parts of machines; Power transmission parts [other than for land vehicles]; Power trains for sea craft; Power transmission couplings [other than for land vehicles]; Power transmissions and gearing for machines [not for land vehicles]; Push rods for engines; Pneumatic controls for machines, motors and engines; Pneumatic pumps; Radiators [cooling] for motors and engines; Reduction gears other than for land vehicles; Roller bearings for machines; Springs being parts of machines; Sparking plugs for internal combustion engines; Silencers for motors and engines; Starter motors; Starters for engines; Shafts for pumps; Speed governors for machines, engines and motors; Self-regulating fuel pumps; Speed change gears being parts of machines; Torque converters, other than for land vehicles; Thrusters [marine propulsion apparatus]; Transmission shafts, other than for land vehicles; Transmissions for machines; Valves as machine components; Water pumps for use in motors and engines; Economizers [fuel -].

CLASS 9

Apparatus and instruments for controlling electricity; Apparatus and instruments for accumulating electricity; Apparatus and instruments for switching electricity; Apparatus and instruments for transforming electricity; Apparatus and instruments for regulating electricity; Apparatus and instruments for conducting electricity; Adaptive cruise control device comprised of hardware, software, sensors, transmitters, receivers, and global positioning system (GPS) network used to calculate, control, monitor, and adjust vehicle speed, performance, and efficiency; Apparatus and instruments for controlling and monitoring watercrafts; Apparatus and instruments for controlling and monitoring unmanned vehicles; Apparatus for recording, transmission, processing and reproduction of sound, images or data; Access control and alarm monitoring systems; Apparatus, instruments and cables for electricity; Apparatus and instruments for accumulating and storing electricity; Apparatus for diagnosing electrical power installations; Autonomous driving control systems for vehicles; Apparatus for testing vehicle transmissions; Artificial intelligence and machine learning software; Alarms; Antennas for wireless communications apparatus; Anti-intrusion alarms; Anti-theft warning apparatus; Anodes; Battery testers; Batteries; Battery chargers; Battery charging devices for motor vehicles; Battery cables; Burglar alarms; Computer software for wireless content delivery; Computers for autonomous driving; Computer software for application and database integration; Computer software for controlling self-service terminals; Charging stations for electric vehicles; Coaxial relays; Computer network hubs; Routers; Connectors [electricity]; Computer component testing and calibrating equipment; Computer cables; Cables for the transmission of sounds and images; Checking [supervision] apparatus and instruments; Computer software for global positioning systems (GPS); Computer software; Computer software for controlling the operation of audio and video devices; Computer e-commerce software to allow users to perform electronic business transactions via a global computer network; Computer hardware and software sold as a unit that enables user to receive and display vehicle position and movement tracking data, vehicle telematics and engine monitoring data, data relating to vehicle speed, asset tracking, driver performance, and service reminders; Computer software for controlling and managing access server applications; Computer software for communicating with users of hand-held computers; Computer software for processing digital images; Computer hardware for telecommunications; Computer programs for use in autonomous control of vehicles; Computer programs for use in the autonomous navigation of vehicles; Cathodic anti-corrosion apparatus; Computer applications for automotive electronic control; Computer programs to operate vehicles; Computers for autonomous-driving vehicles; Electronic cruise control apparatus; Charging appliances for rechargeable equipment; Computer application software for use in implementing the Internet of things [IoT]; Computer hardware modules for use in electronic devices using the Internet of things [IoT]; Computer monitors; Data processing equipment; Detectors; Directional compasses; Dynamometers; Downloadable electronic maps; Downloadable software applications; Distance measuring apparatus; Diagnostic apparatus, not for medical purposes; Electric batteries; Electric relays; Electric couplings; Electrical switches; Electric current control devices; Electronic motion sensitive switches; Electronic databases recorded on computer media; Electronic navigational and positioning apparatus and instruments; Electronic publications; Electronic publications, downloadable; Electrical controlling devices; Electronic control for adjusting the trim of a surface drive on a marine vessel and for adjusting the trim tabs of a marine vessel; Electronic driver display systems for vehicles; Electric contacts; Electrical sockets; Electric cables and wires; Electric charging cables; Electrical relays; Electric control devices for energy management; Electronic control sensors for motors; Electronic control systems for machines; Electroluminescent display panels; Electric power supply units; Electronic keys for vehicles; Electronic power controllers; Electronic devices for eliminating corrosion in marine sterndrives; Electrical fuses; Emergency signal transmitters; Fuel cells; Fuel consumption measuring apparatus; Gauges; GPS receivers; GPS navigation devices; Global positioning system (GPS) apparatus; Global positioning system (GPS) consisting of computers, computer software, transmitters, receivers, and network interface devices; Graphical user interface software; GPS tracking and location devices; Ignition batteries; Interfaces for computers; Life vests; Light switches; Level gauges; Lasers for non-medical purposes; Lighting control software for use in commercial and industrial facilities; Lighting control apparatus; Logs [measuring instruments]; Mains chargers; Magnetic compasses; Marine compasses; Marine autopilots; Network access server operating software; Network routers; Oil level sensors; Power switches; Power controllers; Position sensors; Proximity sensors; Power cables; Power distribution or control machines and apparatus; Pressure sensors; Pressure controllers [gauges]; Radio receivers and transmitters; Radio-frequency controlled locks; Remote controls; Rudder position indicators; Rudder installations, namely rudder position transmitters and rudder position indicators; Remote controls for operating vehicle alarms;

Radar apparatus; Rechargeable electric batteries; Rechargers for electric accumulators; Radar detectors; Radar receivers with amplifiers; Remote control apparatus; Recorded and downloadable navigation software, namely, software for displaying maps and driving directions; Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signaling, checking [supervision], lifesaving and teaching apparatus and instruments; Steering apparatus, automatic, for vehicles; Speed indicators; Switchboxes [electricity]; Generators (signal -); Signal processors; Sensors for determining position; Sensors for determining temperature; Sensors for determining acceleration; Sensors for Internet of things [IoT] enabled devices; Software for diagnostics and troubleshooting; Simulation apparatus; Simulation software; Software for GPS navigation systems; Software for satellite navigation systems; Software for processing images, graphics and text; Sonars; Telecommunications equipment; Transmitting and receiving apparatus for long-distance transmission; Telecommunications equipment, namely, fiber-optic transceivers, fiber optic repeaters, converters and optimizers, wave division multiplexers, free-space optics transmission systems, switches including Ethernet switches and routers, fiber-to-the-home and Ethernet-over-VDSL access aggregators, terminators and repeaters, and remote presence management products, namely, switches, and console, alarm, sensor and power management devices; Transmitters of electronic signals; Telecommunications cables; Thermostats; Thermostats for vehicles; Terminals for batteries; Touchscreen monitors; Touchscreen sensors; Utility programs for performing computer system diagnostics; Ultrasonic object detectors for use on vehicles; Voltage regulators; Voltage regulators for vehicles; Vehicle mounted GPS sensor for determining the rate of motion for a vehicle; Vehicle tracking devices comprised of cellular radio modules, computer software and computer hardware, sensors, transmitters, receivers and global positioning satellite receivers, all for use in connection with vehicle tracking, vehicle monitoring and anti-theft vehicle alarms; Vehicle tracking apparatus; Vehicle control software; Vehicle speed control apparatus and instruments; Vehicle automatic driving control devices; Voltmeters; Wire connectors [electricity]; Wireless controllers to remotely monitor and control the function and status of security systems; Wireless controllers to remotely monitor and control the function and status of other electrical, electronic, and mechanical devices or systems; Wireless routers; Wireless adapters for computers; Wireless computer peripherals; Measuring and control devices for air conditioning technology; Navigation software; Electronic control devices for production technology and servo drives and programmable controllers [parts of machines/motors]; Electronic controls for motors; Electronic servo motor controllers.

CLASS 11

Apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating, water supply and sanitary purposes; Ventilation [air-conditioning] installations and apparatus; Air cooling apparatus; Air purifying apparatus and machines; Air conditioning fans; Axial fans; Air filtering installations; Air conditioning devices; Air conditioning apparatus for ships; Air filters for industrial use; Aeolian ventilators; Air filters for industrial installations; Compressed air ventilators; Cooling fans; Air filters for air-conditioning units; Electro ventilators; Electric fans; Filters for air conditioning; Fans for air conditioning apparatus; Filters for water purifiers; Hydrogen generators; Heating apparatus for vehicles; Heating, ventilating, and air conditioning and purification equipment (ambient); Heating installations; Refrigerating and freezing equipment; Refrigerating apparatus and machines; Regulating accessories for water or gas apparatus and pipes; Radiator valves [thermostatic]; Thermostatic valves [parts of heating installations]; Ventilators for vehicles; Ventilation apparatus; Valves for air conditioners; Ventilating fans for use in vehicles; Ventilating fans for industrial purposes; Water filters; Water control valves; Water purification and filtration apparatus.

CLASS 12

Apparatus for locomotion by land or water; Autonomous land vehicles; Autonomous vehicles; Anti-theft devices for vehicles; Boat rudders; Ship propellers; Screw-propellers for boats; Propellers for boats; Boats; Couplings for land vehicles; Clutches for land vehicles; Clutch linings for land vehicles; Disengaging gear for boats; Driving motors for land vehicles; Driverless transporter vehicles; Dump trucks; Diesel motors for land vehicles; Engines for land vehicles; Electrically powered motor vehicles; Electric drives for vehicles; Electric steering gears [for vessels]; Fuel cell electric cars; Ferry boats; Gearboxes for land vehicles; Hybrid vehicles; Hydrogen fueled cars; Hydraulic torque converters for land vehicles; Hydraulic circuits for vehicles; Land vehicles; Motors for land vehicles; Off-road vehicles; Power clutches for land vehicles; Propeller shafts for boats; Power take-off shafts for land vehicles; Propulsion mechanisms for land vehicles; Powertrains, including engines and motors, for land vehicles; Remote control vehicles, other than toys; Steering gears for ships; Steering wheels for vehicles; Steering gears and rudders [for vessels]; Tractors; Trimming vanes in the nature of trim tabs for boats; Thrusters for vehicles; Vehicle joysticks; Vehicle propellers; Yachts.

CLASS 16

Catalogues; Filter paper; Handbooks [manuals]; Instructional and teaching materials; Instruction books in the fields of vehicles, engines and motors and machines; Plastic bags for packaging; Paperboard boxes [for industrial packaging]; Packaging boxes of paper; Printed paper signs; Packaging materials; Wrapping paper; Blank paper notebooks; Paper envelopes for packaging; Printed matter; Photographs [printed]; Paintbrushes; Plastic materials for packaging; Stationery.

CLASS 35

Advertising; Administrative processing of warranty claims; Business management; Business administration services; Business statistical information services; Computerized online retail store services relating to engines/motors and machines (including drive units), as well as of parts, fittings and accessories for the aforesaid goods; Compilation of statistics [for business or commercial purposes]; Collection, systematization, compilation and analysis of business data, statistics, information and indexes of information for commercial or advertising purposes; Commercial management; Customer relationship management; Database management; Advisory services for business management; Organisation of customer loyalty programs for commercial, promotional or advertising purposes; Obtaining business statistics [for others]; Providing information concerning commercial sales; Providing consumer information relating to goods and services; Processing warranty registration documents for others; Retail services in relation to vehicles; Retail services and wholesale in respect of engines/motors and machines (including drive units), as well as of parts, fittings and accessories for the aforesaid goods; Retail services in relation to construction equipment; Sales promotion services; Compilation of environmental information; Maintenance of data in computer databases.

CLASS 37

Advisory services relating to the installation of generators; Anti-rust treatment for vehicles; Battery charging service for motor vehicles; Charging of electric vehicles; Shipbuilding; Maintenance and repair of watercraft, yachts, boats and water vehicles; Custom construction of ships; Electric appliance installation and repair; Emergency vehicle repair services; Fueling of hydrogen gas for vehicles; Fire alarm installation and repair; HVAC (heating, ventilation and air conditioning) installation, maintenance and repair; Information and consultancy services relating to vehicle repair; Inspection of vehicles prior to maintenance; Installation, maintenance and repair of computer hardware for telecommunications systems; Installation of electricity generators; Installation, repair and maintenance of condensing apparatus, steam condensers, radiators for motors and engines, air reheaters, boiler tubes; Inspection of vehicles prior to repair; Installation, maintenance and repair of computer network and information technology equipment; Installation of energy-saving apparatus; Interference suppression services for electrical apparatus; Installation of theft prevention devices; Installation of electric light and power systems; Installation, maintenance and repair of computer hardware; Installation, maintenance and repair of catalytic converters; Marine construction; Maintenance and repair of ships; Maintenance and repair of energy generating installations; Maintenance, servicing, tuning and repair of motors; Maintenance and repair of electricity generators; Maintenance and repair of parts and fittings for boats; Maintenance of parts and fittings for commercial motor land vehicles; Machinery installation, maintenance and repair; Natural gas refuelling service for motor vehicles; Providing information relating to the repair or maintenance of power generators; Polishing (cleaning); Repair or maintenance of power generators; Repair or maintenance of telecommunication machines and apparatus; Repair or maintenance of vessels; Repair or maintenance of electric motors; Rental of tools, plant and equipment for construction, demolition, cleaning and maintenance; Rental and leasing of tools and equipment for repair and maintenance of vehicles, engines, motors and machines; Rebuilding engines that have been worn or partially destroyed; Rental of machines, tools and apparatus for building construction; Reconditioning of vehicle engines; Reconditioning of industrial machinery; Reconditioning machines, motors and engines that have been worn or partially destroyed; Repair of power generating apparatus and installations; Repair and maintenance of electric vehicles; Repair or maintenance of power distribution or control machines and apparatus; Repair of electrical equipment and electrotechnical installations; Repair of energy supply installations; Repair of filters for machines, motors or engines; Repair or maintenance of measuring machines and instruments; Technical support services, namely, technical advice related to the installation of generators, marine engines and motors; Tuning of engines; Vehicle battery charging; Vehicle cleaning; Vehicle fueling services; Vehicle maintenance; Vehicle repair services.

CLASS 38

Advisory and consultancy services relating to wireless communications and wireless communications equipment; Computer-aided transmission of messages and images; Communication by radio; Communication via computer terminals, by digital transmission or by satellite; Communications via multinational telecommunication networks; Electronic transmission of data and documents via computer terminals and electronic devices; Electronic transmission and streaming of digital media content for others via global and local computer networks; Electronic transmission of messages and data; Electronic exchange of data stored in databases accessible via telecommunication networks; Internet communication; Information transmission via electronic communications networks; Interactive delivery of video over digital networks; Maritime radio-telephone network services; Network transmission of sounds, images, signals and data; Providing access to telecommunication networks; Provision of access to an electronic marketplace [portal] on computer networks; Providing email notification alerts via the internet; Paging services; Providing voice communication services over the Internet; Rental of access time to global computer networks; Telematics services; Telephone communication services provided for hotlines and call centers; Transmission of information through video communication systems; Transmission of information by electronic communications networks; Transmission, reception and processing of coded and emergency signals; Telecommunication access

services; Transmission of messages; Wireless communication services; Wireless broadband communication services.

CLASS 39

Distribution of energy; Storage of electricity; Distribution and transmission of electricity; Electricity distribution; Electricity supply services; GPS navigation services; Marine transport; Management of vehicular traffic flow through advanced communications network and technology; Navigation services; Navigation (positioning, and route and course plotting); Public utility services in the nature of electricity distribution; Providing transport and travel information via mobile telecommunications apparatus and devices; Providing information about travel, via the Internet; Route planning [navigation services]; Storage of watercraft, yachts, boats and water vehicles; Transportation logistics; Transportation information; Travel information; Traffic information services.

CLASS 40

Air and water conditioning and purification; Custom assembling of materials for others; Custom assembling of electronic components for communication devices; Custom construction of machines; Custom manufacture of boats; Custom construction of power generators and engines; Custom building of motor vehicles; Custom manufacturing services for others in the field of propulsion systems for motors and engines; Custom manufacturing of propulsion systems for thruster units for others; Consultancy services relating to the generation of electrical power; Generating of electricity; Generation of power; Production of hydroelectric power; Rental of electric power generators; Rental of power-generating equipment; Rental of equipment for the treatment and transformation of materials, for energy production and for custom manufacturing.

CLASS 42

Advisory services relating to computer software; Computer programming for data processing and communication systems; Computer programming consultancy; Computer programming; Consultancy in the field of energy-saving; Computer software consulting; Computer software design; Consultancy relating to technological services in the field of power and energy supply; Creation, maintenance and adaptation of software; Creation of control programs for electric operation control and drive modules; Customized design of computer software; Creating of computer programs; Computer software design and updating; Computer software installation and maintenance; Computer-aided design services; Cloud hosting provider services; Development of energy and power management systems; Design and development of computer software for logistics, supply chain management and e-business portals; Design and development of computer hardware and software; Development, updating and maintenance of software and database systems; Design services; Design services in the field of naval shipbuilding; Design and development of wireless data transmission apparatus, instruments and equipment; Design of engineering products; Design and development of navigation systems; Design and development of energy management software; Design of mechanical and micromechanical components; Design and development of software in the field of mobile applications; Electronic data storage; Electronic monitoring of power generators, industrial engines and engines for off-road vehicles using computers or sensors, and preparation of technical reports relating thereto; Electronic storage of data and information relating to the monitoring of marine engines and motors using computers or sensors; Engineering design services; Industrial analysis and research services; Marine engineering [design and development of watercraft propulsion, on-board systems and oceanographic technology]; Maintenance of software for Internet access; Monitoring of computer systems to detect breakdowns; Monitoring of computer systems for detecting unauthorized access or data breach; Machine condition monitoring; Meteorological information; Professional consultancy relating to marine technology; Providing meteorological information; Providing information about industrial analysis and research services; Providing information in the field of product design; Providing technological information about environmentally-conscious and green innovations; Product testing; Product safety testing; Programming of energy management software; Provision of technological consultancy in the field of the shipping industry; Quality testing of products for certification purposes; Research in engine construction; Software as a service [SaaS]; Software authoring; Technical consulting in the field of environmental engineering; Technical consultancy services relating to marine engineering; Testing of apparatus in the field of electrical engineering; Technical testing services; Updating of computer software; Vehicle engine design services; Installation, maintenance and repair of software for computer systems; Computer services concerning electronic data storage.
