General Information

1. Trade Marks Journal

This journal is published by the Registry of Trade Marks pursuant to Rule 86A of the Trade Marks Rules. It is published weekly on Fridays, unless otherwise directed by the Registrar.

2. Notice of Opposition

Any person who wishes to oppose any of the marks published may within two months from its publication date file a Notice of Opposition on Form TM11. Reasonable notice should be given to the Applicant beforehand, to provide the Applicant an opportunity to withdraw the application. Failure to give such notice will be taken into account when considering any application by an Opponent for an Order of Costs if the opposition is uncontested by the Applicant.

3. Practice Directions and Circulars

The Registry has ceased our practice of publishing Practice Directions and Circulars in the Trade Marks Journal. Practice Directions and Circulars are available on our website at https://www.ipos.gov.sg. If you wish to receive our updates via email, you may subscribe to our mailing list by sending an email to news@ipos.gov.sg and letting us know the subject matter of interest (e.g. Trade Marks).

4. Information Contained in this Journal

The Registry of Trade Marks does not guarantee the accuracy of its publications, data records or advice nor accept any responsibility for errors or omissions or their consequences. Permission to reproduce extracts from this Journal must be obtained from the Registrar of Trade Marks.

dispensing machines; mechanical mixing machines; blending machines for chemical processing; vacuum pumps [machines]; vacuum packaging machines; vacuum packaging machines; machines for grinding [electric]; silo discharge apparatus; silo discharge installations; extraction systems for silos; wood-chip cleaners; wood-crushing machines; treatment installations for the timber industry and the wood processing industry; long log flakers [woodworking machines]; impact hammer mills; hammer mills; beating flakers [woodworking machines]; primary crushers; pulverizing mills; disc mills; driverless transporters [machines]; parts and components of conveyors and conveyor systems, namely, round guide rail systems; valves (clack -) [parts of machines]; wheels and tracks for machines; industrial dampers; control dampers and stop valves; gel coat spraying installations; mixing machines incorporating dosing function; conveyor systems incorporating dosing function; gluing installations [gluing machines], namely for wet gluing and for dry gluing; blowlines being parts of plant fibre processing machines; fibre spraying installations; wall-mounted dosing pumps [machines]; vacuum pumps [machines]; coating plants; machines and mechanical apparatus for mechanical process engineering, and installations constructed from the aforesaid goods; timber harvesting machinery; timber processing machines; straw and grass cutters [machines]; plant fibre processing machines; composite processing machines; pressing machines; industrial machine presses; mechanical presses [for metalworking]; hydraulic presses [for metalworking]; presses [machines for industrial purposes]; membrane presses; parts and accessories for all the aforesaid goods, included in this class.

Class 09

Apparatus, instruments and cables for electricity; apparatus and instruments for accumulating and storing electricity; apparatus and instruments for controlling electricity; electric and electronic components; electrical circuits and circuit boards; electric cables and wires; electrical switch cabinets; electronic controllers; measuring, detecting, monitoring and controlling devices; control and measuring apparatus;

electricity transformers; apparatus and instruments for switching the use of electricity; apparatus and instruments for switching the distribution of electricity; commutation (electric apparatus for -); repeaters; electronic amplifiers; signal convertors; communications equipment; information technology and audio-visual, multimedia and photographic devices; electronic regulators; electrical regulators; plugboards; distribution amplifiers; electrical distributors; distribution boards [electricity]; measuring apparatus; electronic meters; electric control apparatus; electric control apparatus; testing devices for electronic parts; electric power distribution apparatus; robotic process automation [RPA] software; recorded content; software; computer databases; software for monitoring, analysing, controlling and running physical world operations; physical analysing apparatus [other than for medical use]; machine learning software for analysis; artificial intelligence software for analysis; downloadable computer software for collecting, analyzing and organizing data in the field of deep learning; closed circuit television cameras; monitoring units [electric]; monitoring control apparatus [electric]; video cameras adapted for monitoring purposes; surveillance apparatus and instruments; monitoring instruments; computer software for the monitoring of computer systems; sensors for monitoring physical movements; monitoring apparatus, electric; machine learning software for surveillance and analysis; sensors, detectors and monitoring instruments; cloud network monitoring software; industrial automation controls; industrial automation software; artificial intelligence software; artificial intelligence software for surveillance; interactive software based on artificial intelligence; software for the integration of artificial intelligence and machine learning in the field of big data; process monitors; process controlling software; process controlling apparatus [electric]; process controlling apparatus [electronic]; digital process controllers; process controllers [electric]; process control apparatus [electric]; process controlling apparatus [electronic]; process controlling apparatus [electronic]; process controlling apparatus [electronic]; process controlling apparatus [electronic]; navigation, guidance, tracking, targeting and map making devices; data storage devices and media; data processing

equipment and accessories (electrical and mechanical); signal cables for IT, AV and telecommunication; computer networking and data communications equipment; point-to-point communications equipment; computers and computer hardware; sensors; electric sensors; optical sensors; sensors for use with machine tools; sensor controllers; sensors for measuring instruments; sensors used in plant control; sensors for determining position; internet of things [IoT] sensors; network communication apparatus; network operating system programs; networking software; local area networks; computer software platforms for social networking; computer software for wireless network communications; telecommunications apparatus for use with mobile networks; smart manufacturing software; smart manufacturing system controls; editing software; computer operating system software; operating systems; operating system programs; computer operating system software; factory automation software; production support software; computer programs for connecting remotely to computers or computer networks; computer hardware for remotely accessing and transmitting data; downloadable software for remotely accessing and controlling a computer; cloud servers; cloud server software; cloud computing software; application software for cloud computing services; downloadable cloud computing software; optimisation software; automatic control apparatus; automatic control apparatus; control installations (electric -); electric control apparatus; electric control apparatus; electronic control units; electronic control instruments; electronic control systems; programmable controllers; industrial process control software; photographic apparatus and instruments; cinematographic machines and apparatus; optical apparatus and instruments; weighing apparatus and instruments; nautical apparatus and instruments; surveying apparatus and instruments; measuring apparatus and instruments; signalling apparatus and instruments; life-saving apparatus and instruments; apparatus and instruments for accumulating electricity; apparatus and instruments for switching electricity; apparatus and instruments for transforming electricity; apparatus and instruments for regulating electricity; apparatus and instruments for conducting electricity; sound

transmitting apparatus; apparatus for the transmission of images; apparatus for the reproduction of images; sound reproduction apparatus; apparatus for recording images; sound recording apparatus; recorded media; downloadable media; computer software; blank digital or analogue recording and storage media; mechanisms for coin-operated apparatus; cash registers; calculating machines; computers; peripherals adapted for use with computers; downloadable virtual goods, namely virtual glue, virtual plant components, virtual mineral content, virtual plastics, virtual metals, virtual lubricants, virtual resins and virtual carbon fibres for use in online virtual environments; fire-extinguishing apparatus; parts, fittings and accessories for all the aforesaid goods.

Class 11

Drying installations; industrial drying installations; drying installations; burners, boilers and heaters; burners; burners for solid fuel; burners for industrial use; stoves [heating apparatus]; furnaces for industrial use; biogas stoves; drying machines with rotating drums; rotary tube bundle driers; flash tube dryers; belt dryers; combination burners; multi-fuel burners; gas line burners; ventilating fans; heating, ventilating, and air conditioning and purification equipment (ambient); distillation apparatus; steam generators.

Class 35

Business assistance, management and administrative services; advertising, marketing and promotional services; business consultancy and advisory services; administrative support and data processing services; business analysis and information services, and market research.

Class 37

Services of electricians; computer hardware and telecommunication apparatus installation, maintenance and repair; repair of energy supply installations; installation services of regulators [parts of machines]; installation services of control

mechanisms for machines, engines or motors; installation services of generators of electricity; installation services of machines and machine tools for treatment of materials and for manufacturing; installation services of steam engines; installation services of steam engine boilers for power generation, other than for land vehicles; installation services of crushing machines; installation services of mills and crushing machines; installation services of mills [machines]; installation services of sifters; installation services of sorting machines for industry; installation services of conveyors and conveyors belts; installation services of conveyors; installation services of belts for conveyors; installation services relating to: conveyors; installation services of conveyors [machines]; installation services of rolling [conveying] machines; installation services of automatic conveyor installations; installation services of assembly line conveyor machinery; installation services of spiral conveyors [machines]; installation services of woodworking machines; installation services of machine tools for woodworking machines; installation services of woodworking machines; installation services of industrial robots; installation services of material production and processing machines; installation services of moving and handling equipment; installation services of process control units [mechanical]; installation services of process control instruments [mechanical]; installation services of machine tools; installation services of bucket conveyors; installation services of archimedian screws; installation services of blowing machines; installation services of mills [machines]; installation services of impact grinding crushers; installation services relating to: ball mills; installation services of pulping machines; installation services of injection moulding machines; installation services of briquetting machines; installation services of sifting machines; installation services of cyclones; installation services of disintegrators; installation services of extracting machines; installation services of hammers [parts of machines]; installation services of power operated tools; installation services of motors, other than for land vehicles; installation services of propulsion mechanisms, other than for land vehicles; installation services of power transmission couplings [other than for land vehicles];

installation services of transmission components (except for land vehicles); installation services of agricultural implements other than hand operated hand tools; installation services of lifting and hoisting equipment, elevators and escalators; installation services of attrition machines for cleaning; installation services of sweeping, cleaning, washing and laundering machines; installation services relating to: exterior clearing and cleaning machines; installation services of separating machines; installation services of filtering machines, separators and centrifuges; installation services of agricultural, earthmoving, construction, oil and gas extraction and mining equipment; installation services of sifting installations; installation services relating to: strainers [electric]; installation services of screening machines; installation services of sieves [machines or parts of machines]; installation services of bonding machines; installation services of mixing machines; installation services of contacting machines [mixing machines]; installation services of industrial mixing machines; installation services of shaping and moulding machines; installation services of foundry machines; installation services of metal production machines; installation services of cast iron parts for pipes [parts of machines]; installation services of spraying machines; installation services of dispensing machines; installation services of automatic dispensing machines; installation services of mechanical mixing machines; installation services of blending machines for chemical processing; installation services of vacuum pumps [machines]; installation services of vacuum packaging machines; installation services of vacuum packaging machines; installation services of machines for grinding [electric]; repair and maintenance of regulators [parts of machines]; repair and maintenance of control mechanisms for machines, engines or motors; repair and maintenance of generators of electricity; repair and maintenance of machines and machine tools for treatment of materials and for manufacturing; repair and maintenance of steam engines; repair and maintenance of steam engine boilers for power generation, other than for land vehicles; repair and maintenance of crushing machines; repair and maintenance of mills and crushing machines; repair and maintenance of mills [machines]; repair and

maintenance of sifters; repair and maintenance of sorting machines for industry; repair and maintenance of conveyors and conveyors belts; repair and maintenance of conveyors; repair and maintenance of belts for conveyors; repair and maintenance of conveyors; repair and maintenance of conveyors [machines]; repair and maintenance of rolling [conveying] machines; repair and maintenance of automatic conveyor installations; repair and maintenance of assembly line conveyor machinery; repair and maintenance of spiral conveyors [machines]; repair and maintenance of woodworking machines; repair and maintenance of machine tools for woodworking machines; repair and maintenance of woodworking machines; repair and maintenance of industrial robots; repair and maintenance of material production and processing machines; repair and maintenance of moving and handling equipment; repair and maintenance of process control units [mechanical]; repair and maintenance of process control instruments [mechanical]; repair and maintenance of machine tools; repair and maintenance of bucket conveyors; repair and maintenance of archimedian screws; repair and maintenance of blowing machines; repair and maintenance of mills [machines]; repair and maintenance of impact grinding crushers; repair and maintenance of ball mills; repair and maintenance of pulping machines; repair and maintenance of injection moulding machines; repair and maintenance of briquetting machines; repair and maintenance of sifting machines; repair and maintenance of cyclones; repair and maintenance of disintegrators; repair and maintenance of extracting machines; repair and maintenance of hammers [parts of machines]; repair and maintenance of power operated tools; repair and maintenance of motors, other than for land vehicles; repair and maintenance of propulsion mechanisms, other than for land vehicles; repair and maintenance of power transmission couplings [other than for land vehicles]; repair and maintenance of transmission components (except for land vehicles); repair and maintenance of agricultural implements other than hand operated hand tools; repair and maintenance of lifting and hoisting equipment, elevators and escalators; repair and maintenance of attrition machines for cleaning; repair and maintenance of sweeping,

cleaning, washing and laundering machines; repair and maintenance of exterior clearing and cleaning machines; repair and maintenance of separating machines; repair and maintenance of filtering machines, separators and centrifuges; repair and maintenance of agricultural, earthmoving, construction, oil and gas extraction and mining equipment; repair and maintenance of sifting installations; repair and maintenance of strainers [electric]; repair and maintenance of screening machines; repair and maintenance of sieves [machines or parts of machines]; repair and maintenance of bonding machines; repair and maintenance of mixing machines; repair and maintenance of contacting machines [mixing machines]; repair and maintenance of industrial mixing machines; repair and maintenance of shaping and moulding machines; repair and maintenance of foundry machines; repair and maintenance of metal production machines; repair and maintenance of cast iron parts for pipes [parts of machines]; repair and maintenance of spraying machines; repair and maintenance of dispensing machines; repair and maintenance of automatic dispensing machines; repair and maintenance of mechanical mixing machines; repair and maintenance of blending machines for chemical processing; maintenance and repair of vacuum pumps; repair and maintenance of vacuum packaging machines; repair and maintenance of vacuum packaging machines; repair and maintenance of machines for grinding [electric]; installation services relating to the modernization, installation, maintenance and repair of industrial installations and machine plants; installation services relating to the modernization, installation, maintenance and repair of industrial installations and machine plants for use in the crushing technology; installation services of clack valves [parts of machines]; installation services of wheels and tracks for machines; installation services of apparatus, instruments and cables for electricity; installation services of apparatus and instruments for accumulating and storing electricity; installation services of apparatus and instruments for controlling electricity; installation services of electric and electronic components; installation services of electrical circuits and circuit boards; installation services of electric cables and wires; installation services of

electrical switch cabinets; installation services of electronic controllers; installation services relating to: measuring, detecting, monitoring and controlling devices; installation services relating to: controllers and regulators; installation services of transformers [electricity]; installation services relating to: apparatus and instruments for switching the use of electricity; installation services relating to: apparatus and instruments for switching the distribution of electricity; installation services of electric apparatus for commutation; installation services of repeaters; installation services of electronic amplifiers; installation services of signal convertors; installation services of communications equipment; installation services of information technology and audio-visual, multimedia and photographic devices; installation services of electronic regulators; installation services relating to: electrical controllers; installation services of plugboards; installation services of distribution amplifiers; installation services of electrical distributors; installation services of distribution boards [electricity]; installation services of measuring apparatus; installation services of electronic meters; installation services of electric control apparatus; installation services of electric control apparatus; installation services of testing devices for electronic parts; installation services of electric power distribution apparatus; installation of computer hardware for database management; installation services of physical analysing apparatus [other than for medical use]; installation services of closed circuit television cameras; installation services of monitoring units [electric]; installation services of monitoring control apparatus [electric]; installation services of video cameras adapted for monitoring purposes; installation services relating to: checking (supervision) apparatus and instruments; installation services of monitoring instruments; installation services relating to: sensors for monitoring physical movements; installation services of monitoring apparatus, other than for medical purposes; installation services relating to: sensors, detectors and monitoring instruments; installation services relating to: industrial automation controls; installation services of process monitors; installation services of process controlling apparatus [electric]; installation services of process controlling apparatus [electronic];

installation services of process control digital controllers; installation services of process controllers [electric]; installation services relating to: process controlling apparatus [electric]; installation services of process controlling apparatus [electronic]; installation services of process controlling apparatus [electronic]; installation services of process controlling apparatus [electronic]; installation services of process controlling apparatus [electronic]; installation services of navigation, guidance, tracking, targeting and map making devices; installation services of data storage devices and multimedia devices; installation services of data processing equipment and accessories (electrical and mechanical); installation services of signal cables for it, av and telecommunication; installation services of computer networking and data communications equipment; installation services of point-to-point communications equipment; installation services of computers and computer hardware; installation services relating to: sensors; installation services of electric sensors; installation services of optical sensors; installation services of sensors for use with machine tools; installation services of sensor controllers; installation services of sensors for measuring instruments; installation services of sensors used in plant control; installation services of sensors for determining position; installation services relating to: internet of things [IoT] sensors; installation services of network communication apparatus; installation services of local area networks; installation services of telecommunications apparatus for use with mobile networks; installation services relating to: smart manufacturing system controls; installation services relating to: operating systems; installation services relating to: computer hardware for remotely accessing and transmitting data; installation services of computer hardware for cloud servers; installation services of automatic control apparatus; installation services of automatic control apparatus; installation services of control installations (electric -); installation services of electric control apparatus; installation services of electric control apparatus; installation services of electronic control units; installation services of electronic control instruments; installation services of electronic control systems; installation services of programmable controllers; installation services of

photographic apparatus and instruments; installation services of cinematographic machines and apparatus; installation services of optical apparatus and instruments; installation services of weighing apparatus and instruments; installation services of nautical apparatus and instruments; installation services of surveying apparatus and instruments; installation services of measuring apparatus and instruments; installation services of signalling apparatus and instruments; installation services of life-saving apparatus and instruments; installation services relating to: apparatus and instruments for accumulating electricity; installation services relating to: apparatus and instruments for switching electricity; installation services relating to: apparatus and instruments for transforming electricity; installation services relating to: apparatus and instruments for regulating electricity; installation services relating to: apparatus and instruments for conducting electricity; installation services of sound transmitting apparatus; installation services of apparatus for the transmission of images; installation services of apparatus for the reproduction of images; installation services of sound reproduction apparatus; installation services of apparatus for recording images; installation services of sound recording apparatus; installation services of downloadable devices; installation services of coin-operated mechanisms; installation services of cash registers; installation services relating to: calculating devices; installation services of computers; installation services of peripherals adapted for use with computers; installation services of diving suits; installation services of fire extinguishers; installation services of drying installations; installation services of industrial drying installations; installation services of drying installations; installation services of burners, boilers and heaters; installation services of burners; installation services of burners for solid fuel; installation services of burners for industrial use; installation services of stoves [heating apparatus]; installation services of furnaces for industrial use; installation services relating to: biogas stoves; installation services of ventilating fans; installation services of heating, ventilating, and air conditioning and purification equipment (ambient); repair and maintenance of clack valves [parts of machines]; repair and maintenance of wheels and tracks for

machines; repair and maintenance of apparatus, instruments and cables for electricity; repair and maintenance of apparatus and instruments for accumulating and storing electricity; repair and maintenance of apparatus and instruments for controlling electricity; repair and maintenance of electric and electronic components; repair and maintenance of electrical circuits and circuit boards; repair and maintenance of electric cables and wires; repair and maintenance of electrical switch cabinets; repair and maintenance of electronic controllers; repair and maintenance of measuring, detecting, monitoring and controlling devices; repair and maintenance of controllers and regulators; repair and maintenance of transformers [electricity]; repair and maintenance of apparatus and instruments for switching the use of electricity; repair and maintenance of apparatus and instruments for switching the distribution of electricity; repair and maintenance of electric apparatus for commutation; repair and maintenance of repeaters; repair and maintenance of electronic amplifiers; repair and maintenance of signal convertors; repair and maintenance of communications equipment; repair and maintenance of information technology and audio-visual, multimedia and photographic devices; repair and maintenance of electronic regulators; repair and maintenance of electrical controllers; repair and maintenance of plugboards; repair and maintenance of distribution amplifiers; repair and maintenance of electrical distributors; repair and maintenance of distribution boards [electricity]; repair and maintenance of measuring apparatus; repair and maintenance of electronic meters; repair and maintenance of electric control apparatus; repair and maintenance of electric control apparatus; repair and maintenance of testing devices for electronic parts; repair and maintenance of electric power distribution apparatus; repair and maintenance of computer hardware for database management; repair and maintenance of physical analysing apparatus [other than for medical use]; repair and maintenance of closed circuit television cameras; repair and maintenance of monitoring units [electric]; repair and maintenance of monitoring control apparatus [electric]; repair and maintenance of video cameras adapted for monitoring purposes; repair and maintenance of checking (supervision) apparatus and instruments; repair

and maintenance of monitoring instruments; repair and maintenance of sensors for monitoring physical movements; repair and maintenance of monitoring apparatus, other than for medical purposes; repair and maintenance of sensors, detectors and monitoring instruments; repair and maintenance of industrial automation controls; repair and maintenance of process monitors; repair and maintenance of process controlling apparatus [electric]; repair and maintenance of process controlling apparatus [electronic]; repair and maintenance of process control digital controllers; repair and maintenance of process controllers [electric]; repair and maintenance of process controlling apparatus [electric]; repair and maintenance of process controlling apparatus [electronic]; repair and maintenance of process controlling apparatus [electronic]; repair and maintenance of process controlling apparatus [electronic]; repair and maintenance of process controlling apparatus [electronic]; repair and maintenance of navigation, guidance, tracking, targeting and map making devices; repair and maintenance of data storage devices and media; repair and maintenance of data processing equipment and accessories (electrical and mechanical); repair and maintenance of signal cables for it, av and telecommunication; repair and maintenance of computer networking and data communications equipment; repair and maintenance of point-to-point communications equipment; repair and maintenance of computers and computer hardware; repair and maintenance of sensors; repair and maintenance of electric sensors; repair and maintenance of optical sensors; repair and maintenance of sensors for use with machine tools; repair and maintenance of sensor controllers; repair and maintenance of sensors for measuring instruments; repair and maintenance of sensors used in plant control; repair and maintenance of sensors for determining position; repair and maintenance of internet of things [IoT] sensors; repair and maintenance of network communication apparatus; repair and maintenance of local area networks; repair and maintenance of telecommunications apparatus for use with mobile networks; repair and maintenance of smart manufacturing system controls; repair and maintenance of operating systems; repair

and maintenance of computer hardware for remotely accessing and transmitting data; repair and maintenance of computer hardware for cloud servers; repair and maintenance of automatic control apparatus; repair and maintenance of automatic control apparatus; repair and maintenance of control installations (electric -); repair and maintenance of electric control apparatus; repair and maintenance of electric control apparatus; repair and maintenance of electronic control units; repair and maintenance of electronic control instruments; repair and maintenance of electronic control systems; repair and maintenance of programmable controllers; repair and maintenance of photographic apparatus and instruments; repair and maintenance of cinematographic machines and apparatus; repair and maintenance of optical apparatus and instruments; repair and maintenance of weighing apparatus and instruments; repair and maintenance of nautical apparatus and instruments; repair and maintenance of surveying apparatus and instruments; repair and maintenance of measuring apparatus and instruments; repair and maintenance of signalling apparatus and instruments; repair and maintenance of life-saving apparatus and instruments; repair and maintenance of apparatus and instruments for accumulating electricity; repair and maintenance of apparatus and instruments for switching electricity; repair and maintenance of apparatus and instruments for transforming electricity; repair and maintenance of apparatus and instruments for regulating electricity; repair and maintenance of apparatus and instruments for conducting electricity; repair and maintenance of sound transmitting apparatus; repair and maintenance of apparatus for the transmission of images; repair and maintenance of apparatus for the reproduction of images; repair and maintenance of sound reproduction apparatus; repair and maintenance of apparatus for recording images; repair and maintenance of sound recording apparatus; repair and maintenance of downloadable devices; repair and maintenance of coin-operated mechanisms; repair and maintenance of cash registers; repair and maintenance of calculating devices; repair and maintenance of computers; repair and maintenance of peripherals adapted for use with computers; repair and maintenance of fire extinguishers; repair

and maintenance of drying installations; repair and maintenance of industrial drying installations; repair and maintenance of drying installations; repair and maintenance of burners, boilers and heaters; repair and maintenance of burners; repair and maintenance of burners for solid fuel; repair and maintenance of burners for industrial use; repair and maintenance of stoves [heating apparatus]; repair and maintenance of furnaces for industrial use; repair and maintenance of biogas stoves; repair and maintenance of ventilating fans; repair and maintenance of heating, ventilating, and air conditioning and purification equipment (ambient); installation services of pressing machines; installation services of industrial machine presses; installation services of mechanical presses [for metalworking]; installation services of hydraulic presses [for metalworking]; installation services of presses [machines for industrial purposes]; repair and maintenance of pressing machines; repair and maintenance of industrial machine presses; repair and maintenance of mechanical presses [for metalworking]; repair and maintenance of hydraulic presses [for metalworking]; repair and maintenance of presses [machines for industrial purposes]; installation services of spreading machines; repair and maintenance of spreading machines; installation services relating to: scatterers; repair and maintenance of scatterers; installation services relating to: forming lines; repair and maintenance of forming lines.

Class 38

Telecommunication services; provision and rental of telecommunications facilities and equipment; computer communication and internet access; access to content, websites and portals.

Class 42

Engineering services relating to energy supply systems; technological consultancy in the fields of energy production and use; development of data bases; product research and development; scientific and technological services; scientific and

technology services; IT services; testing, authentication and quality control; computer hardware development; software development, programming and implementation; software as a service and rental of software; IT consultancy, advisory and information services; IT security, protection and restoration; rental of computer hardware and facilities; data duplication and conversion services, data coding services; design services; product design and development; development of industrial machinery; development of new products; development of power assemblies; development of industrial products; research and development services; industrial development services; development of products in the field of industrial electronics, in particular products for measuring and regulating technology, signal processing and interface technology; analysis of product development; conducting technical project studies; engineering project management services; IT project management; designing prototypes; development of industrial installations and machine plant; development of industrial installations and machine plant for crushing technology; installation services relating to: robotic process automation [RPA] software; installation services relating to: software; installation services relating to: software for monitoring, analysing, controlling and running physical world operations; installation services relating to: machine learning software for analysis; installation services relating to: artificial intelligence software for analysis; installation services relating to: downloadable computer software for collection, analysing and organising data in the field of deep learning; installation services relating to: computer software for the monitoring of computer systems; installation services relating to: machine learning software for surveillance; installation services relating to: cloud network monitoring software; installation services relating to: industrial automation software; installation services relating to: artificial intelligence software; installation services relating to: artificial intelligence software for surveillance; installation services relating to: interactive software based on artificial intelligence; installation services relating to: software for the integration of artificial intelligence and machine learning in the field of big data; installation services relating to: process controlling software; installation

services relating to: network operating system programs; installation services relating to: networking software; installation services relating to: computer software platforms for social networking; installation services relating to: computer software for wireless network communications; installation services relating to: smart manufacturing software; installation services relating to: editing software; installation services relating to: computer operating programs; installation services relating to: operating system programs; installation services relating to: computer operating system software; installation services relating to: factory automation software; installation services relating to: production support software; installation services relating to: computer programs for connecting remotely to computers or computer networks; installation services relating to: downloadable software for remotely accessing and controlling a computer; installation services relating to: cloud server software; installation services relating to: cloud computing software; installation services relating to: application software for cloud computing services; installation services relating to: downloadable cloud computing software; installation services relating to: optimisation software; installation services relating to: industrial process control software; installation services relating to: computer software; repair and maintenance of robotic process automation [RPA] software; repair and maintenance of software; repair and maintenance of software for monitoring, analysing, controlling and running physical world operations; repair and maintenance of machine learning software for analysis; repair and maintenance of artificial intelligence software for analysis; repair and maintenance of downloadable computer software for collection, analysing and organising data in the field of deep learning; repair and maintenance of computer software for the monitoring of computer systems; repair and maintenance of machine learning software for surveillance; repair and maintenance of cloud network monitoring software; repair and maintenance of industrial automation software; repair and maintenance of artificial intelligence software; repair and maintenance of artificial intelligence software for surveillance; repair and maintenance of interactive software based on artificial intelligence; repair and maintenance of software for the integration

of artificial intelligence and machine learning in the field of big data; repair and maintenance of process controlling software; repair and maintenance of network operating system programs; repair and maintenance of networking software; repair and maintenance of computer software platforms for social networking; repair and maintenance of computer software for wireless network communications; repair and maintenance of smart manufacturing software; repair and maintenance of editing software; repair and maintenance of computer operating programs; repair and maintenance of operating system programs; repair and maintenance of computer operating system software; repair and maintenance of factory automation software; repair and maintenance of production support software; repair and maintenance of computer programs for connecting remotely to computers or computer networks; repair and maintenance of downloadable software for remotely accessing and controlling a computer; repair and maintenance of cloud server software; repair and maintenance of cloud computing software; repair and maintenance of application software for cloud computing services; repair and maintenance of downloadable cloud computing software; repair and maintenance of optimisation software; repair and maintenance of industrial process control software; repair and maintenance of computer software.

Class 07

Electromechanical machines for chemical industry; machine tools; tools (parts of machines); motors, other than for land vehicles; agricultural elevators; agricultural machines; suction machines for industrial purposes; woodworking machines; handling machines, automatic (manipulators); pumps (machines); electric hand drills; clippers (machines); grinding machines; centrifugal machines; lifts, other than ski-lifts; kitchen machines, electric; sorting machines for industry; saws (machines); printing machines; drilling machines; elevators; knives, electric; alternators; vacuum cleaners;

threshing machines; beating machines; concrete mixers; connecting rods for machines, motors and engines; ball-bearings; reels (parts of machines); carburetters; centrifugal pumps; steam engine boilers; hydraulic controls for machines, motors and engines; compressors (machines); cutters (machines); current generators; belts for machines; cultivators (machines); cutting machines; turf removing ploughs; degreasers; starters for motors and engines; reduction gears other than for land vehicles; disintegrators; pressure reducers (parts of machines); reeling apparatus, mechanical; mechanized livestock feeders; water separators; clutches other than for land vehicles; filtering machines; finishing machines; foundry machines; blowing machines for the compression, sucking and carrying of grain; lubricating pumps; cranes (lifting and hoisting apparatus); machines for the textile industry; washing apparatus; lifting apparatus; machine wheels; looms (machines); pressing machines; oil refining machines; rotary printing presses; milking machines; conveyors; winches; turbocompressors; steam engines; centrifugal mills; fittings for engine boilers; drilling bits and core bits (parts of machines); superheaters; superchargers; machine coupling and transmission components (except for land vehicles); sizing machines; lathes (machine tools); components for electromechanical machines for chemical industry; food processing machines for the confectionery industry and for processing of liquorice; food preparation machines for use in industry; machines and machine installations for production of soap, glycerine, rim blocks, detergents, rubber, plastic materials, for the chemical industry; extruders [machines]; spraying machines; filtering machines; separators and centrifuges; coating machines; mixers (machines); machines and machine installations for the chemical industry, including sulfonation machine installations, machine installations for the production of surfactants and machine installations for the production of preparations deriving from oleochemicals; machine tools for solvent extraction; agricultural implements other than hand-operated; wrapping or packaging machines; washing machines; robots (machines); air-injection machines, pumps and motors; food and beverage preparation machines, electromechanical; road sweeping machines; flour mills; driving chains and

transmission chains other than for land vehicles; pumps for the installation of heating systems; hydraulic and pneumatic devices for opening and closing doors (parts of machines); metalworking machines; hydraulic motors and turbines; sugar making machines; feeders [parts of machines]; drilling bits [parts of machines].

Class 09

Chemistry apparatus and instruments; fire extinguishers; computer software, recorded; batteries, electric; detectors; wires, electric; relays, electric; clothing for protection against accidents, irradiation and fire; protection devices for personal use against accidents; diagnostic apparatus, not for medical purposes; integrated circuit cards; accumulators, electric; alcoholmeters; food analysis apparatus; ignition batteries; audio amplifiers; printed circuits; integrated circuits; electric installations for the remote control of industrial operations; conductors, electric; connectors [electricity]; electric regulating apparatus; current convertors; distillation apparatus for scientific purposes; material testing instruments and machines; hydrometers; hygrometers; particle accelerators; steering apparatus, automatic, for vehicles; solar batteries; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; physical and chemical laboratory apparatus and instruments; laboratory chemical reactors; laboratory equipment and instruments, in particular pre-packaged columns for the implementation of chemical processes; scientific (other than medical), nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signaling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus for recording, transmitting, reproducing or processing sound or images; calculating machines, data processing equipment and computers; computer peripheral devices; splice, branching and junction boxes (electricity); condensers and optical condensers.

Class 11

Sterilisers; evaporators; pasteurisers; freezers; lighting apparatus for vehicles;

watering installations, automatic; air cooling apparatus; air filtering installations; cooking apparatus and installations; apparatus for dehydrating organic materials; water filtering apparatus; water softening apparatus and installations; water purifying apparatus and machines; water supply installations; water sterilizers; heat exchangers, not parts of machines; incinerators; deodorising apparatus, not for personal use; malt roasters; heat pumps; polymerisation installations; refining towers for distillation; roasters; cooking utensils, electric; steam accumulators; apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; industrial installations for the production of detergents, comprising reactors being industrial chemical installations for the production of detergents; reactors being industrial chemical installations for the production of detergents; industrial installations for the production of surfactants, comprising reactors being industrial chemical installations for the production of surfactants; reactors being industrial chemical installations for the production of surfactants; industrial installations for the production of sulfuric acid, comprising reactors being industrial chemical installations for the production of sulfuric acid; reactors being industrial chemical installations for the production of sulfuric acid; industrial installations for the production of zeolites, comprising reactors being industrial chemical installations for the production of zeolites; reactors being industrial chemical installations for the production of zeolites; industrial installations for the production of fertilizers, comprising reactors being industrial chemical installations for the production of fertilizers; reactors being industrial chemical installations for the production of fertilizers; reactors being industrial chemical installations for sulfonation; reactors being industrial chemical installations for sulfonation for the manufacturing of surfactant; appliances for cooking foodstuffs; air-conditioning apparatus or installations; heating and air-conditioning installations for vehicles; air or water purifying apparatus and machines; deodorizing and air purification apparatus; heat accumulators and regenerators; water conduit and air conditioning installations; distillation apparatus; steam generating installations; chimney flues.

Class 42

Mechanical research; material testing; analysis for oil-field exploitation; consultancy in the field of energy-saving; construction drafting; research and development for others; conducting technical project studies; surveying [engineering]; research in the field of environmental protection; biological research; computer programming; conversion of data or documents from physical to electronic media; graphic arts designing; quality control; chemical analysis; chemical research; chemical technological research; chemistry consultation; chemical engineering; development and test of chemical production methods; industrial analysis and research services in the field of chemistry; chemical engineering; design and development of computer hardware and software; conversion of computer programs and data, other than physical conversion; provision of scientific information relating to the chemical industry; scientific research relating to chemistry; engineering services; scientific and technological investigations provided by engineers; physics [research]; geological surveys and research; technical research; architecture; development (design), installation, maintenance, updating or rental of software; consultancy in the field of computers; industrial design; design and development of industrial equipment.

transmission or reproduction of sound or images, cameras, photographic cameras, television apparatus, video recorders, CD and DVD players and recorders, MP3 players, computers, desktop computers, tablet computers, wearable technological devices, namely, smartwatches, smart wristbands and head-mounted cameras; microphones, loudspeakers, earphones, telecommunications apparatus, apparatus for the reproduction of sound or images, computer peripheral devices, cell phones, covers for cell phones, telephone apparatus, computer printers, scanners [data processing equipment], photocopiers; magnetic and optical data carriers and computer software and programmes recorded thereto, downloadable and recordable electronic publications, encoded magnetic and optical cards, Movies, tv series and video music clips recorded on magnetic, optical and electronic media; antennas, satellite antennas, amplifiers for antennas, parts of the aforementioned goods; electronic ticket dispensing terminals, automatic teller machines (ATM); electronic components used in the electronic parts of machines and apparatus including semi-conductors, electronic circuits, integrated circuits, chips [integrated circuits], diodes, transistors [electronic], magnetic heads for electronic apparatus, electronic locks, photocells, remote control apparatus for opening and closing doors, optical sensors; counters and quantity indicators for measuring the quantity of consumption, automatic time switches; clothing for protection against accidents, irradiation and fire, safety vests and life-saving apparatus and equipment; eyeglasses, sunglasses, optical lenses and cases, containers, parts and components thereof; apparatus and instruments for conducting, transforming, accumulating or controlling electricity, electric plugs, junction boxes [electricity], electric switches, circuit breakers, fuses, lighting ballasts, battery starter cables, electrical circuit boards, electric resistances, electric sockets, transformers [electricity], electrical adapters, battery chargers, electric door bells, electric and electronic cables, batteries, electric accumulators, solar panels for production of electricity; alarms and anti-theft alarms, other than for vehicles, electric bells; signalling apparatus and instruments, luminous or mechanical signs for traffic use; fire extinguishing apparatus, fire engines, fire hose and fire hose

nozzles; radar apparatus, sonars, night vision apparatus and instruments; decorative magnets; metronomes.

Class 16

Paper and cardboard; paper and cardboard for packaging and wrapping purposes, cardboard boxes; paper towels; toilet paper; paper napkins; plastic materials for packaging and wrapping purposes; printing blocks and types; bookbinding material; printed publications; printed matter; books, magazines, newspapers, bill books, printed dispatch notes, printed vouchers, calendars; posters; photographs [printed]; paintings; stickers [stationery]; postage stamps; stationery, office stationery, instructional and teaching material [except furniture and apparatus]; writing and drawing implements; artists' materials; adhesives for stationery purposes, pens, pencils, erasers, adhesive tapes for stationery purposes, cardboard cartons [artists' materials], writing paper, copying paper, paper rolls for cash registers, drawing materials, chalkboards, painting pencils, watercolors [paintings]; office requisites; paint rollers and paintbrushes for painting.

Class 18

Unworked or semi-worked leather and animal skins, imitations of leather, stout leather, leather used for linings; bags, wallets, boxes and trunks made of leather or stout leather; keycases, trunks [luggage], suitcases; umbrellas; parasols; sun umbrellas; walking sticks; whips; harness; saddlery; stirrups; straps of leather (saddlery).

Class 28

Games and toys; arcade video game machines; game apparatus and machines for use with an external display screen and monitor, including those coin-operated; toys for animals; toys for outdoor playgrounds, parks and game parks; gymnastic and sporting articles not included in other classes; fishing tackle, artificial fishing bait, decoys for hunting and fishing; artificial Christmas trees, ornaments for Christmas

trees, artificial snow for Christmas trees, rattles (playthings), novelties for parties, novelty toys for playing jokes and for parties, paper party hats.

Class 35

Advertising, marketing and public relations; organization of exhibitions and trade fairs for commercial or advertising purposes; development of advertising concepts; provision of an online marketplace for buyers and sellers of goods and services; office functions; secretarial services; arranging newspaper subscriptions for others; compilation of statistics; rental of office machines; systemization of information into computer databases; telephone answering for unavailable subscribers, business management, business administration and business consultancy; accounting; commercial consultancy services; personnel recruitment, personnel placement, employment agencies, import-export agencies; temporary personnel placement services; auctioneering; the bringing together, for the benefit of others, of a variety of goods, namely (chemicals used in industry, science, photography, agriculture, horticulture and forestry, manures and soils, unprocessed artificial resins and unprocessed plastics, fire extinguishing compositions, adhesives not for medical, household and stationery purposes, paints, varnishes, lacquers, preservatives against rust, preservatives against deterioration of wood, thinners and binders for paints, pigments, preservatives for metals, shoe dyes, printing dyes and ink, toners, colorants for food, pharmaceuticals and beverages, raw natural resins, metals in foil and powder form for painters, decorators, printers and artists, bleaching and cleaning preparations, detergents other than for use in manufacturing operations and for medical purposes, laundry bleach, fabric softeners for laundry use, stain removers, dishwasher detergents, perfumery, non-medicated cosmetics, fragrances, deodorants for personal use and animals, soaps, dental care preparations, dentifrices, denture polishes, tooth whitening preparations, mouth washes, not for medical purposes, abrasive preparations, emery cloth, sandpaper, pumice stone, abrasive pastes, polishing preparations for leather, vinyl, metal and wood, polishes

and creams for leather, vinyl, metal and wood, wax for polishing, industrial oils and greases, cutting fluids, dust absorbing, wetting and binding compositions, solid fuels including coal, firewood, liquid and gas fuels, petrol, diesel oil, liquified petroleum gas, natural gas, fuel oil and their non-chemical additives, candles, wicks, semi-finished wax, wax and paraffin for lighting purposes, electrical energy, pharmaceutical and veterinary preparations for medical purposes, chemical preparations for medical and veterinary purposes, chemical reagents for pharmaceutical and veterinary purposes, medicated cosmetics, dietary supplements for pharmaceutical and veterinary purposes, dietary supplements, nutritional supplements, medical preparations for slimming purposes, food for babies, herbs and herbal beverages adapted for medicinal purposes, dental preparations and articles including teeth filling material, dental impression material, dental adhesives and material for repairing teeth, sanitary preparations for medical use including hygienic pads, hygienic tampons, plasters, materials for dressings, diapers made of paper and textiles for babies, adults and pets, preparations for destroying vermin, herbicides, fungicides, preparations for destroying rodents, deodorants, other than for human beings or for animals, air purifying preparations, air deodorising preparations, disinfectants, antiseptics, detergents for medical purposes, medicated soaps, disinfectant soaps, antibacterial hand lotions, ores of non-precious metal, common metals and their alloys and semi-finished products made of these materials, irons for construction, mats and stirrups of common metals for buildings, common metals in the form of plate, billet, stick, profile, sheet and sheeting, goods and materials of common metal used for storage, wrapping, packaging and sheltering purposes, containers of metal (storage, transport), buildings of metal, frames of metal for building, poles of metal for building, metal boxes, packaging containers of metal, aluminium foil, fences made of metal, guard barriers of metal, metal tubes, storage containers of metal, metal containers for the transportation of goods, ladders of metal, goods of common metal for filtering and sifting purposes, doors, windows, shutters, jalousies and their cases and fittings of metal, non-electric cables and wires of metal, ironmongery, small

hardware of metal, screws of metal, nails, bolts of metal, nuts of metal, pegs of metal, flakes of metal, pitons of metal, metal chains, furniture casters of metal, fittings of metal for furniture, industrial metal wheels, door handles of metal, window handles of metal, hinges of metal, metal latches, metal locks, metal keys for locks, metal rings for carrying keys, metal pulleys, ventilation ducts, vents, vent covers, pipes, chimney caps, manhole covers, grilles of metal for ventilation, heating, sewage, telephone, underground electricity and air conditioning installations, metal panels or boards (non-luminous and non-mechanical) used for signalling, route showing, publicity purposes, signboards of metal, advertisement columns of metal, signaling panels of metal, non-luminous and non-mechanical traffic signs of metal, pipes of metal for transportation of liquids and gas, drilling pipes of metal and their metal fittings, valves of metal, couplings of metal for pipes, elbows of metal for pipes, clips of metal for pipes, connectors of metal for pipes, safes (strong boxes) of metal, metal railway materials, metal rails, metal railway ties, railway switches, bollards of metal, floating docks of metal, mooring buoys of metal, anchors, metal moulds for casting, other than machine parts, works of art made of common metals or their alloys, trophies of common metal, metal closures, bottle caps of metal, metal poles, metal pillars, scaffolding of metal, metal stakes, metal towers, metal pallets and metal ropes for lifting, loading and transportation purposes, metal hangers, ties, straps, tapes and bands used for load-lifting and load-carrying, wheel chocks made primarily of metal, metal profile laths for vehicles for the purposes of decoration, machines, machine tools and industrial robots for processing and shaping wood, metals, glass, plastics and minerals, 3D printers, construction machines and robotic mechanisms (machines) for use in construction including bulldozers, diggers (machines), excavators, road construction and road paving machines, drilling machines, rock drilling machines, road sweeping machines, lifting, loading and transmission machines and robotic mechanisms (machines) for lifting, loading and transmission purposes including elevators, escalators and cranes, machines and robotic mechanisms (machines) for use in agriculture and animal breeding, machines and

robotic mechanisms (machines) for processing cereals, fruits, vegetables and food, machines for preparing and processing beverages, engines and motors, other than for land vehicles, parts and fittings therefor including hydraulic and pneumatic controls for engines and motors, brakes other than for vehicles, brake linings for engines, crankshafts, gearboxes, other than for land vehicles, cylinders for engines, pistons for engines, turbines, not for land vehicles, filters for engines and motors, oil, air and fuel filters for land vehicle engines, exhausts for land vehicle engines, exhaust manifolds for land vehicle engines, engine cylinders for land vehicles, engine cylinder heads for land vehicles, pistons for land vehicle engines, carburetors for land vehicles, fuel conversion apparatus for land vehicle engines, injectors for land vehicle engines, fuel economisers for land vehicle engines, pumps for land vehicle engines, valves for land vehicle engines, starter motors for land vehicles, dynamos for land vehicle engines, sparking plugs for land vehicle engines, bearings (parts of machines), roller or ball bearings, machines for mounting and detaching tires, alternators, current generators, electric generators, current generators operated with solar energy, painting machines, automatic spray guns for paint, electric, hydraulic and pneumatic punching machines and guns, electric adhesive tape dispensers [machines], electric guns for compressed gas or liquid spraying machines, electric hand drills, electric hand saws, electric jigsaw machines, spiral machines, compressed air machines, compressors (machines), vehicle washing installations, industrial robots with the abovementioned functions, electric and gas-operated welding apparatus, electric arc welding apparatus, electric soldering apparatus, electric arc cutting apparatus, electrodes for welding machines, industrial robots (machines) with the abovementioned functions, printing machines, packaging machines, filling, plugging and sealing machines, labellers (machines), sorting machines, industrial robots (machines) with the abovementioned functions, electric packing machines for plugging and sealing of plastics, machines for textile processing, sewing machines, industrial robots (machines) with the abovementioned functions, pumps other than parts of machines or engines, fuel dispensing pumps for

service stations, self-regulating fuel pumps, electric kitchen machines for chopping, grinding, crushing, mixing and mincing foodstuff, washing machines, laundry washing machines, dishwashers, spin driers (not heated), electric cleaning machines for cleaning floors, carpets or floorings, vacuum cleaners and parts thereof, automatic vending machines, galvanizing and electroplating machines, electric door openers and closers, gaskets for engines and motors, forks, spoons, knives and non-electric cutters, slicers, peelers for kitchen use, made of precious metals, side arms and blades (weapons), tools and apparatus for personal beauty care use including tools and apparatus for shaving, depilation, manicure and pedicure, electric hand implements for straightening and curling hair, scissors, hand-operated [non-electric] hand tools for the repair of machines, apparatus and vehicles and for use in construction, agriculture, horticulture and forestry, none of them being power tools, electric or non-electric irons, steam irons, handles for hand-operated hand tools, measurement apparatus and equipment for scientific, nautical, topographic, meteorologic, industrial and laboratory purposes, thermometers, not for medical purposes, barometers, ammeters, voltmeters, hygrometers, testing apparatus not for medical purposes, telescopes, periscopes, directional compasses, speed indicators, laboratory apparatus, microscopes, magnifying glasses, stills, binoculars, ovens and furnaces for laboratory experiments, apparatus for recording, transmission or reproduction of sound or images, cameras, photographic cameras, television apparatus, video recorders, CD and DVD players and recorders, MP3 players, computers, desktop computers, tablet computers, wearable technological devices (smart watches, wristbands, head-mounted devices), microphones, loudspeakers, earphones, telecommunications apparatus, apparatus for the reproduction of sound or images, computer peripheral devices, cell phones, covers for cell phones, telephone apparatus, computer printers, scanners [data processing equipment], photocopiers, magnetic and optical data carriers and computer software and programmes recorded thereto, downloadable and recordable electronic publications, encoded magnetic and optical cards, Movies, tv series and video music clips

recorded on magnetic, optical and electronic media, antennas, satellite antennas, amplifiers for antennas, parts of the aforementioned goods, electronic ticket dispensing terminals, automatic teller machines (ATM), electronic components used in the electronic parts of machines and apparatus including semi-conductors, electronic circuits, integrated circuits, chips [integrated circuits], diodes, transistors [electronic], magnetic heads for electronic apparatus, electronic locks, photocells, remote control apparatus for opening and closing doors, optical sensors, counters and quantity indicators for measuring the quantity of consumption, automatic time switches, clothing for protection against accidents, irradiation and fire, safety vests and life-saving apparatus and equipment, eyeglasses, sunglasses, optical lenses and cases, containers, parts and components thereof, apparatus and instruments for conducting, transforming, accumulating or controlling electricity, electric plugs, junction boxes [electricity], electric switches, circuit breakers, fuses, lighting ballasts, battery starter cables, electrical circuit boards, electric resistances, electric sockets, transformers [electricity], electrical adapters, battery chargers, electric door bells, electric and electronic cables, batteries, electric accumulators, solar panels for production of electricity, alarms and anti-theft alarms, other than for vehicles, electric bells, signalling apparatus and instruments, luminous or mechanical signs for traffic use, fire extinguishing apparatus, fire engines, fire hose and fire hose nozzles, radar apparatus, sonars, night vision apparatus and instruments, decorative magnets, metronomes, surgical, medical, dental and veterinary apparatus and instruments, furniture especially made for medical purposes, artificial limbs and prostheses, medical orthopaedic articles including corsets for medical purposes, orthopaedic shoes, elastic bandages and supportive bandages, surgical gowns and surgical sterile sheets, adult sexual aids, condoms, babies' bottles, babies' pacifiers, teats, gum massagers for babies, bracelets and rings for medical purposes, anti-rheumatism bracelets, anti-rheumatism rings, lighting installations, lights for vehicles and interior-exterior spaces, heating installations using solid, liquid or gas fuels or electricity including central heating boilers, boilers for heating installations, radiators

[heating], heat exchangers, not parts of machines, stoves, kitchen stoves, solar thermal collectors [heating], steam, gas and fog generators including steam boilers, other than parts of machines, acetylene generators, oxygen generators, nitrogen generators, installations for air-conditioning and ventilating, cooling installations and freezers, electric and gas-powered devices, installations and apparatus for cooking, drying and boiling including cookers, electric cooking pots, electric water heaters, barbecues, electric laundry driers, hair driers, hand drying apparatus, sanitary installations incuding taps [faucets], shower installations, toilets [water-closets], shower and bathing cubicles, bath tubs, toilet seats, sinks, wash-hand basins [parts of sanitary installations], washers for water taps, stuffings (tap valves), water softening apparatus, water purification apparatus, water purification installations, waste water purification installations, electric bed warmers and electric blankets, not for medical use, electric pillow warmers, electric or non-electric footwarmers, hot water bottles, electrically heated socks, filters for aquariums and aquarium filtration apparatus, industrial type installations for cooking, drying and cooling purposes, pasteurizers and sterilizers, motor land vehicles, motorcycles, mopeds, engines and motors for land vehicles, clutches for land vehicles, transmissions, transmission belts and transmission chains for land vehicles, gearing for land vehicles, brakes, brake discs and brake linings for land vehicles, vehicle chassis, automobile bonnets, vehicle suspension springs, shock absorbers for automobiles, gearboxes for land vehicles, steering wheels for vehicles, rims for vehicle wheels, bicycles and their bodies, handlebars and mudguards for bicycles, vehicle bodies, tipping bodies for trucks, trailers for tractors, frigorific bodies for land vehicles, trailer hitches for vehicles, vehicle seats, head-rests for vehicle seats, safety seats for children, for vehicles, seat covers for vehicles, vehicle covers (shaped), sun-blinds adapted for vehicles, direction signals and arms for direction signals for vehicles, windscreen wipers and wiper arms for vehicles, inner tubes and tires for vehicle wheels, tubeless tires, tire-fixing sets comprised of tire patches and tire valves for vehicles, windows for vehicles, safety windows for vehicles, rearview mirrors and wing mirrors for

vehicles, anti-skid chains for vehicles, luggage carriers for vehicles, bicycle and ski carriers for cars, saddles for bicycles or motorcycles, air pumps for vehicles, for inflating tires, anti-theft alarms for vehicles, horns for vehicles, safety belts for vehicle seats, air bags (safety devices for automobiles), baby carriages, wheelchairs, pushchairs, wheelbarrows, shopping carts, single or multi-wheeled wheelbarrows, shopping trolleys, grocery carts, handling carts, rail vehicles, locomotives, trains, trams, waggons, cable cars, chairlifts, vehicles for locomotion by water and their parts, other than their motors and engines, vehicles for locomotion by air and their parts, other than their motors and engines, firearms, air pistols (weapons), spring-loaded firearms, adapted cases and shoulder straps therefor, heavy weapons, mortars and rockets, fireworks, sprays for personal defence purposes, jewellery, imitation jewellery, gold, precious stones and jewellery made thereof, cufflinks, tie pins, statuettes and figurines of precious metal, clocks, watches and chronometrical instruments, chronometers and their parts, watch straps, trophies made of precious metal, rosaries, musical instruments and cases for musical instruments, paper and cardboard, paper and cardboard for packaging and wrapping purposes, cardboard boxes, paper towels, toilet paper, paper napkins, plastic materials for packaging and wrapping purposes, printing blocks and types, bookbinding material, printed publications, printed matter, books, magazines, newspapers, bill books, printed dispatch notes, printed vouchers, calendars, posters, photographs [printed], paintings, stickers [stationery], postage stamps, stationery, office stationery, instructional and teaching material [except furniture and apparatus], writing and drawing implements, artists' materials, paper products for stationery purposes, adhesives for stationery purposes, pens, pencils, erasers, adhesive tapes for stationery purposes, cardboard cartons [artists' materials], writing paper, copying paper, paper rolls for cash registers, drawing materials, chalkboards, painting pencils, watercolors [paintings], office requisites, paint rollers and paintbrushes for painting, rubber, gutta-percha, gum, asbestos, mica and semi-finished synthetic goods made from these materials in the form of powder, bars, panels and foils, insulation,

stopping and sealing materials including insulating paints, insulating fabrics, insulating tape and band, insulation covers for industrial machinery, joint sealant compounds for joints, gaskets, O-rings for sealing purposes (other than gaskets for motors, cylinders and washer for water taps), flexible pipes made from rubber and plastic, hoses made of plastic and rubber for vehicles, junctions for pipes of plastic and rubber, pipe jackets of plastic and rubber, hoses of textile material, junctions for pipes, not of metal, pipe jackets, not of metal, connecting hose for vehicle radiators, profile laths made of synthetic materials for vehicles for the purposes of decoration, unworked or semi-worked leather and animal skins, imitations of leather, stout leather, leather used for linings, goods made of leather, imitations of leather or other materials, designed for carrying items, bags, wallets, boxes and trunks made of leather or stout leather, keycases, trunks [luggage], suitcases, umbrellas, parasols, sun umbrellas, walking sticks, whips, harness, saddlery, stirrups, straps of leather (saddlery), sand, gravel, crushed stone, asphalt, bitumen, cement, gypsum, plaster, concrete, marble blocks for construction, building materials (as finished products) made of concrete, gypsum, clay, potters' clay, stone, marble, wood, plastics and synthetic materials for building, construction, road construction purposes, non-metallic buildings, non-metallic building materials, poles, not of metal for power lines, barriers not of metal, natural and synthetic coverings in the form of panels and sheets, being building materials, bitumen cardboard for roofing, bitumen covering for roofing, doors and windows of wood and synthetic materials, traffic signs not of metal, non-luminous and non-mechanical, for roads, monuments and statuettes of stone, concrete and marble, building glass, prefabricated swimming pools not of metal (structures), aquarium sand, furniture, made of any kind of material, mattresses, pillows, air mattresses and cushions, not for medical purposes, water beds, mirrors, beehives, artificial honeycombs and sections of wood for honeycombs, bouncing chairs for babies, playpens for babies, cradles, infant walkers, display boards, frames for pictures and paintings, identity plates, identification bracelets, name plates, identification tags, made of wood or synthetic materials, packaging containers of

wood or plastics, casks for use in transportation or storage, barrels, storage drums, tanks, boxes, storage containers, transportation containers, chests, loading pallets and closures for the aforementioned goods, of wood or plastics, small hardware goods of wood or synthetic materials, furniture fittings, of wood or synthetic materials, opening and closing mechanisms of wood or synthetic materials, ornaments and decorative goods of wood, cork, reed, cane, wicker, horn, bone, ivory, whalebone, shell, amber, mother-of-pearl, meerschaum, beeswax, plastic or plaster namely figurines, holiday ornaments for walls, sculptures, trophies, baskets, not of metal, fishing baskets, kennels, nesting boxes and beds for household pets, portable ladders and mobile boarding stairs of wood or synthetic materials, bamboo curtains, roller indoor blinds [for interiors], slatted indoor blinds, vertical indoor blinds, bead curtains for decoration, curtain hooks, curtain rings, curtain tie-backs, curtain rods, non-metal wheel chocks, hand-operated non-electric cleaning instruments and appliances including brushes, except paintbrushes, steel chips for cleaning, sponges for cleaning, steel wool for cleaning, cloths of textile for cleaning, gloves for dishwashing, non-electric polishing machines for household purposes, brooms for carpets, mops, toothbrushes, electric toothbrushes, dental floss, shaving brushes, hair brushes, combs, non-electric household or kitchen utensils, [other than forks, knives, spoons], services [dishes], pots and pans, bottle openers, flower pots, drinking straws, non-electric cooking utensils, ironing boards and shaped covers therefor, drying racks for washing, clothes drying hangers, cages for household pets, indoor aquariums, vivariums and indoor terrariums for animals and plant cultivation, ornaments and decorative goods of glass, porcelain, earthenware or clay namely statues, figurines, vases and trophies, mouse traps, insect traps, electric devices for attracting and killing flies and insects, fly catchers, fly swatters, perfume burners, perfume sprayers, perfume vaporizers, electric or non-electric make-up removing appliances, powder puffs, toilet cases, nozzles for sprinkler hose, nozzles for watering cans, watering devices, garden watering cans, unworked or semi-worked glass, except building glass, mosaics of glass and powdered glass for decoration,

except for building, glass wool other than for insulation or textile use, ropes, strings, rope ladders, hammocks, fishing nets, tents, awnings, tarpaulins, sails, vehicle covers, not fitted, bags of textile, for packaging, padding and stuffing materials, except of rubber and plastics, wool and cotton, synthetic fibers for textile use, raw spun fiber, glass fibers for textile use, yarns and threads for textile use, threads and yarns for sewing, embroidery and knitting, thread, elastic yarns and threads for textile use, woven or non-woven textile fabrics, textile goods for household use, curtains, bed covers, sheets (textile), pillowcases, blankets, quilts, towels, flags, pennants, labels of textile, swaddling blankets, sleeping bags for camping, clothing, underwear and outerclothing, other than special purpose protective clothing, socks, mufflers [clothing], shawls, bandanas, scarves, belts [clothing], footwear, shoes, slippers, sandals, headgear, hats, caps with visors, berets, caps [headwear], skull caps, laces and embroidery, guipure lace, festoons, ribbons (haberdashery), ribbons and braid, reinforcing tapes for clothing, cords for clothing, letters and numerals for marking linen, embroidered emblems, badges for wear, not of precious metal, shoulder pads for clothing, buttons for clothing, fastenings for clothing, eyelets for clothing, zippers, buckles for shoes and belts, rivet buttons, adhesive tapes [haberdashery], fasteners, pins, other than jewellery, needles, sewing needles, needles for sewing machines, lacing needles, needles for knitting and embroidery, boxes for needles, needle cushions, artificial flowers, artificial fruits, hair pins, hair buckles, hair bands, decorative articles for the hair, not made of precious metal, wigs, hair extensions, electric or non-electric hair curlers, other than hand implements, carpets, rugs, mats, prayer rugs, linoleum, artificial turf, linoleum for covering floors, gymnasium mats, wallpaper, wall hangings not of textile, games and toys, arcade video game machines, game apparatus and machines for use with an external display screen and monitor, coin-operated, toys for animals, toys for outdoor playgrounds, parks and game parks, gymnastic and sporting articles, fishing tackle, artificial fishing bait, decoys for hunting and fishing, artificial Christmas trees, ornaments for Christmas trees, artificial snow for Christmas trees, rattles (playthings), novelties for parties,

novelty toys for playing jokes and for parties, paper party hats, meat, fish, poultry and game, processed meat products, dried pulses, soups, bouillon, processed olives, olive paste, milks of animal origin, milks of herbal origin, milk products, butter, edible oils, dried, preserved, frozen, cooked, smoked or salted fruits and vegetables, tomato paste, prepared nuts and dried fruits as snacks, hazelnut spreads and peanut butter, tahini (sesame seed paste), eggs and powdered eggs, potato chips, coffee, cocoa, coffee or cocoa based beverages, chocolate based beverages, pasta, stuffed dumplings, noodles, pastries and bakery products based on flour, desserts based on flour and chocolate, bread, simit [Turkish ring-shaped bagel covered with sesame seeds], poğaça [Turkish bagel], pita, sandwiches, katmer [Turkish pastry], pies, cakes, baklava [Turkish dessert based on dough coated with syrup], kadayıf [Turkish dessert based on dough], desserts based on dough coated with syrup, puddings, custard, kazandibi [Turkish pudding], rice pudding, keşkül [Turkish pudding], honey, bee glue for human consumption, propolis for food purposes, condiments for foodstuff, vanilla (flavoring), spices, sauces (condiments), tomato sauce, yeast, baking powder, flour, semolina, starch for food, sugar, cube sugar, powdered sugar, tea, iced tea, confectionery, chocolate, biscuits, crackers, wafers, chewing gums, ice-cream, edible ices, salt, cereal-based snack food, popcorn, crushed oats, corn chips, breakfast cereals, processed wheat for human consumption, crushed barley for human consumption, processed oats for human consumption, processed rye for human consumption, rice, molasses for food, agricultural and horticultural products, seeds, forestry products, live animals, fertilized eggs for hatching, plants, dried plants for decoration, fresh garden herbs, dried garden herbs for decoration, animal foodstuffs, malt not for human consumption, underlays for pets, cat litters, beers, preparations for making beer, mineral water, spring water, table water, soda water, fruit juices and vegetable juices [beverages], fruit and vegetable concentrates for making beverages and non-alcoholic fruit extracts for making beverages, soft drinks, energy drinks, protein-enriched sports beverages, alcoholic beverages (except beers), wines, raki [traditional Turkish alcoholic drink], whisky, liqueurs, alcoholic

cocktails, tobacco, chewing tobacco, cigarettes, cigars, smokers' articles, made of precious metals including pipes, mouthpieces for cigars and cigarettes, ashtrays, tobacco boxes, pocket apparatus for rolling cigarettes, cigarette paper, tobacco pipes, firestones, lighters for smokers, electronic cigarettes and their cartridges, matches) enabling customers to conveniently view and purchase those goods, such services may be provided by retail stores, wholesale outlets, by means of electronic media or through mail order catalogues.

Class 38
Radio and television broadcasting services; telecommunication services; providing access to the Internet; news agencies.

Goods and/or Services:

Class 01

Chemicals for use in industry and science; calcium carbonate; industrial chemicals; non-metallic minerals; non-metallic minerals for use in manufacture; unprocessed plastics in primary form; groundwood pulp or chemical pulps for use in manufacturing processes; paper pulp; recycled paper pulp.

Class 07

Metalworking machines; tools for use in metalworking machines; metalworking machine tools; mining machines; construction machines; loading and unloading machines; apparatus for the loading of goods; apparatus for the unloading of goods; industrial fishing machines; washing apparatus; chemical processing machines and apparatus; electromechanical machines for chemical industry; engines not for land vehicles; turbines, other than for land vehicles; parts of engines not for land vehicles; hydraulic turbines; catalytic converters; watermills; windmills; machine elements, not for land vehicles; bearings being parts of machines; transmissions, other than for land vehicles; springs being parts of machine; brakes for machines; valves being parts of machines; 3D printers.

Class 16

Industrial packaging containers of paper; industrial packaging containers of paper for food; wrapping paper; packing paper; paper bags; paperboard boxes [for industrial packaging]; kitchen paper; baking paper; coasters of paper; paper coffee filters; place mats of paper; garbage bags of paper for household use; garbage bags of plastic; paper bags for household purposes; garbage bags of paper; paper patterns; tailors' chalk; banners of paper; flags of paper; hygienic hand towels of paper; towels of paper; table napkins of paper; hand towels of paper; shipping labels of paper; cutout pictures of paper; chiyogami [assorted pieces of Japanese paper with colorful patterns printed thereon]; origami folding paper; colouring pictures; paper and cardboard; stationery; note books; note paper; labels of paper or cardboard; stickers

[stationery]; printed matter; paintings; calligraphic works; photographic prints.

Class 19

Tar; pitch; non-metallic minerals for building or construction; gypsum [building material]; gravel; sand; limestone [calcareous stone]; ceramic building materials and refractory products; refractory products in the form of mortar, cement and concrete; fired refractory materials, not of metal [building materials]; bricks; building materials of plastics; building products made by the extrusion of synthetic plastics; building products made by the moulding of synthetic plastics; plates of plastics for building purposes; asphalt; asphalt [for building purposes]; asphalt for use in roofing; asphalt roofing felt; asphalt roofing paper; asphalt paving; building materials made of asphalt; construction materials made of asphalt; lime building materials; construction materials made of lime; gypsum board; gypsum floor tiles; gypsum wallboard; building or construction materials made of gypsum; plaster for building purposes; buildings, not of metal; erosion control mats incorporating plant seeds; cement; cement products; concrete; cement mixes; building timber; artificial timber; building stone; stones; building glass; artificial fish reefs, not of metal; non-metal paint spraying booths; moulds for forming cement products, not of metal; shuttering, not of metal, for concrete; sheathing boards, not of metal, for concrete; water-pipe valves, not of metal or plastic; road signs, non-luminous and non-mechanical, not of metal; storage tanks of masonry; sliding doors, not of metal; man-made garden ponds [structures, not of metal]; aquaria [structures]; non-metallic mineral materials for building or construction, unworked or partly worked; plaster boards; slag stone; slag [building material].

Class 37

Construction; construction consultation; maintenance and repair of utilities in buildings; repair or maintenance of loading-unloading machines and apparatus; repair or maintenance of telecommunication machines and apparatus; repair or

maintenance of construction machines and apparatus; repair or maintenance of measuring and testing machines and instruments; repair or maintenance of printing or bookbinding machines and apparatus; repair or maintenance of chemical processing machines and apparatus; repair or maintenance of metalworking machines and tools; repair or maintenance of industrial furnaces; repair or maintenance of machines and apparatus for lumbering, woodworking, veneer making and plywood making; repair or maintenance of painting machines and apparatus; repair or maintenance of machines and apparatus for pulp-making; repair or maintenance of machines and apparatus for papermaking; repair or maintenance of machines and apparatus for paper-working; repair or maintenance of plastic processing machines and apparatus; repair or maintenance of packing or wrapping machines and apparatus; repair or maintenance of storage tanks; repair or maintenance of chemical plants; repair or maintenance of nuclear power plants; repair and maintenance of 3D printers; rental of construction machines and apparatus.
