The Registry of Trade Marks does not guarantee the accuracy of its publications, data records or advice nor accept any responsibility for errors or omissions or their consequences. Permission to reproduce extracts from this Journal must be obtained from the Registrar of Trade Marks.

GENERAL INFORMATION**Trade Marks Journal**

This journal is published by the Registry of Trade Marks pursuant to Rule 86A of the Trade Marks Rules.

It is published weekly on Fridays and on other days when necessary, upon giving notice by way of circulars found on our website.

Requests for past issues of journals published more than three months ago may be made at <https://go.gov.sg/tmgi> and is chargeable at \$12 per issue.

Instructions on payment will be provided to you via email within 7 working days after we receive your online request. Payment shall be made via IP²SG's payment platform. Acceptable modes of payment include Internet Banking, Visa/Master credit and debit cards and GIRO.

The journal(s) will be reproduced in CD-ROM and we will arrange an appointment with you to collect the CD-ROM at the following address:

Address:	Intellectual Property Office of Singapore 1 Paya Lebar Link, #11-03 PLQ 1, Paya Lebar Quarter Singapore 408533
Business Hours:	Monday to Friday: 8:30am to 5:30pm Saturday, Sunday and Public Holiday: CLOSED

REGISTRATION AS ACCOUNT HOLDER TO E-FILE AND PAY BY GIRO**

This Practice Direction is issued by the Registrar under Rule 78B(1) of the Trade Marks Rules, to specify the procedure for applying to the Registrar to be registered as an account holder.

This Practice Direction will come into effect on 1 January 2006.

Any person who wishes to use eTrademarks to effect a transaction and make payment by GIRO must register with the Intellectual Property Office of Singapore (IPOS) as an Account Holder. Approval is at the sole discretion of IPOS. Upon approval, an eTrademarks account will be created in the name of the person and the person will receive a User ID and Password.

To register, access IPOS address at <http://www.ipos.gov.sg> and [download the eTrademarks Account Holder Registration Form](#).

The person may appoint an Administrator to administer and manage his eTrademarks Account through the eTrademarks "[Maintenance of Authorised Representatives](#)" service.

The responsibilities of the Administrator are as follows:

- appointment of one or more Representatives to access eTrademarks and make payment by GIRO on behalf of the Account Holder;
- updating of the particulars of the Representatives; and
- removal of any Representative's rights to access eTrademarks and make payment by GIRO on behalf of the Account Holder.

These responsibilities are to be conducted through the eTrademarks "Maintenance of Authorised Representatives" service.

Please note that all Authorized Representatives must be CPF account holders with SingPass. The Authorized Representatives are required to sign in using their SingPass to ensure security for GIRO deductions for the online transactions. If the person does not have a GIRO account with IPOS, please complete the [GIRO Application Form](#) and submit it to IPOS.

The completed eTrademarks Account Holder Registration Form and GIRO Application Form should be mailed or couriered to the Intellectual Property Office of Singapore with the address 51 Bras Basah Road #04-01 Plaza By The Park Singapore 189554 and attentioned to Mrs Ang-Ong Bee Lian. Fax submissions are not acceptable.

Dated this 30th day of December 2005.

HOURS OF BUSINESS AND EXCLUDED DAYS**

This Practice Direction is issued by the Registrar under Section 78 of the Trade Marks Act, to specify the hours of business of the Registry and the days which are to be treated as excluded days.

This Practice Direction will come into effect on 1 July 2004.

Hours Of Business

- (1) The hours of business of the Registry shall be as follows:
 - (a) 8.30 am to 12.30 pm and 1.30 pm to 5.30 pm from Monday to Friday, except on a day which is an excluded day; and
 - (b) 8.30 a.m. to 1.00 p.m. on any Saturday which is not an excluded day.
- (2) Notwithstanding paragraph (1), for the purposes of carrying out of any transaction referred to in rule 78A(2) by means of the electronic online system, the Registry shall be taken to be open every day at all hours, except on any day which is an excluded day for the purposes of carrying out of transactions by means of the electronic online system.

Excluded Days

- (1) All Sundays, public holidays and such other days as the Registrar may specify, shall be excluded days for all purposes under the Act and the Rules.

Dated this 1st day of July 2004.

Application Published for Opposition Purposes Under The Trade Marks Act (Cap.332, 2005 Ed.)

Registration has been applied for in the respect of the following Trade Marks under the provisions of the Trade Marks Act (Cap. 332, 2005 Ed.)

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.

International Registration Filed Under The Madrid Protocol Published For Opposition Under The Trade Marks Act (Cap.332, 2005 Ed.)

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.

downloadable maps; computer software and apparatus for reserving and issuing tickets for events, restaurants, bars, musical concerts and other entertainment and cultural events; computer programmes for interactive television and for interactive games and/or quizzes; computer programs for playing games; computer programs for video and computer games; computer programs for the generation of computer games; computer software that permits games to be played; computer games; digital video disc players; games software; money counting and sorting machines; mechanisms for coin-operated apparatus; automated teller machines; cash dispensers; software for online messaging; pre-paid telephone calling cards, magnetically encoded; counters; meters; software for commerce over a global communications network; software for group gaming; all the aforementioned goods excluding the field of conception, development, provision and maintenance of business management software solutions, and particularly, treasury and cashflow, financial transactions, payments and bank relationship management solutions and analytical techniques or science.

Class 35

Advertising; marketing; publicity; rental of advertising space; publication of publicity texts; rental of advertising time on communication media; production of advertising films; public relations; marketing studies; marketing research; organization of exhibitions for commercial or advertising purposes; auctioneering; online auctioneering services via the Internet; business management assistance; business management and consultancy; business research; business information; providing business information via a web site; computerised file management; computerised stock management; systemisation of information into computer databases; compilation of information into computer databases; compilation of business directories; compilation of lists of prospective customers; compilation of mailing lists; updating of business information on a computer data base; commercial administration of the licensing of the goods and services of others; cost price analysis; economic forecasting; import-export agencies; online advertising on a computer network; presentation of goods on communication media, for retail purposes; price comparison services; sales promotion for others; sponsorship search; provision of an online marketplace for buyers and sellers of goods and services; promotional sponsorship; market research and information services; sales promotion services; promoting the goods and services of others via computer, mobile, electronic device or communication networks; sales promotion through customer loyalty programs; facilitating the exchange and sale of services and products of third parties via computer, mobile, electronic device or communication networks; design, creation, preparation, production, and dissemination of advertisements and advertising material for others; media planning services for advertising purposes; administration of consumer loyalty programs; arranging and conducting incentive rewards programs to promote the sale of goods and services; providing online marketplaces for sellers of goods and/or services; providing online marketplace for connecting sellers with buyers to facilitate the trade exchange of goods and services; online retail services connected with the sale of digital media, namely images, movies, musical and audiovisual works and related merchandise; business networking; providing business, consumer, and commercial information; business services, namely providing information regarding the purchase and sale of a wide variety of products and services of others via computer databases; arranging and conducting commercial, trade, and business shows and exhibitions; loyalty scheme services; loyalty, incentive and bonus program services; market research services regarding Internet usage habits and customer loyalty; promoting the goods and services of others by arranging for sponsors to affiliate their goods and services with awards programs;

providing commercial information featuring ratings, reviews and recommendations via web site or an app posted by users; electronic commerce services, namely providing information about products via telecommunication networks for advertising and sales purposes; information, advisory and consultancy services relating to the aforesaid services including the provision of such services online from a computer database or via the Internet or extranets; provision of information and advisory services relating to e-commerce; all the aforementioned services excluding the field of conception, development, provision and maintenance of business management software solutions, and particularly, treasury and cashflow, financial transactions, payments and bank relationship management solutions.

Class 36

Financial and monetary services; insurance services; financial transactions; issuance of prepaid cards and tokens of value; valuation services; trading, arranging or electronic transfer of virtual and digital currency; bill payment services; debit and credit card services; electronic payment services; financial sponsorship; loyalty coupon payment processing services; issuing of tokens of value in relation to customer loyalty schemes; electronic transfer of a virtual currency for use by members of an online community via computer, mobile, electronic device or communication networks; trading and arranging virtual and digital currency; currency exchange pricing and fiscal currency valuation services; determining and providing financial index valuation of foreign, domestic, electronic and crypto currencies; valuation of financial transactions involving foreign, domestic, electronic and crypto currencies; information, advisory and consultancy services relating to the aforesaid services including the provision of such services online from a computer database or via the Internet or extranets; provision of secure payment options to members of an online community via a global computer network through the use of traditional currency and virtual currency; all the aforementioned services excluding the field of conception, development, provision and maintenance of business management software solutions, and particularly, treasury and cashflow, financial transactions, payments and bank relationship management solutions; providing secure commercial payment transactions.

Class 37

Installation of hardware for computer networks; maintenance and repair of hardware for computer networks; computer hardware and telecommunication apparatus installation, maintenance and repair; computer maintenance services; computer repair services; installation of computers; repair of computers; computer installation services; information, advisory and consultancy services relating to the aforesaid services including the provision of such services online from a computer database or via the Internet or extranets.

Class 38

Computerized communication services, namely delivery of financial advice; telecommunication services; providing access to databases; computer aided transmission of messages and images; electronic mail; providing internet chatrooms; providing online forums; rental of telecommunication equipment; Internet service provider services; providing telecommunications connections to a global computer network; transmission of digital files; wireless broadcasting; secure data transmission services; communications by computer terminals and by fibre optic networks; transmission of information by data transmission; data transmission, in particular packet transmission of information and images; multimedia data transmission; electronic and computer messaging and

mail; exchange of computerised documents; transfer, transmission and/or reception of data, data documents, messages, images, sounds, voices, text, audio, video, electronic communications and data and information by electronic, computer, cable, radio, electronic mail, communications satellite, microwave link, terrestrial means, cable, wireless or wirelink system or other communications means; peer-to-peer data sharing services, namely, electronic transmission of digital files; providing of access to the uploading or downloading of data; information dissemination services by electronic means; provision of access to search engines; broadcasting and reception of data, signals and information processed by computers or by telecommunications apparatus and instruments; providing access time to databases and computerised database servers; providing of access to multimedia content on electronic communications networks; video messaging services; provision and operation of electronic conferencing, discussion group and chat rooms; secure transmission of text, data, sound, images and moving images, and messages; leasing access time to a computer database server, among other for world-wide (Internet) or private access (intranet) telecommunications networks; rental of access time to global computer networks and other computer networks; television broadcasting; radio broadcasting; broadcasting of information and programmes via radio, television, cable and radio wave, transmission and reception of data, signals and information processed by computers or by telecommunications apparatus and instruments; electronic transmission of invoices; rental services of time access to a computing data base; providing of access to an electronic online network for searching for information; streaming of data; providing user access to global computer networks; data transmission; electronic data interchange services; transferring information and data via computer networks and the Internet; transferring and disseminating information and data via computer networks and the Internet; provision of communications facilities for the interchange of digital data; provision of access to computer networks and the Internet; electronic transmission of computer programs via the Internet; broadcasting programs via a global computer network; providing global computer network access; providing access to a global computer information network; providing multiple-user access to a global computer information network; data transmission services between networked computer systems; information, advisory and consultancy services relating to the aforesaid services including the provision of such services online from a computer database or via the Internet or extranets; providing access to a commercial platform for the dispatch, promotion, sale and resale of items via a global computer network; providing access to online network service that enables users to transfer personal identity data to and share personal identity data with and among multiple websites; provision access to an Internet platform for electronic commerce; electronic message services provided via messaging systems; voice over internet protocol (VOIP) services, video conferencing services.

Class 41

Entertainment services; cultural activities; education services; training services; providing information in the field of entertainment and cultural activities via computer, electronic and online databases; publication of electronic journals and web logs featuring user generated or specified content; publishing services, namely publishing of electronic publications for others; creation, production and distribution of entertainment content, namely images, movies, musical and audio-visual works; providing online audio-visual entertainment information via computer, mobile, electronic device or communication networks; providing information via computer, mobile, electronic device or communication networks in the field of entertainment, training or recreation; ticketing services for entertainment, cultural, leisure or educational events; editing or recording of sounds and

images; providing information for educational, recreational and amusement use via computer, electronic and online databases; online publishing services by means of photo sharing and video sharing; electronic publishing services for others; entertainment services, in particular facilitating interactive and multiplayer and single player game services for games played via computer, mobile, electronic device or communication network; entertainment services namely sharing computer games; providing information about online computer games and video games via computer, mobile, electronic device or communication network; arranging and conducting competitions and facilitating events for video gamers and computer game players; providing online educational and training material for software developers; publication of educational materials, in particular, publishing of books, journals, newsletters, and electronic publications; educational, cultural and entertainment services, in particular, organising and conducting conferences, courses, seminars, and online training in the fields of advertising, marketing, social networking, the Internet and social media, and distribution of course material in connection therewith; online journals, in particular blogs and vlogs featuring user-defined or user-generated content; entertainment services, including providing virtual reality games, interactive entertainment and virtual reality content; providing computer game services for use by network users; providing online augmented reality games; entertainment services, including providing online video games; organising exhibitions in the field of interactive entertainment, virtual reality, consumer electronics and video game entertainment industries for cultural or educational purposes; arranging and conducting educational conferences; organising exhibitions and events in the field of software development for educational and entertainment purposes; organizing and conducting conferences and seminars in the fields of artificial intelligence and the internet of things; sports and sports training; keep-fit instruction; education relating to cooking, keep-fit, health and hygiene, publication of magazines in electronic form, education information, entertainment information, organisation of competitions for entertainment purposes; providing online computer games; providing digital music [not downloadable] for the internet; selection and compilation of pre-recorded music for broadcasting by others; providing digital music (not downloadable) from the internet; providing digital music (not downloadable) from MP3 Internet web sites; music production; music production services; providing online information and news in the field of employment training; provision of information relating to entertainment online from a computer database of the Internet; gaming services; casino, gaming and gambling services; organising of games; organisation of games and competitions; games services provided online from a computer network; rental of video games; electronic game services provided by means of the Internet; providing online games services (on computer networks); electronic online publication of periodicals and books; online publishing of electronic books and periodicals; providing interactive multi-player computer games via the Internet and electronic communication networks; providing information online relating to computer games and computer enhancements for games; electronic library services for the supply of electronic information (including archive information) in the form of electronic texts, audio and/or video information and data, games and amusements; publication of online publications; publishing of computer game software and video games software; publishing of online journals, namely, blogs and vlogs in the field of travel; publishing of online journals, namely, blogs and vlogs in the field of food and drink and temporary accommodation; information, advisory and consultancy services relating to the aforesaid services including the provision of such services online from a computer database or via the

Internet or extranets; none of the aforementioned in relation to analytical techniques or science.

Class 42

Providing an app featuring ratings, reviews and recommendations for commercial purposes posted by users; cloud computing; computer programming; computer software design; computer system analysis; computer system design; computer software consultancy; computer technology consultancy; consultancy in the design and development of computer hardware; writing, design and development of computer software; monitoring of network systems (for others); computer network services; computer network configuration services; development of computer networks; development, design, management and maintenance of websites; website search engine services; creating, managing, developing, designing, maintaining and hosting of websites; design and creation of customised online web pages featuring user-defined information; development, design, management and maintenance of mobile apps; development, design, management and maintenance of computer software for logistics, supply chain management and e-business portals; development, design, management and maintenance of computer software for delivery route optimisation, vehicle tracking, industrial automation and robotics; database development services; computer programming services; leasing, hire and rental of computer software and computer programs; electronic data storage; graphic design services; remote monitoring of computer systems and computer networks; updating of computer software; scientific and technological services and research and design relating thereto; industrial analysis and research services; software research, research projects and studies; technical research, research projects and studies; preparation (writing), updating, maintenance and rental of computer programmes and software; rental of computers; preparation (writing), design, installation, updating, maintenance and rental of computer programs and software for operating machines, apparatus and third party computer systems; rental of computers and computer peripherals; information technology [IT] consultancy; providing information on computer technology and programming via a web site; installation of computer software; maintenance of computer software; research and development of new products for others; scientific research; technical research; technical project studies; telecommunications technology consultancy; software as a service (SaaS) services; computer services for others, namely, implementing and operating computer networks comprised of computer hardware and software for securing, monitoring and managing machine to machine networks; technical support, namely, monitoring of network systems and troubleshooting in the nature of diagnosing computer hardware and software problems; design and development of computer systems for the collection, storage and transmission of data; software as a service (SaaS) services, namely, hosting software for use by others for securing, monitoring and managing machine to machine networks; software as a service (SaaS) services, namely, hosting software for use by others for receiving and transmitting information; computer services, namely creating virtual communities in the form of a website to organise groups and events, participate in discussions, and engage in social, business and community networking; computer services, namely hosting electronic facilities for others for organising and conducting meetings, events and interactive discussions via communication networks, computers, mobile devices or electronic devices; application service provider (ASP) services; application service provider (ASP) services featuring software to enable or facilitate the uploading, downloading, streaming, posting, displaying, blogging, vlogging, linking, modifying, sharing or otherwise providing electronic media, photos or information over communication networks, computers, mobile devices or electronic

devices; providing an online computer network service that enables users to transfer data and share data among multiple online facilities; providing online computer services, applications and platforms featuring technology that enables online users to create personal profiles featuring social and business networking information and to transfer and share such information among multiple online facilities; hosting of searchable indexes and databases featuring information, including text, electronic documents, databases, graphics, images and audio or visual information, on computers, mobile devices, electronic devices or communication networks; providing temporary use of non-downloadable software applications for social networking, creating a virtual community, and transmission of text, electronic documents, databases, data, graphics, images, audio or visual information; computer services in the nature of customised online feeds or pages featuring user-defined or specified information, personal profiles, audio, video, images, text, graphics and data; encryption, decryption and authentication of text, electronic documents, databases, data, graphics, images, audio or visual information; computer services, namely providing search engines for obtaining data on computers, mobile electronic devices or communication networks; providing online computer services, applications and platforms that give users the ability to upload, modify and share audio, text, electronic documents, databases, data, graphics, images, audio or visual information; providing online computer services, applications and platforms featuring technology that allows users to manage their photograph and social networking accounts; providing use of online temporary non-downloadable software for modifying the appearance and enabling transmission of text, electronic documents, databases, data, graphics, images, audio or visual information; file sharing services, namely hosting a website, or an app or platform featuring technology enabling users to upload and download electronic files; hosting online web service or an app or platform for others for managing and sharing online content; software as a service [SaaS] for clearing the settlement of financial assets and transactions, managing the title transfer of financial and non-financial assets; software as a service [SaaS] for recording financial and non-financial data and information to a cryptographic ledger or shared cryptographic ledger, managing digital identity information and automating legal contracts; hosting software for use by others for clearing the settlement of financial assets and transactions; hosting a website to view and access financial news, data and information related to foreign, domestic, electronic and crypto currencies; computer programming, research, design and development of interactive computer software and computer hardware for providing financial services, currency valuation services and electronic and crypto currencies, providing currency exchange rates for foreign, domestic, electronic and crypto currencies; information, consultancy and advice in relation to the aforesaid services; platform as a service (PaaS) services; providing an online non downloadable, web-based and cloud-based software platform; providing an online non-downloadable, web-based, and cloud-based connected software platform that facilitates the provision of information, peer-to-peer interaction and transactions; web site design consultancy; preparation (writing) of data processing programmes; digitisation of documents; provision of search engines for the Internet; constructing an internet platform for electronic commerce; provision of scientific information; server hosting; hosting services and software as a service (SaaS) and rental of software; providing temporary use of non-downloadable software application programs; information, advisory and consultancy services relating to the aforesaid services including the provision of such services online from a computer database or via the Internet or extranets; computer services, namely, hosting electronic facilities for others for organizing and conducting meetings, events and interactive discussions via communication networks; application service

provider (ASP) featuring software to enable or facilitate the uploading, downloading, streaming, posting, displaying, blogging, linking, sharing or otherwise providing electronic media or information over communication networks; computer services in the nature of customized web pages featuring user- defined or specified information, personal profiles, audio, video, photographic images, text, graphics and data; providing technical information regarding computer software, computer programming and web page design from searchable indexes and databases of information, including text, electronic documents, databases, graphics and audio visual information, on computer and communication networks; all the aforementioned services excluding the field of conception, development, provision and maintenance of business management software solutions, and particularly, treasury and cashflow, financial transactions, payments and bank relationship management solutions; hosting of online computer databases and online searchable databases in the field of social networking online social networking services, namely, facilitating social introductions or interactions among individuals, online social networking services, online social networking services in the field of entertainment, social networking services in the field of entertainment provided via a website and communications networks; hosting of online computer databases and online searchable databases in the field of social networking computer services, namely, creating virtual communities for registered users to organise groups and events, participate in discussions, and engage in social, business and community networking; none of the aforementioned in relation to analytical techniques or science.

Class 45

Introduction and social networking services; online social networking services accessible by means of downloadable mobile applications or computer networks; computer software licensing; licensing of software; film, television, music, image and video licensing; identity verification; providing authentication of personal identification information [identification verification services]; leasing reproduction rights of photographs and transparencies to others; licensing of computer games, computer software and computer programs; online social networking services; social networking services via a website on the Internet; Internet-based social networking services relating to entertainment; internet-based social networking services; providing information regarding, and in the nature of, social networking services, online social networking services designed for people with a common desire to meet other people with similar interests; information, advisory and consultancy services relating to the aforesaid services including the provision of such services online from a computer database or via the Internet or extranets.

Date of Protection in Singapore: 02/06/2020
Date of Notification: 17/12/2020

Class 01
Antifreeze; chemical additives for engine cooling systems.

Class 07
Fans for engines; regulators [parts of machines]; filters [parts of machines or engines]; power operated blowers; pumps for cooling engines; radiators [cooling] for motors and engines; emergency power generators; generators; silencers for engines; jacks [machines]; injectors for engines; carburetors; piston rings; air pumps; hoists; pistons (parts of machines or engines); pressure regulators [parts of machines]; glow plugs for diesel engines; starters for motors; transmissions for machines; turbochargers; exhaust systems for vehicles; electric power generators; cylinder heads for engines;

control cables for machines, engines or motors; engine housings; air compressors; pumps; self-regulating fuel pumps; automotive exhaust pipes; power valves for carburetors; shock absorbing springs being parts of machine suspension; bearings for transmission shafts; pistons for machines; pistons for vehicle engines; pistons for cylinders; catalytic converter units for vehicle exhausts; springs [parts of machines]; DC generators; belts for motors and engines; sparking plugs for internal combustion engines; shaft couplings [machines]; connecting rods [internal combustion engine parts]; lifting installations [other than ski lifts]; ignition devices for motors of land vehicles; filters for cleaning cooling air, for engines; engine cylinders for vehicles; universal joints [Cardan joints]; DC generators; machining centres; fuel injectors for internal combustion engines; speed change gears being parts of machines; elevating apparatus; brake linings for machines; sealing joints [parts of machines].

Class 09

Electric batteries for vehicles; detectors; electric locks; road signs, luminous or mechanical; luminous signs; temperature indicators; electric cables; electric wires; radios for vehicles; voltage regulators for vehicles; taximeters; thermostats for vehicles; starter cables for motors; chargers for batteries; chargers for electric batteries; protective helmets; antennas; electro-dynamic apparatus for the remote control of signals; monitoring control apparatus [electric]; global positioning system (GPS) devices; electronic personal alarm devices; mirrors for inspecting work; electric accumulators for vehicles; reflective apparel and clothing for the prevention of accidents; crash test dummies; material testing instruments and machines; distance measurers; speedometers for vehicles; electronic navigational and positioning apparatus and instruments; control devices for car audio video navigation; electric power distribution machines; audio-visual apparatus; automated car parking control devices; electronic distance meters; transponders; vehicle breakdown warning triangles; automatic indicators of low pressure in vehicle tires; fuel level indicators for vehicles; recording apparatus; emergency signal transmitters; fog signals, non-explosive; alarm signalling transmitters; electric wiring; cable jump leads; jump leads; simulators for the steering and control of vehicles; burglar alarms.

Class 11

Refrigerating apparatus and machines; air conditioning apparatus; air conditioners for vehicles; filters for air conditioning; air conditioning units as well as parts of air conditioning units; air conditioning fans.

Class 12

Adhesive rubber patches for repairing inner tubes; air bags [safety devices for automobiles]; air pumps [vehicle accessories]; anti-glare devices for vehicles; anti-skid chains; anti-theft alarms for vehicles; anti-theft devices for vehicles; ashtrays for automobiles; automobile chassis; automobile cigarette lighters; axles for vehicles; balance weights for vehicle wheels; body panels for vehicles; brake discs for vehicles; brake pads for vehicles; brake segments for vehicles; brake sets for vehicles; brake shoes for vehicles; brakes for vehicles; bumpers for vehicles; caps for wheel rims; caravans; chain transmissions for land vehicles; clutches for land vehicles; connecting rods for land vehicles, other than parts of motors and engines; convertible roofs being parts of cars; convertible tops for vehicles; covers for vehicle seats; covers for vehicle steering wheels; crankcases for land vehicle components, other than for engines; directional indicators for vehicles; doors for vehicles; electric motors for land vehicles; electrically powered motor vehicles; engine mounts for land vehicles; engines for land vehicles; fitted vehicle covers; gearboxes for land vehicles; gearing for land vehicles; headlight wipers; hoods for vehicle engines; horns for vehicles;

hydraulic power transmission units for land vehicles; luggage carriers for vehicles; luggage nets for vehicles; mirrors for vehicles; non-skid devices for vehicle tires; power transmission mechanisms for land vehicles; repair outfits for inner tubes; reversing alarms for vehicles; rudders; safety belts for vehicle seats; seats for vehicles; shock absorbers for vehicles; soft tops for motor vehicles; spare tire covers; spoilers for vehicles; springs for vehicle suspension systems; steering wheels for vehicles; suspension shock absorbers for vehicles; suspension systems for automobiles; suspension systems for land vehicles; torque converters for land vehicles; torsion bars for vehicles; trailer hitches; trailers; transmission chains for land vehicles; transmission shafts for land vehicles; transmissions for land vehicles; upholstery for vehicles; valves for vehicle tires; vehicle chassis; vehicle running boards; vehicle safety seats for children; vehicle tires; vehicle wheel tires; vehicles for locomotion by land, air, water or rail; wheels for vehicles; windows for vehicles; windshield wipers.

Class 35

Demonstration of goods; market research; marketing research; organization of exhibitions for commercial or advertising purposes; organization of trade fairs for commercial or advertising purposes; sales promotion for third parties; rental of vending machines; distribution of samples; negotiation and conclusion of commercial transactions for third parties; import and export agencies; management and compilation of computerised databases; commercial information and advice for consumers [consumer advice shop]; business management of sports people; data search in computer files for others; mediation and conclusion of commercial transactions for others; provision of an on-line marketplace for buyers and sellers of goods and services; online advertising network matching services for connecting advertisers to websites; presentation of goods on communications media, for retail purposes; arranging and conducting of auction sales; business management of reimbursement programs for others; organisation and management of customer loyalty programs; advisory services relating to public relations; search engine optimization for sales promotion; retail services in relation to vehicles; business consultancy services relating to the supply of quality management systems; administrative processing of orders; administrative processing of purchase orders; business research; retail services in relation to vehicles.

Class 06

Metals in foil form for 3D printers; metals in foil or powder form for 3D printers; additive manufacturing materials, namely, metal in powder form for use in 3D printing and common and proprietary metal alloys in wire or ingot form for 3D printing.

Class 07

3D printers; machines for manufacturing metal products, namely, metal deposition machines, high temperature metal processing machines; 3D printers for use in additive manufacturing; accessories for 3D printers used for making 3D objects by additive material deposition, namely, print heads for 3D printers.

Class 09

Software for operating and controlling 3D printers; software for use in receiving and manipulating 3D model file data for fabrication of 3D objects on a 3D printer; software used for transmission of 3D file data for printing on a networked 3D printer; software for operating and monitoring a network of 3D printers; software for use in analyzing 3D model geometry, additive deposition instructions, feedstock consumption, job cost, job duration, pricing, sharing, online displaying and ordering of parts, prototypes, and models for 3D designing, 3D printing, and manufacturing for personal and commercial use.

Class 17

Fiber reinforced plastics; carbon fibers not for textile use; plastic fibers not for textile use; semi-processed polymers for use in 3-D printing; acrylate resin for use in 3-D printing; high heat thermoplastic resin for use in manufacturing and 3D printing; semi-processed acrylic resin for use in 3D printing.

Class 42

Software as a service (SaaS), namely, hosting software for use by others for

uploading, downloading, modification, design, and ordering of customer-manufactured parts on the internet; software as a service (SAAS) services featuring software for 3D printers; software as a service (SAAS) services featuring design and process optimization software for additive manufacturing; software as a service (SAAS) services featuring software, namely, layout, modelling, and design software for use in manufacturing and 3D printing; providing temporary use of on-line non-downloadable software, namely, layout, modelling, and design software for use in manufacturing and 3D printing.

Class 05

Dental materials; materials for artificial teeth; material for dental prostheses; dental porcelain materials; porcelain for dental prostheses; dental ceramics.

Class 07

Eccentric weight for vibration motor being parts of motors; vibration motors, other than for land vehicles; coreless motors, other than for land vehicles; piezoelectric motors, other than for land vehicles; emergency power generators; starters for motors and engines; AC motors and DC

motors [not including those for land vehicles but including parts for any AC motors and DC motors]; AC generators [alternators]; DC generators; control device for internal combustion engine or prime mover (excluding those for land vehicles); gear boxes, other than for land vehicles; reduction gears, other than for land vehicles; reduction gears [machine elements not for land vehicles]; power transmissions and gearing for machines [not for land vehicles]; machine elements, not for land vehicles; motors for gastroscopes and other medical endoscopes; motors for catheters; motor for surgical scalpel; motors for infusion pumps and other medical pumps; motors for fundus camera; motors for dental apparatus and instruments; motors for apparatus for blood analysis for medical purposes; motors for medical manipulators; motors for medical apparatus and instruments; motors for measuring machines and instruments; motors for manipulators; diaphragm pumps; plunger pumps; pumps, not for specified purposes; motors for metal processing, painting, and other industrial robots; industrial robots and manipulators for industrial robots and their parts and accessories; spinner for twisting machine; gem bearings (mechanical elements excluding those for land vehicles); bearings, machine elements not for land vehicles; bearings [machine elements not for land vehicles]; shafts, axles or spindles, machine elements other than for land vehicles; shafts, couplings or connectors, machine elements not for land vehicles; metalworking machines and tools and parts and fittings therefor; machines for making textile articles and parts and fittings therefor; printing or bookbinding machines and apparatus and parts and fittings therefor; plastic processing machines and parts and fittings therefor; semiconductor manufacturing machines and systems and parts and fittings therefor; heat sinks for other electronic machines.

Class 09

Magnetic encoders; magnets; manometers; pressure gauges; weights; fluid transfer apparatus being diaphragm pumps or plunger pumps for measuring or testing machines and instruments; vibration speakers for measuring or testing machines and instruments; container being sapphire tubes for measuring or testing machines and instruments; probes for scientific purposes; measuring or testing machines and instruments and parts and fittings therefor; cell manipulation manipulators and other experimental manipulators and parts and accessories therefor; manipulator for electron microscope and parts and accessories therefor; optical glass; solenoid valves [electromagnetic switches]; sapphire substrate wafers for semiconductors; LED sapphire substrate wafers; sapphire substrate wafers, diodes and chips for optoelectronic devices; gallium nitride substrate wafers for semiconductors; gallium nitride substrate wafers for LED; gallium nitride substrate wafers, diodes and chips for optoelectronic devices; diamond substrate wafers for semiconductors; diamond substrate wafers for LED; diamond substrate wafers for optoelectronic devices; semi-conductor wafers; wafers for integrated circuits; vibration device for mobile phones, smartphones, portable media players or personal digital assistants; electronic machines, apparatus and their parts; sapphire heat sink (heat sink) for LCD projectors; heat sinks for semiconductor devices, heat sinks for electronic components; heat sinks for computers; heat sinks for electronic components; sapphire board for display of mobile phones, smartphones, portable media players or personal digital assistants; metal glass protective casing for mobile phones, smartphones, portable media players or personal digital assistants; ceramic protective casing for mobile phones, smartphones, portable media players or personal digital assistants; prisms [for microscopes]; optical instruments and apparatus and parts and fittings therefor; optical cables; electric wires and cables; power distribution instruments and apparatus or control instruments and apparatus, and parts and accessories therefor; measuring device and its parts and accessories; measuring equipment using optical

interference tomography (excluding medical equipment); measuring probe of measuring device (excluding medical one) using optical interference tomography; endoscopic equipment for industrial purposes; roundness measuring machine; surface roughness measuring machine; image processing device; data processing apparatus; photographic equipment and parts and fittings therefor; cinematographic apparatus and parts and fittings therefor; fiber optic current sensor; apparatus for conducting, switching, transforming, accumulating, regulating or controlling electricity; electric or magnetic meters and testers; voltmeter; fiber optic connector; ferrule for fiber optic connection; junction sleeves for electric cables; telecommunication machines and apparatus; parts and accessories for telecommunication machines and apparatus; optical communication machinery and equipment and parts and accessories therefor; LCDs [liquid crystal displays]; computer software; magnets for clocks and watches.

Class 10

Catheters; probes for gastroscopes and other medical endoscopes; gastroscopes; medical endoscopes; ruby tip of surgical scalpels; knives for surgical purposes; pumps for medical purposes; fundus cameras for medical purposes; dental apparatus and instruments; apparatus for blood analysis for medical purposes; optical apparatus and instruments utilizing prism, for medical purposes; optical apparatus and instruments for medical purposes; surgical and other medical manipulators; parts and accessories for medical apparatus and instruments; medical apparatus and instruments; knives for medical use; knives for ophthalmological use; knives for eye incision; scalpels; electric scalpels for surgical purposes.

Class 14

Watch bands and straps; cases for timepieces; watch glasses; watches; clocks; parts and accessories of clocks and watches; unwrought and semi-wrought precious stones and their imitations; jewelry watches; personal ornaments, other than cuff links, in the nature of jewellery and parts and fittings therefor.

Class 17

Crystal substrates for insulation purposes and other electrical insulators; acoustic baffles for soundproofing purposes.

maintenance of gas operated dish washing and drying machines for industrial purposes; repair and maintenance of gas operated rice cookers for household purposes; repair and maintenance of gas operated bath boilers; repair and maintenance of gas fires and gas fan heaters; repair and maintenance of power generating apparatus, photovoltaic power plants, fuel cell power generating apparatus equipped with waste heat recovery system; repair and maintenance of solar cells, fuel cell power generating apparatus and batteries; repair work of water-pipes; repair work of other pipes; consultancy relating to repair work of water-pipes; consultancy relating to repair work of other pipes; repair and maintenance of water-pipes; repair and maintenance of other pipes; consultancy relating to repair and maintenance of water-pipes; consultancy relating to repair and maintenance of other pipes; repair and maintenance of fire alarms, gas alarms, anti-theft warning apparatus and security buzzers and information, advisory and consultancy services relating thereto; repair and maintenance of monitoring and alarm apparatus for security and disaster prevention; information, advisory and consultancy services relating to repair and maintenance of monitoring and alarm apparatus for security and disaster prevention; repair and maintenance of smoke and fire sensors, gas leak detection sensors, intruder detection sensors; information, advisory and consultancy services relating to repair and maintenance of smoke and fire sensors, gas leak detection sensors, intruder detection sensors; repair and maintenance of gas pipes plumbed in buildings and premises; information, advisory and consultancy services relating to repair and maintenance of gas pipes plumbed in buildings and premises; repair and maintenance of floor heating apparatus and information, advisory and consultancy services relating thereto; repair and maintenance of radiators for use in heating apparatus; information, advisory and consultancy services relating to repair and maintenance of radiators for use in heating apparatus; repair and maintenance of hot water radiators and information, advisory and consultancy services relating thereto; repair and maintenance of air conditioning apparatus and information, advisory and consultancy services relating thereto; repair and maintenance of air conditioners and information, advisory and consultancy services relating thereto; repair and maintenance of gas pipes and information, advisory and consultancy services relating thereto; repair and maintenance of gas cocks and information, advisory and consultancy services relating thereto; repair and maintenance of air conditioners with water heaters and information, advisory and consultancy services relating thereto; repair and maintenance of solar water heaters and information, advisory and consultancy services relating thereto; repair and maintenance of air conditioners for industrial purposes and household purposes; information, advisory and consultancy services relating to repair and maintenance of air conditioners for industrial purposes and household purposes; repair and maintenance of burners and information, advisory and consultancy services relating thereto; repair and maintenance of boilers and information, advisory and consultancy services relating thereto; repair and maintenance of pumps and information, advisory and consultancy services relating thereto; repair and maintenance of freezing machines and apparatus for industrial purposes and household purposes; information, advisory and consultancy services relating to repair and maintenance of freezing machines and apparatus for industrial purposes and household purposes; repair and maintenance of refrigerators for industrial and household purposes; information, advisory and consultancy services relating to repair and maintenance of refrigerators for industrial purposes and household purposes; repair and maintenance of water heaters for industrial purposes and information, advisory and consultancy services relating thereto; repair and maintenance of electronic machines and apparatus and information, advisory and consultancy services relating thereto; repair and maintenance of telecommunication machines and apparatus and information, advisory

and consultancy services relating thereto; repair and maintenance of ventilating fans for use in bathrooms and information, advisory and consultancy services relating thereto; repair and maintenance of dishwashing machines for household purposes; information, advisory and consultancy services relating to repair and maintenance of dishwashing machines for household purposes; repair and maintenance of consumer electric appliances and information, advisory and consultancy services relating thereto; repair and maintenance of electric lighting apparatus and information, advisory and consultancy services relating thereto; repair and maintenance of electric motors and information, advisory and consultancy services relating thereto; repair and maintenance of power distribution or control machines and apparatus and information, advisory and consultancy services relating thereto; repair and maintenance of power generators and information, advisory and consultancy services relating thereto; repair and maintenance of photovoltaic power plants and information, advisory and consultancy services relating thereto; repair and maintenance of power generating apparatus using power source including fuel cells equipped with cogeneration function; information, advisory and consultancy services relating to repair and maintenance of power generating apparatus equipped with power source including fuel cells being cogeneration function; repair and maintenance of gas meters and other measuring and testing machines and instruments; information, advisory and consultancy services relating to repair and maintenance of gas meters and other measuring and testing machines and instruments; repair and maintenance of desiccating apparatus and information, advisory and consultancy services relating thereto; repair and maintenance of recuperators and information, advisory and consultancy services relating thereto; repair and maintenance of steamers and information, advisory and consultancy services relating thereto; repair and maintenance of evaporators and information, advisory and consultancy services relating thereto; repair and maintenance of distillers and information, advisory and consultancy services relating thereto; repair and maintenance of heat exchangers and information, advisory and consultancy services relating thereto; repair and maintenance of chemical processing machines and apparatus and information, advisory and consultancy services relating thereto; repair and maintenance of machines and apparatus for processing foods and beverages; information, advisory and consultancy services relating to repair and maintenance of machines and apparatus for processing foods and beverages; repair and maintenance of dish drying machines for restaurants and information, advisory and consultancy services relating thereto; repair and maintenance of dish disinfectant apparatus for industrial purposes and information, advisory and consultancy services relating thereto; repair and maintenance of cooking equipment for industrial purposes and information, advisory and consultancy services relating thereto; repair and maintenance of industrial dishwashers and information, advisory and consultancy services relating thereto; repair and maintenance of clothes drying machines for industrial purposes and information, advisory and consultancy services relating thereto; repair and maintenance of electric washing machines for industrial purposes and information, advisory and consultancy services relating thereto; repair and maintenance of cleaning machines for industrial purposes and information, advisory and consultancy services relating thereto; repair and maintenance of vehicle washing machines and information, advisory and consultancy services relating thereto; repair and maintenance of water-pipes and information, advisory and consultancy services relating thereto; repair and maintenance of water supply/drainage equipment and information, advisory and consultancy services relating thereto; repair and maintenance of water pollution control equipment and information, advisory and consultancy services relating thereto; repair and maintenance of sewage pipes in kitchens and bathrooms; information,

advisory and consultancy services relating to repair and maintenance of sewage pipes in kitchens and bathrooms; repair and maintenance of tap water faucets and information, advisory and consultancy services relating thereto; repair and maintenance of water purifiers for industrial purposes and information, advisory and consultancy services relating thereto; repair and maintenance of garbage incinerators and information, advisory and consultancy services relating thereto; repair and maintenance of waste compacting machines and apparatus for industrial purposes and information, advisory and consultancy services relating thereto; repair and maintenance of waste crushing machines for industrial purposes and information, advisory and consultancy services relating thereto; furniture restoration; information, advisory and consultancy services relating to furniture restoration; repair and maintenance of gas fan heaters and information, advisory and consultancy services relating thereto; repair and maintenance of gas fires and information, advisory and consultancy services relating thereto; repair of cupboards; information, advisory and consultancy services relating to repair of cupboards; repair of kitchen cabinets; information, advisory and consultancy services relating to repair of kitchen cabinets; repair of desks and tables; information, advisory and consultancy services relating to repair of desks and tables; repair of worktops for use in kitchens; information, advisory and consultancy services relating to repair of worktops for use in kitchens; information, advisory and consultancy services relating to setup or repair of locks; repair and maintenance of gas water heaters and information, advisory and consultancy services relating thereto; repair and maintenance of cooking pots and pans; information, advisory and consultancy services relating to repair and maintenance of cooking pots and pans; repair and maintenance of non-electric cooking heaters and information, advisory and consultancy services relating thereto; repair and maintenance of gas operated dish washing and drying machines and information, advisory and consultancy services relating thereto; repair and maintenance of bathroom heating and drying apparatus with the function of generating mist for industrial purposes and household purposes; repair and maintenance of bathroom heating and drying apparatus and information, advisory and consultancy services relating thereto; information, advisory and consultancy services relating to repair and maintenance of bathroom heating and drying apparatus with the function of generating mist for industrial purposes and household purposes; repair and maintenance of sauna apparatus and information, advisory and consultancy services for industrial purposes and household purposes relating thereto; repair and maintenance of sauna apparatus with the function of generating mist for industrial purposes and household purposes; information, advisory and consultancy services relating to repair and maintenance of sauna apparatus with the function of generating mist for industrial purposes and household purposes; repair and maintenance of bath fittings and information, advisory and consultancy services relating thereto; repair and maintenance of water heaters for use in bathrooms and information, advisory and consultancy services relating thereto; repair and maintenance of heaters used in bathrooms equipped with hot-water supply system and information, advisory and consultancy services relating thereto; repair and maintenance of toilet stool units with a washing water squirts and information, advisory and consultancy services relating thereto; cleaning of carpets, tatami mats and floors; cleaning of lavatories, powder rooms, restrooms and bathrooms; cleaning of kitchens; cleaning of factories, buildings, stores, shops and offices; cleaning of water storage tanks for drinking; repair and maintenance of water heaters for household purposes and industrial purposes; gas pipe construction; plumbing repair advisory services; plumbing maintenance advisory services; repair and maintenance of repairing or fixing machines and apparatus for gas pipes and their parts and fittings; repair and maintenance of repairing or fixing machines and apparatus; repair and

maintenance of equipment and instruments for checking, inspecting and repairing of inside the gas pipes; repair and maintenance of personal digital assistants; repair and maintenance of electric or magnetic meters and testers; rental of repairing or fixing machines and apparatus for gas pipes and their parts and fittings; repair and maintenance of repairing or fixing machines and apparatus; rental of equipment and instruments for checking, inspecting and repairing of inside the gas pipes; repair and maintenance of air conditioners; repair and maintenance of sauna apparatus with the function of generating mist caused by burning gas and electric power in bathrooms for household purposes; repair and maintenance of heat and drying machines used in bathrooms equipped with the function of sauna apparatus being capable of generating mist caused by burning gas and electric power in bathrooms for household and industrial purposes; maintenance of gas meters and providing information relating thereto; maintenance of gas meters and providing information relating thereto; repair and maintenance of gas pipes and gas instruments; information, advisory and consultancy services relating to repair and maintenance of gas pipes and gas instruments; maintenance of gas water heaters and providing information relating thereto; maintenance of gas water heaters and providing information relating thereto; cleaning of kitchens; repair and maintenance of power generating apparatus equipped with cogeneration function; repair and maintenance of computer hardware; providing information relating to repair and maintenance of computers; repair and maintenance of detecting and alarm apparatus consisting of sensor and computer networks used for informing unusual conditions of people living alone and children at home; installation of detecting and alarm apparatus consisting of sensor and computer networks used for informing unusual conditions of people living alone and children at home; repair and maintenance of under floors; maintenance of measuring and testing machines and instruments and providing information relating thereto; maintenance of measuring and testing machines and instruments and providing information relating thereto; repair and maintenance of television receivers for satellite broadcasting; repair and maintenance of toilet bowls and seats sold as a unit; consultancy relating to renovation; providing information relating to renovation; house cleaning; installation of smoke and fire sensors, gas leak detection sensors, intruder detection and machines; maintenance of hot-water floor heating apparatus and providing information relating thereto; maintenance of heat and drying machines used in bathrooms and providing information relating thereto; maintenance of heat and drying machines used in bathrooms equipped with the function of sauna apparatus being capable of generating mist and providing information relating thereto; maintenance of hot-water floor heating apparatus and providing information relating thereto; maintenance of heat and drying machines used in bathrooms and providing information relating thereto; maintenance of heat and drying machines used in bathrooms equipped with the function of sauna apparatus being capable of generating mist and providing information relating thereto; repair and maintenance of shelf for cosmetics; maintenance of air conditioners for household purposes of operation and providing information relating thereto; maintenance of air conditioners for household purposes and providing information relating thereto; repair and maintenance of septic tanks for household purposes; repair and maintenance of waste water treatment tanks for household purposes; maintenance of lighting apparatus for household purposes and providing information relating thereto; maintenance of lighting apparatus for household purposes and providing information relating thereto; rental of electric irons for household purposes; repair and maintenance of sauna apparatus for industrial and household purposes and information, advisory and consultancy services relating thereto; repair and maintenance of sauna apparatus with the function of generating mist for industrial and household

purposes and information, advisory and consultancy services relating thereto; installation of fire alarms, gas alarms, anti-theft warning apparatus and security buzzers; repair and maintenance of water supply/drainage pipes and other supply/drainage equipment; cleaning of water supply/drainage pipes; repair and maintenance of refrigerators for commercial or household use; repair and maintenance of air conditioners; building construction supervision; repair and maintenance of handrails in buildings; cleaning, repair and maintenance of walls of buildings, wooden parts of the buildings; building repair; repair and maintenance of remote control apparatus which are the security system for informing watch status in the building installations and alerting abnormal conditions of the building installations; installation of remote control apparatus which are the security system for informing watch status in the building installations and alerting abnormal conditions of the building installations; inspection of termites under the floors for maintenance and repair purposes; cleaning of tap water faucets; repair and maintenance of toilet bowls and toilet stool units with a washing water squirter; repair and maintenance of bathroom vanities; cleaning of bathrooms, powder rooms and restrooms; installation and repair of windows; renovation of kitchens, bathrooms, restrooms and powder rooms; repair and maintenance of sewage pipes in kitchens, bathrooms, restrooms and powder rooms; repair and maintenance of furniture in kitchens; repair and maintenance of kitchen sinks; installation of electric buzzers; installation of telecommunication machines and apparatus; installation of electronic machines, apparatus and their parts; installation of power distribution or control machines and apparatus; maintenance of bath boilers and bath fittings and providing information relating thereto; maintenance of bath boilers and bath fittings and providing information relating thereto; repair and maintenance of wall-mounted mirrors; repair and maintenance of toilet bowls; installations of monitoring and alarm apparatus for security and disaster prevention; installation of video surveillance cameras for security and disaster prevention; repair and maintenance of bathroom heating and drying apparatus; repair and maintenance of bath boilers; repair and maintenance of bathrooms; cleaning of escalators; cleaning of elevators; cleaning of cooking heaters; cleaning of dish washing machines for commercial use; cleaning of cloths drying machines for commercial use; cleaning of spin dryers for clothes for commercial use; cleaning of industrial furnaces; cleaning of air purifying apparatus and deodorizing apparatus; rental of high pressure washers used in kitchens for industrial purposes; repair and maintenance of machine elements not for land vehicles; repair and maintenance of power transmissions and gearing; repair of power lines; repair and maintenance of electric wires and cables; internal cleaning of heat exchangers; rental of recovery equipment for spilled oil which flowed away from tankers and oil factories; repair and maintenance of power generating apparatus including fuel cells equipped with cogeneration function; repair and maintenance of power generating apparatus and equipment; repair and maintenance of air conditioning apparatus with hot water heater operated with cogeneration function; repair and maintenance of gas heat pumps; repair and maintenance of heat pumps; repair and maintenance of hot water radiators used for air conditioners; repair and maintenance of sauna apparatus with the function of generating mist; repair and maintenance of clothes dryers; repair and maintenance of gas pipelines; repair and maintenance of detecting and alarm apparatus consisting of sensor and computer networks used for informing unusual conditions of people at home; repair and maintenance of gas water heaters and providing information relating thereto; repair and maintenance of gas generators; repair and maintenance of absorption chiller-heater; repair and maintenance of water heaters; repair and maintenance of electric power meters; consultancy relating to construction

of LNG tank; construction consultancy; maintenance of computer system; consultancy relating to maintenance of computer system.

Class 41

Coaching relating to rental of fire alarms; coaching relating to testing or research on machines, apparatus and instruments; coaching relating to designing of machines, apparatus, instruments or systems composed of such machines, apparatus and instruments excluding designing of civil engineering and construction; coaching relating to rental of measuring apparatus; coaching relating to architectural design; coaching relating to personal body guarding; coaching relating to surveying.

Class 42

Providing meteorological information; architectural design; surveying; geological surveys or research; designing of machines, apparatus, instruments [including their parts] or systems composed of such machines, apparatus and instruments; designing, other than for advertising purposes; computer software design, computer programming, or maintenance of computer software; technological advice relating to computers, automobiles and industrial machines; testing, inspection or research of pharmaceuticals, cosmetics or foodstuffs; research on building construction or city planning; testing or research on prevention of pollution; testing or research on electricity; testing or research on civil engineering; testing, inspection or research on agriculture, livestock breeding or fisheries; testing or research on machines, apparatus and instruments; rental of measuring apparatus; rental of computers; providing computer programs designed to the specifications of others; rental of laboratory apparatus and instruments; rental of technical drawing instruments; construction drafting for renovation; design of energy-saving apparatus, equipment and installations; consultancy relating to the design and development of a seat availability control system which is comprised of sensors, communication apparatus and computer programs; providing information relating to the design and development of a seat availability control system which is comprised of sensors, communication apparatus and computer programs; testing or research of seat availability control system which is comprised of sensors, communication apparatus and computer programs; consultancy relating to efficient use of energy for energy-saving and energy cost saving; providing information relating to efficient use of energy for energy-saving and energy cost saving; testing, research, analysis and diagnosis of efficient use of energy for energy-saving and energy cost saving; rental of measuring or testing machines and instruments; rental of computers and computer equipment excluding word processors and electrostatic copying machines; software as a service [SaaS] for managing seat availability in a building; testing or research on electric machines, apparatus and telecommunication machines and apparatus; computer software design, calibration of computer software, or maintenance of computer software; creating or maintaining websites for others; cloud computing; provision of information and data relating to scientific and technological research and development; software as a service [SaaS] for remote monitoring and controlling gas equipment, electric appliances, power generating apparatus equipped with cogeneration function and other installations; software as a service [SaaS]; hosting computer sites [web sites] which is capable of controlling gas equipment, electric appliances, power generating apparatus equipped with cogeneration function and other installations through smart phones and other communication terminals; hosting computer sites [web sites]; providing information relating to weather forecasting; providing information relating to energy-saving; design and development of remote monitoring control equipment consisting of measuring instruments, data communication terminal, computer, display device and controlling device

for control regulation and browsing; design and development of remote monitoring control equipment for collecting, analyzing, browsing and controlling information gained from sensors for measuring apparatus and instruments; design and development of device and instruments used in communication network; design and development of installation comprised of device and instruments used in communication network; design, development and maintenance of software for remote monitoring equipment consisting of measuring instruments, data communication terminal, computer, display device and controlling device for collecting, analyzing, browsing and controlling of sensor signals through internet and computer network; design, development and maintenance of software for remote monitoring equipment for collecting, analyzing, browsing and controlling information gained from sensors for measuring apparatus and instruments; design, development and maintenance of software for communication network; design, development and maintenance of software for remote monitoring equipment for collecting, analyzing, browsing and controlling information gained from sensors for measuring apparatus and instruments; providing computer software for communication network; providing computer software for protecting information security; providing computer software for computer database; providing computer programs for managing database; rental of web servers; testing or research on computer software, application software and computer programs; rental of electric or magnetic meters and testers for scientific or technological purposes; rental of sensors for measuring; gas pipeline surveying; providing application software through telecommunication; rental of memory space on servers for data storage which is connected to communication network; design, development and maintenance of application software; technological analysis and diagnosis relating to energy-saving and energy cost saving for efficient use of energy; providing computer software for cloud computing; providing information relating to energy-saving and energy cost saving for efficient use of energy; construction planning; medical research and studies relating to medication and health promotion; providing computer software for household account; designing of machines, apparatus, instruments or systems composed of such machines, apparatus and instruments excluding designing of civil engineering and construction; providing information relating to designing of machines, apparatus, instruments or systems composed of such machines, apparatus and instruments excluding designing of civil engineering and construction; counseling and consultancy relating to designing of machines, apparatus, instruments or systems composed of such machines, apparatus and instruments excluding designing of civil engineering and construction; providing information relating to testing or research on machines, apparatus and instruments; counseling and consultancy relating to testing or research on machines, apparatus and instruments; providing computer programs for mobile phones for remote operating hot-water supply system, heating and lighting apparatus; providing information relating to rental of measuring apparatus; counseling and consultancy relating to rental of measuring apparatus; providing information relating to architectural design; counseling and consultancy relating to architectural design; architectural planning for house renovations and rebuilding; providing information relating to energy-saving; providing information relating to surveying; counseling and consultancy relating to surveying; scientific and technological research in the field of earthquakes and tsunamis; computer software design, computer programming, or maintenance of computer software for communication network system; technical design and planning of electrical installation, plumbing and telecommunication wiring; design of telecommunication machines and apparatus and providing information and consultancy relating thereto; providing information relating to energy-saving and energy cost saving for efficient

use of energy through email, internet website and bulletin board; computer software design, computer programming, or maintenance of computer software and providing information and consultancy relating thereto; design, programming and maintenance of computer program which is functionable with computers; design and programming of computer system; consultancy relating to design, programming and maintenance of computer program which is functionable with computers; consultancy relating to design and programming of computer system; diagnostic or consulting services relating to the security systems of computer telecommunication networks; design and development of computer telecommunication network; consultancy relating to design and development of computer telecommunication network; installation, configuration and updating of computer software and application software; providing information and consultancy relating to installation, configuration and updating of computer software and application software; testing, inspection or research on agriculture, forestry, livestock breeding and fisheries; non-destructive inspection of apparatus, pipelines and LNG tanks; consultancy relating to development of equipment instruments used for crime prevention, fire-safety, disaster prevention, emergency situation and security; technical research and studies relating to development of equipment instruments used for crime prevention, fire-safety, disaster prevention, emergency situation and security; research and development of equipment instruments used for crime prevention, fire-safety, disaster prevention, emergency situation and security for others; providing computer programs for mobile phones for remote operating security equipment and disaster prevention equipment; technological consulting services in the field of information processing systems for the financial industry, the manufacturing industry, the energy industry, the retail distribution industry, the traffic industry and public institutions; scientific research and studies relating to scientific analysis and diagnosis of human behavior and providing information relating thereto; consultancy relating to energy-saving; consultancy relating to designing of gas generating and supplying apparatus and plant; designing of industrial wastewater treatment apparatus; consultancy relating to designing of LNG tank; consultancy relating to architectural design; technological consultancy relating to handling of LNG tank; technological consultancy; remote monitoring services of the functioning and operation of gas meters and providing information relating thereto; quality checking and testing for welded parts of gas pipes; remote monitoring of computer systems of governors for checking pressure control; testing and inspection of earthquake sensitive gas shut off governors; inspection of under floors; technical monitoring remotely of building equipment for the purpose of disaster prevention, security, environment protection and environment optimization.

Date of Notification: 26/12/2019

Class 01
Chemical products for use in industry, science, photography, agriculture, horticulture and forestry, unprocessed artificial resins, unprocessed plastics, fire extinguishing compositions, preparations for tempering and welding of metals, chemical products for preserving food, tanning materials; chemicals for preserving masonry (except for paints and oils), impregnating products, concrete and mortar additives; adhesives, glues and adhesive materials intended for use in industry; bituminous adhesives for insulation and waterproofing products; plasticizers; silicone resins; fertilizers, substrates; mineral fibers, more particularly mineral fibers in the nature of panels, loose wool, beads, all these products being intended for the cultivation of plants, the production of vegetables, fruits, flowers and the germination of seeds; hydrophobic coating made from chemicals for glass or organic glass glazing; materials in the form of water resistive protecting surface coating [chemicals, other than paints] for the protection

of glass or organic glass glazing surfaces; mineral oxides, refractory oxides, electrofused mineral oxide mixtures used as main components for the manufacture of ceramic pastes; industrial ceramics, mixtures of electrocast zirconia and silica used as the main components for manufacturing grinding and dispersion agents for industrial machines.

Class 02

Paints, varnishes, lacquers; preservatives against rust and against deterioration of wood; dyestuffs; mordants; raw natural resins; metals in foil and powder form for painters, decorators, printers and artists; decorative and protective coatings in the form of paints, coatings for walls, floors and ceilings.

Class 03

Bleaching preparations and other substances for laundry use; preparations for cleaning, polishing, abrading, deburring, sanding, grinding, surfacing and all abrasives applied to all surfaces; abrasives agents.

Class 06

Common metals and their alloys, metal building materials, transportable metal constructions, non-electric metal cables and wires, metal building products, ores; metal pipes, tubes and fittings, steel pipes, tubes and fittings; metal rainwater traps and covers, metal water pipe valves, connection sleeves, plates, grates and sewer vents, gutter grates, metal building panels, metal doors and windows, metal doors and windows, metal door and window frames, metal walls, metal gates, metal grates and bars, fences, wire mesh, metal shutters; metal locks and hardware, door and window hardware, metal door handles, hinges, bolts, dowels, nails, latches, bolt stops, screws, metal gongs, sliders; staircases of metal; metal sills, metal roofing materials, wall and floor coverings including paving slabs, paving blocks, slabs, floors, tiles, cornices; metallic chimneys and chimney caps, metallic frames, slate hooks, metallic studs and racks, metallic ceilings, metallic beams and beams; cabanas of metal.

Class 07

Machine tools; motors (except for land vehicles), coupling and transmission components (except for land vehicles); machines and parts of machines for the glass industry; machines and machine tools for polishing, abrading, deburring, sanding, grinding, surfacing; machines for cutting and scooping stone or concrete structures; control cables for machines; pulleys.

Class 08

Hand-operated hand tools and implements; abrasive tools for polishing, abrading, sanding, grinding, surfacing; side arms, other than firearms.

Class 09

Scientific, nautical, surveying, photographic, cinematographic, weighing, measuring, signaling, checking (supervision), life-saving (rescue) and teaching apparatus and instruments; apparatus for recording, transmission or reproduction of sound or images; magnetic recording media, sound recording disks; data processing equipment; laboratory apparatus and instruments; glassware specifically adapted for scientific use; electronic control apparatus; electronic apparatus for entry control; semi-conductors; optical apparatus and instruments; optical lenses; mineral glass lenses, glasses made of mineral glass lenses, sunglasses, tinted lenses, treated lenses, light-sensitive lenses; ophthalmic lenses and frames thereof; navigation control system for trucks, electronic control system for tire suspension; electromechanical controls for vehicle safety systems;

automotive operational data loggers, electronic control circuit boards for automobiles.

Class 10

Surgical, medical, dental and veterinary apparatus; artificial limbs, eyes and teeth; implants, cardiac pacing apparatus, defibrillators, orthopedic articles; prostheses; suture material; medical devices, namely fish plates, catheters.

Class 11

Lighting apparatus, lighting installations, lamps, electric light bulbs; apparatus for heating, for steam production; cast iron and steel fuel oil, gas and wood boilers, cast iron, steel and aluminum radiators, water heaters; cooking apparatus, hot plates, ovens, oven elements, cookers; refrigerating apparatus, drying, ventilating apparatus; water distribution apparatus; water distribution installations; water tank faucets; safety valves, adjustable opening valves for water supply networks; cut-off valves; apparatus for protecting networks, namely air bleed valves for water supply as parts of water distribution installations; sanitary installations; washbasins, bathtubs, showers; sewerage, wastewater and water treatment and treatment facilities, sewage and rainwater purification plants; irrigation networks in the form of sprinkler systems; taps; fire hydrants.

Class 12

Vehicles; apparatus for locomotion by land, air or water; vehicle windows made of glass; windows of organic glass for vehicles; vehicle windows made of anti-glare glass; vehicle windows made of insulating glass; vehicle windows made of laminated glass; vehicle windows made of safety glass; vehicle windows made of tinted glass; vehicle windshields made of fire-resistant glass.

Class 17

Rubber, gutta-percha, gum, mica, sealing rings, seals; semi-manufactured plastic products, sheets, semi-manufactured plastic sheets; caulking, stopping and insulating materials of any material; insulating materials made of mineral wool; tapes, beads, pipes, rolls intended for thermal and acoustic insulation and sealing; insulating materials covered with a surface coating; insulating products made of plastic foam; padding materials of rubber or plastic; plates of polystyrene and reinforcing fabrics for thermal insulation of facades, mortars for thermal and acoustic insulation, plastic mastics and elastomers for joints; non-metallic flexible pipes and tubes, junctions for the aforementioned products; glass fibers and glass threads, as well as semi-finished products and finished products made therefrom, all for insulation purposes; fabrics, all of these products intended for electrical insulation; self-adhesive tapes; plastic films for insulation or for industrial use.

Class 19

Non-metallic building materials; asphalt, pitch and bitumen, non metallic transportable buildings, non metallic monuments, building stones; gutters and non metallic sleepers, chimneys, non metallic chimney caps, beams, beams, frames and non metallic cornices; roofing materials, and coating of terracotta, concrete, cement, composite materials, wood walls; paving stones, slabs, floors, tiles, cornices, floors, non metallic floors, partitions, ceilings, non metallic stairs; non metallic reinforcements for building, panels, plates, rolls, not of metal, for building; non metallic rigid pipes, tubes and connecting devices for construction, assembly, installation and repair of pipes; building materials of glass; window glass and double-glazing tempered and semi-tempered glazing and double-glazing,

laminated glazing and double-glazing for thermal insulation and enhanced thermal insulation, window glass and double-glazing for soundproofing, window glass and double-glazing for protection, window glass and double-glazing for renovation, window glass and double-glazing for sun control, reflective or anti-reflective glazing and double glazing, glazing coated with layers, glazing deflecting light, glazing for heating or with an anti-fog function, glazing incorporating sensors or other mechanisms for recovering energy, curved panes, clear or tinted plate glass, extra-clear plate glass, frosted or sandblasted glass, clear or tinted printed glass, silkscreened glass, enameled glass for building, reinforced glass, profiled glass, ceramic glass for construction, drawn glass, blown glass, fireproof glazing, flameproof glazing, attached external glazing, glued external glazing, sliding arched windows, controlled opacification glazing, all being building materials; building materials, namely protective glazing against X-Rays and non-metallic partitions for shower bath in the form of glass screens; refractories, namely, building materials made of refractory material or prefabricated refractory parts; building timber including planks, manufactured timber, semi-worked wood; all types of mortars for the construction and renovation of buildings, in the nature of powder or paste, such as facings, interior plasters, mortars, mortar for the assembly of walls or other building elements, mortars or plaster sealing; non-metallic doors, doors incorporating glass, non-metallic windows, non-metallic shutters; non metallic gates, non metallic gates, non metallic fences, non metallic fence posts, non metallic trellises, porches, aquariums (constructions).

Class 20

Furniture, bathroom and kitchen furniture, shelving units, display cases, tables, glass shelves, removable coverings for sinks, display stands; non metallic screws, hinges; silvered glass [mirrors], mirrors, mirrors coated with a protective film, furniture frames, frame moldings [furniture]; drain valves and drain traps [valves] of plastic; plastic manual valves; plastic hose clamps for pipes intended to adapt to pipe expansion; silvered glass.

Class 21

Utensils and receptacles for household, kitchen or bathroom use, in glass, plastic, porcelain, earthenware; brush-making materials; glass, plastic, earthenware, porcelain crockery; lacquered glass (glass), enameled glass, silkscreened glass, printed glass, matte or sandblasted glass, shaped glass, thermofused glass, glass incorporating photographic representations, painted glass; unworked and semi-worked glass (except building glass); glass for vehicle windows; glass products incorporated in large household appliances, hobs, stoves, ovens, microwaves; glass fibers.

Class 22

Ropes, strings, nets, tents, tarpaulins, sails, padding materials (excluding rubber or plastics); raw fibrous textile materials; glass fibres for textile use, cables and ropes, all these products being intended for textile uses.

Class 23

Threads for textile use; fiberglass threads; rubber thread for textile use; elastic thread and yarn for textile use; plastic threads for textile use; fiberglass thread for textile use.

Class 24

Fabrics; fabrics and fiberglass knitted fabrics.

Class 37

Construction, installation, maintenance and repairs of buildings and public and private works, installation and repair of machines; rental of

construction tools and equipment; consulting services with respect to the installation, maintenance, construction and repairs provided from data processing systems, computer databases or computer or telematic networks, including the Internet; quarrying services; building insulation.

Collective and Certification Marks Published For Opposition Purposes

Registration has been accepted in respect of the following Collective and Certification Marks filed under the provisions of the Trade Marks Act (Cap. 332, 1992 Ed.), Trade Marks Act (Cap. 332, 2005 Ed.) and the Madrid Protocol.

OPPOSITION

Any person who wishes to oppose the registration of any of the marks published in the class groups which follow may within two months from the date of this journal file a Notice of Opposition on Form TM 11 (fee \$374 and Service Bureau charges).

Formal opposition should not be filed until after reasonable notice has been given to the Applicant for registration so as to afford him an opportunity of withdrawing his application before the expenses of preparing the Notice of Opposition are incurred. Failure to give such notice will be taken into account in considering any application by an Opponent for an Order for Costs if the opposition is uncontested by the Applicant.
