GENERAL INFORMATION II

TRADEMARKS ACT 2019 (Act 815)

PUBLICATION OF APPLICATION FOR REGISTRATION OF TRADEMARKS

Pursuant to **section 31** of the Trademarks Act 2019, the following applications for registration of trademarks have been accepted and are hereby published in Intellectual Property Official Journal under **paragraph 148(1)(a)** of the Trademarks Act 2019

Where an application for registration is accepted subject to any conditions, amendments, modifications or limitations, such conditions, amendments, modifications or limitations shall appear in the publication.

Pursuant to subsections 35(1) and 35(2) of the Trademarks Act 2019 and subregulation 23(1) of the Trademarks Regulations 2019, a notice of opposition to oppose the registration of the application for registration of trademark which shall include the statement of the grounds of such opposition may be filed together with payment of the prescribed fee with the Registrar of Trademarks within two months from the date of the publication of the acceptance of such application for registration of trademark.

Notwithstanding the above paragraph, pursuant to subsection 153(1) of the Trademarks Act 2019 and subregulation 23(2) of the Trademarks Regulations 2019, the request for an extension of time may be allowed at the discretion of the Registrar of Trademarks for not more than two months after the expiry of the period for filing the notice of opposition.

computerised point-of-sale data collection services; promoting the sale of goods and services by others

by awarding points for credit card use or mobile financial software application use; developing and coordinating volunteer projects for charitable organisations; promotional information and advisory services provided to members, subscribers and users of incentive loyalty schemes and reward programs; promotional services in the nature of bonus programmes for purchases of selected goods and services, including the supply of benefits in connection with environmentally-conscious purchase and lifestyle choices; business management of a transportation fleet; information, consultancy and advisory services all relating to the aforesaid services.

CLASS 36

Insurance; financial affairs; monetary affairs; real estate affairs; clearing and reconciling financial transactions via a global computer network; online banking services and financial services; credit card services, processing and transmission of bills and payments thereof, and providing insurance for financial transactions; funds transfer services; transmission of funds by electronic means for others; transfer of payments for others via the internet; financial services in the nature of billing and payment processing services; arrangement and management of leases and tenancy; renting and leasing of real estate; real estate appraisal; real estate valuation, real estate financing, real estate investment; real estate brokerage services; real estate agency services; housing agency services; actuarial services; real estate management and consultancy services; rent collection; rental of offices (real estate); rental of apartments and flats; provision of financial information via the Internet; safety deposit and issuing of travel vouchers services; capital investments; financial evaluation [insurance, banking, real estate]; financial and asset management services; insurance and financial services; financial services provided by telecommunication means; financial consultancy and advisory services; online banking; banking services provided on-line from a computer databases or the Internet; securities brokerage services, stock exchange quotation services; stocks and bonds brokerage, financial analysis; debit card services, charge card services and cheque guarantee services; banking, savings account and investment services; financial clearing services; credit verification via global computer information network; electronic credit risk management services; electronic purchase payment and electronic bill payment services; financial accounts debiting and crediting services; electronic banking services; issuance of stored value cards, charge cards and debit cards; telephone credit cards services; information services relating to finance and insurance, provided online from a computer database or Internet; agency for collection of gas and electricity fees; antique appraisal; art appraisal; jewellery appraisal; used car appraisal; tax information supply (financial services); charitable fund raising; organizing of charitable collections; charitable collections; rental of paper money and coin counting or processing machines; rental of cash dispensers or automated-teller machines; online payment services; arranging finance for construction projects; issuing of vouchers; provision of electronic funds transfer services; monetary exchange services, cash dispensing services, provision of prepaid cards and tokens, money transfer services; including all of the aforementioned services provided by electronic means; consultancy, information and advisory services relating to the electronic transfer of funds; foreign currency transfer services; foreign currency exchange; currency trading; currency dealing; brokerage of currency; financial transactions via blockchain; provision of charitable fundraising services in relation to carbon offsetting; brokerage of carbon offsets; financial sponsorship of carbon offset programmes; funding of and investment in emissions reduction projects; investment in carbon offset programmes and projects; investment in emissions reduction funds; provision of loans; providing temporary loans; consultancy, information and advisory services relating to the aforesaid services.

CLASS 38

Telecommunications; telecommunication services, namely, data transmission and reception services via telecommunication networks; providing web-based multimedia teleconferencing videoconferencing, and online meeting services that allow simultaneous and asynchronous viewing, sharing, editing, and discussion of documents, data, and images by participants via a web browser; providing customers with online access to online reports regarding the performance, effectiveness, and status of web-based applications, teleconferences, videoconferences, and meetings; providing users with secure remote access via the Internet to private computer networks; providing online collaboration services allowing users to access applications, platforms, jointly-shared documents, data, task lists, and discussion forums; Internet broadcasting services, providing an online database of information regarding web-based broadcasting complaint submission platform; provision of telecommunication access and links to computer database and to the Internet; electronic communication services; interactive telecommunications services; telecommunication of information (web pages), computer programs and data; providing telecommunications connections to the Internet or data bases; provision of telecommunication access to world-wide web facilities and structures; communication by computer terminals; communication by fibre optic networks; computer aided transmission of messages, information, data, documents and images; facsimile transmission; message sending; paging services; rental of modems; data communication services by electronic means; rental of telecommunication equipment; electronic message sending, receiving and forwarding services; electronic exchange of voice, data, audio, video, text and graphics accessible via computer and telecommunication networks; instant messaging services; mobile phone communication services;

collection, transmission and delivery of data by electronic means; collection, transmission and delivery of mail messages, still picture and/or moving picture information such as characters, messages, music and images, telegrams, information and data by mechanical, electronic, telephone, telex, cable, computer and satellite means; transmission, broadcast and reception of audio, video, still and moving images and data whether in compressed or uncompressed form and whether in real or delayed time; electronic messaging, conferencing and order-transmission services; video conferencing services; communication by electronic bulletin board that enables users to perform a real-time interactive talk between a computer terminal and an electronic bulletin board containing still picture and moving picture information and voice information such as characters; providing electronic bulletin boards and message boards for transmission of messages; provision of online discussion forums; television broadcasting services; broadcasting and transmission of radio and television programmes; music broadcasting; transmission of music, films, interactive programmes, videos, electronic computer games; transmission of information relating to online shopping and general retail services; video-on-demand transmission services; news agency services; providing access to computer database on the global computer network for searching and retrieving information, data, web sites and resources available on computer networks; providing user access to a computer database containing electronic publications, bulletin boards, database and information accessible via computer; operation of chat rooms (chat room services); multiple user access to global computer information networks for the transfer and dissemination of a wide range of information; providing access to a website on a global computer network by which third parties can offer goods and services, place and fulfill orders, enter into contracts and transact business; providing access to an interactive website on a global computer network for third parties to post information, respond to requests and place and fulfill orders for products, services and business opportunities; communication services, namely, text and numeric digital messaging services; transmission of information by data communications for assisting decision making; transmission of information through video communication systems; web conferencing services; electronic communication services for establishing virtual chatrooms via text messaging; providing electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business leads and opportunities; providing an online interactive bulletin board for the posting, promotion, sale and resale of items via a global computer network; providing electronic mail and electronic mail forwarding services; audio and video communication via computers and computer networks, and via a global communications network; providing computer access and leasing access time to online interactive bulletin boards and databases; providing access to electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business opportunities; providing access to electronic calendar, address book and electronic notebook, via local and global computer networks; providing distant video and/or telephone conferencing access and facilities; providing direct connection services between computer users for exchanging data; consultancy services in the field of secure data and information transmission services; provision of electronic data links; consultancy, information and advisory services relating to the aforesaid services.

CLASS 42

Scientific and technological services and research and design relating thereto, industrial analysis and research services; design and development of computer hardware and software; software as a service (SaaS); blockchain as a service (BaaS); encryption, decryption and authentication of information, messages and data; providing user authentication services using biometric, facial recognition, finger print authentication, voice recognition and other types of hardware and software authentication technology for provision of financial services, e-commerce transactions, donations, licensed product tracking and fan engagement; data security services; IT security, protection and restoration; computer security threat analysis for protecting data; provision of security services for computer networks, computer access and computerised transactions; certification (quality control) of data via blockchain; data authentication via blockchain; including all of the aforementioned services for use in connection with payment systems; computer services in connection with transmitting information, data, documents, and images over the Internet; application service provider (ASP) services, namely, hosting computer software applications of others; application service provider (ASP) services providing software in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; providing online non-downloadable software for facilitating the interoperability of multiple software applications; technical support services relating to computer software and applications provided online, by email and by telephone; computer services, namely, creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents; computer technology advice provided to Internet users by means of a support hotline; computer service relating to creating indexes of information, sites and resources on computer networks; providing search engines; design of computers, notebook computers, laptop computers, portable computers and handheld computers; design of personal digital assistants and personal media players; design of mobile telephones and smart phones; design of digital cameras; computer services; computer programming; computer integration services; computer analysis services; computer programming in relation to the defence against virus; computer system software services; computer

software design; computer system design; design and development of webpages; hosting webpages for others; hosting computer application software for searching and retrieving information from databases and computer networks; providing technical information at the specific request of end-users by means of telephone or global computer network; consultancy services in relation to computer software; computer services relating to customized searching of computer databases and websites; computer and electronic signal coding and decoding; conversion of physical data and documents into electronic media format; product testing and evaluation services; architectural and design services; interior designs of buildings, offices and apartments; computer information services; network information services, namely, providing technical information relating to computers and networks in the field of business and e-commerce; provision of computer security risk management programs; computer security information, knowledge, and testing services; quality assurance services; computer services relating to certification of business transactions and preparation of reports therefor; access control to (security services for-) computers, electronic networks and databases; security of data transmission services and of transactions via computer networks services; consultancy in the field of data security; technological consultancy concerning securing telecommunications; computerized communication network security services; providing information in the fields of Internet, world wide web and computerized communication network security and the secure transmission of data and information; consulting services in the fields of Internet, world wide web and computerized communication network security services, information security services; authentication services for computer security; online authentication of electronic signatures; off-site data backup; electronic data storage; providing information on computer technology and programming via a web site; cartography services; cloud computing; cloud hosting provider services; providing temporary use of non-downloadable cloud-based software and cloud computing software; electronic storage of data; providing virtual computer systems and virtual computer environments through cloud computing; rental of entertainment software; technical research in the field of carbon offsetting; provision of information, advice and consultancy in relation to carbon offsetting and environmental protection; providing technological information about environmentally-conscious and green innovations; environmental testing, assessment and monitoring services; research in the fields of environmental protection and conservation; research and provision of scientific information in the field of climate change; scientific and industrial consultation services relating to fuels, fuel and carbon dioxide emissions and environmental issues; scientific and technological services relating to recommendation of courses of action to reduce carbon dioxide emission in a cost effective manner; scientific and technological services relating to management of carbon offset programmes; environmental research, management and protection services; providing online non-downloadable software for use in relation to distributed relational databases with structured query language (SQL) compatibility; platform as a service (PAAS) services featuring computer software platforms for use in relation to distributed relational databases with structured query language (SQL) compatibility; software as a service (SAAS) services featuring software for use in relation to distributed relational databases with structured query language (SQL) compatibility; providing non-downloadable software for use in relation to analysis, customization, design and optimization of computer software systems for others; providing non-downloadable software for use in relation to computer and data communication systems disaster recovery services; providing non--downloadable software for use in relation to recovery of computer data, data migration and compression; platform as a service (PAAS) services and software as a service (SAAS) services featuring computer software platforms for use in relation to analysis, customization, design and optimization of computer software systems for others; platform as a service (PAAS) services and software as a service (SAAS) services featuring computer software platforms for use in relation to computer and data communication systems disaster recovery; platform as a service (PAAS) services and software as a service (SAAS) services featuring computer software platforms for use in relation to recovery of computer data, data migration and compression; computer and data communication systems disaster recovery services; recovery of computer data; data migration and compression services; consultancy, information and advisory services relating to the aforesaid services; consulting services in the field of analysis, customization, design, and optimization of computer software systems for others.

CLASS 45

Personal and social services rendered by others to meet the needs of individuals, namely personal shopper services, non-medical personal care services for others in the nature of planning, organizing, coordinating, arranging and assisting individuals to perform daily tasks, personal reminder services, personal bodyguard services, social escorting; consultancy services relating to social planning, chaperoning, personal introduction agency services, house sitting, babysitting, pet sitting, detective agencies, undertaking, horoscope casting; social work services; dating services; legal services; domain name registration services (legal services); guard and security services; personal safety services; rental and/or leasing of safes; rental of apparel; providing protection services through electric central stations for intruders, burglar and fire protection systems; intruder and burglar alarms monitoring services, fire and flood detecting device and alarm monitoring services; licensing of digital data, still images, moving images, audio and text; creation, compilation and maintenance of a register of domain names; baggage inspection for security purposes; personal background investigation

services; security services for the protection of property and individuals; funeral services; on-line social networking services; releasing doves for special occasions; embalming services; providing authentication of personal identification information [identification verification services], including using biometrics, facial recognition, finger print authentication, voice recognition and other types of authentication based on measurement and analysis of unique physical or behavioral characteristics; security services for the physical protection of tangible property and individuals; astrological and spiritual services; detective services; funerary services; religious services; rental of clothing; rental of equipment for safety, rescue, security and enforcement; safety, rescue, security and enforcement services; security services; public events security services; consultancy, information and advisory services relating to the aforesaid services.

GENERAL INFORMATION III

TRADEMARKS ACT 2019 (Act 815)

PUBLICATION OF ACCEPTANCE OF INTERNATIONAL REGISTRATION DESIGNATING MALAYSIA

Pursuant to regulation 71 of the Trademarks Act 2019, the following international registrations designating Malaysia have been accepted and are hereby published in Intellectual Property Official Journal under section 148 of the Trademarks Act 2019.

Where an application for registration is accepted subject to any conditions, amendments, modifications or limitations, such conditions, amendments, modifications or limitations shall appear in the publication.

Pursuant to subsections 35(1) and 35(2) of the Trademarks Act 2019 and subregulation 72(1) of the Trademarks Regulations 2019, a notice of opposition to oppose the registration of the international registrations designating Malaysia which shall include the statement of the grounds of such opposition may be filed together with payment of the prescribed fee with the Registrar of Trademarks within two months from the date of the publication of the acceptance of such international registrations designating Malaysia in the Intellectual Property Official Journal.

Notwithstanding the above paragraphs, pursuant to subsection 153(1) of the Trademarks Act 2019 and subregulation 72(2) of the Trademarks Regulations 2019, the request for an extension of time may be allowed at the discretion of the Registrar of Trademarks for not more than two months after the expiry of the period for filing the notice of opposition
