Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signaling, checking [supervision], life-saving and teaching apparatus and instruments namely telescopes, microscopes, binoculars, optical shutters, photographic slide transparencies, fire and gas alarms, barometers, electronic warning bells, signal bells, spectacles; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity namely electric cables and wires, electric circuit closers, electric control panels, electric converters, electric power converters, electric transformers, electricity conduits, power switches, power transformers, electrical power distribution blocks, electrical connectors for power converters; apparatus for recording, transmission or reproduction of sound or images namely audio and video cassette recorders, audio tape recorders, DVD recorders, magnetic tape recorders, tape recorders and players, telephone recorders, video tape recorders, USB card readers, telephone transmitters; magnetic data carriers namely USB flash drives, blank recording discs; blank compact discs, DVDs and other digital recording media namely CD-ROMs, diskettes, flash memory cards, digital audio tapes; mechanisms for coin-operated apparatus namely automatic cash registers, automatic cash sorting and counting machines; calculating machines namely calculators; computers; computer software namely computer screen saver software, computer software for creating and inserting metatags into documents and information, computer software for creating, sending and receiving e-mail, computer software for database management, computer software for image processing, computer software for optical character recognition, computer software for organizing and viewing digital images and photographs, computer software for predictive and corrective text entry for use with smart phones, tablet computers and personal digital assistants, computer software for use as a spreadsheet, computer software for word processing, e-commerce software to allow users to perform electronic business transactions via a global computer network, network access server operating software, software for ensuring the security of electronic mail; fire extinguishers; handheld electronic units for adjusting sound levels in hearing aids; adapters for connecting telephones to hearing aids; batteries for use in hearing aids; remote control apparatus for air conditioning installations; measuring and control devices for air conditioning technology; digital thermostats, air conditioning, heating, ventilation and drying control devices, being climate control systems; humidity meters; electrical and electronic control apparatus for use with apparatus or installations for heating; electric control devices for heating management; temperature monitors [valves] for central heating radiators; electric control devices for heating and energy management; battery power supplies for medical ventilators; audio players; audio tape players; digital audio players; audio cassette players; digital audio tape players; DVD player; video players; disc players; videotape players; tape players; record players; DVD players; cassette players; CD players; MP3 players; videodisc players; MP4 players; record player turntables; handheld media players; gramophone record players; portable multimedia players; portable DVD players; combination video players and recorders; tone arms for record players; cases adapted for CD players; cases for digital media players; covers for portable media players; cases adapted for DVD players; cases for portable media players; covers for digital media players; speed regulators for record players; docking stations for digital music players; compact disc players for use with computers; carrying cases for portable music players; carrying cases for digital music players; electrical receivers; radio receivers and transmitters; television receivers; audio receivers; GPS receivers; wireless receivers; audiovisual receivers; satellite receivers; video receivers; telephone receivers; optical receivers; radio receivers; stereo receivers; radio-frequency receivers; alarm signalling receivers; sound amplifying receivers; data communications receivers; cable television receivers; remote control receivers; audio-video receivers; television receivers [TV sets]; radio receivers and transmitters; wireless transmitters and receivers; display devices, television receivers and film and video devices; wireless audio and video receivers; 3D spectacles for television receivers; display modules for television receivers; digital transmitters; data transmitters; wireless transmitters; optical transmitters; video transmitters; FM transmitters; portable transmitters; electrical transmitters; broadcast transmitters; television transmitters; satellite transmitters; radio transmitters; telecommunications transmitters; audio transmitter units; radio-frequency transmitter; sound transmitting apparatus; speakers; audio speakers; loud speakers; wireless speakers; portable speakers; audio speaker enclosures; speakers for computers; audio speakers for home; auxiliary speakers for mobile phones; amplifiers; amplifier tuners;

image amplifiers; electronic amplifiers; optical amplifiers; digital amplifiers; electrical amplifiers; signal amplifiers; electroacoustic amplifiers; sound amplifiers; audio amplifiers; stereo amplifiers; loudspeakers with built in amplifiers; electrical amplifiers for sound signals; sound mixers with integrated amplifiers; sound bars; cinematographic projectors; home cinema systems; cinematographic apparatus and instruments; apparatus for editing cinematographic film; interactive television terminal sets; software for interactive television; closed circuit television apparatus; satellite television receiving apparatus; satellite television signal scramblers; radio and television aerials; television and video converters; filters for television screens; filters for television sets; closed-circuit television systems (CCTV); displays for television receivers; closed circuit television cameras; programmable digital television recorders; HD (high definition) televisions; ultra high definition televisions; IP (Internet protocol) televisions; high definition televisions (HDTVs); remote controls for televisions; televisions and video recorders; transmitting apparatus for television broadcasting; television apparatus for projection purposes; antennas for radio, for television; liquid crystal display (LCD) televisions; DMB (digital multimedia broadcasting) televisions; UHD (ultra high definition) televisions; anti-glare filters for televisions; plasma display panel (PDP) televisions; wall mountings adapted for television monitors; repeaters for radio and television stations; operating system programs for smart television; coin-operated mechanisms for television sets; screen filters for computers and televisions; transmitting and receiving apparatus for television broadcasting; mounts and mounting brackets adapted for televisions; cables for transmitting and receiving cable television signals; television screen protectors in the nature of acrylic shields to be mounted over television screens; display screen filters adapted for use with televisions; anti-glare filters for televisions and computer monitors; colour filters for television and motion picture film cameras; display devices; Internet-ready televisions; Internet protocol televisions; stands for televisions; television signal amplifiers; television receiving dishes; television monitoring apparatus; television display apparatus; television camera tubes; cable television converters; television standards converters; cable television transmitters; portable televisions; car televisions; television outlets; television cameras; televisions; high definition set-top boxes; digital set-top boxes; set-top boxes; car antennas; car stereos; car audio apparatus; car cassette players; vehicle stereos; vehicle radios; multi-camera systems for vehicles; video recording apparatus for vehicles; navigation compasses; navigational instruments; car navigation computers; marine navigation apparatus; GPS navigation device; electronic navigation systems; electronic navigation apparatus; LORAN navigation machines; satellite navigation devices; electric navigational instruments; inertial navigational instruments; satellite-aided navigation systems; underwater sonar navigational apparatus; dashboard mounts for navigation devices; software for satellite navigation systems; software for GPS navigation systems; cases for satellite navigation devices; satellite navigational system for bicycles; avionic sensor systems, namely, navigation systems; control devices for vehicle navigation apparatus; computer applications for vehicle navigation apparatus; vehicle navigation systems featuring interactive displays; vehicles (navigation apparatus for -) [on-board computers]; navigation, guidance, tracking, targeting and map making devices; interactive computer software that provides navigational and travel information; computer programs for use in the autonomous navigation of vehicles; cameras; camera casings; camera straps; camera mounts; camera lenses; camera filters; camera hoods; camera cases; camera tripods; camera stands; camera flashes; camera goggles; camera covers; camera bipods; camera monopods; camera shutters; camera shutters; video cameras; cine-cameras; photographic cameras; still cameras; infrared cameras; plate cameras; security cameras; underwater cameras; digital cameras;
