General Information

1. Trade Marks Journal

This journal is published by the Registry of Trade Marks pursuant to Rule 86A of the Trade Marks Rules. It is published weekly on Fridays, unless otherwise directed by the Registrar.

2. Notice of Opposition

Any person who wishes to oppose any of the marks published may within two months from its publication date file a Notice of Opposition on Form TM11. Reasonable notice should be given to the Applicant beforehand, to provide the Applicant an opportunity to withdraw the application. Failure to give such notice will be taken into account when considering any application by an Opponent for an Order of Costs if the opposition is uncontested by the Applicant.

3. Practice Directions and Circulars

The Registry has ceased our practice of publishing Practice Directions and Circulars in the Trade Marks Journal. Practice Directions and Circulars are available on our website at <https://www.ipos.gov.sg>. If you wish to receive our updates via email, you may subscribe to our mailing list by sending an email to news@ipos.gov.sg and letting us know the subject matter of interest (e.g. Trade Marks).

4. Information Contained in this Journal

The Registry of Trade Marks does not guarantee the accuracy of its publications, data records or advice nor accept any responsibility for errors or omissions or their consequences. Permission to reproduce extracts from this Journal must be obtained from the Registrar of Trade Marks.

National Applications Published For Opposition

Goods and/or Services:

Class 09

Software; software development tools; software for use as an application programming interface (api); application programming interface (api) for use in building software applications; software for the collection, managing, editing, organizing, modifying, transmission, sharing, accessing, transferring, distribution and storage of data and information; distributed ledger platform software; software for facilitating a financial exchange; software for facilitating payments; software for the digital exchange of virtual items and currency; blockchain software; software for enhancing security, efficiency and privacy in online transactions; blockchain application software; software for use with blockchain technology; software in the field of blockchain; software for electronic funds transfer; software for currency conversion; software for payment transactions; software for processing transactions; software for electronic transactions; electronic currency converters; software for payment systems; software for enabling the transfer of financial instruments;

software for facilitating, implementing, managing, verifying, processing, recording and settling financial transactions; software for use with digital currency, cryptocurrency, virtual currency and fiat currency; software for the management of cryptographic security of electronic transmissions across computer networks; software for encrypting, facilitating, and enabling secure transmission of digital information; software for connecting computers to local databases and global computer networks; software for creating searchable databases of information and data; software for creating and managing smart contracts; software for developing, deploying, and managing software applications, and integrating software applications for digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; software for use in facilitating the use of a blockchain or distributed electronic ledger to execute and record financial transactions, namely, financial trades made with the use of digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; software and hardware for use in electronically exchanging currency for digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; software for facilitating money transfers, electronic funds transfers, bill payment remittance, and transferring funds between parties; software, namely, electronic financial platform that accommodates multiple types of payment and transactions; software for network identification verification, authentication and management services for security purposes; software for providing authentication of parties to a financial transaction; software for blockchain-based platforms, namely, software for storing, accessing, compiling and delivering data and digital information; software for blockchain-based platforms, namely, software for verifying, recording, and managing transactions; software for managing and validating digital currency, virtual currency, cryptocurrency, digital asset, blockchain asset, digitized asset, digital token, crypto token and utility token transactions, transfers and payments; software for managing payment and exchange transactions; software that allows

users to view, analyze, record, store, monitor, manage, trade and exchange digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; software for sending, receiving, transferring, accepting, buying, selling, storing, transmitting, trading and exchanging digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; software for creating accounts and maintaining and managing information about financial transactions on distributed ledgers and peer to peer payment networks; electronic wallets used for blockchain applications; blockchain applications and wallets; software for storing cryptocurrency, digital currency, virtual currency, and other digitized assets; software for use an electronic wallet; software for use as a cryptocurrency wallet.

Class 35

Reconciling financial transactions; data processing services; business and advertising services; business information; marketing, advertising and promotion services; promoting the goods and services of others via computer and communication networks; business administration and management services; facilitating the trade exchange and sale of services and products of third parties via computer and communication networks; providing online marketplaces for sellers of goods and/or services; arranging of trading transactions and commercial contracts; arranging and concluding commercial transactions for others; arranging of trading transactions online; provision of commercial trading information from online databases; providing business advice and information in the field of blockchain; compiling indexes of information.

Class 36

Financial services; financial exchange; financial transaction services; providing financial information; payment processing services; payment and funds verification services; blockchain-based payment verification; cryptocurrency payment processing;

financial services, namely, facilitating payments; facilitating transfers of electronic cash equivalents; electronic funds transfer; electronic payment services; electronic processing and subsequent transmission of bill payment data; bill payment services; facilitation of peer to peer payment services; providing financial transaction and payment processing services via an internet website portal; providing electronic transfer of cryptocurrency, virtual currency and digital currency; trading services for digital currency, virtual currency, cryptocurrency, digital and blockchain assets and digitized assets; transaction processing and exchange services for digital currency, virtual currency, cryptocurrency, digital and blockchain assets, and digitized assets; currency dealing services; currency trading; currency transfer services; currency exchange services; money exchange services; electronic transfer of money; electronic transfer of financial instruments; monetary exchange; clearing; providing electronic processing and tracking of electronic funds transfers; financial services, namely, providing virtual currency services for use by members of an online community via a global computer network; financial services, namely, providing a financial exchange for the trading of digital currency, virtual currency, cryptocurrency, digital and blockchain assets, and digitized assets; cryptocurrency, virtual currency and digital currency trading services; cryptocurrency, virtual currency and digital currency exchange services; electronic trading of financial instruments; electronic commerce payment services; blockchain-based payment verification services; digital currency wallet payment services; electronic wallet payment services in relation to digital currency; digital currency wallet payment services; processing of electronic wallet payments; e-wallet payment services.

Class 42

Providing a website for connecting sellers with buyers; design and development of computer hardware and software; writing and updating software; computer programming services; computer system design services; computer software maintenance services; computer software support services; information technology

(IT) services; application service provider (ASP) services; software as a service (SaaS) services; platform as a service (PaaS) services; providing cloud computing software; design and development of technology solutions; providing information on distributed ledger technology via a website; providing software for use with blockchain technology; providing software for facilitating payments; providing software that enables users to trade and exchange data and information; providing software that enables users to trade cryptocurrency, digital currency and financial assets; computer programming for electronic commerce; providing non-downloadable software featuring technology that enables the exchange of information, data and digital currency; electronic storage services; electronic data storage services; electronic storage of virtual currency, digital currency and cryptocurrency; providing software for enabling the transfer of financial instruments; software as a service (SaaS) services, namely, software using distributed ledger technology; providing software that allows users to view, analyze, record, store, monitor, manage, trade, transfer, and exchange digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; providing software for sending, transferring, receiving, accepting, buying, selling, storing, transmitting, trading and exchanging digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; providing software for facilitating, implementing, recording and settling financial transactions; providing software for creating accounts and maintaining and managing information about financial transactions; providing software for payment systems; providing software for the collection, managing, editing, organizing, modifying, transmission, sharing, accessing, transferring, distribution and storage of data and information; providing electronic financial platform software; providing software for use with digital currency, cryptocurrency, virtual currency and fiat currency; providing software for the management of cryptographic security of electronic transmissions across computer networks; providing software for facilitating money transfers, electronic funds

transfers, bill payment remittance, and transferring funds between parties; providing software for use as an application programming interface (API) for the development, testing, and integration of blockchain software applications; providing software for use in financial trading; providing software for use in financial exchange; providing software for payment and exchange transactions; providing software for use in processing financial transactions; providing software for electronic funds transfer; providing software for currency conversion; providing software for connecting computers to local databases and global computer networks; providing software for creating searchable databases of information and data; providing software for managing, verifying, and validating digital currency, virtual currency, cryptocurrency, digital asset, blockchain asset, digitized asset, digital token, crypto token and utility token transactions; providing software for creating and managing smart contracts; providing software for electronically exchanging currency for digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; providing software for encrypting and enabling secure transmission of digital information; providing software for use in securely managing the conversion of digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; hosting a website for users to access information in the field of virtual currencies, digital and blockchain assets; platform as a service (PaaS) featuring computer software platforms for the selling and purchasing digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; software as a service (SaaS) featuring computer software platforms for the selling and purchasing digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; platform as a service (PaaS) featuring computer software platforms for managing blockchain and token driven, distributed storage computer systems; software as a service (SaaS) featuring computer software platforms for managing blockchain and token driven, distributed storage

computer systems; computer services, namely, providing a decentralized electronic file storage system; providing software for creating a decentralized system for processing and managing payments and transactions; computer services, namely, providing a decentralized storage platform for end-to-end encryption and powered by blockchain and blockchain payments; data encryption services featuring blockchain software technology and peer-to-peer protocols to provide secure, private, and encrypted storage; providing software for democratically managing digital exchanges for virtual items through smart contracts; platform as a service (PaaS) featuring software platforms for authenticating, facilitating, matching, processing, clearing, storing, receiving, tracking, transferring, and submitting trade data, exchanging of trading transaction details, and management of the overall trading lifecycle; software as a service (SaaS) featuring software platforms for authenticating, facilitating, matching, processing, clearing, storing, receiving, tracking, transferring, and submitting trade data, exchanging of trading transaction details, and management of the overall trading lifecycle; software as a service (SaaS) services featuring software for clearing, allocation, compliance, recordation and settlement of trading related to digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; platform as a service (PaaS) services featuring software for clearing, allocation, compliance, recordation and settlement of trading related to digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; platform as a service (PaaS) featuring software platforms for facilitating transactions and payments using digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; software as a service (SaaS) featuring software platforms for facilitating transactions and payments using digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; blockchain-based software platforms and distributed computing software platforms for auditing and verifying digital information and codes; software platforms

for decentralized blockchain style communication; software platforms for the tracking and support of data transactions; design, development, and implementation of software for distributed computing platforms; providing software platforms for facilitating transactions and payments; providing software for use in accessing, reading, tracking, and using blockchain technology; technical consultancy services related to digital currency, virtual currency, cryptocurrency, digital and blockchain asset, digitized asset, digital token, crypto token and utility token transactions; platform as a service (PaaS) featuring computer software platforms for computer system and application development, deployment, and management; software as a service (SaaS) featuring computer software platforms for computer system and application development, deployment, and management; providing software enabling users to develop, build and run distributed applications through an open-source peer-to-peer smart-contract and payment network platform; providing authentication software for controlling access to and communications with computers and computer networks; providing authentication services for using blockchain-based software technology for cryptocurrency transaction; providing software for use as a cryptocurrency wallet; providing software for use as an electronic wallet; providing software for use with digital currency wallet and storage services.

Classes: 06 09 11 19 37 42

Goods and/or Services:

Class 06

Metal materials for building or construction; clean room assembly sets of metal; sterile room (sanitary installations) assembly sets of metal; prefabricated buildings assembly sets of metal; buildings assembly sets of metal.

Class 09

Cell separator for research use and parts thereof; cell incubators; incubators and thermostats for culturing and storing cells for experiments and research; cell culture

equipments for experiments and research; safety cabinets for biohazard countermeasures; safety cabinets for laboratories; laminar flow cabinets for laboratories; clean benches for laboratories; laboratory apparatus and instruments; measuring or testing machines and instruments; electric or magnetic meters and testers; electric wires and cables; telecommunication machines and apparatus; personal digital assistants; smartphones; computers and their peripherals; computer programs; electronic publications.

Class 11

Boilers (other than parts of non-electric prime movers or engines); air-conditioning installations for industrial purposes; industrial air purifiers; air filters for air conditioning equipments; filters for air purifiers for industrial purposes; industrial ventilation installations; filters for industrial ventilation installations; air conditioners for industrial purposes; freezing machines and apparatus for industrial purposes; tap water faucets; level controlling valves for tanks; pipe line cocks; wastewater treatment equipments for industrial purposes; water purifying apparatus for industrial purposes; electric lamps and lighting apparatus.

Class 19

Building materials made of linoleum; plastic building materials; synthetic building materials; asphalt, and asphalt building or construction materials; rubber building or construction materials; plaster for building purposes; lime building or construction materials; building or construction materials of plaster; rockslide retention nets of textiles; clean room assembly sets [structures or buildings], not of metal; sterile room (sanitary installations) assembly sets [structures or buildings], not of metal; prefabricated buildings assembly sets [structures or buildings], not of metal; buildings assembly sets [structures or buildings], not of metal.

Class 37

Safety cabinet installation; clean bench installation; installation of clean room

systems; installation of air conditioning systems; installation of freezing machines and apparatus; duct cleaning, repair, maintenance and installation services; installation of deodorizers and air purifiers; installation of dust collectors; installation of ventilation equipments; repair, reinforcement and renovation of buildings and structures; electrical installation services; providing electrical work information; agency services for renovation, repair and maintenance of electrical wiring and maintenance, installation and repair of electrical items and equipment; installation of electrical equipments or electrical devices; installation of fire extinguishing installations and devices; installation of water supply equipments; construction work; advice or consultancy on electrical work; advice on installation of safety cabinets; advice on installation of clean benches; advice on building construction; maintenance and servicing of power supply installations, electrical installations, power generation installations, air conditioning installations, hot water supply, drainage installations, gas installations, sanitation installations, fire protection installations, and fire extinguishing installations for buildings, structures, and construction; diagnostic maintenance services of electrical equipment for power supply installations, electrical installations, power generation installations, air conditioning installations, hot water supply, drainage installations, gas installations, sanitation installations, fire protection installations, and fire extinguishing installations for buildings, structures, and construction; operation, inspection, and maintenance of building installations; repair or maintenance of clean room installations; repair or maintenance of fire extinguishing installations; repair or maintenance of fire alarms; repair or maintenance of air conditioning installations; repair or maintenance of air purifiers; repair or maintenance of dust collectors; repair or maintenance of ventilation equipments; repair or maintenance of metal ducts for ventilation equipments and air conditioning equipments; cleaning of ventilation equipments and filters for ventilation equipments; cleaning of air filters for air conditioning installations; repair or maintenance of air filters for air-conditioning equipments; repair or maintenance of air conditioners for industrial purposes; repair or maintenance of boilers; repair or

maintenance of pumps; repair or maintenance of freezing machines and apparatus for industrial purposes; repair or maintenance of safety cabinets for laboratories; repair or maintenance of clean benches for laboratories; repair or maintenance of telecommunication machines and apparatus; repair or maintenance of electric lighting apparatus; repair or maintenance of laboratory apparatus and instruments; repair or maintenance of measuring and testing machines and instruments; repair or maintenance of medical apparatus and instruments; repair or maintenance of reservoirs; repair or maintenance of drainpipes; repair or maintenance of water pollution control equipments; repair or maintenance of water supply equipments; repair or maintenance of water purifying apparatus for industrial purposes.

Class 42

Architectural design; surveying; design of wastewater treatment facilities; planning and design of layouts for clean room environments; planning and design of layouts for sterile room (sanitary facility) environments; design of electrical equipments or telecommunications equipments and provision of advice or information related thereto; design of air conditioning apparatus; design of wastewater treatment equipments; designing of machines, apparatus, instruments [including their parts] or systems composed of such machines, apparatus and instrument; design services; technological and scientific advisory and consultancy services for the introduction and explanation of the performance and operating methods of computers, automobiles, and other machines that require a high degree of specialized knowledge, skill, or experience to operate properly for their intended use; technical and scientific testing, research or surveys, provision of information, advisory and consultancy services relating to the aforementioned services; research on building construction or city planning; testing or research on electricity; testing or research on machines, apparatus and instruments; rental of computers; providing computer programs on data networks.

LM-DENTAL

Goods and/or Services:

Class 05

Pharmaceutical and veterinary preparations; sanitary preparations for medical and dental purposes; disinfectants; pharmaceutical preparations for dental purposes, namely medicines, ointments, tablets and mouth washes; adhesive and cleaning powders, disinfectants, polishes, all for dental and dental technology purposes; metals and alloys for dental and dental technology purposes; solutions and sprays for disinfecting hands and for disinfecting surfaces, fittings, instruments and internal spaces; wadding for medical and dental use; glues for medical and dental use; tapes and adhesive films for medical and dental use; sterilizing preparations.

Class 08

Sharpening apparatus for medical and dental instruments.

Class 09

Scientific, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), and teaching apparatus and instruments; data processing equipment and computers; apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; recorded and downloadable media, computer software, blank digital or analogue recording and storage media; tracking system consisting of readers [data processing equipment], computer servers and tracking software for dental clinic workflow and data management.

Class 10

Surgical, medical, dental and veterinary apparatus and instruments; suture materials; orthodontic appliances; orthodontic brackets for use in straightening teeth; rings (teething -); orthodontic apparatus, appliances and instruments; medical and dental hand tools; dental hand instruments; dental stripholders; dental multiseptors; dental curettes; dental sickles; dental scalers; dental carvers; dental pluggers; dental burnishers; dental condensers; dental modellers; dental spatulas; dental instruments with coating; non-stick dental restoration instruments; sharpen free periodontal instruments; dental instruments for composite fillings; tips and coatings of steel alloy being parts of dental instruments; protective sleeves for dental instruments, scalers, hand instruments and drills; aesthetic dental restoration instruments; aesthetic restoration diagnostic devices and instruments; dental veneer cementation devices and instruments; dental rotary instruments; dental ultrasonic apparatus and instruments; dental ultrasonic scalers; electrical air polishing apparatus for dental use; cleaning instruments for periodontal treatment; cleaning instruments for dental prophylactic treatment; air polishing instruments for periodontal treatment; air polishing instruments for dental prophylactic treatment; trays, containers and

cassettes for medical and dental use.

Class 35

Retail and whole sale of medical and dental apparatus and instruments;
administrative processing of purchase orders in the field of medical and dental care;
computerized database management in the field of medical and dental care.

Class 37

Maintenance and repair of medical and dental apparatus and instruments.

Class 44

Leasing of medical and dental apparatus and instruments; consultation in relation to
medical and dental care.

REMY MARTIN

Goods and/or Services:

Class 09

Virtual goods downloadable via software, namely, beverages, clothing, headwear, fine tableware goods, all the aforesaid goods used online or on a blockchain; security tokens [encryption devices]; downloadable computer software for managing blockchain-based non-fungible transactions; downloadable computer software for accessing, reading and tracking information in the field of digital assets, namely, blockchain-based non-fungible tokens; downloadable digital files representing works of art; downloadable digital files representing images; software for digital collectibles using blockchain-based software technology; downloadable digital media content, namely, digital collectibles created from blockchain-based software technology; digital content, namely, downloadable digital files authenticated by non-fungible tokens [NFTs]; downloadable digital files representing trading cards; downloadable software for managing services with respect to digital collectibles; downloadable software for transactions on digital collectibles; downloadable software for managing a register using blockchain-based software technology.

Class 35

Retail store services for virtual goods, namely, computer programs offering downloadable virtual goods, namely, beverages, clothing, headwear, fine tableware goods, all the aforesaid goods for use online or on a blockchain; online retail services in relation to virtual merchandise, namely, computer programs offering downloadable virtual goods, namely, beverages, clothing, headwear, fine tableware goods;

organization and conducting of art exhibitions for commercial or advertising purposes; auctioneering services; business negotiation services; providing online marketplaces for sellers and buyers of digital works of art; online retail services for downloadable digital files representing works of art; the bringing together, for the benefit of third parties, of digital works of art, enabling customers to conveniently view and purchase those goods in online marketplaces via a website; providing online marketplaces for buyers and sellers of digital works of art.

Class 36

Virtual currency services; electronic cash services [payment services]; blockchain-based payment verification services; services for the financial exchange of cryptocurrency; services for the financial exchange of cryptocurrency on a blockchain; financial exchange of cryptographic assets; financial exchange of virtual currency; financial services, namely, offering a virtual currency for use by members of an online community via a global computer network; financial services, namely, offering electronic transfer of a virtual currency for use by members of an online community via a global computer network; financial services, namely, online services for real-time currency market speculation; Valuation of digital works of art.

Class 38

Signal transmission for auctioneering online digital works of art via telecommunications systems; providing access to paperless marketplaces for connecting sellers and buyers; electronic transmission of downloadable digital files authenticated by non-fungible tokens [NFTs].

Class 41

Entertainment services, namely, providing online games offering the provision of non-downloadable virtual beverages for use in virtual environments or on a blockchain.

Class 42

Building an Internet platform for electronic auctions; computer Platform as a Service [PaaS]; non-fungible digital asset quality control and authentication services.

Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; apparatus and instruments for recording, transmitting,

reproducing or processing sound, images or data; recorded and downloadable media, computer software, blank digital or analogue recording and storage media; mechanisms for coin-operated apparatus; cash registers, calculating devices; computers and computer peripheral devices; diving suits, divers' masks, ear plugs for divers, nose clips for divers and swimmers, gloves for divers, breathing apparatus for underwater swimming; fire-extinguishing apparatus; alarms; apparatus for recording, transmission, processing, and reproduction of sound, images, or data; application software; application software for hand-held devices; application software for mobile phones; application software for wireless devices; arm rests for use with computers; audio and video recordings; audio books; audio discs; audio players; audio recordings; audio speakers; authentication software; auxiliary batteries for mobile phones; bags for cameras and photographic equipment; batteries; battery chargers for home video game machines; bicycle helmets; binoculars; calculators; camcorders; cameras; cases for tablet computers; CDs; cell phone battery chargers; cellular telephone accessories; cellular telephone cases; cellular telephone covers; chips containing musical recordings; CMS software [content management system]; collaboration management software platforms; collaboration software platforms [software]; communications networks; compact disc players; compact disc recorders; compact discs; computer application software featuring games and gaming; computer disc drives; computer docking station; computer game discs; computer game programs; computer game software downloadable from a global computer network; computer game software, downloadable; computer game software, recorded; computer games; computer gaming software; computer hardware; computer hardware for games and gaming; computer joysticks; computer keyboards; computer mice; computer monitors; computer mouse; computer programs for user interface design; computer software applications, downloadable; computer software for accessing computer networks; computer software for the administration of on-line games and gaming; computer software for use in creating and designing websites; computer software for use in providing multiple user access to a global computer

information network; computer software for wireless content delivery; computer software platforms; computer software platforms for social networking; computer software platforms, recorded or downloadable; computer software, recorded; covers for computer keyboards; covers for PDAs; data transmission networks; decorative magnets; desktop computers; devices for hands-free use of mobile phones; devices for streaming media content over local wireless networks; digital audio interface apparatus; digital audio players; digital cameras; digital media, namely, pre-recorded downloadable audio and video recordings, CDs, DVDs, high definition digital discs, MP3 files and MP4 files; digital picture frames; digital versatile discs; digital video and audio players; digital video discs; digital video players; display monitors; downloadable computer game programs; downloadable computer games; downloadable electronic games; downloadable electronic newsletters; downloadable electronic newsletters in the fields of games and gaming; downloadable electronic publications; downloadable electronic publications in the fields of games and gaming; downloadable electronic publications relating to games and gaming; downloadable information relating to games and gaming; downloadable interactive entertainment software for playing computer games; downloadable interactive entertainment software for playing video games; downloadable mobile applications; downloadable mobile applications featuring games and gaming; downloadable screen-savers; downloadable software applications for mobile phones; downloadable software in the nature of a mobile application for playing games; downloadable telephone ring tones; downloadable video game software; downloadable videos; downloadable videos featuring games and gaming; downloadable wallpapers; drawing apparatus and instruments adapted for use with computers; DVD players; DVD recorders; DVDs; electronic books; electronic coding units; electronic interfaces for motion simulator platforms; electronic locks; electronic paper (display devices); electronic personal organizers; electronic publications, downloadable; electronic publications, downloadable, relating to games and gaming; electronically encoded wristbands; encoded loyalty cards; eyeglass cases; eyeglasses; face plates for cellular

telephones; facial analysis software; game development software; games software for use with video game consoles; gaming software; graphical user interface software; hands-free microphones for cell phones; headphones; headsets; headsets for virtual reality games; inflatable vests for use in life saving; intelligent gateways for real-time data analysis; interactive entertainment software; interactive game software; interface software; joystick chargers; joysticks adapted for smartphones; karaoke machines; keyboards; laptop bags; laptop covers; laptop sleeves; laser pointers; lasers; life vests; machine learning software for analysis; magnets, magnetizers and demagnetizers; media content; microphones; mobile application software; mobile phone speakers; mobile software; motion picture films; mouse mats; mouse pads [computer peripheral]; mice; MP3 players; multimedia players; musical recordings; navigation, guidance, tracking, targeting and map making devices; operating system programs for smart television; optical devices, enhancers and correctors; peripherals adapted for use with computers; personal digital assistants; platform software; portable tablet computer sleeves; power units [batteries]; pre-recorded videos; pre-recorded videos featuring games and gaming; printers; projector screens; projectors; protective clothing [body armour]; protective helmets for sports; radios; real-time collaborative editing [RTCE] platforms [software]; recorded computer game programs; recorded content; recorded content featuring games and gaming; research apparatus and instruments; scientific research and laboratory apparatus, educational apparatus and simulators; selfie sticks used as smartphone accessories; smart bracelets; smart cards; smart glasses; smart home software; smart locks; smart rings; smart speakers; smart watches; smartbands; snorkels; software applications for use with mobile devices; software for designing online advertising on websites; sunglasses; surge protectors; swim masks; swimming goggles; system support software; telecommunications networks; telephone covers; telephones; television sets; training guides in electronic format; USB flash drives; USB sticks; video cameras; video game programs; video game software; video players; video recordings; virtual reality computer game software; virtual reality game software;

walkie-talkies; weapons simulators; web content management [WCM] software; website development software; wireless headsets; wireless headsets for mobile phones; computer software, recorded; pedometers; apparatus to check franking; apparatus to check stamping mail; cash registers; mechanisms for coin-operated apparatus; dictating machines; facsimile machines; automatic measuring instruments; measures; digital signs; answering machines; baby monitors; cameras [photography]; measuring apparatus; air analysis apparatus; taximeters; lactometers; audiovisual teaching apparatus; measuring devices, electric; lasers, not for medical purposes; optical lenses; wires, electric; electronic chips; atomizing chips; sensor; video screens; domestic remote controller; optical fibers [fibres] [light conducting filaments]; heat regulating apparatus; lightning conductors [rods]; lightning conductors / lightning arresters; electrolyzers; fire hose; radiology screens for industrial purposes; filters for respiratory masks; whistle alarms; fire alarms; eyeglasses; batteries for lighting; X-ray films, exposed; decorative magnets; facial recognition apparatus; egg-candlers; electronic collars to train animals; electrified fences; sports whistles; parts and fittings for the aforesaid goods.

Class 41

Education; providing of training; entertainment; sporting and cultural activities; administration [organisation] of gaming services; arcade game services; arranging and conducting of entertainment events for charitable purposes; arranging and conducting of games; arranging and conducting of in-person educational forums; arranging and conducting of sports events for charitable purposes; conducting events relating to electronic games and internet games; development, creation, production, and distribution of digital multimedia and audio and visual content, namely, motion picture films, television programs, radio programs, and multimedia entertainment and educational content; development, creation, production, distribution, and rental of audio and visual recordings; education services relating to business franchise management relating to the gaming industry; educational

research; electronic arcade game services; electronic desktop publishing; electronic games services; electronic games services provided by means of a global communication network; electronic games services provided by means of the internet or other communication network; electronic games services provided from a computer database or by means of the internet; entertainment information; entertainment provided via a global communication network; entertainment provided via a global communication network for the gaming industry; entertainment services; entertainment services for the gaming industry; game services provided by means of communications by computer terminals or mobile telephone; game services provided online from a computer network or mobile phone network; game services provided via communication networks; game shows; games equipment rental; games offered on-line (on a computer network); games services provided online from a computer network; games services provided via computer networks and global communication networks; gaming services; gaming services for entertainment purposes; hire of equipment for games; information relating to computer gaming entertainment provided online from a computer database or a global communication network; interactive entertainment services; interactive entertainment services for the gaming industry; interactive online entertainment services; interactive online entertainment services for the gaming industry; providing non-downloadable games on the Internet; leisure services; multimedia publishing of games; multimedia publishing of video games; multimedia publishing relating to books, magazines, journals, software, games, music, and electronic publications; multimedia publishing relating to books, magazines, journals, software, games, music, and electronic publications for the gaming industry; news reporting; providing online electronic publications, not downloadable; providing online electronic publications, not downloadable, in the field of games and gaming; providing on-line computer games; online entertainment services; online entertainment services for the gaming industry; on-line game services; online game services provided via a computer network; online game services through mobile devices; online gaming services; organisation of electronic

game competitions; organisation of electronic game competitions for the gaming industry; organisation of events for entertainment purposes; organisation of events for entertainment purposes for the gaming industry; organisation of games; organisation of games and competitions; organisation of games and competitions for the gaming industry; production of entertainment shows and interactive programs for distribution via audio and visual media, and electronic means; production, presentation and distribution of sound and video recordings; providing a computer game that may be accessed by users on a global network and/or the internet; providing a computer game that may be accessed network-wide by network users; providing age ratings for television, movie, music, video and video game content; providing entertainment information; providing entertainment information via a website; providing information in the field of entertainment; providing information to game players about the ranking of their scores of games through web sites; providing interactive multi-player computer games via the internet and electronic communication networks; providing newsletters in the field of computer games via e-mail; providing non-downloadable games on the internet; providing non-downloadable games on the internet for the gaming industry; providing online computer games; providing online computer games for the gaming industry; providing online electronic publications, not downloadable; providing online electronic publications, not downloadable in the fields of games and gaming; providing online entertainment in the nature of game tournaments; providing online entertainment in the nature of game tournaments for the gaming industry; providing online games; providing online games for the gaming industry; providing online information in the field of computer games entertainment; providing online information in the field of computer games entertainment for the gaming industry; providing online information on computer and video game strategies; providing online information on computer and video game strategies for the gaming industry; providing on-line interactive computer games; providing on-line interactive computer games for the gaming industry; providing online magazines, not downloadable, featuring information in the

field of computer games; providing online magazines, not downloadable, featuring information in the fields of computer games and gaming; providing on-line non-downloadable audio content; providing on-line non-downloadable audio content featuring games and gaming; providing on-line non-downloadable video content; providing on-line non-downloadable video content featuring games and gaming; providing online video games; providing online video games for the gaming industry; providing online videos, not downloadable; providing online videos, not downloadable featuring games and gaming; providing temporary use of online non-downloadable games; providing temporary use of online non-downloadable games featuring games and gaming; provision of an online magazine featuring information in the field of computer games; provision of entertainment; provision of games by means of local computer networks, global computer networks, the internet, cable or wire communications services, wireless telecommunications services and broadband telecommunications services; provision of games by means of local computer networks, global computer networks, the internet, cable or wire communications services, wireless telecommunications services and broadband telecommunications services for the gaming industry; provision of non-downloadable games on the internet; provision of online computer games; provision of online information in the field of computer games entertainment; provision of online information relating to game players; publication of catalogues; publication of catalogues in the fields of games and gaming; publication of educational and training guides; publication of educational and training guides in the fields of games and gaming; publication of multimedia material online relating to books, magazines, journals, software, games, music, and electronic publications; publication of periodicals, catalogues and brochures; publication of periodicals, catalogues and brochures in the fields of games and gaming; publishing of newsletters; publishing of newsletters in the fields of games and gaming; rental of computer games; rental of computer games for the gaming industry; rental of printed publications; rental of printed publications in the fields of games and gaming; training courses relating to system analysis; training

services relating to computer-aided design; video game services; virtual reality game services provided on-line from a computer network; virtual reality game services provided on-line from a computer network for the gaming industry; teaching; educational services; instruction services; organization of exhibitions for cultural or educational purposes; lending libraries; electronic books and magazines on-line publishing; videotape distribution; providing on-line videos, not downloadable; entertainment information; health club services [health and fitness training]; toy rental; games equipment rental; animal training; conducting guided tours; parks; modelling for artists; rental of indoor aquaria; information, advisory and consultancy services relating to the aforesaid.

Goods and/or Services:

Class 09

Audiovisual, optical, weighing, measuring, signaling, detecting, analyzing, inspection and training devices and tools; apparatus and instruments for transmitting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; apparatus and instruments for recording, transmitting, reproducing or processing of sound, images or data; recorded and downloadable media files, computer software, pure digital or analog recording and storage media; mechanisms for coin-operated apparatus; cash registers, calculating devices; computers and computer peripheral devices; 3D spectacles; circuit breakers; electrical adapters; aerometers; accelerometers; actinometers; accumulators, electric; acoustic couplers; alidades; altimeters; ammeters; nanoparticle size analysers; anemometers; anodes; anode batteries; aerials; anticathodes; remote control apparatus; data processing apparatus; electric apparatus for remote ignition; Global Positioning System [GPS] apparatus; apertometers [optics]; acid hydrometers; acidimeters for batteries; audio-

and video-receivers; audiovisual teaching apparatus; audio interfaces; accumulator jars; ignition batteries; batteries, electric; batteries, electric, for vehicles; cordless telephones; biochips; lightning conductors; electric and electronic effects units for musical instruments; computer memory devices; black boxes [data recorders]; connected bracelets [measuring instruments]; gauges; measuring apparatus; measuring devices, electric; measures; current rectifiers; high-frequency apparatus; flowmeters; branch boxes [electricity]; wearable video display monitors; video screens; camcorders; video cassettes; video baby monitors; video telephones; viewfinders, photographic; gas testing instruments; gasometers [measuring instruments]; discharge tubes, electric, other than for lighting; galvanic batteries; galvanic cells; galvanometers; virtual reality headsets; hands-free kits for telephones; heliographic apparatus; surveying apparatus and instruments; downloadable graphics for mobile phones; range finders; piezoelectric sensors; decompression chambers; densimeters; densitometers; detectors; smoke detectors; disk drives for computers; juke boxes for computers; telerupters; distillation apparatus for scientific purposes; diffraction apparatus [microscopy]; DNA chips; equalizers [audio apparatus]; screens [photography]; computer screen saver software, recorded or downloadable; exposure meters [light meters]; electrified fences; electrified rails for mounting spot lights; electric installations for the remote control of industrial operations; electro-dynamic apparatus for the remote control of railway points; electro-dynamic apparatus for the remote control of signals; electrolysis apparatus for laboratory use; electromagnetic coils; electronic key fobs being remote control apparatus; electronic publications, downloadable; electronic numeric displays; electronic interactive whiteboards; electronic pocket translators; electronic access control systems for interlocking doors; downloadable emoticons for mobile phones; epidiascopes; ergometers; pressure indicator plugs for valves; encoded identification bracelets, magnetic; locks, electric; electronic agendas; voltage surge protectors; fuses; battery chargers; chargers for electric accumulators; charging stations for electric vehicles; protection devices for personal use against accidents; protection

devices against X-rays, not for medical purposes; protective suits for aviators; protective masks, not for medical purposes; goggles for sports; protective films adapted for computer screens; protective films adapted for smartphones; connectors [electricity]; couplers [data processing equipment]; connections for electric lines; couplings, electric; wire connectors [electricity]; readers [data processing equipment]; identity cards, magnetic; inverters [electricity]; slope indicators; pressure indicators; clinometers; integrated circuits; interactive touchscreen terminals; interfaces for computers; infrared detectors; ionization apparatus not for the treatment of air or water; spark-guards; electricity conduits; starter cables for motors; cables, electric; calipers; calibrating rings; calorimeters; integrated circuit cards [smart cards]; encoded key cards; cathodes; terminals [electricity]; inclinometers; coaxial cables; encoded magnetic cards; collectors, electric; compact discs [audio-video]; compact discs [read-only memory]; comparators; wearable computers; thin client computers; computer hardware; computer software, recorded; computer game software, downloadable; computer game software, recorded; joysticks for use with computers, other than for video games; computer keyboards; printers for use with computers; magnetic tape units for computers; computer programs, downloadable; computer programs, recorded; computer operating programs, recorded; computer software platforms, recorded or downloadable; electric apparatus for commutation; condensers [capacitors]; contacts, electric; boiler control instruments; junction boxes [electricity]; accumulator boxes; coils, electric; inductors [electricity]; laptop computers; magnetic data media; magnetic wires; magnetic tapes; videotapes; materials for electricity mains [wires, cables]; material testing instruments and machines; furniture especially made for laboratories; megaphones; portable media players; metal detectors for industrial or military purposes; meteorological instruments; meteorological balloons; rules [measuring instruments]; dressmakers' measures; metronomes; mechanisms for counter-operated apparatus; coin-operated mechanisms for television sets; mouse [computer peripheral]; copper wire, insulated; micrometers; micrometer screws for optical instruments; microprocessors;

microscopes; microtomes; microphones; audio mixers; measuring spoons; mobile telephones; modems; monitors [computer hardware]; monitors [computer programs]; junction sleeves for electric cables; navigational instruments; navigation apparatus for vehicles [on-board computers]; semi-conductors; identification threads for electric wires; thread counters; surveyors' levels; levelling instruments; verniers; notebook computers; objectives [lenses] [optics]; limiters [electricity]; sheaths for electric cables; identification sheaths for electric wires; egg-candlers; octants; eyepieces; ohmmeters; spectacle frames; eyewear; optical fibres [light conducting filaments]; optical discs; optical character readers; optical condensers; optical lenses; optical data media; oscillographs; cleaning apparatus for phonograph records; transmitters of electronic signals; switchboxes [electricity]; switchboards; switches, electric; time switches, automatic; converters, electric; periscopes; personal stereos; personal digital assistants [PDAs]; punched card machines for offices; furnaces for laboratory use; amplifying tubes; amplifiers; wrist rests for use with computers; stands adapted for laptops; laboratory pipettes; pyrometers; hourglasses; planimeters; plane tables [surveying instruments]; tablet computers; plates for batteries; wafers for integrated circuits; printed circuit boards; DVD players; cassette player; compact disc players; films, exposed; plotters; fire escapes; fire engines; fire pumps; fire blankets; fire beaters; fire alarms; electric loss indicators; quantity indicators; petrol gauges; water level indicators; gasoline gauges; sprinkler systems for fire protection; polarimeters; computer software applications, downloadable; satellite finder meters; conductors, electric; wires, electric; ducts [electricity]; record players; projection apparatus; projection screens; anti-interference devices [electricity]; electric anti-theft security devices; processors [central processing units]; control panels [electricity]; radar apparatus; radio pagers; transmitting sets [telecommunication]; radios; vehicle radios; walkie-talkies; radiotelegraphy sets; radiotelephony sets; masts for wireless aerials; regulating apparatus, electric; voltage regulators for vehicles; light dimmers [regulators], electric; stage lighting regulators; speed regulators for record players; cell switches [electricity]; resistances, electric; rods [surveying instruments]; marking

gauges [joinery]; T-squares for measuring; relays, electric; cell phone straps; X-ray apparatus not for medical purposes; X-ray films, exposed; X-ray tubes not for medical purposes; X-ray photographs, other than for medical purposes; rheostats; respirators for filtering air, not for medical purposes; respiratory masks, other than for artificial respiration; retorts; refractometers; refractors; grids for batteries; electric sockets; distribution boxes [electricity]; distribution consoles [electricity]; slide calipers; circuit closers; data gloves; light-emitting electronic pointers; light-emitting diodes [LED]; quantum dot light-emitting diodes [QLED]; organic light-emitting diodes [OLED]; lens hoods; blueprint apparatus; alarm bells, electric; luminous or mechanical signaling panels; alarms; scanners [data processing equipment]; smartwatches; smart rings; smartglasses; smartphones; solenoid valves [electromagnetic switches]; sonars; solar batteries; solar panels for the production of electricity; spectrograph apparatus; spectrometers; speed indicators; monitoring apparatus, other than for medical purposes; observation instruments; satellite navigational apparatus; printed circuits; telephone apparatus; telephone transmitters; telephone wires; telephone receivers; temperature indicators; thermal imaging cameras; heat regulating apparatus; thermo-hygrometers; thermionic valves; thermionic tubes; thermometers, not for medical purposes; thermostats; climate control digital thermostats; crucibles [laboratory]; pressure measuring apparatus; security tokens [encryption devices]; tone arms for record players; toner cartridges, unfilled, for printers and photocopiers; totalizers; precision measuring apparatus; transistors [electronic]; transmitters [telecommunication]; transponders; transformers [electricity]; step-up transformers; trackballs [computer peripherals]; holders for electric coils; triodes; downloadable image files; downloadable music files; apparatus and instruments for physics; wearable activity trackers; USB flash drives; fluorescent screens; chromatography apparatus for laboratory use; chronographs [time recording apparatus]; laboratory centrifuges; cyclotrons; frequency meters; chips [integrated circuits]; armatures [electricity].

Class 35

Advertising; management of business activities, organization and administration in the field of business activities; office work; administrative assistance in responding to calls for tenders; administrative assistance in responding to requests for proposals [RFPs]; administrative processing of purchase orders; administration of consumer loyalty programs; administration of frequent flyer programs; cost price analysis; business auditing; financial auditing; auctioneering; book-keeping; web indexing for commercial or advertising purposes; accounting; negotiation of business contracts for others; market studies; opinion polling; invoicing; arranging newspaper subscriptions for others; arranging subscriptions to telecommunication services for others; payroll preparation; tax preparation; demonstration of goods; business inquiries; business management assistance; commercial or industrial management assistance; advisory services for business management; business research; economic forecasting; providing business information via a website; compilation of information into computer databases; compilation of statistics; providing business information; business management of performing artists; business management for freelance service providers; business management of hotels; business management of sports people; business management of reimbursement programmes for others; interim business management; providing commercial information and advice for consumers in the choice of products and services; commercial administration of the licensing of the goods and services of others; computerized file management; personnel management consultancy; business management consultancy; consultancy regarding advertising communication strategies; consultancy regarding public relations communication strategies; business organization consultancy; marketing; marketing in the framework of software publishing; targeted marketing; marketing research; typing; providing commercial and business contact information; provision of an online marketplace for buyers and sellers of goods and services; writing of curriculum vitae for others; writing of resumes for others; writing of publicity texts; scriptwriting for advertising purposes; word processing; updating of advertising

material; updating and maintenance of data in computer databases; updating and maintenance of information in registries; website traffic optimisation; organization of exhibitions for commercial or advertising purposes; organization of fashion shows for promotional purposes; organization of trade fairs for commercial or advertising purposes; rental of advertising space; business appraisals; personnel recruitment; business management and organization consultancy; business intermediary services relating to the matching of potential private investors with entrepreneurs needing funding; commercial information agency services; employment agency services; business efficiency expert services; outsourcing services [business assistance]; business project management services for construction projects; competitive intelligence services; corporate communications services; layout services for advertising purposes; appointment reminder services [office functions]; news clipping services; price comparison services; administrative services for the relocation of businesses; market intelligence services; photocopying services; procurement services for others [purchasing goods and services for other businesses]; media relations services; appointment scheduling services [office functions]; gift registry services; tax filing services; import-export agency services; modelling for advertising or sales promotion; advertising agency services; secretarial services; public relations; commercial lobbying services; commercial intermediation services; wholesale services for pharmaceutical, veterinary and sanitary preparations and medical supplies; online retail services for downloadable digital music; online retail services for downloadable ring tones; online retail services for downloadable and pre-recorded music and movies; retail services for works of art provided by art galleries; retail services for pharmaceutical, veterinary and sanitary preparations and medical supplies; data search in computer files for others; sponsorship search; search engine optimization for sales promotion; presentation of goods on communication media, for retail purposes; telephone answering for unavailable subscribers; rental of billboards [advertising boards]; office machines and equipment rental; rental of office equipment in co-working facilities; publicity material rental; rental of advertising time

on communication media; rental of vending machines; rental of sales stands; rental of photocopying machines; direct mail advertising; psychological testing for the selection of personnel; publication of publicity texts; radio advertising; registration of written communications and data; pay per click advertising; outdoor advertising; advertising by mail order; online advertising on a computer network; bill-posting; distribution of samples; dissemination of advertising matter; development of advertising concepts; business investigations; systemization of information into computer databases; drawing up of statements of accounts; compiling indexes of information for commercial or advertising purposes; sales promotion for others; promotion of goods and services through sponsorship of sports events; production of advertising films; production of teleshopping programmes; shorthand; transcription of communications [office functions]; television advertising; telemarketing services; negotiation and conclusion of commercial transactions for third parties; professional business consultancy; providing consumer information about the range of goods, which allows customers to conveniently view, order and buy these goods, as well as receive the necessary information about these goods on web pages and websites; outsourcing services [business assistance].

Class 37

Construction of buildings; repair; equipment installation services; drilling of deep oil or gas wells; drilling of wells; rebuilding engines that have been worn or partially destroyed; rebuilding machines that have been worn or partially destroyed; electric appliance installation and repair; heating equipment installation and repair; furnace installation and repair; installation and repair of air-conditioning apparatus; telephone installation and repair; installation, maintenance and repair of computer hardware; machinery installation, maintenance and repair; information services concerning repairs; information services concerning construction; riveting; construction consultancy; varnishing; services of electricians; installation of utilities in construction sites; laying of cable; repair of power lines; repair, construction and maintenance of

pipeline; construction; burner maintenance and repair; interference suppression in electrical apparatus.

Class 38

Telecommunications services; telex services; providing access to databases; providing information in the field of telecommunications; providing user access to global computer networks; providing Internet chatrooms; providing online forums; providing telecommunications connections to a global computer network; providing telecommunication channels for teleshopping services; communications by fibre optic networks; communications by computer terminals; communications by cellular phones; paging services [radio, telephone or other means of electronic communication]; video-on-demand transmission; transmission of electronic mail; transmission of greeting cards online; computer aided transmission of messages and images; transmission of podcasts; transmission of telegrams; transmission of digital files; message sending; videoconferencing services; voice mail services; electronic bulletin board services [telecommunications services]; geolocation services [telecommunications services]; telegraph services; telephone services; telecommunications routing and junction services; news agency services; teleconferencing services; streaming of data; rental of message sending apparatus; rental of modems; rental of smartphones; rental of telecommunication equipment; rental of telephones; rental of facsimile apparatus; rental of access time to global computer networks; radio communications; radio broadcasting; satellite transmission; television broadcasting; cable television broadcasting; communications by telegrams; wireless broadcasting; facsimile transmission.

Class 39

Transport; packaging and storage of goods; travel arrangement; bus transport; car transport; barge transport; freight brokerage; towing; freight [shipping of goods]; arranging of cruises; arranging of transportation for travel tours; water supplying;

delivery of newspapers; flower delivery; message delivery; parcel delivery; delivery of goods; delivery of goods by mail order; providing driving directions for travel purposes; stevedoring; railway transport; booking of seats for travel; launching of satellites for others; guarded transport of valuables; luggage storage; storage; boat storage; warehousing; collection of recyclable goods [transport]; refloating of ships; providing traffic information; providing information relating to storage services; providing information relating to transport services; operating canal locks; lighterage services; transportation logistics; piloting; marine transport; replenishment of vending machines; wrapping of goods; arranging of passenger transportation services for others via an online application; garage rental; parking place rental; rental of warehouses; car park services; passenger transport; transport; ambulance transport; armoured-car transport; hauling; cash replenishment of automated teller machines; carting; transport and storage of waste; transport and storage of trash; transporting furniture; transport of travellers; pleasure boat transport; boat transport; portage; refloating of ships; piloting; air transport; travel reservation; transport reservation; ferry-boat transport; transport brokerage; vehicle breakdown towing services; car sharing services; removal services; bottling services; ice-breaking; courier services [messages or merchandise]; shipbrokerage; taxi transport; chauffeur services; salvaging; rental of aircraft engines; motor coach rental; car rental; rental of vehicle roof racks; railway truck rental; rental of diving bells; rental of diving suits; rental of motor racing cars; rental of electric wine cellars; frozen-food locker rental; rental of horses for transportation purposes; rental of storage containers; rental of wheelchairs; aircraft rental; rental of freezers; rental of navigational systems; railway coach rental; rental of tractors; vehicle rental; boat rental; refrigerator rental; river transport; unloading cargo; water distribution; electricity distribution; distribution of energy; rescue operations [transport]; underwater salvage; salvage of ships; escorting of travellers; tram transport; freight forwarding; transport services for sightseeing tours; transport by pipeline; gift wrapping; physical storage of electronically stored data or documents; franking of mail; freighting.

Class 41

Education; providing of training; entertainment services; arranging of sports and cultural events; academies [education]; teaching; videotaping; arranging and conducting of congresses; arranging and conducting of colloquiums; arranging and conducting of conferences; arranging and conducting of concerts; arranging and conducting of in-person educational forums; arranging and conducting of workshops [training]; arranging and conducting of seminars; arranging and conducting of symposiums; arranging and conducting of sports events; arranging of beauty contests; gymnastic instruction; electronic desktop publishing; captioning; research in the field of education; nursery schools; animal training; educational examination; educational examination for users to qualify to pilot drones; providing user reviews for entertainment or cultural purposes; providing information in the field of education; providing information in the field of entertainment; providing information relating to recreational activities; providing online videos, not downloadable; providing online electronic publications, not downloadable; providing online music, not downloadable; providing television programmes, not downloadable, via video-on-demand services; providing films, not downloadable, via video-on-demand services; providing user rankings for entertainment or cultural purposes; providing sports facilities; providing recreation facilities; providing golf facilities; providing casino facilities [gambling]; booking of seats for shows; correspondence courses; sound engineering services for events; escape room [entertainment]; game services provided online from a computer network; cinema presentations; film distribution; cultural, educational or entertainment services provided by art galleries; microfilming; videotape editing; training services provided via simulators; aikido instruction; judo instruction; transfer of business knowledge and know-how [training]; know-how transfer [training]; sado instruction [tea ceremony instruction]; tutoring; boarding school education; providing museum facilities; screenplay writing; songwriting; scriptwriting, other than for advertising purposes; writing of texts; organization of balls; organization of shows

[impresario services]; organization of exhibitions for cultural or educational purposes; organization of electronic sports competitions; organization of competitions [education or entertainment]; organization of lotteries; organization of fashion shows for entertainment purposes; organization of entertainment events; organization of cosplay entertainment events; organization of sports competitions; music education; educational services; educational services provided by special needs assistants; educational services provided by schools; dubbing; sign language interpretation; language interpretation; party planning [entertainment]; entertainer services; lending library services; disc jockey services; discotheque services; video imaging services by drone; video editing services for events; calligraphy services; layout services, other than for advertising purposes; physical fitness assessment services for training purposes; educational certification services, namely, providing training and educational examination; photographic imaging services by drone; providing amusement arcade services; zoological garden services; games library services; coaching [training]; karaoke services; e-sports services; movie studio services; health club services [health and fitness training]; multimedia library services; modelling for artists; nightclub services [entertainment]; orchestra services; amusement park services; translation; mobile library services; personal trainer services [fitness training]; news reporters services; lighting technician services for events; sport camp services; recording studio services; holiday camp services [entertainment]; ticket agency services [entertainment]; photographic reporting; gambling services; music composition services; practical training [demonstration]; presentation of live performances; presentation of variety shows; presenting museum exhibitions; presentation of circus performances; conducting guided climbing tours; conducting guided tours; conducting fitness classes; conducting of entertainment events; rental of indoor aquaria; rental of audio equipment; rental of show scenery; rental of video cameras; rental of video cassette recorders; rental of videotapes; rental of sound recordings; toy rental; games equipment rental; rental of cinematographic apparatus; rental of motion pictures; rental of training simulators;

rental of skin diving equipment; rental of lighting apparatus for theatrical sets or television studios; rental of electronic book readers; rental of radio and television sets; rental of movie props; rental of sports grounds; rental of sports equipment, except vehicles; rental of artwork; rental of stage scenery; rental of tennis courts; rental of stadium facilities; vocational retraining; vocational guidance [education or training advice]; online publication of electronic books and journals; publication of books; publication of texts, other than publicity texts; radio entertainment; directing of shows; film directing, other than advertising films; religious education; entertainment services; face painting; production of shows; production of music; production of podcasts; production of radio and television programmes; film production, other than advertising films; subtitling; theatre productions; television entertainment; physical education; photography; timing of sports events; arranging and conducting of e-sports competitions; arranging and conducting of e-sports events.

Class 42

Scientific and technological services and research and development related to them; industrial analysis and industrial research services; design and development of computer hardware and software; computer system analysis; information technology services provided on an outsourcing basis; recovery of computer data; graphic arts design; graphic design of promotional materials; off-site data backup; technological research; research and development of new products for others; mechanical research; research in the field of telecommunications technology; duplication of computer programs; electronic data storage; energy auditing; providing information relating to computer technology and programming via a website; providing search engines for the internet; cloud seeding; engineering; installation of computer software; calibration [measuring]; cartography services; clinical trials; computer programming; conversion of data or documents from physical to electronic media; conversion of computer programs and data, other than physical conversion; computer technology consultancy; telecommunication network security consultancy; telecommunications

technology consultancy; consultancy in the field of energy-saving; internet security consultancy; data security consultancy; information technology [IT] consultancy; computer software consultancy; consultancy in the design and development of computer hardware; website design consultancy; quality control; monitoring of computer systems for detecting unauthorized access or data breach; monitoring of computer systems to detect breakdowns; monitoring of computer systems by remote access; surveying; maintenance of computer software; updating of computer software; urban planning; platform as a service [PaaS]; computer virus protection services; conducting technical project studies; software as a service [SaaS]; computer system design; rental of web servers; computer rental; rental of computer software; industrial design; hosting computer websites; development of computer platforms; software development in the framework of software publishing; technical writing; creating and maintaining websites for others; creating and designing website-based indexes of information for others [information technology services]; technological consultancy; server hosting; styling [industrial design]; digitization of documents [scanning].

Goods and/or Services:

Class 06

Paint spraying booths of metal; steel pipes; cast iron pipes; pipes of metal; metal conduits; drain traps [valves] of metal; drain pipes of metal; barrels of metal; jets of metal; armour-plating of metal; reels of metal, non-mechanical, for flexible hoses; nozzles of metal; bottles [containers] of metal for compressed gas or liquid air; cabanas of metal; roofing of metal; buildings of metal; steel buildings; tinfoil; aluminium foil; windows of metal; tanks of metal; silos of metal; containers of metal for storing acids; containers of metal for liquid fuel.

Class 07

Air filters [parts of engines]; filters for machines; filters for motors and engines; filtering machines; cartridges for filtering machines; filters being parts of machines or engines; suction pumps; suction machines for industrial purposes; air suction

machines; filtering machines for chemical processing; steam traps; dust separators; dust filters for vacuum cleaners; dust exhausting installations for cleaning purposes; air brushes for applying colour; powder coating spray guns; robotic arms for industrial purposes; cyclone separators; centrifugal separators; water separators; condensate separators; separators for liquids; superconductive magnetic separators; centrifugal separators for industrial use; centrifugal separating machines for industrial use; vacuum cleaner hoses; adapters for pipes [parts of machines]; reels, mechanical, for flexible hoses; safety couplings for machines; electrostatic generators; automatic sprayers for electrostatic painting; washing apparatus; high pressure washers; cleaning appliances utilizing steam; acetylene cleaning apparatus; vacuum cleaners; touchless stationary vacuums; machines and apparatus for cleaning, electric; dyeing machines; pulverisers [machines]; compressed air pumps; air pumps [garage installations]; pumps for heating installations; water heaters being parts of machines; taps [parts of machines, engines or motors]; boiler tubes [parts of machines]; automatic electrostatic paint sprayers; mechanical reels for hoses.

Class 09

Dust measuring apparatus; fine dust measuring apparatus; fine dust analyzing apparatus; biological safety cabinets for laboratory use; magnetic separators for scientific use; safety markers; security alarms; security surveillance apparatus; control panels for security alarms; heat regulating apparatus; chemistry apparatus and instruments; apparatus and instruments for physics; air analysis apparatus; gas testing instruments; scales; dosimeters; electrolysis apparatus for laboratory use; ozonizers for calibration purposes; hydrometers; temperature indicators; water level indicators; pressure indicators.

Class 11

Water filters; filters for water filtering apparatus; water filtering apparatus; filters for use with apparatus for ventilating; filters for extractor hoods; filters for air purifiers;

filters for air conditioning; filters for drinking water; filters for water purifiers; air filtering installations; water filtering installations; apparatus for filtering drinking water; air filters for industrial installations; air filters for household purposes; air filters for industrial purposes; filters for use with apparatus for water supply; filters for waste gas purification; air filters for air-conditioning units; filters for sanitary water distribution apparatus; water filters for industrial purposes; membranes for water filtering apparatus; reverse osmosis membrane filters for water treatment; filters for cleaning air [parts of air cleaning machines or installations]; air purifiers; water purification apparatus; air purifiers, electric; air purifiers for household purposes; industrial air purifiers; water purifying apparatus for household purposes; air valves for steam heating installations; electric water purification filters for household purposes; water treatment filters; sewage treatment plants; water conditioning installations; installations for use in the treatment of wastewater; water conditioning units; drying apparatus for chemical processing; distillation apparatus for chemical processing; ionization apparatus for the treatment of air; ionization apparatus for the treatment of water; heat exchangers for chemical processing; bioreactors for use in the treatment of wastewater; ultraviolet sterilizers for water treatment; ionization apparatus for the treatment of air or water; water treatment units for aerating and circulating water; wastewater treatment tanks for household purposes; waste water treatment tanks; membrane filtration units for water treatment apparatus; wastewater purification units; wastewater treatment tanks for industrial purposes; taps for pipes and pipelines; regulating and safety accessories for water apparatus; regulating and safety accessories for gas apparatus; heat accumulators; steam accumulators; hot air apparatus; water purifying apparatus and machines; air purifying apparatus and machines; air-conditioning apparatus; air deodorizing apparatus; gas scrubbing apparatus; oil-scrubbing apparatus; structural framework for ovens; burners; air cooling apparatus; heating elements; ozonizers for sanitizing purposes; air-conditioning installations; water conduits installations; water distribution installations; heating installations; water purification installations; purification installations for

sewage; cooling installations for water; cooling installations for liquids; sterilizers; water sterilizers; air sterilizers; reverse osmosis units; air cleaning apparatus; water purification tanks; air purifying apparatus; wastewater treatment installations; extractor hood filters; domestic sewage treatment tanks; pits for the treatment of waste water for industrial use; taps for pipes and tubes; air filters for air conditioning units.

Class 35

Retail services relating to goods in Classes 06, 07, 09 and 11 of this application; cost price analysis; administrative assistance in responding to calls for tenders; consultancy regarding advertising communication strategies; consultancy regarding public relations communication strategies; book-keeping; financial auditing; compilation of statistics; providing business information via a website; providing commercial information and advice for consumers in the choice of products and services; providing business information; providing commercial and business contact information; interim business management; marketing; office machines and equipment rental; sales promotion for others; advertising; outdoor advertising; personnel recruitment; public relations; marketing research; market studies; business research; business auditing; business analysis; business assistance; business advice and consultancy.

Class 36

Financial analysis; financial management; real estate management; administration of financial affairs; mutual funds; investment of funds; capital investment; rental of real estate; rental of offices [real estate]; financial research; financing services; trusteeship; real estate services; real estate appraisal; repair costs evaluation [financial appraisal]; financial valuation of intellectual property assets; management of corporate finances; corporate trust services; consultancy services relating to corporate finance; financial advice relating to tax.

LEVATA

Goods and/or Services:

Class 06

Metal locks, metal lock assemblies, and the hardware associated therewith; metal barcode labels.

Class 09

Encoded or magnetic plastic cards; encoded identity cards; encoded smart cards containing programming used to allow holders access to various secure locations inside a building or building complex; proximity credentials, namely, electronic security tokens in the nature of encoded or magnetic cards, tags, and key fobs used by an authorized user to allow access to various secure locations inside a building or building complex; barcode label printer; handheld barcode scanner; barcode scanner; mobile computer; printheads; electronic barcode labels; thermal printhead; mobile handheld computer; computer tablets; mobile computer tablets; printers; ID card printers; label printers; barcode printers; Point of sale (POS) electronic systems; receipt printers; electronic locks; electronic lock assemblies, electronic locks; radio frequency identification (RFID) systems and components, comprised of radio frequency identification (RFID) readers, radio frequency identification (RFID) antennas, radio frequency identification (RFID) tags and labels, and downloadable computer and mobile device operating software for monitoring and controlling radio frequency identification (RFID); downloadable computer software and hardware security system products, namely, electronic mobile credential devices software for use in authentication of an individual's identity; downloadable cloud-based lock management software; downloadable software for operating and managing electronic lock systems, wired and wireless locking and access control apparatus, systems, and devices; recorded computer software for designing, editing, and printing identification cards; downloadable computer software for designing, editing, and printing identification cards; downloadable computer and mobile device

operating software for monitoring and controlling radio frequency identification (RFID) for track and trace, inventory, and supply chain management; downloadable mobile application providing access to a web-based customer service platform for the enterprise-level management of mobile devices including mobile computers, tablets and rugged laptops, barcode scanners, barcode printers, RFID (Radio-frequency identification) equipment, identification and access control equipment, payment terminals and wireless hardware infrastructure; electronic displays, namely, digital signage; vision systems, namely, systems comprised of cameras, sensors, software and incorporating lighting to collect and analyze visual data used to automate visual inspections, control and automate processes, and provide feedback for mechanical devices; downloadable asset management software; downloadable inventory management software; downloadable warehouse management software; downloadable direct store delivery software; downloadable route accounting software; downloadable label printing software; downloadable point of sale software; downloadable voice software; encoded plastic cards; plastic magnetic strip cards.

Class 16

Paper barcode labels; thermal receipt paper; printer ribbons; preprinted labels; custom labels; security labels; custom barcode labels; identification wristbands; receipt paper; barcode label; receipt ribbons; thermal transfer ribbon; paper barcode labels.

Class 20

Plastic key cards; plastic cards, not encoded and not magnetic; plastic barcode labels; access control cards, not encoded and not magnetic.

Class 24

Labels of textile for barcodes; polyester labels.

Class 35

Business management for others in the field of the ongoing technical support and repair of mobile devices including mobile computers, tablets and rugged laptops, barcode scanners, barcode printers, RFID (radio-frequency identification) equipment, identification and access control equipment, payment terminals and wireless hardware infrastructure; online retail store services featuring locks and the hardware associated therewith and access control and smart lock management software; on-line retail store services featuring identification card printing systems, identification card printers, identification cards, identification card supplies, identification card accessories, identification card creation and access control software, and security related products and services; on-line retail store services featuring digital photo identification and card personalization systems and related supplies; on-line retail store services featuring automatic identification and data capture products.

Class 37

Technical support services, namely, troubleshooting in the nature of maintenance of mobile devices including mobile computers, tablets and rugged laptops, barcode scanners, barcode printers, RFID equipment, Identification and access control equipment, payment terminals and wireless infrastructure; repair services for mobile devices including mobile computers, tablets and rugged laptops, barcode scanners, barcode printers, RFID equipment, Identification and access control equipment, payment terminals and wireless infrastructure; troubleshooting in the nature of repair of electronics, namely, mobile devices including mobile computers, tablets and rugged laptops, barcode scanners, barcode printers, RFID (Radio-frequency identification) equipment, identification and access control equipment, payment terminals and wireless hardware infrastructure; repair services for electronics, namely, mobile devices including mobile computers, tablets and rugged laptops, barcode scanners, barcode printers, RFID (Radio-frequency identification) equipment, identification and access control equipment, payment terminals and wireless hardware infrastructure; providing product repair services; installation

services, namely, installation of locks and access control systems.

Class 40

Custom label printing services; custom barcode label printing services.

Class 42

Troubleshooting in the nature of diagnosing technological problems with electronics, namely, mobile devices including mobile computers, tablets and rugged laptops, barcode scanners, barcode printers, RFID (Radio-frequency identification) equipment, identification and access control equipment, payment terminals and wireless hardware and software infrastructure; computer technology support services via help desk services; repair of computer software; computer technology support services via 24/7 service desk or help desk services for mobile devices including mobile computers, tablets and rugged laptops, barcode scanners, barcode printers, RFID (Radio-frequency identification) equipment, identification and access control equipment, payment terminals and wireless hardware infrastructure; software as a service (SaaS) services, namely, access control and smart lock management software; software as a service for provisioning and managing over-the-air mobile credential technology; software as a service (SaaS) services, namely, a secure non-downloadable software featuring workspace for securely capturing, storing, managing, issuing, provisioning, printing, screening, and tracking physical and digital identities and credentials; technical consulting and assistance with hardware, software, and data processing apparatus for security and identification card systems; providing temporary use of non-downloadable cloud-based software for securely capturing, storing, managing, and tracking employee identities and credentials; providing temporary use of non-downloadable cloud-based software for authentication, issuance, validation and revocation of digital credentials and for identifying, authenticating and authorizing user access to secured cloud-based, mobile or computer networks and to secured assets, namely, to devices such as,

computers, mobile devices, and physical entryways, namely, locks, doors and gates; Providing temporary use of non-downloadable cloud-based software for securely issuing, transferring, delivering, sending, and/or printing identification and personal credentials; computer security services, namely, providing non-downloadable software for enforcing, restricting and controlling access privileges to cloud-based, mobile or network resources based on assigned credentials, authentication, issuance and validation of digital credentials; providing temporary use of non-downloadable cloud-based software for enforcing, restricting and controlling access privileges to cloud-based, mobile or network resources based on assigned credentials; software as a service (SaaS) services, namely, a secure non- downloadable software workspace for securely capturing, storing, managing, issuing, provisioning, printing, screening, and tracking physical and digital identities and credentials; providing temporary use of non-downloadable cloud-based software for authentication, issuance, validation and revocation of digital credentials and for identifying, authenticating and authorizing user access to secured cloud-based, mobile or computer networks and to secured assets, namely, to devices such as, computers, mobile devices, and physical entryways, namely, locks, doors and gates; provision of non-downloadable computer and mobile device operating software for monitoring and controlling radio frequency identification (RFID) for track and trace, inventory, and supply chain management; providing a web-based customer platform for the enterprise-level management of mobile devices including mobile computers, tablets and rugged laptops, barcode scanners, barcode printers, RFID (Radio-frequency identification) equipment, identification and access control equipment, payment terminals and wireless hardware infrastructure; provision of non-downloadable asset management software; provision of non-downloadable inventory management software; provision of non-downloadable warehouse management software; provision of non-downloadable direct store delivery software; provision of non-downloadable route accounting software; provision of non-downloadable label printing software; provision of non-downloadable point of sale software; provision of

non-downloadable voice software; commercial and residential premises-security services, namely, computer technology services for serving and maintaining security and access control applications.

Class 45

Premises security services.

RAICERS

Goods and/or Services:

Class 09

Game software; downloadable computer games; computer game programs with artificial intelligence; game development software; augmented reality game software; virtual reality game software; game software for metaverse environments; interfaces for metaverse environments; operating software for metaverse environments; downloadable image files featuring tradeable virtual goods for metaverse environments; downloadable computer game software for virtual environments; entertainment software for computer games; downloadable electronic publications; computer software platforms for social networking; computer software for creating an on-line community for members to participate in discussions and online games, form virtual communities, and engage in social networking featuring user-generated content, cryptocurrency, digital currency, digital tokens, non-fungible tokens, digital collectibles, digital assets, artificial intelligence agents; artificial intelligence and machine learning software; downloadable files authenticated by non-fungible tokens [NFTs]; downloadable images authenticated by non-fungible tokens [NFTs]; downloadable graphics authenticated by non-fungible tokens [NFTs]; downloadable software for receiving, accessing, spending and trading non-fungible tokens [NFTs]; downloadable multimedia files containing video authenticated by non-fungible tokens [NFTs]; downloadable multimedia files containing artwork authenticated by non-fungible tokens [NFTs]; computer software for creating non-fungible tokens [NFTs] in

the form of unique graphics; downloadable computer software for creating and managing virtual goods authenticated by non-fungible tokens [NFTs]; downloadable computer software for creating and managing virtual pets authenticated by non-fungible tokens [NFTs]; digital content; downloadable digital media content; computer software for creating digital tokens, non-fungible tokens, digital collectibles and digital assets; computer software using artificial intelligence and machine learning for generating digital tokens, non-fungible tokens, digital collectibles and digital assets; computer software for the collection, editing, organizing, modifying, transmission, storage and sharing of data and information; computer software for blockchain technology and cryptocurrency; computer hardware and software for blockchain technology; computer software for interacting with blockchain platforms; downloadable computer software for managing digital collectibles using blockchain technology; downloadable computer software for managing crypto asset transactions using blockchain technology; computer software for developing, building, and operating consumer blockchain applications; downloadable computer software development tools; downloadable computer software platforms; software development kit [SDK]; downloadable application programming interface [API] software; downloadable computer software for creating, verifying, and managing digital identities; computer software for digital currency; downloadable software for spending, receiving, trading and accessing digital tokens, currency and assets; computer software for providing online trading platform for digital assets; downloadable software for spending, receiving, trading and accessing digital collectibles, namely art, animation cels, images, photographs, trading cards, music, and videos; computer software for receiving, accessing, spending, sending, trading, storing and managing digital currency payment and exchange transactions; computer software for receiving, accessing, spending, sending, trading, storing and managing cryptocurrency, digital currency, digital tokens, non-fungible tokens, digital collectibles and digital assets; computer software for receiving, accessing, spending, sending, trading, storing and managing digital collectibles, namely, art, animation

cels, images, photographs, trading cards, music, and videos; software for processing transactions involving cryptocurrency, digital currency, digital tokens, non-fungible tokens, digital collectibles and digital assets; software for providing online trading platforms for digital assets; downloadable computer software for use as an electronic wallet; software for cryptocurrency exchange; computer hardware and software for digital currencies; blank flash memory cards; USB flash drives; cameras; mobile phone cases; cell phones; computer hardware; computer disc drives; computer mice; computer monitors; magnets; ear buds; electronic docking stations; eyeglasses; eyeglass cases; headphones; headsets; gaming headsets specially adapted for use in playing video games; augmented reality headsets; mousepads; laptop covers; bags adapted for laptops; computer bags; laptop cases; laptop sleeves; protective covers for smartphones; secure digital [SD] card readers; secure digital [SD] memory cards; speakers; microphones; graphics cards; computer keyboards; wrist rests for use with computer keyboards; smartphones; smartwatches; sunglass cases; sunglasses; wireless charging pads for smartphones.

Class 41

Entertainment; entertainment services, namely providing online computer and video games; gaming; music production; music publishing; online gaming services; online gaming services featuring artificial intelligence agents; entertainment services, namely creation, development, distribution, production and post-production of multimedia entertainment content; providing non-downloadable online augmented reality games; providing online non-downloadable multimedia digital entertainment content; providing non-downloadable online virtual reality games; provision of internet based games; virtual reality video production; information, advisory and consultancy services relating to all the aforesaid.

Class 42

Computer programming; designing software; developing software; developing

software using block chain technology; software engineering; developing software for protecting data; software development services; providing non-downloadable computer software development tools in the field of high performance computing; software engineering for data processing programs; customer specific software development; platform as a service (PaaS) services; computer programming in the field of cryptocurrency exchange; creation, development and maintenance of software for conducting financial transactions; website design consultancy; creating and maintaining web sites for others; hosting computer sites (web sites) of others; hosting, managing, developing, analysing, updating and maintaining applications, computer operating systems, software, and web sites; developing hardware for receiving, accessing, spending, sending, trading, storing and managing cryptocurrency, digital currency, digital tokens, non-fungible tokens, digital collectibles and digital assets; developing hardware in the field of cryptography; developing hardware for data conversion; developing hardware for software using blockchain technology; software as a service (SaaS) and platform as a service (PaaS), namely artificial intelligence and machine learning software for generating digital tokens, non-fungible tokens, digital collectibles and digital assets; software as a service (SaaS) and platform as a service (PaaS), namely software for integrating blockchain technology in applications; software as a service (SaaS) and platform as a service (PaaS), namely software for receiving, accessing, spending, sending, trading, storing, generating and managing cryptocurrency, digital currency, digital tokens, non-fungible tokens, digital collectibles and digital assets; software as a service (SaaS) and platform as a service (PaaS), namely software for receiving, accessing, spending, sending, trading, storing and managing digital collectibles, namely, art, animation cels, images, photographs, trading cards, music and videos; providing temporary use of non-downloadable software for enabling users to receive, access, spend, send, trade, store and manage cryptocurrency, digital currency, digital tokens and digital assets via a website; computer services, namely providing non-downloadable software for enabling online community members to participate in

discussions, form virtual communities and engage in social networking featuring user-generated content, cryptocurrency, digital currency, digital tokens, non-fungible tokens, digital collectibles, digital assets, sports and entertainment; creating and maintaining websites for registered users to form virtual communities and engage in social networking services in the field of blockchain technology; data authentication via blockchain; user authentication services using blockchain technology; blockchain-as-a-service [BaaS] for creating virtual goods authenticated by non-fungible tokens [NFTs]; blockchain-as-a-service [BaaS] for creating unique graphics authenticated by non-fungible tokens [NFTs]; providing temporary use of non-downloadable software for enabling members of an online community to receive, access, spend and trade non-fungible tokens [NFTs]; information, advisory and consultancy services relating to all the aforesaid.

OLOBO

Goods and/or Services:

Class 09

Downloadable software for creating, producing, editing, manipulating, transmitting, uploading, downloading, managing, and sharing electronic media, multimedia content, videos, movies, pictures, images, text, photos, user-generated content, audio content, data, text, comments, advertisements, and information via the internet and other communications networks; computer software for the collection, editing, organizing, modifying, transmission, storage, and sharing of data and information; downloadable computer software for modifying the appearance of images, audio-visual, and video content; downloadable computer software for enabling transmission of images, audio-visual, and video content; downloadable software for modifying photographs, images and audio, video, and audio-visual content with photographic filters and augmented reality (AR) effects, namely, graphics, animations, text, drawings, geotags, metadata tags, hyperlinks; downloadable software for displaying and sharing a user's location and finding, locating, and interacting with other users and places; downloadable software for use in facilitating text messages, instant messages, and online social networking services; downloadable communication software for providing access to the internet; downloadable e-commerce computer software to allow users to perform electronic business transactions via a global computer and communication networks; downloadable game software; recorded

game software; downloadable augmented reality software for playing computer games; recorded computer virtual reality game software; downloadable computer application software for mobile electronic apparatus for downloading, saving, sharing, and reposting videos, images, and other digital content.

Class 38

Transfer of data by telecommunications; telecommunications services, namely, providing electronic message alerts via the internet; telecommunication services, namely, providing e-mail notification alerts via the internet; telecommunications services, namely, electronic transmission of data, messages, graphics, images, videos, and information; providing access to computer, electronic and online databases; instant messaging services; electronic exchange of voice, data, audio, video, text, and graphics accessible via computer and telecommunications networks; encrypted electronic transmission and delivery of recovered data; transmission of electronic media, multimedia content, videos, movies, pictures, images, text, photos, user-generated content, audio content, and information via the internet and other communications networks; peer-to-peer photo and video sharing services, namely, electronic transmission of digital photos, video, and audio-visual files among internet users; streaming of data; streaming of audio material on the internet; streaming of video material on the internet; streaming of audio, visual and audiovisual material via a global computer network; providing online forums for communication, namely, transmission on topics of general interest; chatroom services for social networking.

Class 41

Electronic publishing services for others; providing online computer games; providing online augmented reality games; electronic games services provided by means of the internet; virtual reality game services provided on-line from a computer network; entertainment services, namely, providing temporary use of non-downloadable interactive games; arranging and conducting live, interactive games; providing read-

only on-line journals (electronic publications), namely, blogs featuring user-defined content; entertainment services, namely, providing an online interactive videos, not downloadable, containing digital images, photos, text, graphics, music, audio, video clips, multimedia content, and visual and audio performances via online interactive database of user generated content; providing entertainment information relating to non-downloadable movies, television shows, webcasts, audiovisual, and multimedia works in the fields of music, sports, art, fashion, current events, recreational activities and general interest via the internet, as well as reviews, and recommendations regarding movies, television shows, webcasts, audiovisual, and multimedia works; providing education information relating to non-downloadable movies, television shows, webcasts, audiovisual, and multimedia works in the fields of music, sports, art, fashion, current events, recreational activities and general interest via the internet, as well as reviews, and recommendations regarding movies, television shows, webcasts, audiovisual, and multimedia works; game services provided via communication networks.

Class 42

Hosting websites featuring technology that enables users to upload and share user-generated videos on a wide variety of topics and subjects; providing temporary use of online non-downloadable software for enabling transmission of images, audiovisual, and video content; providing temporary use of non-downloadable software applications for social networking, creating a virtual community, and transmission of audio, video, photographic images, text, graphics and data; design and development of computer software for creating a virtual environment in the nature of an online community for registered users to create, produce, edit, manipulate, transmit, share, and comment on videos or other electronic media; computer software technical support services for creating a virtual environment in the nature of an online community for registered users to create, produce, edit, manipulate, transmit, share, and comment on videos or other electronic media;

hosting platforms on the internet for sharing online content in the nature of customized web pages featuring user-defined or specified information in the nature of personal profiles, audio, video, photographic images, text, graphics, and data; computer software technical support services in the nature of customized web pages featuring user-defined or specified information in the nature of personal profiles, audio, video, photographic images, text, graphics, and data.

Class 45

Online social networking services; social networking services provided via a website on the internet.

m i r a t a p

Goods and/or Services:

Class 06

Metal materials for building or construction; porches [structures] of metal; tiles of metal for building; doors of metal; door handles of metal; fences of metal; building panels of metal; prefabricated building assembly kits of metal; bicycle parking installations of metal; metal hardware; metal nameplates and door nameplates; metal stepladders and ladders; letter boxes of metal; hat-hanging hooks of metal; boxes of metal for dispensing paper towels; towel dispensers of metal; metal joinery fittings; safes; gabions of steel wire; window frames of metal; staircases of metal; stringers [parts of staircases] of metal; handrails of metal; balustrades of metal; gates of metal; poles of metal; palings of metal; window knobs of metal; containers of metal for transport; transportable metal constructions; pre-fabricated houses of metal; fabricated metal components for building foundations [construction materials]; dispensers of metal for facial tissues.

Class 07

Washing machines [laundry]; mechanical parking systems; vehicle washing installations; dishwashers; vacuum cleaners; lawnmowers; curtain drawing devices electrically operated; electric door openers; electric food blenders for household purposes.

Class 11

Toilet bowls and seats sold as a unit; prefabricated bath installations sold as a unit; shower cubicles; tap water faucets; level controlling valves for tanks; faucets; electric lamps and other lighting apparatus; household electrothermic appliances; electric range hoods [extractor hoods] for household purposes; washers for water taps; gas water heaters for household purposes; cooking apparatus and installations for commercial use; non-electric cooking heaters for household purposes; non-electric barbecue grills for household purposes; kitchen sinks incorporating integrated

worktops; sinks; household tap-water filters, non-electric; toilet stool units with a washing water squirter; toilet bowls; seats for use with Japanese style toilet bowls; disinfectant apparatus; bath fittings; wash-hand bowls [parts of sanitary installations]; wash-hand basins [parts of sanitary installations]; hydrants; gas cooking stoves; ventilating fans for household purposes; ice-cooling refrigerators for household purposes.

Class 19

Non-metallic minerals for building or construction; ceramic building materials, bricks and refractory products in the form of cement; plastic building materials; synthetic building materials; asphalt, and asphalt building or construction materials; rubber building or construction materials; plaster for building purposes; lime building or construction materials; building or construction materials of plaster; porches [structures], not of metal; buildings, transportable, not of metal; buildings, not of metal; cement and its products; building timber; building stone; building glass; bicycle parking installations, not of metal; tiles, not of metal, for building; doors, not of metal; fences, not of metal; floors, not of metal; building panels, not of metal; stringers [parts of staircases], not of metal; balustrades, not of metal; gates, not of metal; palings, not of metal; window frames, not of metal; construction materials, not of metal; reinforcing materials, not of metal, for building.

Class 20

Curtain fittings; metal-substitute plastic fasteners; nails, wedges, nuts, screws, tacks, bolts, rivets and casters, not of metal; washers, not of metal, not of rubber or vulcanized fiber; locks, non-electric, not of metal; cushions [furniture]; Japanese floor cushions [zabuton]; bathroom stools; nameplates and door nameplates, not of metal; dog kennels; beds for household pets; pet cushions; kennels for household pets; step ladders and ladders, not of metal; letter boxes [not of metal or masonry]; hat hooks, not of metal; towel dispensers, not of metal; boxes, not of metal, for

dispensing paper towels; furniture; mirrors, looking glasses; bathroom vanities [furniture]; counters [tables]; racks [furniture]; receiver-side storage boxes for home delivery services; benches; door handles, not of metal; clothes hangers; towel stands [furniture]; shoe cabinets; shelves for storage; furniture shelves; bookshelves; shelving units; display shelves; cupboards; costume stands; covers for clothing [wardrobe]; joinery fittings, not of metal; dispensers, not of metal, for facial tissues.

Class 21

Dinnerware, other than knives, forks and spoons; non-electric ice chests for household purposes; drying racks for laundry; wash basins; cleaning tools and washing utensils; yukakibo [Japanese bath utensils for hot bathtub water]; bathroom pails; flower pots; watering cans; syringes for watering flowers and plants; feeding vessels for pets; cages for household pets; litter trays for pets; soap dispensing bottles; toilet paper holders; towel rails and rings; cosmetic utensils, other than "toothbrushes, electric"; soap holders and boxes; clothes drying hangers; paper towel holders; hydroponic plant pots for home gardening.

Class 27

Linoleum tiles for affixing to existing walls or floors.

Class 35

Business management analysis or business consultancy; marketing research or analysis; providing information concerning commercial sales; retail services or wholesale services for furniture; retail services or wholesale services for joinery fittings; retail services or wholesale services for tatami mats; retail services or wholesale services for electrical machinery and apparatus; retail services or wholesale services for bladed or pointed hand tools, hand tools and metal hardware; retail services or wholesale services for kitchen equipment, cleaning tools and washing utensils; retail services or wholesale services for building materials; retail services or wholesale services for woven fabrics and beddings; retail services or

wholesale services for personal articles; advertising and publicity services; providing commercial information and advice for consumers in the choice of products and services; providing information about newspaper articles being news clipping services; wholesale services for sanitation equipment; retail services for sanitation equipment; wholesale services for sanitary installations; retail services for sanitary installations; demonstration of goods; presentation of goods on communication media, for retail purposes; distribution of samples; dissemination of advertising matter; promoting the goods and services of others via a global computer network; commercial information and advice for consumers [consumer advice shop]; marketing; provision of an online marketplace for buyers and sellers of goods and services; sales promotion for others; procurement services for others [purchasing goods and services for other businesses]; administrative processing of purchase orders; rental of sales stands.

Class 37
