manipulator unit, clinical user's control console for controlling the manipulator unit and the endoscopes and medical instruments operated by the manipulator unit, associated cables and component parts of robotic-assisted teleoperated medical systems, and instructional manuals provided together with robotic-assisted teleoperated medical systems as a unit; Medical manipulator units with teleoperated robotic manipulators for positioning and operating endoscopes and medical instruments, and with movable arms for positioning teleoperated robotic manipulators; User control units for controlling manipulators of computer-assisted/robotic-assisted teleoperated medical systems, and for controlling endoscopes and medical instruments operated by manipulator units of computer-assisted/robotic-assisted teleoperated medical systems; User control units for use with computer-assisted/robotic-assisted teleoperated medical systems, comprised of user hand and finger control input devices, foot control input pedals, and monoscopic and stereoscopic video display systems for showing real time surgical site images, anatomical navigation images, and patient medical information; User control units for use with remote proctoring of computer-assisted/robotic-assisted teleoperated medical system users; Medical equipment for illuminating, capturing visible images of, processing visible images of, and displaying visible images of surgical sites, and cables and component parts of such medical equipment, all for use with computer-assisted/robotic-assisted teleoperated medical systems; Medical equipment for providing real time endoscopic visible and infrared medical imaging, namely, endoscopic image capture and video image processing equipment integrated with computer-assisted/robotic-assisted teleoperated medical systems to trigger fluorescence and capture real time near infrared video images of tissue at surgical sites; Medical imaging instruments for use with computer-assisted/robotic-assisted teleoperated medical systems, component parts of such instruments, and cables associated with such instruments; A full line of medical instruments for use with computer-assisted/robotic-assisted teleoperated medical systems, namely, graspers, forceps, needle drivers, scissors, clip appliers, retractors, dissectors, staplers and staple reload cartridges for such staplers, suction and irrigation instruments and tubes associated with such suction and irrigation instruments, and energy instruments, namely, monopolar and bipolar electrosurgical energy instruments, electrosurgical energy scissors, electrosurgical energy cautery instruments, electrosurgical energy vessel sealing and cutting instruments, ultrasound energy cutting instruments, and cables and accessories associated with such energy instruments; Flexible medical therapeutic, diagnostic, and guide catheter instruments for use with computer-assisted/robotic-assisted teleoperated medical systems, namely, electrosurgical energy instruments, tissue ablation instruments, biopsy instruments, and guide catheters for steering such instruments, component parts of such instruments, and cables and tubes associated with such instruments; Accessory equipment for use with computer-assisted/robotic-assisted teleoperated medical systems, namely, electrosurgical energy generators, medical insufflation equipment, drapes for manipulator units, adaptors to connect medical endoscopes and instruments to manipulator units, instrument cannulas and medical insufflation gas seals for such cannulas, medical instrument guides, connectors for endotracheal tubes and respiration devices, and seals allowing medical instruments to be introduced through endotracheal tubes and respiration devices into the body; System control and user interface software embedded in computer-assisted/robotic-assisted teleoperated medical systems and for use with computer-assisted/robotic-assisted teleoperated medical systems for diagnostic and therapeutic purposes; Medical equipment for use in designing, generating a plan for, and carrying out diagnostic and therapeutic medical procedures by medical instruments operated under computer-assisted/robot-assisted teleoperated control based on medical image data; Medical equipment providing access to anatomical viewing services and digital anatomical models via a computer network and providing viewing perspective manipulation of such anatomical models, namely, digitally enhanced and manipulated medical two-dimensional image data converted into three-dimensional image visualizations in which individual anatomical features can be identified and with which surgical procedures can be planned; Medical equipment simulators, namely, simulators for simulating the use of computer-assisted/robotic-assisted medical equipment, simulators for providing skills drills associated with the use of computer-assisted/robotic-assisted medical equipment, and simulators providing user performance feedback associated with simulated use of computer-assisted/robotic-assisted medical equipment, including skills drills associated with the use of computer-assisted/robotic-assisted medical equipment, and including simulated surgical procedures; Surgical procedure simulators, namely, simulators for simulating surgical procedures carried out with computer-assisted/robotic-assisted medical equipment; Anatomical real tissue models for simulating surgical procedures carried out with computer-assisted/robotic-assisted medical equipment and manual surgical instruments.

Providing grants to promote human health, advance education, and reduce human suffering; providing grants to support clinical research focused on the field of computer-assisted/robotic-assisted surgery; providing grants to support clinical outcomes-based research for computer-assisted/robotic-assisted surgical procedures, for research on enhanced visualization during surgical procedures, and for research related to local medical services utilization, clinical and economic burdens of disease, cost of surgical care, and quality of life or utilities related to surgical care; providing grants to support research on emerging computer-assisted/robotic-assisted surgical procedures using existing technologies; facilitating the use of computer-assisted/robotic-assisted equipment to assemble research platforms and shared research platforms for new concepts in minimally-invasive and computer-assisted/robotic-assisted surgery; providing grants to support training and human performance research in the fields of surgery and computer-assisted/robotic-assisted surgery; providing grants to support curriculum and course development for clinical training programs in the fields of computer-assisted/robotic-assisted surgery; providing grants for financial support to institutions, programs, and organizations to provide a clinical experience for students to gain computer-assisted/robotic-assisted surgical skills, to train in computer-assisted/robotic-assisted operative techniques and perioperative management, and to conduct clinical research in computer-assisted/robotic-assisted surgery; providing equipment, digital assets, videos, and historically significant materials for museum computer-assisted/robotic-assisted medical system displays and preservation; venture capital funding services to start-up and emerging companies.

CLASS 37

Installation, maintenance, and repair services for computer-assisted/robotic-assisted teleoperated medical systems and components thereof.

CLASS 41

Education services, namely, providing in-person and online training and performance assessments to medical personnel on the operation, use, and clinical application of computer-assisted/robotic assisted teleoperated medical systems and components thereof; Education services, namely, providing in-person and online training to medical personnel in activities necessary to maintain computer-assisted/robotic-assisted teleoperated medical systems and components thereof; Organizing and hosting educational seminars for medical personnel to receive and exchange information about the operation and use of computer-assisted/robotic-assisted teleoperated medical systems for therapeutic and diagnostic medical procedures; Organizing educational events for medical personnel to engage in peer-to-peer learning, namely, matching experienced computer-assisted/robotic-assisted teleoperated medical system users with individual learners for in-person and telepresence coaching, and for proctoring via dual user control units for use with computer-assisted/robotic-assisted teleoperated medical systems; Organizing proctoring activities between medical personnel using computer-assisted/robotic-assisted teleoperated medical systems; Providing user performance feedback during use and simulated use of computer-assisted/robotic-assisted medical equipment; Providing publicly-accessible educational videos in the field of computer-assisted/robotic-assisted teleoperated medical systems and patient experiences in the field of computer-assisted/robotic-assisted surgery; Providing temporary use of online non-downloadable computer software and mobile device applications for clinical medical personnel to access personal training records, scores, and comparisons with benchmark training levels, to access computer-assisted/robotic-assisted surgical system use data, to review and analyze data associated with a surgical procedure carried out using a computer-assisted/robotic-assisted surgical system, to manage personally preferred ergonomic settings and electrosurgical energy levels for interfacing with computer-assisted/robotic-assisted surgical systems, to view learning videos and learning data associated with learning videos, to capture, store, view, and share clinical videos, to view data associated with computer-assisted/robotic-assisted surgery hospital programs, and to access clinical videos and video data analysis of clinical videos.

CLASS 42

Technical support services in the nature of diagnosing and resolving problems with computer-assisted/robotic-assisted teleoperated medical equipment and components thereof, namely, automated remote monitoring and troubleshooting, and on-demand remote and on-site troubleshooting; Information access services allowing clinical medical personnel to access personal and hospital program information associated with computer-assisted/robotic-assisted medical equipment and medical procedures carried out with computer-assisted/robotic-assisted medical equipment; Information access services for libraries of surgical video images associated with computer-assisted/robotic-assisted medical equipment; On-demand information delivery services providing information associated with cost of hospital computer-assisted/robotic-assisted teleoperated medical equipment programs; Anatomical visualization services available via a computer network, namely, digital enhancement and manipulation of medical image data by means of computer software for conversion of two-dimensional image data into three-dimensional image visualizations in which individual anatomical features can be identified and with which medical procedures can be planned; Consulting services for hospital computer-assisted/robotic-assisted teleoperated medical equipment

program operations; Consulting services for hospital economic analytics associated with computer-assisted/robotic-assisted teleoperated medical equipment programs; Consulting services in the nature of evaluating and advising on hospital medical operating room workflow and design for computer-assisted/robotic-assisted teleoperated medical equipment; Consulting services in the nature of evaluating and advising on workflow and cost management for hospital sterile processing programs associated with computer-assisted/robotic-assisted teleoperated medical equipment; Information search services allowing patients to locate hospitals and medical personnel providing computer-assisted/robotic-assisted teleoperated medical system procedures.

CLASS 44

Medical services in the nature of providing patient medical images and patient medical data to clinical medical personnel in a medical operating room; Medical services in the nature of providing patient medical images and patient medical data to clinical medical professionals before, during, and after surgery; Medical services in the nature of providing patient medical data analysis services for use during surgery; Medical imaging services; Medical services in the nature of providing digital anatomical models and anatomical visualization services, namely, digital enhancement and manipulation of medical image data by means of computer software for conversion of two-dimensional image data into three-dimensional image visualizations in which individual anatomical features can be identified and with which medical procedures can be planned; Leasing of medical equipment; Leasing of computer-assisted/robotic-assisted surgical teleoperated medical systems.

CLASS 4

Mineral oils and greases for industrial purposes [not for fuel]; lubricating oils; engine oils; gear oils; lubricating oils for drive chains; front fork oils; suspension oils; anti-rust lubricating oils; filter oils; lubricating oils and greases for vehicles; synthetic lubricating oils; air filter oils; non-mineral greases for industrial purposes; motor oils; solid lubricants; fuel; non-mineral oils for industrial purposes.

CLASS 7

Wheel loaders and their parts and accessories; load haul dumps for underground use and its parts and accessories (construction machines and apparatus); concrete paving machines and their parts and fittings; mining machines and apparatus and their parts and fittings; construction machines and apparatus and their parts and fittings; loading-unloading machines and apparatus and their parts and fittings; snow plows and their parts and fittings; lumbering, woodworking, or veneer or plywood making machines and apparatus; plowing machines and implements, other than hand-held tools; cultivating machines and implements; harvesting machines and implements; plant fiber processing machines and implements for agricultural purposes; fodder presses; fodder cutting machines [feed cutters]; fodder mixing machines [feed mixers]; feed mills; non-electric prime movers [not for land vehicles] and parts thereof; pneumatic or hydraulic machines and instruments; machine elements, not for land vehicles; shafts, axles or spindles, machine elements other than land vehicles; bearings, machine elements not for land vehicles; shafts, couplings or connectors, machine elements not for land vehicles; bearings [machine elements not for land vehicles]; power transmissions and gearing, machine elements not for land vehicles; shock absorbers, machine elements not for land vehicles; springs, machine elements not for land vehicles; brakes [machine elements not for land vehicles]; valves, machine elements not for land vehicles; dethatchers [machines]; starter motors; AC motors and DC motors [not including those for land vehicles but including parts for any AC motors and DC motors]; alternators; direct current generators; parts for non-electric prime movers for land vehicles; brush cutters; garden pruners; agricultural machines and agricultural implements, other than hand-operated; gas turbines [not for land vehicles]; current generators; gas turbines for driving machines; portable power generators for automobiles; waste compacting machines and apparatus; waste crushing machines; cleaning equipment for use in the manufacture of semiconductor substrate materials, liquid crystal displays and solar cells; manufacturing machines for liquid crystal display devices; semiconductor manufacturing machines and systems; integrated circuits manufacturing machines and systems; solar cells manufacturing machines and systems; plastic processing machines; laser metalworking machines and tools; glass-working machines; machines for making textile articles; mobile floor lifting apparatus; pneumatic floating transporters for moving loads; sifting machines; metalworking machines and tools; raw material feeders [parts of metalworking machines]; washing apparatus; installations for vibration power generation; installations for thermal energy conversion; installations for biomass power generation; industrial waste treatment machines and systems; waste recycling machines and systems; hydraulic turbines [not for land vehicles]; water mills; hydroelectric installations for generating electricity [hydroelectric power plants]; wind-powered installations for generating electricity [wind farms]; tidal current power generator; cleaning machines for aviation engines; vehicle washing machines; apparatus for transporting baggage or cargo in airports; chemical processing machines and apparatus; machines and units for waste carbonization; fuel tanks for internal combustion engines; exhaust gas treatment equipment for rocket engines; fuel injection system; chemical machinery and equipment for use in petroleum plants and petroleum industrial complexes to control the amount of storage, emissions, etc; pressure regulators for transferring fluid in pipelines in pipeline installations, being parts of machines; waste disposal equipment for recycling and disposing waste; waste disposal equipment pyrolyzing hazardous substances; waste treatment equipment for generating methane gas by fermenting organic waste; waste treatment equipment enabling the volume reduction and reuse of slag generated by melting waste; stone working machines and apparatus; pulverizers for cement

production; pulverizers for non-ferrous metal smelting; waste treatment machines; tunnel excavation machines; pneumatically levitated or hydraulically driven heavy-duty transporters; installations for moderating turbine speed; turbines [not for land vehicles]; turbines for binary power generation; binary generator; steam turbines [not for land vehicles]; diesel engines and parts and fittings therefor; couplings, other than for land vehicles; electricity generators and parts and fittings therefor; superchargers and their parts and accessories; turbo blowers, not for specified purposes; compressors for machines; steam compressor; centrifugal compressors; gas engines, not for land vehicles; robots for metalworking, coating and painting; other industrial robots; hydraulic door openers and closers [parts of machines] for rail vehicles; electric door openers and closers [parts of machines] for rail vehicles; propulsion mechanisms, other than for land vehicles; pumps, not for specified purposes; hydraulic pumps; hydraulic motors; hydrostatic transmissions; hydraulic cylinders; hydraulic metalworking machines and apparatus; hydraulic mining equipment; hydraulic civil engineering machines and apparatus; hydraulic loading and unloading machines and apparatus; bearing washers for railway vehicles; high pressure washers; industrial fishing machines; food or beverage processing machines and apparatus; painting machines and apparatus; gasoline engines [not for land vehicles]; steam marine engines, not for land vehicles; jet engines [not for land vehicles]; rocket engines, not for land vehicles; hydraulic valves being parts of machines; hydraulic valve actuators; other machine elements, not for land vehicles; industrial robots; hydraulic controls for power machinery and equipment; servomotors; hydraulic controls for metalworking machinery and equipment; hydraulic controls for mining equipment; pulp making, papermaking or paper-working machines and apparatus; printing or bookbinding machines and apparatus; shoe making machines; leather tanning machines; glassware manufacturing machines and apparatus; packaging or wrapping machines and apparatus; machines and apparatus for manufacturing rubber goods; electric washing machines for industrial purposes; other electric washing machines; dishwashers for industrial purposes; other dishwashers; wax-polishing machines, electric, for industrial purposes; other electric wax polishers; electric vacuum cleaners for industrial use; other electric vacuum cleaners; electric mixer; food mixing machines for commercial use; food peeling machines for commercial use; food cutting machines for commercial use; mechanical parking systems; lifting devices for floor boards; steam turbines for ships; reaction vessels [for chemical processing]; boilers for engines; engine boilers for boats; drilling rigs, floating or non-floating; sorting conveyors for baggage inspection at airports; cargo handling transport apparatus used for baggage inspection at airports; cargo handling and conveying equipment with automatic sorting function of baggage for use at airport terminals; blowers for testing wind tunnels; air coolers for testing wind tunnels; electric motors, not for land vehicles; hoisting or winding gears; disintegrators [for chemical processing]; primary metal forming machines and apparatus; power sprayers for disinfecting, insecticides and deodorants [not for agricultural purposes]; mufflers for motorcycles; spark plugs for motorcycles; turbochargers for motorcycles (superchargers); internal combustion engines, other than for land vehicles; gasoline engines, other than for land vehicles; engines, other than for land vehicles; fuel dispensing machines for service stations; electric door openers; waste compacting machines and apparatus for industrial purposes; waste crushing machines for industrial purposes; 3D printers; hydraulic door openers and parts thereof for railway vehicles; electric door openers for railway cars and their parts.

CLASS 9

Photovoltaic power plants; machines and instruments for power consumption control; power generators using solar cells; power supply regulators; fuel cell power generators; solar cells; solar panels for the production of electricity; battery and electricity conversion apparatus for power supply stabilization systems of aircraft; power supply equipment used in aircraft power supply stabilization systems; control machines and apparatus for use in generators; measuring machinery and equipment for measuring the amount of electricity used for electric anticorrosion of pipelines in pipeline installations; remote monitoring devices for operation status of pipeline equipment; fire extinguishing systems for pipeline equipment; machines and apparatus for electric corrosion protection for use in pipeline facilities; electrodes for electric corrosion protection for use in pipeline facilities; computer software for monitoring and managing power consumption; power converters; power distribution or control machines and apparatus; non-contact or insulated power supplies; chargers for use in electric vehicles; laboratory apparatus and instruments; calibration equipment for electronic balances for wind tunnel testing; measuring or testing machines and instruments; electronic machines, apparatus and their parts; automated laboratory cell culture systems; computer programs for logistics management for medical institutions; simulated fire generators for fire drills and fire evacuation and rescue drills; flowing water detection systems for fire extinguishing equipment for conducting fire drills and fire evacuation and rescue drills; temperature sensors for conducting firefighting drills and evacuation and rescue drills in case of fire; computer programs for operating devices in aircraft containers; training simulators for land, air or water vehicle operation skills and maintenance; aviation meteorological machines and apparatus for wind tunnel testing; aviation meteorological machines and apparatus for wind tunnel experiments; calibration equipment for electronic balances for wind tunnel experiments; control devices for measuring pressure; controls for pressure measuring equipment; constant temperature incubators; simulators for skills training in the operation of land, air or water vehicles; aircraft performance measuring machines and instruments; electromagnetic measuring instruments

for measuring aircraft performance; computer and computer software for measuring the performance of aircraft; precision measuring instruments for aircraft bench testing; flight training simulators for aircraft; simulators for airborne weapons and tactical training; aircraft maintenance training simulators; batteries; converters; voltage stabilized power supplies; storage batteries for railway vehicles; nickel-metal hydride batteries for power generation systems; nickel-hydride storage batteries; accumulators [batteries]; storage batteries for power distribution or control; electric storage devices for power distribution or control; terminal block for power distribution or control; DC-AC converters for power distribution; switchboards; video camera controllers; remote control units for video cameras; positioning devices for cameras; video surveillance cameras; telecommunications apparatus and instruments; baggage inspection equipment; non-destructive inspection systems using x-rays used for baggage inspection at airports; blowers for use in wind tunnel experiment; air coolers for wind tunnel experiment; ozonisers [ozonators]; electrolytic cells; egg-candlers; cash registers; coin counting or sorting machines; photo-copying machines; mathematical instruments; time and date stamping machines; time clocks [time recording devices]; punched card office machines; voting machines; postage stamp checking apparatus; coin-operated mechanisms for operating gates for car parks; life-saving apparatus and equipment; fire hose nozzles; fire extinguishers; fireplugs; sprinkler systems for fire protection; fire alarms; safety helmets; sports training simulators; encoded electronic chip cards for identifying users of vehicles or electronic devices; electronic keys with built-in electronic circuitry for starting vehicle engines or motors; electronic keys with built-in electronic circuitry for locking and unlocking the steering of vehicles; electronic keys with built-in electronic circuitry for locking and unlocking the doors of vehicles; electronic locking mechanisms for security purposes; vehicle driving simulators for training purposes; vehicle breakdown warning lamps, other than parts of vehicles; electronic keys for vehicles; computer hardware for control and analysis of railway operation systems; computer software for detecting abnormalities in railway vehicles or wear of railway vehicle parts; devices for detecting and alarming for abnormalities in railway vehicles or wear of railway vehicle parts; railway signal apparatus, luminous or mechanical; railway traffic safety appliances; vehicle breakdown warning triangles; emergency light bars for vehicles [luminous signals]; vehicle dipsticks; vehicular radio communication machines and apparatus; diving weights; compressed air bailout units for diving, not for sports; diving goggles; diving helmets; buoyancy compensator devices for divers, not for sports; buoyancy bladders for diving, not for sports; nose clips for divers, not for sports; gas leak alarms; electrical cells and batteries; rotary converters; electronic publications; burglar alarms; road signs, luminous or mechanical; x-ray tubes not for medical use; electric switches; frequency converters; vacuum tubes; rectifiers; electric capacitors; electric resistors; electric measuring instruments; electric furnace electrodes; telegraphs; current limiters; current controllers; electric bells; telephones; covered wires; electric voltage transformers; radio-frequency identification (RFID) tags; devices for detecting abnormality in railway vehicles or wear of railway vehicle parts using RFID tags; application software; smartphone cases; billing machines; downloadable programs for personal digital assistants for emergency notification; personal digital assistants; meters; clothing for protection against accidents; hand operated calculators; downloadable programs for personal digital assistants for sexual offence notification; electrical and electronic burglar alarms; electronic keys; electronic game programs; computer programs; motorcycle helmets; protective eyewear; gloves for protection against accidents; personal alarm apparatus; labels with integrated radio frequency identification [RFID] chips; tire balancing machines for land vehicles; electronic devices for locking and unlocking the steering of motorcycles and starting their engines; portable card-type electronic keys with built-in electronic circuitry for locking and unlocking the steering of motorcycles and starting their engines; meters for motorcycles, namely, speedometers, tachometers and gasoline meters; batteries for motorcycles; protective eyeglasses for motorcycles; motorcycle protective suits; helmets for vehicles; eyeglasses; goggles for sports; goggles for motorcyclists; sunglasses; game programs for arcade video game machines; consumer video game programs; electronic circuits and CD-ROMs recorded with programs for hand-held games with liquid crystal displays; protective helmets for sports; speed indicators; tachometers; water temperature gauges; oil thermometers; fuel gauges; marine radio communication machines and apparatus; cases adapted for mobile phones; cell phone straps; ear plugs for swimmers; ear plugs for divers; fire hoses; photographic equipment; cinematographic machines and apparatus; optical machines and apparatus; electric or magnetic meters and testers; electric wires and cables; fire boats; satellites for scientific purposes; fire trucks; dust masks; gas masks; welding masks; fireproof garments; disaster prevention hoods; sports whistles; weight belts for scuba diving; air tanks [for scuba diving]; snorkels; regulators for scuba diving; downloadable music files; downloadable image files; recorded video discs and video tapes; exposed cinematographic films; slide film, exposed; current collectors and appliances for railway cars.

CLASS 11

Boilers, other than parts of non-electric prime movers or engines; heat exchangers, other than parts of machines; nuclear reactors; flammable gas removal equipment used in nuclear power-related facilities; gas generating furnaces for industrial purposes; pipe line cocks; fly ash treatment equipment for commercial refuse incinerators for cement solidification of waste incineration fly ash; waste melting and processing apparatus; constant temperature apparatus for chamber; constant temperature chambers with temperature setting function; waste thermal decomposition furnaces; garbage

incinerators; nuclear reactor pressure vessels; heating furnaces [for industrial purposes]; coal drying apparatus for coke ovens; drying apparatus used for large-capacity drying of coke oven coking coal; tube dryers for coke oven coking coal; drying apparatus for large-capacity drying treatment of brown coal; desiccating apparatus for industrial purposes; exhaust gas desulfurizers; sewage treatment apparatus; sewage treatment apparatus using methane fermentation; methane gas fermenters for sewage treatment; sewage treatment apparatus; ooze processing apparatus; water purification installations; firing furnaces; cooling machines for cement production; rotary kilns for industrial purposes; electric furnaces [for industrial purposes]; sludge treatment machines and apparatus; ventilation [air-conditioning] installations and apparatus; negative ion generators for commercial electric sterilization; light-emitting diode [LED] light bulbs; light-emitting diode [LED] luminaires; recuperators for ventilating purposes; steamers [for chemical processing]; evaporators; distillation apparatus; milk sterilizers; industrial furnaces; forage drying apparatus; air-conditioning apparatus [for industrial purposes]; freezing machines and apparatus; laundry dryers, electric, for industrial purposes; apparatus for beauty salons or hairdressing shops, excluding chairs; cooking apparatus and installations for commercial use; industrial dish drying machines; waste water treatment tanks for industrial purposes; septic tanks for industrial purposes; solar water heaters; water purification units; tap water faucets; level controlling valves in tanks; drying apparatus for chemical processing; recuperators for chemical processing; steamers for chemical processing; evaporators for chemical processing; heat exchangers for chemical processing; air conditioners for industrial purposes; towel steamers for hairdressing purposes; hair drying machines for beauty salon use; hair steamers for beauty salon use; shampoo basins for barbers' shop use; dish disinfectant apparatus for industrial purposes; water purifying apparatus for industrial purposes; distillation apparatus not for scientific purposes; freezing machines and apparatus for industrial purposes; headlamps for motorcycles; tail lamps for motorcycles; direction indicator lamps for motorcycles; drying apparatus for textile manufacture; ice-cream making machines for industrial purposes; bread-making machines for industrial purposes; plywood drying machines; harvest drying apparatus; electric lamps and other lighting apparatus; warming pans, non-electric; pocket warmers; hot water bottles; stoves [space heaters] for household purposes, non-electric.

CLASS 12

Tipping apparatus, parts of railway freight cars; pusher cars for mining; puller cars for mining; ropeways for cargo or freight handling; traction engine; non-electric prime movers for land vehicles, not including their parts; shafts, axles or spindles, machine elements for land vehicles; bearings [machine elements for land vehicles]; shaft couplings or connectors [machine elements for land vehicles]; bearings [machine elements for land vehicles]; transmissions for land vehicles; shock absorbers [machine elements for land vehicles]; springs [machine elements for land vehicles]; brakes [machine elements for land vehicles]; anti-theft alarms for vehicles; AC motors or DC motors for land vehicles, not including their parts; air cushion vehicles; two-wheeled motor vehicles, bicycles and their parts and fittings; motorcycle engines; motorcycle suspension systems; steering dampers for motorcycles; chains for motorcycles; drive chains for motorcycles; shock absorbers for motorcycles; brakes for motorcycles; brake calipers for motorcycles; brake cables for motorcycles; brake shoes for motorcycles; brake discs for motorcycles; brake drums for motorcycles; brake pads for motorcycles; brake hoses for motorcycles; brake master cylinders for motorcycles; brake linings for motorcycles; motorcycle bearings; motorcycle alarm systems; anti-theft locks for motorcycles; anti-theft devices for motorcycles; speed change gears for motorcycles; fairings for two-wheeled vehicles; electric motors for two-wheeled vehicles; carts; adhesive rubber patches for repairing tubes or tires; baby carriages; rickshaws; hand trucks; horse-drawn carriages; riyakah [two-wheeled carts]; trailers; aircraft and parts and fittings therefor; motor boats steered by motorbike type handles and their parts and fittings; ship propellers; marine propulsion systems being parts for vessels; screw propellers [for vessels]; helicopters and parts and fittings therefor; steering gears for ships; unmanned aerial vehicles [UAVs]; electric railway cars; locomotives; metal covers for securing power supply or wiring of snow melting heaters for railway cars; metal body covers for protecting bogie parts for railway vehicles and equipment from water, snow or mud, being parts of railway cars; railway rolling stock and their parts and fittings; netting racks for railway cars; wheels for railway cars; seats for railway cars; railway car body; railway hanging straps; bogies for railway cars; wheel frames for railway cars; doors for railway cars; railway couplings; mechanical elements for land vehicles; marine vessels equipped with facilities for production, storage and shipment of oil and natural gas; high speed railway vehicle; electric locomotives; subway rolling stock; railway passenger cars; speed reduction gears for ships; sleighs and sleds [vehicles]; parachutes; carriages for transporting goods for aircraft assistance at airports; goods handling carts for supporting aircraft at airports; railway handcarts; railway carriages; rolling stock for railways; snow plough cars for railways; horns for vehicles; sleeping berths for vehicles; telfer railways [cable cars]; suspension arms for telfer railways; fitted hatch covers for railway cars to prevent entry of water and moisture; mobile railcar movers; vehicle seats; chassis for railway cars; railway bogies; buffers for railway rolling stock; bodies for railway cars; flanges for railway wheel tires; doors for vehicles; vehicle running boards; undercarriages for vehicles; vehicle windows; dining cars; treads for retreading tyres for vehicles used in the civil engineering industry; tyres for the wheels of forestry vehicles; inner tubes for the wheels of forestry vehicles; funicular railcars; steam engines for railway rolling stock,

automobiles and motorcycles; railbound vehicles; tyres for agricultural vehicles; door openers for railway cars; pantographs for railway cars; vessels and their parts and fittings; automobiles and their parts and fittings; motorcycles; mopeds; scooters; electric bicycles; utility vehicles; side-by-side vehicles; all-terrain vehicles; small gliding boat; wheelchairs; power supply vehicles.

CLASS 28

Amusement machines and apparatus for use in amusement parks; toys; dolls; go board games; shogi games [Japanese chess]; uta-garuta [Japanese playing cards]; dice; sugoroku board games; cups for dice; Chinese checkers [games]; chess games; checkers games; apparatus for performing magic tricks; dominoes; playing cards; hanafuda [Japanese playing cards]; mah-jong; game machines and apparatus; billiard equipment; sports equipment, other than for climbing, surfing, water-skiing and scuba diving; sports equipment for surfing, water-skiing and scuba diving; fairground ride apparatus; amusement park vehicles; fishing tackle; motorcycle miniature toys; radio-controlled motorcycle toys; motorcycle plastic models; home video game consoles for motorcycle racing; arcade video game machines for motorcycle racing; arcade video game machines; home video game machines; hand-held games with liquid crystal displays; child's vehicles [toys]; scale models; plastic models; metal models; toys for domestic pets.

CLASS 35

Advertising and publicity services; business management analysis or business consultancy; marketing research or analysis; providing information concerning commercial sales; business management of hotels for others; retail services or wholesale services for a variety of goods in each field of clothing, foods and beverages, and livingware, carrying all goods together; retail services or wholesale services for clothing; retail services or wholesale services for footwear; retail services or wholesale services for bags and pouches; retail services or wholesale services for personal articles; retail services or wholesale services for automobiles; retail services or wholesale services for two-wheeled motor vehicles, motorcycles, scooters, mopeds and bicycles; retail services or wholesale services for bicycles; retail services or wholesale services for agricultural machines, implements and supplies; retail services or wholesale services for printed matter; retail services or wholesale services for paper and stationery; retail services or wholesale services for sports goods; retail services or wholesale services for toys, dolls, game machines and apparatus; retail services or wholesale services for clocks, watches and spectacles [eyeglasses and goggles]; retail services or wholesale services for tobacco and smokers' articles; promoting the goods and services of others through the administration of sales and promotional incentive schemes involving trading stamps; business management; preparation, auditing or attesting of financial statements; job placement services; conducting of auction sales; import-export agency services; arranging newspaper subscriptions for others; shorthand secretarial services; transcription; document copying; office functions, namely filing, in particular documents or magnetic tapes; compiling of information into computer databases; providing business assistance to others in the operation of data processing apparatus namely, computers, typewriters, telex machines and other similar office machines; reception services for visitors in buildings [office functions]; rental of publicity and marketing materials; rental of typewriters and copying machines; commercial information and advice for consumers in the choice of products and services; providing employment information; providing information about newspaper articles; rental of vending machines; retail services or wholesale services for woven fabrics and bedding; retail services or wholesale services for diapers; retail services or wholesale services for food and beverages; retail services or wholesale services for liquor; retail services or wholesale services for meat; retail services or wholesale services for sea food; retail services or wholesale services for vegetables and fruits; retail services or wholesale services for confectionery, bread and buns; retail services or wholesale services for rice and cereals; retail services or wholesale services for milk; retail services or wholesale services for carbonated drinks [refreshing beverages] and non-alcoholic fruit juice beverages; retail services or wholesale services for tea, coffee and cocoa; retail services or wholesale services for processed food; retail services or wholesale services for furniture; retail services or wholesale services for joinery fittings; retail services or wholesale services for tatami mats; retail services or wholesale services for ritual equipment; retail services or wholesale services for electrical machinery and apparatus; retail services or wholesale services for bladed or pointed hand tools, hand tools and metal hardware; retail services or wholesale services for kitchen equipment, cleaning tools and washing utensils; retail services or wholesale services for pharmaceutical, veterinary and sanitary preparations and medical supplies; retail services or wholesale services for cosmetics, toiletries, dentifrices, soaps and detergents; retail services or wholesale services for flowers [natural] and trees; retail services or wholesale services for fuel; retail services or wholesale services for photographic machines and apparatus and photographic supplies; retail services or wholesale services for building materials; retail services or wholesale services for semi-wrought precious stones and their imitations.

CLASS 37

Installation, inspection, maintenance or repair of gas turbines; installation, inspection, maintenance or repair of generators; installation, maintenance and repair of power plants; repair or maintenance of

boilers; repair or maintenance of heat exchangers; repair or maintenance of nuclear power plants; repair or maintenance of industrial waste treatment machines; repair or maintenance of cleaning apparatus for liquid crystal glass, panels, semiconductors and solar cells; repair or maintenance of semiconductor processing machinery and apparatus; repair or maintenance of processing apparatus for wafers and semiconductor wafers for solar cells; repair or maintenance of laser processing apparatus for the manufacture of solar cells; repair or maintenance of textile plants; repair or maintenance of movable floor lifting apparatus; repair or maintenance of sieving machines; repair or maintenance of metalworking machines and tools; repair or maintenance of loading-unloading machines and apparatus; repair or maintenance of raw material supply apparatus for metal processing machines and appliances; repair or maintenance of aircraft cleaning apparatus; repair or maintenance of glass substrate cleaning apparatus for the manufacture of liquid crystal displays; repair or maintenance of amusement machines and apparatus; repair or maintenance of photovoltaic generators; repair or maintenance of organic waste chemical power generation systems; repair or maintenance of thermal, hydroelectric, nuclear and wind power plants; repair or maintenance of power supply units; repair or maintenance of medical machines and apparatus; repair or maintenance of cell culture devices for medical and diagnostic purposes; repair or maintenance of cell culture apparatus for experiment and research; repair or maintenance of hydroelectric power generation facilities; repair and maintenance of wind power plants; repair or maintenance of tidal current power generation facilities; repair or maintenance of aircraft cleaning apparatus; repair or maintenance of baggage or cargo transport apparatus for airports; repair or maintenance of baggage inspection apparatus; repair or maintenance of sorting conveyors used for baggage inspections at airports; repair or maintenance of cargo handling transport apparatus used for baggage inspections at airports; repair or maintenance of non-destructive inspection apparatus using x-rays used for baggage inspection at airports; repair or maintenance of waste carbonization apparatus; repair or maintenance of chemical plants; repair or maintenance of drying apparatus used for large-capacity drying of coke oven coking coal; repair or maintenance of desiccating apparatus for industrial purposes; repair or maintenance of flue gas desulfurization plants; repair or maintenance of metal storage tanks; repair or maintenance of metal storage containers; repair or maintenance of trailers; repair or maintenance of simulated fire generators for fire drills and fire evacuation and rescue drills; repair or maintenance of flowing water detection systems for fire extinguishing equipment for conducting fire drills and fire evacuation and rescue drills; repair or maintenance of temperature sensors for fire drills and fire evacuation and rescue drills; repair or maintenance of a plant consisting of hydrogen gas storage, supply and consumption systems of rocket launch facilities; repair or maintenance of tanks for storage of liquefied hydrogen at rocket launch facilities; repair or maintenance of pipeline; repair or maintenance of waste incineration plants; repair or maintenance of human waste treatment tanks of methane gas fermentation treatment facilities; repair or maintenance of chemical processing machines and apparatus; repair or maintenance of waste treatment plants; repair or maintenance of sewage treatment apparatus; repair or maintenance of sludge treatment apparatus; repair or maintenance of water purification apparatus for water supply; repair or maintenance of cement plants; repair or maintenance of non-ferrous plants; repair or maintenance of waste treatment apparatus; repair or maintenance of sludge treatment machinery and apparatus; repair or maintenance of mining machines and apparatus; repair or maintenance of construction machines and apparatus; repair or maintenance of tunnel drilling machines; repair or maintenance of conveying machines; repair or maintenance of aircraft containments for maintenance or painting of aircraft equipped with automatic doors and industrial robots; repair or maintenance of weight transportation apparatus; repair or maintenance of industrial robots; repair or maintenance of medical robots; repair and maintenance of ships; repair and maintenance of or offshore structures; custom shipbuilding; bicycle repair; repair or maintenance of automobiles; repair or maintenance of motorcycles, motor scooters, mopeds, and other two-wheeled vehicles; repair or maintenance of electric motors; repair or maintenance of power distribution or control machines and apparatus; repair or maintenance of power generators; repair or maintenance of plowing machines and implements, other than hand-held tools; repair or maintenance of cultivating machines and implements; repair or maintenance of harvesting machines and implements; repair or maintenance of plant fiber processing machines and implements; repair or maintenance of fodder presses; repair or maintenance of fodder cutters; repair or maintenance of fodder mixers; repair or maintenance of fodder mills; repair or maintenance of cake-fodder crushing machines; repair or maintenance of power converters; repair or maintenance of computer printers for logistics management in hospitals; repair or maintenance of computer terminals for logistics management in hospitals; repair or maintenance of biomass power plants; repair or maintenance of personal watercraft; installation, maintenance and repair of railroad tracks; providing information relating to the repair or maintenance of railway rolling stock; repair and maintenance of land, water, air and railway vehicles; custom rebuilding of existing land vehicles and structural parts therefor; providing information concerning installation, maintenance and repair of railroad tracks; remote diagnosis of railway vehicles from through telecommunication; installation, maintenance, and repair of apparatus to detect abnormalities in railway vehicles or wear of railway vehicle parts; repair of internal combustion engines; repair of engines; construction services; construction consultancy; operation and maintenance of building equipment; aircraft maintenance or repair; repair or maintenance of railway rolling stock; repair or maintenance of optical machines and instruments; repair or maintenance of fire alarms; repair or maintenance of industrial heating and

cooling apparatus; burner maintenance or repair; pump repair or maintenance; repair or maintenance of freezing machines and apparatus for industrial purposes; repair or maintenance of electronic machines and apparatus; repair or maintenance of telecommunication machines and apparatus; repair or maintenance of electric lighting apparatus; repair or maintenance of laboratory apparatus and instruments; repair or maintenance of measuring and testing machines and instruments; repair or maintenance of firearms; repair or maintenance of glassware manufacturing machines and apparatus; repair or maintenance of industrial furnaces; repair or maintenance of machines and systems for manufacturing integrated circuits; repair or maintenance of semi-conductor manufacturing machines and systems; repair or maintenance of machines and apparatus for processing food or beverages; repair or maintenance of machines and apparatus for lumbering, woodworking, or veneer or plywood making; repair or maintenance of textile machines and apparatus; repair or maintenance of painting machines and apparatus; repair or maintenance of agricultural machines and implements; repair or maintenance of plastic processing machines and apparatus; repair or maintenance of storage tanks; repair or maintenance of gasoline station equipment; repair or maintenance of mechanical parking systems; repair or maintenance of bicycle parking apparatus; repair or maintenance of cooking apparatus for industrial purposes; repair or maintenance of vehicle washing installations; repair or maintenance of power-driven floor cleaning machines; repair or maintenance of amusement machines and apparatus; repair or maintenance of water pollution control equipment; repair or maintenance of water purifying apparatus for industrial purposes; repair or maintenance of waste compacting machines and apparatus for industrial purposes; repair or maintenance of waste crushing machines for industrial purposes; repair or maintenance of diving machines and apparatus; repair and maintenance of 3D printers; repair of game machines and apparatus; sterilization of medical apparatus and instruments; rental of construction machines and apparatus; rental of mining machines and apparatus.

CLASS 39

Railway transport; providing information relating to railway transport; freight transportation consultancy in the field of freight transportation by truck, rail, air and ocean; transportation and delivery services by air, road, rail and sea; supply chain logistics and reverse logistics services consisting of the storage, transportation and delivery of goods for others by air, rail, ship or lorry; booking of seats for rail travel; booking of tickets for train travel; loading of freight containers onto rail vehicles; rental of railway vehicles; GPS navigation services; transportation information; automobile rental; rental of vessels; rental of bicycles; motorcycle rental; car transport; provision of road and traffic information; vessel transport; air freight shipping services; packaging services; ship brokerage; refloating of ships; warehousing services; electricity distribution; rental of loading-unloading machines and apparatus; rental of air vehicles; escorting of travel tours; travel arrangement and reservation services, excluding those for lodging; rental of gasoline station equipment, not for repair and maintenance of automobiles.

CLASS 41

Videotaping; photography; film production, other than advertising films; circuses; presentation of live show performances; presentation of theatrical performances; presentation of musical performances; microfilming; television entertainment; lottery services; video editing; dubbing; coaching [training]; services of schools [education]; providing educational examinations; education information; practical training [demonstration]; vocational retraining; vocational education and training services; organization of correspondence courses; club services [entertainment or education]; arranging, conducting and organization of symposiums; arranging and conducting of conferences; arranging and conducting of colloquiums; organization of competitions [education or entertainment]; animal training; zoological garden services; lending library services; on-line publication of electronic books and periodicals; recreation information; electronic desktop publishing; entertainment; publishing services; entertainment information; layout services other than for advertising purposes; sports camp services; party planning; holiday camp services [entertainment]; movie studio services; music recording studio services; rental of tennis courts; timing of sports events; providing exercise facilities; rental of sports grounds; game services provided online from a computer network; providing music halls; providing museum facilities [presentation, exhibitions]; organization of exhibitions for cultural or educational purposes; organization of sporting events; organization of seminars or training sessions; instruction services relating to operation of robots; booking of seats for shows; providing facilities for movies, shows, plays, music or educational training; rental of motion pictures; arranging and planning of movies, shows, plays or musical performances; rental of skin diving equipment; educational and instruction services relating to arts, crafts, sports or general knowledge; organization, arranging and conducting of boat races; rental of sports equipment, except vehicles; organization, arranging and conducting of horse races; rental of video cameras or cameras; organization, arranging and conducting of bicycle races; rental of radio and television sets; production of videotape film in the field of education, culture, entertainment or sports [not for movies or television programs and not for advertising or publicity]; rental of sound recordings; providing amusement facilities; rental of videotapes; organization of entertainment events excluding movies, shows, plays, musical performances, sports, horse races, bicycle races, boat races and auto races; toy rental; review courses for state examinations; game equipment rental; exhibition at museums of products, models, replicas, specimens, printed materials,
