Mark Clause(s):

The trade mark is a movement mark, as shown in the representation on the form of application, starting from the top left corner moving across the row to the far right,

returning to the second row on the left and moving across again to the far right, continuing in this order from left to right, ending with the second frame in the last row. The mark consists of a sequence of 27 images. The movement begins with a dark screen that gradually reveals a moonlit castle overlooking expansive desert fields. The scene then transitions to a stone bridge extending across the landscape and leading towards the castle. The movement continues into a village setting where people are dancing around a bonfire. As the flames intensify, three figures holding musical instruments emerge from the fire and gradually transform into a stylised mural-like depiction. The sequence then focuses on the silhouette of a flutist framed within a circular ring, surrounded by flames. The silhouette gradually reduces in size and shifts towards the left side of the frame, revealing the Chinese characters of which the transliteration is “kuang huan zhe dian ying zhi zuo you xian gong si” (“狂欢者电影制作有限公司”) and the English words “DELIGHTING PICTURES”. The movement concludes with the scene fading smoothly to black, as depicted in the final frame of the representation.
