General Information

1. Trade Marks Journal

This journal is published by the Registry of Trade Marks pursuant to Rule 86A of the Trade Marks Rules. It is published weekly on Fridays, unless otherwise directed by the Registrar.

2. Notice of Opposition

Any person who wishes to oppose any of the marks published may within two months from its publication date file a Notice of Opposition on Form TM11. Reasonable notice should be given to the Applicant beforehand, to provide the Applicant an opportunity to withdraw the application. Failure to give such notice will be taken into account when considering any application by an Opponent for an Order of Costs if the opposition is uncontested by the Applicant.

3. Practice Directions and Circulars

The Registry has ceased our practice of publishing Practice Directions and Circulars in the Trade Marks Journal. Practice Directions and Circulars are available on our website at <https://www.ipos.gov.sg>. If you wish to receive our updates via email, you may subscribe to our mailing list by sending an email to news@ipos.gov.sg and letting us know the subject matter of interest (e.g. Trade Marks).

4. Information Contained in this Journal

The Registry of Trade Marks does not guarantee the accuracy of its publications, data records or advice nor accept any responsibility for errors or omissions or their consequences. Permission to reproduce extracts from this Journal must be obtained from the Registrar of Trade Marks.

Oerlikon AM

Goods and/or Services:

Class 01

Chemicals used in industry and science being powders or dispersions for the generative manufacturing of parts, prototypes, models, profiles and tools, and other types of three-dimensional objects, in particular by laser sintering, laser melting, electron beam sintering and electron beam melting; chemicals, namely coating materials and thin layers of organic and inorganic materials for applying a coating to substrates including metal, glass, ceramic and plastic; organometallic chemical compounds; coating materials [chemicals] (other than paints) of metallic materials, metal alloys and dispersions, and layers and layer sequences made therefrom, in particular surface layers on workpieces, tools and machine parts; ceramic glazings for use in additive manufacturing; foundry sand for use in additive manufacturing; all the aforementioned goods of this class - apart from the fields of thermal spray, mechanical cutting and/or additive and build-up manufacturing which are not subject to any restrictions - not in the following fields: welding, brazing, laser cladding, hardfacing, welding equipment, welding consumables, welding apparel, welding

accessories, welding flux, cutting products.

Class 05

Organic materials for use in additive manufacturing, namely implantable materials for use in guided tissue regeneration; all the aforementioned goods of this class - apart from the fields of thermal spray, mechanical cutting and/or additive and build-up manufacturing which are not subject to any restrictions - not in the following fields: welding, brazing, laser cladding, hardfacing, welding equipment, welding consumables, welding apparel, welding accessories, welding flux, cutting products.

Class 06

Metal powders, metal alloys and dispersions mainly of metals, metal mixtures [metal predominant], metal alloys and mixtures of metals [metal predominant] or metal alloys, all for the additive manufacturing of parts, prototypes, models, profiles and tools, and other types of three-dimensional objects, in particular by laser sintering, laser melting, electron beam sintering and electron beam melting; metals in powder form for use in coating applications, namely pure metal powder for coating, alloyed metal powder for coating; metal powders for 3D printers; metals for additive manufacturing; all the aforementioned goods of this class - apart from the fields of thermal spray, mechanical cutting and/or additive and build-up manufacturing which are not subject to any restrictions - not in the following fields: welding, brazing, laser cladding, hardfacing, welding equipment, welding consumables, welding apparel, welding accessories, welding flux, cutting products.

Class 07

3D printers; machines, machine parts and spark plug ignition wires for additive manufacturing, in particular by means of VAT polymerisation, material jetting, 3D printing, material extrusion, powder bed fusion (including, but not limited to laser sintering, laser melting, electron beam sintering, thermal sintering and electron beam melting), sheet lamination and directed energy deposition (DED); all the

aforementioned goods of this class - apart from the fields of thermal spray, mechanical cutting and/or additive and build-up manufacturing which are not subject to any restrictions - not in the following fields: welding, brazing, laser cladding, hardfacing, welding equipment, welding consumables, welding apparel, welding accessories, welding flux, cutting products.

Class 17

Photopolymer resins [semi-worked] for additive manufacturing; plastics for additive manufacturing; semi-worked thermoplastics for additive manufacturing; thermosetting plastics [semi-processed] for additive manufacturing; all the aforementioned goods of this class - apart from the fields of thermal spray, mechanical cutting and/or additive and build-up manufacturing which are not subject to any restrictions - not in the following fields: welding, brazing, laser cladding, hardfacing, welding equipment, welding consumables, welding apparel, welding accessories, welding flux, cutting products.

Class 40

Custom manufacturing and production of 3D printed objects; material processing, namely by 3D printing; rental of 3D printers; custom additive manufacturing of parts, workpieces, prototypes, models, profiles, tools and other types of three-dimensional objects from powders, wires and dispersions, especially by VAT polymerisation, material jetting, 3D printing, material extrusion, powder bed fusion (including, but not limited to, laser sintering, laser melting, electron beam sintering, thermal sintering and electron beam melting), sheet lamination and DED (directed energy deposition); processing of materials and custom additive manufacturing, especially via VAT polymerisation, material jetting, 3D printing, material extrusion, powder bed fusion (including, but not limited to laser sintering, laser melting, electron beam sintering, thermal sintering and electron beam melting), sheet lamination and directed energy deposition (DED); coating workpieces, manufactured parts, material webs, tools and

machine parts of metal, ceramic, plastic, fibre-reinforced plastics, in particular applying layers of metallic materials, ceramic materials, plastic and composite materials of two or more thereof; custom manufacturing and processing of parts, prototypes, models, profiles and tools and other types of three-dimensional objects by generative manufacturing; custom manufacturing of powders for the generative manufacturing of three-dimensional objects, in particular by laser sintering, laser melting, electron beam sintering or electron beam melting; application of functional protective layers on workpieces, finished parts, material webs, tools and machine parts, including pre- and post-treatment processes; all the aforementioned services of this class - apart from the fields of thermal spray, mechanical cutting and/or additive and build-up manufacturing which are not subject to any restrictions - not in the following fields: welding, brazing, laser cladding, hardfacing, welding equipment, welding consumables, welding apparel, welding accessories, welding flux, cutting products.

AIRS

Goods and/or Services:

Class 12

Vehicles; apparatus for locomotion by land, air or water; autonomous vehicles; autonomous cars; autonomous motor vehicles; autonomous electric vehicles; autonomous trucks; autonomous electric shuttles; autonomous trolleys; electric trolleys; personal autonomous electric vehicles; autonomous hydrogen-powered vehicles; autonomous hydrogen-powered trucks; autonomous hydrogen-powered buses; autonomous moving platforms [vehicles] for transporting people, goods and machinery; autonomous personal vehicles; autonomous vehicles for use as goods carriers; autonomous vehicles for use as people carriers; parts and fittings for all of the aforesaid.

Class 39

Transport; travel arrangement; transportation and delivery services by autonomous vehicles; providing autonomous vehicle booking services; transportation of passengers by autonomous vehicles; delivery of goods by autonomous vehicles; autonomous vehicle rental services; transportation of luggage by autonomous vehicles; scheduling of autonomous vehicles to optimize transport and travel; travel planning based on environmental and traffic data; providing location information; information, advisory and consultancy services relating to all of the aforesaid.

Class 42

Scientific and technological services and research and design relating thereto; design and development of computer hardware and software; design and development of computer hardware and software; software as a service (SaaS) services; platform as a service (PaaS) services; computer system design and development; computer software services; providing online non-downloadable software; providing online non-downloadable software for battery and fuel management in autonomous vehicles; providing online non-downloadable software for vehicle theft protection; providing online non-downloadable software for navigation; autonomous vehicle design and development services; autonomous vehicle testing, weighing and inspection services; safety technology services relating to autonomous vehicles; remote monitoring of computer systems relating to passenger vehicles, fleet maintenance and repair, passenger interaction, payment verification, vehicle software testing and validation, data collection of a driveable environment, and 3D map generation for vehicles, all for use in relation to autonomous vehicle fleets; remote product or process monitoring for quality assurance or control of passenger vehicles, fleet maintenance and repair, passenger interaction, payment verification, vehicle software testing and validation, data collection of a driveable environment, and 3D map generation for vehicles, all for use in relation to autonomous vehicle fleets; providing online non-downloadable software for operation, control, monitoring and processing data of autonomous vehicles; providing online non-downloadable software for monitoring, controlling and operating autonomous vehicles; providing online non-downloadable software for the connection to computer networks of autonomous vehicles and for data analytics regarding the operation of autonomous vehicles; providing online non-downloadable software services for transportation services relating to coordinating, booking, and dispatching autonomous vehicles; research and development relating to autonomous vehicles; providing online non-downloadable software for scheduling and coordinating autonomous vehicle transportation services, via a website; software as a service (SaaS) services featuring software for managing, dispatching, navigating,

controlling, notifying riders, and scheduling fleets of autonomous vehicles; providing non-downloadable software and software platforms for advertising, business management, organization and administration, vehicle fleet (business management of a -) [for others], business analysis and information services, and market research in relation to autonomous vehicles, fleet management services in the nature of tracking and optimization of fleet vehicles for commercial purposes, business advisory services in the field of optimization of upstream logistics and supply chains, business advisory and consulting services in the field of operation and management of autonomous vehicles, data management, data processing, database management, data entry and data processing, business data analysis, compilation of data, automated data processing, data collection services, systematization of data in computer databases, collating of data in computer databases; providing non-downloadable software and software platforms for arranging installation and repair services, vehicle and autonomous vehicle maintenance, repair, servicing, polishing, cleaning, washing and tuning services, vehicle and autonomous vehicle fuelling services, vehicle and autonomous vehicle battery charging, vehicle and autonomous vehicle breakdown assistance, installation of electric and electronic equipment in automobiles, retrofitting of computer hardware, sensors and equipment to vehicles, installation of satellite poles; providing non-downloadable software and software platforms for providing telecommunications services, transmission of sound, picture and data signals, transmission of voice data, images, signals and messages in the field of vehicle diagnostic information, maintenance reminders, traffic status, and directional guidance information to emergency personnel and vehicle operators, electronic transmission of signals for a global satellite navigation system, transmission of telemetry, sounds, images, signals and data for autonomous vehicles, audio, video, telemetry, signal and data broadcasting from autonomous vehicles, transmission of data relating to environmental analytics; providing non-downloadable software and software platforms for travel arrangement, booking, monitoring and managing transportation and delivery services by autonomous vehicles, providing

autonomous vehicle booking services, booking, monitoring and managing transportation of passengers by autonomous vehicles, booking, monitoring and managing delivery of goods by autonomous vehicles, booking, monitoring and managing autonomous vehicle rental services, booking, monitoring and managing transportation of luggage by autonomous vehicles, autonomous vehicle fleet management, scheduling and optimising transport and travel by autonomous vehicles, travel planning based on environmental and traffic data, providing location information; providing non-downloadable software and software platforms for the management of connected environments; providing non-downloadable software and software platforms for vehicle to everything communication; providing non-downloadable software and software platforms for management of vehicle to everything communication systems; information, advisory and consultancy services relating to all of the aforesaid.

Goods and/or Services:

Class 09

Computer programs; computer programs for processing of financial payments involving enabling card verification and authorisation, fraud checking, and secure transfer of money for merchant accounts; computer hardware and software

comprising a digital wallet that stores customer account information; apparatus for payment with magnetically encoded cards; Electronic apparatus for payment with magnetic memory cards; Electronic apparatus for receiving cash payments being credit cards, debit cards, store cards, bank cards, charge cards, gift voucher cards or other payment cards and microchips containing account details; apparatus for receiving cash payments; automatic payment machines; devices incorporating microprocessors for use in fare payments on public transport; machine readable devices for cashless payment systems; magnetic payment cards; payment cards being magnetically encoded; Electronic apparatus that provides read out information for use in the authentication of cashless payment means; Electronic apparatus that provides read out information for use in the identification of cashless payment means; Electronic tariff devices for recording payment; terminals for electronically processing credit card payments; terminals for the electronic payment of charges with credit cards; scientific apparatus and instruments including telecommunications, signalling, checking (supervision), and teaching apparatus; magnetic data carriers, acoustic disks; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment and computers, computers, servers and software for telecommunications, semi-conductors, microprocessors, integrated circuits, computer for micro-programming, software, computer memories, computer peripherals, data processing units and their parts; electronic apparatus and equipment for remote connection to a computer network and/or telecommunications, data processing equipment and computers; electronic data carrier cards, charge cards, bank cards, credit cards, debit cards, stored value cards, payment cards; encoded magnetic card readers, electronic data carrier card readers, electronic encryption units; computer hardware, computer terminals, computer peripheral devices and computer software, electronic apparatus for use in processing financial transactions; computer software relating to the handling of financial transactions such as payments by charge cards, bank cards, credit cards, debit cards, stored value cards and payment cards; computer software applications; electronic

verification apparatus for verifying authenticity of bank cards, credit cards, debit cards, charge cards, stored value and/or payment cards; parts and fittings for the aforesaid goods; electronic publications; downloadable data including publications and software; electronic publications relating to research on financial issues and research into payment transaction data and white papers relating to research and analysis of financial transactions trends.

Class 36

Banking services; online banking services; credit card, debit card, store card, bank card, charge card, gift voucher card, other payment card authorisation services; credit services; payment card services; issuing of payment cards; electronic funds transfer and payment services; processing of transactions made by credit cards, debit cards, store cards, bank cards, charge cards, gift voucher cards, other payment cards and microchips containing account details; Payment transfer services whereby funds are transferred from an individual payment or bank card to another individual payment or bank card and mobile banking and payment services; processing of credit and debit transactions by telecommunication link; issue and redemption of tokens, coupons and vouchers of value; currency exchange services; electronic wallet services (payment services); E-wallet account services, namely the provision of online e-money accounts (e-wallet accounts) and services for consumers and online merchants whereby consumers fund their e-wallet accounts and consumers and online merchants (businesses) send and receive payments and remittances over the Internet; E-money issuance services, namely, issuance of tokens of value in the form of e-money and electronic funds transfer; point of sale payment services; mail payment services; telephone payment services; recurring payment services; Merchant banking services; financial risk management; financial services; insurance; monetary affairs; Financial services in relation to secure handling of online financial transaction data; Financial services for secure transfer of money between banks, their customers and merchant accounts; financial risk management; financial

services being financial analysis and consultation, financial exchange of data between financial institutions and their customers, financial services relating to analysis of payment transaction data; monetary affairs services being cross border multi-currency exchange services; information, advisory and consultancy services related to all the aforesaid services.

Class 38

Advisory and consultancy services, all relating to the transmission and delivery of electronic data for the purposes of electronic funds transfer from points of sale; receipt and/or delivery of messages, documents and other data by electronic transmission; receipt and/or delivery of messages, documents and other data via the Internet; provision of electronic communication links; Communication by email systems of vouchers, voucher codes, gift codes, claim codes, discount offers, promotional offers, coupons and printable vouchers enabling customers to conveniently view and redeem tokens of value by means of the Internet; providing access to computer servers, databases and networks; providing access to the Internet; provision of telecommunications connections and access to the Internet; providing access to telecommunication portals; location-based and personal transmission of information; leasing of access time to databases; information, advisory and consultancy services related to all the aforesaid services.

Class 42

Updating software of electronic data capture and transmission systems for the purposes of electronic funds transfer; Remote monitoring of software that performs electronic data capture and data transmission, for the purposes of facilitating electronic funds transfer; Remote monitoring of software for card readers and electronic apparatus all for handling financial and associated transactions including authorisation and processing of payments made with credit cards, debit cards, store cards, bank cards, charge cards, gift voucher cards, other payment cards and

microchips containing account details; monitoring of electronic apparatus for retrieving information stored on credit cards, debit cards, store cards, bank cards, charge cards, gift voucher cards, other payment cards and microchips containing account details; Updating of software for electronic verification apparatus for verifying authenticity of credit cards, debit cards, store cards, bank cards, charge cards, gift voucher cards, other payment cards and microchips containing account details; design and development of computer hardware and software; software as a service [SAAS] services; platform as a service [PAAS] services; providing temporary use of online non-downloadable software; computer software programming services; providing temporary use of non-downloadable computer software for preparing invoices or for tracking packages over computer networks, intranets and the internet; providing temporary use of non-downloadable computer software broadcasting geographical data received using a global positioning system; computer technology consultancy services; application service provider (ASP) services featuring mobile phone and wireless handheld computer applications software for use in enabling users to make electronic payments and to receive, redeem, and manage electronic receipts and electronic coupons; lease, hire and rental of computer equipment, hardware, software and programs; Data encryption services; information, advisory and consultancy services related to all the aforesaid services.

Class 45

Identity theft and fraud prevention services; identity theft and fraud prevention services relating to processing of financial payments made by bank cards, credit cards, debit cards, charge cards, gift voucher cards, store cards, stored value payment cards and other cards containing microchips with bank account details in multiple currencies for merchant accounts including card authorisation, verification and fraud screening; information, advisory and consultancy services related to all the aforesaid services.

VALCONI

Goods and/or Services:

Class 03

Non-medicated cosmetic products and personal care and beauty products, in particular, skin care lotions, after-shave balms, soaps, preparations for use in the

bath or shower, gels for cosmetic use, make-up preparations; lipsticks and lipstick cases, cosmetic pencils, mascara, eyebrow cosmetics, cosmetic powders, eye palettes, eyeliners, nail polish, sun lotions; perfumes, eau de parfum, eau de Cologne, body deodorants; essential oils; shoe polish, shoe cream, shoe wax, shoe cleaning kits, namely, shoe polish, shoe cream, shoe wax; preparations for cleaning leather; fragrances; perfuming sachets; reed diffusers.

Class 09

Downloadable virtual goods (particularly NFTs), namely, computer programs for online use and for use in online virtual worlds on the theme of clothing, shoes, headgear, spectacles, cosmetics and means for body and beauty care, perfumery, jewels, bags, handbags, sports bags, backpacks, electronics, art, musical instruments; digital trading cards; electronic microphones for musical instruments; record turntables; audio and video mixers; sound mixers with integrated amplifiers; digital controllers for musical instruments in the nature of audio interfaces; loudspeakers; microphones; microphone holders; microphone mixers; microphone housings; amplifiers for musical instruments; computer software for creating and editing music and sound; computer software for composing music; electric and electronic effect units for musical instruments; downloadable digital music; prerecorded audio tapes and compact discs featuring music; headsets, augmented reality (AR) headsets, virtual reality (VR) headsets; cases for smartphones, cellular telephones, tablet computers and laptop computers; cases for headsets, straps for headsets; mouse pads; electric and electronic instruments and apparatus; apparatus for recording, transmission or reproduction of sounds or images; audio equipment; audio mixing equipment; power amplifiers; graphic equalizers; parts and fittings for all the above-mentioned goods; Sunglasses and eyeglasses; cases for sunglasses and eyeglasses; magnetic tapes, chains for sunglasses, cords for sunglasses and eyeglasses; frames for sunglasses and eyeglasses; optical lenses for sunglasses; containers for contact lenses; haptic jackets, other than for medical purposes and

data gloves incorporating haptic sensors; software for issuing cryptocurrency, blockchain assets, digital tokens, cryptographic tokens and utility tokens; software for use in creating, mining cryptocurrency, digital and blockchain assets, digital tokens, cryptographic tokens and utility tokens; software for sending, receiving, accepting, storing, transferring and transmitting cryptocurrency, digital and blockchain assets, digital tokens, cryptographic tokens and utility tokens between parties; software for buying and selling products by users using cryptocurrency, digital and blockchain assets, digital tokens, cryptographic tokens and utility tokens; safety headwear; helmets.

Class 14

Precious metals and their alloys; jewels, precious and semi-precious stones; clocks and watches; necklaces (jewelry); rings (jewelry); earrings; pendants (jewelry); bracelets (jewelry); wristwatches; key rings; watches; cuff links, tie pins, ornamental pins, key rings, clasps for jewelry; works of art, figurines and statuettes coated with precious metals; cases for watches.

Class 15

Musical instruments; music stands and stands for musical instruments; music synthesizers.

Class 18

Leather and artificial leather; animal leathers and skins; luggage and carrying bags, particularly suitcases, wheeled suitcases, backpacks, handbags, empty cosmetic bags, messenger bags, belt bags, bag straps, luggage tags, pouches, key cases, wallets, wallets with card compartments, briefcases, briefcase-type portfolios for documents (leatherware).

Class 20

Furniture, including beds, sofas, bookcases, shelves, tables, desks, wardrobes,

cupboards, furniture for television, video and electronic apparatus, drawers for furniture, closets, chairs, buffets, outdoor furniture, office furniture, armchairs, easy chairs, furniture for storing toys, clothes stands, shoe racks, shoe cabinets, kitchen cupboards, wall shelves, hanging closet organizers, drawer organizers, knobs, handles, bathroom fittings, bathroom stools, perfume stands [display stands]; bedding except linen; mirrors; picture frames; works of art made of bone, ivory, plaster, plastic, resin, wax or wood; statuettes and figurines made of bone, ivory, plaster, plastic, resin, wax or wood; boxes and containers for storage and shipping, not of metal; baskets, not of metal; pedestals for flower pots; garment covers [storage]; non-metallic trays.

Class 21

Candle holders, candlesticks, candelabra; vases; household or kitchen utensils and containers; bowls; bottles; trays for household use; boxes for paper handkerchiefs; aromatic oil diffusers, other than reed diffusers; trivets; coasters, not of paper or textile, for glasses; flower pots.

Class 24

Textiles and substitutes thereof; bed linen; bed covers; duvet covers; bed blankets; bed sheets; eiderdowns (down coverlets); pillow covers, pillow cases; mattress covers, ticks [mattress covers]; eiderdowns [quilts]; fitted sheets; wash cloths of textile; serviettes of textile; handkerchiefs of textile; place mats of textile; place mats of plastic being a textile substitute; table linen, other than made of paper; table cloths, other than of paper; table runners; tablemats of textile; tablemats of plastic being a textile substitute; coasters made of textile material; glass cloths [towels]; household linen; bath linen with the exception of clothing; cotton fabrics; brocades; buckram; pennants of textile materials or plastic materials; calico; damask (fabric); fabrics of imitation animal skins; fabrics for footwear; fabrics for textile use; linen cloths; tick [linen]; loose covers for furniture; furniture coverings of textile or plastic materials;

covers for cushions; curtains of textile or plastic materials; door curtains; shower curtains of textile or plastic; traveling rugs [lap robes]; wall hangings of textile materials.

Class 25

Clothing, particularly sweaters, shirts, jackets, dresses, shorts, socks, ties, tops, coats, furs (clothing), suits, suspenders, underwear, girdles, corsets, vests, overalls, t-shirts, skirts, leggings, tights, trousers, gloves, belts, leather belts, dressing gowns, bathing suits, beach clothes; shoes, including sneakers, loafers, trekking shoes, running shoes, sandals, hiking boots and shoes, flat shoes, heeled shoes; tops, platform shoes, slippers; shoe straps, inner soles; long scarves; hats, caps, headbands, caps with visors, turbans.

Class 35

Online retail services for recorded music and movies; advertising; company management; company administration; office functions.

Class 36

Cryptocurrency services, namely, providing a digital token intended for use by members of an online community on a global computer network; cryptocurrency services, namely, providing, managing and transferring digital tokens containing cryptographic prototypes used to execute and create applications and blockchains on a decentralized computing platform and as a method of payment for goods and services; issuing of tokens of value.

Class 41

Game services provided on-line; game services provided online from a computer network; musical composition; recording of music; musical entertainment services; provision of non-downloadable electronic publications on line in the field of music; presentation of musical performances; music production; music publishing.

Class 42

Designing and developing computer software, video game and computer software, downloadable digital files authenticated by non-fungible tokens (NFTs) and software that can virtually represent products; creation and maintenance of websites so that registered users can form virtual communities and participate in social networking services in the field of blockchain technology; authentication of data by means of blockchain technology.

CobiotX

Goods and/or Services:

Class 07

Industrial robots, machine robots; industrial robots for use in engineering works,
service robots for assisting humans with household tasks; service robots for
conveying; assistance robots for conveying; robotic arms for industrial use; robots for

machine tools; electromechanical drive devices for moving robots; robots for industrial use; handling machines; cleaning robots; robotic loading devices; robotic mechanisms for conveying; robotic mechanisms for conveying; modular systems comprised of industrial robots being robotic pallet transporters; pneumatic controls for industrial robots; driving devices for industrial robots; mechanical control apparatus for industrial robots, namely, pneumatic controls for robots; motion control mechanisms for industrial robots, namely, control mechanisms for electric motors; industrial robots; robotic arms for industrial purposes; industrial robots to be used as machine tools; control mechanisms for robotic machines; robotic loading machines; automatic handling machines, namely, automatic pallet distributors; handling machines, automatic [manipulators]; handling apparatus in the nature of loading and unloading machines.

Class 09

Laboratory robots, telepresence robots, surveillance and security robots, educational and teaching robots, humanoid cognitive robots with artificial intelligence capable of normal conversation and teaching skills for assisting children with special learning needs; humanoid and non-humanoid robots with artificial intelligence for use in scientific research; robots with a system for navigation and positioning detection in space; navigation software; electronic navigation systems; robot-integrated navigation devices; navigation apparatus and instruments; computers; computer terminals; data processing apparatus; interfaces for computers; computer peripheral devices; computer peripheral apparatus; data processing equipment; voice recognition systems consisting of computer chips, computer hardware and software; pattern recognition systems consisting of computer chips, hardware and software; computer programs for connecting to remote computers and computer networks; computer programs for searching remotely for content on computers and computer networks; computer programs for connecting remotely to computers or computer networks; software for synchronizing data between hand-held or portable computers

and host computers; computer game software for transmitting data to and from a central processing unit; downloadable software application for smart phones for smart home navigation and traffic control software; downloadable application software for smart phones for communicating with robots; downloadable computer application software for cellular phones for controlling robots; downloadable computer application software for digital or electronic tablets for controlling robots; downloadable computer application software for mobile phones for controlling robots; downloadable computer software applications for controlling robots; downloadable application software for controlling robots; downloadable computer software for controlling robots; downloadable computer software programs for controlling robots; computer software, recorded, for controlling robots; recorded intelligence application software program for recorded wireless terminal for controlling robots; artificial intelligence and machine learning software; interactive software based on artificial intelligence; electric batteries; control apparatus, namely, apparatus for the remote control of a robot; memory cards; digital electronic controllers for controlling robots; electronic control systems for machines; remote control apparatus for operating mechanical robots; computers and calculators using an artificial intelligence program; computer programs for operating a robot, computer programs for voice command and recognition; computer programs for speech-to-text conversion; interactive computer programs for voice commands; voice software applications; computer programs for wireless communication for voice, audio, video and data transmission; computer programs for synchronizing data between computers and robots; computer programs for connecting and controlling connected electronic apparatus; computer programs for connecting, operating, integrating, controlling and managing robots; application programming interfaces, namely, software facilitating the development of voice service delivery tools and personal assistants related to robots; peripheral apparatus for computers, in particular peripherals adapted for use with computers and other smart devices associated with a robot; electronic apparatus and instruments for receiving, sending and processing sound and images; microphones

for receiving, sending and processing sound and images; communications equipment; headsets, in particular wireless, virtual reality headsets, augmented reality headsets; all these goods for operating robots.

Class 12

Vehicles, autonomous vehicles, refrigerated vehicles; electric vehicles, other than toys; autonomous robots for delivery; Electric vehicles, electrically powered motor vehicles; trailer hitches for electric vehicles; remote control vehicles, other than toys; robotic cars; automated guided vehicles; trolleys, carts (mobile trolleys); shopping trolleys, goods handling carts, lift trucks; motorized delivery carts.

Class 28

Toys, robots (toys); electronic toys; electronic action games; electronic learning games; humanoid robots being toys; entertainment robots, leisure robots, namely, toys; apparatus for games other than those adapted for use with an external display screen or monitor; modeled plastic figurines being toys; transformable robots [toys]; radio-controlled robots (toys); smart robots (toys); playing cards.

Class 37

Installing, servicing and repairing robot hardware, namely, robot parts and components; installing, servicing and repairing remote control apparatus; repairing automatic handling machines; servicing automatic handling machines; installing, servicing and repairing electric and electronic apparatus used in the field of automation; repairing or servicing electronic machines and apparatus; installing, servicing and repairing electronic data processing apparatus; repair or maintenance of electric motors; installing, servicing and repairing electric and electronic apparatus and equipment; repairing electrical equipment and electrotechnical installations; installation and repair of electric apparatus; installing, servicing and repairing computer network equipment; information technology [IT] support services [installation, maintenance and repair of computer hardware]; installation,

maintenance and repair of computer hardware; repair of computer hardware; repairing or servicing telecommunication machines and apparatus; repairing and servicing electronic navigational and positioning apparatus and instruments; maintenance and repair of electronic apparatus; repair of electronic apparatus; installing, servicing and repairing electronic control apparatus.

Class 39

Transport services provided to individuals or professionals; transport of merchandise; rental of delivery trolleys; transport; vehicle transport services; vehicle rental, rental of autonomous vehicles; rental of delivery robots; delivery of goods for others, except home or business delivery services for meal trays and ready-made dishes; rental of transport robots; physical storage of electronic text, images, audio clips, video clips and data; providing information and consultancy with respect to the physical storage of text, images, audio clips, video clips and electronic data.

Class 41

Education; training; entertainment; sporting and cultural activities; Education and training services, namely hosting of courses, training workshops and seminars in the field of robots, software, online services, information technology, products relating to music, photography and video products, as well as in the field of consumer electronics; organization of training courses for professionals or the general public; computer training services, in robotics; training concerning the use and operation of robots, software and consumer electronics; entertainment services, namely, providing facilities for live concerts and special events featuring live performances, museum services (presentations, exhibitions); organization and conducting of colloquiums, conferences, conventions and seminars; organization of sports competitions; education and training services in the form of courses and seminars relating to robotic goods and services; teaching services; services for training relating to robots; organization of exhibitions for cultural or educational purposes; online

publication of electronic books and magazines; publication of texts other than advertising texts; leisure services; organization of competitions (education or entertainment); game services provided online from a computer network; publishing educational games; coaching for users of robots; language interpreter services; know-how transfer for improved collaboration between people and machines (training).

Class 42

Designing and developing robots, vehicles and rolling stock, data processing equipment, computers and computer software; research and development of new products for third parties; robotics engineering; engineering services in the field of robotics or vehicles; technical support services for computer software; computer software services for developing software for machine learning and artificial intelligence machines; application service provider (ASP) services featuring software for machine learning and artificial intelligence; advisory services in the field of software development for machine learning and artificial intelligence; cloud computing featuring software for use in artificial intelligence; computer programming; computer system analysis; designing and developing computer solutions enabling improved collaboration between men and machines; consulting services relating to man-machine interfaces for software.

Class 09

Navigation, guidance, tracking, targeting and map making devices; marine navigation apparatus; navigational instruments; satellite navigation devices; travel and speed measuring systems for ships; integrated bridge systems for ships, namely electric navigational instruments, radar, computer interfaces and electric devices for displaying information; autopilot electronic apparatus for the automatic control of ships; steering apparatus for the direction control of ships; steering apparatus for ships; compass systems for navigation of ships; navigation compasses; compasses; magnetic compasses; gyrocompasses; GPS compasses; electronic nautical chart systems; engine room electronic monitoring apparatus for ships; automation systems for marine applications; computer hardware for the processing of positioning data; radar systems; radar systems for monitoring coastal areas; radar displays; display

devices; antennas; electronic control units; computer networking and data communications equipment; electronic data processing equipment; data networks; network controlling apparatus; computer interface apparatus; interface cards for data processing apparatus; software; computer software for the processing of positioning data; operation workstations [computer hardware] for bridges of ships; computer hardware modules for use with the internet of things [IoT]; internet of things [IoT] gateways; internet of things [IoT] sensors; internet of things [IoT] devices for gathering information for nautical steering systems and nautical bridge systems; computer application software for use in implementing the internet of things [IoT].

Class 37

Cleaning; installation, repair and maintenance of navigation devices, guidance devices, tracking devices, targeting devices, map making devices, integrated bridge systems for ships, compass systems for navigation of ships, electronic nautical chart systems, engine room monitoring systems for ships, automation systems for marine applications, computer hardware, radar systems, display devices, antennas, electronic control units, electronic data processing equipment, data networks, computer interface apparatus; maintenance of nautical steering systems and nautical bridge systems via remote monitoring systems.

Class 42

Engineering project management services; technical planning and technical project management; technical planning and technical project management in the field of navigation systems, compass systems, speed measuring systems, integrated bridge systems, autopilot systems, radar systems, nautical steering systems, electronic nautical chart systems, engine room monitoring systems, automation systems, all for new construction, maintenance and conversion of ships; Software development, programming and implementation; maintenance of data processing software; remote maintenance of data processing software.

systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use online and in online virtual worlds; downloadable computer software for interactive virtual worlds for use via a global computer network and through various wireless networks and electronic devices; downloadable software for accessing and streaming multimedia entertainment content; downloadable software for providing access to an online virtual environment; digital media, namely, digital art, in particular, animations, works of art, pictures, statues, figurines, ornaments, decorations, photographs, films and film extracts, authenticated by non-fungible tokens or other digital tokens; software for data storage and content access limitation authenticated by digital tokens used with blockchain technology; downloadable computer software and electronic programs featuring blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer software and electronic programs for the creation and the provision of blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer software and electronic programs for the certification of blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, animal furs, blankets, carpets, rugs and mats, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically

trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, goods made of textiles and fibers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, mats and carpets, textile goods, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, luggage, bags, wallets and other carriers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, clothing, footwear, headwear, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, glasses, sunglasses and contact lenses including for access and use in online environments, virtual online environments, extended reality virtual

environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, jewelry, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, key rings and key chains and charms therefor, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical smartwatches, sporting articles and equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, tableware, cookware and containers, including for access and use in online environments, virtual online environments,

extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, paper and plastic boxes, paper products, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, stationery, writing implements, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, body cleaning and beauty care preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, cleaning and fragrancings preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, household utensils for

cleaning, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, material treatment, room fragrances, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, skin, eye and nail care preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects, on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, intellectual property assets, including for access and use

in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, engines, powertrains, and machine parts, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, controls for the operation of machines and engines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, controls for the operation of machines and engines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer

programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, computer accessories, digital projectors, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, display devices, television receivers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, point-to-point communication equipment including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable

computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, articles for use with tobacco, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, chocolates, candies, drinks (non-alcoholic), including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, cases for mobile phones, tins of metal, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, toys, games, playthings and novelties, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, art, trading cards, umbrellas and parasols, including for access and use in online environments, virtual

online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio/visual and photographic devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio devices, film and video devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, covers for vehicles, fragrances for automobiles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, heaters for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, land vehicles and their parts and accessories and conveyances, including for access and use in online environments,

virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, land vehicles and their parts and accessories and conveyances, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting apparatus for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, parts and fittings for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, seat covers for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle HVAC systems, including for access and use in online environments, virtual

online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle parking and storage, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle seats for children, vehicle tyres, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicles wheels and rims, vehicles and bicycles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, heating, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, ventilating and air conditioning and purification equipment, including for access and use in online environments, virtual online

environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, ventilating and air conditioning and purification equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting and lighting reflectors, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, navigation devices, optical devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, enhancers and correctors, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, safety, security, protection and signaling devices, including for access and use in online environments, virtual online environments, extended reality virtual

environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, safety, security, protection and signaling devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, hand operated tools and implements, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lifting tools, moving and handling equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, protective and safety equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, refrigerating and freezing equipment, including for access and use in online environments, virtual

online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, avatars, digital overlays, skins, including for access and use in online environments, virtual online environments, extended reality virtual environments; computer software platforms for downloading software, data and image files from the internet; downloadable mobile applications for providing access to crypto-collectibles, crypto-art and application tokens; downloadable software for processing digital images, graphics and text; downloadable software for engaging in social networking and interacting with online communities; downloadable virtual goods, namely, computer programs featuring non-fungible digital asset tokens used

with blockchain technology to represent a collectible item for use online and in online virtual worlds, online virtual environments, and extended reality virtual environments; downloadable digital collectibles, namely, audio recordings, video recordings, image files, music, and multimedia files containing artwork, text, audio, images, or video featuring collectible items authenticated by non-fungible tokens (NFTs); downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music,

multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, audio/visual and photographic devices, audio devices, film and video devices, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking

and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments on a blockchain.

Class 35

Retail store services and providing marketplace services in relation to virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use online; retail store services and providing marketplace services in relation to virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use online; retail store services and providing marketplace services in relation to virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of

machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use online; retail store services and providing marketplace services in relation to virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use online; retail store services and providing marketplace services in relation to virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use online; retail store services and providing marketplace services in relation to virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use online; retail store services and providing marketplace services featuring virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material

treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use in online virtual worlds; online retail store services and providing marketplace services in relation to virtual merchandise, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and

charms therefor, smartwatches, sporting articles and equipment; online retail store services and providing marketplace services in relation to virtual merchandise, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; online retail store services and providing marketplace services in relation to virtual merchandise, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; online retail store services and providing marketplace services in relation to virtual merchandise, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; online retail store services and providing marketplace services in relation to virtual merchandise, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles; online retail store services and providing marketplace services in relation to virtual merchandise, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; online retail

store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, cleaning and fragrancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; online retail store services and providing

marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio/visual and photographic devices, audio devices, film and video devices; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and

non-fungible tokens on a blockchain network featuring or linking to digital or physical digital animated and non-animated designs and characters, avatars, digital overlays, skins; administration of membership services and customer loyalty programs that include access to events, programs, and access to digital or physical products; providing incentive award programs for customers and members; provision of an online marketplace for buyers and sellers of downloadable digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, vehicles, vehicle wheels, bicycles, art, toys, accessories and trading cards authenticated by non-fungible tokens (NFTs); online marketplace services, namely, providing a marketplace for buyers and sellers of digital currency assets including non-fungible tokens (NFTs).

Class 36

Financial services; financial services, namely, providing a digital currency or digital token of value; financial services, namely, providing a digital currency or digital token of value for use by members of an online community via a global computer network; issuance of tokens of value; facilitation of financial transactions using unconventional currency systems and bartering, namely, facilitating transfers of electronic cash equivalents; facilitation of crypto-currency transactions, namely, virtual currency exchange transaction services for transferrable electronic cash equivalent units having a specified cash value; financial services, namely, providing electronic transfer of a digital currency for use by members of an online community via a global computer network; cryptocurrency trading services; digital currency exchange services; financial services, namely, providing liquidity services in connection with digital currencies and assets, cryptocurrencies, virtual currency and blockchain-based assets; payment processing; financial transaction services.

Class 41

Entertainment services in the nature of online computer games which include non-

downloadable publications featuring virtual animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, virtual art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims,

virtual vehicles and bicycles for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual digital animated and non-animated designs and characters, avatars, digital overlays, skins, for use in virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, animal furs, blankets, carpets, rugs and mats, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, goods made of textiles and fibers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, mats and carpets, textile goods, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, luggage, bags, wallets and other carriers, for access and use in online environments, virtual online

environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, clothing, footwear, headwear, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, glasses, sunglasses and contact lenses for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, jewelry, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, key rings and key chains and charms therefor, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, smartwatches, sporting articles and equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings, for access and use in online

environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, tableware, cookware and containers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, paper and plastic boxes, paper products, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, stationery, writing implements, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, body cleaning and beauty care preparations, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, cleaning and fragancing preparations, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, household utensils for

cleaning, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, material treatment, room fragrances, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, skin, eye and nail care preparations, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, intellectual property assets, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with

non-fungible tokens on a blockchain network featuring or linking to digital or physical, engines, powertrains, and machine parts, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, controls for the operation of machines and engines, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, computer accessories, digital projectors, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, display devices, television receivers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, point-to-point communication equipment for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual

effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, articles for use with tobacco, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, chocolates, candies, drinks (non-alcoholic), for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, cases for mobile phones, tins of metal, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, toys, games, playthings and novelties, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, art, trading cards, umbrellas and parasols, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio/visual and photographic devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment

services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio devices, film and video devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, covers for vehicles, fragrances for automobiles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, heaters for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, land vehicles and their parts and accessories and conveyances, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting apparatus for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, parts and fittings for vehicles, for access and use in online environments, virtual online environments,

extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, seat covers for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle HVAC systems, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle parking and storage, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle seats for children, vehicle tyres, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicles wheels and rims, vehicles and bicycles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, heating, for access and use in online environments, virtual online environments, extended reality virtual

environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, ventilating and air conditioning and purification equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting and lighting reflectors, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, navigation devices, optical devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, enhancers and correctors, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, safety, security, protection and signaling devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, hand operated tools and implements, for access and use in online environments, virtual online

environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, lifting tools, moving and handling equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, protective and safety equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, refrigerating and freezing equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, avatars, digital overlays, skins, for access and use in online environments, virtual online environments, extended reality virtual environments; entertainment services, namely, providing online non-downloadable game related to 3D virtual worlds; entertainment services, namely, providing online non-downloadable games related to 3D virtual environments; entertainment services

provided via virtual environments in which users can interact for recreational, leisure or entertainment purposes.

Class 42

Providing online non-downloadable software relating to virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; providing online non-downloadable software relating to virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; providing online non-downloadable software relating to virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; providing online non-downloadable software relating to virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; providing online non-downloadable software relating to virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres,

vehicles wheels and rims, virtual vehicles and bicycles; providing online non-downloadable software relating to virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; providing online non-downloadable software relating to virtual goods, namely, digital art, photographs, videos, or audio recordings, online digital artwork and images, non-fungible tokens or other digital tokens based on blockchain technology; providing non-downloadable computer software for the creation, production and modification of animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of cleaning and fragancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the

creation, production and modification of apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of audio/visual and photographic devices, audio devices, film and video devices, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of heating, ventilating and air conditioning and

purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of digital animated and non-animated designs and characters, avatars, digital overlays and skins for access and use in online environments, virtual online environments, and extended reality virtual environments; software as a service featuring non-downloadable virtual animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; software as a service featuring non-downloadable virtual furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; software as a service featuring non-downloadable virtual apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; software as a service featuring non-downloadable virtual articles for use with tobacco, chocolates, candies, drinks (non-

alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; software as a service featuring non-downloadable virtual covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles; software as a service featuring non-downloadable virtual heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; software as a service featuring non-downloadable virtual digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, and trading cards; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical animal furs, blankets, carpets, rugs and mats; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical goods made of textiles and fibers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical mats and carpets, textile goods; providing non-downloadable

software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical luggage, bags, wallets and other carriers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical clothing, footwear, headwear; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical glasses, sunglasses and contact lenses; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical jewelry; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical key rings and key chains and charms therefor; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical smartwatches, sporting articles and equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects,

virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical tableware, cookware and containers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical paper and plastic boxes, paper products; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical stationery, writing implements; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical body cleaning and beauty care preparations; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical cleaning and fragrancings preparations; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical household

utensils for cleaning; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical material treatment, room fragrances; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical skin, eye and nail care preparations; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical sweeping, cleaning, washing and laundering machines; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical intellectual property assets; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical apparatus and instruments for accumulating and storing electricity; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical engines, powertrains, and machine parts; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting

interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical controls for the operation of machines and engines; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical computer accessories, digital projectors; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical display devices, television receivers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical point-to-point communication equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical articles for use with tobacco; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-

collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical chocolates, candies, drinks (non-alcoholic); providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical cases for mobile phones, tins of metal; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical toys, games, playthings and novelties; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical art, trading cards, umbrellas and parasols; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical audio/visual and photographic devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical audio devices, film and video devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical covers for vehicles,

fragrances for automobiles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical heaters for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical land vehicles and their parts and accessories and conveyances; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical lighting apparatus for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical parts and fittings for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical seat covers for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicle HVAC systems; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography,

music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicle parking and storage; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicle seats for children, vehicle tyres; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicles wheels and rims, vehicles and bicycles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical heating; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical ventilating and air conditioning and purification equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical lighting and lighting reflectors; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical

navigation devices, optical devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical enhancers and correctors; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical safety, security, protection and signaling devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical hand operated tools and implements; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical lifting tools, moving and handling equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical protective and safety equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical refrigerating and freezing equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting

interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, avatars, digital overlays, skins; creation of computer programs featuring blockchain-based virtual goods, digital assets, digital items, digital art and digital collectibles for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for

mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, trading cards for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring collectible goods, images, audio, videos, and digital art for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring

virtual goods, namely clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely articles for use with tobacco, chocolates,

candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely audio/visual and photographic devices, audio devices, film and video devices, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment,

and time instruments, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, trading cards, for use in online virtual worlds; platform as a service (PaaS) featuring computer software platforms for providing access to crypto-collectibles, crypto-art and application tokens; platform as a service services featuring computer software platforms for downloading software, data, and image files from the Internet; platform as a service featuring computer software platforms for downloading software, data, and image files from users in the marketplace of the software owner; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring collectible goods, collectible images, audio, videos and digital art for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely furniture and furnishings, tableware, cookware and containers, paper

and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely audio/visual and photographic devices, audio devices, film and video devices, for use in online virtual worlds; providing an online digital asset platform for digital tokens,

namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, trading cards, for use in online virtual worlds; providing an online digital asset platform to view, store, transmit, send, accept, compile, exchange, swap and track non-fungible tokens, virtual goods, digital assets, digital items, digital art and digital collectibles for

use in online virtual worlds; software as a service (SaaS) and platform as a service (PaaS) featuring software platforms for providing access to non-fungible tokens, virtual goods, digital assets, digital items, digital art and digital collectibles for use in online virtual worlds; software as a service and platform as a service featuring software platforms for downloading non-fungible tokens, virtual goods, digital assets, digital items, digital art and digital collectibles for use in online virtual worlds; authentication in the field of crypto-collectibles and animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; authentication in the field of crypto-collectibles and furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; authentication in the field of crypto-collectibles and apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; authentication in the field of crypto-collectibles and articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; authentication in the field of crypto-collectibles and covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children,

vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles; authentication in the field of crypto-collectibles and heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; providing user authentication services using blockchain-based software technology; providing temporary use of online non-downloadable software programs for product and document authentication and tracking, and brand monitoring and protection, for protecting against counterfeiting, tampering, and diversion, and for ensuring the integrity of genuine products and documents; authentication and certification services of blockchain-based non-fungible tokens for use in online virtual worlds.

Priority Details:

Class Number: All

Priority Date: 19/07/2022

Country/Territory: EUROPEAN UNION INTELLECTUAL PROPERTY OFFICE
(EUIPO)

Priority Application Number: 018734680

Goods and/or Services: All goods and/or services claimed in this class

Applicant/Proprietor Details:

Mercedes-Benz Group AG

MERCEDESSTR. 120

70372 STUTTGART

Agent Details/Address for Service:

Donaldson & Burkinshaw LLP

P.O. BOX 3667

MERCEDES-BENZ

Goods and/or Services:

Class 09

Downloadable virtual goods, namely, computer programs featuring animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for

use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, toys, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use online and in online virtual worlds; downloadable virtual goods, digital assets, digital items, digital art and digital collectibles, namely computer software and electronic programs featuring blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer software relating to virtual goods, digital assets, digital items, digital art and digital collectibles for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles

and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, toys, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety,

security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use online and in online virtual worlds; downloadable computer software for interactive virtual worlds for use via a global computer network and through various wireless networks and electronic devices; downloadable software for accessing and streaming multimedia entertainment content; downloadable software for providing access to an online virtual environment; digital media, namely, digital art, in particular, animations, works of art, pictures, statues, figurines, ornaments, decorations, photographs, films and film extracts, authenticated by non-fungible tokens or other digital tokens; software for data storage and content access limitation authenticated by digital tokens used with blockchain technology; downloadable computer software and electronic programs featuring blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer software and electronic programs for the creation and the provision of blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer software and electronic programs for the certification of blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, animal furs, blankets, carpets, rugs and mats, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, goods made of textiles and fibers, including for access and use in online environments, virtual online environments, extended reality virtual

environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, mats and carpets, textile goods, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, luggage, bags, wallets and other carriers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, clothing, footwear, headwear, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, glasses, sunglasses and contact lenses including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, jewelry, including for access and use in online environments,

virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, key rings and key chains and charms therefor, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical smartwatches, sporting articles and equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, tableware, cookware and containers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, paper and plastic boxes, paper

products, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, stationery, writing implements, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, body cleaning and beauty care preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, cleaning and fragrancings preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, household utensils for cleaning, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a

blockchain network featuring or linking to digital or physical, material treatment, room fragrances, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, skin, eye and nail care preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects, on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, intellectual property assets, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity,

including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, engines, powertrains, and machine parts, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, controls for the operation of machines and engines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, controls for the operation of machines and engines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, computer accessories, digital projectors, including for access and use in online environments, virtual online

environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, display devices, television receivers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, point-to-point communication equipment including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, articles for use with tobacco, including for access and use in online environments, virtual online

environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, chocolates, candies, drinks (non-alcoholic), including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, cases for mobile phones, tins of metal, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, toys, games, playthings and novelties, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, art, trading cards, umbrellas and parasols, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio/visual and

photographic devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio devices, film and video devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, covers for vehicles, fragrances for automobiles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, heaters for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, land vehicles and their parts and accessories and conveyances, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, land vehicles and their parts and accessories and conveyances, including for access

and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting apparatus for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, parts and fittings for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, seat covers for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle HVAC systems, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle parking and

storage, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle seats for children, vehicle tyres, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicles wheels and rims, vehicles and bicycles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, heating, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, ventilating and air conditioning and purification equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, ventilating and air conditioning and purification equipment, including for access and

use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting and lighting reflectors, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, navigation devices, optical devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, enhancers and correctors, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, safety, security, protection and signaling devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, safety, security, protection and signaling devices, including for access and use in online environments, virtual online environments,

extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, hand operated tools and implements, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lifting tools, moving and handling equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, protective and safety equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, refrigerating and freezing equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments,

including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, avatars, digital overlays, skins, including for access and use in online environments, virtual online environments, extended reality virtual environments; computer software platforms for downloading software, data and image files from the internet; downloadable mobile applications for providing access to crypto-collectibles, crypto-art and application tokens; downloadable software for processing digital images, graphics and text; downloadable software for engaging in social networking and interacting with online communities; downloadable virtual goods, namely, computer programs featuring non-fungible digital asset tokens used with blockchain technology to represent a collectible item for use online and in online virtual worlds, online virtual environments, and extended reality virtual environments; downloadable digital collectibles, namely, audio recordings, video recordings, image files, music, and multimedia files containing artwork, text, audio, images, or video featuring collectible items authenticated by non-fungible tokens (NFTs);

downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video

recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, audio/visual and photographic devices, audio devices, film and video devices, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, heating, ventilating and air

conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments on a blockchain.

Class 35

Retail store services and providing marketplace services in relation to virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use online; retail store services and providing marketplace services in relation to virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use online; retail store services and providing marketplace services in relation to virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use online; retail store services and providing marketplace services in relation to virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for

mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use online; retail store services and providing marketplace services in relation to virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use online; retail store services and providing marketplace services in relation to virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use online; retail store services and providing marketplace services featuring virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and

engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use in online virtual worlds; online retail store services and providing marketplace services in relation to virtual merchandise, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; online retail store services and providing marketplace services in relation to virtual merchandise, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils

for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; online retail store services and providing marketplace services in relation to virtual merchandise, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; online retail store services and providing marketplace services in relation to virtual merchandise, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; online retail store services and providing marketplace services in relation to virtual merchandise, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles; online retail store services and providing marketplace services in relation to virtual merchandise, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers; online retail store services and providing

marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols; online retail store services and providing marketplace

services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio/visual and photographic devices, audio devices, film and video devices; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical digital animated and non-animated designs and characters, avatars, digital overlays, skins; administration of membership services and customer loyalty programs that include access to events, programs, and access to digital or physical products; providing incentive award programs for customers and members; provision of an

online marketplace for buyers and sellers of downloadable digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, vehicles, vehicle wheels, bicycles, art, toys, accessories and trading cards authenticated by non-fungible tokens (NFTs); online marketplace services, namely, providing a marketplace for buyers and sellers of digital currency assets including non-fungible tokens (NFTs).

Class 36

Financial services; financial services, namely, providing a digital currency or digital token of value; financial services, namely, providing a digital currency or digital token of value for use by members of an online community via a global computer network; issuance of tokens of value; facilitation of financial transactions using unconventional currency systems and bartering, namely, facilitating transfers of electronic cash equivalents; facilitation of crypto-currency transactions, namely, virtual currency exchange transaction services for transferrable electronic cash equivalent units having a specified cash value; financial services, namely, providing electronic transfer of a digital currency for use by members of an online community via a global computer network; cryptocurrency trading services; digital currency exchange services; financial services, namely, providing liquidity services in connection with digital currencies and assets, cryptocurrencies, virtual currency and blockchain-based assets; payment processing; financial transaction services.

Class 41

Entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in virtual environments;

entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, virtual art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools

and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual digital animated and non-animated designs and characters, avatars, digital overlays, skins, for use in virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, animal furs, blankets, carpets, rugs and mats, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, goods made of textiles and fibers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, mats and carpets, textile goods, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, luggage, bags, wallets and other carriers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, clothing, footwear, headwear, for access and use in online environments, virtual online environments,

extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, glasses, sunglasses and contact lenses for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, jewelry, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, key rings and key chains and charms therefor, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, smartwatches, sporting articles and equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, tableware, cookware and containers, for access and use in online environments,

virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, paper and plastic boxes, paper products, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, stationery, writing implements, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, body cleaning and beauty care preparations, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, cleaning and fragancing preparations, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, household utensils for cleaning, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, material treatment, room

fragrances, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, skin, eye and nail care preparations, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, intellectual property assets, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, engines, powertrains, and machine parts, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens

on a blockchain network featuring or linking to digital or physical, controls for the operation of machines and engines, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, computer accessories, digital projectors, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, display devices, television receivers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, point-to-point communication equipment for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, articles for use with tobacco, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital

collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, chocolates, candies, drinks (non-alcoholic), for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, cases for mobile phones, tins of metal, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, toys, games, playthings and novelties, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, art, trading cards, umbrellas and parasols, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio/visual and photographic devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio devices, film and video devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment

services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, covers for vehicles, fragrances for automobiles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, heaters for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, land vehicles and their parts and accessories and conveyances, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting apparatus for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, parts and fittings for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, seat covers for vehicles, for access and use in online environments, virtual online environments, extended

reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle HVAC systems, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle parking and storage, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle seats for children, vehicle tyres, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicles wheels and rims, vehicles and bicycles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, heating, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, ventilating and air conditioning and purification equipment, for access and use in online environments, virtual online environments, extended reality

virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting and lighting reflectors, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, navigation devices, optical devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, enhancers and correctors, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, safety, security, protection and signaling devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, hand operated tools and implements, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, lifting tools, moving and handling equipment, for access and use in online environments, virtual online

environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, protective and safety equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, refrigerating and freezing equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, avatars, digital overlays, skins, for access and use in online environments, virtual online environments, extended reality virtual environments; entertainment services, namely, providing online non-downloadable game related to 3D virtual worlds; entertainment services, namely, providing online non-downloadable games related to 3D virtual environments; entertainment services provided via virtual environments in which users can interact for recreational, leisure or entertainment purposes.

Class 42

Providing online non-downloadable software relating to virtual goods, namely, animal

furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; providing online non-downloadable software relating to virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; providing online non-downloadable software relating to virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; providing online non-downloadable software relating to virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; providing online non-downloadable software relating to virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles; providing online non-downloadable software relating to virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and

handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; providing online non-downloadable software relating to virtual goods, namely, digital art, photographs, videos, or audio recordings, online digital artwork and images, non-fungible tokens or other digital tokens based on blockchain technology; providing non-downloadable computer software for the creation, production and modification of animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of cleaning and fragrancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of

computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of audio/visual and photographic devices, audio devices, film and video devices, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of hand operated tools and

implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of digital animated and non-animated designs and characters, avatars, digital overlays and skins for access and use in online environments, virtual online environments, and extended reality virtual environments; software as a service featuring non-downloadable virtual animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; software as a service featuring non-downloadable virtual furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragranting preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; software as a service featuring non-downloadable virtual apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; software as a service featuring non-downloadable virtual articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; software as a service featuring non-downloadable virtual covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for

vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles; software as a service featuring non-downloadable virtual heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; software as a service featuring non-downloadable virtual digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, and trading cards; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical animal furs, blankets, carpets, rugs and mats; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical goods made of textiles and fibers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical mats and carpets, textile goods; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical luggage, bags, wallets and other carriers; providing non-downloadable software for electronically trading,

storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical clothing, footwear, headwear; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical glasses, sunglasses and contact lenses; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical jewelry; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical key rings and key chains and charms therefor; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical smartwatches, sporting articles and equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and

non-fungible tokens on a blockchain network featuring or linking to digital or physical tableware, cookware and containers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical paper and plastic boxes, paper products; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical stationery, writing implements; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical body cleaning and beauty care preparations; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical cleaning and fragrancings preparations; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical household utensils for cleaning; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical material treatment, room fragrances; providing non-downloadable

software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical skin, eye and nail care preparations; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical sweeping, cleaning, washing and laundering machines; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical intellectual property assets; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical apparatus and instruments for accumulating and storing electricity; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical engines, powertrains, and machine parts; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical controls for the operation of machines and engines; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media,

video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical computer accessories, digital projectors; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical display devices, television receivers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical point-to-point communication equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical articles for use with tobacco; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical chocolates, candies, drinks (non-alcoholic); providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible

tokens on a blockchain network featuring or linking to digital or physical cases for mobile phones, tins of metal; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical toys, games, playthings and novelties; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical art, trading cards, umbrellas and parasols; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical audio/visual and photographic devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical audio devices, film and video devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical covers for vehicles, fragrances for automobiles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical heaters for vehicles; providing non-downloadable

software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical land vehicles and their parts and accessories and conveyances; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical lighting apparatus for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical parts and fittings for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical seat covers for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicle HVAC systems; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicle parking and storage; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles,

crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicle seats for children, vehicle tyres; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicles wheels and rims, vehicles and bicycles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical heating; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical ventilating and air conditioning and purification equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical lighting and lighting reflectors; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical navigation devices, optical devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical enhancers and correctors; providing

non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical safety, security, protection and signaling devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical hand operated tools and implements; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical lifting tools, moving and handling equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical protective and safety equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical refrigerating and freezing equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data,

visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, avatars, digital overlays, skins; creation of computer programs featuring blockchain-based virtual goods, digital assets, digital items, digital art and digital collectibles for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and

conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, trading cards for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring collectible goods, images, audio, videos, and digital art for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to

represent collectible items and featuring virtual goods, namely furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods,

namely audio/visual and photographic devices, audio devices, film and video devices, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, trading

cards, for use in online virtual worlds; platform as a service (PaaS) featuring computer software platforms for providing access to crypto-collectibles, crypto-art and application tokens; platform as a service services featuring computer software platforms for downloading software, data, and image files from the Internet; platform as a service featuring computer software platforms for downloading software, data, and image files from users in the marketplace of the software owner; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring collectible goods, collectible images, audio, videos and digital art for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely cleaning and fragancing

preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely audio/visual and photographic devices, audio devices, film and video devices, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, for use in online virtual worlds; providing

an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, trading cards, for use in online virtual worlds; providing an online digital asset platform to view, store, transmit, send, accept, compile, exchange, swap and track non-fungible tokens, virtual goods, digital assets, digital items, digital art and digital collectibles for use in online virtual worlds; software as a service (SaaS) and platform as a service (PaaS) featuring software platforms for providing access to non-fungible tokens, virtual goods, digital assets, digital items, digital art and digital collectibles for use in online virtual worlds; software as a service and platform as a service featuring software platforms for downloading non-fungible tokens, virtual goods, digital assets,

digital items, digital art and digital collectibles for use in online virtual worlds; authentication in the field of crypto-collectibles and animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; authentication in the field of crypto-collectibles and furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; authentication in the field of crypto-collectibles and apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; authentication in the field of crypto-collectibles and articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; authentication in the field of crypto-collectibles and covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles; authentication in the field of crypto-collectibles and heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment,

protective and safety equipment, refrigerating and freezing equipment, and time instruments; providing user authentication services using blockchain-based software technology; providing temporary use of online non-downloadable software programs for product and document authentication and tracking, and brand monitoring and protection, for protecting against counterfeiting, tampering, and diversion, and for ensuring the integrity of genuine products and documents; authentication and certification services of blockchain-based non-fungible tokens for use in online virtual worlds.

Priority Details:

Class Number: All

Priority Date: 19/07/2022

Country/Territory: EUROPEAN UNION INTELLECTUAL PROPERTY OFFICE

Goods and/or Services:

Class 09

Downloadable virtual goods, namely, computer programs featuring animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for

use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, toys, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use online and in online virtual worlds; downloadable virtual goods, digital assets, digital items, digital art and digital collectibles, namely computer software and electronic programs featuring blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer software relating to virtual goods, digital assets, digital items, digital art and digital collectibles for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles

and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, toys, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety,

security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use online and in online virtual worlds; downloadable computer software for interactive virtual worlds for use via a global computer network and through various wireless networks and electronic devices; downloadable software for accessing and streaming multimedia entertainment content; downloadable software for providing access to an online virtual environment; digital media, namely, digital art, in particular, animations, works of art, pictures, statues, figurines, ornaments, decorations, photographs, films and film extracts, authenticated by non-fungible tokens or other digital tokens; software for data storage and content access limitation authenticated by digital tokens used with blockchain technology; downloadable computer software and electronic programs featuring blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer software and electronic programs for the creation and the provision of blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer software and electronic programs for the certification of blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, animal furs, blankets, carpets, rugs and mats, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, goods made of textiles and fibers, including for access and use in online environments, virtual online environments, extended reality virtual

environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, mats and carpets, textile goods, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, luggage, bags, wallets and other carriers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, clothing, footwear, headwear, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, glasses, sunglasses and contact lenses including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, jewelry, including for access and use in online environments,

virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, key rings and key chains and charms therefor, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical smartwatches, sporting articles and equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, tableware, cookware and containers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, paper and plastic boxes, paper

products, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, stationery, writing implements, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, body cleaning and beauty care preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, cleaning and fragrancings preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, household utensils for cleaning, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a

blockchain network featuring or linking to digital or physical, material treatment, room fragrances, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, skin, eye and nail care preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects, on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, intellectual property assets, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity,

including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, engines, powertrains, and machine parts, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, controls for the operation of machines and engines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, controls for the operation of machines and engines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, computer accessories, digital projectors, including for access and use in online environments, virtual online

environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, display devices, television receivers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, point-to-point communication equipment including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, articles for use with tobacco, including for access and use in online environments, virtual online

environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, chocolates, candies, drinks (non-alcoholic), including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, cases for mobile phones, tins of metal, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, toys, games, playthings and novelties, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, art, trading cards, umbrellas and parasols, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio/visual and

photographic devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio devices, film and video devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, covers for vehicles, fragrances for automobiles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, heaters for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, land vehicles and their parts and accessories and conveyances, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, land vehicles and their parts and accessories and conveyances, including for access

and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting apparatus for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, parts and fittings for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, seat covers for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle HVAC systems, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle parking and

storage, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle seats for children, vehicle tyres, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicles wheels and rims, vehicles and bicycles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, heating, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, ventilating and air conditioning and purification equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, ventilating and air conditioning and purification equipment, including for access and

use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting and lighting reflectors, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, navigation devices, optical devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, enhancers and correctors, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, safety, security, protection and signaling devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, safety, security, protection and signaling devices, including for access and use in online environments, virtual online environments,

extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, hand operated tools and implements, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lifting tools, moving and handling equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, protective and safety equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, refrigerating and freezing equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments,

including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, avatars, digital overlays, skins, including for access and use in online environments, virtual online environments, extended reality virtual environments; computer software platforms for downloading software, data and image files from the internet; downloadable mobile applications for providing access to crypto-collectibles, crypto-art and application tokens; downloadable software for processing digital images, graphics and text; downloadable software for engaging in social networking and interacting with online communities; downloadable virtual goods, namely, computer programs featuring non-fungible digital asset tokens used with blockchain technology to represent a collectible item for use online and in online virtual worlds, online virtual environments, and extended reality virtual environments; downloadable digital collectibles, namely, audio recordings, video recordings, image files, music, and multimedia files containing artwork, text, audio, images, or video featuring collectible items authenticated by non-fungible tokens (NFTs);

downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video

recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, audio/visual and photographic devices, audio devices, film and video devices, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, heating, ventilating and air

conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments on a blockchain.

Class 35

Retail store services and providing marketplace services in relation to virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use online; retail store services and providing marketplace services in relation to virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use online; retail store services and providing marketplace services in relation to virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use online; retail store services and providing marketplace services in relation to virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for

mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use online; retail store services and providing marketplace services in relation to virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use online; retail store services and providing marketplace services in relation to virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use online; retail store services and providing marketplace services featuring virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and

engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use in online virtual worlds; online retail store services and providing marketplace services in relation to virtual merchandise, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; online retail store services and providing marketplace services in relation to virtual merchandise, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils

for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; online retail store services and providing marketplace services in relation to virtual merchandise, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; online retail store services and providing marketplace services in relation to virtual merchandise, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; online retail store services and providing marketplace services in relation to virtual merchandise, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles; online retail store services and providing marketplace services in relation to virtual merchandise, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers; online retail store services and providing

marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols; online retail store services and providing marketplace

services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio/visual and photographic devices, audio devices, film and video devices; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical digital animated and non-animated designs and characters, avatars, digital overlays, skins; administration of membership services and customer loyalty programs that include access to events, programs, and access to digital or physical products; providing incentive award programs for customers and members; provision of an

online marketplace for buyers and sellers of downloadable digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, vehicles, vehicle wheels, bicycles, art, toys, accessories and trading cards authenticated by non-fungible tokens (NFTs); online marketplace services, namely, providing a marketplace for buyers and sellers of digital currency assets including non-fungible tokens (NFTs).

Class 36

Financial services; financial services, namely, providing a digital currency or digital token of value; financial services, namely, providing a digital currency or digital token of value for use by members of an online community via a global computer network; issuance of tokens of value; facilitation of financial transactions using unconventional currency systems and bartering, namely, facilitating transfers of electronic cash equivalents; facilitation of crypto-currency transactions, namely, virtual currency exchange transaction services for transferrable electronic cash equivalent units having a specified cash value; financial services, namely, providing electronic transfer of a digital currency for use by members of an online community via a global computer network; cryptocurrency trading services; digital currency exchange services; financial services, namely, providing liquidity services in connection with digital currencies and assets, cryptocurrencies, virtual currency and blockchain-based assets; payment processing; financial transaction services.

Class 41

Entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in virtual environments;

entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, virtual art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools

and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual digital animated and non-animated designs and characters, avatars, digital overlays, skins, for use in virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, animal furs, blankets, carpets, rugs and mats, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, goods made of textiles and fibers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, mats and carpets, textile goods, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, luggage, bags, wallets and other carriers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, clothing, footwear, headwear, for access and use in online environments, virtual online environments,

extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, glasses, sunglasses and contact lenses for access and use in online environments, virtual online environments; extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, jewelry, for access and use in online environments, virtual online environments; extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, key rings and key chains and charms therefor, for access and use in online environments, virtual online environments; extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, smartwatches, sporting articles and equipment, for access and use in online environments, virtual online environments; extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings, for access and use in online environments, virtual online environments; extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, tableware, cookware and containers, for access and use in online environments,

virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, paper and plastic boxes, paper products, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, stationery, writing implements, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, body cleaning and beauty care preparations, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, cleaning and fragancing preparations, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, household utensils for cleaning, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, material treatment, room

fragrances, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, skin, eye and nail care preparations, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, intellectual property assets, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, engines, powertrains, and machine parts, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens

on a blockchain network featuring or linking to digital or physical, controls for the operation of machines and engines, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, computer accessories, digital projectors, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, display devices, television receivers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, point-to-point communication equipment for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, articles for use with tobacco, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital

collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, chocolates, candies, drinks (non-alcoholic), for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, cases for mobile phones, tins of metal, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, toys, games, playthings and novelties, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, art, trading cards, umbrellas and parasols, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio/visual and photographic devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio devices, film and video devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment

services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, covers for vehicles, fragrances for automobiles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, heaters for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, land vehicles and their parts and accessories and conveyances, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting apparatus for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, parts and fittings for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, seat covers for vehicles, for access and use in online environments, virtual online environments, extended

reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle HVAC systems, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle parking and storage, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle seats for children, vehicle tyres, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicles wheels and rims, vehicles and bicycles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, heating, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, ventilating and air conditioning and purification equipment, for access and use in online environments, virtual online environments, extended reality

virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting and lighting reflectors, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, navigation devices, optical devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, enhancers and correctors, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, safety, security, protection and signaling devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, hand operated tools and implements, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, lifting tools, moving and handling equipment, for access and use in online environments, virtual online

environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, protective and safety equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, refrigerating and freezing equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, avatars, digital overlays, skins, for access and use in online environments, virtual online environments, extended reality virtual environments; entertainment services, namely, providing online non-downloadable game related to 3D virtual worlds; entertainment services, namely, providing online non-downloadable games related to 3D virtual environments; entertainment services provided via virtual environments in which users can interact for recreational, leisure or entertainment purposes.

Class 42

Providing online non-downloadable software relating to virtual goods, namely, animal

furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; providing online non-downloadable software relating to virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; providing online non-downloadable software relating to virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; providing online non-downloadable software relating to virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; providing online non-downloadable software relating to virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles; providing online non-downloadable software relating to virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and

handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; providing online non-downloadable software relating to virtual goods, namely, digital art, photographs, videos, or audio recordings, online digital artwork and images, non-fungible tokens or other digital tokens based on blockchain technology; providing non-downloadable computer software for the creation, production and modification of animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of cleaning and fragrancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of

computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of audio/visual and photographic devices, audio devices, film and video devices, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of hand operated tools and

implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of digital animated and non-animated designs and characters, avatars, digital overlays and skins for access and use in online environments, virtual online environments, and extended reality virtual environments; software as a service featuring non-downloadable virtual animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; software as a service featuring non-downloadable virtual furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragranting preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; software as a service featuring non-downloadable virtual apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; software as a service featuring non-downloadable virtual articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; software as a service featuring non-downloadable virtual covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for

vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles; software as a service featuring non-downloadable virtual heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; software as a service featuring non-downloadable virtual digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, and trading cards; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical animal furs, blankets, carpets, rugs and mats; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical goods made of textiles and fibers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical mats and carpets, textile goods; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical luggage, bags, wallets and other carriers; providing non-downloadable software for electronically trading,

storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical clothing, footwear, headwear; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical glasses, sunglasses and contact lenses; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical jewelry; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical key rings and key chains and charms therefor; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical smartwatches, sporting articles and equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and

non-fungible tokens on a blockchain network featuring or linking to digital or physical tableware, cookware and containers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical paper and plastic boxes, paper products; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical stationery, writing implements; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical body cleaning and beauty care preparations; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical cleaning and fragrancings preparations; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical household utensils for cleaning; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical material treatment, room fragrances; providing non-downloadable

software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical skin, eye and nail care preparations; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical sweeping, cleaning, washing and laundering machines; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical intellectual property assets; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical apparatus and instruments for accumulating and storing electricity; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical engines, powertrains, and machine parts; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical controls for the operation of machines and engines; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media,

video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical computer accessories, digital projectors; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical display devices, television receivers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical point-to-point communication equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical articles for use with tobacco; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical chocolates, candies, drinks (non-alcoholic); providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible

tokens on a blockchain network featuring or linking to digital or physical cases for mobile phones, tins of metal; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical toys, games, playthings and novelties; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical art, trading cards, umbrellas and parasols; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical audio/visual and photographic devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical audio devices, film and video devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical covers for vehicles, fragrances for automobiles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical heaters for vehicles; providing non-downloadable

software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical land vehicles and their parts and accessories and conveyances; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical lighting apparatus for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical parts and fittings for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical seat covers for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicle HVAC systems; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicle parking and storage; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles,

crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicle seats for children, vehicle tyres; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicles wheels and rims, vehicles and bicycles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical heating; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical ventilating and air conditioning and purification equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical lighting and lighting reflectors; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical navigation devices, optical devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical enhancers and correctors; providing

non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical safety, security, protection and signaling devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical hand operated tools and implements; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical lifting tools, moving and handling equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical protective and safety equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical refrigerating and freezing equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data,

visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, avatars, digital overlays, skins; creation of computer programs featuring blockchain-based virtual goods, digital assets, digital items, digital art and digital collectibles for use in online virtual environments; creation of computer programs featuring blockchain-based virtual goods, namely animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and

accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, trading cards for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring collectible goods, images, audio, videos, and digital art for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data

storage and security, to represent collectible items and featuring virtual goods, namely furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to

represent collectible items and featuring virtual goods, namely audio/visual and photographic devices, audio devices, film and video devices, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely digital animated and non-animated designs and characters, avatars, digital overlays, skins, art,

trading cards, for use in online virtual worlds; platform as a service (PaaS) featuring computer software platforms for providing access to crypto-collectibles, crypto-art and application tokens; platform as a service services featuring computer software platforms for downloading software, data, and image files from the Internet; platform as a service featuring computer software platforms for downloading software, data, and image files from users in the marketplace of the software owner; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring collectible goods, collectible images, audio, videos and digital art for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely cleaning and fragancing

preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely audio/visual and photographic devices, audio devices, film and video devices, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, for use in online virtual worlds; providing

an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, trading cards, for use in online virtual worlds; providing an online digital asset platform to view, store, transmit, send, accept, compile, exchange, swap and track non-fungible tokens, virtual goods, digital assets, digital items, digital art and digital collectibles for use in online virtual worlds; software as a service (SaaS) and platform as a service (PaaS) featuring software platforms for providing access to non-fungible tokens, virtual goods, digital assets, digital items, digital art and digital collectibles for use in online virtual worlds; software as a service and platform as a service featuring software platforms for downloading non-fungible tokens, virtual goods, digital assets,

digital items, digital art and digital collectibles for use in online virtual worlds; authentication in the field of crypto-collectibles and animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; authentication in the field of crypto-collectibles and furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; authentication in the field of crypto-collectibles and apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; authentication in the field of crypto-collectibles and articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; authentication in the field of crypto-collectibles and covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles; authentication in the field of crypto-collectibles and heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment,

protective and safety equipment, refrigerating and freezing equipment, and time instruments; providing user authentication services using blockchain-based software technology; providing temporary use of online non-downloadable software programs for product and document authentication and tracking, and brand monitoring and protection, for protecting against counterfeiting, tampering, and diversion, and for ensuring the integrity of genuine products and documents; authentication and certification services of blockchain-based non-fungible tokens for use in online virtual worlds.

Goods and/or Services:

Class 09

Downloadable virtual goods, namely, computer programs featuring animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, toys, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking

and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use online and in online virtual worlds; downloadable virtual goods, digital assets, digital items, digital art and digital collectibles, namely computer software and electronic programs featuring blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer software relating to virtual goods, digital assets, digital items, digital art and digital collectibles for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for

use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, toys, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use online and in online virtual worlds; downloadable computer software for interactive virtual worlds for use via a global computer network and through various wireless networks and electronic devices; downloadable software for accessing and streaming multimedia entertainment content; downloadable software for providing access to an online virtual environment; digital media, namely, digital art, in particular, animations, works of art, pictures, statues, figurines, ornaments, decorations, photographs, films and film extracts, authenticated by non-fungible tokens or other digital tokens; software for data storage and content access limitation authenticated by digital tokens used with blockchain technology; downloadable computer software and electronic programs featuring blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer software and electronic programs for the creation and the provision of blockchain-based non-fungible tokens for use online

and in online virtual worlds; downloadable computer software and electronic programs for the certification of blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, animal furs, blankets, carpets, rugs and mats, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, goods made of textiles and fibers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, mats and carpets, textile goods, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, luggage, bags, wallets and other carriers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-

collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, clothing, footwear, headwear, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, glasses, sunglasses and contact lenses including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, jewelry, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, key rings and key chains and charms therefor, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical smartwatches, sporting articles and equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects,

digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, tableware, cookware and containers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, paper and plastic boxes, paper products, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, stationery, writing implements, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, body cleaning and beauty care preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting

and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, cleaning and fragrancings preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, household utensils for cleaning, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, material treatment, room fragrances, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, skin, eye and nail care preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects, on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending,

receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, intellectual property assets, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, engines, powertrains, and machine parts, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips,

photography, music and visual effects on a blockchain network featuring or linking to digital or physical, controls for the operation of machines and engines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, controls for the operation of machines and engines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, computer accessories, digital projectors, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, display devices, television receivers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or

linking to digital or physical, peripherals adapted for use with computers and other smart devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, point-to-point communication equipment including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, articles for use with tobacco, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, chocolates, candies, drinks (non-alcoholic), including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, cases for mobile phones, tins of metal, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects,

digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, toys, games, playthings and novelties, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, art, trading cards, umbrellas and parasols, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio/visual and photographic devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio devices, film and video devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, covers for vehicles, fragrances for automobiles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting

and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, heaters for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, land vehicles and their parts and accessories and conveyances, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, land vehicles and their parts and accessories and conveyances, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting apparatus for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, parts and fittings for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips,

photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, seat covers for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle HVAC systems, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle parking and storage, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle seats for children, vehicle tyres, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicles wheels and rims, vehicles and bicycles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting

and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, heating, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, ventilating and air conditioning and purification equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, ventilating and air conditioning and purification equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting and lighting reflectors, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, navigation devices, optical devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips,

photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, enhancers and correctors, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, safety, security, protection and signaling devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, safety, security, protection and signaling devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, hand operated tools and implements, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lifting tools, moving and handling equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects,

digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, protective and safety equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, refrigerating and freezing equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-

collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, avatars, digital overlays, skins, including for access and use in online environments, virtual online environments, extended reality virtual environments; computer software platforms for downloading software, data and image files from the internet; downloadable mobile applications for providing access to crypto-collectibles, crypto-art and application tokens; downloadable software for processing digital images, graphics and text; downloadable software for engaging in social networking and interacting with online communities; downloadable virtual goods, namely, computer programs featuring non-fungible digital asset tokens used with blockchain technology to represent a collectible item for use online and in online virtual worlds, online virtual environments, and extended reality virtual environments; downloadable digital collectibles, namely, audio recordings, video recordings, image files, music, and multimedia files containing artwork, text, audio, images, or video featuring collectible items authenticated by non-fungible tokens (NFTs); downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products,

stationery, writing implements, body cleaning and beauty care preparations, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, audio/visual and photographic devices, audio devices, film and video devices, on a blockchain; downloadable computer software for accessing, reading, and tracking information in

the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments on a blockchain.

Class 35

Retail store services and providing marketplace services in relation to virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and

equipment for use online; retail store services and providing marketplace services in relation to virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use online; retail store services and providing marketplace services in relation to virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use online; retail store services and providing marketplace services in relation to virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use online; retail store services and providing marketplace services in relation to virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use online; retail store services and providing marketplace services in relation to virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use online; retail store services and providing marketplace services

featuring virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, heating, ventilating and air conditioning and

purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use in online virtual worlds; online retail store services and providing marketplace services in relation to virtual merchandise, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; online retail store services and providing marketplace services in relation to virtual merchandise, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; online retail store services and providing marketplace services in relation to virtual merchandise, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; online retail store services and providing marketplace services in relation to virtual merchandise, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; online retail store services and providing marketplace services in relation to virtual merchandise, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting

apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles; online retail store services and providing marketplace services in relation to virtual merchandise, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; online retail store services and providing marketplace services for virtual goods, digital

collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio/visual and photographic devices, audio devices, film and video devices; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to

digital or physical, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical digital animated and non-animated designs and characters, avatars, digital overlays, skins; administration of membership services and customer loyalty programs that include access to events, programs, and access to digital or physical products; providing incentive award programs for customers and members; provision of an online marketplace for buyers and sellers of downloadable digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, vehicles, vehicle wheels, bicycles, art, toys, accessories and trading cards authenticated by non-fungible tokens (NFTs); online marketplace services, namely, providing a marketplace for buyers and sellers of digital currency assets including non-fungible tokens (NFTs).

Class 36

Financial services; financial services, namely, providing a digital currency or digital token of value; financial services, namely, providing a digital currency or digital token of value for use by members of an online community via a global computer network; issuance of tokens of value; facilitation of financial transactions using unconventional currency systems and bartering, namely, facilitating transfers of electronic cash equivalents; facilitation of crypto-currency transactions, namely, virtual currency exchange transaction services for transferrable electronic cash equivalent units

having a specified cash value; financial services, namely, providing electronic transfer of a digital currency for use by members of an online community via a global computer network; cryptocurrency trading services; digital currency exchange services; financial services, namely, providing liquidity services in connection with digital currencies and assets, cryptocurrencies, virtual currency and blockchain-based assets; payment processing; financial transaction services.

Class 41

Entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragranting preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual articles for use with tobacco, chocolates,

candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, virtual art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual digital animated and non-animated designs and characters, avatars, digital overlays, skins, for use in virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, animal furs, blankets, carpets, rugs and mats, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, goods made of textiles and fibers, for access and use in online environments, virtual online environments, extended reality virtual environments;

interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, mats and carpets, textile goods, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, luggage, bags, wallets and other carriers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, clothing, footwear, headwear, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, glasses, sunglasses and contact lenses for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, jewelry, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, key rings and key chains and charms therefor, for access and use in online environments, virtual online environments, extended reality virtual

environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, smartwatches, sporting articles and equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, tableware, cookware and containers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, paper and plastic boxes, paper products, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, stationery, writing implements, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, body cleaning and beauty care preparations, for access and use in online environments, virtual online

environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, cleaning and fragancing preparations, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, household utensils for cleaning, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, material treatment, room fragrances, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, skin, eye and nail care preparations, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, intellectual property

assets, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, engines, powertrains, and machine parts, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, controls for the operation of machines and engines, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, computer accessories, digital projectors, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, display devices, television receivers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a

blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, point-to-point communication equipment for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, articles for use with tobacco, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, chocolates, candies, drinks (non-alcoholic), for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, cases for mobile phones, tins of metal, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, toys, games, playthings and novelties, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital

collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, art, trading cards, umbrellas and parasols, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio/visual and photographic devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio devices, film and video devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, covers for vehicles, fragrances for automobiles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, heaters for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, land vehicles and their parts and accessories and conveyances, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services

featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting apparatus for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, parts and fittings for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, seat covers for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle HVAC systems, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle parking and storage, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle seats for children, vehicle tyres, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services

featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicles wheels and rims, vehicles and bicycles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, heating, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, ventilating and air conditioning and purification equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting and lighting reflectors, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, navigation devices, optical devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, enhancers and correctors, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment

services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, safety, security, protection and signaling devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, hand operated tools and implements, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, lifting tools, moving and handling equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, protective and safety equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, refrigerating and freezing equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments, for access and use in online environments, virtual online environments, extended reality

virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, avatars, digital overlays, skins, for access and use in online environments, virtual online environments, extended reality virtual environments; entertainment services, namely, providing online non-downloadable game related to 3D virtual worlds; entertainment services, namely, providing online non-downloadable games related to 3D virtual environments; entertainment services provided via virtual environments in which users can interact for recreational, leisure or entertainment purposes.

Class 42

Providing online non-downloadable software relating to virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; providing online non-downloadable software relating to virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; software as a service featuring online non-downloadable software relating to virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and

point-to-point communication equipment; providing online non-downloadable software relating to virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; providing online non-downloadable software relating to virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles; providing online non-downloadable software relating to virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; providing online non-downloadable software relating to virtual goods, namely, digital art, photographs, videos, or audio recordings, online digital artwork and images, non-fungible tokens or other digital tokens based on blockchain technology; providing non-downloadable computer software for the creation, production and modification of animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and

modification of furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of cleaning and fragancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of audio/visual and photographic devices, audio devices, film and video devices, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles

and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of digital animated and non-animated designs and characters, avatars, digital overlays and skins for access and use in online environments, virtual online environments, and extended reality virtual environments; software as a service featuring non-downloadable virtual animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; software as a service featuring non-downloadable virtual furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty

care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; providing non-downloadable virtual apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; software as a service featuring non-downloadable virtual articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; software as a service featuring non-downloadable virtual covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles; software as a service featuring non-downloadable virtual heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; software as a service featuring non-downloadable virtual digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, and trading cards; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical animal furs, blankets, carpets, rugs and mats; providing non-

downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical goods made of textiles and fibers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical mats and carpets, textile goods; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical luggage, bags, wallets and other carriers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical clothing, footwear, headwear; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical glasses, sunglasses and contact lenses; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical jewelry; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles,

crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical key rings and key chains and charms therefor; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical smartwatches, sporting articles and equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical tableware, cookware and containers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical paper and plastic boxes, paper products; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical stationery, writing implements; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical body cleaning and

beauty care preparations; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical cleaning and fragrancings preparations; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical household utensils for cleaning; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical material treatment, room fragrances; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical skin, eye and nail care preparations; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical sweeping, cleaning, washing and laundering machines; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical intellectual property assets; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips,

photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical apparatus and instruments for accumulating and storing electricity; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical engines, powertrains, and machine parts; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical controls for the operation of machines and engines; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical computer accessories, digital projectors; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical display devices, television receivers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-

collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical point-to-point communication equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical articles for use with tobacco; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical chocolates, candies, drinks (non-alcoholic); providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical cases for mobile phones, tins of metal; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical toys, games, playthings and novelties; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical art, trading cards, umbrellas and parasols; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical audio/visual and photographic

devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical audio devices, film and video devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical covers for vehicles, fragrances for automobiles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical heaters for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical land vehicles and their parts and accessories and conveyances; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical lighting apparatus for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical parts and fittings for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media,

video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical seat covers for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicle HVAC systems; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicle parking and storage; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicle seats for children, vehicle tyres; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicles wheels and rims, vehicles and bicycles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical heating; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical ventilating and air

conditioning and purification equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical lighting and lighting reflectors; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical navigation devices, optical devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical enhancers and correctors; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical safety, security, protection and signaling devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical hand operated tools and implements; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical lifting tools, moving and handling equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting

interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical protective and safety equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical refrigerating and freezing equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, avatars, digital overlays, skins; creation of computer programs featuring blockchain-based virtual goods, digital assets, digital items, digital art and digital collectibles for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and

nail care preparations, sweeping, cleaning, washing and laundering machines for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, trading cards for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring

collectible goods, images, audio, videos, and digital art for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, for use in online virtual worlds; provision of online non-

downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely audio/visual and photographic devices, audio devices, film and video devices, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data

storage and security, to represent collectible items and featuring virtual goods, namely heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, trading cards, for use in online virtual worlds; platform as a service (PaaS) featuring computer software platforms for providing access to crypto-collectibles, crypto-art and application tokens; platform as a service services featuring computer software platforms for downloading software, data, and image files from the Internet; platform as a service featuring computer software platforms for downloading software, data, and image files from users in the marketplace of the software owner; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring collectible goods, collectible images, audio, videos and digital art for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers for use in online virtual worlds; providing an

online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the

representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely audio/visual and photographic devices, audio devices, film and video devices, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely hand operated tools and implements, lifting tools,

moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, trading cards, for use in online virtual worlds; providing an online digital asset platform to view, store, transmit, send, accept, compile, exchange, swap and track non-fungible tokens, virtual goods, digital assets, digital items, digital art and digital collectibles for use in online virtual worlds; software as a service (SaaS) and platform as a service (PaaS) featuring software platforms for providing access to non-fungible tokens, virtual goods, digital assets, digital items, digital art and digital collectibles for use in online virtual worlds; software as a service and platform as a service featuring software platforms for downloading non-fungible tokens, virtual goods, digital assets, digital items, digital art and digital collectibles for use in online virtual worlds; authentication in the field of crypto-collectibles and animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; authentication in the field of crypto-collectibles and furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; authentication in the field of crypto-collectibles and apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with

computers and other smart devices, and point-to-point communication equipment; authentication in the field of crypto-collectibles and articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; authentication in the field of crypto-collectibles and covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles; authentication in the field of crypto-collectibles and heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; providing user authentication services using blockchain-based software technology; providing temporary use of online non-downloadable software programs for product and document authentication and tracking, and brand monitoring and protection, for protecting against counterfeiting, tampering, and diversion, and for ensuring the integrity of genuine products and documents; authentication and certification services of blockchain-based non-fungible tokens for use in online virtual worlds.

Goods and/or Services:

Class 09

Downloadable virtual goods, namely, computer programs featuring animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display

devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, toys, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use online and in online virtual worlds; downloadable virtual goods, digital assets, digital items, digital art and digital collectibles, namely computer software and electronic programs featuring blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer software relating to virtual goods, digital assets, digital items, digital art and digital collectibles for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use online and in online virtual worlds; downloadable computer

software relating to virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, toys, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use online and in online virtual worlds; downloadable computer software for interactive virtual worlds

for use via a global computer network and through various wireless networks and electronic devices; downloadable software for accessing and streaming multimedia entertainment content; downloadable software for providing access to an online virtual environment; digital media, namely, digital art, in particular, animations, works of art, pictures, statues, figurines, ornaments, decorations, photographs, films and film extracts, authenticated by non-fungible tokens and other digital tokens; software for data storage and content access limitation authenticated by digital tokens used with blockchain technology; downloadable computer software and electronic programs featuring blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer software and electronic programs for the creation and the provision of blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer software and electronic programs for the certification of blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, animal furs, blankets, carpets, rugs and mats, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, goods made of textiles and fibers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to

digital or physical, mats and carpets, textile goods, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, luggage, bags, wallets and other carriers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, clothing, footwear, headwear, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, glasses, sunglasses and contact lenses including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, jewelry, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on

a blockchain network featuring or linking to digital or physical, key rings and key chains and charms therefor, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical smartwatches, sporting articles and equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, tableware, cookware and containers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, paper and plastic boxes, paper products, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects,

digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, stationery, writing implements, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, body cleaning and beauty care preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, cleaning and fragancing preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, household utensils for cleaning, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, material treatment, room fragrances, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and

transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, skin, eye and nail care preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects, on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, intellectual property assets, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a

blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, engines, powertrains, and machine parts, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, controls for the operation of machines and engines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, controls for the operation of machines and engines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, computer accessories, digital projectors, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a

blockchain network featuring or linking to digital or physical, display devices, television receivers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, point-to-point communication equipment including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, articles for use with tobacco, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a

blockchain network featuring or linking to digital or physical, chocolates, candies, drinks (non-alcoholic), including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, cases for mobile phones, tins of metal, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, toys, games, playthings and novelties, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, art, trading cards, umbrellas and parasols, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio/visual and photographic devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects,

digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio devices, film and video devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, covers for vehicles, fragrances for automobiles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, heaters for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, land vehicles and their parts and accessories and conveyances, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, land vehicles and their parts and accessories and conveyances, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-

collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting apparatus for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, parts and fittings for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, seat covers for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle HVAC systems, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle parking and storage, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects,

digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle seats for children, vehicle tyres, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicles wheels and rims, vehicles and bicycles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, heating, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, ventilating and air conditioning and purification equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, ventilating and air conditioning and purification equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-

collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting and lighting reflectors, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, navigation devices, optical devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, enhancers and correctors, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, safety, security, protection and signaling devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, safety, security, protection and signaling devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain

network featuring or linking to digital or physical, hand operated tools and implements, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lifting tools, moving and handling equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, protective and safety equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, refrigerating and freezing equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain

network featuring or linking to digital or physical, digital animated and non-animated designs and characters, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, avatars, digital overlays, skins, including for access and use in online environments, virtual online environments, extended reality virtual environments; computer software platforms for downloading software, data and image files from the internet; downloadable mobile applications for providing access to crypto-collectibles, crypto-art and application tokens; downloadable software for processing digital images, graphics and text; downloadable software for engaging in social networking and interacting with online communities; downloadable virtual goods, namely, computer programs featuring non-fungible digital asset tokens used with blockchain technology to represent a collectible item for use online and in online virtual worlds, online virtual environments, and extended reality virtual environments; downloadable digital collectibles, namely, audio recordings, video recordings, image files, music, and multimedia files containing artwork, text, audio, images, or video featuring collectible items authenticated by non-fungible tokens (NFTs); downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and

fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment on a blockchain;

downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, audio/visual and photographic devices, audio devices, film and video devices, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings,

video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments on a blockchain.

Class 35

Retail store services and providing marketplace services in relation to virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use online; retail store services and providing marketplace services in relation to virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use online; retail store services and providing marketplace services in relation to virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use online; retail store services and providing marketplace services in relation to virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use online; retail store services and providing marketplace services in relation to virtual goods, namely, covers for vehicles, fragrances for

automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use online; retail store services and providing marketplace services in relation to virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use online; retail store services and providing marketplace services featuring virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, articles

for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use in online virtual worlds; online retail store services and providing marketplace services in relation to virtual merchandise, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; online retail store services and providing marketplace services in relation to virtual merchandise, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; online retail store services and providing marketplace services in relation to virtual merchandise, namely, apparatus and instruments for accumulating and storing electricity, engines,

powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; online retail store services and providing marketplace services in relation to virtual merchandise, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; online retail store services and providing marketplace services in relation to virtual merchandise, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles; online retail store services and providing marketplace services in relation to virtual merchandise, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and

equipment; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio/visual and photographic devices, audio devices, film and video devices; online retail store services and providing marketplace services for virtual goods, digital collectibles,

crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical digital animated and non-animated designs and characters, avatars, digital overlays, skins; administration of membership services and customer loyalty programs that include access to events, programs, and access to digital or physical products; providing incentive award programs for customers and members; provision of an online marketplace for buyers and sellers of downloadable digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, vehicles, vehicle wheels, bicycles, art, toys, accessories and trading cards authenticated by non-fungible tokens (NFTs);

online marketplace services, namely, providing a marketplace for buyers and sellers of digital currency assets including non-fungible tokens (NFTs).

Class 36

Financial services; financial services, namely, providing a digital currency or digital token of value; financial services, namely, providing a digital currency or digital token of value for use by members of an online community via a global computer network; issuance of tokens of value; facilitation of financial transactions using unconventional currency systems and bartering, namely, facilitating transfers of electronic cash equivalents; facilitation of crypto-currency transactions, namely, virtual currency exchange transaction services for transferrable electronic cash equivalent units having a specified cash value; financial services, namely, providing electronic transfer of a digital currency for use by members of an online community via a global computer network; cryptocurrency trading services; digital currency exchange services; financial services, namely, providing liquidity services in connection with digital currencies and assets, cryptocurrencies, virtual currency and blockchain-based assets; payment processing; financial transaction services.

Class 41

Entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and

fragrancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, virtual art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual digital animated and

non-animated designs and characters, avatars, digital overlays, skins, for use in virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, animal furs, blankets, carpets, rugs and mats, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, goods made of textiles and fibers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, mats and carpets, textile goods, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, luggage, bags, wallets and other carriers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, clothing, footwear, headwear, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, glasses, sunglasses and

contact lenses for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, jewelry, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, key rings and key chains and charms therefor, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, smartwatches, sporting articles and equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, tableware, cookware and containers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, paper and plastic

boxes, paper products, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, stationery, writing implements, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, body cleaning and beauty care preparations, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, cleaning and fragancing preparations, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, household utensils for cleaning, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, material treatment, room fragrances, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a

blockchain network featuring or linking to digital or physical, skin, eye and nail care preparations, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, intellectual property assets, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, engines, powertrains, and machine parts, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, controls for the operation of machines and engines, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual

effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, computer accessories, digital projectors, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, display devices, television receivers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, point-to-point communication equipment for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, articles for use with tobacco, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, chocolates, candies, drinks (non-alcoholic), for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment

services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, cases for mobile phones, tins of metal, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, toys, games, playthings and novelties, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, art, trading cards, umbrellas and parasols, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio/visual and photographic devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio devices, film and video devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, covers for vehicles, fragrances for automobiles, for access and use in online environments, virtual online

environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, heaters for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, land vehicles and their parts and accessories and conveyances, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting apparatus for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, parts and fittings for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, seat covers for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle HVAC systems, for access and use in online

environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle parking and storage, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle seats for children, vehicle tyres, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicles wheels and rims, vehicles and bicycles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, heating, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, ventilating and air conditioning and purification equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting and lighting reflectors, for access and use in

online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, navigation devices, optical devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, enhancers and correctors, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, safety, security, protection and signaling devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, hand operated tools and implements, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, lifting tools, moving and handling equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, protective and safety

equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, refrigerating and freezing equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, avatars, digital overlays, skins, for access and use in online environments, virtual online environments, extended reality virtual environments; entertainment services, namely, providing online non-downloadable game related to 3D virtual worlds; entertainment services, namely, providing online non-downloadable games related to 3D virtual environments; entertainment services provided via virtual environments in which users can interact for recreational, leisure or entertainment purposes.

Class 42

Providing online non-downloadable software relating to virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment;

providing online non-downloadable software relating to virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; providing online non-downloadable software relating to virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; providing online non-downloadable software relating to virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; providing online non-downloadable software relating to virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles; providing online non-downloadable software relating to virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; providing online non-downloadable software relating to virtual goods, namely, digital art, photographs, videos, or audio recordings, online digital artwork and images, non-fungible tokens or other digital tokens based

on blockchain technology; providing non-downloadable computer software for the creation, production and modification of animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of cleaning and fragrancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-

downloadable computer software for the creation, production and modification of articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of audio/visual and photographic devices, audio devices, film and video devices, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation,

production and modification of digital animated and non-animated designs and characters, avatars, digital overlays and skins for access and use in online environments, virtual online environments, and extended reality virtual environments; software as a service featuring non-downloadable virtual animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; software as a service featuring non-downloadable virtual furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragranting preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; software as a service featuring non-downloadable virtual apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; software as a service featuring non-downloadable virtual articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; software as a service featuring non-downloadable virtual covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles; software as a service featuring non-downloadable virtual heating, ventilating and air conditioning and

purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; software as a service featuring non-downloadable virtual digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, and trading cards; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical animal furs, blankets, carpets, rugs and mats; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical goods made of textiles and fibers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical mats and carpets, textile goods; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical luggage, bags, wallets and other carriers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical clothing, footwear, headwear; providing non-downloadable

software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical glasses, sunglasses and contact lenses; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical jewelry; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical key rings and key chains and charms therefor; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical smartwatches, sporting articles and equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical tableware, cookware and containers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods,

digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical paper and plastic boxes, paper products; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical stationery, writing implements; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical body cleaning and beauty care preparations; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical cleaning and fragrancings preparations; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical household utensils for cleaning; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical material treatment, room fragrances; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical skin, eye and nail care

preparations; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical sweeping, cleaning, washing and laundering machines; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical intellectual property assets; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical apparatus and instruments for accumulating and storing electricity; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical engines, powertrains, and machine parts; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical controls for the operation of machines and engines; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical computer accessories, digital projectors; providing non-downloadable software for electronically trading, storing, sending, receiving,

accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical display devices, television receivers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical point-to-point communication equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical articles for use with tobacco; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical chocolates, candies, drinks (non-alcoholic); providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical cases for mobile phones, tins of metal; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles,

crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical toys, games, playthings and novelties; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical art, trading cards, umbrellas and parasols; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical audio/visual and photographic devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical audio devices, film and video devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical covers for vehicles, fragrances for automobiles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical heaters for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical land vehicles and their

parts and accessories and conveyances; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical lighting apparatus for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical parts and fittings for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical seat covers for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicle HVAC systems; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicle parking and storage; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicle seats for children, vehicle tyres; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data,

visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicles wheels and rims, vehicles and bicycles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical heating; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical ventilating and air conditioning and purification equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical lighting and lighting reflectors; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical navigation devices, optical devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical enhancers and correctors; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical safety,

security, protection and signaling devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical hand operated tools and implements; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical lifting tools, moving and handling equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical protective and safety equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical refrigerating and freezing equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, avatars, digital overlays, skins; creation of computer programs featuring blockchain-based virtual goods, digital

assets, digital items, digital art and digital collectibles for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children,

vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, trading cards for use in online virtual worlds; providing online computer services for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring collectible goods, images, audio, videos, and digital art for use in online virtual worlds; providing online computer services for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers for use in online virtual worlds; providing online computer services for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; providing online computer services for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements,

body cleaning and beauty care preparations, for use in online virtual worlds; providing online computer services for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines, for use in online virtual worlds; providing online computer services for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, for use in online virtual worlds; providing online computer services for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment, for use in online virtual worlds; providing online computer services for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, for use in online virtual worlds; providing online computer services for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely audio/visual and photographic devices, audio devices, film and video devices, for use in online virtual worlds; providing online computer services for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods,

namely covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, for use in online virtual worlds; providing online computer services for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles, for use in online virtual worlds; providing online computer services for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, for use in online virtual worlds; providing online computer services for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments, for use in online virtual worlds; providing online computer services for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, trading cards, for use in online virtual worlds; platform as a service (PaaS) featuring computer software platforms for providing access to crypto-collectibles, crypto-art and application tokens; platform as a service services featuring computer software platforms for downloading software, data, and image files from the Internet; platform as a service featuring computer software platforms for downloading software, data, and image files from users in the marketplace of the

software owner; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring collectible goods, collectible images, audio, videos and digital art for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely cleaning and fragrancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely

apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely audio/visual and photographic devices, audio devices, film and video devices, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles, for use in online

virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, trading cards, for use in online virtual worlds; providing an online digital asset platform to view, store, transmit, send, accept, compile, exchange, swap and track non-fungible tokens, virtual goods, digital assets, digital items, digital art and digital collectibles for use in online virtual worlds; software as a service (SaaS) and platform as a service (PaaS) featuring software platforms for providing access to non-fungible tokens, virtual goods, digital assets, digital items, digital art and digital collectibles for use in online virtual worlds; software as a service and platform as a service featuring software platforms for downloading non-fungible tokens, virtual goods, digital assets, digital items, digital art and digital collectibles for use in online virtual worlds; authentication in the field of crypto-collectibles and animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting

articles and equipment; authentication in the field of crypto-collectibles and furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; authentication in the field of crypto-collectibles and apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; authentication in the field of crypto-collectibles and articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; authentication in the field of crypto-collectibles and covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles; authentication in the field of crypto-collectibles and heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; providing user authentication services using blockchain-based software technology; providing temporary use of online non-downloadable software programs for product and document authentication and tracking, and brand monitoring and protection, for protecting against counterfeiting, tampering, and diversion, and for ensuring the

integrity of genuine products and documents; authentication and certification services of blockchain-based non-fungible tokens for use in online virtual worlds.

TWIIIST

Goods and/or Services:

Class 05

Infusion cartridges filled with medication; adhesive overlays in the nature of adhesive medical tape, bandages.

Class 09

Software as a medical device (SaMD), downloadable, for predicting analyte levels and adjusting infusion pump settings based on personalized data; downloadable software in the nature of applications for mobile phone and smart phones providing information and education on managing, treating and living with chronic disease; batteries; battery chargers.

Class 10

Medical devices, namely, infusion and injection devices for administering drugs and measured amounts of solutions into the bloodstream over time; apparatus for monitoring blood analyte levels; wearable subcutaneous drug delivery devices, sold empty in the nature of injectors; medication on-body injectors; chronic disease management devices, in the nature of medical sensors that are implanted or inserted into the human body used to continuously monitor the concentration of analytes in the human body and accessories therefor, namely, receivers, sensor housings and sensor insertion devices; medical infusion sets comprised of infusion tubing, infusion needles, needle guards, connectors, attachment clips, and accessories therefor; pouches and mounts for use with infusion pumps.

Class 35

Administrative services in relation to a trade-in and upgrade program for drug delivery and chronic disease management devices; mail order, online and telephone pharmacy retail services featuring chronic disease management supplies medications, drugs and other prescriptions.

Class 41

Educational services, namely, creating and developing web-based and in person

classes, seminars, workshops and programs in the field of managing and living with chronic disease; personalized training and coaching in the use of monitoring devices and infusion pumps in the treatment of chronic disease; training of healthcare providers in chronic disease treatment and the use of infusion pumps and infusion sets.

Class 42

Software-as-a-service (SaaS) featuring software for use in the acquisition, capture, processing, presentation, transmission and storage of medical and physiological data obtained from medical sensors that are implanted or inserted into the human body; hosting an interactive web site featuring technology that enables users to enter, access, track, monitor and generate health and medical information and reports relating to managing chronic disease, medication and analyte levels.

Class 44

Medical monitoring of patients featuring interactive monitoring, reporting and alert services for infusion pump users for monitoring and managing chronic disease; providing medical information related to chronic diseases, including advice on treatment options and chronic disease management from a web site; providing medical information for consumers and healthcare practitioners via online databases; medical consultation services in relation to patient ambassador program to communicate medical information to people with chronic disease.

Class 29

Meat; meat products; food products made from meat; food products derived from meat; prepared meat, including primal cuts, minced meat and meats prepared for roasting; burgers (meat patties); beef; beef products; beef burgers (beef patties); beef fat; beef stock; dehydrated beef; dehydrated beef broth; dehydrated beef extract; roast beef extract; lamb products; pork; pork products; cooked pork meats; dried pork; edible pork fats; pork extracts; pork loin; pork preserves; pork sausages; processed pork meats; puffed pork rind; salt pork; ham; cooked ham; ham products; butchered poultry; preserved meat including tinned meat, salted meat, freeze-dried meat and dried meat; smallgoods and processed meats; smoked meats; cured meats; prosciutto; salami; frankfurts; sausages; foodstuffs consisting of sausage meat; foodstuffs consisting of sausages; hotdog sausages; dehydrated sausages;

preparations for making sausages; preserved sausages; sausage patties; sausage products; smoked sausages; gut for making sausages; black pudding; blood sausage; meat patties and bacon; combinations of meat and cheese, meat pastes and meat pates including liver pate; baked meat; steaks of meat; edible materials for use as food casings (gut); gut or artificial gut for sausage casings; natural gut sausage skins; sausage casings; sausage casings made of natural materials; grilled meat; luncheon meats; snack foods consisting principally of meat; chilled foods consisting predominantly of meat; chilled meals made from meat; frozen meat; cold meats; cooked meat; roasted meat; cooked meat dishes; cooked meals consisting principally of meat; cooked meals consisting principally of meat and vegetables; prepared meals predominantly of meat or comprising meat and vegetables; food preparations consisting principally of meat; meat extracts; cubed meat; meat conserves; meat based stock; meat broth concentrates; meat broth paste; meat jellies; meat preserves; alimentary preserves made of meat; offal; game (not being live game); meat based soups and preparations for making such soups; bouillon from meat, bouillon concentrates and preparations for making bouillon; broth from meat and broth concentrates; protein-based meat substitutes; protein milk; animal marrow for food; meat substitutes; meat substitutes prepared from vegetables and other meat substitutes included in this class; vegan and vegetarian meat products; plant-based meat substitutes; vegan foods consisting predominantly of vegetables; plant-based protein meat extenders in the nature of textured vegetable protein; vegetable-based foodstuffs for human consumption, enriched with proteins; vegetable foodstuffs for human consumption, enriched with proteins; formed textured vegetable protein for use as a meat substitute; plant protein for use as meat substitute; meat substitutes based on cereals; seitan [meat substitute]; prepared meals based on meat substitutes; ready cooked meals based on meat substitutes; prepared meals consisting principally of vegan meat and vegetarian meat substitutes; prepared meals consisting principally of plant-based vegan and plant-based vegetarian meat substitutes; vegetarian and vegan sausages; vegetarian and vegan

mince as a meat substitute; fish substitutes; plant-based fish substitutes; chicken substitutes; plant-based chicken substitutes; pork substitutes; plant-based pork substitutes; bacon substitutes; plant-based bacon substitutes; beef substitutes; plant-based beef substitutes; burger substitutes; plant-based burger substitutes; plant-based vegetarian and vegan sausages; plant-based vegetarian and vegan mince as a meat substitute; salads containing vegan-meat and vegetarian-meat products; cultured meat, namely, beef, pork, poultry, game, seafood and shellfish; meat obtained from cellular agriculture, namely, beef, pork, poultry, game, seafood and shellfish; laboratory-grown meat, namely, beef, pork, poultry, game, seafood and shellfish; meat substitutes prepared from cereals.

Class 30

Food products consisting predominantly of cereals; food products predominantly made of flour; binding preparations for meat; flavourings made from meat; meat gravies; ham glaze; meat dumplings (cooked meat in a pastry envelope); pelmeni (dumplings stuffed with meat); pies containing meat; meat pies; pork pies; fresh sausage rolls; sausage rolls; pastries consisting of vegetables and meat; sandwiches; sandwiches containing meat; sandwiches containing minced beef; sausage binding materials; meat tenderisers for culinary purpose; prepared meals containing principally pasta; prepared meals containing principally rice; snack food products consisting predominantly of cereal products.

Priority Details:

Class Number: All

Priority Date: 03/05/2023

Country/Territory: AUSTRALIA

Priority Application Number: 2353521

Goods and/or Services: All goods and/or services claimed in this class

Applicant/Proprietor Details:

Hewitt Agribusiness Pty Ltd
THE ANNEX, LEVEL 5, 12 CREEK STREET
BRISBANE QLD 4000

National Trade Mark No: 40202327344R
International Registration No: 1765688
Date of Protection in Singapore: 10 November 2023
Classes: 07 11 21

KaringBee

Goods and/or Services:

Class 07

Cleaning appliances utilizing steam; steam mops; cordless vacuum cleaners; steam cleaners for household purposes; vacuum cleaners for household purposes; mixing machines; whisks, electric, for household purposes; fruit presses, electric, for household purposes; hand held hydraulic tools.

Class 11

Coffee machines, electric; kettles, electric; microwave ovens [cooking apparatus]; air fryers; fully automatic electric coffee machines; fabric steamers; humidifiers; hand held electric hair dryers; electric fans; radiators, electric.

Class 21

Toothbrushes, electric; heads for electric toothbrushes; water apparatus for cleaning teeth and gums; syringes for watering flowers and plants; lint removers, electric or non electric; containers not of precious metal for household or kitchen use; cleaning instruments, hand operated; animal activated animal feeders; animal activated pet feeders; cosmetic utensils.

Applicant/Proprietor Details:

Heilongjiang Esutong Supply Chain Management Co., Ltd
17-2ND FLOOR, JUNKANG BUILDING,
INTERSECTION OF QUNLI SIXTH AVENUE AND LANGJIANG ROAD,
DAOLI DISTRICT, HARBIN 150000 HEILONGJIANG PROVINCE

National Trade Mark No: 40202327702V

International Registration No: 1765730

Date of Protection in Singapore: 12 June 2023

Classes: 31

Goods and/or Services:

Class 31

Fishmeal for animal consumption; animal foodstuffs; pet food; animal fattening preparations; fodder; fishing bait [live]; animal litter; litter peat; sanded paper [litter] for pets; aromatic sand for pets [litter].

Applicant/Proprietor Details:

Porpoise Aquarium Co., Ltd.
NO. 26, DURAN NORTH 3RD ROAD,
PENGJIANG DISTRICT, JIANGMEN CITY
GUANGDONG PROVINCE

National Trade Mark No: 40202327704W

International Registration No: 1765749

Date of Protection in Singapore: 14 December 2022

Classes: 09 35 36 41 42

MAYBACH

Goods and/or Services:

Class 09

Downloadable virtual goods, namely, computer programs featuring animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragancing preparations,

household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, toys, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use online and in online virtual worlds; downloadable virtual goods, namely, computer programs featuring heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use online and in online virtual worlds; downloadable virtual goods, digital assets, digital items, digital art and digital collectibles, namely computer software and electronic programs featuring blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer software relating to virtual goods, digital assets, digital items, digital art and digital collectibles for use

online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, toys, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, heating,

ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use online and in online virtual worlds; downloadable computer software for interactive virtual worlds for use via a global computer network and through various wireless networks and electronic devices; downloadable software for accessing and streaming multimedia entertainment content; downloadable software for providing access to an online virtual environment; digital media, namely, digital art, in particular, animations, works of art, pictures, statues, figurines, ornaments, decorations, photographs, films and film extracts, authenticated by non-fungible tokens and other digital tokens; software for data storage and content access limitation authenticated by digital tokens used with blockchain technology; downloadable computer software and electronic programs featuring blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer software and electronic programs for the creation and the provision of blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer software and electronic programs for the certification of blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, animal furs, blankets, carpets, rugs and mats, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or

linking to digital or physical, goods made of textiles and fibers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, mats and carpets, textile goods, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, luggage, bags, wallets and other carriers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, clothing, footwear, headwear, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, glasses, sunglasses and contact lenses including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-

collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, jewelry, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, key rings and key chains and charms therefor, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical smartwatches, sporting articles and equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, tableware, cookware and containers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files,

digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, paper and plastic boxes, paper products, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, stationery, writing implements, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, body cleaning and beauty care preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, cleaning and fragrancings preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, household utensils for cleaning, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and

transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, material treatment, room fragrances, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, skin, eye and nail care preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects, on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, intellectual property assets, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips,

photography, music and visual effects on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, engines, powertrains, and machine parts, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, controls for the operation of machines and engines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, controls for the operation of machines and engines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a

blockchain network featuring or linking to digital or physical, computer accessories, digital projectors, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, display devices, television receivers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, point-to-point communication equipment including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on

a blockchain network featuring or linking to digital or physical, articles for use with tobacco, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, chocolates, candies, drinks (non-alcoholic), including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, cases for mobile phones, tins of metal, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, toys, games, playthings and novelties, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, art, trading cards, umbrellas and parasols, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects,

digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio/visual and photographic devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio devices, film and video devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, covers for vehicles, fragrances for automobiles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, heaters for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, land vehicles and their parts and accessories and conveyances, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-

fungible tokens on a blockchain network featuring or linking to digital or physical, land vehicles and their parts and accessories and conveyances, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting apparatus for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, parts and fittings for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, seat covers for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle HVAC systems, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects,

digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle parking and storage, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle seats for children, vehicle tyres, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicles wheels and rims, vehicles and bicycles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, heating, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, ventilating and air conditioning and purification equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-

fungible tokens on a blockchain network featuring or linking to digital or physical, ventilating and air conditioning and purification equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting and lighting reflectors, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, navigation devices, optical devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, enhancers and correctors, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, safety, security, protection and signaling devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or

linking to digital or physical, safety, security, protection and signaling devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, hand operated tools and implements, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lifting tools, moving and handling equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, protective and safety equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, refrigerating and freezing equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects,

digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, avatars, digital overlays, skins, including for access and use in online environments, virtual online environments, extended reality virtual environments; computer software platforms for downloading software, data and image files from the internet; downloadable mobile applications for providing access to crypto-collectibles, crypto-art and application tokens; downloadable software for processing digital images, graphics and text; downloadable software for engaging in social networking and interacting with online communities; downloadable virtual goods, namely, computer programs featuring non-fungible digital asset tokens used with blockchain technology to represent a collectible item for use online and in online virtual worlds, online virtual environments, and extended reality virtual environments; downloadable digital collectibles, namely, audio recordings, video recordings, image

files, music, and multimedia files containing artwork, text, audio, images, or video featuring collectible items authenticated by non-fungible tokens (NFTs); downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and

engines, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, audio/visual and photographic devices, audio devices, film and video devices, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio

recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments on a blockchain.

Class 35

Retail store services and providing marketplace services in relation to virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use online; retail store services and providing marketplace services in relation to virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use online; retail store services and providing marketplace services in relation to virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use online; retail store

services and providing marketplace services in relation to virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use online; retail store services and providing marketplace services in relation to virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use online; retail store services and providing marketplace services in relation to virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use online; retail store services and providing marketplace services featuring virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely,

apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use in online virtual worlds; retail store services and providing marketplace services featuring virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use in online virtual worlds; online retail store services and providing marketplace services in relation to virtual merchandise, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; online retail store services and providing marketplace services in relation to virtual merchandise, namely, furniture and furnishings, tableware, cookware and containers, paper and

plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; online retail store services and providing marketplace services in relation to virtual merchandise, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; online retail store services and providing marketplace services in relation to virtual merchandise, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; online retail store services and providing marketplace services in relation to virtual merchandise, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles; online retail store services and providing marketplace services in relation to virtual merchandise, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, animal furs, blankets, carpets, rugs and

mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, cleaning and fragancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for

mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio/visual and photographic devices, audio devices, film and video devices; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; online retail store services and providing marketplace services for virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical digital animated and non-animated designs and characters, avatars, digital overlays, skins; administration of membership services and customer loyalty programs that

include access to events, programs, and access to digital or physical products; providing incentive award programs for customers and members; provision of an online marketplace for buyers and sellers of downloadable digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, vehicles, vehicle wheels, bicycles, art, toys, accessories and trading cards authenticated by non-fungible tokens (NFTs); online marketplace services, namely, providing a marketplace for buyers and sellers of digital currency assets including non-fungible tokens (NFTs).

Class 36

Financial services; financial services, namely, providing a digital currency or digital token of value; financial services, namely, providing a digital currency or digital token of value for use by members of an online community via a global computer network; issuance of tokens of value; facilitation of financial transactions using unconventional currency systems and bartering, namely, facilitating transfers of electronic cash equivalents; facilitation of crypto-currency transactions, namely, virtual currency exchange transaction services for transferrable electronic cash equivalent units having a specified cash value; financial services, namely, providing electronic transfer of a digital currency for use by members of an online community via a global computer network; cryptocurrency trading services; digital currency exchange services; financial services, namely, providing liquidity services in connection with digital currencies and assets, cryptocurrencies, virtual currency and blockchain-based assets; payment processing; financial transaction services.

Class 41

Entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses

and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, virtual art, trading cards, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual heating, ventilating and air conditioning and purification equipment,

lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use in virtual environments; entertainment services in the nature of online computer games which include non-downloadable publications featuring virtual digital animated and non-animated designs and characters, avatars, digital overlays, skins, for use in virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, animal furs, blankets, carpets, rugs and mats, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, goods made of textiles and fibers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, mats and carpets, textile goods, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, luggage, bags, wallets and other carriers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a

blockchain network featuring or linking to digital or physical, clothing, footwear, headwear, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, glasses, sunglasses and contact lenses for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, jewelry, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, key rings and key chains and charms therefor, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, smartwatches, sporting articles and equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with

non-fungible tokens on a blockchain network featuring or linking to digital or physical, tableware, cookware and containers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, paper and plastic boxes, paper products, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, stationery, writing implements, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, body cleaning and beauty care preparations, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, cleaning and fragancing preparations, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, household utensils for cleaning, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital

collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, material treatment, room fragrances, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, skin, eye and nail care preparations, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, intellectual property assets, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, engines, powertrains, and machine parts, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online

entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, controls for the operation of machines and engines, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, computer accessories, digital projectors, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, display devices, television receivers, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, point-to-point communication equipment for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, articles for use with tobacco, for access and use in online environments, virtual online environments,

extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, chocolates, candies, drinks (non-alcoholic), for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, cases for mobile phones, tins of metal, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, toys, games, playthings and novelties, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, art, trading cards, umbrellas and parasols, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio/visual and photographic devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, audio devices, film and

video devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, covers for vehicles, fragrances for automobiles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, heaters for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, land vehicles and their parts and accessories and conveyances, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting apparatus for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, parts and fittings for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a

blockchain network featuring or linking to digital or physical, seat covers for vehicles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle HVAC systems, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle parking and storage, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle seats for children, vehicle tyres, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicles wheels and rims, vehicles and bicycles, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, heating, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to

digital or physical, ventilating and air conditioning and purification equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting and lighting reflectors, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, navigation devices, optical devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, enhancers and correctors, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, safety, security, protection and signaling devices, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, hand operated tools and implements, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a

blockchain network featuring or linking to digital or physical, lifting tools, moving and handling equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, protective and safety equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, refrigerating and freezing equipment, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments, for access and use in online environments, virtual online environments, extended reality virtual environments; interactive online entertainment services featuring media, video clips, photography, music, data, visual effects, digital collectibles and crypto-collectibles associated with non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, avatars, digital overlays, skins, for access and use in online environments, virtual online environments, extended reality virtual environments; entertainment services, namely, providing online non-downloadable game related to 3D virtual worlds; entertainment services, namely, providing online non-downloadable games related to 3D virtual environments; entertainment services provided via virtual environments in which users can interact for recreational, leisure or entertainment purposes.

Class 42

Providing online non-downloadable software relating to virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; providing online non-downloadable software relating to virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; providing online non-downloadable software relating to virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; providing online non-downloadable software relating to virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; providing online non-downloadable software relating to virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles; providing online non-downloadable software relating to virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation

devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; providing online non-downloadable software relating to virtual goods, namely, digital art, photographs, videos, or audio recordings, online digital artwork and images, non-fungible tokens or other digital tokens based on blockchain technology; providing non-downloadable computer software for the creation, production and modification of animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of cleaning and fragrancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, for access and use in online environments,

virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of audio/visual and photographic devices, audio devices, film and video devices, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, for access and use in online environments, virtual online environments, and

extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments, for access and use in online environments, virtual online environments, and extended reality virtual environments; providing non-downloadable computer software for the creation, production and modification of digital animated and non-animated designs and characters, avatars, digital overlays and skins for access and use in online environments, virtual online environments, and extended reality virtual environments; software as a service featuring non-downloadable virtual animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; software as a service featuring non-downloadable virtual furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; software as a service featuring non-downloadable virtual apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; software as a service featuring non-downloadable virtual articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; software as a service featuring non-downloadable

virtual covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles; software as a service featuring non-downloadable virtual heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; software as a service featuring non-downloadable virtual digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, and trading cards; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical animal furs, blankets, carpets, rugs and mats; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical goods made of textiles and fibers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical mats and carpets, textile goods; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a

blockchain network featuring or linking to digital or physical luggage, bags, wallets and other carriers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical clothing, footwear, headwear; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical glasses, sunglasses and contact lenses; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical jewelry; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical key rings and key chains and charms therefor; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical smartwatches, sporting articles and equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings; providing non-downloadable software for electronically trading, storing, sending,

receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical tableware, cookware and containers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical paper and plastic boxes, paper products; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical stationery, writing implements; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical body cleaning and beauty care preparations; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical cleaning and fragrancings preparations; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical household utensils for cleaning; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-

collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical material treatment, room fragrances; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical skin, eye and nail care preparations; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical sweeping, cleaning, washing and laundering machines; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical intellectual property assets; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical apparatus and instruments for accumulating and storing electricity; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical engines, powertrains, and machine parts; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical controls for the operation of

machines and engines; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical computer accessories, digital projectors; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical display devices, television receivers; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, peripherals adapted for use with computers and other smart devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical point-to-point communication equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical articles for use with tobacco; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical chocolates, candies, drinks (non-alcoholic); providing non-downloadable software for electronically trading, storing, sending, receiving,

accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical cases for mobile phones, tins of metal; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical toys, games, playthings and novelties; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical art, trading cards, umbrellas and parasols; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical audio/visual and photographic devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical audio devices, film and video devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical covers for vehicles, fragrances for automobiles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles,

crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical heaters for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical land vehicles and their parts and accessories and conveyances; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical lighting apparatus for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical parts and fittings for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical seat covers for vehicles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicle HVAC systems; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicle parking and storage; providing non-downloadable software for electronically

trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicle seats for children, vehicle tyres; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical vehicles wheels and rims, vehicles and bicycles; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical heating; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical ventilating and air conditioning and purification equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical lighting and lighting reflectors; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical navigation devices, optical devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods,

digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical enhancers and correctors; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical safety, security, protection and signaling devices; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical hand operated tools and implements; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical lifting tools, moving and handling equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical protective and safety equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical refrigerating and freezing equipment; providing non-downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments; providing non-

downloadable software for electronically trading, storing, sending, receiving, accepting and transmitting interactive media, video clips, photography, music, data, visual effects, virtual goods, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, avatars, digital overlays, skins; creation of computer programs featuring blockchain-based virtual goods, digital assets, digital items, digital art and digital collectibles for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices for use in online virtual worlds; creation of computer programs featuring

blockchain-based virtual goods, namely covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use in online virtual worlds; creation of computer programs featuring blockchain-based virtual goods, namely digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, trading cards for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring collectible goods, images, audio, videos, and digital art for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; provision of online

non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, for use in online virtual worlds; provision of online non-downloadable computer software for generating and

displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely audio/visual and photographic devices, audio devices, film and video devices, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to represent collectible items and featuring virtual goods, namely hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments, for use in online virtual worlds; provision of online non-downloadable computer software for generating and displaying digital tokens, namely blockchain-based non-fungible tokens for data storage and security, to

represent collectible items and featuring virtual goods, namely digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, trading cards, for use in online virtual worlds; platform as a service (PaaS) featuring computer software platforms for providing access to crypto-collectibles, crypto-art and application tokens; platform as a service services featuring computer software platforms for downloading software, data, and image files from the Internet; platform as a service featuring computer software platforms for downloading software, data, and image files from users in the marketplace of the software owner; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring collectible goods, collectible images, audio, videos and digital art for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the

security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely cleaning and fragrancings preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely audio/visual and photographic devices, audio devices, film and video devices, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely covers for vehicles, fragrances for automobiles, heaters for vehicles,

land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments, for use in online virtual worlds; providing an online digital asset platform for digital tokens, namely an online platform for the data storage, the security and the representation of blockchain-based non-fungible tokens and collectible items, and featuring virtual goods, namely digital animated and non-animated designs and characters, avatars, digital overlays, skins, art, trading cards, for use in online virtual worlds; providing an online digital asset platform to view, store, transmit, send, accept, compile, exchange, swap and track non-fungible tokens, virtual goods, digital assets, digital items, digital art and digital collectibles for use in online virtual worlds; software as a service (SaaS) and platform as a service (PaaS) featuring software platforms for providing access to non-fungible tokens, virtual goods, digital assets, digital items, digital art and digital collectibles for use in

online virtual worlds; software as a service and platform as a service featuring software platforms for downloading non-fungible tokens, virtual goods, digital assets, digital items, digital art and digital collectibles for use in online virtual worlds; authentication in the field of crypto-collectibles and animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment; authentication in the field of crypto-collectibles and furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragrancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines; authentication in the field of crypto-collectibles and apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment; authentication in the field of crypto-collectibles and articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, umbrellas and parasols, audio/visual and photographic devices, audio devices, film and video devices; authentication in the field of crypto-collectibles and covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, virtual vehicles and bicycles; authentication in the field of crypto-collectibles and heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical

devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments; providing user authentication services using blockchain-based software technology; providing temporary use of online non-downloadable software programs for product and document authentication and tracking, and brand monitoring and protection, for protecting against counterfeiting, tampering, and diversion, and for ensuring the integrity of genuine products and documents; authentication and certification services of blockchain-based non-fungible tokens for use in online virtual worlds.

QXP

Goods and/or Services:

Class 07

Machines for semiconductor processing / manufacturing; machines for thin film deposition; semiconductor chip manufacturing equipment; semiconductor wafer processing equipment; semiconductor manufacturing machines, namely, chemical vapor deposition (CVD) reactors, plasma-enhanced chemical vapor deposition (PECVD) reactors, atomic layer deposition (ALD) reactors or atomic vapor deposition (AVD) reactors and component parts of CVD, PECVD, ALD or AVD reactors, namely, injection apparatus and instruments for liquid or gaseous substances for the manufacture of semiconductors; machines for the production of semiconductors; robots, vacuum systems, motors and engines, drive units, parts of machines and control mechanisms for operating semiconductor manufacturing machines; control mechanisms for machines for manufacturing semiconductors; injection machines for use in manufacturing semiconductors for injection of liquid or gaseous material and not for medical purposes; apparatus for processing and manufacturing semiconductors or for thin film deposition; industrial cleaning apparatus using air to assist in the cleaning of components in the semiconductor industry; metal organic vapor deposition equipment for use in the manufacture of semiconductors.

Class 09

Software for use with apparatus, instruments or computers for semiconductor

processing or for thin film deposition; semiconductor testing equipment; computer software for use in processing semiconductor wafers; electronic semiconductor control, checking and measuring devices, namely, computer hardware and software for use in measuring, checking and controlling thin film growth or deposition on wafer surfaces and wafer surface temperatures of individual semiconductor wafers; semiconductors; control software for use in operating semiconductor manufacturing machines and installations for chemical vapor deposition (CVD) reactors, plasma-enhanced chemical vapor deposition (PECVD) reactors, atomic layer deposition (ALD) reactors or atomic vapor deposition (AVD) reactors for deposition of thin films onto surfaces; operating system software for use in operating semiconductor manufacturing machines and installations for chemical and/or plasma enhanced vapor deposition of polymers onto surfaces; electronic controllers and measuring devices used with semiconductor manufacturing machines and installations for chemical and/or plasma enhanced vapor deposition of polymers onto surfaces.

Class 11

Industrial drying apparatus using air for drying components in the semiconductor industry; industrial drying apparatus using air to assist in the cleaning of components in the semiconductor industry.

Class 40

Processing of semiconductors or deposition of thin films on substrates; consulting services pertaining to the material transformation of the surface of industrial products relating to chemical and/or plasma-enhanced vapor deposition, in particular in relation to the operation of machines and installations for chemical vapor deposition (CVD), plasma enhanced chemical vapor deposition (PECVD), atomic layer deposition (ALD) or atomic vapor deposition (AVD) of thin films onto surfaces.

Class 42

Research and development services for semiconductor processing or deposition of

thin films on substrates; scientific and technological services, namely, research and design in the field of material transformation of the surface of industrial products relating to chemical vapor deposition (CVD), plasma-enhanced chemical vapor deposition (PECVD), atomic layer deposition (ALD) or atomic vapor deposition (AVD) of thin films, in particular in relation to the operation of machines and installations for CVD, PECVD, ALD and AVD of thin films onto surfaces; industrial research in the field of material transformation of the surface of industrial products relating chemical vapor deposition (CVD), plasma-enhanced chemical vapor deposition (PECVD), atomic layer deposition (ALD) or atomic vapor deposition (AVD) of thin films, in particular in relation to the operation of machines and installations for chemical vapor deposition (CVD), plasma-enhanced chemical vapor deposition (PECVD), atomic layer deposition (ALD) or atomic vapor deposition (AVD) of thin films onto surfaces; design and development of computer hardware and software, in particular for operating machines and installations for chemical vapor deposition (CVD), plasma-enhanced chemical vapor deposition (PECVD), atomic layer deposition (ALD) or atomic vapor deposition (AVD) of thin films onto surfaces; technical consulting in the field of new product design and development, namely, in the field of chemical vapor deposition (CVD), plasma enhanced chemical vapor deposition (PECVD), atomic layer deposition (ALD) or atomic vapor deposition (AVD) of thin films, in particular in relation to the design of machines and installations for chemical vapor deposition (CVD), plasma enhanced chemical vapor deposition (PECVD), atomic layer deposition (ALD) or atomic vapor deposition (AVD) of thin films.

QXP+

Goods and/or Services:

Class 07

Machines for semiconductor processing / manufacturing; machines for thin film deposition; semiconductor chip manufacturing equipment, namely, semiconductor chip manufacturing machines; semiconductor wafer processing equipment; semiconductor manufacturing machines, namely, chemical vapor deposition (CVD) reactors, plasma-enhanced chemical vapor deposition (PECVD) reactors, atomic layer deposition (ALD) reactors or atomic vapor deposition (AVD) reactors and component parts of CVD, PECVD, ALD or AVD reactors, namely, injection apparatus and instruments for liquid or gaseous substances for the manufacture of semiconductors; machines for the production of semiconductors; robots, vacuum systems, motors and engines, drive units, parts of semiconductor manufacturing machines and control mechanisms for operating semiconductor manufacturing machines; injection machines for use in manufacturing semiconductors for injection of liquid or gaseous material and not for medical purposes; industrial cleaning apparatus using air to assist in the cleaning of components in the semiconductor industry; metal organic vapor deposition equipment, namely, vapor deposition apparatus for semiconductor processing machines, and chemical vapor deposition apparatus for use in manufacturing semiconductors; apparatus for processing and manufacturing semiconductors or for thin film deposition.

Class 09

Recorded computer software for semiconductor processing or for thin film deposition; semiconductor testing apparatus; computer software for use in processing semiconductor wafers; electronic semiconductor control, checking and measuring devices, namely, computer hardware and recorded computer software for use in measuring, checking and controlling thin film growth or deposition on wafer surfaces and wafer surface temperatures of individual semiconductor wafers; semiconductors; downloadable computer control software for use in operating semiconductor manufacturing machines and installations for chemical vapor deposition (CVD)

reactors, plasma-enhanced chemical vapor deposition (PECVD) reactors, atomic layer deposition (ALD) reactors or atomic vapor deposition (AVD) reactors for deposition of thin films onto surfaces; downloadable computer operating system software for use in operating semiconductor manufacturing machines and installations for chemical and/or plasma enhanced vapor deposition of polymers onto surfaces; electronic controllers and measuring devices used with semiconductor manufacturing machines and installations for chemical and/or plasma enhanced vapor deposition of polymers onto surfaces.

Class 11

Industrial drying apparatus using air for drying components in the semiconductor industry; industrial drying apparatus using air to assist in the cleaning of components in the semiconductor industry.

Class 40

Processing of semiconductors or deposition of thin films on substrates; consulting services pertaining to the material transformation of the surface of industrial products relating to chemical and/or plasma-enhanced vapor deposition, in particular in relation to the operation of machines and installations for chemical vapor deposition (cvd), plasma enhanced chemical vapor deposition (pecvd), atomic layer deposition (ald) or atomic vapor deposition (avd) of thin films onto surfaces.

Class 42

Research and development services for semiconductor processing or deposition of thin films on substrates; scientific and technological services, namely, research and design in the field of material transformation of the surface of industrial products relating to chemical vapor deposition (cvd), plasma-enhanced chemical vapor deposition (pecvd), atomic layer deposition (ald) or atomic vapor deposition (avd) of thin films, in particular in relation to the operation of machines and installations for cvd, pecvd, ald and avd of thin films onto surfaces; industrial research in the field of

material transformation of the surface of industrial products relating chemical vapor deposition (cvd), plasma-enhanced chemical vapor deposition (pecvd), atomic layer deposition (ald) or atomic vapor deposition (avd) of thin films, in particular in relation to the operation of machines and installations for chemical vapor deposition (cvd), plasma-enhanced chemical vapor deposition (pecvd), atomic layer deposition (ald) or atomic vapor deposition (avd) of thin films onto surfaces; design and development of computer hardware and software, in particular for operating machines and installations for chemical vapor deposition (cvd), plasma-enhanced chemical vapor deposition (pecvd), atomic layer deposition (ald) or atomic vapor deposition (avd) of thin films onto surfaces; technical consulting in the field of new product design and development, namely, in the field of chemical vapor deposition (cvd), plasma enhanced chemical vapor deposition (pecvd), atomic layer deposition (ald) or atomic vapor deposition (avd) of thin films, in particular in relation to the design of machines and installations for chemical vapor deposition (cvd), plasma enhanced chemical vapor deposition (pecvd), atomic layer deposition (ald) or atomic vapor deposition (avd) of thin films.
