Automobile, all-terrain vehicle, performance vehicle, commercial vehicle, electric vehicle, and truck parts, namely, motor starters; Alternators and components therefor; Engine parts, namely, electronic fuel injection modules; Intake and exhaust air flow vane assembly device for use in an internal combustion engine; Windshield wiper motors for land vehicles; Window lift motors; Turbocharger systems; Turbochargers for machines; Rotating equipment, namely, boiler feed pumps, centrifugal compressors, gas compressors, air compressors, axial flow compressors, screw compressors, gearboxes, electric motors, alternators, industrial engines, reciprocating engines, aero- and aero derivative engines, and heat exchangers being parts of machines, all of the foregoing not for land vehicles; Rebuilt, repaired, remanufactured and replacement hydraulic pumps, hydraulic motors, hydraulic cylinders, hydraulic valves, servo valves and proportional valves; Replacement and component parts for hydraulic machines, namely, pumps, motors, valves, cylinders, hoses, fittings, tanks, transmissions, gear boxes, transfer cases, and drive train components; Auxiliary power units for supplying electrical power; Circulating pumps; Compressed air machine components, namely, cylinders, valves and air grips; Compressed air pumps; Cylinder heads for engines; Cylinders for machines; Cylinders for motors and engines; Direct current motors; Electric motors for machines; Electric pumps; Engine cylinders for vehicles; Engine fuel pumps; Fuel pumps for land vehicles; Motors other than for land vehicles; Pumps for cooling engines; Thermostatic control valves for machines; Valves for pumps; Water pumps for land vehicles; Hydraulic cylinders, air cylinders, and hydraulic accumulators; Industrial fluid pumps, namely, centrifugal, suction, rotary and positive displacement pumps; Industrial fluid pumping systems consisting of pumps, electric motors for machines, couplings for machines, valves being part of rotary pumps, metal piping, instrumentation and electronic controls therefor; Internal combustion engines other than for land vehicles; Compression equipment, namely, reciprocating natural gas and process air compressors, centrifugal compressors, and replacement parts therefor; Drilling engines, engine pumps, and engine parts; Gas engines, gasoline engines, oil engines, steam engines, and parts for the said various engines; Hydraulic pump valves; Remanufactured air conditioning and refrigeration compressors; Replacement parts for air conditioning and refrigeration compressors; Air conditioning compressor parts; Air filters for mechanical purposes; Oil filters; Oil pans; Oil tank plugs and caps; Vehicle engine parts; Balance shaft tensioners; Exhaust

gas recirculation valves for automobiles; Fuel pressure regulating valves for automobiles; Sensors for automobiles, namely, exhaust gas recirculation and exhaust gas recirculation sensors as electrical sensors sold as an integral part of the exhaust system; Air pump check valves; Hydraulic timing tensioners which are hydraulic cylinders used for applying a tensioning force to drive belts; Timing belt tensioners; Timing belt pulleys; Timing chains; Timing chain tensioners; Timing chain kits containing timing chains, timing guides, timing gears and sprockets, timing dampers, timing chain tensioners, timing related seals and gaskets; Timing belt kits including timing belts, hydraulic timing tensioners, timing pulleys, timing belt tensioners and water pumps; Timing chain crankshaft gears; Timing chain camshaft gears; Timing belts; Camshaft tensioners; Crankshaft pulleys; Timing chain guides; Automobile turbochargers and their structural parts, namely, turbocharger waste gates; Turbocharger pressure regulators; Turbocharger solenoids; Turbocharger cartridge assemblies and turbocharger impeller housing assemblies; Air filters for automobile engines and cabins and oil and fuel filters; Electric fuel pumps and mechanical fuel pumps for automobiles; Fuel rails for engines for delivering fuel to automobile fuel injectors; Internal combustion engine land vehicle parts, namely, distributor caps and assemblies for automobiles; Diesel particulate filters for motors and engines; Emission control parts for vehicles, namely, fluid injectors and dosing control units for moving liquids, all of the foregoing being parts of engines, machine motors, and machines; Component parts for HVAC systems for trucks and heavy-duty land vehicles, namely, air compressors; Electric diesel injection control apparatus, which consists of fuel injection pumps, diesel fuel injection timing control valves, fuel injection nozzle holders, fuel injection electronic control unit, injector driver electronic control unit, fuel injection nozzles, pressure limit sensors, fuel filters, fuel supply pumps, pressure sensors, common rail systems, fuel injectors, pump control valves, none of the foregoing for use in the nuclear technology, nuclear energy, nuclear power, and integrated thermal energy storage systems.

CLASS 9

Accumulators for solar electric and photovoltaic modules excluding for use in connection with nuclear power generation; Battery chargers for electric vehicles; Battery charging devices for electric vehicles; Batteries for solar electric and photovoltaic modules excluding for use in connection with nuclear power generation; Chargers for rechargeable electric batteries for solar electric and photovoltaic modules excluding for use in connection with nuclear power generation; Electric storage batteries for solar electric and photovoltaic modules excluding for use in connection with nuclear power generation; Fuel cells for solar electric and photovoltaic modules excluding for use in connection with nuclear power generation; Inverters for use with solar electric and photovoltaic modules excluding for use in connection with nuclear power generation; Lithium batteries for solar electric and photovoltaic modules excluding for use in connection with nuclear power generation, namely, lithium phosphate batteries, iron phosphate lithium batteries, and ion lithium batteries; Photovoltaic cells for solar electric and photovoltaic modules excluding for use in connection with nuclear power generation; Photovoltaic solar modules for production of electricity excluding for use in connection with nuclear power generation; Rechargeable batteries for solar electric and photovoltaic systems excluding for use in connection with nuclear power generation; Solar batteries excluding for use in connection with nuclear power generation; Solar cells excluding for use in connection with nuclear power generation; Solar panels for the production of electricity excluding for use in connection with nuclear power generation; Solar panel devices for generating electrical energy by means of solar cells for land vehicles and their components, electrical control systems for engines for controlling energy management for electric vehicles, heating batteries for electric vehicles, fuel cells for electric vehicles; Solar-powered battery chargers for electric vehicles; Solar-powered rechargeable batteries for electric vehicles; Automobile, all-terrain vehicle, performance vehicle, commercial vehicle, heavy duty vehicle, off-road vehicle, electric vehicle, and truck parts, namely, electric sensors for the determination of mass air flow, electronic motor vehicle ignition tuning kits comprised of an electronic control unit that monitors engine performances and delivers re-calculated sensor values to the original engine control unit to increase engine performance; Solenoids for starter motors; Rotating equipment, namely, transformers, not for land vehicles; Climate control systems consisting of digital thermostats, air conditioning, heating, ventilation and drying control devices; Control units for advanced driver assistance systems, namely, electronic engine control units for vehicles; Electronic engine control units for vehicles, namely, anti-lock brake modules, body control modules, electronic control units, cruise control modules, diesel injector driver modules, electronic climate control modules, engine control modules, electronic spark advance units, PROM Chips, air bag controllers, relay control modules, ride control modules, and fuel display modules; Electronic control units for advanced driver assistance systems for regulating engines; Electronic control units for advanced driver assistance system configured to modulate the throttle signal to the engine control module in order to regulate speed; Electronic body control modules for vehicles; Capacitive sensors and body control modules for monitoring and controlling power windows, power mirrors, air conditioning, heating, immobilizer systems, central locking and hood, trunk and roof controls; Wireless connection system for electronic devices and land vehicles comprising microprocessors, electronic signal receivers, key fobs with electronic signal transponder, passive entry/passive start PEPS controllers, capacitive sensors and body control modules for monitoring and controlling power windows, power mirrors, air conditioning, heating, immobilizer systems, central locking and hood, trunk and roof controls; Electric wires and cables; Mass air flow sensors for measuring air flow; Automotive parts in the nature of vehicle engine parts, namely, engine management sensors, anti-lock braking system sensors, brake wear sensors, vehicle speed sensors, crankshaft sensors and camshaft sensors; Electronic apparatus for active speed regulation, namely, cruise control modules for motor vehicles; Electronic battery control modules comprised of electronic controllers for batteries for electric

vehicles; Electronic control systems comprised of electronic controllers for vehicle electrical batteries; Electronic controllers for vehicles; Fuel control modules namely air-fuel ratio controllers for internal combustion engines; Electronic controls, namely, turn signal controls, emergency flasher controls, illuminated entry modules, 4wd shift control modules, HVAC controls, passive restraint controls and control modules associated with motors and switches for land vehicles; Power converters and power inverters for land vehicles; Anti-collision sensors for vehicles, none of the foregoing for use in the nuclear technology, nuclear energy, nuclear power, and integrated thermal energy storage systems.

CLASS 11

Conditioner parts, namely compressor housings, valves, pistons and crankshafts; Automotive aftermarket parts, namely, lights; Automotive aftermarket parts, namely, structural parts for automobiles, supports and assemblies thereof, namely, head lamp assemblies, tail lamp assemblies, park lamp assemblies, and signal lamp assemblies, all for vehicles; Brake lights in the nature of vehicle brake lights, side marker lights in the nature of side marker lights for vehicles; Light emitting diode (LED) light assemblies for automobiles; LED headlamps for automobiles; LED interior lamps for automobiles; LED room lamps; LED glove box lamps for automobiles; LED trunk lamps for automobiles; LED license plate lamps for automobiles; LED fog lamps for automobiles; LED daytime running lamps for automobiles; LED position lamps for automobiles; LED rear fog lamps for automobiles; LED lighting assemblies for automobiles; LED lighting assemblies for lamps for automobiles; LED rear combination lamp for automobiles; LED turn signal lamps for automobiles; LED ambient lamps for automobiles; LED side marker lamps for automobiles; LED center high mount stop lamps for automobiles; LED candles; Electric candles; LED flashlights; Lamps; LED landscape lights; LED light bulbs; LED light machines; LED light strips for decorative purposes; LED lighting assemblies for illuminated signs; Lighting Fixtures; LED lighting installations; Luminaries; LED mood lights; Flashing strobe light apparatus for use in lighting effects; LED underwater lights; LED lighting apparatus for use in automobiles; Air conditioners for automobiles; Heaters for automobiles; Ventilation in the nature of air-conditioning installations and apparatus for automobiles; Heat accumulators for automobiles; Cooling module for automotive air conditioner, namely, air cooling apparatus, air cooling instruments being parts of vehicle air conditioning systems; Heating and cooling systems for motor cars; Heating apparatus for vehicles; Air conditioners for vehicles; Air-conditioning, air cooling and ventilation apparatus and instruments; Apparatus for heating, ventilating and air conditioning, namely, vehicle climate controls systems; Heating systems composed primarily of tubes, pipes and manifolds through which warm or high temperature water circulates; Cooling appliances and installations, namely, being parts of vehicle air conditioning and cooling systems; Cooling installations and machines, namely, being parts of vehicle air conditioning and cooling systems; Cooling apparatus namely, being parts of vehicle air conditioning and cooling systems; Electric space cooling apparatus; Electrical space heating apparatus; Electric heaters for vehicles; Heating apparatus, electric for vehicles; Heat pumps; Thermostats, none of the foregoing for use in the nuclear technology, nuclear energy, nuclear power, and integrated thermal energy storage systems.

CLASS 12

Automobile, all-terrain vehicle, performance vehicle, commercial vehicle, electric vehicle, and truck parts, namely, power steering pumps, steering gears and clutch master cylinders, brake calipers, CV axles, windshield wipers, steering rack and pinions; Brake systems for vehicles and parts thereof in the nature of heavy duty air brake systems and air brake system components and related accessories, namely, air drum brake chambers and air drum brake system components, particularly, air drum brake chambers, air drum brake chamber clamps, air drum brake chamber pushrods, air drum brake chamber carriage bolts, air drum brake chamber jam nuts and hex nuts, air drum brake chamber t-bolt assemblies, air drum brake chamber dust boots, air drum brake chamber pressure plates, and air drum brake chamber diaphragms, air disc brake chambers and air disc brake system components, particularly, air disc brake chambers, air disc brake chamber port adapters, air disc brake system calipers, air disc brake system rotors, and air disc brake system heavy and medium duty pads, slack adjusters, air brake system components, particularly, air brake system d-2 governors, air brake system push-pull valves, air brake system check valves, air brake system quick release valves, air brake system transmission valves, air brake system relay valves, air brake system selector valves, air brake system dash valves, air brake system foot valves, air brake system safety valves, air brake system height control valves, air brake system push-pull drain valves, air brake system solenoid valves, air brake system control valves, air brake system slave valves, air brake system low pressure switches, air brake system trailer protection switches, air brake system brake chamber hoses, air brake system coiled air hoses, air brake system gladhands, air brake system air springs, air brake system air dryers, and air brake system alcohol evaporators, air brake wheel hubs and components; Automatic gearboxes for land vehicles; Automobile gear shifters; Automotive parts, namely, transmission seals; Automotive structural parts, namely, fuel storage cells and component parts thereof; Automotive structural parts, namely, self-sealing tanks for fuel storage, coolant storage, oil storage, and/or water storage; Block brakes for land vehicles; Combination transmission control units and gear shifting mechanisms for automatic transmissions sold as aftermarket parts for motor land vehicles; Connecting rods for land vehicles other than parts of motors and engines; Gear lever knobs for vehicles; Land vehicle parts, namely, transmissions; Vehicle power train mechanism comprised of clutch, transmission, drive shaft, and differential; Automotive aftermarket parts, namely, metal, plastic and rubber accessories for use in suspension mechanisms; Braking systems for vehicles and parts thereof; Sensors for land vehicles, namely, electric power steering torque sensors, sold as a component of the

power steering system; Gear boxes, brake, transmission and gear shift levers for land vehicles; Oil tubes; Vehicle parts, namely power steering hoses; Belt pulleys for land vehicles; Heat exchangers for land vehicles; Drive belts and controllers for same; Vehicle parts, namely, transaxles, none of the foregoing for use in the nuclear technology, nuclear energy, nuclear power, and integrated thermal energy storage systems; Class 35: Distributorship services in the field of automobile, all-terrain vehicle, performance vehicle, commercial vehicle, and electric vehicle, and truck parts; Transformer repair and decommissioning in the nature of transformer dismantling and disposal; Procurement services, namely, gearboxes, alternators, electric motors, package boilers, gas compressors, heat exchangers, transformers, and air compressors for others; Distributorship services featuring refurbished equipment namely, gearboxes, diesel and gas engines generator packages, alternators, electric motors, package boilers, gas compressors, heat exchangers, transformers, and air compressors; On-line and wholesale services in the field of fluid power products; Distribution services featuring fluid power products; Wholesale distributorship services in the field of medical diagnostic imaging systems; Retail store services featuring medical equipment, namely, surgical, imaging, and oncology equipment; Wholesale distributorships featuring medical equipment, namely, surgical, imaging, and oncology equipment; On-line wholesale and retail store services featuring medical equipment, namely, surgical, imaging, and oncology equipment, none of the foregoing for use in the nuclear technology, nuclear energy, nuclear power, and integrated thermal energy storage systems.

CLASS 35

Distributorship services in the field of automobile, all-terrain vehicle, performance vehicle, commercial vehicle, and electric vehicle, and truck parts; Transformer repair and decommissioning in the nature of transformer dismantling and disposal; Procurement services, namely, gearboxes, alternators, electric motors, package boilers, gas compressors, heat exchangers, transformers, and air compressors for others; Distributorship services featuring refurbished equipment namely, gearboxes, diesel and gas engines generator packages, alternators, electric motors, package boilers, gas compressors, heat exchangers, transformers, and air compressors; On-line and wholesale services in the field of fluid power products; Distribution services featuring fluid power products; Wholesale distributorship services in the field of medical diagnostic imaging systems; Retail store services featuring medical equipment, namely, surgical, imaging, and oncology equipment; Wholesale distributorships featuring medical equipment, namely, surgical, imaging, and oncology equipment; On-line wholesale and retail store services featuring medical equipment, namely, surgical, imaging, and oncology equipment, none of the foregoing for use in the nuclear technology, nuclear energy, nuclear power, and integrated thermal energy storage systems.

CLASS 37

Construction, installation and maintenance of solar electric and photovoltaic systems excluding for use in connection with nuclear power generation; Consulting services for others in the field of repair and installation of electric vehicle batteries and chargers; Consulting services for others in the field of installing, servicing and deployment of batteries for electric vehicles; Installation and maintenance of electric vehicle supply systems and equipment and computer hardware; Technical support services, namely, troubleshooting in the nature of repair of electric vehicle supply systems and equipment and repair of computer hardware for electric vehicles; Maintenance and repair of electric vehicles; Recharging of batteries and accumulators for solar electric and photovoltaic systems excluding for use in connection with nuclear power generation; Replacement of batteries for solar electric and photovoltaic systems excluding for use in connection with nuclear power generation; Installation, maintenance, repair and servicing of apparatus and equipment for supplying electricity to electric vehicles; Maintenance, servicing and repair of solar electric and photovoltaic power generating apparatus and installations for solar electric and photovoltaic systems excluding for use in connection with nuclear power generation; Maintenance, servicing and repair of machinery and mechanical equipment for solar electric and photovoltaic systems excluding for use in connection with nuclear power generation; Maintenance and repair of solar power installations utilizing solar electric and photovoltaic systems excluding for use in connection with nuclear power generation; Installation of residential solar panel power systems excluding for use in connection with nuclear power generation; Installation of non-residential solar panel power systems excluding for use in connection with nuclear power generation; Installation and maintenance of photovoltaic installations excluding for use in connection with nuclear power generation; Installation of photovoltaic cells and modules excluding for use in connection with nuclear power generation; Installation, maintenance, repair and servicing of large utility scale photovoltaic and storage installations excluding for use in connection with nuclear power generation; Installation, maintenance, repair and servicing of commercial and industrial photovoltaic installations excluding for use in connection with nuclear power generation; Installation, maintenance, repair and servicing of residential photovoltaic installations excluding for use in connection with nuclear power generation; Installation, maintenance and repair of industrial machinery, rotating and reciprocating equipment; Maintenance, repair, replacement, and renovation of components, parts or systems in rotating equipment, including pumps, generators, compressors, gearboxes, electric motors, industrial engines, reciprocating engines, aero/aeroderivative engines, compressors; Maintenance, repair, replacement, and renovation of electro-mechanical skids, hydraulic skids, gas turbine auxiliary skids, heat recovery steam generators, steam engine boilers for power generation, electric generators, transformers, hydraulic controls for machines, hydraulic torque converters, hydraulic power units, hydraulic pumps, centrifugal pumps, gears, and electric control panels; Installation of control systems for rotating equipment; Consulting in the fields of repair and

maintenance for mechanical drive rotating equipment, including ancillary systems critical to their function, rebuilding, repair and remanufacturing of hydraulic pumps, hydraulic motors, hydraulic cylinders, hydraulic valves, servo valves and proportional valves; Repair and maintenance of replacement and component parts for hydraulic machines; Repair services for medical imaging equipment and supplies; Maintenance and repair of medical diagnostic equipment; Repair, maintenance, refurbishment and installation of healthcare and medical equipment, namely, surgical, imaging, and oncology equipment, none of the foregoing for use in the nuclear technology, nuclear energy, nuclear power, and integrated thermal energy storage systems.

CLASS 40

Control systems for rotating equipment; Custom manufacture of gas turbine cleaning solutions; Custom manufacture of auxiliary systems for industrial equipment; Custom manufacture of parts for rotating and industrial equipment; Custom manufacture electro-mechanical skids, hydraulic skids, gas turbine auxiliary skids, transformers, hydraulic controls for machines, hydraulic torque converters, hydraulic power units, hydraulic pumps, centrifugal pumps, gears, and electric control panels; Machine shop services, namely, machining parts for others in the fields of hydraulic pumps, hydraulic motors, hydraulic cylinders, hydraulic valves, servo valves and proportional valves; Manufacture of hydraulic cylinders to order and/or specification of others; Manufacturing services for others in the field of hydraulic cylinders, none of the foregoing for use in the nuclear technology, nuclear energy, nuclear power, and integrated thermal energy storage systems.

Advertisement of a series of three trade marks

CLASS 7

Agricultural implements, other than hand-operated hand tools; Automatic vending machines; Generators of electricity; Industrial robots; Cargo handling robots; Cargo handling robots for use in corporate offices; Unmanned industrial robots for conveying of letters and parcels; Indoor self-driving robots for industrial use; Robotic exoskeleton suits, other than for medical purposes; Robotic arms for industrial purposes; Robotic arms for handling materials; Robotic mechanisms [machines] for loading; Cargo handling machines; Crawler-tracked loaders; Front-end loaders; Loading-unloading machines and apparatus; Rubber tracks being parts of skid-steer loaders; Elevating apparatus; Lifting, loading and transmission machines; Elevators and lifts; Robotic mechanisms for lifting; Stacking machines; Robotic arms for palletizing; Robotic apparatus for handling materials; Electromechanical machines for the automatic handling of items; Handling machines, automatic [manipulators]; Air cushion devices for moving loads; Automatic warehousing systems; Printing machines; Bar code printing machines; Label printing machines; Thermal label printing machines, other than for office use; Machines for making self-adhesive materials, namely, labels and tags; Labellers [machines]; Application machines for thermoplastic marking materials; Portable labelers (machines) for applying labels; Attaching machines for labels, tags, fasteners and ties to or around articles for packaging; Incubators for eggs; Conveyors; Dispensing machines, other than vending machines; Brake segments, other than for vehicles; Control mechanisms for robotic machines; Control mechanisms for machines, engines or motors; Removal machines for thermoplastic marking materials; Motors and engines, except for land vehicles; Machines, machine tools, power-operated tools; Automatic sorting machines; Parcel sorting machines; Packaging dispensing machines; Packaging machines; Electrical mobile racks for use with machines; Machine coupling and transmission components, except for land vehicles; Machines and apparatus for cleaning, electric; Machines for dispensing plastic fasteners to attach articles and

merchandise together; Machines for manufacturing memory chips; Replacement parts [control mechanisms] for manufacturing machines; Transmissions for machines; Automated terminals for the delivery of self-service goods and consignments; Tray handling machines.

CLASS 9

Spectacles and sunglasses; Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; Apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; Data processing equipment; Apparatus and instruments for controlling and monitoring unmanned vehicles; Wheel alignment meters; Vehicle tracking apparatus; Vehicle locating systems; Global positioning system (GPS) apparatus and equipment; Automatic retrieval units; Automatic shelving units; Automatic teller machines, cash dispensers; Cash registers, calculating devices; Bar code labels, encoded; Barcode devices including bar code printers, bar code readers and bar code scanners; Hand-held electronic bar code label printers; Printers for use with computers; Wireless portable printers for use with laptops and mobile devices; Hand-held scanners; Toner cartridges, unfilled, for printers and photocopiers; Radio frequency identification (RFID) devices, radio frequency identification (RFID) printers, radio frequency identification (RFID) writers, radio frequency identification (RFID) readers, and radio frequency identification (RFID) scanners; RFID devices to read and write electronic data with the tags (RFID handheld unit); Radio frequency identification (RFID) tags; Radio frequency transmitters; Radio frequency repeaters; Electronic tags for goods; Electronic tags for inventory control purposes; Labels with machine-readable codes; Near field communication [NFC] tags; Biometric identification systems; Face recognition equipment; Biochips; Circuit chips; Computer chips and central processing units with instruction set architecture; Computer servers; Computers and computer peripheral devices; Computer network adaptors, switches, routers and hubs; Computer hardware and firmware; Mouse mats; Headphones; Magnetic data carriers, recording discs; Computer bags; RISC-V (reduced instruction set computer-five) computer chips and central processing units; Mobile telephones; Mobile phone accessories; Microcontrollers; Data feeders for use with artificial intelligence; Data processing apparatus with artificial intelligence; Portable data collection terminal; Digital media streaming devices; Personal media players; Electronic book readers; Mechanisms for coin-operated apparatus; Memory cards for video game machines; Security cameras; Baby monitors; Visual display units; Portable telecommunication apparatus; Semi-conductor integrated circuits; Semi-conductor memory chips; Semi-conductor memory controllers; Semi-conductor processors; Semi-conductors; Diving suits, divers' masks, ear plugs for divers, nose clips for divers and swimmers, gloves for divers, breathing apparatus for underwater swimming; Electronic security locker; Encoded key cards; Encoded or magnetic bank credit, debit, cash and identification cards; Electronic signboards; Sensors for Internet of Things [IoT] enabled devices; Sensors, detectors and monitoring instruments; Speakers; Telecommunication apparatus; Telecommunication instant messaging devices; Telecommunications apparatus for use with digital and analog signals; Fire-extinguishing apparatus; Lens hoods; Mobile radio and television broadcasting units; Wireless and wired modems and communication cards and devices; Software; Application software; Mobile applications, downloadable; Apps, namely applications for smart phones, tablet PCs, e-readers and other mobile or stationery IT equipment (downloadable); Computer game software, downloadable; Computer programs; Computer software (including software downloadable from the Internet); Computer software supplied on the Internet; Computer software in the form of an application for mobile devices and computers; Downloadable application software; Cloud network monitoring software; Cloud software; Downloadable cloud-based software; Application software for robots; Operating systems for robots; Personal digital assistants; Artificial intelligence software; Artificial intelligence software for driverless cars; Automobile navigation system; Downloadable mobile applications using artificial intelligence and machine learning for vehicle delivery logistics to manage trip itineraries; Computer programs for controlling automatic guided vehicles; Computer chatbot software for simulating conversations; Interactive software; Authentication software; Industrial automation software; Automatic item shelving and positioning systems; Automatic reserved item pick-up and temporary shelving systems; Computer software applications for use in implementing Internet of Things [IoT]; Electro-mechanical sorting systems; Downloadable inventory management software; Collaboration management software platforms; Logistics management system using RFID [RFID communication machine]; RFID system architecture and management systems; Project management software; Computer software for controlling self-service terminals; Express pick-up systems; Alarm systems; Telecommunication software; Data storage programs; Downloadable application programming interface [API] software; Downloadable computer software for accessing, viewing, and controlling remote computers and computer networks; Downloadable computer programs for use in connection with transcribing, annotating, and visualizing oral and written communications; Downloadable computer software which allows users to participate in web-based meetings and classes, with access to data, documents, images and software applications through a web browser; Instant messaging software; Communication software for electronically exchanging data, audio materials, video materials, images and graphics via computer networks, mobile networks, wireless and telecommunication networks; Downloadable audio, visual, and audiovisual files and recordings, featuring multimedia entertainment programs and content; Downloadable computer software to facilitate the electronic transmission of information, data, documents, voice, and images over the Internet; Recorded and downloadable media, blank digital or analogue recording and storage media; Downloadable games, pictures, motion pictures, movies and music; Online electronic publications

(downloadable from the Internet or a computer network or a computer database); Computer application software for streaming audio materials, video materials, video files, music, and images; Computer software for processing images, graphics, audio, video, and text; Computer, electronic and video games programmes and software (including software downloadable from the Internet); Downloadable electronic publications in the nature of magazines, articles, brochures, leaflets, datasheets, informational materials, instructional materials in the field of business, e-commerce, information technology, cloud computing, telecommunications, the Internet, business and e-commerce training, business, sales, marketing and financial management; Monetary fine payment systems; Software for processing electronic payments to and from others; Video cameras; Remote control; Liquid crystal displays for telecommunications and electronic equipment; Computer programs for use in implementing Internet of Things [IoT]; Computer software for use in implementing Internet of Things [IoT]; Computer software for blockchain technology; Software development kit [SDK].

CLASS 12

Apparatus for locomotion by land, air or water; Vehicles; Electric vehicles; Electric vehicles with vertical take-off and landing; Remote controlled vehicles; Autonomous vehicles; Driverless transport vehicles; Air-cushion vehicles; Trucks; Platform trucks; Refrigerated vehicles; Lorries; Goods vehicles; Freight trains; Cargo tricycles; Bicycles; Cargo trailers; Electric cargo bicycles; Transport vehicles; Commercial vehicles; Motor coaches; Automobiles; Hybrid vehicles; Motorcycles; Sleighs [vehicles]; Min e-car pullers; Robotic cars; Self-driving robots for delivery; Transportation robots; Two-wheeled vehicles; Electrically powered scooters [vehicles]; Electric railway cars; Tilting-carts; Non-motorized vehicles; Babies' strollers; Strollers for carrying pets; Carts; Aircraft and their parts and fittings; Aerial conveyors; Unmanned aerial vehicles (UAV); Drones; Cargo aircraft; Hydroplanes; Water vehicles; Passenger ships; Cargo ships; Hovercraft; Underwater vehicles; Pontoon; Aeronautical apparatus, machines and appliances; Tops for land vehicles; Automobile sunroofs; Carriers for use on vehicles; Bodies for vehicles; Vehicle chassis; Hoods for vehicles; Motors and engines for land vehicles; Caps for vehicle petrol [gas] tanks; Crankcases for land vehicle components, other than for engines; Brakes for vehicles; Vehicle bumpers; Mudguards; Rearview mirrors; Sun-blinds adapted for automobiles; Windows for vehicles; Steering wheels for vehicles; Windscreens; Windscreen wipers; Horns for vehicles; Upholstery for vehicles; Automobile wheels; Automobile tires; Non-skid devices for vehicle tires; Rims for vehicle wheels; Vehicle seats; Glass-holders [parts of automobiles]; Luggage carriers for vehicles; Dashboard drawers [parts of automobiles]; Dashboard hatches [parts of automobiles]; Glove compartments [parts of automobiles]; Covers for baggage compartments [parts of automobiles]; Seat covers for vehicles; Arm-rests for vehicle seats; Freewheels for land vehicles; Ski carriers for cars; Vehicle covers [shaped]; Cigar lighters for automobiles; Safety belts for vehicle seats; Safety seats for children, for vehicles; Air bags [safety devices for automobiles]; Anti-theft devices for vehicles; Automatic guided vehicles and automatic guided vehicle systems; Automatic guided vehicles and their parts and fittings; Drive belts for two-wheeled vehicles; Idler arms [parts of vehicles]; Transmission mechanisms for land vehicles.

CLASS 35

Advertising; Advertising relating to transport and delivery services; Advertising services provided via the Internet; Advertising of goods and services of others via local and global computer networks; Provision of sales, business, advertising and promotional information through a global computer network and via the Internet; Advertising services provided for others; Advertising agency services; Marketing and promotion services; Mobile advertising services on vehicles; Production of television and radio advertisements; Business consultancy relating to advertising; Dissemination of advertising materials, updating of advertising materials, compilation of advertisements for use as web pages on the Internet; Direct mail advertising; Rental of advertising space; Rental of advertising time on communication media; On-line advertising network matching services for connecting advertisers to web sites; Pay per click advertising; Planning and conducting of trade fairs, exhibitions and presentations for commercial or advertising purposes; Office functions; Secretarial services; Accounting services; Document reproduction; Transcription (including stencil-paper writing); Personnel management; Administrative services relating to customs clearance; Gift registry services; Auctioneering; Opinion polling; Publication of publicity materials; Import-export agency services; Import-export clearance agencies (import-export agency services); Import-export business services; Rental of office equipment; Telephone answering (for others); Providing computerized online ordering services; Providing a directory of third party web sites to facilitate business transactions; Online retail services of consumer products; Procurement services for others [purchasing goods and services for other businesses]; Ordering services [for others]; Provision of an online marketplace for buyers and sellers of goods and services; Online trading services relating to electronic auctioneering and providing online business evaluation relating thereto; Auctioneering provided on the Internet; Marketing of vacant premises; Presentation of goods on communication media for retail purposes; The bringing together, for the benefit of others, of a variety of goods, enabling customers to conveniently view and purchase those goods from retail outlets; Buying and selling agency services; Department store retailing services; Retail and wholesale of telephones, mobile phone handsets, mobile phone accessories, electronic and telecommunications goods, computer hardware and computer software, batteries, battery chargers, apparatus and instruments for recording, receiving, transmitting and/or reproducing data, information, pictures, images and/or sound, precious metals, jewellery, precious stones, printed matter, stationery and magnetic and non magnetically encoded cards, furniture, picture frames, household and kitchen utensils, glassware, porcelain and earthenware, textiles, clothing, footwear,

headgear, laces and embroidery, buttons, ribbons, pins and needles, artificial flowers, carpets, rugs, games and electronic toys, chemicals used in industry, science, photography and agriculture, paints, varnishes and lacquers, personal hygiene products, soaps, perfumery, cosmetics, hair and body lotions, essential oils, cleaning and bleaching preparations, lubricants, fuels, candles, pharmaceutical, veterinary and sanitary preparations, ironmongery and small items of metal hardware, machines and machine tools, cutlery, razors and hand tools, computers, calculating machines, electrical, photographic, cinematographic and optical apparatus and instruments, spectacles and sun glasses, surgical and medical apparatus and instruments, apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, vehicles, firearms, fireworks, silverware, horological and chronometric instruments, musical instruments, magazine, cards, paper and cardboard products, picture, typewriters and office requisites, packaging materials, rubber and plastics for manufacture use, packing and insulating materials, leather and imitations of leather and goods made from these materials, handbags, purses, wallets, leather holders, bags, luggage, umbrellas, mirrors, ropes, string, nets, tents, yarns and threads for textile use, coat hangers, place mats, dressmaker's articles, bed and table covers, playthings and sporting articles, foodstuffs and beverages, meat, fish, poultry, preserved, dried and cooked fruits and vegetables, jams and fruits sauces, eggs, milk and milk products, edible oils and fats, coffee, tea, cocoa, sugar, rice, flour, bread and cakes, condiments, fresh fruit and vegetables, beer, mineral water, fruit juices and other non-alcoholic drinks, alcoholic beverages, floral products, tobacco, smokers' articles and matches; Agency for newspapers subscriptions; Rental of sales stands; Search engine optimization; Web site traffic optimization; Negotiation and conclusion of commercial transactions for third parties; Sales prospecting for others; Arranging subscriptions to car transport services for others; Arranging subscriptions to telecommunication services for others; Electronic order processing; Business administration; Business management; Business organisation; Business management services relating to electronic commerce; Business administration services in the field of transportation; Business management of logistics for others; Business administration services relating to customs clearance; Business project management services for construction projects; Business referral services and personnel placement; Organisation, operation and supervision of loyalty and incentive schemes; Data processing; Data processing services in the field of transportation; Database management; Compilation of information into computer databases; Updating and maintenance of data in computer databases; Computerized inventory control; Computerized inventory management; Typing information into computers; Commercial intermediation services; Business intermediary services relating to the matching of potential private investors with entrepreneurs needing funding; Business development; Providing assistance in the management of industrial or commercial enterprises; Providing business information; Providing commercial information to consumers; Provision of commercial information from on-line databases; Commercial information by means of mobile applications; Providing business information via a web site; Provision of commercial and business contact information; Business information and appraisal services; Compilation of business information; Providing information about products via telecommunication networks for advertising and sales purposes; Compiling indexes of information for commercial or advertising purposes; Economic analysis for business purposes; Compiling and providing statistical information for business or commercial purposes; Sales, business and promotional information services; Market research and business consulting services; Business consultancy services relating to facilitating the transaction of business via local and global computer networks by locating and providing referrals for the delivery of a wide variety of business and consumer products and services; Business consulting services in the field of online collaboration and collaboration technologies; Business consultancy services relating to providing a website on a global computer network by which third parties can offer and source goods and services, place, determine the status of and fulfil trade leads and orders, enter into contracts and transact business; Business consulting services in the fields of sales and marketing; Business advisory services in the field of transportation logistics; Business consultancy services for digital transformation; Advisory services relating to tax preparation; Business administration consultancy in the field of robotics technology; Business assistance relating to facilitating business transaction via local and global computer networks; Business assistance services relating to compilation and rental of mailing lists; Business investigation; Customer relationship management; Business management and administration services relating to sponsorship programmes; Charitable services, namely business administration relating to organizing and conducting volunteer programmes and community service projects; Commercial assistance services; Matching consumers with service providers in the field of logistics and cross-border logistics; Provision of business assistance for customs clearance of cargo; Business management for freelance service providers; Compilation of information relating to financial data; Providing marketing leads for the finance industry; Business administration in the field of vessel husbanding on behalf of others; Supply chain management services; CLASS 4

Fuel; Mineral oils and greases for industrial purposes [not for fuel]; Non-mineral oils and greases for industrial purposes [not for fuel]; Solid lubricants.

CLASS 6

Iron and steel; Nonferrous metals and their alloys; Ores of metal; Metal materials for building or construction; Prefabricated building assembly kits of metal; Loading and unloading pallets of metal; Turn-tables for load handling; Traversers for load handling; Paint spraying booths of metal; Metal molds for forming cement products; Metal pulleys, springs and valves [not including machine elements]; Metal junctions for pipes; Metal flanges; Reservoirs of metal; Anchors; Containers of metal for transport; Metal hardware; Wire rope; Wire nets and gauzes; Tool boxes of metal, empty; Railway points; Artificial fish reefs of metal; Machine keys; Cotter pins; Small hardware of metal; Bollards of metal; Anvils; Swage blocks; Industrial packaging containers of metal; Metal stepladders and ladders; Hat-hanging hooks of metal; Metal joinery fittings; Spurs; Stakes of metal for plants or trees; Mountable metal inspection doors for access to the interior that come with lid; Mountable metal inspection doors for access to the interior; Clips of metal for cables and pipes; Washers of metal; Locks of metal; Fittings of metal for windows; Cables of metal, non-electric; Wire of common metal; Railings of metal; Metallic pipes and tubes.

CLASS 7

Metalworking machines and tools; Mining machines and apparatus; Construction machines and apparatus; Loading-unloading machines and apparatus; Industrial fishing machines; Chemical processing machines and apparatus; Textile machines and apparatus; Food or beverage processing machines and apparatus; Lumbering, woodworking, or veneer or plywood making machines and apparatus; Pulp making, papermaking or paper-working machines and apparatus; Printing or bookbinding machines and apparatus; Agricultural machines and agricultural implements, other than hand-operated; Shoe making machines; Leather tanning machines; Tobacco processing machines; Glassware manufacturing machines and apparatus; Painting machines and apparatus; Packaging or wrapping machines and apparatus; Plastic processing machines and apparatus; Semiconductor manufacturing machines and systems; Machines and apparatus for manufacturing rubber goods; Stone working machines and apparatus; Non-electric prime movers, not for land vehicles; Pneumatic or hydraulic machines and instruments; Adhesive tape dispensing machines; Automatic stamping machines; Dishwashers; Machines and apparatus for wax-polishing, electric; Washing machines [laundry]; Vacuum cleaners; Electric food blenders for household purposes; Repairing or fixing machines and apparatus; Mechanical parking systems; Vehicle washing installations; Power sprayers for insecticides [not for agricultural purposes]; Machine elements, not for land vehicles; Lawnmowers; Curtain drawing devices electrically operated; Waste compacting machines and apparatus; Waste crushing machines; Starters for motors and engines; AC motors and DC motors [not including those for land vehicles but including parts for any ac motors and dc motors]; AC generators [alternators]; DC generators; Dynamo brushes; Parts of non-electric prime movers; Fuel dispensing machines for service stations; Food mixing machines for commercial use; Food peeling machines for commercial use; Food cutting, chopping and slicing machines for commercial use; Electric door openers; Waste compacting machines and apparatus for industrial purposes; Waste crushing machines for industrial purposes; Rolling mills for metalworking; Belts for conveyors; Industrial robots; Washing machines for empty bottle; Bottle washing machines; Shredders [machines] for industrial use; Hand-held tools, other than hand-operated; Steam engine boilers; Internal combustion engines, not for land vehicles; Motors, other than for land vehicles; Pumps [machines]; Valves, machine elements not for land vehicles; Power-operated blowers; Centrifugal blowers; Hydraulic pressure cylinders; Bearings being parts of machines; Handling apparatus for loading and unloading; Conveyors being machines; Transmission chains, other than for land vehicles; Transmission mechanisms, other than for land vehicles; Loading and unloading machines; Sorting machines for industry; Sifting machines; Elevators [lifts]; Electric motors, not for land vehicles; Reduction gears, other than for land vehicles; Mechanical handling apparatus with vertical lift containing shelves; Conveyors; Power transmission chains; Jacks [machines]; Power jacks; Hydraulic jacks; Pneumatic jacks; Electric jacks; Linear actuators; Electric cylinders, other than for land vehicles; Pneumatic or hydraulic linear actuators, other than for land vehicles; Ball screw; Ball spline, other than for land vehicles; Drive chains, other than for land vehicles; Roller chains, machine elements not for land vehicles; Conveyor chain; Elevator chains being parts of machines; Silent chains; Holding and guiding device for cable or hose being parts of machines;

Automatic conveying carousels; Automatic vehicle parking carousels; Vehicle parking carousels; Power-driven rotary storage machinery, namely conveying, handling, sorting machines; Automatic warehousing systems and components thereof consisting of conveying, handling, sorting, lifting, loading and unloading machines; Automatic warehousing systems in the nature of automatic conveying, handling, sorting, lifting, loading and unloading machines; Chains being parts of conveying machines; Top chain; Flat top chain being parts of conveying machines; Power transmission components for conveyor chain, conveyor tools and chain conveyor; Conveyor system; Belt conveyors; Machinery for inventory clearance, namely conveying, handling, sorting machines; Concrete mixers [machines]; Sorting machines of industrial products [loading-unloading machines and apparatus]; Automatic warehousing systems with refrigeration units consisting of conveying, handling, sorting, lifting, loading and unloading machines; Automatic warehousing systems consisting of automatic picking [handling, sorting and loading] units and automatic conveying carousels; Automatic warehousing systems consisting of automatic picking units [handling, sorting and loading apparatus]; Conveyors with electronic tag reading units; Conveyors with non-contact reading units for radio frequency identification [RFID] tags; Friction drive conveyors for automotive production lines; Object recognition device for automatic inspection, picking and sorting of products in production lines being parts of loading and unloading machines; Bucket elevators; Screw conveyors; Flight conveyors; Scraper conveyors; Flow conveyors; Dampers for switching fluid flow [parts of machines]; Electric motors with reduction gears being parts of machines; Lifting apparatus; Sprockets; Flat top chains made of resin for conveying units being parts of food or beverage processing machines; Flat top chains made of resin for conveying units being parts of metal working machines; Conveying machines and their parts and fittings being parts of metal working machines; Flat top chains made of resin for conveying units being parts of packaging or wrapping machines; Bicycle assembling machines; Electric metal cutting machines (by arc, gas or plasma); Electrical welding equipment; High frequency apparatus for welding; Bits of metal being parts of machines.

CLASS 9

Processed optical glass; Time clocks [time recording devices]; Photo-copying machines; Time and date stamping machines; Punched card office machines; Voting machines; Postage stamp checking apparatus; Coin-operated mechanisms for operating gates for car parking lots; Railway signal apparatus, luminous or mechanical; Road signs, luminous or mechanical; Diving equipment; Simulators for the steering and control of vehicles; Sports training simulators; Laboratory apparatus and instruments; Photographic apparatus and instruments; Cinematographic machines and apparatus; Optical machines and apparatus; Measuring or testing machines and instruments; Power distribution or control machines and apparatus; Rotary converters; Phase modifiers; Electrical cells and batteries; Electric or magnetic meters and testers; Electric wires and cables; Electric buzzers; Telecommunication machines and apparatus; Electronic data processing machines, apparatus and their parts; Computer peripherals; Computers; Electronic control apparatus; Magnetic cores; Resistance wires; Electrodes, other than welding electrodes or medical electrodes; Fire boats; Voltage regulators for vehicles; Induction voltage regulators; Voltage regulators; Phonograph records; Electronic circuits and CD-ROMs recorded with automatic performance programs for electronic musical instruments; Game programs for arcade video game machines; Solar batteries; Personal digital assistants; Electronic data processing machines [not including Geiger counters, high frequency apparatus for welding, cyclotrons [not for medical purposes], industrial X-ray machines and apparatus [not for medical use], industrial betatrons [not for medical use], magnetic prospecting machines, magnetic object detectors, seismic exploration machines and apparatus, hydrophone machines and apparatus, echo sounders, ultrasonic flaw detectors, ultrasonic sensors, electronic door closing control systems and electron microscopes]; Electron tubes; Semi-conductor elements; Electronic circuits, not including those recorded with computer programs; Computer programs; Geiger counters; Cyclotrons, not for medical purposes; Industrial X-ray machines and apparatus, not for medical use; Industrial betatrons, not for medical use; Magnetic prospecting machines; Magnetic object detectors; Seismic exploration machines and apparatus; Hydrophone machines and apparatus; Echo sounders; Ultrasonic flaw detectors; Ultrasonic sensors; Electronic door closing control systems; Electron microscopes; Electronic circuits and CD-ROMs recorded with programs for hand-held games with liquid crystal displays; Effectors for electric or electronic musical instruments; Downloadable image files; Recorded video discs and video tapes; Satellites for scientific purposes; Parking meters; Money counting and sorting machines; Mechanisms for coin-operated apparatus; Face recognition equipment; Scales; Measures; Transmitters of electronic signals; Speed measuring apparatus [photography]; Measuring instruments; Materials for electricity mains [wires, cables]; Semiconductors; Remote control apparatus; Optical fibers [light conducting filaments]; Electric installations for the remote control of industrial operations; X-ray photographs, other than for medical purposes; Pressure gauges; Computer software, recorded; Measuring apparatus; Power distribution systems; Uninterruptible electrical power supplies; Electric power supply units; Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; Regulating apparatus, electric; Constant temperature incubators; Detectors; Readers [data processing equipment]; Furniture especially made for laboratories; Data processing equipment; Optical fiber cables; Telecommunication cables; Electrical cables; Supporting devices for electric wires and cables; Protecting devices for electric wires and cables; Bundling tubes for electric wires and cables; Measuring device for measuring amount of solute remaining in solution and amount of solution using electromagnetic waves; Electric wire and cable with flexible storage guide support; Apparatus and instruments for charging batteries used for electric vehicles; Electrical power supplies; Apparatus and

instruments for charging and discharging batteries and their parts and accessories; Apparatus and instruments for charging and discharging batteries used for electric vehicles; Bidirectional chargers and their parts and accessories; Battery dischargers and their parts and accessories; Electric power supply units and parts and accessories therefor; Electric power supply apparatus and their parts and accessories; Electric power feeders and their parts and accessories; Bidirectional electric power feeders and their parts and accessories; Computer software for creating, managing, editing and operating databases; Computer programs for label printing; Programmable logic controllers; Microcontrollers; Remote-controlled telemeters; Remote control equipment; Constant temperature incubators for laboratories; Laboratory countertops; Laboratory trays; Dosage dispensers, not for medical use; Radio-frequency identification [RFID] readers; Electronic tag information readers for merchandise; Laboratory furniture and equipment for the storage of physical and chemical experiments equipped with a picking device for loading and unloading and automatic rotating shelves for storage; Laboratory furniture and equipment for the storage of physical and chemical experiments equipped with a picking device for loading and unloading; Laboratory furniture and equipment for the storage of physical and chemical experiments with automatic rotating shelves for storage; Synchronous operation control device; Inverters [electricity]; Electronic applied machinery and equipment for synchronous operation control; Object recognition device using CCD camera other than for loading and unloading machines; CCD camera for object recognition; Computer software for robot control and operation; Computer programs and computer software for industrial robots and their arms; Electronic pilot apparatus for the remote control of vehicles; Electronic pilot apparatus for the remote control of paper feeding vehicles; Electronic pilot apparatus for the remote control of paper transport vehicles.

CLASS 10

Medical apparatus and instruments; X-ray apparatus for medical purposes.

CLASS 11

Drying apparatus for chemical processing; Recuperators for chemical processing; Steamers for chemical processing; Evaporators for chemical processing; Distillers for chemical processing; Heat exchangers for chemical processing; Boilers, other than parts of non-electric prime movers or engines; Air conditioners for industrial purposes; Freezing machines and apparatus for industrial purposes; Cooking apparatus and installations for commercial use; Tap water faucets; Level controlling valves for tanks; Pipe line cocks; Waste water treatment tanks for industrial purposes; Septic tanks for industrial purposes; Garbage incinerators for industrial purposes; Water purifying apparatus for industrial purposes; Bath fittings; Refrigerator-freezers; Refrigerators, cooling apparatus and freezers for medical storage purposes; Cooling installations and machines; Refrigerating containers; Refrigerating cabinets; Refrigerators for commercial purposes; Power sprayers for disinfecting and deodorants [not for agricultural purposes]; Freezers and refrigerators for the storage of physical and chemical experiments, equipped with a picking device for loading and unloading medical samples and automatic rotating shelves for storage; Freezers and refrigerators for medical storage purposes equipped with a picking device for loading and unloading medical samples and automatic rotating shelves for storage.

Machine tools; Power-operated tools; Industrial machines containing traceability and tracking abilities; Industrial machines containing inspection ability; Industrial machines containing quality control ability; Industrial machines for printing and applying labels with ability of checking labels; Machines for packaging of products and packages with ability of checking labels; Machines for applying identification codes with ability of reading codes; Labellers [machines]; Industrial labelling machines; Labelling machines; Machines for the reproduction of images; Printing machines; Machines for printing identification codes; Industrial printing machines; Robotic arms for the application of printed labels; Packing machines; Sorting machines; Sorting machines for industry; Optical sorting machines for industrial use; Wrapping machines; Sealing machines; Sealing machines for industrial purposes; Industrial filling machines; Industrial robots; Robotic handling apparatus; Robotic apparatus for handling materials; Robotic arms for industrial purposes; Robotic mechanisms for lifting; Handling apparatus for loading and unloading; Loading and unloading machines; Parts and components of the mentioned goods.

CLASS 9

Scientific, research, navigation, surveying, photographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting and life-saving apparatus and instruments; Apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; Recorded and downloadable media, computer software, blank digital or analogue recording and storage media; Mechanisms for coin-operated apparatus; Cash registers, calculating devices; Computers and computer peripheral devices; Devices, apparatus and instruments for reading identification codes, devices, apparatus and instruments for reading labels (decoders); Electronic devices for labelling; Electronic labels; Magnetic labels; Electronic labels with identification codes; Optical character readers; Magnetic encoders; Devices, apparatus and instruments for the application of codes and encoding technology; Printers; Printers for the application of identification codes; Hand-held electronic devices for the labelling of identification codes; Devices, apparatus and instruments for product inspection; Devices, apparatus and instruments for packing inspection; Devices, apparatus and instruments for the inspection of packages; Optical inspection apparatus for the traceability of goods and packages; Selection and sorting devices, apparatus and instruments; Devices, apparatus and instruments for testing seals; Leak testing devices, apparatus and instruments; Laboratory robots; Application software for robots; Digital controls for robots; Electronic control apparatus and instruments for robots; Operating systems for robots; Software for robotic process automation; Software for robotics design; Sensors, detectors and monitoring instruments; Filling level detectors; Metal detectors; Leak detectors devices, apparatus and instruments; Quantity indicators; Temperature indicators; Pressure indicators; Speed indicators; Optical inspection apparatus for industrial use; Optical viewing and recording apparatus; Digital video cameras; Imaging apparatus and instruments; Imaging electronic devices; Thermal imaging cameras; Electronic devices, apparatus and instruments for identification and traceability; Electronic identification cards; Magnetic identification cards; Radio-frequency identification [RFID] readers; Apparatus and instruments for tracking and identification of goods; Testing and quality control devices, apparatus and instruments; Quality product verification apparatus and instruments; Optical microscopes for materials testing; Material testing instruments and machines; Electrical control, testing and monitoring apparatus; Measuring and testing machines and instruments; Weight measuring apparatus and instruments; Scales; X-ray apparatus and plants for industrial purposes; X-ray scanners (other than for medical use); Weighing belts; Checkweighers; Embedded software; Embedded operating software; Downloadable computer software; Packaged software; Software for tracking, tracing and traceability of goods and services; Operating software for tracking, tracing and traceability of goods and services, data management software, downloadable inventory management software; Hardware and software for the management of databases; Computer software for data and document capture, collection, transmission, processing, storage and indexing; Business intelligence software; Hardware and software for supply chain management and control; Hardware and software for distribution chain management and control; Artificial intelligence software; Graphical user interface software; Industrial process control software; Software for administrative processing of storage, packaging, delivery and transportation of goods; Software for the automation and the management of industrial processes; Apparatus for processing, transmitting and storing database information; Apparatus for processing, transmitting and storing data; Electronic data recorders for storing and archiving data; Software for the handling and the operation of labelling, printing, packing, sorting, inspecting, filling, tracking and tracing, measuring and detecting industrial machines; Software for the handling and the operation of labelling, printing, packing, sorting, inspecting, filling, tracking and tracing, measuring and detecting devices and apparatus; Software for logistics; Software for the management of warehouses; Software for the management of e-business portals; Software for cloud computing; Hardware and software for blockchain technology; Server blockchain; Computer hardware; Computer application software for use in implementing the Internet of Things [IoT]; Seal testing machines; Industrial machines for tracking and traceability; Industrial machines for inspection; Industrial machines for quality control; Industrial machines for printing, applying and checking labels; Machines for checking products, packages and packaging; Machines for applying and reading identification codes; Parts and components of the above mentioned products.

CLASS 35

Advertising; Business management, organization and administration; Business intelligence services; Compilation, systemization, updating and maintenance of data in computer databases; Updating and maintenance of information in registries; Assistance and advice regarding business organization and management; Providing assistance in the management of business activities; Compilation of statistical information; Providing advice in the field of business efficiency; Data processing consultancy; Consultancy relating to business appraisals; Inventory control; Automated data processing; Compilation of statistics; Business management services; Database management; Business process management; Collection of commercial information; Business process re-engineering; Retail or wholesale services for machine tools, power-operated tools, industrial machines for tracking and traceability, industrial machines for inspection, industrial machines for quality control, labellers [machines], industrial machines for printing, applying and checking labels, industrial labelling machines, labelling machines, machines for the reproduction of images, printing machines, machines for printing identification codes, industrial printing machines, robotic arms for the application of printed labels, packing machines, machines for checking products, packages and packaging, sorting machines, sorting machines for industry, optical sorting machines for industrial use, wrapping machines, machines for applying and reading identification codes, sealing machines, sealing machines

for industrial purposes, seal testing machines, industrial filling machines, industrial robots, robotic handling apparatus, robotic apparatus for handling materials, robotic arms for industrial purposes, robotic mechanisms for lifting, handling apparatus for loading and unloading, loading and unloading machines, parts and components of the mentioned goods; Retail or wholesale services for scientific, research, navigation, surveying, photographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting and life-saving apparatus and instruments, apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data, recorded and downloadable media, computer software, blank digital or analogue recording and storage media, mechanisms for coin-operated apparatus, cash registers, calculating devices, computers and computer peripheral devices, devices, apparatus and instruments for reading identification codes, devices, apparatus and instruments for reading labels (decoders), electronic devices for labelling, electronic labels, magnetic labels, labels with identification codes, optical character readers, magnetic encoders, devices, apparatus and instruments for the application of codes and encoding technology, printers, printers for the application of identification codes, hand-held electronic devices for the labelling of identification codes, devices, apparatus and instruments for product inspection, devices, apparatus and instruments for packing inspection, devices, apparatus and instruments for the inspection of packages, optical inspection apparatus for the traceability of goods and packages, selection and sorting devices, apparatus and instruments, devices, apparatus and instruments for testing seals, leak testing devices, apparatus and instruments, laboratory robots, application software for robots, digital controls for robots, electronic control apparatus and instruments for robots, operating systems for robots, software for robotic process automation, software for robotics design, sensors, detectors and monitoring instruments, filling level detectors, metal detectors, leak detectors devices, apparatus and instruments, quantity indicators, temperature indicators, pressure indicators, speed indicators, optical inspection apparatus for industrial use, optical viewing and recording apparatus, digital video cameras, imaging apparatus and instruments, imagining electronic devices, thermal imaging cameras, electronic devices, apparatus and instruments for identification and traceability, electronic identification cards, magnetic identification cards, radio-frequency identification [RFID] readers, apparatus and instruments for tracking and identification of goods, testing and quality control devices, apparatus and instruments, quality product verification apparatus and instruments, optical microscopes for materials testing, material testing instruments and machines, electrical control, testing and monitoring apparatus, measuring and testing machines and instruments, weight measuring apparatus and instruments, scales, x-ray apparatus and plants for industrial purposes, x-ray scanners (other than for medical use), weighing belts, checkweighers, inspection systems, embedded software, embedded operating software, downloadable computer software, packaged software, software for tracking, tracing and traceability of goods and services, operating software for tracking, tracing and traceability of goods and services, data management software, downloadable inventory management software, hardware and software for the management of databases, computer software for data and document capture, collection, transmission, processing, storage and indexing, business intelligence software, hardware and software for supply chain management and control, hardware and software for distribution chain management and control, artificial intelligence software, graphical user interface software, industrial process control software, software for administrative processing of storage, packaging, delivery and transportation of goods, software for the automation and the management of industrial processes, apparatus for processing, transmitting and storing database information, apparatus for processing, transmitting and storing data, electronic data recorders for storing and archiving data, software for the handling and the operation of labelling, printing, packing, sorting, inspecting, filling, tracking and tracing, measuring and detecting industrial machines, software for the handling and the operation of labelling, printing, packing, sorting, inspecting, filling, tracking and tracing, measuring and detecting devices and apparatus, software for logistics, software for the management of warehouses, software for the management of e-business portals, software for cloud computing, hardware and software for blockchain technology, server blockchain, computer hardware, computer application software for use in implementing the Internet of Things [IoT], parts and components of the above mentioned products; Demonstration of goods; Providing commercial information and advice for consumers in the choice of products and services; Provision of an online marketplace for buyers and sellers of goods and services; Marketing; Organization of exhibitions for commercial or advertising purposes; Organization of trade fairs; Presentation of goods on communication media, for retail purposes; Data search in computer files for others; Competitive intelligence services.

CLASS 37

Construction services; Installation, maintenance and repair of tracking, tracing and traceability machines, apparatus and instruments and relating parts; Installation, maintenance and repair of inspection machines, apparatus and instruments and relating parts; Installation, maintenance and repair of quality control machines, apparatus and instruments and relating parts; Installation, maintenance and repair of measuring machines, apparatus and instruments and relating parts; Installation, maintenance and repair of labelling machines, apparatus and instruments and relating parts; Installation, maintenance and repair of printing machines, apparatus and instruments and relating parts; Installation, maintenance and repair of packing and wrapping machines, apparatus and instruments and relating parts; Installation, maintenance and repair of sorting machines, apparatus and instruments and relating parts; Installation, maintenance and repair of sealing machines, apparatus and instruments and relating parts; Installation, maintenance and repair of filling machines, apparatus and instruments and relating parts; Installation, maintenance and repair of checking machines, apparatus and instruments and relating parts; Installation, maintenance and repair of

encoding and decoding machines, apparatus and instruments and relating parts; Installation, maintenance and repair of machines, apparatus and instruments for image reproduction and image reading and relating parts; Providing information on installation, maintenance and repair of machines, apparatus and instruments; Installation, maintenance and repair of hardware; Installation and maintenance of hardware; Installation and maintenance of hardware for tracking, tracing and traceability; Installation and maintenance of hardware for inspection; Installation and maintenance of hardware for quality control; Installation and maintenance of hardware for measuring; Installation and maintenance of hardware for labelling; Installation and maintenance of hardware for printing; Installation and maintenance of hardware for packing and wrapping; Installation and maintenance of hardware for selection and sorting; Installation and maintenance of hardware for checking; Installation and maintenance of hardware for filling; Installation and maintenance of hardware for sealing; Installation and maintenance of hardware for encoding and decoding; Installation and maintenance of hardware for image reproduction and image reading; Installation and maintenance of hardware for logistics, for management and control of supply chain and for management and control of warehouses; Installation and maintenance of hardware for verification, analysis and measurement; Installation and maintenance of hardware for capturing, collecting, processing, transmission, storage and recording data; Installation and maintenance of hardware for cloud computing; Installation and maintenance of hardware for artificial intelligence; Installation and maintenance of hardware for business intelligence; Installation and maintenance of hardware for user interface.

CLASS 42

Scientific and technological services and research and design relating thereto; Industrial analysis, industrial research and industrial design services; Quality control and authentication services; Design and development of computer hardware and software; Software as a service [SaaS]; Design, development, updating, installation and maintenance of software; Design, development, updating, installation and maintenance of software for tracking, tracing and traceability; Design, development, updating, installation and maintenance of software for inspection; Design, development, updating, installation and maintenance of software for quality control; Design, development, updating, installation and maintenance of software for measuring; Design, development, updating, installation and maintenance of software for labelling; Design, development, updating, installation and maintenance of software for printing; Design, development, updating, installation and maintenance of software for packing and wrapping; Design, development, updating, installation and maintenance of software for selection and sorting; Design, development, updating, installation and maintenance of software for checking; Design, development, updating, installation and maintenance of software for filling; Design, development, updating, installation and maintenance of software for sealing; Design, development, updating, installation and maintenance of software for encoding and decoding; Design, development, updating, installation and maintenance of software for image reproduction and image reading; Design, development, updating, installation and maintenance of software for logistics, for management and control of warehouses; Design, development, updating, installation and maintenance of software for verification, analysis and measurement; Design, development, updating, installation and maintenance of software for capturing, collecting, processing, transmission, storage and recording data; Design, development, updating, installation and maintenance of software for cloud computing; Design, development, updating, installation and maintenance of software for artificial intelligence; Design, development, updating, installation and maintenance of software for business intelligence; Design, development, updating, installation and maintenance of software for user interface; Technical control and inspection services; Inspection of goods and packages for quality control; Traceability of goods for quality control purposes; Traceability of production processes and systems for quality control purposes, advisory services in the field of product development and quality improvement of software; Rental of computer hardware and software; Testing of computer hardware and software; Providing information about the design and development of computer hardware and software; Research and development of computer hardware and software; Technical consultancy relating to the design of computer hardware and software; Engineering; Computer engineering; Engineering consultancy; Engineering research; Design of engineering products; Engineering design services; Scientific and technological services and research and design services relating to tracking, traceability and inspection and identification of goods and packages; Scientific and technological services and research and design services relating to encoding, checking, inspecting and authentication technologies; Scientific and technological services and research and design services relating to hardware and software for capturing, collecting, processing, transmission, storage and recording data.
