CLASS 1

Solidified gases for industrial purposes; biological preparations, other than for medical or veterinary purposes; chemical materials for 3D printing of biological constructs and tissue models; fats and sugars [chemical substances] for medicine manufacture; chemically treated test strips for measuring the pH value, other than for medical purposes.

CLASS 5

Biological preparations for use in biotechnology, in cell cultures, and in the diagnostic products [for medical and veterinary purposes]; chemical, biological and biochemical reagents for medical or veterinary use; cells, peptides, nucleic acids and compositions thereof for medical, pharmaceutical or veterinary use; cell culture media for medical, pharmaceutical or veterinary use; stem cells for medical purposes; proteins, protein reagents and protein based ingredients for medical, pharmaceutical and veterinary use; protein supplements; blood serum fractions for in-vitro testing for medical use; bacterial membranes for medical and veterinary use.

CLASS 6

Metal containers for storage or transport; metal ampoules and vessels.

CLASS 7

Machines for medical industries; semiconductor manufacturing machines; valves [machine parts]; filtration apparatus and installations [machines] for industrial use; filters, filter cartridges, filter housings being machines and/or parts of machines; machines for the preparation of biological samples; machines made of metal for monitoring and delivering gas and chemicals to a process tool or a production facility for use in the electronics, semiconductor, and microelectromechanical industries; machines for delivering chemicals, chemical compositions, gases and materials to a process tool; chemical vapor deposition machines; atomic layer deposition machines; reactive ion etching machine, and chemical-mechanical planarization machine for use in the electronics, semiconductor and microelectromechanical industries.

CLASS 9

Light emitting diodes; solar batteries; solar cell panels for generating electricity; semiconductor devices and liquid crystal displays; chromatography apparatus and instruments for laboratory, research and scientific use; filters and filtering units for laboratory, research and scientific use; test kits comprising apparatus and instruments for laboratory, research and scientific use; bioreactors for industrial use, namely for laboratory cell culturing; laboratory storage tubes for laboratory chemicals other than for medical or veterinary purposes; car antennas; television antennas; satellite antennas; radar antennas; radio antennas; Internet of Things range extenders and antennas; antennas for wireless communication apparatus; fluorescent screen components; flat panel displays, including thin-film transistor liquid-crystal displays, light emitting diodes, photovoltaics, microelectromechanical and other electronic components; spectrometers for non- medical purposes; silicon wafers; structured semiconductor wafers; software applications for mobile devices; downloadable software applications for mobile devices; radio-frequency identification (RFID) tags; radio-frequency identification (RFID) readers; identification labels [encoded]; identification labels [machine readable]; identification labels [magnetic]; electronic controllers and software for monitoring, handling, delivering and dispensing chemicals, chemical compositions, chemical mechanical planarization slurries, chemical solutions for

removing residues, gases and materials in the electronics, semiconductor and microelectromechanical industries; electrical process control equipment for use in the electronics, semiconductor, and microelectromechanical industries for fabricating electronic devices, namely logic circuits, memory modules, sensors, discrete components [electronic circuit element], asynchronous and analog semiconductor devices; optical films as components of illumination equipment and illumination devices.

CLASS 10

Intraocular lenses [artificial lenses], artificial lenses for surgical implantation; applicators for medication being medical apparatus and instruments.

CLASS 11

Semiconductor processing furnaces for processing semiconductor articles; apparatus for rinsing and drying wafers; water purifying apparatus for biochemical use.

CLASS 12

Windows for vehicles; sun-blinds adapted for automobiles.

CLASS 17

Plastic films for use on windows; plastic film for holding and processing liquids for biological and pharmaceutical industries.

CLASS 19

Non-metallic building materials, namely glass panels with fine embedded electrical conductors, liquid crystals and pigments; stained glass windows with fine embedded electrical conductors; stained glass windows with fine embedded liquid crystals; stained glass windows with fine embedded pigments.

CLASS 20

Ampoules, containers and vessels made of plastic, for storing and delivering liquid and gaseous chemicals, chemical compositions, chemical precursors, chemical products, and high purity and ultra-high purity gases to a process tool or a process tool delivery system for use in the electronics, semiconductor, and microelectromechanical industries; containers made of plastic for storing and dispensing liquid and gaseous chemicals, chemical compositions, chemical precursors, chemical products, high purity and ultra-high purity gases, chemical mechanical planarization slurries, chemical solutions for the removal of residue and materials in the electronics, semiconductor and microelectromechanical industries; ampoules, containers, and vessels made of plastic for storing and delivering liquid and gaseous chemicals, chemical compositions, chemical precursors, chemical products and high purity and ultra-high purity gases.

CLASS 21

Glass with fine embedded electrical conductors, liquid crystals and pigments, not for building; ampoules, containers and vessels made of glass, for storing and delivering liquid and gaseous chemicals, chemical compositions, chemical precursors, chemical products, and high purity and ultra-high purity gases to a process tool or process tool delivery system for use in the electronics, semiconductor, and microelectromechanical industries; containers made of glass for storing and dispensing liquid and gaseous chemicals, chemical compositions, chemical precursors, chemical products, high purity and ultra-high purity gases, chemical-mechanical planarization slurries, chemical solutions for the removal of residue and materials in the electronics, semiconductor and microelectromechanical industries; ampoules, containers, and vessels made of glass for storing and delivering liquid and gaseous chemicals, chemical compositions, chemical precursors, chemical products and high purity and ultra-high purity gases; glass with an electrically conductive surface; glass discs incorporating fine electrical conducts.

CLASS 35

Registration, updating and maintenance of data in databases, including online databases; systemization of information into computer databases; electronic commerce services, namely providing information and resources about products via telecommunication networks for advertising and sales purposes in the academic, medical and pharmaceutical research; electronic commerce services, namely, providing information and resources about products via telecommunication networks for advertising and sales purposes in the field of assay development and screening, biotechnology, chemical research and development, clinical testing, cosmetics and personal care, diagnostics manufacturing, environmental and industrial hygiene, flavors and fragrances, food and beverage, forensic testing, medical materials, pharmaceuticals; provision of an online marketplace for buyers and sellers of scientific data and software applications for use in the field of science.

CLASS 36

Providing extended warranties.

CLASS 37

Construction services; repair and maintenance of electronic equipment and devices; repair and maintenance of semiconductor manufacturing machinery and systems; repair and maintenance of chemical processing machinery and apparatus; installation of industrial and chemical plants; maintenance and repair of industrial and chemical plants.

CLASS 39

Packaging services in the field of chemicals and pharmaceuticals for others.

CLASS 40

Treatment of materials with laser beams; decontamination of hazardous materials; plating work using electrolysis; gold plating; magnetization; processing of chemicals; processing of gas; processing of plastics; pharmaceutical filtration services; processing of biopharmaceutical materials for others; three-dimensional printing work.

CLASS 42

Technical consultancy in the field of chemical analysis; inspection, functionality testing, operational and safety maintenance assessment of the performance of industrial and chemical plants and machines; design and development of computer databases; hosting of online platforms for research data; development of programs that process, compile, and analyze scientific data; platform as a service [PaaS]; updating of computer hardware by applying software updates; updating of software; hosting of interactive calculators via telecommunication networks for advertising and sales purposes in the academic medical and pharmaceutical research; provision of Internet search engines via telecommunication networks for advertising and sales purposes in the academic medical and pharmaceutical research; hosting of interactive calculators via telecommunication networks for advertising and sales purposes in the field of assay development and screening, biotechnology, chemical research and development, clinical testing, cosmetics and personal care, diagnostics manufacturing, environmental and industrial hygiene, flavors and fragrances, food and beverage, forensic testing, medical materials, pharmaceuticals; provision of Internet search engines via telecommunication networks for advertising and sales purposes in the field of assay development and screening, biotechnology, chemical research and development, clinical testing, cosmetics and personal care, diagnostics manufacturing, environmental and industrial hygiene, flavors and fragrances, food and beverage, forensic testing, medical materials, pharmaceuticals.

CLASS 45

Reviewing standards and practices to assure compliance with laws and regulations relating to pharmaceutical manufacturing processes; licensing of software; fraud detection services consulting in the field of counterfeiting of product and document authentication and tracking.

motors]; glow plugs for diesel engines; taps [machine tools]; hydraulic engines and motors; process control instruments [hydraulic]; hydraulic controls for motors; catalytic converters for motors and engines; ceramic masses being parts of motors; pneumatic chain hoists; rocker arms [parts of engines]; pistons [parts of machines and engines]; compressors as parts of machines, motors and engines; fuel injection systems for engines; cranes [lifting and hoisting apparatus]; manifolds [parts of engines]; ball-bearings; radiators [cooling] for motors and engines; handling apparatus for loading and unloading; fans for motors and engines; process control units [mechanical]; feeders [parts of machines]; tappets for engines; engine camshafts; emergency power generators; pneumatic controls for machines, motors and engines; pumps [parts of machines, engines or motors]; regulators for engines; belts for motors and engines; pulleys [parts of motors]; exhaust silencers; grease rings [parts of machines]; lubricators [parts of machines]; push rods for engines; spindle shafts [parts of engines]; taps being parts of machines; timing belts for motors; transmissions for machines; anti-pollution devices for motors and engines; clack valves [parts of machines]; clack valves [parts of engines]; distribution blocks [parts of machines or engines]; timing belt pulleys [parts of engines]; sparking plugs for internal combustion engines; igniting devices for internal combustion engines; cylinders for motors and engines; cylinder heads for engines; exhaust manifolds as parts of vehicle exhaust systems; seals for vehicle engines, not of metal; vehicle engine gaskets, not of metal; electronic ignition systems for vehicles; pistons for vehicle engines; air compressors for vehicles; belts for machines for use with agricultural vehicles; camshafts for vehicle engines; catalytic converters; stacker crane arms; bearings [parts of machines]; bearing inserts; bearing cages being parts of machines; construction equipment [construction machinery]; car washing machines; plough blades for vehicles; washing installations for vehicles; brake shoes, other than for vehicles; dressing machines; adhesive bands for pulleys; transmission chains, other than for land vehicles; anti-friction bearings for machines; transmission shafts, other than for land vehicles; steam traps; brake linings, other than for vehicles; steam cleaning machines; electric hand drills; moulding machines; soldering apparatus, gasoperated; gear boxes, other than for land vehicles; cowlings [parts of machines]; window closers, hydraulic; derricks; loading ramps; agricultural machines; roller bridges; axles for machines; metalworking machines; mixers [machines]; mobile electric power generators; window closers, pneumatic; pumps [machines]; regulators [parts of machines]; self-oiling bearings; rammers [machines]; control mechanisms for machines, engines and motors; shock absorber plungers [parts of machines]; wind-powered electric generators.

CLASS 9

Branch boxes [electricity]; battery boxes; connections for electric lines; aerials; distance recording apparatus; mirrors for inspecting work; lithium ion batteries; batteries for walkie stackers, order picker trucks, reach trucks, high rack stackers, forklift trucks and towing tractors; electric batteries; battery chargers for walkie stackers, order picker trucks, reach trucks, high rack stackers, forklift trucks and towing tractors; charging stations for electrically powered walkie stackers, order picker trucks, reach trucks, high rack stackers, forklift trucks and towing tractors; acoustic alarms; whistle alarms; starter cables for motors; automatic indicators of air loss in vehicle tires; steering apparatus, automatic, for vehicles; gasoline gauges; accelerometers; flashing lights [luminous signals]; speed indicators; fuel level indicators for vehicles; navigation apparatus for vehicles [on-board computers]; rear-view cameras for vehicles; simulators for the steering and control of vehicles; voltage regulators for vehicles; thermostats for vehicles; sirens for vehicles; revolution counters for vehicles; hardware for electronic driving assistance systems; mileage recorders for vehicles; speedometers for vehicles; wearable video display monitors; laptop stands; audio interfaces; audio-visual teaching apparatus; apparatus and instruments for processing, storage, output and transmission of data; interactive touch screen terminals; interfaces for computers; monitors [computer hardware]; computer peripheral devices; photovoltaic apparatus for converting solar radiation to electrical energy; compact discs [audio-video]; database management computer software; computer communication software for customer access; computer software for the automation of data warehousing; computer software for use in automating and managing business processes; logistics software; data processing programs [software]; control software for driverless walkie stackers, order picker trucks, reach trucks, high rack stackers, forklift trucks and towing tractors; control software for driverless lift trucks, order picking trucks, reach trucks, high-bay stackers, forklifts and tractor vehicle; software for database terminals; software for information platforms on the Internet; software for databases; route planning software; software for warehouse management; electronic controls for motors.

CLASS 12

Aircraft; water vehicles; walkie stackers with electric drive; walkie stackers with diesel drive; order picker trucks with electric drive; order picker trucks with diesel drive; reach trucks with electric drive; high rack stackers with electric drive; forklift trucks with electric drive; diesel powered forklift trucks; gas powered forklift trucks; towing tractors with electric drive; transport trolley for towing tractors; driverless order picker trucks with electric drive; driverless towing tractors with electric drive; driverless carrier vehicles with electric drive; driverless walkie stackers with electric drive; tailboard lifts with electric drive; electric cars; lorries with electric drive [vehicles]; tractors with electric drive; carts with electric drive; electrically powered trolleys; cargo trailers; aerial conveyors; parts of low lift trucks, high

lift walkie stackers, pallet trucks, scissor pallet trucks, order picker trucks, reach trucks, high rack stackers, forklift trucks and towing tractors, namely axles [part of land vehicles], trailer hitches for vehicles, transmission chains for land vehicles, drive gears for land vehicles, transmission shafts for land vehicles, fittings as interior parts of vehicles, anti-glare devices for vehicles, electric motors for land vehicles, diesel engines for land vehicles, constant velocity joints [vehicle parts], brakes for land vehicles, windows for vehicles, vehicle wheels, doors for vehicles, undercarriages for vehicles, vehicle seats, tailboard lifts [parts of land vehicles], hydraulic circuits for vehicles, hydraulic servo valves being parts of vehicle braking systems, steering wheels [vehicle parts], air springs for vehicles, air pumps [vehicle accessories], tires for land vehicles, reversing alarms for vehicles, rearview mirrors [part of vehicles], snow chains for land vehicles, spoilers for vehicles, vehicle running boards, solid tires for vehicle wheels, windshields for vehicles.

CLASS 16

Paper and cardboard; printed matter; office requisites, except furniture; teaching materials [except apparatus]; filtering materials of paper; bags and articles for packaging, wrapping and storage of paper, cardboard or plastics; stationery and educational supplies; fibreboard boxes; packaging material made of starches; plastic cling film, extensible, for palletization; manuals [handbooks]; magazines [periodicals]; shipping labels; paper mail pouches.

CLASS 20

Non-metallic fasteners; non-metallic locks and keys; non-metallic door, gate and window fittings; non-metallic valves; non-metallic displays, stands and signage; office furniture; furniture shelves; conveyor pallets of plastic; boxes made of plastic; shelves made of plastic; rung ladders of plastic; transport pallets of plastic; stacking boxes of plastic; stacking adaptors [non-metallic fittings]; clevis pins, not of metal; mobile storage racks [furniture]; racks [furniture] made principally of plastic for storage purposes; hanging storage racks [furniture]; pedestal storage units [furniture]; plastic storage shelves [furniture]; storage cabinets made of plastic [furniture]; plastic storage tanks; movable plastic storage shelves [furniture]; plastic mailing tubes; plastic storage drums; locks, not of metal, for vehicles; plastic ramps for use with vehicles; storage racks to hold vehicle mats; shipping and storage containers made of plastic.

CLASS 35

Advertising, marketing and promotional services; auctioneering services; rental of vending machines; business assistance, management and administrative services; collection and systematization of business information into computer databases; business project management services for construction projects; computerized stock management; electronic stock management services; computerized stock management; retail services in relation to parts and accessories for vehicles; wholesale services in relation to parts and accessories for vehicles; mail order retail services in relation to parts and accessories for vehicles; retail services in relation to land vehicles and means of transport; wholesale services in relation to land vehicles and means of transport; mail order retail services in relation to land vehicles and means of transport; retail services in relation to vehicles and conveyances; wholesale services in relation to vehicles and conveyances; mail order services in relation to vehicles and conveyances; retail services in relation to lifting tools; wholesale services in relation to lifting tools; mail order services in relation to lifting tools; retail services in relation to sweepers; wholesale services in relation to sweepers; mail order services in relation to sweepers.

CLASS 36

Fundraising and financial sponsoring; valuation services; financial services and financial consultancy services; repair costs evaluation [financial appraisal]; estimating repair costs (appraisal); insurance services relating to mail order businesses; online financial transactions; provision of finance for civil engineering constructions; financing of walkie stackers, order picker trucks, reach trucks, high rack stackers, forklift trucks and towing tractors and their parts; leasing of walkie stackers, order picker trucks, reach trucks, high rack stackers, forklift trucks and towing tractors and their parts; hire-purchase financing of walkie stackers, order picker trucks, reach trucks, high rack stackers, forklift trucks and towing tractors and their parts; financing of property development; financing of the construction of warehouses; funding of product development; arranging of financing for walkie stackers, order picker trucks, reach trucks, high rack stackers, forklift trucks and towing tractors and their parts; arranging of lease-purchase financing for walkie stackers, order picker trucks, reach trucks, high rack stackers, forklift trucks and towing tractors and their parts; arranging of hire-purchase financing contracts for walkie stackers, order picker trucks, reach trucks, high rack stackers, forklift trucks and towing tractors and their parts; arranging of financing for construction projects; arranging of financing for the construction of warehouses; provision of finance for real estate development; arranging of financing for property development; preparation of financial reports relating to the financing of building projects; consultancy services relating to the financing of civil works and infrastructure projects; arranging of

insurance contracts for warehouses; providing insurance information; insurance services relating to goods in transit; insurance underwriting consultation.

CLASS 37

Demolition of buildings; grouting services relating to warehouses; cleaning of buildings [exterior surface]; warehouse construction and repair; construction of warehouses; construction consultancy with regard to the construction of warehouses; providing construction information relating to warehouses; providing information relating to repairs of warehouses; management of construction works related to warehouses; roofing services; building insulating; scaffolding; painting, interior and exterior; masonry; installation of doors and windows; construction information; installation of floor conveyor technology [machines] and of machines for use in logistics; assembling [installation] of storage systems; repair or maintenance of storage tanks of metal; installation services relating to shelving frames of metal [other than furniture]; repair and maintenance of shelving frames of metal [other than furniture]; installation services relating to storage racks of metal; repair and maintenance of storage racks of metal; installation services relating to storage tanks of metal; repair and maintenance of storage tanks of metal; installation services relating to loading pallets of metal; repair and maintenance of loading pallets of metal; installation services relating to metal shelf brackets; repair and maintenance of metal shelf brackets; recharging of batteries; replacement of batteries; maintenance and repair of mains chargers and parts thereof; maintenance and repair of walkie stackers; maintenance and repair of forklift trucks, reach trucks and high rack stackers with electric drive; maintenance and repair of diesel powered forklift trucks, reach trucks and high rack stackers; maintenance and repair of order picking trucks with electric drive; maintenance and repair of diesel powered order picker trucks; maintenance and repair of driverless towing tractors; maintenance and repair of driverless forklift trucks; maintenance and repair of driverless carrier vehicles; maintenance and repair of driverless walkie stackers; maintenance, repair of shelving of metal; maintenance of walkie stackers, order picker trucks, reach trucks, high rack stackers, forklift trucks and towing tractors; cleaning of walkie stackers, order picker trucks, reach trucks, high rack stackers, forklift trucks and towing tractors; vehicle service stations [refuelling and maintenance] relating to walkie stackers, order picker trucks, reach trucks, high rack stackers, forklift trucks and towing tractors; rental of floor conveyor technology [machines] and of machines for use in transport logistics; maintenance and repair of machines, vehicles and automotive vehicles; servicing of commercial vehicles; installation of storage facilities; repair of floor conveyor technology [machines] and of machines for use in logistics; painting of walkie stackers, order picker trucks, reach trucks, high rack stackers, forklift trucks and towing tractors; repair, maintenance, servicing, dismantling, assembly, cleaning and painting of vehicles and their components; rental of construction equipment; repair and maintenance of apparatus, instruments and cables for electricity; installation services relating to industrial robots; repair and maintenance of industrial robots.

CLASS 39

Transport; packaging and storage of goods; rental services related to transportation and storage; transport information, advice and reservation services regarding transport services; rental of walkie stackers, stock picker trucks, reach trucks, high rack stackers, forklift trucks and towing tractors and parts thereof; rental of commercial vehicles; rental of forklift trucks; services regarding the rental of forklift trucks; rental of warehouses for goods; rental of storage containers; rental of storage facilities; rental of storage crates; rental of portable storage containers; rental of pallets for the transport or storage of goods; rental of pallets and containers for transporting goods; rental of pallets and containers for storing goods; transportation logistics; storage; storage information; transportation information; freight forwarding; vehicle transport services; arranging of car hire; transport of goods; transportation of freight by road; tracking of passenger vehicles by computer or via global positioning system [transport information].

CLASS 41

Training services relating to logistics and intra-logistics; organization of conferences in the field of logistics and intra-logistics; vocational retraining; correspondence courses; online publication of electronic books and journals; arranging and conducting of seminars; arranging and conducting of workshops [training]; driver training for drivers of pallet trucks, order pickers, reach trucks, high-bay stackers, forklifts and towing tractors; driving instructions for drivers of pallet trucks, order pickers, reach trucks, high-bay stackers, forklifts and towing tractors.

CLASS 42

Scientific and technology services; testing, authentication and quality control; diagnosing computer hardware problems using software; development and testing of calculation methods and algorithms; updating of computer software; updating of software databases; writing of programs for data processing; maintenance of computer software; computer software technical support services; development and design of control software for driverless pallet trucks, order pickers, reach trucks, high-bay stackers, forklifts and towing tractors; development and design of control software for pallet

trucks, order pickers, reach trucks, high-bay stackers, forklifts and towing tractors; development and design of software for database terminals; development and design of software for information platforms on the Internet; development and design of database software; development and design of route planning software; development and design of software for inventory management; software as a service [saas]; consultancy in the field of software design; computer hardware development; rental of computer hardware; rental of computer software; computer software consultancy; monitoring of computer systems by remote access; rental of software for inventory management; engineering consultancy services; engineering services for drive energy; technical project planning in the field of engineering; engineering consultancy relating to information technology; engineering services for the design of structures; engineering services for the analysis of structures; structural engineering services; conducting technical project studies; building design services for the construction of warehouses; building design services related to the construction of storage facilities; architectural services for the design of warehouses and storage sites; architectural services for the design of storage sites; architectural services for the design of retail premises; interior decoration consultation; interior design of warehouses; interior design of commercial buildings; consultancy in the field of energy-saving; research in the field of environmental protection; research relating to construction machinery; providing of expert opinion relating to technology.

CLASS 45

Licensing of computer software [legal services]; licensing of industrial property rights; rental of security surveillance apparatus; stolen vehicle tracking; stolen vehicle recovery services.
