Tire pressure and tire temperature monitoring and measuring machines and instruments; bicycle speedometers; measuring or testing machines and instruments; batteries for vehicles; electric wires and cables; terminal devices for collecting information which have saving data measured by remote monitoring and transmitting saved data on demand functions; data transmitting devices for telecommunication; telecommunication machines and apparatus; electronic machines and apparatus for measuring, monitoring and transmitting data of tire pressure and tire temperature; computer programs for managing information regarding tires and vehicles; computer programs for managing information regarding belts for conveyors; computer programs for vehicle drive information, vehicle kinetic information and tire pressure information; computer programs relating to visualization tools for solution effectiveness, such as improvement of productivity, optimization of inventory and improvement of efficiency, by various combinations of products and services; computer programs; electronic machines, apparatus and their parts; protective eyewear for cycling; bicycle helmets; computers for vehicles with autonomous driving functions or autonomous driving assistance functions; computers for vehicles with automated driving functions or automated driving assistance functions; computer programs for vehicles with autonomous driving functions or automated driving assistance functions; computer programs for vehicles with automated driving functions or automated driving assistance functions; autonomous driving or automated driving devices for automobiles comprised of telecommunication machines and apparatus, electrical and electronic control apparatus and instruments, remote control apparatus, photographic machines and apparatus, and automatic adjusting/regulating machines and instruments including radar apparatus, scanners [data processing equipment], cameras, video cameras, sensors [measurement apparatus], other than for medical use, and alarms, for autonomous driving or automated driving of automobiles; telecommunication machines and apparatus for autonomous driving or automated driving of automobiles; electrical and electronic control apparatus and instruments for autonomous driving or automated driving of automobiles; remote control apparatus for autonomous driving or automated driving of automobiles; photographic machines and apparatus for autonomous driving or automated driving of automobiles; autonomous parking or automated parking devices for automobiles comprised of telecommunication machines and apparatus, electrical and electronic control apparatus and instruments, remote control apparatus, photographic machines and apparatus, and automatic adjusting/regulating machines and instruments including radar apparatus, scanners [data processing equipment], cameras, video cameras, sensors [measurement apparatus], other than for medical use, and alarms, for autonomous parking or automated parking of automobiles; telecommunication machines and apparatus for autonomous parking or automated parking of automobiles; electrical and electronic control apparatus and instruments for autonomous parking or automated parking of automobiles; remote control apparatus for autonomous parking or automated parking of automobiles; photographic machines and apparatus

for autonomous parking or automated parking of automobiles; radar apparatus, scanners [data processing equipment], cameras, video cameras, sensors [measurement apparatus] other than for medical use, alarms and automatic adjusting/regulating machines and instruments for automobiles comprised thereof.

CLASS 12

Shaft couplings or connectors, machine elements for land vehicles; bearings, machine elements for land vehicles; vehicle suspension components; shock absorbers, machine elements for land vehicles; springs, machine elements for land vehicles; tires for wheelchairs; inner tubes for wheelchair tires; tires for wheelchairs (excluding pneumatic tires); fenders for vessels [boat side protectors]; vessels and their parts and fittings; tires for aircraft; retreaded tires for aircraft; tires for aircraft (excluding pneumatic tires); inner tubes for aircraft tires; tread rubber for retreading tires for aircraft; aircraft and their parts and fittings; tires for railway cars; retreaded tires for railway cars; tires for railway cars (excluding pneumatic tires); inner tubes for railway car tires; wheels for railway cars; tread rubber for retreading tires for railway cars; railway rolling stock and their parts and fittings; tires for small and lightweight railway cars traveling on exclusive tracks; tires for small and lightweight railway cars traveling on exclusive tracks (excluding pneumatic tires); retreaded tires for small and lightweight railway cars traveling on exclusive tracks; inner tubes of tires for small and lightweight railway cars traveling on exclusive tracks; wheels for small and lightweight railway cars traveling on exclusive tracks; tread rubber for retreading tires for small and lightweight railway cars traveling on exclusive tracks; small and lightweight railway cars traveling on exclusive tracks and their parts and fittings; tires for magnetic levitation trains; tires for magnetic levitation trains (excluding pneumatic tires); retreaded tires for magnetic levitation trains; inner tubes for magnetic levitation train tires; wheels for magnetic levitation trains; tread rubber for retreading tires for magnetic levitation trains; magnetic levitation trains and their parts and fittings; tires for monorail vehicles; tires for monorail vehicles (excluding pneumatic tires); retreaded tires for monorail vehicles; inner tubes for monorail vehicle tires; wheels for monorail vehicles; tread rubber for retreading tires for monorail vehicles; monorail vehicles and their parts and fittings; tires for low-floor vehicles traveling on exclusive tracks; tires for low-floor vehicles traveling on exclusive tracks (excluding pneumatic tires); retreaded tires for low-floor vehicles traveling on exclusive tracks; inner tubes for low-floor vehicle tires traveling on exclusive tracks; wheels for low-floor vehicles traveling on exclusive tracks; tread rubber for retreading tires for low-floor vehicles traveling on exclusive tracks; low-floor vehicles traveling on exclusive tracks and their parts and fittings; tires for self-driving vehicles traveling on exclusive tracks; tires for self-driving vehicles traveling on exclusive tracks (excluding pneumatic tires); retreaded tires for self-driving vehicles traveling on exclusive tracks; inner tubes for self-driving vehicle tires traveling on exclusive tracks; wheels for self-driving vehicles traveling on exclusive tracks; tread rubber for retreading tires for self-driving vehicles traveling on exclusive tracks; self-driving vehicles traveling on exclusive tracks and their parts and fittings; autonomous cars; automated cars; vehicles with driving assistance functions; tires for automobiles; tires for vehicles; retreaded tires for automobiles; retreaded tires for vehicles; tires for small electric cars (excluding pneumatic tires); tires for automobiles (excluding pneumatic tires); inner tubes for automobile tires; inner tubes for vehicle tires; tread rubber for retreading tires for automobiles; wheels for automobiles; wheels for vehicles; treads for vehicles [tractor type]; seat cushions for vehicles; hydraulic hoses, not of metal, being parts of land vehicle brake systems, shovels and loading equipment; automobiles and their parts and fittings; tires for mobility scooters (excluding pneumatic tires); tires for golf carts (excluding pneumatic tires); tires for electric carts (excluding pneumatic tires); tires for all-terrain vehicles (excluding pneumatic tires); tires for two-wheeled motor vehicles; retreaded tires for two-wheeled motor vehicles; tires for two-wheeled motor vehicles (excluding pneumatic tires); inner tubes for two-wheeled motor vehicle tires; wheels for two-wheeled motor vehicles; tires for bicycles; retreaded tires for bicycles; tires for bicycles (excluding pneumatic tires); inner tubes for bicycle tires; wheels for bicycles; tread rubber for retreading tires for two-wheeled motor vehicles or bicycles; electric bicycles; two-wheeled motor vehicles, bicycles and their parts and fittings; wheel rims and wheel covers for aircraft, railway cars, automobiles, two-wheeled motor vehicles and bicycles; wheel rims and wheel covers for vehicles; wheel rims and wheel covers for small and lightweight railway cars traveling on exclusive tracks, magnetic levitation trains, monorail vehicles, low-floor vehicles traveling on exclusive tracks, and self-driving vehicles traveling on exclusive tracks; valves for tires of aircraft, railway cars, automobiles, two-wheeled motor vehicles and bicycles; valves for vehicle tires; valves for tires of small and lightweight railway cars traveling on exclusive tracks, magnetic levitation trains, monorail vehicles, low-floor vehicles traveling on exclusive tracks, and self-driving vehicles traveling on exclusive tracks; adhesive rubber patches for repairing tubes or tires.

CLASS 17

Anti-vibration rubber for automobiles; seals; hoses made of rubber; valves of rubber or vulcanized fiber [not including machine elements]; gaskets; pipe joints made of synthetic resin; non-metal pipe couplings and joints; urethane foam; sound absorbing sponge made of rubber or resin for automobile tires; plastic semi-worked products; foam rubber [semi-finished product]; sound absorbing materials made of rubber or resin for automobile tires; sound absorbing plates made of rubber or resin for

automobile tires; rubber for retreading and repairing tires; rubber material for recapping tubes; rubber materials for recapping tires; rubber.

CLASS 35

Business management analysis or business consultancy; marketing research or analysis; providing information concerning commercial sales; business management of hotels; collection, management and analysis of business data and information; collection of market research information; collection and analysis of business information on vehicle sales; product inventory management; agencies for product-management-related office work (including inventory management); agencies for sales-related office work (including sales incentives management); retail services or wholesale services for automobiles; retail services or wholesale services for two-wheeled motor vehicles; retail services or wholesale services for bicycles; retail services or wholesale services for electrical machinery and apparatuses; retail services or wholesale services for agricultural machines, implements and supplies; retail services or wholesale services for automobiles and their parts and fittings; retail services or wholesale services for mining, construction, loading-unloading and agricultural machinery, and their parts and fittings; retail services or wholesale services for shock absorbers, springs, valves, and hoses made of rubber, and their parts and fittings; retail services or wholesale services for pipes made of resin, couplings of resin for pipes and seismic isolation rubber, and their parts and fittings; computer-assisted research regarding business information; computer-assisted retrieval regarding business information; providing business and commercial advice and information to consumers on the selection of tires to be attached and driving techniques and practices; providing commercial information and advice related to tire management, namely the selection, maintenance, repair, retreading, replacement and pressure measuring of tires; advice and consultancy relating to business management and organization intended especially for pneumatic tire and automotive professionals; advice and consultancy relating to business management and organization; arranging and conducting of marketing analysis; input and compilation of information and data relating to vehicle and tire management, vehicle arrangement and location, and road itineraries into computer databases; compilation and systemization of information and data relating to vehicle and tire management, vehicle arrangement and location, and road itineraries; commercial information and advice related to vehicle arrangement and location; consultancy relating to personnel management and employment; consultancy relating to business organization and management; administrative advice, information linked to employment development and professional and social integration; compilation and provision of business information; business analysis, business advice and business consultancy; professional business consultancy; collection, management and analysis of customer information; processing of data obtained by in-vehicle systems by remote access.

CLASS 37

Repair and maintenance of automobiles and their parts and fittings or inspection, consultancy and information services relating thereto; repair and maintenance of mining, construction, loading-unloading and agricultural machinery, and their parts and fittings or inspection, consultancy and information services relating thereto; repair and maintenance of shock absorbers, springs, valves, and hoses made of rubber, and their parts and fittings or inspection, consultancy and information services relating thereto; repair and maintenance of pipes made of resin, couplings of resin for pipes and seismic isolation rubber, and their parts and fittings or inspection, consultancy and information services relating thereto; information services on maintenance of automobile tires, by telecommunication, relating to tire pressure and tire temperature; inspection, consultancy and information services relating to retreading of tires; battery charging services for electric vehicles.

CLASS 39

Advisory, consultancy and information services relating to transportation; providing information relating to operating control of vessels; providing information relating to operating control of aircraft; providing information relating to operating control of railway cars; providing information relating to operating control of small and lightweight railway cars traveling on exclusive tracks; providing information relating to operating control of magnetic levitation trains; providing information relating to operating control of monorail vehicles; providing information relating to operating control of low-floor vehicles traveling on exclusive tracks; providing information relating to operating control of self-driving vehicles on exclusive tracks; providing information relating to operating control of autonomous cars or automated cars; providing information relating to operating control of vehicles with driving assistance functions; providing information relating to operating control of automobiles; providing information relating to operating control of small electric cars; providing information relating to operating control of treads for vehicles [tractor type]; providing information relating to operating control of mobility scooters; providing information relating to operating control of golf carts; providing information relating to operating control of electric carts; providing information relating to operating control of all-terrain vehicles; providing information relating to operating control of two-wheeled motor vehicles; providing information relating to operating control of bicycles; providing transportation information relating to vehicles; providing road and traffic information; navigation services of vehicles with autonomous driving functions or

autonomous driving assistance functions by computer (transport information); navigation services of vehicles with automated driving functions or automated driving assistance functions by computer (transport information); navigation services of vehicles with autonomous driving functions or autonomous driving assistance functions by computer programs (transport information); navigation services of vehicles with automated driving functions or automated driving assistance functions by computer programs (transport information); providing information relating to driving services by autonomous driving or automated driving devices for automobiles comprised of telecommunication machines and apparatus, electrical and electronic control apparatus and instruments, remote control apparatus, photographic machines and apparatus, and automatic adjusting/regulating machines and instruments including radar apparatus, scanners [data processing equipment], cameras, video cameras, sensors [measurement apparatus], other than for medical use, and alarms, for autonomous driving or automated driving of automobiles; navigation services of autonomous driving or automated driving automobiles by telecommunication machines and apparatus (transport information); navigation services of autonomous driving or automated driving automobiles by electrical and electronic control apparatus and instruments (transport information); navigation services of autonomous driving or automated driving automobiles by remote control apparatus (transport information); navigation services of autonomous driving or automated driving automobiles by photographic machines and apparatus (transport information); providing information relating to driving services by autonomous parking or automated parking devices for automobiles comprised of telecommunication machines and apparatus, electrical and electronic control apparatus and instruments, remote control apparatus, photographic machines and apparatus, and automatic adjusting/regulating machines and instruments including radar apparatus, scanners [data processing equipment], cameras, video cameras, sensors [measurement apparatus], other than for medical use, and alarms, for autonomous parking or automated parking of automobiles; navigation services of autonomous parking or automated parking automobiles by telecommunication machines and apparatus (transport information); navigation services of autonomous parking or automated parking automobiles by electrical and electronic control apparatus and instruments (transport information); navigation services of autonomous parking or automated parking automobiles by remote control apparatus (transport information); navigation services of autonomous parking or automated parking automobiles by photographic machines and apparatus (transport information); navigation services of automobiles by radar apparatus, scanners [data processing equipment], cameras, video cameras, sensors [measurement apparatus] other than for medical use, alarms, and automatic adjusting/regulating machines and instruments composed thereof (transport information); vehicle-driving services.
