General Information

1. Trade Marks Journal

This journal is published by the Registry of Trade Marks pursuant to Rule 86A of the Trade Marks Rules. It is published weekly on Fridays, unless otherwise directed by the Registrar.

2. Notice of Opposition

Any person who wishes to oppose any of the marks published may within two months from its publication date file a Notice of Opposition on Form TM11. Reasonable notice should be given to the Applicant beforehand, to provide the Applicant an opportunity to withdraw the application. Failure to give such notice will be taken into account when considering any application by an Opponent for an Order of Costs if the opposition is uncontested by the Applicant.

3. Practice Directions and Circulars

The Registry has ceased our practice of publishing Practice Directions and Circulars in the Trade Marks Journal. Practice Directions and Circulars are available on our website at <https://www.ipos.gov.sg>. If you wish to receive our updates via email, you may subscribe to our mailing list by sending an email to news@ipos.gov.sg and letting us know the subject matter of interest (e.g. Trade Marks).

4. Information Contained in this Journal

The Registry of Trade Marks does not guarantee the accuracy of its publications, data records or advice nor accept any responsibility for errors or omissions or their consequences. Permission to reproduce extracts from this Journal must be obtained from the Registrar of Trade Marks.

precision measuring apparatus; pressure indicator plugs for valves; pressure indicators; pressure measuring apparatus; printed circuit boards; printed circuits; printers for use with computers; prisms [optics]; probes for scientific purposes; projection apparatus; projection screens; protection devices against X-rays, not for medical purposes; protection devices for personal use against accidents; protective films adapted for smartphones; protective helmets; protective helmets for sports; protective masks; protective suits for aviators; protractors [measuring instruments]; punched card machines for offices; push buttons for bells; pyrometers; quantity indicators; radar apparatus; radio pagers; radiological apparatus for industrial purposes; radiology screens for industrial purposes; radios; radiotelegraphy sets; radiotelephony sets; railway traffic safety appliances; readers [data processing equipment]; record players; reducers [electricity]; reflecting discs for wear, for the prevention of traffic accidents; refractometers; refractors; regulating apparatus, electric; relays, electric; remote control apparatus; resistances, electric; respirators for filtering air; respirators, other than for artificial respiration; resuscitation mannequins [teaching apparatus]; retorts; retorts' stands; revolution counters; rheostats; riding helmets; road signs, luminous or mechanical; rods for water diviners; rods [surveying instruments]; rulers [measuring instruments]; rules [measuring instruments]; saccharometers; safety restraints, other than for vehicle seats and sports equipment; safety tarpaulins; salinometers; satellite navigational apparatus; satellites for scientific purposes; scales; scales with body mass analyzers; scanners [data processing equipment]; screens for photoengraving; screens [photography]; screw-tapping gauges; security tokens [encryption devices]; semi-conductors; sextants; sheaths for electric cables; shoes for protection against accidents, irradiation and fire; shutter releases [photography]; shutters [photography]; sighting telescopes for firearms; signal bells; signal lanterns; signalling buoys; signalling panels, luminous or mechanical; signalling whistles; signals, luminous or mechanical; signs, luminous; simulators for the steering and control of vehicles; sirens; sleeves for laptops; slide calipers; slide projectors; slide-rules; slides [photography]; smart rings; smoke detectors; solar batteries; solderers' helmets; solenoid valves [electromagnetic switches]; sonars; sound alarms; sound locating instruments; sound recording apparatus; sound recording carriers; sound recording strips; sound reproduction apparatus; sound transmitting apparatus; sounding apparatus and machines; sounding leads; sounding lines; spark-guards; speaking tubes; spectacle cases; spectacle frames; spectacle lenses; spectacles [optics]; spectrograph apparatus; spectroscopes; speed checking apparatus for vehicles; speed indicators; speed measuring apparatus [photography]; speed regulators for record players; spherometers; spirit levels; spools [photography]; squares for measuring; square rulers for measuring; sprinkler systems for fire protection; stage lighting regulators; stands for photographic apparatus; starter cables for motors; steering apparatus, automatic, for vehicles; step-up transformers; stereoscopes; stereoscopic apparatus; stills for laboratory experiments; stroboscopes; styli for record players; subwoofers; sulphitometers; sunglasses; surveying apparatus and instruments; surveying chains; surveying instruments; surveyors' levels; switchboards; switchboxes [electricity]; switches, electric; t-squares for measuring; tachometers; tape

recorders; taximeters; teaching apparatus; teeth protectors; telegraph wires; telegraphs [apparatus]; telemeters; telephone apparatus; telephone receivers; telephone transmitters; telephone wires; teleprinters; teleprompters; telerupters; telescopes; television apparatus; temperature indicator labels, not for medical purposes; temperature indicators; terminals [electricity]; test tubes; testing apparatus not for medical purposes; theft prevention installations, electric; theodolites; thermal imaging cameras; thermionic tubes; thermometers, not for medical purposes; thermo-hygrometers; thermostats; thermostats for vehicles; ticket dispensers; time clocks [time recording devices]; time recording apparatus; time switches, automatic; tone arms for record players; totalizers; traffic cones; traffic-light apparatus [signalling devices]; transformers [electricity]; transistors [electronic]; transmitters of electronic signals; transmitters [telecommunication]; transmitting sets [telecommunication]; transponders; triodes; tripods for cameras; urinometers; USB flash drives; vacuum gauges; vacuum tubes [radio]; variometers; vehicle breakdown warning triangles; vehicle radios; verniers; video cassettes; video game cartridges; video recorders; video screens; video telephones; videotapes; viewfinders, photographic; viscosimeters; voltage regulators for vehicles; voltage surge protectors; voltmeters; voting machines; wafers for integrated circuits; walkie-talkies; washing trays [photography]; water level indicators; wavemeters; weighbridges; weighing apparatus and instruments; weighing machines; weights; whistle alarms; wind socks for indicating wind direction; wire connectors [electricity]; wires, electric; workmen's protective face-shields; wrist rests for use with computers; X-ray apparatus not for medical purposes; X-ray films, exposed; X-ray photographs, other than for medical purposes; X-ray tubes not for medical purposes; data storage apparatus and instruments, software and data storage software, and software for video-conferencing, radio, television, sound recording, sound reproducing, telecommunications and teaching apparatus and instruments; apparatus for recording television programmes; apparatus for reproduction or reception of sound, images or audio visual content; electrical and electronic apparatus for use in the reception of satellite, terrestrial or cable broadcasts; televisions; LCD and plasma screens; home cinema systems; amplifiers; speakers; radios; wireless audio and/or audio visual devices; portable wireless audio and/or audio visual devices; remote controls; wireless keypads; television receivers including a decoder; set-top boxes; digital set-top boxes; high definition set-top boxes; personal video recorder; set-top boxes for use in decoding and reception of satellite, terrestrial and cable broadcasts; apparatus for decoding encoded signals including set-top boxes for television reception; set-top box apparatus including a decoder and an interactive viewing guide; set-top box apparatus including a decoder and a recorder for recording television and audio programmes; set-top box apparatus including a decoder and a recorder programmable to transfer stored recordings to storage and also to delete the older recordings; satellite dishes; low noise block downconverters; satellite meters; computer software to enable searching of data; encoded programs for computers and for data processing and telecommunications; telephones; mobile telephones; PDAs; telephone and radio modems; television receivers including a decoder; set-top boxes for use in decoding

and reception of satellite, terrestrial cable and digital subscriber line (DSL), Internet or other electronic broadcasts; apparatus for decoding encoded signals; recorded television and radio programmes; recorded programmes for broadcasting or other transmission on television, radio, mobile telephones, PDAs and on PCs; video recordings; multimedia apparatus and instruments; portable or hand-held computers; DVD players; computers; computer hardware; firmware; computer firmware; computer hardware, apparatus and instruments all for transmitting, displaying, receiving, storing and searching electronic information; computer programs; computer software; computer software and telecommunications apparatus to enable connection to databases and the Internet; computer software supplied from the Internet; network termination equipment; wired and/or wireless computer network routers, modems, firewalls and/or bridges; computer software and computer programs for distribution to, and for use by, viewers of a digital television channel for the viewing and purchase of goods and services; computer games software and computer quiz software; computer programs for interactive television and for interactive games and/or quizzes; interactive video game devices comprised of computer software namely software for operating game controllers; portable and/or hand-held electronic devices for receiving, playing and transmitting music, sounds, images, text, signals, information and code; electronic publications; computer games (computer software); computer video games (computer software); video screens; video projectors; tapes, discs and wires, all being magnetic; cassettes and cartridges, all adapted for use with the aforesaid tapes; blank and pre-recorded audio and video cassettes, tapes and cartridges; compact discs; DVD discs; phonographic records; laser readable discs for recording sound or video; ROM cartridges, CD ROMs, cards and discs, integrated circuit cards, memory carriers, recording media, all pre-recorded with computer video games and/or quizzes; encoded cards; radio and television signal antenna; downloadable music, sounds, videos, images, text and information provided by a telecommunications network, by on-line delivery and by way of the Internet and/or the world-wide web or other communications network; interactive sound and/or audio recordings; music, video, sound and/or audio recordings (downloadable) provided from MP3 Internet websites; MP3 players, MP3 readers; audio and/or video file recorders and/or players; portable audio and/or video file recorders and/or players; telephone ring tones (downloadable); downloadable ring tones for mobile phones; apparatus and instruments for the reception of radio and television broadcasts including the reception of cable, satellite and digital broadcasts; smart cards; credit cards; encoded loyalty cards; acoustic apparatus or instruments, namely acoustic discs, acoustic meters, acoustic sound alarms; adaptors; aerials; antenna; amplifiers; communication apparatus and instruments; encoded or magnetic banking or credit cards; cinematographic film; cinematographic instruments and apparatus; data carriers; data storage apparatus, equipment and instruments; electrical telecommunications and/or communications and/or broadcast and/or transmission and/or decoding and/or image processing and/or audio visual instruments and apparatus; electronic telecommunications and/or communications and/or broadcast and/or transmission and/or decoding and/or image processing and/or

audio visual instruments and apparatus; film reproducing instruments and apparatus; hand held electrical telecommunications and/or communications and/or broadcast and/or transmission and/or decoding and/or image processing and/or audio visual instruments and apparatus; hand held electronic telecommunications and/or communications and/or broadcast and/or transmission and/or decoding and/or image processing and/or audio visual instruments and apparatus; mobile telephones; motion pictures; telephone apparatus and equipment; parts and fittings for all the aforesaid goods; sunglasses, leather cases for holding mobile phones; downloadable media content, including video and films, television programmes, computer games, music, images and ring tones provided by internet, telephone line, cable, wireless transmission, satellite or terrestrial broadcast service; cases, containers, protective coverings and parts and fittings therefor, all for use with MP3 players, music storage devices, media storage devices and other audio, visual and computer devices; electrical, electronic and computer equipment for machinery for use in conservation, generation and efficient use of heat, light and water, including thermostatic controls, solar panels for electricity generation, photovoltaic devices, solar cells turbines and motion detectors; electrical and electronic equipment for use in the generation of solar power; electrical, electronic and computer equipment for use in the generation of alternative energy including wind power, hydroelectric power, tidal power, geothermal power, solar power, biomass, and biofuels; control and monitoring equipment for use in the generation of alternative energy including wind power, hydroelectric power, tidal power, geothermal power, solar power, biomass, and biofuels; automated control apparatus for local management of lighting, heating and water supplies; electronic publications (downloadable), including electronic publications, magazines and newsletters regarding environmental protection, energy conservation and ecology, animal welfare and renewable energy projects, including wind power, hydroelectric power, tidal power, geothermal power, solar power, biomass, and biofuels; apparatus and instruments for closed circuit television and surveillance systems; apparatus and instruments for personal security monitoring; apparatus and instruments for home security monitoring and control; home and personal security apparatus; home and personal security devices; home and personal security alarms; electronic protection equipment, including fire detecting and alarm equipment, intruder and burglar alarm equipment and motion detecting equipment; radio, telephonic, television and signalling apparatus and instruments, cameras, sound and video monitoring and recording and sound and video reproducing apparatus and instruments, all for control and telemetry purposes for the home and personal security; closed-circuit television systems (CCTV); monitors; cameras; optical lenses; camera casings; prepackaged cameras; videocassette recorders (VCRs); system controlling software; video monitoring apparatus; detectors; access control apparatus; readers; magnetic or encoded access control cards; monitoring apparatus; electronic panels for alarm management and monitoring; alarm panels; glass breakage detectors; smoke detectors; carbon monoxide detectors; digital audio recorders; digital video recorders; digital audio servers; digital video servers; electrical communication equipment; message programming equipment; radio paging equipment; electronic locking

systems; life-saving apparatus and equipment; electric alarms; electronic devices for opening doors; electronic devices for protection; intruder alarms and anti-theft equipment; intruder detection apparatus; motion detecting equipment; electronic control apparatus; electronic apparatus for controlling operation of machines; remote apparatus for controlling operation of machines; computer apparatus for controlling operation of machines; electronic network equipment; electronic communication equipment; message programming devices; electronic locking apparatus; parts and fittings for all the aforesaid goods; computer software, operating system software, devices, and hardware for transmitting, receiving, synchronizing, displaying, backing-up, monitoring, controlling, sharing, coding, decoding, encrypting, accessing, remotely accessing, creating, collecting, storing, securing, removing, transferring, disseminating, locating, organizing or otherwise utilizing data, voice, multimedia, audio, visual, music, photographs, drawings, images, audiovisual, video, text, graphics or other data, including over a global communications network; computer software, operating system software, devices, and hardware for synchronizing data, files, e-mails, contacts, calendars, task lists, text messages, photos, music, audio, visual, audio visual, video, text, graphics, programs and other information between computers and hand-held or other devices, and vice versa; communications platforms for enabling instantaneous, continuous, scheduled and perpetual synchronization of data between computers and hand-held or other devices, and vice versa; multimedia cards, memory cards, flash memory cards, memory chips, data storage media devices, plugs, plug-in cards, magnetic cards, SIM cards, telephone calling cards, headphones, headsets, portable and/or hand held electronic devices for receiving, storing, playing and transmitting data, voice, multimedia, audio, visual, music, photographs, drawings, images, audiovisual, video, text, graphics or other data; online dictionaries, encyclopaedias, and reference texts (downloadable); online publications, including newspapers, magazines (periodicals), comics, journals (publications), books, user manuals, instructional and teaching materials (downloadable); online posters, photographs, pictures, articles, vouchers and tickets (downloadable); online electronic dictionaries, encyclopaedias and reference texts (downloadable); computer software for processing electronic payments and transferring funds to and from others; downloadable authentication software; conversion software and databases, including currency conversion and measurement conversion; computer software for the purpose of monitoring online communications and chat room conversations and alerting third parties to the contents; computer software for monitoring the use of computers and the Internet by children; computer software relating to online protection and online security; protective clothing [against accident or injury] for cycling; locks (electric) for bicycles; parts and fittings for all the aforesaid goods; satellite navigational system for bicycles; global positioning systems for use with bicycles; computers for use with bicycles; ergometers; computer apparatus for remote meter reading; bicycle meters; distance meters; power meters; speed meters; eyewear; sports eyewear; protective eyewear; sunglasses; cases for eyewear; cases for sunglasses; frames for eyewear; lenses for eyewear; straps for sunglasses and eyewear; helmets; cyclists helmets; crash helmets; protective sports helmets;

sports bags for protective helmets; sporting articles [helmets] for protective purposes; face masks for cycling; protective gloves; visors; radios; communicators; aerials for radios; parts for radios; carrying cases for radios; electronic radio apparatus; mobile radios; mounting fittings for radios; radio receivers and transmitters; radio transceivers; radios for vehicles; solar powered radios; wireless boosters; wireless transmitters; wireless communication apparatus; two way wireless communication systems; digital electronic devices for recording, organizing, transmitting, receiving, manipulating, playing and reviewing text, data, image, audio and video files; computer software for use in organizing, transmitting, receiving, manipulating, playing and reviewing text, data, image, audio, and video files; computer hardware and computer software for the reproduction, processing and streaming of audio, video and multimedia content; computer hardware and software for controlling the operation of audio and video devices and for viewing, searching and/or playing audio, video, television, movies, photographs and other digital images, and other multimedia content; computer software for creating and editing music and sounds; computer hardware, peripherals and devices for portable media storage and digital media streaming; computer hardware for upload, storage, retrieval, download, transmission and delivery of digital content; virtual reality systems; virtual reality glasses or goggles, data gloves, head mounted displays, datasuits, virtual reality clothing, headphones, speakers, computer joysticks, equipment and apparatus for virtual reality rooms; virtual reality software; virtual reality headsets, helmets and viewers; virtual reality (VR) and augmented reality (AR) products namely goggles, gloves, 3D glasses for smartphones, headsets and head mounted displays adapted for use in watching videos and movies, headphones, head trackers, motion trackers, data gloves, 3D controllers, haptic devices, stereoscopic 3D displays; virtual reality and augmented reality headsets, helmets, display screens, and sound systems comprised primarily of speakers, all adapted for use in playing video games, viewing motion pictures, and participating in virtual reality and augmented reality environments in which users can interact for recreational, leisure, or entertainment purposes; electronic and optical communications instruments and components, namely, display screens for virtual reality visualization, manipulation, immersion and integration of audio, video, text, binary, still images, graphics and multimedia files; personal video display devices in the nature of wearable displays for viewing digital content including virtual reality, augmented reality, and mixed reality content; virtual reality motion platforms; cameras for use in virtual reality products (headsets, head mounted displays adapted for use in watching videos and movies, headphones, head trackers, stereoscopic 3D displays); motion tracking sensors; hologram apparatus; holographic apparatus; software for virtual reality immersion and integration of geographic information in interaction with on-line member communities, other applications and the data itself; smart phones; portable virtual reality systems; wearable computers; vision processing unit; holographic processing unit; inertial measurement unit; virtual reality games software; virtual reality hardware and peripheral devices; virtual reality software; augmented reality software; software in the field of virtual reality, motion tracking, location, position, and orientation sensing; software for developing and interfacing with virtual

reality/augmented reality software; software, namely, mobile application for setting up, configuring, viewing and running virtual reality/augmented reality software; hardware and software for use in enabling computers, handheld consoles, tablet computers, mobile devices, and smart phones to provide virtual world experiences; virtual reality software for creating, sharing, and viewing virtual reality content over the internet; virtual reality computer platform; earphones for mobile computer terminals; microphones; earphones; smart phones; webcams; head-mounted video displays; micro-displays, namely, head mounted video displays and near eye video displays; parts and accessories for micro-display; video processors; software and firmware for video drivers and video processing; personal video display screens; personal video display devices in the nature of wearable displays for viewing digital content including virtual reality, augmented reality, and mixed reality content; downloadable computer game programs for cellular phones, mobile computer terminals, set-top boxes, DVD players connected to network and television sets connected to network; downloadable computer game programs; downloadable video game programs; game programs for home video game machines; game programs for hand-held games with liquid crystal displays; downloadable or installable computer and video game programs for home video game machines; downloadable or installable additional image data for home video game machines; downloadable or installable computer and video game programs for hand-held games with liquid crystal displays; downloadable or installable additional image data for hand-held games with liquid crystal displays; downloadable image file containing artwork, text, audio, video, games and Internet Web links relating to sporting and cultural activities; downloadable images for cellular phones and mobile computer terminals; downloadable stand by image for cellular phones; downloadable ring tones for mobile phones; downloadable electronic publications in the nature of books, manuals, magazines, newspapers in the field of video games, game software, music and video movies; earphones for home video game machines; headphones for home video game machines; microphones for home video game machines; webcams; earphones exclusively for use with hand-held games with liquid crystal displays; headphones exclusively for use with hand-held games with liquid crystal displays; microphones exclusively for use with hand-held games with liquid crystal displays; computer software for creating and editing music and sounds, computer hardware, peripherals and devices for portable media storage and digital media streaming, computer hardware for upload, storage, retrieval, download, transmission and delivery of digital content; parts and fittings for all of the above.

Class 35

Advertising; business management; business administration; office functions; accounting; administrative processing of purchase orders; advertising by mail order; advisory services for business management; arranging newspaper subscriptions for others; arranging subscriptions to telecommunication services for others; auctioneering; bill-posting; business appraisals; business auditing; business efficiency expert services; business information; business inquiries; business investigations; business intermediary services relating to the

matching of potential private investors with entrepreneurs needing funding; business management and organization consultancy; business management assistance; business management consultancy; business management of hotels; business management of performing artists; business management of sports people; business organization consultancy; business research; commercial administration of the licensing of the goods and services of others; commercial information agencies; commercial information and advice for consumers [consumer advice shop]; commercial or industrial management assistance; compilation of information into computer databases; compiling indexes of information for commercial or advertising purposes; compilation of statistics; computerized file management; consultancy regarding public relations communications strategy; consultancy regarding advertising communications strategy; cost price analysis; data search in computer files for others; demonstration of goods; direct mail advertising; dissemination of advertising matter; distribution of samples; document reproduction; drawing up of statements of accounts; economic forecasting; employment agencies; import-export agencies; invoicing; layout services for advertising purposes; marketing; marketing research; marketing studies; modelling for advertising or sales promotion; negotiation of business contracts for others; news clipping services; office machines and equipment rental; on-line advertising on a computer network; opinion polling; organization of exhibitions for commercial or advertising purposes; organization of fashion shows for promotional purposes; organization of trade fairs for commercial or advertising purposes; outsourcing services [business assistance]; payroll preparation; personnel management consultancy; personnel recruitment; photocopying services; presentation of goods on communication media, for retail purposes; price comparison services; procurement services for others [purchasing goods and services for other businesses]; production of advertising films; production of teleshopping programmes; professional business consultancy; psychological testing for the selection of personnel; public relations; publication of publicity texts; publicity; publicity agencies; publicity columns preparation; publicity material rental; radio advertising; registration of written communications and data; relocation services for businesses; rental of advertising space; rental of advertising time on communication media; rental of photocopying machines; rental of vending machines; retail or wholesale services connected with the sale of pharmaceutical, veterinary and sanitary preparations and medical supplies; sales promotion for others; secretarial services; shop window dressing; shorthand; sponsorship search; systemization of information into computer databases; tax preparation; telemarketing services; telephone answering for unavailable subscribers; television advertising; transcription; typing; updating of advertising material; updating and maintenance of information in registries; word processing; writing of publicity texts; promotional services; administration services for businesses; accounting services; customer relationship management; organisation, operation and supervision of sales and promotional incentive schemes; online advertising; provision of product information and advice to prospective purchasers of home entertainment equipment, multi-media apparatus and instruments, television and radio equipment, audio visual equipment, set-top boxes, personal video
