General Information

1. Trade Marks Journal

This journal is published by the Registry of Trade Marks pursuant to Rule 86A of the Trade Marks Rules. It is published weekly on Fridays, unless otherwise directed by the Registrar.

2. Notice of Opposition

Any person who wishes to oppose any of the marks published may within two months from its publication date file a Notice of Opposition on Form TM11. Reasonable notice should be given to the Applicant beforehand, to provide the Applicant an opportunity to withdraw the application. Failure to give such notice will be taken into account when considering any application by an Opponent for an Order of Costs if the opposition is uncontested by the Applicant.

3. Practice Directions and Circulars

The Registry has ceased our practice of publishing Practice Directions and Circulars in the Trade Marks Journal. Practice Directions and Circulars are available on our website at <https://www.ipos.gov.sg>. If you wish to receive our updates via email, you may subscribe to our mailing list by sending an email to news@ipos.gov.sg and letting us know the subject matter of interest (e.g. Trade Marks).

4. Information Contained in this Journal

The Registry of Trade Marks does not guarantee the accuracy of its publications, data records or advice nor accept any responsibility for errors or omissions or their consequences. Permission to reproduce extracts from this Journal must be obtained from the Registrar of Trade Marks.

sanding tools; socket tools; hand-powered staple guns; hand-operated suction lifters; saws [hand tools], namely, tank cutters; taper leads [parts of hand-operated tools]; termination tools [hand-operated tools]; torque drivers; torque wrenches; wire strippers; hand tools, namely, wire wrapping tools; crimping tools; hole cutters; wire cutters; tool kits consisting of hand-operated tools; bevels [hand-operated tools]; parts and fittings for all the aforesaid goods.

Class 09

Scientific, nautical, surveying, electric, electronic, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; electric and electronic test and measurement apparatus and instruments; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, recording discs, digital recording media; mechanisms for coin or token operated apparatus; cash registers, calculating machines, data processing equipment; computers; computer hardware; computer software; downloadable computer software; computer peripheral equipment; fire-extinguishing apparatus; alarms; ammeters; amplifiers; bar-code reader; batteries for pocket lamps; batteries; battery chargers; baseboards for computers; module boards; mounts for integrated circuits and microprocessors; computer network servers; blank computer storage media; read-only memory; flash memory; flash memory cards; USB sticks; SD cards; magnetic data carriers; hard disk drives; USB flash drives; memory boards; motherboards; power supply units; solid state drives; central processing units; circuit boards; integrated circuits; expansion cards for computers; magnetic, optical, and electronic data storage materials and devices; computer memory devices; sound, video, audio and data recordings; breathing apparatus; electrical cables; callipers; cameras; capacitors; circuit closers; circuit breakers; clothing, footwear and headgear for protection against accidents, irradiation, fire or injury; recorded

computer programmes; computer keyboards; electrical conduits; electrical connectors, electronic connectors, audio connectors, video connectors, circular connectors, integrated circuit (i.c.) sockets, mains and International Electrotechnical Commission (IEC) connectors, network and telecommunications connectors, printed circuit board (PCB) connectors, power connectors, radio frequency (RF) and coaxial connectors, USB connectors, fibre optic connectors; electrical contacts; control panels; insulated copper wire; copying apparatus and machines; counters; current rectifiers; optical data media; detectors; digital plotters; light dimmers [regulators], electric; electricity distribution boxes; electricity distribution boards; dosage dispensers; electric alarm bells; facsimile machines; filters for respiratory masks; floppy discs; frequency meters; fuses; gauges; gloves for protection against accidents or injury; disposable gloves for laboratory use; disposable gloves for industrial use for protection against injury; heat regulating apparatus; identification sheaths for electric wires; electrical indicators, digital indicators, luminous indicators, slope indicators, fuse indicators, level indicators, quantity indicators, speed indicators, voltage indicators, frequency indicators, phase indicators, gas pressure indicators, water level indicators, plunge dial indicator; inductors; interfaces for computers; electrical inverters; junction sleeves for electric cables; knee pads for workers; lasers; optical lenses; electric locks; loudspeakers; luminous beacons; magnetic tapes; magnets; magnifying glasses; measuring instruments; electric measuring devices; measuring apparatus; mechanisms for counting apparatus; meters; micrometers; microphones; microprocessors; microscopes; mirror optics; modems; computer monitors; computer mouse equipment; optical discs; optical fibres; oscillographs; plugs, sockets and other electrical contacts; electric connections; pressure gauges; printed circuit boards; printers for use with computers; projection apparatus; projector screens; protective helmets; recorded computer software; electric regulating apparatus; electric relays; electric resistances; respirators, other than for artificial respiration; rulers [measuring instruments]; scales; scanners; semiconductors; smoke detectors; spectacles; spirit levels; switches; telephone apparatus;

temperature indicators; testing apparatus; thermometers; thermostats; automatic time switches; time recording apparatus; transformers; transistors; transmitters of electronic signals; video tapes; voltage meters; weighing apparatus and instruments; weights; electronic locks being access control systems; accessories for electricity conduits; anti-static safety clothing; cable glands; close circuit television cameras; dials for measuring instruments, namely timing dials, measurement dials and control dials; diodes; disc drives; earplugs for divers and dust proof plugs for earphone jacks; electrical power supply; noise filters, namely International Electrotechnical Commission (I.E.C) filters, infrared filters, powerline filters; headphones; light emitting diodes; monitors for closed circuit television; oscillators; potentiometers; rechargeable batteries; residual current detectors; safety goggles; fall protection safety equipment; safety footwear; solenoids; voltage surge suppressors; telephone answering machines; thermocouples; radio and television apparatus and instruments; sound amplifiers; tape recorders; communication, radar and photographic apparatus and instruments; electrical and electronic control apparatus and instruments; data cartridges; plug-in cartridges [electric]; toner and ink cartridges [unfilled] for printers and photocopiers; electronic styluses; cabinets, casings, cases, boxes and housings, all adapted for use with electrical, electronic and scientific apparatus, instruments or components; cases for carrying glasses; calculators; data communications and networking apparatus and instruments; optoelectronic apparatus and indicators; panel meters; power supplies; process control apparatus; electric resistors; sensors; transducers; audio and visual apparatus and instruments; electronic surge protection shielding apparatus; telecommunication apparatus and instruments; time switches; transformers; flat cable ferrites; ferrite cores, beads, rings, rods, sleeves and tiles, being electronic components; bench power supplies; electrical test apparatus; laboratory apparatus and instruments; monitoring apparatus; multimeters; oscilloscopes; signal generators; timers; computer-controlled pens [plotters] for computer printers and plotters; downloadable electronic publications; cable glands; heatsinks for conducting heat away from electrical components; lamp starters; light

boxes; junction sleeves for electric soldering cables; parts and fittings for all the aforesaid goods.

Class 11

Apparatus for lighting, heating, steam generating, cooking, refrigerating, freezing, drying, ventilating, water supply and sanitary purposes; air purifying apparatus and machines; air conditioning apparatus; fans; filters for air conditioning; hand dryer apparatus for washrooms; heat exchangers; heating elements; electric heating apparatus; hotplates; immersion heaters; ionisation apparatus for the treatment of air; electric lamps; lighting apparatus and installations; light bulbs for vehicles; pipes, namely flexible pipes for plumbing installations, waste pipes for bathtubs, pipes for heating boilers, pipes as parts of sanitary installations, water pipes for sanitary installations and boiler pipes for heating installations; torches for lighting; water purification apparatus; water heaters; illuminated buttons; lamps; lights; torches; torches for lighting during soldering, brazing, heat treatment; lighting fittings; heaters; lamp holders; heat guns; cartridge heaters; air conditioning and ventilation filters; particulate filters for liquids, namely, industrial water filters to remove particulate in water; electric bulbs; light bulbs; light bulbs; parts and fittings for all the aforesaid goods.

Class 16

Paper; cardboard; boxes of paper or cardboard; folders; notepads, dividers [stationery]; printed matter; bookbinding material; photographs; stationery; adhesives for stationery or household purposes; artists' materials; paint brushes; typewriters and office requisites (except furniture); instructional and teaching material (except apparatus); plastic materials for packaging (not included in other classes); printers' type; printing blocks; adhesive tapes for stationery or household purposes; bags of paper, cardboard or plastic; envelopes and pouches of paper or plastic for packaging; loose leaf binders; books; catalogues; draughting sheets; drawing boards; drawing

instruments; erasing products; garbage bags of paper or plastics; ink; inking ribbons for computer printers; labels; manuals; handbooks; office requisites; pencils; pens; printed publications; stencils; toilet paper; paper towels; transfers; drawing office requisites; drawing machines; drawing rules and rulers; templates; compasses (for drafting and drawing); decalcomanias; paper signs; binders; drawing paper; graph paper; etch resist pens [stationery]; drafting apparatus; stationery for use with computers; marker pens; printer ribbons; draft film; plastic sheets, films and bags for anti-static packaging; document folders in the form of wallets; parts and fittings for all the aforesaid goods.

Class 35

Advertising, marketing and promotional services, and information services relating thereto; business information services; business information services provided on-line from a computer database or the Internet; compilation of advertisements for use as web pages on the Internet; provision of business data information on-line from a database or the Internet; dissemination of advertising materials in form of catalogues, printed publication or by electronic means; computerised data verification for identifying whether or not on-line callers are pre-registered as buyers or as sellers or both for participating in on-line electronic commerce; provision of advertising services accessible via communication and computer networks, including the Internet and web sites; provision of consumer product information accessible via communication and computer networks; provision of commercial information, provision of business data and business statistical information, computerised data processing, computerised systemisation of information into computer databases for storage and dissemination of business information and information retrieval services; on-line data processing services, compilation and retrieval of information and data; analysis of business information and data; business management of communication networks; compilation of advertisements for use as web pages on the internet, retail, wholesale and the bringing together, for the benefit of others, of a variety of goods in the fields

of electronic and electrical products and equipment, test and measurement products and equipment, interconnect components, passive components, electromechanical products and equipment, automation and control products and equipment, tools and consumables, enabling customers to conveniently view and purchase those goods from a general merchandise catalogue by mail order, or by means of internet website or by means of telephone; retail, wholesale and the bringing together, for the benefit of others, of a variety of goods in the field of electric, electronic, industrial and mechanical components, apparatus and equipment, enabling customers to conveniently view and purchase those goods from a general merchandise catalogue by mail order; retail, wholesale and the bringing together, for the benefit of others, of a variety of goods in the field of chemicals used in industry, science and photography, unprocessed artificial resins, unprocessed plastics, fire extinguishing compositions, tempering and soldering preparations, tanning substances, adhesives used in industry, paints, varnishes, lacquers, preservatives against rust and against deterioration of woods, colorants, mordants, raw natural resins, metals in foil and powder form for painters, decorators, printers and artists, bleaching preparations and other substances for laundry use, cleaning, polishing, scouring and abrasive preparations, soaps, industrial oils and greases, lubricants, dust absorbing, wetting and binding compositions, fuels (including motor spirit) and illuminants, candles, wicks, plasters, materials for dressings, disinfectants, air freshening preparations, preparations for the treatment of burns, disinfectants and sanitisers for hygiene purposes, medical dressings, face masks, eyewash, filled first aid boxes, plasters for medical purposes, common metals and their alloys, metal building materials, transportable buildings of metal, non-electric cables and wires of common metal, ironmongery, small items of metal hardware, fasteners and fixings of metal, ducts of metal, pipes and tubes of metal, sheets, angles, plates, rods, bars, grilles and ducts of metal, ores, safes, aluminium, bands, bolts, boxes, brackets, clips for cables and pipes, cash boxes, castors of metal for furniture, chains, copper wire, door fittings, door closers, ducts for ventilating and air conditioning installations, ducts for central

heating installations, levelling and vibration control components, dampers and stops of metal, balls of metal, elbows for pipes, eyebolts, fittings for furniture, grills of metal for safety purposes, hinges, hooks, junctions for pipes, knobs, ladders, latches, locks, nuts, padlocks, cotter pins, rivets, ropes of metal, strongboxes, screws, signboards, signs, slings for handling loads, solder, springs, steel wire, toolboxes, valves of metal, washers, metal reels, cable reels, fastening devices, cabinets, cases, boxes, bins, trays, drawers, racks, shelves, frames and containers, all for storing articles and/or materials, containers of metal for transporting materials, securing devices, keys, brass studding, metal clips, vice benches, wall fixings, metal rods, cable trunking of metal, casing and trunking of metal for electric wires or cables, machines and machine tools for treatment of materials, for manufacturing, and for fastening and joining, motors and engines (except for land vehicles), stepper and DC motors other than for land vehicles, servo motors, machine coupling and transmission components (except for land vehicles), agricultural implements, bearings, anti-friction bearings, ball bearings, ball rings for bearings, bearing brackets, bearings for transmission shafts, belts, bending machines, blade holders, blades, brushes, chucks, cleaning machines, cleaning machines for ultrasonic component cleaning, high pressure water washing for equipment, vehicles and structures, clutches other than for land vehicles, compressors, compressors for air tools and air conditioning compressors, control mechanisms for machines, engines and motors, pneumatic controls for machines, motors and engines, couplings other than for land vehicles, cutting machines, cylinders for machines, drill chucks, drilling bits, drilling machines, drills, driving chains other than for land vehicles, filters, filters for air tools, air conditioning and ventilation filters, particulate filters for liquids, gears other than for land vehicles, generators of electricity, glue guns, grinding machines, grinding machines for cutting metal and stone, removing burrs and over castings, sharpening of tools, and polishing metals, plastics and stone, grindstones, guards, guides for machines, cutting guides, pneumatic hammers, hoists, holding devices for machine tools, clamps, hydraulic controls for machines, motor and engines, pneumatic air

preparation equipment, namely, airline filters, lubricators, and regulators, all being parts of machines, jacks, label printing machines, lifting apparatus, conveyors, lubricators, milling machines, electric motors, pneumatic cylinders, presses, presses for printing and plastic moulding, pressure reducers, pressure regulators, pressure valves, pulleys, pumps, micropumps, roller bearings, saw blades, saws, self-oiling bearings, shaft couplings, shock absorbers for machines, shock absorber plungers, silencers for motors and engines, spray guns for paint, tapping bits for machines, valves, washing machines, welding apparatus, electric welding machines, soldering and de-soldering apparatus, electric soldering apparatus, irons and sleeves, anti-vibration mountings for machines, heat sinks for use in machines, bushes, compressed air operated hand tools, electrically operated hand held tools, blow guns, cutting blow pipes, electric pillar drills, lathes, pneumatic drills, grinders, riveters, sanders, scalers, screwdrivers, wrenches, cutters for machines, planers, polishers, routers, wire wrapping tools, lead screws for machines, vacuum cleaners, wire wrapping machines, milling bits for machines, reamers for machines, power operated tools, accessories for power operated tools, jigsaws, hammer drills, strippers, drive belts, sanding machines, heat guns, regulating apparatus, namely, pneumatic air flow regulators and pressure regulators being parts of machines, taper leads in the nature of a mechanical tools for repairing or starting a screw thread, mechanical insertion tools in the nature of tools specifically designed for the insertion of an otherwise easily damaged component such as an electrical connector, crimp or mechanical fixing, automatic vending machines, hand tools and implements (hand operated), cutlery, side arms, razors, abrading instruments, bevels, bits, blades, breast drills, centre punches, chisels, clamps, cutting tools, dies, drills, files, forks, frames for handsaws, garden tools, gimlets, grindstones, hand operated guns for the extrusion of mastics, hammers, hand drills, knives, mallets, mortice chisels, nail extractors, needle files, numbering punches, penknives, pin punches, pincers, planes, pliers, punch pliers, plungers, punches, riveters, saw blades, saw holders, saws, scissors, scrapers, screwdrivers, secateurs, sharpening stones, shear blades, shears,

shovels, spades, spanners, spatulas, squares, tap wrenches, taps being hand tools, tongs, trowels, tube cutters, tweezers, vices, wrenches, auger bits for hand tools, bit brace, cable tie tools, countersinks, crimp tools, crowbars, de-solder tools, die stocks, drain rods, drill bits, hand operated guns for the application of glue, grease guns, grinding tools, hand pumps, hexagon keys, hole punches, insertion tools, nut spinners, nut splitters, pipe benders, ratchet handles, reamers, re-threaders, rivet extractors, sanding tools, socket tools, staplers, suction lifters, tank cutters, taper leads, termination tools, torque drivers, torque wrenches, wire strippers, wire wrappers, crimping tools, hole cutters, wire cutters, non-electric soldering irons, tool kits, scientific, nautical, surveying, electric, electronic, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments, apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, electric and electronic test and measurement apparatus and instruments, apparatus for recording, transmission or reproduction of sound or images, magnetic data carriers, recording discs, digital recording media, mechanisms for coin or token operated apparatus, cash registers, calculating machines, data processing equipment, computers, computer hardware, computer software, downloadable computer software, computer peripheral equipment, fire-extinguishing apparatus, alarms, ammeters, amplifiers, bar-code reader, batteries for pocket lamps, batteries, battery chargers, baseboards, module boards, mounts for integrated circuits and microprocessors, servers, blank computer storage media, read-only memory, flash memory, flash memory cards, USB sticks, SD cards, magnetic data carriers, hard disk drives, USB flash drives, memory boards, motherboards, power supply units, solid state drives, central processing units, circuit boards, integrated circuits, expansion cards for computers, magnetic, optical, and electronic data storage materials and devices, computer memory devices, sound, video, audio and data recordings, breathing apparatus, cables, callipers, cameras, capacitors, circuit closers, circuit breakers, clothing, footwear and headgear for protection against

accidents, irradiation, fire or injury, recorded computer programmes, computer keyboards, conduits, electrical connectors, electronic connectors, audio connectors, video connectors, circular connectors, i.c. sockets, mains and IEC connectors, network and telecommunications connectors, PCB connectors, power connectors, RF and coaxial connectors, USB connectors, fibre optic connectors, electrical contacts, control panels, insulated copper wire, copying apparatus and machines, counters, current rectifiers, optical data media, detectors, digital plotters, regulators for lighting dimmers, electricity distribution boxes, electricity distribution boards, dosage dispensers, electric alarm bells, facsimile machines, filters for respiratory masks, floppy discs, frequency meters, fuses, gauges, gloves for protection against accidents or injury, disposable gloves, heat regulating apparatus, identification sheaths for electric wires, electrical indicators, digital indicators, luminous indicators, slope indicators, fuse indicators, level indicators, quantity indicators, speed indicators, voltage indicators, frequency indicators, phase indicators, gas pressure indicators, water level indicators, plunge dial indicator, inductors, interfaces for computers, electrical inverters, junction sleeves for electric cables, knee pads for workers, lasers, optical lenses, electric locks, loudspeakers, luminous beacons, magnetic tapes, magnets, magnifying glasses, measuring instruments, electric measuring devices, measuring apparatus, mechanisms for counting apparatus, meters, micrometers, microphones, microprocessors, microscopes, mirror optics, modems, computer monitors, computer mouse equipment, optical discs, optical fibres, oscillographs, plugs, sockets and other contacts, electric connections, pressure gauges, printed circuit boards, printers for use with computers, projection apparatus, projector screens, protective helmets, recorded computer software, regulating apparatus, relays, resistances, respirators, other than for artificial respiration, rulers [measuring instruments], scales, scanners, semiconductors, smoke detectors, spectacles, spirit levels, switches, telephone apparatus, temperature indicators, testing apparatus, thermometers, thermostats, automatic time switches, time recording apparatus, transformers, transistors, transmitters of electronic signals, video tapes, volt meters,

weighing apparatus and instruments, weights, access control systems, accessories for electric conduits, anti-static safety clothing, cable glands, close circuit television cameras, timing dials, measurement dials and control dials, diodes, disc drives, earplugs for divers and dust proof plugs for earphone jacks, electrical power supply, I.E.C filters, infrared filters, powerline filters, headphones, light emitting diodes, monitors for closed circuit television, oscillators, potentiometers, rechargeable batteries, residual current detectors, safety goggles, fall protection safety equipment, safety footwear, solder sleeves, solenoids, suppressors, telephone answering machines, thermocouples, radio and television apparatus and instruments, sound amplifiers, tape recorders, communication, radar and photographic apparatus and instruments, electrical and electronic control apparatus and instruments, cartridges and styli, cabinets, casings, cases, boxes and housings, all adapted for use with electrical, electronic and scientific apparatus, instruments or components, cases for carrying glasses, calculators, control gear and switch gear, data communications and networking apparatus and instruments, optoelectronic apparatus and indicators, panel meters, power supplies, process control apparatus, resistors, sensors, transducers, audio and visual apparatus and instruments, shielding apparatus, telecommunication apparatus and instruments, time switches, transformers, ferrites, ferrite cores, beads, rings, rods, sleeves and tiles, being electronic components, bench power supplies, electrical test apparatus, laboratory apparatus and instruments, monitoring apparatus, multimeters, oscilloscopes, signal generators, timers, pens for computer printers and plotters, downloadable electronic publications, cable glands, heatsinks, lamp starters, light boxes, electric soldering sleeves, medical apparatus and instruments, orthopaedic articles, apparatus for lighting, heating, steam generating, cooking, refrigerating, freezing, drying, ventilating, water supply and sanitary purposes, air purifying apparatus and machines, air conditioning apparatus, fans, filters for air conditioning, hand dryer apparatus for washrooms, heat exchangers, heating elements, electric heating apparatus, hotplates, immersion heaters, ionisation apparatus for the treatment of air, electric lamps, lighting

apparatus and installations, light bulbs for vehicles, pipes, torches for lighting, water purification apparatus, water heaters, illuminated buttons, lamps, lights, torches, torches for soldering, brazing, heat treatment, namely, heat shrink tubing, heat sealing packaging, bulbs, lighting fittings, heaters, lamp holders, lamp starters, light boxes, heat guns, cartridge heaters, sack barrows, trolleys, trucks, wheels for barrows, trolleys and trucks, precious metals and their alloys, horological and chronometric instruments, paper, cardboard, boxes of paper or cardboard, folders, wallets, notepads, dividers, printed matter, bookbinding material, photographs, stationery, adhesives for stationery or household purposes, artists' materials, paint brushes, typewriters and office requisites (except furniture), instructional and teaching material (except apparatus), plastic materials for packaging (not included in other classes), printers' type, printing blocks, adhesive tapes for stationery or household purposes, bags, envelopes and pouches of paper or plastic for packaging, loose leaf binders, books, catalogues, draughting sheets, drawing boards, drawing instruments, erasing products, garbage bags of paper or plastics, ink, inking ribbons for computer printers, labels, manuals, handbooks, office requisites, pencils, pens, printed publications, stencils, toilet paper, paper towels, transfers, drawing office requisites, drawing machines, drawing rules and rulers, templates, compasses, decalcomanias, signs, binders, drawing paper, graph paper, etch resist pens, drafting apparatus, computer stationery, marker pens, printer ribbons, draft film, anti-static packaging, rubber, rubber sheets, rubber hose or tube, rubber solutions, plastics in extruded form for use in manufacture, packing, stopping and insulating materials, flexible pipes, leather and imitations of leather, bags, cases, animal skins, hides, trunks and travelling bags, umbrellas, building materials, non-metallic rigid pipes for building, asphalt, pitch and bitumen, non-metallic transportable buildings, furniture and parts therefor, mirrors, and picture frames, household or kitchen utensils and containers, sponges, brushes, brush-making materials, articles for cleaning purposes, steel wool, unworked or semi-worked glass, glassware, porcelain and earthenware, ropes, string, nets, tents, awning, tarpaulins, sails, sacks and bags,

padding and stuffing materials, raw fibrous textile materials, textiles and textile goods, clothing, headgear and footwear, waterproof clothing, mats and matting, linoleum and other materials for covering existing floors, enabling customers to conveniently view and purchase those goods from a general merchandise catalogue by mail order; procurement services; stock management services; vending machine rental services; import-export agency services; invoicing services.

Class 39

Transport; packaging and storage of goods; travel arrangement; arranging for transportation, distribution and delivery of goods to customers; freight services; wrapping and packaging of goods; parcel delivery; mail-order delivery services; distribution of goods displayed in a catalogue in response to orders placed for those goods by mail, by telephone, by facsimile transmission, by electronic mail, by internet website, by online platform, or by the prospective purchaser himself at the applicant's premises; storage services; stock storage services; vending machine replenishment.

Class 42

Electronic engineering services; maintenance engineering service; industrial design; engineering drawing; technical inspection services; mechanical research; technical research; product development services; calibration and re-calibration services; technical professional consultancy; technical assistance, advice and information; design and development of computer hardware, electronics hardware and software; research and development of computer hardware and electronics hardware; testing of computer hardware and electronics hardware to assure compliance and quality standards; support and consultation services for design and development of computer systems; leasing and rental of computer hardware, electronic data storage hardware and software development apparatus and equipment; computer software programming; design and development of baseboards, module boards, computer media, computer memory devices, digital data storage devices and systems, hard

disk drives, solid state disk drives and computer storage disks; providing technical information relating to computer hardware, electronics hardware or software provided on-line from a global computer network or the Internet; computer programming services; platform as a service [PaaS] services; software as a service (SAAS) services; cloud computing services; application service provider (ASP) services; technical testing, engineering testing, component testing, materials testing and industrial testing; industrial analysis services relating to the assessment of asset reliability and condition monitoring of machinery; hosting a website on the internet for the purpose of sharing technical information; computer services, namely, hosting of digital content, namely on-line journals and blogs; computer services, namely, creating on-line virtual communities in the form of a website for users to participate in discussions and forums, engage in social, business and community networking and share information, photographs and videos; information, advisory and consultancy services relating to all the aforesaid; provision of technical information from an online database; surveying; technical surveys; quality assessment of the maintenance performance and reliability of industrial machinery; quality control and quality monitoring services for others relating to lubricants.

Goods and/or Services:

Class 35

Advertising; business analysis and preparation of business reports consisting of statistical data with respect to commercial matters, market studies, consumer and customer studies (opinion polling); collection of commercial and market data and preparation of business reports and the provision of advice relating thereto; business management advisory services; advertising agency services, rental and promotion of advertising space; business management assistance, advice on business organization and management, business management consultation, professional

business consultation, commercial business appraisals, commercial business expertise, advertising research and planning services, as well as rental of advertising space and time on all means of communication; business information, business inquiries; consulting in advertising and in marketing; advertising and marketing communication strategy services; commercial business management, publication of advertising work; services for promoting goods and/or services; promotional and advertising services; distribution of advertising material (leaflets, prospectuses, printed matter, samples); dissemination of advertising matter including on the Internet, organization of exhibitions for commercial or advertising purposes; newspaper subscription services for third parties; bill-posting; rental of advertising material, compilation of statistics, bill posting, public relations service, advice on providing advertising space, arranging and managing the purchase of advertising space for others; services for the organization of exhibitions, trade shows, fairs and other events for commercial or advertising purposes; services for the organization of competitions and games for promotional purposes with or without the awarding of rewards, particularly in the context of exhibitions, trade shows, fairs and other events for commercial or advertising purposes; event management services (organization of exhibitions or tradeshow for commercial or advertising purposes); sales promotion for third parties; good and service presentation and demonstration services for promotional purposes; marketing; production of advertising films; providing business information; conducting of marketing studies; commercial inquiries; business investigations; assistance and advice with respect to commercial organization, including via the Internet; consulting with respect to corporate image development; advice on business management and general business organization; computer file management; company audits (commercial analyses).

Class 41

Online publication services, education and training services, entertainment services; organizing and conducting colloquiums, exhibitions, concerts, conferences,

congresses, seminars, workshops, shows, symposiums for cultural, educational, sports and/or leisure purposes; organizing and conducting competitions (education or entertainment), publishing books; editing, publication of books and texts other than for advertising; publishing of printed matter, newspapers, magazines, journals, periodicals, books, index cards, manuals, albums, catalogs and pamphlets, posters, on all media including electronic media; production of films and videotape films, radio programs, radio and television entertainment, organization of lotteries, editing videotapes, radio and television programs, organization of sports competitions, organization of shows (impresario services), recording studio services; providing non-downloadable electronic publications online; information on leisure activities; sporting and cultural activities; production of films, short features, documentaries, radio or television current affairs programs; editing radio or television programs.

Class 42

Graphic arts designing services; industrial design services; graphic design services; graphic design of brands and signs (graphic arts design services); services for industrial aesthetics, research, name and logo design services (graphic arts design service); product drawing and design services (industrial design); design agency (graphics designer services); packaging designer services; design and graphic art design services in the field of visual identity and consultancy relating thereto; industrial research services; research relating to design; research relating to software development; research in the field of information technology and design; commercial design services and industrial design, creation (design), research and development of new wrapping and packaging materials, creative works and audiovisual works; designing, creating (designing), testing and maintaining websites, software, computer programs, applications and databases; computing services, namely, design and implementation of network websites, electronic commerce software applications and computer network systems using information technology for third parties; creating (designing), website development services and updating websites

for others; services for the design of prototypes and services for the design of display systems for presentation purposes; design of point-of-sale materials; design of consumer information leaflets; hosting of third-party web sites; installation of websites, graphic design services; services related to the design of corporate identity; social science research and analysis services; environmental research and analysis services; research and testing of new products; designing online chatrooms; designing downloadable software; hosting of space on the Internet for online blogs, blogs and other user-generated content; providing online technical support relating to computers and software; computer consulting services, namely, advice on computer programming, redesign and development of Internet sites or applications, with respect to the maintenance and hosting of Internet sites; advice relating to computer programming; advice relating to computer systems analysis; advice with respect to design of computer systems; computer design; software consulting services; consultation with respect to software; computer-aided design of video graphics; design of advertising banners; advice with respect to the selection and implementation of software, namely, software consulting; conversion of computer programs and data (other than physical conversion); conversion of documents from a physical to an electronic medium; development (design), rental and analysis of computer systems; technical project study; technical study, technical research and programming for computers; development (design) of processing software to calculate the performance display devices, design and development of computer hardware and software; updating of software; research and development of new products for others; technical surveying (engineers' services); engineering work; technical project studies unrelated to business dealings, technical advisory services with respect to choosing computer hardware, databases, software; software rental; software development (design); programming for computers; industrial design services; draftsman services for technical drawings; services provided by consultants, provision of advice and information relating to all the aforementioned services; technical advisory services with respect to commercial image; designing and

developing software applications and platforms; designing applications for communications apparatus including mobile phones; product design; design of packaging; web site design; product development; developing computer games and installing computer game programs onto mobile communications apparatus; creating, producing and maintaining online sites; developing streaming technologies enabling users to transmit data and audio and video content via the Internet; development of application software for delivery of multimedia content; developing software applications for online advertising and social media marketing; development of metadata, namely, the development of data programs.
