General Information

1. Trade Marks Journal

This journal is published by the Registry of Trade Marks pursuant to Rule 86A of the Trade Marks Rules. It is published weekly on Fridays, unless otherwise directed by the Registrar.

2. Notice of Opposition

Any person who wishes to oppose any of the marks published may within two months from its publication date file a Notice of Opposition on Form TM11. Reasonable notice should be given to the Applicant beforehand, to provide the Applicant an opportunity to withdraw the application. Failure to give such notice will be taken into account when considering any application by an Opponent for an Order of Costs if the opposition is uncontested by the Applicant.

3. Practice Directions and Circulars

The Registry has ceased our practice of publishing Practice Directions and Circulars in the Trade Marks Journal. Practice Directions and Circulars are available on our website at <https://www.ipos.gov.sg>. If you wish to receive our updates via email, you may subscribe to our mailing list by sending an email to news@ipos.gov.sg and letting us know the subject matter of interest (e.g. Trade Marks).

4. Information Contained in this Journal

The Registry of Trade Marks does not guarantee the accuracy of its publications, data records or advice nor accept any responsibility for errors or omissions or their consequences. Permission to reproduce extracts from this Journal must be obtained from the Registrar of Trade Marks.

building; Glass mouldings for building; Handrails, not of metal, for use in buildings; Intumescent building materials; Lime building materials; Liquid plastic surface coatings [building materials] for protection against moisture; Membranes made from polyvinylchloride for as linings for building pits; Modular portable building units of non-metallic materials for construction into relocatable buildings; Non-metallic building beams; Non-metallic building elements made from glazing elements; Non-metallic building materials for use in setting manholes; Non-metallic building materials in the form of plastic extrusions; Non-metallic ceilings for use in building; Non-metallic composite boards for building purposes; Non-metallic interior partitions for buildings; Non-metallic prefabricated building components; Non-metallic prefabricated buildings; Non-metallic spars for use in building; Planar panels made of wood for building; Plaster components for use in building; Plaster materials for exterior walls of buildings; Plaster materials for interior walls of buildings; Plates made of glass for building purposes; Plates of foamed plastics for building purposes; Portable buildings made of non-metallic materials; Preformed building panels made principally of concrete; Reinforced glass for building; Roof elements made from structural building glass; Single layer safety glass for buildings; Tarred strips for building; Tiles, not of metal, for building; Translucent building materials for skylights; Wall linings, not of metal, for building; Webs of paper-backed plastics for building; Window glass for building; Wired plate glass for building; Articles of simulated wood for building purposes; Asphalt [for building purposes]; Asphalt felt for building purposes; Bitumen based compositions for building purposes; Bitumen paper for building; Building elements of reinforced concrete; Building materials made of fibre cement; Building materials made of rock fibres; Buildings, transportable, not of metal; Cladding, not of metal, for building; Clear glass for building purposes; Coloured stone materials for use in building; Concrete building elements; Constructional members of aerated concrete for use in building; Frames, not of metal, for building; Friezes [non-metallic building elements]; Insulating glass for use in building; Laminates of non-metallic materials for use in building; Lumber for building purposes; Materials in the

nature of coatings for building purposes [building materials]; Materials of synthetic non-metallic foam for building; Materials, not of metal, for building and construction; Mouldings made from expanded plastics for use in building; Multilayer panels of plastic for use in building; Non-metallic building elements for the damping of sound; Non-metallic building facade elements; Non-metallic building materials for furnaces; Non-metallic building materials for the construction of office interiors; Non-metallic building materials for use in relation to floors; Non-metallic building materials for waterproofing purposes; Non-metallic building materials in the form of planks; Non-metallic building panels; Non-metallic building sheets; Non-metallic composite materials for use in building repair; Non-metallic materials for use in building; Non-metallic minerals for building or construction; Non-metallic permanent building structures; Non-metallic port holes [parts for buildings]; Non-metallic prefabricated relocatable buildings; Non-metallic roll doors for use in industrial buildings; Non-metallic security gratings for the outside of buildings; Non-metallic sleeves for use in building; Non-metallic structural building members; Non-metallic ties for use in building; Planar panels made of fibre-reinforced cement for building; Plastic coatings for construction purposes [building materials]; Plywood panelling for use in building; Precast concrete building elements; Preformed concrete building elements; Roof elements made from building glass; Sheets of glass for building; Sheets of reinforced glass for building; Toughened glass for building; Transparent doors of glass for buildings; Transparent plastics for use in building; Wall claddings, not of metal, for building; Window glass for use in building; Architectural concrete products for building purposes; Articles of joinery for use in building; Asphalt for use in building; Building materials for coating walls, other than paint; Building products made by the extrusion of synthetic plastics; Building slabs of fibre cement; Cement based materials for use in preserving buildings; Cold stores [non-metallic buildings]; Compounds of aggregates for use in the building industry; Enamelled glass, for building; Facings, not of metal, for building; Felt for building; Fibrous material for building purposes; Flashing, not of metal, for building; Glass mosaics for use in

building; Glass products for building; Heat protective glass for building; Inorganic mineral bound materials for use in building; Linings, not of metal, for building ponds; Materials of mortar for coating building elements; Moldings, not of metal, for building; Multilayer sheets of plastic for use in building; Non metallic transportable buildings; Non-metallic building boards; Non-metallic building elements for the damping of vibration; Non-metallic building materials for flooring; Non-metallic building materials for roofs; Non-metallic building materials for the covering of walls; Non-metallic building materials having insulating properties; Non-metallic building materials in the form of strips; Non-metallic building materials made of vinyl plastics; Non-metallic drainage products for use in building; Non-metallic fabrics for use in building; Non-metallic framework for buildings; Non-metallic glazing for building; Non-metallic reinforcement for building; Non-metallic reinforcing fabrics for building; Non-metallic sheds [buildings]; Non-metallic structures for buildings; Non-metallic support fixings for building structures; Non-portable buildings, not of metal; Planar panels made of gypsum for building; Plaster compositions for filling defects in building surfaces; Plaster compositions for use in building for filling holes; Plastic building boards; Polymeric bitumen emulsion for waterproofing buildings; Rigid foam materials being moulding pieces for use in building; Serpentine [building material]; Shelters [building structures] of non-metallic materials; Silica for use in building; Solid polymer and mineral combination building panels; Structural building elements of concrete; Surfacing, not of metal, for building; Tiles made of ceramic materials for building purposes; Timber building boards; Window panes for buildings; Wood pulp board for building; Agalmatolite [building material]; Apartments [non-metallic structures or buildings]; Articles of pottery for building purposes; Asphalt felt [for building purposes]; Bedding-in compositions for use in building; Bituminous sheetings for use in building construction; Blast furnace slag [building material]; Building boards of plastic materials; Building paper; Building products in the form of vents made from plastics; Cement for building; Cement mortar for building; Ceramic tiles for flooring of building; Complete buildings of non-metallic materials; Doors made of glass for

buildings; Doors made of wood for buildings; Elastic muds for use in the building industry; Erosion control fencing [non-metallic building materials]; Erosion control mats [building materials]; Expanded plastics for use in building; Flooring of reinforced plastic materials for building; Foam glass granules for use as building materials; Foamed building materials; Glass building materials; Glass powder for building purposes; Glass sheet for use in building; Heat reflecting glass for building; Infrared-ray absorbing glass for building; Linings, not of metal, for building; Modular prefabricated building units of non-metallic materials for the construction of buildings; Modular structural units, not of metal, for the construction of prefabricated buildings; Moulded building materials, not of metal; Moulded plastic sheet material for use in building; Mouldings of non-metallic materials for casing buildings; Non-metallic building components; Non-metallic building elements; Non-metallic building elements incorporating glazing; Non-metallic building elements made from glass; Non-metallic building materials in the form of shaped sections; Non-metallic decorative edge mouldings for building; Non-metallic garden rooms in the nature of building structures; Non-metallic industrial buildings; Non-metallic louvre vents for buildings; Non-metallic preformed building sections; Non-metallic transportable buildings; Non-metallic woven mats for building purposes; Panels made of wood coated with plastics for use in building; Pillars, not of metal, for building; Planar panels made of fibre-reinforced concrete for building; Plaster for use in building; Plastic mouldings for building construction; Plate glass for building; Prefabricated building materials, not of metal; Prefabricated building structures, not of metal; Preformed building panels made of concrete; Ready made building components, not of metal; Rock grit [building material]; Rubber flashings for buildings; Self-leveling concrete for use in building construction; Shaped non-metallic elements for building ponds; Sheet glazing materials for use in building; Single plate safety glass for use in the glazing of buildings; Stairs, not of metal, for use in buildings; Tinted glass for use in building; Amphibole [building material]; Articles of artificial stone for building purposes; Articles of artificial wood for building purposes; Bearings, not of metal [structural supports for

use in building]; Blocks made of non-metallic materials for building purposes; Building materials made of mineral wool; Building products made by the moulding of synthetic plastics; Building timber; Canopies [building structures], not of metal and not of textile; Cementitious patching mortars for building; Clay building elements; Coatings to protect masonry building walls from water [building materials]; Commercial buildings made principally of non-metallic materials; Concrete poles for use as building materials; Domestic buildings made of non-metallic materials; Farm buildings, not of metal; Fibreboard [building materials]; Foam glass in the form of building materials; Infrared reflective glass for use in building; Layered glass, for building; Marble [building material]; Materials made from foam for use in building; Materials of concrete for coating building elements; Mineral fibre board for use in building; Mouldings of non-metallic materials for facing buildings; Mouldings, not of metal, for building; Non-metallic board mixed with non-organic fibre for building purposes; Non-metallic building fronts; Non-metallic building materials for draught proofing; Non-metallic building tiles; Non-metallic components for buildings; Non-metallic discharge pipes for building installations; Non-metallic facade elements for buildings; Non-metallic flashings for waterproofing buildings; Non-metallic foundation material for use in building; Non-metallic materials for repairing buildings; Non-metallic panels for interior cladding on buildings; Non-metallic prefabricated building elements; Non-metallic prefabricated extensions for buildings; Non-metallic relocatable buildings; Non-metallic roofs for buildings; Non-metallic walls for buildings; Planar panels made of fibre-reinforced plastic for building; Planks of non-metallic materials for use in building; Plaster for building purposes; Plastic coatings [building materials]; Plate glass [windows] for building; Protective coatings for walkways [building materials]; Rigid non-metallic pipes for building; Sawn timber for building purposes; Sealing compounds for use in building [bituminous]; Sections of reinforced plastics for use in building; Security door frames, not of metal, for buildings; Self adhesive fabric in sheet form for use in building; Serpentine for use as building materials; Skylights made from plastic materials for use in buildings;

Tempered glass for building; Waterproofed paper for use in building; Anti-reflective glass for building; Building cardboard; Building elements made of concrete; Building materials of expanded polystyrene in sheet form; Building materials, not of metal; Building products of slate; Building requisites of non-metallic materials; Cement based materials for use in protecting buildings; Coloured sheet glass for building; Composite panels of non-metallic materials for use in building; Corrugated polypropylene sheets [building materials]; Diffusers for skylights [translucent building panels]; Expansion joints of non-metallic materials for use in building; Float glass for building; Framework, not of metal, for building; Glass for the windows of buildings; Glass for use in buildings; Gypsum [building material]; Imitation wood for use in buildings; Internal non-metallic partitions for buildings; Laminated building materials, not of metal; Logs [building material]; Luminous glass for building; Minerals for use in building; Mobile [portable] buildings, not of metal, containing sanitary installations; Mouldings made from polyurethane for use in building; Non-metallic beams for building purposes; Non-metallic building elements for use in civil engineering construction; Non-metallic building laths; Non-metallic building materials for flood protection; Non-metallic building materials having acoustic properties; Non-metallic building materials made of balsa wood; Non-metallic building plates; Non-metallic buildings for housing portable toilets; Non-metallic fire protection materials for use in building; Non-metallic flues for use in building; Non-metallic modular portable buildings; Non-metallic modular units for constructing relocatable buildings; Non-metallic permanent buildings for agricultural purposes; Non-metallic prefabricated building elements for sale in kit form; Non-metallic profiles for use in building; Non-metallic ready mountable building parts; Non-metallic roof components for buildings; Non-metallic sheet materials for building; Non-metallic ventilator flaps for buildings; Panels made of wood veneered with plastics for use in building; Planar panels made of fibre-reinforced gypsum for building; Planks of wood for building; Plastic panels for use in building; Polymeric building panels; Polystyrene panels for use in building; Preparations for use as waterproofing coatings on the surfaces of buildings [building

materials]; Preparations for use as waterproofing coatings on the surfaces of structures [building materials]; Protective coatings for roofs [building materials]; Rigid foam materials being inserts for use in building; Rock crystal [building material]; Rock flour [building material]; Safety glass for building; Safety glass for building purposes; Sand supplied in containers for use in building; Sheets made of plasterboard for building; Slabs, not of metal, for building; Structural building elements of glass; Structural building elements of plastic; Surface coatings in the nature of building materials; Transportable buildings, not of metal; Waterproofed cardboard for use in building; Wax paper for use in building; Articles of glass for building purposes; Articles of natural stone for building purposes; Balsa wood for use in building and construction; Building materials of expanded polystyrene; Cellular board of paper for building; Common sheet glass for building; Concrete articles for building walls; Erosion control fabrics [building materials]; Fireproof seals in the nature of building materials; Flooring of plastic materials for building; Fly ash [building materials]; Foam plastic for use in building; Glass panels for building; Housing being non-metallic portable buildings; Insulation glass for building; Laminated flat glass for building; Materials for use in coating buildings [building materials]; Mouldings made from plastics for use in building; Mouldings of non-metallic materials for panelling buildings; Multilayer coated safety glass for glazing buildings; Non-metallic building blocks; Non-metallic building bricks; Non-metallic building materials in the form of slabs; Non-metallic building partitions; Non-metallic extensions for buildings; Non-metallic laminated boards for building use; Non-metallic linings for buildings; Non-metallic materials for building; Non-metallic panels for outer cladding on buildings; Non-metallic panels for use in building; Non-metallic plates for building and having insulating properties; Non-metallic pre-insulated bonded pipes for building; Non-metallic reinforcement bar connectors for building; Non-metallic tiles for building; Non-metallic tiltable doors for buildings; Non-metallic waterproofing materials for building, other than paint; Non-portable buildings made of non-metallic materials; Panel boards of non-metallic materials for building; Paper for use in building;

Paperboard for building; Partitions being non-metallic building materials; Pitch for building; Reinforced bituminous sheeting for building construction; Resin impregnated papers for building purposes; Sand for use in building; Sheets of polyvinylchloride for use in building; Sheets of synthetic plastic materials for use in building; Sintered mixtures of fly ash and coal [building material]; Waterproof paper for use in building; Wooden beams for building; Adhesive mortar for building purposes; Air conditioned rooms [structures or buildings], not of metal; Air ducts of non-metallic materials for buildings; Bituminous coverings for use in building construction; Building construction materials in the nature of aromatic cedar planking; Building elements of concrete; Building extensions [structures] of non-metallic materials; Building materials being mastics; Building materials made from bitumen; Building materials made of glass fibres; Building materials of glass; Building materials of mineral wool; Building sand; Cellular board of card for building; Cementitious sealants for building; Coatings for the finishing of surfaces [building materials]; Compounds of aggregates for use in building; Corrugated sheets made of plastic [building materials]; Enameled glass, for building; Extrusions of non-metallic materials for building; Fibreboard for building; Garden ornaments being non-metallic building structures; Hardboard for building; Intumescent building materials for preventing the spread of fire; Latticed netting of glass for building purposes; Mobile homes [portable buildings] of non-metallic materials; Mouldings of non-metallic materials for surfacing buildings; Mud bricks for building; Multilayer coloured safety glass for glazing buildings; Multilayered insulating glass units for glazing buildings; Non-metallic air ducts for buildings; Non-metallic air vents for buildings; Non-metallic boards for building purposes; Non-metallic building materials for civil engineering; Non-metallic building materials for screeding; Non-metallic building materials having waterproofing properties; Non-metallic facing tiles for use in buildings; Non-metallic linings for use in building; Non-metallic modular units for constructing prefabricated buildings; Non-metallic modules for use in constructing buildings; Non-metallic portable building structures; Non-metallic prefabricated building elements for on site

assembly; Non-metallic reinforcement materials for building; Non-metallic rigid tubes for building; Non-metallic semi-permeable membranes for building purposes; Non-metallic skylights for buildings; Non-metallic structural building elements; Non-metallic structural elements for use in building; Non-metallic surfacing materials for building; Organic fibres for building purposes; Planar panels made of cement for building; Planar panels made of plastic for building; Plywood for building; Polypropylene mats for use in building; Preformed building panels made of concrete and foamed plastics; Pumice stone slag [building material]; Reinforcing fibres, not of metal, for building; Rigid pipes, not of metal, for building; Sandstone for building; Sealants in the nature of coatings [building materials]; Sealed insulating glass units for building; Sheets of non-metallic materials for use in building; Slag [building material]; Tarred or bituminised strips for building; Terra-cotta [building material]; Timber building products; Timber for building; Translucent building panels made from plastic materials; Transparent plastics for use in windows of buildings; Tuff [building material]; Tuff for use as building materials; Wall coatings [building materials]; Wood fibre mats for building; Woven non-metallic materials for use in buildings; Agglomerated cork for building; Alabaster glass for building; Articles of ceramics for building purposes; Articles of concrete for building purposes; Bonding mortar for building purposes; Brackets, not of metal, for building; Building components of imitation wood; Building components of wood; Building elements made of plywood; Building materials of expanded polystyrene in block form; Building materials of expanded polystyrene in slab form; Cantilevered brackets of non-metallic materials for building; Cement base mixture for use in building; Cills of extruded plastics for use in building; Coatings [building materials]; Coatings to protect concrete from water [building materials]; Coatings to protect stone from water [building materials]; Concrete products for use in building; Drywall corner bead not of metal [building materials]; Fibrous materials for use in building; Flame retardant building materials; Foam glass beads for use as building materials; Foam glass for building; Glass elements for building panels; Housing being prefabricated portable non-metallic

buildings; Limestone products for use in building; Materials of glass for use in building construction; Mineral based building materials having fire protection properties; Monocellular glass microspheres being building materials; Mosaics for building; Non-metal exterior building shutters; Non-metallic air pipes for buildings; Non-metallic building frames; Non-metallic building frameworks; Non-metallic building materials; Non-metallic building materials for construction of flood protection barriers; Non-metallic building materials for covering ceilings; Non-metallic building materials having a honeycomb structure; Non-metallic buildings; Non-metallic buildings in the form of cabins; Non-metallic floors for building; Non-metallic frames for buildings; Non-metallic laminates for use in building; Non-metallic panels for doors for buildings; Non-metallic permanent buildings for stock rearing purposes; Non-metallic pillars for buildings; Non-metallic pipes for building purposes; Non-metallic profiled strips for use in building; Non-metallic sheeting for building; Non-metallic ventilators [vents] for buildings; Non-metallic wall covering for buildings, other than paint; Non-metallic woven fabrics for use as geotextile materials for building purposes; Pipes made of cement for use in building; Pipes made of earthenware for use in building; Planar glass for buildings; Portable non-metal buildings; Protective coatings [building materials]; Radiation shielding of concrete for fabricating buildings; Sealing compounds for use in building [cementitious]; Sections of plastics for use in building; Sheets of fibre cement for use in building; Single layer safety glass for use in the glazing of buildings; Stairways, not of metal for use in buildings; Sun louvres of glass for buildings; Switchable smart glass for building; Synthetic plaster for use in building; Tempered glass for use in building; Thermal insulating glass for use in building; Windows made of laminated safety glass for buildings; Wooden building materials in fabricated form; Wood-pulp board for building; Anti-reflecting glass for building; Articles of earthenware for building purposes; Articles of mortar for building purposes; Bituminous binding materials for use in building; Bituminous products for building; Boards of cellulose materials for building purposes; Building boards, not of metal; Building elements made of non-

metallic materials; Building elements made of wooden materials; Building materials consisting of glass; Building materials for coating ceilings, other than paint; Building materials made of crystallized glass; Cementitious sealing mortars for building; Coatings for the finishing of masonry [building materials]; Concrete building materials; Epoxy modified mortars for building; Fiberboard [building materials]; Glass blocks for building; Glass for building; Glass slabs for use in building; Industrial coatings [building materials]; Insulating glass for building; Joinery products of timber for use in buildings; Manufactured stone veneers [building materials]; Membranes made from polyvinylchloride for as linings for building ponds; Mouldings of non-metallic materials for cladding buildings; Natural stone for building purposes; Non-metallic building elements incorporating glass; Non-metallic building materials for ground consolidation; Non-metallic building materials for slating; Non-metallic building materials for use in cavity walls; Non-metallic building materials in sheet form; Non-metallic building materials in strip form; Non-metallic building materials in the form of foils; Non-metallic building materials in the form of tapes; Non-metallic building materials with soundproofing qualities; Non-metallic cladding for buildings; Non-metallic fireproof panels for use in building; Non-metallic panels for building; Non-metallic profiled slabs for use in building; Non-metallic profiles for building construction; Non-metallic reinforcement strips for use in building panels; Non-metallic rigid pipes for building; Non-metallic waterproofing boards for building; Offices [non-metallic buildings]; Planar panels made of fibre-reinforced wood for building; Plaster compositions for use in building for filling cracks; Prefabricated non-metal buildings; Prefabricated non-metallic building constructions; Preformed building panels made of foamed plastics; Rapid hardening plaster for building purposes; Ready to use cement for building purposes; Reinforcing materials, not of metal, for building; Rendering compositions for use in building; Rigid sponge for use in building; Rock crystal for use as building materials; Roofing compounds [building materials]; Rubber bearings for seismic isolation of buildings; Security doors, not of metal, for buildings; Self adhesive fabric for use in building; Single layer coated

safety glass for glazing buildings; Single layer coloured safety glass for glazing buildings; Skylights [windows] of non-metallic materials for use in buildings; Straw bricks for building; Transparent plastic panels for building construction purposes; Transportable buildings of timber; Wood for use in building; Amphibole for use as building materials; Armour-plating, not of metal, for building; Articles of cement for building purposes; Articles of wood for building purposes; Bamboo [building material]; Boards made of plastic materials for use in building; Building boards made from wood and waterproof resins; Building frameworks, not of metal; Building materials of concrete reinforced with plastics and glass fibres; Building materials of plastic material; Building stone; Coatings being inorganic building materials; Concrete walls for building; Decorative glass for building; Doors made of plastic for buildings; Fire-resistant glass for building; Foam glass for use in building; Glass for windows in buildings; Glass screens for building; Marquees [building structures], not of metal and not of textile; Modular portable building structures, not of metal; Multilayer safety glass for glazing buildings; Non-metallic building materials for floors; Non-metallic building materials having thermal insulation properties; Non-metallic building materials in the form of beams; Non-metallic building materials in the form of blocks; Non-metallic building materials in the form of boards; Non-metallic building products; Non-metallic building structures; Non-metallic casings for use in building or construction; Non-metallic coating materials [building materials]; Non-metallic composite sheets for building purposes; Non-metallic curved translucent sheeting for building purposes; Non-metallic frames for building; Non-metallic laminated building panels; Non-metallic livestock buildings; Non-metallic materials for building purposes; Non-metallic modular building units; Non-metallic portable buildings; Non-metallic preformed building panels; Non-metallic relocatable buildings incorporating sanitary installations; Oak framed buildings; Plaster [for building purposes]; Plastics in film form for building purposes; Plastics in sheet form for building purposes; Plates of plastics for building purposes; Prefabricated relocatable buildings [non-metallic] constructed in modular units; Protective surface [building materials]; Security glass

for use in building; Sheets of polypropylene for use in building; Smart glass for building; Stone veneers [building materials]; Strawboard [building materials]; Timber products for use in building; Waxed paper for use in building; Wood for building; Anti-reflection glass for building; Building elements of stone; Building materials for rendering purposes; Building materials in the nature of slates for tiling; Building materials made from asphalt; Building materials made of plaster; Building materials of mineral fibres; Building materials with soundproofing qualities, not of metal; Building panels, not of metal; Cement based wall coatings [building materials]; Cementitious building materials; Cementitious patching compounds for building; Colored sheet glass for building; Concrete building panels; Fibre board for use in building; Fixed scaffolding of non-metallic materials for buildings; Glass building bricks; Materials in the nature of renderings for building purposes; Mineral based building materials having insulating properties; Mineral pellets for use in the building industry; Mixtures of bitumen and plastics for building purposes; Modified sheet glass for building; Mortar for building; Mouldings of non-metallic materials for use in building; Non-metal partitions for building; Non-metallic building materials for fire protection; Non-metallic building materials for use in cladding; Non-metallic building materials having sound deadening properties; Non-metallic building materials in the form of panels; Non-metallic building sections; Non-metallic building slabs; Non-metallic composite materials for use in building; Non-metallic domes for buildings; Non-metallic interlocking panels for building; Non-metallic manufactured building elements; Non-metallic materials for use in building construction; Non-metallic monocoque buildings; Non-metallic permanent buildings for horticultural purposes; Non-metallic prefabricated elements for building; Non-metallic roofs for building structures; Non-metallic sectional buildings; Non-metallic sections for use in building; Non-metallic shuttering for use in building; Non-metallic sound absorbing structures for buildings; Non-metallic static buildings; Non-metallic structural frameworks for buildings; Non-metallic transparent doors for buildings; Non-metallic vent pipe terminals for use in building; Non-woven textiles made of synthetic fibers for use in

the building industry; Olivine for building; Particle board for use in building; Paving slabs, not of metal, for building; Planar panels made of concrete for building; Plastic building materials; Plastic sheets provided with adhesion promoters for use in building; Plates being non-metallic building elements; Porches, not of metal, for building; Prefabricated non-metallic buildings; Protective coatings for repelling water [building materials]; Reeds for building; Refractory products in the form of prefabricated structural elements for use in building; Reinforced bituminous coverings for building construction; Sheet glass for use in building; Spacers being building elements made of fibre reinforced cement; Stone for building; Synthetic resin plasters for use in building; Tarred or bituminised felt for building; Transparent plastic panels for building purposes; Wall tiles, not of metal, for building; Wicker for building; Windows made of plastic for buildings; Wooden buildings.

Class 07

Coating machines; plasma etching machines; plasma welding machines; plasma arc torch machines; plasma surface treatment machines; food preparation machines [commercial]; coating machines; plasma cutting equipment; plasma surface treatment machines; plasma spraying equipment; high frequency welding machines; machines for processing objects with process gases.

Class 09

Scientific, surveying, optical, weighing, measuring, signaling and control apparatus and instruments; microwave, radio frequency and plasma generating apparatus and instruments being electromagnetic wave generators for generating microwave, high-frequency and millimeter-wave electromagnetic radiation and plasma for industrial applications; magnetrons; apparatus and instruments for energizing microwave, radio frequency and plasma generating apparatus and instruments and magnetrons; waveguides and waveguide components, in each case in particular for the high-frequency, microwave and millimeter-wave range; apparatus and instruments for generating, transmitting, guiding, converting, focusing and controlling microwaves and high-frequency radiation, and parts of the aforesaid goods, included in this class; amplifiers, antennas, attenuators, couplers, detectors, modulators, demodulators, modems, oscillators, phase shifters, converters, in each case especially for the high frequency, microwave and millimeter wave range; apparatus and instruments for

conducting, switching, converting, storing, regulating and controlling electricity, including signal combiners, frequency detectors, diodes, limiters, transmitters, receivers, transponders, converters, switches, synthesizers, transformers, transformers, converters and integrated circuits, all included in this class; optical waveguides, optical waveguide components; all the aforesaid goods as far as included in this class; microwave couplings; microwave components; microwave ovens for laboratory use; radio frequency switching power supplies.

Class 11

Heating, steam generating, cooking, refrigerating and drying appliances; microwave ovens; microwave ovens, ovens for industrial purposes; microwave ovens for the pharmaceutical, food and beverage industries; disinfecting and sterilizing apparatus for the pharmaceutical, food and beverage industries; disinfecting and sterilizing apparatus for the disinfection and sterilization of containers, instruments and apparatus; apparatus for heating food.

Class 37

Installation, maintenance and repair of scientific, surveying, optical, weighing, measuring, signalling and control apparatus and instruments, and in particular of microwave, high- frequency and plasma generating apparatus and instruments, of microwave apparatus for the pharmaceutical industry and for the food and beverage industry, of plasma surface treatment machines, magnetrons, apparatus and instruments for powering microwave, radio frequency and plasma generating apparatus and instruments, magnetrons, apparatus and instruments for generating, transmitting, conducting, converting, focusing and controlling microwaves and radio frequency radiation, and parts of the foregoing.

Class 40

Treatment and coating of metal surfaces; application of coatings by thermal plasma spraying; application of coatings by physical vapor deposition; application of wear-

resistant coating agents to metal and plastics; application of coatings by vacuum evaporation methods; coating by plasma nitriding.

Class 41

Training in technical and scientific fields; education and training for personnel development; organization and implementation of education and training events, workshops (training) and seminars.

Class 42

Scientific and technological services and research; technological consultancy; technical project designs; design and development of scientific, surveying, optical, weighing, measuring, signalling and control apparatus and instruments, and in particular of microwave, radio- frequency and plasma generating apparatus and instruments, of magnetrons, of apparatus and instruments for supplying power to microwave, radio- frequency and plasma generating apparatus and instruments, of magnetrons, of apparatus and instruments for generating, transmitting, signalling and controlling microwave, radio- frequency and plasma generating apparatus and instruments and of magnetrons, microwave, high- frequency and plasma generating apparatus and instruments and magnetrons, apparatus and instruments for generating, transmitting, conducting, converting, focusing and controlling microwaves and high- frequency radiation, and of parts of the aforementioned goods.
