, maintenance and updating of computer software; design, maintenance, development and updating of computer software; design, maintenance, rental and updating of computer software; design, programming and maintenance of computer software; design, updating and maintenance of computer software; design, updating and rental of computer software; design, upgrading and rental of computer software; designing and creating homepages and internet pages; designing and implementing web pages for others; designing and implementing web sites for others; designing and implementing websites for others; designing computer software for controlling self-service terminals; designing of computer hardware; designing of packaging and wrapping materials; designing websites for advertising purposes; developing and updating computer software; developing computer programmes for electronic cash register systems; developing computer programs for electronic cash register systems; developing computer software; developing of driver and operating system software; development and creation of computer programmes for data processing; development and design of digital sound and image carriers; development and maintenance of computer database software; development and maintenance of computer software; development and maintenance of web sites; development and maintenance of websites; development and test of chemical production methods; development and testing of chemical production methods; development and testing of computer software; development and testing of computing methods, algorithms and software; development and testing of computing methods, algorithms and software for generating telecommunication and navigation data; development and testing of computing methods, algorithms and software for processing telecommunication and navigation signals; development and testing of software; development and testing services in the field of engineering; development and updating of computer software; development of algorithms and computing methods for generating telecommunication and navigation data; development of algorithms and computing methods for processing telecommunication and navigation data; development of algorithms and computing methods for processing telecommunication and navigation signals; development of application software for delivery of multimedia content; development of computer database software; development of computer databases; development of computer firmware; development of computer game software; development of computer hardware; development of computer hardware and computer software; development of computer hardware and software; development of computer hardware for computer games; development of computer peripherals; development of computer platforms; development of computer programmes; development of computer programmes and computer game software; development of computer programmes for simulating laboratory experiments; development of computer programs; development of computer programs and computer game software; development of computer programs for simulating laboratory experiments; development of computer software; development of word processing software application solutions; development of computer software for data processing; development of computer software for logistics, supply chain management and e-business portals; development of computer software for use with computer-controlled switching systems; development of computer software for use with programmable controllers; development of computer software for word processing; development of computer systems; development of data processing programmes; development of data processing programs; development of data processing software; development of data processing systems; development of data storage systems; development of image processing software; development of new technology for others; development of operating system software; development of software; development of software application solutions; development of software for communication systems; development of software for secure network operations; development of systems for data processing; development of systems for the processing of data; development of systems for the storage of data; development of systems for the transmission of data; development of video game software; development of web sites; development of websites; development of word processing software; development services in the field of computer software and advisory services relating thereto; development, design and updating of home pages; development, design and updating of homepages; development, maintenance and updating of a telecommunication network search engine; development, maintenance and updating of a telecommunications network search engine; development, programming and rental of data processing programmes; development, programming and rental of data processing programs; development, updating and maintenance of software and database systems; diagnosis of computer hardware problems through the use of software; diagnosis of computer software problems; digital imaging services [digitalisation and scanning of images]; digital imaging services [digitalization and scanning of images]; digital watermarking; digital watermarking services; digitization of documents [scanning]; digitization of images; digitization of sound and images; duplicating computer programmes; duplicating computer programs; duplication of computer programmes; duplication of computer programs; duplication of computer programs being software protection programs and security programs; duplication of computer software; editing of computer programmes; editing of computer programs; electronic data back-up; electronic data back-up services; electronic data backup; electronic data backup services; electronic data storage; electronic data storage and data back-up services; electronic data storage and data backup services; electronic data storage services; electronic monitoring of credit card activity to detect fraud via the internet; electronic monitoring of personally identifying information to detect identity theft via the internet; electronic monitoring services being it security services in the nature of protection and recovery of computer data; electronic monitoring services for computer security services for

protection against illegal network access; electronic monitoring services for computer security threat analysis for protecting data; electronic security monitoring services in the nature of monitoring computer systems for data security purposes; electronic site authoring; electronic storage of archived e-mails; electronic storage of audio files; electronic storage of business and financial information; electronic storage of business information; electronic storage of data; electronic storage of digital audio files; electronic storage of digital images; electronic storage of digital music; electronic storage of digital photographs; electronic storage of digital video files; electronic storage of digital videos; electronic storage of documents; electronic storage of documents and archived e-mails; electronic storage of entertainment media content; electronic storage of files and documents; electronic storage of financial information; electronic storage of images; electronic storage of medical records; electronic storage of photographs; electronic storage of videos; electronic storage services for archiving databases; electronic storage services for archiving databases, images and other electronic data; electronic storage services for archiving electronic data; encoding of magnetic cards; encryption of data; graphic art design; graphic arts design; graphic design; graphic design of advertising brochures; graphic design of advertising flyers; graphic design of advertising logos; graphic design of advertising matter; graphic design of internet advertisements; graphic design of promotional materials; graphic design of publicity materials; graphic design services; graphic design services for creating graphic elements of corporate logos; graphic design services for creating graphic elements of logos; homepage and webpage design; homepage design; homepage design services; hosting computer sites [web sites]; hosting computer sites [websites]; hosting computer software applications for others; hosting computerized data, files, applications and information; hosting customized web pages; hosting digital content on the internet; hosting e-commerce platforms on the internet; hosting electronic memory space on the internet for advertising goods and services; hosting memory space for web sites; hosting memory space for websites; hosting memory space on the internet; hosting memory space on the internet for storing digital photographs; hosting multimedia and interactive applications; hosting multimedia educational content; hosting multimedia entertainment and educational content for others; hosting multimedia entertainment content; hosting of web sites on the internet; hosting of weblogs; hosting of weblogs [blogs]; hosting of websites; hosting of websites on the internet; hosting on-line facilities for conducting interactive discussions; hosting on-line software enabling the creation and hosting of micro websites for businesses; hosting on-line web facilities for others; hosting on-line web facilities for others for conducting interactive discussions; hosting on-line web facilities for others for sharing on-line content; hosting online facilities for conducting interactive discussions; hosting online software enabling the creation and hosting of micro websites for businesses; hosting online web facilities for others; hosting online web facilities for others for conducting interactive discussions; hosting online web facilities for others; hosting online web facilities for others for sharing online content; hosting platforms on the internet; hosting software for use in library management; hosting the web sites of others; hosting the web sites of others on a computer server for a global computer network; hosting the websites of others; hosting the websites of others on a computer server for a global computer network; hosting web portals; hosting web sites; hosting web sites on the internet; hosting weblogs [blogs]; hosting websites; hosting websites on the internet; image processing software design; image processing software development; implementation of computer programmes on networks; implementation of computer programs on networks; information technology [it] consultancy; information technology [it] consultancy services; information technology [it] consulting; information technology [it] consulting services; information technology [it] engineering; information technology consultancy; information technology consultancy services; information technology consultation; information technology engineering; information technology engineering services; information technology services provided on an outsourcing basis; infrastructure as a service [iaas]; installation and maintenance of internet access software; installation and maintenance of computer software; installation and maintenance of database software; installation and maintenance of software; installation and maintenance of software for internet access; installation of internet access software; installation of computer programmes; installation of computer programs; installation of computer software; installation of database software; installation of software; installation of software for internet access; installation of software for computer systems; installation, maintenance and repair of computer software; installation, maintenance and repair of software for computer systems; installation, maintenance and updating of computer software; installation, maintenance and updating of database software; installation, maintenance and updating of software; installation, maintenance, updating and upgrading of computer software; installation, repair and maintenance of computer software; installation, repair and maintenance of software; integration of computer systems and computer networks; integration of computer systems and networks; interactive hosting services which allow the users to publish and share their own content and images on-line; interactive hosting services which allow the users to publish and share their own content and images online; internet page design; internet page design services; internet security consultancy; it programming services; it security services in the nature of protection and recovery of computer data; leasing computer facilities; leasing of a database server to third parties; leasing of application software; leasing of computer database software; leasing of computer hardware and software; leasing of computer programmes; leasing of computer programs; leasing of computer software; leasing of computer software and programmes; leasing of computer software and programs; leasing of computer software for financial management; leasing of computer software relating to travel; leasing of computers and computer software; leasing of computers and

software; leasing of computers for data processing; leasing of data processing programmes; leasing of data processing programs; leasing of data processing software; leasing of internet security programmes; leasing of internet security programs; leasing of memory space on servers for hosting electronic bulletin boards; leasing of operating software for accessing and using a cloud computing network; leasing of operating software for computer networks and servers; leasing of software; leasing of software for internet access; leasing of software for data processing; leasing of software for database management; leasing of software for importing and managing data; leasing of software for inventory management; leasing of software for web site development; leasing of software for website development; leasing of web servers; maintenance and consultancy services relating to software used in the field of e-commerce; maintenance and installation of computer software; maintenance and installation of software; maintenance and repair of computer software; maintenance and repair of software; maintenance and updating of computer software; maintenance and updating of software for communication systems; maintenance and upgrading of computer software; maintenance of internet access software; maintenance of computer programmes; maintenance of computer programs; maintenance of computer sites; maintenance of computer software; maintenance of computer software for data processing; maintenance of computer software relating to computer security and prevention of computer risks; maintenance of computer software used for operating filling apparatus and machines; maintenance of data processing software; maintenance of database software; maintenance of software; maintenance of software for internet access; maintenance of software for communication systems; maintenance of software for computer systems; maintenance of software used in the field of e-commerce; maintenance of web sites; maintenance of websites; maintenance, updating and design of computer software; managing web sites for others; managing websites for others; online data storage; online data storage services; online provision of non-downloadable web-based applications; on-line data storage; on-line data storage services; outsource service providers in the field of information technology; outsource service providers in the field of information technology consultancy; outsource service providers in the field of information technology consulting; planning, design, development and maintenance of on-line web sites for third parties; planning, design, development and maintenance of on-line websites for third parties; planning, design, development and maintenance of online web sites for third parties; planning, design, development and maintenance of online websites for third parties; platform as a service [paas]; preparation of reports relating to computer programmes; preparation of reports relating to computer programming; preparation of reports relating to computer programs; preparation of reports relating to technical research; preparation of reports relating to technological research; preparation of technical reports; product development consultancy for inventors in the field of computer science; product development consultation for inventors in the field of computer science; professional consultancy relating to computer security; programming of computer animations; programming of computer game software; programming of computer games; programming of computer software for electronic language translation dictionaries and databases; programming of computer software for evaluation and calculation of data; programming of computer software for reading, transmitting and organising data; programming of computer software for reading, transmitting and organizing data; programming of customized web pages; programming of customized web pages featuring user-defined information, personal profiles and information; programming of data processing programmes; programming of data processing programs; programming of electronic data processing [edp] software; programming of electronic data processing software; programming of energy management software; programming of multimedia applications; programming of multimedia equipment; programming of operating software for accessing and using a cloud computing network; programming of operating software for computer networks and servers; programming of software for internet platforms; programming of software for internet portals, chat rooms, chat lines and internet forums; programming of software for internet portals, chatrooms, chat lines and internet forums; programming of software for database management; programming of software for e-commerce platforms; programming of software for importing and managing data; programming of software for information platforms on the internet; programming of software for inventory management; programming of software for web site development; programming of software for website development; programming of telecommunications software; programming of video game software; programming of video games; programming of web pages; providing computer facilities for the electronic storage of digital data; providing computer programmes designed to the specifications of others; providing computer programmes on data networks; providing computer programs on data networks; providing electronic memory space [web space] on the internet; providing electronic memory space on the internet; providing electronic storage of digital photographs and videos via a web site; providing electronic storage of digital photographs and videos via a website; providing electronic storage space [web space] on the internet; providing electronic storage space on the internet; providing graphic design services to create specialty interior environment settings; providing information about the design and development of computer hardware and software; providing information about the design and development of computer software, systems and networks; providing information in the field of architectural design via a web site; providing information in the field of architectural design via a website; providing information in the field of computer software development; providing information in the field of interior design via a website; providing information on computer programming via a web site; providing information on

computer programming via a website; providing information on computer technology and programming via a web site; providing information on computer technology and programming via a website; providing information on computer technology via a web site; providing information on computer technology via a website; providing information relating to computer programmes; providing information relating to computer programming; providing information relating to computer programming via a web site; providing information relating to computer programming via a website; providing information relating to computer programs; providing information relating to computer software design; providing information relating to computer technology and programming via a web site; providing information relating to computer technology and programming via a website; providing information relating to computer technology via a web site; providing information relating to computer technology via a website; providing information relating to technological research; providing internet search engines; providing internet search engines with specific search options; providing online information about industrial analysis and research services; providing online information about the design and development of computer hardware and software; providing online information in the field of technological research from a computer database or the internet; providing online non-downloadable software for use in communication; providing online non-downloadable software for use in customer relationship management; providing online non-downloadable software for use in database management; providing online non-downloadable software for use in enterprise resource planning; providing online non-downloadable software for use in supply chain management; providing online non-downloadable software for word processing; providing on-line information about industrial analysis and research services; providing on-line information about the design and development of computer hardware and software; providing on-line information in the field of technological research from a computer database or the internet; providing on-line non-downloadable software for database management; providing on-line non-downloadable software for use in communication; providing on-line non-downloadable software for use in customer relationship management; providing on-line non-downloadable software for use in database management; providing on-line non-downloadable software for use in enterprise resource planning; providing on-line non-downloadable software for use in supply chain management; providing on-line non-downloadable software for word processing; providing technical advice in the field of scientific and industrial research; providing technical advice relating to computer hardware and software; providing technical information about computers, computer software and computer networks; providing technical advice relating to computers; providing technology consultancy in the field of social media; providing technology consulting in the field of social media; providing temporary use of non-downloadable business software; providing temporary use of non-downloadable computer game development software; providing temporary use of non-downloadable computer software for preparing invoices; providing temporary use of non-downloadable software applications accessible via a web site; providing temporary use of non-downloadable software applications accessible via a website; providing temporary use of non-downloadable software for analyzing financial data and generating reports; providing temporary use of non-downloadable software for developing computer games; providing temporary use of non-downloadable software for developing online educational materials; providing temporary use of non-downloadable software for developing video games; providing temporary use of non-downloadable software to enable content providers to track multimedia content; providing temporary use of non-downloadable software to enable sharing of multimedia content and comments among users; providing temporary use of non-downloadable video game development software; providing temporary use of on-line applications and software tools; providing temporary use of on-line non-downloadable computer software for language translation; providing temporary use of on-line non-downloadable computer software for use in broadcast monitoring applications; providing temporary use of on-line non-downloadable investment software; providing temporary use of on-line non-downloadable operating software for accessing and using a cloud computing network; providing temporary use of on-line non-downloadable operating software for computer networks and servers; providing temporary use of on-line non-downloadable software; providing temporary use of on-line non-downloadable software development tools; providing temporary use of on-line non-downloadable software for database management; providing temporary use of on-line non-downloadable software for importing and managing data; providing temporary use of on-line non-downloadable software for inventory management; providing temporary use of on-line non-downloadable software for use in database management; providing temporary use of on-line non-downloadable software for use in publishing and printing; providing temporary use of on-line non-downloadable software for web site development; providing temporary use of on-line non-downloadable software for website development; providing temporary use of on-line non-downloadable software for word processing; providing temporary use of online applications and software tools; providing temporary use of online non-downloadable computer software for language translation; providing temporary use of online non-downloadable computer software for use in broadcast monitoring applications; providing temporary use of online non-downloadable investment software; providing temporary use of online non-downloadable operating software for accessing and using a cloud computing network; providing temporary use of online non-downloadable operating software for computer networks and servers; providing temporary use of online non-downloadable software; providing temporary use of online non-downloadable software for database management; providing temporary use of online non-downloadable software for importing and managing data; providing temporary use of online non-

downloadable software for inventory management; providing temporary use of online non-downloadable software for use in publishing and printing; providing temporary use of online non-downloadable software for web site development; providing temporary use of online non-downloadable software for website development; providing temporary use of online non-downloadable software for word processing; providing temporary use of web-based applications; providing temporary use of web-based software; providing weather information; providing web servers and co-location servers to third party cloud computing and data storage facilities; provision of computer programmes on data networks; provision of computer programs on data networks; provision of information and data relating to medical and veterinary research and development; provision of information and data relating to scientific and technological research and development; provision of information concerning research and technical project studies relating to the use of natural energy; provision of information on computer technology and programming via a website; provision of information on computer technology via a web site; provision of information relating to computer programmes; provision of information relating to computer programming; provision of information relating to computer programming via a web site; provision of information relating to computer programs; provision of information relating to computer technology and programming via a web site; provision of information relating to computer technology and programming via a website; provision of information relating to computer technology via a web site; provision of information relating to computer technology via a website; provision of information relating to technological research; provision of information relating to computer programming via a website; provision of online non-downloadable software [application service provider]; provision of search engines for the internet; provision of technical information in relation to computers; reconstruction of database systems for others; recovery of computer data; recovery of smartphone data; rental of application software; rental of computer database software; rental of computer game development software; rental of computer game programmes; rental of computer game programs; rental of computer hardware and computer software; rental of computer hardware and software; rental of computer programmes; rental of computer programs; rental of computer software; rental of computer software and programmes; rental of computer software and programs; rental of computer software for developing computer games; rental of computer software for developing online educational materials; rental of computer software for developing video games; rental of computer software for financial management; rental of computer software relating to travel; rental of computers and computer software; rental of computers and software; rental of computers for data processing; rental of data processing programmes; rental of data processing programs; rental of data processing software; rental of database management software; rental of decentralized cloud storage facility for containerized data centers of others; rental of electronic memory space [web space] on the internet; rental of electronic memory space on the internet; rental of electronic storage space [web space] on the internet; rental of electronic storage space on the internet; rental of memory space for web sites; rental of memory space for websites; rental of memory space on servers for hosting electronic bulletin boards; rental of operating software for accessing and using a cloud computing network; rental of operating software for computer networks and servers; rental of software; rental of software for internet access; rental of software for data processing; rental of software for database management; rental of software for importing and managing data; rental of software for inventory management; rental of software for web site development; rental of software for website development; rental of video game development software; rental of web servers; rental of web servers and co-location servers for containerized data centers of others; repair and maintenance of computer software; repair and maintenance of software; repair of computer programmes; repair of computer programs; repair of computer software; repair of software for computer systems; research and consultancy services relating to computer software; research and consultancy services relating to software; research and development of computer hardware and software; research and development of computer software; research and development services relating to computer hardware; research and development services relating to computer hardware and computer software; research and development services relating to computer hardware and software; research and development services relating to computer software; research in the field of computer hardware and software; research in the field of computer programmes and software; research in the field of computer programs and software; research in the field of computer software; research in the field of computer technology conducted using databases and the internet; research in the field of data processing technology; research in the field of information technology; research relating to the development of computer programmes and software; research relating to the development of computer programs and software; research relating to the development of computer software; research services in the field of computer hardware and software; research services in the field of information technology; research, design and development of information and communications technology; research, design and development services relating to computer programs; research, design and development services relating to computer systems; research, design and development services relating to data processing systems; research, design and development services relating to software application solutions; research, development, design and upgrading of computer software; scientific research conducted using databases; scientific research conducted using databases and the internet; server administration; server administration services; server hosting; smartphone software design; software as a service [saas]; software consultancy; software consultancy services; software consulting services; software design; software design and development; software design and

development services; software design services; software development; software development in the framework of software publishing; software development services; software engineering; software engineering services; software engineering services for data processing programmes; software engineering services for data processing programs; software installation and maintenance; software maintenance services; software rental; software repair; software research; technical consultancy relating to the installation and maintenance of computer software; technical support services, namely, troubleshooting of computer software problems; technological consultancy and information services in the field of computer networks and data transmission networks; technological services and research and design relating thereto; technology services for securing computer data; technology services for securing financial information; technology services for securing personal information; temporary electronic storage of information and data; testing of computer hardware and software; testing of computer installations; testing of computer programmes; testing of computer programs; testing of computer software; testing services for computer hardware and software; testing services for computer hardware and software used with alarm and monitoring systems; testing services for the certification of quality and standards; troubleshooting of computer software problems; troubleshooting of computer software problems [technical support]; updating and design of computer software; updating and maintenance of computer software; updating and maintenance of websites for others; updating and rental of software for data processing; updating home pages for others; updating of internet pages; updating of computer database software; updating of computer programmes; updating of computer programs; updating of computer software; updating of computer software for databases; updating of computer software relating to computer security and prevention of computer risks; updating of data processing software; updating of database software; updating of home pages for computer networks; updating of home pages for others; updating of smartphone software; updating of software; updating of software for communication systems; updating of software for data processing; updating of web sites; updating of websites; updating, design and rental of software; upgrading and maintenance of computer software; upgrading of computer software; user authentication services using single sign-on technology for online software applications; user authentication services using technology for e-commerce transactions; video game development services; video game software design; video game software development; web design; web design services; web page design; web page design services; web portal design; web site design; web site design consultancy; web site design services; web site development; web site development services; web site hosting services; web site load testing services; web site maintenance; web site maintenance services; web site usability testing services; website design; website design consultancy; website design services; website development; website development services; website hosting services; website load testing services; website maintenance; website maintenance services; website usability testing services; writing and updating computer software; writing and updating of computer software; writing of computer programmes; writing of computer programs; writing of computer software; writing of data processing programmes; writing of data processing programs.

## TRADEMARKS ACT 2019 (Act 815)

PUBLICATION OF ACCEPTANCE OF INTERNATIONAL REGISTRATION DESIGNATING  
MALAYSIA

Pursuant to regulation 71 of the Trademarks Act 2019, the following international registrations designating Malaysia have been accepted and are hereby published in Intellectual Property Official Journal under section 148 of the Trademarks Act 2019.

Where an application for registration is accepted subject to any conditions, amendments, modifications or limitations, such conditions, amendments, modifications or limitations shall appear in the publication.

Pursuant to subsections 35(1) and 35(2) of the Trademarks Act 2019 and subregulation 72(1) of the Trademarks Regulations 2019, a notice of opposition to oppose the registration of the international registrations designating Malaysia which shall include the statement of the grounds of such opposition may be filed together with payment of the prescribed fee with the Registrar of Trademarks within two months from the date of the publication of the acceptance of such international registrations designating Malaysia in the Intellectual Property Official Journal.

Notwithstanding the above paragraphs, pursuant to subsection 153(1) of the Trademarks Act 2019 and subregulation 72(2) of the Trademarks Regulations 2019, the request for an extension of time may be allowed at the discretion of the Registrar of Trademarks for not more than two months after the expiry of the period for filing the notice of opposition

Razors, electric or non-electric; nail files, electric; eyelash curlers; electric irons for styling hair; laser hair removal apparatus, other than for medical purposes; electric fingernail polishers; cuticle pushers; electric ear hair trimmers; electric pedicure sets; electric nose hair trimmers.

## CLASS 9

Humanoid robots with artificial intelligence; computer memory devices; memory expansion cards; memory cards; computer software, recorded; scales; scales with body mass analyzers; bathroom scales; talking scales; body fat scales for household use; digital bathroom scales; earphones; cabinets for loudspeakers; headphones; sound transmitting apparatus; sound recording apparatus; microphones; video recorders; camcorders; electric and electronic video surveillance installations; video monitors; security surveillance robots; selfie lenses; lcd projectors; video projectors; digital cameras; self-acting focussing projectors; mini beam projectors; monopods used to take photographs by positioning a smartphone or camera beyond the normal range of the arm; rapid imaging camera; connected bracelets [measuring instruments]; detectors; measuring apparatus; diagnostic apparatus, not for medical purposes; teaching robots; sensor; alarm sensors; electric plugs; electric sockets; plugboards; remote controls for household use; switches, electric; sound alarms; theft prevention installations, electric; smoke detectors; electronic access control systems for interlocking doors; alarms for the detection of inflammable gases; alarm central units; digital door locks; biometric fingerprint door locks; wireless chargers; usb chargers; battery chargers for laptop computers; power bank (rechargeable batteries).

## CLASS 11

Light bulbs; electric lamps; book lights; led luminaires; desk lamps; night lights; ceiling lights; air fryers; bakers' ovens; cooking utensils, electric; cookers; gas burners; hot plates; kitchen ranges [ovens]; pressure cookers, electric; coffee machines, electric; deep fryers, electric; kettles, electric; microwave ovens [cooking apparatus]; induction cookers; electric rice cookers; electric egg boilers; induction cookers, for household purposes; electric stew pot; deodorizing apparatus for refrigerators; refrigerators; cosmetic refrigerators; air purifiers; electric fans for personal use; fans [air-conditioning]; air conditioning apparatus; extractor hoods for kitchens; laundry driers, electric; air humidifying apparatus; electric hair dryers; usb-powered humidifiers for household use; humidifiers for household use; air purifiers for household purposes; dehumidifiers for household purposes; water closets; toilet bowls; toilet seats; solar thermal collectors [heating]; steam facial apparatus [saunas]; solar water heaters; bath heater; water heater for washing (gas or electric heating); electric water purifiers for household purposes; disinfectant apparatus; water purification installations; water softening apparatus and installations; water distribution installations; faucet filters for household purposes; electric bath-water purifying apparatus for household purposes; shoe sterilizers for household purposes; ultrasonic sterilizers for household purposes.

**CLASS 12**

Electric cars; self-balancing scooters; self-balancing one-wheeled electric scooters; self-balancing two-wheeled electric scooters; bicycles; push scooters [vehicles]; strollers; anti-theft alarms for vehicles; seat covers for vehicles; upholstery for vehicles; safety seats for children, for vehicles.

**CLASS 20**

Shoe cabinets; cupboards; desks; furniture; wardrobes; pillows; magnetic therapy pillow; curtain rails; curtain rods; curtain rollers.

**CLASS 21**

Containers for household or kitchen use; cups; vacuum flasks; cooking pot sets; mills for domestic purposes, hand-operated; daily use glassware (including cups, plates, pots, crocks); drinking vessels; drinking bottles for sports; tea services [tableware]; drinking glasses; toothbrushes, electric; replacement heads for electric toothbrushes; thermally insulated containers for food; heat-insulated containers for beverages; insulating flasks; vacuum bottles; refrigerating bottles; vessels of metal for making ices and iced drinks; portable cool boxes, non-electric; shaker bottles sold empty; dustbins for household purposes; electric combs; hair brushes; combs, electric; clothes drying hangers.

**CLASS 28**

Smart toys; toy robots; toy cars.

**CLASS 35**

Provision of an online marketplace for buyers and sellers of goods and services; search engine optimization for sales promotion; presentation of goods on communication media, for retail purposes; price comparison services; business information; advertising; sales promotion for others; on-line advertising on a computer network; commercial information and advice for consumers [consumer advice shop]; data search in computer files for others; business management assistance; marketing; providing information in the field of marketing; alcoholic beverage procurement services for others [purchasing goods for other businesses]; providing marketing consulting in the field of social media; outsourcing services in the nature of arranging procurement of goods for others; import-export agencies; accounting; business auditing; account auditing; accounting services for mergers and acquisitions; accounting for third parties; consulting and information concerning accounting.

**CLASS 36**

Currency trading; on-line real-time currency trading; bill payment services; trustee services; providing securities market information; insurance brokerage; insurance information; financing services; securities brokerage; financial information; electronic funds transfer; financial analysis; financial management; financial consultancy; online banking; providing financial information via a web site; providing rebates at participating establishments of others through use of a membership card; processing of debit card payments; apartment house management; real estate management; credit and loan services; credit card transaction processing services; electronic transfer of funds by means of telecommunications networks; electronic transfer of funds; bill payment services provided through a web site; currency transfer; money order services; electronic check acceptance services; processing of credit card payments; Message sending; providing internet chatrooms; providing user access to global computer networks; providing access to databases; transmission of digital files; streaming of data; radio broadcasting; teleconferencing services; cellular telephone communication; videoconferencing services; video-on-demand transmission; computer aided transmission of messages and images; Training in the field of communication technologies; providing amusement arcade services; preparing subtitles for movies; education; training; training services provided via simulators; organization of competitions [education or entertainment]; arranging and conducting of colloquiums; arranging and conducting of symposiums; arranging and conducting of conferences; arranging and conducting of concerts; arranging and conducting of in-person educational forums; online publication of electronic books and journals; providing online electronic publications, not downloadable; production of radio and television programmes; providing online music, not downloadable; providing online videos, not downloadable; providing films, not downloadable, via video-on-demand services; providing television programs, not downloadable, via video-on-demand services; providing recreation facilities; entertainment information; game services provided online from a computer network; conducting fitness classes; production of sound recordings; providing entertainment information via a web site; providing information about online education; radio entertainment; entertainment services; conducting guided tours; ticket agency services [entertainment]; Technical research; research and development of new products for others; scientific research; technical project studies; telecommunications technology consultancy; computer programming; computer software

design; updating of computer software; consultancy in the design and development of computer hardware; maintenance of computer software; recovery of computer data; conversion of data or documents from physical to electronic media; computer system design; creating and maintaining web sites for others; data conversion of computer programs and data [not physical conversion]; computer software consultancy; rental of web servers; providing search engines for the internet; web site design consultancy; information technology [it] consultancy; electronic data storage; providing information on computer technology and programming via a web site; cloud computing; computer technology consultancy; computer security consultancy; developing of driver and operating system software.
