General Information

1. Trade Marks Journal

This journal is published by the Registry of Trade Marks pursuant to Rule 86A of the Trade Marks Rules. It is published weekly on Fridays, unless otherwise directed by the Registrar.

2. Notice of Opposition

Any person who wishes to oppose any of the marks published may within two months from its publication date file a Notice of Opposition on Form TM11. Reasonable notice should be given to the Applicant beforehand, to provide the Applicant an opportunity to withdraw the application. Failure to give such notice will be taken into account when considering any application by an Opponent for an Order of Costs if the opposition is uncontested by the Applicant.

3. Practice Directions and Circulars

The Registry has ceased our practice of publishing Practice Directions and Circulars in the Trade Marks Journal. Practice Directions and Circulars are available on our website at <https://www.ipos.gov.sg>. If you wish to receive our updates via email, you may subscribe to our mailing list by sending an email to news@ipos.gov.sg and letting us know the subject matter of interest (e.g. Trade Marks).

4. Information Contained in this Journal

The Registry of Trade Marks does not guarantee the accuracy of its publications, data records or advice nor accept any responsibility for errors or omissions or their consequences. Permission to reproduce extracts from this Journal must be obtained from the Registrar of Trade Marks.

services of on-line vendors; Providing advertising space on the Internet, and providing information and consultancy thereon; Providing advertising space, and consulting or information services relating thereto; Providing an online business information directory; Providing an online marketplace for buyers and sellers of goods and services; Providing an online marketplace for buyers and sellers of goods and services in the field of information technology and telecommunications; Providing an online marketplace for buyers and sellers of services in the field of computer program licensing; Providing and rental of advertising space on the internet; Providing business assistance to others in the operation of data processing apparatus namely, computers, typewriters, telex machines and other similar office machines; Providing business evaluation information for buyers and sellers via a searchable on-line database; Providing commercial and business contact information; Providing consumer product information via the Internet, terminals, web sites, mobile phones and electronic bulletin boards; Providing guidance and consultancy on business in the field of information technology and cloud computing; Providing incentive award programs for customers through the issuance and processing of loyalty coupons for frequent use of participating business; Providing information and consultancy for consumers in trade and business affairs (consumer consultancy); Providing information concerning commercial sales; Providing information concerning organizing, arranging and conducting of auctions; Providing information on advertising and consultancy thereon; Providing information on auctions; Providing information on auctions using the Internet; Providing information on commerce on the Internet for affiliate marketing; Providing information on goods for auction; Providing information on sale of products based on personal preferences, browsing history, or purchasing trends; Providing information related to business; Providing information related to organizing, arranging and conducting of auctions using the Internet; Providing business information relating to analysis and results of the analysis of consumer trend information; Providing business information relating to buyers of used goods to prospective sellers of used goods; Providing business

information relating to customer loyalty services and customer club services for commercial, promotional and advertising purposes; Providing business information relating to intermediation services of contracts for the purchase and sale of goods; Providing business information relating to prospective sellers of used goods to buyers of used goods; Providing information relating to sales of used goods; Providing information relating to sales and sales ranking of goods and services; Providing on-line marketplaces for sellers and buyers of goods and services; Providing online marketplaces for sellers and buyers of goods and or services; Provision of advertising space by electronic means and global information networks; Provision of advertising space on Internet homepages; Provision of advertising space on the Internet; Provision of advertising space on the Internet and websites; Provision of an online marketplace for buyers and sellers of goods and services; Provision of business information in relation to telecommunications; Provision of business news [business management]; Provision of space for advertising goods and services; Provision of space on web-sites for advertising goods and services; Publicity material rental; Purchasing of goods and services for other businesses; Promoting the sale of credit card or debit card accounts, on behalf of credit card or debit card companies; Rental of advertising space; Rental of advertising time in communication media; Rental of advertising materials, and consulting or information services relating thereto; Retail and wholesale services featuring general merchandise and general consumer goods of others; On-line retail convenience store services; Retail or wholesale services for pharmaceutical, veterinary and sanitary preparations and medical supplies; Retail or wholesale services for providing music, video and image online; Retail services or wholesale services for bags and pouches; Retail services or wholesale services for downloadable music and video files; Retail services or wholesale services for electrical machinery and apparatuses; Retail services or wholesale services for personal articles; Retail services or wholesale services for printed matter; Sales account management; Sales promotion for others; Sales promotion for others through trading stamp schemes;

Sales promotion services; Stock management; Stock management services; Subscription management services, namely, arranging subscriptions to software for others; Systematisation, compiling, updating and maintenance of data in computer databases; Targeted marketing; Updating and maintenance of data in computer databases; Web indexing for commercial or advertising purposes; Web site traffic optimization; Whole sale and retail sale services, especially via electronic networks, of downloadable electronic publications, especially books, journals, newspapers, magazines, multimedia presentations, as well as text, images, sound and digital website content, and of portable electronic devices and accessories for portable electronic devices; Wholesale, retail and online store services featuring electronic book reading devices and related accessories such as cases, adapters and power cords, and also featuring other electronic devices that facilitate the consumption of digital content; Wholesale, retail and online store services in the fields of books, serialized books, chapters and excerpts of books, reviews, magazines, journals, newspapers, newsletters, news articles, articles, short stories, poetry, and speeches; Retail services or wholesale services for irons (non-electric), needle-threaders, dressmakers' chalk sharpeners, paper patterns, tailors' chalk, embroidery frames, ironing boards, tailors' sprayers, kotedai [Japanese-style ironing boards], heradai [fabric marking boards], knitting sticks, sewing boxes, dressmakers' impressing blades, sewing thimbles, pin and needle cushions, boxes for needles; Retail services or wholesale services for advertising balloons, upright signboards of wood or plastics; Retail services or wholesale services for wearable speakers; Retail services or wholesale services for artificial eyelashes for extensions; Retail services or wholesale services for awnings, not of metal; Retail services or wholesale services for electric warmers for wet wipes; Retail services or wholesale services for diapers; Retail services or wholesale services for toys, dolls, game machines and apparatus; Online retail services or wholesale services for downloadable digital music; Retail services or wholesale services for charms (omamori) and sacred lots (omikuji); Retail services or wholesale services for false hair; Retail services or wholesale services for

cameras; Retail services or wholesale services for unworked or semi-worked glass [not for building]; Retail services or wholesale services for glassware, porcelain and earthenware; Retail services or wholesale services for key holders, key rings and key chains; Retail services or wholesale services for combs and sponges; Retail services or wholesale services for cushions; Retail services or wholesale services for rubber buffer materials for packaging; Retail services or wholesale services for padding materials of rubber or plastic; Retail services or wholesale services for sports equipment for surfing, water-skiing and scuba diving; Retail services or wholesale services for sports diving equipment; Retail services or wholesale services for smartphones; Retail services or wholesale services for diving lights; Retail services or wholesale services for downloadable computer software; Retail services or wholesale services for downloadable video or images (including moving and still images); Retail services or wholesale services for downloadable music, sound and lyrics; Retail services or wholesale services for downloadable electronic publications; Retail services or wholesale services for downloadable text data; Retail services or wholesale services for tobaccos and smokers' articles; Retail services or wholesale services for tapestry; Retail services or wholesale services for charms, other than for jewellery, key holders, key rings and key chains; Retail services or wholesale services for walking sticks; Retail services or wholesale services for false eyelashes; Retail services or wholesale services for tapes and ribbons; Retail services or wholesale services for tents and tarpaulins; Retail services or wholesale services for toilet paper holders, toilet seat covers of textile, and toilet mats; Retail services or wholesale services for drink holders; Retail services or wholesale services for putties and other paste fillers; Retail services or wholesale services for sacks for the transport and storage of materials in bulk; Retail services or wholesale services for brushes; Retail services or wholesale services for brush-making materials; Retail services or wholesale services for plastic buffer materials for packaging; Retail services or wholesale services for packaging containers of plastics; Retail services or wholesale services for hair extensions; Retail services or wholesale services for

paints, varnishes, lacquers; Retail services or wholesale services for pets; Retail services or wholesale services for baby strollers and parts and accessories thereof; Retail services or wholesale services for cases for portable media players; Retail services or wholesale services for buttons, hooks and eyes, pins and needles; Retail services or wholesale services for massage apparatus; Retail services or wholesale services for sewing machines and parts thereof; Retail services or wholesale services for whips, harness and saddlery; Retail services or wholesale services for rugs and carpets; Retail services or wholesale services for lace and embroidery, ribbons and braid; Retail services or wholesale services for ropes and string; Retail services or wholesale services for garment covers [storage]; Retail services or wholesale services for a variety of goods in each field of clothing, foods and beverages, and livingware, carrying all goods together; Retail services or wholesale services for inks for printing, marking and engraving; Retail services or wholesale services for foods and beverages; Retail services or wholesale services for sports goods; Retail services or wholesale services for apparatus for recording, transmission or reproduction of sound and images; Retail services or wholesale services for cosmetics, toiletries, dentifrices, soaps and detergents; Retail services or wholesale services for processed food; Retail services or wholesale services for furniture; Retail services or wholesale services for household linen; Retail services or wholesale services for household and kitchen utensils and containers; Retail services or wholesale services for flowers [natural] and trees; Retail services or wholesale services for shipping tags; Retail services or wholesale services for confectionery, bread and buns; Retail services or wholesale services for surgical, medical, dental and veterinary apparatus and instruments; Retail services or wholesale services for leather and imitations of leather; Retail services or wholesale services for musical instruments and records; Retail services or wholesale services for recorded and downloadable media, computer software, blank digital or analogue recording and storage media; Retail services or wholesale services for padding, cushioning and stuffing materials, except of paper, cardboard, rubber or plastics;

Retail services or wholesale services for bulbs, seedlings and seeds for planting; Retail services or wholesale services for milk; Retail services or wholesale services for cash registers, calculating machines, data processing equipment, computers; Retail services or wholesale services for bags and cases for smart devices; Retail services or wholesale services for mobile phones; Retail services or wholesale services for joinery fittings; Retail services or wholesale services for building materials; Retail services or wholesale services for padding materials of cardboard; Retail services or wholesale services for industrial oils and greases, wax; Retail services or wholesale services for chemicals for use in industry, science and photography, as well as in agriculture, horticulture and forestry; Retail services or wholesale services for adhesives for use in industry; Retail services or wholesale services for mechanisms for coin-operated apparatus; Retail services or wholesale services for adhesive tapes for packaging; Retail services or wholesale services for haberdashery bows; Retail services or wholesale services for haberdashery ribbons; Retail services or wholesale services for umbrellas and parasols; Retail services or wholesale services for smart rings; Retail services or wholesale services for padding materials of paper; Retail services or wholesale services for babies' napkin-pants [diaper-pants] of paper and cellulose, disposable; Retail services or wholesale services for packaging containers of paper; Retail services or wholesale services for paper and stationery; Retail services or wholesale services for foodstuffs for animals; Retail services or wholesale services for bags, covers and cases for portable electronic machines and apparatus; Retail services or wholesale services for clocks, watches and spectacles [eyeglasses and goggles]; Retail services or wholesale services for natural plants; Retail services or wholesale services for bicycles; Retail services or wholesale services for automobiles; Retail services or wholesale services for photographic machines and apparatus and photographic supplies; Retail services or wholesale services for photographs or photograph stands; Retail services or wholesale services for photographic, cinematographic and optical apparatus and instruments; Retail services or wholesale services for bladed or pointed hand tools,

hand tools and metal hardware; Retail services or wholesale services for seeds; Retail services or wholesale services for liquor; Retail services or wholesale services for animal skins and hides; Retail services or wholesale services for substances for tanning animal skins and hides; Retail services or wholesale services for fire-extinguishing apparatus; Retail services or wholesale services for candles and wicks for lighting; Retail services or wholesale services for apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating, water supply and sanitary purposes; Retail services or wholesale services for tatami mats; Retail services or wholesale services for textiles and substitutes for textiles; Retail services or wholesale services for woven fabrics and beddings; Retail services or wholesale services for curtains of textile or plastic; Retail services or wholesale services for raw fibrous textile materials and substitutes therefor; Retail services or wholesale services for yarns and threads, for textile use; Retail services or wholesale services for meat; Retail services or wholesale services for sea food; Retail services or wholesale services for therapeutic and assistive devices adapted for the disabled; Retail services or wholesale services for wearable computers; Retail services or wholesale services for dust absorbing, wetting and binding compositions; Retail services or wholesale services for sexual activity apparatus, devices and articles; Retail services or wholesale services for orthopedic articles; Retail services or wholesale services for articles for cleaning purposes; Retail services or wholesale services for carbonated drinks [refreshing beverages] and non-alcoholic fruit juice beverages; Retail services or wholesale services for fresh fruits and vegetables, fresh herbs; Retail services or wholesale services relating to diving bells and diving suits; Retail services or wholesale services for diving goggles; Retail services or wholesale services relating to diving equipment and accessories; Retail services or wholesale services for ritual equipment; Retail services or wholesale services for artificial flowers; Retail services or wholesale services for bathroom scales and other measuring machines and instruments; Retail services or wholesale services for compost, manures, fertilizers; Retail services or wholesale services for kitchen

equipment, cleaning tools and washing utensils; Retail services or wholesale services for tea, coffee and cocoa; Retail services or wholesale services for colorants, dyes; Retail services or wholesale services for hairdressers' chairs; Retail services or wholesale services for cookware and tableware; Retail services or wholesale services for metals in foil and powder form for use in painting, decorating, printing and art; Retail services or wholesale services for live animals; Retail services or wholesale services for foodstuffs and beverages for animals; Retail services or wholesale services for collars, leashes and clothing for animals; Retail services or wholesale services for two-wheeled motor vehicles; Retail services or wholesale services for diaper changing mats, disposable, for babies; Retail services or wholesale services for baby buntings; Retail services or wholesale services for pacifiers for babies; Retail services or wholesale services for baby wipes; Retail services or wholesale services for disposable liners for babies' diapers; Retail services or wholesale services for infant toothpaste; Retail services or wholesale services for cosmetics for infant skin care; Retail services or wholesale services for apparatus, devices and articles for nursing infants; Retail services or wholesale services for infant nail clippers; Retail services or wholesale services for lacteal flour for babies; Retail services or wholesale services for cotton swabs for infants; Retail services or wholesale services for fuel; Retail services or wholesale services for fuels and illuminants; Retail services or wholesale services for agricultural machines, implements and supplies; Retail services or wholesale services for malt; Retail services or wholesale services for hair decorations; Retail services or wholesale services for sails; Retail services or wholesale services for clothing; Retail services or wholesale services for packaging containers of cloth or textile; Retail services or wholesale services for rice and cereals; Retail services or wholesale services for semi-wrought precious stones and their imitations; Retail services or wholesale services for suture materials; Retail services or wholesale services for preservatives against rust and against deterioration of wood; Retail services or wholesale services for unprocessed plastics; Retail services or wholesale services for unprocessed

artificial resin; Retail services or wholesale services for nets; Retail services or wholesale services for trees, grasses, lawns, dried flowers, seedlings, nursery stock, flowers, grasses, bonsai; Retail services or wholesale services for vegetables and fruits; Retail services or wholesale services for pharmaceutical, veterinary and sanitary preparations and medical supplies; Retail services or wholesale services for footwear; Retail services or wholesale services for luggage and carrying bags; Retail services or wholesale services for feeding bottles; Retail services or wholesale services for electric warmers for feeding bottles; Retail services or wholesale services for feeding bottle teats; Organization of events, exhibitions, fairs and shows for commercial, promotional and advertising purposes; Collection of big data; Management of electronic data; Computerized information processing of big data, data logs or electronic data; Providing advice and information in relation to all the foregoing services.

Class 36

Brokerage for hire-purchase; Financial and monetary services; Financial transaction services, namely, providing secure commercial transactions and payment options; Real estate management of land and building for radio base station construction projects; Payment and insurance services; Payment services provided through electronic communications networks; Issuance of loyalty rewards cards and financial settlement of loyalty rewards cards; Issuance and settlement [redemption] of coupon points for trade or discount of goods and services, provided in proportion to purchase amount.

Class 37

Building and construction services; Building construction supervision; Construction supervision; Consultancy relating to the installation of telecommunication machines and apparatus; Consultancy relating to the installation of telecommunications equipment; Electrical installation services; Installation, maintenance and repair of

telecommunication machines and apparatus; Installation, repair and maintenance of computer hardware for telecommunication systems; Providing construction information; Supervision of installation of computer hardware for telecommunication systems; Supervision of installation of telecommunication machines and apparatus; Telecommunication wiring.

Class 38

Audio, text and video broadcasting services over computer or other communication networks; Audio, text and video broadcasting services over the Internet or other communications networks featuring the uploaded, posted and tagged audio, text and video content of others; Broadcasting; Broadcasting and streaming of audio-video content, subtitles and other text over the Internet or other communications network; Broadcasting services; Call centre services [electronic call diversion and messaging]; Cellular telephone services; Communication services accessed by means of an access number; Communication services via wireless networks and the Internet; Communication via wireless electronic reading devices; Communications services through the use of subscriber identity module (SIM) cards; Computer aided transmission of messages and images; Computer transmission of information, VOIP, messaging, video calling and conferencing; Consultancy services in the field of communications; Data transmission and transfer services; Distributing and transmitting of content available for download and providing access to databases containing such content in stored form, all of the foregoing provided via wireless devices, telephones, portable computers, electronic reading devices and a global computer network, and with all of the foregoing pertaining to digital content in the form of electronic publications, including books, serialized books, chapters and excerpts of books, reviews, magazines, journals, newspapers, newsletters, news articles, articles, short stories, poetry, speeches, and other types of electronic publications; Electronic communication by means of chatrooms, chat lines and Internet forums; Electronic mail services; Electronic messaging services; Electronic,

electric and digital transmission of voice, data, audio, video, graphics, images, signals messages and information; Electronically transmitting audio clips, text and video clips of others; Facilitating access to third party web sites via a universal login; Forums and chat rooms for social networking; Instant messaging services; Internet and peer-to-peer communications, electronic transmission of data and documents over computer terminals; Internet service provider (ISP) services and video-conference services; Internet service provider services; Leasing of access time to virtually allocated wireless telecommunication area network; Messaging center services in the nature of telephone voice messaging services; Messaging services, namely, sending, receiving and forwarding messages in the form of text, audio, images or video; News agencies; Online chat rooms and electronic bulletin boards amongst users for transmission of messages concerning collegiate life, general interest, classifieds, virtual community, social networking, photo sharing, and transmission of photographic images; Online chat rooms, online forums and electronic bulletin boards for transmission of messages and the facilitation of discussions among consumers and users of books and digital content; Online messaging services; Pager services; Personal communications services; Leasing of private telephone line services; Providing access to audio-video content, subtitles and other text via websites, on-line forums, chat rooms, electronic mailing lists and blogs over the Internet; Providing access to computer databases in the fields of social networking; Providing access to computer, electronic and online databases; Providing access to databases; Providing access to digital media, namely, ebooks featuring best-selling fiction and nonfiction from leading publishers, audiobooks featuring best-selling fiction and nonfiction from leading publishers, music featuring digital albums in various musical genres, and videos featuring documentaries, travelogues, concerts, animated titles, and feature films; Providing access to remotely hosted operating systems and computer applications through the internet; Providing access to telecommunication networks, and advice thereon; Providing access to web sites for others hosted on computer servers accessible via a global

computer network; Providing community forums and chat rooms for users to post, search, watch, share, critique, rate, and comment on, videos and other multimedia content via the Internet and other communications networks; Providing multiple user interactive access to a global communications network; Providing multiple-user access to a communications network; Providing network access point services; Providing online chat rooms and electronic bulletin boards; Providing on-line chat rooms and electronic bulletin boards for transmission of messages among users in the field of general interest; Providing online communications links which transfer web site users to other local and global web pages; Providing on-line electronic bulletin boards, chat rooms and forums for transmission of messages and photographic images among computer users; Providing online forums for communication on topics of general interest; Providing toll free telephone communication services and call routing services; Providing toll free telephone services and call routing services; Providing user access to computer networks; Providing user access to computer software in data networks; Providing voice over Internet protocol services; Provision of electronic conferencing services and operation of chat rooms for group discussion; Provision of electronic conferencing services and operation of chat rooms for group discussion via the Internet; Rental of access time to computer databases for electronic commerce; Rental of mobile communication facilities; Rental of telecommunication apparatus and equipment, including telephones and facsimile apparatus; Rental of telecommunication equipment; Rental of telecommunication equipment including telephones and facsimile apparatus; Rental of telecommunication lines; Rental of telephones, facsimiles and other telecommunication devices; Simple message service (SMS) and multimedia message service (MMS) via telecommunications and computer networks; Streaming of audio-visual material on the Internet; Streaming of data; Streaming of software applications; Switched voice, data, video and multimedia transmission services; Telecommunication; Telecommunication services; Telecommunications services, namely electronic transmission of data, messages and information;

Telephone communications; Text and numeric wireless digital messaging services; Transmission and broadcast of audio and video programming of all types via telephone, television, and global communications networks; Transmission and broadcast of audio and video programming of all types via telephone, television, and global communications networks, video and audio teleconferencing via the Internet, asynchronous transfer mode services, Integrated Service Digital network (ISDN) services, Internet Protocol (IP) communications services, namely, VOIP, IPTV services; Transmission of audio, video, images, text and other data by means of a communications network; Transmission of data and information via pagers; Transmission of digital files; Transmission of encrypted communications; Transmission of voice, data, graphics, images, audio and video by means of telecommunications networks, wireless communication networks, and the Internet; Transmission of voice, data, images, audio, video and information via telephone and global communication networks; Video and audio teleconferencing via the Internet, Asynchronous Transfer Mode (ATM) services, Integrated Service Digital Network (ISDN) services, Internet Protocol (IP) communications services, Virtual Private Network (VPN) services and private line services; Video, audio and data telephone conference services; Video, audio and telephone conferencing services via a computer network; Voice mail services; Wireless communication services; Wireless communication services, namely, providing direct internet access via computers, wireless units and devices, namely, personal digital assistants wireless phones, mobile phones, cellular phones, video phones and mobile, slate and tablet computers and portable electronic book readers; Wireless digital messaging services; Wireless transmission of voice and data; Providing access to online virtual wireless telecommunication network for transmission or reception of data, audio, video or multimedia content; Consultancy, information and advisory services relating to all the foregoing.

Class 39

Advisory services relating to travel; Booking of tickets for travel; Car rental; Car transport; Conducting of travel tours; Delivering services; Delivery and freight brokerage of wireless telecommunication construction apparatus or materials; Delivery of goods, and providing information thereon; Distribution of pharmaceutical preparations; Escorting of travel tours; Organization, booking and arrangement of excursions, day trips and sightseeing tours for recreational purposes; Organization, booking and arrangement of excursions, day trips and sightseeing tours for travel purposes; Packaging and storage of goods; Providing information about travel, via the Internet; Providing information in the field of travel via a website (blogs and non-downloadable publications); Providing information relating to travel and transport, via electronic means; Providing tourist travel information; Providing transportation ticketing services for travelers, namely air tickets and railway tickets; Provision of travel information; Provision of travel information and commentary via a website; Rental car reservation; Rental of warehouses; Storage services; Transport; Transport information, advice and reservation services; Travel agency services, excluding lodging; Travel arrangement and reservation services, excluding those for lodging; Travel guide and travel information services; Warehousing services.

Class 41

Arranging and conducting of workshops (training); Arranging and planning of movies, shows, plays or musical performances; Arranging for ticket reservations for shows and other entertainment events; Arranging, conducting and organization of congresses, conferences, conventions and symposiums in the field of medicines, pharmaceuticals and health care; Arranging, conducting and organization of seminars; Book rental; Booking of seats for shows; Bookmobile services and mobile library services; Directing of radio and television programs; Direction or presentation of plays; Education; Education and entertainment services, namely, providing non-downloadable audio clips, non-downloadable video clips, non-downloadable musical performances, non-downloadable musical videos, non-downloadable film clips, non-

downloadable photographs, other non-downloadable multimedia materials, and related information via websites on the Internet and other communications networks on a wide variety of topics and subjects; Education and instruction services; Education and training related to banking, financial, insurance, economic and investment services; Educational services; Educational services, providing training; Electronic publications provided on-line (not downloadable); Entertainment; Entertainment services for sharing audio, video, images, text and other data; Entertainment services in the nature of arranging award ceremonies that provide recognition and incentives to promote reading; Entertainment services, namely rental of pre-recorded audio recordings for electronic books; Entertainment services, namely, providing non-downloadable music, non-downloadable videos, non-downloadable television programs, non-downloadable motion pictures, information on current events and entertainment news, information on sports, information on cultural events and information on entertainment-related on-line programs via websites on the Internet; Entertainment services provided via podcasts in the field of literature and literary recommendations; Entertainment, sport and cultural services; Microfilming; Movie theatre; Online education relating to wireless telecommunication technology, traffic capacity planning, analysis, operating and maintenance, network design, base station configuration plan, radio optimization, base station construction planning and assets management; Online education services; Online publication of electronic books and journals relating to wireless telecommunication technology; Operating lotteries; Operation of video and audio equipment for production of radio and television programs; Organisation of seminars and conferences; Organisation of webinars; Organization of entertainment events; Organization, arranging and conducting of sports competitions; Photography; Presentation of live show performances; Presentation of musical performances; Presentation of movie film or movie film production and distribution; Production of radio or television programs; Production of videotape film in the field of education, culture, entertainment or sports; Providing audio or video studio services; Providing electronic publications; Providing

facilities for movies, shows, plays, music or educational training; Providing films, not downloadable, via video-on demand services; Providing information in the field of electronic publication of materials, via a global computer information network; On-line publication of journals or diaries [weblog services]; Providing information via an online website about electronic publications, namely, books, serialized books, chapters and excerpts of books, reviews, magazines, journals, newspapers, newsletters, news articles, articles, short stories, poetry, and speeches; Providing of training; Providing on-line music, not downloadable; Providing online non-downloadable videos for educational purposes in the field of wireless telecommunication; Providing on-line videos, not downloadable; Providing television programs, not downloadable, via video-on-demand services; Providing training services in the field of sales, distribution, management and protection of digital content; Provision of information relating to sports and entertainment; Publication of books; Publication of educational texts; Publishing of stories; Radio entertainment; Rental of audio equipment; Rental of camcorders, video cameras and video cassette recorders; Rental of cameras; Rental of cine-films; Rental of cinematographic machines and apparatus; Rental of electronic book readers; Rental of film negatives; Rental of image-recorded magnetic tapes; Rental of motion pictures; Rental of musical instruments; Rental of radio sets; Rental of records or sound recorded magnetic tapes; Rental of reversal film; Rental of sound recordings; Rental of television sets; Services of reference libraries for literature and documentary records; Sporting and cultural activities; Teaching and training services, namely, courses, classes, lessons and seminars in the field of medicines, pharmaceuticals and health care; Television entertainment; Translation; Videotaping.

Class 42

Technical analysis of industrial data; Application service provider (ASP) and software as a service (SAAS) services featuring software for e-commerce, mobile-commerce, and online shopping; Application service provider (ASP) and software as a service

(SAAS) services featuring software for e-commerce, mobile-commerce, and online shopping, namely, software for chatting and messaging relating to e-commerce, mobile-commerce, and online shopping; Application service provider (ASP) and software as a service (SAAS) services featuring software for e-commerce, mobile-commerce, and online shopping, namely, software for virtual keyboards, software for making character art, and user interface software for assisting with shopping transactions; Application service provider featuring providing software; Application service provider featuring software for providing access to online, downloadable and online, non-downloadable digital content; Application service provider featuring software for use in the distribution, sale, and delivery of digital content; Application service provider featuring software for use in the distribution, sale, and delivery of online, downloadable and online, non-downloadable digital content; Application service provider services; Application service provider services featuring software for use in collecting, analyzing and reporting data concerning online business-to-consumer and business-to-business commercial transactions; Authentication services for computer security; Cloud computing; Cloud hosting of electronic databases and virtual computing environments; Technical analysis of big data; Storage of big data; Computer aided electronic storage of data; Computer design and programming services; Computer programming; Computer programming and computer system analysis; Computer programs design, computer programming, or maintenance of computer programs; Computer security services, namely, enforcing, restricting and controlling access privileges of users of computing and network resources based on assigned credentials; Computer security system monitoring services; Computer security threat analysis for protecting data; Computer services, namely, cloud computing, computer design and development, computer engineering, computer programming, computer and technology services for securing computer data, computer database design and development, computer disaster recovering planning, computer security consultancy, computer software support services, computer software updating and upgrading, computer system integration services,

computer systems analysis, configuration of computer networks, hosting computer sites [websites], installation of computer programs and remote computer backup services; Computer services, namely, electronic data storage; Computer services, namely, hosting online web facilities for organising gatherings and interactive discussions; Computer services, namely, providing on-line computer software enabling users and their computers and mobile devices to track, categorize, visualize, and generate events and statistics and profiles in connection with books and their usage of an electronic reading service namely, interacting with digital content libraries, consuming digital content, and interact with other users regarding their respective digital content; Computer software design, computer programming, or maintenance of computer software; Computer website design; Computerized security services, namely, electronically monitoring, detecting and reporting on suspicious and abnormal patterns of computer network access or activity; Configuration and maintenance of computer software; Configuration, installation, expansion and addition of functions of computer network systems; Constructing an internet platform for electronic commerce; Construction, design, creation or maintenance of computer network systems for others; Consultancy and information services relating to development, design, creation or maintenance of computer systems; Consultancy relating to the creation and design of websites; Consultation services relating to computer systems, computer software and applications; providing technological consultancy and information services in the fields of information technology, cloud computing, software, software as a service (SaaS), artificial intelligence, software development, data storage, data warehousing, data archiving, data and information security, computer networking, mobile computing, and the Internet of Things (IoT); Consulting in the field of cloud computing networks and applications; Consulting services in the field of cloud computing; Creation of internet web sites; Creation, hosting and maintenance of websites for others for the electronic sale of digital content; Creation, hosting, and maintenance of websites for others; Creation, maintenance and adaptation of software; Cross-platform

conversion of digital content into other forms of digital content; Data and application migration services; Data encryption and decoding services; Data encryption services; Data migration services; Data mining services; Data security services; Data storage; Design and development of computer hardware and software; Design and development of computer hardware relating to finance, business information, brokerage services, investment, price quotation and transmission of data, messages and images by electronic devices; Design and development of computer software for use with medical technology; Design and development of medical technology; Design and development of software for website development; Design and maintenance of computer software; Design, creation and maintenance of computer program; Design, creation, hosting and maintenance of websites for others; Design, development and maintenance of computer software for internet platform; Design, development, installation and maintenance of computer software and mobile device application relating to finance, business information, brokerage services, investment, price quotation and transmission of data, messages and images by electronic devices; Design, development, maintenance, repair and updating of interactive computer software; Design, development, maintenance, repair and updating of software; Design, maintenance and updating of a telecommunications network search engine; Designing and development of computer software; Designing of machines, apparatus, instruments [including their parts] or systems composed of such machines, apparatus and instruments; Designing, other than for advertising purposes; Designing, producing or maintaining computer programs; Designing, producing or maintaining computer programs for block chain network or distributed network; Designing, producing or maintaining computer programs for block chain network or distributed network for promoting the goods and services of others through the administration of sales and promotional incentive schemes involving loyalty points (trading stamps); Designing, producing or maintaining computer programs for block chain network or distributed network for virtual currency or cryptocurrency; Development and maintenance of computer system; Development of

software solutions for Internet providers and Internet users; Digital rights management services to protect digital content, namely providing electronic verification [authentication] of online orders of digital content, and providing consultancy relating thereto; Electronic data backups; Electronic data storage services; Electronic storage of data; Encryption services; Encryption, decryption and authentication of information, messages and data; Hosting an online community website featuring shared communications between community members interested in technology, cloud computing, web services, software, software as a service (SaaS), artificial intelligence, software development, databases, data processing and analytics, data storage, data warehousing, data archiving, data and information security, networking, mobile computing, and the Internet of Things (IoT); Hosting computer databases; Hosting computerized data, files, and applications; Hosting digital contents on the Internet; Hosting memory space on the Internet through cloud computing; Hosting of blogs featuring information in the fields of technology, cloud computing, web services, software, software as a service (SAAS), artificial intelligence, software development, databases, data processing and analytics, data storage, data warehousing, data archiving, data and information security, networking, mobile computing, and the Internet of Things (IoT); Hosting of computer software and mobile applications for use in transactional dealing and brokerage in currency exchange, securities and other financial instruments; Hosting of digital content on the Internet; Hosting of electronic data storage; Hosting of Internet sites; Hosting of transaction platforms on the internet; Hosting of websites; Hosting on-line web facilities for others; Hosting online web facilities for others for conducting online meetings, gatherings, and interactive discussions regarding personal libraries and digital content libraries; Hosting platforms on the Internet; Hosting platforms on the Internet or other communication network; Hosting platforms on the Internet or other telecommunications network; Hosting servers; Hosting the websites of others; Hosting web sites; Identification verification services, namely, authenticating digital signature for authorizing financial transactions; Identification verification services,

namely, authenticating electronic signature for authorizing financial transactions; Industrial analysis and research services; Industrial analysis and research services in the field of telecommunications and information technology; Information technology services; Installation, maintenance, repair and updating of computer software; Internet web site design services; IT consultancy, advisory and information services; IT services; Lease, hire and rental of computer equipment, hardware, software and programs; Maintaining database systems, database software and virtual computing environments; Maintenance of computer software; Medical and pharmacological research services and clinical trials; Medical laboratories; Monitoring of computer systems and databases for security purposes; Monitoring, investigation, analysis and consulting for faults in computer network system; Online repository and hosting services in the nature of hosting digital content on the internet; Online repository and hosting services in the nature of hosting digital content on the internet for the purposes of the sale or license and distribution of digital content; Operating search engines; Operation and hosting of a website which allows users to manage, distribute and share digital content in the nature of electronic publications, including books, serialized books, chapters and excerpts of books, reviews, magazines, journals, newspapers, newsletters, news articles, articles, short stories, poetry, and speeches, and the provision of information to users regarding said digital content; Operation and hosting of a website which allows users to, among other things, manage, distribute and share digital content, including serialized books, magazines, journals, newspapers, newsletters, news articles, articles, short stories, poetry, speeches; Pharmaceutical drug development services; Planning, design and implementation of computer technologies for others; Platform as a service [PaaS]; Professional computer services, namely, network analysis, LAN/WAN design, wireless engineering, virtualization and computer project management; Programming of software for e-commerce platforms; Providing a website featuring non-downloadable software that enables users to access electronic books and related digital content; Providing a website featuring technology that enables application developers and

API providers to track the usage, traffic and functionality of integrated APIs with error rate, use and latency statistics and data; Providing a website featuring technology that enables application developers to access sample codes and tools to integrate APIs into applications; Providing a website featuring technology that enables application developers to pay for and API providers to receive payment for application developer's integration of APIs based on the traffic and use of integrated APIs; Providing a website featuring technology that enables application developers to view, compare, and test API capabilities and health; Providing a website featuring technology that enables application programming interface (API) providers to register APIs and application developers to search for and download APIs of their interests in an online API marketplace; Providing a website for the arrangement and booking of temporary accommodations; Providing a website that gives users the ability to purchase music, videos, television programs, motion pictures; Providing an interactive web site for persons to locate other individuals for security, safety or social networking purposes using a global positioning system; Providing an online search engine service for digital content; Providing application software using communication networks; Providing commercial platforms for the dispatch, promotion, sale and resale of items via a global computer network, and for the collection and dissemination of statistical, quantitative and qualitative information regarding the sale and resale of items via a global computer network; Providing computer programs; Providing computer programs by application service provider for information technology and telecommunications; Providing computer programs for the operation and management of computer network systems; Providing computer programs on data networks; Providing computer programs through application service provider; Providing computer software; Providing computer software for information technology and telecommunications; Providing non-downloadable computer software from a global computer network; Providing consultation on network security for telecommunications via the Internet, mobile telephones, or other means of communications; Providing consultation or diagnosis on security technology

measures for telecommunication network system; Providing diagnosis or consultation on security measures for computer network systems; Providing electronic verification [authentication] of on-line orders of digital content; Providing medical and scientific research information in the field of pharmaceuticals; Providing non-downloadable computer programs; Customization of online web pages incorporating search engines and online links to other sites for providing online directory information featuring user-defined information; Providing online non-downloadable computer software to transmit, receive, download, read and provide access to text, images, sound and other digital content, namely, books, chapters and excerpts of books and reviews, serialized books, magazines, journals, newspapers, newsletters, news articles, articles, short stories, poetry and speeches on portable electronic devices; Providing or rental of computer program for block chain network or distributed network; Providing or rental of computer program for block chain network or distributed network for promoting the goods and services of others through the administration of sales and promotional incentive schemes involving loyalty points (trading stamps); Providing or rental of computer program for block chain network or distributed network for virtual currency or cryptocurrency; Providing or rental of computers for block chain network for virtual currency or cryptocurrency or distributed network for virtual currency or cryptocurrency; Providing or rental of computers for block chain network or distributed network; Providing or rental of computers for block chain network or distributed network for promoting the goods and services of others through the administration of sales and promotional incentive schemes involving loyalty points (trading stamps); Providing or rental of software for block chain network or distributed network for promoting the goods and services of others through the administration of sales and promotion incentive schemes involving loyalty points (trading stamps); Providing or rental of software for block chain network or distributed network for virtual currency or cryptocurrency; Providing platform as a service (PaaS) for information technology and telecommunications; Providing platform as a service (PaaS) for mobile communications service

businesses; Providing platforms on the Internet; Providing software as a service (SaaS) for information technology and telecommunications; Providing software as a service (SaaS) for mobile communications services; Providing software platform as a service (PaaS); Providing technical research, technical analysis or technical consultancy services relating to telecommunications systems; Providing temporary use of a web-based software application for reservation and booking management; Providing temporary use of non-downloadable interactive software; Providing temporary use of non-downloadable software; Providing temporary use of non-downloadable software and mobile device application for use in providing and managing automated securities brokerage, trading and trading strategies; Providing temporary use of non-downloadable software for personnel tracking; Providing temporary use of non-downloadable software for the provision of banking services, financial services, bank account management services, monetary transfer services, payment services, financial analysis and financial reports, financial management services, and information services relating to banking and finance; Providing temporary use of non-downloadable software to enable sharing location information with other individuals; Providing temporary use of non-downloadable software to enable uploading, capturing, posting, showing, editing, playing, streaming, viewing, previewing, displaying, tagging, blogging, sharing, manipulating, distributing, publishing, reproducing, and otherwise providing electronic media, multimedia content, videos, movies, pictures, images, text, photos, user-generated content, audio content and information via the Internet and other communications networks; Providing temporary use of online non-downloadable computer and mobile application software for making online accommodations reservations and providing online accommodation reservations and information for others; Providing temporary use of online non-downloadable computer and mobile application software for managing, organizing, and allocating accommodation bookings; Providing temporary use of online non-downloadable computer software to travel agents enabling said agents to make reservations and bookings in the field of travel online and via a

computer network; Providing temporary use of online non-downloadable software and mobile application software; Providing temporary use of online, non-downloadable software for enabling processing of electronic funds transfers and payments made via automated clearing house (ACH), credit card, debit card, electronic check and electronic, mobile and online payments; Providing temporary use of online, non-downloadable software for enabling the electronic transfer of money between users; Providing virtual computer systems and virtual computer environments through cloud computing; Provision of computer software to transmit, receive, download, read and provide access to text, images, sound and other digital content; Provision of information on clinical trials and related information; Provision of search engines for the Internet; Provision of security services for computer networks, computer access and computerised transactions; Provision of technical support in the operation of computing networks; Recovery of computer data; Remote computer backup service; Rental and maintenance of memory space for websites, for others (hosting); Rental of computer software; Rental of computer systems; Rental of computers; Rental of electronic memory space on the Internet; Rental of memory space on servers; Rental of memory space on servers for electronic data storage; Rental of memory space on servers on websites for saving computer data; Rental of memory storage of computer servers; Rental of memory storage of servers on communication networks; Rental of servers; Rental of storage area of servers on telecommunication networks for data archiving; Rental of storage area on block chain network or distribution network; Rental of web servers; Research and design in the fields of telecommunications and information technology; Research and development in the field of immunology; Research, development, and consultation related thereto in the field of medicine; Scientific and technological services and research and design relating thereto; Software as a service (SAAS) services; Software as a service (SAAS) services featuring software for providing accommodation information and pricing and inventory management; Software as a service (SAAS) services featuring software for reservation and booking management;

Software as a Service (SaaS) services featuring software for use in creating and maintaining technical documents, generating sample code and onboarding application developers; Software as a Service (SaaS) services featuring software for use in monitoring, visualizing and inspecting application programming interfaces (APIs) and microservice traffic and data; Software as a Service (SaaS) services featuring software for use in securing, managing and extending application programming interfaces (APIs) and microservices; Software as a service (saas) services, namely, hosting software for use by others for the sale, uploading, distribution, management, organization, and/or protection of digital content; Software as a service [SAAS] services; Software configuration management services; Technical advice and consultancy in the design and development of computer hardware and software for management and operation of computer network; Technical data analysis; Technical design, planning and development of telecommunications systems, and providing consultation or information thereon; Technical support services relating to computer software and applications; Technical support services, namely, troubleshooting of computer software problems in the field of sales, distribution, management, and protection of digital content; Technical support, namely, troubleshooting of computer, computer application software, computer network system and computer software; Technological services and research and design relating thereto; Troubleshooting of computer software problems being technical support; Updating, design and rental of software; Hosting an online community website for business purposes; Consultancy, information and advisory services relating to all the foregoing.

Class 43

International Registrations Filed Under The Madrid Protocol Published For Opposition Purposes

National Trade Mark No: 40202122097X
International Registration No: 1612519
Date of Protection in Singapore: 18 March 2021
Classes: 06 11 19 20 21 35 37

●●●sanwacompany

Goods and/or Services:

Class 06

Metal materials for building or construction; transportable porches of metal; porches [structures] of metal; prefabricated garages of metal; transportable buildings of metal; prefabricated building assembly kits of metal; small items of metal hardware; metal nameplates and door nameplates; metal stepladders and ladders; letter boxes of metal; hat-hanging hooks of metal; towel dispensers of metal; joinery fittings of metal; safe deposit boxes.

Class 11

Toilets [water-closets]; prefabricated bathrooms sold as a unit; electric lamps and other lighting apparatus; household electrothermic appliances; gas-fired water heaters; non-electric cooking heaters; kitchen sinks; water purifying apparatus for household purposes; toilet stool units with a washing water squirter; disinfectant dispensers for toilets; toilet bowls; seatings for use with Japanese style toilet bowls; ice chests; non-electric ice-cooling refrigerators for household purposes.

Class 19

Non-metallic minerals for building or construction; ceramic building materials, bricks and refractory products; building materials made of linoleum for fixing to existing walls or floors; plastic building materials; synthetic building materials; asphalt, and asphalt building or construction materials; rubber building or construction materials; plaster for building purposes; lime building or construction materials; building or construction materials of plaster; rockslide retention nets of textiles [construction materials]; porches, not of metal, for building; prefabricated garages, not of metal; nonmetallic transportable constructions; buildings, not of metal; cement and its products; building timber; building stone; building glass; joinery fittings, not of metal.

Class 20

Curtain fittings; metal-substitute plastic fasteners; nails, wedges, nuts, screws, tacks, bolts, rivets and casters, not of metal; washers, not of metal, not of rubber or vulcanized fiber; locks, other than electric, not of metal; nameplates and door nameplates, not of metal; step ladders and ladders, not of metal; letter boxes, not of metal or masonry; hat hooks, not of metal; towel dispensers, not of metal; paper towel dispensers, not of metal, fixed; furniture; benches; kitchen worktops; bathroom stools.

Class 21

Racks for drying clothes; hand basins [bowls, not parts of sanitary installations]; cleaning tools and washing utensils; stirrers for hot bathtub water [yukakibo]; bathroom pails; boxes of metal, for dispensing paper towels; soap dispensers; toilet paper holders; towel bars; flowerpots; watering cans; garden syringes; soap dishes.

Class 35

Retail services or wholesale services for building materials; retail services or wholesale services for furniture; retail services or wholesale services for joinery fittings; retail services or wholesale services for tatami mats; retail services or

wholesale services for electrical machinery and apparatus; retail services or wholesale services for bladed or pointed hand tools, hand tools and metal hardware; retail services or wholesale services for kitchen equipment, cleaning tools and washing utensils.

Class 37

General building construction works; carpentry services; tile laying, bricklaying or block laying; joinery; upholstering; building damp-proofing; plumbing; electrical installation services; construction; construction consultancy; operation and maintenance of building equipment; furniture restoration; repair or maintenance of bath fittings; cleaning of building exterior surfaces; window cleaning services; cleaning of carpets and rugs; floor polishing.

Date of Protection in Singapore: 25 August 2021

Classes: 06 07 09 11 37 42

Goods and/or Services:

Class 06

Metal greenhouses; frames of metal for building; metal doors.

Class 07

Fluid extraction machine systems primarily comprising fluid extraction and collection components; centrifugal machines; centrifugal separators; centrifuge extraction machines; centrifuge extraction systems; electric washing machines for industrial purposes; extracting machines for chemical processing; solvent extraction machines; solvent extraction machine systems; solventless extraction machines; non-solvent extraction machines; mechanical separation equipment; mechanical separation machines; mechanical separation machine systems; presses for chemical processing; oil filters; oil separators; machines for sorting plants; machines for sorting cannabis derived from hemp with a delta-9 tetrahydrocannabinol concentration of not more than 0.3 percent on a dry weight basis; de-stemming machines; electric plant trimmers; electric trimming equipment for cannabis derived from hemp with a delta-9 tetrahydrocannabinol concentration of not more than 0.3 percent on a dry weight basis; fertigation system containing hydraulic and electronic components for horticultural use.

Class 09

Downloadable computer software and hardware for production process control; automated process control system comprised of computer hardware, logic based

hardware, micro-processor based hardware and downloadable computer software used to monitor and control the operation of fluid extraction systems; automated process control system comprised of computer hardware, logic based hardware, micro-processor based hardware and downloadable computer software used to monitor and control the operation of solvent extraction systems; automated process control system comprised of computer hardware, logic based hardware, micro-processor based hardware and downloadable computer software used to monitor and control the operation of mechanical separation systems; downloadable computer software for controlling fluid extraction systems; downloadable computer software for controlling solvent extraction systems; downloadable computer software for controlling mechanical separation systems; downloadable computer software for designing and developing laboratory and industrial facilities; downloadable computer software for process quality control; downloadable computer software to monitor and control biomass cultivation processes; downloadable computer software for monitoring, analyzing and optimizing crop yields; chromatography apparatus for laboratory use; scientific instruments, namely, electronic analyzers for testing for the presence of cannabinoids, terpenes, pesticides and contaminants; computer hardware and recorded software system for remotely monitoring and analyzing environmental conditions and controlling devices within a building, facility, grounds, or designated spatial area; distillation apparatus for scientific purposes; ovens for laboratory use.

Class 11

Process chillers; refrigeration equipment, namely, chilling units; evaporators for chemical processing; distillation apparatus not for scientific purposes; distilling units; apparatus and instruments for use in the purification and separation of liquids and gases; separators for the cleaning and purification of liquids; industrial ovens; vacuum ovens; chromatography apparatus for industrial purposes; dehumidifiers; dehumidifiers and dehumidification systems for industrial and commercial use; lights

for use in growing plants; agricultural irrigation units; filters and filtering devices for air and gas conditioning; air filtration installations; air filtration installations for removing odors from the air.

Class 37

Installation, construction and maintenance of chemical and biomass processing plants, laboratories, cultivation structures, greenhouses; installation of heating, cooling, dehumidification, environmental-control, irrigation, fertigation, benching, lighting and carbon-dioxide generation installations and systems; installation of heating, cooling, dehumidification, environmental-control, irrigation, fertigation, benching, lighting and carbon-dioxide generation installations and systems for use in chemical and biomass processing plants, laboratories, cultivation structures, greenhouses; installation of heating, cooling, dehumidification, environmental-control, irrigation, fertigation, benching, lighting and carbon-dioxide generation installations and systems for use in cultivating cannabis, exclusively for use with cannabis derived from hemp with a delta-9 tetrahydrocannabinol concentration of not more than 0.3 percent on a dry weight basis; technical consultation services in the fields of construction, maintenance of chemical and biomass processing plants, cultivation structures, greenhouses.

Class 42

Providing non-downloadable computer software for designing and developing laboratory and industrial facilities; engineering and design of chemical and biomass processing plants, laboratories, cultivation structures, greenhouses; engineering and design of heating, cooling, dehumidification, environmental-control, irrigation, fertigation, benching, lighting and carbon-dioxide generation installations and systems; engineering and design of heating, cooling, dehumidification, environmental-control, irrigation, fertigation, benching, lighting and carbon-dioxide generation installations and systems for use in chemical and biomass processing

plants, laboratories, cultivation structures, greenhouses; engineering and design of heating, cooling, dehumidification, environmental-control, irrigation, fertigation, benching, lighting and carbon-dioxide generation installations and systems for use in cultivating cannabis, exclusively for use with cannabis derived from hemp with a delta-9 tetrahydrocannabinol concentration of not more than 0.3 percent on a dry weight basis.

Goods and/or Services:

Class 09

Computer software and computer software applications in the fields of carbon offsetting, decarbonisation, carbon credits, carbon assets, carbon finance, carbon

markets, natural capital, biodiversity, climate solutions, sustainability, environmental finance, ecosystem assets and/or ratings and risk assessment relating thereto; computer software and software applications for rating carbon efficacy; computer software and software applications containing algorithms to help others rate the carbon efficacy of projects they are working on; environmental monitoring software; downloadable mobile applications in the fields of carbon offsetting, decarbonisation, carbon credits, carbon assets, carbon finance, carbon markets, natural capital, biodiversity, climate solutions, sustainability, environmental finance, ecosystem assets and/or ratings and risk assessment relating thereto; software to control building environmental systems; software for monitoring energy usage; interactive database software in the fields of carbon offsetting, decarbonisation, carbon credits, carbon assets, carbon finance, carbon markets, natural capital, biodiversity, climate solutions, sustainability, environmental finance, ecosystem assets and/or ratings and risk assessment relating thereto; software, software applications and mobile software related to carbon offsetting, brokerage of carbon offsets and credits, commodity trading, energy consumption, recycling, climate change, reduction of carbon footprint and energy monitoring and analysis; software, software applications and mobile software allowing users to purchase carbon offsets; downloadable videos; video recordings; downloadable video files; media content; downloadable videos and media in the field of carbon offsetting, carbon neutrality, recycling, the environment and climate change; audiobooks; audio recordings; audio-visual recordings; platform software; mobile software and interactive software; and computer software applications in the fields of carbon offsetting, decarbonisation, carbon credits, carbon assets, carbon finance, carbon markets, natural capital, biodiversity, climate solutions, sustainability, environmental finance, ecosystem assets and/or ratings and risk assessment relating thereto; computer software and software applications for rating carbon efficacy; computer software and software applications containing algorithms to help others rate the carbon efficacy of projects they are working on; environmental monitoring software; downloadable mobile applications in the fields of

carbon offsetting, decarbonisation, carbon credits, carbon assets, carbon finance, carbon markets, natural capital, biodiversity, climate solutions, sustainability, environmental finance, ecosystem assets and/or ratings and risk assessment relating thereto; software to control building environmental systems; software for monitoring energy usage; interactive database software in the fields of carbon offsetting, decarbonisation, carbon credits, carbon assets, carbon finance, carbon markets, natural capital, biodiversity, climate solutions, sustainability, environmental finance, ecosystem assets and/or ratings and risk assessment relating thereto; podcasts; videocasts; electronic reports; electronic reports in the field of energy usage and carbon offsetting; electronic strategic reports related to carbon offsetting, energy consumption, reduction of carbon footprint, recycling and sustainability; electronic carbon-offsetting tokens; e-books; downloadable podcasts, videos, media, videocasts, electronic publications; downloadable multimedia files; downloadable electronic newsletters; databases in the fields of carbon offsetting, decarbonisation, carbon credits, carbon assets, carbon finance, carbon markets, natural capital, biodiversity, climate solutions, sustainability, environmental finance, ecosystem assets and/or ratings and risk assessment relating thereto; downloadable educational materials; downloadable training courses; downloadable training information packs; training guides and manuals in electronic format; downloadable electronic brochures; electrical energy utilization metering devices; downloadable training materials, brochures and publications related to carbon offsetting, recycling, brokerage of carbon offsets and credits, energy consumption, reduction of carbon footprint, climate change and energy monitoring and analysis; product lifecycle management software; apparatus for monitoring energy usage; none of the aforesaid being business accounting, bookkeeping or tax management software.

Class 35

Business consultancy; business information and consulting in the fields of sustainability, conservation, recycling, renewable energy, carbon footprint reduction,

climate change and the environment; providing information in the area of sustainable business solutions; data collection; data collection in the energy field; energy usage data collection, processing and reporting; database management; data processing and business data analysis; data collection and processing and analysis of business data related to energy, carbon emissions, climate change and sustainability; compilation of environmental data and information; compilation of environmental information into computer databases; promotional sponsorship of organizations promoting environmental stewardship and preservation; advertising services to promote public awareness on environmental issues; charitable services in the nature of organizing and conducting volunteer projects to promote public awareness of environmental matters; business planning consultancy; business risk management consultancy; business consultancy services in relation to corporate social responsibility; energy price comparison services; procurement of contracts concerning energy supply; import-export agencies in the field of energy; advertising services to promote public awareness on energy issues; tracking and monitoring energy consumption for others for account auditing purposes; energy price comparison services; information, advisory and consultancy services in relation to the foregoing; none of the aforesaid being business accounting, bookkeeping or tax management services; all of the foregoing in respect of carbon offsetting, decarbonisation, carbon credits, carbon markets, natural capital, biodiversity, climate solutions, sustainability, environmental finance and ratings and risk assessment tools pertaining to environmental finance and ecosystem assets.

Class 36

Financial affairs; brokerage of carbon offsets; commodity trading; brokerage of carbon credits; provision of charitable fundraising in relation to carbon offsetting; providing project grants for environmental projects; provision of financial information relating to the finance industry involved in environmentally focused investments; financial consultancy in the energy sector; consultancy concerning financing of

energy projects; brokerage of financial investments in energy companies; financing services and financing of loans for sustainability, conservation, recycling, renewable energy, carbon footprint reduction, climate change, and environmental projects and solutions; providing grants for sustainability, conservation, recycling, renewable energy, carbon footprint reduction, climate change, and environmental projects and solutions; fundraising services by means of raising, accepting, and distributing funds and monetary donations in support of sustainability, conservation, recycling, renewable energy, carbon footprint reduction, and the environment; philanthropic services, namely collection of monetary donations in support of sustainability, conservation, recycling, renewable energy, carbon footprint reduction, and the environment; financial information relating to commodities provided online from a computer database; trading of carbon credits, allowances or offsets of others; information, advisory and consultancy services in relation to the foregoing; none of the aforesaid being business accounting, bookkeeping or tax management services; all of the foregoing in respect of carbon offsetting, decarbonisation, carbon credits, carbon markets, natural capital, biodiversity, climate solutions, sustainability, environmental finance and ratings and risk assessment tools pertaining to environmental finance and ecosystem assets.

Class 41

Education; entertainment; training services; delivery of workshops, seminars, training courses and webinars; education services relating to environmental issues; education and training relating to energy conservation and the environment; education and training in the field of carbon offsetting; business training consultancy; education and training related to carbon offsetting, climate change, recycling, energy consumption, reduction of carbon footprint and sustainability; provision of educational services relating to ecological topics; information, advisory and consultancy services in relation to the foregoing; none of the aforesaid being business accounting, bookkeeping or tax management services; all of the foregoing

in respect of carbon offsetting, decarbonisation, carbon credits, carbon markets, natural capital, biodiversity, climate solutions, sustainability, environmental finance and ratings and risk assessment tools pertaining to environmental finance and ecosystem assets.

Class 42

Scientific and technological services and research and design relating thereto; industrial analysis and research services; environmental consultancy services; research and technical consultancy services in the field of carbon footprint reduction, climate change, recycling, sustainability, energy use and carbon offsetting; providing scientific information, consultancy and advisory services in the field of carbon offsetting; technical project studies in the field of carbon offsetting; technical research in the field of carbon offsetting and consultancy relating thereto; environmental testing and surveys; environmental monitoring services; design of energy saving strategies; design of controlled environmental buildings; research relating to environmental protection; advisory services relating to environmental protection; environmental planning services; planning, strategy and design services relating to carbon offsetting and energy use reduction; environmental monitoring of activities which influence the environment within buildings; energy auditing; consultancy in the field of energy saving and energy efficiency; research in the field of energy; advisory services relating to energy efficiency; design and development of energy distribution networks; design and development of systems for regenerative energy generation; certification services for the energy efficiency of buildings; recording data relating to energy consumption in buildings; professional consultancy relating to the conservation of energy; technological consultancy in the field of alternative energy generation; providing information concerning research and technical project studies relating to the use of natural energy; Software as a service [SaaS] in the fields of carbon offsetting, decarbonisation, carbon credits, carbon assets, carbon finance, carbon markets, natural capital, biodiversity, climate solutions, sustainability,

environmental finance, ecosystem assets and/or ratings and risk assessment relating thereto or for the delivery of services in relation thereto; Platform as a service [PaaS] in the fields of carbon offsetting, decarbonisation, carbon credits, carbon assets, carbon finance, carbon markets, natural capital, biodiversity, climate solutions, sustainability, environmental finance, ecosystem assets and/or ratings and risk assessment relating thereto or for the delivery of services in relation thereto; Software as a Service and Platform as a Service for carbon credit rating, and for displaying carbon credit rating, carbon efficacy and carbon offsetting information and data; Software as a Service and Platform as a Service in the field of carbon offsetting, brokerage of carbon offsets and credits, recycling, energy consumption, reduction of carbon footprint and energy monitoring and analysis; providing scientific research information and results from an online searchable database; providing technical reports related to carbon offsetting, energy consumption, recycling, reduction of carbon footprint, climate change and sustainability; energy assessment services for the purpose of determining energy efficiency or usage management; information, advisory and consultancy services in relation to the foregoing; none of the aforesaid being business accounting, bookkeeping or tax management software services; preparation of technical reports defining the carbon footprints of others; preparation of technical reports containing environmental data and information.

Class 44

Agriculture, horticulture and forestry services for carbon offsetting purposes; planting trees for carbon offsetting purposes; information, advisory and consultancy services in relation to the foregoing.

Goods and/or Services:

Class 06

Metal fuel tanks; metal pipe couplings; metal valves; metal storage boxes for respiratory masks; metal metal pressurized cylinders for storing air or oxygen; metal connectors for metal conduits and valves as parts of on-board fuel supply and fuel management installations for aircraft and helicopters.

Class 07

Pressure and flow rate regulators [parts of machines], cabin pressure control valves being parts of machines.

Class 09

Respiratory masks, not for medical purposes for crew members and aircraft and helicopter passengers; parts and fittings adapted for respiratory masks and smoke hoods, not for medical purposes; breathing masks with removable visor; life-saving pneumatic harnesses; quick-fit respiratory masks, not for medical purposes; on

request controllers; protective eyewear for protection against smoke; oxygen regulators; personal protective equipment being anti-g clothing, supply units for anti-g clothing, combined individual units for supplying respiratory masks for protection against hypoxia and for anti-g clothing for combat aircraft pilots; personal protective equipment for protection against nuclear, biological and chemical substances; solenoid-operated valves, optical and capacitor meters, flowmeters, calculators for determining fuel consumption and the residual mass of fuel in fuel tanks, respiratory masks (non-medical) and protective hoods for protection against smoke, helmet visors, heads up displays, all being on-board fuel supply and fuel management installations for aircraft and helicopters and their components; solenoid-operated valves.

Class 11

installations of pressurised water and air-conditioning systems on aircraft and helicopters, installation of onboard oxygen generating systems (OBOGS); oxygen generators for cleaning air, oxygen supply units for delivery of air to respiratory masks for use in the aeronautical field; inert gas installation for fuel tank flammability risk reduction.

Class 35

The bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), namely, metal fuel tanks, metal pipe couplings, metal valves, solenoid-operated valves, pressurization and air-conditioning installations for aircraft and helicopters, respiratory equipment for crew members and aircraft and helicopter passengers, components and spare parts for the above installations and facilities, respiratory masks, respiratory masks and smoke hoods, breathing masks with removable visors, quick donning and pneumatic harness respiratory masks, on request controllers, anti-smoke protective eyewear, storage boxes for respiratory masks, on-board oxygen generating systems (OBOGS), pressurized cylinders for

storing air or oxygen, liquid oxygen converters, chemical oxygen generators (candles), pressure and flow rate regulators, air flow control central units for flight decks, central supply units for respiratory masks, connectors, installations and equipment for protection against acceleration for combat aircraft pilots and their components, namely anti-g clothing, supply units for anti-g clothing, combined individual units for supplying respiratory masks for protection against hypoxia and for anti-g clothing, individual equipment for NBC protection, fuel storage installations, namely metal fuel tanks, metal pipe couplings, metal valves, solenoid-operated valves, optical and capacitor meters, flowmeters, calculators for determining fuel consumption and the residual mass of fuel in fuel tanks, inerting devices for fuel tanks, respiratory equipment and equipment for anti-smoke protection for civil protection staff, helmet visors, heads up displays, enabling customers to view and purchase such goods from an Internet website, in a store, at a retailer, in a mail-order catalogue or using telecommunications means (excluding transport).

Class 37

Assembly, maintenance and repair of installations and equipment, namely metal fuel tanks, breathing equipment for crew members and aircraft and helicopter passengers, air-conditioning and air-conditioning installations for aircraft and helicopters, oxygen-enriched air generators (OBOGS), chemical oxygen generators (washers), central respiratory mask supply systems, tank inerting device.

Class 42

Technical study and development of pressurization and air-conditioning installations for aircraft and helicopters, respiratory equipment, NBC protection equipment and fuel installations.

Goods and/or Services:

Class 09

Computer software for processing electronic payments to and from others that may be downloaded from one or more electronic communication network (s), such as computer network and telecommunication network, and recorded on digital media; computer software for use in the processing of electronic financial transactions of any assets, credits, and obligations, including payments, securities, bonds, trade, futures, digital currency, fiat currency, virtual currency, commodities, precious metals and store credits; computer software for use in the issuance, deposit, withdraw, remittance, transfer, clearance, settlement, and management of any digital assets, credits, and obligations; computer software, namely, an electronic financial platform that accommodates multiple types of payments and financial transactions in one or more electronic communication network (s), such as computer network and telecommunication network, via landline phones, mobile phones, PDAs, tablets, laptops, desktops, and other electronic devices capable of connecting with the above network (s); computer software, namely, software that provides access to an electronic financial platform and generates one dimensional codes, two dimensional codes and/or three dimensional codes, such as barcodes and QR codes, for purposes of payments and financial transactions; application software for reading one dimensional codes, two dimensional codes and/or three dimensional codes, such as barcodes and QR codes, for landline phones, mobile phones, PDAs, tablets, laptops, desktops, and other electronic devices; computer software, namely, software that generates one dimensional codes, two dimensional codes and/or three dimensional codes, such as barcodes and QR codes; computer software for enabling one dimensional code (e.g. barcode) scanner, two dimensional code (e.g. QR code) scanners, three dimensional code scanner, one dimensional code (e.g. barcode) handy terminals, two dimensional code (e.g. QR code) handy terminals, three dimensional code handy terminals, printers, laser markers to read one dimensional

code, two dimensional code and/or three dimensional code, such as barcodes and QR codes; electronic database featuring one dimensional codes (e.g. barcodes), two dimensional codes (e.g. QR codes) and/or three dimensional codes, such as barcodes and QR codes, recorded on computer media and capable of being read by one dimensional code (e.g. barcode), two dimensional code (e.g. QR code) and/or three dimensional code readers and scanners; downloadable computer software for multiple types of payment and transactions, namely, computer software for providing electronic financial platform that accommodates multiple types of payment and debt transactions; downloadable computer software for providing an on-line database in the field of transaction processing to upload transactional data, provide statistical analysis, and produce notifications and reports; downloadable computer software for the collection, editing, organizing, modifying, book marking, transmission, storage, and sharing of data information; downloadable computer software for managing and validating transactions using blockchain-based technology.

Class 36

Financial transactions services of digital assets, credits, and obligations, namely, the issuance, electronic remote deposit, withdrawal in the nature of electronic funds drawn from, electronic funds transfers in the form of remittance services, electronic transfer of funds, clearance in the nature of clearing electronic financial transactions, debt settlement, and electronic financial management of digital currency, fiat currency, securities, bonds, currency value of precious metals, futures, commodities, and store currency credits; real-time currency trading; cash management, namely, facilitating transfers of electronic cash equivalents; virtual currency exchange transaction services for transferrable electronic cash equivalent units having a specified cash value; electronic funds transfer, namely, transmission of currency via computer terminals and electronic devices; electronic funds transfer, namely, transmission of virtual currency, fiat currency and digital currency via one or more electronic communication network (s), such as computer network and

telecommunication network; electronic exchange and money market transactions, namely, digital currency payment transaction processing services and assisting others with the financial clearance, settlement and completion of electronic financial transactions; clearance and reconciling financial transactions via one or more electronic communication network (s), such as computer network and telecommunication network; financial currency exchange services, namely, providing for the exchange of digital, fiat and virtual currency via one or more electronic communication network (s), such as computer network and telecommunication network; credit bureaux; financial analysis; financial information; exchanging money; electronic funds transfer; financing services; financial transaction services, namely, providing secure commercial transactions and payment options; payment verification services; merchant banking services; providing financial services with respect to securities and other financial instruments and products, namely, money management services; money wiring services; bank tendering, namely, tendering of money, such as business finance procurement services, money transfer, and currency trading; financial transaction services, namely, providing secure commercial transactions and payment options; cash and foreign exchange transactions; electronic transfer of money and funds; foreign exchange information services; business credit verification services; financial consulting; banking services provided by mobile telephone connections; payment processing services, namely, credit card, cash card, and debit card transaction processing services; financial services, namely, the trading of financial instruments, securities, shares, options and other derivative products; electronic financial trading services; providing multiple payment options by means of customer-operated electronic terminals available on-site in retail stores; financial information processing.

Class 38

Secure transmission of messages relating to financial transactions and consulting relating thereto; data transmission between financial institutions, telecommunication

companies and persons, including individuals and all kinds of legal entities by means of one or more electronic communication network (s), such as computer network and telecommunication network; providing user access to a secure global and local electronic communication network for financial transactions; electronic transfer of information relating to electronic financial transactions involving payments, securities, bonds, futures, commercial paper, commodities, precious metals, virtual currency, fiat currency and digital currency; transmission and delivery of data via one or more electronic communication network (s), such as computer network and telecommunication network; online provider services, namely, providing access to, and transmission of information on electronic networks accessible via one dimensional codes, two dimensional codes and/or three dimensional codes, such as barcodes and QR codes; information transmission via one or more electronic communications network (s), such as computer network and telecommunication network; electronic data transmission; transfer of data by one or more electronic communication network (s), such as computer network and telecommunication network; providing access to electronic communication networks; signal transmission for electronic commerce via one or more electronic communication system (s), such as computer network and telecommunication network, and data communication systems; electronic transmission for others of securities and financial information, namely, communicating and routing trade information involving orders, entry and execution services, to others via one or more electronic communication network (s), such as computer network and telecommunication network; providing user access to one or more electronic communication network (s), such as computer network and telecommunication network; transmission of messages; providing telecommunications connections to one or more electronic communication network (s), such as computer network and telecommunication network; providing electronic transmission of data and electronic payment data via one or more electronic communication network (s), such as computer network and telecommunication network; providing multiple use access to one or more electronic communication

network (s), such as computer network and telecommunication network, for the transfer and dissemination of a wide range of information; providing electronic telecommunication connections; providing access to one or more electronic communication network (s), such as computer network and telecommunication network; communication by landline phones, mobile phones, PDAs, tablets, laptops, desktops, and other electronic devices capable of connecting with one or more electronic communication network (s), such as computer network and telecommunication network; computer communications services for the transmission of information on electronic networks accessible via one dimensional codes, two dimensional codes and/or three dimensional codes, such as barcodes and QR codes.

Class 42

Providing online non-downloadable computer software for processing electronic payments to and from others that may be downloaded from one or more electronic communication network (s), such as computer network and telecommunication network, and recorded on digital media; providing online non-downloadable computer software for use in the processing of electronic financial transactions of any assets, credits, and obligations, including payments, securities, bonds, trade, futures, digital currency, fiat currency, virtual currency, commodities, precious metals and store credits; providing online non-downloadable computer software for use in the issuance, deposit, withdraw, remittance, transfer, clearance, settlement, and management of any digital assets, credits, and obligations; providing online non-downloadable computer software, namely, an electronic financial platform that accommodates multiple types of payments and financial transactions in one or more electronic communication network environment (s), via landline phones, mobile phones, PDAs, tablets, laptops, desktops, and other electronic devices capable of connecting with the above network (s); providing temporary use of on-line non-downloadable software and applications for an electronic financial platform that accommodates multiple types of payments and financial transactions through one

dimensional codes, two dimensional codes and/or three dimensional codes, such as barcodes and QR codes; software development and product development in the field of one dimensional codes, two dimensional codes and/or three dimensional codes technology; Software as a Service (SaaS) services featuring software for one dimensional codes, two dimensional codes and/or three dimensional codes generator with a data tracking system; providing on-line non-downloadable software for collecting real-time data with one dimensional codes, two dimensional codes and/or three dimensional codes, such as barcodes and QR codes; application service provider (ASP), namely, hosting, managing, developing, analyzing, and maintaining applications, software and websites of others in the field of one dimensional codes, two dimensional codes and/or three dimensional codes processing and information; application service provider (ASP) featuring software for use as a payment gateway that authorizes processing of credit cards or direct payments for merchants; application service provider (ASP) featuring software for use in knowledge management to host computer application software for the purpose of one dimensional code, two dimensional codes and/or three dimensional codes generator with a data tracking system; providing on-line non-downloadable computer software and computer programs for generating one dimensional code, two dimensional code and /or three dimensional code, such as barcode and QR code; providing on-line non-downloadable computer software for enabling one dimensional codes, two dimensional codes and/or three dimensional codes scanners to read one dimensional codes, two dimensional codes and/or three dimensional codes, such as barcodes and QR codes; consultation services in the field of technical advice relating to performance and operation of one dimensional code, two dimensional code and/or three dimensional code generating computer software; Platform as a Service (PaaS) featuring computer software platforms that accommodate multiple types of payments and financial transactions in one or more electronic communication network environment (s), via landline phones, mobile phones, PDAs, tablets, laptops, desktops, and other electronic devices capable of

connecting with the above network (s); application service provider featuring software for use in providing an on-line database in the field of transaction processing to upload transactional data, provide statistical analysis, and produce notification and reports; design and hosting of web portals in the field of financial transaction and payment processing services.
