General Information

1. Trade Marks Journal

This journal is published by the Registry of Trade Marks pursuant to Rule 86A of the Trade Marks Rules. It is published weekly on Fridays, unless otherwise directed by the Registrar.

2. Notice of Opposition

Any person who wishes to oppose any of the marks published may within two months from its publication date file a Notice of Opposition on Form TM11. Reasonable notice should be given to the Applicant beforehand, to provide the Applicant an opportunity to withdraw the application. Failure to give such notice will be taken into account when considering any application by an Opponent for an Order of Costs if the opposition is uncontested by the Applicant.

3. Practice Directions and Circulars

The Registry has ceased our practice of publishing Practice Directions and Circulars in the Trade Marks Journal. Practice Directions and Circulars are available on our website at <https://www.ipos.gov.sg>. If you wish to receive our updates via email, you may subscribe to our mailing list by sending an email to news@ipos.gov.sg and letting us know the subject matter of interest (e.g. Trade Marks).

4. Information Contained in this Journal

The Registry of Trade Marks does not guarantee the accuracy of its publications, data records or advice nor accept any responsibility for errors or omissions or their consequences. Permission to reproduce extracts from this Journal must be obtained from the Registrar of Trade Marks.

Mark Clause(s):

The trade mark is a movement mark consisting of a sequence of movement represented by the five static images as shown in the representation on the form of application. The sequence of movement consists of a rotating series of three rotating spherical objects with the letter M shown in the center of the first spherical object, the letter S shown in the center of the second spherical object, and the letter D shown in the center of the third spherical object. As the spherical objects rotate towards the front a light emanates from the letter included in the center of each spherical object. The background underlying each of the rotating spherical objects is only shown for contrast and is not a feature of the mark.

The trade mark consists of a motion mark-five frames of which are shown in the drawing. The frames consist of a rotating series of three rotating spherical objects with the letter M shown in the center of the first spherical object, the letter S shown in the center of the second spherical object, and the letter D shown in the center of the third spherical object. As the spherical objects rotate towards the front a light emanates from the letter included in the center of each spherical object. The background underlying each of the rotating spherical objects is only shown for contrast and is not part of the mark.
