General Information

1. Trade Marks Journal

This journal is published by the Registry of Trade Marks pursuant to Rule 86A of the Trade Marks Rules. It is published weekly on Fridays, unless otherwise directed by the Registrar.

2. Notice of Opposition

Any person who wishes to oppose any of the marks published may within two months from its publication date file a Notice of Opposition on Form TM11. Reasonable notice should be given to the Applicant beforehand, to provide the Applicant an opportunity to withdraw the application. Failure to give such notice will be taken into account when considering any application by an Opponent for an Order of Costs if the opposition is uncontested by the Applicant.

3. Practice Directions and Circulars

The Registry has ceased our practice of publishing Practice Directions and Circulars in the Trade Marks Journal. Practice Directions and Circulars are available on our website at <https://www.ipos.gov.sg>. If you wish to receive our updates via email, you may subscribe to our mailing list by sending an email to news@ipos.gov.sg and letting us know the subject matter of interest (e.g. Trade Marks).

4. Information Contained in this Journal

The Registry of Trade Marks does not guarantee the accuracy of its publications, data records or advice nor accept any responsibility for errors or omissions or their consequences. Permission to reproduce extracts from this Journal must be obtained from the Registrar of Trade Marks.

Mark Clause(s):

Application for a series of two marks.

The mark is a series of two movement marks (one series comprising of six black and white images and the other series comprising of six coloured images) as shown in the representation on the form of application. The movement in each series is identical, starting from the first image to the sixth image. The series of lines in the image resembling "> <" diverge and forms the stylised "x and equal symbol" (comprising an "x" and "=") and then converge horizontally back as depicted in the sequence from the first image to the sixth image. The word "synapxe" positioned on the right of each image remains unchanged throughout the entire movement. The complete sequence of movement takes approximately 4 seconds.
