GENERAL INFORMATION II

TRADEMARKS ACT 2019 (Act 815)

PUBLICATION OF APPLICATION FOR REGISTRATION OF TRADEMARKS

Pursuant to **section 31** of the Trademarks Act 2019, the following applications for registration of trademarks have been accepted and are hereby published in Intellectual Property Official Journal under **paragraph 148(1)(a)** of the Trademarks Act 2019

Where an application for registration is accepted subject to any conditions, amendments, modifications or limitations, such conditions, amendments, modifications or limitations shall appear in the publication.

Pursuant to subsections 35(1) and 35(2) of the Trademarks Act 2019 and subregulation 23(1) of the Trademarks Regulations 2019, a notice of opposition to oppose the registration of the application for registration of trademark which shall include the statement of the grounds of such opposition may be filed together with payment of the prescribed fee with the Registrar of Trademarks within two months from the date of the publication of the acceptance of such application for registration of trademark.

Notwithstanding the above paragraph, pursuant to subsection 153(1) of the Trademarks Act 2019 and subregulation 23(2) of the Trademarks Regulations 2019, the request for an extension of time may be allowed at the discretion of the Registrar of Trademarks for not more than two months after the expiry of the period for filing the notice of opposition.

CLASS 41

Providing online music, not downloadable; Providing online electronic publications, not downloadable; Organization of competitions [education or entertainment]; Organization of electronic sports competitions; Providing online videos, not downloadable; Organization of cosplay entertainment events; Virtual reality game services provided on-line from a computer network; Publishing of electronic publications; Game services provided online from a computer network; Entertainment services.

XD INTERACTIVE ENTERTAINMENT CO., LTD. ; Room 006, 13F, Building 2, 588 Zixing Road, Minhang District, Shanghai, CHINA

AGENT : Mohana Murali A/L Kodivel, Adastra Intellectual Property Sdn Bhd, A-39-10, Penthouse, Menara UOA Bangsar, No. 5, Jalan Bangsar Utama 1, Bangsar 59000 Kuala Lumpur

DuitNow

CLASS : 9,16,36,38

TM2024041688 31 December 2024

CLASS 9

Apparatus for testing transmissions for vehicles; Apparatus for the input, output, transmission and storage of data; Apparatus for the recording of sound or images; Apparatus for the recording, transmission, amplification and reproduction of sound; Apparatus for the reproduction of sound or images; Apparatus for the transmission of sound or images; Apparatus for transmission of communications; Apparatus for transmitting and communicating data; Apparatus for the transmission and communication of data; Apparatus for data transmission and data communication; Apparatus for transmitting and reproducing sound or images; Apparatus for transmitting data; Apparatus for the transmission of data; Data transmitting apparatus; Apparatus for transmitting radio programs and radio relay messages; Apparatus for transmitting radio programmes and radio relay messages; Apparatus for verifying data on magnetically encoded cards; Apparatus, instruments and software for product tracking and identification; Product tracking and identification apparatus, instruments and software; Apparatus to check franking; Application programming interface for online banking payment; Application programming interface for on-line banking payment; Application simulation software; Application software; Application software for cloud computing services; Application software for cloud computing; Application software for metaverse; Application software for metaverse environments; Application software for mobile devices; Application software for mobile payment; Application software for mobile phones; Application software for cellular phones; Application software for mobile telephones; Application software for cellular telephones; Application software for robots; Application software for smartphones; Application software for smartphone; Application software for smart tv; Application software for social networking services via internet; Application software for virtual environments; Application software for wireless devices; Archiving software; Armatures [electricity]; Armatures for use in electrical apparatus; Arm rests for use with computers; Artificial intelligence and machine learning software; Artificial intelligence software; Artificial intelligence software for analysis; Artificial intelligence software for healthcare; Artificial intelligence software for surveillance; Artificial intelligence software for vehicles; Assistive software; Astrometric apparatus and instruments; Attenuators; Audio amplifiers; Audio analyzers; Audio and video mixing desks; Audio- and video-receivers; Audio and video receivers; Audio-receivers and video-receivers; Audiovisual receivers; Audio and video tapes; Audio circuit boards; Audio compact discs; Audio devices; Audio discs; Audio dubbing apparatus; Audio effects apparatus; Audio effects units; Audio equipment; Audio equipment for excursions; Audio equipment for synchronized translation [control panels]; Audio frequency amplifiers; Audio interfaces; Audio mixers; Sound mixers; Audio mixing consoles; Soundboards; Mixing boards; Sound boards; Audio mixing desks; Audio mixing apparatus; Audio receivers; Audio recorders; Audio recordings; Sound recordings; Audio recordings featuring music; Audio switching apparatus; Audio tape recorders;

Audio tapes featuring music; Audio-video compact discs; Audiovisual and photographic devices; Audiovisual and photographic devices, including audio devices and radio receivers; Audiovisual and photographic devices including audio devices and radio receivers; Audiovisual apparatus; Audiovisual apparatus and equipment; Audiovisual equipment; Audiovisual teaching apparatus; Audiovisual teaching apparatus with artificial intelligence; Augmented reality computer game software; 35mm cameras; 360° camcorders; 360-degree camcorders; 360-degree video cameras; 360° video cameras; 360° cameras; 360-degree cameras; 3d holographic projectors; 3d printing software for customising; 3d printing software for modelling; 3d printing software for sculpting; 3d scanners; Three-dimensional [3d] scanners; Three-dimensional scanners; 3d spectacles; 4k resolution televisions; Abacuses; Ac adapters for consumer video game apparatus; Ac adapters for games with liquid crystal displays; Ac adapters for handheld electronic game apparatus; Ac adapters for handheld electronic game devices; Acceleration sensors; Accelerometers; Access control and alarm monitoring systems; Access control devices; Accessories for karaoke machines, namely, microphones, amplifiers and speakers; Accumulators [batteries]; Accumulators, electric; Electric accumulators; Ac/dc converters; Ac to dc converters; Ac/dc inverters; Ac to dc inverters; Ac/dc power supplies; Acid- and alkali-resistant protective boots; Acid and alkali resistant protective boots; Acid hydrometers; Acidimeters for batteries; Acidometers for batteries; Acidity meters; Sound alarms; Acoustic amplifiers; Acoustic conduits; Acoustic couplers; Acoustic coupling devices; Acoustic membranes used in sound recording or reproducing apparatus; Acoustic meters; Acoustic microscopes; Antennas being communications apparatus; Alarms and warning equipment; Amplifiers; Sound amplifiers; Amplifying tubes; A/d converters; Analogue to digital converters; Animated cartoons; Animated cartoons, downloadable; Downloadable animated cartoons; Answering machines; Telephone answering machines; Telephone answering apparatus; Automatic answering machines; Aerials for telecommunications networks; Anti-interference devices [electricity]; Antivirus software; Anti-virus software; Apparatus and instruments for recording, transmission or reproduction of sound, data or images; Apparatus and instruments for recording, transmission or reproduction of sound or images; Apparatus and instruments for recording, transmitting, processing or reproducing sound, data or images; Apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; Apparatus and instruments for transferring, receiving and storing sound, images and data, both in digital and analog form; Apparatus and instruments for transforming electricity; Apparatus for broadcasting, recording, transmission or reproduction of sound, data or images; Apparatus for broadcasting, recording, transmission or reproduction of sound or images; Apparatus for checking the authenticity of banknotes; Apparatus for conducting, switching, transforming, accumulating, regulating or controlling electricity; Apparatus for downloading audio, video and data from the internet; Apparatus for generating characters; Apparatus for generating images; Apparatus for generating noise; Apparatus for generating virtual images; Apparatus for monitoring and recording the performance of machinery; Apparatus for processing electronic payments; Apparatus for electronic payment processing; Apparatus for processing, transmitting and storing database information; Apparatus for radio broadcasting; Radio broadcasting apparatus; Apparatus for recording and reproducing speech; Apparatus for speech recording and replaying; Apparatus for recording images; Apparatus for recording, storage, transmission and reproduction of sounds and images; Apparatus for recording, transmission or reproduction of images; Apparatus for recording, transmission and reproduction of images; Apparatus for recording, transmission or reproduction of information; Apparatus for recording, transmission or reproduction of sound; Apparatus for recording, transmission and reproduction of sound; Apparatus for recording, transmission or reproduction of sound, images and data; Apparatus for recording, transmission or reproduction of sound or images; Apparatus for the recording, transmission and reproduction of sound and images; Apparatus for recording, transmission or reproduction of sound and images; Apparatus for recording, transmitting and reproducing sound or images; Apparatus for recording, transmission and reproduction of sound and images; Apparatus for recording, transmitting and reproducing sound and images; Apparatus for recording, transmission, processing and reproduction of sound, images or data; Apparatus for recording, transmission, reception, processing or reproduction of sound, images or data; Apparatus for recording, transmitting, processing and reproducing of sound; Apparatus for recording, transmission, processing, and reproduction of sounds; Apparatus for recording, transmitting, reproducing or processing sound, images or data; Apparatus for recording, transmitting, reproducing or processing sound or images; Apparatus for telecommunications engineering; Electronic apparatus for testing communication links; Electronic apparatus for wireless reception, storage and transmission of data and messages; Electronic audio apparatus; Electronic black boxes for recording data; Electronic broadcasting apparatus; Electronic card readers; Electronic cash registers; Electronic chip cards; Electronic chips; Electronic chips for the manufacture of integrated circuits; Electronic chips [semiconductors] for the manufacture of integrated circuits; Electronic chips [semi-conductors] for the manufacture of integrated circuits; Electronic circuit boards; Electronic circuit cards; Electronic circuits; Electronic commerce and electronic payment software; E-commerce and e-payment software; Electronic communication apparatus; Electronic communications apparatus; Electronic components; Electronic components for computers; Electronic components for gambling machines; Electronic components for integrated circuit cards; Electronic connectors; Electronic control apparatus for automatic machines; Electronic control apparatus for computer programs; Electronic control apparatus for computer programmes; Computer and video game software; Computer and video games software; Computer antivirus software; Computer application programs; Application programs for computers; Computer application programs for smartphones; Computer application programmes for smartphones;

Computer application software featuring games and gaming; Computer application software for software regression testing; Computer application software for software testing; Computer application software for testing of computing methods; Computer card adapters; Computer cards access control systems; Computer chassis; Chassis for computers; Computer chatbot software for simulating conversations; Computer chatbot software for simulating conversations with artificial intelligence; Computer chips; Computer chipsets; Computer chip sets; Computer circuit boards; Computer communications software to allow customers to access bank account information and transact bank business; Computer communication software to allow customers to access bank account information and transact bank business; Computer compact discs; Computer compact disks; Computer components and parts; Computer component testing and calibrating equipment; Computer-controlled electronic apparatus for electrophysiological measurement and testing of cells, not for medical purposes; Computer controlled telecommunications exchange apparatus; Computer databases; Computer data banks; Computer database servers; Computer data storage devices; Computer daughterboards; Computer digital maps; Computerized digital maps; Computer disk drives and drivers; Computer disc drives and drivers; Computer diskettes; Diskettes; Computer e-commerce software to allow users to perform electronic business transactions via a global computer network; Desktop publishing software; Devices for playing sound and image carriers; Devices for recording and developing images; Devices for recording sound and image carriers; Devices for the projection of virtual keyboards; Devices for the recording, transmission and playback of sound and images; Downloadable image files featuring tradeable virtual goods for metaverse environments; Downloadable image files featuring tradeable virtual goods for use in the metaverse; Downloadable image files featuring virtual goods for trading in the metaverse; Downloadable image files featuring tradeable virtual goods for use in virtual environments; Downloadable image files featuring virtual goods for use in virtual environments; Downloadable image files featuring virtual goods for use in virtual worlds; Downloadable image files of all-purpose carrying bags authenticated by non-fungible tokens [nfts]; Downloadable image files of avatars; Downloadable image files of bags authenticated by non-fungible tokens [nfts]; Downloadable image files of clothing accessories being bracelets authenticated by non-fungible tokens [nfts]; Downloadable image files of clothing accessories being earrings authenticated by non-fungible tokens [nfts]; Electronic controls for motors; Electronic control systems for machines; Electronic control systems for turnstiles; Electronic control units; Electronic coupons, downloadable; Downloadable electronic coupons; Electronic currency converters; Electronic databases; Databases, electronic; Electronic data banks; Data banks, electronic; Electronic databases recorded on computer media; Electronic data communication apparatus; Electronic data communications apparatus; Electronic data media; Electronic data carriers; Electronic data processing apparatus; Electronic data recorders; Electronic data recorders for air vehicles; Electronic data recorders for land vehicles; Electronic data recorders for recording measured values; Electronic data recorders for storing and archiving data; Electronic data recorders for vehicles; Electronic data recorders for water vehicles; Electronic data storage media; Electronic detectors; Electronic devices being wireless item finders; Electronic devices being wireless item locators; Electronic devices being wireless location finders; Electronic devices being wireless peer-to-peer mobile phone finders; Electronic devices being wireless peer-to-peer wallet finders; Electronic devices being wireless peer-to-peer wallet locators; Electronic devices being wireless radio-based item locators; Computer firewall software; Computer firmware; Computer firmware and drivers; Computer graphics cards; Computer graphics boards; Computer graphics software; Computer groupware; Computer hard disks; Computer hard drives; Computer hard disk drives; Hard drives for computers; Hard disk drives for computers; Computer hardware; Computer hardware and computer peripheral devices; Computer hardware and firmware; Computer hardware and software; Computer software and hardware; Computer hardware and software for blockchain technology; Computer hardware and software for cryptocurrency; Computer hardware and software for database management; Computer hardware and computer software for database management; Computer hardware and software for digital currencies; Computer hardware and software for gaming machines for gambling; Hardware and software for gambling machines; Computer hardware and software for performing optical diagnostics; Computer hardware and software for providing secure remote access to computer and communication networks; Computer hardware and software for setting up and configuring local area networks; Computer hardware and software for setting up and configuring wide area networks; Computer hardware and software for virtual currencies; Computer hardware for audio and video signal processing; Computer hardware for electronic trading of currency; Digital and virtual currency wallets; Digital art authenticated by non-fungible tokens [nfts]; Digital artworks and images, downloadable; Downloadable digital artworks and images; Digital works of art and images, downloadable; Downloadable digital works of art and images; Digital audio broadcasting [dab] radios; Digital audio files authenticated by non-fungible tokens [nfts]; Digital boards; Digital collectibles in the nature of downloadable audio recordings in the field of music authenticated by non-fungible tokens [nfts]; Digital collectibles in the nature of downloadable audio recordings in the field of poetry authenticated by non-fungible tokens [nfts]; Digital collectibles in the nature of downloadable audio recordings in the field of songs authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being firearms authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being guns authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being hand grenades authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being machine guns authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being projectile weapons authenticated by non-fungible tokens [nfts]; Downloadable image files of

combat game accessories being revolvers authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being rifles authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being carbines authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being rocket launchers authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being shotguns authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being swords authenticated by non-fungible tokens [nfts]; Downloadable image files of handbags authenticated by non-fungible tokens [nfts]; Downloadable image files of jewellery authenticated by non-fungible tokens [nfts]; Downloadable image files of jewelry authenticated by non-fungible tokens [nfts]; Downloadable image files of paintings [pictures] authenticated by non-fungible tokens [nfts]; Downloadable image files of paintings authenticated by non-fungible tokens [nfts]; Downloadable image files of sneakers authenticated by non-fungible tokens [nfts]; Downloadable image files of trainers authenticated by non-fungible tokens [nfts]; Electronic devices for controlling energy; Electronic devices for transmitting distress call signals; Electronic device software drivers that allow computer hardware and electronic devices to communicate with each other; Electronic devices used to locate lost articles through global positioning system [gps] or cellular communication networks; Electronic devices used to locate lost articles employing the global positioning system or cellular communication networks; Electronic encoding apparatus; Electronic coding apparatus; Electronic encoding units; Electronic coding units; Electronic encryption apparatus; Electronic encryption units; Electronic identification tags; Electronic imaging devices; Electronic indicator boards; Electronic indicator panels; Electronic indicators; Electronic integrated circuits; Computer hardware for electronic trading of virtual currency; Computer hardware for facilitating payment transactions by electronic means; Computer hardware for remote data access and transmission; Computer hardware for remotely accessing and transmitting data; Computer hardware for routing audio, video, and digital signals; Computer hardware for telecommunications; Computer hardware for the collection of positioning data; Computer hardware for collecting positioning data; Computer hardware for collecting location data; Computer hardware for the collection of location data; Computer hardware for compiling positioning data; Computer hardware for transmitting location data; Computer hardware for the transmission of location data; Computer hardware for use in computer-aided software engineering; Computer hardware for use in computer-assisted software engineering; Computer hardware for wireless content delivery; Computer hardware modules for electronic devices using internet of things [iot]; Computer hardware modules for internet of things [iot] enabled devices; Computer hardware with embedded operating system software; Computer hardware with pre-installed operating system software; Computer interface software; Digital content; Digital content, downloadable; Downloadable digital content; Digital data processing apparatus; Apparatus for processing digital data; Digital data recording media; Digital data storage media; Digital disk drives; Digital disc drives; Digital event recorders for seismic data; Digital indicators; Digital input and output scanners; Downloadable images; Downloadable images authenticated by non-fungible tokens [nft]; Downloadable images authenticated by non-fungible tokens [nfts]; Downloadable image, video and audio files; Downloadable instant messaging software; Downloadable interactive entertainment software for playing computer games; Downloadable interactive entertainment software for playing video games; Downloadable interface computer programs; Downloadable interface software; Downloadable invoicing computer programs; Downloadable billing computer programs; Downloadable invoicing software; Downloadable billing software; Downloadable mobile applications for booking taxis; Downloadable mobile applications for creating animated gif files; Downloadable mobile applications for creating, editing, processing and converting of gif files; Downloadable mobile applications using artificial intelligence and machine learning for vehicle delivery logistics to manage trip itineraries; Downloadable mobile game software; Downloadable multimedia files authenticated by non-fungible tokens [nfts]; Downloadable multimedia files authenticated by non-fungible tokens [nft]; Augmented reality software; Authentication software; Automated bank note sorting machines; Automated teller machines [atm]; Automated banking machines; Automated cash machines; Automated teller machines; Automatic teller machines; Cash dispensers; Cash dispensing machines; Atm machines; Automatic access control systems; Automatic cash sorting and counting machines; Automatic control apparatus; Automatic paying-in and deposit machines; Automatic switchboards; Automatic switching apparatus for telecommunications; Automatic switching apparatus for telecommunication; Computer memory devices; Computer memories; Memories for use with computers; Computer memory hardware; Computer network hardware; Computer networking hardware; Computer network hubs; Computer network hubs, switches and routers; Computer networking and data communications equipment; Computer network routers; Computer network servers; Computer network switches; Computer operating programs; Computer operating programmes; Computer operating programs, recorded; Recorded computer operating programs; Computer operating software; Computer operating software for metaverse environments; Computer operating software for virtual environments; Computer operating systems; Computer operating system software; Computer operating system software for metaverse environments; Computer operating system software for virtual environments; Computer programs stored in digital form; Computer programs and computer software for electronic trading of securities; Computer programs and computer software for electronically trading securities; Computer programs and software; Computer programs and software featuring educational games for children; Computer programs and software featuring educational materials for children and parents; Computer programs and software featuring learning activities for children; Computer programs and software for image processing; Computer programs and software for image processing used for cellular phones; Computer programs and software for image processing used for mobile phones; Computer programs

and software for image processing used for cellular telephones; Computer programs and software for image processing used for cell phones; Computer programs, downloadable; Downloadable computer programs; Digital media streaming devices; Digital recording media; Digital signage display panels; Digital signs; Digital sound processors; Digital storage media; Digital tablets; Digitizer pads; Digitiser pads; Digital telecommunications apparatus; D/a converters; Digital transmitters; Discs bearing computer game software; Discs bearing computer programs; Discs bearing video recordings; Disc storage containers, shaped; Disc storage containers; Disk drives; Disk drives for computers; Computer disc drives; Computer disk drives; Disk memories; Disks, magnetic; Magnetic disks; Display devices; Display instruments for monitoring gas or liquid flows; Display monitors; Display screens; Downloadable multimedia files containing audio files authenticated by non-fungible tokens [nfts]; Downloadable multimedia files containing audio authenticated by non-fungible tokens [nft]; Downloadable multimedia files containing audio authenticated by non-fungible tokens [nfts]; Downloadable multimedia files containing audio files authenticated by non-fungible tokens [nft]; Downloadable multimedia files containing texts authenticated by non-fungible tokens [nfts]; Downloadable multimedia files containing text authenticated by non-fungible tokens [nft]; Downloadable multimedia files containing text authenticated by non-fungible tokens [nfts]; Downloadable multimedia files containing texts authenticated by non-fungible tokens [nft]; Downloadable multimedia files containing texts relating to video games authenticated by non-fungible tokens [nfts]; Automobile data recorders; Automobile data loggers; Automobile data recorder; Autonomous navigation systems; Backlit signs; Bags adapted for computers; Bags adapted for laptops; Bags adapted for cell phones; Bags adapted for cellular phones; Bags adapted for mobile phones; Bags adapted for cellular telephones; Bags for carrying laptops; Downloadable computer software programs; Computer programs for accessing and using the internet; Computer programs for accessing, browsing and searching online databases; Computer programs for accessing, browsing and searching on-line databases; Computer programs for accessing, browsing and searching online data banks; Computer programs for accessing, browsing and searching on-line data banks; Computer programs for accessing databases; Computer programs for accessing data banks; Computer programs for accessing online databases; Computer programs for accessing on-line databases; Computer programs for analyzing market information; Computer programs for browsing and searching online databases; Computer programs for browsing and searching on-line databases; Computer programs for connecting remotely to computers or computer networks; Computer programs for connecting to remote computers and computer networks; Computer programs for data analysis; Computer programs for data processing; Computer programs for processing data; Computer programmes for data processing; Computer programs for data storage; Computer programs for document management; Computer programmes for document management; Computer programs for editing images, sound and video; Computer programs for electronic trading of currency; Computer programs for electronic trading of virtual currency; Computer programs for enabling access or entrance control; Computer programs for the enabling of access or entrance control; Computer programs for facilitating payment transactions by electronic means; Computer programs for internet of things [iot] enabled devices; Computer programs for issuing digital certificates authenticated by non-fungible tokens [nfts]; Computer programmes for printing purposes; Computer programs for producing graphics for promotional purposes; Computer programmes for producing graphics for promotional purposes; Computer programs for project management; Computer programmes for project management; Computer programs for searching remotely for content on computers and computer networks; Computer programs for the transmission of data; Computer programs for data transmission; Computer programs for transmitting data; Computer programs for use in database management; Computer programs for use in desktop publishing; Computer programs for use in implementing internet of things [iot]; Displays for mobile phones; Distribution consoles [electricity]; Dmb [digital multimedia broadcasting] televisions; Dmb televisions; Docking stations for mobile telephones; Docking stations for mobile phones; Docking stations for cellular telephones; Docking stations for smartphones; Document management software; Downloadable multimedia files containing videos authenticated by non-fungible tokens [nfts]; Downloadable multimedia files containing video authenticated by non-fungible tokens [nft]; Downloadable multimedia files containing video authenticated by non-fungible tokens [nfts]; Downloadable multimedia files containing videos authenticated by non-fungible tokens [nft]; Downloadable multimedia files containing videos relating to dramatic television programs authenticated by non-fungible tokens [nfts]; Downloadable music, image, video or audio files authenticated by non-fungible tokens [nfts]; Downloadable photographs authenticated by non-fungible tokens [nfts]; Downloadable photographs in the field of cats authenticated by non-fungible tokens [nfts]; Banknote acceptors; Banknote receivers; Banknote counting machines; Currency counting machines; Cash counters; Paper currency detectors; Banknote sorting machines; Encoded bar code labels; Bar code readers; Bar code scanners; Barcode readers; Barcode scanners; Computer programmes for use in telecommunications; Computer programs for use in the evaluation and analysis of data utilizing computational linguistics; Computer programs for use in trading stocks and bonds; Computer programs for user interface design; Computer programs for using the internet and the world wide web; Computer programs for video and computer games; Computer programs, recorded; Computer programmes, recorded; Recorded computer programs; Recorded computer programmes; Computer programs to enable teleconferencing, videoconferencing and videophone services; Computer programs used for electronic cash register systems; Computer programs using blockchain technology; Computer programs using blockchain technology in the field of electronic commerce; Computers; Computers and computer hardware; Computers and computer peripheral devices; Computers and computer peripherals; Computers and computer software for data collection, transmission, archiving,

management and processing; Filters for computer screens; Computer screens; Computer screen saver software; Computer screensaver software; Screensavers; Computer screen saver software, recorded or downloadable; Computer search engine software; Computer serial ports; Computer servers; Computers for use in data management; Computer shareware; Computer software; Software for computers; Computer software and telecommunications apparatus, including modems, to enable connection to databases and the internet; Computer software and telecommunications apparatus, including modems, to enable connection to databases, computer networks and the internet; Computer software and telecommunications apparatus, including modems, to enable connection to databases, computer networks, global computer networks and the internet; Computer software and telecommunications apparatus to enable connection to databases and the internet; Computer software applications; Computer application software; Application software for computers; Computer software applications, downloadable; Downloadable computer software applications; Downloadable software applications; Software applications, downloadable; Computer software applications featuring avatars; Computer application software featuring avatars; Computer software applications for creating animated gif files; Computer application software for creating animated gif files; Computer software applications for mobile devices or computers; Delivery metering apparatus for solids; Downloadable application programming interface [api] software; Downloadable applications; Downloadable apps; Downloadable applications being cryptocurrency wallets; Downloadable applications being crypto wallets; Downloadable apps being crypto wallets; Downloadable applications for use with mobile devices; Downloadable application software; Downloadable application software for metaverse environments; Downloadable application software for robots; Downloadable application software for virtual environments; Downloadable software applications for virtual environments; Downloadable archiving software; Downloadable artworks; Downloadable audio files; Downloadable audio files authenticated by non-fungible tokens [nfts]; Downloadable audio files authenticated by non-fungible tokens [nft]; Downloadable audio recordings authenticated by non-fungible tokens [nfts]; Downloadable audio recordings authenticated by non-fungible tokens [nft]; Downloadable photos authenticated by non-fungible tokens [nfts]; Downloadable pictures authenticated by non-fungible tokens [nfts]; Downloadable photos authenticated by non-fungible tokens [nft]; Downloadable pictures authenticated by non-fungible tokens [nft]; Downloadable postcards; Downloadable printable calendars; Downloadable printable planners and organizers; Downloadable printing fonts; Downloadable project management software; Downloadable publications; Bibliographic databases; Bibliographic data banks; Binders for cds; Biometric fingerprint scanners; Biometric fingerprint readers; Biometric hand scanners; Biometric hand readers; Biometric identification systems; Biometric identity cards; Biometric locks; Black boxes [data recorders]; Computer software applications for mobile telephones; Computer application software for mobile telephones; Computer application software for cell phones; Computer software applications for cell phones; Computer application software for cellular phones; Computer software applications for cellular phones; Computer application software for mobile phones; Computer software applications for mobile phones; Computer application software for cellular telephones; Computer software applications for streaming audiovisual media content via the internet; Computer application software for streaming audiovisual media content via the internet; Computer software applications for television apparatus; Computer software applications for television sets; Computer software applications for televisions; Computer software applications for television monitors; Computer software applications for tv monitors; Computer software applications for tv sets; Computer application software for television apparatus; Computer application software for television sets; Computer application software for televisions; Computer application software for television monitors; Computer application software for tv monitors; Computer application software for tv sets; Computer application software for tv; Computer software applications for tv; Computer software applications for use in implementing internet of things [iot]; Computer software applications for use in implementing the internet of things [iot]; Computer application software for use in implementing the internet of things [iot]; Computer software applications for use in virtual environments; Computer application software for use in virtual environments; Computer software applications for use with artificial intelligence; Computer software applications for use with wearable computer devices; Computer application software for use with wearable computer devices; Computer software being application programming interface [api]; Computer software designed to estimate costs; Computer software designed to estimate resource requirements; Computer software development tools; Computer software development tools, downloadable; Downloadable computer software development tools; Downloadable computer software; Computer software downloaded from the internet; Computer software featuring learning activities for children; Computer software, firmware and hardware; Computer hardware, firmware and software; Downloadable bill communication computer programs; Downloadable bill communication software; Downloadable bill presentment computer programs; Downloadable bill presentment software; Downloadable browser extensions in the form of cryptocurrency wallets; Downloadable browser extensions in the form of crypto wallets; Downloadable calendar software; Downloadable cloud-based software; Downloadable cloud computing software; Downloadable computer anti-virus software; Downloadable computer application software featuring avatars; Downloadable computer chatbot software for providing business management information; Downloadable computer game programs; Downloadable computer games; Downloadable computer game software for gambling machines; Downloadable computer game software for metaverse environments; Downloadable computer game software for virtual environments; Downloadable computer game software for virtual worlds; Downloadable computer graphics; Downloadable computer operating software; Downloadable computer operating software for metaverse environments;

Downloadable computer operating software for virtual environments; Downloadable computer operating software for virtual worlds; Downloadable computer operating system software for quantum computers; Downloadable computer programs for 3d printers; Downloadable computer programs for three-dimensional printers; Downloadable computer programs for three dimensional [3d] printers; Downloadable computer programs for facilitating payment transactions by electronic means; Downloadable computer programs for issuing digital certificates authenticated by non-fungible tokens [nfts]; Downloadable computer programs for printing purposes; Downloadable computer programmes for printing purposes; Downloadable computer programs for video and computer games; Downloadable computer programs for virtually representing goods; Downloadable computer programs that can virtually represent goods authenticated by non-fungible tokens [nfts]; Downloadable computer programs using artificial intelligence for computational methods; Downloadable computer programs using artificial intelligence for data analysis; Downloadable computer programs using artificial intelligence for data models; Downloadable smartphone applications [software]; Downloadable smartphone apps [software]; Downloadable software applications [apps]; Downloadable software applications for 3d printers; Downloadable software applications for mobile phones; Downloadable software applications for cellular phones; Downloadable software applications for cell phones; Downloadable software applications for mobile telephones; Downloadable software applications for cellular telephones; Downloadable mobile phone software applications; Downloadable software applications for smartphones; Downloadable application software for smartphones; Application software for smartphones, downloadable; Software applications for smartphones, downloadable; Smartphone application software, downloadable; Smartphone software applications, downloadable; Downloadable smartphone application software; Downloadable smartphone software applications; Downloadable software applications for virtual worlds; Downloadable application software for virtual worlds; Downloadable software featuring collectible digital goods using blockchain technology; Downloadable software featuring smart contracts using blockchain technology; Downloadable software for collecting, analyzing and organizing data in the field of deep learning; Downloadable software for collecting, analysing and organising data in the field of deep learning; Downloadable software for color management for use with densitometers; Downloadable software for color management for use with spectrophotometers; Downloadable software for generating cryptographic keys for receiving and spending cryptocurrency; Downloadable software for instant messaging and electronic mail services; Downloadable software for instant messaging and e-mail services; Downloadable software for instant messaging and email services; Downloadable software for managing and validating cryptocurrency transactions using blockchain-based smart contracts; Downloadable software for managing and verifying cryptocurrency transactions using blockchain technology; Blank digital recording and storage media; Blank electronic storage media; Blank hard disks for computers; Blank tapes for storage of computer data; Computer software for accessing, browsing and searching online databases; Computer software for accessing, browsing and searching on-line databases; Computer software for accessing, browsing and searching online data banks; Computer software for accessing, browsing and searching on-line data banks; Computer software for accessing databases; Computer software for accessing information directories that may be downloaded from a global computer network; Computer software for aiding the development of blockchain-based applications; Computer software for analysing market information; Computer software for analyzing market information; Computer software for analyzing market information authenticated by non-fungible tokens [nfts] using blockchain technology; Computer software for analysing market information authenticated by non-fungible tokens [nfts] using blockchain technology; Computer software for application and database integration; Computer software for arcade apparatus and games; Computer software for authorizing access to databases; Computer software for authorising access to databases; Computer software for authorizing access to data banks; Computer software for authorising access to data banks; Computer software for automating and managing business procedures; Computer software for use in automating and managing business processes; Computer software for blockchain data mining; Computer software for blockchain mobile applications and wallets; Computer software for blockchain technology; Computer software for blockchain technology and cryptocurrency; Computer software for business administration; Computer software for business management; Computer software for business purposes; Computer software for computer-aided design/computer-aided manufacturing [cad/cam]; Computer software for computer-aided design/computer-aided manufacturing; Computer software for computer games on the internet; Computer software for controlling and managing access server applications; Computer software for controlling self-service terminals; Computer software for controlling the operation of audio and video devices; Computer software for converting document images into electronic formats; Computer software for creating and editing music and sounds; Computer software for creating and managing non-fungible tokens [nfts] in the form of cyber pets; Downloadable computer programs using artificial intelligence for revenue growth analytics of consumer goods industry; Downloadable computer programs using artificial intelligence for use in software development; Downloadable computer programs using artificial intelligence in the field of credit-card fraud detection; Downloadable computer programs using artificial intelligence in the field of economics; Downloadable computer programs using artificial intelligence in the field of financial market analysis; Downloadable computer programs using artificial intelligence in the field of insurance; Downloadable computer programs using artificial intelligence in the field of internet fraud detection; Downloadable computer programs using artificial intelligence in the field of marketing; Downloadable computer programs using artificial intelligence in the field of online advertising; Downloadable computer programs using machine learning and artificial intelligence; Downloadable computer programs using machine learning for computational methods;

Downloadable computer programs using machine learning for data analysis; Downloadable computer programs using machine learning for data models; Downloadable computer programs using machine learning for revenue growth analytics of consumer goods industry; Downloadable computer programs using machine learning for use in software development; Downloadable computer programs using machine learning in the field of biomedical research; Downloadable computer programs using machine learning in the field of credit-card fraud detection; Downloadable computer programs using machine learning in the field of economics; Downloadable computer programs using machine learning in the field of financial market analysis; Downloadable computer programs using machine learning in the field of genomic research; Downloadable computer programs using machine learning in the field of handwriting recognition; Downloadable computer programs using machine learning in the field of insurance; Downloadable computer programs using machine learning in the field of internet fraud detection; Downloadable computer programs using machine learning in the field of linguistics; Downloadable computer programs using machine learning in the field of machine translation; Downloadable software for managing cryptocurrency transactions using blockchain technology; Downloadable software for receiving and accessing cryptocurrency; Downloadable software for receiving and accessing crypto tokens and equity tokens; Downloadable software for receiving and accessing crypto tokens and utility tokens; Downloadable software for receiving and accessing digital assets; Downloadable software for receiving and accessing digital collectibles; Downloadable software for receiving and accessing digital currency; Downloadable software for receiving and accessing digital tokens; Downloadable software for receiving and accessing non-fungible tokens [nfts]; Downloadable software for receiving and accessing non-fungible tokens; Downloadable software for remotely accessing and controlling a computer; Downloadable software for spending and trading cryptocurrency; Downloadable software for spending and trading digital assets; Downloadable software for spending and trading digital collectibles; Downloadable software for spending and trading digital tokens; Downloadable software for spending and trading non-fungible tokens [nfts]; Downloadable software for the transmission of data; Downloadable software for transmitting distress signals; Downloadable software for virtually representing goods; Downloadable software in the nature of a mobile application for creating, editing, processing and converting of gif files; Downloadable software in the nature of a mobile application for food delivery and ordering; Downloadable software in the nature of a mobile application for ghost kitchen delivery and ordering; Downloadable software in the nature of a mobile application for virtual kitchen delivery and ordering; Downloadable software in the nature of a mobile application for dark kitchen delivery and ordering; Downloadable software in the nature of a mobile application for cloud kitchen delivery and ordering; Downloadable software programs for software regression testing; Downloadable software programs for software testing; Downloadable software programs for testing of computing methods; Downloadable software to provide information and support for business intelligence; Downloadable software to provide information and support for competitive intelligence; Downloadable software to provide information and support for technology surveillance; Downloadable software to provide information and support for trend and innovation monitoring; Downloadable text files; Downloadable text files authenticated by non-fungible tokens [nfts]; Downloadable text files authenticated by non-fungible tokens [nft]; Downloadable video and audio files; Downloadable video and audio media in the form of audio video interleave [avi] files; Downloadable video and audio media in the form of flv files; Browser extension being downloadable software; Buffer memory devices [computer hardware]; Building automation installations; Business management computer programs; Business management computer programmes; Business management software; Software for business management; Business process management [bpm] software; Business process management software; Business software, downloadable; Downloadable business software; Business software, recorded; Recorded business software; Computer software for creating searchable databases of information and data; Computer software for creating searchable data banks of information and data; Computer software for cross blockchain transfers; Computer software for cryptocurrency; Computer software for cryptocurrency asset management; Computer software for data and document capture, transmission, storage and indexing; Computer software for database management; Computer software programs for database management; Database management software; Computer software for data processing; Data processing software; Computer software for developing, building, and operating consumer blockchain applications; Computer software for digital currency; Computer software for electronic trading of currency; Computer software for electronic trading of virtual currency; Computer software for encryption; Computer software for facilitating payment transactions by electronic means; Computer software for facsimile, electronic mail, voice mail or internet messaging; Computer software for facsimile, email, voice mail, or internet messaging; Computer software for facsimile, e-mail, voice mail or internet messaging; Computer software for gaming and gambling; Computer gaming and gambling software; Computer software for image processing; Image processing software; Computer software for interacting with blockchain platforms; Computer software for issuing digital certificates authenticated by non-fungible tokens [nfts]; Computer software for managing electromagnetic field monitoring; Computer software for market data analysis; Computer software for metaverse environments; Computer software for mobile applications that enable interaction and interface between vehicles and mobile devices; Computer software for mobile phones; Computer software for organizing and viewing digital images and photographs; Computer software for processing digital images; Software for processing digital images; Computer software for processing digital music files; Computer software for processing information; Computer software for processing market information; Computer software for producing financial models; Computer software for project management; Computer software for providing electronic payment for others; Downloadable

computer programs using machine learning in the field of marketing; Downloadable computer programs using machine learning in the field of online advertising; Downloadable computer programs using machine learning in the field of search engines; Downloadable computer programs using machine learning to develop predictive models; Downloadable computer security software; Downloadable computer software applications for creating animated gif files; Downloadable computer application software for creating animated gif files; Downloadable computer software applications for creating, editing, processing and converting of gif files; Downloadable computer application software for creating, editing, processing and converting of gif files; Downloadable computer software applications for laptop computers; Downloadable computer application software for laptop computers; Downloadable computer software applications for minting non-fungible tokens [nfts]; Downloadable software applications for minting non-fungible tokens [nfts]; Downloadable computer software applications for mobile telephones; Downloadable computer application software for mobile telephones; Downloadable computer application software for cell phones; Downloadable computer application software for cellular phones; Downloadable computer software applications for cellular phones; Downloadable computer application software for mobile phones; Downloadable computer software applications for mobile phones; Downloadable computer application software for cellular telephones; Downloadable computer software applications for cellular telephones; Downloadable computer application software for smartphones; Downloadable computer software being application programming interface [api]; Downloadable computer software being cryptocurrency wallets; Downloadable computer software for automatic hyperparameter optimization; Downloadable computer software for blockchain technology; Downloadable computer software for broadcasting and streaming of digital media content sessions; Downloadable computer software for business administration; Downloadable computer software for business management; Downloadable computer software for collecting, analyzing and organizing data in the field of deep learning; Downloadable computer software for collecting, analysing and organising data in the field of deep learning; Downloadable video files; Downloadable video recordings; Downloadable virtual assistant software; Computer software for use as an application programming interface [api]; Computer software for use in computer-assisted software engineering; Computer software for use in creating and designing websites; Computer software for use in creating and designing web sites; Computer software for use in implementing internet of things [iot]; Computer software for use in integrated circuit design; Computer software for use in map making; Computer software for use in providing multiple user access to a global computer information network; Computer software for use in the field of telecommunications for providing electronic transmission of documents and facsimile transmission; Computer software for virtual currency; Computer software for virtual telephone cards; Computer software for web crawling; Computer software for web scraping; Computer software for wireless network communications; Computer software for word processing; Software for word processing; Computer software in the form of an app for mobile devices and computers; Computer software in the form of applications for mobile devices or computers; Computer software platforms; Computer software platforms, downloadable; Downloadable computer software platforms; Computer software platforms for social networking; Computer software platforms, recorded; Recorded computer software platforms; Computer software platforms, recorded or downloadable; Software platforms, recorded or downloadable; Computer software products; Computer software programs; Computer software [programs]; Computer software, recorded; Recorded computer software; Downloadable computer software for creating, verifying, and managing digital identities; Downloadable computer software for cryptocurrency; Downloadable computer software for developing quantum virtual machines; Downloadable computer software for digital currency; Downloadable computer software for enabling transmission of photographs; Downloadable computer software for facilitating payment transactions by electronic means; Downloadable computer software for issuing digital certificates authenticated by non-fungible tokens [nfts]; Downloadable computer software for launching and viewing cloud-rendered digital media content sessions; Downloadable virtual goods in the form of toys for use in online virtual worlds; Card readers; Card readers for credit cards; Card readers for magnetically encoded cards; Magnetic encoded card readers; Magnetic coded card readers; Software, recorded; Recorded software; Computer software that can virtually represent goods authenticated by non-fungible tokens [nfts]; Computer software to enable the provision of electronic media via communications networks; Computer software to enable the provision of electronic media via the internet; Computer software to enable the provision of information via communications networks; Downloadable computer software for managing and validating cryptocurrency transactions using blockchain-based smart contracts; Downloadable computer software for managing and verifying cryptocurrency transactions using blockchain technology; Downloadable computer software for managing crypto asset transactions using blockchain technology; Downloadable software for managing crypto asset transactions using blockchain technology; Downloadable computer software for managing cryptocurrency transactions using blockchain technology; Downloadable computer software for managing digital collectibles using blockchain technology; Downloadable computer software for managing smart contracts using blockchain technology; Downloadable computer software for online appointment scheduling; Downloadable computer software for remote monitoring and analysis; Downloadable computer software for smartphones; Downloadable computer software for spending and trading non-fungible tokens [nfts]; Downloadable computer software for streaming videos from digital media content sessions; Downloadable computer software for tablets; Downloadable computer software for the administration of online games and gambling; Downloadable computer software for the administration of online games and games of chance; Downloadable computer software for the administration of on-line games and gambling; Downloadable computer software for the administration of on-line games

and games of chance; Downloadable computer software for the collection of data and information; Downloadable computer software for the sharing of data and information; Downloadable computer software for the transmission of data; Downloadable computer software for the transmission of data and information; Downloadable computer software for use as a digital wallet; Downloadable computer software for use as an application programming interface [api]; Downloadable computer software for use as an e-wallet; Downloadable computer software for use as an electronic wallet; Downloadable computer software for use in computer access control; Downloadable computer software for use in desktop publishing; Downloadable computer software for use in implementing internet of things [iot]; Downloadable computer software for virtual currency; E-commerce software; Educational mobile applications; Educational mobile apps; Educational simulators; Educational simulators and apparatus; Downloadable computer software for virtual environments; Downloadable computer software for virtual worlds; Downloadable computer software for web crawling; Downloadable computer software for web scraping; Downloadable computer software from global computer networks; Computer software downloadable from global computer networks; Downloadable computer software platforms for cybersecurity data analysis; Downloadable computer software platforms for hosting computer sites; Downloadable computer software that can virtually represent goods authenticated by non-fungible tokens [nft]; Downloadable computer software to enhance the interface of texts, audios, graphics, still images and moving pictures; Downloadable computer software using artificial intelligence for data analysis; Downloadable computer software which facilitates online services for building social networking applications; Downloadable computer software which facilitates online services for social networking; Downloadable computer utility programs; Downloadable concert tickets stored in digital wallets; Downloadable coupons; Downloadable coupon; Downloadable coupons for mobile telephones; Downloadable coupons for mobile phones; Downloadable coupons for cell phones; Downloadable coupons for cellular phones; Downloadable coupons for cellular telephones; Downloadable coupons stored in digital wallets; Downloadable cryptographic keys for receiving and spending crypto assets; Downloadable cryptographic keys for receiving and spending cryptocurrency; Downloadable data files; Downloadable digital assets being digital wallets; Downloadable digital assets stored in digital wallets; Downloadable digital avatars authenticated by non-fungible tokens [nfts]; Downloadable digital clothing authenticated by non-fungible tokens [nfts]; Cash registers; Cash registers, calculating machines, data processing equipment, computers; Casino management software; Cell phone straps; Straps for mobile telephones; Straps for mobile phones; Straps for cellular telephones; Straps for cellular phones; Straps for cell phones; Mobile telephone straps; Cellular telephone straps; Cellular phone straps; Cellular phone cases made of leather or imitations of leather; Mobile phone cases made of leather or imitations of leather; Mobile telephone cases made of leather or imitations of leather; Cellular telephone cases made of leather or imitations of leather; Cell phone cases made of leather or imitations of leather; Cellular phone covers made of cloth or textile materials; Mobile telephone covers made of cloth or textile materials; Mobile phone covers made of cloth or textile materials; Cell phone covers made of cloth or textile materials; Mobile telephones having large keys and numbers that assist users having impaired vision or dexterity; Mobile phones having large keys and numbers that assist users having impaired vision or dexterity; Straps for sunglasses and spectacles; Straps for sunglasses and eyeglasses; Cords for eyeglasses and sunglasses; Cords for spectacles and sunglasses; Cords for spectacles and for sunglasses; Eyeglass and sunglass cords; Cords for sunglasses or spectacles; Cords for sunglasses or eyeglasses; Straps for sunglasses or spectacles; Straps for sunglasses or eyeglasses; Cellular telephone covers; Covers for cellular telephones; Covers for mobile phones; Mobile phone covers; Mobile telephone covers; Covers for compact discs; Covers for computer keyboards; Computer keyboard covers; Covers for data storage devices; Covers for digital media players; Covers for electric outlets; Covers for electronic agendas; Covers for electronic personal organizers; Covers for electronic personal organisers; Covers for electronic devices; Covers for electronic diaries; Covers for handheld digital electronic devices for playing music; Covers for laptop computers; Covers for laptops; Laptop covers; Covers for music storage devices; Covers for personal digital assistants [pdas]; Covers for personal digital assistants; Covers for pdas; Covers for portable digital electronic devices for playing music; Covers for portable media players; Covers for smartphones; Covers for smartphones incorporating a keyboard; Covers for tablet computers; Covers for telephone receivers; Covers with side flip closure for smartphones; Downloadable digital apparel authenticated by non-fungible tokens [nfts]; Downloadable digital collectibles being image and video files authenticated by non-fungible tokens [nfts]; Downloadable digital collectibles being image files authenticated by non-fungible tokens [nfts]; Downloadable digital collectibles being image files authenticated by non-fungible tokens [nfts] using blockchain technology; Downloadable digital collectibles software using blockchain-based software technology and smart contracts for use in the field of identity verification; Downloadable digital content being home videos; Downloadable digital content being images; Downloadable digital content being movies; Downloadable digital content being music audios; Downloadable digital content being music videos; Downloadable digital content being photos; Downloadable digital content being self-created pictures; Downloadable digital content being tv shows; Downloadable digital content being videos; Downloadable digital content being visual stories; Downloadable digital content in the form of electronic publications of booklets; Downloadable digital content in the form of electronic publications of books; Downloadable digital content in the form of electronic publications of brochures; Downloadable digital contents in the form of electronic publications of brochures; Downloadable digital content in the form of electronic publications of magazines; Downloadable digital content in the form of electronic publications of newsletters; Downloadable digital content in the form of electronic publications of pamphlets; Downloadable digital files authenticated by non-fungible tokens [nfts]; Downloadable digital files

authenticated by non-fungible tokens [nft]; Downloadable digital files authenticated by non-fungible tokens [nfts] representing clothing for use in virtual environments; Downloadable digital handbags authenticated by non-fungible tokens [nfts]; Downloadable digital image files authenticated by non-fungible tokens [nfts]; Downloadable digital jewellery authenticated by non-fungible tokens [nfts]; Downloadable digital jewelry authenticated by non-fungible tokens [nfts]; Downloadable digital media content; Downloadable digital media content being home videos; Downloadable digital media content being images; Downloadable digital media content being movies; Downloadable digital media content being music audios; Downloadable digital media content being music videos; Downloadable digital media content being photos; Downloadable digital media content being self-created pictures; Downloadable digital media content being tv shows; Downloadable digital media content being videos; Downloadable digital media content being visual stories; Downloadable digital music; Digital music, downloadable; Downloadable digital music files authenticated by non-fungible tokens [nfts]; Downloadable digital music provided from a computer database or the internet; Chains and cords for sunglasses; Sunglass chains and cords; Chains for spectacles and sunglasses; Chains for eyeglasses and sunglasses; Eyeglass and sunglass chains; Chains for spectacles and for sunglasses; Chains for sunglasses; Change-over switches for telecommunication apparatus; Changeover switches for telecommunication apparatus; Chip card readers; Chip cards; Chipcards; Chip multiprocessors; Chip multiprocessors [cmp]; Chips [integrated circuits]; Chorded keyboards; Chorded keysets; Chord keyboards; Chording keyboards; Credit card encoding machines [computer peripherals]; Credit cards incorporating ic chips; Credit card-style usb flash drives; Credit cards with integrated lcd screen and numerical keypad; Credit card terminals; Credit screening software; Cross-platform software; Crypto collectibles in the nature of downloadable audio recordings in the field of music authenticated by non-fungible tokens [nfts]; Crypto collectibles in the nature of downloadable audio recordings in the field of poetry authenticated by non-fungible tokens [nfts]; Crypto collectibles in the nature of downloadable audio recordings in the field of songs authenticated by non-fungible tokens [nfts]; Crypto collectibles in the nature of downloadable image files of clothing authenticated by non-fungible tokens [nfts]; Crypto collectibles in the nature of downloadable image files of footwear authenticated by non-fungible tokens [nfts]; Crypto collectibles in the nature of downloadable image files of headwear authenticated by non-fungible tokens [nfts]; Crypto collectibles in the nature of downloadable image files of shoes authenticated by non-fungible tokens [nfts]; Crypto collectibles in the nature of downloadable image files of sneakers authenticated by non-fungible tokens [nfts]; Crypto collectibles in the nature of downloadable image files of trainers authenticated by non-fungible tokens [nfts]; Crypto collectibles in the nature of downloadable image files of training shoes authenticated by non-fungible tokens [nfts]; Crypto collectibles in the nature of downloadable image files of toys authenticated by non-fungible tokens [nfts]; Digital music [downloadable] provided from a computer database or the internet; Downloadable digital music provided from mp3 internet web sites; Digital music [downloadable] provided from mp3 internet web sites; Digital music [downloadable] provided from mp3 web sites on the internet; Digital music [downloadable] provided from mp3 websites on the internet; Downloadable digital music provided from the internet; Downloadable digital photographs; Downloadable digital photos; Downloadable digital sneakers authenticated by non-fungible tokens [nfts]; Downloadable digital trainers authenticated by non-fungible tokens [nfts]; Downloadable digital training shoes authenticated by non-fungible tokens [nfts]; Downloadable digital video recordings; Downloadable digital works of art authenticated by non-fungible tokens [nfts]; Downloadable digital artwork authenticated by non-fungible tokens [nfts]; Downloadable digital artworks authenticated by non-fungible tokens [nfts]; Downloadable driver's license cards stored in digital wallets; Downloadable educational course materials; Downloadable educational media; Downloadable electronic books; Electronic books, downloadable; Downloadable electronic books featuring educational materials for children and parents; Downloadable electronic books in the field of golf instruction; Downloadable electronic games; Downloadable electronic game software for wireless devices; Downloadable electronic gift certificates; Downloadable electronic mail software; Email software; Downloadable electronic manuals; Downloadable electronic maps; Downloadable electronic newspapers; Electronic newspapers, downloadable; Downloadable electronic publications in the field of quantum computing; Downloadable electronic publications in the nature of directories; Downloadable electronic publications in the nature of directories in the field of healthcare marketing; Downloadable electronic publications in the nature of magazines; Downloadable electronic publications in the nature of magazines in the field of healthcare marketing; Downloadable electronic publications in the nature of magazines in the field of video games; Downloadable electronic publications in the nature of newsletters; Downloadable electronic publications in the nature of newsletters in the field of healthcare marketing; Downloadable electronic publications relating to games; Downloadable electronic publications relating to gaming; Downloadable emojis for computers; Downloadable emojis for mobile phones; Downloadable emojis for tablet computers; Downloadable emojis for tablets; Downloadable emoticons for computers; Downloadable emoticons for mobile phones; Downloadable emoticons for tablet computers; Downloadable emoticons for tablets; Downloadable event tickets stored in digital wallets; Downloadable image files featuring avatars for use in the metaverse; Downloadable image files featuring avatars for use in virtual environments; Downloadable image files featuring avatars for use in virtual worlds; Downloadable image files featuring tradeable fashion goods for metaverse environments; Downloadable image files featuring fashion goods for trading in metaverse environments; Downloadable image files featuring fashion goods traded in metaverse environments; Downloadable image files featuring tradeable fashion goods for use in the metaverse; Downloadable image files featuring virtual fashion goods traded in the metaverse; Downloadable image files featuring tradeable virtual fashion goods for metaverse environments; Downloadable image files featuring virtual fashion goods for trading in metaverse environments; Downloadable image files featuring virtual fashion goods traded in metaverse environments; Electronically recorded data; Data recorded electronically; Electronically recorded data [downloadable]; Data recorded electronically [downloadable]; Electronically stored data; Cloud-based software; Cloud computing software; Cloud network monitoring software; Cloud servers; Cloud software; Communication software; Communications software; Communications servers [computer hardware]; Communications software for connecting computer network users; Communication software for connecting computer network users; Communications software for connecting global computer networks; Communication software for connecting global computer networks; Data communications computer software; Data communication computer software; Data communication hardware; Data communications software; Data communication software; Data compression software; Data loggers; Data management software; Data processing apparatus and computers; Data processing apparatus with artificial intelligence; Data processing programs; Data processing programmes; Data processing programs recorded on machine-readable data carriers; Data processing software for graphic representations; Data processing systems; Data sets, downloadable; Downloadable data sets; Data sets, recorded; Recorded data sets; Data sets, recorded or downloadable; Recorded or downloadable data sets; Data storage devices being floppy disks; Data storage devices in the nature of floppy disks; Data storage devices being magnetic tapes; Data storage devices in the nature of magnetic tapes; Data storage media; Data storage media for smartphones; Data synchronization cables; Motherboards; Mouse [computer peripheral]; Mice [computer peripherals]; Mouse pads; Mouse mats; Computer mouse mats; Mousepads; Computer mouse pads; Recorded and downloadable computer programs; Recorded and downloadable computer software; Recorded and downloadable media; Recorded and downloadable media, computer software, blank digital or analogue recording and storage media; Recorded and downloadable software; Recorded application programming interface [api] software; Recorded computer anti-virus software; Recorded computer gaming software for gambling; Recorded computer software for business administration; Recorded computer software for business management; Recorded computer software for use as an application programming interface [api]; Recorded computer virtual reality game software; Recorded content; Recorded data; Recorded media; Recorded or downloadable media, computer software, blank digital or analogue recording and storage media; Recorded programs for hand-held games with liquid crystal displays; Recorded software for the redirection of electronic messages to alternate addresses; Identification and authentication instruments and devices; Magnetic identification cards; Magnetic identifying cards; In-ear earphones; In-ear headphones; Recorded virtual reality game software; Recordings on cassettes; Recordings on discs;

Recordings on tapes; Record players; Record players incorporating a compact disc player; Record playing apparatus and instruments; Records [sound recordings]; Record turntables; Record decks; Rugged computers; Ruggedized computers; Ruggedised computers; Electronic magazines; E-magazines; Electronic mail servers; E-mail servers; Email servers; Electronic mail software; E-mail software; Electronic memory devices; Electronic message displays; Electronic monthly planners; Electronic newsletters; Electronic newsletters, downloadable; Electronic newsletters in the field of vehicle fleet management; Electronic numeric displays; Electronic payment terminals; Electronic pens; Electronic pens [visual display units]; Electronic planners; Electronic pocket agendas; Electronic pocket diaries; Electronic pocket translators; Ink-jet color printers; Ink-jet colour printers; Inkjet color printers; Inkjet colour printers; Ink-jet printers; Inkjet printers; Inkjet printers for use with computers; Ink jet printers for use with computers; Input devices for computers; Multifunction keyboards for computers; Multimedia and publishing software; Multimedia apparatus and equipment; Multimedia apparatus and instruments; Multimedia content; Multimedia content, downloadable; Downloadable multimedia content; Multimedia files, downloadable; Downloadable multimedia files; Downloadable multimedia file; Multimedia projectors; Multimedia software; Multimedia software recorded on cd-rom; Musical sound recordings; Musical video recordings; Music composition software; Netbook computers; Scanners for data processing; Pocket translators, electronic; Electronic publications; Publications in electronic form; Electronic publications, downloadable; Downloadable electronic publications; Downloadable publications in electronic form; Electronic publications, downloadable, in the field of video games; Downloadable electronic publications in the field of video games; Electronic downloadable publications in the field of video games; Electronic publications [downloadable] provided from databases or the internet; Electronic publications downloadable from databases or the internet; Electronic publications [downloadable] provided on-line from databases or the internet; Electronic publications [downloadable] provided online from databases or the internet; Electronic publications, downloadable, relating to games and gaming; Downloadable electronic publications relating to games and gaming; Electronic publications featuring games; Electronic publications in the field of interactive technology; Electronic publications in the nature of magazines; Electronic publications recorded on computer media; Electronic balances; Electronic scoreboards; Electronic storage media; Electronic tablets; Integrated circuit cards [smart cards]; Smart cards [integrated circuit cards]; Cards with integrated circuits; Integrated circuit cards; Smart cards; Memory or microprocessor cards; Integrated circuit [ic] memory cards; Integrated circuit memory cards; Ic memory cards; Integrated circuit modules; Integrated circuits; Integrated software packages; Intelligent gateways for real-time data analysis; Intelligent personal assistant [ipa] software; Interactive business management software; Interactive business software; Interactive casino games provided through a computer or mobile platform; Interactive compact discs and cd-roms; Interactive computer game programs; Interactive computer game programs with artificial intelligence; Interactive computer software; Interactive databases; Interactive data banks; Interactive database software; Interactive education software; Interactive electronic publications; Interactive entertainment computer software for video games; Interactive entertainment software; Interactive entertainment software for computers; Interactive entertainment software for use with computers; Interactive multimedia computer game programs; Interactive multimedia computer programs; Interactive multimedia game programs; Interactive software; Interactive software based on artificial intelligence; Interface cards for computers; Interface boards for computers; Computer interface cards; Computer interface boards; Interfaces for computers; Interfaces for metaverse; Interfaces for metaverse environments; Interfaces for use in virtual environments; Internet bots being computer programs; Web robots being computer programs; Bots being computer programs; Internet bots being computer software; Web bots being computer software; Bots being computer software; Internet messaging software; Networking software; Network management computer software; Computer programs for network management; Notebook computers; Open-source software [oss]; Open-source software; Operating and user instructions stored in digital form; Operating and user instructions stored in digital form for computers and computer software; Operating computer software for main frame computers; Electronic touchscreen displays; Electronic touch screen displays; E-mail security software; Embedded operating software; Embedded software; Gateway for internet of things [iot]; Gateways for internet of things [iot]; Iot gateways; Iot gateway; Internet of things gateways; Internet of things gateway; Gateways for internet of things; Gateway for internet of things; Internet phones; Internet telephones; Web phones; Internet servers; Intranet servers; Operating software for metaverse environments; Operating software for network access servers; Network access server operating software; Operating software for use in virtual environments; Operating system programs; Operating systems; Operating systems for robots; Operating system software; Emoticons, downloadable; Downloadable emoticons; Encoded bank cards; Encoded cards; Encoded cards for accessing computer software; Cards encoded to access computer software; Encoded cards for accessing software; Cards encoded to access software; Encoded cards, magnetic cards and integrated circuit cards [smart cards]; Encoded cards, magnetic cards and smart cards [integrated circuit cards]; Encoded, magnetic and smart cards; Encoded cash cards; Encoded charge cards; Encoded chip cards; Encoded consumer coupons; Encoded credit cards; Encoded debit cards; Encoded electronic chip cards; Encoded electronic chip cards for identifying particular users of computers and cellular phones; Encoded electronic chip cards for identifying particular users of computers and mobile telephones; Encoded electronic chip cards for identifying particular users of computers and cellular telephones; Encoded electronic chip cards for identifying particular users of computers and cell phones; Encoded gift cards; Encoded holograms for genuine product certification; Encoded identification bracelets, magnetic; Encoded magnetic identification bracelets; Magnetically encoded

identification bracelets; Magnetic encoded identification bracelets; Encoded integrated circuit cards; Encoded key cards; Encoded loyalty cards; Encoded magnetic cards; Magnetic encoded cards; Magnetically encoded cards; Encoded membership cards; Encoded payment cards; Encoded plastic cards; Encoded prepaid credit cards; Encoded prepaid magnetic cards; Encoded magnetic prepaid cards; Encoded printed cards; Encoded smart cards; Labels with integrated rfid chips; Labels with machine-readable codes; Language recognition software; Lanyards for cameras; Camera lanyards; Lanyards for cell phones; Lanyards for mobile telephones; Lanyards for mobile phones; Lanyards for cellular telephones; Lanyards for cellular phones; Lanyards for holding encoded identity cards; Lanyards for holding magnetic identity cards; Lanyards for safety purposes for fall protection; Lanyards for smartphones; Smartphone lanyards; Lanyards [straps] for cellular phones; Lanyards [straps] for mobile telephones; Lanyards [straps] for mobile phones; Lanyards [straps] for cellular telephones; Lanyards [straps] for cell phones; Laptop computers; Laptop docking stations; Optimization software; Optimisation software; Organic light-emitting diode [oled] display panels; Organic light-emitting diode [oled] displays; Oled displays; Organic light-emitting diode displays; Organic light-emitting diode [oled] televisions; Organic light-emitting diode televisions; Organic light-emitting diode screens; Organic light-emitting diodes [oled]; Organic light-emitting diodes; Ornaments [cases] for mobile telephones; Ornaments [cases] for cellular phones; Ornaments [cases] for cell phones; Ornaments [cases] for cellphones; Ornaments [cases] for cellular telephones; Ornaments [cases] for mobile phones; Ornaments [straps] for mobile telephones; Ornaments [straps] for cellular phones; Ornaments [straps] for cell phones; Ornaments [straps] for cellular telephones; Ornaments [straps] for mobile phones; Paper covers for telephone receivers; Selfie sticks; Selfie sticks adapted for cellular phones; Selfie sticks for mobile phones; Selfie sticks for smartphones; Selfie sticks for use with smartphones; Selfie sticks for use with digital cameras; Selfie sticks [hand-held monopods]; Selfie sticks [handheld monopods]; Selfie sticks used as smartphone accessories; Sensors; Sensors and detectors; Sensors, detectors and monitoring instruments; Sensory software; Entertainment computer programs; Computer programs for entertainment; Entertainment computer software; Computer software for entertainment; Entertainment software; Computer games entertainment software; E-wallets for storing digital files authenticated by non-fungible tokens [nfts]; Electronic wallets for storing digital files authenticated by non-fungible tokens [nfts]; Large-screen liquid crystal displays; Large-screen lcds; Lcd large-screen displays; Leather cases for cellular phones; Leather cases for mobile telephones; Leather cases for mobile phones; Leather cases for cellular telephones; Leather cases for cell phones; Leather cases for electronic agendas and weekly planners; Cases of leather for electronic agendas and weekly planners; Leather-covered electronic diaries; Leather covers for electronic diaries; Led circuit boards; Led circuits; Led drivers; Led light engines; Led message boards; Led screen displays; Led screens; Payment cards with keyboard and lcd display; Payment terminal apparatus; Pc cards; Pcmcia [personal computer memory card international association] cards; Pc on a stick; Stick computers; Computer sticks; Pc stick; Stick pc; Computer on a stick; Pda phones; Pdf creation and conversion software; Peripheral devices used with computers; Peripherals adapted for computers; Personal computers; Signalling lights; Signaling lights; Signalling panels, luminous or mechanical; Signaling panels, luminous or mechanical; Luminous or mechanical signalling panels; Luminous or mechanical signaling panels; Luminous signs; Signs, luminous or mechanical; Luminous or mechanical signs; Simulation software; Simulation software for entertainment purposes; Simulation software for training purposes; Simulation software for use in digital computers; Single-board computers; Laptop sleeves; Sleeves for record albums; Eyewear cases; Cases for eyewear; Eyewear pouches; Face recognition equipment; Face recognition software; Facial recognition software; Software applications [apps] for internet of things [iot] enabled devices; Software applications for use with mobile devices; Software for authenticating the identity of a payer; Software for card readers; Software for cellular phones; Software for cell phones; Software for mobile telephones; Software for cellular telephones; Software for mobile phones; Software for cloud servers; Cloud server software; Software for cognitive computing and data-driven analytics; Software for computer telephony; Computer telephony software; Software for continuous integration and continuous deployment (ci/cd); Software for mobile applications that enable interaction and interface between vehicles and mobile devices; Production process control, optimisation and management software; Software for providing online trading platform for digital assets; Software for robotic process automation; Software for robotics design; Software for use in designing robots; Software for robotics programming; Software for satellite navigation systems; Software for searching and retrieving information across a computer network; Software for searching, viewing and purchasing products and services; Software for searching, for viewing and for purchasing products and services; Software for smartphones; Smartphone software; Software for smart tv [application]; Supply chain management, logistics and warehousing software; Software for tablet computers; Software for tablets; Software for testing hardware; Hardware testing software; Software for the analysis of business data; Software for the integration of artificial intelligence and machine learning in the field of big data; Software for transmitting distress signals; Software for use in database management; Software for use in the evaluation and analysis of data utilizing computational linguistics; Software for use in the evaluation and analysis of data utilizing machine learning; Software for use in virtual environments; Software for wireless content transmission; Software for wireless content delivery; Software to enable teleconferencing, videoconferencing and videophone services; Software to enhance the audiovisual capabilities of multimedia applications; Mobile software; Mobiles [telecommunication devices].

CLASS 16

Visiting cards; Printed vocabulary cards; Wall calendars; Wall covering sample books; Wall maps; Wall mural posters; Wallpaper sample books; Wallpaper stencils; Washcloths made of paper; Washcloths of paper; Paper washcloths; Washi tapes [decorative adhesive tapes for stationery or household purposes]; Waste bags of biodegradable plastic for household use; Watercolor portraits being paintings; Watercolor portraits [paintings]; Wedding albums; Wedding books; Wedding cards; Weekly planner covers; Weekly planners [printed matter]; Weekly planners [stationery]; White paperboard; Wirebound books; Wood pulp board [stationery]; Wood pulp paper; Workbooks containing exercises; Works of art of cardboard; Works of art made of cardboard; Works of art of cardboard authenticated by non-fungible tokens [nfts]; Artworks of cardboard authenticated by non-fungible tokens [nfts]; Works of art of paper; Artworks of paper authenticated by non-fungible tokens [nfts]; Works of art of paper or cardboard; Wrapping foils for books; Wrapping, packaging and storage bags and articles made of paper, cardboard or plastic; Rental of message sending apparatus; Leasing of message sending apparatus; Rental of message transmission apparatus; Leasing of message transmission apparatus; Rental of apparatus for the transmission of messages; Leasing of apparatus for the transmission of messages; Rental of modems; Leasing of modems; Rental of radio and television broadcasting equipment; Rental of equipment for radio and television broadcasting; Leasing of radio and television broadcasting equipment; Broadcasting of programs by satellite; Broadcasting of programmes via a global computer network; Broadcasting programs via a global computer network; Broadcasting of programs via the internet; Broadcasting of programmes via the internet; Broadcasting of radio and television programs; Broadcasting of radio and television programmes; Radio and television program broadcasting; Radio and television programme broadcasting; Broadcasting of radio and television programs by satellite; Broadcasting of radio and television programmes by satellite; Broadcasting of radio and television programs via cable or wireless networks; Broadcasting of radio and television programmes via cable or wireless networks; Broadcasting of radio programs; Broadcasting of radio programmes; Radio program broadcasting; Radio programme broadcasting; Broadcasting of teleshopping programs; Broadcasting of teleshopping programmes; Broadcasting of television programs; Broadcasting of television programmes; Broadcasting of television programs, motion picture films, and other audiovisual and multimedia content; Broadcasting of television programmes, motion picture films, and other audiovisual and multimedia content; Broadcasting of television programs, motion picture films, and other audiovisual and multimedia content via internet protocol and communication networks; Broadcasting of television programmes, motion picture films, and other audiovisual and multimedia content via internet protocol and communication networks; Broadcasting of television programs using video-on-demand and pay-per-view television services; Broadcasting of television programmes using video-on-demand and pay-per-view television services; Broadcasting of television programs via the internet; Broadcasting of television programmes via the internet; Broadcasting of video and audio content via the internet; Broadcasting of video and audio programming via the internet; Broadcasting of video and audio programming over the internet; Broadcasting of videocasts; Videocast broadcasting; Broadcasting services; Broadcasting; Broadcasting services and provision of telecommunication access to films and television programs provided via a video-on-demand service; Broadcasting services and provision of telecommunication access to films and television programmes provided via a video-on-demand service; Broadcasting services and provision of telecommunication access to video and audio content provided via a video-on-demand service via the internet; Broadcast transmission by satellite; Cable broadcasting and transmission; Cable broadcasting of radio and television programs; Cable broadcasting of radio and television programmes; Cablecasting services; Cablecasting; Rental of radio and television broadcasting facilities; Leasing of radio and television broadcasting facilities; Rental of radio broadcasting equipment; Rental of equipment for radio broadcasting; Leasing of radio broadcasting equipment; Rental of radio transmission apparatus; Rental of satellite broadcasting equipment; Satellite broadcasting equipment rental; Rental of satellite transmission capacity; Leasing of satellite transmission capacity; Rental of smartphones; Rental of smartwatches; Rental of telecommunication apparatus and installations; Leasing of telecommunication apparatus and installations; Rental of telecommunication devices and equipment enabling connection to networks; Leasing of telecommunication devices and equipment enabling connection to networks; Rental of telecommunication equipment; Rental of equipment for telecommunications; Rental of telecommunications equipment; Rental of telecommunications apparatus; Leasing of telecommunication equipment; Leasing of telecommunications equipment; Rental of telecommunication equipment, including telephones and facsimile apparatus; Leasing of telecommunication equipment, including telephones and facsimile apparatus; Rental of telecommunications installations; Rental of telecommunication facilities; Rental of telecommunications facilities; Rental of telecommunication installations; Rental of telecommunication lines; Leasing of telecommunication lines; Rental of telecommunication lines; Leasing of telecommunication lines; Rental of telephone apparatus; Rental of telephone booths; Leasing of telephone booths; Rental of telephones; Telephone rental services; Telephone rental; Leasing of telephones; Rental of telephone sets, facsimile and other communication equipment; Leasing of telephone sets, facsimile and other communication equipment; Rental of teleprocessing and computer communication apparatus and instruments; Leasing of teleprocessing and computer communication apparatus and instruments; Rental of equipment for television broadcasting; Leasing of television broadcasting equipment; Rental of video conferencing equipment; Leasing of video

conferencing equipment; Rental of video conferencing facilities; Leasing of video conferencing facilities; Satellite and cable broadcasting; Satellite and cable broadcasting services; Cable and satellite broadcasting services; Satellite broadcasting services; Satellite broadcasting services relating to business; Satellite broadcasting services relating to entertainment; Cable casting; Cable casting services; Cable radio broadcasting; Cable radio broadcasting services; Cable radio transmission; Cable radio transmission services; Cable television broadcasting; Cable television broadcasting services; Cable television broadcast services; Cable television broadcasting information; Cable television transmission; Cable television transmission services; Cable transmission of sounds, images, signals and data; Chatroom services for social networking; Chat room services for social networking; Collection and transmission of electronic messages; Communication by electronic mail systems; Communication by e-mail systems; Communication by email systems; Communication by electronic means; Communication of data by electronic mail; Data communication by electronic mail; Data communication by e-mail; Data communication by email; Communication of information by computer; Communications by cellular phones; Communications by cellular telephones; Communications by mobile telephones; Communications by mobile phones; Communications by cell phones; Communications by computer; Communications by computer and internet access provider services; Communications by computer and providing access to the internet; Communications by computer and providing internet access; Communications by computer and provision of access to the internet; Communications by computer terminals; Communications by facsimile; Communications by fibre optic networks; Communications by fiber optic networks; Communications by optical fiber networks; Communications by optical fibre networks; Communications by or between computers and computer terminals; Communications by satellite; Satellite communication services; Satellite communication; Communications by telegrams; Communications by telegraph; Communications by telephone; Telephone communications; Telephone communication services; Communication services for the electronic transmission of voices; Communications services for accessing a database; Communications services provided over the internet; Communications via analog and digital computer terminals; Communications via analogue and digital computer terminals; Communications via multinational telecommunication networks; Communication via computer terminals, by digital transmission or by satellite; Communication via interactive voice response [ivr]; Communication via interactive voice response; Communication via radio, telegraph, telephone and television transmissions; Communication via virtual private networks [vpn]; Communication via virtual private networks; Computer aided transmission of data; Computer aided transmission of images; Computer aided transmission of information; Computer aided transmission of information and images; Computer aided transmission of messages; Image and message transmission by means of computers; Computer aided transmission of messages, data and images; Computer communications services for the transmission of information; Computer intercommunication; Computerised data communications; Computerized communication services; Computerised communication services; Computer network access services provided by means of a metro ethernet; Computer network access services by means of a metro ethernet; Computer network communication services; Communication services via computer networks; Communication services over computer networks; Computer telephony services; Computerised telephony services; Computerized telephony services; Consultancy, information and advisory services in the field of telecommunications; Consultancy in the field of communications; Consulting services in the field of communications; Consultancy services in the field of communications; Consultancy in the field of data communications; Consultancy services in the field of data communications; Consultancy in the field of telecommunications; Consultancy services relating to data communications; Consultancy relating to data communications via internet; Consultancy services relating to data communications via internet; Consultancy relating to telecommunications; Consultancy services relating to telecommunications; Consultancy relating to telecommunications via internet; Consultancy services relating to telecommunications via internet; Consultancy services in the field of electronic communications; Consulting services in the field of electronic communications; Datacasting; Data casting; Data broadcasting; Data broadcasting services; Data casting services; Datacasting services; Data transmission and reception services via telecommunication means; Data transmission and telecommunication services; Data transmission between networked computer systems; Data transmission for others; Data transmission via telecommunication networks; Data transmission services over telecommunications networks; Data transmission via telecommunications networks; Data transmission via telematic networks; Delivery of digital music by electronic transmission; Delivery of digital music by telecommunications; Delivery of messages by electronic transmission; Delivery of personalized greeting cards to others via electronic mail; Delivery of personalised greeting cards to others via electronic mail; Delivery of personalized greeting cards to others via e-mail; Delivery of personalized greeting cards to others via email; Digital audio broadcasting; Digital communications services; Digital data transfer; Digital data transfer services; Digital television broadcasting by satellite; Digital text messaging; Digital text messaging services; Digital transmission of data; Digital transmission of data via the internet; Digital transmission of images; Digital transmission of messages; Digital transmission services; Digital transmission services for audio and video data; Electronic and digital transmission of voice, data, images, signals and messages; Electronic bulletin board services [telecommunications services]; Electronic communication by means of chatrooms, chat lines and internet forums; Electronic communication by means of chat rooms, chat lines and internet forums; Electronic communications services; Electronic communication services; Electronic communication; Electronic communications services and providing access to the internet; Electronic communications services and provision of access to the internet; Electronic communications services and providing

internet access; Electronic communications services for the transmission of data; Electronic data interchange services; Electronic data interchange; Electronic data exchange services; Electronic delivery of documents; Electronic delivery of images and photographs via a global computer network; Electronic delivery of loan documents; Electronic exchange of data stored in databases accessible via telecommunication networks; Electronic exchange of messages via chat lines, chatrooms and internet forums; Electronic exchange of messages via chat lines, chat rooms and internet forums; Electronic exchange of messages using chat lines, chatrooms and internet forums; Electronic exchange of messages using chat lines, chat rooms and internet forums; Electronic instructions transmission services; Electronic mail and facsimile transmission services; E-mail and facsimile transmission services; Email and facsimile transmission services; Electronic mail and mailbox services; E-mail and mailbox services; Electronic mail and messaging services; E-mail and messaging services; Email and messaging services; E-mail data services; Email data services; Electronic mail forwarding services; Email forwarding services; E-mail forwarding services; Electronic mail services; E-mail services; Email services; Electronic mailing services; Electronic mailing; Electronic messaging; Electronic messaging services; Electronic order transmission; Electronic order transmission services; Electronic order transmission for florists; Electronic store-and-forward messaging; Electronic store-and-forward messaging services; Electronic transfer of data; Electronic transmission and retransmission of sounds, images, documents, messages and data; Electronic transmission and streaming of digital media content for others via global and local computer networks; Electronic transmission of audio, video and other data and documents among computers; Electronic transmission of audio, video and other data and documents via a peer-to-peer network; Electronic transmission of computer programmes via the internet; Electronic transmission of computer programs via the internet; Electronic transmission of data; Electronic transmission of data and documents; Electronic transmission of data and documents among computer users; Electronic transmission of data and documents among users of computers; Electronic transmission of data and documents via computer terminals; Electronic transmission of data and documents via computer terminals and electronic devices; Electronic transmission of data and documents via electronic devices; Electronic transmission of digital photo files among internet users; Electronic transmission of digital photo files via a peer-to-peer network; Electronic transmission of documents; Electronic transmission of encrypted data; Electronic transmission of facsimile communications; Electronic transmission of facsimile communications and data featuring encryption and decryption; Electronic transmission of images; Electronic transmission of images and photographs via a global computer network; Electronic transmission of images, photographs, graphic images and illustrations over a global computer network; Transmission of information by electronic means; Electronic transmission of instant messages; Electronic transmission of instant messages and data; Electronic transmission of mail and messages; Electronic transmission of messages; Transmission of messages by electronic means; Electronic transmission of messages and data; Electronic transmission of news; Electronic transmission of photographs; Electronic transmission of sound; Transmission of sound by electronic means; Electronic transmission of sound, images and other data and information of all kinds; Electronic transmission of sound, images and other data and information of all kinds via the internet; Encrypted electronic transmission and delivery of recovered data; Fiber optic telecommunications services; Fibre optic telecommunications services; Fixed line and mobile telephony services; Fixed and mobile telephony services; Forwarding messages of all kinds to internet addresses [web messaging]; Forwarding of messages of all kinds to internet addresses [web messaging]; Geolocation services being telecommunications services; Geolocation services [telecommunications services]; High bit-rate data transmission services for telecommunication network operators; Hosted private branch exchange [pbx] services; Hosted pbx services; Information services relating to data communications; Information services relating to telecommunications; Information transmission via electronic communications networks; Information transmission via telematic networks; Instant messaging services; Instant messaging; Providing instant messaging services; Integrated services digital network [isdn] services; Isdn services; Interactive broadcasting; Interactive broadcasting services; Interactive communication services; Interactive delivery of video via digital networks; Interactive transmission of video via digital networks; Interactive transmission of video over digital networks; Interactive videotext services; International telephony services; International telephone services; Internet access provider services; Internet and digital transmission services for audio, video, or graphical data; Internet and intranet communication and access services; Internet communication; Internet communication services; Internet protocol broadcasting; Internet protocol television [iptv] transmission services; Internet radio broadcasting; Internet radio broadcasting services; Internet service provider [isp] services; Internet service provider services; Isp services; Internet telephony services; Line hunting services; Call hunting services; Long distance telephone communication services; Long distance telephone communications services; Long distance telephone services; Message sending; Transmission of messages; Message sending services; Message transmission; Message transmission services; Missed call notification services; Mobile communication services; Mobile communications services; Mobile media services in the nature of electronic transmission of entertainment media content; Mobile radio communication; Mobile radio communication services; Mobile radio telephony services; Mobile radio telephone services; Mobile telephone services; Cell phone services; Cellular phone services; Mobile phone services; Cellular telephone services; Cellular telephony services; Multimedia broadcasting via the internet; Multimedia broadcasting via the internet and other communications networks; Multimedia messaging services [mms]; Multimedia messaging services; Netcasting [broadcasting over a global computer network]; Network conferencing services; Network transmission of sounds, images, signals and data; News agency services; Press agency services; News agencies; News agency services for electronic

transmission; News agency services in the field of law; News agency services in the field of legal news; News agency services relating to political issues; Numeric messaging; Numeric messaging services; On call notification services; Online chatroom services for social networking; Online chat room services for social networking; On-line document delivery via a global computer network; Online document delivery via a global computer network; On-line message sending services; Online message sending services; Operation of radio broadcasting equipment; Operation of telecommunications equipment; Operation of television broadcasting equipment; Pager services; Paging services; Paging services [radio, telephone or other means of electronic communication]; Paging services by radio, telephone or other electronic communications systems; Pay-per-view television transmission services; Podcast broadcasting; Podcast broadcasting services; Broadcasting of podcasts; Prepaid local and long distance telephone services; Prepaid local telephone services; Prepaid long distance telephone services; Private branch exchange [pbx] dialing services; Pbx dialing services; Providing access and rental of access time to a computer database; Providing access to and rental of access time to a computer database; Providing access to and leasing of access time to a computer database; Provision and rental of access time to computer databases; Provision and rental of access time to databases; Provision and rental of access time to data banks; Providing access time to internet service provider [isp]; Providing access to a blog, chatroom, bulletin board or discussion service; Providing access to a blog, chat room, bulletin board or discussion service; Providing access to a global computer network; Provision of access to a global computer network; Provision of access to a worldwide computer network; Providing access to a worldwide computer network; Providing access to an audio sharing portal; Provision of access to an audio sharing portal; Providing access to and rental of access time to computer networks; Provision of access to and rental of access time to computer networks; Providing access to an electronic marketplace [portal] on computer networks; Provision of access to an electronic marketplace [portal] on computer networks; Providing access to an internet discussion web site; Provision of access to a photo sharing and video sharing portal; Providing access to a photo sharing portal; Provision of access to a photo sharing portal; Providing access to a video sharing portal; Provision of access to a video sharing portal; Providing access to a web, mail and news portal; Providing access to blockchain networks; Provision of access to blockchain networks; Providing access to bulletin boards; Providing access to chat lines, chatrooms and forums on the internet, including mobile internet; Providing access to chat lines, chatrooms and forums on the internet, including on mobile internet; Providing access to chat lines, chat rooms and forums on the internet, including mobile internet; Providing access to chat lines, chat rooms and forums on the internet, including on mobile internet; Providing access to chat lines, chatrooms and forums via mobile internet; Providing access to chat lines, chat rooms and forums via mobile internet; Providing access to chat lines, chatrooms and forums via the internet; Providing access to chat lines, chat rooms and forums via the internet; Providing access to chatrooms; Providing access to chat rooms; Providing access to computer, electronic and online databases; Providing access to computer networks; Providing access to computer programs on data networks; Providing access to computer programmes on data networks; Providing access to content, websites and portals; Provision of access to content, websites and portals; Providing access to content, web sites and portals; Provision of access to content, web sites and portals; Providing access to data and information on the internet; Providing access to databases; Provision of access to databases; Providing access to computer databases; Providing access to a computer database; Provision of access to computer databases; Providing access to databases and information via global computer networks; Providing access to databases on computer networks; Providing access to databases on the internet; Providing access to internet databases; Providing access to data on communications networks; Provision of access to data on communication networks; Providing access to data on communication networks; Providing access to data on computer networks; Providing access to data or documents stored electronically in central files for remote consultation; Provision of access to data or documents stored electronically in central files for remote consultation; Providing access to data via the internet; Provision of access to data via the internet; Providing access to digital music websites on the internet; Provision of access to digital music websites on the internet; Providing access to digital music web sites on the internet; Provision of access to digital music web sites on the internet; Providing access to e-commerce platforms on the internet; Provision of access to e-commerce platforms on the internet; Providing access to electronic communications networks; Providing access to electronic communication networks; Providing access to electronic communications networks, to the internet and to extranets; Providing access to electronic databases; Providing access to electronic information, communication and transaction platforms on the internet; Providing access to electronic publications; Providing access to electronic shops [telecommunications]; Providing access to electronic sites; Providing access to information on the internet; Provision of access to information on the internet; Providing access to information via data networks; Providing access to information via the internet; Providing access to internet chatrooms; Providing access to internet chat rooms; Providing access to internet forums; Providing access to internet platforms for the purpose of exchanging digital photographs; Provision of access to internet platforms for the purpose of exchanging digital photographs; Providing access to mobile internet platforms; Providing access to mobile internet portals; Providing access to multimedia content on-line; Providing access to multimedia content online; Providing access to on-line chat lines; Providing access to online chat lines; Providing access to on-line chatrooms; Providing access to online chatrooms; Providing access to on-line chat rooms; Providing access to online chat rooms; Providing access to online computer databases; Providing access to online databases; Providing access to on-line forums; Providing access to online forums; Providing access to platforms and portals on the internet; Providing access to internet platforms and portals; Providing access to platforms on the internet; Providing access to internet

platforms; Provision of access to internet platforms; Providing access to platforms on the internet, as well as on the mobile internet; Providing access to portals on the internet; Providing access to internet portals; Provision of access to internet portals; Providing access to portals on the internet, as well as on the mobile internet; Providing access to telecommunication channels for teleshopping services; Provision of access to telecommunication channels for teleshopping services; Providing access to telecommunication networks; Providing access to telecommunications networks; Providing access to the internet; Provision of access to the internet; Providing access to web portals; Providing access to web sites on the internet or any other communications network; Providing access to websites on the internet or any other communications network; Providing access via data networks to software for internet access; Providing and rental of telecommunication installations and equipment; Providing and rental of telecommunications installations and equipment; Provision of and rental of telecommunication installations and equipment; Providing an interactive on-line forum for people affected by cancer; Providing an interactive online forum for people affected by cancer; Providing chatroom or discussion services on-line; Providing chat room or discussion services on-line; Providing chatrooms in virtual environments; Providing chat rooms in virtual environments; Provision of chatrooms in virtual environments; Providing email and instant messaging services; Providing e-mail and instant messaging services; Providing electronic mail services; Providing email services; Providing e-mail services; Provision of email services; Provision of e-mail services; Provision of electronic mail services; Providing electronic telecommunications connections; Providing electronic telecommunication connections; Providing electronic transmission of credit card transaction data and electronic payment data via a global computer network; Providing e-mail fax services; Providing e-mail notification alerts of rating changes that affect financial portfolios; Providing facilities and equipment for telepresence conferencing; Providing facilities and equipment for video conferencing; Providing frame relay connectivity services for data transfer; Providing high speed access to a global computer information network; Providing high speed access to area networks; Providing high speed access to area networks and a global computer information network; Providing information about cable television broadcasting; Providing information about radio broadcasting; Providing information about television broadcasting; Providing information about television broadcasting, cable television broadcasting and radio broadcasting; Providing information about wireless communication; Providing information in the field of telecommunications; Information about telecommunications; Information about telecommunication; Provision of information in the field of telecommunications; Providing internet access via fiber optic broadband networks; Providing internet access via optical fiber broadband networks; Providing internet access via optical fibre broadband networks; Providing internet access via fibre optic broadband networks; Providing internet access via wireless broadband networks; Providing internet chat lines; Providing internet chatrooms; Providing chat rooms on the internet; Providing internet chat rooms; Providing of internet chat rooms; Provision of internet chat rooms; Provision of internet chatrooms; Providing internet chatrooms and forums; Providing internet chatrooms and internet forums; Providing internet chat rooms and internet forums; Providing internet chat rooms and forums; Providing internet chatrooms and online forums; Providing internet chatrooms and on-line forums; Provision of internet chatrooms and online forums; Provision of internet chatrooms and on-line forums; Providing internet connections; Provision of internet connections; Providing long distance telecommunications services; Providing long distance telecommunication services; Providing multiple-user access to a global computer information network; Providing multiple-user access to a global computer network; Providing multiple-user access to global computer information networks for the transfer and dissemination of a wide range of information; Providing multiple-user access to proprietary collections of information by means of global computer information networks; Providing multiple-user dial-up and dedicated access to the internet; Providing multiple-user wireless access to the internet; Providing on-demand access to computer programs on data networks; Providing on-demand access to computer programmes on data networks; Providing on-line access to data; Providing online access to data; Providing on-line access to databases; Providing on-line access to computer databases; Providing online access to computer databases; Providing on-line chatrooms and electronic bulletin boards for transmission of messages among computer users; Providing on-line chat rooms and electronic bulletin boards for transmission of messages among computer users; Providing online chatrooms and electronic bulletin boards for transmission of messages among computer users; Providing online chat rooms and electronic bulletin boards for transmission of messages among computer users; Providing on-line chatrooms and electronic bulletin boards for transmission of messages among users in the field of general interest; Providing on-line chat rooms and electronic bulletin boards for transmission of messages among users in the field of general interest; Providing online chat rooms and electronic bulletin boards for transmission of messages among users in the field of general interest; Providing online chatrooms and electronic bulletin boards for transmission of messages among users in the field of general interest; Providing online chatroom services; Providing online chat room services; Providing on-line chatroom services; Providing on-line chat room services; Providing online chatrooms for social networking; Provision of on-line chatrooms for social networking; Provision of online chatrooms for social networking; Provision of online chat rooms for social networking; Provision of on-line chat rooms for social networking; Providing on-line chatrooms for the transmission of messages, comments and multimedia content among users; Providing on-line chat rooms for the transmission of messages, comments and multimedia content among users; Providing online chatrooms for the transmission of messages, comments and multimedia content among users; Providing online chat rooms for the transmission of messages, comments and multimedia content among users; Providing on-line chatrooms for

transmission of messages among computer users; Providing on-line chat rooms for transmission of messages among computer users; Providing online chatrooms for transmission of messages among computer users; Providing online chat rooms for transmission of messages among computer users; Providing on-line communications links which transfer the web site user to other local and global web pages; Providing on-line communications links which transfer the website user to other local and global web pages; Providing online communications links which transfer the web site user to other local and global web pages; Providing on-line discussion services; Providing online discussion services; Providing on-line electronic bulletin boards for transmission of messages among computer users; Providing online electronic bulletin boards for transmission of messages among computer users; Providing on-line facilities for real-time interaction with other computer users; Providing online facilities for real-time interaction with other computer users; Providing on-line facsimile transmission services; Providing online facsimile transmission services; Providing online forums; Providing on-line forums; Provision of online forums; Provision of on-line forums; Providing online forums for the transmission of messages, comments and multimedia content among users; Providing on-line forums for the transmission of messages, comments and multimedia content among users; Providing online forums for transmission of messages among computer users; Providing on-line forums for transmission of messages among computer users; Providing on-line listservers for transmission of messages among computer users; Providing online listservers for transmission of messages among computer users; Providing on-line virtual reality-based forums for work collaboration; Provision of on-line virtual reality-based forums for work collaboration; Providing private and secure real-time electronic communication over a computer network; Providing radio and cellular communication services; Providing radio and cellular communication services for charitable purposes; Providing remote internet access; Providing telecommunication access to television programmes provided via an on-demand service; Provision of telecommunication access to television programmes provided via an on-demand service; Providing telecommunication access to television programs provided via an on-demand service; Provision of telecommunication access to television programs provided via an on-demand service; Providing telecommunication access to television programmes provided via a video-on-demand service; Provision of telecommunication access to television programs provided via a video-on-demand service; Providing telecommunication access to television programs provided via a video-on-demand service; Provision of telecommunication access to films and television programs provided via a video-on-demand service; Airport lounge services being computer aided transmission of messages and images; Airport lounge services being facsimile transmission; Airport lounge services being fax services; Airport lounge services being paging services [radio, telephone or other means of electronic communication]; Airport lounge services being providing internet chatrooms; Providing telecommunication channels for teleshopping services; Provision of telecommunications channels for teleshopping services; Providing telecommunication channels for teleshopping services; Providing telecommunications access to computer databases; Provision of telecommunications access to computer databases; Providing telecommunication access to computer databases; Provision of telecommunication access to computer databases; Providing telecommunications access to the internet; Provision of telecommunications access to the internet; Providing telecommunication access to the internet; Provision of telecommunication access to the internet; Providing telecommunications connections to a global communication network or databases; Providing telecommunications connections to a global computer network; Provision of telecommunication connections to a global computer network; Providing telecommunications connections to a global computer network; Providing telecommunication connections to computer databases; Provision of telecommunication connections to computer databases; Providing telecommunications connections to computer databases; Provision of telecommunications connections to databases; Providing telecommunication connections to the internet; Provision of telecommunication connections to the internet; Providing telecommunications connections to the internet in a cafe environment; Providing telecommunications connections to the internet or computer databases; Provision of telecommunications connections to the internet or computer databases; Providing telecommunications connections to the internet or databases; Provision of telecommunications connections to the internet or databases; Providing telecommunication services for e-commerce platforms on the internet and other electronic media; Providing telephone conferencing services; Providing television broadcasting information via a web site; Providing television broadcasting information via a website; Providing third party users with access to telecommunications infrastructure; Providing third party users with access to telecommunication infrastructure; Providing user access to a global computer network and on-line sites containing information on a wide range of topics; Providing user access to a global computer network and online sites containing information on a wide range of topics; Providing user access to computer programs on data networks; Providing user access to computer programmes on data networks; Satellite, cable and network transmission of sounds, images, signals and data; Satellite television broadcasting; Satellite television broadcasting services; Satellite transmission; Satellite transmission services; Satellite transmission and television broadcasting services; Satellite transmission of data; Transmission of data by satellite; Transmission of data via satellite; Satellite transmission of messages; Satellite transmission of messages and data; Satellite transmission of messages and data for navigation by air; Satellite transmission of signals; Satellite transmission of sounds and images; Transmission of sound and images by satellite; Transmission of sound and images via satellite; Sound and picture transmission via satellite; Satellite transmission of

sounds, images, signals and data; Satellite transmission services, television and radio broadcasting services; Secure electronic mail services; Secure email services; Sending and receiving of electronic messages; Sending of electronic messages via web sites; Sending of electronic messages via websites; Sending of messages via a web site; Sending of messages via a website; Sending of telegrams; Sending, receiving and forwarding of electronic messages; Sending [transmission] of news; Short message services [sms]; Short message services; Simulcasting broadcast television over global communication networks, the internet and wireless networks; Streaming of audio; Audio streaming services; Audio streaming; Streaming of audio and video material on the internet; Streaming audio and video material on the internet; Streaming of audio material on the internet; Streaming audio material on the internet; Streaming of audio, visual and audiovisual material via a global computer network; Streaming of data; Data streaming; Streaming of photos; Photo streaming; Streaming of video; Video streaming services; Video streaming; Streaming of video and audio; Video and audio streaming services; Streaming of video material on the internet; Streaming video material on the internet; Subscription television broadcasting; Subscription television broadcasting services; Telecommunication access services to computer databases; Telecommunication connection service to the internet; Telecommunications; Telecommunications services; Telecommunication services; Telecommunications access services; Telecommunication access services; Telecommunications and communications services; Telecommunication and communication services; Telecommunications consultancy services; Telecommunications consultation; Telecommunications gateway services; Telecommunication gateway services; Telecommunications routing and junction services; Telecommunications services provided for providing multiple-user access to a global computer network; Telecommunications services provided via fiber optic, wireless and cable networks; Telecommunications services provided via fibre optic, wireless and cable networks; Telecommunications services provided via internet platforms and portals; Telecommunication services provided via internet platforms and internet portals; Telecommunications services provided via platforms and portals on the internet and other media; Telecommunication services provided via platforms and portals on the internet and other media; Telecommunications services provided via the internet, intranet and extranet; Telecommunications services via digital networks; Telecommunication services via digital networks; Telecommunications services through digital networks; Telecommunication services through digital networks; Teleconferencing and video conferencing services; Teleconferencing and videoconferencing services; Teleconferencing services; Teleconferencing; Telegraph services; Wire service; Telematic communications services; Telematic communication services; Telematic communications via computer terminals; Telematic services; Telephone and mobile telephone services; Telephone and cell phone services; Telephone and cellular phone services; Telephone and mobile phone services; Telephone and cellular telephone services; Telephony and mobile telephone services; Telephony and cell phone services; Telephony and cellular phone services; Telephony and mobile phone services; Telephony and cellular telephone services; Telephony and mobile telephony services; Telephony and cellular telephony services; Telephone communication services provided for hotlines and call centers; Telephone communication services provided for hotlines and call centres; Telephone exchange services being telecommunications routing and junction services; Telephone paging services; Telephone services; Telephony services; Telephone telecommunications services provided via prepaid telephone calling cards; Telephone voice messaging services; Telephone voice messaging; Telepresence conferencing services; Teleprinting services; Teleprinting; Teletyping services; Teletyping; Teletypewriting services; Teletypewriting; Teletext and interactive broadcasting services; Teletext services; Television broadcasting; Television broadcasting services; Television broadcasting information; Television broadcasting services for cellular phones; Television broadcasting services for mobile telephones; Television broadcasting services for mobile phones; Television broadcasting services for cellular telephones; Television broadcasting services for cell phones; Television streaming services; Television transmission; Television transmission services; Telex services; Telex transmission; Telex transmission services; Transmission of telexes; Text and numeric wireless digital messaging services; Text messaging services; Ticker tape services; Transfer and dissemination of information and data via computer networks and the internet; Transferring and disseminating information and data via computer networks and the internet; Transfer of data by telecommunications; Transfer of data via on-line services; Transfer of data via online services; Transfer of data via the internet; Transfer of electronic data; Transfer of information and data via computer networks; Transfer of information and data via computer networks and the internet; Transferring information and data via computer networks and the internet; Transfer of information and data via on-line services; Transfer of information and data via online services; Transfer of information and data via online services and the internet; Transfer of information and data via on-line services and the internet; Transfer of information and data via the internet; Transfer of information via computer networks; Transfer of information via on-line services; Transfer of information via online services; Transfer of information via the internet; Transmission and distribution of data or audiovisual images via a global computer network or the internet; Transmission and distribution of data via a global computer network; Transmission and reception of database information via telecommunication networks; Transmission and reception of database information via telecommunications networks; Transmission, broadcasting and reception of audio, still and moving images, text and data by computer; Transmission, broadcasting and reception of audio, still and moving images, text and data via computer networks; Transmission, broadcasting and reception of audio, video, still and moving images, text and data; Transmission, broadcasting and reception of audio, video, still and moving images, text and data in real time; Transmission of advertising programs and media advertising communications via digital

communications networks; Transmission of advertising programmes and media advertising communications via digital communications networks; Transmission of audio and video content by satellite; Transmission of audio and video content via satellite; Transmission of audio and video content via cable; Transmission of audio and video content via computer networks; Transmission of audio and video content via isdn lines; Transmission of audio and video content via the internet; Transmission of audio content; Transmission of audio content via the internet; Transmission of audio data; Transmission of audio data via the internet; Transmission of audio files streamed over a global computer network; Transmission of cable television programs; Transmission of cable television programmes; Computer data transmission services; Transmission of computerized data; Transmission of computerised data; Transmission of data; Data transmission; Data transmission services; Transmission of data and information by computer; Transmission of data and information by computer and electronic communication means; Transmission of data and voice files by electronic mail; Transmission of data, audio, video and multimedia files; Transmission of data, audio, video and multimedia files, including downloadable files and files streamed over a global computer network; Transmission of database information via telecommunication networks; Transmission of database information via telecommunications networks; Transmission of data by audiovisual apparatus; Transmission of data by cable; Transmission of data via cable; Transmission of data by computer; Transmission of data via computer; Transmission of data by electronic mail; Transmission of data by electronic means; Transmission of data by radio; Transmission of data by radiopaging; Transmission of data by teletypewriter; Transmission of data by teleprinter; Transmission of data files streamed over a global computer network; Transmission of data, messages and information; Transmission of data signals; Transmission of data, sound and images; Transmission of data, sound and images by satellite; Transmission of data, sound and images via satellite; Transmission of data via computer networks; Transmission of data via isdn lines; Transmission of data via telephone lines; Transmission of data via the internet; Transmission of digital audio and video broadcasts over a global computer network; Transmission of digital files; Transmission of digital files and electronic mail; Transmission of digital files and e-mail; Transmission of digital information; Transmission of despatches by electronic means; Transmission of electronic data; Transmission of electronic mail; E-mail transmission services; Email transmission services; Transmission of e-mail; Transmission of email; Transmission of electronic messages; Electronic message transmission; Transmission of emergency signals; Transmission of encoded messages; Transmission of encrypted communications; Transmission of enhanced podcasts; Transmission of fiction podcasts; Transmission of global positioning signals for navigation purposes; Transmission of graphics to cellular phones; Transmission of graphics to mobile telephones; Transmission of graphics to mobile phones; Transmission of graphics to cellular telephones; Transmission of graphics to cell phones; Transmission of images between mobile telecommunications devices; Transmission of images by computer; Transmission of images via computer; Transmission of images via satellite; Transmission of pictures by satellite; Transmission of images via the internet; Transmission of information; Transmission of information and images relating to pharmaceuticals, medicine and hygiene; Transmission of information by cable; Transmission of information via cable; Transmission of information by computer; Transmission of information via computer; Transmission of information by data communications for assisting decision making; Transmission of information by electronic communications networks; Transmission of information by electronic communication networks; Transmission of information by radio; Transmission of information by satellite; Transmission of information via satellite; Transmission of information by telephone; Transmission of information by teletypewriter; Transmission of information via teletypewriter; Information transmission by teletypewriters; Transmission of information by teleprinter; Transmission of information, including web pages, computer programs and any other data; Transmission of information, including web pages, computer programmes and any other data; Transmission of information in the audiovisual field; Transmission of information on a wide range of topics; Transmission of information on a wide range of topics, including on-line and over a global computer network; Transmission of information on a wide range of topics, including online and over a global computer network; Transmission of information on-line; Transmission of information online; Transmission of information through video communication systems; Transmission of information via cable networks; Transmission of information via computer networks; Transmission of information via computers connected to the same telematic network; Transmission of information via digital networks; Information transmission via digital networks; Information transmission services via digital networks; Transmission of information via national and international networks; Transmission of information through national and international networks; Transmission of information on optical telecommunication networks; Transmission of information via the internet; Transmission of information via wireless networks; Transmission of information via wireless or cable networks; Transmission of instant messages; Transmission of live podcasts; Transmission of location-based messages; Location-based message transmission; Transmission of messages and images; Transmission of messages and images between mobile telecommunications devices; Transmission of messages and images by computer; Transmission of messages and images via computer; Transmission of messages and images via computers; Transmission of messages and images via cellular phone; Transmission of messages and images via mobile telephone; Transmission of messages and images via cellular telephone; Transmission of messages and images via cell phone; Transmission of messages and images via mobile phone; Transmission of messages and images via computer networks; Transmission of messages by computer; Transmission of messages by telegram; Transmission of messages by telephone; Transmission of messages by telephone and facsimile; Transmission of messages by teletypewriter; Transmission of messages by teleprinter; Transmission of messages by telex; Transmission of messages, data and content via the internet and other

communications networks; Transmission of messages, data and content via the internet and other computer and communications networks; Transmission of messages via computer networks; Transmission of messages via electronic media; Transmission of messages over electronic media; Transmission of messages via the internet; Transmission of movies; Transmission of movies via the internet; Transmission of multimedia content via the internet; Transmission of multimedia files streamed over a global computer network; Transmission of news; Transmission of news and current affairs information; Transmission of news items to news reporting organizations; Transmission of pay-per-view television programmes; Transmission of photo files streamed over a global computer network; Transmission of podcast novels; Transmission of podcasts; Transmission of political podcasts; Transmission of radio and television programs; Transmission of radio and television programmes; Transmission of radio and television programs by satellite; Transmission of radio programs; Transmission of radio programmes; Transmission of screencasts; Transmission of short messages; Transmission of short messages [sms] between mobile telecommunications devices; Transmission of sound and images between mobile telecommunications devices; Transmission of sound and images via interactive multimedia networks; Transmission of sound and images via satellite or interactive multimedia networks; Transmission of sound and visual recordings over networks; Transmission of sound, images and data via the internet; Transmission of sound, picture and data signals; Sound transmission via satellite; Transmission of sounds by satellite; Transmission of sound, video and information; Transmission of stock market information via telecommunications media; Transmission of stock market information with the help of telecommunication media; Transmission of telegrams; Telegram transmission; Telegram transmission services; Transmission of telephone calls; Transmission of television content; Transmission of television programs; Transmission of television programmes; Transmission of text; Transmission of text via the internet; Transmission of user-generated content via the internet; Transmission of videocasts; Transmission of video content via the internet; Transmission of video data; Transmission of video data via the internet; Transmission of video files streamed over a global computer network; Transmission of videos, movies, pictures, images, text, photos, games, user-generated content, audio content, and information via the internet; Transmission of webcasts; Transmission, reception and processing of coded and emergency signals; Transmitting streamed sound and audiovisual recordings via the internet; Transmitting streamed sound and audio-visual recordings via the internet; Video and audio communication and transmission services; Video, audio and television streaming services; Video broadcasting; Video broadcasting services; Video broadcasting and transmission of films and movies via the internet; Video broadcasting and transmission services via the internet, featuring films and movies; Video broadcasting via the internet; Video broadcasting services via the internet; Video broadcasting via the internet and other communications networks; Videoconferencing services; Videoconferencing; Video teleconferencing; Video conferencing services; Video messaging; Video messaging services; Video-on-demand transmission services; Video-on-demand transmission services provided via the internet; Videophone services; Video telephone services; Video streaming of independent films via the internet; Video streaming of independent movies via the internet; Video streaming of independent movies; Video streaming of independent films; Videotext services; Video transmission; Video transmission services; Video transmission via digital networks; Video transmission over digital networks; Voice-activated dialling services; Voice-activated dialing services; Voice mail services; Voice messaging services; Voice messaging; Voice over internet protocol [voip] services; Voip services; Webcasting; Web casting services; Web conferencing services; Web messaging services; Wireless broadband communication services; Wireless broadcasting; Wireless broadcasting services; Wireless cellular phone services; Wireless mobile telephone services; Wireless mobile phone services; Wireless cellular telephone services; Wireless cell phone services; Wireless digital messaging services; Wireless digital messaging; Wireless electronic transmission of data; Wireless electronic transmission of facsimiles; Wireless electronic transmission of images; Wireless electronic transmission of information; Wireless electronic transmission of voice signals; Wireless electronic transmission of voice signals, data, facsimiles, images and information; Wireless private branch exchange [pbx] services; Wireless transfer of data via digital mobile telephony; Wireless transfer of data via the internet; Wireless transfer of data via wireless application protocols [wap]; Wireless transfer of data via wireless application protocols; Wireless voice mail services.

PAYMENTS NETWORK MALAYSIA SDN. BHD. ; Level 8, Menara Southpoint @ Mid Valley City, Medan Syed Putra Selatan, 59200 Kuala Lumpur, MALAYSIA

AGENT : Kamal Wati Binti Aminnudin, Shimark IP Sdn Bhd No. 28-A, Tingkat 1(2) Jalan Tun Tan Siew Sin Kuala Lumpur, 50050 Kuala Lumpur

CLASS : 9,16,36,38

TM2024041692 31 December 2024

*Advertisement of a series of two trade marks**The first trademark in the series is limited to the colours as shown in the representation on the form of the application.***CLASS 9**

Apparatus for testing transmissions for vehicles; Apparatus for the input, output, transmission and storage of data; Apparatus for the recording of sound or images; Apparatus for the recording, transmission, amplification and reproduction of sound; Apparatus for the reproduction of sound or images; Apparatus for the transmission of sound or images; Apparatus for transmission of communications; Apparatus for transmitting and communicating data; Apparatus for the transmission and communication of data; Apparatus for data transmission and data communication; Apparatus for transmitting and reproducing sound or images; Apparatus for transmitting data; Apparatus for the transmission of data; Data transmitting apparatus; Apparatus for transmitting radio programs and radio relay messages; Apparatus for transmitting radio programmes and radio relay messages; Apparatus for verifying data on magnetically encoded cards; Apparatus, instruments and software for product tracking and identification; Product tracking and identification apparatus, instruments and software; Apparatus to check franking; Application programming interface for online banking payment; Application programming interface for on-line banking payment; Application simulation software; Application software; Application software for cloud computing services; Application software for cloud computing; Application software for metaverse; Application software for metaverse environments; Application software for mobile devices; Application software for mobile payment; Application software for mobile phones; Application software for cellular phones; Application software for mobile telephones; Application software for cellular telephones; Application software for robots; Application software for smartphones; Application software for smartphone; Application software for smart tv; Application software for social networking services via internet; Application software for virtual environments; Application software for wireless devices; Archiving software; Armatures [electricity]; Armatures for use in electrical apparatus; Arm rests for use with computers; Artificial intelligence and machine learning software; Artificial intelligence software; Artificial intelligence software for analysis; Artificial intelligence software for healthcare; Artificial intelligence software for surveillance; Artificial intelligence software for vehicles; Assistive software; Astrometric apparatus and instruments; Attenuators; Audio amplifiers; Audio analyzers; Audio and video mixing desks; Audio- and video-receivers; Audio and video receivers; Audio-receivers and video-receivers; Audiovisual receivers; Audio and video tapes; Audio circuit boards; Audio compact discs; Audio devices; Audio discs; Audio dubbing apparatus; Audio effects apparatus; Audio effects units; Audio equipment; Audio equipment for excursions; Audio equipment for synchronized translation [control panels]; Audio frequency amplifiers; Audio interfaces; Audio mixers; Sound mixers; Audio mixing consoles; Soundboards; Mixing boards; Sound boards; Audio mixing desks; Audio mixing apparatus; Audio receivers; Audio recorders; Audio recordings; Sound recordings; Audio recordings featuring music; Audio switching apparatus; Audio tape recorders; Audio tapes featuring music; Audio-video compact discs; Audiovisual and photographic devices; Audiovisual and photographic devices, including audio devices and radio receivers; Audiovisual and photographic devices including audio devices and radio receivers; Audiovisual apparatus; Audiovisual apparatus and equipment; Audiovisual equipment; Audiovisual teaching apparatus; Audiovisual teaching apparatus with artificial intelligence; Augmented reality computer game software; 35mm cameras; 360° camcorders; 360-degree camcorders; 360-degree video cameras; 360° video cameras; 360° cameras; 360-degree cameras; 3d holographic projectors; 3d printing software for customising; 3d printing software for modelling; 3d printing software for sculpting; 3d scanners; Three-dimensional [3d] scanners; Three-dimensional scanners; 3d spectacles; 4k resolution televisions; Abacuses; Ac adapters for consumer video game apparatus; Ac adapters for games with liquid crystal displays; Ac adapters for handheld electronic game apparatus; Ac adapters for handheld electronic game devices; Acceleration sensors; Accelerometers; Access control and alarm monitoring systems; Access control devices; Accessories for karaoke machines, namely, microphones, amplifiers and speakers; Accumulators [batteries]; Accumulators, electric; Electric accumulators; Ac/dc converters; Ac to dc converters; Ac/dc inverters; Ac to dc inverters; Ac/dc power supplies; Acid- and alkali-resistant protective boots; Acid and alkali resistant protective boots; Acid hydrometers; Acidimeters for batteries;

Acidometers for batteries; Acidity meters; Sound alarms; Acoustic amplifiers; Acoustic conduits; Acoustic couplers; Acoustic coupling devices; Acoustic membranes used in sound recording or reproducing apparatus; Acoustic meters; Acoustic microscopes; Antennas being communications apparatus; Alarms and warning equipment; Amplifiers; Sound amplifiers; Amplifying tubes; A/d converters; Analogue to digital converters; Animated cartoons; Animated cartoons, downloadable; Downloadable animated cartoons; Answering machines; Telephone answering machines; Telephone answering apparatus; Automatic answering machines; Aerials for telecommunications networks; Anti-interference devices [electricity]; Antivirus software; Anti-virus software; Apparatus and instruments for recording, transmission or reproduction of sound, data or images; Apparatus and instruments for recording, transmission or reproduction of sound or images; Apparatus and instruments for recording, transmitting, processing or reproducing sound, data or images; Apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; Apparatus and instruments for transferring, receiving and storing sound, images and data, both in digital and analog form; Apparatus and instruments for transforming electricity; Apparatus for broadcasting, recording, transmission or reproduction of sound, data or images; Apparatus for broadcasting, recording, transmission or reproduction of sound or images; Apparatus for checking the authenticity of banknotes; Apparatus for conducting, switching, transforming, accumulating, regulating or controlling electricity; Apparatus for downloading audio, video and data from the internet; Apparatus for generating characters; Apparatus for generating images; Apparatus for generating noise; Apparatus for generating virtual images; Apparatus for monitoring and recording the performance of machinery; Apparatus for processing electronic payments; Apparatus for electronic payment processing; Apparatus for processing, transmitting and storing database information; Apparatus for radio broadcasting; Radio broadcasting apparatus; Apparatus for recording and reproducing speech; Apparatus for speech recording and replaying; Apparatus for recording images; Apparatus for recording, storage, transmission and reproduction of sounds and images; Apparatus for recording, transmission or reproduction of images; Apparatus for recording, transmission and reproduction of images; Apparatus for recording, transmission or reproduction of information; Apparatus for recording, transmission or reproduction of sound; Apparatus for recording, transmission and reproduction of sound; Apparatus for recording, transmission or reproduction of sound, images and data; Apparatus for recording, transmission or reproduction of sound or images; Apparatus for the recording, transmission and reproduction of sound and images; Apparatus for recording, transmission or reproduction of sound and images; Apparatus for recording, transmission and reproduction of sound or images; Apparatus for recording, transmitting and reproducing sound or images; Apparatus for recording, transmission and reproducing sound and images; Apparatus for recording, transmitting or reproducing sound and images; Apparatus for recording, transmission, processing and reproduction of sound, images or data; Apparatus for recording, transmission, reception, processing or reproduction of sound, images or data; Apparatus for recording, transmitting, processing and reproducing of sound; Apparatus for recording, transmission, processing, and reproduction of sounds; Apparatus for recording, transmitting, reproducing or processing sound, images or data; Apparatus for recording, transmitting, reproducing or processing sound or images; Apparatus for telecommunications engineering; Electronic apparatus for testing communication links; Electronic apparatus for wireless reception, storage and transmission of data and messages; Electronic audio apparatus; Electronic black boxes for recording data; Electronic broadcasting apparatus; Electronic card readers; Electronic cash registers; Electronic chip cards; Electronic chips; Electronic chips for the manufacture of integrated circuits; Electronic chips [semiconductors] for the manufacture of integrated circuits; Electronic chips [semi-conductors] for the manufacture of integrated circuits; Electronic circuit boards; Electronic circuit cards; Electronic circuits; Electronic commerce and electronic payment software; E-commerce and e-payment software; Electronic communication apparatus; Electronic communications apparatus; Electronic components; Electronic components for computers; Electronic components for gambling machines; Electronic components for integrated circuit cards; Electronic connectors; Electronic control apparatus for automatic machines; Electronic control apparatus for computer programs; Electronic control apparatus for computer programmes; Computer and video game software; Computer and video games software; Computer antivirus software; Computer application programs; Application programs for computers; Computer application programs for smartphones; Computer application programmes for smartphones; Computer application software featuring games and gaming; Computer application software for software regression testing; Computer application software for software testing; Computer application software for testing of computing methods; Computer card adapters; Computer cards access control systems; Computer chassis; Chassis for computers; Computer chatbot software for simulating conversations; Computer chatbot software for simulating conversations with artificial intelligence; Computer chips; Computer chipsets; Computer chip sets; Computer circuit boards; Computer communications software to allow customers to access bank account information and transact bank business; Computer communication software to allow customers to access bank account information and transact bank business; Computer compact discs; Computer compact disks; Computer components and parts; Computer component testing and calibrating equipment; Computer-controlled electronic apparatus for electrophysiological measurement and testing of cells, not for medical purposes; Computer controlled telecommunications exchange apparatus; Computer databases; Computer data banks; Computer database servers; Computer data storage devices; Computer daughterboards; Computer digital maps; Computerized digital maps; Computer disk drives and drivers; Computer disc drives and drivers; Computer diskettes; Diskettes; Computer e-commerce software to allow users to perform electronic business transactions via a global computer network; Desktop

publishing software; Devices for playing sound and image carriers; Devices for recording and developing images; Devices for recording sound and image carriers; Devices for the projection of virtual keyboards; Devices for the recording, transmission and playback of sound and images; Downloadable image files featuring tradeable virtual goods for metaverse environments; Downloadable image files featuring tradeable virtual goods for use in the metaverse; Downloadable image files featuring virtual goods for trading in the metaverse; Downloadable image files featuring virtual goods traded in the metaverse; Downloadable image files featuring tradeable virtual goods for use in virtual environments; Downloadable image files featuring virtual goods for use in virtual worlds; Downloadable image files of all-purpose carrying bags authenticated by non-fungible tokens [nfts]; Downloadable image files of avatars; Downloadable image files of bags authenticated by non-fungible tokens [nfts]; Downloadable image files of clothing accessories being bracelets authenticated by non-fungible tokens [nfts]; Downloadable image files of clothing accessories being earrings authenticated by non-fungible tokens [nfts]; Electronic controls for motors; Electronic control systems for machines; Electronic control systems for turnstiles; Electronic control units; Electronic coupons, downloadable; Downloadable electronic coupons; Electronic currency converters; Electronic databases; Databases, electronic; Electronic data banks; Data banks, electronic; Electronic databases recorded on computer media; Electronic data communication apparatus; Electronic data communications apparatus; Electronic data media; Electronic data carriers; Electronic data processing apparatus; Electronic data recorders; Electronic data recorders for air vehicles; Electronic data recorders for land vehicles; Electronic data recorders for recording measured values; Electronic data recorders for storing and archiving data; Electronic data recorders for vehicles; Electronic data recorders for water vehicles; Electronic data storage media; Electronic detectors; Electronic devices being wireless item finders; Electronic devices being wireless item locators; Electronic devices being wireless location finders; Electronic devices being wireless peer-to-peer mobile phone finders; Electronic devices being wireless peer-to-peer wallet finders; Electronic devices being wireless peer-to-peer wallet locators; Electronic devices being wireless radio-based item locators; Computer firewall software; Computer firmware; Computer firmware and drivers; Computer graphics cards; Computer graphics boards; Computer graphics software; Computer groupware; Computer hard disks; Computer hard drives; Computer hard disk drives; Hard drives for computers; Hard disk drives for computers; Computer hardware; Computer hardware and computer peripheral devices; Computer hardware and firmware; Computer hardware and software; Computer software and hardware; Computer hardware and software for blockchain technology; Computer hardware and software for cryptocurrency; Computer hardware and software for database management; Computer hardware and computer software for database management; Computer hardware and software for digital currencies; Computer hardware and software for gaming machines for gambling; Hardware and software for gambling machines; Computer hardware and software for performing optical diagnostics; Computer hardware and software for providing secure remote access to computer and communication networks; Computer hardware and software for setting up and configuring local area networks; Computer hardware and software for setting up and configuring wide area networks; Computer hardware and software for virtual currencies; Computer hardware for audio and video signal processing; Computer hardware for electronic trading of currency; Digital and virtual currency wallets; Digital art authenticated by non-fungible tokens [nfts]; Digital artworks and images, downloadable; Downloadable digital artworks and images; Digital works of art and images, downloadable; Downloadable digital works of art and images; Digital audio broadcasting [dab] radios; Digital audio files authenticated by non-fungible tokens [nfts]; Digital boards; Digital collectibles in the nature of downloadable audio recordings in the field of music authenticated by non-fungible tokens [nfts]; Digital collectibles in the nature of downloadable audio recordings in the field of poetry authenticated by non-fungible tokens [nfts]; Digital collectibles in the nature of downloadable audio recordings in the field of songs authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being firearms authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being guns authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being hand grenades authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being machine guns authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being projectile weapons authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being revolvers authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being rifles authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being carbines authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being rocket launchers authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being shotguns authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being swords authenticated by non-fungible tokens [nfts]; Downloadable image files of handbags authenticated by non-fungible tokens [nfts]; Downloadable image files of jewellery authenticated by non-fungible tokens [nfts]; Downloadable image files of jewelry authenticated by non-fungible tokens [nfts]; Downloadable image files of paintings [pictures] authenticated by non-fungible tokens [nfts]; Downloadable image files of paintings authenticated by non-fungible tokens [nfts]; Downloadable image files of sneakers authenticated by non-fungible tokens [nfts]; Downloadable image files of trainers authenticated by non-fungible tokens [nfts]; Electronic devices for controlling energy; Electronic devices for transmitting distress call signals; Electronic device software drivers that allow computer hardware and electronic devices to communicate with each other; Electronic devices used to locate lost articles through global positioning system [gps] or cellular communication networks;

Electronic devices used to locate lost articles employing the global positioning system or cellular communication networks; Electronic encoding apparatus; Electronic coding apparatus; Electronic encoding units; Electronic coding units; Electronic encryption apparatus; Electronic encryption units; Electronic identification tags; Electronic imaging devices; Electronic indicator boards; Electronic indicator panels; Electronic indicators; Electronic integrated circuits; Computer hardware for electronic trading of virtual currency; Computer hardware for facilitating payment transactions by electronic means; Computer hardware for remote data access and transmission; Computer hardware for remotely accessing and transmitting data; Computer hardware for routing audio, video, and digital signals; Computer hardware for telecommunications; Computer hardware for the collection of positioning data; Computer hardware for collecting positioning data; Computer hardware for collecting location data; Computer hardware for the collection of location data; Computer hardware for compiling positioning data; Computer hardware for transmitting location data; Computer hardware for the transmission of location data; Computer hardware for use in computer-aided software engineering; Computer hardware for use in computer-assisted software engineering; Computer hardware for wireless content delivery; Computer hardware modules for electronic devices using internet of things [iot]; Computer hardware modules for internet of things [iot] enabled devices; Computer hardware with embedded operating system software; Computer hardware with pre-installed operating system software; Computer interface software; Digital content; Digital content, downloadable; Downloadable digital content; Digital data processing apparatus; Apparatus for processing digital data; Digital data recording media; Digital data storage media; Digital disk drives; Digital disc drives; Digital event recorders for seismic data; Digital indicators; Digital input and output scanners; Downloadable images; Downloadable images authenticated by non-fungible tokens [nft]; Downloadable images authenticated by non-fungible tokens [nfts]; Downloadable image, video and audio files; Downloadable instant messaging software; Downloadable interactive entertainment software for playing computer games; Downloadable interactive entertainment software for playing video games; Downloadable interface computer programs; Downloadable interface software; Downloadable invoicing computer programs; Downloadable billing computer programs; Downloadable invoicing software; Downloadable billing software; Downloadable mobile applications for booking taxis; Downloadable mobile applications for creating animated gif files; Downloadable mobile applications for creating, editing, processing and converting of gif files; Downloadable mobile applications using artificial intelligence and machine learning for vehicle delivery logistics to manage trip itineraries; Downloadable mobile game software; Downloadable multimedia files authenticated by non-fungible tokens [nfts]; Downloadable multimedia files authenticated by non-fungible tokens [nft]; Augmented reality software; Authentication software; Automated bank note sorting machines; Automated teller machines [atm]; Automated banking machines; Automated cash machines; Automated teller machines; Automatic teller machines; Cash dispensers; Cash dispensing machines; Atm machines; Automatic access control systems; Automatic cash sorting and counting machines; Automatic control apparatus; Automatic paying-in and deposit machines; Automatic switchboards; Automatic switching apparatus for telecommunications; Automatic switching apparatus for telecommunication; Computer memory devices; Computer memories; Memories for use with computers; Computer memory hardware; Computer network hardware; Computer networking hardware; Computer network hubs; Computer network hubs, switches and routers; Computer networking and data communications equipment; Computer network routers; Computer network servers; Computer network switches; Computer operating programs; Computer operating programmes; Computer operating programs, recorded; Recorded computer operating programs; Computer operating software; Computer operating software for metaverse environments; Computer operating software for virtual environments; Computer operating systems; Computer operating system software; Computer operating system software for metaverse environments; Computer operating system software for virtual environments; Computer programs stored in digital form; Computer programs and computer software for electronic trading of securities; Computer programs and computer software for electronically trading securities; Computer programs and software; Computer programs and software featuring educational games for children; Computer programs and software featuring educational materials for children and parents; Computer programs and software featuring learning activities for children; Computer programs and software for image processing; Computer programs and software for image processing used for cellular phones; Computer programs and software for image processing used for mobile phones; Computer programs and software for image processing used for cellular telephones; Computer programs and software for image processing used for cell phones; Computer programs, downloadable; Downloadable computer programs; Digital media streaming devices; Digital recording media; Digital signage display panels; Digital signs; Digital sound processors; Digital storage media; Digital tablets; Digitizer pads; Digitiser pads; Digital telecommunications apparatus; D/a converters; Digital transmitters; Discs bearing computer game software; Discs bearing computer programs; Discs bearing video recordings; Disc storage containers, shaped; Disc storage containers; Disk drives; Disk drives for computers; Computer disc drives; Computer disk drives; Disk memories; Disks, magnetic; Magnetic disks; Display devices; Display instruments for monitoring gas or liquid flows; Display monitors; Display screens; Downloadable multimedia files containing audio files authenticated by non-fungible tokens [nfts]; Downloadable multimedia files containing audio authenticated by non-fungible tokens [nft]; Downloadable multimedia files containing audio authenticated by non-fungible tokens [nfts]; Downloadable multimedia files containing audio files authenticated by non-fungible tokens [nft]; Downloadable multimedia files containing texts authenticated by non-fungible tokens [nfts]; Downloadable multimedia files containing text authenticated by non-fungible tokens [nft]; Downloadable multimedia files containing text authenticated by non-fungible tokens [nfts];

Downloadable multimedia files containing texts authenticated by non-fungible tokens [nft]; Downloadable multimedia files containing texts relating to video games authenticated by non-fungible tokens [nfts]; Automobile data recorders; Automobile data loggers; Automobile data recorder; Autonomous navigation systems; Backlit signs; Bags adapted for computers; Bags adapted for laptops; Bags adapted for cell phones; Bags adapted for cellular phones; Bags adapted for mobile phones; Bags adapted for cellular telephones; Bags for carrying laptops; Downloadable computer software programs; Computer programs for accessing and using the internet; Computer programs for accessing, browsing and searching online databases; Computer programs for accessing, browsing and searching on-line databases; Computer programs for accessing, browsing and searching online data banks; Computer programs for accessing, browsing and searching on-line data banks; Computer programs for accessing databases; Computer programs for accessing data banks; Computer programs for accessing online databases; Computer programs for accessing on-line databases; Computer programs for analyzing market information; Computer programs for browsing and searching online databases; Computer programs for browsing and searching on-line databases; Computer programs for connecting remotely to computers or computer networks; Computer programs for connecting to remote computers and computer networks; Computer programs for data analysis; Computer programs for data processing; Computer programs for processing data; Computer programmes for data processing; Computer programs for data storage; Computer programs for document management; Computer programmes for document management; Computer programs for editing images, sound and video; Computer programs for electronic trading of currency; Computer programs for electronic trading of virtual currency; Computer programs for enabling access or entrance control; Computer programs for the enabling of access or entrance control; Computer programs for facilitating payment transactions by electronic means; Computer programs for internet of things [iot] enabled devices; Computer programs for issuing digital certificates authenticated by non-fungible tokens [nfts]; Computer programmes for printing purposes; Computer programs for producing graphics for promotional purposes; Computer programmes for producing graphics for promotional purposes; Computer programs for project management; Computer programmes for project management; Computer programs for searching remotely for content on computers and computer networks; Computer programs for the transmission of data; Computer programs for data transmission; Computer programs for transmitting data; Computer programs for use in database management; Computer programs for use in desktop publishing; Computer programs for use in implementing internet of things [iot]; Displays for mobile phones; Distribution consoles [electricity]; Dmb [digital multimedia broadcasting] televisions; Dmb televisions; Docking stations for mobile telephones; Docking stations for mobile phones; Docking stations for cellular telephones; Docking stations for smartphones; Document management software; Downloadable multimedia files containing videos authenticated by non-fungible tokens [nfts]; Downloadable multimedia files containing video authenticated by non-fungible tokens [nft]; Downloadable multimedia files containing video authenticated by non-fungible tokens [nfts]; Downloadable multimedia files containing videos authenticated by non-fungible tokens [nft]; Downloadable multimedia files containing videos relating to dramatic television programs authenticated by non-fungible tokens [nfts]; Downloadable music, image, video or audio files authenticated by non-fungible tokens [nfts]; Downloadable photographs authenticated by non-fungible tokens [nfts]; Downloadable photographs in the field of cats authenticated by non-fungible tokens [nfts]; Banknote acceptors; Banknote receivers; Banknote counting machines; Currency counting machines; Cash counters; Paper currency detectors; Banknote sorting machines; Encoded bar code labels; Bar code readers; Bar code scanners; Barcode readers; Barcode scanners; Computer programmes for use in telecommunications; Computer programs for use in the evaluation and analysis of data utilizing computational linguistics; Computer programs for use in trading stocks and bonds; Computer programs for user interface design; Computer programs for using the internet and the world wide web; Computer programs for video and computer games; Computer programs, recorded; Computer programmes, recorded; Recorded computer programs; Recorded computer programmes; Computer programs to enable teleconferencing, videoconferencing and videophone services; Computer programs used for electronic cash register systems; Computer programs using blockchain technology; Computer programs using blockchain technology in the field of electronic commerce; Computers; Computers and computer hardware; Computers and computer peripheral devices; Computers and computer peripherals; Computers and computer software for data collection, transmission, archiving, management and processing; Filters for computer screens; Computer screens; Computer screen saver software; Computer screensaver software; Screensavers; Computer screen saver software, recorded or downloadable; Computer search engine software; Computer serial ports; Computer servers; Computers for use in data management; Computer shareware; Computer software; Software for computers; Computer software and telecommunications apparatus, including modems, to enable connection to databases and the internet; Computer software and telecommunications apparatus, including modems, to enable connection to databases, computer networks and the internet; Computer software and telecommunications apparatus, including modems, to enable connection to databases, computer networks, global computer networks and the internet; Computer software and telecommunications apparatus to enable connection to databases and the internet; Computer software applications; Computer application software; Application software for computers; Computer software applications, downloadable; Downloadable computer software applications; Downloadable software applications; Software applications, downloadable; Computer software applications featuring avatars; Computer application software featuring avatars; Computer software applications for creating animated gif files; Computer application software for creating animated gif files; Computer software applications for mobile devices or computers; Delivery metering apparatus for solids; Downloadable application

programming interface [api] software; Downloadable applications; Downloadable apps; Downloadable applications being cryptocurrency wallets; Downloadable applications being crypto wallets; Downloadable apps being crypto wallets; Downloadable applications for use with mobile devices; Downloadable application software; Downloadable application software for metaverse environments; Downloadable application software for robots; Downloadable application software for virtual environments; Downloadable software applications for virtual environments; Downloadable archiving software; Downloadable artworks; Downloadable audio files; Downloadable audio files authenticated by non-fungible tokens [nfts]; Downloadable audio files authenticated by non-fungible tokens [nft]; Downloadable audio recordings authenticated by non-fungible tokens [nfts]; Downloadable audio recordings authenticated by non-fungible tokens [nft]; Downloadable photos authenticated by non-fungible tokens [nfts]; Downloadable pictures authenticated by non-fungible tokens [nfts]; Downloadable photos authenticated by non-fungible tokens [nft]; Downloadable pictures authenticated by non-fungible tokens [nft]; Downloadable postcards; Downloadable printable calendars; Downloadable printable planners and organizers; Downloadable printing fonts; Downloadable project management software; Downloadable publications; Bibliographic databases; Bibliographic data banks; Binders for cds; Biometric fingerprint scanners; Biometric fingerprint readers; Biometric hand scanners; Biometric hand readers; Biometric identification systems; Biometric identity cards; Biometric locks; Black boxes [data recorders]; Computer software applications for mobile telephones; Computer application software for mobile telephones; Computer application software for cell phones; Computer software applications for cell phones; Computer application software for cellular phones; Computer software applications for cellular phones; Computer application software for mobile phones; Computer software applications for mobile phones; Computer application software for cellular telephones; Computer software applications for cellular telephones; Computer software applications for streaming audiovisual media content via the internet; Computer application software for streaming audiovisual media content via the internet; Computer software applications for television apparatus; Computer software applications for television sets; Computer software applications for televisions; Computer software applications for television monitors; Computer software applications for tv monitors; Computer software applications for tv sets; Computer application software for television apparatus; Computer application software for television sets; Computer application software for televisions; Computer application software for television monitors; Computer application software for tv monitors; Computer application software for tv sets; Computer application software for tv; Computer software applications for tv; Computer software applications for use in implementing internet of things [iot]; Computer software applications for use in implementing the internet of things [iot]; Computer application software for use in implementing the internet of things [iot]; Computer software applications for use in virtual environments; Computer application software for use in virtual environments; Computer software applications for use with artificial intelligence; Computer software applications for use with wearable computer devices; Computer application software for use with wearable computer devices; Computer software being application programming interface [api]; Computer software designed to estimate costs; Computer software designed to estimate resource requirements; Computer software development tools; Computer software development tools, downloadable; Downloadable computer software development tools; Downloadable computer software; Computer software downloaded from the internet; Computer software featuring learning activities for children; Computer software, firmware and hardware; Computer hardware, firmware and software; Downloadable bill communication computer programs; Downloadable bill communication software; Downloadable bill presentment computer programs; Downloadable bill presentment software; Downloadable browser extensions in the form of cryptocurrency wallets; Downloadable browser extensions in the form of crypto wallets; Downloadable calendar software; Downloadable cloud-based software; Downloadable cloud computing software; Downloadable computer anti-virus software; Downloadable computer application software featuring avatars; Downloadable computer chatbot software for providing business management information; Downloadable computer game programs; Downloadable computer games; Downloadable computer game software for gambling machines; Software for searching, for viewing and for purchasing products and services; Software for smartphones; Smartphone software; Software for smart tv [application]; Supply chain management, logistics and warehousing software; Software for tablet computers; Software for tablets; Software for testing hardware; Hardware testing software; Software for the analysis of business data; Software for the integration of artificial intelligence and machine learning in the field of big data; Software for transmitting distress signals; Software for use in database management; Software for use in the evaluation and analysis of data utilizing computational linguistics; Software for use in the evaluation and analysis of data utilizing machine learning; Software for use in virtual environments; Software for wireless content transmission; Software for wireless content delivery; Software to enable teleconferencing, videoconferencing and videophone services; Software to enhance the audiovisual capabilities of multimedia applications; Mobile software; Mobiles [telecommunication devices].

CLASS 16

Visiting cards; Printed vocabulary cards; Wall calendars; Wall covering sample books; Wall maps; Wall mural posters; Wallpaper sample books; Wallpaper stencils; Washcloths made of paper; Washcloths of paper; Paper washcloths; Washi tapes [decorative adhesive tapes for stationery or household purposes]; Waste bags of biodegradable plastic for household use; Watercolor portraits being paintings; Watercolor portraits [paintings]; Wedding albums; Wedding books; Wedding cards; Weekly planner covers; Weekly planners [printed matter]; Weekly planners [stationery]; White paperboard; Wirebound books; Wood pulp board [stationery]; Wood pulp paper; Workbooks containing exercises; Works of art of cardboard; Works of art made of cardboard; Works of art of cardboard authenticated by non-fungible tokens [nfts]; Artworks of cardboard authenticated by non-fungible tokens [nfts]; Works of art of paper; Artworks of paper authenticated by non-fungible tokens [nfts]; Works of art of paper or cardboard; Wrapping foils for books; Wrapping, packaging and storage bags and articles made of paper, cardboard or plastic; Wrapping paper; Packing paper; Wristbands for the retention of writing instruments; Writing and stamping instruments; Writing and stamping implements; Holders for writing brushes; Writing cases [sets]; Writing cases [stationery]; Concert programs being printed matter; Concert programmes being printed matter; Congratulation cards; Construction paper; Containerboard; Containers [boxes] of cardboard for cds and dvds being office requisites; Containers made of cardboard; Containers of cardboard; Cardboard containers; Containers made of paper;

Containers of paper; Paper containers; Containers, made of paper or cardboard, for ice; Containers for ice made of paper or cardboard; Containers of cardboard for packaging; Packaging containers made of cardboard; Cardboard containers for packaging; Cookbook holders [stationery]; Copying paper [stationery]; Copying paper; Cornstarch-based packaging material; Corrugated cardboard; Corrugated board; Corrugated cardboard boxes; Corrugated boxes; Corrugated cardboard for packaging; Corrugated board for packaging; Corrugated paper; Corrugated record storage boxes; Coupon books; Covers for address booklets; Address booklet covers; Agendas [printed matter]; Covers for personal organizers [printed matter]; Covers for personal organisers [printed matter]; Covers for albums; Book covers; Packaging boxes of cardboard; Packaging boxes of paper; Packaging containers of paper; Containers of paper for packaging; Packaging containers of paper or cardboard; Packaging containers of regenerated cellulose; Packaging material made of bagasse; Packaging material made of beeswax; Packaging material made of cornstarch; Packaging materials made of corrugated cardboard; Packaging materials made of corrugated board; Packaging material made of mushroom mycelium; Plastic materials for packaging; Packaging material of plastic; Plastic material for packaging; Plastic packaging materials; Packaging materials of plastics; Packaging materials of plastic; Packaging materials made of plastics; Packaging materials made of plastic; Packaging material made of seaweed; Packaging material made of starches; Packaging materials made from mineral-based paper substitutes; Packaging materials made of recycled paper; Packaging materials of cardboard; Packaging materials of cardboard or paper for ices; Packaging materials of paper; Packaging materials of plastic for sandwiches; Packing materials of cardboard; Cushioning materials of cardboard; Stuffing materials of cardboard; Packing [cushioning, stuffing] materials of paper; Packing materials of paper; Cushioning materials of paper; Stuffing materials of paper; Packing [cushioning, stuffing] materials of paper or cardboard; Packing materials of paper or cardboard; Cushioning materials of paper or cardboard; Stuffing materials of paper or cardboard; Padded bags of paper; Padding materials of paper or cardboard; Stuffing of paper or cardboard; Padding and stuffing materials of paper or cardboard; Pads [stationery]; Page holders; Paint and filler kettles; Paint applicator rollers; Paint applicators comprising a container and brush; Paint boxes for use in schools; Paintbrushes; Paintbrushes and paint boxes for use in schools; Paintbrush handles, not of metal; Paintbrush handles of metal; Painted murals; Painters' brushes; Brushes for painters; Writing implements incorporating tips for operating touchscreen devices; Writing ink; Writing instruments; Writing implements [writing instruments]; Writing utensils; Writing implements; Writing materials; Writing or drawing books; Writing pads; Writing tablets; Writing paper; Notepaper; Writing paper and envelopes [stationery]; Stationery writing paper and envelopes; Writing paper and envelopes; Writing paper holders; Writing paper pads; Writing pens; Writing slates; Slate boards for writing; Writing utensils made of fibers; Writing utensils made of fibres; Xerographic paper; Yearbooks; Yearbooks in the field of soccer; Year planners [printed matter]; Yearly planners [printed matter]; Covers for diaries [printed matter]; Covers for weekly planners; Covers [stationery]; Wrappers [stationery]; Craft kits for papier mâché model construction; Crayons; Credit card imprinters, non-electric; Crossword puzzles; Cube-shaped note books; Cube-shaped notebooks; Cube-shaped note pads; Currency sleeves; Curve templates [drawing instruments]; Daily newspapers; Data books; Date books; Datebooks; Date indicators; Date stamps [daters]; Date stamps; Decals for use as social distancing markers; Decanter mats of card; Decanter mats of cardboard; Decanter mats of paper; Decorations of cardboard being christmas decorations; Decorations of cardboard for use as christmas decorations; Decorations of cardboard being festive decorations; Decorations of cardboard for use as festive decoration; Decorations of cardboard for foodstuffs; Decorations made of cardboard for foodstuffs; Foodstuff decorations of cardboard; Foodstuff decorations made of cardboard; Decorations of paper being christmas decorations; Decorations of paper for use as christmas decorations; Decorations of paper being festive decorations; Decorations of paper for use as festive decoration; Decorations of paper for foodstuffs; Paper decorations for foodstuffs; Decorative garlands of paper for parties; Decorative paper garlands for parties; Decorative glitter for stationery use; Decorative objects [ornaments] made of cardboard; Decorative objects [ornaments] made of paper; Decorative objects [ornaments] made of papier mâché; Decorative ornaments [decalcomanias] for mobile telephones; Decorative ornaments [decalcomanias] for cellular phones; Decorative ornaments [decalcomanias] for cell phones; Decorative ornaments [decalcomanias] for cellphones; Decorative ornaments [decalcomanias] for cellular telephones; Decorative ornaments [decalcomanias] for mobile phones; Decorative ornaments [stickers] for mobile telephones; Decorative ornaments [stickers] for cellular phones; Decorative ornaments [stickers] for cell phones; Decorative ornaments [stickers] for cellphones; Decorative ornaments [stickers] for cellular telephones; Decorative ornaments [stickers] for mobile phones; Decorative paper bows for wrapping; Decorative paper centerpieces; Decorative paper centrepieces; Decorative stickers for automobile wheel hubs; Easels for painters; Painting mitts for applying paint; Paintings [artworks]; Painting sets for artists; Painting sets for children; Paintings [pictures]; Paintings; Paintings [pictures] authenticated by non-fungible tokens [nfts]; Paintings authenticated by non-fungible tokens [nfts]; Paintings [pictures], framed or unframed; Paintings, framed or unframed; Paint kettles; Paint paddles; Paint roller covers; Paint roller handles; Paint rollers; Paint stick markers; Paint stirrers and paddles [artists' materials]; Paint stirrers and paddles; Paint stirrers [artists' materials]; Palettes for painters; Pamphlets; Brochures; Pamphlets featuring stories, games and learning activities; Pamphlets in the field of real estate sales; Brochures in the field of real estate sales; Paper*; Paper and cardboard; Paper and cardboard for industrial use; Paper bags; Bags of paper; Bags made of paper; Paperboard; Paper board; Paperboard blanks; Paperboard boxes for industrial packaging; Paperboard trays for packaging food; Paper bows for gift wrapping; Paper cartons for delivering goods; Paper clasps; Paper clip holders; Paper-clips; Paper cocktail parasols; Paper cocktail umbrellas; Paper

decorations for cakes; Paper cake decorations; Cake decorations of paper; Cake decorations made of paper; Paper emblems; Paper embossers [office requisites]; Paper embossers; Paper fasteners; Paper-feeding machines for office use; Paper festoons [decorative paper for parties]; Paper filters for coffee makers; Decorative stickers for helmets; Decorative stickers for vehicle bumpers; Decorative vehicle bumper stickers; Decorative wrapping paper; Decorators' paintbrushes; Paintbrushes for decorators; Decorators' brushes; Brushes for decorators; Decoupage paper; Desk agendas; Desk baskets for desk accessories; Desk calendars; Desk diaries; Desk mats; Desk pads; Desk sets; Desktop business card holders; Desktop document racks; Desktop document stands; Desktop organizers; Desk tidies; Desktop pigeonholes [office requisites]; Desktop pigeon holes [office requisites]; Desktop planners; Desk top planners; Desktop revolving rotary card files; Desktop stationery boxes; Desktop stationery cabinets; Diagrams; Diaries [printed matter]; Dictation books; Dictionaries; Die-cut paper shapes; Paper die cut shapes; Digital printing paper; Dip pens; Nip pens; Directory paper; Dish mats of card; Dish mats of cardboard; Dish mats of paper; Display banners of cardboard; Display banners of paper; Display boxes of cardboard; Display boxes of paper; Display boxes of paper or cardboard; Disposable table napkins of paper; Disposable table napkins made of paper; Disposable paper napkins; Document binding machines for office use; Document covers [stationery]; Document covers; Document file racks; Document files [stationery]; Document files; Document folders in the form of wallets; Document markers [highlighting pens]; Document page markers [marking flags]; Document page markers; Document portfolios [stationery]; Document portfolios; Document stamp racks; Doilies of paper; Doilies made of paper; Paper doilies; Paper folding machines as office requisites; Paper for bank checks; Paper for bank cheques; Paper for covering books; Book-cover paper; Paper for household and industrial use; Paper for household purposes; Paper for household use; Household paper; Paper for industrial purposes; Paper for industrial use; Industrial paper; Paper for making bags and sacks; Paper for medical examination tables; Paper for printing photographs; Paper for printing photographs [not chemically sensitized]; Paper for radiograms; Paper for recording machines; Paper for travellers' checks; Paper for use in the manufacture of surgical drapes; Paper for use in the manufacture of tea bags; Paper for use in the manufacture of wallpaper; Paper for wrapping and packaging; Paper for wrapping books; Book wrappings; Paper gift bags for wine; Paper wine gift bags; Paper handling machines for office use; Paper hangtags; Paper hang tags; Paper jogging machines for office use; Paper knives being parts of paper cutters for office use; Paper knives [letter openers]; Paper knives [office requisites]; Paper lace; Paper lunch bags; Paper mats [coasters] of paper; Paper mats for pet crates; Paper pet crate mats; Paper note tablets; Paper packaging and containers for food and beverages comprised of materials designed to lessen adverse effects on the environment; Paper racks [office requisites]; Paper ribbons and bows, other than haberdashery; Paper ribbons and bows, other than hair decorations; Paper ribbons, other than haberdashery; Paper ribbons, other than haberdashery or hair decorations; Paper ribbons, other than hair decorations; Paper rolls for calculating machines; Paper sacks; Paper sandwich bags; Sandwich bags of paper; Sandwich bags made of paper; Papers for painting and calligraphy; Paper sheets being stationery; Paper sheets [stationery]; Paper shredders for office use; Paper shredders [office requisites]; Paper shredders; Paper stationery; Paper take-out cartons for food; Paper take-away cartons for food; Paper tape; Paper tapes for calculating machines; Paper tapes for calculators; Paper tea filters; Paper toilet rolls; Paperweights; Paper weights; Paper wipes for cleaning; Papier mâché; Paper mache; Paraffin paper; Parchment paper; Partially printed forms; Party bags made of paper; Party bags of paper; Paper party bags; Party decorations of paper; Party decorations made of paper; Drawing boards; Drawing boards [painters' articles]; Drawing books; Drawing brushes; Drawing curves; Drawing ink; Drawing instruments; Drawing instruments for blackboards; Drawing instruments for whiteboards; Drawing materials; Drawing materials and artists' materials; Drawing and artists' materials; Drawing materials for blackboards; Drawing pads; Sketch pads; Drawing tablets [drawing pads]; Sketching pads; Drawing paper; Drawing pens; Drawing pins; Drawings; Drawing sheets; Drawing templates; Drawing shields; Drink coasters of card; Drink coasters made of card; Card drink coasters; Drink coasters of cardboard; Drink coasters made of cardboard; Cardboard drink coasters; Paper drink coasters; Drink mats of card; Drink mats of cardboard; Drink mats of paper; Drip mats of card; Drip mats made of card; Drip mats of cardboard; Drip mats made of cardboard; Drip mats of paper; Drip mats made of paper; Drip mats of paper for tea; Drying towels of paper; Towels of paper for drying; Dry transfer characters; Duplicating paper; Duplicators; Duplicating machines; Easel pads; Easels; Educational books; Educational materials for teaching purposes [except apparatus]; Educational publications; Party favor boxes of cardboard; Party favour boxes of cardboard; Party favor boxes of cardboard or paper; Party favour boxes of cardboard or paper; Party goodie bags of paper or plastic; Party ornaments of paper; Party ornaments made of paper; Passbook covers; Passenger tickets; Passe-partouts of paper; Passe-partouts made of paper; Paper passe-partouts; Passport cases; Passport holders and cases; Passport cases and holders of leather; Passport cases of leather; Passport cases [leather]; Leather passport cases; Passport covers; Passport covers of leather; Passport covers made of leather; Leather passport covers; Passport covers [leather]; Passport folders of leather; Passport folders made of leather; Leather passport folders; Passport folders [leather]; Passport holders; Passport holders of leather; Passport holders [leather]; Leather passport holders; Passports [non-magnetically encoded identification document]; Pasteboard; Pastels; Pastels [crayons]; Pastel crayons; Pastes and other adhesives for stationery or household purposes; Patterns for dressmaking; Dressmaking patterns; Patterns for making clothes; Clothing patterns; Patterns for making pompons; Shapes for making pompons; Pen and pencil boxes; Pencil or pen boxes; Pen and pencil cases; Pen and pencil holders; Pen or pencil holders; Pen and pencil trays; Pen calligraphy copybooks; Boxes for pens; Pen boxes; Cases for pens; Pencil boxes; Pencil caps; Pencil cases;

Pencil cases of leather; Leather pencil cases; Pencil eraser refills; Pencil erasers; Pencil extenders; Pencil extenders and toppers; Extenders and toppers for pencils; Pencil grips; Pencil holders; Pencil lead holders; Mechanical pencils; Propelling pencils; Clutch pencils; Drafting pencils; Pencil point protectors; Pencils; Pencil sets; Pencils for drawing; Drawing pencils; Pencils for painting; Painting pencils; Pencils for painting and drawing; Embroidery design patterns printed on paper; Embroidery designs [patterns]; Embroidery design patterns; Embroidery patterns; Patterns for embroidery; Enamel paper; Engraving plates; Engravings; Entertainment guides being printed matter; Entrance tickets; Admission tickets; Entry tickets; Envelope paper; Envelopes; Envelopes of paper for packaging; Paper envelopes for packaging; Envelopes of paper or plastics for packaging; Envelopes of paper or plastic for packaging; Envelopes of plastics for packaging; Plastic envelopes for packaging; Envelopes of plastic for packaging; Envelopes [stationery]; Envelopes for stationery use; Eraser dusting brushes; Erasers; Erasing shields; Event albums; Events albums; Events programmes; Events programs; Event programmes; Event programs; Exercise and gymnastic banners of paper; Exercise book covers; Exercise books [blank]; Workbooks [blank]; Exercise books; Expanding files of paper; Expanding files made of paper; Paper expanding files; Expanding files [stationery]; Extensions and attachments for pencils; Fabric glue for household purposes; Fabric glue for household use; Fabrics for bookbinding; Face towels of paper; Facial tissues of paper; Fax paper; Fan magazines; Felt marking pens; Felt mats for calligraphy; Felt mats for chinese calligraphy [stationery]; Felt-tip markers; Felt-tip pens; Felt-tipped pens; Felt pens; Fibreboard boxes; Fiber paper; Fibre paper; Fiber-tip markers; Fibre-tip markers; Fiber-tip pens; Fibre-tip pens; Fibertip pens; Fiction books; Figures made of paper; Figurines of papier mâché; Statuettes of papier mâché for cakes; Paper mache figurines; Papier mâché figurines; Figurines of papier mâché for cakes; File boxes for storage of business and personal records; File boxes for storage of magazines; File folders; File jackets of paper; File jackets made of paper; Files [office requisites]; File trays [office requisites]; Pencil sharpening machines, electric or non-electric; Providing funding for the development of new technology; Providing funding for universities; Providing funds; Providing funds for hire-purchase; Providing funds for hire-purchase and for leasing; Providing funds for lease-purchase; Providing information and analysis via the internet in the field of financial investments; Providing information and data concerning stock exchanges; Providing information and research in the field of finance and financial investments; Providing information in the field of personal finance; Providing information in the field of real estate via the internet; Providing information in the fields of finance and investment; Providing information on options markets via a web site; Providing information on options markets via a website; Providing information on real estate; Providing information relating to finance via a web site; Providing information relating to finance via a website; Providing information relating to precious stone appraisal; Providing information relating to real estate; Providing information relating to real estate appraisal; Providing information relating to securities underwriting; Providing information relating to the appraisal of precious stones; Providing information relating to the issuance of prepaid vouchers; Providing information relating to the issue of prepaid vouchers; Providing information relating to the leasing of land; Providing investment information; Providing investment savings plans; Providing investors with financial information; Providing music scholarships; Providing real estate information; Providing real estate information relating to property and land; Providing real estate listings and real estate information via a web site; Providing real estate listings and real estate information via a website; Providing real estate listings and real estate information via the internet; Providing science scholarships; Providing securities market information; Providing stock market information; Providing temporary office; Provision of financial information; Provision of financial information in the field of tourism; Provision of financial information relating to the finance industry involved in environmentally focused investments; Provision of financial information via a web site; Provision of financial information via a website; Provision of financial research services; Provision of funding for joint ventures; Provision of funds; Provision of funds for hire purchase and for leasing; Provision of funds for hire-purchase; Provision of funds for lease-purchase; Provision of information and data concerning stock exchanges; Provision of information on real estate; Provision of information relating to real estate; Provision of information relating to the issuance of prepaid vouchers; Provision of information relating to the issue of prepaid vouchers; Provision of investment information; Provision of investment savings plans; Provision of real estate information; Provision of stock market information; Provision of temporary office; Public housing services; Real estate appraisal; Real estate appraisal and providing information relating thereto; Real estate appraisal for tax purposes; Real estate appraisal services; Real estate appraisals; Real estate entrepreneur services; Real estate escrow services; Real estate financing; Real estate financing services; Real estate funds investment services; Real estate investment; Real estate investment services; Real estate investment services in the nature of purchasing and selling of real estate for others; Real estate investment trust services; Real estate lease renewal services; Real estate lease surrender services;

Real estate lending services; Real estate listing services; Real estate multiple listing services; Real estate services; Real estate services relating to the purchase of real estate; Real estate services relating to the rental of real estate; Real estate services relating to the sale of real estate; Real estate services relating to the sale, purchase and leasing of real estate; Real estate syndication; Real estate trustee services; Real property reappraisal; Real property reappraisal services; Redemption of prepaid vouchers; Reimbursement payment processing; Rent payment services; Rental of counterfeit coin detectors; Rental of farms; Rental of flats; Rental of flats for residential use; Rental of houses; Rental of houses for residential use; Rental of offices; Rental of offices [real estate]; Rental of offices for co-working; Rental of pastures; Rental of real estate; Rental of real estate and property; Rental of real estate for residential use; Rental of residential housing; Rental of student housing; Rental payment services; Repurchase agreement services; Retirement payment services; Securing of funds; Securing of funds for the purchase of property; Securities lending; Securities underwriting; Sponsorship in the form of financial support; Stamp appraisal; Stock broking services; Stock exchange information; Stock exchange information services; Stock exchange quotation and listing services; Stock exchange quotation services; Stock exchange quotations; Stock exchange services; Stock market services; Stockbroking; Surety services; Tax payment processing services; Trust investment services; Trust services; Trustee services; Trusteeship; Trusteeship of land; Trusteeship of money; Trusteeship of money, securities, personal property and land; Trusteeship of personal property; Trusteeship of real estate property; Trusteeship of securities; Trusteeship services; Vehicle financing; Vehicle financing services; Viatical settlement services; Virtual money services; Wholesale lending services.

CLASS 38

Providing user access to a global computer network; Providing user access to information and information services available on the internet and on other computer networks; Providing user access to information on the internet; Providing user access to on-line sites containing information on a wide range of topics; Providing user access to online sites containing information on a wide range of topics; Providing user access to platforms on the internet; Providing user access to portals on the internet; Providing user access to search engines; Providing user access to the internet [service providers]; Providing virtual private network [vpn] services; Provision of virtual private network [vpn] services; Providing voice chat services; Providing voice communication services over the internet; Providing voice communication services via the internet; Provision of access to an electronic on-line network for retrieval of information; Provision of access to an electronic on-line network for information retrieval; Provision of access to an internet portal featuring video-on-demand programs; Provision of access to an internet portal featuring video-on-demand programmes; Provision of domestic pbx [private branch exchange] services; Provision of facilities for radio receiving and radio transmission; Provision of telecommunication access to audio content provided via the internet; Provision of telecommunication access to films and television programmes provided via a video-on-demand service; Provision of telecommunication access to television programmes provided via a video-on-demand service; Provision of telecommunication access to video and audio content; Providing telecommunication access to video and audio content; Provision of telecommunication access to video and audio content provided via an on-line video-on-demand service; Provision of telecommunication access to video and audio content provided via an online video-on-demand service; Provision of telecommunication access to video content provided via the internet; Airport lounge services being the provision of internet chatrooms; Airport lounge services being the provision of user access to global computer networks; Airport lounge services being rental of access time to global computer networks; Airport lounge services being teleconferencing services; Audio, video and multimedia broadcasting via the internet and other communications networks; Automatic transfer of digital data using telecommunications channels; Communication via radio; Radio paging services; Radio-paging; Radio telecommunications; Radio, telephone and telegraph communication services; Radio, television and cable broadcasting services; Radio transmission; Radio transmission services; Rental of access time to a database server; Leasing of access time to a database server; Leasing access time to a database server; Rental of access time to computer databases; Rental of access time to a computer database; Rental of access time to global computer networks; Leasing of access time to global computer networks; Leasing access time to global computer networks; Rental of access time to information on computer networks; Leasing access time to information on computer networks; Rental of access time to internet service provider [isp]; Rental of answering machines; Rental of telephone answering apparatus; Rental of telephone answering machines; Rental of automatic answering machines; Rental of apparatus for transmitting images; Leasing of apparatus for transmitting images; Rental of television broadcasting equipment; Rental of equipment for broadcasting; Leasing of broadcasting equipment; Rental of broadcasting time by satellite; Rental of cellular phones; Rental of mobile telephones; Rental of cellular telephones; Rental of cell phones; Rental of mobile phones; Rental of communication apparatus and instruments; Leasing of communication apparatus and instruments; Rental of communications apparatus and instruments; Leasing of communications apparatus and instruments; Rental of communications apparatus and instruments; Leasing of computer communication apparatus and instruments; Leasing of computer communication apparatus and instruments; Rental of data communication apparatus; Rental of data communications equipment; Rental of data communications installations; Rental of facsimile apparatus; Rental of fax machines; Leasing of facsimile apparatus; Rental of message sending apparatus; Leasing of message sending apparatus; Rental of message transmission apparatus; Leasing of message transmission apparatus; Rental of apparatus for the transmission of messages; Leasing of apparatus for the transmission of messages; Rental of modems; Leasing of modems; Rental of radio and television broadcasting equipment; Rental of equipment for radio and television

broadcasting; Leasing of radio and television broadcasting equipment; Broadcasting of programs by satellite; Broadcasting of programmes via a global computer network; Broadcasting programs via a global computer network; Broadcasting of programs via the internet; Broadcasting of programmes via the internet; Broadcasting of radio and television programs; Broadcasting of radio and television programmes; Radio and television program broadcasting; Radio and television programme broadcasting; Broadcasting of radio and television programs by satellite; Broadcasting of radio and television programmes by satellite; Broadcasting of radio and television programs via cable or wireless networks; Broadcasting of radio and television programmes via cable or wireless networks; Broadcasting of radio programs; Broadcasting of radio programmes; Radio program broadcasting; Radio programme broadcasting; Broadcasting of teleshopping programs; Broadcasting of teleshopping programmes; Broadcasting teleshopping programs; Broadcasting teleshopping programmes; Television program broadcasting; Broadcasting of television programs, motion picture films, and other audiovisual and multimedia content; Broadcasting of television programmes, motion picture films, and other audiovisual and multimedia content; Broadcasting of television programs, motion picture films, and other audiovisual and multimedia content via internet protocol and communication networks; Broadcasting of television programmes, motion picture films, and other audiovisual and multimedia content via internet protocol and communication networks; Broadcasting of television programs using video-on-demand and pay-per-view television services; Broadcasting of television programmes using video-on-demand and pay-per-view television services; Broadcasting of television programs via the internet; Broadcasting of television programmes via the internet; Broadcasting of video and audio content via the internet; Broadcasting of video and audio programming via the internet; Broadcasting of video and audio programming over the internet; Broadcasting of videocasts; Videocast broadcasting; Broadcasting services; Broadcasting services and provision of telecommunication access to films and television programs provided via a video-on-demand service; Broadcasting services and provision of telecommunication access to films and television programmes provided via a video-on-demand service; Broadcasting services and provision of telecommunication access to video and audio content provided via a video-on-demand service via the internet; Broadcast transmission by satellite; Cable broadcasting and transmission; Cable broadcasting of radio and television programs; Cable broadcasting of radio and television programmes; Cablecasting services; Cablecasting; Rental of radio and television broadcasting facilities; Leasing of radio and television broadcasting facilities; Rental of radio broadcasting equipment; Rental of equipment for radio broadcasting; Leasing of radio broadcasting equipment; Rental of radio transmission apparatus; Rental of satellite broadcasting equipment; Satellite broadcasting equipment rental; Rental of satellite transmission capacity; Leasing of satellite transmission capacity; Rental of smartphones; Rental of smartwatches; Rental of telecommunication apparatus and installations; Leasing of telecommunication apparatus and installations; Leasing of telecommunications apparatus and installations; Rental of telecommunication devices and equipment enabling connection to networks; Leasing of telecommunication devices and equipment enabling connection to networks; Rental of telecommunication equipment; Rental of equipment for telecommunications; Rental of telecommunications equipment; Rental of telecommunications apparatus; Leasing of telecommunication equipment; Leasing of telecommunications equipment; Rental of telecommunication equipment, including telephones and facsimile apparatus; Leasing of telecommunication equipment, including telephones and facsimile apparatus; Rental of telecommunications installations; Rental of telecommunication facilities; Rental of telecommunications facilities; Rental of telecommunication installations; Rental of telecommunications lines; Leasing of telecommunications lines; Rental of telecommunication lines; Leasing of telecommunication lines; Rental of telephone apparatus; Rental of telephone booths; Leasing of telephone booths; Rental of telephones; Telephone rental services; Telephone rental; Leasing of telephones; Rental of telephone sets, facsimile and other communication equipment; Leasing of telephone sets, facsimile and other communication equipment; Rental of teleprocessing and computer communication apparatus and instruments; Leasing of teleprocessing and computer communication apparatus and instruments; Rental of equipment for television broadcasting; Leasing of television broadcasting equipment; Rental of video conferencing equipment; Leasing of video conferencing equipment; Rental of video conferencing facilities; Leasing of video conferencing facilities; Satellite and cable broadcasting; Satellite and cable broadcasting services; Cable and satellite broadcasting services; Satellite broadcasting services; Satellite broadcasting services relating to business; Satellite broadcasting services relating to entertainment; Cable casting; Cable casting services; Cable radio broadcasting; Cable radio broadcasting services; Cable radio transmission; Cable radio transmission services; Cable television broadcasting; Cable television broadcasting services; Cable television broadcast services; Cable television broadcasting information; Cable television transmission; Cable television transmission services; Cable transmission of sounds, images, signals and data; Chatroom services for social networking; Chat room services for social networking; Collection and transmission of electronic messages; Communication by electronic mail systems; Communication by e-mail systems; Communication by email systems; Communication by electronic means; Communication of data by electronic mail; Data communication by electronic mail; Data communication by e-mail; Data communication by email; Communication of information by computer; Communications by cellular phones; Communications by cellular telephones; Communications by mobile telephones; Communications by mobile phones; Communications by cell phones; Communications by computer; Communications by computer and internet access provider services; Communications by computer and providing access to the internet; Communications by computer and providing internet access; Communications by computer and provision of access to the internet;

Communications by computer terminals; Communications by facsimile; Communications by fibre optic networks; Communications by fiber optic networks; Communications by optical fiber networks; Communications by optical fibre networks; Communications by or between computers and computer terminals; Communications by satellite; Satellite communication services; Satellite communication; Communications by telegrams; Communications by telegraph; Communications by telephone; Telephone communications; Telephone communication services; Communication services for the electronic transmission of voices; Communications services for accessing a database; Communications services provided over the internet; Communications via analog and digital computer terminals; Communications via analogue and digital computer terminals; Communications via multinational telecommunication networks; Communication via computer terminals, by digital transmission or by satellite; Communication via interactive voice response [ivr]; Communication via interactive voice response; Communication via radio, telegraph, telephone and television transmissions; Communication via virtual private networks [vpn]; Communication via virtual private networks; Computer aided transmission of data; Computer aided transmission of images; Computer aided transmission of information; Computer aided transmission of information and images; Computer aided transmission of messages; Image and message transmission by means of computers; Computer aided transmission of messages, data and images; Computer communications services for the transmission of information; Computer intercommunication; Computerised data communications; Computerized communication services; Computerised communication services; Computer network access services provided by means of a metro ethernet; Computer network access services by means of a metro ethernet; Computer network communication services; Communication services via computer networks; Communication services over computer networks; Computer telephony services; Computerised telephony services; Computerized telephony services; Consultancy, information and advisory services in the field of telecommunications; Consultancy in the field of communications; Consulting services in the field of communications; Consultancy services in the field of communications; Consultancy in the field of data communications; Consultancy services in the field of data communications; Consultancy in the field of telecommunications; Consultancy services in the field of telecommunications; Consultancy relating to data communications; Consultancy services relating to data communications; Consultancy relating to data communications via internet; Consultancy services relating to data communications via internet; Consultancy relating to telecommunications; Consultancy services relating to telecommunications; Consultancy relating to telecommunications via internet; Consultancy services relating to telecommunications via internet; Consultancy services in the field of electronic communications; Consulting services in the field of electronic communications; Datacasting; Data casting; Data broadcasting; Data broadcasting services; Data casting services; Datacasting services; Data transmission and reception services via telecommunication means; Data transmission and telecommunication services; Data transmission between networked computer systems; Data transmission for others; Data transmission via telecommunication networks; Data transmission services over telecommunications networks; Data transmission via telecommunications networks; Data transmission via telematic networks; Delivery of digital music by electronic transmission; Delivery of digital music by telecommunications; Delivery of messages by electronic transmission; Delivery of personalized greeting cards to others via electronic mail; Delivery of personalised greeting cards to others via e-mail; Delivery of personalized greeting cards to others via email; Digital audio broadcasting; Digital communications services; Digital data transfer; Digital data transfer services; Digital television broadcasting by satellite; Digital text messaging; Digital text messaging services; Digital transmission of data; Digital transmission of data via the internet; Digital transmission of images; Digital transmission of messages; Digital transmission services; Digital transmission services for audio and video data; Electronic and digital transmission of voice, data, images, signals and messages; Electronic bulletin board services [telecommunications services]; Electronic communication by means of chatrooms, chat lines and internet forums; Electronic communication by means of chat rooms, chat lines and internet forums; Electronic communications services; Electronic communication services; Electronic communication; Electronic communications services and providing access to the internet; Electronic communications services and provision of access to the internet; Electronic communications services and providing internet access; Electronic communications services for the transmission of data; Electronic data interchange services; Electronic data interchange; Electronic data exchange services; Electronic delivery of documents; Electronic delivery of images and photographs via a global computer network; Electronic delivery of loan documents; Electronic exchange of data stored in databases accessible via telecommunication networks; Electronic exchange of messages via chat lines, chatrooms and internet forums; Electronic exchange of messages via chat lines, chat rooms and internet forums; Electronic exchange of messages using chat lines, chatrooms and internet forums; Electronic exchange of messages using chat lines, chat rooms and internet forums; Electronic instructions transmission services; Electronic mail and facsimile transmission services; E-mail and facsimile transmission services; Email and facsimile transmission services; Electronic mail and mailbox services; E-mail and mailbox services; Electronic mail and messaging services; E-mail and messaging services; Email and messaging services; E-mail data services; Email data services; Electronic mail forwarding services; Email forwarding services; E-mail forwarding services; Electronic mail services; E-mail services; Email services; Electronic mailing services; Electronic mailing; Electronic messaging; Electronic messaging services; Electronic order transmission; Electronic order transmission services; Electronic order transmission for florists; Electronic store-and-forward messaging; Electronic store-and-forward messaging services; Electronic transfer of data; Electronic transmission and retransmission of sounds, images, documents, messages and data; Electronic transmission and streaming of digital media

content for others via global and local computer networks; Electronic transmission of audio, video and other data and documents among computers; Electronic transmission of audio, video and other data and documents via a peer-to-peer network; Electronic transmission of computer programmes via the internet; Electronic transmission of computer programs via the internet; Electronic transmission of data; Electronic transmission of data and documents; Electronic transmission of data and documents among computer users; Electronic transmission of data and documents among users of computers; Electronic transmission of data and documents via computer terminals; Electronic transmission of data and documents via computer terminals and electronic devices; Electronic transmission of data and documents via electronic devices; Electronic transmission of digital photo files among internet users; Electronic transmission of digital photo files via a peer-to-peer network; Electronic transmission of documents; Electronic transmission of encrypted data; Electronic transmission of facsimile communications; Electronic transmission of facsimile communications and data featuring encryption and decryption; Electronic transmission of images; Electronic transmission of images and photographs via a global computer network; Electronic transmission of images, photographs, graphic images and illustrations over a global computer network; Transmission of information by electronic means; Electronic transmission of instant messages; Electronic transmission of instant messages and data; Electronic transmission of mail and messages; Electronic transmission of messages; Transmission of messages by electronic means; Electronic transmission of messages and data; Electronic transmission of news; Electronic transmission of photographs; Electronic transmission of sound; Transmission of sound by electronic means; Electronic transmission of sound, images and other data and information of all kinds; Electronic transmission of sound, images and other data and information of all kinds via the internet; Encrypted electronic transmission and delivery of recovered data; Fiber optic telecommunications services; Fibre optic telecommunications services; Fixed line and mobile telephony services; Fixed and mobile telephony services; Forwarding messages of all kinds to internet addresses [web messaging]; Forwarding of messages of all kinds to internet addresses [web messaging]; Geolocation services being telecommunications services; Geolocation services [telecommunications services]; High bit-rate data transmission services for telecommunication network operators; Hosted private branch exchange [pbx] services; Hosted pbx services; Information services relating to data communications; Information services relating to telecommunications; Information transmission via electronic communications networks; Information transmission via telematic networks; Instant messaging services; Instant messaging; Providing instant messaging services; Integrated services digital network [isdn] services; Isdn services; Interactive broadcasting; Interactive broadcasting services; Interactive communication services; Interactive delivery of video via digital networks; Interactive transmission of video via digital networks; Interactive transmission of video over digital networks; Interactive videotext services; International telephony services; International telephone services; Internet access provider services; Internet and digital transmission services for audio, video, or graphical data; Internet and intranet communication and access services; Internet communication; Internet communication services; Internet protocol broadcasting; Internet protocol television [iptv] transmission services; Internet radio broadcasting; Internet radio broadcasting services; Internet service provider [isp] services; Internet service provider services; Isp services; Internet telephony services; Line hunting services; Call hunting services; Long distance telephone communication services; Long distance telephone communications services; Long distance telephone services; Message sending; Transmission of messages; Message sending services; Message transmission; Message transmission services; Missed call notification services; Mobile communication services; Mobile communications services; Mobile media services in the nature of electronic transmission of entertainment media content; Mobile radio communication; Mobile radio communication services; Mobile radio telephony services; Mobile radio telephone services; Mobile telephone services; Cell phone services; Cellular phone services; Mobile phone services; Cellular telephone services; Cellular telephony services; Multimedia broadcasting via the internet; Multimedia broadcasting via the internet and other communications networks; Multimedia messaging services [mms]; Multimedia messaging services; Netcasting [broadcasting over a global computer network]; Network conferencing services; Network transmission of sounds, images, signals and data; News agency services; Press agency services; News agencies; News agency services for electronic transmission; News agency services in the field of law; News agency services in the field of legal news; News agency services relating to political issues; Numeric messaging; Numeric messaging services; On call notification services; Online chatroom services for social networking; Online chat room services for social networking; On-line document delivery via a global computer network; Online document delivery via a global computer network; On-line message sending services; Online message sending services; Operation of radio broadcasting equipment; Operation of telecommunications equipment; Operation of television broadcasting equipment; Pager services; Paging services; Paging services [radio, telephone or other means of electronic communication]; Paging services by radio, telephone or other electronic communications systems; Pay-per-view television transmission services; Podcast broadcasting; Podcast broadcasting services; Broadcasting of podcasts; Prepaid local and long distance telephone services; Prepaid local telephone services; Prepaid long distance telephone services; Private branch exchange [pbx] dialing services; Pbx dialing services; Providing access and rental of access time to a computer database; Providing access to and rental of access time to a computer database; Provision and rental of access time to computer databases; Provision and rental of access time to databases; Provision and rental of access time to data banks; Providing access time to internet service provider [isp]; Providing access to a blog, chatroom, bulletin board or discussion service; Providing access to a blog, chat room, bulletin board or discussion service; Providing access to a global computer network;

Provision of access to a global computer network; Provision of access to a worldwide computer network; Providing access to a worldwide computer network; Providing access to an audio sharing portal; Provision of access to an audio sharing portal; Providing access to and rental of access time to computer networks; Provision of access to and rental of access time to computer networks; Providing access to an electronic marketplace [portal] on computer networks; Provision of access to an electronic marketplace [portal] on computer networks; Providing access to an internet discussion web site; Provision of access to a photo sharing and video sharing portal; Providing access to a photo sharing portal; Provision of access to a photo sharing portal; Providing access to a video sharing portal; Provision of access to a video sharing portal; Providing access to a web, mail and news portal; Providing access to blockchain networks; Provision of access to blockchain networks; Providing access to bulletin boards; Providing access to chat lines, chatrooms and forums on the internet, including mobile internet; Providing access to chat lines, chatrooms and forums on the internet, including on mobile internet; Providing access to chat lines, chat rooms and forums on the internet, including mobile internet; Providing access to chat lines, chat rooms and forums on the internet, including on mobile internet; Providing access to chat lines, chatrooms and forums via mobile internet; Providing access to chat lines, chat rooms and forums via mobile internet; Providing access to chat lines, chatrooms and forums via the internet; Providing access to chatrooms; Providing access to chat rooms; Providing access to computer, electronic and online databases; Providing access to computer networks; Providing access to computer programs on data networks; Providing access to computer programmes on data networks; Providing access to content, websites and portals; Provision of access to content, websites and portals; Providing access to content, web sites and portals; Provision of access to content, web sites and portals; Providing access to data and information on the internet; Providing access to databases; Provision of access to databases; Providing access to computer databases; Providing access to a computer database; Provision of access to computer databases; Providing access to databases and information via global computer networks; Providing access to databases on computer networks; Providing access to databases on the internet; Providing access to internet databases; Providing access to data on communications networks; Provision of access to data on communication networks; Providing access to data on communication networks; Providing access to data on computer networks; Providing access to data or documents stored electronically in central files for remote consultation; Provision of access to data or documents stored electronically in central files for remote consultation; Providing access to data via the internet; Provision of access to data via the internet; Providing access to digital music websites on the internet; Provision of access to digital music websites on the internet; Providing access to digital music web sites on the internet; Provision of access to digital music web sites on the internet; Providing access to e-commerce platforms on the internet; Provision of access to e-commerce platforms on the internet; Providing access to electronic communications networks; Providing access to electronic communication networks; Providing access to electronic communications networks, to the internet and to extranets; Providing access to electronic databases; Providing access to electronic information, communication and transaction platforms on the internet; Providing access to electronic publications; Providing access to electronic shops [telecommunications]; Providing access to electronic sites; Providing access to information on the internet; Provision of access to information on the internet; Providing access to information via data networks; Providing access to information via the internet; Providing access to internet chatrooms; Providing access to internet chat rooms; Providing access to internet forums; Providing access to internet platforms for the purpose of exchanging digital photographs; Provision of access to internet platforms for the purpose of exchanging digital photographs; Providing access to mobile internet platforms; Providing access to mobile internet portals; Providing access to multimedia content on-line; Providing access to multimedia content online; Providing access to on-line chat lines; Providing access to online chat lines; Providing access to on-line chatrooms; Providing access to online chatrooms; Providing access to on-line chat rooms; Providing access to online chat rooms; Providing access to online computer databases; Providing access to online databases; Providing access to on-line forums; Providing access to online forums; Providing access to platforms and portals on the internet; Providing access to internet platforms and portals; Providing access to platforms on the internet; Providing access to internet platforms; Provision of access to internet platforms; Providing access to platforms on the internet, as well as on the mobile internet; Providing access to portals on the internet; Providing access to internet portals; Provision of access to internet portals; Providing access to portals on the internet, as well as on the mobile internet; Providing access to telecommunication channels for teleshopping services; Provision of access to telecommunication channels for teleshopping services; Providing access to telecommunication networks; Providing access to telecommunications networks; Providing access to the internet; Provision of access to the internet; Providing access to web portals; Providing access to web sites on the internet or any other communications network; Providing access to websites on the internet or any other communications network; Providing access via data networks to software for internet access; Providing and rental of telecommunication installations and equipment; Providing and rental of telecommunications installations and equipment; Provision of and rental of telecommunication installations and equipment; Provision of and rental of telecommunications installations and equipment; Providing an interactive on-line forum for people affected by cancer; Providing an interactive online forum for people affected by cancer; Providing chatroom or discussion services on-line; Providing chat room or discussion services on-line; Providing chatrooms in virtual environments; Providing chat rooms in virtual environments; Provision of chatrooms in virtual environments; Providing email and instant messaging services; Providing e-mail and instant messaging services; Providing electronic mail services; Providing email services; Providing e-mail services; Provision of email services; Provision of

e-mail services; Provision of electronic mail services; Providing electronic telecommunications connections; Providing electronic telecommunication connections; Providing electronic transmission of credit card transaction data and electronic payment data via a global computer network; Providing e-mail fax services; Providing e-mail notification alerts of rating changes that affect financial portfolios; Providing facilities and equipment for telepresence conferencing; Providing facilities and equipment for video conferencing; Providing frame relay connectivity services for data transfer; Providing high speed access to a global computer information network; Providing high speed access to area networks; Providing high speed access to area networks and a global computer information network; Providing information about cable television broadcasting; Providing information about radio broadcasting; Providing information about television broadcasting; Providing information about television broadcasting, cable television broadcasting and radio broadcasting; Providing information about wireless communication; Providing information in the field of telecommunications; Information about telecommunications; Information about telecommunication; Provision of information in the field of telecommunications; Providing internet access via fiber optic broadband networks; Providing internet access via optical fiber broadband networks; Providing internet access via optical fibre broadband networks; Providing internet access via fibre optic broadband networks; Providing internet access via wireless broadband networks; Providing internet chat lines; Providing internet chatrooms; Providing chat rooms on the internet; Providing internet chat rooms; Providing of internet chat rooms; Provision of internet chat rooms; Provision of internet chatrooms; Providing internet chatrooms and forums; Providing internet chatrooms and internet forums; Providing internet chat rooms and internet forums; Providing internet chat rooms and forums; Providing internet chatrooms and online forums; Providing internet chatrooms and on-line forums; Provision of internet chatrooms and online forums; Provision of internet chatrooms and on-line forums; Providing internet connections; Provision of internet connections; Providing internet forums; Provision of internet forums; Providing long distance telecommunications services; Providing long distance telecommunication services; Providing multiple-user access to a global computer information network; Providing multiple-user access to a global computer network; Providing multiple-user access to global computer information networks for the transfer and dissemination of a wide range of information; Providing multiple-user access to proprietary collections of information by means of global computer information networks; Providing multiple-user dial-up and dedicated access to the internet; Providing multiple-user wireless access to the internet; Providing on-demand access to computer programs on data networks; Providing on-demand access to computer programmes on data networks; Providing on-line access to data; Providing online access to data; Providing on-line access to databases; Providing on-line access to computer databases; Providing online access to computer databases; Providing online access to databases; Providing on-line chatrooms and electronic bulletin boards for transmission of messages among computer users; Providing on-line chat rooms and electronic bulletin boards for transmission of messages among computer users; Providing online chatrooms and electronic bulletin boards for transmission of messages among computer users; Providing online chat rooms and electronic bulletin boards for transmission of messages among computer users; Providing on-line chatrooms and electronic bulletin boards for transmission of messages among users in the field of general interest; Providing on-line chat rooms and electronic bulletin boards for transmission of messages among users in the field of general interest; Providing online chatrooms and electronic bulletin boards for transmission of messages among users in the field of general interest; Providing online chatroom services; Providing online chat room services; Providing on-line chatroom services; Providing on-line chat room services; Providing online chatrooms for social networking; Provision of on-line chatrooms for social networking; Provision of online chatrooms for social networking; Provision of online chat rooms for social networking; Provision of on-line chat rooms for social networking; Providing on-line chatrooms for the transmission of messages, comments and multimedia content among users; Providing on-line chat rooms for the transmission of messages, comments and multimedia content among users; Providing online chatrooms for the transmission of messages, comments and multimedia content among users; Providing on-line chatrooms for the transmission of messages, comments and multimedia content among users; Providing on-line chatrooms for transmission of messages among computer users; Providing on-line chat rooms for transmission of messages among computer users; Providing online chatrooms for transmission of messages among computer users; Providing on-line communications links which transfer the web site user to other local and global web pages; Providing on-line communications links which transfer the website user to other local and global web pages; Providing online communications links which transfer the web site user to other local and global web pages; Providing on-line discussion services; Providing online discussion services; Providing on-line electronic bulletin boards for transmission of messages among computer users; Providing online electronic bulletin boards for transmission of messages among computer users; Providing on-line facilities for real-time interaction with other computer users; Providing online facilities for real-time interaction with other computer users; Providing on-line facsimile transmission services; Providing online facsimile transmission services; Providing online forums; Providing on-line forums; Provision of online forums; Provision of on-line forums; Providing online forums for the transmission of messages, comments and multimedia content among users; Providing on-line forums for the transmission of messages, comments and multimedia content among users; Providing online forums for transmission of messages among computer users; Providing on-line forums for transmission of messages among computer users; Providing on-line listservers for transmission of messages among

computer users; Providing online listservers for transmission of messages among computer users; Providing on-line virtual reality-based forums for work collaboration; Provision of on-line virtual reality-based forums for work collaboration; Providing private and secure real-time electronic communication over a computer network; Providing radio and cellular communication services; Providing radio and cellular communication services for charitable purposes; Providing remote internet access; Providing telecommunication access to television programmes provided via an on-demand service; Provision of telecommunication access to television programmes provided via an on-demand service; Providing telecommunication access to television programs provided via an on-demand service; Provision of telecommunication access to television programs provided via a video-on-demand service; Provision of telecommunication access to television programs provided via a video-on-demand service; Providing telecommunication access to television programs provided via a video-on-demand service; Provision of telecommunication access to films and television programs provided via a video-on-demand service; Airport lounge services being computer aided transmission of messages and images; Airport lounge services being facsimile transmission; Airport lounge services being fax services; Airport lounge services being paging services [radio, telephone or other means of electronic communication]; Airport lounge services being providing internet chatrooms; Providing telecommunication channels for teleshopping services; Provision of telecommunications channels for teleshopping services; Provision of telecommunication channels for teleshopping services; Providing telecommunications access to computer databases; Provision of telecommunications access to computer databases; Providing telecommunication access to computer databases; Providing telecommunications access to the internet; Provision of telecommunications access to the internet; Providing telecommunication access to the internet; Provision of telecommunication access to the internet; Providing telecommunications connections to a global communication network or databases; Providing telecommunications connections to a global computer network; Provision of telecommunications connections to a global computer network; Providing telecommunication connections to computer databases; Provision of telecommunication connections to computer databases; Providing telecommunications connections to computer databases; Provision of telecommunications connections to databases; Providing telecommunication connections to the internet; Provision of telecommunication connections to the internet; Providing telecommunications connections to the internet in a cafe environment; Providing telecommunications connections to the internet or computer databases; Provision of telecommunications connections to the internet or computer databases; Providing telecommunications connections to the internet or databases; Provision of telecommunications connections to the internet or databases; Providing telecommunication connections to the internet or databases; Provision of telecommunication connections to the internet or databases; Providing telecommunication services for e-commerce platforms on the internet and other electronic media; Providing telephone conferencing services; Providing television broadcasting information via a web site; Providing television broadcasting information via a website; Providing third party users with access to telecommunications infrastructure; Providing third party users with access to telecommunication infrastructure; Providing user access to a global computer network and on-line sites containing information on a wide range of topics; Providing user access to a global computer network and online sites containing information on a wide range of topics; Providing user access to computer programs on data networks; Providing user access to computer programmes on data networks; Satellite, cable and network transmission of sounds, images, signals and data; Satellite television broadcasting; Satellite television broadcasting services; Satellite transmission; Satellite transmission services; Satellite transmission and television broadcasting services; Satellite transmission of data; Transmission of data by satellite; Transmission of data via satellite; Satellite transmission of messages; Satellite transmission of messages and data; Satellite transmission of messages and data for navigation by air; Satellite transmission of signals; Satellite transmission of sounds and images; Transmission of sound and images by satellite; Transmission of sound and images via satellite; Sound and picture transmission via satellite; Satellite transmission of sounds, images, signals and data; Satellite transmission services, television and radio broadcasting services; Secure electronic mail services; Secure email services; Sending and receiving of electronic messages; Sending of electronic messages via web sites; Sending of electronic messages via websites; Sending of messages via a web site; Sending of messages via a website; Sending of telegrams; Sending, receiving and forwarding of electronic messages; Sending [transmission] of news; Short message services [sms]; Short message services; Simulcasting broadcast television over global communication networks, the internet and wireless networks; Streaming of audio; Audio streaming services; Audio streaming; Streaming of audio and video material on the internet; Streaming audio and video material on the internet; Streaming of audio material on the internet; Streaming audio material on the internet; Streaming of audio, visual and audiovisual material via a global computer network; Streaming of data; Data streaming; Streaming of photos; Photo streaming; Streaming of video; Video streaming services; Video streaming; Streaming of video and audio; Video and audio streaming services; Streaming of video material on the internet; Streaming video material on the internet; Subscription television broadcasting; Subscription television broadcasting services; Telecommunication access services to computer databases; Telecommunication connection service to the internet; Telecommunications; Telecommunications services; Telecommunication services; Telecommunications access services; Telecommunication access services; Telecommunications and communications services; Telecommunication and communication services; Telecommunications

consultancy services; Telecommunications consultation; Telecommunications gateway services; Telecommunication gateway services; Telecommunications routing and junction services; Telecommunications services for providing multiple-user access to a global computer network; Telecommunications services provided via fiber optic, wireless and cable networks; Telecommunications services provided via fibre optic, wireless and cable networks; Telecommunications services provided via internet platforms and portals; Telecommunication services provided via internet platforms and portals; Telecommunication services provided via internet platforms and internet portals; Telecommunications services provided via platforms and portals on the internet and other media; Telecommunication services provided via platforms and portals on the internet and other media; Telecommunications services provided via the internet, intranet and extranet; Telecommunications services via digital networks; Telecommunication services via digital networks; Telecommunications services through digital networks; Telecommunication services through digital networks; Teleconferencing and video conferencing services; Teleconferencing and videoconferencing services; Teleconferencing services; Teleconferencing; Telegraph services; Wire service; Telematic communications services; Telematic communication services; Telematic communications via computer terminals; Telematic services; Telephone and mobile telephone services; Telephone and cell phone services; Telephone and cellular phone services; Telephone and mobile phone services; Telephone and cellular telephone services; Telephony and mobile telephone services; Telephony and cell phone services; Telephony and cellular phone services; Telephony and mobile phone services; Telephony and cellular telephone services; Telephony and mobile telephony services; Telephony and cellular telephony services; Telephone communication services provided for hotlines and call centers; Telephone communication services provided for hotlines and call centres; Telephone exchange services being telecommunications routing and junction services; Telephone paging services; Telephone services; Telephony services; Telephone telecommunications services provided via prepaid telephone calling cards; Telephone voice messaging services; Telephone voice messaging; Telepresence conferencing services; Teleprinting services; Teleprinting; Teletyping services; Teletyping; Teletypewriting services; Teletypewriting; Teletext and interactive broadcasting services; Teletext services; Television broadcasting; Television broadcasting services; Television broadcasting information; Television broadcasting services for cellular phones; Television broadcasting services for mobile telephones; Television broadcasting services for mobile phones; Television broadcasting services for cellular telephones; Television broadcasting services for cell phones; Television streaming services; Television transmission; Television transmission services; Telex services; Telex transmission; Telex transmission services; Transmission of telexes; Text and numeric wireless digital messaging services; Text messaging services; Ticker tape services; Transfer and dissemination of information and data via computer networks and the internet; Transferring and disseminating information and data via computer networks and the internet; Transfer of data by telecommunications; Transfer of data via on-line services; Transfer of data via online services; Transfer of data via the internet; Transfer of electronic data; Transfer of information and data via computer networks; Transfer of information and data via computer networks and the internet; Transferring information and data via computer networks and the internet; Transfer of information and data via on-line services; Transfer of information and data via online services; Transfer of information and data via on-line services and the internet; Transfer of information and data via the internet; Transfer of information via computer networks; Transfer of information via on-line services; Transfer of information via online services; Transfer of information via the internet; Transmission and distribution of data or audiovisual images via a global computer network or the internet; Transmission and distribution of data via a global computer network; Transmission and reception of database information via telecommunication networks; Transmission and reception of database information via telecommunications networks; Transmission, broadcasting and reception of audio, still and moving images, text and data by computer; Transmission, broadcasting and reception of audio, still and moving images, text and data via computer networks; Transmission, broadcasting and reception of audio, video, still and moving images, text and data; Transmission, broadcasting and reception of audio, video, still and moving images, text and data in real time; Transmission of advertising programs and media advertising communications via digital communications networks; Transmission of advertising programmes and media advertising communications via digital communications networks; Transmission of audio and video content by satellite; Transmission of audio and video content via satellite; Transmission of audio and video content via cable; Transmission of audio and video content via computer networks; Transmission of audio and video content via isdn lines; Transmission of audio and video content via the internet; Transmission of audio content; Transmission of audio content via the internet; Transmission of audio data; Transmission of audio data via the internet; Transmission of audio files streamed over a global computer network; Transmission of cable television programs; Transmission of cable television programmes; Computer data transmission services; Transmission of computerized data; Transmission of computerised data; Transmission of data; Data transmission; Data transmission services; Transmission of data and information by computer; Transmission of data and information by computer and electronic communication means; Transmission of data and voice files by electronic mail; Transmission of data, audio, video and multimedia files; Transmission of data, audio, video and multimedia files, including downloadable files and files streamed over a global computer network; Transmission of database information via telecommunication networks; Transmission of database information via telecommunications networks; Transmission of data by audiovisual apparatus; Transmission of data by cable; Transmission of data via cable; Transmission of data by computer; Transmission of data via computer; Transmission of data by electronic mail; Transmission of data by

electronic means; Transmission of data by radio; Transmission of data by radiopaging; Transmission of data by teletypewriter; Transmission of data by teleprinter; Transmission of data files streamed over a global computer network; Transmission of data, messages and information; Transmission of data signals; Transmission of data, sound and images; Transmission of data, sound and images by satellite; Transmission of data, sound and images via satellite; Transmission of data via computer networks; Transmission of data via isdn lines; Transmission of data via telephone lines; Transmission of data via the internet; Transmission of digital audio and video broadcasts over a global computer network; Transmission of digital files; Transmission of digital files and electronic mail; Transmission of digital files and e-mail; Transmission of digital information; Transmission of despatches by electronic means; Transmission of electronic data; Transmission of electronic mail; E-mail transmission services; Email transmission services; Transmission of e-mail; Transmission of email; Transmission of electronic messages; Electronic message transmission; Transmission of emergency signals; Transmission of encoded messages; Transmission of encrypted communications; Transmission of enhanced podcasts; Transmission of fiction podcasts; Transmission of global positioning signals for navigation purposes; Transmission of graphics to cellular phones; Transmission of graphics to mobile telephones; Transmission of graphics to mobile phones; Transmission of graphics to cellular telephones; Transmission of graphics to cell phones; Transmission of images between mobile telecommunications devices; Transmission of images by computer; Transmission of images via computer; Transmission of images via satellite; Transmission of pictures by satellite; Transmission of images via the internet; Transmission of information; Transmission of information and images relating to pharmaceuticals, medicine and hygiene; Transmission of information by cable; Transmission of information via cable; Transmission of information by computer; Transmission of information via computer; Transmission of information by data communications for assisting decision making; Transmission of information by electronic communications networks; Transmission of information by electronic communication networks; Transmission of information by radio; Transmission of information by satellite; Transmission of information via satellite; Transmission of information by telephone; Transmission of information by teletypewriter; Transmission of information via teletypewriter; Information transmission by teletypewriters; Transmission of information by teleprinter; Transmission of information, including web pages, computer programs and any other data; Transmission of information, including web pages, computer programmes and any other data; Transmission of information in the audiovisual field; Transmission of information on a wide range of topics; Transmission of information on a wide range of topics, including on-line and over a global computer network; Transmission of information on-line; Transmission of information online; Transmission of information through video communication systems; Transmission of information via cable networks; Transmission of information via computer networks; Transmission of information via computers connected to the same telematic network; Transmission of information via digital networks; Information transmission via digital networks; Information transmission services via digital networks; Transmission of information via national and international networks; Transmission of information through national and international networks; Transmission of information on optical telecommunication networks; Transmission of information via the internet; Transmission of information via wireless networks; Transmission of information via wireless or cable networks; Transmission of instant messages; Transmission of live podcasts; Transmission of location-based messages; Location-based message transmission; Transmission of messages and images; Transmission of messages and images between mobile telecommunications devices; Transmission of messages and images by computer; Transmission of messages and images via computer; Transmission of messages and images via computers; Transmission of messages and images via cellular phone; Transmission of messages and images via mobile telephone; Transmission of messages and images via cellular telephone; Transmission of messages and images via cell phone; Transmission of messages and images via mobile phone; Transmission of messages and images via computer networks; Transmission of messages by computer; Transmission of messages by telegram; Transmission of messages by telephone; Transmission of messages by telephone and facsimile; Transmission of messages by teletypewriter; Transmission of messages by teleprinter; Transmission of messages by telex; Transmission of messages, data and content via the internet and other communications networks; Transmission of messages, data and content via the internet and other computer and communications networks; Transmission of messages via computer networks; Transmission of messages via electronic media; Transmission of messages over electronic media; Transmission of messages via the internet; Transmission of movies; Transmission of movies via the internet; Transmission of multimedia content via the internet; Transmission of multimedia files streamed over a global computer network; Transmission of news; Transmission of news and current affairs information; Transmission of news items to news reporting organizations; Transmission of pay-per-view television programmes; Transmission of photo files streamed over a global computer network; Transmission of podcast novels; Transmission of podcasts; Transmission of political podcasts; Transmission of radio and television programs; Transmission of radio and television programmes; Transmission of radio and television programs by satellite; Transmission of radio and television programmes by satellite; Transmission of radio programs; Transmission of radio programmes; Transmission of screencasts; Transmission of short messages; Transmission of short messages [sms] between mobile telecommunications devices; Transmission of sound and images between mobile telecommunications devices; Transmission of sound and images via interactive multimedia networks; Transmission of sound and images via satellite or interactive multimedia networks; Transmission of sound and visual recordings over networks; Transmission of sound, images and data via the internet; Transmission of sound, picture and data signals; Sound transmission via satellite; Transmission of

sounds by satellite; Transmission of sound, video and information; Transmission of stock market information via telecommunications media; Transmission of stock market information with the help of telecommunication media; Transmission of telegrams; Telegram transmission; Telegram transmission services; Transmission of telephone calls; Transmission of television content; Transmission of television programs; Transmission of television programmes; Transmission of text; Transmission of text via the internet; Transmission of user-generated content via the internet; Transmission of videocasts; Transmission of video content via the internet; Transmission of video data; Transmission of video data via the internet; Transmission of video files streamed over a global computer network; Transmission of videos, movies, pictures, images, text, photos, games, user-generated content, audio content, and information via the internet; Transmission of webcasts; Transmission, reception and processing of coded and emergency signals; Transmitting streamed sound and audiovisual recordings via the internet; Transmitting streamed sound and audio-visual recordings via the internet; Video and audio communication and transmission services; Video, audio and television streaming services; Video broadcasting; Video broadcasting services; Video broadcasting and transmission of films and movies via the internet; Video broadcasting and transmission services via the internet, featuring films and movies; Video broadcasting via the internet; Video broadcasting services via the internet; Video broadcasting via the internet and other communications networks; Videoconferencing services; Videoconferencing; Video teleconferencing; Video conferencing services; Video messaging; Video messaging services; Video-on-demand transmission services; Video-on-demand transmission services provided via the internet; Videophone services; Video telephone services; Video streaming of independent films via the internet; Video streaming of independent movies via the internet; Video streaming of independent movies; Video streaming of independent films; Videotext services; Video transmission; Video transmission services; Video transmission via digital networks; Video transmission over digital networks; Voice-activated dialling services; Voice-activated dialling services; Voice mail services; Voice messaging services; Voice messaging; Voice over internet protocol [voip] services; Voip services; Webcasting; Web casting services; Web conferencing services; Web messaging services; Wireless broadband communication services; Wireless broadcasting; Wireless broadcasting services; Wireless cellular phone services; Wireless mobile telephone services; Wireless mobile phone services; Wireless cellular telephone services; Wireless cell phone services; Wireless digital messaging services; Wireless digital messaging; Wireless electronic transmission of data; Wireless electronic transmission of facsimiles; Wireless electronic transmission of images; Wireless electronic transmission of information; Wireless electronic transmission of voice signals; Wireless electronic transmission of voice signals, data, facsimiles, images and information; Wireless private branch exchange [pbx] services; Wireless transfer of data via digital mobile telephony; Wireless transfer of data via the internet; Wireless transfer of data via wireless application protocols [wap]; Wireless transfer of data via wireless application protocols; Wireless voice mail services.

PAYMENTS NETWORK MALAYSIA SDN. BHD. ; Level 8, Menara Southpoint @ Mid Valley City, Medan Syed Putra Selatan, 59200 Kuala Lumpur, MALAYSIA

AGENT : Kamal Wati Binti Aminnudin, Shimark IP Sdn Bhd No. 28-A, Tingkat 1(2) Jalan Tun Tan Siew Sin Kuala Lumpur, 50050 Kuala Lumpur

CLASS 9

Apparatus for testing transmissions for vehicles; Apparatus for the input, output, transmission and storage of data; Apparatus for the recording of sound or images; Apparatus for the recording, transmission, amplification and reproduction of sound; Apparatus for the reproduction of sound or images; Apparatus for the transmission of sound or images; Apparatus for transmission of communications; Apparatus for transmitting and communicating data; Apparatus for the transmission and communication of data; Apparatus for data transmission and data communication; Apparatus for transmitting and reproducing sound or images; Apparatus for transmitting data; Apparatus for the transmission of data; Data transmitting apparatus; Apparatus for transmitting radio programs and radio relay messages; Apparatus for transmitting radio programmes and radio relay messages; Apparatus for verifying data on magnetically encoded cards; Apparatus, instruments and software for product tracking and identification; Product tracking and identification apparatus, instruments and software; Apparatus to check franking; Application programming interface for online banking payment; Application programming interface for on-line banking payment; Application simulation software; Application software; Application software for cloud computing services; Application software for cloud computing; Application software for metaverse; Application software for metaverse environments; Application software for mobile devices; Application software for mobile payment; Application software for mobile phones; Application software for cellular phones; Application software for mobile telephones; Application software for cellular telephones; Application software for robots; Application software for smartphones; Application software for smartphone; Application software for smart tv; Application

software for social networking services via internet; Application software for virtual environments; Application software for wireless devices; Archiving software; Armatures [electricity]; Armatures for use in electrical apparatus; Arm rests for use with computers; Artificial intelligence and machine learning software; Artificial intelligence software; Artificial intelligence software for analysis; Artificial intelligence software for healthcare; Artificial intelligence software for surveillance; Artificial intelligence software for vehicles; Assistive software; Astrometric apparatus and instruments; Attenuators; Audio amplifiers; Audio analyzers; Audio and video mixing desks; Audio- and video-receivers; Audio and video receivers; Audio-receivers and video-receivers; Audiovisual receivers; Audio and video tapes; Audio circuit boards; Audio compact discs; Audio devices; Audio discs; Audio dubbing apparatus; Audio effects apparatus; Audio effects units; Audio equipment; Audio equipment for excursions; Audio equipment for synchronized translation [control panels]; Audio frequency amplifiers; Audio interfaces; Audio mixers; Sound mixers; Audio mixing consoles; Soundboards; Mixing boards; Sound boards; Audio mixing desks; Audio mixing apparatus; Audio receivers; Audio recorders; Audio recordings; Sound recordings; Audio recordings featuring music; Audio switching apparatus; Audio tape recorders; Audio tapes featuring music; Audio-video compact discs; Audiovisual and photographic devices; Audiovisual and photographic devices, including audio devices and radio receivers; Audiovisual and photographic devices including audio devices and radio receivers; Audiovisual apparatus; Audiovisual apparatus and equipment; Audiovisual equipment; Audiovisual teaching apparatus; Audiovisual teaching apparatus with artificial intelligence; Augmented reality computer game software; 35mm cameras; 360° camcorders; 360-degree camcorders; 360-degree video cameras; 360° video cameras; 360° cameras; 360-degree cameras; 3d holographic projectors; 3d printing software for customising; 3d printing software for modelling; 3d printing software for sculpting; 3d scanners; Three-dimensional [3d] scanners; Three-dimensional scanners; 3d spectacles; 4k resolution televisions; Abacuses; Ac adapters for consumer video game apparatus; Ac adapters for games with liquid crystal displays; Ac adapters for handheld electronic game apparatus; Ac adapters for handheld electronic game devices; Acceleration sensors; Accelerometers; Access control and alarm monitoring systems; Access control devices; Accessories for karaoke machines, namely, microphones, amplifiers and speakers; Accumulators [batteries]; Accumulators, electric; Electric accumulators; Ac/dc converters; Ac to dc converters; Ac/dc inverters; Ac to dc inverters; Ac/dc power supplies; Acid- and alkali-resistant protective boots; Acid and alkali resistant protective boots; Acid hydrometers; Acidimeters for batteries; Acidometers for batteries; Acidity meters; Sound alarms; Acoustic amplifiers; Acoustic conduits; Acoustic couplers; Acoustic coupling devices; Acoustic membranes used in sound recording or reproducing apparatus; Acoustic meters; Acoustic microscopes; Antennas being communications apparatus; Alarms and warning equipment; Amplifiers; Sound amplifiers; Amplifying tubes; A/d converters; Analogue to digital converters; Animated cartoons; Animated cartoons, downloadable; Downloadable animated cartoons; Answering machines; Telephone answering machines; Telephone answering apparatus; Automatic answering machines; Aerials for telecommunications networks; Anti-interference devices [electricity]; Antivirus software; Anti-virus software; Apparatus and instruments for recording, transmission or reproduction of sound, data or images; Apparatus and instruments for recording, transmission or reproduction of sound or images; Apparatus and instruments for recording, transmitting, processing or reproducing sound, data or images; Apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; Apparatus and instruments for transferring, receiving and storing sound, images and data, both in digital and analog form; Apparatus and instruments for transforming electricity; Apparatus for broadcasting, recording, transmission or reproduction of sound, data or images; Apparatus for broadcasting, recording, transmission or reproduction of sound or images; Apparatus for checking the authenticity of banknotes; Apparatus for conducting, switching, transforming, accumulating, regulating or controlling electricity; Apparatus for downloading audio, video and data from the internet; Apparatus for generating characters; Apparatus for generating images; Apparatus for generating noise; Apparatus for generating virtual images; Apparatus for monitoring and recording the performance of machinery; Apparatus for processing electronic payments; Apparatus for electronic payment processing; Apparatus for processing, transmitting and storing database information; Apparatus for radio broadcasting; Radio broadcasting apparatus; Apparatus for recording and reproducing speech; Apparatus for speech recording and replaying; Apparatus for recording images; Apparatus for recording, storage, transmission and reproduction of sounds and images; Apparatus for recording, transmission or reproduction of images; Apparatus for recording, transmission and reproduction of images; Apparatus for recording, transmission or reproduction of information; Apparatus for recording, transmission or reproduction of sound; Apparatus for recording, transmission and reproduction of sound; Apparatus for recording, transmission or reproduction of sound, images and data; Apparatus for recording, transmission or reproduction of sound or images; Apparatus for the recording, transmission and reproduction of sound and images; Apparatus for recording, transmission or reproduction of sound and images; Apparatus for recording, transmission and reproduction of sound or images; Apparatus for recording, transmitting and reproducing sound or images; Apparatus for recording, transmission and reproduction of sound and images; Apparatus for recording, transmitting and reproducing sound and images; Apparatus for recording, transmitting or reproducing sound and images; Apparatus for recording, transmission, processing and reproduction of sound, images or data; Apparatus for recording, transmission, reception, processing or reproduction of sound, images or data; Apparatus for recording, transmitting, processing and reproducing of sound; Apparatus for recording, transmission, processing, and reproduction of sounds; Apparatus for recording, transmitting, reproducing or processing sound, images or data; Apparatus for recording, transmitting, reproducing or processing sound or images; Apparatus for telecommunications engineering; Electronic apparatus for testing

communication links; Electronic apparatus for wireless reception, storage and transmission of data and messages; Electronic audio apparatus; Electronic black boxes for recording data; Electronic broadcasting apparatus; Electronic card readers; Electronic cash registers; Electronic chip cards; Electronic chips; Electronic chips for the manufacture of integrated circuits; Electronic chips [semiconductors] for the manufacture of integrated circuits; Electronic chips [semi-conductors] for the manufacture of integrated circuits; Electronic circuit boards; Electronic circuit cards; Electronic circuits; Electronic commerce and electronic payment software; E-commerce and e-payment software; Electronic communication apparatus; Electronic communications apparatus; Electronic components; Electronic components for computers; Electronic components for gambling machines; Electronic components for integrated circuit cards; Electronic connectors; Electronic control apparatus for automatic machines; Electronic control apparatus for computer programs; Electronic control apparatus for computer programmes; Computer and video game software; Computer and video games software; Computer antivirus software; Computer application programs; Application programs for computers; Computer application programs for smartphones; Computer application programmes for smartphones; Computer application software featuring games and gaming; Computer application software for software regression testing; Computer application software for software testing; Computer application software for testing of computing methods; Computer card adapters; Computer cards access control systems; Computer chassis; Chassis for computers; Computer chatbot software for simulating conversations; Computer chatbot software for simulating conversations with artificial intelligence; Computer chips; Computer chipsets; Computer chip sets; Computer circuit boards; Computer communications software to allow customers to access bank account information and transact bank business; Computer communication software to allow customers to access bank account information and transact bank business; Computer compact discs; Computer compact disks; Computer components and parts; Computer component testing and calibrating equipment; Computer-controlled electronic apparatus for electrophysiological measurement and testing of cells, not for medical purposes; Computer controlled telecommunications exchange apparatus; Computer databases; Computer data banks; Computer database servers; Computer data storage devices; Computer daughterboards; Computer digital maps; Computerized digital maps; Computer disk drives and drivers; Computer disc drives and drivers; Computer diskettes; Diskettes; Computer e-commerce software to allow users to perform electronic business transactions via a global computer network; Desktop publishing software; Devices for playing sound and image carriers; Devices for recording and developing images; Devices for recording sound and image carriers; Devices for the projection of virtual keyboards; Devices for the recording, transmission and playback of sound and images; Downloadable image files featuring tradeable virtual goods for metaverse environments; Downloadable image files featuring tradeable virtual goods for use in the metaverse; Downloadable image files featuring virtual goods for trading in the metaverse; Downloadable image files featuring virtual goods traded in the metaverse; Downloadable image files featuring tradeable virtual goods for use in virtual environments; Downloadable image files featuring virtual goods for use in virtual worlds; Downloadable image files of all-purpose carrying bags authenticated by non-fungible tokens [nfts]; Downloadable image files of avatars; Downloadable image files of bags authenticated by non-fungible tokens [nfts]; Downloadable image files of clothing accessories being bracelets authenticated by non-fungible tokens [nfts]; Downloadable image files of clothing accessories being earrings authenticated by non-fungible tokens [nfts]; Electronic controls for motors; Electronic control systems for machines; Electronic control systems for turnstiles; Electronic control units; Electronic coupons, downloadable; Downloadable electronic coupons; Electronic currency converters; Electronic databases; Databases, electronic; Electronic data banks; Data banks, electronic; Electronic databases recorded on computer media; Electronic data communication apparatus; Electronic data communications apparatus; Electronic data media; Electronic data carriers; Electronic data processing apparatus; Electronic data recorders; Electronic data recorders for air vehicles; Electronic data recorders for land vehicles; Electronic data recorders for recording measured values; Electronic data recorders for storing and archiving data; Electronic data recorders for vehicles; Electronic data recorders for water vehicles; Electronic data storage media; Electronic detectors; Electronic devices being wireless item finders; Electronic devices being wireless item locators; Electronic devices being wireless location finders; Electronic devices being wireless peer-to-peer mobile phone finders; Electronic devices being wireless peer-to-peer wallet finders; Electronic devices being wireless peer-to-peer wallet locators; Electronic devices being wireless radio-based item locators; Computer firewall software; Computer firmware; Computer firmware and drivers; Computer graphics cards; Computer graphics boards; Computer graphics software; Computer groupware; Computer hard disks; Computer hard drives; Computer hard disk drives; Hard drives for computers; Hard disk drives for computers; Computer hardware; Computer hardware and computer peripheral devices; Computer hardware and firmware; Computer hardware and software; Computer software and hardware; Computer hardware and software for blockchain technology; Computer hardware and software for cryptocurrency; Computer hardware and software for database management; Computer hardware and computer software for database management; Computer hardware and software for digital currencies; Computer hardware and software for gaming machines for gambling; Hardware and software for gambling machines; Computer hardware and software for performing optical diagnostics; Computer hardware and software for providing secure remote access to computer and communication networks; Computer hardware and software for setting up and configuring local area networks; Computer hardware and software for setting up and configuring wide area networks; Computer hardware and software for virtual currencies; Computer hardware for audio and video signal processing; Computer hardware for electronic trading of currency; Digital and

virtual currency wallets; Digital art authenticated by non-fungible tokens [nfts]; Digital artworks and images, downloadable; Downloadable digital artworks and images; Digital works of art and images, downloadable; Downloadable digital works of art and images; Digital audio broadcasting [dab] radios; Digital audio files authenticated by non-fungible tokens [nfts]; Digital boards; Digital collectibles in the nature of downloadable audio recordings in the field of music authenticated by non-fungible tokens [nfts]; Digital collectibles in the nature of downloadable audio recordings in the field of poetry authenticated by non-fungible tokens [nfts]; Digital collectibles in the nature of downloadable audio recordings in the field of songs authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being firearms authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being guns authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being hand grenades authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being machine guns authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being projectile weapons authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being revolvers authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being rifles authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being carbines authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being rocket launchers authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being shotguns authenticated by non-fungible tokens [nfts]; Downloadable image files of combat game accessories being swords authenticated by non-fungible tokens [nfts]; Downloadable image files of handbags authenticated by non-fungible tokens [nfts]; Downloadable image files of jewellery authenticated by non-fungible tokens [nfts]; Downloadable image files of jewelry authenticated by non-fungible tokens [nfts]; Downloadable image files of paintings [pictures] authenticated by non-fungible tokens [nfts]; Downloadable image files of paintings authenticated by non-fungible tokens [nfts]; Downloadable image files of sneakers authenticated by non-fungible tokens [nfts]; Downloadable image files of trainers authenticated by non-fungible tokens [nfts]; Electronic devices for controlling energy; Electronic devices for transmitting distress call signals; Electronic device software drivers that allow computer hardware and electronic devices to communicate with each other; Electronic devices used to locate lost articles through global positioning system [gps] or cellular communication networks; Electronic devices used to locate lost articles employing the global positioning system or cellular communication networks; Electronic encoding apparatus; Electronic coding apparatus; Electronic encoding units; Electronic coding units; Electronic encryption apparatus; Electronic encryption units; Electronic identification tags; Electronic imaging devices; Electronic indicator boards; Electronic indicator panels; Electronic indicators; Electronic integrated circuits; Computer hardware for electronic trading of virtual currency; Computer hardware for facilitating payment transactions by electronic means; Computer hardware for remote data access and transmission; Computer hardware for remotely accessing and transmitting data; Computer hardware for routing audio, video, and digital signals; Computer hardware for telecommunications; Computer hardware for the collection of positioning data; Computer hardware for collecting positioning data; Computer hardware for collecting location data; Computer hardware for the collection of location data; Computer hardware for compiling positioning data; Computer hardware for transmitting location data; Computer hardware for the transmission of location data; Computer hardware for use in computer-aided software engineering; Computer hardware for use in computer-assisted software engineering; Computer hardware for wireless content delivery; Computer hardware modules for electronic devices using internet of things [iot]; Computer hardware modules for internet of things [iot] enabled devices; Computer hardware with embedded operating system software; Computer hardware with pre-installed operating system software; Computer interface software; Digital content; Digital content, downloadable; Downloadable digital content; Digital data processing apparatus; Apparatus for processing digital data; Digital data recording media; Digital data storage media; Digital disk drives; Digital disc drives; Digital event recorders for seismic data; Digital indicators; Digital input and output scanners; Downloadable images; Downloadable images authenticated by non-fungible tokens [nft]; Downloadable images authenticated by non-fungible tokens [nfts]; Downloadable image, video and audio files; Downloadable instant messaging software; Downloadable interactive entertainment software for playing computer games; Downloadable interactive entertainment software for playing video games; Downloadable interface computer programs; Downloadable interface software; Downloadable invoicing computer programs; Downloadable billing computer programs; Downloadable invoicing software; Downloadable billing software; Downloadable mobile applications for booking taxis; Downloadable mobile applications for creating animated gif files; Downloadable mobile applications for creating, editing, processing and converting of gif files; Downloadable mobile applications using artificial intelligence and machine learning for vehicle delivery logistics to manage trip itineraries; Downloadable mobile game software; Downloadable multimedia files authenticated by non-fungible tokens [nfts]; Downloadable multimedia files authenticated by non-fungible tokens [nft]; Augmented reality software; Authentication software; Automated bank note sorting machines; Automated teller machines [atm]; Automated banking machines; Automated cash machines; Automated teller machines; Automatic teller machines; Cash dispensers; Cash dispensing machines; Atm machines; Automatic access control systems; Automatic cash sorting and counting machines; Automatic control apparatus; Automatic paying-in and deposit machines; Automatic switchboards; Automatic switching apparatus for telecommunications; Automatic switching apparatus for telecommunication; Computer memory devices; Computer memories; Memories for use with computers; Computer memory hardware; Computer network hardware; Computer networking hardware; Computer network hubs; Computer network hubs, switches and

routers; Computer networking and data communications equipment; Computer network routers; Computer network servers; Computer network switches; Computer operating programs; Computer operating programmes; Computer operating programs, recorded; Recorded computer operating programs; Computer operating software; Computer operating software for metaverse environments; Computer operating software for virtual environments; Computer operating systems; Computer operating system software; Computer operating system software for metaverse environments; Computer operating system software for virtual environments; Computer programs stored in digital form; Computer programs and computer software for electronic trading of securities; Computer programs and computer software for electronically trading securities; Computer programs and software; Computer programs and software featuring educational games for children; Computer programs and software featuring educational materials for children and parents; Computer programs and software featuring learning activities for children; Computer programs and software for image processing; Computer programs and software for image processing used for cellular phones; Computer programs and software for image processing used for mobile phones; Computer programs and software for image processing used for cellular telephones; Computer programs and software for image processing used for cell phones; Computer programs, downloadable; Downloadable computer programs; Digital media streaming devices; Digital recording media; Digital signage display panels; Digital signs; Digital sound processors; Digital storage media; Digital tablets; Digitizer pads; Digitiser pads; Digital telecommunications apparatus; D/a converters; Digital transmitters; Discs bearing computer game software; Discs bearing computer programs; Discs bearing video recordings; Disc storage containers, shaped; Disc storage containers; Disk drives; Disk drives for computers; Computer disc drives; Computer disk drives; Disk memories; Disks, magnetic; Magnetic disks; Display devices; Display instruments for monitoring gas or liquid flows; Display monitors; Display screens; Downloadable multimedia files containing audio files authenticated by non-fungible tokens [nfts]; Downloadable multimedia files containing audio authenticated by non-fungible tokens [nft]; Downloadable multimedia files containing audio authenticated by non-fungible tokens [nfts]; Downloadable multimedia files containing audio files authenticated by non-fungible tokens [nft]; Downloadable multimedia files containing texts authenticated by non-fungible tokens [nfts]; Downloadable multimedia files containing text authenticated by non-fungible tokens [nft]; Downloadable multimedia files containing text authenticated by non-fungible tokens [nfts]; Downloadable multimedia files containing texts authenticated by non-fungible tokens [nft]; Downloadable multimedia files containing texts relating to video games authenticated by non-fungible tokens [nfts]; Automobile data recorders; Automobile data loggers; Automobile data recorder; Autonomous navigation systems; Backlit signs; Bags adapted for computers; Bags adapted for laptops; Bags adapted for cell phones; Bags adapted for cellular phones; Bags adapted for mobile phones; Bags adapted for cellular telephones; Bags for carrying laptops; Downloadable computer software programs; Computer programs for accessing and using the internet; Computer programs for accessing, browsing and searching online databases; Computer programs for accessing, browsing and searching on-line databases; Computer programs for accessing, browsing and searching online data banks; Computer programs for accessing, browsing and searching on-line data banks; Computer programs for accessing databases; Computer programs for accessing data banks; Computer programs for accessing online databases; Computer programs for accessing on-line databases; Computer programs for analyzing market information; Computer programs for browsing and searching online databases; Computer programs for browsing and searching on-line databases; Computer programs for connecting remotely to computers or computer networks; Computer programs for connecting to remote computers and computer networks; Computer programs for data analysis; Computer programs for data processing; Computer programs for processing data; Computer programmes for data processing; Computer programs for data storage; Computer programs for document management; Computer programmes for document management; Computer programs for editing images, sound and video; Computer programs for electronic trading of currency; Computer programs for electronic trading of virtual currency; Computer programs for enabling access or entrance control; Computer programs for the enabling of access or entrance control; Computer programs for facilitating payment transactions by electronic means; Computer programs for internet of things [iot] enabled devices; Computer programs for issuing digital certificates authenticated by non-fungible tokens [nfts]; Computer programmes for printing purposes; Computer programs for producing graphics for promotional purposes; Computer programmes for producing graphics for promotional purposes; Computer programs for project management; Computer programmes for project management; Computer programs for searching remotely for content on computers and computer networks; Computer programs for the transmission of data; Computer programs for data transmission; Computer programs for transmitting data; Computer programs for use in database management; Computer programs for use in desktop publishing; Computer programs for use in implementing internet of things [iot]; Displays for mobile phones; Distribution consoles [electricity]; Dmb [digital multimedia broadcasting] televisions; Dmb televisions; Docking stations for mobile telephones; Docking stations for mobile phones; Docking stations for cellular telephones; Docking stations for smartphones; Document management software; Downloadable multimedia files containing videos authenticated by non-fungible tokens [nfts]; Downloadable multimedia files containing video authenticated by non-fungible tokens [nft]; Downloadable multimedia files containing video authenticated by non-fungible tokens [nfts]; Downloadable multimedia files containing videos authenticated by non-fungible tokens [nft]; Downloadable multimedia files containing videos relating to dramatic television programs authenticated by non-fungible tokens [nfts]; Downloadable music, image, video or audio files authenticated by non-fungible tokens [nfts]; Downloadable photographs authenticated by non-fungible

tokens [nfts]; Downloadable photographs in the field of cats authenticated by non-fungible tokens [nfts]; Banknote acceptors; Banknote receivers; Banknote counting machines; Currency counting machines; Cash counters; Paper currency detectors; Banknote sorting machines; Encoded bar code labels; Bar code readers; Bar code scanners; Barcode readers; Barcode scanners; Computer programmes for use in telecommunications; Computer programs for use in the evaluation and analysis of data utilizing computational linguistics; Computer programs for use in trading stocks and bonds; Computer programs for user interface design; Computer programs for using the internet and the world wide web; Computer programs for video and computer games; Computer programs, recorded; Computer programmes, recorded; Recorded computer programs; Recorded computer programmes; Computer programs to enable teleconferencing, videoconferencing and videophone services; Computer programs used for electronic cash register systems; Computer programs using blockchain technology; Computer programs using blockchain technology in the field of electronic commerce; Computers; Computers and computer hardware; Computers and computer peripheral devices; Computers and computer peripherals; Computers and computer software for data collection, transmission, archiving, management and processing; Filters for computer screens; Computer screens; Computer screen saver software; Computer screensaver software; Screensavers; Computer screen saver software, recorded or downloadable; Computer search engine software; Computer serial ports; Computer servers; Computers for use in data management; Computer shareware; Peripheral devices used with computers; Peripherals adapted for computers; Personal computers; Signalling lights; Signaling lights; Signalling panels, luminous or mechanical; Signaling panels, luminous or mechanical; Luminous or mechanical signalling panels; Luminous or mechanical signaling panels; Luminous signs; Signs, luminous or mechanical; Luminous or mechanical signs; Simulation software; Simulation software for entertainment purposes; Simulation software for training purposes; Simulation software for use in digital computers; Single-board computers; Laptop sleeves; Sleeves for record albums; Eyewear cases; Cases for eyewear; Eyewear pouches; Face recognition equipment; Face recognition software; Facial recognition software; Software applications [apps] for internet of things [iot] enabled devices; Software applications for use with mobile devices; Software for authenticating the identity of a payer; Software for card readers; Software for cellular phones; Software for cell phones; Software for mobile telephones; Software for cellular telephones; Software for mobile phones; Software for cloud servers; Cloud server software; Software for cognitive computing and data-driven analytics; Software for computer telephony; Computer telephony software; Software for continuous integration and continuous deployment (ci/cd); Software for mobile applications that enable interaction and interface between vehicles and mobile devices; Production process control, optimisation and management software; Software for providing online trading platform for digital assets; Software for robotic process automation; Software for robotics design; Software for use in designing robots; Software for robotics programming; Software for satellite navigation systems; Software for searching and retrieving information across a computer network; Software for searching, viewing and purchasing products and services; Software for searching, for viewing and for purchasing

products and services; Software for smartphones; Smartphone software; Software for smart tv [application]; Supply chain management, logistics and warehousing software; Software for tablet computers; Software for tablets; Software for testing hardware; Hardware testing software; Software for the analysis of business data; Software for the integration of artificial intelligence and machine learning in the field of big data; Software for transmitting distress signals; Software for use in database management; Software for use in the evaluation and analysis of data utilizing computational linguistics; Software for use in the evaluation and analysis of data utilizing machine learning; Software for use in virtual environments; Software for wireless content transmission; Software for wireless content delivery; Software to enable teleconferencing, videoconferencing and videophone services; Software to enhance the audiovisual capabilities of multimedia applications; Mobile software; Mobiles [telecommunication devices].

CLASS 16

Visiting cards; Printed vocabulary cards; Wall calendars; Wall covering sample books; Wall maps; Wall mural posters; Wallpaper sample books; Wallpaper stencils; Washcloths made of paper; Washcloths of paper; Paper washcloths; Washi tapes [decorative adhesive tapes for stationery or household purposes]; Waste bags of biodegradable plastic for household use; Watercolor portraits being paintings; Watercolor portraits [paintings]; Wedding albums; Wedding books; Wedding cards; Weekly planner covers; Weekly planners [printed matter]; Weekly planners [stationery]; White paperboard; Wirebound books; Wood pulp board [stationery]; Wood pulp paper; Workbooks containing exercises; Works of art of cardboard; Works of art made of cardboard; Works of art of cardboard authenticated by non-fungible tokens [nfts]; Artworks of cardboard authenticated by non-fungible tokens [nfts]; Works of art of paper; Artworks of paper authenticated by non-fungible tokens [nfts]; Works of art of paper or cardboard; Wrapping foils for books; Wrapping, packaging and storage bags and articles made of paper, cardboard or plastic; Wrapping paper; Packing paper; Wristbands for the retention of writing instruments; Writing and stamping instruments; Writing and stamping implements; Holders for writing brushes; Writing cases [sets]; Writing cases [stationery]; Concert programs being printed matter; Concert programmes being printed matter; Congratulation cards; Construction paper; Containerboard; Containers [boxes] of cardboard for cds and dvds being office requisites; Containers made of cardboard; Containers of cardboard; Cardboard containers; Containers made of paper; Containers of paper; Paper containers; Containers, made of paper or cardboard, for ice; Containers for ice made of paper or cardboard; Containers of cardboard for packaging; Packaging containers made of cardboard; Cardboard containers for packaging; Cookbook holders [stationery]; Copying paper [stationery]; Copying paper; Cornstarch-based packaging material; Corrugated cardboard; Corrugated board; Corrugated cardboard boxes; Corrugated boxes; Corrugated cardboard for packaging; Corrugated board for packaging; Corrugated paper; Corrugated record storage boxes; Coupon books; Covers for address booklets; Address booklet covers; Agendas [printed matter]; Covers for personal organizers [printed matter]; Covers for personal organisers [printed matter]; Covers for albums; Book covers; Packaging boxes of cardboard; Packaging boxes of paper; Packaging containers of paper; Containers of paper for packaging; Packaging containers of paper or cardboard; Packaging containers of regenerated cellulose; Packaging material made of bagasse; Packaging material made of beeswax; Packaging material made of cornstarch; Packaging materials made of corrugated cardboard; Packaging materials made of corrugated board; Packaging material made of mushroom mycelium; Plastic materials for packaging; Packaging material of plastic; Plastic material for packaging; Plastic packaging materials; Packaging materials of plastics; Packaging materials of plastic; Packaging materials made of plastics; Packaging materials made of plastic; Packaging material made of seaweed; Packaging material made of starches; Packaging materials made from mineral-based paper substitutes; Packaging materials made of recycled paper; Packaging materials of cardboard; Packaging materials of cardboard or paper for ices; Packaging materials of paper; Packaging materials of plastic for sandwiches; Packing materials of cardboard; Cushioning materials of cardboard; Stuffing materials of cardboard; Packing [cushioning, stuffing] materials of paper; Packing materials of paper; Cushioning materials of paper; Stuffing materials of paper; Packing [cushioning, stuffing] materials of paper or cardboard; Packing materials of paper or cardboard; Cushioning materials of paper or cardboard; Stuffing materials of paper or cardboard; Padded bags of paper; Padding materials of paper or cardboard; Stuffing of paper or cardboard; Padding and stuffing materials of paper or cardboard; Pads [stationery]; Page holders; Paint and filler kettles; Paint applicator rollers; Paint applicators comprising a container and brush; Paint boxes for use in schools; Paintbrushes; Paintbrushes and paint boxes for use in schools; Paintbrush handles, not of metal; Paintbrush handles of metal; Painted murals; Painters' brushes; Brushes for painters; Writing implements incorporating tips for operating touchscreen devices; Writing ink; Writing instruments; Writing implements [writing instruments]; Writing utensils; Writing implements; Writing materials; Writing or drawing books; Writing pads; Writing tablets; Writing paper; Notepaper; Writing paper and envelopes [stationery]; Stationery writing paper and envelopes; Writing paper and envelopes; Writing paper holders; Writing paper pads; Writing pens; Writing slates; Slate boards for writing; Writing utensils made of fibers; Writing utensils made of fibres; Xerographic paper; Yearbooks; Yearbooks in the field of soccer; Year planners [printed matter]; Yearly planners [printed matter]; Covers for diaries [printed matter]; Covers for weekly planners; Covers [stationery]; Wrappers [stationery]; Craft kits for papier mâché model construction; Crayons; Credit card imprinters, non-electric; Crossword puzzles; Cube-shaped note books; Cube-shaped notebooks; Cube-shaped note pads; Currency sleeves; Curve templates [drawing instruments]; Daily newspapers; Data books; Date books; Datebooks; Date indicators; Date stamps [daters]; Date stamps; Decals for use as social distancing markers; Decanter

mats of card; Decanter mats of cardboard; Decanter mats of paper; Decorations of cardboard being christmas decorations; Decorations of cardboard for use as christmas decorations; Decorations of cardboard being festive decorations; Decorations of cardboard for use as festive decoration; Decorations of cardboard for foodstuffs; Decorations made of cardboard for foodstuffs; Foodstuff decorations of cardboard; Foodstuff decorations made of cardboard; Decorations of paper being christmas decorations; Decorations of paper for use as christmas decorations; Decorations of paper being festive decorations; Decorations of paper for use as festive decoration; Decorations of paper for foodstuffs; Paper decorations for foodstuffs; Decorative garlands of paper for parties; Decorative paper garlands for parties; Decorative glitter for stationery use; Decorative objects [ornaments] made of cardboard; Decorative objects [ornaments] made of paper; Decorative objects [ornaments] made of papier mâché; Decorative ornaments [decalcomanias] for mobile telephones; Decorative ornaments [decalcomanias] for cellular phones; Decorative ornaments [decalcomanias] for cell phones; Decorative ornaments [decalcomanias] for cellphones; Decorative ornaments [decalcomanias] for cellular telephones; Decorative ornaments [decalcomanias] for mobile phones; Decorative ornaments [stickers] for mobile telephones; Decorative ornaments [stickers] for cellular phones; Decorative ornaments [stickers] for cell phones; Decorative ornaments [stickers] for cellphones; Decorative ornaments [stickers] for cellular telephones; Decorative ornaments [stickers] for mobile phones; Decorative paper bows for wrapping; Decorative paper centerpieces; Decorative paper centrepieces; Decorative stickers for automobile wheel hubs; Easels for painters; Painting mitts for applying paint; Paintings [artworks]; Painting sets for artists; Painting sets for children; Paintings [pictures]; Paintings; Paintings [pictures] authenticated by non-fungible tokens [nfts]; Paintings authenticated by non-fungible tokens [nfts]; Paintings [pictures], framed or unframed; Paintings, framed or unframed; Paint kettles; Paint paddles; Paint roller covers; Paint roller handles; Paint rollers; Paint stick markers; Paint stirrers and paddles [artists' materials]; Paint stirrers and paddles; Paint stirrers [artists' materials]; Palettes for painters; Pamphlets; Brochures; Pamphlets featuring stories, games and learning activities; Pamphlets in the field of real estate sales; Brochures in the field of real estate sales; Paper*; Paper and cardboard; Paper and cardboard for industrial use; Paper bags; Bags of paper; Bags made of paper; Paperboard; Paper board; Paperboard blanks; Paperboard boxes for industrial packaging; Paperboard trays for packaging food; Paper bows for gift wrapping; Paper cartons for delivering goods; Paper clasps; Paper clip holders; Paper-clips; Paper cocktail parasols; Paper cocktail umbrellas; Paper decorations for cakes; Paper cake decorations; Cake decorations of paper; Cake decorations made of paper; Paper emblems; Paper embossers [office requisites]; Paper embossers; Paper fasteners; Paper-feeding machines for office use; Paper festoons [decorative paper for parties]; Paper filters for coffee makers; Decorative stickers for helmets; Decorative stickers for vehicle bumpers; Decorative vehicle bumper stickers; Decorative wrapping paper; Decorators' paintbrushes; Paintbrushes for decorators; Decorators' brushes; Brushes for decorators; Decoupage paper; Desk agendas; Desk baskets for desk accessories; Desk calendars; Desk diaries; Desk mats; Desk pads; Desk sets; Desktop business card holders; Desktop document racks; Desktop document stands; Desktop organizers; Desk tidies; Desktop pigeonholes [office requisites]; Desktop pigeon holes [office requisites]; Desktop planners; Desk top planners; Desktop revolving rotary card files; Desktop stationery boxes; Desktop stationery cabinets; Diagrams; Diaries [printed matter]; Dictation books; Dictionaries; Die-cut paper shapes; Paper die cut shapes; Digital printing paper; Dip pens; Nip pens; Directory paper; Dish mats of card; Dish mats of cardboard; Dish mats of paper; Display banners of cardboard; Display banners of paper; Display boxes of cardboard; Display boxes of paper; Display boxes of paper or cardboard; Disposable table napkins of paper; Disposable table napkins made of paper; Disposable paper napkins; Document binding machines for office use; Document covers [stationery]; Document covers; Document file racks; Document files [stationery]; Document files; Document folders in the form of wallets; Document markers [highlighting pens]; Document page markers [marking flags]; Document page markers; Document portfolios [stationery]; Document portfolios; Document stamp racks; Doilies of paper; Doilies made of paper; Paper doilies; Paper folding machines as office requisites; Paper for bank checks; Paper for bank cheques; Paper for covering books; Book-cover paper; Paper for household and industrial use; Paper for household purposes; Paper for household use; Household paper; Paper for industrial purposes; Paper for industrial use; Industrial paper; Paper for making bags and sacks; Paper for medical examination tables; Paper for printing photographs; Paper for printing photographs [not chemically sensitized]; Paper for radiograms; Paper for recording machines; Paper for travellers' checks; Paper for use in the manufacture of surgical drapes; Paper for use in the manufacture of tea bags; Paper for use in the manufacture of wallpaper; Paper for wrapping and packaging; Paper for wrapping books; Book wrappings; Paper gift bags for wine; Paper wine gift bags; Paper handling machines for office use; Paper hangtags; Paper hang tags; Paper jogging machines for office use; Paper knives being parts of paper cutters for office use; Paper knives [letter openers]; Paper knives [office requisites]; Paper lace; Paper lunch bags; Paper mats [coasters] of paper; Paper mats for pet crates; Paper pet crate mats; Paper note tablets; Paper packaging and containers for food and beverages comprised of materials designed to lessen adverse effects on the environment; Paper racks [office requisites]; Paper ribbons and bows, other than haberdashery; Paper ribbons and bows, other than hair decorations; Paper ribbons, other than haberdashery; Paper ribbons, other than haberdashery or hair decorations; Paper ribbons, other than hair decorations; Paper rolls for calculating machines; Paper sacks; Paper sandwich bags; Sandwich bags of paper; Sandwich bags made of paper; Papers for painting and calligraphy; Paper sheets being stationery; Paper sheets [stationery]; Paper shredders for office use; Paper shredders [office requisites]; Paper shredders; Paper stationery; Paper take-out cartons for food; Paper take-away cartons for food; Paper tape; Paper tapes for calculating machines; Paper tapes for calculators; Paper

tea filters; Paper toilet rolls; Paperweights; Paper weights; Paper wipes for cleaning; Papier mâché; Paper mache; Paraffin paper; Parchment paper; Partially printed forms; Party bags made of paper; Party bags of paper; Paper party bags; Party decorations of paper; Party decorations made of paper; Drawing boards; Drawing boards [painters' articles]; Drawing books; Drawing brushes; Drawing curves; Drawing ink; Drawing instruments; Drawing instruments for blackboards; Drawing instruments for whiteboards; Drawing materials; Drawing materials and artists' materials; Drawing and artists' materials; Drawing materials for blackboards; Drawing pads; Sketch pads; Drawing tablets [drawing pads]; Sketching pads; Drawing paper; Drawing pens; Drawing pins; Drawings; Drawing sheets; Drawing templates; Drawing shields; Drink coasters of card; Drink coasters made of card; Card drink coasters; Drink coasters of cardboard; Drink coasters made of cardboard; Cardboard drink coasters; Paper drink coasters; Drink mats of card; Drink mats of cardboard; Drink mats of paper; Drip mats of card; Drip mats made of card; Drip mats of cardboard; Drip mats made of cardboard; Drip mats of paper; Drip mats made of paper; Drip mats of paper for tea; Drying towels of paper; Towels of paper for drying; Dry transfer characters; Duplicating paper; Duplicators; Duplicating machines; Easel pads; Easels; Educational books; Educational materials for teaching purposes [except apparatus]; Educational publications; Party favor boxes of cardboard; Party favour boxes of cardboard; Party favor boxes of cardboard or paper; Party favour boxes of cardboard or paper; Party goodie bags of paper or plastic; Party ornaments of paper; Party ornaments made of paper; Passbook covers; Passenger tickets; Passe-partouts of paper; Passe-partouts made of paper; Paper passe-partouts; Passport cases; Passport holders and cases; Passport cases and holders of leather; Passport cases of leather; Passport cases [leather]; Leather passport cases; Passport covers; Passport covers of leather; Passport covers made of leather; Leather passport covers; Passport covers [leather]; Passport folders of leather; Passport folders made of leather; Leather passport folders; Passport folders [leather]; Passport holders; Passport holders of leather; Passport holders [leather]; Leather passport holders; Passports [non-magnetically encoded identification document]; Pasteboard; Pastels; Pastels [crayons]; Pastel crayons; Pastes and other adhesives for stationery or household purposes; Patterns for dressmaking; Dressmaking patterns; Patterns for making clothes; Clothing patterns; Patterns for making pompons; Shapes for making pompons; Pen and pencil boxes; Pencil or pen boxes; Pen and pencil cases; Pen and pencil holders; Pen or pencil holders; Pen and pencil trays; Pen calligraphy copybooks; Boxes for pens; Pen boxes; Cases for pens; Pencil boxes; Pencil caps; Pencil cases; Pencil cases of leather; Leather pencil cases; Pencil eraser refills; Pencil erasers; Pencil extenders; Pencil extenders and toppers; Extenders and toppers for pencils; Pencil grips; Pencil holders; Pencil lead holders; Mechanical pencils; Propelling pencils; Clutch pencils; Drafting pencils; Pencil point protectors; Pencils; Pencil sets; Pencils for drawing; Drawing pencils; Pencils for painting; Painting pencils; Pencils for painting and drawing; Embroidery design patterns printed on paper; Embroidery designs [patterns]; Embroidery design patterns; Embroidery patterns; Patterns for embroidery; Enamel paper; Engraving plates; Engravings; Entertainment guides being printed matter; Entrance tickets; Admission tickets; Entry tickets; Envelope paper; Envelopes; Envelopes of paper for packaging; Paper envelopes for packaging; Envelopes of paper or plastics for packaging; Envelopes of paper or plastic for packaging; Envelopes of plastics for packaging; Plastic envelopes for packaging; Envelopes of plastic for packaging; Envelopes [stationery]; Envelopes for stationery use; Eraser dusting brushes; Erasers; Erasing shields; Event albums; Events albums; Events programmes; Events programs; Event programmes; Event programs; Exercise and gymnastic banners of paper; Exercise book covers; Exercise books [blank]; Workbooks [blank]; Exercise books; Expanding files of paper; Expanding files made of paper; Paper expanding files; Expanding files [stationery]; Extensions and attachments for pencils; Fabric glue for household purposes; Fabric glue for household use; Fabrics for bookbinding; Face towels of paper; Facial tissues of paper; Fax paper; Fan magazines; Felt marking pens; Felt mats for calligraphy; Felt mats for chinese calligraphy [stationery]; Felt-tip markers; Felt-tip pens; Felt-tipped pens; Felt pens; Fibreboard boxes; Fiber paper; Fibre paper; Fiber-tip markers; Fibre-tip markers; Fiber-tip pens; Fibre-tip pens; Fibertip pens; Fiction books; Figures made of paper; Figurines of papier mâché; Statuettes of papier mâché for cakes; Paper mache figurines; Papier mâché figurines; Figurines of papier mâché for cakes; File boxes for storage of business and personal records; File boxes for storage of magazines; File folders; File jackets of paper; File jackets made of paper; Files [office requisites]; File trays [office requisites]; Pencil sharpening machines, electric or non-electric; Electric or non-electric pencil sharpening machines; Pencils with erasers; Pencil tins; Pencil-top erasers; Cap erasers; Pencil toppers; Pencil trays; Pen clips; Pen grips; Penholders; Pen holders; Pen ink refills; Pennons made of paper; Pennons of paper; Paper pennons; Pen rests; Pens; Pen stands; Stands for pens; Pens [writing implements] incorporating tips for operating touchscreen devices; Pen toppers; Pen trays; Photocopying paper; Paper for photocopying; Paper for photocopies; Copier paper; Photocopy paper; Copy paper; Photo-engravings; Photograph album pages; Photo albums; Albums for photographs; Photographic black paperboard; Photographic murals; Photographic or art mounts; Photographic or art mounts of paper or cardboard; Photographic prints; Photograph mounts; Photograph mounts of paper or cardboard; Photographs [printed]; Printed photographs; Photograph storage boxes; Photo storage boxes; Photomurals; Physical paintings [pictures] authenticated by non-fungible tokens [nfts]; Physical paintings authenticated by non-fungible tokens [nfts]; Pictorial prints; Picture mounts of cardboard; Cardboard picture mounts; Picture mounts made of paper; Paper picture mounts; Picture postcards; Pictures; Pictures in the nature of drawings; Pictures in the nature of paintings; Pictures in the nature of printed photographs; Pins [stationery]; Pizza boxes of cardboard; Pizza boxes made of cardboard; Cardboard pizza boxes; Placards of cardboard; Cardboard placards; Signs of cardboard; Signs made of cardboard; Cardboard signs; Paper placards; Signs of paper; Signs made of paper; Paper signs; Placards of paper or cardboard; Place cards; Place card; Place mats of

card; Place mats made of card; Dinner mats of card; Dinner mats made of card; Place mats of cardboard; Place mats made of cardboard; Paper trays [office requisites]; Document file trays [office requisites]; Desk file trays [office requisites]; File trays; Document file trays; Desk file trays; Filler paper; Films of plastic for foodstuff packaging; Films made of plastic for foodstuff packaging; Films of plastic for food packaging; Films made of plastic for food packaging; Plastic films for foodstuff packaging; Plastic films for food packaging; Films of plastic for packaging foodstuffs; Films of plastic for packaging foods; Flags and pennants of paper; Flags and pennants made of paper; Paper flags and pennants; Flags of paper; Paper flags; Flash cards [teaching materials]; Flashcards [teaching materials]; Flip books; Flip chart carrying cases; Flip chart cases; Flip charts; Floor decals; Floor decalcomanias; Floor transfers [decalcomanias]; Floor signs being decals; Flower-pot covers of paper; Covers of paper for flower pots; Paper flower pot covers; Flow sheets [printed matter]; Fluting paper [corrugating medium]; Fluting paper; Flyers; Folders for blueprints; Folders for letters; Folders for papers; Jackets for papers; Folders of paper; Paper folders; Folding paper flowers; Folios; Food bag tape for freezer use; Food storage bags of plastic for household use; Plastic food storage bags for household use; Food waste bags of biodegradable plastic for household use; Food waste bags of paper for household use; Food wrapping paper; Paper food wrap; Wrapping papers for food; Forms, printed; Printed forms; Forms; Fountain and drawing pens; Fountain pens; Framed photographs; Framed pictures; Freezer bags; Furniture covers of paper, not fitted; Dinner mats of cardboard; Dinner mats made of cardboard; Place mats of paper; Place mats made of paper; Dinner mats made of paper; Paper dinner mats; Plastic adhesives for household or domestic use; Plastic adhesives for stationery or household purposes; Plastic bag disposal kit for lawn and leaf disposal; Plastic bags for disposable diapers; Plastic bags for disposable nappies; Plastic bags for household purposes; Plastic bags for household use; Plastic bags for packaging ice; Plastic bags for packing; Plastic bags for pet waste disposal; Plastic bags for disposing of pet waste; Plastic bags for securing valuables; Plastic bags for undergarment disposal; Plastic blister packs for packaging; Plastic bubble packs for packaging; Plastic blister packs for wrapping; Plastic bubble packs for wrapping; Plastic bubble film for packaging; Plastic bubble film for wrapping; Plastic cling film, extensible, for palletization; Plastic-coated copying paper; Plastic currency sleeves; Plastic film for packaging; Plastic film for wrapping; Plastic film for wrapping food; Food wrapping plastic film; Plastic film roll stock for packaging; Plastic film roll stock for packaging electronic devices; Plastic film roll stock for packaging food; Plastic film roll stock for packaging pharmaceuticals; Plastic flexible packaging film sold in bulk to industrial and commercial manufacturers; Plastic foils; Plastic gift wrap; Plastic pages with pockets for holding photographs; Plastic pages with pockets for holding receipts; Plastic pages with pockets for holding trading cards; Plastic paint kettles; Plastic sandwich bags; Sandwich bags made of plastic; Plastics for modelling; Plastics for modeling; Plastic sheets, films and bags for wrapping and packaging; Plastic sleeves for holding baseball cards; Plastic transparencies; Pocket agendas [printed matter]; Pocketbooks [printed publications]; Pocket books [printed publications]; Pocketbooks [stationery]; Pocket books [stationery]; Pocket calendars; Pocket diaries [printed matter]; Pocket memorandum books; Pocket pen shields; Pocket secretaries; Pop-up greeting cards; Pop-up greetings cards; Porous tip pens; Portraits; Portraits being drawings; Portraits being paintings; Portraits [drawings]; Unfitted furniture covers of paper; Fusuma-gami [paper for japanese indoor sliding partitions]; Galley racks [printing]; Garbage bags; Trash bags; Rubbish bags; Refuse bags; Garbage bags of paper; Paper garbage bags; Paper refuse bags; Refuse bags of paper; Rubbish bags of paper; Paper rubbish bags; Garbage bags of paper for household purposes; Garbage bags of paper for household use; Rubbish bags of paper for household purposes; Rubbish bags of paper for household use; Garbage bags of paper or of plastics; Rubbish bags of paper or of plastics; Trash bags of paper or of plastics; Refuse bags of paper or of plastics; Garbage bags of plastic; Plastic garbage bags; Refuse bags of plastic; Plastic trash bags; Plastic refuse bags; Trash bags of plastic; Rubbish bags of plastic; Plastic rubbish bags; Garbage bags of plastics for household purposes; Garbage bags of plastics for household use; Rubbish bags of plastics for household purposes; Rubbish bags of plastics for household use; Rubbish bags of vinyl for household use; General feature magazines; Rental of commercial property; Rental of flats, houses, commercial premises and offices; Transfer of funds for the purchase of goods, via electronic communication networks; Transfer of funds via electronic communication networks; Providing information relating to domestic and foreign market securities futures; Providing information relating to domestic and overseas market securities futures; Registration of shares; Share financing; Share registration; Share registration services; Preparation of financial reports relating to building projects; Preparation of financial reports relating to the financing of building projects; Providing information relating to the rental of buildings; Rental of buildings; Rental of buildings and providing information relating thereto; Rental of buildings for permanent occupancy; Business credit reporting services; Business investment services; Investment business services; On-line business fund raising; On-line business fund raising services; On-line business fundraising; On-line business fundraising services; Online business fund raising; Online business fund raising services; Online business fundraising; Online business fundraising services; Rental of business premises; Payment card services; Prepaid card services; Processing of charge card payments; Processing of credit card and debit card payments; Processing of credit card payments; Processing of debit card payments; Providing credit cards; Provision of credit cards; Providing information relating to charitable fund raising; Providing information relating to charitable fundraising; Provision of information relating to charitable fund raising; Provision of information relating to charitable fundraising; Check processing; Check recovery services; Issuing of checks; Processing of checks; Processing of electronic check payments; Providing travelers' checks; Providing travellers' checks; Provision of travelers' checks; Provision of travellers' checks; Travelers' check issuance; Cheque processing; Issuing of cheques; Processing of cheques; Processing of electronic cheque payments; Providing travelers' cheques; Providing travellers' cheques; Provision of travelers' cheques; Provision of travellers' cheques; Travellers' cheque issuance; Transfer of monetary claims; Collection of debts; Collection of money owed from settlements; Collection of rent; Collection of rents; Debt collection; Debt collection services; Electronic debt collection; Electronic toll collection services; National debt collection; Providing college scholarships; Rent collection; Rent collection

services; Providing financial information by means of a computer database; Providing financial information relating to the creditworthiness of companies and individuals; Providing financial information via computer databases; Providing fund raising services for others via a global computer network; Providing fundraising services for others via a global computer network; Providing on-line financial information from a computer database or the internet; Providing on-line stock exchange information from a computer database or the internet; Providing online financial information from a computer database or the internet; Providing online stock exchange information from a computer database or the internet; Providing real estate listings and real estate information via a computer database; Providing securities market information via an on-line computer database; Providing securities market information via an online computer database; Providing stock market and securities market information via an on-line computer database; Providing stock market information via an on-line computer database; Providing stock market information via an online computer database; Provision of financial information by means of a computer database; Provision of financial information via computer databases; Stock exchange information provided on-line from a computer database or the internet; Consumer credit services; Consumer lending services; Operational risk analysis and consultancy relating to finance and credit; Operational risk consultancy relating to finance and credit; Personal finance consultancy; Political fund raising consultancy; Political fundraising consultancy; Real estate consultancy; Real estate consultation; Real estate consulting services; Real estate investment consultancy; Preparation of quotes for cost estimation purposes; Raising funds for others for tertiary education costs; Credit counseling; Credit counseling services; Credit counselling; Credit counselling services; Credit reporting services; Issuing letters of credit; Issuing of letters of credit; Operational risk analysis relating to finance and credit; Payment and credit services; Preparation of credit rating reports; Preparation of credit reports; Providing finance for credit sales; Providing of sales credit financing; Sales credit financing; Crowdfunding; Crowdfunding services; Cryptocurrency investment services; Providing foreign currency; Provision of foreign currency; Virtual currency exchange; Virtual currency exchange services; Virtual currency services; Virtual currency transfer services; Providing multiple payment options by means of customer-operated electronic terminals available on-site in retail stores; Direct debit services; Debt counseling services; Debt counselling services; Debt investment services; Debt recovery services; Debt restructuring services; Debt settlement services; Deposit-holding; Depository receipts services; Holding deposits; Money deposit and exchange services; Money deposit services; Providing information relating to safe deposit services for precious metals; Providing information relating to safe deposit services for securities; Safe deposit box services; Safe deposit services; Safe deposit services for precious metals; Safe deposit services for securities; Safety deposit box services; Safety deposit services; Securities deposit services; Providing financial indices based on selected groups of securities and digital and virtual assets; Provision of financial indices based on selected groups of securities and digital and virtual assets; Processing of electronic payments; Providing electronic funds transfer services; Providing financial information by electronic means; Providing information relating to finance and investment via electronic means; Providing information relating to finance via electronic means; Provision of electronic funds transfer services; Public equity financing; Funding services; Funds investment; Hedge fund investment services; Investment of funds; Investment services; Investment trust services; Investment trusteeship; Investment trusteeship services; Memorial fund raising; Memorial fund raising services; Memorial fundraising; Memorial fundraising services; Monetary exchange; Monetary exchange operations; Monetary exchange services; Monetary services; Monetary transfer; Monetary transfer services; Monetary transfers; Money exchange services; Money order services; Money transfer; Money transfer services; Money transfers; Money wiring services; Monitoring of financial portfolios; Monitoring of investment performance; Mutual fund analysis services; Mutual fund development services; Mutual fund distribution; Mutual fund investment; Mutual funds; Numismatic appraisal; Office rental; Office rental [real estate]; Offshore investment funds; On-line escrow services relating to the exchange of services; Online escrow services relating to the exchange of services; Pawn shop services; Pawnbroking; Payment and funds verification services; Payment processing; Payment processing services; Personal finance services; Political financing services; Political fund raising; Political fund raising services; Political fundraising; Political fundraising services; Precious metal appraisal; Precious stone appraisal; Precious stone appraisal and providing information relating thereto; Preparation and analysis of financial reports; Preparation of financial reports; Preparation of reports relating to finance and investments; Processing of fiduciary tax payments; Processing of tax payments; Project finance services; Project financing; Property investment; Property investment services; Provident fund services; Providing dance scholarships; Providing educational scholarships; Providing finance for real estate development projects; Providing financial information; Providing financial information in the field of tourism; Providing financial information on-line; Providing financial information online; Providing financial information relating to exchange rates; Providing financial information relating to rates of exchange; Providing financial information relating to the finance industry involved in environmentally focused investments; Providing financial information via a web site; Providing financial information via a website; Providing financial research services; Providing funding for governments; Providing funding for inventions; Providing funding for inventors; Providing funding for joint ventures; Providing funding for non-profit entities; Providing funding for the development of new technology; Providing funding for universities; Providing funds; Providing funds for hire-purchase; Providing funds for hire-purchase and for leasing; Providing funds for lease-purchase; Providing information and analysis via the internet in the field of financial investments; Providing information and data concerning stock exchanges; Providing information and research in the field of finance and financial investments; Providing information in the field of personal finance; Providing information in the field of real estate via the

internet; Providing information in the fields of finance and investment; Providing information on options markets via a web site; Providing information on options markets via a website; Providing information on real estate; Providing information relating to finance via a web site; Providing information relating to finance via a website; Providing information relating to precious stone appraisal; Providing information relating to real estate; Providing information relating to real estate appraisal; Providing information relating to securities underwriting; Providing information relating to the appraisal of precious stones; Providing information relating to the issuance of prepaid vouchers; Providing information relating to the issue of prepaid vouchers; Providing information relating to the leasing of land; Providing investment information; Providing investment savings plans; Providing investors with financial information; Providing music scholarships; Providing real estate information; Providing real estate information relating to property and land; Providing real estate listings and real estate information via a web site; Providing real estate listings and real estate information via a website; Providing real estate listings and real estate information via the internet; Providing science scholarships; Providing securities market information; Providing stock market information; Providing temporary office; Provision of financial information; Provision of financial information in the field of tourism; Provision of financial information relating to the finance industry involved in environmentally focused investments; Provision of financial information via a web site; Provision of financial information via a website; Provision of financial research services; Provision of funding for joint ventures; Provision of funds; Provision of funds for hire purchase and for leasing; Provision of funds for hire-purchase; Provision of funds for lease-purchase; Provision of information and data concerning stock exchanges; Provision of information on real estate; Provision of information relating to real estate; Provision of information relating to the issuance of prepaid vouchers; Provision of information relating to the issue of prepaid vouchers; Provision of investment information; Provision of investment savings plans; Provision of real estate information; Provision of stock market information; Provision of temporary office; Public housing services; Real estate appraisal; Real estate appraisal and providing information relating thereto; Real estate appraisal for tax purposes; Real estate appraisal services; Real estate appraisals; Real estate entrepreneur services; Real estate escrow services; Real estate financing; Real estate financing services; Real estate funds investment services; Real estate investment; Real estate investment services; Real estate investment services in the nature of purchasing and selling of real estate for others; Real estate investment trust services; Real estate lease renewal services; Real estate lease surrender services; Real estate lending services; Real estate listing services; Real estate multiple listing services; Real estate services; Real estate services relating to the purchase of real estate; Real estate services relating to the rental of real estate; Real estate services relating to the sale of real estate; Real estate services relating to the sale, purchase and leasing of real estate; Real estate syndication; Real estate trustee services; Real property reappraisal; Real property reappraisal services; Redemption of prepaid vouchers; Reimbursement payment processing; Rent payment services; Rental of counterfeit coin detectors; Rental of farms; Rental of flats; Rental of flats for residential use; Rental of houses; Rental of houses for residential use; Rental of offices; Rental of offices [real estate]; Rental of offices for co-working; Rental of pastures; Rental of real estate; Rental of real estate and property; Rental of real estate for residential use; Rental of residential housing; Rental of student housing; Rental payment services; Repurchase agreement services; Retirement payment services; Securing of funds; Securing of funds for the purchase of property; Securities lending; Securities underwriting; Sponsorship in the form of financial support; Stamp appraisal; Stock broking services; Stock exchange information; Stock exchange information services; Stock exchange quotation and listing services; Stock exchange quotation services; Stock exchange quotations; Stock exchange services; Stock market services; Stockbroking; Surety services; Tax payment processing services; Trust investment services; Trust services; Trustee services; Trusteeship; Trusteeship of land; Trusteeship of money; Trusteeship of money, securities, personal property and land; Trusteeship of personal property; Trusteeship of real estate property; Trusteeship of securities; Trusteeship services; Vehicle financing; Vehicle financing services; Viatical settlement services; Virtual money services; Wholesale lending services.

CLASS 38

Providing user access to a global computer network; Providing user access to information and information services available on the internet and on other computer networks; Providing user access to information on the internet; Providing user access to on-line sites containing information on a wide range of topics; Providing user access to online sites containing information on a wide range of topics; Providing user access to platforms on the internet; Providing user access to portals on the internet; Providing user access to search engines; Providing user access to the internet [service providers]; Providing virtual private network [vpn] services; Provision of virtual private network [vpn] services; Providing voice chat services; Providing voice communication services over the internet; Providing voice communication services via the internet; Provision of access to an electronic on-line network for retrieval of information; Provision of access to an electronic on-line network for information retrieval; Provision of access to an internet portal featuring video-on-demand programs; Provision of access to an internet portal featuring video-on-demand programmes; Provision of domestic pbx [private branch exchange] services; Provision of facilities for radio receiving and radio transmission; Provision of telecommunication access to audio content provided via the internet; Provision of telecommunication access to films and television programmes provided via a video-on-demand service; Provision of telecommunication access to television programmes provided via a video-on-demand service; Provision of telecommunication access to video and audio content; Providing telecommunication access to video and audio content; Provision of telecommunication access to video and audio content provided via an on-line video-on-demand service; Provision of telecommunication access to video and

audio content provided via an online video-on-demand service; Provision of telecommunication access to video content provided via the internet; Airport lounge services being the provision of internet chatrooms; Airport lounge services being the provision of user access to global computer networks; Airport lounge services being rental of access time to global computer networks; Airport lounge services being teleconferencing services; Audio, video and multimedia broadcasting via the internet and other communications networks; Automatic transfer of digital data using telecommunications channels; Communication via radio; Radio paging services; Radio-paging; Radio telecommunications; Radio, telephone and telegraph communication services; Radio, television and cable broadcasting services; Radio transmission; Radio transmission services; Rental of access time to a database server; Leasing of access time to a database server; Leasing access time to a database server; Rental of access time to computer databases; Rental of access time to a computer database; Rental of access time to global computer networks; Leasing of access time to global computer networks; Leasing access time to global computer networks; Rental of access time to information on computer networks; Leasing access time to information on computer networks; Rental of access time to internet service provider [isp]; Rental of answering machines; Rental of telephone answering apparatus; Rental of telephone answering machines; Rental of automatic answering machines; Rental of apparatus for transmitting images; Leasing of apparatus for transmitting images; Rental of television broadcasting equipment; Rental of equipment for broadcasting; Leasing of broadcasting equipment; Rental of broadcasting time by satellite; Rental of cellular phones; Rental of mobile telephones; Rental of cellular telephones; Rental of cell phones; Rental of mobile phones; Rental of communication apparatus and instruments; Leasing of communication apparatus and instruments; Rental of communications apparatus and instruments; Leasing of communications apparatus and instruments; Rental of communications apparatus; Rental of computer communication apparatus and instruments; Leasing of computer communication apparatus and instruments; Rental of data communication apparatus; Rental of data communications equipment; Rental of data communications installations; Rental of facsimile apparatus; Rental of fax machines; Leasing of facsimile apparatus; Rental of message sending apparatus; Leasing of message sending apparatus; Rental of message transmission apparatus; Leasing of message transmission apparatus; Rental of apparatus for the transmission of messages; Leasing of apparatus for the transmission of messages; Rental of modems; Leasing of modems; Rental of radio and television broadcasting equipment; Rental of equipment for radio and television broadcasting; Leasing of radio and television broadcasting equipment; Broadcasting of programs by satellite; Broadcasting of programmes via a global computer network; Broadcasting programs via a global computer network; Broadcasting of programs via the internet; Broadcasting of programmes via the internet; Broadcasting of radio and television programs; Broadcasting of radio and television programmes; Radio and television program broadcasting; Radio and television programme broadcasting; Broadcasting of radio and television programs by satellite; Broadcasting of radio and television programmes by satellite; Broadcasting of radio and television programs via cable or wireless networks; Broadcasting of radio and television programmes via cable or wireless networks; Broadcasting of radio programs; Broadcasting of radio programmes; Radio program broadcasting; Radio programme broadcasting; Broadcasting of teleshopping programs; Broadcasting of teleshopping programmes; Broadcasting teleshopping programs; Broadcasting teleshopping programmes; Television programme broadcasting; Broadcasting of television programs, motion picture films, and other audiovisual and multimedia content; Broadcasting of television programmes, motion picture films, and other audiovisual and multimedia content; Broadcasting of television programs, motion picture films, and other audiovisual and multimedia content via internet protocol and communication networks; Broadcasting of television programmes, motion picture films, and other audiovisual and multimedia content via internet protocol and communication networks; Broadcasting of television programs using video-on-demand and pay-per-view television services; Broadcasting of television programmes using video-on-demand and pay-per-view television services; Broadcasting of television programs via the internet; Broadcasting of television programmes via the internet; Broadcasting of video and audio content via the internet; Broadcasting of video and audio programming via the internet; Broadcasting of video and audio programming over the internet; Broadcasting of videocasts; Videocast broadcasting; Broadcasting services; Broadcasting; Broadcasting services and provision of telecommunication access to films and television programs provided via a video-on-demand service; Broadcasting services and provision of telecommunication access to films and television programmes provided via a video-on-demand service; Broadcasting services and provision of telecommunication access to video and audio content provided via a video-on-demand service via the internet; Broadcast transmission by satellite; Cable broadcasting and transmission; Cable broadcasting of radio and television programs; Cable broadcasting of radio and television programmes; Cablecasting services; Cablecasting; Rental of radio and television broadcasting facilities; Leasing of radio and television broadcasting facilities; Rental of radio broadcasting equipment; Rental of equipment for radio broadcasting; Leasing of radio broadcasting equipment; Rental of radio transmission apparatus; Rental of satellite broadcasting equipment; Satellite broadcasting equipment rental; Rental of satellite transmission capacity; Leasing of satellite transmission capacity; Rental of smartphones; Rental of smartwatches; Rental of telecommunication apparatus and installations; Leasing of telecommunication apparatus and installations; Leasing of telecommunications apparatus and installations; Rental of telecommunication devices and equipment enabling connection to networks; Leasing of telecommunication devices and equipment enabling connection to networks; Rental of telecommunication equipment; Rental of equipment for telecommunications; Rental of telecommunications equipment; Rental of telecommunications apparatus; Leasing of telecommunication equipment; Leasing of

telecommunications equipment; Rental of telecommunication equipment, including telephones and facsimile apparatus; Leasing of telecommunication equipment, including telephones and facsimile apparatus; Rental of telecommunications installations; Rental of telecommunication facilities; Rental of telecommunications facilities; Rental of telecommunication installations; Rental of telecommunications lines; Leasing of telecommunications lines; Rental of telecommunication lines; Leasing of telecommunication lines; Rental of telephone apparatus; Rental of telephone booths; Leasing of telephone booths; Rental of telephones; Telephone rental services; Telephone rental; Leasing of telephones; Rental of telephone sets, facsimile and other communication equipment; Leasing of telephone sets, facsimile and other communication equipment; Rental of teleprocessing and computer communication apparatus and instruments; Leasing of teleprocessing and computer communication apparatus and instruments; Rental of equipment for television broadcasting; Leasing of television broadcasting equipment; Rental of video conferencing equipment; Leasing of video conferencing equipment; Rental of video conferencing facilities; Leasing of video conferencing facilities; Satellite and cable broadcasting; Satellite and cable broadcasting services; Cable and satellite broadcasting services; Satellite broadcasting services; Satellite broadcasting services relating to business; Satellite broadcasting services relating to entertainment; Cable casting; Cable casting services; Cable radio broadcasting; Cable radio broadcasting services; Cable radio transmission; Cable radio transmission services; Cable television broadcasting; Cable television broadcasting services; Cable television broadcast services; Cable television broadcasting information; Cable television transmission; Cable television transmission services; Cable transmission of sounds, images, signals and data; Chatroom services for social networking; Chat room services for social networking; Collection and transmission of electronic messages; Communication by electronic mail systems; Communication by e-mail systems; Communication by email systems; Communication by electronic means; Communication of data by electronic mail; Data communication by electronic mail; Data communication by e-mail; Data communication by email; Communication of information by computer; Communications by cellular phones; Communications by cellular telephones; Communications by mobile telephones; Communications by mobile phones; Communications by cell phones; Communications by computer; Communications by computer and internet access provider services; Communications by computer and providing access to the internet; Communications by computer and providing internet access; Communications by computer and provision of access to the internet; Communications by computer terminals; Communications by facsimile; Communications by fibre optic networks; Communications by fiber optic networks; Communications by optical fiber networks; Communications by optical fibre networks; Communications by or between computers and computer terminals; Communications by satellite; Satellite communication services; Satellite communication; Communications by telegrams; Communications by telegraph; Communications by telephone; Telephone communications; Telephone communication services; Communication services for the electronic transmission of voices; Communications services for accessing a database; Communications services provided over the internet; Communications via analog and digital computer terminals; Communications via analogue and digital computer terminals; Communications via multinational telecommunication networks; Communication via computer terminals, by digital transmission or by satellite; Communication via interactive voice response [ivr]; Communication via interactive voice response; Communication via radio, telegraph, telephone and television transmissions; Communication via virtual private networks [vpn]; Communication via virtual private networks; Computer aided transmission of data; Computer aided transmission of images; Computer aided transmission of information; Computer aided transmission of information and images; Computer aided transmission of messages; Image and message transmission by means of computers; Computer aided transmission of messages, data and images; Computer communications services for the transmission of information; Computer intercommunication; Computerised data communications; Computerized communication services; Computerised communication services; Computer network access services provided by means of a metro ethernet; Computer network access services by means of a metro ethernet; Computer network communication services; Communication services via computer networks; Communication services over computer networks; Computer telephony services; Computerised telephony services; Computerized telephony services; Consultancy, information and advisory services in the field of telecommunications; Consultancy in the field of communications; Consulting services in the field of communications; Consultancy services in the field of communications; Consultancy in the field of data communications; Consultancy services in the field of data communications; Consultancy in the field of telecommunications; Consultancy services in the field of telecommunications; Consultancy relating to data communications; Consultancy services relating to data communications; Consultancy relating to data communications via internet; Consultancy services relating to data communications via internet; Consultancy relating to telecommunications; Consultancy services relating to telecommunications; Consultancy relating to telecommunications via internet; Consultancy services relating to telecommunications via internet; Consultancy services in the field of electronic communications; Consulting services in the field of electronic communications; Datacasting; Data casting; Data broadcasting; Data broadcasting services; Data casting services; Datacasting services; Data transmission and reception services via telecommunication means; Data transmission and telecommunication services; Data transmission between networked computer systems; Data transmission for others; Data transmission via telecommunication networks; Data transmission services over telecommunications networks; Data transmission via telecommunications networks; Data transmission via telematic networks; Delivery of digital music by electronic transmission; Delivery of digital music by telecommunications; Delivery of messages by electronic transmission; Delivery of personalized greeting cards to others via electronic mail; Delivery of personalised greeting cards to

others via electronic mail; Delivery of personalized greeting cards to others via e-mail; Delivery of personalized greeting cards to others via email; Digital audio broadcasting; Digital communications services; Digital data transfer; Digital data transfer services; Digital television broadcasting by satellite; Digital text messaging; Digital text messaging services; Digital transmission of data; Digital transmission of data via the internet; Digital transmission of images; Digital transmission of messages; Digital transmission services; Digital transmission services for audio and video data; Electronic and digital transmission of voice, data, images, signals and messages; Electronic bulletin board services [telecommunications services]; Electronic communication by means of chatrooms, chat lines and internet forums; Electronic communication by means of chat rooms, chat lines and internet forums; Electronic communications services; Electronic communication services; Electronic communication; Electronic communications services and providing access to the internet; Electronic communications services and provision of access to the internet; Electronic communications services and providing internet access; Electronic communications services for the transmission of data; Electronic data interchange services; Electronic data interchange; Electronic data exchange services; Electronic delivery of documents; Electronic delivery of images and photographs via a global computer network; Electronic delivery of loan documents; Electronic exchange of data stored in databases accessible via telecommunication networks; Electronic exchange of messages via chat lines, chatrooms and internet forums; Electronic exchange of messages via chat lines, chat rooms and internet forums; Electronic exchange of messages using chat lines, chatrooms and internet forums; Electronic exchange of messages using chat lines, chat rooms and internet forums; Electronic instructions transmission services; Electronic mail and facsimile transmission services; E-mail and facsimile transmission services; Email and facsimile transmission services; Electronic mail and mailbox services; E-mail and mailbox services; Electronic mail and messaging services; E-mail and messaging services; Email and messaging services; E-mail data services; Email data services; Electronic mail forwarding services; Email forwarding services; E-mail forwarding services; Electronic mail services; E-mail services; Email services; Electronic mailing services; Electronic mailing; Electronic messaging; Electronic messaging services; Electronic order transmission; Electronic order transmission services; Electronic order transmission for florists; Electronic store-and-forward messaging; Electronic store-and-forward messaging services; Electronic transfer of data; Electronic transmission and retransmission of sounds, images, documents, messages and data; Electronic transmission and streaming of digital media content for others via global and local computer networks; Electronic transmission of audio, video and other data and documents among computers; Electronic transmission of audio, video and other data and documents via a peer-to-peer network; Electronic transmission of computer programmes via the internet; Electronic transmission of computer programs via the internet; Electronic transmission of data; Electronic transmission of data and documents; Electronic transmission of data and documents among computer users; Electronic transmission of data and documents among users of computers; Electronic transmission of data and documents via computer terminals; Electronic transmission of data and documents via computer terminals and electronic devices; Electronic transmission of data and documents via electronic devices; Electronic transmission of digital photo files among internet users; Electronic transmission of digital photo files via a peer-to-peer network; Electronic transmission of documents; Electronic transmission of encrypted data; Electronic transmission of facsimile communications; Electronic transmission of facsimile communications and data featuring encryption and decryption; Electronic transmission of images; Electronic transmission of images and photographs via a global computer network; Electronic transmission of images, photographs, graphic images and illustrations over a global computer network; Transmission of information by electronic means; Electronic transmission of instant messages; Electronic transmission of instant messages and data; Electronic transmission of mail and messages; Electronic transmission of messages; Transmission of messages by electronic means; Electronic transmission of messages and data; Electronic transmission of news; Electronic transmission of photographs; Electronic transmission of sound; Transmission of sound by electronic means; Electronic transmission of sound, images and other data and information of all kinds; Electronic transmission of sound, images and other data and information of all kinds via the internet; Encrypted electronic transmission and delivery of recovered data; Fiber optic telecommunications services; Fibre optic telecommunications services; Fixed line and mobile telephony services; Fixed and mobile telephony services; Forwarding messages of all kinds to internet addresses [web messaging]; Forwarding of messages of all kinds to internet addresses [web messaging]; Geolocation services being telecommunications services; Geolocation services [telecommunications services]; High bit-rate data transmission services for telecommunication network operators; Hosted private branch exchange [pbx] services; Hosted pbx services; Information services relating to data communications; Information services relating to telecommunications; Information transmission via electronic communications networks; Information transmission via telematic networks; Instant messaging services; Instant messaging; Providing instant messaging services; Integrated services digital network [isdn] services; Isdn services; Interactive broadcasting; Interactive broadcasting services; Interactive communication services; Interactive delivery of video via digital networks; Interactive transmission of video via digital networks; Interactive transmission of video over digital networks; Interactive videotext services; International telephony services; International telephone services; Internet access provider services; Internet and digital transmission services for audio, video, or graphical data; Internet and intranet communication and access services; Internet communication; Internet communication services; Internet protocol broadcasting; Internet protocol television [iptv] transmission services; Internet radio broadcasting; Internet radio broadcasting services; Internet service provider [isp] services; Internet service provider services; Isp services; Internet telephony services; Line hunting services; Call hunting services; Long distance telephone

communication services; Long distance telephone communications services; Long distance telephone services; Message sending; Transmission of messages; Message sending services; Message transmission; Message transmission services; Missed call notification services; Mobile communication services; Mobile communications services; Mobile media services in the nature of electronic transmission of entertainment media content; Mobile radio communication; Mobile radio communication services; Mobile radio telephony services; Mobile radio telephone services; Mobile telephone services; Cell phone services; Cellular phone services; Mobile phone services; Cellular telephone services; Cellular telephony services; Multimedia broadcasting via the internet; Multimedia broadcasting via the internet and other communications networks; Multimedia messaging services [mms]; Multimedia messaging services; Netcasting [broadcasting over a global computer network]; Network conferencing services; Network transmission of sounds, images, signals and data; News agency services; Press agency services; News agencies; News agency services for electronic transmission; News agency services in the field of law; News agency services in the field of legal news; News agency services relating to political issues; Numeric messaging; Numeric messaging services; On call notification services; Online chatroom services for social networking; Online chat room services for social networking; On-line document delivery via a global computer network; Online document delivery via a global computer network; On-line message sending services; Online message sending services; Operation of radio broadcasting equipment; Operation of telecommunications equipment; Operation of television broadcasting equipment; Pager services; Paging services; Paging services [radio, telephone or other means of electronic communication]; Paging services by radio, telephone or other electronic communications systems; Pay-per-view television transmission services; Podcast broadcasting; Podcast broadcasting services; Broadcasting of podcasts; Prepaid local and long distance telephone services; Prepaid local telephone services; Prepaid long distance telephone services; Private branch exchange [pbx] dialing services; Pbx dialing services; Providing access and rental of access time to a computer database; Providing access to and rental of access time to a computer database; Providing access to and leasing of access time to a computer database; Provision and rental of access time to computer databases; Provision and rental of access time to databases; Provision and rental of access time to data banks; Providing access time to internet service provider [isp]; Providing access to a blog, chatroom, bulletin board or discussion service; Providing access to a blog, chat room, bulletin board or discussion service; Providing access to a global computer network; Provision of access to a global computer network; Provision of access to a worldwide computer network; Providing access to a worldwide computer network; Providing access to an audio sharing portal; Provision of access to an audio sharing portal; Providing access to and rental of access time to computer networks; Provision of access to and rental of access time to computer networks; Providing access to an electronic marketplace [portal] on computer networks; Provision of access to an electronic marketplace [portal] on computer networks; Providing access to an internet discussion web site; Provision of access to a photo sharing and video sharing portal; Providing access to a photo sharing portal; Provision of access to a photo sharing portal; Providing access to a video sharing portal; Provision of access to a video sharing portal; Providing access to a web, mail and news portal; Providing access to blockchain networks; Provision of access to blockchain networks; Providing access to bulletin boards; Providing access to chat lines, chatrooms and forums on the internet, including mobile internet; Providing access to chat lines, chatrooms and forums on the internet, including on mobile internet; Providing access to chat lines, chat rooms and forums on the internet, including on mobile internet; Providing access to chat lines, chat rooms and forums on the internet, including on mobile internet; Providing access to chat lines, chatrooms and forums via mobile internet; Providing access to chat lines, chat rooms and forums via mobile internet; Providing access to chat lines, chat rooms and forums via the internet; Providing access to chat lines, chat rooms and forums via the internet; Providing access to chatrooms; Providing access to chat rooms; Providing access to computer, electronic and online databases; Providing access to computer networks; Providing access to computer programs on data networks; Providing access to computer programmes on data networks; Providing access to content, websites and portals; Provision of access to content, websites and portals; Providing access to content, web sites and portals; Provision of access to content, web sites and portals; Providing access to data and information on the internet; Providing access to databases; Provision of access to databases; Providing access to computer databases; Providing access to a computer database; Provision of access to computer databases; Providing access to databases and information via global computer networks; Providing access to databases on computer networks; Providing access to databases on the internet; Providing access to internet databases; Providing access to data on communications networks; Provision of access to data on communication networks; Providing access to data on communication networks; Providing access to data on computer networks; Providing access to data or documents stored electronically in central files for remote consultation; Provision of access to data or documents stored electronically in central files for remote consultation; Providing access to data via the internet; Provision of access to data via the internet; Providing access to digital music websites on the internet; Provision of access to digital music websites on the internet; Providing access to digital music web sites on the internet; Provision of access to digital music web sites on the internet; Providing access to e-commerce platforms on the internet; Provision of access to e-commerce platforms on the internet; Providing access to electronic communications networks; Providing access to electronic communication networks; Providing access to electronic communications networks, to the internet and to extranets; Providing access to electronic databases; Providing access to electronic information, communication and transaction platforms on the internet; Providing access to electronic publications; Providing access to electronic shops [telecommunications]; Providing access to electronic sites; Providing access to information on the internet; Provision of

access to information on the internet; Providing access to information via data networks; Providing access to information via the internet; Providing access to internet chatrooms; Providing access to internet chat rooms; Providing access to internet forums; Providing access to internet platforms for the purpose of exchanging digital photographs; Provision of access to internet platforms for the purpose of exchanging digital photographs; Providing access to mobile internet platforms; Providing access to mobile internet portals; Providing access to multimedia content on-line; Providing access to multimedia content online; Providing access to on-line chat lines; Providing access to online chat lines; Providing access to on-line chatrooms; Providing access to online chatrooms; Providing access to on-line chat rooms; Providing access to online chat rooms; Providing access to online computer databases; Providing access to online databases; Providing access to on-line forums; Providing access to online forums; Providing access to platforms and portals on the internet; Providing access to internet platforms and portals; Providing access to platforms on the internet; Providing access to internet platforms; Provision of access to internet platforms; Providing access to platforms on the internet, as well as on the mobile internet; Providing access to portals on the internet; Providing access to internet portals; Provision of access to internet portals; Providing access to portals on the internet, as well as on the mobile internet; Providing access to telecommunication channels for teleshopping services; Provision of access to telecommunication channels for teleshopping services; Providing access to telecommunication networks; Providing access to telecommunications networks; Providing access to the internet; Provision of access to the internet; Providing access to web portals; Providing access to web sites on the internet or any other communications network; Providing access to websites on the internet or any other communications network; Providing access via data networks to software for internet access; Providing and rental of telecommunication installations and equipment; Providing and rental of telecommunications installations and equipment; Provision of and rental of telecommunication installations and equipment; Provision of and rental of telecommunications installations and equipment; Providing an interactive on-line forum for people affected by cancer; Providing an interactive online forum for people affected by cancer; Providing chatroom or discussion services on-line; Providing chat room or discussion services on-line; Providing chatrooms in virtual environments; Providing chat rooms in virtual environments; Provision of chatrooms in virtual environments; Providing email and instant messaging services; Providing e-mail and instant messaging services; Providing electronic mail services; Providing email services; Providing e-mail services; Provision of email services; Provision of e-mail services; Provision of electronic mail services; Providing electronic telecommunications connections; Providing electronic telecommunication connections; Providing electronic transmission of credit card transaction data and electronic payment data via a global computer network; Providing e-mail fax services; Providing e-mail notification alerts of rating changes that affect financial portfolios; Providing facilities and equipment for telepresence conferencing; Providing facilities and equipment for video conferencing; Providing frame relay connectivity services for data transfer; Providing high speed access to a global computer information network; Providing high speed access to area networks; Providing high speed access to area networks and a global computer information network; Providing information about cable television broadcasting; Providing information about radio broadcasting; Providing information about television broadcasting; Providing information about television broadcasting, cable television broadcasting and radio broadcasting; Providing information about wireless communication; Providing information in the field of telecommunications; Information about telecommunications; Information about telecommunication; Provision of information in the field of telecommunications; Providing internet access via fiber optic broadband networks; Providing internet access via optical fiber broadband networks; Providing internet access via optical fibre broadband networks; Providing internet access via fibre optic broadband networks; Providing internet access via wireless broadband networks; Providing internet chat lines; Providing internet chatrooms; Providing chat rooms on the internet; Providing internet chat rooms; Providing of internet chat rooms; Provision of internet chat rooms; Provision of internet chatrooms; Providing internet chatrooms and forums; Providing internet chatrooms and internet forums; Providing internet chat rooms and internet forums; Providing internet chat rooms and forums; Providing internet chatrooms and online forums; Providing internet chatrooms and on-line forums; Provision of internet chatrooms and online forums; Provision of internet chatrooms and on-line forums; Providing internet connections; Provision of internet connections; Providing internet forums; Provision of internet forums; Providing long distance telecommunications services; Providing long distance telecommunication services; Providing multiple-user access to a global computer information network; Providing multiple-user access to a global computer network; Providing multiple-user access to global computer information networks for the transfer and dissemination of a wide range of information; Providing multiple-user access to proprietary collections of information by means of global computer information networks; Providing multiple-user dial-up and dedicated access to the internet; Providing multiple-user wireless access to the internet; Providing on-demand access to computer programs on data networks; Providing on-demand access to computer programmes on data networks; Providing on-line access to data; Providing online access to data; Providing on-line access to databases; Providing on-line access to computer databases; Providing online access to computer databases; Providing on-line chatrooms and electronic bulletin boards for transmission of messages among computer users; Providing on-line chat rooms and electronic bulletin boards for transmission of messages among computer users; Providing online chatrooms and electronic bulletin boards for transmission of messages among computer users; Providing on-line chatrooms and electronic bulletin boards for transmission of messages among users in the field of general interest; Providing on-line chat rooms and electronic bulletin boards for transmission of messages among users in the field of

general interest; Providing online chat rooms and electronic bulletin boards for transmission of messages among users in the field of general interest; Providing online chatrooms and electronic bulletin boards for transmission of messages among users in the field of general interest; Providing online chatroom services; Providing online chat room services; Providing on-line chatroom services; Providing on-line chat room services; Providing online chatrooms for social networking; Provision of on-line chatrooms for social networking; Provision of online chatrooms for social networking; Provision of online chat rooms for social networking; Provision of on-line chat rooms for social networking; Providing on-line chatrooms for the transmission of messages, comments and multimedia content among users; Providing on-line chat rooms for the transmission of messages, comments and multimedia content among users; Providing online chatrooms for the transmission of messages, comments and multimedia content among users; Providing on-line chatrooms for transmission of messages among computer users; Providing on-line chat rooms for transmission of messages among computer users; Providing online chatrooms for transmission of messages among computer users; Providing online chat rooms for transmission of messages among computer users; Providing on-line communications links which transfer the web site user to other local and global web pages; Providing on-line communications links which transfer the website user to other local and global web pages; Providing online communications links which transfer the web site user to other local and global web pages; Providing online communications links which transfer the website user to other local and global web pages; Providing on-line discussion services; Providing online discussion services; Providing on-line electronic bulletin boards for transmission of messages among computer users; Providing online electronic bulletin boards for transmission of messages among computer users; Providing on-line facilities for real-time interaction with other computer users; Providing online facilities for real-time interaction with other computer users; Providing on-line facsimile transmission services; Providing online facsimile transmission services; Providing online forums; Providing on-line forums; Provision of online forums; Provision of on-line forums; Providing online forums for the transmission of messages, comments and multimedia content among users; Providing on-line forums for the transmission of messages, comments and multimedia content among users; Providing online forums for transmission of messages among computer users; Providing on-line forums for transmission of messages among computer users; Providing on-line listservers for transmission of messages among computer users; Providing online listservers for transmission of messages among computer users; Providing on-line virtual reality-based forums for work collaboration; Provision of on-line virtual reality-based forums for work collaboration; Providing private and secure real-time electronic communication over a computer network; Providing radio and cellular communication services; Providing radio and cellular communication services for charitable purposes; Providing remote internet access; Providing telecommunication access to television programmes provided via an on-demand service; Provision of telecommunication access to television programmes provided via an on-demand service; Providing telecommunication access to television programs provided via an on-demand service; Provision of telecommunication access to television programs provided via an on-demand service; Providing telecommunication access to television programmes provided via a video-on-demand service; Provision of telecommunication access to television programs provided via a video-on-demand service; Providing telecommunication access to television programs provided via a video-on-demand service; Provision of telecommunication access to films and television programs provided via a video-on-demand service; Airport lounge services being computer aided transmission of messages and images; Airport lounge services being facsimile transmission; Airport lounge services being fax services; Airport lounge services being paging services [radio, telephone or other means of electronic communication]; Airport lounge services being providing internet chatrooms; Providing telecommunication channels for teleshopping services; Provision of telecommunications channels for teleshopping services; Provision of telecommunication channels for teleshopping services; Providing telecommunications access to computer databases; Provision of telecommunications access to computer databases; Providing telecommunication access to computer databases; Providing telecommunications access to the internet; Provision of telecommunications access to the internet; Providing telecommunication access to the internet; Provision of telecommunication access to the internet; Providing telecommunications connections to a global communication network or databases; Providing telecommunications connections to a global computer network; Provision of telecommunication connections to a global computer network; Providing telecommunication connections to computer databases; Provision of telecommunication connections to computer databases; Provision of telecommunications connections to computer databases; Providing telecommunications connections to databases; Providing telecommunication connections to the internet; Provision of telecommunication connections to the internet; Providing telecommunications connections to the internet in a cafe environment; Providing telecommunications connections to the internet or computer databases; Provision of telecommunications connections to the internet or computer databases; Providing telecommunications connections to the internet or databases; Provision of telecommunications connections to the internet or databases; Providing telecommunication connections to the internet or databases; Provision of telecommunication connections to the internet or databases; Providing telecommunication services for e-commerce platforms on the internet and other electronic media; Providing telephone conferencing services; Providing television broadcasting information via a web site; Providing television broadcasting information via a website; Providing third party users with access to telecommunications infrastructure;

Providing third party users with access to telecommunication infrastructure; Providing user access to a global computer network and on-line sites containing information on a wide range of topics; Providing user access to a global computer network and online sites containing information on a wide range of topics; Providing user access to computer programs on data networks; Providing user access to computer programmes on data networks; Satellite, cable and network transmission of sounds, images, signals and data; Satellite television broadcasting; Satellite television broadcasting services; Satellite transmission; Satellite transmission services; Satellite transmission and television broadcasting services; Satellite transmission of data; Transmission of data by satellite; Transmission of data via satellite; Satellite transmission of messages; Satellite transmission of messages and data; Satellite transmission of messages and data for navigation by air; Satellite transmission of signals; Satellite transmission of sounds and images; Transmission of sound and images by satellite; Transmission of sound and images via satellite; Sound and picture transmission via satellite; Satellite transmission of sounds, images, signals and data; Satellite transmission services, television and radio broadcasting services; Secure electronic mail services; Secure email services; Sending and receiving of electronic messages; Sending of electronic messages via web sites; Sending of electronic messages via websites; Sending of messages via a web site; Sending of messages via a website; Sending of telegrams; Sending, receiving and forwarding of electronic messages; Sending [transmission] of news; Short message services [sms]; Short message services; Simulcasting broadcast television over global communication networks, the internet and wireless networks; Streaming of audio; Audio streaming services; Audio streaming; Streaming of audio and video material on the internet; Streaming audio and video material on the internet; Streaming of audio material on the internet; Streaming audio material on the internet; Streaming of audio, visual and audiovisual material via a global computer network; Streaming of data; Data streaming; Streaming of photos; Photo streaming; Streaming of video; Video streaming services; Video streaming; Streaming of video and audio; Video and audio streaming services; Streaming of video material on the internet; Streaming video material on the internet; Subscription television broadcasting; Subscription television broadcasting services; Telecommunication access services to computer databases; Telecommunication connection service to the internet; Telecommunications; Telecommunications services; Telecommunication services; Telecommunications access services; Telecommunication access services; Telecommunications and communications services; Telecommunication and communication services; Telecommunications consultancy services; Telecommunications consultation; Telecommunications gateway services; Telecommunication gateway services; Telecommunications routing and junction services; Telecommunications services for providing multiple-user access to a global computer network; Telecommunications services provided via fiber optic, wireless and cable networks; Telecommunications services provided via fibre optic, wireless and cable networks; Telecommunications services provided via internet platforms and portals; Telecommunication services provided via internet platforms and portals; Telecommunication services provided via internet platforms and internet portals; Telecommunications services provided via platforms and portals on the internet and other media; Telecommunication services provided via platforms and portals on the internet and other media; Telecommunications services provided via the internet, intranet and extranet; Telecommunications services via digital networks; Telecommunication services via digital networks; Telecommunications services through digital networks; Telecommunication services through digital networks; Teleconferencing and video conferencing services; Teleconferencing and videoconferencing services; Teleconferencing services; Teleconferencing; Telegraph services; Wire service; Telematic communications services; Telematic communication services; Telematic communications via computer terminals; Telematic services; Telephone and mobile telephone services; Telephone and cell phone services; Telephone and cellular phone services; Telephone and mobile phone services; Telephone and cellular telephone services; Telephony and mobile telephone services; Telephony and cell phone services; Telephony and cellular phone services; Telephony and mobile phone services; Telephony and cellular telephone services; Telephony and mobile telephony services; Telephony and cellular telephony services; Telephone communication services provided for hotlines and call centers; Telephone communication services provided for hotlines and call centres; Telephone exchange services being telecommunications routing and junction services; Telephone paging services; Telephone services; Telephony services; Telephone telecommunications services provided via prepaid telephone calling cards; Telephone voice messaging services; Telephone voice messaging; Telepresence conferencing services; Teleprinting services; Teleprinting; Teletyping services; Teletyping; Teletypewriting services; Teletypewriting; Teletext and interactive broadcasting services; Teletext services; Television broadcasting; Television broadcasting services; Television broadcasting information; Television broadcasting services for cellular phones; Television broadcasting services for mobile telephones; Television broadcasting services for mobile phones; Television broadcasting services for cellular telephones; Television broadcasting services for cell phones; Television streaming services; Television transmission; Television transmission services; Telex services; Telex transmission; Telex transmission services; Transmission of telexes; Text and numeric wireless digital messaging services; Text messaging services; Ticker tape services; Transfer and dissemination of information and data via computer networks and the internet; Transferring and disseminating information and data via computer networks and the internet; Transfer of data by telecommunications; Transfer of data via on-line services; Transfer of data via online services; Transfer of data via the internet; Transfer of electronic data; Transfer of information and data via computer networks; Transfer of information and data via computer networks and the internet; Transferring information and data via computer networks and the internet; Transfer of information and data via on-line services; Transfer of information and data via online services; Transfer of information and data via

online services and the internet; Transfer of information and data via on-line services and the internet; Transfer of information and data via the internet; Transfer of information via computer networks; Transfer of information via on-line services; Transfer of information via online services; Transfer of information via the internet; Transmission and distribution of data or audiovisual images via a global computer network or the internet; Transmission and distribution of data via a global computer network; Transmission and reception of database information via telecommunication networks; Transmission and reception of database information via telecommunications networks; Transmission, broadcasting and reception of audio, still and moving images, text and data by computer; Transmission, broadcasting and reception of audio, still and moving images, text and data via computer networks; Transmission, broadcasting and reception of audio, video, still and moving images, text and data; Transmission, broadcasting and reception of audio, video, still and moving images, text and data in real time; Transmission of advertising programs and media advertising communications via digital communications networks; Transmission of advertising programmes and media advertising communications via digital communications networks; Transmission of audio and video content by satellite; Transmission of audio and video content via satellite; Transmission of audio and video content via cable; Transmission of audio and video content via computer networks; Information technology support services [installation, maintenance and repair of software]; Information technology [IT] support services [installation of software]; Information technology support services [installation of software]; Information technology support services [maintenance of software]; Information technology [IT] support services [repair of software]; Information technology support services [repair of software]; Information technology [IT] support services [troubleshooting of software]; Information technology restoration services in the field data and applications; Information technology services provided on an outsourcing basis relating to the installation, maintenance and repair of software; Outsourced IT services relating to the installation, maintenance and repair of software; Infrastructure as a service [IaaS]; Providing non-downloadable computer software for implementing a computer programming language in the field of machine learning; Providing non-downloadable computer software for performing numerical computation using data flow graphs; Providing non-downloadable computer software for performing numerical computation using data flow graphs in the field of artificial intelligence; Providing non-downloadable computer software for performing numerical computation using data flow graphs in the field of deep learning; Providing non-downloadable computer software for performing numerical computation using data flow graphs in the field of high performance computing; Providing non-downloadable computer software for performing numerical computation using data flow graphs in the field of machine learning; Providing non-downloadable computer software for use in communications between computers; Providing non-downloadable computer software for use in communications between computers in the field of artificial intelligence; Providing non-downloadable computer software for use in communications between computers in the field of deep learning; Providing non-downloadable computer software for use in communications between computers in the field of high performance computing; Providing non-downloadable computer software for use in communications between computers in the field of machine learning; Providing non-downloadable computer software for use in converting user-defined data from one computer format to another; Providing non-downloadable computer software for use in converting user-defined data from one computer format to another in the field of artificial intelligence; Providing non-downloadable computer software for use in converting user-defined data from one computer format to another in the field of deep learning; Providing non-downloadable computer software for use in converting user-defined data from one computer format to another in the field of high performance computing; Providing non-downloadable computer software for use in converting user-defined data from one computer format to another in the field of machine learning; Providing non-downloadable computer software for use in graphics display; Providing non-downloadable computer software for use in graphics display in the field of artificial intelligence; Providing non-downloadable computer software for use in graphics display in the field of deep learning; Providing non-downloadable computer software for use in graphics display in the field of high performance computing; Providing non-downloadable computer software for use in graphics display in the field of machine learning; Providing non-downloadable computer software for use in input/output communications between computers and users; Providing non-downloadable computer software for use in input/output communications between computers and users in the field of artificial intelligence; Providing non-downloadable computer software for use in input/output communications between computers and users in the field of deep learning; Providing non-downloadable computer software for use in input/output communications between computers and users in the field of high performance computing; Research, design and development of information and communications technology; Research, design and development of software for communication systems; Research, design and development of software for data management; Research, design and development of software for managing data; Research, design and development services relating to communication systems; Research, design and development services relating to computer programs; Research, design and development services relating to computers; Research, design and development services relating to computer systems; Research, design and development services relating to network interfaces; Research, design and

development services relating to software application solutions; Research, development, analysis and consultancy services in the field of engineering; Research, development and design of computer software; Research, development, design and updating of computer programs; Research, development, design and updating of computer software; Research, development, design and upgrading of computer programs; Research, development, design and upgrading of computer software; Research, development, design and upgrading of software; Research in the field of communications technology; Research in the field of computer hardware; Research services in the field of computer hardware and software; Research in the field of computer hardware and software; Research services in the field of computer hardware and software; Research in the field of computer programs and software; Research in the field of computer programmes and software; Research in the field of computers; Research in the field of computer security; Research in the field of computer software; Computer software research; Software research; Research in the field of computer technology conducted using databases and the Internet; Research in the field of cybersecurity; Research in the field of data processing; Design of computers and computer software for commercial analysis and reporting; Computer-simulated model design services; Design of computer-simulated models for 3D printing; Computer-simulated model design for 3D printing; Computer-simulated model design services for 3D printing; Design of computer software and systems; Design of computer software, computer firmware, computer hardware and computer systems; Design of computer software for controlling self-service terminals; Designing computer software for controlling self-service terminals; Design of computer software for data processing; Design of data processing software; Design of computer software for word processing; Design of word processing software; Design of consumer products; Consumer product design; Consumer product design services; Designing of data processing systems; Design services relating to data processing systems; Data processing system design; Design of data storage systems; Design of face recognition software; Design of facial recognition software; Design of home pages; Design of homepages; Homepage design; Homepage design services; Home page design; Home page design services; Design of homepages and Internet pages; Design of home pages and Internet pages; Design of homepages and web pages; Design of home pages and web pages; Homepage and webpage design; Design of homepages and websites; Design of homepages and web sites; Design of home pages and websites; Design of home pages and web sites; Design of homepages, computer software and websites; Design of homepages, computer software and web sites; Design of home pages, computer software and web sites; Installation and customization of computer applications software; Installation and customisation of computer applications software; Installation and customization of computer software applications; Installation and customisation of computer software applications; Installation and maintenance of computer programs; Installation and maintenance of computer software; Installation and maintenance of software; Maintenance and installation of software; Maintenance and installation of computer software; Software installation and maintenance; Computer software installation and maintenance; Installation and maintenance of software for Internet access; Installation and maintenance of Internet access software; Installation, maintenance and repair of computer programs; Installation, maintenance and repair of computer software; Installation, maintenance and repair of software; Installation, maintenance and repair of software for computer systems; Installation, maintenance and updating of computer programs; Installation, maintenance and updating of computer software; Installation, maintenance and updating of software; Installation, maintenance and updating of database software; Installation, maintenance, repair and servicing of computer programs; Installation, maintenance, repair and servicing of computer software; Installation, maintenance, repair and servicing of software; Installation, maintenance, updating and upgrading of computer software; Installation of computer programs; Installation of computer programmes; Installation of computer software; Computer software installation; Installation of software; Installation of database software; Installation of firmware; Installation of middleware [software]; Installation of software for computer systems; Installation of software for Internet access; Installation of Internet access software; Installation, repair and maintenance of computer programs; Installation, repair and maintenance of computer software; Installation, repair and maintenance of software; Installation, repair and maintenance of firmware; Firmware installation, repair and maintenance; Installation, repair and maintenance of middleware [software]; Installation, repair, maintenance and updating of computer software; Installation, updating and maintenance of computer programs; Installation, updating and maintenance of computer software; Installation, updating and maintenance of software; Providing non-downloadable computer software for use in input/output communications between computers and users in the field of machine learning; Providing non-downloadable computer software for use in manipulation of collections of user-defined data; Providing non-downloadable computer software for use in manipulation of collections of user-defined data in the field of artificial intelligence; Providing non-downloadable computer software for use in manipulation of collections of user-defined data in the field of deep learning; Providing non-downloadable computer software for use in manipulation of collections of user-defined data in the field of high performance computing; Providing non-downloadable computer software for use in manipulation of collections of user-defined data in the field of machine learning; Providing non-downloadable computer software for use in modeling in the field of artificial intelligence; Providing non-downloadable computer software for use in modeling in the field of deep learning; Providing non-downloadable computer software for use in modeling in the field of high performance computing; Providing non-downloadable computer software for use in modeling in the field of machine learning; Providing non-downloadable computer software for use in testing; Providing non-downloadable computer software for use in testing in the field of artificial intelligence; Providing non-downloadable computer software for use in testing in the field of deep learning; Providing non-

downloadable computer software for use in testing in the field of high performance computing; Providing non-downloadable computer software for use in testing in the field of machine learning; Providing non-downloadable computer software libraries for use in general purpose computation of large datasets; Providing non-downloadable computer software libraries for use in general purpose computation of large datasets in the field of artificial intelligence; Providing non-downloadable computer software libraries for use in general purpose computation of large datasets in the field of deep learning; Providing non-downloadable computer software libraries for use in general purpose computation of large datasets in the field of high performance computing; Providing non-downloadable computer software libraries for use in general purpose computation of large datasets in the field of machine learning; Providing non-downloadable gambling software; Provision of non-downloadable gambling software; Providing non-downloadable gambling software applications for use with mobile computers; Provision of non-downloadable gambling software applications for use with mobile computers; Providing non-downloadable game software applications for use with mobile computers; Provision of non-downloadable game software applications for use with mobile computers; Providing non-downloadable game software applications for use with mobile telephones; Providing non-downloadable game software applications for use with cellular phones; Providing non-downloadable game software applications for use with cell phones; Research in the field of information technology; Industrial product design services; Design of information systems; Design of information technology infrastructure for others; Design of Internet pages; Internet page design services; Internet page design; Design of new products; New product design; New product design services; Design of online social networking software; Design of on-line social networking software; Design of operating system software; Design of programs for data processing; Design of data processing programmes; Design of programmes for data processing; Design of data processing programmes; Integration of computer systems and networks; Integration of computer systems and computer networks; Interactive hosting services which allow the users to publish and share their own content and images on-line; Interactive hosting services which allow the users to publish and share their own content and images online; Internet portal services [designing or hosting]; Internet security consultancy; Internet security services provided on an outsourcing basis; IT consultancy, advisory and information services; IT programming services; IT security services in the nature of protection and recovery of computer data; IT services for data protection; Information technology services for data protection; Providing non-downloadable game software applications for use with mobile phones; Providing non-downloadable game software applications for use with cellular telephones; Provision of non-downloadable game software applications for use with mobile telephones; Provision of non-downloadable game software applications for use with cellular phones; Provision of non-downloadable game software applications for use with cell phones; Provision of non-downloadable game software applications for use with mobile phones; Provision of non-downloadable game software applications for use with cellular telephones; Providing non-downloadable game software applications for use with tablet computers; Provision of non-downloadable game software applications for use with tablet computers; Providing non-downloadable software on data networks; Provision of non-downloadable software on data networks; Providing on-line information about the design and development of computer hardware and software; Providing online information about the design and development of computer hardware and software; Providing on-line information in the field of technological research from a computer database or the Internet; Providing online information in the field of technological research from a computer database or the Internet; Providing online non-downloadable computer programs [application service provider]; Provision of online non-downloadable computer programs [application service provider]; Providing online non-downloadable computer programs being application service provider; Provision of online non-downloadable computer programs being application service provider; Providing online non-downloadable computer software; Providing on-line non-downloadable computer software; Provision of online non-downloadable computer software; Provision of on-line non-downloadable computer software; Providing online non-downloadable software; Providing on-line non-downloadable software; Provision of online non-downloadable software; Provision of on-line non-downloadable software; Providing online non-downloadable computer software for minting non-fungible tokens [NFTs]; Providing on-line non-downloadable computer software for minting non-fungible tokens [NFTs]; Provision of online non-downloadable computer software for minting non-fungible tokens [NFTs]; Provision of on-line non-downloadable computer software for minting non-fungible tokens [NFTs]; Consultancy in the field of computer programming; Computer programming consultancy; Consultancy relating to computer programming; Consultancy in the field of computer programming for data processing; Consultancy in the field of computer software design; Consultancy in the field of software design; Consultancy relating to computer software design; Consultancy in the field of computer system analysis; Consultancy in the field of computer systems analysis; Consultancy in the field of computer system integration; Consultancy in the field of deploying cloud computing environments in the field of infrastructure as a service [IaaS]; Consulting services in the field of deploying cloud computing environments in the field of infrastructure as a service [IaaS]; Consultancy in the field of deploying cloud storage environments in the field of infrastructure as a service [IaaS]; Consulting services in the field of deploying cloud storage environments in the field of infrastructure as a service [IaaS]; Consultancy in the field of security software; Consultancy in the field of software as a service [SaaS]; Consulting services in the field of software as a service [SaaS]; Consultancy in the field of technological design; Consultancy relating to computer database programs; Video game software design; Design, programming and maintenance of computer software; Design, updating and rental of computer software; Updating, design and rental of software; Design, upgrading and rental of computer software; Development and design of mobile applications; Development and maintenance of computer database

software; Development and maintenance of computer software; Development and maintenance of websites; Development and maintenance of web sites; Development and maintenance of websites for third parties; Development and maintenance of web sites for third parties; Logo design services; Design of logos; Maintenance and consultancy services relating to software used in the field of e-commerce; Maintenance and repair of computer software; Repair and maintenance of computer software; Maintenance and repair of software; Repair and maintenance of software; Maintenance and updating of software for communication systems; Maintenance and updating of software relating to quantum algorithms; Maintenance and updating of software relating to quantum computing; Maintenance and updating of software relating to quantum engineering; Maintenance and updating of software relating to quantum programming; Maintenance and updating of software relating to quantum technology; Maintenance of computer programs; Maintenance of computer programmes; Computer program maintenance services; Computer program maintenance; Computer programme maintenance services; Computer programme maintenance; Maintenance of computer programs relating to computer security and prevention of computer risks; Maintenance of computer sites; Maintenance of computer software; Maintenance of software; Software maintenance services; Computer software maintenance services; Computer software maintenance; Maintenance of computer software for data processing; Maintenance of data processing software; Maintenance of computer software relating to computer security and prevention of computer risks; Computer software maintenance relating to computer security and prevention of computer risks; Maintenance of databases being data encryption services; Maintenance of databases being recovery of computer data; Maintenance of database software; Maintenance of database systems; Maintenance of online databases being conversion of data or documents from physical to electronic media; Maintenance of on-line databases being conversion of data or documents from physical to electronic media; Maintenance of online databases being data backup and conversion services; Maintenance of on-line databases being data backup and conversion services; Maintenance of online databases being data encryption services; Providing online non-downloadable software for minting non-fungible tokens [NFTs]; Providing on-line non-downloadable software for minting non-fungible tokens [NFTs]; Provision of online non-downloadable software for minting non-fungible tokens [NFTs]; Provision of on-line non-downloadable software for minting non-fungible tokens [NFTs]; Providing online non-downloadable software [application service provider]; Provision of online non-downloadable software [application service provider]; Providing online non-downloadable software being application service provider; Provision of online non-downloadable software being application service provider; Providing on-line non-downloadable software for use in communication; Providing online non-downloadable software for use in communication; Providing on-line non-downloadable software for use in customer relationship management; Providing online non-downloadable software for use in customer relationship management; Providing on-line non-downloadable software for use in database management; Providing on-line non-downloadable software for database management; Providing on-line non-downloadable software for use in enterprise resource planning; Providing online non-downloadable software for use in enterprise resource planning; Providing on-line non-downloadable software for use in supply chain management; Providing online non-downloadable software for use in supply chain management; Providing on-line non-downloadable software for word processing; Providing online non-downloadable software for word processing; Providing online non-downloadable web-based applications; Provision of online non-downloadable web-based applications; Online provision of non-downloadable web-based applications; Providing online non-downloadable web-based software; Provision of online non-downloadable web-based software; Online provision of non-downloadable web-based software; Online provision of web-based software [non-downloadable]; Providing online support services for computer program users; Providing on-line support services for computer program users; Provision of online support services for computer program users; Provision of on-line support services for computer program users; Providing online trading platform for brokerage; Providing online trading platform for securities brokerage; Providing online trading platform for trade claims brokerage; Providing quality assurance in the field of computer software; Consultancy relating to computer database programmes; Product development consultancy; Product development consultancy; Consultancy relating to software for communication systems; Consultancy relating to the creation and design of websites; Consultancy relating to the creation and design of web sites; Consultancy relating to the creation and design of websites for e-commerce; Consultancy relating to the creation and design of web sites for e-commerce; Consultancy relating to the creation of homepages and Internet pages; Consultancy relating to the creation of home pages and Internet pages; Consultancy relating to the design and development of computer database programs; Consultancy relating to the design and development of computer database programmes; Consultancy relating to the design and development of computer programs; Consultancy relating to the design and development of computer programmes; Consultancy relating to the design and development of computer software; Consultancy relating to software design and development; Consultancy relating to the design and development of computer software and hardware architecture; Consultancy relating to the design and development of computer software programmes; Consultancy relating to the design and development of information and communications technology; Consultancy relating to the design of homepages and Internet pages; Consultancy relating to the design of home pages and Internet pages; Consultancy with regard to the design of homepages and Internet pages; Consultancy relating to the design of homepages and Internet sites; Consultancy relating to the design of home pages and computer software; Consultancy relating to the design, programming and maintenance of computer software; Consultancy relating to the maintenance of computer software; Consultancy relating to computer software maintenance; Consultancy relating to software maintenance; Consultancy relating to the recovery of computer data; Development and testing of computer software; Development and

testing of software; Development and testing of computing methods, algorithms and software; Development and testing of computing methods, algorithms and software for generating telecommunication and navigation data; Development and testing of computing methods, algorithms and software for processing telecommunication and navigation signals; Development and testing services in the field of engineering; Development and updating of computer software; Development, design and updating of home pages; Development of computer databases; Development of computer database software; Development of computer firmware; Development of computer games; Development of computer game software; Computer game software development; Development of computer hardware; Computer hardware development; Computer hardware development services; Development of computer hardware for computer games; Development of computer languages; Development of computer peripherals; Development of computer platforms; Development of computer programs; Development of computer programmes; Development of computer programs and computer game software; Development of computer programmes and computer game software; Development of computers; Computer development; Computer development services; Development of computer software application solutions; Development of computer software for creating electronic television program guides; Development of computer software for creating electronic television programme guides; Development of computer software for data processing; Development of computer software for logistics, supply chain management and e-business portals; Maintenance of on-line databases being data encryption services; Maintenance of online databases being data security services; Maintenance of on-line databases being data security services; Maintenance of online databases being monitoring of database systems to detect breakdowns; Maintenance of on-line databases being monitoring of database systems to detect breakdowns; Maintenance of online databases being off-site data backup; Maintenance of databases being off-site data backup; Maintenance of on-line databases being off-site data backup; Maintenance of online databases being recovery of computer data; Maintenance of on-line databases being recovery of computer data; Maintenance of software for communication systems; Maintenance of software for computer systems; Maintenance of software for Internet access; Maintenance of Internet access software; Maintenance of software used in the field of e-commerce; Maintenance of websites; Maintenance of web sites; Web site maintenance; Website maintenance; Website maintenance services; Managing websites for others; Managing web sites for others; Managing websites for third parties; Managing web sites for third parties; Providing search engines for obtaining data on a global computer network; Providing search engines for obtaining data via communications networks; Providing search engines for the internet; Provision of search engines for the Internet; Provision of Internet search engines; Providing Internet search engines; Consultancy relating to the selection, implementation and use of computer programs; Consulting services with respect to selection, implementation and use of computer programs; Consultancy relating to the selection, implementation and use of computer software; Consulting services with respect to selection, implementation and use of computer software; Consultancy relating to the updating of computer software; Consultancy relating to the updating of software; Consultancy relating to web page design; Consultancy with regard to webpage design; Consultancy services in the field of design, selection, implementation and use of computer hardware and software systems; Consulting services in the field of design, selection, implementation and use of computer hardware and software systems; Consultancy services in the field of technological development; Consultancy services relating to software used in the field of e-commerce; Consultancy services relating to the design, development and use of computer hardware and software; Consultancy services relating to the design, development and use of computer hardware and computer software; Conversion of computer programs, other than physical conversion; Conversion of computer programs other than physical conversion; Conversion of data or documents from physical to electronic media; Conversion of data, other than physical conversion; Conversion of data other than physical conversion; Data conversion services, other than physical conversion; Data conversion services other than physical conversion; Conversion of document data from one computer format to another; Conversion of documents from physical to electronic media; Conversion of images from physical to electronic media; Conversion of texts to digital format; Copying of computer programs; Copying of computer programmes; Copying of computer software; Cosmetic research; Development of computer software for others for use in measuring, monitoring, and evaluating demonstrative data of physiological expressions and signals; Development of computer software for use with computer-controlled switching systems; Development of computer software for use with programmable controllers; Development of computer software for word processing; Development of word processing software; Computer systems development; Development of consumer products; Development of databases; Development of data processing apparatus; Development of data processing systems; Development of systems for data processing; Development of systems for the processing of data; Development of data programs; Development of data storage systems; Development of systems for the storage of data; Development of data transmission systems; Development of systems for the transmission of data; Development of diagnostic apparatus; Development of driver software; Development of engineering products; Development of new products; New product development; New product development services; Development of new technology for others; Development of operating system software; Development of programs for computers; Development of programs for data processing; Development of data processing programs; Development of programmes for data processing; Development of data processing programmes; Development of software for communication systems; Development of software for multimedia data storing and recalling; Development of software for secure network operations; Development of testing apparatus for electrical wires; Development of testing methods; Development of video and computer games; Development of computer and video games; Development of video games; Development of

video game software; Video game software development; Monitoring of computer system operation by remote access; Monitoring of computer systems by remote access; Monitoring of computer systems for detecting unauthorized access or data breach; Monitoring of computer systems for detecting unauthorized access or data breach; Monitoring of computer systems to detect breakdowns; Monitoring of erosion and sedimentation; Monitoring of industrial processes; Industrial process monitoring services; Providing temporary use of non-downloadable computer programs for gambling; Provision of temporary use of non-downloadable computer programs for gambling; Providing temporary use of non-downloadable computer programs for gaming; Provision of temporary use of non-downloadable computer programs for gaming; Providing temporary use of non-downloadable computer software; Providing temporary use of non-downloadable computer software for accounting; Providing temporary use of non-downloadable computer software for business; Providing temporary use of non-downloadable computer software for communication; Providing temporary use of non-downloadable computer software for financial analysis; Providing temporary use of non-downloadable computer software for financial planning for companies; Providing temporary use of non-downloadable computer software for financial purposes; Providing temporary use of non-downloadable computer software for financial reporting; Providing temporary use of non-downloadable computer software for gambling; Provision of temporary use of non-downloadable computer software for gambling; Providing temporary use of non-downloadable computer software for gaming; Provision of temporary use of non-downloadable computer software for gaming; Providing temporary use of non-downloadable computer software for managing spreadsheets; Providing temporary use of non-downloadable computer software for networking; Creating and designing website-based indexes of information for others [information technology services]; Creating and designing website-based indexes of information for others [information technology services] relating to personal service providers and couriers; Creating and designing website-based indexes of information [information technology services] relating to personal service providers and couriers; Creating and maintaining customized web pages; Creation and maintenance of customized web pages; Creating and maintaining electronic personal pages; Creating and maintaining weblogs [blogs] for others; Creating and maintaining weblogs for others; Creating and maintaining blogs for others; Creating and maintaining web pages; Creation and maintenance of web pages; Creating and maintaining websites for mobile telephones; Creating and maintaining web sites for cellular phones; Creating and maintaining web sites for mobile telephones; Creating and maintaining websites for cellular phones; Creating and maintaining web sites for mobile phones; Creating and maintaining websites for mobile phones; Creating and maintaining web sites for cellular telephones; Creating and maintaining web sites for cell phones; Creating and maintaining websites for others; Creation and maintenance of websites for others; Creation and maintenance of web sites for others; Creating and maintaining web sites for others; Creating and maintaining websites for registered users to form virtual communities and engage in social networking services; Creating and maintaining websites for registered users to form virtual communities and engage in social networking services in the field of blockchain technology; Creating and maintaining web sites for registered users to form virtual communities and engage in social networking services in the field of blockchain technology; Creating and maintaining websites for registered users to form virtual communities and engage in social networking services in the field of education; Creating and maintaining websites for registered users to form virtual communities and engage in social networking services in the field of medical care; Creating and maintaining websites for registered users to form virtual communities and engage in social networking services in the field of music; Creating and maintaining websites for registered users to form virtual communities and engage in social networking services in the field of travel; Creating and maintaining websites for registered users to participate in discussions and get feedback from their peers; Creating and maintaining websites for registered users to participate in discussions and get feedback from their peers in the field of blockchain technology; Creating and maintaining web sites for registered users to participate in discussions and get feedback from their peers in the field of blockchain technology; Development, programming and rental of data processing programmes; Development, programming and rental of data processing programmes; Development services in the field of computer software and advisory services relating thereto; Development, updating and maintenance of software and database software; Development, updating and maintenance of software and database systems; Diagnosis of computer hardware problems through the use of software; Diagnosis of computer software problems; On-line data storage services; Online data storage services; Online support services for computer program users; On-line support services for computer program users; Outsourced services in the field of artificial intelligence; Outsourced services in the field of computer security; Outsourced services in the field of computer software; Outsourced services in the field of computer technology; Outsourced services in the field of internet security; Outsourced services in the field of telecommunications technology; Outsourced services in the field of website design; Outsourced services in the field of web site design; Packaging design; Design of packaging; Testing of computer operating system performance; Computer operating system performance testing; Computer performance testing; Performance testing of computer software; Testing of computer software performance; Computer software performance testing; Performance testing of software; Testing of software performance; Software performance testing; Providing temporary use of non-downloadable computer software for operations management; Providing temporary use of non-downloadable computer software for operative planning for companies; Providing temporary use of non-downloadable computer software for preparing invoices; Providing temporary use of non-downloadable computer software for project management; Providing temporary use of non-downloadable computer software for social networking; Providing temporary use of non-downloadable computer software for use in the automotive and vehicle

industries; Providing temporary use of non-downloadable computer software for use in the creation and publication of online journals and blogs; Providing temporary use of non-downloadable computer software for use in the creation and publication of on-line journals and blogs; Providing temporary use of non-downloadable computer software for use in vehicle appraisals; Providing temporary use of non-downloadable computer software for use in vehicle damage estimation; Providing temporary use of non-downloadable computer software for use in vehicle identification; Providing temporary use of non-downloadable computer software for use in vehicle loss valuation; Providing temporary use of non-downloadable computer software for use in vehicle repairs; Providing temporary use of non-downloadable computer software for use in vehicle repair workflow and tracking; Providing temporary use of non-downloadable software applications accessible via a website; Providing temporary use of non-downloadable software applications accessible via a web site; Providing temporary use of non-downloadable software for analyzing financial data and generating reports; Providing temporary use of non-downloadable software for developing computer games; Providing temporary use of non-downloadable computer game development software; Providing temporary use of non-downloadable software for developing online educational materials; Providing temporary use of non-downloadable software for developing video games; Providing temporary use of non-downloadable video game development software; Providing temporary use of non-downloadable software for enabling members of an online community to receive and access digital files authenticated by non-fungible tokens [NFTs]; Providing temporary use of non-downloadable software for enabling members of an on-line community to receive and access digital files authenticated by non-fungible tokens [NFTs]; Providing temporary use of non-downloadable software for enabling members of an online community to receive and access non-fungible tokens [NFTs]; Providing temporary use of non-downloadable software for enabling members of an online community to receive and access to cryptocurrency; Providing temporary use of non-downloadable software for enabling members of an on-line community to receive and access to cryptocurrency; Creating and maintaining websites for registered users to participate in discussions and get feedback from their peers in the field of education; Creating and maintaining websites for registered users to participate in discussions and get feedback from their peers in the field of medical care; Creating and maintaining websites for registered users to participate in discussions and get feedback from their peers in the field of music; Creating and maintaining websites for registered users to participate in discussions and get feedback from their peers in the field of travel; Creating an online community for registered users; Creating an on-line community for registered users; Creating an online community for registered users to form virtual communities and engage in social networking services; Creating an on-line community for registered users to form virtual communities and engage in social networking services; Creating an online community for registered users to form virtual communities and engage in social networking services in the field of blockchain technology; Creating an on-line community for registered users to form virtual communities and engage in social networking services in the field of blockchain technology; Disaster recovery services for data communications systems; Document data transfer from one computer format to another; Duplication of computer programs; Duplicating computer programs; Duplication of computer programmes; Duplicating computer programmes; Duplication of computer programs being software protection programs and security programs; Duplication of computer software; Editing of computer programs; Editing of computer programmes; Editing of software; Electronic cryptology services in the nature of digital certificate and digital signature verification services; Electronic cryptology services in the nature of electronic data encryption services; Electronic data backup; Electronic data back-up services; Electronic data log storage; Electronic storage of data logs; Electronic data storage; Electronic data storage services; Electronic storage of data; Electronic data storage and data backup services; Electronic data storage and data back-up services; Electronic data storage in virtual environments; Electronic megadata storage; Electronic big data storage; Electronic storage of megadata; Electronic storage of big data; Electronic monitoring of credit card activity to detect fraud via the internet; Planning, design, development and maintenance of online websites for third parties; Planning, design, development and maintenance of on-line web sites for third parties; Planning, design, development and maintenance of on-line websites for third parties; Planning, design, development and maintenance of online web sites for third parties; Providing temporary use of non-downloadable software for enabling members of an online community to receive and access to digital assets; Providing temporary use of non-downloadable software for enabling members of an on-line community to receive and access to digital assets; Providing temporary use of non-downloadable software for enabling members of an online community to receive and access to digital currency; Providing temporary use of non-downloadable software for enabling members of an on-line community to receive and access to digital currency; Providing temporary use of non-downloadable software for enabling members of an online community to receive and access to digital tokens; Providing temporary use of non-downloadable software for enabling members of an on-line community to receive and access to digital tokens; Providing temporary use of non-downloadable software for enabling members of an online community to spend and trade cryptocurrency; Providing temporary use of non-downloadable software for enabling members of an on-line community to spend and trade cryptocurrency; Providing temporary use of non-downloadable software for enabling members of an online community to spend and trade digital assets; Providing temporary use of non-downloadable software for enabling members of an on-line community to spend and trade digital assets; Providing temporary use of non-downloadable software for enabling members of an online community to spend and trade digital currency; Providing temporary use of non-downloadable software for enabling members of an on-line community to spend and trade digital currency; Providing temporary use of non-downloadable software for enabling members of an online community to spend and trade digital tokens; Providing temporary use of non-downloadable software

for enabling members of an on-line community to spend and trade digital tokens; Providing temporary use of non-downloadable software for enabling members of an online community to spend and trade non-fungible tokens [NFTs]; Providing temporary use of non-downloadable software for enabling members of an on-line community to spend and trade non-fungible tokens [NFTs]; Providing temporary use of non-downloadable software for enabling members of an online community to spend and trade non-fungible tokens; Providing temporary use of non-downloadable software for enabling members of an on-line community to spend and trade non-fungible tokens; Providing temporary use of non-downloadable software to enable content providers to track multimedia content; Providing temporary use of non-downloadable software to enable sharing of multimedia content and comments among users; Providing temporary use of on-line applications and software tools; Providing temporary use of online applications and software tools; Providing temporary use of online non-downloadable computer software for collecting, analyzing and organizing data in the field of deep learning; Providing temporary use of on-line non-downloadable computer software for collecting, analyzing and organizing data in the field of deep learning; Provision of temporary use of online non-downloadable computer software for collecting, analyzing and organizing data in the field of deep learning; Creating, designing and maintaining websites; Creating, designing and maintaining web sites; Creation, design and maintenance of websites; Creation, design and maintenance of web sites; Creating home pages for computer networks; Creating homepages for computer networks; Creation of home pages for computer networks; Creation of homepages for computer networks; Creating, maintaining and hosting the websites of others; Creating, maintaining and hosting the web sites of others; Creating, maintaining and hosting websites; Creating, maintaining and hosting web sites; Creating or maintaining websites for others; Creating or maintaining web sites for others; Creating programs for data and information processing; Creation and design of web pages for others; Creating and designing web pages for others; Creation and development of computer programs for data processing; Development and creation of computer programmes for data processing; Creation and hosting of web sites; Creation and maintenance of Internet sites; Creating and maintaining Internet sites; Creation and maintenance of software for blogs; Creation and maintenance of websites; Creating and maintaining web sites; Creation and maintenance of web sites; Creating and maintaining websites; Creation, design, development, and maintenance of websites; Creation, design, development, and maintenance of web sites; Creation, maintenance and adaptation of software; Creation, maintenance, and updating of computer software; Creating, maintaining, and updating computer software; Creation of computer programs; Creating of computer programs; Creation of computer programmes; Creation of control programs for automated measurement, assembly, adjustment and related visualization; Creation of control programs for automated measurement, assembly, adjustment and related visualisation; Creation of digital animation for films, video and computer programs [digital content creation services]; Creation of internet websites; Creation of programs for data processing; Creation of data processing programs; Electronic monitoring of financial transactions and activities to detect suspicious, fraudulent or unlawful transactions and activities; Electronic monitoring of monetary and financial transactions to detect fraud via the internet; Electronic monitoring of personally identifying information to detect identity theft via the internet; Electronic monitoring services being IT security services in the nature of protection and recovery of computer data; Electronic monitoring services for computer security services for protection against illegal network access; Electronic monitoring services for computer security threat analysis for protecting data; Electronic security monitoring services in the nature of monitoring computer systems for data security purposes; Electronic signature verification services [electronic cryptology services]; Electronic signature verification services using technology to authenticate user identity; Electronic site authoring; Electronic storage and retrieval services for archiving biological data; Electronic storage of archived e-mails; Electronic storage of audio files; Electronic storage of business and financial information; Electronic storage of business information; Electronic storage of digital images; Electronic storage of medical records; Electronic storage of photographs; Electronic storage of videos; Electronic storage services for archiving databases; Electronic storage services for archiving databases, images and other electronic data; Electronic storage services for archiving electronic data; Encoding of digital images; Encoding of magnetic cards; Encryption, decryption and authentication of information, messages and data; Engineering and technical support services for the design and configuration of hardware and software systems for use in metal and plastic finishing operations; Product design; Product design services; Product design and development; Product design and development services; Product development; Product development services; Provision of temporary use of on-line non-downloadable computer software for collecting, analyzing and organizing data in the field of deep learning; Providing temporary use of on-line non-downloadable computer software for language translation; Providing temporary use of online non-downloadable computer software for the transmission of data; Providing temporary use of on-line non-downloadable computer software for the transmission of data; Providing temporary use of on-line non-downloadable computer software for use in broadcast monitoring applications; Providing temporary use of online non-downloadable computer software for use in broadcast monitoring applications; Providing temporary use of online non-downloadable development tools for computer software; Providing temporary use of on-line non-downloadable development tools for computer software; Providing temporary use of online non-downloadable development tools for quantum programs; Providing temporary use of on-line non-downloadable development tools for quantum programs; Providing temporary use of online non-downloadable development tools for quantum algorithms; Providing temporary use of on-line non-downloadable development tools for quantum algorithms; Providing temporary use of on-line non-downloadable investment software; Providing temporary use of online non-downloadable investment

software; Providing temporary use of on-line non-downloadable operating software for accessing and using a cloud computing network; Providing temporary use of online non-downloadable operating software for accessing and using a cloud computing network; Providing temporary use of on-line non-downloadable operating software for computer networks and servers; Providing temporary use of online non-downloadable operating software for computer networks and servers; Providing temporary use of online non-downloadable software; Providing temporary use of on-line non-downloadable software development tools; Providing temporary use of online non-downloadable software for collecting, analyzing and organizing data in the field of deep learning; Providing temporary use of on-line non-downloadable software for collecting, analyzing and organizing data in the field of deep learning; Provision of temporary use of online non-downloadable software for collecting, analyzing and organizing data in the field of deep learning; Provision of temporary use of on-line non-downloadable software for collecting, analyzing and organizing data in the field of deep learning; Providing temporary use of online non-downloadable software for creating, analysing and running programs for quantum algorithms; Providing temporary use of on-line non-downloadable software for creating, analysing and running programs for quantum algorithms; Providing temporary use of online non-downloadable software for creating, analysing and running programs for quantum computers; Providing temporary use of on-line non-downloadable software for creating, analysing and running programs for quantum computers; Creation of programmes for data processing; Creation of data processing programmes; Creating programs for data processing; Creating programmes for data processing; Creation of web pages for others; Creating web pages for others; Cross-platform conversion of digital content into other forms of digital content; Cryogenic engineering research; Cryptocurrency mining; Mining of cryptocurrency; Cryptographic engineering; Custom design and development of computer programs; Custom design and development of computer software; Custom design and development of software; Custom design of computer hardware; Personalized design of computer hardware; Custom design of computer hardware and software; Custom design of computer programs; Custom design of computer programmes; Custom design of computer software; Custom design of software; Custom design of software packages; Custom design services; Customized software development in the field of traffic and transportation; Custom software development for others; Developing customized software for others; Data authentication via blockchain technology; Data authentication via blockchain; Data backup and conversion services; Data coding services being computer language programming; Data coding services being computer programming; Data conversion of computer programme data, other than physical conversion; Data conversion of computer programme data other than physical conversion; Data conversion of computer program information, other than physical conversion; Engineering and technical support services in the design and configuration of hardware and software systems for use in the processing of paper and pulp manufacturing systems; Engineering and technical support services in the design and configuration of hardware and software systems for use in the processing of water supply systems; Design engineering; Engineering design; Engineering drawing; Engineering drawing services; Engineering product design services provided on an outsourcing basis; Engineering services relating to computer programming; Engineering services relating to computers; Product development consultancy for inventors in the field of computer science; Providing temporary use of online non-downloadable software for creating, analysing and running programs for quantum simulations; Providing temporary use of on-line non-downloadable software for creating, analysing and running programs for quantum simulations; Providing temporary use of on-line non-downloadable software for database management; Providing temporary use of online non-downloadable software for database management; Providing temporary use of on-line non-downloadable software for use in database management; Providing temporary use of on-line non-downloadable software for importing and managing data; Providing temporary use of online non-downloadable software for importing and managing data; Providing temporary use of on-line non-downloadable software for inventory management; Providing temporary use of online non-downloadable software for inventory management; Providing temporary use of online non-downloadable software for the transmission of data; Providing temporary use of on-line non-downloadable software for the transmission of data; Providing temporary use of on-line non-downloadable software for use in publishing and printing; Providing temporary use of online non-downloadable software for use in publishing and printing; Providing temporary use of online non-downloadable software for website development; Providing temporary use of on-line non-downloadable software for web site development; Providing temporary use of on-line non-downloadable software for website development; Providing temporary use of online non-downloadable software for web site development; Providing temporary use of on-line non-downloadable software for word processing; Providing temporary use of online non-downloadable software for word processing; Providing temporary use of web-based applications; Providing temporary use of web-based software; Providing user authentication services using biometric hardware and software technology for access control; Providing user authentication services using biometric hardware and software technology for banking online; Providing user authentication services using biometric hardware and software technology for e-commerce transactions; Providing user authentication services using biometric hardware and software technology for managing human identification; Providing user authentication services using biometric hardware and software technology for managing identification of things; Providing user authentication services using biometric hardware and software technology for password management; Providing user authentication services using biometric hardware and software technology for point-of-sale transactions; Providing user authentication services using biometric hardware and software technology for secure entry and exit door access; Providing user authentication services using biometric hardware and software technology for social media; Providing user authentication services using blockchain-based software technology

for cryptocurrency transactions; Providing user authentication services using single sign-on technology for e-commerce transactions; Data conversion of computer program information other than physical conversion; Data conversion of computer programme information, other than physical conversion; Data conversion of computer programme information other than physical conversion; Data conversion of electronic information; Conversion of electronic information data; Data cryptology services; Data deduplication services; Data encoding services being computer programming; Data encoding services being conversion of text characters into binary computer codes; Data encryption and decoding services; Data encryption services; Encryption of data; Data migration services; Data mining; Data mining services; Data security consulting; Data storage, other than physical storage; Data storage via blockchain; Data storage via blockchain technology; Debugging computer programs for others; Advisory services relating product development and quality improvement of software; Debugging computer programs for third parties; Debugging of computer programs for others; Debugging of computer programs for third parties; Computer program debugging for others; Computer program debugging for third parties; Debugging computer software; Debugging of computer software; Computer software debugging; Debugging computer software for others; Debugging computer software for third parties; Decoding of data; Decryption of data; Design and construction of homepages and websites; Design and construction of homepages and web sites; Design and construction of home pages and web sites; Design and construction planning services and consultancy relating thereto; Design and creation of homepages and Internet pages; Design and creation of home pages and Internet pages; Designing and creating homepages and Internet pages; Design and creation of homepages and web pages; Design and creation of home pages and web pages; Design and creation of homepages and websites; Design and creation of homepages and web sites; Design and creation of home pages and web sites; Design and creation of websites; Design and creation of web sites; Design and development of antivirus software; Design and development of components for three-dimensional [3D] printers; Design and development of computer database programs; Evaluation of product design; Evaluation of product development; Fraud and identity theft protection services; Fraud detection services in the field of banking; Fraud detection services in the field of credit cards; Fraud detection services in the field of credit cards for online purchasing; Fraud detection services in the field of credit cards for on-line purchasing; Product quality testing; Product quality testing services; Quality testing of products; Product research; Product research services; Product research and development; Product research and development services; Product safety testing; Product safety testing services; Safety testing of products; Product testing services; Professional consultancy relating to computer security; Professional consultancy relating to computer software; Professional advisory services relating to computer software; Professional consultancy relating to technology; Professional consultancy relating to technology information; Professional consultancy services relating to computer programming; Programming of computer animations; Programming of computer games; Programming of computer game software; Programming of computer programs; Programming of data processing software; Computer program programming services; Programming of computer software for electronic language translation dictionaries and databases; Programming of computer software for evaluation and calculation of data; Programming of computer software for reading, transmitting and organizing data; Programming of computer software for reading, transmitting and organising data; Programming of customized web pages; Programming of customized web pages featuring user-defined information, personal profiles and information; Programming of data processing programs; Programming of data processing programmes; Programming of educational software; Programming of electronic data processing [EDP] software; Programming of electronic data processing software; Providing user authentication services using single sign-on technology for online software applications; Providing user authentication services using single sign-on technology for on-line software applications; Providing virtual computer systems through cloud computing; Provision of virtual computer systems through cloud computing; Providing weather condition information affecting ski conditions and road closures; Providing weather information; Provision of weather information; Providing web servers and co-location servers to third party cloud computing and data storage facilities; Quality control of computer programs; Quality control of computer software; Quality control of software; Quality control relating to computer software; Quality control testing; Quality control testing services; Quality control testing and consultancy relating thereto; Quality control testing of products; Product quality control testing; Quality control testing of products for certification purposes; Design and development of computer database programmes; Design and development of computer database software; Design and development of computer firmware; Design and development of computer game software; Design and development of computer game software and virtual reality software; Design and development of computer hardware; Design and development of computer hardware and software; Design and development of computer hardware and computer software; Design and development of computer hardware and software for industrial applications; Design and development of computer hardware and software for use in the field of medicine; Design and development of computer hardware and software relating to quantum algorithms; Design and development of computer hardware and software relating to quantum computing; Design and development of computer hardware and software relating to quantum engineering; Design and development of computer hardware and software relating to quantum programming; Design and development of computer hardware and software relating to quantum technology; Design and development of computer hardware architecture; Design and development of computer hardware for the manufacturing industry; Design and development of computer hardware, software and databases; Design and development of computer networks; Design and development of computer peripherals; Design and development of computer programs; Design and development of computer programmes; Computer program design and development; Computer programme design

and development; Design and development of computer programs, software and mobile applications for others for distribution of multimedia contents; Design and development of computers; Computer design and development; Computer design and development services; Design and development of computers and computer programs; Design and development of computers and programs for computers; Design and development of computers and programmes for computers; Design and development of computers and computer programmes; Design and development of computers and software; Design and development of computers and computer software; Computer and software design and development; Design and development of computer software; Computer software design and development; Design and development of computer software, and consultancy services relating thereto; Design and development of computer software architecture; Design and development of computer software for a virtual online community for registered users to engage in live social networking over the internet; Design and development of computer software for a virtual online community for registered users to get feedback from their peers; Design and development of computer software for a virtual online community for registered users to participate in live video chat discussions; Design and development of computer software for a virtual online community for registered users to share audio files; Programming of EDP software; Programming of energy management software; Programming of Internet security programs; Programming of Internet security programmes; Programming of multimedia applications; Programming of multimedia equipment; Programming of online, non-downloadable virtual goods for use in virtual environments; Programming of operating software for accessing and using a cloud computing network; Programming of operating software for computer networks and servers; Programming of software for database management; Programming of software for e-commerce platforms; Programming of software for importing and managing data; Programming of software for information platforms on the Internet; Programming of software for Internet platforms; Programming of software for Internet portals, chatrooms, chat lines and Internet forums; Programming of software for Internet portals, chat rooms, chat lines and Internet forums; Programming of software for website development; Programming of software for web site development; Programming of telecommunications software; Programming of video games; Programming of video game software; Programming of web pages; Providing an internet trust center for computer security assurance; Provision of an internet trust center for computer security assurance; Providing an online trading platform for hedge funds brokerage; Providing an online trading platform for investment funds brokerage; Providing authentication of personal identification information [computer security services]; Providing authentication of personal identification information [user authentication services using single sign-on technology]; Providing back-up computer programs and facilities; Providing computer facilities for the electronic storage of digital data; Providing computer programs designed to the specifications of others; Providing computer programmes designed to the specifications of others; Provision of computer programs designed to the specifications of others; Provision of computer programmes designed to the specifications of others; Providing computer programs on data networks; Providing computer programmes on data networks; Provision of computer programs on data networks; Provision of computer programmes on data networks; Providing computer programs in data networks; Providing computer programmes in data networks; Provision of computer programs in data networks; Provision of computer programmes in data networks; Providing computer software technical support services in the field of medical diagnostics; Providing electronic storage of digital photographs and videos via a website; Providing electronic storage of digital photographs and videos via a web site; Providing electronic storage space on the internet; Providing electronic memory space on the Internet; Quality testing; Quality testing services; Recovery of data, image, document, mail, message, audio and video via local or global communication networks; Data, image, document, mail, message, audio and video recovery services via local or global communication networks; Recovery of data, images, documents, mails, messages, audio and video via mobile communications networks, cellular networks and satellite networks; Data, image, document, mail, message, audio and video recovery services via mobile communications networks, cellular networks and satellite networks; Recovery of data, images, documents, mails, messages, audio and video via the internet, intranets, extranets; Recovery of smartphone data; Remote computer backup services; Remote computer back-up services; Design and development of computer software for a virtual online community for registered users to share images; Design and development of computer software for a virtual online community for registered users to share multimedia content; Design and development of computer software for a virtual online community for registered users to share photos; Design and development of computer software for a virtual online community for registered users to share video clips; Design and development of computer software for cloud computing; Design and development of computer software for database management; Design and development of software for database management; Design and development of computer software for data processing; Design and development of data processing software; Design and development of computer software for evaluation and calculation of data; Design and development of software for evaluation and calculation of data; Design and development of computer software for logistics; Design and development of computer software for logistics, supply chain management and e-business portals; Design and development of computer software for others; Design and development of computer software for process control; Design and development of computer software for reading, transmitting and organizing data; Design and development of computer software for reading, transmitting and organising data; Design and development of computer software for supply chain management; Design and development of computer software for the collection, transmission and analysis of data; Design and development of computer software for the collection, transmission and analysis of data logs; Design and development of computer software for the collection, transmission and analysis of megadata; Design and

development of computer software for the collection, transmission and analysis of big data; Design and development of computer software for use with medical technology; Design and development of computer software for vehicle simulation; Design and development of computer software for word processing; Design and development of word processing software; Design and development of computer systems; Computer system design and development; Design and development of consumer products; Design and development of databases; Database design and development; Design and development of computer databases; Computer database design and development; Design and development of data display systems; Design and development of data entry systems; Design and development of data output systems; Design and development of data processing apparatus; Design and development of data processing systems; Design and development of data retrieval software; Design and development of data storage systems; Design and development of diagnostic apparatus; Design and development of digital sound and image carriers; Development and design of digital sound and image carriers; Design and development of electronic databases; Providing information about the design and development of computer hardware and software; Provision of information about the design and development of computer hardware and software; Providing information about the design and development of computer software; Providing information about the design and development of computer software, systems and networks; Providing information, including online, about scientific and technological services and research and design relating thereto; Providing information, including online, about scientific and technological services and research and design relating thereto; Provision of information, including online, about scientific and technological services and research and design relating thereto; Provision of information, including on-line, about scientific and technological services and research and design relating thereto; Providing information in the field of architectural design via a website; Providing information in the field of architectural design via a web site; Providing information in the field of computer software design; Providing information relating to computer software design; Providing information in the field of computer software development; Providing information in the field of interior design via a website; Providing information in the field of interior design via a web site; Providing information in the field of product design; Providing information on clinical studies via an interactive website; Rendering of computer graphics; Computer graphics rendering; Rental and maintenance of computer programs; Computer program rental and maintenance; Rental and maintenance of computer software; Computer software rental and maintenance; Rental and maintenance of software; Software rental and maintenance; Rental and updating of software for data processing; Updating and rental of software for data processing; Rental of access time to a computer; Rental of a database server to third parties; Rental of application software; Rental of computer apparatus; Rental of computer database software; Rental of computer equipment; Rental of computer facilities; Rental of computer firmware; Rental of computer game programs; Rental of computer game programmes; Rental of computer hardware; Rental of computer hardware and computer peripherals; Rental of computer hardware and software; Rental of computer hardware and computer software; Rental of computer middleware; Rental of computer peripherals; Rental of computer peripheral devices; Rental of peripheral devices for computers; Rental of computer programs; Rental of computer programmes; Computer program rental; Computer programme rental; Computer program rental services; Rental of computers and computer software; Computer and computer software rental; Rental of computers and software; Rental of computers for data processing; Rental of computer software; Computer software rental; Computer software rental services; Rental of software for computers; Rental of software; Software rental; Software rental services; Rental of computer software and data processing machines; Rental of computer software and programs; Rental of computer software and programmes; Rental of computer software for collecting, analyzing and organizing data in the field of deep learning; Rental of computer software for developing computer games; Rental of computer game development software; Rental of computer software for developing online educational materials; Rental of computer software for developing video games; Rental of video game development software; Rental of computer software for financial management; Rental of data carriers; Rental of data centre facilities; Design and development of electronic greeting cards [e-cards]; Design and development of electronic greeting cards; Design and development of energy management software; Design and development of engineering products; Design and development of firmware systems; Design and development of homepages and websites; Design and development of homepages and web sites; Design and development of home pages and web sites; Design and development of home security systems; Design and development of image processing software; Design and development of industrial products; Design and development of information and communications technology; Design and development of Internet security programs; Design and development of Internet security programmes; Design and development of new products; Design and development of new technology for others; Design and development of online computer software systems; Design and development of on-line computer software systems; Design and development of operating software for accessing and using a cloud computing network; Design and development of operating software for computer networks and servers; Design and development of operating system software; Design and development of programs for data processing; Design and development of data processing programs; Design and development of programmes for data processing; Design and development of data processing programmes; Design and development of quantum computer hardware and software; Design and development of software; Software design and development; Software design and development services; Design and development of software and hardware for audio and video operators; Design and development of software and hardware for processing and distribution of multimedia content; Graphic arts design; Graphic arts designing; Graphic art design services; Graphic art services; Graphic design of advertising brochures; Graphic design of advertising flyers; Graphic design of advertising logos; Graphic design

of advertising materials; Graphic design of book covers; Graphic design of commercial logos; Graphic design of internet advertisements; Graphic design of promotional materials; Graphic design of publicity materials; Graphic design of trade marks; Graphic design; Graphic design services for creating graphic elements of corporate logos; Graphic design services for creating graphic elements of logos; Graphic design services for creating virtual tours of real estate for sale; Graphic illustration design services; Graphic illustration design; Graphic logo design services; Graphic logo design; Graphic design of logos; Hat design; Design of hats; Hosting and providing electronic platforms for data sharing and transmission; Hosting and provision of electronic platforms for data sharing and transmission; Hosting and rental of memory space for websites; Hosting and rental of memory space for web sites; Hosting an online website for creating and hosting micro websites for businesses; Hosting an on-line web site for creating and hosting micro web sites for businesses; Hosting a website for the electronic storage of digital photographs and videos; Hosting a web site for the electronic storage of digital photographs and videos; Hosting computer application software in the field of knowledge management for creating searchable databases of information and data; Hosting computer databases; Hosting of databases; Hosting computerized data, files, applications and information; Hosting of computerized data, files, applications and information; Hosting computer sites [websites] for mobility as a service; Hosting computer sites [web sites] for mobility as a service; Hosting computer sites [websites] for mobility as a service [MaaS]; Hosting computer sites [web sites] for mobility as a service [MaaS]; Hosting computer software applications for others; Hosting of computer software applications for others; Hosting computer websites; Hosting computer web sites; Hosting web sites; Web site hosting services; Hosting of websites; Website hosting services; Hosting of web sites; Providing information on donation of human corpses for medical research; Providing information relating to computer programming; Provision of information relating to computer programming; Providing information relating to computer programming via a website; Providing information on computer programming via a web site; Providing information on computer programming via a website; Providing information relating to computer programming via a web site; Provision of information relating to computer programming via a website; Providing information relating to computer programs; Provision of information relating to computer programs; Provision of information relating to computer programmes; Providing information relating to computer programmes; Providing information relating to computer software; Providing information relating to computer technology; Provision of information relating to computer technology; Providing information on computer technology; Provision of information on computer technology; Providing information relating to computer technology and programming via a website; Providing information on computer technology and programming via a web site; Provision of information relating to computer technology and programming via a web site; Provision of information relating to computer technology and programming via a website; Provision of information on computer technology and programming via a website; Providing information relating to computer technology and programming via a web site; Providing information relating to computer technology via a website; Providing information on computer technology via a web site; Providing information on computer technology via a website; Providing information relating to computer technology via a web site; Provision of information relating to computer technology via a website; Provision of information on computer technology via a website; Provision of information on computer technology via a web site; Rental of data center facilities; Rental of data processing devices and computers; Rental of data processing programs; Rental of data processing programmes; Rental of data processing systems; Rental of decentralized cloud storage facility for containerized data centers of others; Rental of design equipment; Rental of electronic storage space [web space] on the Internet; Rental of electronic memory space [web space] on the Internet; Rental of electronic storage space on the Internet; Rental of electronic memory space on the Internet; Rental of furniture especially made for laboratories; Rental of Internet security programmes; Rental of laboratory apparatus; Rental of laboratory apparatus and instruments; Rental of laboratory instruments; Rental of laboratory robots for laboratory research and analysis; Rental of laboratory robots for laboratory testing; Rental of measuring apparatus; Rental of memory space for websites; Rental of memory space for web sites; Rental of memory space on servers for hosting electronic bulletin boards; Rental of memory space on servers for sharing digital contents on the internet; Rental of memory space on servers for sharing electronic data on the internet; Rental of memory space on servers for sharing images on the internet; Rental of memory space on servers for the interaction of social networking service users on the internet; Rental of meters for the recording of energy consumption; Rental of microscopes for bacteriological research purposes; Rental of microscopes for biological research purposes; Rental of microscopes for medical research purposes; Rental of microscopes for research purposes; Rental of microscopes for scientific research purposes; Rental of scientific apparatus; Scientific apparatus rental; Rental of scientific equipment; Rental of scientific instruments; Scientific instrument rental; Rental of scientific instruments and apparatus; Rental of scientific microscopes; Rental of smartglasses; Rental of software for collecting, analyzing and organizing data in the field of deep learning; Rental of software for database management; Rental of database management software; Rental of software for data processing; Rental of data processing software; Data processing software rental; Data processing software rental services; Rental of software for importing and managing data; Rental of software for Internet access; Rental of Internet access software; Rental of software for inventory management; Rental of software for website development; Rental of telescopes; Design and development of software and hardware for producing, recording and processing digital and analog signals; Design and development of software and hardware for producing, recording and processing digital and analogue signals; Design and development of software

and hardware for signal amplification and transmission; Design and development of software for control, regulation and monitoring of solar energy systems; Design and development of software for electronic databases; Design and development of electronic database software; Design and development of software for electronic television program guides; Design and development of software for electronic television programme guides; Design and development of software for importing and managing data; Design and development of software for instant messaging; Design and development of software for inventory management; Design and development of software for website development; Design and development of software for web site development; Design and development of software in the field of mobile applications; Design and development of systems for data input, output, processing, display and storage; Design and development of systems for regenerative energy generation; Design and development of regenerative energy generation systems; Design and development of telecommunications networks; Design and development of testing and analysis methods; Design and development of video game and computer game software; Design and development of video and computer game software; Design and development of video game software; Design and development of virtual reality software; Design and development of web pages; Design and development of wireless computer networks; Design and development of wireless networks; Design and graphic arts design for the creation of web pages on the Internet; Design and graphic arts designing for the creation of web pages on the Internet; Design and graphic arts design for the creation of websites; Design and graphic arts design for the creation of web sites; Design and graphic arts designing for the creation of web sites; Design and hosting of web portals; Design and implementation of web pages for others; Designing and implementing web pages for others; Design and implementation of websites for others; Design and implementation of web sites for others; Designing and implementing web sites for others; Design and maintenance of computer sites for third parties; Design and maintenance of computer software for others; Design and maintenance of computer software for third parties; Design and maintenance of Internet homepages; Design and maintenance of Internet home pages; Design and maintenance of web pages for others; Hosting websites; Hosting computer websites and rental of software; Computer website hosting services and software rental services; Website hosting services and software rental services; Hosting computer websites, software as a service [SaaS], and rental of software; Hosting computer websites, software as a service, and rental of software; Hosting customized web pages; Hosting of customized web pages; Hosting digital content on the internet; Hosting of digital content on the internet; Hosting digital platforms for mobility as a service; Hosting digital platforms for mobility as a service [MaaS]; Hosting e-commerce platforms on the Internet; Hosting of e-commerce platforms on the Internet; Hosting memory space for websites; Hosting memory space for web sites; Hosting of memory space for web sites; Hosting of memory space for websites; Hosting memory space on the Internet; Hosting of memory space on the Internet; Hosting memory space on the Internet for storing digital photographs; Hosting of memory space on the Internet for storing digital photographs; Hosting multimedia and interactive applications; Hosting of multimedia and interactive applications; Hosting multimedia educational content; Hosting of multimedia educational content; Hosting multimedia entertainment and educational content for others; Hosting multimedia entertainment content; Hosting of multimedia entertainment content; Hosting of online calculators; Hosting of podcasts; Hosting of software as a service [SaaS]; Hosting of software as a service; Hosting online facilities for conducting interactive discussions; Hosting on-line software enabling the creation and hosting of micro websites for businesses; Hosting online software enabling the creation and hosting of micro websites for businesses; Hosting on-line web facilities for others; Hosting online web facilities for others; Hosting on-line web facilities for others for conducting interactive discussions; Hosting online web facilities for others for conducting interactive discussions; Hosting on-line web facilities for others for sharing on-line content; Hosting online web facilities for others for sharing online content; Hosting platforms on the Internet; Hosting of platforms on the Internet; Hosting software for use in library management; Hosting of software for use in library management; Hosting software platforms for virtual reality-based work collaboration; Hosting the websites of others; Hosting the web sites of others; Hosting web sites of others; Hosting the websites of others on a computer server for a global computer network; Provision of information relating to technological research; Providing Internet search engines with specific search options; Providing meteorological information via a website; Providing meteorological information via a web site; Provision of meteorological information via a website; Provision of meteorological information via a web site; Providing weather information via a website; Providing weather information via a web site; Provision of weather information via a website; Provision of weather information via a web site; Providing non-downloadable computer applications on data networks; Provision of non-downloadable computer applications on data networks; Providing non-downloadable computer gambling software; Provision of non-downloadable computer game and gambling software; Providing non-downloadable computer game software; Provision of non-downloadable computer game software; Providing non-downloadable computer game software for professional gaming operators; Provision of non-downloadable computer game software for professional gaming operators; Providing non-downloadable computer programs on data networks; Providing non-downloadable computer programmes on data networks; Provision of non-downloadable computer programs on data networks; Provision of non-downloadable computer programmes on data networks; Providing non-downloadable computer software development tools in the field of artificial intelligence; Providing non-downloadable computer software development tools in the field of deep learning; Providing non-downloadable computer software development tools in the field of high performance computing; Providing non-downloadable computer software development tools in the field of machine learning; Providing non-downloadable computer software for implementing a computer programming language; Providing non-downloadable computer software for implementing

a computer programming language in the field of artificial intelligence; Providing non-downloadable computer software for implementing a computer programming language in the field of deep learning; Providing non-downloadable computer software for implementing a computer programming language in the field of high performance computing; Rental of telescopes for educational purposes; Rental of telescopes for leisure activities; Rental of telescopes for research purposes; Rental of telescopes for scientific research purposes; Rental of ultrasonic diagnostic apparatus, not for medical purposes; Rental of ultrasonic diagnostic apparatus, not for medical use; Rental of user-programmable humanoid robots, not configured; Rental of web servers; Rental of web servers and co-location servers for containerized data centers of others; Rental of word processors; Rental of word processors [computer hardware]; Rental of word processors [software]; Repair of computer programs; Repair of computer programmes; Repair of software for computer systems; Research and consultancy in the design and development of computer hardware; Research and consultancy services relating to computer software; Research and consultancy services relating to software; Research and development in the field of application programming interfaces for online banking payment; Computer software research and development; Computer software research and development services; Research and development of new products for others; Research and development for others with regard to new products; Research and development services with regard to new products for third parties; Research and development of software; Software research and development; Software research and development services; Research and development services relating to software; Research and development of software for computers; Design and maintenance of websites; Design and maintenance of web sites; Design and maintenance of websites for others; Design and maintenance of web sites for third parties; Design and maintenance of web sites for others; Design and maintenance of websites for third parties; Design and programming of web sites; Design and rental of software; Design and testing for new product development; Design and testing of new products; Design and updating of computer software; Computer software design and updating; Updating and design of computer software; Design and updating of homepages and web pages; Design and updating of home pages and web pages; Design and updating of software; Software design and updating; Design and writing of computer software; Computer software design and writing; Computer software design and writing services; Design consultancy; Consultancy in the field of design; Design, creation and programming of web pages; Design, creation, hosting and maintenance of Internet sites for third parties; Design, creation, hosting and maintenance of websites; Design, creation, hosting and maintenance of web sites for others; Design, deployment and management of wireless computer networks for others; Design, development and implementation of computer programs; Design, development and implementation of computer software; Design, development and implementation of software; Design, development and programming of computer software; Computer software design, development and programming services; Design, development, installation and maintenance of computer software; Design, development, maintenance and updating of computer software; Design, maintenance, development and updating of computer software; Design, development, maintenance and updating of computer software for data processing; Design, development, maintenance and updating of data processing software; Design, development, maintenance and updating of computer software for process control; Design, development, maintenance and updating of computer software for word processing; Design, development, maintenance and updating of word processing software; Design, development, maintenance and updating of computer software for word processing, data processing and process control; Design feasibility studies; Designing websites for advertising purposes; Design of web sites for advertising purposes; Hosting the web sites of others on a computer server for a global computer network; Hosting virtual environments; Hosting web portals; Hosting of web portals; Hosting websites featuring virtual pets authenticated by non-fungible tokens [NFTs]; Hosting websites on the Internet; Hosting web sites on the Internet; Hosting of web sites on the Internet; Hosting of websites on the Internet; Design of image processing software; Implementation of computer programs on networks; Implementation of computer programmes on networks; Industrial and graphic art design; Industrial art design; Industrial design; Industrial development services; Industrial research, development and testing; Industrial research, development and testing services; Industrial testing; Industrial testing services; Industrial testing of engineering works; Information in the field of technological processes; Information services in the field of computer software; Consulting services in the field of computer and computer network security; Research relating to design; Research relating to the development of computer hardware; Research relating to the development of computer programs and software; Research relating to the development of computer programmes and software; Research relating to the development of computer software; Research services for the development of new products; Research to develop new products; Research services in the field of informatics; Research services in the field of petroleum products; Retail design services; Scientific and technological services and related research and design services; Scientific and technological services and research and development relating thereto; Scientific and technological services and research and development services relating thereto; Scientific and technological services and research and development related thereto; Scientific and technological services and research relating thereto; Scientific and technological services and related research services; Scientific and technological services relating to technological innovation forecasting; Scientific design services; Scientific feasibility studies; Security as a service [SECaaS]; Security system testing; Testing of security systems; Server administration; Server administration services; Server hosting; Server hosting, software as a service [SaaS], and rental of software; Server hosting, software as a service, and rental of software; Services in the field of computer engineering; Computer engineering services; Computer engineering; Smartphone software design; Software as a service [SaaS]; Software as a service; Software as a service [SaaS] featuring 3D printing software;

Software as a service [SaaS] featuring artificial intelligence software for machine learning; Software as a service [SaaS] featuring software using artificial intelligence for machine learning; Software as a service [SaaS] featuring software using artificial intelligence for use in machine learning; Software as a service [SaaS] featuring artificial intelligence software for software development; Software as a service [SaaS] featuring software using artificial intelligence for software development; Software as a service [SaaS] featuring software using artificial intelligence for use in software development; Software as a service [SaaS] featuring database management software; Software as a service [SaaS] featuring software for use in database management; Software as a service [SaaS] featuring modeling software for use with 3D printers; Software as a service [SaaS] featuring software for analyzing and reporting self-assessment of illness; Software as a service [SaaS] featuring software for converting 3D designs into 3D printer-readable codes; Software as a service [SaaS] featuring software for creating, analysing and running programs for quantum algorithms; Software as a service [SaaS] featuring software for creating, analysing and running programs for quantum computers; Software as a service [SaaS] featuring software for deep neural networks; Software as a service featuring software for deep neural networks; Software as a service [SaaS] featuring software for identifying persons with possible exposure to a carrier of an infectious disease to facilitate contact tracing; Software as a service [SaaS] featuring software for identifying persons with possible exposure to a carrier of public health outbreaks to facilitate contact tracing; Software as a service [SaaS] featuring software for machine learning; Software as a service [SaaS] featuring software for machine learning, deep learning and artificial neural networks; Software as a service [SaaS] featuring software for machine learning, deep learning and deep neural networks; Software as a service featuring software for machine learning, deep learning and deep neural networks; Software as a service [SaaS] featuring software for monitoring persons with possible exposure to a carrier of an infectious disease to facilitate contact tracing; Software as a service [SaaS] featuring software for monitoring persons with possible exposure to a carrier of public health outbreaks to facilitate contact tracing; Software as a service [SaaS] featuring software for notifying persons of possible exposure to a carrier of an infectious disease to facilitate contact tracing; Software as a service [SaaS] featuring software for notifying persons of possible exposure to a carrier of public health outbreaks to facilitate contact tracing; Software as a service [SaaS] featuring software for recording and analyzing real-time location data for predicting the spread of an illness in a community; Software as a service [SaaS] featuring software for use as a spreadsheet; Software as a service [SaaS] featuring software for use with 3D printers; Software as a service [SaaS] featuring software using artificial intelligence for face and speech recognition; Software as a service [SaaS] featuring software using artificial intelligence for facial and speech recognition; Software as a service [SaaS] featuring software using artificial intelligence for use in facial and speech recognition; Software as a service [SaaS] featuring software using artificial intelligence for use in face and speech recognition; Software as a service [SaaS] featuring artificial intelligence software for face and speech recognition; Software as a service [SaaS] featuring artificial intelligence software for use in face and speech recognition; Software as a service [SaaS] featuring artificial intelligence software for facial and speech recognition; Software as a service [SaaS] featuring artificial intelligence software for use in facial and speech recognition; Software as a service [SaaS] featuring word processing software; Software as a service [SaaS] featuring software for use as a word processor; Software as a service [SaaS] featuring software for use in word processing; Software as a service [SaaS] for software regression testing; Software authoring; Software customization services; Software customisation services; Software customization; Software customisation; Customization of software; Customisation of software; Software design; Software design services; Design of software; Software design for others; Design of software for others; Computer software design for others; Software development; Software development services; Development of software; Software development for others; Development of software for others; Software development in the framework of third party game software publishing; Software development in the framework of software publishing; Software development, programming and implementation; Software engineering; Software engineering services; Software engineering consultancy for data processing; Software engineering services for data processing; Software engineering services for data processing programs; Software engineering services for data processing programmes; Software porting services; Software porting; Software portability services; Software portability; Software programming; Software programming services; Programming of software; Software repair; Repair of software; Software repair for computers; Repair of software for computers; Technical advice relating to operation of computers; Technical advisory services relating to computer programs; Technical advisory services relating to computer software; Technical consultancy in the field of digital forensic science; Technical consultancy services in the field of digital forensic science; Technical consultancy relating to computers; Technical consultancy relating to computer security; Technical consultancy relating to computer software; Technical consultancy relating to industrial design; Technical consultancy relating to product development; Technical consultancy relating to technology; Technical consultancy relating to technology information; Technical consultancy relating to the application and use of computer software; Technical consultancy relating to the design of computer hardware, software and computer peripherals; Technical consultancy relating to the installation and maintenance of computer programs; Technical consultancy relating to the installation and maintenance of computer software; Technical consultancy relating to the installation and maintenance of software; Technical consultancy relating to the use of computer hardware; Technical design; Technical design services; Technical research in the field of computers; Technical research in the field of computer vision; Technical research in the field of data processing; Technical research in the field of informatics; Technical support related to computers being installation and configuration of databases; Technical support services being monitoring of computer systems to detect breakdowns; Technical support

services being troubleshooting of computer systems to detect breakdowns; Technical support services for computer software; Computer software technical support services; Technical support services for software; Technical support services relating to computer software and applications; Technical support services relating to software and computer applications; Technical support services relating to computer systems; Technological advisory services relating to computer programs; Technological analysis services in the field of data processing; Technological consultancy; Technological consultancy services; Technological consultancy and information services in the field of computer networks and data transmission networks; Technological consultancy in the field of cybersecurity; Technological consultancy services in the field of cybersecurity; Technological consultancy relating to computers; Technological consultancy services for digital transformation; Technological consulting services for digital transformation; Technological consultancy for digital transformation; Technological design services; Technological engineering analysis; Technological project studies; Technological research; Technological research advisory; Advisory services relating to technological research; Technological research consultancy; Consultancy in the field of technological research; Consultancy services relating to technological research; Technological research in the field of computers; Technological research in the field of data processing; Technological research in the field of informatics; Technological research in the field of mobile telephone screen fingerprint recognition; Technological research in the field of cell phone screen fingerprint recognition; Technological research in the field of cellular phone screen fingerprint recognition; Technological research in the field of mobile phone screen fingerprint recognition; Technological research in the field of cellular telephone screen fingerprint recognition; Technological research in the field of smartphone screen fingerprint recognition; Technological research relating to computers; Technological research relating to patent mapping; Technological services and research and design relating thereto; Technological studies; Technology consultancy services in the field of artificial intelligence; Technology monitoring and inspection; Technology services for securing computer data; Technology services for securing financial information; Technology services for securing personal information; Telecommunication network security consultancy; Telecommunications engineering; Telecommunications engineering services; Telecommunications technology consultancy; Consultancy in the field of telecommunications technology; Computer program testing; Computer programme testing; Testing of computer software; Computer software testing; Tool design; Transfer of images from their original format to digital format; Troubleshooting in the nature of diagnosing computer hardware and software problems [technical support services]; Troubleshooting in the nature of diagnosing computer hardware problems [technical support services]; Troubleshooting in the nature of diagnosing problems with consumer electronics; Troubleshooting of computer software problems [technical support]; Troubleshooting of computer software problems; Technical support services, namely, troubleshooting of computer software problems; Troubleshooting services for data communication systems; Unlocking of mobile telephones; Unlocking of cell phones; Unlocking of cellular phones; Unlocking of cellular telephones; Updating and maintenance of computer software; Maintenance and updating of computer software; Updating and maintenance of websites for others; Updating of computer database software; Updating of database software; Updating of computer software for databases; Updating of computer programs; Updating of computer programmes; Computer program updating services; Computer program updating; Computer programme updating services; Computer programme updating; Updating of computer software; Computer software updating; Computer software updating services; Updating of software; Updating computer software; Updating of computer software relating to computer security and prevention of computer risks; Updating of home pages for computer networks; Updating of home pages for others; Updating home pages for others; Updating of Internet pages; Updating of marine charts; Marine chart updating; Updating of smartphone software; Updating of software for communication systems; Updating of software for data processing; Updating of data processing software; Updating of websites; Updating of web sites; Updating websites for others; Updating web sites for others; Upgrading and maintenance of computer software; Maintenance and upgrading of computer software; Upgrading of computer software; Computer software upgrading; User authentication services using biometric hardware and software technology for managing identification of things; User authentication services using biometric hardware and software technology for password management; User authentication services using biometric hardware and software technology for point-of-sale transactions; User authentication services using biometric hardware and software technology for secure entry and exit door access; User authentication services using biometric hardware and software technology for social media; User authentication services using blockchain-based software technology for cryptocurrency transactions; User authentication services using blockchain technology; User authentication services using single sign-on technology for online software applications; User authentication services using single sign-on technology for on-line software applications; User authentication services using technology for e-commerce transactions; Vehicle design services; Design of vehicles; Vehicle design; Verification of personal identification [computer security]; Video game development services; Virtual testing of new product designs using computer simulations; Visual design; Watch design; Design of watches; Watch design services; Designing of watches; Web crawling services; Web design; Web design services; Web page design services; Web page design; Design of web pages; Design of webpages; Web portal services [designing or hosting]; Web scraping services; Web harvesting services; Web data extraction services; Website design consultancy; Web site design consultancy; Web site design consultancy services; Website design consultancy services; Website design for others; Web site design for others; Website design services; Website design; Design of websites; Design of web sites; Web site design; Web site design services; Website design services provided on an outsourcing basis; Web site design services provided on an outsourcing basis; Web site

development services; Website development services; Development of web sites; Development of websites; Website load testing services; Web site load testing services; Website usability testing services; Web site usability testing services; Writing and updating of computer software; Writing and updating computer software; Computer software writing and updating; Writing of computer programs; Writing of computer programmes; Writing of computer software; Writing of data processing programs; Writing of data processing programmes.

PAYMENTS NETWORK MALAYSIA SDN. BHD. ; Level 8, Menara Southpoint @ Mid Valley City, Medan Syed Putra Selatan, 59200 Kuala Lumpur, MALAYSIA

AGENT : Kamal Wati Binti Aminnudin, Shimark IP Sdn Bhd No. 28-A, Tingkat 1(2) Jalan Tun Tan Siew Sin Kuala Lumpur, 50050 Kuala Lumpur

CLASS : 42

TM2024041743 31 December 2024

Computer technology consultancy in the field of software for enterprise resource planning [ERP]; Computer technology services provided on an outsourcing basis; Computer website design; Computer web site design; Design of computer websites; Design of computer web sites; Conducting technical project surveys; Conducting technological project studies; Configuration, installation, fault diagnosis, repair, upgrading and maintenance of computer software; Configuration of computer hardware using software; Configuration of computer networks; Computer network configuration services; Computer network configuration; Configuration of computer networks using software; Configuring computer networks by means of software; Configuration of computer networks by software; Configuration of computer software; Configuration of computer systems and networks; Consultancy and information services relating to computer programming; Consultancy and information services relating to computer software design; Consultancy and information services relating to computer system integration; Consultancy and information services relating to information technology; Consultancy and information services relating to information technology architecture and infrastructure; Consultancy and information services relating to the design, programming and maintenance of computer software; Consultancy and information services relating to the maintenance of computer software; Consultancy and information services relating to the rental of computer software; Consultancy and research in the field of quantum algorithms; Consultancy and research in the field of quantum computing; Consultancy and research in the field of quantum engineering; Consultancy and research in the field of quantum programming; Consultancy and research in the field of quantum technology; Consultancy in the field of cloud computing networks and applications; Consultancy services in the field of cloud computing applications and networks; Consulting in the field of cloud computing networks and applications; Consulting services in the field of cloud computing applications and networks; Consultancy in the field of computer and computer network security; 3D scanning services; Administration of user rights in computer networks; Administration of websites for others; Administration of websites for third parties; Administration of web sites for others; Administration of web sites for third parties; Computer software consultancy and development; Consultancy and development services relating to computer software; Advice relating to the design of computer software; Advisory and consultancy services relating to computer software; Advisory and consultancy services relating to the design and development of computer hardware; Advisory and information services relating to computer software; Advisory and information services relating to the design and development of computer hardware; Advisory and information services relating to the design and development of computer peripherals; Advisory services in the field of cloud computing networks and applications; Advice in the field of cloud computing applications and networks; Advisory services in the field of computer hardware design; Advisory services in the field of computer system analysis; Advisory services in the field of computer systems analysis; Advisory services in the field of computer system design; Advisory services in the field of computer systems design; Advisory services in the field of deploying cloud computing environments in the field of infrastructure as a service [IaaS]; Advice in the field of deploying cloud computing environments in the field of infrastructure as a service [IaaS]; Advisory services in the field of deploying cloud storage environments in the field of infrastructure as a service [IaaS]; Advice in the field of deploying cloud storage environments in the field of infrastructure as a service [IaaS]; Advisory services in the field of product development and quality improvement of software; Advisory services relating to computer system analysis; Advisory services relating to computer systems analysis; Advisory services relating to computer system design; Advisory services relating to computer systems design; Advice relating to the design of computer hardware; Advisory services relating to computer hardware design; Analysis and evaluation of product design; Analysis and evaluation of product development; Analysis and evaluation of products and services with respect to possible future applications; Analysis of product design; Analysis of product development; Analysis of statistical data for scientific research; Analysis of technical data; Artificial intelligence consultancy; Artificial intelligence technology services provided on an outsourcing basis; Art work design; Design of artwork; Design services for artwork; Assessing information technology security and vulnerability of computers and networks; Authentication of electronic documents and e-mails; Authenticating of electronic documents and e-mails; Authentication

services for electronic documents and e-mail; Authentication services for electronic documents and e-mails; Authentication services for computer security; Authentication services [product certification services]; Authentication services [verification of the characteristics of goods]; Authentication services [verification of the characteristics of merchandise]; Authentication services [verification of the characteristics of products]; Back-up (copying) of computer data; Backup services for computer hard drive data; Back-up services for computer hard drive data; Blockchain-as-a-service [BaaS]; Blockchain as a service [BaaS] for creating and managing cyber pets authenticated by non-fungible tokens [NFTs]; Blockchain as a service [BaaS] for creating and managing unique graphics authenticated by non-fungible tokens [NFTs]; Blockchain as a service [BaaS] for creating and managing virtual goods authenticated by non-fungible tokens [NFTs]; Brand design services; Brand design; Building and maintaining websites; Building and maintaining web sites; Certification of data via blockchain; Certification of data via blockchain technology; Cloud-based data protection services; Cloud computing; Cloud computing services; Cloud computing consultancy; Cloud computing consulting; Consultancy in the field of cloud computing; Consulting in the field of cloud computing; Consultancy services in the field of cloud computing; Consulting services in the field of cloud computing; Cloud-hosted data protection services; Cloud seeding; Commissioned writing of computer programs, software and code for the creation of web pages on the Internet; Commissioned writing of computer programmes, software and code for the creation of web pages on the Internet; Communications system design; Design of communication systems; Compilation of computer programs; Compilation of computer programmes; Compilation of web pages for the Internet; Computer-aided design; Computer-aided design services; Computer analysis; Computer analysis services; Computer and internet security consultancy and data encryption services; Computer and technology services for securing computer data; Computer and technology services for securing personal and financial information; Computer and technology services for the detection of unauthorized access to data and information; Computer code conversion for others; Computer data backup and conversion services; Computer design of graphic representation programs; Computer disaster recovery planning; Computer disaster recovery planning services; Computer engineering project management services; Computer graphic design; Computer graphic design services; Computer graphics design; Computer graphics design services; Design of computer graphics; Computer graphic design for video projection mapping; Computer hardware and software testing services; Computer software and hardware testing services; Computer hardware design; Computer hardware design services; Design of computer hardware; Designing of computer hardware; Design services for computer hardware; Computer hardware testing; Testing of computer hardware; Computerized business information storage; Computerized data storage services; Computerised data storage services; Computerised data storage; Computerized user authentication services in e-commerce transactions; Computerised user authentication services in e-commerce transactions; Computer network design for others; Computer program advisory services; Computer program customization services; Computer program customisation services; Customization of computer program; Customisation of computer program; Computer program design and development for others; Computer program design to the specifications of others; Computer programme design to the specifications of others; Designing computer programmes to the specifications of others; Designing computer programs to the specifications of others; Computer program development for others; Development of computer programs for others; Computer program engineering; Computer programming; Computer programming services; Computer programming and computer program design; Computer programming and computer software design; Computer programming and design of computer software; Computer programming and software design; Computer programming and design of software; Computer programming being programming of software to the specifications of others; Computer programming consultancy for data processing; Computer programming for data duplication; Computer programming for the analysis of data; Computer programming for data analysis; Computer programming services for the analysis of data; Computer programming services for data analysis; Computer programming for the analysis of technical data; Computer programming for technical data analysis; Computer programming services for the analysis of technical data; Computer programming services for technical data analysis; Computer programming for the energy industry; Computer programming for the medical sector; Computer programming in the medical field; Computer programming of computer software for scanning or reading a bar code via computer networks; Computer software programming for scanning or reading a bar code via computer networks; Programming of computer software for scanning or reading a bar code via computer networks; Computer programming of computer software for scanning or reading a bar code via mobile devices; Computer software programming for scanning or reading a bar code via mobile devices; Programming of computer software for scanning or reading a bar code via mobile devices; Computer programming of computer software for scanning or reading a QR code via computer networks; Computer software programming for scanning or reading a QR code via computer networks; Programming of computer software for scanning or reading a QR code via computer networks; Computer programming of computer software for scanning or reading a QR code via mobile devices; Computer software programming for scanning or reading a QR code via mobile devices; Programming of computer software for scanning or reading a QR code via mobile devices; Computer programming of computer software for scanning or reading a quick response code via computer networks; Computer software programming for scanning or reading a quick response code via computer networks; Programming of computer software for scanning or reading a quick response code via computer networks; Computer programming of computer software for scanning or reading a quick response code via mobile devices; Computer software programming for scanning or reading a quick response code via mobile devices; Programming of computer software for scanning or reading a quick response code via mobile devices;

Computer programming of computer software for scanning or reading RFID tags via computer networks; Computer software programming for scanning or reading RFID tags via computer networks; Programming of computer software for scanning or reading RFID tags via computer networks; Computer programming of computer software for scanning or reading RFID tags via mobile devices; Computer software programming for scanning or reading RFID tags via mobile devices; Programming of computer software for scanning or reading RFID tags via mobile devices; Computer programming of smart contracts on a blockchain; Computer programming of software for scanning or reading a bar code via computer networks; Computer programming of software for scanning or reading a bar code via mobile devices; Computer programming of software for scanning or reading a QR code via computer networks; Computer programming of software for scanning or reading a QR code via mobile devices; Computer programming of software for scanning or reading a quick response code via computer networks; Computer programming of software for scanning or reading a quick response code via mobile devices; Computer programming of software for scanning or reading RFID tags via computer networks; Computer programming of software for scanning or reading RFID tags via mobile devices; Computer programming services for commercial analysis and reporting; Computer programming services for data processing; Computer programming for data processing; Computer programming services for data warehousing; Computer programming services for electronic data security; Computer programming services for the protection of software; Computer project management in the field of electronic data processing [EDP]; Computer project management in the field of electronic data processing; Computer project management in the field of EDP; Computer project management services; Computer rental; Computer rental services; Rental of computers; Computer security consultancy; Consultancy in the field of computer security; Computer security consultancy services; Computer security consultancy in the field of scanning of computers and networks to assess information security vulnerability; Computer security consulting services in the field of scanning of computers and networks to assess information security vulnerability; Computer security services; Computer security services [design and development of secure computer hardware, software and systems]; Computer security services for managing digital certificates; Computer security services in the nature of managing digital certificates; Computer security services for protection against illegal network access; Computer security services in the nature of providing authentication, issuance, validation and revocation of digital certificates; Computer security services in the nature of providing authentication, issuance, validation and revocation of digital keys; Computer security services in the nature of administering digital certificates; Computer security services [programming and software installation, repair and maintenance services]; Computer security services provided on an outsourcing basis; Computer security services [testing and risk assessment of computer networks]; Computer security system monitoring services; Computer security threat analysis for protecting data; Computer services for securing computer data; Computer services for securing financial information; Computer services for securing personal information; Computer services in connection with electronic data storage; Computer services concerning electronic data storage; Computer services, namely, creating computer network-based indexes of information, websites and resources; Computer site design; Computer site design services; Design of computer sites; Computer software advisory services; Advisory services relating to computer software; Computer software as a service provided on an outsourcing basis; Computer software consultancy; Software consultancy services; Software consulting services; Consultancy in the field of computer software; Computer software consulting; Software consultancy; Computer software customization services; Customization of computer software; Customizing computer software; Computer software customisation services; Computer software customization; Computer software customisation; Customisation of computer software; Computer software design; Computer software design services; Design of computer software; Design services relating to computer software; Services for designing computer software; Services for the design of computer software; Computer software design and development for others; Computer software development; Computer software development and computer programming development for others; Computer software development for others; Development of computer software for others; Computer software development in the field of mobile applications; Computer software engineering; Computer software integration services; Computer software programming; Computer software programming services; Programming of computer software; Computer software repair; Repair of computer software; Computer software support services; Computer support services [programming and software installation, repair and maintenance services]; Computer support services being installation, repair, maintenance and programming of software; Computer system analysis; Computer systems analysis; Computer systems analyses; Computer systems analysis services; Computer system analysis services; Design of computer systems; Computer system design services; Computer systems design services; Computer system design and analysis; Design and analysis of computer systems; Computer systems design and analysis; Computer system design using agile development methods; Computer systems integration services; Computer system integration services; Computer technology consultancy; Consultancy in the field of computer technology; Design, installation, updating and maintenance of computer software; Design, maintenance and updating of computer software; Design, updating and maintenance of computer software; Maintenance, updating and design of computer software; Design, maintenance, rental and updating of computer software; Computer software design, maintenance, rental and updating; Design, maintenance, rental and updating of software; Software design, maintenance, rental and updating; Design of computer codes; Designing computer codes; Design of computer databases; Database design; Computer database design; Database design services; Computer database design services; Design of computer database software; Design of computer firmware; Computer firmware design; Design of computer game

software; Computer game software design; Design of computer hardware and software; Computer hardware and software design; Computer software and hardware design; Computer hardware and software design services; Computer software and hardware design services; Design of computer hardware and software for commercial analysis and reporting; Design of computer hardware, software and computer peripherals; Computer network design; Design of computer peripherals; Design of computer peripheral devices; Design of computer programs; Design of computer programmes; Computer program design; Computer programme design; Computer program design services; Computer programme design services; Design of computer programs and software relating to aircraft; Design of computers; Computer design; Computer design services; Information technology consultancy relating to installation, maintenance and repair of software; Information technology consultancy relating to the installation, maintenance and repair of software; Information technology consultancy relating to the installation of software; Information technology consultancy relating to maintenance of software; Information technology consultancy relating to the maintenance of software; Information technology consultancy relating to repair of software; Information technology consultancy relating to the repair of software; Information technology engineering; Engineering services relating to information technology; Information technology engineering services; Information technology [IT] engineering; Information technology [IT] services being computer hardware, software and peripherals design and technical consultancy; Information technology [IT] services [computer hardware, software and peripherals design and technical consultancy]; Information technology [IT] services relating to the installation, maintenance and repair of software; Information technology services relating to the installation, maintenance and repair of software; IT services relating to the installation, maintenance and repair of software; Information technology [IT] support services [installation, maintenance and repair of software]; Information technology support services [installation, maintenance and repair of software]; Information technology [IT] support services [installation of software]; Information technology support services [installation of software]; Information technology support services [maintenance of software]; Information technology [IT] support services [repair of software]; Information technology support services [repair of software]; Information technology [IT] support services [troubleshooting of software]; Information technology restoration services in the field data and applications; Information technology services provided on an outsourcing basis relating to the installation, maintenance and repair of software; Outsourced IT services relating to the installation, maintenance and repair of software; Infrastructure as a service [IaaS]; Providing non-downloadable computer software for implementing a computer programming language in the field of machine learning; Providing non-downloadable computer software for performing numerical computation using data flow graphs; Providing non-downloadable computer software for performing numerical computation using data flow graphs in the field of artificial intelligence; Providing non-downloadable computer software for performing numerical computation using data flow graphs in the field of deep learning; Providing non-downloadable computer software for performing numerical computation using data flow graphs in the field of high performance computing; Providing non-downloadable computer software for performing numerical computation using data flow graphs in the field of machine learning; Providing non-downloadable computer software for use in communications between computers; Providing non-downloadable computer software for use in communications between computers in the field of artificial intelligence; Providing non-downloadable computer software for use in communications between computers in the field of deep learning; Providing non-downloadable computer software for use in communications between computers in the field of high performance computing; Providing non-downloadable computer software for use in communications between computers in the field of machine learning; Providing non-downloadable computer software for use in converting user-defined data from one computer format to another; Providing non-downloadable computer software for use in converting user-defined data from one computer format to another in the field of artificial intelligence; Providing non-downloadable computer software for use in converting user-defined data from one computer format to another in the field of deep learning; Providing non-downloadable computer software for use in converting user-defined data from one computer format to another in the field of high performance computing; Providing non-downloadable computer software for use in converting user-defined data from one computer format to another in the field of machine learning; Providing non-downloadable computer software for use in graphics display; Providing non-downloadable computer software for use in graphics display in the field of artificial intelligence; Providing non-downloadable computer software for use in graphics display in the field of deep learning; Providing non-downloadable computer software for use in graphics display in the field of high performance computing; Providing non-downloadable computer software for use in graphics display in the field of machine learning; Providing non-downloadable computer software for use in input/output communications between computers and users; Providing non-downloadable computer software for use in input/output communications between computers and users in the field of artificial intelligence; Providing non-downloadable computer software for use in input/output communications between computers and users in the field of deep learning; Providing non-downloadable computer software for use in input/output communications between computers and users in the field of high performance computing; Research, design and development of information and communications technology; Research, design and development of software for communication systems; Research, design and development of software for data management; Research, design and development of software for managing data; Research, design and development services relating to communication systems; Research, design and development services relating to computer programs; Research, design and development services relating to computers; Research, design and development services relating to computer systems; Research, design and development services relating to network interfaces; Research, design and

development services relating to software application solutions; Research, development, analysis and consultancy services in the field of engineering; Research, development and design of computer software; Research, development, design and updating of computer programs; Research, development, design and updating of computer software; Research, development, design and upgrading of computer programs; Research, development, design and upgrading of computer software; Research, development, design and upgrading of software; Research in the field of communications technology; Research in the field of computer hardware; Research services in the field of computer hardware and software; Research in the field of computer hardware and software; Research services in the field of computer hardware and software; Research in the field of computer programs and software; Research in the field of computer programmes and software; Research in the field of computers; Research in the field of computer security; Research in the field of computer software; Computer software research; Software research; Research in the field of computer technology conducted using databases and the Internet; Research in the field of cybersecurity; Research in the field of data processing; Design of computers and computer software for commercial analysis and reporting; Computer-simulated model design services; Design of computer-simulated models for 3D printing; Computer-simulated model design for 3D printing; Computer-simulated model design services for 3D printing; Design of computer software and systems; Design of computer software, computer firmware, computer hardware and computer systems; Design of computer software for controlling self-service terminals; Designing computer software for controlling self-service terminals; Design of computer software for data processing; Design of data processing software; Design of computer software for word processing; Design of word processing software; Design of consumer products; Consumer product design; Consumer product design services; Designing of data processing systems; Design services relating to data processing systems; Data processing system design; Design of data storage systems; Design of face recognition software; Design of facial recognition software; Design of home pages; Design of homepages; Homepage design; Homepage design services; Home page design; Home page design services; Design of homepages and Internet pages; Design of home pages and Internet pages; Design of homepages and web pages; Design of home pages and web pages; Homepage and webpage design; Design of homepages and websites; Design of homepages and web sites; Design of home pages and websites; Design of home pages and web sites; Design of homepages, computer software and websites; Design of homepages, computer software and web sites; Design of home pages, computer software and web sites; Installation and customization of computer applications software; Installation and customisation of computer applications software; Installation and customization of computer software applications; Installation and customisation of computer software applications; Installation and maintenance of computer programs; Installation and maintenance of computer software; Installation and maintenance of software; Maintenance and installation of software; Maintenance and installation of computer software; Software installation and maintenance; Computer software installation and maintenance; Installation and maintenance of software for Internet access; Installation and maintenance of Internet access software; Installation, maintenance and repair of computer programs; Installation, maintenance and repair of computer software; Installation, maintenance and repair of software; Installation, maintenance and repair of software for computer systems; Installation, maintenance and updating of computer programs; Installation, maintenance and updating of computer software; Installation, maintenance and updating of software; Installation, maintenance and updating of database software; Installation, maintenance, repair and servicing of computer programs; Installation, maintenance, repair and servicing of computer software; Installation, maintenance, repair and servicing of software; Installation, maintenance, updating and upgrading of computer software; Installation of computer programs; Installation of computer programmes; Installation of computer software; Computer software installation; Installation of software; Installation of database software; Installation of firmware; Installation of middleware [software]; Installation of software for computer systems; Installation of software for Internet access; Installation of Internet access software; Installation, repair and maintenance of computer programs; Installation, repair and maintenance of computer software; Installation, repair and maintenance of software; Installation, repair and maintenance of firmware; Firmware installation, repair and maintenance; Installation, repair and maintenance of middleware [software]; Installation, repair, maintenance and updating of computer software; Installation, updating and maintenance of computer programs; Installation, updating and maintenance of computer software; Installation, updating and maintenance of software; Providing non-downloadable computer software for use in input/output communications between computers and users in the field of machine learning; Providing non-downloadable computer software for use in manipulation of collections of user-defined data; Providing non-downloadable computer software for use in manipulation of collections of user-defined data in the field of artificial intelligence; Providing non-downloadable computer software for use in manipulation of collections of user-defined data in the field of deep learning; Providing non-downloadable computer software for use in manipulation of collections of user-defined data in the field of high performance computing; Providing non-downloadable computer software for use in manipulation of collections of user-defined data in the field of machine learning; Providing non-downloadable computer software for use in modeling in the field of artificial intelligence; Providing non-downloadable computer software for use in modeling in the field of deep learning; Providing non-downloadable computer software for use in modeling in the field of high performance computing; Providing non-downloadable computer software for use in modeling in the field of machine learning; Providing non-downloadable computer software for use in testing; Providing non-downloadable computer software for use in testing in the field of artificial intelligence; Providing non-downloadable computer software for use in testing in the field of deep learning; Providing non-

downloadable computer software for use in testing in the field of high performance computing; Providing non-downloadable computer software for use in testing in the field of machine learning; Providing non-downloadable computer software libraries for use in general purpose computation of large datasets; Providing non-downloadable computer software libraries for use in general purpose computation of large datasets in the field of artificial intelligence; Providing non-downloadable computer software libraries for use in general purpose computation of large datasets in the field of deep learning; Providing non-downloadable computer software libraries for use in general purpose computation of large datasets in the field of high performance computing; Providing non-downloadable computer software libraries for use in general purpose computation of large datasets in the field of machine learning; Providing non-downloadable gambling software; Provision of non-downloadable gambling software; Providing non-downloadable gambling software applications for use with mobile computers; Provision of non-downloadable gambling software applications for use with mobile computers; Providing non-downloadable game software applications for use with mobile computers; Provision of non-downloadable game software applications for use with mobile computers; Providing non-downloadable game software applications for use with mobile telephones; Providing non-downloadable game software applications for use with cellular phones; Providing non-downloadable game software applications for use with cell phones; Research in the field of information technology; Industrial product design services; Design of information systems; Design of information technology infrastructure for others; Design of Internet pages; Internet page design services; Internet page design; Design of new products; New product design; New product design services; Design of online social networking software; Design of on-line social networking software; Design of operating system software; Design of programs for data processing; Design of data processing programmes; Design of programmes for data processing; Design of data processing programmes; Integration of computer systems and networks; Integration of computer systems and computer networks; Interactive hosting services which allow the users to publish and share their own content and images on-line; Interactive hosting services which allow the users to publish and share their own content and images online; Internet portal services [designing or hosting]; Internet security consultancy; Internet security services provided on an outsourcing basis; IT consultancy, advisory and information services; IT programming services; IT security services in the nature of protection and recovery of computer data; IT services for data protection; Information technology services for data protection; Providing non-downloadable game software applications for use with mobile phones; Providing non-downloadable game software applications for use with cellular telephones; Provision of non-downloadable game software applications for use with mobile telephones; Provision of non-downloadable game software applications for use with cellular phones; Provision of non-downloadable game software applications for use with cell phones; Provision of non-downloadable game software applications for use with mobile phones; Provision of non-downloadable game software applications for use with cellular telephones; Providing non-downloadable game software applications for use with tablet computers; Provision of non-downloadable game software applications for use with tablet computers; Providing non-downloadable software on data networks; Provision of non-downloadable software on data networks; Providing on-line information about the design and development of computer hardware and software; Providing online information about the design and development of computer hardware and software; Providing on-line information in the field of technological research from a computer database or the Internet; Providing online information in the field of technological research from a computer database or the Internet; Providing online non-downloadable computer programs [application service provider]; Provision of online non-downloadable computer programs [application service provider]; Providing online non-downloadable computer programs being application service provider; Provision of online non-downloadable computer programs being application service provider; Providing online non-downloadable computer software; Providing on-line non-downloadable computer software; Provision of online non-downloadable computer software; Provision of on-line non-downloadable computer software; Providing online non-downloadable software; Providing on-line non-downloadable software; Provision of online non-downloadable software; Provision of on-line non-downloadable software; Providing online non-downloadable computer software for minting non-fungible tokens [NFTs]; Providing on-line non-downloadable computer software for minting non-fungible tokens [NFTs]; Provision of online non-downloadable computer software for minting non-fungible tokens [NFTs]; Provision of on-line non-downloadable computer software for minting non-fungible tokens [NFTs]; Consultancy in the field of computer programming; Computer programming consultancy; Consultancy relating to computer programming; Consultancy in the field of computer programming for data processing; Consultancy in the field of computer software design; Consultancy in the field of software design; Consultancy relating to computer software design; Consultancy in the field of computer system analysis; Consultancy in the field of computer systems analysis; Consultancy in the field of computer system integration; Consultancy in the field of deploying cloud computing environments in the field of infrastructure as a service [IaaS]; Consulting services in the field of deploying cloud computing environments in the field of infrastructure as a service [IaaS]; Consultancy in the field of deploying cloud storage environments in the field of infrastructure as a service [IaaS]; Consulting services in the field of deploying cloud storage environments in the field of infrastructure as a service [IaaS]; Consultancy in the field of security software; Consultancy in the field of software as a service [SaaS]; Consulting services in the field of software as a service [SaaS]; Consultancy in the field of technological design; Consultancy relating to computer database programs; Video game software design; Design, programming and maintenance of computer software; Design, updating and rental of computer software; Updating, design and rental of software; Design, upgrading and rental of computer software; Development and design of mobile applications; Development and maintenance of computer database

software; Development and maintenance of computer software; Development and maintenance of websites; Development and maintenance of web sites; Development and maintenance of websites for third parties; Development and maintenance of web sites for third parties; Logo design services; Design of logos; Maintenance and consultancy services relating to software used in the field of e-commerce; Maintenance and repair of computer software; Repair and maintenance of computer software; Maintenance and repair of software; Repair and maintenance of software; Maintenance and updating of software for communication systems; Maintenance and updating of software relating to quantum algorithms; Maintenance and updating of software relating to quantum computing; Maintenance and updating of software relating to quantum engineering; Maintenance and updating of software relating to quantum programming; Maintenance and updating of software relating to quantum technology; Maintenance of computer programs; Maintenance of computer programmes; Computer program maintenance services; Computer program maintenance; Computer programme maintenance services; Computer programme maintenance; Maintenance of computer programs relating to computer security and prevention of computer risks; Maintenance of computer sites; Maintenance of computer software; Maintenance of software; Software maintenance services; Computer software maintenance services; Computer software maintenance; Maintenance of computer software for data processing; Maintenance of data processing software; Maintenance of computer software relating to computer security and prevention of computer risks; Computer software maintenance relating to computer security and prevention of computer risks; Maintenance of databases being data encryption services; Maintenance of databases being recovery of computer data; Maintenance of database software; Maintenance of database systems; Maintenance of online databases being conversion of data or documents from physical to electronic media; Maintenance of on-line databases being conversion of data or documents from physical to electronic media; Maintenance of online databases being data backup and conversion services; Maintenance of on-line databases being data backup and conversion services; Maintenance of online databases being data encryption services; Providing online non-downloadable software for minting non-fungible tokens [NFTs]; Providing on-line non-downloadable software for minting non-fungible tokens [NFTs]; Provision of online non-downloadable software for minting non-fungible tokens [NFTs]; Provision of on-line non-downloadable software for minting non-fungible tokens [NFTs]; Providing online non-downloadable software [application service provider]; Provision of online non-downloadable software [application service provider]; Providing online non-downloadable software being application service provider; Provision of online non-downloadable software being application service provider; Providing on-line non-downloadable software for use in communication; Providing online non-downloadable software for use in communication; Providing on-line non-downloadable software for use in customer relationship management; Providing online non-downloadable software for use in customer relationship management; Providing on-line non-downloadable software for use in database management; Providing on-line non-downloadable software for database management; Providing on-line non-downloadable software for use in enterprise resource planning; Providing online non-downloadable software for use in enterprise resource planning; Providing on-line non-downloadable software for use in supply chain management; Providing online non-downloadable software for use in supply chain management; Providing on-line non-downloadable software for word processing; Providing online non-downloadable software for word processing; Providing online non-downloadable web-based applications; Provision of online non-downloadable web-based applications; Online provision of non-downloadable web-based applications; Providing online non-downloadable web-based software; Provision of online non-downloadable web-based software; Online provision of non-downloadable web-based software; Online provision of web-based software [non-downloadable]; Providing online support services for computer program users; Providing on-line support services for computer program users; Provision of online support services for computer program users; Provision of on-line support services for computer program users; Providing online trading platform for brokerage; Providing online trading platform for securities brokerage; Providing online trading platform for trade claims brokerage; Providing quality assurance in the field of computer software; Consultancy relating to computer database programmes; Product development consultancy; Product development consultancy; Consultancy relating to software for communication systems; Consultancy relating to the creation and design of websites; Consultancy relating to the creation and design of web sites; Consultancy relating to the creation and design of websites for e-commerce; Consultancy relating to the creation and design of web sites for e-commerce; Consultancy relating to the creation of homepages and Internet pages; Consultancy relating to the creation of home pages and Internet pages; Consultancy relating to the design and development of computer database programs; Consultancy relating to the design and development of computer database programmes; Consultancy relating to the design and development of computer programs; Consultancy relating to the design and development of computer programmes; Consultancy relating to the design and development of computer software; Consultancy relating to software design and development; Consultancy relating to the design and development of computer software and hardware architecture; Consultancy relating to the design and development of computer software programmes; Consultancy relating to the design and development of information and communications technology; Consultancy relating to the design of homepages and Internet pages; Consultancy relating to the design of home pages and Internet pages; Consultancy with regard to the design of homepages and Internet pages; Consultancy relating to the design of homepages and Internet sites; Consultancy relating to the design, programming and maintenance of computer software; Consultancy relating to the maintenance of computer software; Consultancy relating to computer software maintenance; Consultancy relating to software maintenance; Consultancy relating to the recovery of computer data; Development and testing of computer software; Development and

testing of software; Development and testing of computing methods, algorithms and software; Development and testing of computing methods, algorithms and software for generating telecommunication and navigation data; Development and testing of computing methods, algorithms and software for processing telecommunication and navigation signals; Development and testing services in the field of engineering; Development and updating of computer software; Development, design and updating of home pages; Development of computer databases; Development of computer database software; Development of computer firmware; Development of computer games; Development of computer game software; Computer game software development; Development of computer hardware; Computer hardware development; Computer hardware development services; Development of computer hardware for computer games; Development of computer languages; Development of computer peripherals; Development of computer platforms; Development of computer programs; Development of computer programmes; Development of computer programs and computer game software; Development of computer programmes and computer game software; Development of computers; Computer development; Computer development services; Development of computer software application solutions; Development of computer software for creating electronic television program guides; Development of computer software for creating electronic television programme guides; Development of computer software for data processing; Development of computer software for logistics, supply chain management and e-business portals; Maintenance of on-line databases being data encryption services; Maintenance of online databases being data security services; Maintenance of on-line databases being data security services; Maintenance of online databases being monitoring of database systems to detect breakdowns; Maintenance of on-line databases being monitoring of database systems to detect breakdowns; Maintenance of online databases being off-site data backup; Maintenance of databases being off-site data backup; Maintenance of on-line databases being off-site data backup; Maintenance of online databases being recovery of computer data; Maintenance of on-line databases being recovery of computer data; Maintenance of software for communication systems; Maintenance of software for computer systems; Maintenance of software for Internet access; Maintenance of Internet access software; Maintenance of software used in the field of e-commerce; Maintenance of websites; Maintenance of web sites; Web site maintenance; Website maintenance; Website maintenance services; Managing websites for others; Managing web sites for others; Managing websites for third parties; Managing web sites for third parties; Providing search engines for obtaining data on a global computer network; Providing search engines for obtaining data via communications networks; Providing search engines for the internet; Provision of search engines for the Internet; Provision of Internet search engines; Providing Internet search engines; Consultancy relating to the selection, implementation and use of computer programs; Consulting services with respect to selection, implementation and use of computer programs; Consultancy relating to the selection, implementation and use of computer software; Consulting services with respect to selection, implementation and use of computer software; Consultancy relating to the updating of computer software; Consultancy relating to the updating of software; Consultancy relating to web page design; Consultancy with regard to webpage design; Consultancy services in the field of design, selection, implementation and use of computer hardware and software systems; Consulting services in the field of design, selection, implementation and use of computer hardware and software systems; Consultancy services in the field of technological development; Consultancy services relating to software used in the field of e-commerce; Consultancy services relating to the design, development and use of computer hardware and software; Consultancy services relating to the design, development and use of computer hardware and computer software; Conversion of computer programs, other than physical conversion; Conversion of computer programs other than physical conversion; Conversion of data or documents from physical to electronic media; Conversion of data, other than physical conversion; Conversion of data other than physical conversion; Data conversion services, other than physical conversion; Data conversion services other than physical conversion; Conversion of document data from one computer format to another; Conversion of documents from physical to electronic media; Conversion of images from physical to electronic media; Conversion of texts to digital format; Copying of computer programs; Copying of computer programmes; Copying of computer software; Cosmetic research; Development of computer software for others for use in measuring, monitoring, and evaluating demonstrative data of physiological expressions and signals; Development of computer software for use with computer-controlled switching systems; Development of computer software for use with programmable controllers; Development of computer software for word processing; Development of word processing software; Computer systems development; Development of consumer products; Development of databases; Development of data processing apparatus; Development of data processing systems; Development of systems for data processing; Development of systems for the processing of data; Development of data programs; Development of data storage systems; Development of systems for the storage of data; Development of data transmission systems; Development of systems for the transmission of data; Development of diagnostic apparatus; Development of driver software; Development of engineering products; Development of new products; New product development; New product development services; Development of new technology for others; Development of operating system software; Development of programs for computers; Development of programs for data processing; Development of data processing programs; Development of programmes for data processing; Development of data processing programmes; Development of software for communication systems; Development of software for multimedia data storing and recalling; Development of software for secure network operations; Development of testing apparatus for electrical wires; Development of testing methods; Development of video and computer games; Development of computer and video games; Development of video games; Development of

video game software; Video game software development; Monitoring of computer system operation by remote access; Monitoring of computer systems by remote access; Monitoring of computer systems for detecting unauthorized access or data breach; Monitoring of computer systems for detecting unauthorized access or data breach; Monitoring of computer systems to detect breakdowns; Monitoring of erosion and sedimentation; Monitoring of industrial processes; Industrial process monitoring services; Providing temporary use of non-downloadable computer programs for gambling; Provision of temporary use of non-downloadable computer programs for gambling; Providing temporary use of non-downloadable computer programs for gaming; Provision of temporary use of non-downloadable computer programs for gaming; Providing temporary use of non-downloadable computer software; Providing temporary use of non-downloadable computer software for accounting; Providing temporary use of non-downloadable computer software for business; Providing temporary use of non-downloadable computer software for communication; Providing temporary use of non-downloadable computer software for financial analysis; Providing temporary use of non-downloadable computer software for financial planning for companies; Providing temporary use of non-downloadable computer software for financial purposes; Providing temporary use of non-downloadable computer software for financial reporting; Providing temporary use of non-downloadable computer software for gambling; Provision of temporary use of non-downloadable computer software for gambling; Providing temporary use of non-downloadable computer software for gaming; Provision of temporary use of non-downloadable computer software for gaming; Providing temporary use of non-downloadable computer software for managing spreadsheets; Providing temporary use of non-downloadable computer software for networking; Creating and designing website-based indexes of information for others [information technology services]; Creating and designing website-based indexes of information for others [information technology services] relating to personal service providers and couriers; Creating and designing website-based indexes of information [information technology services] relating to personal service providers and couriers; Creating and maintaining customized web pages; Creation and maintenance of customized web pages; Creating and maintaining electronic personal pages; Creating and maintaining weblogs [blogs] for others; Creating and maintaining weblogs for others; Creating and maintaining blogs for others; Creating and maintaining web pages; Creation and maintenance of web pages; Creating and maintaining websites for mobile telephones; Creating and maintaining web sites for cellular phones; Creating and maintaining web sites for mobile telephones; Creating and maintaining websites for cellular phones; Creating and maintaining web sites for mobile phones; Creating and maintaining websites for mobile phones; Creating and maintaining web sites for cellular telephones; Creating and maintaining web sites for cell phones; Creating and maintaining websites for cell phones; Creation and maintenance of websites for others; Creation and maintenance of web sites for others; Creating and maintaining web sites for others; Creating and maintaining websites for registered users to form virtual communities and engage in social networking services; Creating and maintaining websites for registered users to form virtual communities and engage in social networking services in the field of blockchain technology; Creating and maintaining web sites for registered users to form virtual communities and engage in social networking services in the field of blockchain technology; Creating and maintaining websites for registered users to form virtual communities and engage in social networking services in the field of education; Creating and maintaining websites for registered users to form virtual communities and engage in social networking services in the field of medical care; Creating and maintaining websites for registered users to form virtual communities and engage in social networking services in the field of music; Creating and maintaining websites for registered users to form virtual communities and engage in social networking services in the field of travel; Creating and maintaining websites for registered users to participate in discussions and get feedback from their peers; Creating and maintaining websites for registered users to participate in discussions and get feedback from their peers in the field of blockchain technology; Creating and maintaining web sites for registered users to participate in discussions and get feedback from their peers in the field of blockchain technology; Development, programming and rental of data processing programmes; Development, programming and rental of data processing programmes; Development services in the field of computer software and advisory services relating thereto; Development, updating and maintenance of software and database software; Development, updating and maintenance of software and database systems; Diagnosis of computer hardware problems through the use of software; Diagnosis of computer software problems; On-line data storage services; Online data storage services; Online support services for computer program users; On-line support services for computer program users; Outsourced services in the field of artificial intelligence; Outsourced services in the field of computer security; Outsourced services in the field of computer software; Outsourced services in the field of computer technology; Outsourced services in the field of internet security; Outsourced services in the field of telecommunications technology; Outsourced services in the field of website design; Outsourced services in the field of web site design; Packaging design; Design of packaging; Testing of computer operating system performance; Computer operating system performance testing; Computer performance testing; Performance testing of computer software; Testing of computer software performance; Computer software performance testing; Performance testing of software; Testing of software performance; Software performance testing; Providing temporary use of non-downloadable computer software for operations management; Providing temporary use of non-downloadable computer software for operative planning for companies; Providing temporary use of non-downloadable computer software for preparing invoices; Providing temporary use of non-downloadable computer software for project management; Providing temporary use of non-downloadable computer software for social networking; Providing temporary use of non-downloadable computer software for use in the automotive and vehicle

industries; Providing temporary use of non-downloadable computer software for use in the creation and publication of online journals and blogs; Providing temporary use of non-downloadable computer software for use in the creation and publication of on-line journals and blogs; Providing temporary use of non-downloadable computer software for use in vehicle appraisals; Providing temporary use of non-downloadable computer software for use in vehicle damage estimation; Providing temporary use of non-downloadable computer software for use in vehicle identification; Providing temporary use of non-downloadable computer software for use in vehicle loss valuation; Providing temporary use of non-downloadable computer software for use in vehicle repairs; Providing temporary use of non-downloadable computer software for use in vehicle repair workflow and tracking; Providing temporary use of non-downloadable software applications accessible via a website; Providing temporary use of non-downloadable software applications accessible via a web site; Providing temporary use of non-downloadable software for analyzing financial data and generating reports; Providing temporary use of non-downloadable software for developing computer games; Providing temporary use of non-downloadable computer game development software; Providing temporary use of non-downloadable software for developing online educational materials; Providing temporary use of non-downloadable software for developing video games; Providing temporary use of non-downloadable video game development software; Providing temporary use of non-downloadable software for enabling members of an online community to receive and access digital files authenticated by non-fungible tokens [NFTs]; Providing temporary use of non-downloadable software for enabling members of an on-line community to receive and access digital files authenticated by non-fungible tokens [NFTs]; Providing temporary use of non-downloadable software for enabling members of an online community to receive and access non-fungible tokens [NFTs]; Providing temporary use of non-downloadable software for enabling members of an online community to receive and access to cryptocurrency; Providing temporary use of non-downloadable software for enabling members of an on-line community to receive and access to cryptocurrency; Creating and maintaining websites for registered users to participate in discussions and get feedback from their peers in the field of education; Creating and maintaining websites for registered users to participate in discussions and get feedback from their peers in the field of medical care; Creating and maintaining websites for registered users to participate in discussions and get feedback from their peers in the field of music; Creating and maintaining websites for registered users to participate in discussions and get feedback from their peers in the field of travel; Creating an online community for registered users; Creating an on-line community for registered users; Creating an online community for registered users to form virtual communities and engage in social networking services; Creating an on-line community for registered users to form virtual communities and engage in social networking services; Creating an online community for registered users to form virtual communities and engage in social networking services in the field of blockchain technology; Creating an on-line community for registered users to form virtual communities and engage in social networking services in the field of blockchain technology; Disaster recovery services for data communications systems; Document data transfer from one computer format to another; Duplication of computer programs; Duplicating computer programs; Duplication of computer programmes; Duplicating computer programmes; Duplication of computer programs being software protection programs and security programs; Duplication of computer software; Editing of computer programs; Editing of computer programmes; Editing of software; Electronic cryptology services in the nature of digital certificate and digital signature verification services; Electronic cryptology services in the nature of electronic data encryption services; Electronic data backup; Electronic data back-up services; Electronic data log storage; Electronic storage of data logs; Electronic data storage; Electronic data storage services; Electronic storage of data; Electronic data storage and data backup services; Electronic data storage and data back-up services; Electronic data storage in virtual environments; Electronic megadata storage; Electronic big data storage; Electronic storage of megadata; Electronic storage of big data; Electronic monitoring of credit card activity to detect fraud via the internet; Planning, design, development and maintenance of online websites for third parties; Planning, design, development and maintenance of on-line web sites for third parties; Planning, design, development and maintenance of on-line websites for third parties; Planning, design, development and maintenance of online web sites for third parties; Providing temporary use of non-downloadable software for enabling members of an online community to receive and access to digital assets; Providing temporary use of non-downloadable software for enabling members of an on-line community to receive and access to digital assets; Providing temporary use of non-downloadable software for enabling members of an online community to receive and access to digital currency; Providing temporary use of non-downloadable software for enabling members of an on-line community to receive and access to digital currency; Providing temporary use of non-downloadable software for enabling members of an online community to receive and access to digital tokens; Providing temporary use of non-downloadable software for enabling members of an on-line community to receive and access to digital tokens; Providing temporary use of non-downloadable software for enabling members of an online community to spend and trade cryptocurrency; Providing temporary use of non-downloadable software for enabling members of an on-line community to spend and trade cryptocurrency; Providing temporary use of non-downloadable software for enabling members of an online community to spend and trade digital assets; Providing temporary use of non-downloadable software for enabling members of an on-line community to spend and trade digital assets; Providing temporary use of non-downloadable software for enabling members of an online community to spend and trade digital currency; Providing temporary use of non-downloadable software for enabling members of an on-line community to spend and trade digital currency; Providing temporary use of non-downloadable software for enabling members of an online community to spend and trade digital tokens; Providing temporary use of non-downloadable software

for enabling members of an on-line community to spend and trade digital tokens; Providing temporary use of non-downloadable software for enabling members of an online community to spend and trade non-fungible tokens [NFTs]; Providing temporary use of non-downloadable software for enabling members of an on-line community to spend and trade non-fungible tokens [NFTs]; Providing temporary use of non-downloadable software for enabling members of an online community to spend and trade non-fungible tokens; Providing temporary use of non-downloadable software for enabling members of an on-line community to spend and trade non-fungible tokens; Providing temporary use of non-downloadable software to enable content providers to track multimedia content; Providing temporary use of non-downloadable software to enable sharing of multimedia content and comments among users; Providing temporary use of on-line applications and software tools; Providing temporary use of online applications and software tools; Providing temporary use of online non-downloadable computer software for collecting, analyzing and organizing data in the field of deep learning; Providing temporary use of on-line non-downloadable computer software for collecting, analyzing and organizing data in the field of deep learning; Provision of temporary use of online non-downloadable computer software for collecting, analyzing and organizing data in the field of deep learning; Creating, designing and maintaining websites; Creating, designing and maintaining web sites; Creation, design and maintenance of websites; Creation, design and maintenance of web sites; Creating home pages for computer networks; Creating homepages for computer networks; Creation of home pages for computer networks; Creation of homepages for computer networks; Creating, maintaining and hosting the websites of others; Creating, maintaining and hosting the web sites of others; Creating, maintaining and hosting websites; Creating, maintaining and hosting web sites; Creating or maintaining websites for others; Creating or maintaining web sites for others; Creating programs for data and information processing; Creation and design of web pages for others; Creating and designing web pages for others; Creation and development of computer programs for data processing; Development and creation of computer programmes for data processing; Creation and hosting of web sites; Creation and maintenance of Internet sites; Creating and maintaining Internet sites; Creation and maintenance of software for blogs; Creation and maintenance of websites; Creating and maintaining web sites; Creation and maintenance of web sites; Creating and maintaining websites; Creation, design, development, and maintenance of web sites; Creation, maintenance and adaptation of software; Creation, maintenance, and updating of computer software; Creating, maintaining, and updating computer software; Creation of computer programs; Creating of computer programs; Creation of computer programmes; Creation of control programs for automated measurement, assembly, adjustment and related visualization; Creation of control programs for automated measurement, assembly, adjustment and related visualisation; Creation of digital animation for films, video and computer programs [digital content creation services]; Creation of internet websites; Creation of programs for data processing; Creation of data processing programs; Electronic monitoring of financial transactions and activities to detect suspicious, fraudulent or unlawful transactions and activities; Electronic monitoring of monetary and financial transactions to detect fraud via the internet; Electronic monitoring of personally identifying information to detect identity theft via the internet; Electronic monitoring services being IT security services in the nature of protection and recovery of computer data; Electronic monitoring services for computer security services for protection against illegal network access; Electronic monitoring services for computer security threat analysis for protecting data; Electronic security monitoring services in the nature of monitoring computer systems for data security purposes; Electronic signature verification services [electronic cryptology services]; Electronic signature verification services using technology to authenticate user identity; Electronic site authoring; Electronic storage and retrieval services for archiving biological data; Electronic storage of archived e-mails; Electronic storage of audio files; Electronic storage of business and financial information; Electronic storage of business information; Electronic storage of digital images; Electronic storage of medical records; Electronic storage of photographs; Electronic storage of videos; Electronic storage services for archiving databases; Electronic storage services for archiving databases, images and other electronic data; Electronic storage services for archiving electronic data; Encoding of digital images; Encoding of magnetic cards; Encryption, decryption and authentication of information, messages and data; Engineering and technical support services for the design and configuration of hardware and software systems for use in metal and plastic finishing operations; Product design; Product design services; Product design and development; Product design and development services; Product development; Product development services; Provision of temporary use of on-line non-downloadable computer software for collecting, analyzing and organizing data in the field of deep learning; Providing temporary use of on-line non-downloadable computer software for language translation; Providing temporary use of online non-downloadable computer software for the transmission of data; Providing temporary use of on-line non-downloadable computer software for the transmission of data; Providing temporary use of on-line non-downloadable computer software for use in broadcast monitoring applications; Providing temporary use of online non-downloadable computer software for use in broadcast monitoring applications; Providing temporary use of online non-downloadable development tools for computer software; Providing temporary use of on-line non-downloadable development tools for computer software; Providing temporary use of online non-downloadable development tools for quantum programs; Providing temporary use of on-line non-downloadable development tools for quantum programs; Providing temporary use of online non-downloadable development tools for quantum algorithms; Providing temporary use of on-line non-downloadable development tools for quantum algorithms; Providing temporary use of on-line non-downloadable investment software; Providing temporary use of online non-downloadable investment

software; Providing temporary use of on-line non-downloadable operating software for accessing and using a cloud computing network; Providing temporary use of online non-downloadable operating software for accessing and using a cloud computing network; Providing temporary use of on-line non-downloadable operating software for computer networks and servers; Providing temporary use of online non-downloadable operating software for computer networks and servers; Providing temporary use of online non-downloadable software; Providing temporary use of on-line non-downloadable software development tools; Providing temporary use of online non-downloadable software for collecting, analyzing and organizing data in the field of deep learning; Providing temporary use of on-line non-downloadable software for collecting, analyzing and organizing data in the field of deep learning; Provision of temporary use of online non-downloadable software for collecting, analyzing and organizing data in the field of deep learning; Provision of temporary use of on-line non-downloadable software for collecting, analyzing and organizing data in the field of deep learning; Providing temporary use of online non-downloadable software for creating, analysing and running programs for quantum algorithms; Providing temporary use of on-line non-downloadable software for creating, analysing and running programs for quantum algorithms; Providing temporary use of online non-downloadable software for creating, analysing and running programs for quantum computers; Providing temporary use of on-line non-downloadable software for creating, analysing and running programs for quantum computers; Creation of programmes for data processing; Creation of data processing programmes; Creating programs for data processing; Creating programmes for data processing; Creation of web pages for others; Creating web pages for others; Cross-platform conversion of digital content into other forms of digital content; Cryogenic engineering research; Cryptocurrency mining; Mining of cryptocurrency; Cryptographic engineering; Custom design and development of computer programs; Custom design and development of computer software; Custom design and development of software; Custom design of computer hardware; Personalized design of computer hardware; Custom design of computer hardware and software; Custom design of computer programs; Custom design of computer programmes; Custom design of computer software; Custom design of software; Custom design of software packages; Custom design services; Customized software development in the field of traffic and transportation; Custom software development for others; Developing customized software for others; Data authentication via blockchain technology; Data authentication via blockchain; Data backup and conversion services; Data coding services being computer language programming; Data coding services being computer programming; Data conversion of computer programme data, other than physical conversion; Data conversion of computer programme data other than physical conversion; Data conversion of computer program information, other than physical conversion; Engineering and technical support services in the design and configuration of hardware and software systems for use in the processing of paper and pulp manufacturing systems; Engineering and technical support services in the design and configuration of hardware and software systems for use in the processing of water supply systems; Design engineering; Engineering design; Engineering drawing; Engineering drawing services; Engineering product design services provided on an outsourcing basis; Engineering services relating to computer programming; Engineering services relating to computers; Product development consultancy for inventors in the field of computer science; Providing temporary use of online non-downloadable software for creating, analysing and running programs for quantum simulations; Providing temporary use of on-line non-downloadable software for creating, analysing and running programs for quantum simulations; Providing temporary use of on-line non-downloadable software for database management; Providing temporary use of online non-downloadable software for database management; Providing temporary use of on-line non-downloadable software for use in database management; Providing temporary use of on-line non-downloadable software for importing and managing data; Providing temporary use of online non-downloadable software for importing and managing data; Providing temporary use of on-line non-downloadable software for inventory management; Providing temporary use of online non-downloadable software for inventory management; Providing temporary use of online non-downloadable software for the transmission of data; Providing temporary use of on-line non-downloadable software for the transmission of data; Providing temporary use of on-line non-downloadable software for use in publishing and printing; Providing temporary use of online non-downloadable software for use in publishing and printing; Providing temporary use of online non-downloadable software for website development; Providing temporary use of on-line non-downloadable software for web site development; Providing temporary use of on-line non-downloadable software for website development; Providing temporary use of online non-downloadable software for web site development; Providing temporary use of on-line non-downloadable software for word processing; Providing temporary use of online non-downloadable software for word processing; Providing temporary use of web-based applications; Providing temporary use of web-based software; Providing user authentication services using biometric hardware and software technology for access control; Providing user authentication services using biometric hardware and software technology for banking online; Providing user authentication services using biometric hardware and software technology for e-commerce transactions; Providing user authentication services using biometric hardware and software technology for managing human identification; Providing user authentication services using biometric hardware and software technology for managing identification of things; Providing user authentication services using biometric hardware and software technology for password management; Providing user authentication services using biometric hardware and software technology for point-of-sale transactions; Providing user authentication services using biometric hardware and software technology for secure entry and exit door access; Providing user authentication services using biometric hardware and software technology for social media; Providing user authentication services using blockchain-based software technology

for cryptocurrency transactions; Providing user authentication services using single sign-on technology for e-commerce transactions; Data conversion of computer program information other than physical conversion; Data conversion of computer programme information, other than physical conversion; Data conversion of computer programme information other than physical conversion; Data conversion of electronic information; Conversion of electronic information data; Data cryptology services; Data deduplication services; Data encoding services being computer programming; Data encoding services being conversion of text characters into binary computer codes; Data encryption and decoding services; Data encryption services; Encryption of data; Data migration services; Data mining; Data mining services; Data security consulting; Data storage, other than physical storage; Data storage via blockchain; Data storage via blockchain technology; Debugging computer programs for others; Advisory services relating product development and quality improvement of software; Debugging computer programs for third parties; Debugging of computer programs for others; Debugging of computer programs for third parties; Computer program debugging for others; Computer program debugging for third parties; Debugging computer software; Debugging of computer software; Computer software debugging; Debugging computer software for others; Debugging computer software for third parties; Decoding of data; Decryption of data; Design and construction of homepages and websites; Design and construction of homepages and web sites; Design and construction of home pages and web sites; Design and construction planning services and consultancy relating thereto; Design and creation of homepages and Internet pages; Design and creation of home pages and Internet pages; Designing and creating homepages and Internet pages; Design and creation of homepages and web pages; Design and creation of home pages and web pages; Design and creation of homepages and websites; Design and creation of homepages and web sites; Design and creation of home pages and web sites; Design and creation of websites; Design and creation of web sites; Design and development of antivirus software; Design and development of components for three-dimensional [3D] printers; Design and development of computer database programs; Evaluation of product design; Evaluation of product development; Fraud and identity theft protection services; Fraud detection services in the field of banking; Fraud detection services in the field of credit cards; Fraud detection services in the field of credit cards for online purchasing; Fraud detection services in the field of credit cards for on-line purchasing; Product quality testing; Product quality testing services; Quality testing of products; Product research; Product research services; Product research and development; Product research and development services; Product safety testing; Product safety testing services; Safety testing of products; Product testing services; Professional consultancy relating to computer security; Professional consultancy relating to computer software; Professional advisory services relating to computer software; Professional consultancy relating to technology; Professional consultancy relating to technology information; Professional consultancy services relating to computer programming; Programming of computer animations; Programming of computer games; Programming of computer game software; Programming of computer programs; Programming of data processing software; Computer program programming services; Programming of computer software for electronic language translation dictionaries and databases; Programming of computer software for evaluation and calculation of data; Programming of computer software for reading, transmitting and organizing data; Programming of computer software for reading, transmitting and organising data; Programming of customized web pages; Programming of customized web pages featuring user-defined information, personal profiles and information; Programming of data processing programs; Programming of data processing programmes; Programming of educational software; Programming of electronic data processing [EDP] software; Programming of electronic data processing software; Providing user authentication services using single sign-on technology for online software applications; Providing user authentication services using single sign-on technology for on-line software applications; Providing virtual computer systems through cloud computing; Provision of virtual computer systems through cloud computing; Providing weather condition information affecting ski conditions and road closures; Providing weather information; Provision of weather information; Providing web servers and co-location servers to third party cloud computing and data storage facilities; Quality control of computer programs; Quality control of computer software; Quality control of software; Quality control relating to computer software; Quality control testing; Quality control testing services; Quality control testing and consultancy relating thereto; Quality control testing of products; Product quality control testing; Quality control testing of products for certification purposes; Design and development of computer database programmes; Design and development of computer database software; Design and development of computer firmware; Design and development of computer game software; Design and development of computer game software and virtual reality software; Design and development of computer hardware; Design and development of computer hardware and software; Design and development of computer hardware and computer software; Design and development of computer hardware and software for industrial applications; Design and development of computer hardware and software for use in the field of medicine; Design and development of computer hardware and software relating to quantum algorithms; Design and development of computer hardware and software relating to quantum computing; Design and development of computer hardware and software relating to quantum engineering; Design and development of computer hardware and software relating to quantum programming; Design and development of computer hardware and software relating to quantum technology; Design and development of computer hardware architecture; Design and development of computer hardware for the manufacturing industry; Design and development of computer hardware, software and databases; Design and development of computer networks; Design and development of computer peripherals; Design and development of computer programs; Design and development of computer programmes; Computer program design and development; Computer programme design

and development; Design and development of computer programs, software and mobile applications for others for distribution of multimedia contents; Design and development of computers; Computer design and development; Computer design and development services; Design and development of computers and computer programs; Design and development of computers and programs for computers; Design and development of computers and programmes for computers; Design and development of computers and computer programmes; Design and development of computers and software; Design and development of computers and computer software; Computer and software design and development; Design and development of computer software; Computer software design and development; Design and development of computer software, and consultancy services relating thereto; Design and development of computer software architecture; Design and development of computer software for a virtual online community for registered users to engage in live social networking over the internet; Design and development of computer software for a virtual online community for registered users to get feedback from their peers; Design and development of computer software for a virtual online community for registered users to participate in live video chat discussions; Design and development of computer software for a virtual online community for registered users to share audio files; Programming of EDP software; Programming of energy management software; Programming of Internet security programs; Programming of Internet security programmes; Programming of multimedia applications; Programming of multimedia equipment; Programming of online, non-downloadable virtual goods for use in virtual environments; Programming of operating software for accessing and using a cloud computing network; Programming of operating software for computer networks and servers; Programming of software for database management; Programming of software for e-commerce platforms; Programming of software for importing and managing data; Programming of software for information platforms on the Internet; Programming of software for Internet platforms; Programming of software for Internet portals, chatrooms, chat lines and Internet forums; Programming of software for Internet portals, chat rooms, chat lines and Internet forums; Programming of software for website development; Programming of software for web site development; Programming of telecommunications software; Programming of video games; Programming of video game software; Programming of web pages; Providing an internet trust center for computer security assurance; Provision of an internet trust center for computer security assurance; Providing an online trading platform for hedge funds brokerage; Providing an online trading platform for investment funds brokerage; Providing authentication of personal identification information [computer security services]; Providing authentication of personal identification information [user authentication services using single sign-on technology]; Providing back-up computer programs and facilities; Providing computer facilities for the electronic storage of digital data; Providing computer programs designed to the specifications of others; Providing computer programmes designed to the specifications of others; Provision of computer programs designed to the specifications of others; Provision of computer programmes designed to the specifications of others; Providing computer programs on data networks; Providing computer programmes on data networks; Provision of computer programs on data networks; Provision of computer programmes on data networks; Providing computer programs in data networks; Providing computer programmes in data networks; Provision of computer programs in data networks; Provision of computer programmes in data networks; Providing computer software technical support services in the field of medical diagnostics; Providing electronic storage of digital photographs and videos via a website; Providing electronic storage of digital photographs and videos via a web site; Providing electronic storage space on the internet; Providing electronic memory space on the Internet; Quality testing; Quality testing services; Recovery of data, image, document, mail, message, audio and video via local or global communication networks; Data, image, document, mail, message, audio and video recovery services via local or global communication networks; Recovery of data, images, documents, mails, messages, audio and video via mobile communications networks, cellular networks and satellite networks; Data, image, document, mail, message, audio and video recovery services via mobile communications networks, cellular networks and satellite networks; Recovery of data, images, documents, mails, messages, audio and video via the internet, intranets, extranets; Recovery of smartphone data; Remote computer backup services; Remote computer back-up services; Design and development of computer software for a virtual online community for registered users to share images; Design and development of computer software for a virtual online community for registered users to share multimedia content; Design and development of computer software for a virtual online community for registered users to share photos; Design and development of computer software for a virtual online community for registered users to share video clips; Design and development of computer software for cloud computing; Design and development of computer software for database management; Design and development of software for database management; Design and development of computer software for data processing; Design and development of data processing software; Design and development of computer software for evaluation and calculation of data; Design and development of software for evaluation and calculation of data; Design and development of computer software for logistics; Design and development of computer software for logistics, supply chain management and e-business portals; Design and development of computer software for others; Design and development of computer software for process control; Design and development of computer software for reading, transmitting and organizing data; Design and development of computer software for reading, transmitting and organising data; Design and development of computer software for supply chain management; Design and development of computer software for the collection, transmission and analysis of data; Design and development of computer software for the collection, transmission and analysis of data logs; Design and development of computer software for the collection, transmission and analysis of megadata; Design and

development of computer software for the collection, transmission and analysis of big data; Design and development of computer software for use with medical technology; Design and development of computer software for vehicle simulation; Design and development of computer software for word processing; Design and development of word processing software; Design and development of computer systems; Computer system design and development; Design and development of consumer products; Design and development of databases; Database design and development; Design and development of computer databases; Computer database design and development; Design and development of data display systems; Design and development of data entry systems; Design and development of data output systems; Design and development of data processing apparatus; Design and development of data processing systems; Design and development of data retrieval software; Design and development of data storage systems; Design and development of diagnostic apparatus; Design and development of digital sound and image carriers; Development and design of digital sound and image carriers; Design and development of electronic databases; Providing information about the design and development of computer hardware and software; Provision of information about the design and development of computer hardware and software; Providing information about the design and development of computer software; Providing information about the design and development of computer software, systems and networks; Providing information, including online, about scientific and technological services and research and design relating thereto; Providing information, including online, about scientific and technological services and research and design relating thereto; Provision of information, including online, about scientific and technological services and research and design relating thereto; Provision of information, including on-line, about scientific and technological services and research and design relating thereto; Providing information in the field of architectural design via a website; Providing information in the field of architectural design via a web site; Providing information in the field of computer software design; Providing information relating to computer software design; Providing information in the field of computer software development; Providing information in the field of interior design via a website; Providing information in the field of interior design via a web site; Providing information in the field of product design; Providing information on clinical studies via an interactive website; Rendering of computer graphics; Computer graphics rendering; Rental and maintenance of computer programs; Computer program rental and maintenance; Rental and maintenance of computer software; Computer software rental and maintenance; Rental and maintenance of software; Software rental and maintenance; Rental and updating of software for data processing; Updating and rental of software for data processing; Rental of access time to a computer; Rental of a database server to third parties; Rental of application software; Rental of computer apparatus; Rental of computer database software; Rental of computer equipment; Rental of computer facilities; Rental of computer firmware; Rental of computer game programs; Rental of computer game programmes; Rental of computer hardware; Rental of computer hardware and computer peripherals; Rental of computer hardware and software; Rental of computer hardware and computer software; Rental of computer middleware; Rental of computer peripherals; Rental of computer peripheral devices; Rental of peripheral devices for computers; Rental of computer programs; Rental of computer programmes; Computer program rental; Computer programme rental; Computer program rental services; Rental of computers and computer software; Computer and computer software rental; Rental of computers and software; Rental of computers for data processing; Rental of computer software; Computer software rental; Computer software rental services; Rental of software for computers; Rental of software; Software rental; Software rental services; Rental of computer software and data processing machines; Rental of computer software and programs; Rental of computer software and programmes; Rental of computer software for collecting, analyzing and organizing data in the field of deep learning; Rental of computer software for developing computer games; Rental of computer game development software; Rental of computer software for developing online educational materials; Rental of computer software for developing video games; Rental of video game development software; Rental of computer software for financial management; Rental of data carriers; Rental of data centre facilities; Design and development of electronic greeting cards [e-cards]; Design and development of electronic greeting cards; Design and development of energy management software; Design and development of engineering products; Design and development of firmware systems; Design and development of homepages and websites; Design and development of homepages and web sites; Design and development of home pages and web sites; Design and development of home security systems; Design and development of image processing software; Design and development of industrial products; Design and development of information and communications technology; Design and development of Internet security programs; Design and development of Internet security programmes; Design and development of new products; Design and development of new technology for others; Design and development of online computer software systems; Design and development of on-line computer software systems; Design and development of operating software for accessing and using a cloud computing network; Design and development of operating software for computer networks and servers; Design and development of operating system software; Design and development of programs for data processing; Design and development of data processing programs; Design and development of programmes for data processing; Design and development of data processing programmes; Design and development of quantum computer hardware and software; Design and development of software; Software design and development; Software design and development services; Design and development of software and hardware for audio and video operators; Design and development of software and hardware for processing and distribution of multimedia content; Graphic arts design; Graphic arts designing; Graphic art design services; Graphic art services; Graphic design of advertising brochures; Graphic design of advertising flyers; Graphic design of advertising logos; Graphic design

of advertising materials; Graphic design of book covers; Graphic design of commercial logos; Graphic design of internet advertisements; Graphic design of promotional materials; Graphic design of publicity materials; Graphic design of trade marks; Graphic design; Graphic design services for creating graphic elements of corporate logos; Graphic design services for creating graphic elements of logos; Graphic design services for creating virtual tours of real estate for sale; Graphic illustration design services; Graphic illustration design; Graphic logo design services; Graphic logo design; Graphic design of logos; Hat design; Design of hats; Hosting and providing electronic platforms for data sharing and transmission; Hosting and provision of electronic platforms for data sharing and transmission; Hosting and rental of memory space for websites; Hosting and rental of memory space for web sites; Hosting an online website for creating and hosting micro websites for businesses; Hosting an on-line web site for creating and hosting micro web sites for businesses; Hosting a website for the electronic storage of digital photographs and videos; Hosting a web site for the electronic storage of digital photographs and videos; Hosting computer application software in the field of knowledge management for creating searchable databases of information and data; Hosting computer databases; Hosting of databases; Hosting computerized data, files, applications and information; Hosting of computerized data, files, applications and information; Hosting computer sites [websites] for mobility as a service; Hosting computer sites [web sites] for mobility as a service; Hosting computer sites [websites] for mobility as a service [MaaS]; Hosting computer sites [web sites] for mobility as a service [MaaS]; Hosting computer software applications for others; Hosting of computer software applications for others; Hosting computer websites; Hosting computer web sites; Hosting web sites; Web site hosting services; Hosting of websites; Website hosting services; Hosting of web sites; Providing information on donation of human corpses for medical research; Providing information relating to computer programming; Provision of information relating to computer programming; Providing information relating to computer programming via a website; Providing information on computer programming via a web site; Providing information on computer programming via a website; Providing information relating to computer programming via a web site; Provision of information relating to computer programming via a website; Providing information relating to computer programs; Provision of information relating to computer programs; Provision of information relating to computer programmes; Providing information relating to computer programmes; Providing information relating to computer software; Providing information relating to computer technology; Provision of information relating to computer technology; Providing information on computer technology; Provision of information on computer technology; Providing information relating to computer technology and programming via a website; Providing information on computer technology and programming via a web site; Provision of information relating to computer technology and programming via a web site; Provision of information relating to computer technology and programming via a website; Provision of information on computer technology and programming via a website; Providing information relating to computer technology and programming via a web site; Providing information relating to computer technology via a website; Providing information on computer technology via a web site; Providing information on computer technology via a website; Providing information relating to computer technology via a web site; Provision of information relating to computer technology via a website; Provision of information on computer technology via a website; Provision of information on computer technology via a web site; Rental of data center facilities; Rental of data processing devices and computers; Rental of data processing programs; Rental of data processing programmes; Rental of data processing systems; Rental of decentralized cloud storage facility for containerized data centers of others; Rental of design equipment; Rental of electronic storage space [web space] on the Internet; Rental of electronic memory space [web space] on the Internet; Rental of electronic storage space on the Internet; Rental of electronic memory space on the Internet; Rental of furniture especially made for laboratories; Rental of Internet security programmes; Rental of laboratory apparatus; Rental of laboratory apparatus and instruments; Rental of laboratory instruments; Rental of laboratory robots for laboratory research and analysis; Rental of laboratory robots for laboratory testing; Rental of measuring apparatus; Rental of memory space for websites; Rental of memory space for web sites; Rental of memory space on servers for hosting electronic bulletin boards; Rental of memory space on servers for sharing digital contents on the internet; Rental of memory space on servers for sharing electronic data on the internet; Rental of memory space on servers for sharing images on the internet; Rental of memory space on servers for the interaction of social networking service users on the internet; Rental of meters for the recording of energy consumption; Rental of microscopes for bacteriological research purposes; Rental of microscopes for biological research purposes; Rental of microscopes for medical research purposes; Rental of microscopes for research purposes; Rental of microscopes for scientific research purposes; Rental of scientific apparatus; Scientific apparatus rental; Rental of scientific equipment; Rental of scientific instruments; Scientific instrument rental; Rental of scientific instruments and apparatus; Rental of scientific microscopes; Rental of smartglasses; Rental of software for collecting, analyzing and organizing data in the field of deep learning; Rental of software for database management; Rental of database management software; Rental of software for data processing; Rental of data processing software; Data processing software rental; Data processing software rental services; Rental of software for importing and managing data; Rental of software for Internet access; Rental of Internet access software; Rental of software for inventory management; Rental of software for website development; Rental of telescopes; Design and development of software and hardware for producing, recording and processing digital and analog signals; Design and development of software and hardware for producing, recording and processing digital and analogue signals; Design and development of software

and hardware for signal amplification and transmission; Design and development of software for control, regulation and monitoring of solar energy systems; Design and development of software for electronic databases; Design and development of electronic database software; Design and development of software for electronic television program guides; Design and development of software for electronic television programme guides; Design and development of software for importing and managing data; Design and development of software for instant messaging; Design and development of software for inventory management; Design and development of software for website development; Design and development of software for web site development; Design and development of software in the field of mobile applications; Design and development of systems for data input, output, processing, display and storage; Design and development of systems for regenerative energy generation; Design and development of regenerative energy generation systems; Design and development of telecommunications networks; Design and development of testing and analysis methods; Design and development of video game and computer game software; Design and development of video and computer game software; Design and development of video game software; Design and development of virtual reality software; Design and development of web pages; Design and development of wireless computer networks; Design and development of wireless networks; Design and graphic arts design for the creation of web pages on the Internet; Design and graphic arts designing for the creation of web pages on the Internet; Design and graphic arts design for the creation of websites; Design and graphic arts design for the creation of web sites; Design and graphic arts designing for the creation of web sites; Design and hosting of web portals; Design and implementation of web pages for others; Designing and implementing web pages for others; Design and implementation of websites for others; Design and implementation of web sites for others; Designing and implementing web sites for others; Design and maintenance of computer sites for third parties; Design and maintenance of computer software for others; Design and maintenance of computer software for third parties; Design and maintenance of Internet homepages; Design and maintenance of Internet home pages; Design and maintenance of web pages for others; Hosting websites; Hosting computer websites and rental of software; Computer website hosting services and software rental services; Website hosting services and software rental services; Hosting computer websites, software as a service [SaaS], and rental of software; Hosting computer websites, software as a service, and rental of software; Hosting customized web pages; Hosting of customized web pages; Hosting digital content on the internet; Hosting of digital content on the internet; Hosting digital platforms for mobility as a service; Hosting digital platforms for mobility as a service [MaaS]; Hosting e-commerce platforms on the Internet; Hosting of e-commerce platforms on the Internet; Hosting memory space for websites; Hosting memory space for web sites; Hosting of memory space for web sites; Hosting of memory space for websites; Hosting memory space on the Internet; Hosting of memory space on the Internet; Hosting memory space on the Internet for storing digital photographs; Hosting of memory space on the Internet for storing digital photographs; Hosting multimedia and interactive applications; Hosting of multimedia and interactive applications; Hosting multimedia educational content; Hosting of multimedia educational content; Hosting multimedia entertainment and educational content for others; Hosting multimedia entertainment content; Hosting of multimedia entertainment content; Hosting of online calculators; Hosting of podcasts; Hosting of software as a service [SaaS]; Hosting of software as a service; Hosting online facilities for conducting interactive discussions; Hosting on-line software enabling the creation and hosting of micro websites for businesses; Hosting online software enabling the creation and hosting of micro websites for businesses; Hosting on-line web facilities for others; Hosting online web facilities for others; Hosting on-line web facilities for others for conducting interactive discussions; Hosting online web facilities for others for conducting interactive discussions; Hosting on-line web facilities for others for sharing on-line content; Hosting online web facilities for others for sharing online content; Hosting platforms on the Internet; Hosting of platforms on the Internet; Hosting software for use in library management; Hosting of software for use in library management; Hosting software platforms for virtual reality-based work collaboration; Hosting the websites of others; Hosting the web sites of others; Hosting web sites of others; Hosting the websites of others on a computer server for a global computer network; Provision of information relating to technological research; Providing Internet search engines with specific search options; Providing meteorological information via a website; Providing meteorological information via a web site; Provision of meteorological information via a website; Provision of meteorological information via a web site; Providing weather information via a website; Providing weather information via a web site; Provision of weather information via a website; Provision of weather information via a web site; Providing non-downloadable computer applications on data networks; Provision of non-downloadable computer applications on data networks; Providing non-downloadable computer gambling software; Provision of non-downloadable computer game and gambling software; Providing non-downloadable computer game software; Provision of non-downloadable computer game software; Providing non-downloadable computer game software for professional gaming operators; Provision of non-downloadable computer game software for professional gaming operators; Providing non-downloadable computer programs on data networks; Providing non-downloadable computer programmes on data networks; Provision of non-downloadable computer programs on data networks; Provision of non-downloadable computer software development tools in the field of artificial intelligence; Providing non-downloadable computer software development tools in the field of deep learning; Providing non-downloadable computer software development tools in the field of high performance computing; Providing non-downloadable computer software development tools in the field of machine learning; Providing non-downloadable computer software for implementing a computer programming language; Providing non-downloadable computer software for implementing

a computer programming language in the field of artificial intelligence; Providing non-downloadable computer software for implementing a computer programming language in the field of deep learning; Providing non-downloadable computer software for implementing a computer programming language in the field of high performance computing; Rental of telescopes for educational purposes; Rental of telescopes for leisure activities; Rental of telescopes for research purposes; Rental of telescopes for scientific research purposes; Rental of ultrasonic diagnostic apparatus, not for medical purposes; Rental of ultrasonic diagnostic apparatus, not for medical use; Rental of user-programmable humanoid robots, not configured; Rental of web servers; Rental of web servers and co-location servers for containerized data centers of others; Rental of word processors; Rental of word processors [computer hardware]; Rental of word processors [software]; Repair of computer programs; Repair of computer programmes; Repair of software for computer systems; Research and consultancy in the design and development of computer hardware; Research and consultancy services relating to computer software; Research and consultancy services relating to software; Research and development in the field of application programming interfaces for online banking payment; Computer software research and development; Computer software research and development services; Research and development of new products for others; Research and development for others with regard to new products; Research and development services with regard to new products for third parties; Research and development of software; Software research and development; Software research and development services; Research and development services relating to software; Research and development of software for computers; Design and maintenance of websites; Design and maintenance of web sites; Design and maintenance of websites for others; Design and maintenance of web sites for third parties; Design and maintenance of web sites for others; Design and maintenance of websites for third parties; Design and programming of web sites; Design and rental of software; Design and testing for new product development; Design and testing of new products; Design and updating of computer software; Computer software design and updating; Updating and design of computer software; Design and updating of homepages and web pages; Design and updating of home pages and web pages; Design and updating of software; Software design and updating; Design and writing of computer software; Computer software design and writing; Computer software design and writing services; Design consultancy; Consultancy in the field of design; Design, creation and programming of web pages; Design, creation, hosting and maintenance of Internet sites for third parties; Design, creation, hosting and maintenance of websites; Design, creation, hosting and maintenance of web sites for others; Design, deployment and management of wireless computer networks for others; Design, development and implementation of computer programs; Design, development and implementation of computer software; Design, development and implementation of software; Design, development and programming of computer software; Computer software design, development and programming services; Design, development, installation and maintenance of computer software; Design, development, maintenance and updating of computer software; Design, maintenance, development and updating of computer software; Design, development, maintenance and updating of computer software for data processing; Design, development, maintenance and updating of data processing software; Design, development, maintenance and updating of computer software for process control; Design, development, maintenance and updating of computer software for word processing; Design, development, maintenance and updating of word processing software; Design, development, maintenance and updating of computer software for word processing, data processing and process control; Design feasibility studies; Designing websites for advertising purposes; Design of web sites for advertising purposes; Hosting the web sites of others on a computer server for a global computer network; Hosting virtual environments; Hosting web portals; Hosting of web portals; Hosting websites featuring virtual pets authenticated by non-fungible tokens [NFTs]; Hosting websites on the Internet; Hosting web sites on the Internet; Hosting of web sites on the Internet; Hosting of websites on the Internet; Design of image processing software; Implementation of computer programs on networks; Implementation of computer programmes on networks; Industrial and graphic art design; Industrial art design; Industrial design; Industrial development services; Industrial research, development and testing; Industrial research, development and testing services; Industrial testing; Industrial testing services; Industrial testing of engineering works; Information in the field of technological processes; Information services in the field of computer software; Consulting services in the field of computer and computer network security; Research relating to design; Research relating to the development of computer hardware; Research relating to the development of computer programs and software; Research relating to the development of computer programmes and software; Research relating to the development of computer software; Research services for the development of new products; Research to develop new products; Research services in the field of informatics; Research services in the field of petroleum products; Retail design services; Scientific and technological services and related research and design services; Scientific and technological services and research and development relating thereto; Scientific and technological services and research and development services relating thereto; Scientific and technological services and research and development related thereto; Scientific and technological services and research relating thereto; Scientific and technological services and related research services; Scientific and technological services relating to technological innovation forecasting; Scientific design services; Scientific feasibility studies; Security as a service [SECaaS]; Security system testing; Testing of security systems; Server administration; Server administration services; Server hosting; Server hosting, software as a service [SaaS], and rental of software; Server hosting, software as a service, and rental of software; Services in the field of computer engineering; Computer engineering services; Computer engineering; Smartphone software design; Software as a service [SaaS]; Software as a service; Software as a service [SaaS] featuring 3D printing software;

Software as a service [SaaS] featuring artificial intelligence software for machine learning; Software as a service [SaaS] featuring software using artificial intelligence for machine learning; Software as a service [SaaS] featuring software using artificial intelligence for use in machine learning; Software as a service [SaaS] featuring artificial intelligence software for software development; Software as a service [SaaS] featuring software using artificial intelligence for software development; Software as a service [SaaS] featuring software using artificial intelligence for use in software development; Software as a service [SaaS] featuring database management software; Software as a service [SaaS] featuring software for use in database management; Software as a service [SaaS] featuring modeling software for use with 3D printers; Software as a service [SaaS] featuring software for analyzing and reporting self-assessment of illness; Software as a service [SaaS] featuring software for converting 3D designs into 3D printer-readable codes; Software as a service [SaaS] featuring software for creating, analysing and running programs for quantum algorithms; Software as a service [SaaS] featuring software for creating, analysing and running programs for quantum computers; Software as a service [SaaS] featuring software for deep neural networks; Software as a service featuring software for deep neural networks; Software as a service [SaaS] featuring software for identifying persons with possible exposure to a carrier of an infectious disease to facilitate contact tracing; Software as a service [SaaS] featuring software for identifying persons with possible exposure to a carrier of public health outbreaks to facilitate contact tracing; Software as a service [SaaS] featuring software for machine learning; Software as a service [SaaS] featuring software for machine learning, deep learning and artificial neural networks; Software as a service [SaaS] featuring software for machine learning, deep learning and deep neural networks; Software as a service featuring software for machine learning, deep learning and deep neural networks; Software as a service [SaaS] featuring software for monitoring persons with possible exposure to a carrier of an infectious disease to facilitate contact tracing; Software as a service [SaaS] featuring software for monitoring persons with possible exposure to a carrier of public health outbreaks to facilitate contact tracing; Software as a service [SaaS] featuring software for notifying persons of possible exposure to a carrier of an infectious disease to facilitate contact tracing; Software as a service [SaaS] featuring software for notifying persons of possible exposure to a carrier of public health outbreaks to facilitate contact tracing; Software as a service [SaaS] featuring software for recording and analyzing real-time location data for predicting the spread of an illness in a community; Software as a service [SaaS] featuring software for use as a spreadsheet; Software as a service [SaaS] featuring software for use with 3D printers; Software as a service [SaaS] featuring software using artificial intelligence for face and speech recognition; Software as a service [SaaS] featuring software using artificial intelligence for facial and speech recognition; Software as a service [SaaS] featuring software using artificial intelligence for use in facial and speech recognition; Software as a service [SaaS] featuring software using artificial intelligence for use in face and speech recognition; Software as a service [SaaS] featuring artificial intelligence software for face and speech recognition; Software as a service [SaaS] featuring artificial intelligence software for use in face and speech recognition; Software as a service [SaaS] featuring artificial intelligence software for facial and speech recognition; Software as a service [SaaS] featuring artificial intelligence software for use in facial and speech recognition; Software as a service [SaaS] featuring word processing software; Software as a service [SaaS] featuring software for use as a word processor; Software as a service [SaaS] featuring software for use in word processing; Software as a service [SaaS] for software regression testing; Software authoring; Software customization services; Software customisation services; Software customization; Software customisation; Customization of software; Customisation of software; Software design; Software design services; Design of software; Software design for others; Design of software for others; Computer software design for others; Software development; Software development services; Development of software; Software development for others; Development of software for others; Software development in the framework of third party game software publishing; Software development in the framework of software publishing; Software development, programming and implementation; Software engineering; Software engineering services; Software engineering consultancy for data processing; Software engineering services for data processing; Software engineering services for data processing programs; Software engineering services for data processing programmes; Software porting services; Software porting; Software portability services; Software portability; Software programming; Software programming services; Programming of software; Software repair; Repair of software; Software repair for computers; Repair of software for computers; Technical advice relating to operation of computers; Technical advisory services relating to computer programs; Technical advisory services relating to computer software; Technical consultancy in the field of digital forensic science; Technical consultancy services in the field of digital forensic science; Technical consultancy relating to computers; Technical consultancy relating to computer security; Technical consultancy relating to computer software; Technical consultancy relating to industrial design; Technical consultancy relating to product development; Technical consultancy relating to technology; Technical consultancy relating to technology information; Technical consultancy relating to the application and use of computer software; Technical consultancy relating to the design of computer hardware, software and computer peripherals; Technical consultancy relating to the installation and maintenance of computer programs; Technical consultancy relating to the installation and maintenance of computer software; Technical consultancy relating to the installation and maintenance of software; Technical consultancy relating to the use of computer hardware; Technical design; Technical design services; Technical research in the field of computers; Technical research in the field of computer vision; Technical research in the field of data processing; Technical research in the field of informatics; Technical support related to computers being installation and configuration of databases; Technical support services being monitoring of computer systems to detect breakdowns; Technical support

services being troubleshooting of computer systems to detect breakdowns; Technical support services for computer software; Computer software technical support services; Technical support services for software; Technical support services relating to computer software and applications; Technical support services relating to software and computer applications; Technical support services relating to computer systems; Technological advisory services relating to computer programs; Technological analysis services in the field of data processing; Technological consultancy; Technological consultancy services; Technological consultancy and information services in the field of computer networks and data transmission networks; Technological consultancy in the field of cybersecurity; Technological consultancy services in the field of cybersecurity; Technological consultancy relating to computers; Technological consultancy services for digital transformation; Technological consulting services for digital transformation; Technological consultancy for digital transformation; Technological design services; Technological engineering analysis; Technological project studies; Technological research; Technological research advisory; Advisory services relating to technological research; Technological research consultancy; Consultancy in the field of technological research; Consultancy services relating to technological research; Technological research in the field of computers; Technological research in the field of data processing; Technological research in the field of informatics; Technological research in the field of mobile telephone screen fingerprint recognition; Technological research in the field of cell phone screen fingerprint recognition; Technological research in the field of cellular phone screen fingerprint recognition; Technological research in the field of mobile phone screen fingerprint recognition; Technological research in the field of cellular telephone screen fingerprint recognition; Technological research in the field of smartphone screen fingerprint recognition; Technological research relating to computers; Technological research relating to patent mapping; Technological services and research and design relating thereto; Technological studies; Technology consultancy services in the field of artificial intelligence; Technology monitoring and inspection; Technology services for securing computer data; Technology services for securing financial information; Technology services for securing personal information; Telecommunication network security consultancy; Telecommunications engineering; Telecommunications engineering services; Telecommunications technology consultancy; Consultancy in the field of telecommunications technology; Computer program testing; Computer programme testing; Testing of computer software; Computer software testing; Tool design; Transfer of images from their original format to digital format; Troubleshooting in the nature of diagnosing computer hardware and software problems [technical support services]; Troubleshooting in the nature of diagnosing computer hardware problems [technical support services]; Troubleshooting in the nature of diagnosing problems with consumer electronics; Troubleshooting of computer software problems [technical support]; Troubleshooting of computer software problems; Technical support services, namely, troubleshooting of computer software problems; Troubleshooting services for data communication systems; Unlocking of mobile telephones; Unlocking of cell phones; Unlocking of cellular phones; Unlocking of cellular telephones; Updating and maintenance of computer software; Maintenance and updating of computer software; Updating and maintenance of websites for others; Updating of computer database software; Updating of database software; Updating of computer software for databases; Updating of computer programs; Updating of computer programmes; Computer program updating services; Computer program updating; Computer programme updating services; Computer programme updating; Updating of computer software; Computer software updating; Computer software updating services; Updating of software; Updating computer software; Updating of computer software relating to computer security and prevention of computer risks; Updating of home pages for computer networks; Updating of home pages for others; Updating home pages for others; Updating of Internet pages; Updating of marine charts; Marine chart updating; Updating of smartphone software; Updating of software for communication systems; Updating of software for data processing; Updating of data processing software; Updating of websites; Updating of web sites; Updating websites for others; Updating web sites for others; Upgrading and maintenance of computer software; Maintenance and upgrading of computer software; Upgrading of computer software; Computer software upgrading; User authentication services using biometric hardware and software technology for managing identification of things; User authentication services using biometric hardware and software technology for password management; User authentication services using biometric hardware and software technology for point-of-sale transactions; User authentication services using biometric hardware and software technology for secure entry and exit door access; User authentication services using biometric hardware and software technology for social media; User authentication services using blockchain-based software technology for cryptocurrency transactions; User authentication services using blockchain technology; User authentication services using single sign-on technology for online software applications; User authentication services using single sign-on technology for on-line software applications; User authentication services using technology for e-commerce transactions; Vehicle design services; Design of vehicles; Vehicle design; Verification of personal identification [computer security]; Video game development services; Virtual testing of new product designs using computer simulations; Visual design; Watch design; Design of watches; Watch design services; Designing of watches; Web crawling services; Web design; Web design services; Web page design services; Web page design; Design of web pages; Design of webpages; Web portal services [designing or hosting]; Web scraping services; Web harvesting services; Web data extraction services; Website design consultancy; Web site design consultancy; Web site design consultancy services; Website design consultancy services; Website design for others; Web site design for others; Website design services; Website design; Design of websites; Design of web sites; Web site design; Web site design services; Website design services provided on an outsourcing basis; Web site design services provided on an outsourcing basis; Web site

development services; Website development services; Development of web sites; Development of websites; Website load testing services; Web site load testing services; Website usability testing services; Web site usability testing services; Writing and updating of computer software; Writing and updating computer software; Computer software writing and updating; Writing of computer programs; Writing of computer programmes; Writing of computer software; Writing of data processing programs; Writing of data processing programmes.

PAYMENTS NETWORK MALAYSIA SDN. BHD. ; Level 8, Menara Southpoint @ Mid Valley City, Medan Syed Putra Selatan, 59200 Kuala Lumpur, MALAYSIA

AGENT : Kamal Wati Binti Aminnudin, Shimark IP Sdn Bhd No. 28-A, Tingkat 1(2) Jalan Tun Tan Siew Sin Kuala Lumpur, 50050 Kuala Lumpur

CLASS : 42

TM2024041738 31 December 2024

Computer technology consultancy in the field of software for enterprise resource planning [ERP]; Computer technology services provided on an outsourcing basis; Computer website design; Computer web site design; Design of computer websites; Design of computer web sites; Conducting technical project surveys; Conducting technological project studies; Configuration, installation, fault diagnosis, repair, upgrading and maintenance of computer software; Configuration of computer hardware using software; Configuration of computer networks; Computer network configuration services; Computer network configuration; Configuration of computer networks using software; Configuring computer networks by means of software; Configuration of computer networks by software; Configuration of computer software; Configuration of computer systems and networks; Consultancy and information services relating to computer programming; Consultancy and information services relating to computer software design; Consultancy and information services relating to computer system integration; Consultancy and information services relating to information technology; Consultancy and information services relating to information technology architecture and infrastructure; Consultancy and information services relating to the design, programming and maintenance of computer software; Consultancy and information services relating to the maintenance of computer software; Consultancy and information services relating to the rental of computer software; Consultancy and research in the field of quantum algorithms; Consultancy and research in the field of quantum computing; Consultancy and research in the field of quantum engineering; Consultancy and research in the field of quantum programming; Consultancy and research in the field of quantum technology; Consultancy in the field of cloud computing networks and applications; Consultancy services in the field of cloud computing applications and networks; Consulting in the field of cloud computing networks and applications; Consulting services in the field of cloud computing applications and networks; Consultancy in the field of computer and computer network security; 3D scanning services; Administration of user rights in computer networks; Administration of websites for others; Administration of websites for third parties; Administration of web sites for others; Administration of web sites for third parties; Computer software consultancy and development; Consultancy and development services relating to computer software; Advice relating to the design of computer software; Advisory and consultancy services relating to computer software; Advisory and consultancy services relating to the design and development of computer hardware; Advisory and information services relating to computer software; Advisory and information services relating to the design and development of computer hardware; Advisory and information services relating to the design and development of computer peripherals; Advisory services in the field of cloud computing networks and applications; Advice in the field of cloud computing applications and networks; Advisory services in the field of computer hardware design; Advisory services in the field of computer system analysis; Advisory services in the field of computer systems analysis; Advisory services in the field of computer system design; Advisory services in the field of computer systems design; Advisory services in the field of deploying cloud computing environments in the field of infrastructure as a service [IaaS]; Advice in the field of deploying cloud computing environments in the field of infrastructure as a service [IaaS]; Advisory services in the field of deploying cloud storage environments in the field of infrastructure as a service [IaaS]; Advice in the field of deploying cloud storage environments in the field of infrastructure as a service [IaaS]; Advisory services in the field of product development and quality improvement of software; Advisory services relating to computer system analysis; Advisory services relating to computer systems analysis; Advisory services relating to computer system design; Advisory services relating to computer systems design; Advice relating to the design of computer hardware; Advisory services relating to computer hardware design; Analysis and evaluation of product design; Analysis and evaluation of product development; Analysis and evaluation of products and services with respect to possible future applications; Analysis of product design; Analysis of product development; Analysis of statistical data for scientific research; Analysis of technical data; Artificial intelligence consultancy; Artificial intelligence technology services provided on an outsourcing basis; Art work design; Design of artwork; Design services for artwork; Assessing information technology security and vulnerability of computers and networks; Authentication of electronic documents and e-mails; Authenticating of electronic documents and e-mails; Authentication

services for electronic documents and e-mail; Authentication services for electronic documents and e-mails; Authentication services for computer security; Authentication services [product certification services]; Authentication services [verification of the characteristics of goods]; Authentication services [verification of the characteristics of merchandise]; Authentication services [verification of the characteristics of products]; Back-up (copying) of computer data; Backup services for computer hard drive data; Back-up services for computer hard drive data; Blockchain-as-a-service [BaaS]; Blockchain as a service [BaaS] for creating and managing cyber pets authenticated by non-fungible tokens [NFTs]; Blockchain as a service [BaaS] for creating and managing unique graphics authenticated by non-fungible tokens [NFTs]; Blockchain as a service [BaaS] for creating and managing virtual goods authenticated by non-fungible tokens [NFTs]; Brand design services; Brand design; Building and maintaining websites; Building and maintaining web sites; Certification of data via blockchain; Certification of data via blockchain technology; Cloud-based data protection services; Cloud computing; Cloud computing services; Cloud computing consultancy; Cloud computing consulting; Consultancy in the field of cloud computing; Consulting in the field of cloud computing; Consultancy services in the field of cloud computing; Consulting services in the field of cloud computing; Cloud-hosted data protection services; Cloud seeding; Commissioned writing of computer programs, software and code for the creation of web pages on the Internet; Commissioned writing of computer programmes, software and code for the creation of web pages on the Internet; Communications system design; Design of communication systems; Compilation of computer programs; Compilation of computer programmes; Compilation of web pages for the Internet; Computer-aided design; Computer-aided design services; Computer analysis; Computer analysis services; Computer and internet security consultancy and data encryption services; Computer and technology services for securing computer data; Computer and technology services for securing personal and financial information; Computer and technology services for the detection of unauthorized access to data and information; Computer code conversion for others; Computer data backup and conversion services; Computer design of graphic representation programs; Computer disaster recovery planning; Computer disaster recovery planning services; Computer engineering project management services; Computer graphic design; Computer graphic design services; Computer graphics design; Computer graphics design services; Design of computer graphics; Computer graphic design for video projection mapping; Computer hardware and software testing services; Computer software and hardware testing services; Computer hardware design; Computer hardware design services; Design of computer hardware; Designing of computer hardware; Design services for computer hardware; Computer hardware testing; Testing of computer hardware; Computerized business information storage; Computerized data storage services; Computerised data storage services; Computerised data storage; Computerized user authentication services in e-commerce transactions; Computerised user authentication services in e-commerce transactions; Computer network design for others; Computer program advisory services; Computer program customization services; Computer program customisation services; Customization of computer program; Customisation of computer program; Computer program design and development for others; Computer program design to the specifications of others; Computer programme design to the specifications of others; Designing computer programmes to the specifications of others; Designing computer programs to the specifications of others; Computer program development for others; Development of computer programs for others; Computer program engineering; Computer programming; Computer programming services; Computer programming and computer program design; Computer programming and computer software design; Computer programming and design of computer software; Computer programming and software design; Computer programming and design of software; Computer programming being programming of software to the specifications of others; Computer programming consultancy for data processing; Computer programming for data duplication; Computer programming for the analysis of data; Computer programming for data analysis; Computer programming services for the analysis of data; Computer programming services for data analysis; Computer programming for the analysis of technical data; Computer programming for technical data analysis; Computer programming services for the analysis of technical data; Computer programming services for technical data analysis; Computer programming for the energy industry; Computer programming for the medical sector; Computer programming in the medical field; Computer programming of computer software for scanning or reading a bar code via computer networks; Computer software programming for scanning or reading a bar code via computer networks; Programming of computer software for scanning or reading a bar code via computer networks; Computer programming of computer software for scanning or reading a bar code via mobile devices; Computer software programming for scanning or reading a bar code via mobile devices; Programming of computer software for scanning or reading a bar code via mobile devices; Computer programming of computer software for scanning or reading a QR code via computer networks; Computer software programming for scanning or reading a QR code via computer networks; Programming of computer software for scanning or reading a QR code via computer networks; Computer programming of computer software for scanning or reading a QR code via mobile devices; Computer software programming for scanning or reading a QR code via mobile devices; Programming of computer software for scanning or reading a QR code via mobile devices; Computer programming of computer software for scanning or reading a quick response code via computer networks; Computer software programming for scanning or reading a quick response code via computer networks; Programming of computer software for scanning or reading a quick response code via computer networks; Computer programming of computer software for scanning or reading a quick response code via mobile devices; Computer software programming for scanning or reading a quick response code via mobile devices; Programming of computer software for scanning or reading a quick response code via mobile devices;

Computer programming of computer software for scanning or reading RFID tags via computer networks; Computer software programming for scanning or reading RFID tags via computer networks; Programming of computer software for scanning or reading RFID tags via computer networks; Computer programming of computer software for scanning or reading RFID tags via mobile devices; Computer software programming for scanning or reading RFID tags via mobile devices; Programming of computer software for scanning or reading RFID tags via mobile devices; Computer programming of smart contracts on a blockchain; Computer programming of software for scanning or reading a bar code via computer networks; Computer programming of software for scanning or reading a bar code via mobile devices; Computer programming of software for scanning or reading a QR code via computer networks; Computer programming of software for scanning or reading a QR code via mobile devices; Computer programming of software for scanning or reading a quick response code via computer networks; Computer programming of software for scanning or reading a quick response code via mobile devices; Computer programming of software for scanning or reading RFID tags via computer networks; Computer programming of software for scanning or reading RFID tags via mobile devices; Computer programming services for commercial analysis and reporting; Computer programming services for data processing; Computer programming for data processing; Computer programming services for data warehousing; Computer programming services for electronic data security; Computer programming services for the protection of software; Computer project management in the field of electronic data processing [EDP]; Computer project management in the field of electronic data processing; Computer project management in the field of EDP; Computer project management services; Computer rental; Computer rental services; Rental of computers; Computer security consultancy; Consultancy in the field of computer security; Computer security consultancy services; Computer security consultancy in the field of scanning of computers and networks to assess information security vulnerability; Computer security consulting services in the field of scanning of computers and networks to assess information security vulnerability; Computer security services; Computer security services [design and development of secure computer hardware, software and systems]; Computer security services for managing digital certificates; Computer security services in the nature of managing digital certificates; Computer security services for protection against illegal network access; Computer security services in the nature of providing authentication, issuance, validation and revocation of digital certificates; Computer security services in the nature of providing authentication, issuance, validation and revocation of digital keys; Computer security services in the nature of administering digital certificates; Computer security services [programming and software installation, repair and maintenance services]; Computer security services provided on an outsourcing basis; Computer security services [testing and risk assessment of computer networks]; Computer security system monitoring services; Computer security threat analysis for protecting data; Computer services for securing computer data; Computer services for securing financial information; Computer services for securing personal information; Computer services in connection with electronic data storage; Computer services concerning electronic data storage; Computer services, namely, creating computer network-based indexes of information, websites and resources; Computer site design; Computer site design services; Design of computer sites; Computer software advisory services; Advisory services relating to computer software; Computer software as a service provided on an outsourcing basis; Computer software consultancy; Software consultancy services; Software consulting services; Consultancy in the field of computer software; Computer software consulting; Software consultancy; Computer software customization services; Customization of computer software; Customizing computer software; Computer software customisation services; Computer software customization; Computer software customisation; Customisation of computer software; Computer software design; Computer software design services; Design of computer software; Design services relating to computer software; Services for designing computer software; Services for the design of computer software; Computer software design and development for others; Computer software development; Computer software development and computer programming development for others; Computer software development for others; Development of computer software for others; Computer software development in the field of mobile applications; Computer software engineering; Computer software integration services; Computer software programming; Computer software programming services; Programming of computer software; Computer software repair; Repair of computer software; Computer software support services; Computer support services [programming and software installation, repair and maintenance services]; Computer support services being installation, repair, maintenance and programming of software; Computer system analysis; Computer systems analysis; Computer systems analyses; Computer systems analysis services; Computer system analysis services; Design of computer systems; Computer system design services; Computer systems design services; Computer system design and analysis; Design and analysis of computer systems; Computer systems design and analysis; Computer system design using agile development methods; Computer systems integration services; Computer system integration services; Computer technology consultancy; Consultancy in the field of computer technology; Design, installation, updating and maintenance of computer software; Design, maintenance and updating of computer software; Design, updating and maintenance of computer software; Maintenance, updating and design of computer software; Design, maintenance, rental and updating of computer software; Computer software design, maintenance, rental and updating; Design, maintenance, rental and updating of software; Software design, maintenance, rental and updating; Design of computer codes; Designing computer codes; Design of computer databases; Database design; Computer database design; Database design services; Computer database design services; Design of computer database software; Design of computer firmware; Computer firmware design; Design of computer game

software; Computer game software design; Design of computer hardware and software; Computer hardware and software design; Computer software and hardware design; Computer hardware and software design services; Computer software and hardware design services; Design of computer hardware and software for commercial analysis and reporting; Design of computer hardware, software and computer peripherals; Computer network design; Design of computer peripherals; Design of computer peripheral devices; Design of computer programs; Design of computer programmes; Computer program design; Computer programme design; Computer program design services; Computer programme design services; Design of computer programs and software relating to aircraft; Design of computers; Computer design; Computer design services; Information technology consultancy relating to installation, maintenance and repair of software; Information technology consultancy relating to the installation, maintenance and repair of software; Information technology consultancy relating to the installation of software; Information technology consultancy relating to maintenance of software; Information technology consultancy relating to the maintenance of software; Information technology consultancy relating to repair of software; Information technology consultancy relating to the repair of software; Information technology engineering; Engineering services relating to information technology; Information technology engineering services; Information technology [IT] engineering; Information technology [IT] services being computer hardware, software and peripherals design and technical consultancy; Information technology [IT] services [computer hardware, software and peripherals design and technical consultancy]; Information technology [IT] services relating to the installation, maintenance and repair of software; Information technology services relating to the installation, maintenance and repair of software; IT services relating to the installation, maintenance and repair of software; Information technology [IT] support services [installation, maintenance and repair of software]; Information technology support services [installation, maintenance and repair of software]; Information technology [IT] support services [installation of software]; Information technology support services [installation of software]; Information technology support services [maintenance of software]; Information technology [IT] support services [repair of software]; Information technology support services [repair of software]; Information technology [IT] support services [troubleshooting of software]; Information technology restoration services in the field data and applications; Information technology services provided on an outsourcing basis relating to the installation, maintenance and repair of software; Outsourced IT services relating to the installation, maintenance and repair of software; Infrastructure as a service [IaaS]; Providing non-downloadable computer software for implementing a computer programming language in the field of machine learning; Providing non-downloadable computer software for performing numerical computation using data flow graphs; Providing non-downloadable computer software for performing numerical computation using data flow graphs in the field of artificial intelligence; Providing non-downloadable computer software for performing numerical computation using data flow graphs in the field of deep learning; Providing non-downloadable computer software for performing numerical computation using data flow graphs in the field of high performance computing; Providing non-downloadable computer software for performing numerical computation using data flow graphs in the field of machine learning; Providing non-downloadable computer software for use in communications between computers; Providing non-downloadable computer software for use in communications between computers in the field of artificial intelligence; Providing non-downloadable computer software for use in communications between computers in the field of deep learning; Providing non-downloadable computer software for use in communications between computers in the field of high performance computing; Providing non-downloadable computer software for use in communications between computers in the field of machine learning; Providing non-downloadable computer software for use in converting user-defined data from one computer format to another; Providing non-downloadable computer software for use in converting user-defined data from one computer format to another in the field of artificial intelligence; Providing non-downloadable computer software for use in converting user-defined data from one computer format to another in the field of deep learning; Providing non-downloadable computer software for use in converting user-defined data from one computer format to another in the field of high performance computing; Providing non-downloadable computer software for use in converting user-defined data from one computer format to another in the field of machine learning; Providing non-downloadable computer software for use in graphics display; Providing non-downloadable computer software for use in graphics display in the field of artificial intelligence; Providing non-downloadable computer software for use in graphics display in the field of deep learning; Providing non-downloadable computer software for use in graphics display in the field of high performance computing; Providing non-downloadable computer software for use in graphics display in the field of machine learning; Providing non-downloadable computer software for use in input/output communications between computers and users; Providing non-downloadable computer software for use in input/output communications between computers and users in the field of artificial intelligence; Providing non-downloadable computer software for use in input/output communications between computers and users in the field of deep learning; Providing non-downloadable computer software for use in input/output communications between computers and users in the field of high performance computing; Research, design and development of information and communications technology; Research, design and development of software for communication systems; Research, design and development of software for data management; Research, design and development of software for managing data; Research, design and development services relating to communication systems; Research, design and development services relating to computer programs; Research, design and development services relating to computers; Research, design and development services relating to computer systems; Research, design and development services relating to network interfaces; Research, design and

development services relating to software application solutions; Research, development, analysis and consultancy services in the field of engineering; Research, development and design of computer software; Research, development, design and updating of computer programs; Research, development, design and updating of computer software; Research, development, design and upgrading of computer programs; Research, development, design and upgrading of computer software; Research, development, design and upgrading of software; Research in the field of communications technology; Research in the field of computer hardware; Research services in the field of computer hardware and software; Research in the field of computer hardware and software; Research services in the field of computer hardware and software; Research in the field of computer programs and software; Research in the field of computer programmes and software; Research in the field of computers; Research in the field of computer security; Research in the field of computer software; Computer software research; Software research; Research in the field of computer technology conducted using databases and the Internet; Research in the field of cybersecurity; Research in the field of data processing; Design of computers and computer software for commercial analysis and reporting; Computer-simulated model design services; Design of computer-simulated models for 3D printing; Computer-simulated model design for 3D printing; Computer-simulated model design services for 3D printing; Design of computer software and systems; Design of computer software, computer firmware, computer hardware and computer systems; Design of computer software for controlling self-service terminals; Designing computer software for controlling self-service terminals; Design of computer software for data processing; Design of data processing software; Design of computer software for word processing; Design of word processing software; Design of consumer products; Consumer product design; Consumer product design services; Designing of data processing systems; Design services relating to data processing systems; Data processing system design; Design of data storage systems; Design of face recognition software; Design of facial recognition software; Design of home pages; Design of homepages; Homepage design; Homepage design services; Home page design; Home page design services; Design of homepages and Internet pages; Design of home pages and Internet pages; Design of homepages and web pages; Design of home pages and web pages; Homepage and webpage design; Design of homepages and websites; Design of homepages and web sites; Design of home pages and websites; Design of home pages and web sites; Design of homepages, computer software and websites; Design of homepages, computer software and web sites; Design of home pages, computer software and web sites; Installation and customization of computer applications software; Installation and customisation of computer applications software; Installation and customization of computer software applications; Installation and customisation of computer software applications; Installation and maintenance of computer programs; Installation and maintenance of computer software; Installation and maintenance of software; Maintenance and installation of software; Maintenance and installation of computer software; Software installation and maintenance; Computer software installation and maintenance; Installation and maintenance of software for Internet access; Installation and maintenance of Internet access software; Installation, maintenance and repair of computer programs; Installation, maintenance and repair of computer software; Installation, maintenance and repair of software; Installation, maintenance and repair of software for computer systems; Installation, maintenance and updating of computer programs; Installation, maintenance and updating of computer software; Installation, maintenance and updating of software; Installation, maintenance and updating of database software; Installation, maintenance, repair and servicing of computer programs; Installation, maintenance, repair and servicing of computer software; Installation, maintenance, repair and servicing of software; Installation, maintenance, updating and upgrading of computer software; Installation of computer programs; Installation of computer programmes; Installation of computer software; Computer software installation; Installation of software; Installation of database software; Installation of firmware; Installation of middleware [software]; Installation of software for computer systems; Installation of software for Internet access; Installation of Internet access software; Installation, repair and maintenance of computer programs; Installation, repair and maintenance of computer software; Installation, repair and maintenance of software; Installation, repair and maintenance of firmware; Firmware installation, repair and maintenance; Installation, repair and maintenance of middleware [software]; Installation, repair, maintenance and updating of computer software; Installation, updating and maintenance of computer programs; Installation, updating and maintenance of computer software; Installation, updating and maintenance of software; Providing non-downloadable computer software for use in input/output communications between computers and users in the field of machine learning; Providing non-downloadable computer software for use in manipulation of collections of user-defined data; Providing non-downloadable computer software for use in manipulation of collections of user-defined data in the field of artificial intelligence; Providing non-downloadable computer software for use in manipulation of collections of user-defined data in the field of deep learning; Providing non-downloadable computer software for use in manipulation of collections of user-defined data in the field of high performance computing; Providing non-downloadable computer software for use in manipulation of collections of user-defined data in the field of machine learning; Providing non-downloadable computer software for use in modeling in the field of artificial intelligence; Providing non-downloadable computer software for use in modeling in the field of deep learning; Providing non-downloadable computer software for use in modeling in the field of high performance computing; Providing non-downloadable computer software for use in modeling in the field of machine learning; Providing non-downloadable computer software for use in testing; Providing non-downloadable computer software for use in testing in the field of artificial intelligence; Providing non-downloadable computer software for use in testing in the field of deep learning; Providing non-

downloadable computer software for use in testing in the field of high performance computing; Providing non-downloadable computer software for use in testing in the field of machine learning; Providing non-downloadable computer software libraries for use in general purpose computation of large datasets; Providing non-downloadable computer software libraries for use in general purpose computation of large datasets in the field of artificial intelligence; Providing non-downloadable computer software libraries for use in general purpose computation of large datasets in the field of deep learning; Providing non-downloadable computer software libraries for use in general purpose computation of large datasets in the field of high performance computing; Providing non-downloadable computer software libraries for use in general purpose computation of large datasets in the field of machine learning; Providing non-downloadable gambling software; Provision of non-downloadable gambling software; Providing non-downloadable gambling software applications for use with mobile computers; Provision of non-downloadable gambling software applications for use with mobile computers; Providing non-downloadable game software applications for use with mobile computers; Provision of non-downloadable game software applications for use with mobile computers; Providing non-downloadable game software applications for use with mobile telephones; Providing non-downloadable game software applications for use with cellular phones; Providing non-downloadable game software applications for use with cell phones; Research in the field of information technology; Industrial product design services; Design of information systems; Design of information technology infrastructure for others; Design of Internet pages; Internet page design services; Internet page design; Design of new products; New product design; New product design services; Design of online social networking software; Design of on-line social networking software; Design of operating system software; Design of programs for data processing; Design of data processing programmes; Design of programmes for data processing; Design of data processing programmes; Integration of computer systems and networks; Integration of computer systems and computer networks; Interactive hosting services which allow the users to publish and share their own content and images on-line; Interactive hosting services which allow the users to publish and share their own content and images online; Internet portal services [designing or hosting]; Internet security consultancy; Internet security services provided on an outsourcing basis; IT consultancy, advisory and information services; IT programming services; IT security services in the nature of protection and recovery of computer data; IT services for data protection; Information technology services for data protection; Providing non-downloadable game software applications for use with mobile phones; Providing non-downloadable game software applications for use with cellular telephones; Provision of non-downloadable game software applications for use with mobile telephones; Provision of non-downloadable game software applications for use with cellular phones; Provision of non-downloadable game software applications for use with cell phones; Provision of non-downloadable game software applications for use with mobile phones; Provision of non-downloadable game software applications for use with cellular telephones; Providing non-downloadable game software applications for use with tablet computers; Provision of non-downloadable game software applications for use with tablet computers; Providing non-downloadable software on data networks; Provision of non-downloadable software on data networks; Providing on-line information about the design and development of computer hardware and software; Providing online information about the design and development of computer hardware and software; Providing on-line information in the field of technological research from a computer database or the Internet; Providing online information in the field of technological research from a computer database or the Internet; Providing online non-downloadable computer programs [application service provider]; Provision of online non-downloadable computer programs [application service provider]; Providing online non-downloadable computer programs being application service provider; Provision of online non-downloadable computer programs being application service provider; Providing online non-downloadable computer software; Providing on-line non-downloadable computer software; Provision of online non-downloadable computer software; Provision of on-line non-downloadable computer software; Providing online non-downloadable software; Providing on-line non-downloadable software; Provision of online non-downloadable software; Provision of on-line non-downloadable software; Providing online non-downloadable computer software for minting non-fungible tokens [NFTs]; Providing on-line non-downloadable computer software for minting non-fungible tokens [NFTs]; Provision of online non-downloadable computer software for minting non-fungible tokens [NFTs]; Provision of on-line non-downloadable computer software for minting non-fungible tokens [NFTs]; Consultancy in the field of computer programming; Computer programming consultancy; Consultancy relating to computer programming; Consultancy in the field of computer programming for data processing; Consultancy in the field of computer software design; Consultancy in the field of software design; Consultancy relating to computer software design; Consultancy in the field of computer system analysis; Consultancy in the field of computer systems analysis; Consultancy in the field of computer system integration; Consultancy in the field of deploying cloud computing environments in the field of infrastructure as a service [IaaS]; Consulting services in the field of deploying cloud computing environments in the field of infrastructure as a service [IaaS]; Consultancy in the field of deploying cloud storage environments in the field of infrastructure as a service [IaaS]; Consulting services in the field of deploying cloud storage environments in the field of infrastructure as a service [IaaS]; Consultancy in the field of security software; Consultancy in the field of software as a service [SaaS]; Consulting services in the field of software as a service [SaaS]; Consultancy in the field of technological design; Consultancy relating to computer database programs; Video game software design; Design, programming and maintenance of computer software; Design, updating and rental of computer software; Updating, design and rental of software; Design, upgrading and rental of computer software; Development and design of mobile applications; Development and maintenance of computer database

software; Development and maintenance of computer software; Development and maintenance of websites; Development and maintenance of web sites; Development and maintenance of websites for third parties; Development and maintenance of web sites for third parties; Logo design services; Design of logos; Maintenance and consultancy services relating to software used in the field of e-commerce; Maintenance and repair of computer software; Repair and maintenance of computer software; Maintenance and repair of software; Repair and maintenance of software; Maintenance and updating of software for communication systems; Maintenance and updating of software relating to quantum algorithms; Maintenance and updating of software relating to quantum computing; Maintenance and updating of software relating to quantum engineering; Maintenance and updating of software relating to quantum programming; Maintenance and updating of software relating to quantum technology; Maintenance of computer programs; Maintenance of computer programmes; Computer program maintenance services; Computer program maintenance; Computer programme maintenance services; Computer programme maintenance; Maintenance of computer programs relating to computer security and prevention of computer risks; Maintenance of computer sites; Maintenance of computer software; Maintenance of software; Software maintenance services; Computer software maintenance services; Computer software maintenance; Maintenance of computer software for data processing; Maintenance of data processing software; Maintenance of computer software relating to computer security and prevention of computer risks; Computer software maintenance relating to computer security and prevention of computer risks; Maintenance of databases being data encryption services; Maintenance of databases being recovery of computer data; Maintenance of database software; Maintenance of database systems; Maintenance of online databases being conversion of data or documents from physical to electronic media; Maintenance of on-line databases being conversion of data or documents from physical to electronic media; Maintenance of online databases being data backup and conversion services; Maintenance of on-line databases being data backup and conversion services; Maintenance of online databases being data encryption services; Providing online non-downloadable software for minting non-fungible tokens [NFTs]; Providing on-line non-downloadable software for minting non-fungible tokens [NFTs]; Provision of online non-downloadable software for minting non-fungible tokens [NFTs]; Provision of on-line non-downloadable software for minting non-fungible tokens [NFTs]; Providing online non-downloadable software [application service provider]; Provision of online non-downloadable software [application service provider]; Providing online non-downloadable software being application service provider; Provision of online non-downloadable software being application service provider; Providing on-line non-downloadable software for use in communication; Providing online non-downloadable software for use in communication; Providing on-line non-downloadable software for use in customer relationship management; Providing online non-downloadable software for use in customer relationship management; Providing on-line non-downloadable software for use in database management; Providing on-line non-downloadable software for database management; Providing on-line non-downloadable software for use in enterprise resource planning; Providing online non-downloadable software for use in enterprise resource planning; Providing on-line non-downloadable software for use in supply chain management; Providing online non-downloadable software for use in supply chain management; Providing on-line non-downloadable software for word processing; Providing online non-downloadable software for word processing; Providing online non-downloadable web-based applications; Provision of online non-downloadable web-based applications; Online provision of non-downloadable web-based applications; Providing online non-downloadable web-based software; Provision of online non-downloadable web-based software; Online provision of non-downloadable web-based software; Online provision of web-based software [non-downloadable]; Providing online support services for computer program users; Providing on-line support services for computer program users; Provision of online support services for computer program users; Provision of on-line support services for computer program users; Providing online trading platform for brokerage; Providing online trading platform for securities brokerage; Providing online trading platform for trade claims brokerage; Providing quality assurance in the field of computer software; Consultancy relating to computer database programmes; Product development consultancy; Product development consultancy; Consultancy relating to software for communication systems; Consultancy relating to the creation and design of websites; Consultancy relating to the creation and design of web sites; Consultancy relating to the creation and design of websites for e-commerce; Consultancy relating to the creation and design of web sites for e-commerce; Consultancy relating to the creation of homepages and Internet pages; Consultancy relating to the creation of home pages and Internet pages; Consultancy relating to the design and development of computer database programs; Consultancy relating to the design and development of computer database programmes; Consultancy relating to the design and development of computer programs; Consultancy relating to the design and development of computer programmes; Consultancy relating to the design and development of computer software; Consultancy relating to software design and development; Consultancy relating to the design and development of computer software and hardware architecture; Consultancy relating to the design and development of computer software programmes; Consultancy relating to the design and development of information and communications technology; Consultancy relating to the design of homepages and Internet pages; Consultancy relating to the design of home pages and Internet pages; Consultancy with regard to the design of homepages and Internet pages; Consultancy relating to the design of homepages and Internet sites; Consultancy relating to the design of home pages and computer software; Consultancy relating to the maintenance of computer software; Consultancy relating to computer software maintenance; Consultancy relating to software maintenance; Consultancy relating to the recovery of computer data; Development and testing of computer software; Development and

testing of software; Development and testing of computing methods, algorithms and software; Development and testing of computing methods, algorithms and software for generating telecommunication and navigation data; Development and testing of computing methods, algorithms and software for processing telecommunication and navigation signals; Development and testing services in the field of engineering; Development and updating of computer software; Development, design and updating of home pages; Development of computer databases; Development of computer database software; Development of computer firmware; Development of computer games; Development of computer game software; Computer game software development; Development of computer hardware; Computer hardware development; Computer hardware development services; Development of computer hardware for computer games; Development of computer languages; Development of computer peripherals; Development of computer platforms; Development of computer programs; Development of computer programmes; Development of computer programs and computer game software; Development of computer programmes and computer game software; Development of computers; Computer development; Computer development services; Development of computer software application solutions; Development of computer software for creating electronic television program guides; Development of computer software for creating electronic television programme guides; Development of computer software for data processing; Development of computer software for logistics, supply chain management and e-business portals; Maintenance of on-line databases being data encryption services; Maintenance of online databases being data security services; Maintenance of on-line databases being data security services; Maintenance of online databases being monitoring of database systems to detect breakdowns; Maintenance of on-line databases being monitoring of database systems to detect breakdowns; Maintenance of online databases being off-site data backup; Maintenance of databases being off-site data backup; Maintenance of on-line databases being off-site data backup; Maintenance of online databases being recovery of computer data; Maintenance of on-line databases being recovery of computer data; Maintenance of software for communication systems; Maintenance of software for computer systems; Maintenance of software for Internet access; Maintenance of Internet access software; Maintenance of software used in the field of e-commerce; Maintenance of websites; Maintenance of web sites; Web site maintenance; Website maintenance; Website maintenance services; Managing websites for others; Managing web sites for others; Managing websites for third parties; Managing web sites for third parties; Providing search engines for obtaining data on a global computer network; Providing search engines for obtaining data via communications networks; Providing search engines for the internet; Provision of search engines for the Internet; Provision of Internet search engines; Providing Internet search engines; Consultancy relating to the selection, implementation and use of computer programs; Consulting services with respect to selection, implementation and use of computer programs; Consultancy relating to the selection, implementation and use of computer software; Consulting services with respect to selection, implementation and use of computer software; Consultancy relating to the updating of computer software; Consultancy relating to the updating of software; Consultancy relating to web page design; Consultancy with regard to webpage design; Consultancy services in the field of design, selection, implementation and use of computer hardware and software systems; Consulting services in the field of design, selection, implementation and use of computer hardware and software systems; Consultancy services in the field of technological development; Consultancy services relating to software used in the field of e-commerce; Consultancy services relating to the design, development and use of computer hardware and software; Consultancy services relating to the design, development and use of computer hardware and computer software; Conversion of computer programs, other than physical conversion; Conversion of computer programs other than physical conversion; Conversion of data or documents from physical to electronic media; Conversion of data, other than physical conversion; Conversion of data other than physical conversion; Data conversion services, other than physical conversion; Data conversion services other than physical conversion; Conversion of document data from one computer format to another; Conversion of documents from physical to electronic media; Conversion of images from physical to electronic media; Conversion of texts to digital format; Copying of computer programs; Copying of computer programmes; Copying of computer software; Cosmetic research; Development of computer software for others for use in measuring, monitoring, and evaluating demonstrative data of physiological expressions and signals; Development of computer software for use with computer-controlled switching systems; Development of computer software for use with programmable controllers; Development of computer software for word processing; Development of word processing software; Computer systems development; Development of consumer products; Development of databases; Development of data processing apparatus; Development of data processing systems; Development of systems for data processing; Development of systems for the processing of data; Development of data programs; Development of data storage systems; Development of systems for the storage of data; Development of data transmission systems; Development of systems for the transmission of data; Development of diagnostic apparatus; Development of driver software; Development of engineering products; Development of new products; New product development; New product development services; Development of new technology for others; Development of operating system software; Development of programs for computers; Development of programs for data processing; Development of data processing programs; Development of programmes for data processing; Development of data processing programmes; Development of software for communication systems; Development of software for multimedia data storing and recalling; Development of software for secure network operations; Development of testing apparatus for electrical wires; Development of testing methods; Development of video and computer games; Development of computer and video games; Development of video games; Development of

video game software; Video game software development; Monitoring of computer system operation by remote access; Monitoring of computer systems by remote access; Monitoring of computer systems for detecting unauthorized access or data breach; Monitoring of computer systems for detecting unauthorized access or data breach; Monitoring of computer systems to detect breakdowns; Monitoring of erosion and sedimentation; Monitoring of industrial processes; Industrial process monitoring services; Providing temporary use of non-downloadable computer programs for gambling; Provision of temporary use of non-downloadable computer programs for gambling; Providing temporary use of non-downloadable computer programs for gaming; Provision of temporary use of non-downloadable computer programs for gaming; Providing temporary use of non-downloadable computer software; Providing temporary use of non-downloadable computer software for accounting; Providing temporary use of non-downloadable computer software for business; Providing temporary use of non-downloadable computer software for communication; Providing temporary use of non-downloadable computer software for financial analysis; Providing temporary use of non-downloadable computer software for financial planning for companies; Providing temporary use of non-downloadable computer software for financial purposes; Providing temporary use of non-downloadable computer software for financial reporting; Providing temporary use of non-downloadable computer software for gambling; Provision of temporary use of non-downloadable computer software for gambling; Providing temporary use of non-downloadable computer software for gaming; Provision of temporary use of non-downloadable computer software for gaming; Providing temporary use of non-downloadable computer software for managing spreadsheets; Providing temporary use of non-downloadable computer software for networking; Creating and designing website-based indexes of information for others [information technology services]; Creating and designing website-based indexes of information for others [information technology services] relating to personal service providers and couriers; Creating and designing website-based indexes of information [information technology services] relating to personal service providers and couriers; Creating and maintaining customized web pages; Creation and maintenance of customized web pages; Creating and maintaining electronic personal pages; Creating and maintaining weblogs [blogs] for others; Creating and maintaining weblogs for others; Creating and maintaining blogs for others; Creating and maintaining web pages; Creation and maintenance of web pages; Creating and maintaining websites for mobile telephones; Creating and maintaining web sites for cellular phones; Creating and maintaining web sites for mobile telephones; Creating and maintaining websites for cellular phones; Creating and maintaining web sites for mobile phones; Creating and maintaining websites for mobile phones; Creating and maintaining web sites for cellular telephones; Creating and maintaining web sites for cell phones; Creating and maintaining websites for others; Creation and maintenance of websites for others; Creation and maintenance of web sites for others; Creating and maintaining web sites for others; Creating and maintaining websites for registered users to form virtual communities and engage in social networking services; Creating and maintaining websites for registered users to form virtual communities and engage in social networking services in the field of blockchain technology; Creating and maintaining web sites for registered users to form virtual communities and engage in social networking services in the field of blockchain technology; Creating and maintaining websites for registered users to form virtual communities and engage in social networking services in the field of education; Creating and maintaining websites for registered users to form virtual communities and engage in social networking services in the field of medical care; Creating and maintaining websites for registered users to form virtual communities and engage in social networking services in the field of music; Creating and maintaining websites for registered users to form virtual communities and engage in social networking services in the field of travel; Creating and maintaining websites for registered users to participate in discussions and get feedback from their peers; Creating and maintaining websites for registered users to participate in discussions and get feedback from their peers in the field of blockchain technology; Creating and maintaining web sites for registered users to participate in discussions and get feedback from their peers in the field of blockchain technology; Development, programming and rental of data processing programmes; Development, programming and rental of data processing programmes; Development services in the field of computer software and advisory services relating thereto; Development, updating and maintenance of software and database software; Development, updating and maintenance of software and database systems; Diagnosis of computer hardware problems through the use of software; Diagnosis of computer software problems; On-line data storage services; Online data storage services; Online support services for computer program users; On-line support services for computer program users; Outsourced services in the field of artificial intelligence; Outsourced services in the field of computer security; Outsourced services in the field of computer software; Outsourced services in the field of computer technology; Outsourced services in the field of internet security; Outsourced services in the field of telecommunications technology; Outsourced services in the field of website design; Outsourced services in the field of web site design; Packaging design; Design of packaging; Testing of computer operating system performance; Computer operating system performance testing; Computer performance testing; Performance testing of computer software; Testing of computer software performance; Computer software performance testing; Performance testing of software; Testing of software performance; Software performance testing; Providing temporary use of non-downloadable computer software for operations management; Providing temporary use of non-downloadable computer software for operative planning for companies; Providing temporary use of non-downloadable computer software for preparing invoices; Providing temporary use of non-downloadable computer software for project management; Providing temporary use of non-downloadable computer software for social networking; Providing temporary use of non-downloadable computer software for use in the automotive and vehicle

industries; Providing temporary use of non-downloadable computer software for use in the creation and publication of online journals and blogs; Providing temporary use of non-downloadable computer software for use in the creation and publication of on-line journals and blogs; Providing temporary use of non-downloadable computer software for use in vehicle appraisals; Providing temporary use of non-downloadable computer software for use in vehicle damage estimation; Providing temporary use of non-downloadable computer software for use in vehicle identification; Providing temporary use of non-downloadable computer software for use in vehicle loss valuation; Providing temporary use of non-downloadable computer software for use in vehicle repairs; Providing temporary use of non-downloadable computer software for use in vehicle repair workflow and tracking; Providing temporary use of non-downloadable software applications accessible via a website; Providing temporary use of non-downloadable software applications accessible via a web site; Providing temporary use of non-downloadable software for analyzing financial data and generating reports; Providing temporary use of non-downloadable software for developing computer games; Providing temporary use of non-downloadable computer game development software; Providing temporary use of non-downloadable software for developing online educational materials; Providing temporary use of non-downloadable software for developing video games; Providing temporary use of non-downloadable video game development software; Providing temporary use of non-downloadable software for enabling members of an online community to receive and access digital files authenticated by non-fungible tokens [NFTs]; Providing temporary use of non-downloadable software for enabling members of an on-line community to receive and access digital files authenticated by non-fungible tokens [NFTs]; Providing temporary use of non-downloadable software for enabling members of an online community to receive and access non-fungible tokens [NFTs]; Providing temporary use of non-downloadable software for enabling members of an online community to receive and access to cryptocurrency; Providing temporary use of non-downloadable software for enabling members of an on-line community to receive and access to cryptocurrency; Creating and maintaining websites for registered users to participate in discussions and get feedback from their peers in the field of education; Creating and maintaining websites for registered users to participate in discussions and get feedback from their peers in the field of medical care; Creating and maintaining websites for registered users to participate in discussions and get feedback from their peers in the field of music; Creating and maintaining websites for registered users to participate in discussions and get feedback from their peers in the field of travel; Creating an online community for registered users; Creating an on-line community for registered users; Creating an online community for registered users to form virtual communities and engage in social networking services; Creating an on-line community for registered users to form virtual communities and engage in social networking services; Creating an online community for registered users to form virtual communities and engage in social networking services in the field of blockchain technology; Creating an on-line community for registered users to form virtual communities and engage in social networking services in the field of blockchain technology; Disaster recovery services for data communications systems; Document data transfer from one computer format to another; Duplication of computer programs; Duplicating computer programs; Duplication of computer programmes; Duplicating computer programmes; Duplication of computer programs being software protection programs and security programs; Duplication of computer software; Editing of computer programs; Editing of computer programmes; Editing of software; Electronic cryptology services in the nature of digital certificate and digital signature verification services; Electronic cryptology services in the nature of electronic data encryption services; Electronic data backup; Electronic data back-up services; Electronic data log storage; Electronic storage of data logs; Electronic data storage; Electronic data storage services; Electronic storage of data; Electronic data storage and data backup services; Electronic data storage and data back-up services; Electronic data storage in virtual environments; Electronic megadata storage; Electronic big data storage; Electronic storage of megadata; Electronic storage of big data; Electronic monitoring of credit card activity to detect fraud via the internet; Planning, design, development and maintenance of online websites for third parties; Planning, design, development and maintenance of on-line web sites for third parties; Planning, design, development and maintenance of on-line websites for third parties; Planning, design, development and maintenance of online web sites for third parties; Providing temporary use of non-downloadable software for enabling members of an online community to receive and access to digital assets; Providing temporary use of non-downloadable software for enabling members of an on-line community to receive and access to digital assets; Providing temporary use of non-downloadable software for enabling members of an online community to receive and access to digital currency; Providing temporary use of non-downloadable software for enabling members of an on-line community to receive and access to digital currency; Providing temporary use of non-downloadable software for enabling members of an online community to receive and access to digital tokens; Providing temporary use of non-downloadable software for enabling members of an on-line community to receive and access to digital tokens; Providing temporary use of non-downloadable software for enabling members of an online community to spend and trade cryptocurrency; Providing temporary use of non-downloadable software for enabling members of an on-line community to spend and trade cryptocurrency; Providing temporary use of non-downloadable software for enabling members of an online community to spend and trade digital assets; Providing temporary use of non-downloadable software for enabling members of an on-line community to spend and trade digital assets; Providing temporary use of non-downloadable software for enabling members of an online community to spend and trade digital currency; Providing temporary use of non-downloadable software for enabling members of an on-line community to spend and trade digital currency; Providing temporary use of non-downloadable software for enabling members of an online community to spend and trade digital tokens; Providing temporary use of non-downloadable software

for enabling members of an on-line community to spend and trade digital tokens; Providing temporary use of non-downloadable software for enabling members of an online community to spend and trade non-fungible tokens [NFTs]; Providing temporary use of non-downloadable software for enabling members of an on-line community to spend and trade non-fungible tokens [NFTs]; Providing temporary use of non-downloadable software for enabling members of an online community to spend and trade non-fungible tokens; Providing temporary use of non-downloadable software for enabling members of an on-line community to spend and trade non-fungible tokens; Providing temporary use of non-downloadable software to enable content providers to track multimedia content; Providing temporary use of non-downloadable software to enable sharing of multimedia content and comments among users; Providing temporary use of on-line applications and software tools; Providing temporary use of online applications and software tools; Providing temporary use of online non-downloadable computer software for collecting, analyzing and organizing data in the field of deep learning; Providing temporary use of on-line non-downloadable computer software for collecting, analyzing and organizing data in the field of deep learning; Provision of temporary use of online non-downloadable computer software for collecting, analyzing and organizing data in the field of deep learning; Creating, designing and maintaining websites; Creating, designing and maintaining web sites; Creation, design and maintenance of websites; Creation, design and maintenance of web sites; Creating home pages for computer networks; Creating homepages for computer networks; Creation of home pages for computer networks; Creation of homepages for computer networks; Creating, maintaining and hosting the websites of others; Creating, maintaining and hosting the web sites of others; Creating, maintaining and hosting websites; Creating, maintaining and hosting web sites; Creating or maintaining websites for others; Creating or maintaining web sites for others; Creating programs for data and information processing; Creation and design of web pages for others; Creating and designing web pages for others; Creation and development of computer programs for data processing; Development and creation of computer programmes for data processing; Creation and hosting of web sites; Creation and maintenance of Internet sites; Creating and maintaining Internet sites; Creation and maintenance of software for blogs; Creation and maintenance of websites; Creating and maintaining web sites; Creation and maintenance of web sites; Creating and maintaining websites; Creation, design, development, and maintenance of websites; Creation, design, development, and maintenance of web sites; Creation, maintenance and adaptation of software; Creation, maintenance, and updating of computer software; Creating, maintaining, and updating computer software; Creation of computer programs; Creating of computer programs; Creation of computer programmes; Creation of control programs for automated measurement, assembly, adjustment and related visualization; Creation of control programs for automated measurement, assembly, adjustment and related visualisation; Creation of digital animation for films, video and computer programs [digital content creation services]; Creation of internet websites; Creation of programs for data processing; Creation of data processing programs; Electronic monitoring of financial transactions and activities to detect suspicious, fraudulent or unlawful transactions and activities; Electronic monitoring of monetary and financial transactions to detect fraud via the internet; Electronic monitoring of personally identifying information to detect identity theft via the internet; Electronic monitoring services being IT security services in the nature of protection and recovery of computer data; Electronic monitoring services for computer security services for protection against illegal network access; Electronic monitoring services for computer security threat analysis for protecting data; Electronic security monitoring services in the nature of monitoring computer systems for data security purposes; Electronic signature verification services [electronic cryptology services]; Electronic signature verification services using technology to authenticate user identity; Electronic site authoring; Electronic storage and retrieval services for archiving biological data; Electronic storage of archived e-mails; Electronic storage of audio files; Electronic storage of business and financial information; Electronic storage of business information; Electronic storage of digital images; Electronic storage of medical records; Electronic storage of photographs; Electronic storage of videos; Electronic storage services for archiving databases; Electronic storage services for archiving databases, images and other electronic data; Electronic storage services for archiving electronic data; Encoding of digital images; Encoding of magnetic cards; Encryption, decryption and authentication of information, messages and data; Engineering and technical support services for the design and configuration of hardware and software systems for use in metal and plastic finishing operations; Product design; Product design services; Product design and development; Product design and development services; Product development; Product development services; Provision of temporary use of on-line non-downloadable computer software for collecting, analyzing and organizing data in the field of deep learning; Providing temporary use of on-line non-downloadable computer software for language translation; Providing temporary use of online non-downloadable computer software for the transmission of data; Providing temporary use of on-line non-downloadable computer software for the transmission of data; Providing temporary use of on-line non-downloadable computer software for use in broadcast monitoring applications; Providing temporary use of online non-downloadable computer software for use in broadcast monitoring applications; Providing temporary use of online non-downloadable development tools for computer software; Providing temporary use of on-line non-downloadable development tools for computer software; Providing temporary use of online non-downloadable development tools for quantum programs; Providing temporary use of on-line non-downloadable development tools for quantum programs; Providing temporary use of online non-downloadable development tools for quantum algorithms; Providing temporary use of on-line non-downloadable development tools for quantum algorithms; Providing temporary use of on-line non-downloadable investment software; Providing temporary use of online non-downloadable investment

software; Providing temporary use of on-line non-downloadable operating software for accessing and using a cloud computing network; Providing temporary use of online non-downloadable operating software for accessing and using a cloud computing network; Providing temporary use of on-line non-downloadable operating software for computer networks and servers; Providing temporary use of online non-downloadable operating software for computer networks and servers; Providing temporary use of online non-downloadable software; Providing temporary use of on-line non-downloadable software development tools; Providing temporary use of online non-downloadable software for collecting, analyzing and organizing data in the field of deep learning; Providing temporary use of on-line non-downloadable software for collecting, analyzing and organizing data in the field of deep learning; Provision of temporary use of online non-downloadable software for collecting, analyzing and organizing data in the field of deep learning; Provision of temporary use of on-line non-downloadable software for collecting, analyzing and organizing data in the field of deep learning; Providing temporary use of online non-downloadable software for creating, analysing and running programs for quantum algorithms; Providing temporary use of on-line non-downloadable software for creating, analysing and running programs for quantum algorithms; Providing temporary use of online non-downloadable software for creating, analysing and running programs for quantum computers; Providing temporary use of on-line non-downloadable software for creating, analysing and running programs for quantum computers; Creation of programmes for data processing; Creation of data processing programmes; Creating programs for data processing; Creating programmes for data processing; Creation of web pages for others; Creating web pages for others; Cross-platform conversion of digital content into other forms of digital content; Cryogenic engineering research; Cryptocurrency mining; Mining of cryptocurrency; Cryptographic engineering; Custom design and development of computer programs; Custom design and development of computer software; Custom design and development of software; Custom design of computer hardware; Personalized design of computer hardware; Custom design of computer hardware and software; Custom design of computer programs; Custom design of computer programmes; Custom design of computer software; Custom design of software; Custom design of software packages; Custom design services; Customized software development in the field of traffic and transportation; Custom software development for others; Developing customized software for others; Data authentication via blockchain technology; Data authentication via blockchain; Data backup and conversion services; Data coding services being computer language programming; Data coding services being computer programming; Data conversion of computer programme data, other than physical conversion; Data conversion of computer programme data other than physical conversion; Data conversion of computer program information, other than physical conversion; Engineering and technical support services in the design and configuration of hardware and software systems for use in the processing of paper and pulp manufacturing systems; Engineering and technical support services in the design and configuration of hardware and software systems for use in the processing of water supply systems; Design engineering; Engineering design; Engineering drawing; Engineering drawing services; Engineering product design services provided on an outsourcing basis; Engineering services relating to computer programming; Engineering services relating to computers; Product development consultancy for inventors in the field of computer science; Providing temporary use of online non-downloadable software for creating, analysing and running programs for quantum simulations; Providing temporary use of on-line non-downloadable software for creating, analysing and running programs for quantum simulations; Providing temporary use of on-line non-downloadable software for database management; Providing temporary use of online non-downloadable software for database management; Providing temporary use of on-line non-downloadable software for use in database management; Providing temporary use of on-line non-downloadable software for importing and managing data; Providing temporary use of online non-downloadable software for importing and managing data; Providing temporary use of on-line non-downloadable software for inventory management; Providing temporary use of online non-downloadable software for inventory management; Providing temporary use of online non-downloadable software for the transmission of data; Providing temporary use of on-line non-downloadable software for the transmission of data; Providing temporary use of on-line non-downloadable software for use in publishing and printing; Providing temporary use of online non-downloadable software for use in publishing and printing; Providing temporary use of online non-downloadable software for website development; Providing temporary use of on-line non-downloadable software for web site development; Providing temporary use of on-line non-downloadable software for website development; Providing temporary use of online non-downloadable software for web site development; Providing temporary use of on-line non-downloadable software for word processing; Providing temporary use of online non-downloadable software for word processing; Providing temporary use of web-based applications; Providing temporary use of web-based software; Providing user authentication services using biometric hardware and software technology for access control; Providing user authentication services using biometric hardware and software technology for banking online; Providing user authentication services using biometric hardware and software technology for e-commerce transactions; Providing user authentication services using biometric hardware and software technology for managing human identification; Providing user authentication services using biometric hardware and software technology for managing identification of things; Providing user authentication services using biometric hardware and software technology for password management; Providing user authentication services using biometric hardware and software technology for point-of-sale transactions; Providing user authentication services using biometric hardware and software technology for secure entry and exit door access; Providing user authentication services using biometric hardware and software technology for social media; Providing user authentication services using blockchain-based software technology

for cryptocurrency transactions; Providing user authentication services using single sign-on technology for e-commerce transactions; Data conversion of computer program information other than physical conversion; Data conversion of computer programme information, other than physical conversion; Data conversion of computer programme information other than physical conversion; Data conversion of electronic information; Conversion of electronic information data; Data cryptology services; Data deduplication services; Data encoding services being computer programming; Data encoding services being conversion of text characters into binary computer codes; Data encryption and decoding services; Data encryption services; Encryption of data; Data migration services; Data mining; Data mining services; Data security consulting; Data storage, other than physical storage; Data storage via blockchain; Data storage via blockchain technology; Debugging computer programs for others; Advisory services relating product development and quality improvement of software; Debugging computer programs for third parties; Debugging of computer programs for others; Debugging of computer programs for third parties; Computer program debugging for others; Computer program debugging for third parties; Debugging computer software; Debugging of computer software; Computer software debugging; Debugging computer software for others; Debugging computer software for third parties; Decoding of data; Decryption of data; Design and construction of homepages and websites; Design and construction of homepages and web sites; Design and construction of home pages and web sites; Design and construction planning services and consultancy relating thereto; Design and creation of homepages and Internet pages; Design and creation of home pages and Internet pages; Designing and creating homepages and Internet pages; Design and creation of homepages and web pages; Design and creation of home pages and web pages; Design and creation of homepages and websites; Design and creation of homepages and web sites; Design and creation of home pages and web sites; Design and creation of websites; Design and creation of web sites; Design and development of antivirus software; Design and development of components for three-dimensional [3D] printers; Design and development of computer database programs; Evaluation of product design; Evaluation of product development; Fraud and identity theft protection services; Fraud detection services in the field of banking; Fraud detection services in the field of credit cards; Fraud detection services in the field of credit cards for online purchasing; Fraud detection services in the field of credit cards for on-line purchasing; Product quality testing; Product quality testing services; Quality testing of products; Product research; Product research services; Product research and development; Product research and development services; Product safety testing; Product safety testing services; Safety testing of products; Product testing services; Professional consultancy relating to computer security; Professional consultancy relating to computer software; Professional advisory services relating to computer software; Professional consultancy relating to technology; Professional consultancy relating to technology information; Professional consultancy services relating to computer programming; Programming of computer animations; Programming of computer games; Programming of computer game software; Programming of computer programs; Programming of data processing software; Computer program programming services; Programming of computer software for electronic language translation dictionaries and databases; Programming of computer software for evaluation and calculation of data; Programming of computer software for reading, transmitting and organizing data; Programming of computer software for reading, transmitting and organising data; Programming of customized web pages; Programming of customized web pages featuring user-defined information, personal profiles and information; Programming of data processing programs; Programming of data processing programmes; Programming of educational software; Programming of electronic data processing [EDP] software; Programming of electronic data processing software; Providing user authentication services using single sign-on technology for online software applications; Providing user authentication services using single sign-on technology for on-line software applications; Providing virtual computer systems through cloud computing; Provision of virtual computer systems through cloud computing; Providing weather condition information affecting ski conditions and road closures; Providing weather information; Provision of weather information; Providing web servers and co-location servers to third party cloud computing and data storage facilities; Quality control of computer programs; Quality control of computer software; Quality control of software; Quality control relating to computer software; Quality control testing; Quality control testing services; Quality control testing and consultancy relating thereto; Quality control testing of products; Product quality control testing; Quality control testing of products for certification purposes; Design and development of computer database programmes; Design and development of computer database software; Design and development of computer firmware; Design and development of computer game software; Design and development of computer game software and virtual reality software; Design and development of computer hardware; Design and development of computer hardware and software; Design and development of computer hardware and computer software; Design and development of computer hardware and software for industrial applications; Design and development of computer hardware and software for use in the field of medicine; Design and development of computer hardware and software relating to quantum algorithms; Design and development of computer hardware and software relating to quantum computing; Design and development of computer hardware and software relating to quantum engineering; Design and development of computer hardware and software relating to quantum programming; Design and development of computer hardware and software relating to quantum technology; Design and development of computer hardware architecture; Design and development of computer hardware for the manufacturing industry; Design and development of computer hardware, software and databases; Design and development of computer networks; Design and development of computer peripherals; Design and development of computer programs; Design and development of computer programmes; Computer program design and development; Computer programme design

and development; Design and development of computer programs, software and mobile applications for others for distribution of multimedia contents; Design and development of computers; Computer design and development; Computer design and development services; Design and development of computers and computer programs; Design and development of computers and programs for computers; Design and development of computers and programmes for computers; Design and development of computers and computer programmes; Design and development of computers and software; Design and development of computers and computer software; Computer and software design and development; Design and development of computer software; Computer software design and development; Design and development of computer software, and consultancy services relating thereto; Design and development of computer software architecture; Design and development of computer software for a virtual online community for registered users to engage in live social networking over the internet; Design and development of computer software for a virtual online community for registered users to get feedback from their peers; Design and development of computer software for a virtual online community for registered users to participate in live video chat discussions; Design and development of computer software for a virtual online community for registered users to share audio files; Programming of EDP software; Programming of energy management software; Programming of Internet security programs; Programming of Internet security programmes; Programming of multimedia applications; Programming of multimedia equipment; Programming of online, non-downloadable virtual goods for use in virtual environments; Programming of operating software for accessing and using a cloud computing network; Programming of operating software for computer networks and servers; Programming of software for database management; Programming of software for e-commerce platforms; Programming of software for importing and managing data; Programming of software for information platforms on the Internet; Programming of software for Internet platforms; Programming of software for Internet portals, chatrooms, chat lines and Internet forums; Programming of software for Internet portals, chat rooms, chat lines and Internet forums; Programming of software for website development; Programming of software for web site development; Programming of telecommunications software; Programming of video games; Programming of video game software; Programming of web pages; Providing an internet trust center for computer security assurance; Provision of an internet trust center for computer security assurance; Providing an online trading platform for hedge funds brokerage; Providing an online trading platform for investment funds brokerage; Providing authentication of personal identification information [computer security services]; Providing authentication of personal identification information [user authentication services using single sign-on technology]; Providing back-up computer programs and facilities; Providing computer facilities for the electronic storage of digital data; Providing computer programs designed to the specifications of others; Providing computer programmes designed to the specifications of others; Provision of computer programs designed to the specifications of others; Provision of computer programmes designed to the specifications of others; Providing computer programs on data networks; Providing computer programmes on data networks; Provision of computer programs on data networks; Provision of computer programmes on data networks; Providing computer programs in data networks; Providing computer programmes in data networks; Provision of computer programs in data networks; Provision of computer programmes in data networks; Providing computer software technical support services in the field of medical diagnostics; Providing electronic storage of digital photographs and videos via a website; Providing electronic storage of digital photographs and videos via a web site; Providing electronic storage space on the internet; Providing electronic memory space on the Internet; Quality testing; Quality testing services; Recovery of data, image, document, mail, message, audio and video via local or global communication networks; Data, image, document, mail, message, audio and video recovery services via local or global communication networks; Recovery of data, images, documents, mails, messages, audio and video via mobile communications networks, cellular networks and satellite networks; Data, image, document, mail, message, audio and video recovery services via mobile communications networks, cellular networks and satellite networks; Recovery of data, images, documents, mails, messages, audio and video via the internet, intranets, extranets; Recovery of smartphone data; Remote computer backup services; Remote computer back-up services; Design and development of computer software for a virtual online community for registered users to share images; Design and development of computer software for a virtual online community for registered users to share multimedia content; Design and development of computer software for a virtual online community for registered users to share photos; Design and development of computer software for a virtual online community for registered users to share video clips; Design and development of computer software for cloud computing; Design and development of computer software for database management; Design and development of software for database management; Design and development of computer software for data processing; Design and development of data processing software; Design and development of computer software for evaluation and calculation of data; Design and development of software for evaluation and calculation of data; Design and development of computer software for logistics; Design and development of computer software for logistics, supply chain management and e-business portals; Design and development of computer software for others; Design and development of computer software for process control; Design and development of computer software for reading, transmitting and organizing data; Design and development of computer software for reading, transmitting and organising data; Design and development of computer software for supply chain management; Design and development of computer software for the collection, transmission and analysis of data; Design and development of computer software for the collection, transmission and analysis of data logs; Design and development of computer software for the collection, transmission and analysis of megadata; Design and

development of computer software for the collection, transmission and analysis of big data; Design and development of computer software for use with medical technology; Design and development of computer software for vehicle simulation; Design and development of computer software for word processing; Design and development of word processing software; Design and development of computer systems; Computer system design and development; Design and development of consumer products; Design and development of databases; Database design and development; Design and development of computer databases; Computer database design and development; Design and development of data display systems; Design and development of data entry systems; Design and development of data output systems; Design and development of data processing apparatus; Design and development of data processing systems; Design and development of data retrieval software; Design and development of data storage systems; Design and development of diagnostic apparatus; Design and development of digital sound and image carriers; Development and design of digital sound and image carriers; Design and development of electronic databases; Providing information about the design and development of computer hardware and software; Provision of information about the design and development of computer hardware and software; Providing information about the design and development of computer software; Providing information about the design and development of computer software, systems and networks; Providing information, including online, about scientific and technological services and research and design relating thereto; Providing information, including online, about scientific and technological services and research and design relating thereto; Provision of information, including online, about scientific and technological services and research and design relating thereto; Provision of information, including on-line, about scientific and technological services and research and design relating thereto; Providing information in the field of architectural design via a website; Providing information in the field of architectural design via a web site; Providing information in the field of computer software design; Providing information relating to computer software design; Providing information in the field of computer software development; Providing information in the field of interior design via a website; Providing information in the field of interior design via a web site; Providing information in the field of product design; Providing information on clinical studies via an interactive website; Rendering of computer graphics; Computer graphics rendering; Rental and maintenance of computer programs; Computer program rental and maintenance; Rental and maintenance of computer software; Computer software rental and maintenance; Rental and maintenance of software; Software rental and maintenance; Rental and updating of software for data processing; Updating and rental of software for data processing; Rental of access time to a computer; Rental of a database server to third parties; Rental of application software; Rental of computer apparatus; Rental of computer database software; Rental of computer equipment; Rental of computer facilities; Rental of computer firmware; Rental of computer game programs; Rental of computer game programmes; Rental of computer hardware; Rental of computer hardware and computer peripherals; Rental of computer hardware and software; Rental of computer hardware and computer software; Rental of computer middleware; Rental of computer peripherals; Rental of computer peripheral devices; Rental of peripheral devices for computers; Rental of computer programs; Rental of computer programmes; Computer program rental; Computer programme rental; Computer program rental services; Rental of computers and computer software; Computer and computer software rental; Rental of computers and software; Rental of computers for data processing; Rental of computer software; Computer software rental; Computer software rental services; Rental of software for computers; Rental of software; Software rental; Software rental services; Rental of computer software and data processing machines; Rental of computer software and programs; Rental of computer software and programmes; Rental of computer software for collecting, analyzing and organizing data in the field of deep learning; Rental of computer software for developing computer games; Rental of computer game development software; Rental of computer software for developing online educational materials; Rental of computer software for developing video games; Rental of video game development software; Rental of computer software for financial management; Rental of data carriers; Rental of data centre facilities; Design and development of electronic greeting cards [e-cards]; Design and development of electronic greeting cards; Design and development of energy management software; Design and development of engineering products; Design and development of firmware systems; Design and development of homepages and websites; Design and development of homepages and web sites; Design and development of home pages and web sites; Design and development of home security systems; Design and development of image processing software; Design and development of industrial products; Design and development of information and communications technology; Design and development of Internet security programs; Design and development of Internet security programmes; Design and development of new products; Design and development of new technology for others; Design and development of online computer software systems; Design and development of on-line computer software systems; Design and development of operating software for accessing and using a cloud computing network; Design and development of operating software for computer networks and servers; Design and development of operating system software; Design and development of programs for data processing; Design and development of data processing programs; Design and development of programmes for data processing; Design and development of data processing programmes; Design and development of quantum computer hardware and software; Design and development of software; Software design and development; Software design and development services; Design and development of software and hardware for audio and video operators; Design and development of software and hardware for processing and distribution of multimedia content; Graphic arts design; Graphic arts designing; Graphic art design services; Graphic art services; Graphic design of advertising brochures; Graphic design of advertising flyers; Graphic design of advertising logos; Graphic design

of advertising materials; Graphic design of book covers; Graphic design of commercial logos; Graphic design of internet advertisements; Graphic design of promotional materials; Graphic design of publicity materials; Graphic design of trade marks; Graphic design; Graphic design services for creating graphic elements of corporate logos; Graphic design services for creating graphic elements of logos; Graphic design services for creating virtual tours of real estate for sale; Graphic illustration design services; Graphic illustration design; Graphic logo design services; Graphic logo design; Graphic design of logos; Hat design; Design of hats; Hosting and providing electronic platforms for data sharing and transmission; Hosting and provision of electronic platforms for data sharing and transmission; Hosting and rental of memory space for websites; Hosting and rental of memory space for web sites; Hosting an online website for creating and hosting micro websites for businesses; Hosting an on-line web site for creating and hosting micro web sites for businesses; Hosting a website for the electronic storage of digital photographs and videos; Hosting a web site for the electronic storage of digital photographs and videos; Hosting computer application software in the field of knowledge management for creating searchable databases of information and data; Hosting computer databases; Hosting of databases; Hosting computerized data, files, applications and information; Hosting of computerized data, files, applications and information; Hosting computer sites [websites] for mobility as a service; Hosting computer sites [web sites] for mobility as a service; Hosting computer sites [websites] for mobility as a service [MaaS]; Hosting computer sites [web sites] for mobility as a service [MaaS]; Hosting computer software applications for others; Hosting of computer software applications for others; Hosting computer websites; Hosting computer web sites; Hosting web sites; Web site hosting services; Hosting of websites; Website hosting services; Hosting of web sites; Providing information on donation of human corpses for medical research; Providing information relating to computer programming; Provision of information relating to computer programming; Providing information relating to computer programming via a website; Providing information on computer programming via a web site; Providing information on computer programming via a website; Providing information relating to computer programming via a web site; Provision of information relating to computer programming via a website; Providing information relating to computer programs; Provision of information relating to computer programs; Provision of information relating to computer programmes; Providing information relating to computer programmes; Providing information relating to computer software; Providing information relating to computer technology; Provision of information relating to computer technology; Providing information on computer technology; Provision of information on computer technology; Providing information relating to computer technology and programming via a website; Providing information on computer technology and programming via a web site; Provision of information relating to computer technology and programming via a web site; Provision of information relating to computer technology and programming via a website; Provision of information on computer technology and programming via a website; Providing information relating to computer technology and programming via a web site; Providing information relating to computer technology via a website; Providing information on computer technology via a web site; Providing information on computer technology via a website; Providing information relating to computer technology via a web site; Provision of information relating to computer technology via a website; Provision of information on computer technology via a web site; Provision of information on computer technology via a website; Provision of information on computer technology via a web site; Rental of data center facilities; Rental of data processing devices and computers; Rental of data processing programs; Rental of data processing programmes; Rental of data processing systems; Rental of decentralized cloud storage facility for containerized data centers of others; Rental of design equipment; Rental of electronic storage space [web space] on the Internet; Rental of electronic memory space [web space] on the Internet; Rental of electronic storage space on the Internet; Rental of electronic memory space on the Internet; Rental of furniture especially made for laboratories; Rental of Internet security programmes; Rental of laboratory apparatus; Rental of laboratory apparatus and instruments; Rental of laboratory instruments; Rental of laboratory robots for laboratory research and analysis; Rental of laboratory robots for laboratory testing; Rental of measuring apparatus; Rental of memory space for websites; Rental of memory space for web sites; Rental of memory space on servers for hosting electronic bulletin boards; Rental of memory space on servers for sharing digital contents on the internet; Rental of memory space on servers for sharing electronic data on the internet; Rental of memory space on servers for sharing images on the internet; Rental of memory space on servers for the interaction of social networking service users on the internet; Rental of meters for the recording of energy consumption; Rental of microscopes for bacteriological research purposes; Rental of microscopes for biological research purposes; Rental of microscopes for medical research purposes; Rental of microscopes for research purposes; Rental of microscopes for scientific research purposes; Rental of scientific apparatus; Scientific apparatus rental; Rental of scientific equipment; Rental of scientific instruments; Scientific instrument rental; Rental of scientific instruments and apparatus; Rental of scientific microscopes; Rental of smartglasses; Rental of software for collecting, analyzing and organizing data in the field of deep learning; Rental of software for database management; Rental of database management software; Rental of software for data processing; Rental of data processing software; Data processing software rental; Data processing software rental services; Rental of software for importing and managing data; Rental of software for Internet access; Rental of Internet access software; Rental of software for inventory management; Rental of software for website development; Rental of telescopes; Design and development of software and hardware for producing, recording and processing digital and analog signals; Design and development of software and hardware for producing, recording and processing digital and analogue signals; Design and development of software

and hardware for signal amplification and transmission; Design and development of software for control, regulation and monitoring of solar energy systems; Design and development of software for electronic databases; Design and development of electronic database software; Design and development of software for electronic television program guides; Design and development of software for electronic television programme guides; Design and development of software for importing and managing data; Design and development of software for instant messaging; Design and development of software for inventory management; Design and development of software for website development; Design and development of software for web site development; Design and development of software in the field of mobile applications; Design and development of systems for data input, output, processing, display and storage; Design and development of systems for regenerative energy generation; Design and development of regenerative energy generation systems; Design and development of telecommunications networks; Design and development of testing and analysis methods; Design and development of video game and computer game software; Design and development of video and computer game software; Design and development of video game software; Design and development of virtual reality software; Design and development of web pages; Design and development of wireless computer networks; Design and development of wireless networks; Design and graphic arts design for the creation of web pages on the Internet; Design and graphic arts designing for the creation of web pages on the Internet; Design and graphic arts design for the creation of websites; Design and graphic arts design for the creation of web sites; Design and graphic arts designing for the creation of web sites; Design and hosting of web portals; Design and implementation of web pages for others; Designing and implementing web pages for others; Design and implementation of websites for others; Design and implementation of web sites for others; Designing and implementing web sites for others; Design and maintenance of computer sites for third parties; Design and maintenance of computer software for others; Design and maintenance of computer software for third parties; Design and maintenance of Internet homepages; Design and maintenance of Internet home pages; Design and maintenance of web pages for others; Hosting websites; Hosting computer websites and rental of software; Computer website hosting services and software rental services; Website hosting services and software rental services; Hosting computer websites, software as a service [SaaS], and rental of software; Hosting computer websites, software as a service, and rental of software; Hosting customized web pages; Hosting of customized web pages; Hosting digital content on the internet; Hosting of digital content on the internet; Hosting digital platforms for mobility as a service; Hosting digital platforms for mobility as a service [MaaS]; Hosting e-commerce platforms on the Internet; Hosting of e-commerce platforms on the Internet; Hosting memory space for websites; Hosting memory space for web sites; Hosting of memory space for web sites; Hosting of memory space for websites; Hosting memory space on the Internet; Hosting of memory space on the Internet; Hosting memory space on the Internet for storing digital photographs; Hosting of memory space on the Internet for storing digital photographs; Hosting multimedia and interactive applications; Hosting of multimedia and interactive applications; Hosting multimedia educational content; Hosting of multimedia educational content; Hosting multimedia entertainment and educational content for others; Hosting multimedia entertainment content; Hosting of multimedia entertainment content; Hosting of online calculators; Hosting of podcasts; Hosting of software as a service [SaaS]; Hosting of software as a service; Hosting online facilities for conducting interactive discussions; Hosting on-line software enabling the creation and hosting of micro websites for businesses; Hosting online software enabling the creation and hosting of micro websites for businesses; Hosting on-line web facilities for others; Hosting online web facilities for others; Hosting on-line web facilities for others for conducting interactive discussions; Hosting online web facilities for others for conducting interactive discussions; Hosting on-line web facilities for others for sharing on-line content; Hosting online web facilities for others for sharing online content; Hosting platforms on the Internet; Hosting of platforms on the Internet; Hosting software for use in library management; Hosting of software for use in library management; Hosting software platforms for virtual reality-based work collaboration; Hosting the websites of others; Hosting the web sites of others; Hosting web sites of others; Hosting the websites of others on a computer server for a global computer network; Provision of information relating to technological research; Providing Internet search engines with specific search options; Providing meteorological information via a website; Providing meteorological information via a web site; Provision of meteorological information via a website; Provision of meteorological information via a web site; Providing weather information via a website; Providing weather information via a web site; Provision of weather information via a website; Provision of weather information via a web site; Providing non-downloadable computer applications on data networks; Provision of non-downloadable computer applications on data networks; Providing non-downloadable computer gambling software; Provision of non-downloadable computer game and gambling software; Providing non-downloadable computer game software; Provision of non-downloadable computer game software; Providing non-downloadable computer game software for professional gaming operators; Provision of non-downloadable computer game software for professional gaming operators; Providing non-downloadable computer programs on data networks; Providing non-downloadable computer programmes on data networks; Provision of non-downloadable computer programs on data networks; Provision of non-downloadable computer software development tools in the field of artificial intelligence; Providing non-downloadable computer software development tools in the field of deep learning; Providing non-downloadable computer software development tools in the field of high performance computing; Providing non-downloadable computer software development tools in the field of machine learning; Providing non-downloadable computer software for implementing a computer programming language; Providing non-downloadable computer software for implementing

a computer programming language in the field of artificial intelligence; Providing non-downloadable computer software for implementing a computer programming language in the field of deep learning; Providing non-downloadable computer software for implementing a computer programming language in the field of high performance computing; Rental of telescopes for educational purposes; Rental of telescopes for leisure activities; Rental of telescopes for research purposes; Rental of telescopes for scientific research purposes; Rental of ultrasonic diagnostic apparatus, not for medical purposes; Rental of ultrasonic diagnostic apparatus, not for medical use; Rental of user-programmable humanoid robots, not configured; Rental of web servers; Rental of web servers and co-location servers for containerized data centers of others; Rental of word processors; Rental of word processors [computer hardware]; Rental of word processors [software]; Repair of computer programs; Repair of computer programmes; Repair of software for computer systems; Research and consultancy in the design and development of computer hardware; Research and consultancy services relating to computer software; Research and consultancy services relating to software; Research and development in the field of application programming interfaces for online banking payment; Computer software research and development; Computer software research and development services; Research and development of new products for others; Research and development for others with regard to new products; Research and development services with regard to new products for third parties; Research and development of software; Software research and development; Software research and development services; Research and development services relating to software; Research and development of software for computers; Design and maintenance of websites; Design and maintenance of web sites; Design and maintenance of websites for others; Design and maintenance of web sites for third parties; Design and maintenance of web sites for others; Design and maintenance of websites for third parties; Design and programming of web sites; Design and rental of software; Design and testing for new product development; Design and testing of new products; Design and updating of computer software; Computer software design and updating; Updating and design of computer software; Design and updating of homepages and web pages; Design and updating of home pages and web pages; Design and updating of software; Software design and updating; Design and writing of computer software; Computer software design and writing; Computer software design and writing services; Design consultancy; Consultancy in the field of design; Design, creation and programming of web pages; Design, creation, hosting and maintenance of Internet sites for third parties; Design, creation, hosting and maintenance of websites; Design, creation, hosting and maintenance of web sites for others; Design, deployment and management of wireless computer networks for others; Design, development and implementation of computer programs; Design, development and implementation of computer software; Design, development and implementation of software; Design, development and programming of computer software; Computer software design, development and programming services; Design, development, installation and maintenance of computer software; Design, development, maintenance and updating of computer software; Design, maintenance, development and updating of computer software; Design, development, maintenance and updating of computer software for data processing; Design, development, maintenance and updating of data processing software; Design, development, maintenance and updating of computer software for process control; Design, development, maintenance and updating of computer software for word processing; Design, development, maintenance and updating of word processing software; Design, development, maintenance and updating of computer software for word processing, data processing and process control; Design feasibility studies; Designing websites for advertising purposes; Design of web sites for advertising purposes; Hosting the web sites of others on a computer server for a global computer network; Hosting virtual environments; Hosting web portals; Hosting of web portals; Hosting websites featuring virtual pets authenticated by non-fungible tokens [NFTs]; Hosting websites on the Internet; Hosting web sites on the Internet; Hosting of web sites on the Internet; Hosting of websites on the Internet; Design of image processing software; Implementation of computer programs on networks; Implementation of computer programmes on networks; Industrial and graphic art design; Industrial art design; Industrial design; Industrial development services; Industrial research, development and testing; Industrial research, development and testing services; Industrial testing; Industrial testing services; Industrial testing of engineering works; Information in the field of technological processes; Information services in the field of computer software; Consulting services in the field of computer and computer network security; Research relating to design; Research relating to the development of computer hardware; Research relating to the development of computer programs and software; Research relating to the development of computer programmes and software; Research relating to the development of computer software; Research services for the development of new products; Research to develop new products; Research services in the field of informatics; Research services in the field of petroleum products; Retail design services; Scientific and technological services and related research and design services; Scientific and technological services and research and development relating thereto; Scientific and technological services and research and development services relating thereto; Scientific and technological services and research and development related thereto; Scientific and technological services and research relating thereto; Scientific and technological services and related research services; Scientific and technological services relating to technological innovation forecasting; Scientific design services; Scientific feasibility studies; Security as a service [SECaaS]; Security system testing; Testing of security systems; Server administration; Server administration services; Server hosting; Server hosting, software as a service [SaaS], and rental of software; Server hosting, software as a service, and rental of software; Services in the field of computer engineering; Computer engineering services; Computer engineering; Smartphone software design; Software as a service [SaaS]; Software as a service; Software as a service [SaaS] featuring 3D printing software;

Software as a service [SaaS] featuring artificial intelligence software for machine learning; Software as a service [SaaS] featuring software using artificial intelligence for machine learning; Software as a service [SaaS] featuring software using artificial intelligence for use in machine learning; Software as a service [SaaS] featuring artificial intelligence software for software development; Software as a service [SaaS] featuring software using artificial intelligence for software development; Software as a service [SaaS] featuring software using artificial intelligence for use in software development; Software as a service [SaaS] featuring database management software; Software as a service [SaaS] featuring software for use in database management; Software as a service [SaaS] featuring modeling software for use with 3D printers; Software as a service [SaaS] featuring software for analyzing and reporting self-assessment of illness; Software as a service [SaaS] featuring software for converting 3D designs into 3D printer-readable codes; Software as a service [SaaS] featuring software for creating, analysing and running programs for quantum algorithms; Software as a service [SaaS] featuring software for creating, analysing and running programs for quantum computers; Software as a service [SaaS] featuring software for deep neural networks; Software as a service featuring software for deep neural networks; Software as a service [SaaS] featuring software for identifying persons with possible exposure to a carrier of an infectious disease to facilitate contact tracing; Software as a service [SaaS] featuring software for identifying persons with possible exposure to a carrier of public health outbreaks to facilitate contact tracing; Software as a service [SaaS] featuring software for machine learning; Software as a service [SaaS] featuring software for machine learning, deep learning and artificial neural networks; Software as a service [SaaS] featuring software for machine learning, deep learning and deep neural networks; Software as a service featuring software for machine learning, deep learning and deep neural networks; Software as a service [SaaS] featuring software for monitoring persons with possible exposure to a carrier of an infectious disease to facilitate contact tracing; Software as a service [SaaS] featuring software for monitoring persons with possible exposure to a carrier of public health outbreaks to facilitate contact tracing; Software as a service [SaaS] featuring software for notifying persons of possible exposure to a carrier of an infectious disease to facilitate contact tracing; Software as a service [SaaS] featuring software for notifying persons of possible exposure to a carrier of public health outbreaks to facilitate contact tracing; Software as a service [SaaS] featuring software for recording and analyzing real-time location data for predicting the spread of an illness in a community; Software as a service [SaaS] featuring software for use as a spreadsheet; Software as a service [SaaS] featuring software for use with 3D printers; Software as a service [SaaS] featuring software using artificial intelligence for face and speech recognition; Software as a service [SaaS] featuring software using artificial intelligence for facial and speech recognition; Software as a service [SaaS] featuring software using artificial intelligence for use in facial and speech recognition; Software as a service [SaaS] featuring software using artificial intelligence for use in face and speech recognition; Software as a service [SaaS] featuring artificial intelligence software for face and speech recognition; Software as a service [SaaS] featuring artificial intelligence software for use in face and speech recognition; Software as a service [SaaS] featuring artificial intelligence software for facial and speech recognition; Software as a service [SaaS] featuring artificial intelligence software for use in facial and speech recognition; Software as a service [SaaS] featuring word processing software; Software as a service [SaaS] featuring software for use as a word processor; Software as a service [SaaS] featuring software for use in word processing; Software as a service [SaaS] for software regression testing; Software authoring; Software customization services; Software customisation services; Software customization; Software customisation; Customization of software; Customisation of software; Software design; Software design services; Design of software; Software design for others; Design of software for others; Computer software design for others; Software development; Software development services; Development of software; Software development for others; Development of software for others; Software development in the framework of third party game software publishing; Software development in the framework of software publishing; Software development, programming and implementation; Software engineering; Software engineering services; Software engineering consultancy for data processing; Software engineering services for data processing; Software engineering services for data processing programs; Software engineering services for data processing programmes; Software porting services; GENERAL INFORMATION III

TRADEMARKS ACT 2019 (Act 815)

PUBLICATION OF ACCEPTANCE OF INTERNATIONAL REGISTRATION DESIGNATING
MALAYSIA

Pursuant to regulation 71 of the Trademarks Act 2019, the following international registrations designating Malaysia have been accepted and are hereby published in Intellectual Property Official Journal under section 148 of the Trademarks Act 2019.

Where an application for registration is accepted subject to any conditions, amendments, modifications or limitations, such conditions, amendments, modifications or limitations shall appear in the publication.

Pursuant to subsections 35(1) and 35(2) of the Trademarks Act 2019 and subregulation 72(1) of the Trademarks Regulations 2019, a notice of opposition to oppose the registration of the international registrations designating Malaysia which shall include the statement of the grounds of such opposition may be filed together with payment of the prescribed fee with the Registrar of Trademarks within two months from the date of the publication of the acceptance of such international registrations designating Malaysia in the Intellectual Property Official Journal.

Notwithstanding the above paragraphs, pursuant to subsection 153(1) of the Trademarks Act 2019 and subregulation 72(2) of the Trademarks Regulations 2019, the request for an extension of time may be allowed at the discretion of the Registrar of Trademarks for not more than two months after the expiry of the period for filing the notice of opposition

Industrial robots; Robotic apparatus for handling materials; Robotic cleaning machines; Mechanical cleaning apparatus; Mineworking machines; Waste disposing machines; Machines and equipment for mining, cleaning, sorting, washing, processing, filtration, waste management and recycling; Parts and accessories for all the aforesaid.

CLASS 9

Software; Downloadable software applications; Computers; Computer hardware; Apparatus and instruments for conducting, switching, transforming, accumulating or regulating electricity; Data processing equipment; Apparatus for recording, transmission or reproduction of sound or images; Solar panels; Solar batteries; Power supply devices (transformers); Measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; Calculating devices; Fire-extinguishing apparatus; Parts and accessories for all the aforesaid; Electronic publications (downloadable) including podcasts and electronic publications (downloadable) sold and distributed online.

CLASS 35

Business management; Business project management services; Logistics services (business management and organisation of facilities and resources); Supply chain management services; Business management and consulting in the field of supply chain management and logistics; Business risk and compliance management consultancy services including in relation to occupational health and safety; Business administration; Procurement services including procurement of contracts (for others); Personnel management consultancy; Providing staff; Contract management services, being the procurement and negotiation of contracts for others; Business information; Commercial or industrial management assistance; Retail and wholesale services, including those provided online and via an e-commerce platform; Provision of an on-line marketplace for buying and selling goods and services; Advertising; Marketing; Public relations; Marketing research; Accounting; Business and financial auditing; Office functions; Operation of energy production facilities, namely business management of energy production facilities; Technical and commercial due diligence services; Advisory, consultancy and information services in relation to the aforesaid.

CLASS 36

Asset management; Funds management; Financial management; Investment services; Financial services; Project finance services; Financial asset management; Investment asset management; Financial affairs; Monetary services; Insurance; Capital investment services; Provision of credit; Financial and insurance risk management and advisory services; Advisory, consultancy and information services in relation to all of the aforesaid.

CLASS 37

Construction management; Construction project management; Building; Installation, maintenance and repair services relating to project management, engineering or engineering design in the energy, chemical and resources sectors; Rental and hire of construction and building equipment and materials; Cleaning of buildings, construction sites, industrial sites; Cleaning industrial waste, chemicals and materials such as catalyst and sludge, from industrial sites including tanks and vessels; Industrial maintenance services, namely, removing catalyst from industrial process beds, tanks, and vessels; Industrial maintenance services, namely, removing adsorbent from industrial process beds, tanks, and vessels; Industrial maintenance services, namely, removing process residue from industrial process beds, tanks, and vessels; Oil and gas drilling; Extraction of oil; Extraction of gas; Maintenance of energy production facilities; Installation and maintenance of computer hardware and information technology; Advisory, consultancy and information services in relation to all of the aforesaid.

CLASS 40

Treatment of materials including by means of chemical processing; Treatment of water; Recycling of waste and trash; Air purification; Water and waste treatment; Sorting of waste and recyclable material [transformation]; Fabrication of parts, fixtures and prototypes to the order and specification of others; Custom fabricating of goods or materials (for others) such as bespoke pipework, metalwork, joinery, control panels and electrical panels; Production of energy; Generation of electricity; Processing of gas; Supervision and management of decontamination of hazardous materials; Destruction of waste; Recycling for carbon offsetting purposes; Consultancy services relating to the generation of electrical power; Generation of electricity from solar energy; Technical consultancy in the field of production of solar energy; Production of hydroelectric power; Production of electrical energy from renewable sources; Production of energy by power plants; Production and processing of fuels and of other sources of energy; Advisory, consultancy and information services in relation to all of the aforesaid.

CLASS 41

Education; Providing of training; Conducting classes, training, seminars, conferences and workshops in the fields of construction, engineering, building safety, business, supply chain management, project management, and occupational health and safety; Advisory, consultancy and information services in relation to all of the aforesaid.

CLASS 42

Design and development of computer software for logistics, supply chain management and e-business portals; Design and development of computer hardware and software; Online provision of web-based applications (non-downloadable); Online provision of web-based software (non-downloadable); Engineering project management services; Engineering; Engineering design services; Conducting of engineering feasibility studies; Computer software development and support services; Software as a service (SaaS); Hosting of software as a service (SaaS); Online provision of interactive web-based application (non-downloadable); Design, development, installation, testing, updating, management and maintenance of computer software; Design, development, testing of computer hardware and information technology; Web portal hosting services; Computerised storage of business and commercial information; Support services for computer software and computer hardware; Information technology (IT) services (computer hardware, software and peripherals design and technical consultancy); Computer network design for others; Scientific and technological services and research and design relating thereto; Scientific and industrial analysis and research for the oil, gas, mining, chemical, petrochemical and energy industry; Surveying services; Analysis and testing services for the oil, gas, mining, chemical, petrochemical and or energy industry; Industrial analysis, industrial research and industrial design services; Technical data analysis; Quality control and authentication services; Materials testing; Oil exploration; Gas exploration; Geological surveys; Geographical mapping; Architectural design services; Architectural planning; Industrial failure investigations, namely, conducting scientific feasibility studies relating to industrial machine failure; Consultancy and advisory services in the field of energy use and energy efficiency; Energy auditing; Environmental assessment and sustainability consultancy services; Environmental assessment services; Environmental monitoring services; Advisory, consultancy and information services in relation to all of the aforesaid.

CLASS 45

Inspection of factories, buildings, construction sites, and facilities in relation to safety; Fire safety consultancy services; Project studies in relation to safety; Information and consultancy services in relation to safety; Mediation services including industrial relations mediation services; Advisory, consultancy and information services in relation to all of the aforesaid.

WORLEY LIMITED ; Level 15, 141 Walker Street North Sydney NSW 2060, AUSTRALIA

The logo for Cicor, featuring the word "cicor" in a bold, lowercase, sans-serif font.

CLASS : 7,9,17,37,40,42

TM2024028818 4 April 2024

International Registration Number : 1810475

International priority date claimed : 30 November 2023, Switzerland

CLASS 7

Injection molds (parts of machines) of metal for processing plastics; Moulds for injection moulding tools.

CLASS 9

Circuit boards; Electric circuit boards; Printed circuit boards; Multi-layered printed circuit boards; Printed electronic products, namely, printed circuits, printed electronic circuits and printed circuit boards equipped with integrated circuits; Testing apparatus for circuit boards; Testing apparatus for circuits; Electronic components; Semi-conductor devices; Electronic components for smart cards; Semi-conductor chips; Integrated circuit modules; Custom circuits (integrated circuits for specific applications); Circuits for applications in the aeronautics, space, automotive, defense, machinery, medical technology, building technology and communication technology industries; Thick film substrates for circuits; Thin film substrates for circuits; Polymer substrates for circuits; Ceramic substrates for circuits; Hybrid substrates for circuits; Hybrid circuits; Microelectronic modules; Computer hardware and software; Electric and electronic control devices for manufacturing installations; Casings of plastic for electronic products; Electric cables.

CLASS 17

Products and precursors [products] of injection-molded plastic [semi-finished products].

CLASS 37

Assembly services for plastic injection molds; Maintenance, repair and cleaning of semiconductor manufacturing equipment and installations; Repair or maintenance of machines and installations for the production of circuit boards; Repair or maintenance of semiconductor manufacturing machines and systems; Providing information relating to the repair or maintenance of machines and installations for the production of circuit boards; Maintenance, servicing and repair of electronic apparatus, equipment and components; Assembly, maintenance and repair of injection molds, plastic injection molding machines and components therefor.

CLASS 40

Treatment of materials for third parties; Treatment of materials, namely, (customized) manufacture of electronic products for third parties and/or to third-party specifications; Custom manufacture of electronic products for third parties; Custom manufacture of prefabricated components; Custom manufacture of injection-molded parts; Consultant services in relation to injection molding; Consultant services relating to the treatment of materials by means of injection molding; Custom plastic and metal injection molding; Custom computer-integrated manufacturing of metal and plastic parts; Providing information on custom injection molding of metal and plastic and custom computer-integrated manufacturing of metal and plastic parts; Treatment of materials, namely, custom assembling of electronic components for the aeronautics, space, automotive, defense, machinery, medical technology, building technology and communication technology industry, using adhesives, welding and soldering techniques (included in this class); Custom manufacture of electronic parts, namely, circuit boards, circuits, circuit carriers, switches, substrates, cables, conductors, coils, sensors and processors, to order and to customer specifications; Custom manufacture of tools for third parties; Manufacturing customized electronic components, namely, circuit boards, circuits, circuit carriers, switches, substrates, cables, conductors, coils, sensors and processors, for third parties; Custom assembling of materials; Machining of parts for others; Manufacture of cables; Assembly services for third parties in the field of electronics; Manufacture of tools for plastic parts, electronic apparatus and assemblies.

CLASS 42

Scientific and technological services as well as research and design services relating thereto; Industrial research, testing and analysis services; Development services in the field of engineering; Engineering research; Technical research for third parties in the electronics industry field; Technological support services, namely, technological consultant services in relation to the manufacture and assembly of electronic products; Design of electronic components, assemblies and apparatus (EMS); Consultant services with respect to arranging and designing circuit boards; Design of tools and design works; Design of tools for plastic parts, electronic apparatus and assemblies; Analysis, design and control of electronic apparatus, equipment and components; Consultant services relating to the analysis, design and control of electronic apparatus, equipment and components; Technological consultant services in the field of the automotive, aeronautics, space, defense, machinery industry, as well as medical technology, building technology and communication technology; Engineering consultant services; Engineering; Providing software (software as a service, SaaS); Design, development, maintenance and updating of software; Design, development, maintenance and update of software for the control, regulation and monitoring of manufacturing processes in the field of the electronics industry; Design and development of logistics and supply chain management software; Technical consultancy in the field of the electronics industry; Design and development of computer hardware for use in manufacture; Design and development of electronic controls and circuits; Product design; Product development; Technical consultant services in the field of product development and design; Product development evaluation and analysis; Research and development services relating to new products for third parties; Technical consultant services relating to the manufacture of tools; Design of prototypes, development and performance of technical tests; Quality control and technical testing services; Integration of technical testing systems in production environments; Environmental impact study services; Monitoring of machine status; Process monitoring for quality assurance; Design and development of data storage systems; Writing of data processing programs; Programming of data processing and database

management software; Installation, maintenance and updating of database software; Technical consultant services with respect to injection molding (services of engineers); Computer-aided design of plastic parts and molds; Design of injection molds; Design of custom injection molding machines; Creating plastic injection molds.

CICOR TECHNOLOGIES LTD. ; route de l'Europe 8 CH-2017 Boudry, SWITZERLAND

CLASS : 7,9

TM2024024610 16 April 2024

International Registration Number : 1804740

International priority date claimed : 13 April 2024, Australia

CLASS 7

Machines and machinery; Material handling equipment including conveyors, sorters, cranes, carousels, elevators, automatic materials handling apparatus; Automatic storage and retrieval machines, automated dispensing machines and barcode labelling machines; Cranes for the automated storage and retrieval of pallets, cartons, and storage totes; Power-operated lifts for the automated storage and retrieval of pallets, cartons and storage totes; Automated storage and retrieval machine comprising an autonomous shuttle and rack for the automated storage and retrieval of pallets; Automated storage and retrieval machine comprising an autonomous shuttle and rack for the automated storage and retrieval of pallets, cartons and storage totes; Palletizers, case elevators, automatic pallet dispensing machines and automatic slip sheet dispensing machines; Parts and accessories of the aforementioned goods in this class.

CLASS 9

Computer software, computer hardware, electronic devices for communicating data and data input apparatus for use with computers all for materials handling and distribution systems; Data processing equipment; Computer software and hardware; Apparatus and equipment for weighing, measuring and checking; Communication devices, imaging devices, checking devices, scales and measurement devices, barcode scanners, sensors or photoelectric cells, radio frequency identification devices and radio frequency identification tags, electronic devices for communicating data; Parts and accessories of the aforementioned goods in this class.

DEXION (AUSTRALIA) PTY LTD ; UE1, 22 Powers Rd Seven Hills NSW 2147, AUSTRALIA

HOWO

CLASS : 7,9,35

TM2024027152 16 May 2024

International Registration Number : 1807655

CLASS 7

Sparking plugs for internal combustion engines; Filters for cleaning cooling air, for engines; Cylinder heads for engines; Anti-pollution devices for motors and engines; Crankcases for machines, motors and engines; Mufflers for motors and engines; Bearings [parts of machines]; Exhausts for motors and engines; Filters being parts of machines or engines; Bearings for transmission shafts; Igniting devices for internal combustion engines; Dynamos.

CLASS 9

Computer software, recorded; Signal lanterns; Navigation apparatus for vehicles [on-board computers]; Radiotelephony sets; Vehicle breakdown warning triangles; Fire engines; Speed checking apparatus for vehicles; Alarms; Eyeglasses; Accumulators, electric, for vehicles.

CLASS 35

Advertising; Online advertising on a computer network; Providing business information via a website; Sales promotion for others; Provision of an online marketplace for buyers and sellers of goods and

services; Import-export agency services; Personnel management consultancy; Administrative services for the relocation of businesses; Search engine optimization for sales promotion; Sponsorship search.

Microphones and all the components, parts, fittings and accessories thereto, namely, microphone cables, microphone mixers, microphone enclosures, stands and mounting hardware for microphones; Speakers and all the components, parts, fittings and accessories thereto, namely, audio speakers, speakers for computers, audio speaker enclosures, stands and mounting hardware for speakers; Circuit boards; Integrated circuits incorporating algorithms for use in processing audio signals; Processors and all the components, parts, fittings and accessories thereto, namely, signal processors, digital signal processors, electronic digital signal processors for the generating, measuring and analyzing sound in speakers and microphones, electronic audio signal processors for compensating sound distortion in speakers and microphones, analog and digital sound processors, stands and mounting hardware for processors and computers; Amplifiers and all components, parts, fittings thereto, namely, audio amplifiers, sound amplifiers, audio frequency amplifiers, signal amplifiers, audio pre-amplifiers; Cables, namely, audio cables, computer cables, audio cable connectors; Electronic digital audio scalars; Matrix and electronic audio switchers; Audio transformers; Audio mixers; Sound mixers; Converters, namely, analog-to-digital converters, digital-to-analog converters; Computer hardware for telecommunications; Computer networking hardware; Computer network hubs; Computer network switches and routers; Protective dust covers and computer cases for computer hardware; Downloadable electronic publications in the nature of computer manuals, user and instruction manuals in the field of audio technologies and audio conferencing solutions; Computer software for use with audio and video and audio/video conferencing for enabling real-time communication over the Internet; Computer programs and computer software for enabling video and audio functionality for use in audio/video conferencing; Software for integration of cameras for the purpose of video, audio and audio/video conferencing; Software in the field of sound detection, namely software for identifying the position of sound sources; Software for operation and control of audio equipment for the purpose of

streaming audio, capturing audio, reproducing audio, and to improve audio equipment sound quality; Software for recording, processing, receiving, reproducing, transmitting, modifying, compressing, decompressing, broadcasting, merging and enhancing sound and data for use in audio and video and audio/video conferencing; Software for organizing and compiling digital content namely video, audio, images, and text files for use in audio and video and audio/video conferencing; Computer software and hardware components for capturing and reproducing analog and digital sound, streaming, processing, recording, capturing, receiving, transmitting, rendering and storing voice and audio signals, files and sounds for audio and video conferencing; Provision of voice command and recognition software applications capable of integrating natural language processing for audio and video conferencing; Software for remote monitoring hardware, updates and configuration management of audio hardware; Diagnostic software for monitoring and providing analysis of status and condition of audio and video intelligibility in conference rooms and vehicles on air; Diagnostic software for providing diagnostic details on the status and condition of audio/video conferencing equipment installed in conference rooms, and vehicles on air; Ultrasonic speakers; Sound projectors; Integrated circuits incorporating algorithms for use in processing video signals; Cables, namely, video cables and video cable connectors; Downloadable electronic publications in the nature of whitepapers, research papers in the field of audio/video conferencing; Computer software for use in providing multiple user access to global computer networks; Computer operating system software for Internet conferencing systems; Software for operation and control of cameras for monitoring video and audio for audio/video conferencing; Software for operation and control of computers and smart Internet connected IoT (Internet of Things) devices; Software for curating and storing digital content namely video, audio, images, and database files for use in audio and video and audio/video conferencing; Voice command and recognition software applications capable of integrating elements, namely, predictive systems, machine learning, cognitive process automation, and knowledge virtualization; Software for managing software updates and booking of conference rooms; Diagnostic software for providing diagnostic details on the status and condition of smart Internet connected IoT (Internet of Things) devices installed in conference rooms, and vehicles on land, rail, or water.

CLASS 16

Computer manuals; User and instruction manuals for network adaptors, switches, routers and hubs; User and instruction manuals for audio circuit boards, video conferencing equipment, and teleconferencing equipment; Print publications, whitepapers and research papers in the areas of audio technologies, audio conferencing and communication, audio digital signal processing, audio positional detection technologies and conferencing solutions.

CLASS 35

Retail sale of audio equipment; Retail sale of audio conferencing equipment and audio conferencing equipment components; Retail sale of video conferencing equipment and video conferencing equipment components.

CLASS 37

Technical support and maintenance services for computer and audio equipment hardware.

CLASS 41

Online electronic publishing of books, informational brochures, white papers, catalogs, and pamphlets; Providing online electronic publications in the form written articles and newsletters in the fields of audio technologies, audio conferencing, audio communication, audio digital signal processing, and audio sound position detection; Providing information via a website featuring an online blog, webinars, and social media platforms in the fields of audio technologies, audio conferencing, audio communication, and audio sound position detection; Providing information via a website featuring an online blog, webinars, and social media platforms in the field of audio digital signal processing.

CLASS 42

Design, development and implementation of software and hardware for providing audio conferencing and audio technology solutions; Technical support and maintenance services for computer and audio equipment software; Consultancy in the field of software design; Consultancy in the fields of audio technology and room design for audio conferencing, room sound reinforcement, audio digital signal processing, audio recording and audio positional detection; Software as a service [SaaS] services featuring software for streaming, conferencing, recording, listening, and sharing multimedia audio content in conference rooms, vehicles on land, rail, air or water; Software as a service [SaaS] services featuring software for room analysis, room asset management, and audio equipment management, equipment setup and calibration; Software as a service [SaaS] services featuring software for sharing sound source positional information, person voice identification, translation and audio biometric data; Software as a service [SaaS] services featuring voice command, and recognition software capable of integrating elements such as predictive systems, machine learning, cognitive process automation, natural language processing, and knowledge virtualization and which is capable of understanding general human queries and formulating responses; Software as a service [SaaS] services featuring software for providing diagnostic details on the status and condition of audio and video and audio/video

conferencing equipment and audio positional detection devices installed in conference rooms, vehicles on land, rail, air, or water.
